

SQUAW STARS

Jennings, McClellan Receive Dual Honors

Many fans, and perhaps even members of the Squaw team, felt badly about the team's second-place finish in the state tournament.

We'd hasten to point out that the finish meant that Friona has proven itself better than 121 other teams in its classification throughout the state.

The Squaws, in fact, had advanced farther just by making it to the "big show" than did 119 other teams in the AA classification, any one of whom would've given anything to have claimed the second-place finish.

We'd say that three straight years, with finishes of first, second and third in the state is pretty good--darned good, in fact.

Coach Mel Williams is to be congratulated on a fine first year at the helm of the Squaws.

We've heard several people remark that the proposed radio station for Friona will be nice--good music source, etc.

I'm sure that's right, but there's another side which most of them haven't thought about, and that is the fact that it will take advertising money to keep such a station going.

Local advertisers have had a taste the last couple of weeks of what it's like to have both radio and newspaper advertising to support. I doubt that there certain advertisers would, or could, keep up the schedule they've had the last few weeks.

And if these people think they were hit pretty hard, what with helping with the state tournament, the county livestock show and all, a full-time local radio station would've really spiced it up.

What the general public fails to realize is that it takes advertising dollars to keep any news media--radio, newspaper or what-have-you, in operation.

We often hear a remark to the effect "You'd have a better newspaper if you had a little more news and a little less advertising."

That's kinda like a father telling a prospective bridegroom "You can marry my daughter if you'll lay off work but come up with a little more money."

Fact of the matter is, we have to have a certain percentage of advertising, in order to pay our bills and have enough left over for salaries each week.

And the same will be true in the case of the prospective radio station, as will be seen. We get tired of seeing the same old commercial on TV, when we'd rather just watch the program. But someone has to pay for all that going on the "one-eyed monster." And someone will have to pay for radio advertising as well.

We had hoped for a little larger "extra" edition than we produced on Sunday, but couldn't do any more simply because the radio broadcasts had eaten into the local advertising budgets.

Here we had followed the team all year, had been out hours of time and expense, and when we wanted to do something a little extra nice for the team we couldn't because of out-of-town radio, which, of course, had not backed the team a whit until it came into a pot of advertising money.

Incidentally, our thanks to Moore's Super Market and Farmer County Implement Company for making the special issue on Sunday possible.

It has been the contention of local builders for the past several years that Friona's business district hasn't grown in proportion to the residential section.

This is true. Friona just doesn't have the business section and advertising potential as, for example, Hereford or Muleshoe.

For the third year in a row, the Friona High School Squaws placed two members of their team on the girls' class AA all-state team.

Teto Jennings and Glenda McClellan were the two Squaws honored. For Glenda it marked the second straight year for all-state honors, and made her the only Squaw to be so honored since Friona has participated in the University Interscholastic League playoffs.

Adding to the honors by the two senior members of Friona's state runner-up was an invitation

to Redin yesterday after school to get outfitted in uniforms and participate in a brief workout.

"We're real proud for these girls, as we are of our entire team," Williams said.

The Squaws will lose eight members of their squad by graduation this year, so quite a re-building job will be in store for next season. Besides Jennings and McClellan, other seniors who ordinarily made up the starting lineup included guards Merylene Massie and Shirley Phipps and forwards Linda Jo Davis.

The other senior girls, who saw a lot of action in reserve, are guards Sharon Dean and Carol Struve.

However, two girls used extensively in the playoffs and throughout the season give promise of helping keep the Squaws perennially "tough" are forwards Janet Rushing and Cindy Ingram.

The latter two girls averaged over 10 points per game in the playoffs, where competition gets tougher with each game, besides having to battle their way into the starting lineup of "old pros."

SCHOOL, CITY

Absentee Voting To Begin On Two Fronts

Absentee voting for two Friona elections is either underway or will begin in the near future.

First day for voting absentee in the city council election, which will be held Tuesday, April 6, was Wednesday, March 17. Absentee voting will end April 2. Only three candidates announced for the three council posts. They were the three incumbents, J. E. Hicks, Glenn Stevick and Joe Talley.

Absentee voting in the Friona school board election is to begin Monday, March 22, and run through Wednesday, March 31. Candidates for the school board election are Dr. Paul Spring, Louis Welch, W. S.

(Dub) Ingram, Mayo Phipps and Billy Dean Baxter. The five candidates are seeking two positions being vacated by Walt Mahry and Ellis Tatum, who did not choose to run for re-election.

Early voting in the school election will be conducted in the school superintendent's office. The main election will be held at the high school building. Candidate for the county school board, whose term is expiring is J. L. Shaffer.

Absentee ballots for the city election will be cast at the city hall, where the election is also scheduled.

TETO JENNINGS

GLENDA MCCLELLAN

TODAY

Implement House To Host Equipment Day

Parmer County Implement Company of Friona is to have an "equipment day" Thursday, featuring demonstrations, films and a free barbecue supper to cap the day's activities.

The barbecue was originally advertised for noon today, but was changed to 7 p.m. Instead, according to company officials, the majority of the International - Harvester equipment line will be on display. Some of the equipment will be demonstrated. Several representatives from the International - Harvester company,

specialists in their fields, will be on hand to demonstrate equipment and answer questions.

As an added attraction, Parmer County Implement Company will have several color slides and films which may be viewed with individual viewers.

After the barbecue at 7 p.m., a special program will be presented. Company officials invite the public to take part in their program and see the new I-H equipment line.

Black Community Sets Pie Supper Saturday

There will be a pie supper and social at the Black Community House Friday evening. Col. Bill Flippin, local auctioneer, will begin selling pies at 7:30 p.m.

Ladies are asked to bring pies for the sale. Coffee and cold drinks will be served by the host couples.

John Berger, speaking for the community organization, invites everyone in Friona and the surrounding communities to attend and participate in the fun.

All proceeds will go into the Black Community fund for operating expenses.

Friona Area Gets Much-Needed Rain

Much-needed moisture in the form of slow-falling rain, snow and sleet fell during a three-day period last week, helping the moisture supply of local farmland.

Official city measurements in Friona revealed that .01 inches fell early Thursday, with an additional .38 coming the rest of the day in the form of rain, snow and some sleet around nightfall.

Then, .08 inches were measured the morning of the 13th to bring the three-day total to .42 inches. This, added to the .19 inches received the first two days of the month brings March's moisture total to .61 of an inch.

Tuesday of this week started off with the prospects of rain, but by mid-morning the wind had started, and the remainder of the day saw the area enveloped in a typical "West Texas dust," which pre-empted any chances for moisture.

The highs and lows for the past week in Friona were as follows:

DATE	MAX.	MIN.
March 11	63	30
March 12	48	31
March 13	56	33
March 14	61	32
March 15	63	31
March 16	67	33
March 17	62	37

Dues Payable

Annual dues for stockholders and members of the board of directors at Parmer County Community Hospital are now due according to H. E. Barnett, hospital administrator.

Deadline for dues payment is April 1. The dues run from April 1 through April 1 each year.

REMINDS FARMERS, . . . With farming operations beginning to pick up, Orval Galley reminds Friona area farmers of Friona's farm labor office, and the office is open on Wednesday's to serve their labor needs. With the termination of the Bracero program, farmers are expected to feel a labor pinch. Galley says that farmers may call the Hereford Texas Employment Office at any time, and reminds that the service is free.

FOR 1965-66

Board Votes To Re-Hire All Classroom Teachers

The Friona Independent School District board of trustees voted to re-employ all 56 classroom teachers currently in the system at its recent meeting.

Superintendent of Schools Alton Farr gave his monthly reports on the activity, cafeteria and transportation funds, as well as the school budget.

The board approved the report of the 1965-66 textbook committee.

Members of the committee were Claude Spears, Mrs. Dorothy Rowlett, Mrs. L. B. McClain, Kenneth Pearson, Mrs. Otho Whitefield, Mrs. James Hamilton, Mrs. H. E. Barnett, Mrs. Fay Reeve, Mrs. Douglass Underwood, Wayne Hodgson, Harley Merritt, Tom Jarboe, J. T. Gee, John R. Cook and Alton Farr.

Porter Roberts, school tax assessor - collector, reported that tax collections for the month of February amounted to \$3,549.58, bringing the total collections for the school tax year to \$354,245.31.

Those teachers who are currently teaching, and who approved to be offered new contracts were:

Hamilton, Mrs. Lois Miller, Alton Peak, Mrs. Marilyn Telford, Mrs. Marie Carroll.

Grades five through eight -- Tom Bandy, Mrs. R. L. Bates, Mrs. Grady Dodd, Mrs. W. L. Edelman, Mrs. Glenn Carter, Mrs. Benny Pryor, Mrs. Fay Reeve, Miss Barbara Stone, Joe Eivens, Harley Merritt, John Morrow, Mrs. Douglas Underwood, Mrs. H. E. Barnett.

(Continued on page 11)

FINAL FIGURES SHOW

Friona Farmers Lead Way In Beet Figures

With the first full beet season behind them, Friona farmers are being lauded for helping area beet farmers set a new record in sugar production.

Nineteen contractors in the Holly Sugar Corporation's producing area produced between 10,000 and 11,000 pounds of sugar per acre, and four of the farmers are in the immediate Friona area, with two others near Bovina.

Five of the nine contracts which produced 11,000 to 12,000 pounds of sugar per acre are near Friona, and O.L. Blake, who farms north of town had the second best production record of any farmer in the entire area with an average of 11,664 pounds of sugar per acre.

Holly officials point out that Grady Sorley of Bovina was the highest producer with a figure of 12,165 pounds of sugar per acre.

Among those in the 10,000 to 11,000-pound category were Albert Cannon, David Grimmsley, J.B. Taylor, and Howard

N. Hayes in the immediate Friona area, with Durwood Bell and T.M. Caldwell of Bovina also making the list.

Those over 11,000 pounds included Blake, Howard N. Hayes, Taylor, Steve Struve, and J.B. Barrett.

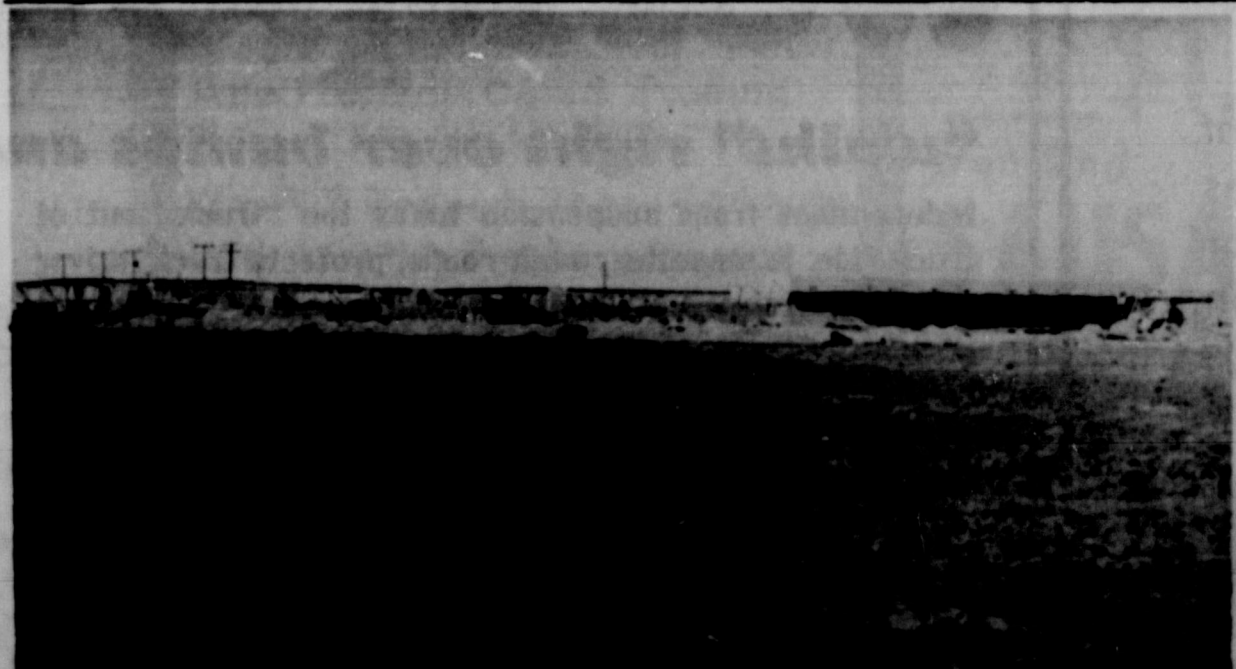

D.W. Lillie, manager of Holly's Hereford plant, pointed out that farmers who produce ten thousand or more pounds of sugar per acre are a rarity in the older sugar beet growing areas of the United States. In the first year of Holly Sugar Corporation sugar beet experience in Texas and New Mexico nearly as many contracts were in the 10,000 pound per acre class as are found in some of the older beet growing areas during a life time of sugar beet growing. Growers are to be commended for their fine crop production record.

The entire Texas - New Mexico sugar beet crop of slightly over 27,000 acres produced an average of 20 tons per acre with a seventeen percent sugar content.

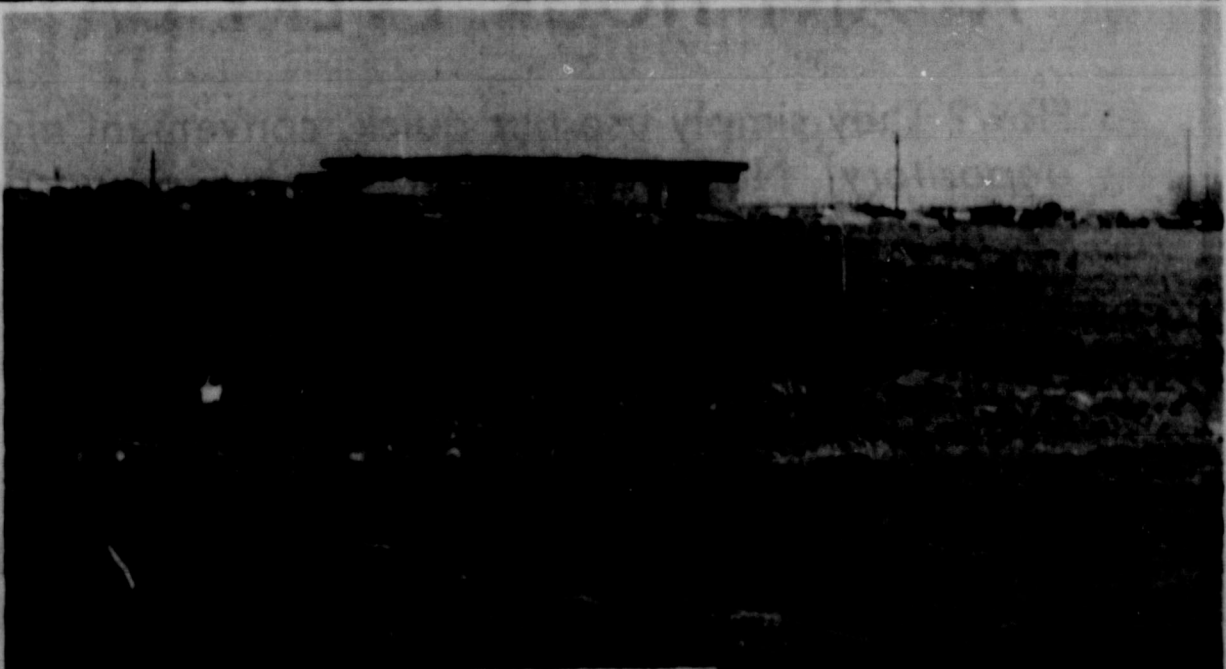

Final Tag Sale Here Tomorrow

Parmer County tax assessor-collector Hugh Moseley will be in Friona Friday between the hours of 9 a.m. to 5 p.m. to sell automobile license plates.

Friday will be the last day Friona residents will have an opportunity to buy tags locally. Deadline for having all vehicles registered is April 1.

SCHOOL GOING UP, . . . Friona residents driving down Grand Avenue these days are able to keep up with the building progress of the \$1.25 Million Friona High School

high school building, which is located on the southwest corner of the school property, is at left, with the vocational agriculture-industrial building at the right.

AN EDITORIAL

**Horse Racing Okay;
Real Issue: Gambling**

Some very attractive propaganda is being beamed through the mass communication media by the gambling crowd. To view and listen to their "pitch" causes one to think that the people of Texas are trying to decide whether raising and racing horses is right or wrong. We need to get one thing straight: **the issue is gambling.**

There are some facts that we need to remember and need to communicate to our representatives in Austin.

Gambling Stifles Economic Growth

The gambling crowd is trying to make us believe that we can strengthen our economy by legalized gambling. It is ridiculous for an intelligent person to make such a statement. The exact opposite is true.

Lycurgus M. Starkey Jr., in his book, *Money, Mania, and Morals* (Abingdon Press, New York, 1964), quotes a former New York governor saying, "The entire history of legalized gambling in this country and abroad shows that it has brought nothing but poverty, crime and corruption, demoralization of moral and ethical standards, and ultimately a lower standard and misery for all the people." (p. 86)

Starkey (p. 86) quotes *The NBC White Paper*, issue of April, 1963, saying "Gambling prevents commercial growth and keeps industry out." No industry wants to come into a city where the money is going into the gambling coffers.

Much is being said about stimulating tourist trade. Former Governor Leroy Collins of Florida is quoted by Starkey (p. 59) as saying, "The year after Daytona Beach closed down gambling... it did a much better tourist business than ever before, and it has improved consistently, attracting the kind of people who came as friends, not overnight fortune hunters. Legalization of gambling will not bring to our state the family tourist trade, the tourist trade that we desire and which will benefit our state."

Gambling is a Leech on Society

We are being told that legalization of gambling would bring much money into our state. This is utter foolishness! Again, the exact opposite is true. Gambling is an economic leech on society. Contrary to their claims, the gambling crowd literally sucks the economic life blood from a community or state. *The NBC White Paper* is quoted further by Starkey (p. 86) as saying, "Money is taken out of the hands of the consumers, and most of the profits on gambling—far in excess of revenues—go out of the state."

Nevada provides an unhappy illustration. It costs about 36 million dollars a year to operate the whole state of Nevada. It is reported that revenue from gambling pays about 50 per cent of that,

or 18 million dollars. That sounds pretty good at first. But just one of the many casino operators nets 40 million dollars a year. Just one of these parasites clears more in a year than it costs to operate the whole state. Just remember that gambling is good only for the professional gambler. It isn't good for anyone else, individual or group.

Starkey quotes Former President Harry S. Truman (p. 44) as saying in an Idaho political campaign, "If you want to be like Nevada, that's your business. Nevada is the only black spot on the United States continent... Legalized gambling is the worst thing in the world. I don't believe in it. Too many people have jumped out of windows because of Nevada. It is a fever."

It is quite true that the present issue in Texas is not casino gambling. The real issue is gambling.

Gambling Corrupts People

Possibly the greatest evil of gambling is what it does to people. Long ago, Thomas Jefferson said, "Gaming corrupts our dispositions and teaches us a habit of hostility against all mankind." (Starkey, p. 62) Gambling is motivated by greed for gain. It encourages selfishness and contributes to a growing callousness toward the interests of others. Gambling produces absolutely no economic value for society, and those who do win do so at the expense of others.

The desire to get something for nothing is present in most people. It is a strong urge in many, and it becomes an all-consuming passion in others. The compulsive gambler is a slave. His gambling may have started as fun. It may have been like a cobweb at first, but now it binds him like a cable. It is estimated that there are from four to six million gambling addicts in our country today. These are compulsive gamblers. Anytime gambling is legalized it is encouraged. This, in turn, produces more and more compulsive gamblers. Gambling has always produced human wreckage with which society must deal.

The greatest resource in Texas is our people. We must not allow this resource to be weakened, corrupted, and destroyed. We must keep the dark poison of greed and covetousness turned off in Texas.

Let us remember that gambling is a parasite upon society. It takes from that which others have produced. It creates no new wealth; it is in no sense productive. Let us remember that gambling establishes a whole new set of values. In place of service, legal order, and worth it embraces selfishness, chance, and luck. To legalize gambling is almost like legalizing irresponsibility.

FLOYDADA...

HESPERIAN news editor Jedd Blessing came up with a profound thought this week which I believe bears mention. We were discussing the two big stories on the front page of the Sunday Lubbock paper. One story considered the looks of the moon, the other revealed the possibilities of bringing water for irrigation into this Great Plains area from Canada and Alaska. Jedd said there wasn't any doubt in his mind that the billions of dollars could best be spent on the water project. I certainly agree with him.
Wendell Tootley in
The Floyd County Hesperian

PERRYTON...

They say one's education never ceases, and we will sure go along with that. You can get a new dose of education every time you hit the street with your worker kit on a fund drive, and that's for sure. We have worked on the Red Cross drive this week and have been met with more feeble excuses from tight flatted people than we ever thought possible. We have had to listen to all sorts of second hand stories about some mistreatment the Red Cross handed out at some time or another, but usually this is second hand stuff and used only for the purpose of rationalizing one's refusal to contribute.
The Red Cross drive is not the first fund drive of the year in this community, and it

The U. S. prescription drug industry has concluded successfully a three-year research project to define standards for plastics which contain medical injections for human use. According to the Pharmaceutical Manufacturers Association, the drug firms which conducted the cooperative research in their own laboratories spent an estimated \$250,000 on the study. All drug manufacturers will benefit whether or not they belong to the Association.

Let us answer the gambling crowd at the point of their greatest "pitch." Any state that believes that legalizing gambling is good from an economic standpoint has a rude awakening coming. The experience of others proves this. And let us keep on reminding our people to remind our representatives that the issue is gambling, not horses. Let us go on enjoying the beautiful horses of Texas, but let us not allow the gambling crowd to make of Texas another dark spot on our continent. Write to your representative today!

(Editor's note: The preceding editorial is reprinted from the March 3 issue of the Baptist Standard. C. W. Scudder is professor of Christian ethics at Southwestern Seminary, Fort Worth.)

won't be the last one. And the same people will be given their workers kits and asked to do their part in raising the quota for a worthy cause. And these same people will call on the same soreheads and tightwads and get turned down. And the workers will have their dejection upset and their working day disrupted because they are merely trying to do their part.

Maybe all fund drives ought to be abolished and the organizations that they support abolished, too. Then we can sit back and ask the federal government to provide the funds for everything and there won't be any need for solicitation Uncle Sam doesn't have to ask you for money if he want it. He merely demands it.
Harold Hudson in
The Ochiltree County Herald

CANYON...

Editorial proponent of negotiated peace in Viet Nam is The New York Times. The Times hasn't been right in its assessment of foreign affairs in the last 20 years.

The Times wails over fighting a war in a jungle 7000 miles from the coast of California. We reiterate, if we abandon South Viet Nam we do not merely abandon a piece of jungle real estate writhing in chaos of domestic strife. We abandon Southeast Asia to Red China.

Having gone this far, where do we draw the line? Matsu, Quemoy? Formosa? Japan? The Philippines? Hawaii? The Golden Gate Bridge?

If we should decide to abandon Southeast Asia, let us fervently hope that some of our Great Society leaders have the foresight to fortify the coast of California.

Also in event of such a development, we might want to introduce a new course in our school system... a class devoted to teaching our kids to count rubles.

Troy Martin in
The Canyon News

LOCKNEY...

Dear Mr. Bell (Bell Telephone that is)

First, may I say that the whole world is indebted to you for your wonderful but sometimes nerve-racking invention. Second, let me tell you about a rare instrument here at our school, an instrument that must be one of your little black sheep.

This little number rings while you are talking into it and buzzes busy tones before you can finish dialing your number. Your contribution to our way of life we'll call Molly Mess-up.

(Note: This is an excerpt from the student section of the Lockney Beacon and was, no doubt, written by an aspiring High School journalist. "Molly Mess-up" humorously reminded us of Friona phones on windy days and we thought you might get a chuckle out of it, too.)

Final Rites For Former Resident

Funeral services for Mrs. G.E. Campbell, 78, longtime resident of Archer City, were conducted there Wednesday, Feb. 24. Mrs. Campbell, who had been hospitalized two days, died in an Olney Hospital Monday evening.

The Campbell family lived west of Friona several years about 30 years ago. Survivors, besides her husband, one son, Graham, Archer City, include three daughters, Mrs. Roscoe (Geneva) Ivie, Friona, Mrs. Delvin (Inez) Bratt, Archer City and Mrs. George (Novella) Murchison, Lafayette, La.

Also six grandchildren and two great-grandchildren.

Burial was in Archer City cemetery.

TOP SHOWMEN. . . Gary Brown, left, is shown presenting showmanship awards at the county show. Left to right are Bobby Redwine, Lazbuddie, (steer division), Mike Rietmayer, Friona, (steers) and Alan Dale Carson, Bovina, (lambs).

FIRST CHURCH Baptists Begin Spring Revival Here Sunday

The spring revival at Friona First Baptist Church will begin Sunday, and will run through Sunday, March 28, announces Rev. Bill Burton, pastor.

Services will be conducted twice daily during the week, at 10 a.m. and 7:30 p.m. Evangelist for the revival will be Rev. Chester O'Brien of Amarillo. Directing the music will be Randall Purvis of Dumas.

Rev. O'Brien was born in Fort Worth, and finished high school at Big Spring. He received his B. A. degree from Hardin-Simmons University in 1945, and later completed his B. D. degree from Southwestern Baptist Seminary.

Since completing his seminary training, Rev. O'Brien has

REV. CHESTER O'BRIEN

served the First Baptist Churches of Gruver, Wellington and Tucumcari, N.M. He is currently pastor of the Paramount Baptist Church of Amarillo.

Purvis, who is music and educational director for the First Baptist Church of Dumas, will work with the young people and direct special fellowship hours which are planned during the week.

Frionans Attend Relative's Rites

Mrs. I. V. Day, Alton Day, Bill Bandy and Eugene Bandy all of Friona attended funeral services in Whitney Wednesday

for Mrs. Oliver Buchanan of that city. Mrs. Buchanan was a sister of Day, sister-in-law of Mrs. Day and aunt of Bill and Eugene Bandy.

Other area residents attending were Mrs. Viola Bandy, Mrs. Bertha Graves and Mrs. Keith DeShane, Amarillo; Mrs. Paul Cantrell, Pampa; and E. R. Day Jr., Lubbock.

Mrs. I. V. Day returned to Lubbock Wednesday then spent the weekend visiting in the home of Mr. and Mrs. E. R. Day Jr. and children.

Willis Gatlin Rites Saturday

Funeral services for Willis Gatlin, 49, who died at 2:30 a.m. Friday in Veterans Administration Hospital, Big Spring, were conducted in Muleshoe Church of Christ at 2 p.m. Saturday.

Rites were conducted by D.L. Thompson. Burial was in Friona cemetery following full military rites by airmen from Cannon Air Force Base, Clovis. Robert Allen Stewart, Friona sounded taps.

Gatlin, who had been a resident of Muleshoe since 1960, lived in the Friona area about 20 years ago. He was a native of Hill County, a member of the Church of Christ and a veteran of World War II.

Survivors include the wife; four sisters, Mrs. Merle Barnhouse and Mrs. Billy Wilkins, both of Muleshoe, Mrs. L.C. Johnson, Lubbock and Mrs. N.L. Bain, Edmondson, four brothers, Charlie, Leslie and Ernest all of Muleshoe and Carl, Hillsboro.

Fred Corn Died Monday

Fred Corn, 59, was found dead in his home early Monday afternoon, apparently having died from a heart attack earlier in the day.

A resident of Bovina the past three years, he was a former Friona resident.

He is survived by a son, Charles, Bovina; two daughters, Mrs. Gerald Tidwell, Fort Worth, and Mrs. Edward Fine, Dallas; one brother, Elvin, Dallas, one sister, Mrs. Pearl Moore, Grand Prairie; and 13 grandchildren.

Burial will be in Winsboro. Local arrangements are being made by Claborn Funeral Home.

PLAY-CAST. . . The cast for Friona High School's entry in the district one-act play contest is shown while in dress rehearsal this week. From the left, standing, are Roscoe Parr (Peter Steele), Charles Fields (the tramp), Randy Farr (an old man) and seated is Frieda Floyd (Prudence Steele). The play, "Dust of the Road," will be presented Friday at Olton. Director is Mrs. L. B. McClain.

Gleaners Class Meets Tuesday

Eight members of Gleaners Sunday School class of First

Burnams Have Weekend Guests

Weekend guests in the home of Mr. and Mrs. Bill Burnam were Mrs. Fannie Burnam, Hereford; Mr. and Mrs. Mack Hulen and family, Sentinel, Okla.; and Mr. and Mrs. James Burnam, Dimmitt.

Also Mr. and Mrs. Carroll Burnam and son, Randy, Lubbock and Mrs. Erith Hawkins and son, Arby, Bovina.

Baptist Church met in the home of Mrs. Paul Fortenberry Tuesday evening. The devotional was presented by Mrs. L. R. White, who selected the subject, "Prayer."

A brief business session was held following the devotional and prayer.

Refreshments of coffee, tea, cake and whipped cream were served by the hostess during the social hour.

Others present were Mesdames Clyde Hays, John Wright, J. T. Carroll, Wesley Hardesty and Vernon Roberts.

WSES Circle Meets In Bob Owen Home

The Kolovvia Circle of Women's Missionary Society of

Friona Methodist Church met Wednesday morning in the home of Mrs. Bob Owen with 13 members present.

A brief business session was presided over by Mrs. Jerry London, circle chairman. Roll call was answered with the number of visits made since the last meeting. Mrs. Kenyth Cass read the prayer calendar.

Mrs. Truitt Read and Mrs. Owen directed the study of "The Nation and the Kingdom." Mrs. Richard London led the opening prayer and Mrs. Jerry London presented the scripture reading.

Mrs. Owen reviewed a one act play, "Barrier" by Hilda Benson Powicke. The session ended with a question and answer session.

Others present were Mesdames J.H. Boyle, Russell McAnally, Danny Smith, Ed Clark, A.S. Grubbs, Bill Stewart, Dick Rocky and Guy Latta.

Mr. and Mrs. Albert Rolan of Mansville, Okla., former Friona residents, are spending a few days visiting in the home of Mr. and Mrs. Ardith Rolan and attending to business here.

Of Interest To THE WOMEN

"Interwoven" Reviewed By Mrs. Ralph Shelton

Fifteen members of Friona Women's Club and five guests were present at the Wednesday afternoon meeting in Federated Club House for the review of "Interwoven" by S.R. Matthews. Mrs. Ralph Shelton was guest reviewer.

"Interwoven" is the story of two pioneer families; the Reynolds family and the Matthews family in a struggle to win the frontier in the middle nineteenth century.

Roll call was answered by members and guests by relating an interesting place visited or read about in Texas.

Second Son For Calvin Ivies

Mr. and Mrs. Calvin Ivies of Irving became parents of a baby boy at Harris General Hospital, Fort Worth, at 7:30 p.m. Monday, February 22.

He weighed 8 lbs. and was named Morgan Blaine. Blaine has an older brother, Shawn. His grandparents are Mr. and Mrs. Roscoe Ivie, Friona. G. E. Campbell, Archer City, and Mrs. M. J. Ivie, Amarillo, are great-grandparents.

Guests, other than Mrs. Shelton, were Mrs. F.L. Reeve, Mrs. Phyllis Hale, Mrs. Kenyth Cass and Mrs. James Boyle. Mrs. O.T. Patterson and Mrs. H.C. Kendrick, hostesses,

Twenty-five Attend Couples Bridge Party

Host couples for the Monday evening bridge party in the Federated Club House were Mr. and Mrs. H.K. Kendrick, Mr. and Mrs. Newman Jarrell and Mr. and Mrs. Bill Lyles. Mrs. Wesley Foster played high for women and J.T. Gee was high for men. Glenn Reeve received the bingo award.

Refreshments of coffee, tea, angel food cake with raspberries and shipped cream were served.

Those playing, besides the hosts, were Messrs. and Mesdames Wesley Foster, J.T. Gee, Bert Shackelford, Frank Spring, Cliff Porter, Bill Stewart, Charles Allen, Glenn Reeve and Dan Ehrhridge and Mrs. Maurine Dunn.

served cake, mints and drinks.

Next meeting of the club will feature the reading of first, second and third place essays on Americanism by junior high school students. The club is awarding cash prizes to the three winning students in the essay contest.

A history of Parmer County will be presented by Mrs. T.J. Presley.

Girl Scouts Begin Annual Cookie Sale

Girl Scout Troop 268 met Monday at the American Legion Hall. The troop discussed the possibility of visiting Rio Blanca Girl Scout Camp next summer.

Each girl was given 13 boxes of Girl Scout cookies to sell, and the scouts will be canvassing Friona this week for their annual sale.

Girls who needed to do so did "makeup work" toward merit badges.

Refreshments were served.

Matlocks To Be Honored

The children of Mr. and Mrs. E.D. Matlock are honoring them with a reception in honor of their sixtieth wedding anniversary Sunday, March 21 from 3 to 5 p.m. in Federated Club House.

Local invitations are not being mailed but all friends of the couple are being invited to attend. Host couples are requested that there be no gifts.

Mrs. Frances Howard, Abernathy, was a weekend guest in the homes of Mrs. A. O. Drake, Mr. and Mrs. Arthur Drake and Mr. and Mrs. Earl Drake.

Mrs. Shirley Smith Hosts HD Club Meet

The Rhea Home Demonstration Club met Monday evening in the home of Mrs. Shirley Smith. Roll call was answered with "something new I have learned."

Mrs. Thomas Parson was a guest. Members present were Mesdames Floyd Schlenker, Herman Schueler, Herbert Schueler, Floyd Schueler, Walter Schueler, Cordie Potts, Elmo Dean, Franklin Bauer, Larry Moyer, Leland Gustin and the hostess.

Next meeting of the organization will be Monday evening, March 22. A products party will be featured in the home of Mrs. Elmo Dean.

PUBLIC NOTICE City of Friona

Ordinance #81, City of Friona, provides for levying of Dog Tax and vaccination of pets within the city limits. The vaccination, taxing, registration and tagging of dogs for 1965 will be held at the fire station, Friona City Hall, between the hours of 3 PM and 5 PM on the 19th and 26th days of March, 1965. Dr. Gene Cope, licensed veterinarian, will be present to administer the vaccinations. Tax \$2.00, vaccinations \$2.00 for a total charge of \$4.00 per dog.

Arley L. Outland City Assessor-Collector

The HAPPY HOMEMAKER

BY JUNE FLOYD

After an absence of several months, this column is being reinstated in the Star in response to a number of requests from readers. Editor Bill Ellis has not assured us that it will run every week, but he has promised to run it "as often as space permits."

Happy homemakers everywhere are being invited to contribute material for it. Of course, we don't plan to go into competition with Heloise, but your recipes and household suggestions will be greatly appreciated.

Since a large number of our readers do not belong to a home demonstration club, I'm passing on a suggestion given me recently by Mrs. Weldon Stringer, Friona, who is an active member of Hub Home Demonstration Club.

Mrs. Stringer, a very reliable person, whole heartedly recommends use of a home prepared solution for cleaning silver. This cleaning fluid is made by combining whiting, water and Ivory or Lux flakes. Whiting is a substance which may be purchased at local lumber yards.

Mix 1 cup whiting, 1/3 cup Ivory or Lux flakes and 1/3 cup water in a jar and shake well. Apply with cloth or sponge. Before storing silver rub each piece carefully with bland oil or vaseline and wrap in tissue paper before storing in flannel bags.

Coconut Poundcake

2 cups sugar
1 cup shortening
1 teaspoon vanilla
1 teaspoon butter flavoring
6 eggs
1 teaspoon salt
2 cups flour
1 can angel flake coconut
Cream shortening and sugar. Add flavors. Add eggs one at a time. Mix well. (Use high speed with electric mixer.) Sift flour and salt together then add slowly. Fold in coconut. Pour into 10" stem pan that has been well greased and dusted with flour. Bake at 325 degrees for about an hour and 20 minutes or until toothpick inserted in center comes out clean.

Cocunut Sauce

1 cup sugar
1/2 cup water
2 teaspoons cocunut flavor
Mix all ingredients together about five or ten minutes before cake is baked. Bring to a boil and boil for one minute. For hard glaze crust remove cake from oven. Brush or pour sauce over hot cake while still in the pan. Put the cake back in the oven for not over five minutes more. Remove cake from pan at once.

For other than hard glaze crust remove cake from pan immediately after it is baked. Brush sauce on with pastry brush while cake is still warm.

Home economists recommend use of powdered buttermilk for cooking purposes for anyone who needs to cut down the cost of providing nutritious meals for her family. Powdered buttermilk can be used in the following recipe with fine results.

Buttermilk Cake
1 cup shortening (1/2 cup butter, 1/2 cup shortening)
2 cups sugar
4 eggs
3 cups flour
1/8 teaspoon soda
1/2 teaspoon salt
1 cup buttermilk
1 teaspoon vanilla
1/2 teaspoon almond extract
3/4 cup chopped nuts
Cream shortening and sugar, add eggs, sift dry ingredients. Add with milk to mixture. Put in greased pan. Bake for one hour and fifteen minutes at 325 degrees.

Buttermilk Filling
2 1/2 cups white sugar
1 cup buttermilk
1/2 teaspoon soda
1/2 cup butter
1 teaspoon vanilla
Mix ingredients and cook until mixture coats spoon. Beat with mixer until spreading consistency. If filling hardens, it may be softened by adding a small amount of water and cooling.

Oranges will peel much easier and the white inner skin will loosen quickly if the oranges are placed in a warm oven for a few minutes before peeling.

Church Women To Meet Soon

Plans for the regular inter-denominational Church Women meeting March 26 are being made and will be announced in

detail in the next issue of the Star.

Meeting place will be Calvary Baptist Church and a representative of Union Congregational Church will present the message.

Members of this group invite all women of Friona and the surrounding area to attend this meeting.

Bridge Luncheon In Jarboe Home

Mrs. Tom Jarboe was hostess at a bridge luncheon in her home Thursday.

Honors for high scorer went to the hostess.

Others present were Mrs. Mack Ragsdale, Mrs. Wesley Foster, Mrs. Bill Beene, Mrs. Jimmy Smith, Mrs. Homer Linderman, Mrs. Flake Barber and Mrs. Bill Bailey.

Slumber Party In Jarecki Home

Debbie Jarecki, daughter of Mr. and Mrs. Florian Jarecki, was hostess at a slumber party in her home in the Rhea Community Saturday night.

Guests were Belinda Mabry, Becky Coffey, Patti Ragsdale, Karene Milner and Peggy Drake.

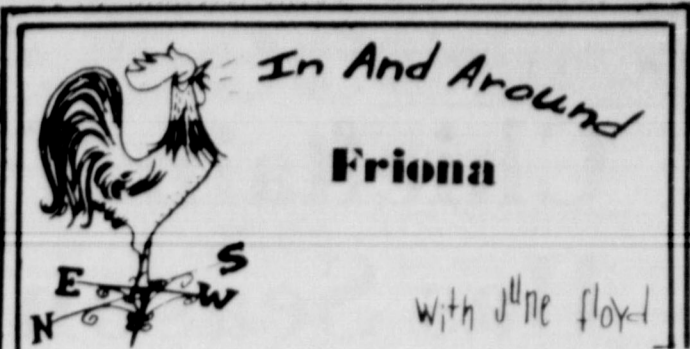

PLAN CONVENTION. . . Mrs. H. K. Kendrick (center) is shown heading a Tuesday night planning session for the coming Caprock District Federated Women's Club Convention to be held in Friona the last of this month. Chairmen and members of various convention committees are made up of members of the three local federated clubs.

Drakes Have Visiting Kin

Mr. and Mrs. Earl Adair of Redding, Iowa, and Mrs. Treva Reece, Canyon, were recent visitors in the homes of Mrs. A. O. Drake, Mr. and Mrs. Arthur Drake and Peggy, and Mr.

and Mrs. Earl Drake and Bobby.

Adair is a nephew of Mrs. Drake and cousin of Arthur and Earl. Mrs. Reece, a former resident of Friona is Mrs. Drake's daughter.

Farmers in the area have gone to work in earnest this week. Just about everywhere you look tractors are running with listers or fertilizer applicators behind them. Wheat farmers are busy irrigating and sugar beet growers are planting or making preparations to plant.

Straight rows have long been an object of pride with farmers. The time has passed when a farmer could blame the kinks in his rows on horses or mules who didn't respond to his pull on the lines. All of us know that straight rows produce no more than corcked ones, but anyone with any knowledge about row crop farming admires straight rows.

Should there ever be a contest for the maker of the straightest rows, I want someone to nominate Jesse Maruffo. For the past several years I have observed his farming practices and admired his straight rows.

When he began listing the quarter section just west of the Rushing farmstead west of town a week or so ago, I watched daily for at least one tiny crook and thought, "Today he can't keep them perfect." If there is a bobble in the whole field, I can't see it. In fact the plot of ground looks like an enormous sheet of brown wide wale corduroy material. Local residents who enjoy observing work of art produced by a farmer instead of a painter, should see this field.

Wes Izzard would probably say, "If you remember when a community pie supper was a major social event, you don't have to worry about the draft." Those of us who remember such events also do so with much pleasure. How long has it been since you attended such a gathering? Don't think I've gone to one since the editor of the Castro County News was running for state representative in the late thirties.

Residents of the Black Community are planning a pie supper for this Saturday evening and have invited everyone interested to attend. Sounds like

fun, so if you aren't already booked for the evening, make plans to attend.

Painters are putting the finishing touches on the inside of the new building soon to be occupied by Friona Star and Graphis Arts. Moving Day gradually gets a little bit closer and moving a newspaper office and print shop is almost as big a chore as changing your place of residence.

If feminine members of the staff find out for sure which day the move is going to be made, we will make out-of-town appointments for that day.

A funny story I heard last week involved a local farmer on his way to market with a cow in a trailer behind his pickup. Not wishing to make the drive to Clovis alone, he invited a friend to accompany him.

The two were carefully driving down the highway without paying too much attention to what was going on around them. A car passed and the driver, who was a stranger to the Frionans, waved.

The two friends, in an effort to appear friendly even though they didn't recognize the driver, waved back and continued on their way. The stranger kept on waving until the farmer was alarmed and looked in the rear view mirror just in time to see one wheel of his trailer jump the railroad track several hundred feet behind him.

Friona merchants are planning a series of special events for April Fool's Day tricks this year. Outcome of the promotion will be bargains in merchandise for buyers who come in to take advantage of them.

Next week's Star will carry complete details. Come to Friona, join in the fun and share in the many money saving events.

The only thing you can control in this universe is yourself. Devote some time every day to setting-up exercises in happiness. Think thirty minutes every morning after breakfast (Continued on page 11)

250 Clubwomen Expected For District Convention

Approximately 250 clubwomen from the surrounding area will converge on Friona on March 29 and 30 for the Convention of the Caprock District of Federated Women's Clubs. It will be the first time a Federated Convention has ever been held in Friona.

The three local federated clubs; Friona Women's Club, Progressive Study Club and Modern Study Club; will be hosting the event. They will be assisted by clubs from Farwell, Bovina, and Plainview.

Mrs. H.K. Kendrick is the convention chairman, and as such, headed a planning session at the Club House Tuesday night. Seventeen women were present at the session.

Local convention committee chairmen are Mrs. Tom Jarboe, Coffee Hospitality Hour; Mrs. Wesley Hardesty and Mrs. John Bengner, President's Tea; Mrs. Dan Ethridge, registration; Mrs. J.T. Gee and Mrs. Bill Ellis, publicity; Mrs. J.G. McFarland, luncheon; Mrs. Andy Hurst, information and pages; Mrs. Roy V. Miller, music and entertainment; Mrs. Flake Barber, delegates' packets; and Mrs. Newman Jarrell, Jr. and Mrs. Frank Spring, arrangements.

The Bovina Women's Study Club and Farwell Study Club

will provide decorations and arrangements for the semi-formal Board Dinner to be held at the Club House on Monday night, the 29th. The Plainview clubs will be hosts to the noon luncheon the following day in the Fellowship Hall of the First Methodist Church. Progressive Study Club is to sponsor the morning coffee hour and Friona Women's Club will host the President's Tea. Modern Study Club is in charge of general arrangements of the convention.

In conjunction with the convention an arts and crafts exhibit will be held. There will be a contest of art done by high school students and an art contest of area clubwomen. Yearbooks and press books of each member club will be on display in various rooms at the Methodist Church. Special awards of the convention will be "Federation Mother of the Year," "Federation Teacher of the Year," and "Federation Outstanding Clubwoman."

The convention theme is "Diamonds In Our Hands," and is in conjunction with the 75th anniversary of General Federation of Women's Clubs.

The schedule for the convention is as follows: Monday, March 29 4:00 p.m., Registration and

viewing of exhibits. . . Methodist Church. 5:30 p.m., Executive Meeting. . . Presidents Motel Suite, Holiday House. 7:30 p.m., Semi-Formal Board Dinner. . . Federated Club House. Tuesday, March 30 9:00 a.m., Registration. . . Methodist Church. 9:30 a.m., Coffee Hospitality Hour. 10:00 a.m., Business Session. . . Sanctuary of Methodist Church. 12:30 p.m., Luncheon. . . Fellowship Hall of Methodist Church. 1:30 p.m., Speech by Mrs. J.L. Ginnings, Texas Federation President. . . Sanctuary. 2:30 p.m., Business Meeting. . . Sanctuary. 4:30 p.m., President's Tea. . . Federated Clubhouse.

"The more at a party the merrier; the fewer, the better fed."

SQUAD LISTED

Chieftain Track Team Has Season Underway

The Friona Chieftain track team, with two meets already behind them, get into high gear the next few weeks, leading up to their District Meet April 10 at Olton.

In meets so far, sprinter Danny Murphree is unbeaten in the 220-yard dash, and has been second twice in the 100.

Coach Bob Owen says that three teams are shaping up to be especially tough in district competition. They are Olton, Floydada and Abernathy.

At Abernathy last week, a "makeshift" team of just eight boys placed sixth in the overall team standings, but Owen made a discovery when he pulled Murphree out of the spring relay and put him in the mile relay. Murphree's leg was

clocked in 51.5 as the team ran 3:38.5, without another regular member, Dale Milner.

Other members of the mile team are Hugh Latham and Jackie Stowers. Owen thinks the foursome has a chance of working into a good bet for high placing at district.

Members of the sprint relay team are Doug Dodd, Larry Johnson, Ted Renner and Don Hoover. Dodd also throws the discus. Johnson runs the 100 and Hoover the 220 in addition to the relay.

Renner runs the 100, the low hurdles and broad jumps.

Besides running the sprints

Red Barn Hosts

Dinner Meeting

Red Barn Chemicals hosted a dinner meeting for farmers of the Lazbuddie area at the school cafeteria Tuesday.

John Weseloh of Dallas, from Dow Chemical Company, was the featured speaker, touching on some of the Dow products and trace elements.

Jerry Higdon, branch manager from Dimmitt, presented a series of slides on Geigy Chemical products. The slides were prepared by a Geigy Co. representative, who was unable to attend.

Roy Young, station manager for Friona and Lazbuddie, served as master of ceremonies.

Red Barn's Lazbuddie installation, five miles north of Lazbuddie has just recently opened.

Approximately 35 men attended the meeting.

Robinson Has Training Drill

Army PFC Anderson J. Robinson, son of Mr. and Mrs. Ray F. Robinson, Route 1, Friona, participated in a month-long winter field training exercise conducted by the 3d Armored Division near Grafenwohr, Germany.

During the maneuvers, which ended March 5, Robinson received extensive training in weapons firing and small unit tactics.

The 24-year-old soldier, a scout observer in Headquarters Company, 3d Battalion of the division's 33d Armor near Kirch Gons, Germany, entered the Army in August 1963 and completed basic combat training at Fort Polk, La.

He is a 1959 graduate of Friona High School.

Bowling Notes

The team of Adams and Welty came through with a rolloff championship in the Skirts and Trousers Couples League at Friona Lanes last week. Tied on the final night of play with Massey-Varner, the winners came back to win the crown in a rolloff the next night, Hamilton-Barazza captured third spot.

Friona Lanes is most proud of it's High School girls team which will be in San Angelo this weekend contending for a spot in the state championship finals.

The remainder of the team's schedule is as follows: March 20 Hale Center, March 27 Springlake, April 3 Kress, April 10 District at Olton.

"City Hall," said the switchboard operator. There was no answer for a minute; then a rather nervous female voice asked, "Is this really City Hall?"

"That's right, madam," said the operator. "With whom do you wish to speak?"

There was an embarrassed silence. Then the female voice said softly, "I guess nobody. I just found this number in my husband's pocket and I . . ."

Boosting the already stirring junior program at this house are attempts this week to organize both high school and junior high school couples or mixed leagues. The meeting is set for Friday night and the group will decide on a time to bowl.

Since our adult couples league is now concluded, the Lanes are most anxious to start either short season winter couples league or a summer couples leagues. Plans are now for one league to be comprised of one experienced couple and one new couple per team in one league and for area couples from arzubuddie, Muleshoe, Dimmitt, and Bovina to bowl in a rural

league. With both the Dimmitt and Muleshoe houses closed Friona Lanes welcomes all rural families living between Friona and these towns to enjoy Friona hospitality in a rural league comprised of their own neighbors. These leagues can be set up any night, any time that is available. And the available time is strong now since we are between league season on both men's and couples leagues.

In the Nine O'Clock Scholars league, Friona Plumbing is five games ahead of S.I.B. Gin. It appears that the ginners will battle it out with Hurst's for second place. Maurer Machinery also is in a fight for third.

The league ends on Thursday. A trophy presentation is set for Thursday, March 25.

Ketchum Missile Graduate

Airman Second Class Thomas W. Ketchum, son of Mr. and Mrs. E.C. Ketchum of Lazbuddie, Tex., has been graduated from the Tactical Missile School at Orlando AFB, Fla.

Airman Ketchum, a missile mechanic, received specialized training as a member of a Mace missile combat crew. He will be assigned to a Pacific Air Forces (PACAF) tactical missile unit at Kadena AB, Okinawa. His new unit supports the PACAF mission of providing airpower for defense of the U.S. and its allies in the Pacific area.

The airman, a graduate of Lazbuddie High School, attended West Texas State University at Canyon.

BUYS ANGUS BULL

M. B. Buchanan, Friona, recently purchased an Aberdeen-Angus bull from Joe Carroll Primrose, Farwell.

Deadline Nears For Vehicle Inspection

"Only one month remains for some 1,500,000 vehicles registered in Texas to secure the 1965 safety inspection sticker," Col. Homer Garrison, director of the Texas Department of Public Safety, said this week.

"The period set by law for securing the 1965 sticker ends at midnight, April 15, and there can be no extension of that deadline," Garrison pointed out. "Any Texas motorist whose vehicle does not display the new sticker after April 15 is subject to arrest by any sheriff or his deputy, and city policeman, or by officers of the Department of Public Safety."

Garrison said that in the re-

maining month of the inspection period there is sufficient time for the 5,300 official inspection stations to inspect the remaining vehicles without undue inconvenience to the motorist, provided the vehicle owners act promptly.

"From now until the deadline, every minute of the inspection station's time will be a premium," Garrison warned, "and waiting lines will become general throughout the state."

Garrison suggested that congestion at inspection stations would be lessened if known defects in a vehicle were repaired prior to presenting the vehicle to the station for inspection.

Gerald Daniel Listed On Dean's Honor Roll

Gerald Daniel, son of Mr. and Mrs. Paul Daniel, Friona, was one of the 93 undergraduate students listed on Dean Walther H. Juniper's honor roll for the fall semester at West Texas State University, Canyon.

He is a 1960 graduate of Friona High School and is a senior pre-dental major at West Texas. He will receive his Bachelor of Science degree in the spring.

Daniel and his wife, the former Joan Buffalo, and their daughter, Kelli Lynn, live in Canyon.

He has been selected for membership in Alpha Chi, National Honor Society, and will be initiated in formal ceremonies at 3 p.m. Sunday, March 21 in the Fine Arts Building Theatre on the West Texas State Campus.

The first school of architecture in Texas was founded in 1904 at A&M College by F. E. Giesecke.

GERALD DANIEL

"A tactful way to accept an insult is to ignore it. If you can't ignore it, top it off. If you can't top it off, laugh it off. If you can't laugh it off, it's probably deserved." — Fred W. Brown, Edgewater (N.J.) Bergen Citizen.

ANOTHER REPORT...

I applied Western Ammonia's liquid phosphate material 7-21-0 on some of my milo acreage at the rate of 200 lbs. per acre combined in a dual application with 130 lbs. of ammonia.

My increase from this type of program was an additional 1300 lbs. per acre over my previous fertilizer program. A very substantial increase of dollars per acre for the dollar invested.

I was very pleased and plan on using a similar program this year.

Harvey Rials, Castro County Farmer

...A REPORT OF SATISFACTION

An important by-product of any company is the man who openly admits when he's satisfied with the service. You will find that Western Ammonia has the know how, equipment and products to give the best satisfaction there is in a fertility program. Western is now offering the new high analysis liquid ammonium polyphosphate 11-37-0 and new 11-20-0-115 in place of lower analysis 7-21-0. You'll find that Western also has a complete line of dry fertilizers.

Squaws Take Second

Unbeaten Edna Outlasts Friona

by BILL ELLIS
Editor, Friona Star

An undefeated team is hard to beat in the state finals. That was true last year when the Squaws won the title, and they were reminded of the fact in a very bitter manner Saturday night at Austin, when Edna outlasted the defending champs, 60-57.

The Squaws, who staged an unbelievable rally earlier in the game to come from 13 points behind and take the lead, couldn't duplicate the feat in the closing seconds of the game, and had to settle for second place.

The "so near and yet so far" finish reminded Friona fans of the 1960 finals, when Buna edged the Tribe, 66-63. In all, it's the fourth time the team has finished in the runner-up spot in a state meet.

Edna, finishing with a spotless 29-0 record, was not to be denied after seeing their large lead vanish in the closing seconds of the first half to a spirited Friona rally.

The Cowgirls, making their first trip to the Austin meet, rode the hot free throw shooting of Jean Brown to the victory. The southeast Texas team outscored Friona, 28-15 at the free throw line, although Friona scored the most from the field, 42-32.

For a time it appeared that the Squaws would pull away in the third quarter, taking three four point leads at 31-27, 37-33 and 39-35. However, Edna caught up, and Cindy Ingram

had to score three quick points to give Friona a 42-41 lead at the three-quarter mark.

Janet Rushing gave Friona a 44-41 lead early in the final quarter, but then left the game on fouls a moment later, Edna tied it at 44-41, and after the lead changed hands a couple of times the Cowgirls took a 48-47 lead with six minutes left. As it turned out, they were to keep the lead the rest of the way.

Edna took a commanding five-point lead, utilizing a fast break for lay-ups, with just 2:07 to play. However, a hook shot and jumper by Teto Jennings cut the margin to one, 58-57, with 40 seconds left.

Edna scored with 24 seconds left, and the Squaws couldn't get another shot, as Edna intercepted the ball in the waning seconds.

It was Edna's first trip to the state meet, and Friona's third straight, but if anyone had "opening night" jitters it was Friona, who only scored one field goal in the first quarter and that didn't come until late in the quarter.

Edna grabbed a quick lead on the shooting of deadeye Jean Brown, and had a 5-0 lead before the Squaws could break the ice.

Sheryl Long got Friona's first point on a free throw, but Edna responded with a volley of baskets to lead 11-1 before Friona could score again. Jennings got the next point, also a free throw, midway through the quarter, and Friona didn't score again until Janet Rushing got the team's first field goal with six seconds left in the first quarter, making the score 15-4, Edna.

The Squaws then staged an amazing comeback in the second quarter. Jennings scored a pair of baskets and a free throw, and Rushing canned two of each, to cut Edna's lead to six points, 21-15 midway through the quarter.

Continuing the drive, the Squaws pulled to within five, as Edna went three full minutes without scoring, equalling the Squaws' first-period deep-freeze.

Linda Davis received her fourth foul in the quarter, and was replaced by Ingram, who sparked the remainder of the first half. Her field goals cut the lead to three, 23-20, to one, 25-24, and her set shot with 41 seconds left in the half gave

Friona its first lead, 26-25. Edna went ahead 27-26, but Jennings' free throw with seven seconds to play tied the count at halftime, 27-27.

4-H Contests Are Saturday

The County 4-H Club elimination contests will be held Saturday, March 20 at the Hub Community Center, beginning at 9:30 a.m.

Contests are open to all county 4-H members, and winners will be eligible to enter district contests at Canyon April 3. Most of the contests are set up for team demonstrations of two 4-H members, and cannot run longer than 12 minutes.

"Four-H members entering these contests should arrive early and be ready to present their demonstrations at 9:30," County Agent Joe VanZandt said. The order of presentation will be worked out prior to starting time, he added.

Vaccination Slated

The City of Friona reminded this week that it's the time of year again to get dogs registered and vaccinated, in compliance with City Ordinance number 81.

The ordinance provides for the levying of a dog tax and the vaccination of pets within the city limits.

For the convenience of Friona residents, Dr. Gene Cope of Hereford will be at the fire station at Friona City Hall for two succeeding Fridays to vaccinate pets for city residents.

Dates are March 19 and 26. Dr. Cope will be here between the hours of 3 and 5 p.m. both days.

The tax charge will be \$2, plus a vaccination charge of \$2, for a total charge of \$4.

Results Given

Winners in the Lazbuddie Outdoors volleyball tourney was Muleshoe Farm and Ranch Wranglers, Tom's Texaco of Olton came in second. Consolation winner was Claborn Funeral Home of Friona.

Winners of the women's division were the Rockettes of Earth, Second was Sheryl-Anderson Elevator of Lazbuddie, A Plainview team won consolation honors.

A total of 32 teams entered, and the tourney was termed a success by its sponsors, the Lazbuddie PTA, Young Homemakers and FHA.

A complete list of the standings will appear in next week's issue.

SQUAWS. . . The 1964-65 Friona Squaws are shown above. Back row, left to right, are Mrs. Pug Collier, sponsor, Janet Stevick, Linda Jo Davis, Coach Mel Williams, Cindy Ingram, Sharon Dean and Janet Bishop, manager. Second row—Teto Jennings, Lyndia Chandler, Janet Rushing, Shirley Phipps, Glenda McClellan, and Frieda Floyd. Front row—Lanore Jackson, Sheryl Long, Willie Grace Grubbs, Lorene Jackson, Merylene Masie and Carol Struve.

Team "Turns Tiger" In Rockdale Game

The team nickname of Friona's opponent in the state semi-finals Friday, Rockdale, is "Tigers." Before the game was over, Rockdale probably decided that there was a "tiger" in Friona's "tank" as well.

Teto Jennings, playing only three days after a three-day hospital stay, looked as healthy as she ever has in three years of varsity play at Friona.

All "Tiger Teto" did was toss in 35 points -- equalling the highest she had scored in any single game this season, and coming very timely, in the tournament that counts the most. The output also was just three points short of the most Teto has ever scored in one game.

Final score was Friona 60, Rockdale 44, as the Squaws roared into the state finals for the second straight year and third time in six years.

The Squaws trailed just once, at 2-0 early in the game. Linda Davis quickly tied the score at 2-2 all for Friona, and Miss Jennings gave Friona a lead it was never to lose by hitting her first of 13 consecutive free throws.

A jump shot by Davis gave Friona a 6-2 lead, but Rockdale pulled to within a point on free throws, 6-5 halfway through the quarter.

Janet Rushing came in to score five points in the space of two minutes, and an equal number of points by Teto gave the Squaws a quick 16-8 lead. Rockdale rallied for four points to trail at the quarter's end, 16-12.

Reserve Cindy Ingram scored a basket on a fast break early in the second quarter, and Miss Rushing's two free throws gave Friona its first 10-point lead at 22-12.

The score rocked along at about the same margin, as Teto matched baskets with Rockdale's high scoring Sue Bennett, but a last-second goal by Miss Jennings gave Friona its longest first half lead (13 points). Teto zoomed home a basket after Janet Rushing missed a free throw, one of only four such shots missed by the entire team during the game, just ahead of the halftime buzzer for a 34-21 score.

Miss Jennings, who cracked the 2,000-point mark with a vengeance, lacking only seven points going into the game,

scored the team's first five points of the third quarter to give Friona a 15-point edge at 39-24.

After Linda Davis pumped in two baskets, Teto finished the third quarter with her eleventh and twelfth consecutive free throws, giving Friona a 49-30 lead after three quarters.

Teto's 13th free shot gave Friona a 20-point lead at 50-30 as the final quarter started, and at this point she finally missed a shot from the charity line. However, the Squaw high-scorer made up in it with a field goal, and Davis' jump shot with six minutes left gave Friona its longest lead at 54-30.

Jennings duplicated the 24-point lead a minute later with her two final free throws for a 56-32 score, and then after the team experienced its only scoring "drought" of the game and Rockdale chopped five points off Friona's mounting lead, Teto fired home a set shot from the free throw circle for her 35th point and was removed for a reserve player with a couple of minutes to play.

Teto's final basket left Friona's lead at 21 points, 58-37, and Rockdale used the infiltration of reserves to whittle the lead down to 14 points in the last two minutes, but Cindy Ingram's two free throws in the final seconds brought the final score to 60-44.

Miss Rushing and Miss Davis also reached the double-figures in the scoring column, Janet scoring 11 and Linda Jo 10. The stellar guard trio of Glenda McClellan, Merylene Masie and Shirley Phipps turned in their usual good performance,

limiting a usual high-scoring team to only 31 shots and 44 points.

Miss Masie left the game on personal fouls, but there were just 43 seconds left in the contest.

An Oil Painting Of This Portrait Received The Handsome "Best Hand Colored Print" Award.

Given By Southwestern Professional Photographers Convention Held In Houston. The Painting Was Colored By Mrs. Chuck Wilson Of Wilson Photography.

TAPPAN WASHES DISHES BEST

- Door adjusts automatically to seal
- Exclusive Reverse Jet spray arm reverses direction automatically
- 14 table setting capacity (SEMA)
- Multiple cycle section
- Rack dividers adjustable for versatile loading
- Double stainless steel self-cleaning filter
- Flush-out detergent dispenser
- Covered small item basket (light pieces)
- 1000 watt heating element
- All functional parts accessible from front

BUILT-IN DISHWASHER

Only \$185⁹⁵

REVERSING JET ARM

Water action is reversed—clockwise and counterclockwise. Every item is washed hygienically clean with two pre-washes, a main wash and two rinses in alternating directions.

VERSATILE LOADING

So simple. Features versatile loading—plenty of room for any type of family, cooking or entertaining load.

DOUBLE DRAIN STRAINER

Even the smallest food particles are separated and flushed down the drain. Dishes are washed and rinsed in clean, double-filtered water.

EXCLUSIVE, FLUSH-OUT DETERGENT DISPENSER

Detergent is automatically added to the water in solution during main wash cycle, not dumped. Assures maximum cleaning power from detergent.

OPTIONAL ACCESSORIES

- WOOD TRIM KIT—Your cabinet maker can supply matching panels (1/2 inch). Dimensions: Top panel—23 1/2" x 18"; bottom panel—23 1/2" x 5 1/2".
- RINSE CLEAR INJECTOR KIT—To reduce spotting in hard water areas.
- FRONT PANEL KIT—Choose from lusterloy, copper-tone, turquoise, yellow, pink and white.
- RIGHT AND LEFT BODY SIDE KIT—Six colors.
- SIDE TRIM KIT—Stainless steel trim for attaching to sides of dishwasher for trimming unit into cabinet opening.
- TOPS—Maple or white sequin Formica for conversion to free-standing model.
- DRAIN AIR GAP KIT—For installation through a waste air gap.

On The Farm In Parmer County

By JOE VAN ZANDT
County Agent

The results of soil testing efforts has been well received based on the number of soil samples run this winter. Since the first of January we have gotten copies of reports back from 391 soil samples run by the Extension Soil Testing Lab at Lubbock.

We are close to the end of the rush on soil testing for this season, if you are in doubt about your fertilizer program for this year and have two weeks before you want to apply your fertilizer, then I suggest you get some soil samples in the mail today.

The soil test analysis and fertilizer recommendations are made by James Valentine, our Area Soil Chemist and he has at his disposal the best available equipment and result of research and demonstration plots in this area.

As I mentioned a few weeks ago we are interested in demonstrating to our farmers, you and your neighbors, the value of following these soil test recommendations. We have gotten several cooperators lined up already. If you are interested in having a fertilizer demonstration this year in cooperation with the County Agent, please give me a call.

FRUIT PRODUCTION
Several people have a few fruit trees around their homes and it is not too early to start thinking about how good those peaches, plums, apples or others might taste this summer.

We are not out of danger of losing the crop due to a freeze but you should start making some plans now.

First, have you been getting a good crop of fruit? If you have, you are probably in pretty good shape, with continued proper care.

If your fruit production has been poor, what has been your problem? Has your difficulty been insects, diseases, water, or possibly wrong varieties? We have some good bulletins on insects and diseases of fruit trees that lists the sprays re-

commended for various insects and diseases. Some of these sprays need to be applied when 75% of the petals have fallen. If you want a copy of our spray recommendations let us know.

If you are wanting to set out some fruit trees this year, you need to do so right now. The following varieties are recommended for this area: Peach-Dixied, Redhaven, Ranger and Redglobe; Apples-Holland and Red Delicious; Pear-Orient and Keiffer; Plum-Bruce, Methley and Sapa; Cherry-Early Richmond and Montgomery.

We also have a good bulletin on pruning methods that has good suggestions on how to properly prune trees and shrubs around the home.

If you desire a copy of any bulletin give us a call or come by the County Agent's office.

CHEMICAL WEED CONTROL
Are you interested in knowing the recommendations for using weed control chemicals in Texas? We have a new Bulletin-1029 that lists all of the chemical recommendations for just about any crop or land use a person might want. If you desire a copy notify the County Agent's office.

BEEF CATTLE
A beef cattle program will be held Friday, March 26, in Hereford at the Bull Barn starting at 9:45 a. m. The program will include discussions and demonstrations on improving present breeding programs and selecting and breeding cattle for functional efficiency.

L. A. Maddox, Extension Animal Husbandman, and Dr. Jan Bonsma, Animal Husbandry professor from Pretoria, South Africa will present the days program.

We can assure you this will be interesting and thought provoking.

FARM LEGISLATION
We attended a very interesting and informative meeting of the County Grain Sorghum Producers last week. Dub Anthony presented a very

Interesting talk on what the Grain Sorghum Producers Association has accomplished since it was organized. Bill Nelson also brought us some good information on proposed farm legislation. Bill has just returned from Washington so he had some real good first hand information on current views on the Omnibus Farm Bill.

The following things seemed certain to be in the bill: 1. Some form of limiting payments to "big" farmers. 2. Provisions for a single grain base for feed grains and wheat. 3. A cropland adjustment program for some form of land retirement, and 4. a requested change in the diverted acre and feed grain certificate payments.

Bill stated that groups or individuals that offered suggestions to include the above areas in their recommendations would be a lot better received than suggestions of the fact that you were against one or all of the above programs.

As I see it farm people need to get closer together on their program ideas and be willing to give and take a little here and there. We need to have a positive approach on working out solutions and this farm bill.

The farm bill that Congress passes will greatly affect our future here in Parmer County. As Bill said last week, farmers with a positive approach and a cooperative attitude will get a lot more of attention and cooperation than ones with a negative attitude.

4-H NEWS

The Favorite Food climaxed the end of the Food group work on March 16th for leaders and members.

Although we had many in the food groups only 26 participated, due to various conflicts of activities and other reasons. It was very satisfying to see the nice displays of those 4-H members-how they had developed skill in preparation of food, and meal planning. Not only did they display skills, but they answered questions about foods and what it does for the body that many adults would have difficulty answering. This was due to the study of food in their project work.

Ann Blackstone and Carolyn Herington, juniors will go to Canyon April 3, to display their food. Ann will display her favorite food, Sweet Potato Puffs and Carolyn will exhibit muffins. We are hoping they come back with honors. Katie Blackstone will compete for the District Award with Sweet Potato Pineapple Puffs.

I just wish everyone could have seen the food displays, the attractive table settings and decorations. Mrs. Art Mast of Bovina, made some colored pictures from which we hope to have slides made. Perhaps we can show them in Community 4-H Clubs later.

FAMILY LIFE WORKSHOP

After a week of training at Texas A&M University it's good to be back at my desk even though it's hard to see over the

4-H Horse Program Set Here Friday

All boys and girls interested in the 4-H Horse Program should attend a meeting Friday, March 19 at 3:45 p.m. in the Friona Junior High School Library according to Homer Linderman, local horse leader.

The program will be explained to the group and plans for coming activities will be made at the meeting.

This 4-H program is open to any boy or girl, age 9 to 19, who is interested in this type of activity.

All parents and other interested persons are invited and encouraged to be present to hear the program explained.

The Texas State 4-H Round-

up will include a quarter horse judging contest for the first time this year, according to Joe VanZandt, Parmer County Agent.

VanZandt said the contest became essential due to the rapid growth of the Texas 4-H Horse program during the past four years.

The quarter horse judging contest will provide opportunities for the 4-H members with horse projects to develop the ability to explain observations, to make decisions and to learn principles of horse selection and evaluation. It is the newest of several activities available to members with Horse projects.

Young Farmers Slate Meeting Here Tonight

Friona's Young Farmer Association will meet Thursday (March 18) at 8 p.m. at the Friona School Cafeteria. A program is to be presented on finance.

Bringing the program, according to David T. McVey, one of the chapter advisors, will be Frank Spring, Charles Allen and Wade Wright.

McVey and Benny Pryor, local vocational agriculture instructors, are aiding in getting the local chapter organized.

and it is hoped that more adult leaders will provide opportunity for their members to do this in their project training.

All young farmers or others interested in agriculture are urged to attend the meeting.

Those who join the club by Thursday's meeting will be considered chapter members, it has been announced.

Library To Open Saturday

Friona Public Library will be open from 9-11 a. m. Saturday morning at the Friona Women's Club House. Books have all been catalogued and classified, and the library is set for another big year.

News from LAZBUDDIE

BY MRS. C. A. WATSON

The Lazbuddie FHA girls will be in Lubbock Friday and Saturday of this week attending the area wide FHA meeting held on Texas Tech Campus.

Mr. and Mrs. James Beavers from Kress visited her parents Mr. and Mrs. L.R. Hall over the weekend.

Mrs. Don Schumann, Marsha and Michelle were in Clovis Monday shopping.

Mary Liza Crain was in the Friona Community Hospital this week receiving medical treatment.

The community extends sympathy to the family of Dick Scott, Scott, 63, was manager of Clays Corner Gin, He passed away in the Green Memorial Hospital in Muleshoe Thursday afternoon at 5.

Funeral services were held Sunday in the Church of Christ, Muleshoe with Frank Duckworth officiating. Burial was in the Muleshoe cemetery under the direction of Singleton's Funeral Home.

Mr. and Mrs. Albert Fuller and children visited recently in Brown county with friends

and relatives. Mr. and Mrs. J.A. Richards from Temple visited over the weekend with their son, Don, and family.

A2C Thomas Ketchum has returned from Orlando AFB Florida where he has completed the Combat Crew Training Course of USAF Tactical Missile school. He is visiting with his parents Mr. and Mrs. E.C. Ketchum prior to his overseas assignment. Also visiting in the Ketchum home Sunday were their children, Mona Davidson and Edward Ketchum, Amarillo.

The Lazbuddie seniors were in Canyon Thursday of last week for college entrance courses at WTSU.

FRIONA WINNER, . . . Darla Howell, representing Calvary Baptist Church, won the piano hymn division at the area-wide church music clinic at Plainview last week, and is eligible to attend the state clinic in April.

AT CONTEST

Parmer Musicians Take Church Honors

Two Parmer County musicians took finalists honors at the area Baptist Church Choir clinic last week at Plainview. Miss Darla Howell of Friona won first place in piano hymn playing and has earned the right to be sent by the state music department to play at one session of the Sunday School convention in Tyler in April.

Miss Marsella Mayfield of Lazbuddie was first place winner in organ hymn playing. Hymns played by Miss Howell were "Jesus, the Very Thought of Thee," and she also did her own arrangement of "At the End of the Road." None of the other entrants in her divisions had original arrangements. Active in school activities, Miss Howell is a member of

the Squaw "B" team, and held an area office in FHA this year, belongs to Future Teachers Association and played in the Thespians Play. She is also an active member of Calvary Baptist Church, which she represented in the contest. Her parents are Mr. and Mrs. Charles Howell of Route 2.

COMMUNICATIONS Your Tool for Progress

Whatever happened to the Old Oaken Bucket?

One of our towns uses a communications system which automatically keeps the local water tower full from a distant water supply. In another of our towns the water supply lake uses our ELECTRONIC SENTRY® warning unit to notify authorities automatically when the water level reaches a low point. These are additional examples of how we serve in the ever-broadening field of communications. For full information about how our communications services can be your Tool for Progress, please call our Business Office.

April Sell-a-Bration Plans Take Shape

Plans are shaping up for a special April Fool's Sell-a-bration in Friona, Saturday, April 3.

At 10 a.m. that day, a kids' costume parade will be held in downtown Friona. Entrants in the parade will compete for trophies, two of which will be awarded to top entrants from Friona, Bovina and Lazbuddie.

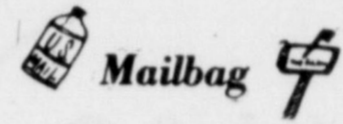

Friona merchants are being invited to dress in special garb on that day.

The Friona Jaycees are to help with the promotion with go-kart races, and will also help supervise the parade. A small group of Jaycees will also help by serving as "town marshalls" for the day.

"Wacky prices" will be the

order of the day in downtown stores. Besides the silly prices, the merchants will also feature some very serious bargains during the sale.

Friona Chamber of Commerce has donated \$25 in prize money which will be awarded to the top three individual employees of Friona Stores for the clarity, originality of thought in designing their costumes for the day.

March 11, 1965

Dear Mr. Ellis,

I would like to take this opportunity to express my appreciation to the Friona Star for presenting me with the nice identification bracelet that I received for showmanship in the lamb division in the Parmer County Livestock Show.

Sincerely yours; Alan Dale Carson

In And Around--

(Continued from page 7)

of things you have to be glad over.

Sit this half-hour out in a sun bath of cheer. Shut out all thoughts that hurt, from bad liver to false friends. Get in the way of turning everything so that you see its bright side. Happiness is entirely a spiritual product and is developed inside of you, and cannot be put into you from the outside.

THINKING ABOUT SUMMER?

THINK ABOUT GAS AIR CONDITIONING!

GAS answers all of your air conditioning needs. First and foremost, it does the job you want air conditioning to do . . . keeping every room in your house cool and comfortable. And, GAS is so economical. People who own GAS air conditioning know it costs less to operate. Maintenance costs are kept to a minimum, too, because GAS air conditioning has no moving parts to wear out. Should the need occur, you are assured of fast, dependable service because Pioneer stands behind every unit they sell.
