ISTEN TO LUKE

Summer weather came to Sanderson briefly, as was noted in the front page picture last week, and as was noted by local residents during the first part of last week. But on Wednesday night, the arrival of a norther reminded us - and all of the vegetation - that spring was still around some corner.

Since taking the picture last week and since its publication, we have seen and have been told of several other trees that have been fooled into breaking out in buds. Sorry about that!

Our apricot tree in the back yard has been getting a little talking to each morning and night in the hope that it will be able to bear good fruit. Last year it might as well have been china-berry.

Last week we had something to say about figures, and there is another figure that we have mentioned before and probably will again if the Lord wills!

The waste of property and life on our state's highways is a disgrace to a supposedly civilized and "law abiding" people.

The word "Ecology" has come into some prominence recently, and the need for it has become "the thing" that all politicians have suddenly become aware of to the extent that it has worked its way up the list of "musts"to almost the top. When in heaven's name is our nation going to be concerned about humanity? Ecology could be the atural result if we continue in our human waste, but by the ame token, there will be no humanity here to enjoy a successful practice of ecology.

And then in Thursday morning's paper, we read that Robert H. Finch, secretary of health, education, and welfare, suggested the starting point for improving the quality of life would be for parents to limit themselves to two children. He said that over-population was a paramount concern that must be dealt with if other environmental problems are to be sol-

Over-population was a lso said to be a cause of pollution.

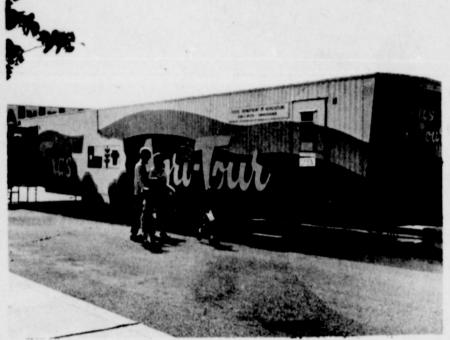

Well, now, we have no problem at all, do we? - Only with supposedly intelligent men who come up with such a brilliant statement as the one quoted

The federal government can have an alternative - cither kill the children born after number two, or kill the parents. An educational program could be started to promote hatred of parents toward subsequent children after two, or toward each other, that would cut down on the number of children born, maybe. And we can think of several other ways that would also work if the above methods fail, but we are going to wait and see how HEW sets out to control this "danger".

Our nation - legal, spiritual, social, moral, and all its other fibers - is not able to control by any degree of acceptability, the birth of illegitimate babies into this life. How - in heaven's name - actually - is it going to

Mrs. Lee Grigsby returned home last Thursday from Mc-Camey where she had visited for several days with her son, L. R. Grigsby, and family.

The Texas Department of Agriculture Agri-Tour mobile unit will visit Sanderson on Friday, June 12, during the Miss Wool of America Pageant, announced Monte Sumner, marketing speccialist with the department.

The unit's appearance in several West Texas towns during the pageant is made possible through the cooperative efforts of the Texas Sheep and Goat Raiser's Association, the Mohair Council of America, and

the Texas Department of Agriculture.

Sumner said the 56-foot long traveling slide show will be open to the public during the

Agriculture Commissioner John C. White said the Texas Agri-Tour unit is expressly designed to promote high quality Texas agricultural products. White explained that the unit is designed to familiarize Texans with the fibers products that are produced in the state.

All-Zone Cagers Named by Coaches

There was ameeting of the coaches of the eastern zone in basketball last Wednesday in Iraan for the selection of allzone players. Coaches Tommy Hall and Norman Gladson attended the meeting and reported the following selections:

Boys' first team - Bill Littleton, guard; Blain Chriesman, center; Steve Reid, guard; and Eddie Carpenter, forward; both of Iraan; Monroe Sullivan, forward; of Rankin.

On the se cond team were Randy Louwien forward and Leslie Hall, guard; Booker T. Dixon guard, of Rankin; Bill Hale, center, and Boyce Smithson, forward, both of Iraan.

Since there was only one game played between teams in the eastern and western zones, this manner of selection was

decided upon. Sanderson placed second in the zone in the girls' division and placed Brenda Carter and Mitzi Cash on the all-zone squad as forward and guard; Rankin had Suzy Lacy as forward and Dana Brown as guard; Iraan had Mary Dykes as forward and Marsha Higdon as a guard.

Iraan placed four girls on the second team: Judy Myers and Barbara Cox as forwards and Susan Rogers and Debra Holmes as guards; Rankin placed two on the second team: Kitty Gossett as forward and Sue Jackson as guard; while Sanderson had only one: Rhonda Louwien as a

There were seven players on the second team.

SCHOOLS TO BE CLOSED

TWO DAYS NEXT WEEK

The schools will be dismissed on Wednesday, March 4, at 4:00 o'clock and will be resumed on Monday, March 9. The two-day school holiday will permit the teachers to attend a TSTA meet in El Paso.

Mail Delivery Offered To Some **Local Residents**

A new policy of the Post Office Department is to offer rural route delivery service to any area more that one quarter of a mile from the local post office building. In Sanderson this means that anyone living further from the post office building than 2nd and Downie St.; 2nd and Pine St.; 1st and Hackberry St.; Wilson and Hackberry St.; and Wilson and Oak St. is entitled to this rural route delivery service. There are two main requirements for this service which must be met. One of the requirements is that 50% of the families in a service area must desire this service and the other requirement is that the family desiring this service must erect and maintain a mail box at the curb line of the street. All mail boxes must have the name and mailing address of the owner or head of the family legibly painted on the box.

It has always been the policy of the Post Office Department to give our patrons the best service possible in handling the mail and if this service is desired in this area we will install it.

In order to ascertain if the people of Sanderson want this service, it will be appreciated if you will clip the questionaire from the newspaper, fill it out and send it to your postmaster within the next week. The patrons in Sanderson should be sure to include their street address on the coupon.

Even if this service is installed in Sanderson, it will not be compulsory for everyone to receive their mail in street mail boxes. There will still be boxes ' at the post office building for those who wish to receive their mail as they are now doing.

Your assistance in filling out the coupon at left will be appreciated by your local postal employees.

More Than Inch Of Rain Falls **Over Weekend**

More than one inch of rainfall was reported by several of the ranchers of the area following the downfall of moisture last weekend. The rainfall began locally at about 5:00 p.m. Saturday.

Heavy clouds, fog, and drizzle continued through the weekend and into the first part of the week.

Some ranchmen who were shearing had to suspend operations for the "wet" spell.

Moisture began falling locally late Monday afternoon and during the night about . 2-inch of moisture was added to that already received.

DAY OF PRAYER TO BE FRIDAY, MARCH 6

The Presbyterian Church will be the place for meeting of the local residents interested in the observance of the "World Day of Prayer" Friday, March 6.

The meeting will be at 4:00 p. m. and attendance at the prayer session is urged by the various women's organizations of the churches of Sanderson. The freshman class of 1927 in Sanderson High School is shown in the picture below. The front row includes: Ernest Farley, Bill Stavley, "Chink" Cash, Tom Spencer, Albert Shupbach, Jack Laughlin, Elvin Chandler, Leo Daniels; second row: "Shorty" Robertson, Jesse Mc-Donald, Andrew Henry, William Lea, Lucille Powell, Lillie Strange, Gladys Carter, Aline Haass, Novis White; back row: Keith Mitchell, Mamie Cash, Opal Shelton, Tootsie Lindly, Allen White, Dorothy Ogle, Lucern Weaver, Louie Miles, T. L. Williams. The picture was loaned by Bill Stavley of Del Rio.

Oops, sorry. Picture was misplaced. We'll run it next week.

Super Hugger

If it were an ordinary sportster, we'd have introduced it at the ordinary time.

Instead, we took the time to build a whole new Camaro. We started with a sleek new shape and a low road-

hugging stance. And added more hood. A faster fastback. Wider

doors. And new deeply contoured bucket seats.

The instrument panel wraps around you. With enough dials to make you think you're piloting a 747. There are four transmissions. And six power plants up to the Turbo-Jet 396 V8 that you can order.

Pick the one that best suits your driving. Then go pick on an open road.

And make it one with plenty of twisting turns. Because Camaro has a remarkable new suspension. And standard front disc brakes for a leech-like grip on the road.

> New Camaro. The Super Hugger. Other sportsters always feared it might And they were right. Only their timing was wrong.

Chocolate candy, pralines, coffee, and tea were available when the guests arrived. Valentine cards and gifts were exchanged. Several guests gave the hostess a red carnation Valentine corsage.

After a period devoted to fancywork and visiting refresh-ments of chocolate TV squares, praline chiffon cake, tea and coffee, were served. A beautifully decorated cake in heart shape on a crystal stand which had served as a decoration was also served with the refresh-

The guests were Mmes. Ray de Busk of Odessa, Clyde Smith, J. Garner, E. H. Jessup, and Al-fred Bendele. Members present were Mmes. C. H. White, J. W. Carruthers Jr., O. J. Cresswell, Ray Caldwell, L. R. Hall, W.D. O'Bryant, S.C. Harrell, H.P. Boyd, and F.G. Grigsby.

Ray Fitzgerald has gone to Presidio to begin his new duties as senior patrol inspector in the U. S. Immigration Service. He was patrol inspector here. Mrs. fitzgerald and the children will join him at the close of school.

Rev. and Mrs. Albert Peak returned home last Thursday after having their daughter in an Odessa hospital for several days for a clinical examination. The physicians concurred in the diagnosis that she has rheumatic fever and ordered bed-rest or a week before having her back in Odessa tomorrow for a check-up.

Mrs. C. B. Card de Nostess for W. M.U. all-Day meet

Mrs. Gene Black was in charge of the mission study presented last Tuesday when the Baptist W. M. U. met in the home of Mrs. C. B. Card for an all-day meeting. The study "Mission-Northeast" was on work in the New England states.

Mrs. H. G. Cates joined the group at noon for the covereddish lunch. The husbands and children of members attending were also invited guests.

The study was concluded in the afternoon with Mrs. E. H. Carson leading the dismissal prayer. Also present were Mmes. A. D. Brown, T. O. Moore Jr., A. N. Farley, David Cook, and T. O. Moore.

Week of Prayer for home missions will be observed next week with meetings in the homes of the members on Monday and Tuesday and the concluding service Wednesday evening in the church.

RANCH CLUB TO MEET TUESDAY MORNING

The Ranch Home Demonstration Club will meet Tuesday in the Legion Hall at ten-thirty. Members are requested to bring covered dishes. Mrs. H. E. Ezelle and Mrs. J. W. Carruthers Jr. are the hostesses.

Mrs. T. O. Moore and Mrs. T. O. Moore Jr. were business visitors in Pecos Monday.

Mr. and Mrs. N. M. Mitchell and Mr. and Mrs. G. K. Mitchell attended the livestock show in San Antonio last week.

Mrs. R. a. Harrison In Hostess For Culture Club Meet

The Sanderson Culture Club met in the home of Mrs. R.A. Harrison last Thursday afternoon with Mrs. G. K. Mitchell as co-hostess. Several arrangements of spring flowers were

used for decorations. Mrs. N. M. Mitchell Jr. .presided during the business meeting which opened with the reading of an inspirational poem by Mrs. C. B. Card and the singing of the National Anthem.

Mrs. Mary Cox presented news from the General Federation

Magazine.

A quotation from Edwin Markham was read before Mrs. R.A. Gatlin presented the program on "Our Part in the Improvement of Race Relations". She used three ethnic groups, Negroes, Indians and Latin-Americans, as the basis for her remarks.

During the social hour chicken salad, cherry tarts, toasted pecans, and party crackers were served with Mrs.Mitchell presiding at the silver tea and coffee service. An arrangement of narcissus, daffodils and greenery centered the white linencovered table.

Also present were Mesdames H. C. Goldwire, E. H. Jessup, H. E. Ezelle, L. H. Gilbreath, A. D. Brown, N. M. Mitchell, E. E. Farley, and E. H. Carson, a guest.

Pontiac announces the beginning of tomorrow.

The all-new Firebirds are here.

There are four. Why?

People have different ideas of what a sports car should be. Incorporating all of those ideas into one car is equivalent to putting an elephant's trunk, a camel's hump and stripes on a giraffe. You end up with a creature that doesn't do anything well.

So . . . four Firebirds.
Firebird (1). An economical sports car.

Firebird Esprit (2). A luxurious model.

Firebird Formula 400 (3). The Firebird built for drivers. Firebird Trans Am (4). Our

thing. A sports car.

ultimate.
Four distinctly different Firebirds for drivers who agree on only one

Comfortable seating for four. Period.

Three have always been a crowd. Especially in the back seat of a sports car. So the new Firebirds have two bucket-type seats in back. Plus two bucket seats up front.

Four comfortable passengers, each in an individual seat.

And a more comfortable ride.

The rear seats gave us room to raise the drive tunnel between them. Which gives the suspension room to travel when you hit a bump. Which, in the Firebird and Esprit, produces a ride that many a full-size sedan would be proud of.

Formula 400 and Trans Am don't have it quite as soft. Enthusiasts like a stiffer ride. Stiffer springs and shocks provide it.

A ride is nothing without quick handling.

We didn't compromise handling a bit. We made the Wide-Track wider. Made fade-resistant front disc brakes standard. And for improved cornering, we installed stabilizer bars up front. And added rear stabilizer bars to Formula 400 and Trans Am.

Engines to match.

If you read our descriptions of the four Firebirds, the engine lineup makes supreme sense. The basic Firebird has a 250-cubic-inch six. Esprit—a 350-cubic-inch, regular-gas V-8. Formula 400 has a 400-cubic-inch V-8. And Trans Am features a 400-cubic-inch Ram Air V-8.

Endura bumpers that absorb bumps. Pontiac's Endura material is probably

the best thing to happen to bumpers since bumpers. It's a resilient, rubberlike material that looks like painted metal. It resists dings, dents and chips. And it positively won't rust.

A tough bumper. Covering the

entire front end of each Firebird.

The decisive victory of functionalism over faddism.

Instrument panels, for instance. Easy to read. With easy-to-reach controls. We even designed the panels so that any light bulb can be changed in 60 seconds. By you. Without lying on the floor.

But you'll undoubtedly want to find out for yourself. Please do. At a Pontiac dealer's. Then you'll know our "beginning of tomorrow" claim is more than a boast.

And what person or bureau is going to take god-like powers to determine what methods of control, if any, are to be used against over-population?

We will not deny the existence or the probability, or possibility of over-population, but we would not accept by force or willingly the power or authority to prevent such a happening!

And we can't see our government in such a role, either!

We were the first to sign the page signifying our NOT wanting home delivery of mail. You may signify your interest either way to the postmaster.

The reason we do not think it is plausible is because of the cry loud and clear that the postoffice is way in debt and going in further all the time. We see no reason the further that situation. We further feel that there would be the inconvenience of having to wait for the mail to be delivered to the home - if home delivery is the rule, rather than picking up mail at the postoffice. We further feel that if the postal department is operating in the red that they should not promote further deficit operations. We further feel that if they hope to improve the postal service in any way that it would be better to try to get mail to Sanderson from the east without going to El Paso and causing a day's delay - at least in local mail delivery.

But these are my opinions. You may express yours to the P. M. My expressions here do no good whatsoever in halting or slowing the chances for home de livery.
