It Depends

We were told the other day that there would be something happen soon that would be a surprise to many people! This is not put out just as a "teaser" by us; not by any means. We suppose that the only reason we're putting out this information is that we can't stand to be held in suspense all by ourselves!

There comes a time when we could all use some good news now and then, and this is one of those times!

The tropical storm that wrecked Honduras left so much misery in its wake that it is difficult to think of the plight of those poor people and come up with a happy thought. Every news cast last week about them indicated a really serious situation concerning food, medicine, disease, homes, dead, water. The really good thing about their circumstance is that they don't have too much worry about the need for warm clothes.

The Eagles lost by a pretty whopping score to Iraan last week - and that's not good news for local fans or players. And with a tough and reportedly stronger team coming up, there's not a lot of real expectation that Sanderson will walk away with a lopsided win Friday night, either!

The work that was expected to begin several days ago on topping the streets was delayed because of the weather and that was not good news for many people who were anticipating the beginning of the work. It turned out well, though, in that it may have been damaging to the seal-coat to be standing in water so long! So that's bad news and good news!

One thing seems for sure! The way the wet weather recently affected the present surfacing on streets of Sanderson, we are lucky that the seal-coating was planned for immediately, otherwise we might have a tremendous loss of investment.

We are happy to be joined in our pleas for clean-up of Sanderson by Mrs. W.H. Savage and her committee of the Culture Club. Their reasoning makes sense in more ways than one.

It is something that has to be done on an individual basis, since there is no law or enforcing agency to get each property owner to clean up his property.

In watching a particular program on "the tube" last week, there was a stressing of the need of some kind of legislative controls on the use of certain drugs that would come under the "harmful" designation of some people and agencies.

One of the great enigmas of

Tumbleweeds Are Target of Project

As chairman of the Community Improvement Committee of the Culture Club this year, Mrs. W.H. Savage is making a plea to the entire community to go to work at once on a project she feels all will agree will do much toward improvement of our town.

"It's Fall Clean-up Time again! Will all join in this bracing activity? Right now let's begin by eradicating all noxious weeds, particularly the Russian Thistle or Tumbleweed, which as you know will very soon 'beat you to the draw' if you don't watch out! If you wait only a few more days, they'll mature millions of seed and with fall winds soon to arrive, scatter the seed far and wide. Then, next spring, we can only expect a greater crop of these pests," Mrs. Savage urged.

She continued: "Let's all join in tumbleweed destruction at once. Larry Seymore at the Soil Conservation Service says they are in favor of this move 100%, and offer their support to the important cause of beautifying Sanderson. Please, won't you do your part?", Mrs. Savage pleaded.

PECOS COUNTY PLANS NEW HOSPITAL FACILITY

Plans are for construction to begin in about 30 days on a new hospital in Fort Stockton to be built at a cost of \$2,056,730 after action by the Pecos County Commissioners at their meeting last week. Approval of the voters of the county was given in a December 1972 bond issue election. The hospital bonds were issued and sold early in 1973. The balance of \$580,000 needed for the project will be provided in certificates of obligation issued by the commissioners' court.

Charlie Rogers of Fort Stockton visited here the first of the week with his son and daughter-in-law, Mr. and Mrs. Harvey Rogers.

Presbytery To Meet Here October 8-9

About 75 delegates of Tres Rios Presbytery are expected in Sanderson October 8 and 9 to conduct business of that organization. The Presbyterian sectional organization includes representatives from Presbyterian Church of the United States from El Paso to San Saba and Sanderson to Seagraves.

This is the first time that the Presbytery has met here since about 1950.

Business will get under way at 10:00 a.m. Tuesday morning, according to Rev. David C. Marx, pastor of the First Presbyterian Church of Sanderson, host congregation for the Presbytery meeting.

There will be a worship service at 8:30 Tuesday night to which all members and friends of the church are cordially invited. The moderator or retiring at this meeting of the Presbytery will be the guest minister and Holy Communion will be observed.

The final session of the Presbytery will be on Wednesday morning.

One Dead After Accident Friday

Mrs. Arturo Urquidez, 24, of Alpine was pronounced dead on arrival at Big Bend Memorial Hospital at 7:30 p.m. Friday of last week after being involved in an auto accident east of Dryden.

She was a dietician at the Big Bend Memorial Hospital.

She is survived by her husband, two daughters, and a son, all of Alpine; her parents, four sisters, four brothers.

Texas Highway Patrolman Ben Lockhart, who investigated the accident, stated that the small foreign-made automobile apparently went off the shoulder of the road on the right and when the driver pulled suddenly back to the left, the car overturned. Lockhart stated that the driver of the car was not seriously injured. Mrs. Urquidez was the only other occupant.

Braves Beat Eagles At Homecoming Friday In Iraan

The Class A Iraan Braves used their homecoming Friday night as the spur to their 34-0 victory over the Class B Sanderson Eagles. Their extra strength and critical turnovers aided their cause. It was the first win of the season for the Braves.

Iraan scored a touchdown in each of the first three periods, tacking on the extra point on place-kicks following each. In the fourth period the Braves added two touchdowns with an extra point added after the first, but failing on the last.

The Eagles put together a good passing game against Iraan and were able to earn 156 yards from aerials, but were unable to score. Marvin Davis, freshman quarterback, hit five of 13 passes. He also had two interceptions, and this coupled with three lost fumbles, helped the Braves' efforts considerably.

Iraan led in first downs 23-9; they had 265 yards rushing to only 60 for Sanderson. The Braves' passing game was two-for-two and 43 yards to boost their total yardage to 308 over 216 for Sanderson.

Sanderson was forced to punt five times and they averaged 35 yards. Iraan's total turnovers were four punts which averaged 36 yards.

The Eagles will host the Rankin Red Devils Friday night in a non-conference game. Rankin is expected to have plenty of opposition on hand for the Eagles here Friday night as they are pegged as one of the strong teams of their district.

AMONG OUR SUBSCRIBERS

New subscribers to The Times include William A. Ford and Sam Hollmig of Sanderson; Jimmy R. Nuncio, San Antonio; Elizabeth Pena of Del Rio.

Renewals have come from Joe Kerr Jr., Del Rio; Mrs. Don Wilson, San Angelo; Miss Judy Miller, Midland.

New Wildcat Hole To Be Drilled

Belco Petroleum Corp., Midland, will drill the No. 1 Palenham Ranch Co. Ltd., and 11,500-foot wildcat in Terrell County, 12 miles southwest of Sheffield, 2 1/2 miles northwest of the depleted University Block 34 (Atoka gas) field, one mile south of the depleted one-well Blackstone (Wichita-Albany) field and 1 1/4 miles east and slightly south of an undesignated Strawn discovery.

Location is 1,320 feet from the south and west lines of 57-B2-CCSDGRNG. Ground elevation is 2,300 feet.

Statements Sent Property Owners For 1974 Taxes

Terrell County property owning taxpayers were mailed statements for 1974 property this week.

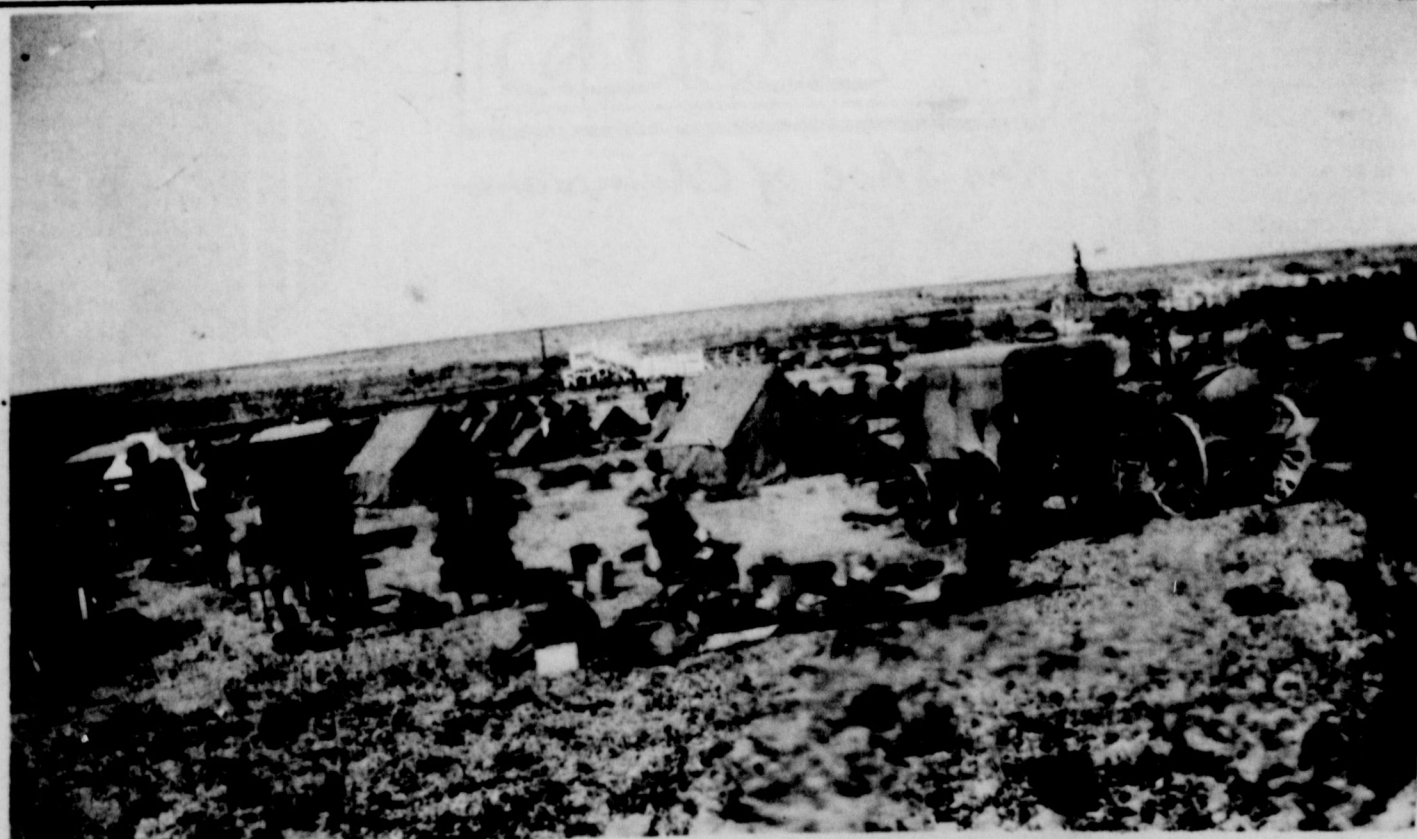

The statements were mailed by the Terrell County Independent School District and by Terrell County.

A comparison of the two statements will reveal a difference in the total amount due to each of the taxing units on the same property.

Any questions concerning the statement for taxes should be directed to the taxing organization.

Mr. and Mrs. Dean Farmer of Ganado, Ar., were weekend visitors with her mother, Mrs. Ruth Geaslin.

Another picture of the 7th Cavalry at Dryden showing some personnel, horse-drawn vehicles, and tents. Ernest Miller, who loaned us the picture, stated: "We kids always had a fine time when the troops came through. They always asked us to supper or chow, and we always accepted. By daylight the next morning, the grounds would be vacant and clean, hardly any signs of anyone having been there." Notice white stockpens in center background.

It Depends on

life is why people have to be legislated into taking care of themselves.

But maybe the reason is that we have different ideas about taking care of ourselves and what all is involved.

One of the sayings that is of some benefit to us - taken in a different way than that originally used: "After all, you only go around once!"

But there are many differed opinions about the application of that statement in life.

I guess it depends on how you look at it!

There is a lot of persuasion from several sources within the state for persons to be sure they are registered to vote in the next general election - November 5.

This urgency is being handed down to those who were not registered, and to those who may have moved since the last election and are not now registered in the proper precinct.

It has been pointed out that it is necessary to change your residence registration when moving from one precinct to another.

New Arrivals...

To Mr. and Mrs. Tommy J. Couch was born a son weighing eight pounds, 14 1/2 ounces in an Alpine hospital on Saturday, Sept. 21. His name is Tommy J. Couch III.

Mrs. Ignacia Benavides is the maternal grandmother.

BOB KRUEGER VISITS

Democratic nominee for U. S. Congress, Bob Krueger of New Braunfels, was in Sanderson Wednesday of last week to visit supporters and meet new friends. Mr. and Mrs. Charles Stavley hosted a campaign reception for the candidate at Admiral's Steak House.

Krueger spoke to the group on national issues and there was a short question-answer session.

PAP TEST CORRECTION

The information received by the local unit of the American Cancer Society in regard to the results of the Pap Smear Clinic here May 4 was erroneous, according to later information. The local unit was recently informed that there were four of those tested who required further testing, but each woman was contacted by her physician.

Church of Christ Slates 4-Days Of Special Services

Dr. Edward E. Coates, interim minister of the Highland Church of Christ in Abilene, will hold a 4-day gospel meeting here October 6-9, according to Charles Draper, minister of the local Church of Christ.

The services will be at the regular time Sunday - 10:30 a.m. and 6:00 p.m., and on Monday through Wednesday at 7:00 a.m. and 7:30 p.m.

Dr. Coates was a revival speaker here in 1955 while he was teaching school in Balmorea.

Dr. Coates has been at Abilene Christian College for two years as associate professor of education.

All members and friends of the church are extended a sincere and warm welcome to attend the series of special services.

New Deputy Sheriff Hired To Replace Tony Robinson

Terrell County Sheriff Dalton Hogg told The Times Monday night that he had hired Harvey Glenn, 52, as deputy sheriff. His duties will begin as soon as he arrives from Dimmit, and expected to be within the next week.

Hogg stated that Glenn had been in peace officer work for a long number of years and came here with high recommendations.

Hogg also stated that Tony Robinson, who has been deputy sheriff for several months, and given his resignation effective October 15. Robinson planned to continue his education at Angelo State University, according to Hogg. Mr. and Mrs. Robinson and their children will return to San Angelo within the next two weeks to make their home.

Mr. Robinson stated that he had made several close friendships while in Sanderson and had many nice and complimentary things to say about the citizens of the county, classifying them as the best bunch of people he had been privileged to know. He said that he was grateful for the friends that he had here and would always remember the kind favors shown him and his family.

STATE CAPITAL

Highlights AND Sidelights

by Lyndell Williams

TEXAS PRESS ASSOCIATION

AUSTIN—Texas governmental units need to spend \$852 million over the next five years to improve transportation systems, according to a Texas Mass Transportation Commission staff estimate.

A TMTTC preliminary development plan proposes \$566 million worth of rail system improvements and construction and \$286 million for bus systems.

The state, the report concluded, must come up with ideas for moving an increasing number of travelers among major cities by rail, new expressways paralleling existing ones or other means.

If travel increases as fast as expected, according to one authority, traffic on Interstate 35 between San Antonio and Dallas may be as congested by the year 2,000 as it is on the Gulf Freeway in the Houston area.

Cost of developing mail passenger facilities presents a generally unhappy picture. Railroads, according to TMTTC Director Russell Cummings, are not enthusiastic about starting up new passenger service or turning their tracks over to any agency for passenger hauling in conflict with their freight business.

Only 18 cities in the state still maintain transit systems, as compared with 37 such systems 20 years ago, TMTTC was informed. But use of transit systems is expected to increase three-fold by 1990. Buses are projected to handle 75 per cent of the future load, rail systems 18 per cent and "specialized systems" seven per cent.

LEASES TAKE UP—Cash bonus payments totalling more than \$7.8 million reached the state Permanent University Fund from a recent oil and gas lease auction on University of Texas-owned lands.

More than 123,540 acres were leased for oil and gas exploration. With deposits of the cash bonus payments the Permanent University Fund increased to \$678,332,143.

Biggest areas of interest were Loving and Ward counties.

Superior Oil Company paid the largest cash bonus—\$810,000 for a 640-acre tract in Ward County. Chalfant, Magee and Hansen were successful bidders on a 320-acre tract in Ward and Loving counties with a \$435,000 cash bonus.

Land Commissioner Bob Armstrong, chairman of the Board for Lease of University Lands, said increased demands for energy are being reflected in all public land lease sales.

INDUSTRIES INCREASE—Thirty-one new industries with a combined annual output of over \$8 million located in Texas during August.

Total economic impact of the 31 firms was estimated by Texas Industrial Commission and the University of Texas Bureau of Business Research at more than \$129 million a year.

The 31 new industries are expected to generate \$7.7 million a year in federal taxes, \$550,943 in local taxes and \$502,943 in state taxes, and to create 1,743 new jobs with a spinoff of another 2,243.

The industries located in Alice, Amarillo, Athens, Austin, Port Arthur, Brownsville, Center, Coles Creek, Channelview, Del Rio, Diboll, Freeport, Houston, La Porte, Laredo, Longview, Lufkin, Madisonville, Mineral Wells, Mount Pleasant, Rocksprings, Texarkana, Wharton, Weatherford and Wichita Falls.

DPS LOOKED OVER—A Senate sub-committee began its hearings on rights to personal privacy and Department of Public Safety surveillance activities involving private citizens.

DPS Chief Col. Wilson Speir agreed the legislature should furnish guidelines, but he warned against restraints so strict as to interfere with law enforcement efforts.

ENROLLMENT UP—State-wide enrollment at Texas colleges and universities is up about five and a half per cent above 1975, far above the national projection of a 1.3 per cent nationwide increase.

Preliminary tabulation shows total enrollment of 549,830 students at Texas public, private, junior and senior institutions. This is 28,300 more than the fall semester of 1973. Two hundred and seventy five thousand of the students are attending public senior colleges, 201,400 at public community colleges.

Even the private institutions in Texas are growing. Their total enrollment of 70,800 represents a 1.4 per cent increase over the 1973 headcount. About 10 of the 37 may experience some decline in enrollments.

AG OPINIONS—Voters who participate in party primary elections are not eligible to sign applications of independent candidates where nominations for the office sought are made in primaries, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded:

- State employees who leave their jobs before completing six months' service are eligible for no accrued vacation time.

- State licensing of private child care facilities does not sufficiently implicate the state in the policies of the institutions to make their discriminatory practices a "state action" for constitutional protection purposes.

- Receipt of guaranteed annual wage payments does not render an individual out of work ineligible for state unemployment compensation.

- When an employee given a merit pay raise is promoted, funds become available for merit raises to others in the agency.

- Director of the Division of Parole Supervision is not the executive head of a state agency, and the Board of Pardons and Paroles is legally responsible for his conduct.

- County clerks have no authority to issue certified copies of letters testamentary.

APPOINTMENTS—Dr. Lorene Rogers was named acting president of The University of Texas, Austin, after Dr. Stephen Spurr was fired.

Gov. Dolph Briscoe appointed Ronald Lee Wilson of Texas City to be 212th district attorney for Galveston County, succeeding Jules Damiani who became district judge.

COURTS SPEAK—Texas Court of Criminal Appeals unanimously upheld 1972 convictions of former House Speaker Gus Mutscher, former State Rep. Tommy Shannon and Rush McGinty for conspiring to accept a bribe in the famous Sharpstown case. All received five-year probated sentences.

The State Supreme Court ordered Secretary of State Mark White Jr. to certify Socialist Workers Party candidates for the November general election ballot unless he could prove their petitions insufficient with a name-by-name check of 55,000 signatures. White, changing his September 11 decision, certified the candidates.

SHORT SNORTS
A new Calendar of Texas Events for October-March lists 20 state, county and regional fairs.

The State Textbook Committee meets here Tuesday (Oct. 1) to hear protests against textbooks being submitted for adoption. Con-

tracts will total nearly \$20 million.

Texans cut gasoline consumption sharply, but electricity consumption increased 8.1 per cent from last year (based on a May figure), according to a governor's office energy report.

Governor Briscoe approved more than \$1.9 million in criminal justice grants for 41 projects.

Way has been cleared for final application to transfer 12 old ships to four deep-water sites where they will be sunk to enhance the fish harvest.

Texas Water Rights Commission adopted a new policy requiring water district developers to contribute up to 30 per cent of cost of water, sewer and drainage facilities.

A \$438,100 federal grant was forwarded to Texas for reimbursement of energy management programs this fiscal year.

Raza Unida party at its state convention in Houston elected Lupe Youngblood of Robstown its state chairman, succeeding Mario Compean of San Antonio.

Notable Quote

"We are reaching the point that every time a businessman tries to make a move to hire a new employee, develop a new product, market a new product, expand his plant, move into a new city, merge with another company, negotiate a labor contract, ship his goods, or raise new capital, he is confronted by a regulation that says he cannot do it unless a federal agency approves."

—Rep. James M. Collins (D-Tex.)

85 percent of the world's energy resources are in either coal or uranium. The United States has sufficient resources of both. Only eight percent of the world's energy resources are in oil and natural gas. However, 75 percent of all energy used in the U.S. comes from petroleum or natural gas.

FOOD MARKETING ALERT

USDA
Agricultural Marketing Service

As of mid-September, the supply situation in October is expected to look like this . . .

RED MEATS —

Beef to continue plentiful, with production record large for the month. This mostly reflects larger supplies of lower grade beef.

Pork supplies to be adequate. Output, nearing the seasonal peak, will exceed the year-ago level. Production, however, will be below the October 1970-72 average.

POULTRY & EGGS —

Eggs to be adequate, with output about 2-3% below the relatively low level of October 1973 and about 6-7% below the 1971-73 average.

Broiler-fryers to be limited, with production 10% less than a year ago and 2% under the 1971-73 average.

Turkeys to be plentiful, with marketings 10% under October 1973, and 8% below the 1971-73 average. Cold storage stocks remain at record, one-third more than the 1971-73 average.

MILK & DAIRY PRODUCTS —

Fluid milk, butter, cheese, and nonfat dry milk to be adequate, though production will decline seasonally. Commercial stocks of cheese to be at record levels, and stocks of butter and nonfat dry milk well above the 1971-73 average.

FRUITS, VEGETABLES, NUTS

Fresh cranberries and cranberry products to be plentiful, with total output at near record level — 6% above last year and 4% above the 1971-73 average.

Terminology used: PLENTIFUL — More than enough for requirements. ADEQUATE — Enough to meet needs. LIMITED — Less than adequate; not enough for normal needs.

Fourth Wave

by GEORGE HAGEDORN

Chief Economist, National Association of Manufacturers

The real economic danger ahead is not that we will have some kind of economic setback in 1974 and 1975. We have already had it, and while there may be some improvement in the next year and a half, hardly anybody expects that 1974 or 1975 will be a great year or even a very good year.

The real danger is that, in this atmosphere of economic performance widely regarded as sub-par, policymakers will turn again to fiscal and monetary stimulation as the needed tonic. That kind of move might indeed succeed for a while in pepping up the economy. But it would also give one more turn to the inflationary screw. We would very likely wind up (if not immediately, after an interval of a couple of years) with a rate of price climb even worse than the horrendous rate of the past year.

The reason for this fear is that, during the past 10 years, we have twice before faced the same general economic situation we face now. Twice before national economic policy was reversed—from fiscal and monetary restraint to curb inflation, to fiscal and monetary stimulation to restore full employment. Twice before we wound up, two to three years later, with prices rising faster than at the start of the process, and the whole job of restraining inflation to be done over again.

At this point the economic situation again resembles the conditions of early 1967 and mid-1971. The economic slowdown again is worrying government officials. Again there is impatience with the apparent fact that the slowdown has

not helped to control inflation. Again we hear calls for restimulating the economy.

The Chairman of the Federal Reserve System has indicated his firm determination to resist any shift to a more liberal money and credit policy. But he is under heavy pressure. It is a question whether he will be able to maintain his position if a serious credit shortage results and if the recovery of the housing industry is retarded by a lack of funds for financing mortgages.

In Congress there are advocates of a broad-gauge tax cut, amounting to a \$6 billion loss in federal revenue. This, it is argued, would restore purchasing power and bring us out of the present recession, slowdown or whatever you want to call it.

If we listen to these siren songs, and once again undertake to stimulate the economy to a higher level of output and employment, we will establish the base for a fourth wave of inflation. It will surely be worse than any of the preceding three waves including the present situation.

The alternative is to endure a period of sluggish economic conditions, lasting for perhaps two to three years. This will be our penance for past inflationary sins. The only thing you can say in favor of that course of action is that the penance gets worse the longer you delay it.

**Olvera-Silvas
Wedding Saturday
in Catholic Church**

Saturday evening at 7:00 o'clock in St. James Catholic Church, Miss Rosa Elia Silvas and David Olvera were united in marriage, Rev. John Pierce officiating at the double-ring wedding rites. Arrangements of pink and white carnations and white radiolus decorated the altar. Mrs. J.M. Davis was organist.

The bride was given in marriage by her parents, Mr. and Mrs. Silvestre Silvas, the bridegroom and his parents, Mr. and Mrs. Rodolfo Olvera of Carrizo Springs, meeting them at the altar.

The bride's gown of pearl white satin with self-trim and fashioned by her mother, had a fitted bodice with V-neckline, short puffed sleeves, and flared skirt and was trimmed in pearl white lace. Her waist-length veil of illusion was attached to a crown of tiny forget-me-nots fashioned from pearls. She carried a bouquet of white pearls.

Mrs. Manuel Parada Jr., cousin of the bride, was the matron of honor and the maid of honor was her sister, Miss Emma Silvas, of Cdesa. The bridesmaids were Miss Clelia Silvas of Odessa, sister of the bride, Miss Irene Olvera of Carrizo Springs, sister of the bridegroom, Miss Irene Garcia of Carrizo Springs, Miss Melinda Maldonado of Cdesa, cousin of the bride, Miss Rosa Mancha of Eagle Pass, and Miss Hope Cortez of Cdesa.

The matron of honor's floor-length gown was identical to the bride's; the maid of honor wore a gown of small pink floral print on white crepe; the bridesmaids' gowns were of beige crepe with small pink floral print.

The junior bridesmaids, Hilda Rocha, cousin of the bridegroom, and Sonya Munoz, both of Carrizo Springs, wore gowns of pink crepe with dark pink floral print. Manuel Parada Jr., cousin of the bride, served as best man. The groomsmen were Heresmo Garcia and Ismael Olvera, cousin of the bridegroom, both of Carrizo Springs; also Cnesimo Martinez of Asherton, Lupe Martinez of Eagle Pass, Domingo Rodriguez of Sweetwater, Alfred Morales of Midland, and Roland Valles, Tony Calzada, and Sandy Silvas, brother of the bride, of Sanderson.

Serapio Picaso Jr. was the ring bearer and Bebi Silvas of San Antonio was the flower girl. Both are cousins of the bride.

A reception in St. James Hall followed the wedding and later an out-of-town orchestra provided the music for dancing.

The bride, a life-long resident of Sanderson, is a graduate of Sanderson High School and after receiving her degree from Sul Ross State Uni-

AOA Sorority

The next two meetings will be held at 6:30 p.m. instead of the usual 7:00. The October 8 meeting will be at the courthouse; the October 22 meeting at the home of Mrs. Bill Russ after which will be the "rush party".

The program "Self-Analysis" was conducted by Mrs. W.O. O'Rourke and Mrs. L.M. Choate. An analysis chart was given to each member and the resulting averages were told. An informal discussion followed.

The hostess served apple dumplings, cheese and wheat bits, mints, and chocolate coffee to Mmes. B.A. Pendleton, A.N. Farley, Burt Williams, Kenneth Shurley, M.E. Morris, C.H. Stavley, Ronnie Minica, L.J. Hartzog, W.O. O'Rourke, and L.M. Choate; Miss Linda Ball; and Miss Judy Justus who was a guest.

Mr. and Mrs. F.J. Barrett returned home last week after spending the summer in Ruidoso, N.M. Enroute home, they visited for several days with their son-in-law and daughter, Mr. and Mrs. James Kenney, of Carlsbad, N.M.

District Judge George M. Thurmond and Court Reporter Frederick Casado of Del Rio were here on business on Monday.

University is on the faculty of the Carrizo Springs High School.

The bridegroom, a graduate of Carrizo Springs High School, received his degree from Texas A&I University in Kingsville, and is a junior high teacher in Carrizo Springs where the couple is making their home.

Out-of-town guests here for the wedding included: Mr. and Mrs. Euoligio Gonzales and Mrs. Jesse Garcia and family of Andrews; Mr. and Mrs. Guadalupe Olivas and family, Mr. and Mrs. Jose Bravo and family of Cdesa; Mr. and Mrs. David Martinez Sr., Monahans; Mr. and Mrs. Pascasio Gonzales and family; Mr. and Mrs. Juan Cordova, Mrs. Florencio Galvan and daughter, and Joe Garcia of Fort Stockton; Mr. and Mrs. Rocha and family, Mr. and Mrs. Reyes, and Miss Janie Garcia, of Carrizo Springs; Mr. and Mrs. Steven Reyma, an uncle and aunt of the bride, and their family of San Antonio; Mr. and Mrs. Jessie Estrada, Mr. and Mrs. Thomas Pallanez, Marathon; Jose Gomez, uncle of the bride, Jessie Gomez and son, cousins of the bride, all of San Antonio; Larry Flores, Al Torrez, Richard Cortines, Alpine; Miss Camila Viscaino, Marfa.

**Miss Melva Montalvo,
Bride-Elect, As
Shower Honoree**

Miss Melva Montalvo, bride-elect of Domingo Picaso, was honored at a miscellaneous bridal shower Sunday evening in the Legion Hall with about 60 guests attending.

White and yellow wedding bells and floral decorations in the honoree's chosen colors, lime and yellow, decorated the hall.

Welcoming the guests along with Miss Montalvo were her mother, Mrs. Juanita Alvarez, and the groom-to-be's sister, Miss Vicki Picaso. Miss Montalvo was presented with a bridal corsage and the others with white carnation corsages tied with yellow and green ribbons.

Miss Lali Luevano was at the bride's book to register the guests.

Several games provided diversion with prizes going to Mrs. Eleno Marquez, Mary Corbett, and Mrs. Manuel Maldonado. The guests then viewed the gifts which had been displayed on tables.

Refreshments were served from a table covered in a yellow cloth. Green and gold candelabra flanked the centerpiece of large white wedding bells and greenery tied with white ribbons. Favors in silver baskets were silver wedding rings, wedding bells, and rice bags of yellow net tied with white ribbons on which was inscribed "Melva and Domingo".

Chicken salad, fruit salad, party crackers, cheese spread, dips, chips, and evergreen punch were served with the cake which was iced in white, yellow, and lime, and decorated with silver wedding rings, bells, hearts, and love birds.

The hostesses were feminine members of the wedding party including Mmes. Vicente Picaso, S.M. Chalam-baga, and Roman Gonzalez; Misses Lali Luevano, Sandra Villarreal, Linda Hagelgans, Imelda Escamilla, Susan Corbett, Rosalinda Lopez, Maricela and Rosemary Martinez, Delma Montalvo, Aurelia Picaso, and Mrs. Pete Salas Jr., of Marathon.

**RODRIGUEZ-EUBANKS
TROT IS REVEALED**

Mr. and Mrs. Daniel Rodriguez Jr. have announced the engagement of his sister, Manuela Rodriguez, and Paul Eubanks of Fort Stockton.

The wedding will be in St. James Catholic Church on Saturday, October 5.

Miss Rodriguez has been employed at the C.G. Morrison Co. store. Mr. Eubanks is owner of Paul's Shoe Shop in Fort Stockton where the couple will reside.

**♠ Tuesday
Bridge Club**

Mrs. Herbert Brown was hostess last week to the members of the Tuesday Bridge Club, entertaining with a dessert-bridge in her home. An arrangement of roses was on the dining table.

High score in the card games was held by Mrs. R.S. Wilkinson, who shared slam with Mrs. J.A. Gilbreath, who was second high.

Also present were Mmes. James Caroline, Carlton White, C.H. Stavley, Jim Kerr, and Diane Andrews.

**Library Friends
Met Last Tuesday**

Nine members attended the meeting of the Friends of the Terrell County Public Library in the library building Tuesday evening.

The group voted to purchase a new memorial book and to pay for the gasoline for Mrs. Robbins' trip to Fabens for the inter-library loans workshop. She is the librarian and gave a report of the workshop.

The report of the librarian for July and August showed 499 adult visitors and 774 children; 514 non-fiction books checked out, 1875 fiction, 615 paperbacks, 89 magazines, and 45 Spanish books and puzzles.

Mrs. W.H. Savage, memorials chairman, reported cash contributions of \$85.00 and two books.

Mrs. N.M. Mitchell Jr. sought permission to hang in the library, the plaque which had been presented to the Culture Club recently for their work in soil conservation.

Mrs. E.E. Harkins Jr. was appointed to write a history of "Friends" for the Terrell County Historical Society.

After adjournment, Mrs. Robbins served pumpkin cake, tea, and coffee.

Also present were Mmes. E.E. Farley, E.F. Pierson, L.H. Gilbreath, A.C. Garner; also Jack Hayre.

Youth's Interests Seen in Survey

Cynical, apathetic, optimistic, rebellious, thoughtful, cooperative, serious; what is the mood of youth in the America of the Seventies?

As students return to school this fall, high school principals, teachers, and parents are looking eagerly for answers. Many of them are revealed in The Mood of American Youth, a recent study by the National Association of Secondary School Principals and the Gilbert Youth Research Corp. of New York.

"Education is important to young people today - they have a positive attitude toward school. The principals association survey shows that most students feel their schools are doing a good job," said James I. Payne, principal of Sanderson High School.

Interviews with high school students throughout the nation probed their attitudes on education, work, school activities, parents and family, marriage, politics, religion, the use of leisure time, and the future of American society. The survey shows that students today are cautiously optimistic about their life as adults of the Eighties. Young people feel:

-- that their schools are providing them with a satisfactory education (77%, 99% plan to finish high school).

-- that high school students should have the opportunity to work part-time during the school year (84%).

-- that happiness at home (92%) is more important than fame (less than 2%); a good family life attracts far more high school students (74%) than a lifetime of interesting experiences (25%),

-- that participation in politics is distasteful, but that voting is a civic responsibility; 78% plan to vote in every election for which they're eligible, but only one in ten would be willing to run for public office.

-- that social reform should be accomplished peacefully through community service rather than radical upheaval; 43% are already involved in community service; 59% would like to be more involved, and over 40% plan to expand or continue their involvement after high school.

-- that goals are important and that hard work will be necessary to achieve them (95%).

-- that those goals will center around completing an education (35%), finding a job (52%), and settling into marriage and a family (46%).

-- that most difficulties with their parents are a result of communication problems, rather than deep philosophical divisions. Less than 5% of the students expressed strong disagreement with their parents' ideas on politics, clothing styles, choice of friends, religion, education, drugs, and work, but 16% said they could not accept their parents' ideas on sex.

-- that overpopulation (23%) and ecology (36%) are today's two most important global issues; poverty (20%) and the threat of a third world war (21%) were also much on students' minds.

-- that political change can be accomplished working within the government. Over 50% feel that the present constitutional government serves U.S. citizens well; less than 6% said it should be abolished in favor of another form.

The full report on the Mood of American Youth will be

released by NASSP in October. The National Association of Secondary School Principals is a non-profit association serving 35,000 secondary school administrators, headquartered in the Washington, D.C., area.

Registration Of Voters Is Urged

Texas Secretary of State M. W. White Jr. this week issued a reminder to any qualified persons wishing to participate in the November 5th General Election that they must be registered by October 5, 1974. A voter registration application may be obtained at the County Tax Assessor-Collector's office in the applicant's county of residence. The application may be filed either in person or by mail.

Secretary White noted that a registration is valid for three years and is automatically extended for the succeeding three-year period by voting in a primary or general election. Consequently, many voters who have participated in prior elections need not make application to renew their registration.

White also announced that all voters wishing to cast an absentee ballot for the November 5th General Election may do so beginning October 16 and the absentee voting period will continue through Friday, November 5.

According to Secretary White, the proper absentee voting procedure will depend upon each individual voter's situation.

Mr. and Mrs. Thomas Earle and children have moved to the Savage rent house at 508 N. Second St., formerly occupied by Mr. and Mrs. A.K. Bradford Jr. He is trainmaster here on the Southern Pacific.

ASC Committeemen Nominations Are Being Received

Petitions to nominate candidates for Terrell County Agricultural Stabilization and Conservation committeemen are being accepted in the ASC Office in Alpine until October 29. The mail balloting to choose one committed man and two alternates will close December 2.

Petitions must be limited to one nominee and must include a written certification that the nominee is willing to serve if elected. The petitions must be signed by at least three eligible voters, but voters can sign as many petitions as they wish. The petitions may be mailed to Box 397, Alpine, Texas 79830 or left at the SCS Office in Sanderson.

To be eligible a nominee must be eligible to vote in the county ASC election, must reside in the county, and shall not have passed his 70th birthday. The candidate may not have served three consecutive terms as ASC Committeeman.

To be eligible to vote a person must be of legal voting age, and have an interest in a farm, or ranch as owner, tenant, or sharecropper. Minors who supervise whole ranching operations are eligible to vote.

Because Texas is a community property state, spouses of eligible voters may also vote and hold office of committeeman.

Herbert Brown is the committeeman with the expiring term. He is not eligible to succeed himself because he will have completed three consecutive terms.

Monty Harkins, chairman, has two years remaining in his term, and Lee Dudley has one more year to serve.

If less than three persons are nominated by petition, the incumbent committee

Jr. High Eagles Lose To Marfa

The Marfa Junior High School Shorthorns were here Thursday of last week to play the Sanderson Junior High Eagles. Marfa won 6-0, making their touchdown in the third period. Sanderson did not have a serious threat of scoring during the game.

Following the regular game, the 7th graders of each team of the two schools played one quarter and Marfa was able to score and converted the extra points on a running play to give them an 8-0 victory.

The roster of 8th graders includes Hector Galvan, Craig Cooke, Abel Marquez, Gib Bell, Lloyd Coats, Xavier Lopez, Russel McDonald, Wade Sumrall, Julian Martinez, Malone Mitchell Jr., Indalecio Salazar, Marvin Sanchez, Paul Murr, Gary Allen, and Joe Eckert.

The 7th grade roster includes: Jose Daniel, Aubby Black, Rudy Licon, Robert Nevarez, David Arredondo, Ben Carrillo, Ty Haynes, Rex Holcombe, Donnie Allison, Scott McDonald, Cody Carruthers, Kade Kothman, Richard Montalvo, Charlie Brown, Hector Salazar, and Milby Winn, some of whom played during the regular game.

Bill Ford is junior high school coach.

T.W. McKenzie returned home Thursday from El Paso where he and his wife had been visiting for several days with relatives including her brother, Bud Krauss, who had surgery over a week ago and is recovering satisfactorily. She came home Sunday.

Mr. and Mrs. Frank Owens returned home last Tuesday from Odessa where she had major surgery. She is making satisfactory recovery.

will fill out the slate at their regular meeting to be held November 6.

Cancer Society Meets Last Week

Twelve members of the board of directors of the Terrell County Unit of the American Cancer Society met last Thursday evening in the fellowship hall of the First Presbyterian Church with Mrs. Web Townsend, president, presiding.

Chris Torti of Midland, executive district director, attended the meeting and presented the certificate of authorization to the unit for the coming year. He announced changes made in the by-laws at the division meeting in Dallas in August. After he had read the suggested changes, they were adopted by the local board. It was decided to keep the unit's name: "Terrell County Unit".

Mr. Torti also gave the staff report on the annual meeting of the division in Dallas in August at which time Dr. Edwin Franks of Iran gave a program on "Uterine Detection - Sanderson Plan". Terrell County placed eighth in the state in public education. The local unit was also commended for winning the Golden Achievement Award for collecting more money each year in the annual drive for funds for 13 consecutive years.

As a result of the work done for the Pap Smear Clinic, on behalf of her committee and everyone who helped to make the clinic a success, Mrs. David Mitchell, public education chairman, received a certificate at the meeting in Midland. The local unit received the award for "Total Adult Audiences".

The report of the treasurer showed a total of \$2,306.14 for the fiscal year ending on August 31, 1974. Of this amount, \$2,288.64 was trans-

TO THE VOTERS OF TERRELL COUNTY:

It has been called to my attention on several occasions during the past few weeks, that there was to be a write-in campaign for the office of County Judge on behalf of Judge Wilkinson. I spoke personally with Judge Wilkinson on September 30, 1974, and was told that there is no truth in this rumor and that he is looking forward to retirement. This is written with the hope that this rumor will be put to rest and also with the hope that we may all work together for the betterment of our community and county.

Sincerely,
Charles Stavley.

After a discussion of programs and plans for the coming year, the group voted to have the annual "hunters' food sale" again and it will be at Dudley's on Friday, November 29, with Mrs. Herman Couch as chairman. The president has called a meeting for Thursday, October 17, at 7:00 p.m. in the fellowship hall for the purpose of planning the food sale.

Mrs. W.J. Ferguson Jr., service and rehabilitation chairman, announced that Dr. Michael P. Longley had accepted an invitation to serve as medical advisor for the local unit and, with the presence of a doctor in the community, this program will be expandable.

Mrs. Townsend reported on the annual Area I and District II meetings in Midland on June 4, attended also by Mrs. J.W. Happle and Mrs. K. H. Stutes.

Also present were Meses. H. E. Ezelle, W.H. Savage, H.A. Mullings, E.E. Farley, Charles Hornsby, Julian Martinez Jr., E.E. Harkins, Ray Hernandez, Cruz Marquez, and A.H. Zuberbueler.
