VOLUME 63, NUMBER 35 SANDERSON, TERRELL COUNTY, TEXAS 79848 SEPTEMBER 21, 1972

LISTEN TO LUKE

By Albert:

We thought that our remarks and the associated stories about possible assistance to local projects would generate some interest. But apparently they didn't!

The stories concerned other towns in our area that were getting funds from the federal government on different projects needed (to some degree) in those particular towns, and there were several projects and towns listed for the information of anyone who might be interested.

And another story was about Terrell County being eligible for Office of Economic Development advice, or assistance, as the case might be.

We stated our position firmly as once having been opposed to those kinds of things, but as having changed our attitude through plain old selfish reasons - we saw and heard of others getting their hands into the pie when we were getting nothing. The pie is there with a certain share that could go to Terrell County, that will go to some other community if Terrell County does not get it. It's just that simple!

And there are very few people that we know of that would be able to object strenuously to some sort of government hand-out anymore. There are so many people getting something or other in this way that most all objectors are eliminated by their past actions.

And really, few objections could be given to our suggestion: only that we find out what help is available on what kinds of projects. That does not entail our involvement in any of them, does it?

We really do not see any objection to investigating the cost of a 4,000-foot flag pole, or getting the cost of paving a walk up the side of one of our mountains around town. To find out some details is relatively simple and very inexpensive.

Another fact that hits us is the fact that I have not been given - nor has anyone else - the authority to say that because I object to something, no one is going to have it; nor the authority to say that because I want something, everyone is going to get it, whether they want it or not. In those things where we have a voice of selection, we should have the right to select!

That's the way we look at it. Maybe you see it differently!

In case you are interested in trying to control the worms on your trees - particularly on pecan and non-bearing mulberry - go out and look to see if you have any bare limbs on the trees. Chances are that you do, and if it's a mulberry that's infested, little fuzzy yellow caterpillars or big black fuzzy caterpillars will be on the leaves.

And if you can talk your neighbors into spraying their pecan and/or mulberry trees,

E.J. Hanson, local service station operator and car dealer, is awarded a 30-year pin for having handled Firestone products for 30 years. He has actually been a representative of the company for 47 years, having previous experience with Firestone products before

coming to Sanderson. Bob Capt, Firestone sales representative of this district, pins the award on Hanson Friday morning, and D.C. McNabb, representative with the Buick Motor Division of General Motors Corp., looks on.

Hogg Assumes Sheriff's Duties

Dalton Hogg assumed the duties and responsibilities of sheriff, tax assessor-collector of Terrell County Friday of last week. He replaced Bill C. Cooksey who had resigned to accept a position on the faculty of Odessa Junior College teaching police science.

Hogg had served as a deputy sheriff for about 12 years, first under Coleman "Buster" Babb and then Cooksey.

Sheriff Hogg stated that he was going to make every effort to be the kind of sheriff that he thought the people of Terrell County wanted and that he would appreciate all of the help and understanding that he could get in his efforts toward that end.

Hogg is also a candidate for the office of sheriff, tax collector-assessor for the full four-year term beginning on January 1, 1973. His appointment by the Terrell County commissioners for the unexpired term of Cooksey was only until the expiration of the current term which is the last day of December of 1972.

Hogg's name will be on the general election ballot as the nominee of the Democratic Party as a result of action by the Terrell County Executive Committee following the application of Cooksey to the Democratic Party to have his name removed from the ballot.

Cooksey has gone to Odessa to begin his new vocation and his family will join him at a later date there.

Mrs. Cooksey, who carries the mail on the Independence route north of Dryden, has resigned effective October 15 and Graham Childress will take her place.

Pinky Carruthers has leased a portion of the W.R. Stumberg ranch after Jack Shely, who had it leased, moved to Marathon. Mr. and Mrs. Alfred Bendele and her mother, Mrs. Elma Riley, moved to the ranch and he will manage it.

3-4-Inch of Rain Falls Here Monday

Three-fourths of an inch of rain fell in a short time on Monday afternoon locally.

Heavy clouds built up during mid-afternoon and the rain started falling shortly before 5:00 p.m. A heavy wind accompanied the rain.

The fast-falling rain made many local gutters and bar-ditches run bank full and it appeared that there was a possibility that water might again enter some local businesses and/or homes. Drainage ditches on the east end of Pine St. and Hackberry St. were not able to carry the full flow of drainage water due to some small flumes under drive-ways and the collection of trash in some of the flumes.

Lewis Hill reported that about 100 sections of the Longfellow Ranch land received about 1-inch of rain on Monday.

The rain extended about 16 miles north on US 285, according to information received.

BAPTIST WORKERS' CONFERENCE HELD HERE

Approximately 75 delegates attended the monthly meeting of the workers' conference of the Big Bend Baptist Association here Thursday of last week in the First Baptist Church.

The Associational executive board met at 5:00 o'clock and the ladies of the church then served supper to them at 6:00 o'clock.

Rev. Jimmy Wilson, Associational Sunday School director, was in charge of the program which dealt with the Sunday School emphasis for 1972-73.

Rev. John Bullock, pastor of the Emmanuel Baptist Church of Marfa, gave the inspirational message.

Mr. and Mrs. Pat Mott were in Fort Stockton Wednesday for him to have medical attention.

Eagles Blanked by Brackettville; Will Go To Grandfalls Friday Night

The Sanderson Eagles were blanked by the Class A Brackettville Tigers there last Friday night in a non-district tilt. It was the second win for the Tigers and the first loss of the Eagles for the season. The final score was 35-0.

The Eagles had a 10-pound per man advantage, according to the weights given, but the Tigers had the speed, power, and a solid defense to go along with a play-making offense.

Coach Willie Myers gave the defensive effort of the game to Ike Billings and Chago Flores, and Kendrick Harrell was the leading ground-gainer with 78 yards in 15 carries.

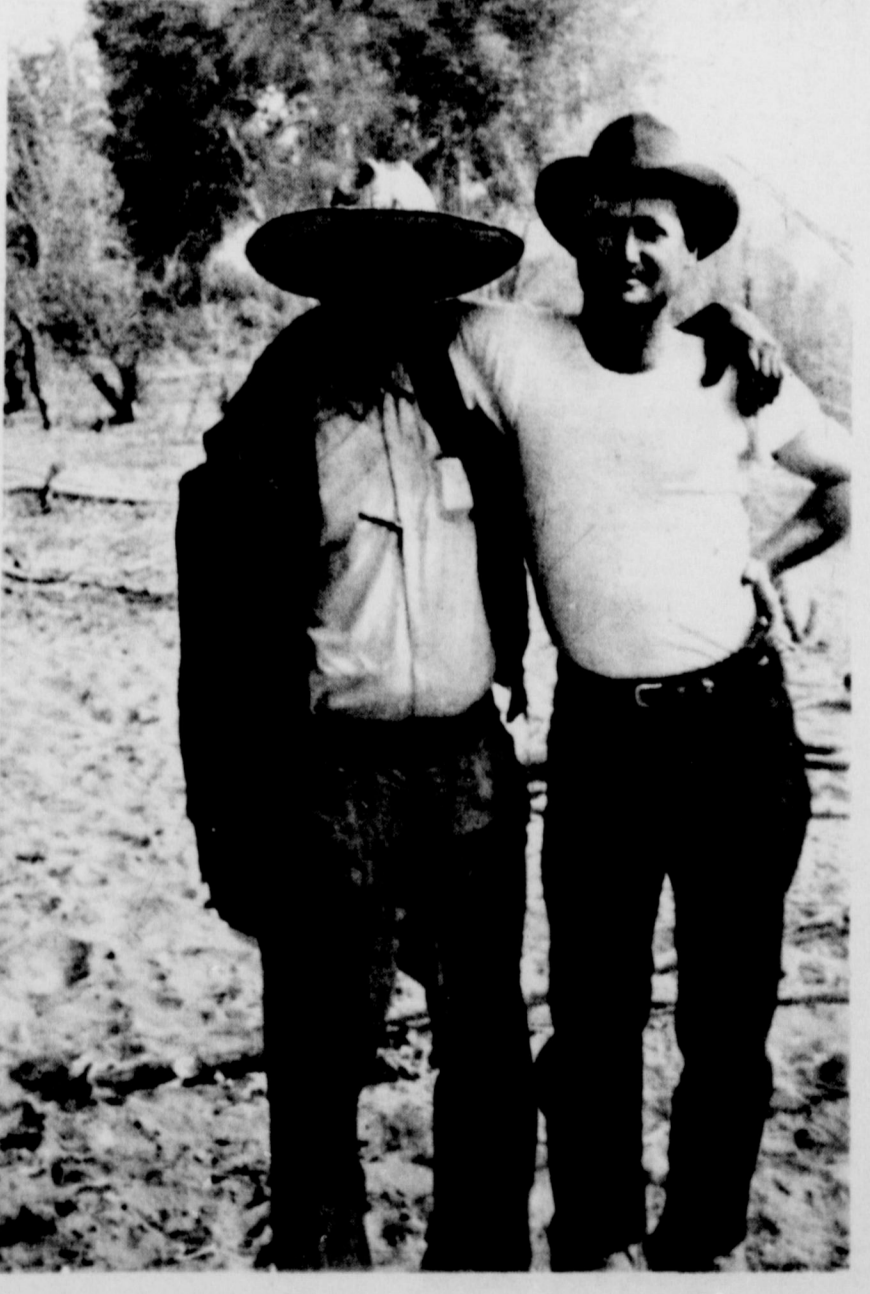

The Tigers scored twice in the first period, both by Doug Ward, with Rickey Goodloe kicking both extra points. They had one TD in the second frame, by Mario Jaso, with Goodloe again kicking the point-after. In the third frame Ward made a TD and was matched with another by Joe Rose, with Goodloe having

a perfect evening of kicking PATs. The Tigers scores were on runs of 11 yards, 41 yards, 50, 30, and 45 yards.

In statistics, Sanderson led in first downs 11 to 10, but trailed in total yardage 306 to 386. Sanderson's six completed passes netted 81 yards in 23 tries, while the Tigers made 79 yards in 5 passes, trying 12. Sanderson intercepted one Tiger pass, and the Tigers caused 5 Eagle turnovers by interceptions and recovered two Eagle fumbles. Sanderson intercepted 1 Tiger pass and recovered one host fumble. The Eagles had two penalties for 20 yards, while the Tigers lost 40 yards on 4 penalties.

The Eagles will go to Grandfalls to play that Class B school Friday night. There were no injuries during the Brackettville game to hamper the Eagles' preparation for the game against the Cowboys.

"Good Neighbors" is the caption Ellis McDougal wrote on the picture that was a part of his collection and loaned by Mrs. Carl Davis, his niece and a former resident. The picture was probably taken on one of his many trips to Mexico fishing. "Mac" operated shooting galleries in most every town in West Texas at one time or another and finally settled in Sanderson for the rest of his life. His shooting gallery here was usually set up just east of the Princess Theatre, then he later opened a package store here which he operated for many years prior to his death.

Junior Eagles Beat Balmorhea 14-6

The Sanderson Junior High School Eagles won their first game Thursday of last week. They went to Balmorhea and came back victors by a score of 14-6.

Coach Larry DeVasto stated that the Jr. Bears scored early in the first quarter and both touchdowns by Sanderson were in the second period. He also stated that the termination of the Eagle defense held the Bears inside the 10-yard line and they had eight plays in their desperation try to score.

The Sanderson scores were on a 55-yard run by Frankie

Flores and a 60 yard pass by Marvin Davis to Flores, good for 60 yards. Bernie Castro kicked the point-after both touchdowns for the Eagles.

Boys who played in the game included Flores, Davis, Castro, Johnny Zepeda, William Corbett, Clay Mitchell, Ricky Munoz, Rocky McDonald, Conn Sumrall, Randy Massey, Gary Vincent, Oscar Arredondo, and Carlos Galvan.

The Jr. Eagles will play in Imperial this afternoon (Thursday) at 5:00 o'clock.

Mrs. Charles Stavley took her boys to Alpine Tuesday for medical check-ups.

Pedro Guadarrama Dies of Heart Attack

Pedro Guadarrama, 25, was found unconscious in his car near the Dryden airport about 4:00 p.m. Tuesday afternoon. He had apparently died of a heart attack.

According to Sheriff Dalton Hogg, the Janes Funeral Home of Ozona came after the body and took it to San Angelo for an autopsy.

It was reported that Guadarrama had been working on a railroad section gang and the crew had finished a particular job early and had quit for the day. He stopped at a service station in Dryden and purchased two soft drinks and told Joe Vasquez that he had some discomfort in his back.

Guadarrama was born in Sanderson November 17, 1946. He attended school here and had lived here all of his life. He is survived by his parents, Mr. and Mrs. Sam Guadarrama; two sisters, Mrs. Consuelo Rodriguez and Mrs. Irene Wagner in Del Rio; and two brothers, Samuel Guadarrama Jr. of Fort Stockton, and his twin Paul Guadarrama of Sanderson.

Funeral services are planned for Thursday afternoon at St.

James Catholic Church with burial in Santa Rita Cemetery under the direction of the Janes Funeral Home.

Mr. and Mrs. W.M. Dial of New Braunfels visited with Mr. and Mrs. S.C. Harrell for several days. They went to Amistad Dam Saturday on a sight-seeing trip.

Mrs. Peggy Sullivan and her sister, Mrs. P.G. Harris, returned home last week from Odessa where Mrs. Sullivan had been recuperating from major surgery. They had visited with their brother, John Scannell, and family.

far from "poor people" as the north pole from the south pole -- or farther!

We get downright disgusted at some of the ads we read in some newspapers and see at times on TV, and the fact that some of them are so deceptive.

Another case in point is the little electronic calculator -- a boon to the industry and to those who buy them. A real buy at any price, almost. But they, too, have bargains, and they, too, have pseudo-bargains.

One we saw advertised the other day was as they said: "Not \$159.00, but ONLY \$99.99. And it's guaranteed for a year!"

OK, so it is. The Times sells a model the same size that's not \$99.99, but \$159 and it's not guaranteed for a year, but for 5 (five) -- yes, FIVE YEARS! Frankly, we think that it's a better buy!

And while we are talking about our own prices -- how about pricing some of our printing of personal stationery, or social stationery. If you are soon to be buying wedding invitations, ask us about our prices on engraved or thermographed invitations. You might be surprised!

then maybe all of the town can be sprayed and the little pests slowed up, at least!

It takes everybody's efforts to get some jobs done.

One of the big question marks of recent years is: How can Ted Kennedy and Sargent Shriver appeal to the people in lower income brackets? If it is not through "awe" then what else could it be? Both the men are as

It's 1973, and Chevrolet roofs are opening, seats are swiveling, bumpers are retracting, hatches are flipping up.

Did you ever have so much to talk about that you didn't know what to say first?

We're happy to report that's us for 1973. But since everything must begin somewhere...

Isn't it romantic?

You see that rectangle beaming at you from above? That's a moonroof. Not to be confused with a sunroof. (Although many people will undoubtedly be caught using it like one.) A power roof is available on Chevelle and Monte Carlo; a manual one on Nova.

Bumpers are exciting?

This year's are something to get

stirred up about. One of our new bumpers, for example, is built around twin hydraulic cylinders. So on minor impact, the whole system retracts to cushion the shock.

New Nova Hatchback Coupe.

Look what we hatched

You know us for our little Vega Hatchback. Now dependable Nova has one. Which literally makes it half trunk with the backseat down. It's a feature as practical as Nova itself.

We've been thinking about your legs

One of the few things people asked us to improve in our popular Chevelle was leg room in the backseat. Well, your knees will be pleased with the '73s. There's almost 3 1/2 more inches in the sedans.

So what else is new

Naturally this is only a taste of what's new for '73.

Among other things, we're introducing larger gas tanks for longer cruising range, a new Exhaust Gas Recirculation system, a hatchback for wagons, and a highly refined flow-through power ventilation system.

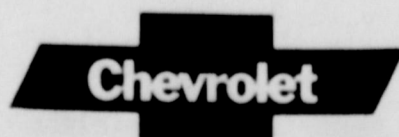

Plus a reading light for front seat passengers, improved suspension systems, engines that give you performance combined with gas economy, reclining seats and scores of dramatic styling changes.

We invite you to see it all at your Chevrolet dealer's.

Mr. and Mrs. Raymond Campbell and sons, Rusty and Carl, of Liberty were weekend visitors with her parents, Mr. and Mrs. Toby Janice. Mr. Campbell's boss sent his plane for them Sunday.

Mr. and Mrs. Bryan O'Banion returned home Sunday from Odessa and he is recuperating satisfactorily from the second carotid artery surgery in an Odessa hospital 10 days ago.

R. B. Mussey of Pecos and his daughter, Mrs. Enos Prejean, of Groveshave spent the past two weeks here at his home.

Mrs. Gene McSparran has been in Ardmore, Ok., for almost three weeks with her mother who suffered a severe heart attack. She has been moved to her home from the hospital and is making satisfactory recovery.

**SUKKOT
FESTIVAL OF SHELTERS**

September 23-24, 1972
Hebrew Date: Tishri 15, 5733

During Sukkot special emphasis is placed upon the family as a unit. The holidays are a time of rejoicing. A shelter is built or simulated to remind Jews of the booths erected by their forefathers during the years of wandering in the wilderness. This scripture from The Living Bible is the authority for the observance of Sukkot.

"Five days after the Day of Atonement on the fifteenth day of the seventh month (of the Hebrew calendar), is the Festival of Shelters to be celebrated before the Lord for seven days. On the first day there will be a sacred assembly of all the people, don't do any hard work that day. On each of the seven days of the festival you are to sacrifice an offering by fire to the Lord. The eighth day requires another sacred convocation of all the people, at which time there will again be an offering by fire to the Lord. It is a joyous celebration, and no heavy work is permitted. (These, then, are the regular annual festivals—sacred convocations of all people—when offerings to the Lord are to be made by fire. These annual festivals are in addition to your regular weekly days of holy rest. The sacrifices made during the festivals are to be in addition to your regular giving and normal fulfillment of your vows.) These last days of September, at the end of your harvesting, are the time to celebrate this seven-day festival before the Lord. Remember that the first and last days of the festival are days of solemn rest. On the first day, take boughs of fruit trees laden with fruit, and palm fronds, and boughs of leafy trees—such as willows that grow by the brooks—and (build shelters with them), rejoicing before the Lord your God for seven days. This seven-day annual feast is a law from generation to generation. During those seven days, all of you who are native Israelites are to live in these shelters. The purpose of this is to remind the people of Israel, generation after generation, that I rescued you from Egypt, and caused you to live in shelters. I am Jehovah your God." (Leviticus 23:34-43)

SUKKOT begins five days after Yom Kippur, the most solemn day in the Jewish Religion. The Sukkot celebration encompasses a week of both worship and festivities which include feasting.

**ROTC Scholarships
Now Available
In Air Force**

Male high school students who will graduate in 1973 and are interested in flying are eligible to apply for an Air Force ROTC four-year college scholarship.

One thousand four-year college scholarships are available for students who will enroll in the Air Force Reserve Officers Training Corps at one of the colleges and universities in the United States and Puerto Rico which offer the four-year program.

The scholarships will be awarded to qualified students who agree to become Air Force pilots or navigators after college graduation.

Each scholarship pays full tuition, laboratory fees, and textbook reimbursement. In addition, each scholarship student receives a monthly non-taxable subsistence allowance of \$100.

All applicants for a scholarship must qualify on the Air Force Officer Qualifying Test and on an Air Force medical examination. A special com-

mittee of Air Force officers will evaluate all students who apply for a scholarship. They will consider the student's scores on the American College Test or the Scholastic Aptitude Test, high school grades, extracurricular activities, and personal references.

Interested students must submit their applications postmarked not later than November 15. Application forms and additional information may be obtained by writing Directorate of Admissions, Air Force ROTC, Maxwell Air Force Base, Alabama 36112.

Villarreal-Livingston Wedding Rites Read In Oklahoma

Mr. and Mrs. Alonzo Villarreal have announced the marriage of their son, Rodolfo Guadalupe Villarreal, and Miss Deloris Myranell Livingston, daughter of Mr. and Mrs. Claude Hough of Canton, Ok. The vows were read on Thursday, Sept. 6, at 5:00 o'clock in the afternoon in front of the bride's home in Canton.

The bride wore a street-length white dress for her wedding, a white veil and shoes. She carried a bridal bouquet of white mums and wedding bells. For something old she wore her mother's wedding ring; her dress and veil were something new; diamond earrings for something borrowed; and the traditional blue garter.

After a wedding trip to Lawton, Ok., the couple came to Midland and then to Sanderson before establishing residence in Canton last week.

The bride is a 1971 graduate of the high school in Norman, Ok., and the bridegroom was a graduate of the Sanderson High School in 1971.

Hobby Club Meets Recently in Langtry

The Hobby Club members held their monthly meeting in the Langtry Community Center with Mrs. B.C. Babb Jr. as hostess.

The club members worked on the bedspread that is to be given away December 12.

Baked ham was served for lunch, with the members bringing a variety of covered dishes. Mrs. Myrtle Cash gave the invocation before the meal.

Mrs. R.A. Roland and Mrs. E. L. Babb were the winners of the door prizes.

Mrs. Newman Billings, president, opened the meeting with the club prayer. The business started with the date being set for the drawing for the bedspread. Plans for sending cookies to the Texas Boys' Ranch were also discussed.

Mrs. Kelly Goble, Mrs. T. C. Martin, and Mrs. Wayne Cash were welcomed as new members.

Legion Auxiliary Plans Observance Of Veterans' Day

The Legion Auxiliary met last Tuesday evening in the Legior Hall in regular monthly business session with the new president, Mrs. Dalton Hogg, presiding.

After the opening ceremony, reports were given by the officers and committee chairmen. Mrs. Hogg passed out the new yearbooks.

Announcement was made of called meeting of the Fourth Division Saturday to elect a new president.

Mrs. E. E. Farley announced that Veteran's Day, October 23, would be observed with a program at the high school. The Auxiliary will have their annual Poppy Sale that day.

Mrs. Farley gave a report of several timely articles from "The Firing Line".

Mrs. W.H. Savage, music chairman, was pianist when the Patriotic Hymn and the Religious Hymn of the Month were sung after adjournment.

Mrs. Hogg served pie, frosted punch, salted nuts, and mints during the social hour.

Also present were Mmes. Jim Kerr, C. P. Peavy, H. E. Ezelle, Ruby McSparran, Clyde Higgins, L.H. Gilbreath, and P. G. Harris Jr.

Bonhomie Club

The Bonhomie Club met in the ranch home of Mrs. J.W. Carruthers Jr. last week and welcomed a new member, Mrs. W.J. Ferguson Jr.

Home-made candy, coffee, and cold drinks were available when the guests arrived and they spent the time with hand work and fancy work.

For refreshments Mrs. Carruthers served pound cake and a lime-pineapple congealed salad.

Those present were Mmes. W.D. O'Bryant Jr., F.G. Grigsby, Alfred Bendele, Harvey Rogers, O.J. Cresswell, F. Inkle Boyd, Ray Caldwell, W.J. Ferguson Jr., S.C. Harrell, and Elma Riley, a guest.

RELIVE THE BIRTH OF OUR NATION

WHAT BEGAN AS A WAR TO PROTEST THE UNFAIR ACTIONS OF BRITISH PARLIAMENT BECAME, IN A YEAR'S TIME, A WAR FOR INDEPENDENCE. EARLY IN 1776, GEORGE WASHINGTON'S ARMY RAISED A DISTINCTIVE AMERICAN FLAG HAND SEWN BY BETSY ROSS.

AT THE SAME TIME, THE 2ND CONTINENTAL CONGRESS WAS DRAWING UP A FORMAL DECLARATION OF INDEPENDENCE AT INDEPENDENCE HALL IN PHILADELPHIA. THE DECLARATION WAS ADOPTED ON JULY 2ND AND SIGNED ON JULY 4, 1776.

WE WILL SOON BE CELEBRATING THE 200TH ANNIVERSARY OF OUR COUNTRY'S BIRTH. VISIT INDEPENDENCE HALL IN PHILADELPHIA AND THE MANY OTHER HISTORIC SITES BEING PREPARED FOR THIS GREAT EVENT. RELIVE THE BIRTH OF OUR NATION.

ANNIVERSARY SUPPER HONORS DUNCANS

Mr. and Mrs. Mark Duncan were honored on their 40th wedding anniversary with a supper on Friday, Sept. 8, in the home of Mr. and Mrs. T. W. McKenzie. Fried chicken was featured on the menu.

Card games were played and later "gag gifts" provided much merriment. Other guests were Mr. and Mrs. W. D. O'Bryant and Mr. and Mrs. H.E. Ezelle.

LETTERS TO THE EDITOR

"With all respect to the family of Mr. Fidel Veliz, I would like to express my feelings with regard to the sad incident involving Mr. Veliz.

"It is truly an unfortunate situation that the citizens of Sanderson are lacking a major asset vital in a community --- namely a doctor. I cannot find the words to express my concern and how utterly senseless I think it is to have to drive a person in need of medical assistance 85 or 64 miles to the nearest place for aid. Haven't there been enough incidents where the people of Sanderson should now bann together and put all efforts towards residing a doctor in Sanderson? This problem can only be solved by you as a whole and will not be achieved otherwise.

"I would also like to comment on Mr. Hogg's statement to the press and I quote: "Actually, the driver may not even know he hit the man." To me, this seems rather unlikely as it is quite apparent that if a man is hit by an automobile and thrown 20 feet, no witnesses in the area (which would mean no traffic), surely the driver can at least feel the impact. It seemed rather ironic to use this statement since the in-

cident was called "hit and run".

"Thank you very much for your time in this matter.

"Sincerely,
"Ida Casillas, 2712 E. 10th, Odessa, Texas 79761."

LOCAL CYCLISTS IN FORT STOCKTON EVENT

Charles Hornsby placed 3rd in a field of about 20 cyclists in the 400-open event in the Motocross sponsored by the Fort Stockton Jaycees in that city Sunday of last week. He was the only local cyclist to place. Other participants were Barry Maddux in the pee-wee division, Randy Massey in the minibike, Steve Couch in 100 c.c., Howard Dishman 125 c.c., and Robert Kline in 250 c.c. Attending the events from Sanderson were the families of Hornsby, Ernest Couch, James Clark, Gene Kline, Barton Massey, Les Walton, and Tommy Corbett Jr.

AUNTS ATTEND FUNERAL

Mrs. Gregoria Lopez and her sister, Mrs. Martina Martinez, returned home last Friday from Temple where they had attended funeral services for their niece, Maria Ellen Lozano, 16, who died Sept. 3. She was the daughter of Mrs. Trinidad Lozano and her late husband who was a brother of the ladies. She had a heart condition most of her life. Funeral services and burial were in Temple on Sept. 6. Mrs. Lopez' son, Spec. 4 Jose Lopez of San Antonio who was a Labor Day holiday visitor here, took the ladies to San Antonio and they went by bus from there to Temple.

MRS. J.F. COX DIES

Funeral services and burial were in Sweetwater Monday afternoon for Mrs. J.F. Cox, who died in a nursing home in that city Sunday afternoon. She had been a patient in the nursing home for several months and had not recovered from orthopedic surgery after fracturing her hip in a fall several weeks ago.

Her son, Weldon Cox, and wife left Wednesday morning after receiving word that she had suffered a severe stroke and remained in Sweetwater until after the funeral services.

Besides the son, she is survived by a daughter, Mrs. E. H. McCright, of Sweetwater. Mr. and Mrs. Jack Laughlin attended the funeral services.

TO VARGA FUNERAL

Attending funeral services in Del Rio Monday morning for Jack Varga were Mr. and Mrs. J.W. Carruthers Jr. and Mmes. Bert Bell, Pinky Carruthers, and Ben Martin. Mr. Varga, 41, a nephew of Mrs. J.W. Carruthers Jr., died suddenly at his home in Del Rio Friday afternoon following a heart attack. Graveside services were in Carta Valley.

Mrs. A.N. Farley and Mrs. Donald Tulk and children made a business trip to Fort Stockton Friday.

ATTEND BIRTHDAY PARTY IN FORT STOCKTON

Mrs. Manuel Parada, Mr. and Mrs. Paul Guadarrama and son Michael, and Mr. and Mrs. Gus Flores Sr. were in Fort Stockton Sunday for the birthday party of Sylvania Ann Flores, daughter of Mr. and Mrs. Gus Flores Jr. of that city. It was her third birthday.

After breaking the pinata and pinning the tail on the donkey, the group was served cake, cookies, and punch. About 30 guests attended.

Mrs. H.B. Louwien, Mrs. Ben Martin, and Miss Peggy Louwien went to Alpine Saturday for Peggy to have dental work.

Mrs. Vicente Picaso is recuperating from a tonsilectomy in an Alpine hospital almost two weeks ago.

Weekend visitors with Mr. and Mrs. F.G. Grigsby were their granddaughter, Mrs. Michael Duggan, with her husband and daughter, Rebecca, and Ron Jetton, all of Garland.

Mr. and Mrs. V.E. Keyes left Friday for El Paso to visit for three days before leaving by plane for New York and then to Stuttgart, Germany, where they will visit friends for a month, planning to make side trips to places of interest in Europe and Great Britain.

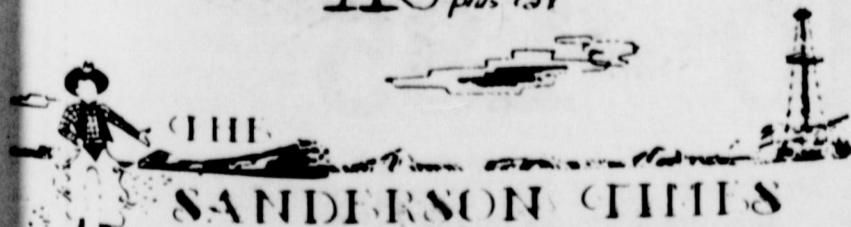

Here's why our \$130 manual is a better buy than their \$120 electric.

When you turn out an electric for less than a manual, something's got to go. That little motor has to be paid for. With our manual, we put every penny into the machine. That's why the Hermes 3000 is still known as the world's finest portable typewriter.

Come in and let us show you the precision manufactured Hermes 3000. Then you'll know why Hermes' Swiss engineers wouldn't trade all of these valuable features for a little motor.

Water collected at the end of Pine Street in the east part of town Monday afternoon during the rainfall and ran out of the drainage ditches covering the black-top and into some yards, causing some damage to the paving and threatening some residents with water into their houses. The rain subsided before any known damage locally.

Weekend visitors with Mrs. Clyde Carter were her son-in-law and daughter, Mr. and Mrs. Charles Taylor, with

their children Michael, Debra, and Charlotte, and Jim Moore, Candi Voss, and Ken Collins all of Del Rio.

Mr. and Mrs. Leslie Carter who have been residing in Woodland, Calif., have been here for two weeks with her brother, Elton Loden, who is recuperating from major surgery in an Alpine hospital.

He will not be able to return to work until December.

Mr. and Mrs. W.H. Savage went to San Angelo Thursday of last week for him to have medical treatment and he had surgery that night for the removal of blood clots from veins in his leg. Mrs. Savage returned home Sunday and will go back to San Angelo for her husband later in the week.

Mrs. Walter Thorn and her sister, Mrs. Ira Moses, left Sunday for Junction and their other sister, Mrs. Aldie Murry, accompanied them to Oklahoma City, Ok., to visit their mother.

Philip Hanson spent the weekend in Uvalde with his wife and daughter and his parents, Mr. and Mrs. Adolph Hanson. Mrs. Adolph Hanson has been in the hospital for medical treatment and Mrs. Philip Hanson has been with them for several days.

Mr. and Mrs. Glenn Morris

and his nephew, Trey Harrison, returned home Saturday from their vacation trip. They spent Labor Day weekend at Lake LBJ for a reunion of the Morris family and then went to California to visit her parents and other relatives, also visiting friends in Las Cruces, N.M.

HOME FROM VACATION

Mr. and Mrs. Herbert Pipes returned home last week from a 9,500 mile vacation trip that covered 16 states and four Canadian provinces. Highlights of the trip were historical old Dodge City, Kans.; Omaha, Ne.; Twin cities of Minneapolis-St. Paul, Minn.; Superior, Wisc.; Ironwood, Mich.; and on through the Paul Bunyan Country of Northern Minn.

After a brief stay in Winnipeg, Manitoba, they motored into the north woods to visit a restored old Hudson Bay Company trading post at Lower Fort Gary, touring over the Trans-Canada Highway through Saskatchewan, YoHo, Banff, and Glacier Nat'l Parks, Alberta. Several days were spent in Vancouver, British Columbia, taking sight-seeing bus and boat tours of Vancouver and Victoria. Four days were spent in Seattle, Wash., taking sight-seeing bus and boat tours of the city; Olympic and Mt. Rainier Nat'l Parks and Vashon Island in Puget Sound. Touring the Coastal Highway 101 they visited the Sea Lion caves on the Oregon coast. On entering California they detoured through the Feather River Canyon drive to visit Lassen Volcanic National Park. Five days were spent in San Francisco where they took bus and boat tours of that city and Chinatown, Oakland, Berkley, Muir Woods, Monterey, and Carmel by the Sea. Turning eastward they visited Yosemite, Kings Canyon and Sequoia National Parks in California and then on to Capital Reef, Natural Bridges National Monuments and Monument Valley in Utah. Enroute home they stopped over at Chama, N. M., to ride the narrow gauge railroad over Cumbres Pass to Antonito, Colo.

Most changed Ford Division car for 1973 is the full-sized Ford. Shown here is the LTD four-door hardtop. All-new sheet metal below the window line and a new segmented grille give the 1973 Ford a more formal look. All 1973 Fords have a new impact-absorbing bumper system, although the overall length of the car is increased only about one inch. Power front disc brakes, power steering, SelectShift Cruise-O-Matic transmission and a 351-2V eight-cylinder engine are standard in all new Fords.

History of 90th Aero Squadron Once Stationed at Sanderson

The 90th Attack Squadron was organized August 20, 1917, at Kelly Field, Texas, under the command of Lt. William H. Y. Hackett. The unit left Kelly Field for Long Island, N. Y., on September 30, 1917, and arrived there October 6, 1917. It left the U. S. October 31, 1917, for Halifax, Nova Scotia, and arrived in Liverpool, England November 10, 1917, and went on to Southampton, arriving there Nov. 11, arriving in Europe two days later.

Col. William Mitchell on Jan. 5, 1918, inspected the unit and facilities, and on Feb. 18, Gen. John J. Pershing inspected the unit and facilities. June 13, 1918, was the date of the beginning of active engagement in reconnaissance work by the unit. The unit was engaged in reconnaissance and photographic missions and other combat missions until the Armistice on November 11, 1918.

The 90th Aero Squadron did not leave France until April 19, 1919, and on arrival in the U. S. it was demobilized and the men discharged.

It was reorganized at Kelly Field on July 17, 1919, and in August was divided into two flights. On August 27, 1919, Flight A left by train for Eagle Pass, Texas where it was stationed until June 12, 1920, when it moved to Del Rio and remained until June 30, 1921, when it was returned to Kelly Field.

Flight B, commanded by 2nd Lt. Clements C. McMullen, and Headquarters Flight moved by rail from Kelly Field to Sanderson, Texas, on November 26, 1919, and remained until June 30, 1921, when it returned to Kelly Field.

The only fatality in Flight B during its assignment in Sanderson was on April 16, 1920, when 2nd Lt. Don M. Hansell and Sgt. William T. Maxwell were killed when the DH4 in which they were flying crashed. There are no other details of the crash written in the history.

According to a story published in the El Paso Times recently, there were several incidents of interest concerning the activity of the Air Service along the U. S. - Mexico border. The details are from a book written by Stacy C. Hinkle, pioneer avi-

ator, who was a pilot in the Border Patrol during the time the Air Service was stationed here.

The DeHavilland two-seat light bomber and observation aircraft, was powered by the famed Liberty engine, a 440 h. p. heavyweight. The airplane carried 90 gallons of fuel that would sustain it in flight for up to four hours. Normal equipment was the one-ton engine, full fuel load, four machine guns, ammunition, radio, and up to 500 pounds of bombs. It flew at average speeds of 110-115 m. p. h.

One story that is related in the book tell of the crash of one of the DH4s west of Sanderson.

Lt. Max Schneider and Lt. Hinkle were enroute from Kelly Field to Fort Bliss and landed at Sanderson for gas. Lt. Schneider took over pilot's duties and after about five minutes out of Sanderson at about 1,500 feet altitude, Lt. Hinkle states that there was a terrific noise and a cloud of hot choking black smoke and hot oil from the motor came down the air stream toward the two officers in the airplane.

Lt. Schneider landed the airplane and the two jumped out before the plane stopped rolling. The airplane was said to have thrown some connecting rods through the crankcase.

Another interesting story told by old-timers here and related by Lt. Hinkle in his book is about a forced landing in Mexico by Lt. Alexander Pearson. The Sanderson air field was designated as the center of the search mission due to the fact that he was presumed down in this immediate area, having encountered a heavy norther out of El Paso while flying eastward.

About 40 planes were gathered for the search which extended over the full range of capability of the airplanes flying out of here.

Lt. Pearson had left El Paso on February 10 and rode into Sanderson horseback on February 16.

Lt. Pearson thought that he had landed the plane in the U. S., but had landed in Mexico just east of Boquillas, in a deep

and narrow canyon. He walked in the direction he thought the Rio Grande was but had not reached the river by dark. The same thing the second day, and on the third day, late in the afternoon he found the river and also discovered that he had been paralleling the stream in his walk. The morning of the fourth day he started swimming down the river and found an abandoned raft which he used and encountered two Mexicans who helped him out of the river and gave him food. They caught a burro for him to ride and took him up a trail in a side canyon about two miles to a small adobe house used by herders and ranchers, and there he spent the night.

He was found there the next morning by J. E. Murrh, foreman of the Rutledge ranch. Mr. Murrh loaned him a saddle horse and gave him some provisions and told him the direction to ride to get to Sanderson.

At the end of the second day he rode into Sanderson.

The plane was found two months later. Lt. Pearson believed the plane could be repaired and the task was given to Lt. James Doolittle. A cavalry officer was assigned to escort Doolittle and a ground

College Students Widely Dispersed

At this time of the year there is a noticeable absence of college-age young folks from the community as they have gone to continue their education in colleges, universities, vocational schools, etc.

Angelo State University in San Angelo is claiming the largest number of local students with Sul Ross State University in Alpine running a close second.

Attending ASU are Misses Marsha Monroe, Candace Cooksey, Nancy Harkins, Barbara Brown, Brenda Carter; also Bill Littleton, Bob Murrh, Jim Monroe, Pat Mott Jr., Damon Harrison, Randy Louwien, Lloyd Goldwire, Steve Litton, and Blain Chriesman.

Working in Alpine and attending the college are Mrs. Manuel Parada Jr., Misses Rosa and Clelia Silvas and Estella Calzada. Commuting to the college are Jack Wood and Glen Bob Hinkle; Charlie Garza, R.M. Hunn, and W.B. Burleson; also Mmes. Bob Seimer, George Escobar, Mack Turner, Bert Bell, Billy Golden, and Will J. Murrh, and Miss Rosa Olivares; resident students include Boyd Wood and Miss Lois Deaton.

Eric Cooksey is attending the University of Texas in El Paso; Mrs. Tyrrell Kott and

crew of mechanics to take the motor and other parts that might be needed and to clear enough terrain for a take-off. Lt. Doolittle had to gain about 1,500 feet altitude in a mile to clear the canyon rim. He accomplished that task and flew into Sanderson and then on to Kelly Field.

This Lt. Doolittle was later a general during WWII and flew as commander of the first raid on Tokyo - taking off from the deck of an aircraft carrier in B-25s and landing in China following their strike against the Japanese capital. Lt. Doolittle was stationed in Sanderson at one time during the assignment of the 90th Aero Squadron here.

James McSparran, University of Texas in Austin.

Miss Mitzi Cash is at Baylor University in Waco; Brad Harrison, Texas A&M University in College Station; Miss Gina Hardgrave, Lubbock Christian College in Lubbock; Miss Lali Munoz, Our Lady of the Lake College in San Antonio; Keitt Mitchell Jr., Westminster Theological Seminary, Philadelphia, Pa.; Tom Allen, Abilene Christian College; Gilbert Valles is teaching in Houston and working on his Ph.D. Degree.

Joe Flores is going to a San Antonio business college and Miss Fay Muller to San Antonio College in that city. Miss Mary Gann is in Fort Worth attending a school of cosmology. Barton Harkins is in Waco attending Texas State Technical Institute.

Juan Manuel Salas has transferred to Southwest Texas State University, San Marcos, this year.

Five students attending Texas Tech University in Lubbock include Ronnie Stewart, James Druse, and Misses Rosalie Kerr, Jackie Bob Riggs, and Vangie Calzada.

Mrs. Elizabeth Freeman is attending a business school in Odessa.

If anyone was omitted in the list, we will be happy to include their name and the school they are attending in a story next week.

Mr. and Mrs. Ben Martin were in Fort Stockton Thursday for him to have a medical check-up.

Weekend visitors with Mrs. Edubijes Escamilla and husband were her daughters, Mrs. Ruben Flores and her daughter, Angie, Miss Lupe Pena and Miss Margarita Pena, all of Odessa; also her son, Urbano Pena, with his wife and daughters of Monahans. Miss Margarita Pena now has her LVN license and is employed in the pharmacy at the Odessa medical center. She was formerly employed as a checker at the Double-T Grocery.

Practice Set For P-P-K Contest

Practice for the Punt, Pass, and Kick contest, jointly sponsored by Dudley Motors and the Young People's Chamber of Commerce, will be on Thursday, September 21, at 4:00 p.m. at Eagle Field, according to Mrs. N. M. Mitchell Jr., who is in charge of arrangements for the contest for the YPCC.

All boys between the ages of 8-13 are urged to be at the practice session so they can familiarize themselves with the procedures and requirements of the contest.

Mrs. Mitchell stated that Athletic Director Willie Myers would be on hand at the practice to give the boys some pointers in the techniques in passing, punting, and kicking.

The contest will be on September 29 at 4:00 o'clock and the presentation of the awards will be made at the football game that night and just preceding the game.

Mr. and Mrs. Frank Offield, and he had a medical check-up.

Questions and Answers

Q. My husband is 67 and gets monthly social security retirement payments. I'm 58 and totally disabled. Can I get disability benefits on my husband's work record?

A. No. You are not eligible to receive a wife's benefit until you're 62 unless you have a child in your care who is entitled to cash payments on your husband's work record. But, if you've worked long enough and recently enough, you may be eligible for disability benefits on your own work record.

INFORMATION RECEIVED ON 'OLD PITCH FORK KID'

Mrs. Clyde Higgins told us that "the Old Pitch Fork Kid" was also known as the "sage of the Matador" and was known by her husband when he worked on the Matador Ranch in his early years. He related stories to Mrs. Higgins about his early life on the "staked plains" which included "the Kid". She stated that she had the original photograph of "the Old Pitch Fork Kid" in a collection of old photographs belonging to her late husband.

W.H. Goldwire was in San Angelo Tuesday to attend to business matters and also to visit with his mother, Mrs. H. C. Goldwire, who is in a nursing home there, and his son, Lloyd Goldwire, who attends Angelo State University.

Mrs. Ora Ayers, who is in an Alpine nursing home, and her son, Bob Ayers, were overnight visitors here Tuesday with her son, Dick Ayers, and family and with friends. Her health is much improved.

ord if your disability will keep you from working for a year or more.

Q. I'm looking ahead and trying to figure my retirement income. Is it possible for me to find out how much my monthly social security payments will be?

A. Yes. Any social security office can give you an estimate of your social security payments. It's a good idea to talk to a representative when you're beginning to think about retirement.
