## LISTEN TO LUKE

Albert---

On October 29, that's a Thursday, there will be a free German measles inoculation given to every child between 1-12 at elementary school. The fact was made possible by A. N. Clanton, county health officer.

There is currently some nationwide advertising in many national periodicals telling of dangers of Rubella - or German measles - particularly expectant mothers. This disease, like polio and many others, can be wiped out by the public's participation in immunization programs.

Tell your friends, we'll tell you, and let's get 100% participation locally. Is there any reason why not?

---  
 We're going to have to join in a degree - some of our younger folks and their comments at Madison Ave., the birthplace of some of the advertising we see and hear.

As we have said before, we feel that most of the TV advertising is aimed at 6-year-olds, and no insult intended to the age group. Whatever its appeal to them, we hope that it is not serious!

Now there is a toothpaste advertisement which stresses urgently the fact that it contains zirconium silicate. It doesn't say what ZC is good for, but it's got it!

I went to my Webster's Colgate, 7th edition, to see if I was missing by not using that brand toothpaste. I still don't know! Maybe I should check a Funk & Wagnall's dictionary. I found out that silicate had something to do with toothpaste, but Zirconium escapes me.

And furthermore, I imagine that if I knew what zirconium was, I would not know the relationship between this substance and the minerals of which the tooth is composed. But the potential buyer hears that zirconium silicate, be sure and use "A" brand toothpaste.

Now, really! Just sit and watch a few - if you can stand that many - TV commercials and watch the results that's made!

---  
 There is an indication that some of the women's clubs are being concerned about the condition of Sanderson's appearance. We welcome any and anyone else to that opinion, and we, like them, are open to suggestions about improving the situation.

We know as well as anyone that thinking won't get the job done, but some thinking might lead to the beginning and that's what we would like to see.

Someone has said, "If someone would just step out and take the lead, maybe others would follow."

Well, someone has taken the lead and done some spraying, and there has also been some cutting, and maybe this is all going to lead to some more cutting and/or spraying. We are not trying to "harp" continued to back page

## Club Makes Plans For Local Clean-Up

Plans are being made to push for a "clean-up drive" in Sanderson in the near future. The plans are being made by a committee from the Sanderson Culture Club composed of Mrs. H. E. Ezelle, Mrs. N. M. Mitchell Jr., and Mrs. W. H. Savage.

It was reported Tuesday that contact is being made with every organization in town and each is being asked to send a representative to a meeting to be held Thursday, October 1, at the home of Mrs. Mitchell, at which time plans will be drawn up for the clean-up campaign.

It has been stressed that the effort will ultimately be done by individuals and that the concentration will be for the motivation of the individuals for their participation.

## Ministers Ask Help In Planning Events

The members of the Sanderson Ministerial Alliance ask the cooperation of the public in planning of their events so as not to conflict with regularly and specially scheduled church events, and at the same time pledge their support of the secular activities of the community they feel are morally and spiritually right. The members of the Alliance are: Rev. E. H. Carson, Baptist Church; Rev. John A. Pierce, St. James Catholic Church; Rev. Melvin A. Walker, United Methodist Church; Rev. R. A. Harrison, Presbyterian Church.

The statement follows: "We the pastors and members of the Ministerial Alliance of Sanderson want to join with the citizens of our town to help make it a more wholesome place to live and rear our families.

"Therefore, we purpose to participate in the social activities of the community, and support those activities that we feel are morally and spiritually right and good for our community.

"As we plan the calendar of activities of our churches we will do our best not to conflict with school and community activities, as far as it is possible to do so.

"In pledging our support and cooperation, in every way possible with the secular activities of our community, we are also asking your cooperation with the churches. Please remember that Sunday and Wednesday evenings are times of scheduled church activities. We feel that conflicting meetings should not be scheduled on these days.

"We believe that religion is an important aspect of any life or community, therefore we are asking your full cooperation."

Rev. and Mrs. Melvin A. Walker left on their vacation Monday, going to Lubbock where she received a medical check-up and then on to Albuquerque, N. M., to visit with their son, M. A. Walker Jr., and family.

## Jr. Hi Gridders Beat Imperial 32-12

The junior high school grid-ers won their first outing of the season over Imperial 32-12. Norman Gladson is the coach.

Sanderson made their first score in the second period when Carlos Munoz, fullback, went over the goal line. Norvel Clark ran over the 2 extra points. Imperial also had a TD in the second period but failed to convert their PAT and the half-time score was 8-6 in favor of the little Eagles.

Frank Luevano intercepted an Imperial pass and ran 55 yards for a score with a Danny Montalvo to Tony Calzada pass good for the extra points. Munoz scored his second TD and Clark ran over the 2 extra for Sanderson's scoring in the third frame. Imperial scored in the same period after two long passes completed.

Sanderson added more icing to their cake in the fourth period when Luevano went over the goal line from the 12 and Danny Montalvo added the two extra points.

Players for the junior high team include Montalvo, quarterback; Bobby Hunn, John Finley, Billy Ray Walton, Clark, Luevano, and Howard Dishman, halfbacks; Munoz, fullback; Steve Couch, Kendall Billings, Fernando Anguiano, and Mario Arredondo, guards; Paul Hinkle, Sergio Pridgen, centers; Jack Crosby, Jay Chriesman, Chester Harris, tackles; and Calzada, Ricky Marquez, Richy Ochoa, and Kevin Farley, ends. Managers are David Carter, Donald Jones, and David Fuentes.

## DAILY TRAIN DISCONTINUED

According to information received Wednesday morning, the Interstate Commerce Commission was granting the Southern Pacific Railroad permission to discontinue daily passenger train service in lieu of 3-train-weekly service to include dining and sleeping facilities. The effective date of the change is said to be October 1.

Time and place of hearings on the proposal are to be announced later by the ICC.

## Eagles Squeeze Past Marfa 13-12; To Go To Grandfalls Friday Night

The Sanderson Eagles squeezed past the Class AA Marfa Shorthorns here Friday night to continue their winning streak of 2-0 for the season. The winning edge came in the final period with less than three minutes of play.

Marfa controlled the ball during most of the first half and held a half-time lead of 6-0. Their score was in the second period and came on a 1-yard run over the pay stripe by Tony Alvarado, the big Marfa tailback. The extra point try ended in a blocked kick by Sanderson.

During the first period, following the Eagle kick-off, Marfa had a long pass completion that ended in a fumble which was recovered by Robert Barron. Sanderson was subsequently forced to punt and the Shorthorns marched down the field to threaten Sanderson's goal line. On a play that put the ball into the end zone, the Eagles recovered a fumble there and gained possession on their 20 just before the buzzer sounded to end the first frame.

During the third period Sanderson took the ball deeply into Marfa territory and a fumble was recovered by the Shorthorns who returned the favor and a recovery was again by Barron. Following an Eagle punt, Marfa began another march which was interrupted by another fumble and Manuel Olivas recovered. The Eagles took the ball to the goal line from where James Druse went over on a quarterback sneak from just inches out. Leslie Hall, halfback who saw lots of action with the ball, did the honors on the placement kick for the extra point.

Marfa put the ball over the goal line in the fourth frame, but the play was called back

because of a Shorthorn infraction. A pass-interference penalty against Sanderson put the ball at the Sanderson 1 from where Alvarado scored and the try for two extra points by a pass play was unsuccessful. Marfa led 12-7 at this point.

The Eagles were able to put together a successful attack by well-placed short passes and key runs and Druse hit Olivas who was wide open for a 28-yard touchdown play and the go-ahead score. The extra-points try failed.

Marfa worked into position for a field-goal try late in the final period, but the kick was short of the mark and Sanderson ran out the clock for the 13-12 win over the Shorthorns.

Eagles Coaches Willie Myers, Tommy Hall, and Bobby Nicholson used Druse, Hall, Olivas, Bill Littleton, Santiago Flores Jr., Jim Cash, Kendrick Hamell, backs, either offensively and the following linemen saw action during the game: Brad Harris, Randy Louwien, Damon Harrison, Raul Ybarra, Ray Arredondo, Blain Chriesman, Nelson Cooke, Ike Billings, Roger Sanchez, Robert Barron, Steve Litton, Juan Saenz, and Ronnie Stewart.

In listing the players of the game last week, Randy Louwien, Eagle starting guard, who played almost all of the game, was erroneously omitted from the list.

The Eagles will go to Grandfalls next week to meet the Class B Cowboys there.

Jack Cosby, junior high school principal, is announcing the action of the games this year and W. W. Sudduth, veteran clock operator, continues in that capacity. The clock has been moved to the west end of the field in the north corner.

Joe and Herman Chandler are shown in the picture below riding a long Independence Creek in the eastern part of Terrell County. Herman said that even though it was a long time ago that the picture was made, the creek was just as big then as it is now. Joe is riding the mule.

### Band Makes Debut On Home Field Last Friday Night

The Sanderson High School Band made its home-town debut Friday night at the football game for the half-time pleasure of the fans and to boost the spirit during the game with their music. Glen Wren is the band director.

Their precision marching at the half drew the applause of the fans who also expressed their appreciation for the specialty number "Raindrops Keep Falling on My Head" and the participation of the twirlers, Gailia Coker, Susi Robbins, Alice Goldwire, Estella Calzada, Mona Harris, and Nancy Maples. Donna Petty is the drum major to direct the action of the band while on the field.

The twirlers have something new in uniform style this year. They are gold-sequined one-piece tights with a white-sequined design in the front. They wear white knee-high boots. Black capes are worn while playing with the band or for warmth.

### EAGLE GRIDDERS HONORED AT SUPPER SUNDAY NIGHT

**Andres Marquez Retired Tuesday**

Tuesday marked the last day for Andres Marquez Sr. to be employed by the Southern Pacific Railroad as he took his retirement on that day, his 65th birthday.

Marquez was born in Sanderson on Sept. 22, 1905, and has spent most of his life here, living in Houston and working as a laborer before going to work for the S.P. as a round-house laborer in 1937. He finally became a machinist helper but gave up his seniority rights several years ago to again be a laborer.

He has a home both in Sanderson and Del Rio and plans to divide his time between both places and be self-employed.

His first wife died in 1938 and he was then married to Jesusita de la Garza. He had four daughter and she had one and they have a son, Andrew Marquez Jr., who lives in Del Rio. The daughters are Mrs. Antonio Calzada of Sanderson, Mrs. Pete Postel and Mrs. Victor Rodriguez both of Houston, Mrs. Andres Falcon of Sanderson, and Mrs. Ramon Cerda of San Antonio.

Miss Lellee Mitchell visited in Del Rio with friends last weekend.

S. J. Burchett was taken to an Alpine hospital Monday for treatment.
