STAR
Lites
by Bill Ellis

New Year's thought: If you're not a regular subscriber to the Friona Star, why not start the New Year off right by joining the growing list who read the Star each week for the top news and advertising in Friona and the trade area?

We've had some slow but heartening response to our request last week for back issues of the Star for our files, some of which are more than 10 years old.

We're going to list here a more complete set of dates that we need, and repeat that if any subscriber happens to have in their possession any of the issues we need, we'll gladly pay \$1 per issue for their trouble, and for relinquishing their "collector's items."

Specifically, we need any issues published between Sept. 1 and Nov. 18, 1955. Also need a Feb. 11 and July 29 issue that year.

From 1954, we need issues of Oct. 7, Nov. 19 and Nov. 26. Also May 14, March 11 and August 26 of 1954.

One issue is missing from 1953 -- October 22. We think we're missing second sections of two other weeks that year, June 25 and September 10.

Then, in 1950, we can use any issue from January through March, as well as April 7, 14 and November 23.

At \$1 per copy, we can only reward the first ones to bring the missing issues in, so if you have an old stack of papers somewhere, or your grandmother does, why not check them. They might help us complete our files and give you some extra "coffee money."

Evidently the Star's "Dollar Day" issue of the past week bore fruit for many businesses, as many of the coupons in our special section were redeemed for special Dollar Day values.

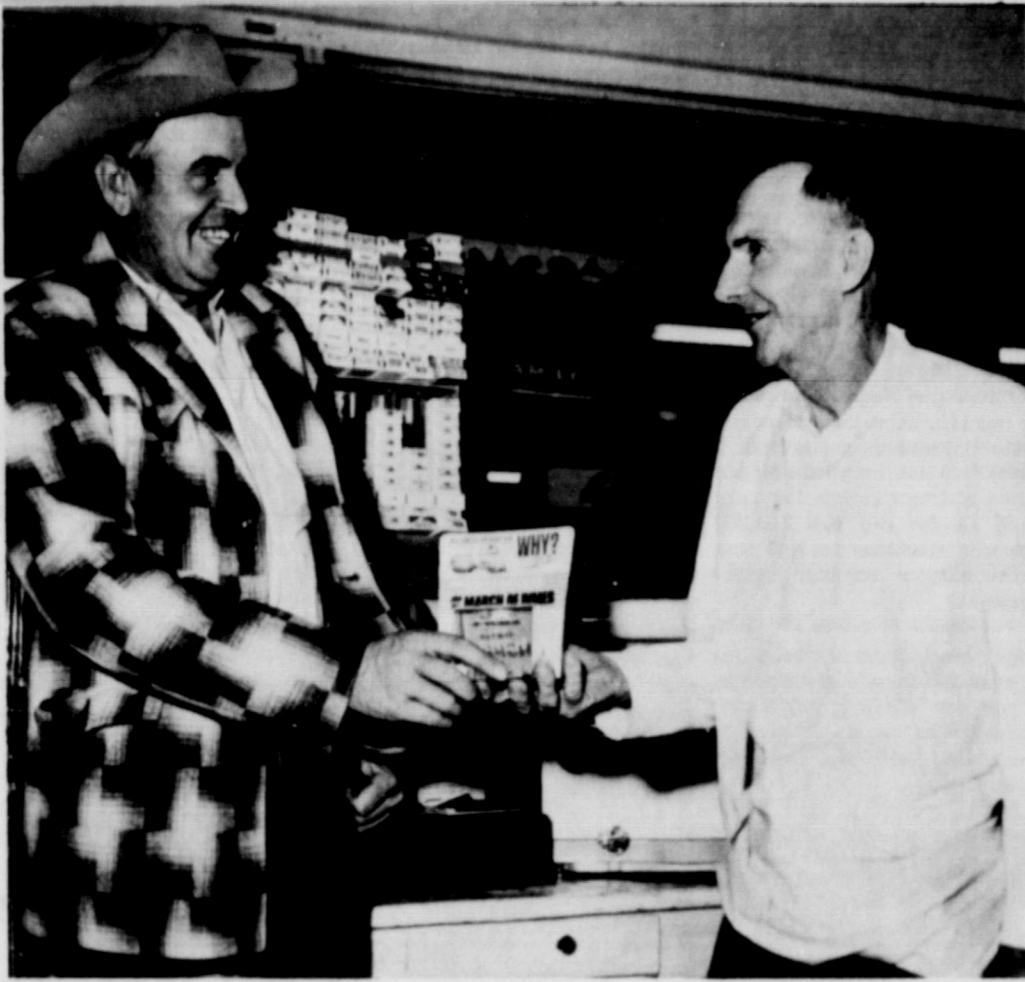

It was so much a success that we plan to continue the idea in our next Dollar Day issue.

We, as I'm sure some others of you did, received an elaborate invitation this past week to Governor Connally's inauguration. Since it falls on a Tuesday, and since we're short-handed anyway, I'm afraid we'll have to beg off this time.

Maybe the governor will forgive our absence. It's a pretty fair "country drive" to Austin, anyway.

NEAR-FINAL FIGURES

Parmer's Cotton Crop Exceeds 50,000 Bales

Parmer County's Cotton crop, while far from "bumper" proportions for 1964, it still will ring in as the fifth best production year in the county's history, going by total bales produced.

A survey of county gins on Monday disclosed that 53,021 bales had been ginned. Last year's crop, although having fewer harvested acres, was less than 50,000 bales.

The 1964 crop was the second in a row to harvest much less than the allotted acreage. A total of 42,574 acres were harvested this fall.

The past year's crop, in addition to assuring itself of fifth place among the top "cotton years" according to total bales produced, was only the sixth in the county's history to top 50,000 bales.

Best cotton year in the county's history was 1962, when a total of 80,525 bales were ginned. Over 60,000 bales have been produced twice--60,579 in 1958 and 60,029 in 1961. The 1956 crop rounded out at 58,827.

There was little chance of the 1964 crop catching the 1956 total, according to W. L. (Preach) Edelman, who made the survey. "I doubt that there are over 250 more bales to be ginned on the 1964 crop," he told the Friona Star.

Edelman pointed out that most cotton farmers didn't make as good a crop as they had thought they would. "Most were disappointed in their yields--especially those in the southern and southwest portions of the county," Edelman said.

The county's representative to Plains Cotton Growers and the Cotton Council of America stated that Parmer County farmers had almost "to a man" accepted the boll weevil eradication program through a donation of 50 cents per bale.

A tally of the ginning totals showed that Friona has become the center of cotton production for the county. Three Friona gins turned out over 14,400 bales. The Friona-Hub-Summerfield area produced almost 25,000 bales on the county's total, and adding Lazbuddie area gins, the total is near 36,000 bales for 10 gins.

Until recent years, cotton ranked in third place behind maize and wheat as a cash crop for Parmer County farmers, but lately has beaten out wheat returns for the honor of second best cash crop.

Water District Holds Election On Tuesday

The annual election for the High Plains Underground Water Conservation District No. 1 will be held next Tuesday, January 12. Voters will elect new representatives to serve on county committees and two new members to the district board.

Voting boxes and election officials in Parmer county are as follows: City Hall, Friona; Dwain Menefee; Wilson & Brock Ins.; Bovina-Edwin Lyds; County Courthouse, Farwell; Mrs. Albert H. Smith; Schoolhouse, Lazbuddie- Jim Ray Daniel.

Polls will be open from 8 a.m. until 7 p.m.

On the ballot for director of the district from Parmer County will be Ross Goodwin, John Gammon has been serving in that office but has recently moved to another state.

Two county committeemen are to be elected from this county. From Precinct 1, the nominees are Ralph Shelton, Friona and Eric Rushing, Friona. From Precinct 2, the nominees are Harold Hawkins, Bovina and Carl Rea, Bovina.

formation agency. The requests are sent to all businesses regardless of size, from the corner grocery to the million dollar manufacturer.

Because of the constant flux in the American business community, nearly 6,000 changes are now occurring daily in Reference Book data. Thus the mammoth volume must be re-issued every two months to keep up-to-date credit facts in the hands of manufacturers and wholesalers. The credit reports which stand behind each entry in the Reference Book contains such information as the firm's current payment record, history, ownership, operation, financial stability.

The business population of Parmer County is up 5.3 per cent over January, 1964 announces Charles L. Swanson, manager of the Amarillo office of Dun and Bradstreet.

He states that figures obtained by a physical count of the Dun & Bradstreet Reference Book for January, 1965 totaled 220 manufacturers, wholesalers and retailers in the county as compared with 209 in 1964.

Swanson noted that this month Dun & Bradstreet, Inc., is sending requests for financial statements to almost three million businesses listed in the Reference Book. These statements are essential to the credit reports issued by the business in-

ALMOST \$2 MILLION IN '64

Construction Roars To All-Time High Locally

Construction in Friona during the calendar year 1964 set a new all-time record for the third straight year, and this time, the mark will be hard to topple.

Aided by the figures for the new Friona High School, building was begun in Friona for 1964 for an estimated value of \$1,978,040.

Even if the totals for the school building program were omitted, the construction as measured by building permits still topped the million-dollar mark for the first time since permits have been issued by the City of Friona.

City Manager A. L. (Jake) Outland released figures which showed that even without the school total, building worth an estimated \$1,149,040 was begun in 1964.

The school figure of \$829,000 does not include contracts for electrical or plumbing work, which actually would push the figure higher, and the year's

total over the \$2 million mark. The 1964 totals compared to the former record of \$873,475 established last year, and \$725,624 for 1962.

Once again, the building of new homes was a major portion of the total. There were 39 such permits, compared to 38 in 1963. However, the estimated value of the 39 new homes built or started in 1964 came to \$818,300, which was \$240,950 more than the estimated \$577,350 worth of the 38 homes built in 1963. It also compared to 29 permits issued for new homes in 1962 for an estimated worth of \$457,669.

Hiked by the school figure, non-residential construction was almost five times that of last year, at \$1,107,000. Again comparing the totals without the school, 1964's construction of non-residential buildings still showed a sizeable increase to \$278,000, topping 1963's \$231,950.

There were 15 such permits in addition to the school, compared to ten in 1963. Other sizeable building projects included a \$104,000 addition to Parmer County Community Hospital, a new building for Western Auto, a Spudnut factory and retail store, and a new Lutheran Church.

Figures for additions or alterations to existing build-

ings were actually down from the preceding year. Thirty-two such permits were issued in 1964 for an estimated construction worth \$52,740, compared to 45 permits in 1963 valued at \$64,175.

Largest single month was October with a total of \$951,300, bolstered by the school figure, followed by April at \$154,650.

REPORT SHOWS

Bank Figures Are New High

Deposits at Friona State Bank showed a fine increase over the same period a year ago, a check of the bank's December 31 statement revealed this week. In fact, figure represented an all-time record for a quarterly report.

At the close of business December 31, deposits stood at \$7,144,832.53. This compared to \$6,839,464.88 at the same time the previous year. Total assets also showed a sizeable jump, from \$6,839,464.88 last year to \$7,667,019.28 on the present statement.

Loans and discounts were up over a half million dollars, from \$3,716,055.50 to \$4,312,640.61.

The former record report came at the close of business last April 15, when deposits topped the \$7 million mark for the first time. Deposits on that date stood at \$7,136,435.96, which is some \$8,400 less than the current statement.

The total assets figure on the current statement also are up slightly from the April 15 statement, which showed them to be at \$7,656,346.38.

Better than average crops for the most part over a period of the past few years have seen bank deposits set

new records for corresponding statements practically every quarter in the past three years.

"Particular" Burglar Loots Buske Home

A "real particular" housebreaker robbed the W. D. Buske home of merchandise valued at around \$500 during the week of December 27-January 3.

Some of the items taken included a television set, a stereophonic phonograph, a radio, clock, typewriter and a package of new shirts. "It seemed to be a real particular robber. We could tell that the house had been searched, but only a select group of items were taken," Mrs. Buske reported.

It was theorized that entrance was gained through a window which had been locked. The screen had been taken off, but was placed back on. Parmer County law enforcement officers investigated the break-in.

Parmer's Businesses Increase During 1964

The business population of Parmer County is up 5.3 per cent over January, 1964 announces Charles L. Swanson, manager of the Amarillo office of Dun and Bradstreet.

He states that figures obtained by a physical count of the Dun & Bradstreet Reference Book for January, 1965 totaled 220 manufacturers, wholesalers and retailers in the county as compared with 209 in 1964.

Swanson noted that this month Dun & Bradstreet, Inc., is sending requests for financial statements to almost three million businesses listed in the Reference Book. These statements are essential to the credit reports issued by the business in-

formation agency. The requests are sent to all businesses regardless of size, from the corner grocery to the million dollar manufacturer.

Because of the constant flux in the American business community, nearly 6,000 changes are now occurring daily in Reference Book data. Thus the mammoth volume must be re-issued every two months to keep up-to-date credit facts in the hands of manufacturers and wholesalers. The credit reports which stand behind each entry in the Reference Book contains such information as the firm's current payment record, history, ownership, operation, financial stability.

Teams Take Wins Over Happy Cagers

Friona High School basketball teams won a couple of games at Happy Tues-

day night, with the Chiefs having to put on a rousing comeback to avoid being upset. The wins left the Squaws at 13-3 for the season, and the Chiefs 11-3 heading into district play.

For a time it looked like the Chiefs might drop their fourth game of the season, as a fired-up Happy team came from behind and took a 10-point lead in the final quarter. But the Chiefs stormed back for the win, 63-57.

The Squaws, though still not as sharp as they've been, still came back from their loss to Dimmitt to trip Happy, 51-36.

In the boys game, Friona grabbed a 19-10 first quarter lead and held on for a 29-24 first half advantage. Happy caught fire in the third period, scoring 24 points to Friona's 15, for a 49-44 lead. The Cowboys scored the first five points of the final period to go ahead 54-44, but Friona settled down to take the win.

Danny Murphree led scoring with 20 points. Larry Buckley had 14 and Dale Miller 11.

Teto Jennings fouled out of the Squaws' game early in the second half, having scored 15 points. Cindy Ingram and Janet Rushing played well in reserve, however. The Squaws hit 52 per cent of their field goal

(continued on page 2)

DISTRICT PLAY OPENS WITH BANG

Vital Games Face Teams Friday

The Friona High School Squaws officially begin the defense of their state basketball championship on Friday when they play their first district game at Abernathy. The Chiefs likewise will have an opportunity to see how they may fare in conference competition.

Both teams have played several games, but Friday's encounters are the first that count against the teams' standing in district play.

The Squaws' opponent is expected to be every bit as tough as any the team met during its 33-game schedule last year, which featured some pretty salty outfits along the way. Abernathy's girls won their district championship last year, competing in District 2-AA, so the game will pit two defending district champions against each other. Abernathy was topped in bi-district play by Spearman, a team which gave the Squaws a battle in the regional tournament.

Coach Mel Williams points out that Abernathy has most of its girls back from that team, including all three starting for-

wards, and one or two of the guards, including a six-foot post guard. The Abernathy team placed high in the annual Southwest AAU girls tournament at Duncanville last week.

However, the Antelopes are beatable. Springlake turned the trick in the Tullis tournament, and Friona holds two wins over Springlake. So, it isn't a hopeless task that faces the Squaws. But it will be a big test, right off the bat, and the team will no doubt have to play its best

of the year to win.

The Chiefs, meanwhile, have their hopes up after running up an 11-3 non-conference record, the best in the last ten years at FHS. Abernathy will likewise be one of the tougher teams in the boys' division, so a win for the Chiefs would boost their stock in District play.

Coach James Anglin, a believer in pattern basketball and ball control, says that Abernathy likes to run and shoot, and will probably throw up a full-court press on defense. The Antelopes have run up some large scores in compiling a fine non-conference record. They won their own invitational tournament, and placed third at Tullis.

However, for a man who likes to hold the scoring down and concentrate on ball control, Anglin has seen his team score in high digits at times this year. The Chiefs scored 89 points against Happy's B-team, and have run up scores of 78, 69 and 65 points against other varsity teams in their eleven wins.

The Chiefs have won two tournaments, the first time this

has happened at FHS in six years. One of their wins was against the tall Canyon Eagles, state class AA champion a year ago, enroute to winning the West Texas State University tournament.

If the Chiefs could get past Abernathy on the Antelopes' home court, they could be in the driver's seat, at least temporarily, in the district race.

However, the Squaws' opposition in district this season reads like a "Who's Who in Texas Girls Basketball." Following Abernathy, the team will host Floydada next Tuesday, a team also rated tough this year. Then will come Lockney, which always has a strong representative, and Olton (ditto), then Dimmitt. Local fans saw what Dimmitt was capable of doing last Saturday at Farwell.

The Squaws have one last point of pride they will be out to uphold. The team has won its last 14 consecutive games which counted toward a district, bi-district, regional or state title. The Squaws have not lost a district game in almost two years.

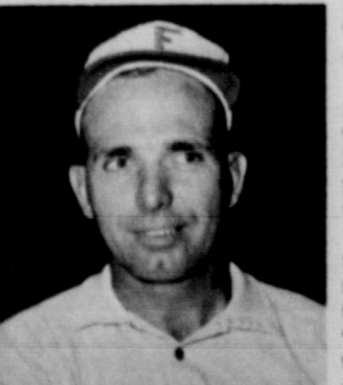

One thing in the team's favor is its ability to come through when the "chips are down." Friday's game is a very important "chip" to this year's team, both boys and girls.

The Chiefs don't have a particular bone to pick with Abernathy, but all members of the team undoubtedly will recall what happened in their last district football game, and will be out to "even things up."

The Squaws' game begins at 7 p.m., followed by the Chiefs-Antelope battle.

SWPS Announces Plans For 1965 Improvements

Southwestern Public Service Company's 1965 construction and improvement program calls for an investment of \$24,607,000 in new facilities, it has been announced by A.R. Watson, president and general manager of the electric company.

The company's construction plans for 1965 anticipate the second largest annual improvement program in the company's history, topped only by 1964's record investment of more than \$30,000,000. At the conclusion of the 1965 program, the electric company will have invested nearly \$120,000,000 in new equipment in the 1961-65 period.

"One year ago, when we announced a record single year construction budget, our forecast was for continued growth throughout our 45,000 square mile service area. Our optimistic outlook remains

unchanged, as evidenced by the continued high level of new equipment investment we plan for 1965 and the years to follow. Inasmuch as we must begin our planning and construction to meet our customer's needs from 3 to 5 years in advance of their actual requirements, it is apparent that we anticipate continued economic expansion in our service area", Watson said.

A major portion of the electric company's 1965 construction budget will go for additions to its interconnected generation and transmission system, which includes 11 base-load electric generating stations which are linked together by a 4,000 mile network of high voltage transmission lines.

The additions to the generating capability include a 210,000 kilowatt unit to be installed at Cunningham Station, west of Hobbs, New Mexico. The Cunningham addition will be the second 210,000 kilowatt machine to go into service within the period of a year. Plant X, near Earth, Texas, houses the first of these giant generators, the largest single unit in service on the company's system.

The other generating additions to be completed in 1965 are gas turbine units to be installed at Borger and Pampa. These units will be located at industrial plants in each case, with the fuel to be provided by the customer.

At the Borger location, where natural gas will be purchased from the customer for fuel, the exhaust gases will be returned to the customer for use in his plant.

At Pampa, hot pressurized gases which are a by-product of the customer's manufacturing process will serve as the fuel for the turbine.

"These 'tailored' installations of generating equipment are indicative of our responsibility to conserve the natural resources of the area we serve. In each case, there will be total utilization of the heat energy present in the gases, and all waste will be eliminated. This, of course, introduces economies for us as well as the customer, and is the type of program we must carry on to keep the customer's price down

by keeping our costs down. The benefit of this type of planning goes to all of our customers," Watson said.

1965 will see a continuation of a program started last year to convert the main arteries of the company's transmission network to 230,000 volt lines. The major voltage was 115,000 volts until this year.

Scheduled for completion this year are 230,000 volt lines running from Plant X to Cunningham Station and from Plant X to Nichols Station, northeast of Amarillo.

The 230,000 volt lines have 4 times the carrying capacity of the 115,000 volt circuits and their increased transmission capability ties in with the larger more efficient generating units such as the two new 210,000 kilowatt machines to both improve service and keep it economical.

A 115,000 volt line is being constructed from Amarillo to Borger to provide the electric power for pumping the water through the aqueduct system associated with the Canadian River Dam.

Load growth in the Hereford-Dimmitt area will bring the construction of another 115,000 volt circuit from Plant X to Hereford. This will "firm up" for many years the power supply in this growing region.

"There is great satisfaction in being able to say to our customers once again as a new year starts that their electric service dollar is buying more than ever before. Three things make this record possible. First of all are the customers themselves, who are using more electric power than ever before. They make it possible for dedicated employees working with the most modern and efficient equipment to keep down the price of our service in the face of rising costs for fuel, equipment and labor", Watson concluded.

Dear Bill,
Sincere thanks go to you for the generous publicity The Friona Star gave Project Christmas Card.

Modern Study Club wishes to express appreciation, for without this support the success would have been impossible. Total contributions were \$1118; this will be presented to our Parmer County Community Hospital.

Congratulations to The Friona Star for many reasons! one being the wholehearted manner in which civic projects are endorsed. We, as a club, appreciate your cooperation.

Sincerely,
Mrs. J. T. Gee
Chm. Community Service Committee of the Modern Study Club

TEC Office Here To Open On Wednesdays

Friona's temporary office for the Texas Employment Commission will be open on Wednesdays during January, it was announced by Joe Bradley, manager of the Hereford TEC office.

"So far, we've had little response from farmers in the Friona area, and had expected more orders for laborers than we've had," Bradley stated.

Farmers are reminded that the Bracero program expired on December 31, and that under the Department of Labor ruling, local labor must be used in the places where Bracero labor formerly was contracted.

The Friona office is located in the rear of the School Tax Office, and hours on Wednesday will be from 9 a.m. to 4 p.m.

Red Barn Chemicals To Have Lazbuddie Office

Roy Young, manager of Friona's Red Barn Chemicals plant, announced this week that the company is expanding by building an office in Lazbuddie.

"We hope by this means to be able to serve our customers in the Lazbuddie area much better," Young stated.

Bill Dennis has been named to manage the Lazbuddie office. Red Barn Chemicals, which has several branch offices in this area, has headquarters in Dimmitt. Another office in Parmer County is at Hub.

For further information, see Red Barn's advertisement in this week's issue.

Discover the difference in the '65 Chevrolets

(As different from other cars as they are from each other)

CHEVROLET—As roomy a car as Chevrolet's ever built. *Chevrolet Impala Sport Coupe*

When you take in everything, there's more room inside this car than in any Chevrolet as far back as they go. It's wider this year and the attractively curved windows help to give you more shoulder room. The engine's been moved forward to give you more foot room. So, besides the way a '65 Chevrolet looks and rides, we now have one more reason to ask you: What do you get by paying more for a car—except bigger monthly payments?

CORVAIR—The only rear engine American car made. *Corvair Corvair Sport Coupe*

You should read what the automotive magazines say about the '65 Corvair. They're wild about its ride. They think there's nothing else this side of the Atlantic that can touch its styling. They say if you haven't driven a new Corvair Corsa with a 180-hp Six Turbo-Chargaarged! you just don't know what you're missing.

Drive something *really* new—discover the difference at your Chevrolet dealer's

Final Rites Held For Mrs. Schiller

Funeral services were conducted Monday for Mrs. Sadie Schiller, 65, mother of two Friona women. Mrs. Schiller, who had moved to Friona a month previously from Anton, was the mother of Mrs. N. E. Wood and Mrs. Marion Fite. Services were held at the Friona Methodist Church, with Rev. Russell McAnally, pastor, officiating. Rev. Bill Burton

of the First Baptist Church assisted. Olsborn Funeral Home was in charge of arrangements. Other survivors included two sisters, Mrs. Anna Wentreck of Burlington, Mrs. Lydia Pomykal of Kileen; six brothers, Jerry Pomykal of West, Joe and Emil Pomykal, both of Temple, Ed and Henry Pomykal, both of Lott and Ben Pomykal of Troy, and five grandchildren.

Mrs. Tatum's Brother Is Accidentally Killed

Bud Dillingham, 45, of Albany, brother to Mrs. Ellis Tatum was accidentally electrocuted while at work December 29.

Funeral services were held

on Wednesday, December 30 at Albany. Dillingham was electrocuted about 7 a.m., December 29 while he worked at a tank battery between Albany and Throckmorton.

Dillingham, who died on his 45th birthday, lived in Albany all his life except for four years in the U. S. Air Corps. Survivors included two daughters, age nine and 13, as well as his wife, three brothers and two sisters.

Attending the funeral were Weldon Tatum of Bovina, Mr. and Mrs. Jerry Houlette, Debbie and Mary Beth, Dumas, Mr. and Mrs. Ellis Tatum, Friona, Fern Barnett, Friona, and Mr. and Mrs. Tommy Tatum of Canyon.

Draft Board Announces New "Tough" Policy

State Draft Board No. 18, which has jurisdiction over Deaf Smith, Parmer, Rendall and

Castro Counties, announce a tougher policy regarding men that register late.

Clyde Hays' Father Dies At Age 93

Funeral services were conducted yesterday for A. C. Hays, 93, father of Friona's Clyde Hays.

Hays, who was born in Tennessee in 1871, was an early-day resident of the Black community. Other survivors are sons Charley and Jim of Dimmitt, Glenn of Dallas, daughters Mrs. Opal Bookout of Hereford and Mrs. Lucille Kimmens of Phillips, 14 grandchildren and seven great-grandchildren.

This new policy has been adopted due to the number of late registrants that this board has had during the last few months.

The following registrars are maintained for the convenience of young men. (These are in addition to your local board clerk, Hereford, Texas.) Harry J. Charles, Bovina, Mrs. Connie Ivey, Dimmitt, Loyde A. Brewer, Courthouse, Farwell, and Otis Spears, Bovina, Texas.

Other members of the Board besides Mr. Dodson, Chairman, of Hereford, are Mr. Jesse W. Kleinschmidt of Canyon, Mr. M. Ray McReynolds of Canyon, Mr. Eugene L. Ivey of Dimmitt and Mr. Isaac Quickei of Bovina.

All registrants are also required by law to keep their local board informed of their current mailing address and other changes in their status.

Long-Time Resident, H. H. Elmore, Is Dead

Services for Henry Howard Elmore were held Saturday, December 26 in Friona Methodist Church with Rev. Lester Hill and Rev. Russell McAnally officiating.

Elmore was born in McMinn County Tennessee December 31, 1880. He lived there until he was 14 years old when he moved with his parents to Woodward County Oklahoma. He was united in marriage to Emma Leta Wilkinson in 1904. To this union was born three children; Porter, William (Bud), and Lucille.

Elmore moved to Friona in 1929 where he was engaged in farming. He will always be remembered by his friends as a hard working man, who dreshed, combined, and farmed all his life. He was one of the promoters for the Parmer County Hospital and was always willing to help in any way for the betterment of his community.

Howard and Emma sold their farm in 1961 and moved to Mesa Arizona for health purposes. In February of this year they celebrated their 60th wedding anniversary with over a hundred persons registering at a reception in their home.

Mr. Elmore died at 12:30 A.M. December 24th in the home of his daughter, Mrs. Dick Rocky. Since his health had been failing the past few months, they had recently decided to return to Friona and live near their children.

Survivors include his wife; a son, Bud, Friona; a daughter, Mrs. Lucille Rocky, Friona; two brothers, Joe, Moorland, Okla., and George, Whittier, Calif.; four sisters, Mrs. Lula

Brittian, San Gabriel, Calif., Mrs. May Caldwell, Stillwater, Okla., Mrs. Edith Goforth, Oklahoma City, and Mrs. Virginia Coffin, San Francisco; five grandchildren, Mrs. Camille Black, Houston, H.V. Rocky, Friona, Mrs. Dolores Spivey, Levelland, Larry and Tim Elmore, Friona; and four great-grandchildren.

IN REVIVAL

Calvary Baptist To Feature Dr. Ford

Dr. W. Herschel Ford of Dallas will be the speaker for Calvary Baptist Church's revival January 11-17.

Weekday services will be held at 12 noon and 7:30 p. m. Sunday services are at 10:55 a. m. and 7 p. m.

Dr. Ford, a graduate of Wake Forest College in North Carolina with Magna Cum Laude honors, received his Doctor of Divinity degree from Carson-

Newman College in Tennessee. He pastored the First Baptist Church in El Paso 16 years, and also has served churches in Florida, Tennessee, Georgia and North Carolina.

Dr. Ford has held various denominational office in the Southern Baptist Convention, and has authored 20 books, as well as writing for periodicals. He has now retired and is giving full time to evangelistic work.

Friona Man Is Graduate Of USAF School

Second Lieutenant William W. Fairchild, son of Mr. and Mrs. C. P. Fairchild of Friona, has been awarded silver wings upon graduation from the U. S. Air Force navigator school at James Connally AFB, an Air Training Command installation.

Lieutenant Fairchild is being assigned to Mather AFB, Calif., for specialized aircrew training before reporting to his first permanent unit for flying duty.

The lieutenant, a graduate of Friona High School, received his B. S. degree from West Texas State College. He was commissioned upon completion of Officer Training School in 1963. His wife, Ruby, is the daughter of Mr. and Mrs. A. S. Grubbs of Friona.

Writing in Newsweek, Henry Hazlitt says: "It is the great superstition of economic planners everywhere that only they know exactly what commodities their country should produce and just how much of each. Their arrogance prevents them from recognizing that a system of free markets and free competition, in which everyone is free to invest his labor or capital in the direction that seems to him most profitable, must solve this problem infinitely better."

Inter-Denominational Women Meet On Friday

The Inter-denominational Women will meet Friday at 2:30 p. m. at the Union Congregational Church. Rev. Jake Armstrong of the Calvary Baptist Church will be the featured speaker.

Special music will be presented by the host church. Opening prayer will be given by a member of the Friona Methodist Church. The Assembly of God Church is to bring the devotional, and the First Baptist Church will be responsible for the closing prayer.

The theme for the year's programs is "Christian Unity." The organization invites all ladies of the community to attend Friday's meeting.

A booklet issued by the Edison Electric Institute reports that there are now 11 atomic energy plants in operation, six under construction or design, and nine projects under study by the investor-owned utilities and the Atomic Energy Commission. Approximately one million kilowatts are being generated by the 11 operating plants, and the ultimate capacity of all the projects is expected to be 3.4 million kilowatts. The cost is estimated at about one billion dollars.

Seven County Residents Attend Wayland College

Seven Farmer County residents are currently attending Wayland Baptist College.

Thomas Ray Sanders, junior student, is the son of Mr. and Mrs. John D. Sanders, Friona. He is majoring in math and minoring in physics. Sanders is a member of "Proud Heirs."

Miss Margie Louise Carlton, daughter of Mr. and Mrs. A. L. Carlton, Friona, is a junior home and family life minor. Miss Carlton is summer missions chairman of Matador Hall, women's residence.

Cheryl Lyn Neill, a freshman daughter of Mr. and Mrs. Kenneth W. Neill, Friona, is a biology major and English minor. Miss Neill, who is also a Proud Heir, was member of National Honor Society at Friona High School where she was a 1964 graduate.

Roy Sterling Donaldson, freshman at Wayland, is the son of Mr. and Mrs. Sterling Donaldson, Farwell. Donaldson is a math major and is serving as vice-president of Pioneer Hall, men's residence.

Kenneth Vaughn Horn, sophomore, son of Mr. and Mrs. Johnnie Horn, Bovina, is a biology major. He is a Wayland Proud Heir.

Patricia Sue Peterson, freshman from Muleshoe, is the daughter of Mr. and Mrs. Earl B. Peterson. Miss Peterson is a member of the Queen Bees, freshman women's basketball team.

Rex Lenton Pool, a post graduate student, is also attending Wayland. He is the son of Mr. and Mrs. Lenton S. Pool of Farwell.

My Neighbors

"But Alice, when will we ever have an opportunity to wear them back in Menomonee Falls, Wisconsin?"

ANTIGO, WISC., DAILY JOURNAL: "A free competitive market for all transportation is not feared by the railroads, according to Clair M. Roddewig, president of the Association of Western Railways. Ton for ton and mile for mile, he says, the railroads are the most economical in the utilization of such important resources as manpower and fuel. They are unexcelled as low cost all-purpose carriers."

One look . . . they say . . . is worth more than a thousand words so, take our advice and take a look at the latest Blue Flame Home creation of R. L. Fleming & Son. Everything about this lovely home is unique, from the unusual stone work that graces the exterior, to the classical triangular patio. To your left, as you enter this spectacular home, is the living room with its massive fireplace, flanked by exquisite fruitwood bookshelves. To the right is the kitchen and family room which will be the talk of the town with fruitwood paneling and cabinets and luxurious olive carpet combined beneath the cathedral ceiling. From that point on the visitor will wander in wide-eyed amazement through four large bedrooms, two and three-quarters baths and finally out onto the patio where the ultimate is achieved by the large built-in patio gas broiler. Everywhere, throughout the home, Gas has provided the most carefree and relaxed living atmosphere, including of course, year-round gas airconditioning . . . both heating and cooling. So visit this lovely home this Sunday, from 2 til 5 PM.

R. L. FLEMING & SON
1403 West Seventh

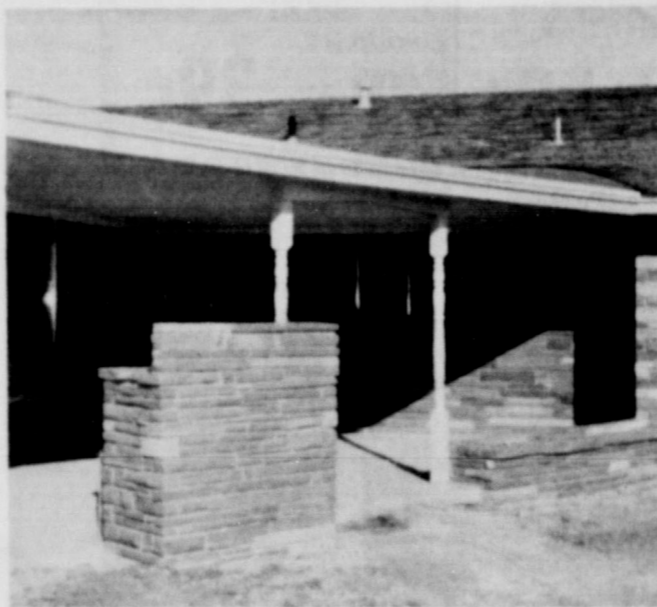

Presents . . . ANOTHER ALL GAS

OPEN SUNDAY
2 p.m. til 5 p.m.

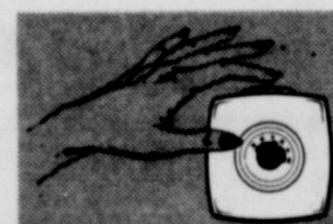

Fruitwood paneling and cabinet work accentuate the copper-tone gas oven and top burner units in the extremely functional kitchen. Shown below is the woodburning fireplace in the living room flanked by fruitwood bookshelves.

A patio gas broiler is the answer to the ultimate in outdoor living and one is conveniently located on the triangular patio of this lovely Blue Flame Home.

This home has the year 'round comfort of **GAS HEATING & COOLING**

JUST DIAL GAS FOR COMFORT

The builder of this home saved its owner more than \$11,000!

This is how much was saved by building this home, All-Gas. Authoritative metered comparisons show that the average family living in an all-gas Blue Flame Home can save as much as \$11,000 in utilities costs over a 25-year mortgage period.

Miss Willard Will Wed Tom Sanders

LOLA JOAN WILLARD

Mr. and Mrs. E. V. Willard of Kress announce the engagement and forthcoming marriage of their daughter, Lola Joan, to Thomas Jay Sanders, son of Mr. and Mrs. John D. Sanders of Friona. The wedding will take place Jan. 22, at six p. m. in the Willard home at Kress. The bride-elect is a graduate of Kress High School and Sanders is a 1962 graduate of Friona High School. Both are now students at Wayland Baptist College. He is employed in the Plainview School System and she works as assistant technician at Plainview Hospital.

News From LAZBUDDIE

BY MRS. C. A. WATSON

Holiday guest in the home of Mr. and Mrs. C. C. Graef were the James Welch family from Dimmitt; Mrs. Dean Myers and children, Dimmitt; Mrs. Sam Lyles and boys from Hurst, Texas, Mr. and Mrs. Gene Phillips and children, Clovis, Mr. and Mrs. James Beavers from Kress, Mr. and Mrs. Elton Graham and daughter and Mrs. Vallie Williams from Littlefield, Mr. and Mrs. Clayton Ray Graef, and children Texhoma, Bill Corrlis from Cannon Air Force Base. Area guests were The Artie Beavers family, The Euel Mitchell family and Jennie Steinbock.

and noisemakers. Among those present were Mr. and Mrs. J.T. Gee, Mr. and Mrs. Dan Ethridge, Mr. and Mrs. Wesley Foster, Mr. and Mrs. Frank Spring, Mr. and Mrs. Cliff Porter, Mr. and Mrs. Jimmy Smith, Mr. and Mrs. Roy Clements, Mr. and Mrs. Sloan Osborn, Dr. and Mrs. Lee Cranfill, Mr. and Mrs. Newman Jarrell, Jr., Mr. and Mrs. Hoyt Smith and Mr. and Mrs. Mac Ragsdale. Also present were Pat Foster, H. V. Rocky, Kay Burleson, Mr. and Mrs. Carl Res from Bovina, Mr. and Mrs. Nolan Froehner from Dimmitt and the hosts.

Mr. and Mrs. C. C. Graef were guests in the Dean Myers home in Dimmitt New Years Day.

Mrs. W. W. Humphrey was dismissed from the Clovis Memorial hospital recently and taken to the home of her daughter Mrs. Gulley of this area. Mrs. Humphrey is being treated for leukemia under the care of Dr. Glenn Farwell. She is responding to treatment real well according to Mrs. Gulley. Mrs. Humphrey's home is in Farwell.

Thirty Attend Hands' New Year's Eve Party

The basement recreation room of the L. R. Hand home was the scene of a New Year's Eve party last Thursday night. Mr. and Mrs. Johnny Hand were co-hosts.

The approximately 30 people who attended were served sandwiches, chip-n-dips, coffee and punch. After the meal the group played "42" until midnight, when noise-makers and confetti were passed out.

The room was decorated with curled streamers of all colors. The table centerpiece.

Mrs. Hough Has New Grandchild

Mrs. Dorothy Hough announced the birth of her first grandchild last week. Sarah Holly Kohler was born December 30 (her mother's birthday) to Mr. and Mrs. James A. Kohler, Jr. of Amarillo. She weighed six pounds, 12 ounces. The baby's grandfather is G. L. Hough of Friona.

Paternal grandparents are Mr. and Mrs. Albert Kohler of Boise City, Okla.

was a large New Year clock. Among those who attended the party were Mr. and Mrs. Hardy May, Mr. and Mrs. Dub Bush, Mr. and Mrs. Charlie Short, Mr. and Mrs. Harrison Gee, Mr. and Mrs. Eugene Bogess, Mr. and Mrs. L. B. McClain, Mr. and Mrs. Raymond Fleming and Mr. and Mrs. Kirby Williams.

Also present were Mr. and Mrs. David Grimsley, Mr. and Mrs. R. E. Sneed, Mr. and Mrs. John Hays, Mr. and Mrs. Bill Wooley, Mr. and Mrs. D. L. Carmichael, Mr. and Mrs. Loy Loanman, Mr. and Mrs. Bob Reithmayer and Mr. and Mrs. John Hand.

Susan Spring Is Troop President

Girl Scout Troop 268 met Jan. 4 at the American Legion Hall to elect new officers. Susan Spring is the newly elected president of the group.

Other officers are Cindy Campbell, vice president; Debra Clausen, treasurer; Gloria Brown, scribe; Patsy McVey, song leader; and new patrol leaders are Jayn Massie, Esther Smith and Gaye Welch.

Students Are Made Society Members

Two Friona students were among twenty-six initiated into Kappa Delta Pi, honor society in education, at West Texas State University.

They are Janet Smith, junior, and Robert Sanders, senior, Miss Smith, daughter of Mr. and Mrs. Ralph A. Smith of Friona, is a business education major. A speech major, Sanders is the son of Mr. and Mrs. Buell Sanders, 808 Columbia Avenue, Friona.

Members of the society are selected on a basis of scholarship; they must also have a junior standing and be enrolled in the WTSU teacher education program.

Students Of Mrs. Witten Present Holiday Recital

During the Christmas Season Mrs. J. Lee Witten presented nine piano and voice students in two Christmas recitals in her home at 804 Woodland.

The first recital was on December 16 and was a recital party for the students. It was a prelude to the "Mother's Recital" presented the following Sunday, Dec. 20.

Amid a Christmas motif, carried out throughout the house, each piano student played from eight to 12 memorized pieces, announcing the titles and composers of each. The selections included classics by such composers as Bach, Beethoven, Handel, Chaminade, Clementi, Mendelssohn, Dvorak

and Hayden. The students also presented popular music arranged by Mrs. Witten, Christmas selections and hymns, with each performer singing at least one hymn while playing.

Refreshments were served following each recital.

Those students presented in recital were Tracy Barber, Gene Armstrong, Carol Reeves, Fran Dodd, Alesia Ragsdale, Karen Armstrong, Karen Miller, Becky Coffey, and Brian Witten.

Mrs. Witten was formerly a member of the National guild of piano teachers, thus making her a sponsor of the National Fraternity of Student Musicians.

Unusual Holiday Party Held In Unfinished Home

Dr. and Mrs. J.L. Humphrey entertained a large group of New Year's Eve guests in their home that is now under construction. The Humphreys cleared the building materials out of the living room of the incomplected house and brought in card tables and chairs for bridge.

A serving table was constructed of saw horses with a wall paper "table cloth." Scrap wood pieces with "1965" were used for candleholders. A buffet supper was served at midnight with the main delicacy being "Texas Caviar," more commonly known as black-eye peas.

Mr. and Mrs. Jimmy Smith won high prize for the evening. H.V. Rocky and Kay Burleson won low prize.

The windows of the room were decorated with about 200 balloons. Favors were confetti

Barnetts Have Holiday Buffett

Mr. and Mrs. H. E. Barnett had six couples at their home last Thursday evening for a New Year's Eve open house.

The Barnetts featured a serve-yourself buffett of cold cuts, chip-n-dips, fruit cake and coffee.

Those attending were Mr. and Mrs. Johnny Benger, Dr. and Mrs. Paul Spring, Mr. and Mrs. Marty Martinez, and Mr. and Mrs. Jay Claborn.

Also present were Dr. and Mrs. R. M. Johnson and Mr. and Mrs. B. T. Miller, all of Amarillo.

God meant it for good. (Gen. 50:20).

Whenever we meet with something that seems unjust, we should hold firmly to our faith in God. Let us remember that God's law is at work, that His law is sure and unfailling, that His justice always prevails.

OFFICIAL PUBLICATION CITY OF FRIONA

NOTICE OF TAX RENDITIONS, 1965

I, Arley L. Outland, Assessor and Collector of Taxes, of the City of Friona, State of Texas, do hereby give public notice that all persons, firms, corporations and associations, public or bonded warehousemen, beginning January 1st or before the first day of April of each and every year, shall furnish the Assessor and Collector of Taxes of the City of Friona a full and complete statement, list and schedule, verified by affidavit, of all real and personal property situated in the City of Friona, and all personal property located elsewhere and subject to taxation in the City of Friona, owned, held, or controlled by them, or in their possession as agent, bailee, warehouseman or custodian on the first day of January next preceding and shall in said statement, list and schedule, state the name and address of the owner or owners of such property. Such list, statement and schedule must be filed with the office of the Assessor and Collector of Taxes of the City of Friona, in the City Hall, Friona, Texas.

WITNESS my hand this 31st day of December, A. D., 1964

Arley L. Outland
Assessor and Collector Of Taxes
For the City of Friona

SAVING MEANS MORE TO YOU WHEN IT IS WITH A CREDIT UNION

life savings insurance

HERE'S HOW IT WORKS FOR YOU

- When you save money in the credit union, it earns life insurance for you.
- There are no applications or physical examinations and you do not pay one cent of individual premiums.
- You must be physically able to perform the usual duties of your livelihood when you deposit the money in your credit union.
- Every penny you save up to \$2,000 earns life insurance.
- You get a dollar of LIFE SAVINGS insurance for each dollar you save before age 55.*
- Your savings deposited between ages 55 and 70 earn life insurance too, in lesser amounts.
- As long as your savings remain in the credit union, your life insurance remains in force.
- If you die, your heirs get your savings plus all the insurance money your savings have earned. In some states you have the privilege of designating a beneficiary to receive your insurance money.

Buskes Host Annual New Year's Party

Mr. and Mrs. G. B. (Pete) Buske were hosts New Year's Day for their annual New Year's Party.

Among those present were Rev. and Mrs. Bill Burton and family; Mr. and Mrs. Paul For-

tenberry, Richard, Paula and Don; Mr. and Mrs. Noyle Wood, Jonella and Eddie; Mrs. Mae Magness; Mr. and Mrs. Jackie Hight, Joel and Jill.

Also Mr. and Mrs. A. L. Black, Kitty, Danny and Keith;

Mr. and Mrs. Joe Don Gallman; Mr. and Mrs. Philip Weatherly, Park, Pepper and Penni; Mrs. R. C. Vernon of Happy; Denlese Magness of Scottsdale, Arizona, Jerry Dillon of Tempe, Ariz.; Cliff Newton of Lubbock.

Also Mr. and Mrs. Jim Booker, Rusty, Steve and Kelly of Lubbock, and Mr. and Mrs. Richard Styles, Mike and Scott of Bristol, Tenn., as well as the hosts, Mr. and Mrs. Buske and Kim.

Lazbuddie News--

(Continued from page 2)

nings and children from Quitaque were New Year's guests in the home of his parents, Mr. and Mrs. Finis Jennings.

Don Watson returned home Friday night from El Paso where he participated in the ROTC parade from West Texas State, Canyon. The parade was New Year's Day.

Benny Watson returned to El Paso on Monday of last week after visiting friends and relatives here. Benny is employed with J. C. Penny at El Paso and has been named number four top salesman for the store. He was employed at St. Clairs Dry Goods in Muleshoe last year as a D-E student, his senior year.

Benny plans to enter Texas Western College, El Paso next fall.

The Lazbuddie school per- sessed classes Jan. 4th after the holidays.

Eva Dean Ivy and Pat Chitwood return to TCU Sunday Jan. 3. The girls came in Dec. 22 for the holiday vacation with friends and relatives here.

Wednesday Dec. 30 Mr. and Mrs. Shanks Ivy, Eva Dean and Johnnie Beth visited in Tipton Okla. with Mrs. Ivy's Mother, Mrs. T. F. Tipton.

The Community expresses sympathy to the Family of Mrs. J. W. (Marie) Crim, who passed away Christmas Eve. Mrs. Crim was a long-time resident of this area. Services were held in the Pentecostal Church in Bovina with Rev. Archie Cooper officiating. He was as- sisted by Rev. Sam Isbell of Oklahoma and Rev. T. V. Manning of Kansas. Burial was in the Memorial park at Muleshoe.

Visitors in the J. B. Wright home last week were Mr. and Mrs. Ray Lovjoy and children from Lovington and Mr. and Mrs. June Wagon and children, Muleshoe.

Mr. and Mrs. J. B. Wright went to Frederick Saturday to visit friends and relatives. Their granddaughter, Sherry Wagon accompanied them on the trip.

Dick Chitwood left for College Station, Texas the last of the week after visiting his parents, Mr. and Mrs. Dee Chitwood during the holidays.

Cooper and Steve Young are back at college, Baylor, after their vacation here with their parents, Mr. and Mrs. J. B. Young Jr.

Rev. and Mrs. Don Davidson left for Florida last week where they will visit their son Ronald. The Davidson's will spend the month of January in Florida on their extended vacation.

Mr. and Mrs. Darrell Jennings visited during the Christmas holidays with her parents Mr. and Mrs. James Robinson.

TELL OF TRIP . . . Mrs. Sloan Osborn, Mrs. Claude Osborn and Miss Lora Mae McFarland are shown having a "refreshment break" at Modern Study Club Tuesday, in the midst of showing slides and telling the club members and guests of their European trip last summer.

European Trip Highlights Presented To Study Club

At the regular meeting of the Modern Study Club Tuesday night Mrs. Sloan Osborn, Mrs. Claude Osborn and Miss Lora Mae McFarland of Clovis presented a program of slides and talks about their recent trip to Europe.

The three sisters told of the tour they took last summer sponsored by the American Auto Association and led by Dr. Ples Harper of Canyon. They noted that they had tried to learn "please" and "thank you" in the language of each country they visited.

"We learned that a smile and a handshake are a universal language," Ilene Osborn remarked.

Their slides of Paris contained many ornate cathedrals, sidewalk cafes and the Folies. Slides of London featured various castles and colorful formal gardens.

"Paris was filled with sidewalk cafes and London was filled with clocks," noted the sisters.

They also told of their side- trip to Scotland which was not included on the actual tour. They visited the original home of the "McFarland Clan" in Scotland and told the group some of the unusual history of the family.

Ann Prewett sang "I Love A Lassie" and "My Favorite Things." Then the members and guests were served spiced tea and banana-nut bread by the hostesses, Mrs. Otho Whitefield and Mrs. Fay Reeve.

Following the refreshment break the three sisters continued on their tour and took the group to Germany and Switzerland for some breath- taking scenery. They then took a gondola down the canals of Venice and visited the historic spots of Italy. They closed the program with colorful slides of the Royal Palace of Madrid in Spain.

Ellises Host Small New Year's Party

Four local couples attended a New Year's Eve party in the home of Mr. and Mrs. Bill Ellis.

Refreshments of chip-n-dips, tea and coffee were served as the group played "42" and bridge. All present exchanged silly "left-over from Christ- mas" gifts in honor of Ellis's birthday. At midnight the group burst balloons containing fortunes for 1965 inside.

Those present were Mr. and Mrs. Dave Allen, Mr. and Mrs. Pete Mace, Mr. and Mrs. Jim Dixon, Mr. and Mrs. Travis Harrell and the hosts.

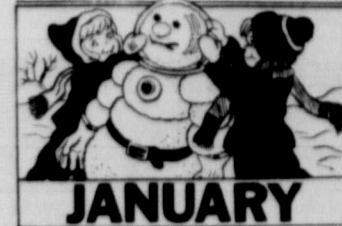

Dixons Have Family Fete

The C. W. Dixon home was the meeting place for the im- mediate relatives of the family last Sunday.

Those present were Mr. and Mrs. Buck Dixon and family of Roswell, Mr. and Mrs. Ray Landrum, Mr. and Mrs. Joe Landrum and family, Mr. and Mrs. Jim Dixon and family. The only members absent were Ben and Eugenia Kotis of New York.

After dinner, photographs were taken of the family.

Alaska, as well as Continental United States, is divided into four standard time zones.

January 10, 1901 — The way was paved for the great Texas oil boom when the first strike was made in Beaumont, Texas.

January 14, 1914—A new assembly line technique for manufacturing cars was inaugurated by Henry Ford. The process proved to be a valuable time saver; car assembly now took a mere 93 minutes instead of the 12½ hours required under the old system.

January 15, 1827—A dare- devil Frenchman named Chabert made the first test of the heat resistance of as- bestos. He entered an oven, clad in asbestos and holding a steak in one hand. After twelve minutes he emerged safely ready to eat his well- done steak.

January 17, 1950 — The now famous Brink's robbery was staged. Nine bandits wearing Halloween masks escaped with \$1 million in cash and \$500,000 in checks from Brink's Incorporated, a Boston armored car service.

January 24, 1848 — The great California gold rush began with the first dis- covery made on John Sutter's land in Coloma, California.

A friend of ours from Eng- land (we won't mention any names) tells us that in the old country the days and weeks before Christmas are spent de- corating, making things, baking the goodies that seem necessary to the holiday, and in other ways preparing for the big day. Then the time between Christmas and New Year is spent visiting, partying, admiring the decorations, etc.

Seems a bit more logical than the way we do it. The weeks between Thanksgiving and Christmas are spent shopping, decorating, making, baking, giving, going to parties, giving parties, shopping... when! Then the day after Christmas, down with the decorations, drag the tree to the alley, yank the wreath off the door and sit back in a sort of glassy-eyed semi- stupor till New Year.

The minute Christmas is over... splat, a big nothing! Yet we've spent a whole month tearing around getting ready for it. You couldn't even buy a bell in Friona with which to ring in the New Year. Ex- cept for the poor souls down- town taking year-end inventory, most of us seemed to be at home taking the flu or other- wise recuperating from the month of December. Oh well, maybe it'll be different next Christmas!

Mr. and Mrs. Roy V. Mil- ler had their usual housefull of children, grandchildren (all 15 of them), and other relatives on the 26th. Roy, Jr. and family from Fort Collins stayed through New Year's. Others visiting were Mr. and Mrs. Dale Glass from McLean, Janis Miller from Los Alamos and Mrs. L.W. Roysden from Oklahoma.

Clyde and Linda Tims and children, Sally, Evelyn and Chuck are moving from the Friona area this week. They will be farming near Texhoma.

The H.K. Kendrick family, Mrs. H.C. Kendrick and Mr. and Mrs. Joe Shields of Ama- rillo were traveling in South Texas last week. They visited in Crystal City, Dallas and San Antonio. The elder Mrs. Kendrick is remaining in Tyler for a few days to visit friends and relatives there.

Mr. and Mrs. Jimmy Smith, Stephen and Randall were visit- ing in Lorraine with her par- ents, the J.M. Templetons, over the holidays. They also were in Roscoe to visit his parents, Mr. and Mrs. J.L. Smith.

Mr. and Mrs. Bill Lyles, Libby, Cary and Neel returned home this week after spend- ing the holidays in Mason visit- ing her parents, Mr. and Mrs. Ben Grote.

Danny Carmichael joined Neel several days of deer hunt- ing at the hunting lodge at the Grote's Gunstock Ranch.

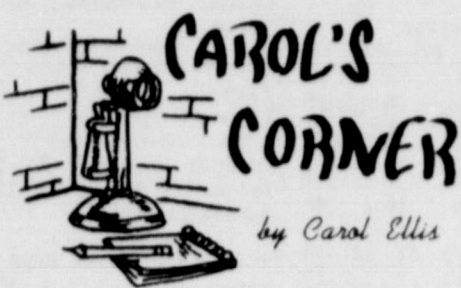

Mrs. R.L. Lyles, Fort Worth, visited with the family in Friona for several days pre- ceding the Christmas holidays.

Mr. and Mrs. W.D. Buske and children were in Abernathy recently to attend the annual Christmas dinner honoring her grandfather, J.C. Turner. There were 75 in attendance.

The Buskes, Lydia, Denise and Dave spent the holidays vacationing in Sweetwater, Abernathy, Houston, Galveston and in Baton Rouge, New Orleans and Alexandria, Louisi- ana. While in Baton Rouge they visited with Mr. and Mrs. C.W. Dukes, Grant and Mike, formerly of Friona.

Mr. and Mrs. Warren Con- ner and family are visiting with her parents in Dallas this week.

Mr. and Mrs. Charles Allen had as weekend houseguests, her daughter and granddaugh- ters, Mrs. Glen Cunningham, Leslie and Jan from Roswell, New Mexico.

Mr. and Mrs. Walker Nichols and daughter, Alice, from Ama- rillo, were visiting last week- end in the home of Mr. and Mrs. Roy Ayers.

The Ayers Family had their son, Joe, and his wife, Marg- aret, at home over the Christ- mas holidays. They have now returned to Lubbock where they are both students at Texas Tech.

Mrs. Della Wise of Napa, Calif., visited Mrs. Ella Wise in the Ethridge home over the New Year holiday.

Mr. and Mrs. Lee Witten and family were in Colorado City on Christmas Day visit- ing with his mother, Mrs. Roxie Witten and his brother, Mr. and Mrs. George Witten and family.

Mr. and Mrs. H.E. Barnett had as holiday houseguests, her family, Mr. and Mrs. E.M. Storey, Jr., Debbie and Eddie from Kansas City, Mo. Mrs. Barnett's mother, Mrs. C.E. Vallette, also visited in the home and has returned to Kan- sas City with the Storey family.

Mr. and Mrs. E.V. Hartman of Friona entertained in their home with a pre-Christmas supper for their children and grandchildren. Those present were Mr. and Mrs. Elmer Northcutt and Tom, Mr. and Mrs. Jerry Northcutt and Kemp, all of Garcia. Also Mr. and Mrs. Jack Clark, Janice and Jackie of Friona.

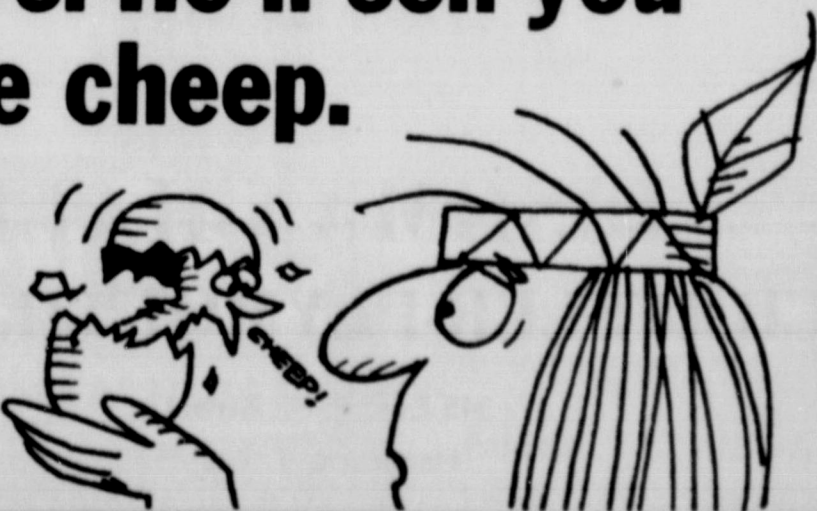

"Women come in four sizes — thin, medium, plump and WOW!"

Mr. and Mrs. Dennis Nelson from Kansas are moving here and will be on the J. B. Jen- nings farm for the coming year. Dennis Nelson is a former Laz- buddie resident and attended Lazbuddie school.

Mr. and Mrs. J. B. Jennings were at Dekalb Texas during the past week attending to business on their ranch there and enjoying a short vacation at the ranch.

L GREASE

CLOSE GUARDING . . . Glenda McClellan, left, and Dimmitt's Linda McCollum, look as though they might have their arms locked in this bit of action from last Saturday's tournament finals game at Farwell. Dimmitt won the thriller from the Squaws, 40-39 for the championship.

Dimmitt Halts Squaw Win Streak At Ten

The Friona High School Squaws had their 10-game winning streak snapped by Dimmitt in the finals of the Farwell tournament last Saturday, as the Bobbies scored a 40-39 win in overtime over the Squaws.

The loss was the second in tournament action, and both have been to old rivals. The Tutis Hornettes had downed the team, 45-40, back on Dec. 3 in the West Texas State tournament. Since that time the team had put together 10 consecutive wins.

Friona, which last year was boasted to the state championship in a large part on fine shooting, especially at the free-throw line, blew the game on the basis of free shots. The Squaws hit only 11 of 23 free throw attempts in the game, a poor 48 per cent.

Dimmitt, meanwhile, made good on 20 of 27 free shots. The Bobbies were outscored, 28-20 on the field, where Friona hit a creditable 50 per cent of its shots (14 of 28). However,

at the free throw line, the Squaws couldn't buy a basket.

The wonder of it all was that the game was so close, with Friona putting on one of its poorer showings. However, it was one of the closest games of the season.

The Squaws jumped ahead, 2-0 on Teto Jennings' hook shot, but Dimmitt took a 5-2 lead before the Squaws scored again. Jennings' hookers gave Friona a 6-5 lead and her free shot tied it at 7-7 before Dimmitt forged into a 13-10 first quarter lead. Miss Jennings scored all of Friona's first quarter points.

Dimmitt took five-point leads at 15-10 and 17-12, but Linda Davis came alive to score three baskets, the final one on a nifty theft from a Bobbie guard, to tie the count at 20-20. Dimmitt scored again before half-time to lead, 22-20.

Jennings and Davis scored two baskets each as the Squaws enjoyed the luxury of a three-point lead midway of the third

quarter, at 27-24 and 29-26, their longest margin. Friona led at the end of the period, 30-29.

The Squaws then fell behind by four points, 37-33, midway of the final quarter, and had to stage a rally to tie the game up. Davis' three-point play did the trick with 1:17 to play. She hit a layup shot, was fouled, and sank her only free shot of the night (in four attempts).

Friona gained possession of the ball, and kept it the entire minute, playing for the final shot with the score tied at 39-39. However, bad passes caused Jennings to hurry her shot with five seconds left and it bounced away. Janet Rushing tied up the rebound, and tipped to Jennings for another try just prior to the buzzer, but it also missed, sending the game into overtime.

Dimmitt's Linda McCollum scored a free shot early in the three minute overtime, but Friona continued its ball-control tactics. They did not pay off,

as again a flurry of last-minute baskets would not score for the Squaws.

The team had advanced to the finals with a 48-37 win over Muleshoe on Thursday, their 17th consecutive win over the Mulettes in a 10-year period. Davis led the team with 15 points, Friona had leads of 15-6, 25-18 and 36-25 at the quarters.

Friona had won their tournament opener with a 53-47 squeaker over Bovina on Tuesday.

WELCOME TO FRIONA

Paul Willoughby, who is employed at Friona Motors, is a newcomer to Friona. An automobile reconditioning expert, Willoughby is a native of New York State, but came to Friona from Roswell. "I've been working on cars since I was eight years old," states Willoughby.

IN FARWELL TOURNEY

Chiefs Roll To Crown At Farwell Tournament

The Friona Chieftains, in the midst of one of their finest basketball seasons in years, rolled to their seventh consecutive win and annexed the Farwell Invitational Tournament title in the process last week.

The Chiefs, placing three team members on the all-tournament team, rolled to wins over Hart (69-12), Muleshoe (44-34) and Farwell (44-34) to win the title. All-tournament selections were the team's co-captains, Dale Milner, Danny Murphree and Larry Buckley. Milner, who has shown steady improvement in the scoring department since the Happy Tournament, was the top scorer for Friona in the tourney, scoring 42 points in the three games. He hit a fantastic 75 per cent of his field goal shots (15 to 20) and a commendable 71 per cent of his free shots (12 of 17).

After opening with a walk-away win over Hart, the Chiefs scored an easy win over Muleshoe in the semi-finals, their second over the Mules this season. Paced by Gene

Weatherly's 10 first-quarter points, Friona jumped ahead 17-11 after the first period, and increased their margin to 28-13 by halftime.

Content to slow down the action rather than build up a big score, Coach James Anglin's crew outscored the Mules, 18-15 in the last half.

The story was much the same against Farwell in the tournament finals. Friona clicked in every cylinder, taking only good shots and hitting just about all of them to roar into a 22-12 lead over the Farwell Steers.

Farwell reacted sufficiently to slow Friona's scoring process during the second period, but the Chiefs were still able to increase their lead to a comfortable 15 points at halftime, 32-17.

Coach Anglin stated that his game plans went slightly awry in the third quarter. He had intended to slow the game down slightly, then open up a scoring-pattern game once again. However, the team lost its poise momentarily and began losing

the ball, so that Anglin decided to let the team work on ball control.

As a result, Friona took just seven shots in the second half and scored only 12 points to Farwell's 17, but it still was enough for a 10-point win, 44-34.

Friona Invited To Have "Day" At Show

The Friona Chamber of Commerce has been invited to select a "Special Day" to be honored by the 1965 Southwestern Exposition and Fat Stock Show, January 29 through February 7.

"Special Day" delegations will be given a spotlighted introduction at the rodeo performance and their participation in the day's program will receive wide publicity.

Included in the invitation is a block reservation of rodeo seats, for advance local sale, to assure the delegation is sitting together during the spotlighted introduction. The local band is invited to play a concert on the Stock Show grounds and afterwards to be the show's guest at the Rodeo.

A cowgirl sweetheart can be named to ride in the Grand Entry and be introduced at the "Special Day" Rodeo performance. Area riding clubs are invited to ride in the opening day Western Parade, in the "Special Day" Rodeo Grand Entry, or both.

Once again the Fort Worth Rodeo has lined-up a great show to entertain and thrill. Direct from extended engagements at Las Vegas' Golden Nugget, Harrah's Reno and Lake Tahoe and the Trade Winds Hotel in Fort Lauderdale comes the Judy Lynn Show. Judy and her eight-piece recording string band will be the '65 Rodeo's featured entertainers.

Selection of the Judy Lynn troupe was made by W.R. Watt, stock show president-manager, after making a special trip to Las Vegas to see the show. Watt said, "I believe this group will provide our Rodeo audiences with some of the best entertainment in the history of the rodeo, each performance of the Judy Lynn Show will be completely different, even to the point of costumes".

Top notch rodeo action, a long standing tradition at the Fort Worth Rodeo, is assured, with 450 of the nation's top rodeo cowboys, champions and challengers, competing for more than \$75,000 in prize money and entry fees.

The Southwestern Exposition and Fat Stock Show, with its 69th edition starting January 29, is the nation's oldest major livestock show.

VICTORIOUS CHIEFS... The three team captains of the Friona Chieftains, who were all named to the all-tournament team at Farwell, proudly hold their championship trophy. From the left are Dale Milner, Danny Murphree and Larry Buckley.

At Home In Parmer County
By CRICKET B. TAYLOR
County HD Agent

Do you know that many problems are the chief cause of a large per cent of the material problems today, according to studies of family living? There is one thing that is certain if we don't learn to manage our money, regardless of how little or how much - it will manage us sooner or later.

Resolutions are in order at this time of year so why not resolve to make a budget for spending, then keep a record of expenditure in order to see how your money is being spent? It's a fine practice that can bring about peace of mind, a better way of living and family

harmony. No ready-made spending plan fits every couple or even one couple necessarily. Each couple have different standards, values, needs, wants and resources.

A practical spending plan that fits you-both of you, as this is a money partnership. It is sad indeed, when people refuse to face reality where money matters are concerned.

A bulletin is available from the Extension office here in the courthouse and is free for the asking. It is entitled "A Guide to Budgeting For the Young Couple." Come by the office on the second floor of the courthouse or call 481-3619 and a copy will be mailed to you.

BE gentle, be kind, to that expensive carpet, clean it with Blue Lustre. Rent electric shampooer \$1. White's Auto Store. 15-1tp

FOR SALE . . . 10 trash barrels, 55 gallon. Fly-tight lids, extra heavy duty, \$4 each. Plains Publishers, Phone 247-2870. 15-1tp

HIGHLIGHTS AND SIDELIGHTS

From The State Capitol

AUSTIN -- Just one year and four months ago, the state law establishing the office of Regulatory Loan Commissioner -- called the "Loan Shark Law" -- went into effect.

Opening of that state office marked the end of more than 36 years of legislative battles over regulatory control of loan companies.

Actually, that part of the law which provides for the licensing of those making loans of \$1,500 or less, once they meet rather rigid licensing standards, didn't become effective until December 23, 1963.

Since that time, some 1,800 loan offices have been licensed. Commissioner Frank Miskell says that 22 examiners have made a thorough check of the books and records of 724 offices.

Also, the agency's enforcement division has investigated 154 complaints by individuals against lenders. According to Miskell, 72 of the complaints involved alleged overcharges or refund shortages. But most of the investigations revealed that borrowers had not been overcharged. "They just woke up to the high cost of borrowing money."

Forty of the complaints involved charges of harassment or unreasonable collection efforts. Investigation of these led to the discovery that some complaints were unjustified. Also, some were beyond the jurisdiction of the Loan Commissioner. These have been referred to district courts.

Other complaints ranged from hip-pocket (unlicensed) lenders to concealment of facts that should have been revealed in license applications. At the close of the agency's first year of operation, all but four of the cases were classified as "settled."

Miskell says that the "big ones" -- the complaints that will be subject to public hearings and possible revocation of license -- will be coming up early in 1965.

EGG PRODUCERS GET REMINDER -- Agriculture Commissioner John C. White reminds egg retailers and industry that after January 1 all egg containers must bear the license number of the grader-packer.

Number identifies eggs and fixes responsibility for grading or labeling violations. White said. Also it is aimed at preventing out-of-state firms from shipping eggs into Texas without paying required fees.

Producers who sell eggs from their own flock on an ungraded basis do not have to have a license number.

New provision of the law was passed by the Texas Egg Marketing Advisory Board last summer. License numbers were assigned on September 1 when the annual re-registration period began.

BOB HOPE TALKS TEXAS -- A special premiere of a film designed to tell the "true story" of Texas will be held in Austin on January 13, when "Bob Hope Talks Texas" will be shown to Gov. John Connally, members of the Legislature and other State officials.

Film was produced through efforts of the Texas Industrial Commission. It was financed by 14 industries and chambers of commerce. Purpose is to sell persons in other states and other countries on Texas and its business, industry and tourist attractions.

E. B. Germany, chairman, said the commission hopes that the film will have some impact on plant location decisions -- and that it will "hit at the image that Texas is all cowboys, Indians and sage brush."

TAX ESTIMATES DUE -- R. L. Phinney, administrative officer of the Internal Revenue Service, reminds farmers and ranchers that Friday, January 15, 1965, is the final day for filing their estimated Federal income tax returns for 1964. That is unless they have arranged to file their final return on or before February 15.

Phinney said that farmers and ranchers who do file estimated returns on January 15 and pay the tax due on the estimate have

until April 15 to file final returns and pay balances of taxes due.

Tax law defines a farmer or rancher as one who earns two-thirds or more of his gross income from farming or ranching.

OPTIMISTIC NOTE FOR OILMEN -- Dr. Robert B. Williamson, research associate with UT's Bureau of Business Research, says Texas oil producers have grounds for cautious optimism concerning 1965.

He notes that while mid-December stocks of Texas crude were at the lowest point in 16 years, prospects for greater demand were in view. State crude oil production allowable for January was raised to the highest level in two years.

Williamson reports that the U. S. Defense Department, an important oil and gas customer, plans to increase its military purchases of petroleum fuels by three per cent during the fiscal year ending in June, 1965.

He points out that crude production rose one per cent the first 11 months of 1964, and oil and gas well completions also were up fractionally.

INAUGURAL INVITATIONS -- Some 40,000 Texans have received invitations to the two big state political-social events of the season -- the gala Democratic victory dinner on January 25 and the inauguration of Governor Connally and Lt. Gov. Preston Smith on January 26.

Party leaders hope to set new attendance and financial records at the \$25 a plate dinner. Speaking will be limited to a minimum for political functions, probably confined to Connally, Smith and House Speaker Byron Tunnell.

Inauguration ceremonies will be simple and brief.

REDISTRICTING DELAY? -- High Texas political leaders have not given up thwarting federal court-ordered legislative redistricting on the basis of population alone.

Connally, Smith and Tunnell all have made known their support of efforts to amend the U. S. Constitution permitting state senators to be selected with consideration given to geography, as well as head count. Tunnell was chairman of the resolutions committee, at the recent General Assembly of the States, which called on all states to petition Congress for a constitutional convention on reapportionment.

Look for two resolutions to be introduced on this subject during the 1965 session of the Texas Legislature.

One will call for a constitutional convention to consider an amendment reserving to states the right to determine makeup of their subordinate political subdivisions.

Another version may simply urge Congress to submit such an amendment for ratification by three-fourths of the states.

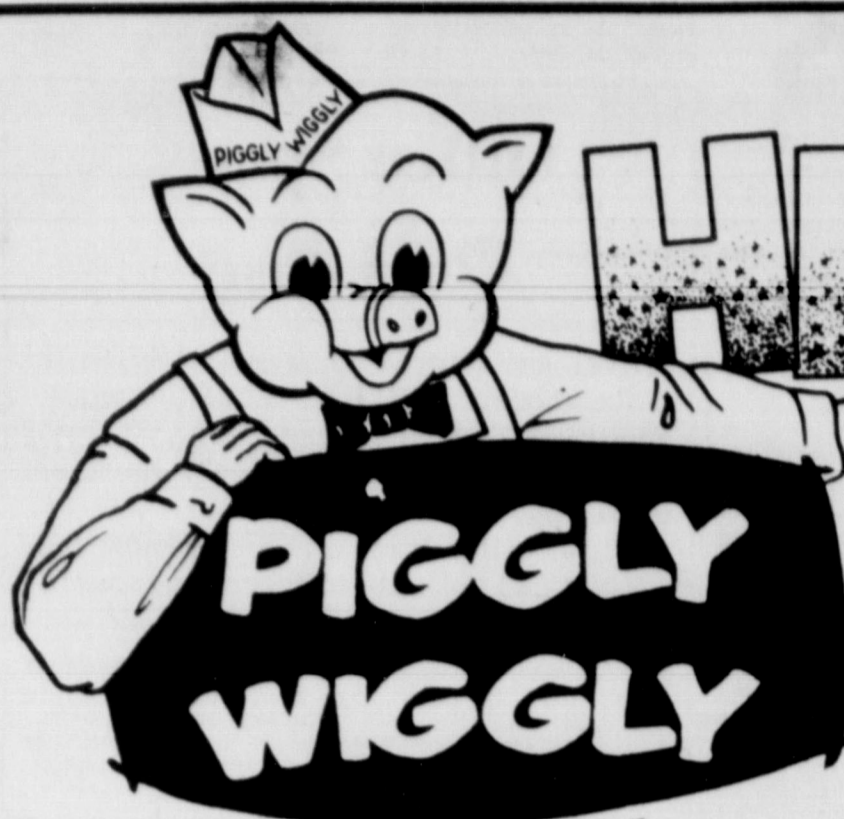

Actions by 34 state legislatures would be necessary to require Congress to call a federal convention. Apparently, a simple majority vote of Congress could set the convention in motion. A two-thirds majority in Congress is necessary for outright submission of an amendment to the states.

Under a federal court decision, Texas lawmakers have an August 2 deadline staring them in the face for completion of legislative redistricting. Nevertheless, some continue to hope that they will find a way out through a constitutional amendment.

GUARD INTEGRATED -- Texas National Guard units practice no racial discrimination. Adjutant General Thomas S. Bishop so stated in commenting on a presidential advisory committee report which criticized the Guard in some states for balking toward integration.

Bishop said the Texas National Guard began integrating early in 1960. It now has about 200 Negroes (two per cent of the force). A number are non-com's but none are officers.

"There are no rules, regulations or practices in the state military forces of Texas that discriminate against any racial minority," Bishop stated.
