## LISTEN TO LUKE

By Albert:--  
There was a lot of work and effort that went into the basketball tournament here last weekend, and those who were responsible are to be commended for their efforts.

There were six boys' and six girls' teams here from out of town for the tournament. We hope that their impressions of the host players, fans, and citizens were good. The attendance at the first two-days' sessions was not quite up to par, but there were a lot of basketball games and one could get callouses, you know.

There was a story in some area paper last weekend about a hearing set for Dec. 11 and 12 in Alpine concerning the "Wild and Scenic Rivers System" and is concerned with that part of the river from 16 miles upstream from Mariscal Canyon in the Big Bend National Park to the headwaters of Amistad Reservoir.

Department of Interior officials are connected with the hearings as are the landowners of riverfront property.

Persons who own riverfront property in Terrell County, Rio Grande or Pecos, might be interested in going to the meeting and hearing what is said.

Or maybe your ulcers are active enough already!

There has been much information against the efforts to store gasoline in containers, particularly to carry in cars. The other kind of storage probably will get some condensation within the container and then you have a water-gasoline mixture that does not work too well in almost any car.

And something else against efforts to store gasoline - other than the dangers involved - is the fact of pure unadulterated selfishness and lack of patriotism, hoarding, and some other choice not-notice words.

Of course, there are those who would say: "Whatever you want to call it -- but I'll have fuel for my engines!" We rationalize our actions completely out of joint some times, maybe even thinking that lying consists only of a direct statement of falsehood (implications, innuendos, omissions, or things left unsaid do not even count!) Or that cheating includes cutting some corners, evading the truth, going around to the back door, slyly evading detection through ruses, falsehoods, etc., etc., etc.

And many times these accomplishments(?) are by "good, moral, honest, men of high integrity, and some of whom even claim an association with a Christian church!" We just wonder if some of those antics would be welcomed into the light of discovery by some who are practicing these efforts at deception.

When Candidate Poerner came into the office early Monday morning, we had just

Peggy Louwien and Janice Carter are shown in the dark picture above receiving the second-place trophy from C. B. Card. The Sanderson Eagles and their coach, Tommy Gray, are in the picture showing Bill Mott holding the first-place trophy.

## Eagles Win Basketball Tournament; Eaglettes Second To Fort Davis Girls

The Sanderson Eagles topped the field of teams at the invitational tournament here last weekend, ending their wins by downing the Del Rio junior varsity boys 56-51. It was a close game all the way with the visitors holding the lead by a close margin twice early in the game.

The Fort Davis girls won in their division, their final game over the Sanderson Eaglettes, which ended 65-29 in favor of the visitors. The Fort Davis fems controlled the game completely all the way to assert their ability.

Comstock boys were the consolation winners and the Ozona girls won the consolation trophy. The two third-place-winning teams were the Marfa boys' team and the Comstock girls.

The meet opened Thursday morning and the finals were played Saturday night. Sonora came into the meet after the Marathon boys had to cancel out since they were still in 6-man football competition.

In the girls' division, Del Rio won over Marathon 36-25 in the opener; the second girls' game was Fort Davis winning over Ozona 65-35; Comstock won over the Sanderson Junior Varsity Eaglettes 45-29; Sanderson Eaglettes winning over Grandfalls 50-13.

In the boys' division, the first game was Marfa winning over the Eagle Junior Varsity team 75-15; Del Rio Junior Varsity won over Fort Davis 96-35; Sonora beat Comstock 55-47; and Sanderson beat Toyah 72-34.

The results of Friday's play kept the varsity Eagles and Eaglettes still in contention for the titles in their divisions. The Eaglettes beat the Del Rio Junior Varsity 64-35 and the Eagles topped the Marfa Shorthorns 69-47. Both games were played Friday night before a gym full of fans.

Other actions in the boys' division Friday gave the Toyah team a victory over the Eagle JV team 54-27; Comstock beat Fort Davis 58-43; Del Rio JV won over Sonora 59-41.

Other games in the girls' division include: Grandfalls won over Marathon 45-37; Ozona beat the Eaglette JV 76-14; Fort Davis 114-Comstock 29.

The results of the final day of play of the tournament were:

Girls' division - Ozona won over Grandfalls 63-48, Comstock 61, Del Rio JV 52, and Fort Davis 65-Sanderson 28.

Boys' division - Comstock 58, Toyah 45; Marfa 51, Sonora 49; Sanderson 56, Del Rio JV 51.

## Couch Home is Burglarized

The town house of Mr. and Mrs. Herman Couch was burglarized Saturday night. Mrs. Couch stated that she had been in the house early in the evening Saturday and when she came to town Sunday morning she found the felonious act had been committed.

Mrs. Couch stated that it was apparent that it was small people who had entered the home, as the tennis shoe prints outside windows and in the house were all of about the same size and small.

Entrance was gained through the back door, which had been "jimmied", holes were punched in many of the screens in an effort to get in.

Closets and dressers were ransacked, many candles burned, a picture taken, and some damage resulted from burning candles and paper and vandal activity.

Another picture of an old-time football team - 1939 - was loaned us by Ross Stavley. On the front row: Jim Wilkinson, Don Allen, Jose Ozuna, Al Creigh Jr.; middle row: Bill Davis, Jesus Trevino, Jack Turner, Ross Stavley, Campbell Kerr, Martin Bodkin; standing: Lynn Haynes, Robert Lochausen, Coach Buck Caraway, Ralph Bureson, Malcolm Davis, David Allen, Kenneth Litton, Coach Dwayne Smith, Wilton Murray, Roger Bassett.

## ITEMS TAKEN FROM BULLETIN BOARD

There have been several reports of items taken from the bulletin board at the postoffice. The latest is a map prepared by Mrs. A.J. Hahn showing the division of the town into precincts and was intended to help a bunch of citizens.

It was well-fastened to the board, and Mrs. Hahn felt the map was taken purposefully taken. She added that she did not appreciate the loss of her time and effort.

Mr. and Mrs. E.E. Harkins made a business trip to San Angelo Wednesday.

## BLOODMOBILE HERE TODAY

Today - Thursday - is the day the Bloodmobile is in Sanderson to receive donations from area citizens and to type blood of all interested in getting this information.

The unit is parked at the Trans-Terrell Medical Center Building.

heard two segments of the news and were feeling in no mood to talk about how wonderful everything was in "politics". But Mr. Poerner asked: "Do you have any questions?" That brought on a rather interesting conversation.

We appreciated Mr. Poerner's observation: "For a nation to have honest government, the honesty has to begin with the electorate. Usually dishonesty is brought about by special demands of individuals and groups. And when honesty in government is attained it will be when local governments become honest, and this spreads from the bottom upward."

We agree whole-heartedly. How do you look at it?
