Viet Nam may just be a troublesome word to most Friona residents; a present-day communist "pressure point" which they would like to ignore, and perhaps it will go away.

However, it is a very real situation for some local people.

Billy G. Zachary, an Aviation Electronics Technician Second Class member of the United States Navy, has been participating in the air strike operations against communist Viet Cong and North Vietnamese military targets while serving aboard the aircraft carrier USS Midway.

Zachary, the son of Mrs. Arthur Stokes of Friona, has been on the Midway, operating in the South China Sea off the coast of Viet Nam with the U.S. Seventh Fleet.

On Sunday, April 25, Zachary wrote the following letter which was made available for publication. It makes you stop and remember that freedom is a very expensive luxury, especially when you realize that Americans, even Frionans, are this moment risking their lives so that free people may remain free.

Zachary's letter was as follows:

"Last night Capt. O'Brien of USS Midway in his talk to the men of Midway brought up a rather interesting point.

"In reference to the steel strike that is to begin on May 1, 1965 he brought out the fact that while some people are asking for a shorter work week (less than forty hours per week) and an increase of ten to twenty percent in their pay, they are not only hurting the economy of the United States, but in turn they are probably doing as much to lower the moral of the American Service men as any one thing in the history of the nation.

"Perhaps not all people feel about it the way I do, but as he said, the people over here doing the fighting, right or wrong, would appreciate a cut to a thirty-two hour day and almost any kind of a raise. People everywhere know there aren't thirty hours in a day. I realize this, but after about the first seventy-two hours straight they start to seem like a day each.

"I know nothing about the Steel Industry, but I know that we are on the verge of a war and any slow-down in the production of metal will be felt in all phases of American life and in a hurry. This may be the main idea behind calling a strike at this particular time, I don't really know, I just feel that this is a pretty low way of forcing your demands on the American nation.

"If you really want to get in on some strikes that may in the future help you and all the rest of the people in the world, then how about backing up or helping all the people of the world who want to stay free. Has it been so long since the world was at war that the people have forgotten the hardships that go along with this type of a conflict.

"If some people are only thinking of the fast easy money that was made during WW II, maybe you should remember that we won that war and it never reached the soil of the United States. I feel that if this turns into a war between two of the world's major powers, it will not only reach the soil of most of the nations of the world, but will destroy enough of the people and producing soil for such a period that it will take several decades at the very least and perhaps centuries for mankind to again reach its present state of living.

"All of this wasn't said directly by the captain and a lot of it is just my point of view. I can't back all of this up with proof, but it seems that all anyone has to do is stop and think, using a little common sense.

"Right now I figure the American economy could use a boost, especially when bombs cost approximately fifty cents per pound, one round of twenty MM ammo is two dollars and five cents, one can of Napalm costs two hundred and seventy five dollars and rockets cost one thousand and fifty dollars per pod. This runs into a large sum of money when you try to imagine the amount that we are using each day in the war for free-

City Annexes 52 Acres; New Subdivisions Added

The Friona City Council annexed a total of 52 acres of land in its meeting Monday night, bringing in two new subdivisions. The newly annexed land is comprised of "Western Acres," of which 24 acres were annexed, belonging to Bill Sheehan; and Welch Acres, a 28-acre plot belonging to Nelson Welch.

Special Presentations Highlight P-TO Fete

New officers were installed for the coming year, and special presentations were given at the second annual "teacher appreciation" night held by the Friona elementary Parent-Teachers Organization last Thursday night.

Among the teachers honored were those with service in the Friona school system for multiple years.

Elementary principal J.T. Gee received a trophy in recognition of completing 30 years with the Friona school system.

New officers installed were Mrs. Kenneth McLellan, president; Mrs. J.C. Beck, secretary; Mrs. Charles Sanders, treasurer and Mrs. Burk Hand, reporter.

Refreshments were served to parents and teachers attending. Home room teachers introduced the high school student teachers who have assisted them during the year. Various committee reports were heard.

Entertainment was furnished by Don Lewis, who sang three numbers for the group.

Receiving service pins were Mrs. David T. McVey (five years) and Jo Phillips (15 years).

Bird Wants His Mamma

★

If the parakeet at the home of Mr. and Mrs. Kenneth Pearson could talk, he would probably be saying, "I want my Mamma."

Mrs. Pearson, who lives the second house south of Deaton's "66" Station, caught the bird in her yard about a week ago and is keeping it hoping the rightful owner will find out where it is and claim it.

She says, "The bird jabbars quite a bit, but I can't understand a word he is saying."

TOTAL: \$174,400

Building Permits Take Upswing During April

Building permit figures, which had been at a "lull" during 1965, suddenly took an upswing during April, according to figures released this week by Arley L. (Jake) Outland, city manager.

Outland's figures showed that nine permits were issued during April for construction estimated to be worth \$174,400. This marked the first time that monthly building permits passed the \$100,000 mark during the year.

The April total was \$20,050 more than the total for the same month a year ago, which also had a very good total construction as applied for in permits of \$154,350.

The total for the first four months of 1965 stands at \$324,440, as compared to \$390,800 the same time a year ago. Last year's building in Friona set an all-time record; zooming

over the million-dollar mark for the first time, and hitting \$1,979,040 including the application for the new Friona High School complex.

Yet, the 1965 total after four months is only 17 per cent below the total of last year's record pace at the same time, February and March totals compared favorably with those of the preceding year. Main difference comes in the January figures, where \$52,500 in construction was applied for in permit form this year, as compared to \$123,000 for January of 1964.

Included in the April figures are three permits for new residences valued at a total cost of \$70,000; an addition to the First Baptist Church at \$24,000; an alteration to an existing residence at \$7,000 and three miscellaneous permits totalling \$400.

WELCOME MOISTURE

Beneficial Rains Fall On Friona Area Farms

Rains of varying amounts fell in the Friona area Sunday night -- or early Monday morning, -- to be more exact. The rain, heavy and light, was welcomed by farmers, since 1965 has started out a bit on the dry side.

The largest measurement reported by an area farmer was 1.9 inches by Glenn Floyd, five miles west of Friona. His neighbor to the west, Ralph Wilson, also logged a good 1.75 inches of good, soaking rain. Farther west, the rain was lighter, averaging a half-inch in the Rhea community. East of Friona, in the Black community, rainfall was some-

LATE NEWS

A total of .58 inches of rain was measured by the City of Friona Wednesday between 2 and 4 p.m.

what better. Roscoe Ivie, north of Black, got a 1.25-inch fall.

The Hub area generally received from a half-inch to .6 inches, although rainfall again was varied.

Henry Ivy, south of White's Elevator, received an inch; J. W. Gammon, farther south, got .6; and up to an inch and a half fell in the Lazbuddie area, further proving that it just depended which cloud you were under as to how much moisture was received.

In the city of Friona, the of-

ficial measurement for the Sunday night rain was .65 inches.

Crops, such as irrigated wheat, young cotton and maize benefited greatly from the moisture where it fell. However, with the temperatures falling to the low 40's during the week, cotton farmers were fearful of a prolonged cold spell,

which could damage the young plants.

Very little hail damage was detected in the moisture receipts. However, some hail damage was felt in the cloud which passed through a week ago Tuesday, especially in the Farwell area.

Board Meets With School Architect

The Friona Independent School District board of trustees met with architect Ralph Bell during their regular monthly meeting Monday night, and reviewed the progress of the school's \$1.25 million building program.

Board members had earlier in the day been shown around the building site by the architect.

Porter Roberts, tax assessor-collector, reported a total of \$1645.50 in taxes collected during the month of April. Superintendent of Schools Alton Farr gave his monthly reports on the activity, cafeteria, transportation funds and school budget.

Kay Struve Ray was employed to teach high school English next school year. She will replace Mrs. Rodney Laubhan, who re-

signed earlier to accept a position at Hereford next year.

The board elected member Louis Welch to assist with presentation of eighth grade diplomas, with W. M. Masste doing the same at the high school graduation.

The board agreed to a called meeting May 24 following graduation to open any bids which may be received on the school buses which have been advertised for sale.

Friona State Bank was designated as the school depository for the 1965-67 school biennium. The board approved an agreement for the school lunchroom to participate in the national school lunch program for the 1965-66 school year.

Also, the group approved the paving of a driveway at a school

GRADUATION TIME NEARS

Baccalaureate Sermon For '65 Seniors Sunday

Superintendent of Schools Alton Farr this week released a schedule of events relative to the closing of school activities.

Leading off the events will be the baccalaureate sermon

Sunday night at the high school auditorium, beginning at 8 p.m.

The last regular day of school for students will be Friday, May 21. Final tests will be given Thursday and Friday. School will be dismissed at 2:45 p.m. each of those days.

Friday of this week has been designated as "senior day" in high school, and "eighth grade day" in junior high. Members of the respective graduating classes will have special activities on those days. Seniors are to have an outing to McKenzie Park in Lubbock, while a full day of activities has been planned for the eighth graders.

Buses will run for elementary students on Saturday, May 22. The buses will make their regular run an hour later than usual, so that the students may pick up their report cards, and then will make the return trip after the cards have been picked up.

The eighth grade graduation

is set for 8 p.m. Saturday, May 22. High school graduation will be Monday, May 24 at 8 p.m.

Doris Perkins is valedictorian of the eighth grade class, with Lowery Harper as salutatorian. Karen Osborn is high school valedictorian. Dennis Howell is salutatorian.

Rev. Paul Mohr, pastor of the Friona Congregational Church, will deliver the baccalaureate sermon on Sunday.

FFA Banquet Set Tonight

The annual Friona High School Future Farmers of America banquet will be held tonight at 8 p.m. at the school cafeteria.

The annual barbecue dinner will be sponsored for the 18th consecutive year by Farmer County Implement Company.

TEACHERS HONORED. . . Those receiving special honors at the teacher appreciation night last week were Mrs. David T. McVey, right (five years of local service); Jo Phillips (15 years) and J.T. Gee (30 years).

Friona, Texas

Dear Bill:

We are beginning our third year of water management studies in the Farmer County area on April 1, 1965.

Computations from the past two years' records show a consistent amount of water recovered per return system. In 1963 the systems observed averaged 79 acre-feet recovered per system and in 1964 averaged 80 acre-feet per system. Weir loss records were comparable in 1963 and 1964.

Beneficial chemicals recovered with the irrigation tail water were also comparable over the two-year period.

An actual count of the recovery systems in Farmer County is not known, but we believe there are nearly 200 in use, and additional new ones being installed every day.

If these 200 return systems average recovering 78 acre-feet of water each, they would have saved pumping some 15,600 acre-feet of water from the underground water reservoir in Farmer County last year.

Tail water and rainfall runoff water is pumped from some 200 of the estimated 900 lakes in Farmer County. Most of these lake pumps will salvage in excess of 200-acre-feet of water per year. This would amount to some 40,000 acre-feet of water less to be pumped from the underground water reservoir. This estimated 55,000 plus acre-feet of water salvaged last year represents approximately 1/10 of the total water necessary for the irrigated economy of Farmer County.

A large percentage of water recovered from these plays lakes is irrigation tail water and of course, when the Ogallala sands are depleted tail water, either from pits or lakes, will not be a source of recoverable water. So, "We had better make hay while the sun is shining!"

The farms we are observing are recovering some 20% of the total water pumped from the underground formation with their irrigation wells. This salvaged water results in this amount of water not necessary to pump from storage to maintain the irrigated economy on each individual farm.

This additional water available also provides for more timely application of irrigation water to the crop. This could be expressed as being able to complete the irrigation of a farm in 16 days with the use of tail water system, four days less than the 20-day period with irrigation wells alone.

Bill, there are too many variables to predict the future decline of the water table, or just when the water will be exhausted under the county or on a particular farm. However, it is a fact that the water levels are declining, averaging 3.64 feet for Farmer County in 1964 and 17.16 feet for the last 5 years. We also know that there

Current Comments From . . .

TULIA, . . .

This business of living together, a necessity of life as real as eating and drinking, is never easy. Wherever there are people, there is friction. Living together in harmony is something that must be learned. It doesn't come naturally. Those same elements which cause friction between individuals also cause frictions between nations.

H. M. Baggarly
TULIA HERALD

SUDAN, . . .

There's a lot of wrong on both sides of the racial situation. Brother Martin Luther King, who impresses me about like Cassius Clay does, wants the moon with a ribbon around it. And he may get it. But -- and I always have felt that the Negro deserved equal treatment -- he is not demanding just equal treatment. Apparently he wants preferential treatment for himself and his followers.

King is holder of the Nobel Peace Prize, which should spoil its prestige as a desirable award forever. The only peace he wants is a piece out of the hide of Alabama.

Dalton Wood
SUDAN BEACON-NEWS

LOCKNEY, . . .

Something recently said by the Boonville, Ind., Standard should be remembered:

One of the most important by-products of advertising is the American concept of freedom of the press. Freedom of the press, as it is conceived in the English-speaking world, derives financial support from advertising.

From the time of the American revolution until approximately 1830 American journalism was represented by a profusion of small highly biased political sheets. . . However, when expanding business firms recognized the need for reaching new public through advertising, publishers found a neutral and variegated source of support which made them independent. Indeed, advertising made it imperative that the newspapers should think in terms of serving the whole public.

As government has become more complex, as law and rule by bureaus and agencies have burgeoned, there is more than ever a need

is a bottom to the barrel.

The value of your publishing efforts are immeasurable, but we do know that without your help, water conservation in Farmer County would never be at the level that it is today.

We are hoping you will continue to help us keep the ball rolling.

Sincerely yours,
A. WAYNE WYATT,
Office Manager

for a press free from control of political interests. Such a press exists only when advertising support has made it possible for a publication to serve the whole public without fear or favor.

THE LOCKNEY BEACON

CANADIAN, . . .

Sometimes we wonder how anybody in this state ever gets any work done. There are, according to the current issue of Texas Calendar of Events, a total of 291 holidays to be celebrated in Texas in the next six months!

Fortunately only a few of the holidays are state-wide observances. Most of them are restricted to particular communities at particular times, and for the most part, the rest of the Texans won't even be aware of them, in spite of enthusiastic efforts of local publicists to spread the word. At Munday, for example, on June 18 (which will be Friday) there will be an annual Vegetable Festival celebration. On May 7 Panola County will observe a Queen Pageant, and on April 24 the German settlement of Boerne will observe Saengerfest. Down in the valley, Raymondville will take a day off on April 15 for an Onion Fiesta. . . and there are a total of 287 other local celebrations on the crowded calendar.

One which isn't but ought to be, is Canadian's own "Rodeo Week" which will happen on the half a dozen days preceding a somewhat more widely recognized holiday, the Fourth of July, or Independence Day.

The Texas Calendar of Events is published by the State Highway Department in an effort, to help Texans. . . and tourists. . . keep track of what's happening where across this broad state. It covers the period from April 1 through September.

And for the first time, the Highway Department this spring is issuing a calendar in Spanish, to serve "a remarkable surge" of tourists from south of the border. The most remarkable thing about this perhaps. . . and a sign of the changing times. . . is that Texans are recognizing many of the visitors coming across the Rio Grande nowadays as "turistas" and not "braceros."

Ben Ezzell
CANADIAN RECORD

Rites Held For Cook's Nephew

Hugh Cook of Garland, a nephew of Raymond Cook of Friona, drowned last Friday in Lake Dallas while on a sailing outing with a pair of college friends.

Funeral services were held Wednesday for Cook, a North Texas State University student who was to have received his

degree at the college in June.

The trio had been sailing on the lake when a strong wind came up, reports said. On nearing the shore, their boat overturned. The two other boys swam back to the boat, but Cook did not make it. His body was not discovered until Tuesday.

Mr. and Mrs. C. B. Buske and Mrs. Mae Magness spent the weekend visiting Denise Magness at Phoenix, Ariz. They also visited John G. Baker, Friona resident, who is a temporary resident of Phoenix.

Mrs. T.A. O'Brian Buried Here Tuesday

Funeral services for Mrs. T. A. O'Brian Sr., long time resident of the Lakeview Community, southeast of Friona, were conducted from Friona Methodist Church at 3 p.m. Tuesday, May 4. She died at the home of Mr. and Mrs. E. L. Fairchild Sunday morning following an extended illness.

Mabel Fones was born February 27, 1881 at Lyons, Kansas and grew up there. She was married to T. A. O'Brian Sr. May 3, 1905 at Lyons. The couple later moved to Medford, Okla. in 1911 and to Farmer County seventeen years later.

Rev. Russell McAnally, pastor of Friona Methodist Church, of which Mrs. O'Brian was a member, was the officiating

minister. He was assisted by Rev. Hugh Blaylock, Dimmitt, former pastor of the same church.

Pallbearers, grandsons and grandsons-in-law, were Larry Fairchild, Dwight O'Brian, Lloyd Chesler, Tom Mason, Burke Hand, Rex Blackburn and Roy O'Brian.

Honorary pallbearers were Elroy Wilson, Carl Fairchild, Clyde Goodwine, Henry Lewis, George A. Jones, Ennis Cummings and Bill Stewart.

Survivors are three sons, Kenneth, Russel and Tom all of Friona; two daughters, Mrs. George Larke, Los Angeles, Calif. and Mrs. E. L. Fairchild, eleven grandchildren and seventeen great-grandchildren.

Burial was in Friona Cemetery, beside her late husband, under direction of Claborn Funeral Home.

dom of the world. "This doesn't even include the price people put on lives and the loss of some part of the body due to the fact that a value in dollars will never repay any of the people or their loved ones for this loss. Have you ever stopped to think how much you would sell one of your arms or legs for, not to mention the price that you place on your life. People may think that no one has to take this chance, but it's a cinch that someone has to and a lot of the people doing it had no choice in the matter.

"I may have gotten a little carried away with the whole thing, but everything I have said is from a lot of thought and it is how I feel about the situation now facing the nation we have been fighting for several generations to make it what it is.

Billy G. Zachary"

Wooley Takes Third Place

Winning first place in the Zone D Optimist Oratorical Contest in Amarillo last Sunday was Ron Devore representing the Amarillo Downtown Optimist Club. Second place was Mike Blautow representing the Amarillo South-down Optimist Club.

Third place was won by Mike Wooley of Friona representing the Hereford Optimist Club. Fourth was Steve Crane representing the Amarillo Ridgecrest Optimist Club. Ron Devore will represent Zone D at the District Contest to be held in Lubbock May 20 thru 22.

Truitt Gets History Medal

Larry Frank Truitt recently received a medal for placing in the upper five per cent of the contestants at the seventh annual West Texas State University history contest.

Truitt was one of 141 students in the contests. The winner was a boy from Amarillo High School. Most of the entrants were seniors, but Truitt is a freshman at Friona High School.

Mal Manchee, history instructor, took nine entrants to the annual contests, and all placed in the top one-half of their respective contests.

City Annexes-- (Continued from page 1)

Belleville, N.J., at \$192 annually for "Plan B" maintenance on the north (new) water tower. The council unanimously passed the motion.

In further business, the council appointed Howard Love as assistant city fire marshal, after discussion about the need for such an officer.

In his monthly summary of activities, city manager A. L. (Jake) Outland reported that after the two special days of dog inoculations, only 77 licenses has been issued, which is believed to be less than one-third of the city's dog population.

Water department records showed that a total of 25,019,500 gallons of water were pumped during April, an average of 833,984 gallons per day, as the daily usage began to increase sharply.

Five new service taps were made and one was reactivated, to bring the total number of active water meters at the end of April to 997.

Two new sewer taps were installed, and another reactivated, to bring the total number of active sewer taps to 922.

Fire department records showed that there were five fire alarms during the month. Two were inside the city limits for a total estimated loss of only \$35. Three were outside the city for an estimated loss of \$1400.

Regularly - scheduled fire drills were held on April 1 and 15. The first period was spent in reviewing the organization of the department and cleaning of equipment. The second was spent in orientation, operation and loading of hoses on the new fire truck.

Police department reported 37 arrests during April. Twenty-five were for traffic violations; four for driving while

Player Auction Friday Night

The annual player auction for Little League players will be held tomorrow night at the American Legion Hall. Each sponsor which plans to have a team is reminded to have a representative there to bid on players.

A total of 120 players had registered as of Monday. Today will be the last day for players to sign up, since the auction will be held tomorrow night.

Preliminary plans are to begin the Little League season on Monday, May 31. Harley Merritt, teacher in junior high, is to be the summer baseball program director.

School Board Meets-- (Continued from page 1)

teachage located on Friso Street. A meeting is to be held in Amarillo Friday afternoon on school taxes and equalization board members. Superintendent Farr plans to attend.

The board discussed a termite problem which has developed in the junior high building, and agreed to look into the problem.

A letter was read to the board from the Modern Study Club commending the board for its planning and foresight in providing adequate school facilities for the youth of Friona for many years.

Innocent; four for vagrancy and investigation and one each for drunkenness, minor consumption, speeding and running away.

The new Chevrolet patrol car was received and put into service April 8.

FOR SALE

ONE TEXAS FARM

Location: Somewhere In Texas Panhandle

Top half washed to South Texas and the Gulf of Mexico.
(South Texas portion to be returned by south Winds)

MINERALS GONE WITH THE SURFACE

- All fields suitable to blow: Blow piles in fence rows and bar ditches may be used to repair roads and fill gullies. • 37 gullies: 6 to 7 feet wide and 2 to 4 feet deep... variable lengths (growing larger all the time). • Empty house, doors and windows missing. • Lean-to with 2 rooms and a path. • 1 leaning barn, to be moved on account of lack of storage for manure. • 50 bales mixed grasses... mostly tickle grass and drop-seed. • 100 bales rag-wed, sagebrush and soapweed. • 4 mineral deficient cows... they are gentle; used to being tailed up in the winter; guaranteed to have rickets and no calves.
- 1/2-mile of fence, tumble-weeds and bailing wire. • 1 sow and 2 pigs... will eat anything... loves children. • 17 hens, used to roosting in a snow bank. • 1 alcoholic hired hand, optional (no extra charge). • 12 acres of goat heads. • 25 ideal locations for cattle guards. • Ideal grounds for hound man. • 2 wells to be re-dug. • 2 out-houses and 4 over used septic tanks. • 1/2-acre burial ground, no markers. • Portion of east 20 acres reserved for dump ground. • Tract 7-That portion of the West 750 acres containing approximately 2,342 snake dens. • Terms - CASH, any amount. • This place is guaranteed to produce: headaches, overdrafts and foreclosures.

REASON FOR SELLING: Owner going to work for conservation farmer who has taken care of his soil (a fella's gotta eat!)

Auctioneer: Colonel Donothing Plowunder

SAVE OUR SOIL

Each man must share in the responsibility to God to protect His gifts of soil and water.

The growth of our nation depends upon the conservation of our soil and the development of our natural resources.

"Pray ye therefore the Lord of the harvest, that He will send forth labourers into His harvest."

Matthew 9:38

This Consorvation Message Sponsored By

MEDAL WINNER. . . Larry Truitt displays the medal he won in the annual history contests at West Texas State University recently, for placing in the upper five percent of the contestants.

EXERCISES SET

Lazbuddie High Names 1965 Honor Graduates

Linda Gleason, daughter of Mr. and Mrs. T.L. Gleason, has been named valedictorian of the 1965 graduating class of Lazbuddie High School. Marsella Mayfield, daughter of Mr. and Mrs. J.T. Mayfield, is salutatorian.

Miss Gleason had an average of 93.9 during her four years of high school, and was chosen Best All Round Girl academically. She is active in FHA work and has received her state degree. She has played basketball for four years and is a drum majorette with the high school band.

Miss Mayfield graduates with a 93.5 average for four years. She has also received her state degree, was a majorette two years, played basketball four years and was a pep squad officer. Both girls were active in class plays and other dramatic productions and both were on the annual staff this year.

LINDA GLEASON
... Valedictorian

MARSELLA MAYFIELD
... Salutatorian

and Katie Blackstone, daughter of Mr. and Mrs. Harvey Blackstone, tied with the next highest scholastic average of 91.1 for the four year period.

Baccalaureate services will be Sunday, May 16 at 7:30 p.m. Graduation will be Friday, May 21, at 7:30 p.m. The seniors will leave on the senior trip following graduation to parts

of California.

Senior exams will be given May 13 and 14. The seniors will not attend school the following week. Exams for the rest of the high school students will be May 19 and 20. The buses will run May 24 at the regular times to bring students to school for their report cards and awards.

PARMER CITIZENS AIDED

Bookmobile Completes Successful First Year

Library service has a new and clearer meaning for many citizens of the High Plains Bookmobile Demonstration Area, composed of Bailey, Cochran, Lamb and Parmer counties, as the first year of a two-year project has been completed. Dr. Dorman H. Windfrey, director and librarian, Texas State Library, stated.

Mrs. Georgia Pena, bookmobile librarian, with headquarters in Muleshoe, said the library system had issued more than 44,335 books during its first year of operation. She also noted that of the total, 3,900 books had been checked out of the Muleshoe Area Library. The circulation figures broken down by county reveals the following use: Bailey, 7,137; Cochran, 3,600; Lamb, 16,208 and Parmer, 13,390.

organization. At the close of the trial period, next April, 1966, the plan is for the four counties to continue the mobile library service, sharing the cost on a pro rata basis of population per county.

Texas State Library has provided all of the operational cost during the first year and will continue to do so the second year. After the trial period is concluded, Texas State Library will continue to assist the project by means of book loans and consultant service from its Field Services Division staff.

Sixty counties have participated in similar library demonstrations and a majority of the counties are now being served by a strong local library plus mobile libraries for rural patrons.

Carlton Home From Navy

A.L. (Strawberry) Carlton, Jr. is home in Friona after receiving his discharge recently. Carlton, who completed four years in the service, received the S.N. rank. Carlton will be at home with his parents until he makes further plans.

Sunday dinner guests in the home of Mr. and Mrs. Calvin Martin were Mr. and Mrs. Larry Martin and children and Mr. and Mrs. Clarence Martin and children.

1965-66 Cheerleaders Elected At Friona Hi

Cheerleaders for Friona High School were selected Tuesday by the student body. Those chosen were Monte Welch, daughter of Mr. and Mrs. Nelson Welch; Janet Stevick, daughter of Mr. and Mrs. Glenn Stevick; Becky Turner, daughter of Mr. and Mrs. Bill Turner; Linda Stone, daughter of Mr. and Mrs. Travis Stone and Patti Ragsdale, daughter of Mr. and Mrs. Mack Ragsdale.

Tying for the alternate position were Janet Bishop, daughter of Mr. and Mrs. Stanley Bishop and Debbie Jarecki, daughter of Mr. and Mrs. Florian Jarecki. Glenda Mings, daughter of Mr. and Mrs. Glen Mings, was the other finalist.

The eight girls were selected by a faculty committee from

the original 16 candidates. Other candidates for cheerleader were Pat Taylor, Darlene Wilson, Carolyn Hamilton, Lydia Buske, Linda Outland, Susan Neill, Celia Vestal and Debbie Hays.

Evans Finishes NCO Academy

Army Sgt. Wilson H. Evans, son of Mr. and Mrs. Wilson H. Evans, 1201 W. Sixth St., Friona, was graduated from the 3d Armored Division Noncommissioned Officer (NCO) Academy in Frankfurt, Germany, April 16.

Sergeant Evans received four weeks of rigorous training in leadership and exercise of command, map reading, the history of weapons and military teaching methods.

The 24-year-old soldier, a team leader in Company B, 2d Battalion of the 3d Armored Division's 48th Infantry near Gelnhausen, Germany, entered the Army in January 1964 and was last stationed at Fort Polk, La.

He was graduated from Onida High School in 1959 and attended West Texas State University, Canyon. Evans is a member of Alpha Psi Omega fraternity.

Open House Is Postponed

The open house for the addition to Parmer County Community Hospital, which had been set for Sunday afternoon, has been postponed, according to H.E. Barnett, hospital administrator.

A new date has not been decided upon, although Sunday, May 30 has been discussed as a possibility. An announcement will be made when the official date has been set.

Never before in history has so much food and fiber been produced by so few farmers for so many people throughout the world at so reasonable a cost.

Of Interest To ★ THE WOMEN ★

Schilling To Head Ethel Bengel F T A

At a recent meeting of Ethel Bengel Future Teachers of America Sandra Schilling, who will be a senior in Friona High School this fall, was elected to head the organization during the coming year.

Other officers elected to serve with Miss Schilling are Mary Ann Roberts, vice-president; Myrtle Latham, secretary; Brownie Cole, treasurer; and Judy Phipps, historian.

The Tuesday evening salad supper began with appetizers being served at the Elroy Wilson home. A congealed strawberry salad was served at the E. G. Phipps home.

Ham, potatoes, salad, green beans, hot buttered buns and tea were served as the main course at the Elvin Wilson home. A gift was presented to Donna Fulks, outgoing president, by Shirley Phipps.

In a candlelight service in the home of Mrs. Agnes Fulks new officers were installed. Outgoing officers are Donna Fulks, president; Mary Ann Roberts, vice-president; Carol Struve, secretary; Sandra Schilling, treasurer; and Shirley Phipps, historian.

SANDRA SCHILLING

Following the repetition of the Future Teachers of America pledge, dessert of home made ice cream and cake were served by Mrs. Fulks and Virginia. A gift was presented to Mrs. Frank Truitt, sponsor, by Donna Fulks.

Members attending were Kyla Billingsley, Terri Lynn Wilson, Brownie Cole, Darla Howell, Martha Martin, Lou Cochran, Roscoe Parr, Shirley Phipps, Brenda Hawker, Frieda Floyd, Judy Phipps, Sandra Schilling.

Myrtle Latham, and Madalyn Binger.

Also Merylene Massie, Darlene Wilson, Janet Stevick, Carol Struve, Jeanne Taylor, Pat Burton, Linda Jo Davis, Donna Fulks, Susie Carmichael, Glenda Mingus, Lydia Buske, Janet Rushing, Donna Fulks, Linda Outland and Mary Ann Roberts.

Friona Mother Honored Sunday

Mrs. J. W. Baxter was honored with a Mother's Day party in her home on North Main Sunday afternoon. A cake was baked by her daughter, Mrs. Calvin Martin and served with ice cream and tea.

Others present included J. W. Baxter, Calvin Martin, Mr. and Mrs. Larry Martin, Mr. and Mrs. Clarence Martin and Mr. and Mrs. Bill Baxter, all of Friona.

Also Mrs. Jerry Rankin and daughter, Julie Ann, Lubbock and Mr. and Mrs. Lonnie Baxter and Mr. and Mrs. Charlie Baxter, all of Clovis.

Friona Jaycee-Ettes Have Work Session

Friona Jaycee Ettes met Friday evening, April 30 in the Community Room of Friona State Bank for a work session. Graduation caps for Mrs. Beene's first grade class of Spanish pupils were completed.

Each year this group makes caps and has graduation exercises for this class at the close of school. Diplomas signifying that students have successfully completed the first grade are presented by Mrs. Beene.

Mrs. Leon Noack was recognized as a new member of the organization.

Other members present were Mrs. Eune Martin, Mrs. Bill Taylor, Mrs. Dale Williams, Mrs. Calvin Dozier, Mrs. Monte Fowler, Mrs. Don McMahan, Mrs. Bill Dufur, Mrs. Velden Carroll and Mrs. Bill Nazworth.

Club Votes To Sponsor Worthwhile Projects

The wonders of food was the theme for Progressive Study Club's regular meeting Tuesday evening in the Club House. The meeting was in the form of a tasting bee and each member brought her favorite des-

Mr. and Mrs. C. F. Hastings . . . today.

Golden Anniversary For Pioneer Couple

Mr. and Mrs. C. F. Hastings, Farmer County pioneers, will observe their Golden Wedding Anniversary Thursday, May 20, with a reception in their home on Oklahoma Lane Road in Bovina.

The occasion will be hosted by their daughters, Mrs. Rob-

ert E. Wilson of Bovina and Miss Ann Hastings of Plainview.

Calling hours are between two and six in the afternoon. The couple requests that guests bring no gifts.

All friends of the couple are invited to the reception. No invitations are being mailed in the county.

Frank Hastings and Miss Leora Tidenberg were married May 20, 1915 in Amarillo at the Methodist parsonage. They were both residents of Bovina at that time and have been since.

Hastings was engaged in the mercantile business and later in farming and ranching.

Mr. and Mrs. Hastings have four grandchildren, Ann Lynn, Gregg, Candy and April Wilson.

Mr. and Mrs. C. F. Hastings . . . when they were married 50 years ago.

Theopians Initiated In Formal Ceremony

Ten Theopians were initiated in a formal ceremony at the Ralph Taylor home Thursday evening. They were Madalyn Binger, Carolyn Hamilton, Darla Howell, Brenda Hawker, Courtney Owen, Randy Stubbs, Chris Tannahill, Betty Taylor, John Taylor and Pat Taylor.

Following the initiation an outdoor supper was served in

the backyard. Officers elected to serve the troupe next year are Mary Ann Roberts, president; Howard Rhodes, vice-president; Carolyn Hamilton, secretary; Darla Howell, treasurer; and Courtney Owen, reporter.

Outgoing officers are Pat Burton, Ann Prewett, Mary Ann

Roberts, Monte Sue Welch, Neal Lyles and Frieda Floyd.

Those attending were Mrs. Pearl McClain, sponsor, Sandra Schilling, Jeanne Taylor, Debbie Hays, Becky Turner, Charles Fields, Monte Sue Welch, Mary Ann Roberts, Pat Burton, Frieda Floyd and Jerry Cass.

sert dish plus one copy of the recipe.

Mrs. Tom Jarboe won the white elephant gift from Mrs. Lee Spring, who gave a dieting kit consisting of metrical, tape measure and an inspirational poem.

Mrs. Travis Harrell presented the devotional, "Look To Today."

During a lengthy business session, members discussed and voted on projects for the next club year. Among the projects decided upon, were to contribute to the building fund for a Girl Scout Hut, to contribute to the Modern Study Club Library, to contribute toward landscaping the corner lot of the hospital and to furnish two pediatric rooms in the new wing of the hospital. The club will also furnish a backstop for the baseball practice field this summer and will buy needed magazine subscriptions for the High School library.

As in past years, the club will sponsor the Children's Theatre group from Eastern New Mexico University and will award scholarship pins to seniors having 90 or above average for four years.

The club accepted the resignation of Mrs. Bob Reithmayer and voted in a new member, Mrs. Richard Adkins.

Returns Home

Mr. and Mrs. Ted Rutherford of 100 Avondale, Amarillo, have returned home from Clayton, New Mexico, where Mrs. Rutherford, the former Martha Slagle, has been a surgical patient at Union County Hospital since May 4.

New Yield Breakthru

DEKALB E-57 Hybrid Sorghum

Here's a fine "world beating" Yield Breakthru Sorghum that really fills the bill! E-57 is one of DeKalb's NEW Bronze colored numbers that has superior yielding, standing and drought resistance power. Recommended for either dry-land or irrigation farming and in 8 DeKalb research trials, it outyielded E-56a by an average of 13.9 percent. Resembles E-56a in height and maturity.

DEKALB is a Registered Brand Name. Numbers are Variety Designations.

National Honor Society Adds Fifteen Members

Fifteen members of the sophomore class of Friona High School were installed as probationary members of the local National Honor Society in formal ceremonies in the auditorium Monday evening. Dennis Howell, president, was master of ceremonies.

He was assisted by Julia Dennis, Brenda Hawker, Sheryl Long, Karen Osborn, Nan Lillard and Lynn Wilson, senior members of the organization.

As names of members being installed were called candles were lighted and ribbons signifying membership were presented.

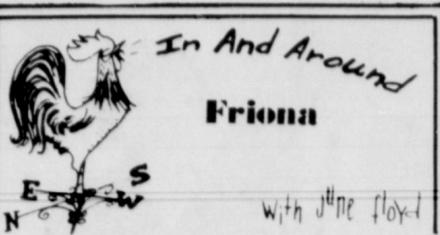

Those installed were Billy Burton, Lydia Buske, Susie Carmichael, Bob Carrothers, Brownie Cole, Linda Fallwell, Darla Howell, Jim Bob Jones, Bobby Jordan, Martha Martin, Susan Neill, David Smith, Shirley White, Terry Lynn Wilson and Mike Wooley.

Active members presented yellow rose buds and membership cards were Sandra Beene, Madalyn Binger, Lonnie Ellis, Frieda Floyd, Gail McGlothlin, Linda Outland, Courtney Owen, Tommy Sherley, Janet Stevick and Monte Welch.

Guest speaker was W. L. Edelman, former superintendent of schools here. He concluded his talk by outlining requirements for membership in the organization, which include scholarship, character, leadership and service.

New officers installed were Tommy Sherley, president; Courtney Owen, vice-president; Susan Neill, secretary and Susie Carmichael, treasurer.

During the social hour refreshments of lime sherbet and doughnuts were served. Linda Outland and Sheryl Long poured and guests were registered by Frieda Floyd. About one hundred persons attended.

Graduation time is just around the corner. End of school activities are beginning and everyone is beginning to get excited about spring commencement. The annual junior-senior banquet is one of the prettiest events of the entire school year.

Members of this year's junior class used a southern theme and the cafeteria has never been more beautifully decorated. It seems that each year students and sponsors for this banquet do an outstanding job.

Apparently mothers of class members who prepared the food did a good job, too. I've never heard so much favorable comment about food at a banquet. This may be an indication that Frionans favor southern food.

moved into town a few years ago, they have concentrated on growing a beautiful carpet of grass on the lawn and confining their flowers to a few beds.

This practice has resulted in one of the most attractive yards you can imagine. Each spring this fine couple set geraniums in a window box on the east side of the house early in the spring and have blooms until way past normal frost date.

There must not have been more than two and one half months between red geraniums blooming in the window box and tulips blooming in the snow during the past winter.

Cuttings from the grass are used as a mulch to retain moisture in the flower beds and to keep the weeds down. Mr. and Mrs. Boggess are both avid flower growers and enjoy creating a spot of beauty.

If you are a procrastinator, and who among us isn't, you will enjoy the following verse entitled: Mister Mean-To Mr. Mean-To has a comrade, and his name is Didn't-Do; Have you ever chanced to meet them? Did they ever call on you? These two fellows live together in the house of Never-Win; And I'm told it is haunted by the ghost of... Might-Have-Been.

Children need models more than they need critics... Joseph Joubert (1842)

STATE DEGREE GIRLS. . . The FHA state degree recipients from Lazbuddie High School are shown in this shot taken during the recent state convention. Left to right are Charlotte Seaton, Linda Monk, Katie Blackstone, Linda Gleason and Marsella Mayfield.

Lazbuddie Church Has Covered Dish Supper

A covered dish supper at Lazbuddie Methodist Church Friday, April 28, followed organization of a young adult's class.

Temporary officers were elected. They were Ronald Elliott, president; Mrs. Glen Lust, vice-president and Mrs. Marion Green, secretary. Teachers elected were Mr. and Mrs. Debo Carpenter.

Mrs. Debo Carpenter and Mrs. Marion Green were appointed to make a study of literature available for class study.

Those present were Rev. and Mrs. Don Davidson, Mr. and Mrs. Dennis Nelson, Mrs. Marion Green, Mr. and Mrs. Ronald Elliott, Mr. and Mrs. Glen Lust and G. Gallman.

Members of Methodist Young Folks served as baby sitters.

Little House of Music To Present "Fun Time"

Plans have been completed by Mrs. Eva Miller for presentation of two sessions of "Fun Time" by the Little House of Music. The first one will be for elementary pupils and will begin at 2:30 p.m. Sunday at First Baptist Church.

The Monday evening session which will also be presented at the First Baptist Church, will be for junior pupils and will begin at 8 p.m. Monday.

Featured on the "Fun Time" programs will be vocal solos, piano solos, quartets, special numbers with ukeleles and folk music. Friends of participants are invited to attend these programs by Mrs. Miller.

Elementary pupils participating Sunday evening will be Kent Miller, Devonn Light, Pat-tijon Talley, Gail Graham, Pam Wilcox, Teresa Ingram, Gayla Self and Jay Messenger.

Also Mike Messenger, Debbie Horton, Cindy Barnett, Debbie Benge, Holly Welch and Gary Mings.

Those appearing on the Monday evening program will be Vickie Schueler, Carleen Schlenker, Vickie Beck, Deann Dickson, Ann Hurst, Sally Kendrick, Gay Welch, Esther Smith, Susie Spring and Janet Mings.

Also Risa Howell, Tinker Dunn, Wayne Schueler, Rex Talley, Lark Jarrell and Kathleen Sheehan.

Club Members Visit Museum

Following a brief business meeting in the home of Mrs. Burl Fish Thursday afternoon, refreshments were served to members of Black Home Demonstration Club by the hostess.

The group then drove to the Westway Community for a tour of the Bess Warner Barn Museum. Mrs. Warner guided the tour and presented the history of various articles in her collection, some of which date back to the fourteenth century.

Those making the trip were Mesdames Fish, Travis Stone, Johnny Mars, Ellis Tanum, Roscoe Ivie, John Bengert, T. J. Presley, F. W. Barnett, Lloyd Prewett, Gene Welch and Helen Fangman and Mary Beth Houlette, a visitor.

Susan Smith Born Friday

Susan Sarabeth is the name Mr. and Mrs. Jimmy D. Smith chose for the baby girl born to them at 1:15 a.m. Friday, May 7 at Parmer County Community Hospital. She weighed 8 lbs. 12 ozs.

Susan is the third child for the couple, who have two sons, Steve, 5, and Randall, 4.

Her grandparents are Mr. and Mrs. Jess Smith, Roscoe, and Mr. and Mrs. J. M. Templeton, Lorraine. Mrs. Bessie Yarbrough is the great-grandmother.

"Death of a Myth" Studied At Meeting

Mrs. George A. Jones and Mrs. Eugene Ellis directed the study of "Death of a Myth" at the Wednesday morning meeting of Meekka Circle of Woman's Society of Christian Service of Friona Methodist Church in the home of Mrs. J. L. Shaffer. They were assisted by Mrs. J. T. Gee, Mrs. A. L. Outland and Mrs. Billy Raybon.

Others attending were Mesdames U. S. Akens, Ernest Anthony, Esther Haws, Jake Lamb, Floyd Rector and Ralph Shelton.

This circle will meet at the home of Mrs. Ralph Shelton Wednesday, May 12 for study at 10 a.m. and a salad luncheon at noon.

Weekend guests in the home of Mr. and Mrs. Bill Baxter were Mrs. Ronnie Castleberry and daughter, Jill, Stratford, and Mrs. Jerry Rankin and daughter, Julia Ann, Lubbock.

Mr. and Mrs. Philip Weatherly and children, Park, Pepper and Penni were Sunday visitors in the home of Mr. and Mrs. John Dozier at Amarillo.

Prospects for another good fruit crop in the Friona area look good right now. Think it is quite unusual for fruit trees here to bear two years in a row, but unless some adversity overtakes us 1965 should be as good as 1964.

Several local residents have taken extra precautions on nights when lower temperatures have been predicted and have protected trees by burning old tires, spraying or other methods of heating. In one orchard I noticed a large stove attached to a butane tank.

An interesting and educational bus tour is being planned by some Friona residents for this summer. A new air conditioned bus is being chartered for a two week excursion which will include points of interest in several central, eastern, north-eastern and southern states.

The tour will also be extended into Canada and will include a visit to Niagara Falls; Chicago; Detroit; Portland, Maine; Boston; New York City; Baltimore; Washington, D.C. and Memphis, Tennessee.

Anyone interested in securing more information on the tour is invited to call Lois Norwood, Jo Phillips, Mrs. Lois Miller or Mrs. Aubrey Rhodes. Present plans are for a 33 passenger bus to be chartered. Reservations for lodging will need to be made ahead of time, so those interested in making the trip, should get their names on the list.

Each year I enjoy the Ed Boggess tulips, roses and geraniums from the street and have been invited a number of times to stop and get a closer view. Before visiting with Mr. Boggess one afternoon this week I didn't know there were so many different varieties of tulips.

Since Mr. and Mrs. Boggess

Local English Teacher Receives Fellowship

Joyrene Morton, one of the English teachers in Friona High School, is one of 40 teachers from throughout the state selected for a summer English Institute June 7-July 16 at West Texas State University.

Sponsored by the U.S. Office of Education and the WTSU English department, the Institute is designed to improve English instruction in the secondary schools, according to Dr. Pat Sullivan, Institute director.

Participants will receive a National Defense Education Act fellowship, which allows a stipend of \$75 a week, plus \$15 a week for each dependent. Teachers were selected on the basis of teaching experience, scholarship, and experience in supervising student teachers. They will receive intensive instruction in language and linguistics, literature, and composition. Selected films, recent developments in the teaching of English, new instructional materials and guest lecturers will be featured.

Assisting Dr. Sullivan will be Dr. George de Schweinitz, WTSU professor of English; Ned Toomy and Curt Rulon, doctoral candidates at the University of Iowa; and visiting lecturers, including Dr. Hamlin Hill, professor of English at the University of New Mexico.

MISS LUBBOCK SPEAKS - Kay Bureson, who was recently chosen Miss Lubbock, was guest speaker at a Cadette Scout meeting at Sixth Street Church of Christ annex Thursday afternoon. Pictured with Miss Bureson are Doris Ferguson, Carolyn Hutson and Janice Clark.

Study Club Members Swap Ideas, Opinions

"Swappin' Ideas and Opinions" was the program topic at the Tuesday evening meeting of the Modern Study Club at Federated Club House.

Brenda Hawker, exchange student from Australia, was guest speaker. She presented an

illustrated lecture concerning her native country and family. Hostesses were Mrs. Lois Miller and Mrs. Roy V. Miller Sr.

Guests were Lois Norwood, Miss Hawker, Mrs. E. G. Phipps and Mrs. Bill Bailey.

Margie Carlton Gets Position

Margie Carlton, daughter of Mr. and Mrs. A.L. Carlton of Friona, has been elected president of Matador Hall at Wayland Baptist College in Plainview.

Margie, who is a senior at Wayland, is a 1961 graduate of Friona High School.

"The Harvesters" Reviewed By Mrs. Danny Smith

The Kolwvvia Circle of Women's Society of Christian Church of Friona Methodist Church met Wednesday morning in the home of Mrs. Mack Rocky with Mrs. Jerry Lunden, circle chairman, in charge.

Mrs. Truitt Read read the prayer calendar and directed the opening prayer. Mrs. Guy Latta was program chairman and directed a group discussion concerning migrant workers.

"The Harvesters," a story of Spanish Americans was reviewed by Mrs. Danny Smith.

Those present were Mrs. Robert Owen, Mrs. G. E. Tannahill, Mrs. Estis Bass, Mrs. Garland Freeman, Mrs. A. S. Grubbs, Mrs. Russell McAnally, Mrs. James Boyle, Mrs. Bill Stewart, Mrs. David Moseley, Mrs. Kenyth Cass, Mrs. Read, Mrs. Smith and Mrs. Latta. Mrs. Robert H. Osborn was a visitor.

Fuller Accepts New Position

Albert Fuller, who resigned his position at Lazbuddie Schools, will be the superintendent of schools at New Summerfield, Tex. beginning next year.

Fuller, who has been superintendent at Lazbuddie two years, resigned a two-year contract which would have extended through the 1965-1966 school year at Lazbuddie to accept the new position.

Maggie Hamlin Circle Meets In Hurst Home

Mrs. Earl Hawkins, program leader, directed a study of "Re-kindling the Inner Life Through Prayer," at the Wednesday morning meeting of the Maggie Hamlin Circle of Woman's Society of Christian Service of

Friona Methodist Church in the home of Mrs. Andy Hurst. The story of the painting of "The Praying Hands" was told. Six prayer problems were read and discussed by the group. Others present were Mesdames Grimes, H. C. Kendrick, Bill Baxter, Howard Ford, Clyde Fields, C. M. Phipps, Dean Awtrey and Dorothy Hough.

Girl's Staters Are Honored

Sherril Tannahill of Friona High School and Sherry Bass of Farwell, the two girls who will be representatives of Friona's American Legion Auxiliary to the Girl's State convention were honored by the auxiliary at a coke party at the Legion Hall Monday night.

Also attending were Mrs. Tannahill and Mrs. Bass, mothers of the girls, as well as former Girl's state representatives Jeanne Taylor, Friona, and Donna Dunn and Melody Coffman of Farwell.

Outland Gets Scholarship

Henry Outland, son of Mr. and Mrs. H.L. Outland, Friona, received a scholarship award of \$100 from the Southwestern Drug company for his academic achievements and campus contributions. The honor was conferred at the annual awards banquet of the school of pharmacy at Southwestern Oklahoma State College.

Lazbuddie High School Announces Selections

Who's Who and favorites have been revealed for school term 1964-65. County Committee Hears Various Area Reports

The County Program Building Committee met April 29th at 7:30 p.m. in the First State Bank Community room in Friona with 18 members present. County Judge Loyde Brewer was appointed Chairman of the Study Committee on "Aging." His committee will study the County aging situation and report back at the next meeting. The need for a Junior College in this area was presented to the group by Alex Williams of Muleshoe.

The multi-purpose dam committee reported their efforts on the multi-purpose dam project. Time is getting close as the main survey crew plans to start in Hale County on May 10 and work up Running Water Draw with the final survey results.

Some members of the Program Building Committee had requested information on Vocational training, labor housing and other programs under the Economic Opportunity Act. The County Agent and FFA Supervisor discussed briefly various EOA programs and related activities to the group and answered the questions that committee members had.

The Commodity Committee chairman, A.L. Hartzog, briefly outlined the proposed rules on County Cotton festivals for Counties in the State to promote cotton. The County Program Building Committee recommended that this project be turned over to the County Cotton Improvement Association to be further developed on our County level.

Give thanks to Him and bless his name. —(Psalms 100:4).

Today let's take time to be thankful for the good in our lives, for the friendliness, expressed by our friends, co-workers, and our family. We are thankful for the opportunities to express God's love and for the many blessings to bring continued good into our lives, so we can live in peace and harmony with our fellow man.

A well-fertilized crop usually is healthy and has a good root system. This helps get it off ahead of the weeds in the spring, be more resistant to insect attacks, and mature earlier.

County's March Wrecks Cause Seven Injuries

There were 13 rural accidents in Parmer County during the month of March, according to Sergeant W.E. Wells, Highway Patrol Supervisor of this area.

These crashes resulted in seven persons injured, and an estimated property damage of \$9,275.00.

The rural traffic accident summary for this county for the first three months of 1965 shows a total of 28 accidents resulting in two persons killed, 12 persons injured, and an estimated property damage of \$16,665.00.

"The final entry in the 1964 Texas Traffic book has been entered and closed with an astounding record," Sgt. Wells stated. "Yes, an all time record of 306 persons were killed 182,081 persons were injured, and there was \$486,846,000.00 property loss. This compares to the 1963 record high of 2,729 persons killed, 161,543 persons injured, and an estimated property loss of \$432,715,000."

CAPITAL BRIEFS

CAPITALIZED GOVERNMENT—The national government now supplies state and local governments with 14 per cent of their revenues in federal aid programs, making them more dependent on and subjecting them to more controls from Washington, according to Sen. Strom Thurmond (R-S.C.), when federal aid programs are estimated to reach \$13.6 billion, up 26 per cent since 1956.

SOCIALIZED HOSPITALS—The Appalachia program provides for a 100 per cent federal grant to defray the cost not only for the equipment but for the actual operation of health centers and other hospitals. It is one thing for the federal government to aid in the construction and purchase of equipment for a hospital, but quite another when the federal government, rather than the state, also pays the cost of its operation. Rep. Leslie Arends (R-Ill.).

RENT SUBSIDY—President Johnson's proposal for direct rent subsidies to the needy (including those with annual incomes of \$10,000) is "unconscionable," according to Sen. Allen J. Ellender (D-La.). If the proposal is ever written in law, Ellender said, "we will be pushed even deeper on the uncharted seas of deficit spending in search of the promised land, or, to use the current expression, the 'Great Society.'"

GOVERNMENT COMPETITION—"Since President Eisenhower left office the government's investment in activities that compete with private business has been increased by more than \$2 billion," said Sen. Wallace F. Bennett (R-Utah).

By JOE VAN ZANDT
County Agent

The rain Monday morning helped furnish a little more of our water requirements for this year's crop. Here's hoping we can keep these rains coming and avoid another real dry summer like last year.

CHEMICAL CLEARANCES

Last week we received a notice that the clearance for the use of forage from fields treated with Propazine and Atrazine had been cancelled. Propazine and Atrazine are now cleared for use on sorghum for grain only.

The USDA Plant Biology Department advises that it has decided that further evaluation is needed before these materials can be released for use on sorghums for forage.

We have notice of clearance for Treflan on several additional crops now which follow: Cotton, Soybeans, Southern Peas, Lima Beans, Safflower, Tomatoes and for seed production only on Dry beans and Castor beans.

tions give us a call.

The County Screwworm Eradication committee needs about \$50 in donations to reach the County goal of \$584 for the statewide fund raising campaign by livestock producers. Send your contributions to Joe Jones, Farwell or Jack McCracken, Bovina.

SORGHUM MIDGE MANAGEMENT

Even though Sorghum Midge damage was very light last year, we found out in 1963 how midge damage can hurt.

We have found that grain sorghum that blooms no later than the first week in August will usually escape serious midge damage.

Sorghum producers who haven't already planted should make sure, through their seed dealer, that they have the right combination of variety and planting date for peak blooming by early August.

ADULT LEADER FORUM

Several local adult leaders will be accompanied by the Extension Agents next Monday for a trip to Amarillo. We will be attending a District 4-H Adult Leaders Forum there.

4-H Leaders who attended the State Forum have made plans for this event to share information and inspiration they gained in the State Forum. We believe this will be a very informative meeting and if any leader would like to go, give the County Agents office a call because we might still have room to take you.

COTTON SEEDLING DISEASE

We are anxious to see how our fungicide demonstrations on cotton seedling disease are going to show up after this spell of cool, wet weather. If any farmers haven't planted their cotton or have to replant you might check with the County Agent about trying out some of these new fungicide materials. We have a little material left over so far and would like to see it get out and put to use here in the County.

What I have left is a granular material and can be put out with D-Syston application equipment. If you want to try some call the County Agent's office in Farwell.

WE'RE 18 YRS. IN BUSINESS THIS MONTH. WE WANT TO TAKE THIS OPPORTUNITY TO SAY THANKS

THE FRIONA FARM NEWS

VISITS HERE. . . The state FFA president, Calvin Brints of Crosbyton, spoke to the Friona chapter Tuesday. Brints is shown visiting with the chapter president, Danny Murphree (right) and vice president Dennis Howell following his talk.

SHERYL WINS AGAIN

FFA Chapter Gets Lion's Share Of Contest Awards

Friona FFA chapter brought home an armload of awards at the Area 1 convention at Amarillo last Saturday. Sheryl Long, chapter sweetheart, was voted "area sweetheart" by the FFA delegates. The chapter's publicity scrapbook, prepared by Miss Long and Carolyn Hamilton, chapter "plowgirl", and Friona also received the television award. The latter award, under the guidance of Benny Pryor, one of the chapter advisors, was won on the basis of having more television "time" than any other entries in the area contests. The chapter's talent entry, the "Tyrants," placed second in the contest, being edged out by four votes by Tullia's entry.

The musical combo is composed of Eddie Wood, Gene Weatherly, Johnny Claborn and Terry Fite. Steve Wagner and Roger Nelson, who have made application for their Lone Star Farmer degrees application cleared by the area checking committee. The record books now are sent to Austin where the state checking committee must pass on them before the state's top FFA degrees are approved. The chapter had another entry in the area contests. He was Mike Riethmayer, in the Star Chapter Farmer contest. All of the entries in the area contests had previously been winners in the district FFA contests previously. The chapter scrapbook in-

cludes in part all publicity given FFA in any way by the Friona Star. A district publicity scrapbook, prepared by a Littlefield vocational agriculture instructor, and including Friona clippings, was judged the top entry by district at the area contest.

Wins Trophy

Larry Potts won a first place trophy in the tie down calf roping event of the junior rodeo sponsored by the Aggie Club of Clarendon College in Clarendon last weekend. Thirty-two contestants entered the roping events. Potts also posted the fastest times in the events by performing in 17.1 seconds.

USDA Wants Opinions On Skip-Row Rules Change

The U.S. Department of Agriculture is proposing a change in the rules for measuring cotton when planted in a skip-row pattern for compliance with acreage allotments. The change, if adopted, would become effective for the 1966 cotton crop. In skip-row planting, strips of cotton rows are generally alternated with strips of idle land. Under the present rule, all the idle land beyond 1/2 of a normal row is not counted as cotton when computing the acreage. This ineffect spreads the allotment over more acreage. Under the change, a part of the idle land will be considered cotton acreage for allotment purposes. USDA officials say that studies of different skip-row planting patterns confirm that the cotton planted on the outside or next to the idle space produces more than cotton planted in a normal row pattern.

Under the proposed skip-row cotton rule, not only the land planted to cotton but also the 32 inches (an additional 12 inches over what is now counted) beyond the outside rows next to the idle land would be charged as cotton acreage under the allotment program. The following examples illustrate various skip-row patterns, the amount of the planted area counted as cotton under the present rules and the amount which would be counted as cotton under the proposed rule. For example purposes, it is assumed that cotton row width is 40 inches. Any changes in row width would mean additional adjustments in acreage.

The following example demonstrates how skip-row planting works: a farmer with a 50-acre cotton allotment using the skip-row pattern of 2 rows of cotton and two rows skipped. Under the present system the farmer would be considered to have half (50%) of the total area planted to cotton. This would permit him to utilize 100 acres of land and still be considered as being in compliance with his 50-acre cotton allotment. Under the proposed new rules, 65 percent of the land would be considered as planted to cotton. Therefore, he would be able to plant no more than 77

Pattern	Charged as cotton under present rule (per cent of area)	Charged as cotton under proposed rule	Percentage increase (Col. 3 over Col. 2)
2 row cotton	66 2/3%	86 2/3%	30%
1 row skipped	50%	65%	30%
2 rows cotton	33 1/3%	43 1/3%	30%
2 rows skipped	66 2/3%	76 2/3%	15%
4 rows cotton	50%	57 1/2%	15%
4 rows skipped			

"PREACH" CRANFILL
... Retiring

JIM JOHNSTON
... New Manager

AFTER 34 YEARS

Cranfill Retires As Friona Elevator Man

G.L. (Preach) Cranfill, manager of Friona's Continental Grain Company, is retiring this year after 34 years as a local grain elevator manager.

The company has announced. It was about 1930 when "Preach" started operating at the same location, managing an elevator as a branch of Transit Grain and Commission Company, which was then one of the leading grain merchants in Texas.

In 1943, Santa Fe Grain Company was incorporated and took over operating of the elevator, with Preach continuing as manager and stockholder. On December 15, 1953, Continental Grain Company leased the plant and induced Cranfill to remain as their manager.

Succeeding Cranfill as manager of the Continental elevators in Friona and Parmer-ton is James D. (Jim) Johnston, who came to Friona from Fort Worth in December of 1962. While his retirement is already official, Cranfill will continue in advisory capacity until the end of the year.

Always a backer of the community, Cranfill has served as member of the Friona School during previous building programs for the school, and had an active interest in founding Parmer County Community Hospital.

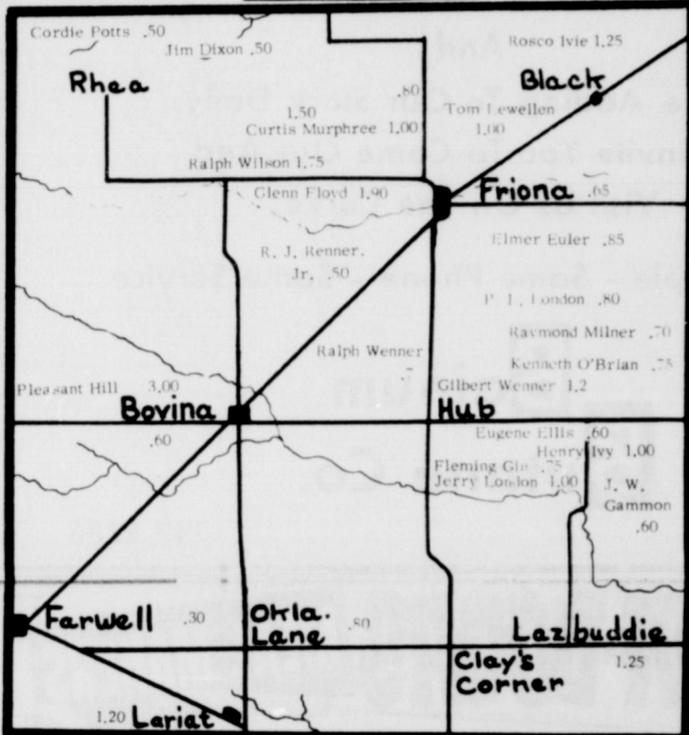

Leo Potishman of Fort Worth president of Santa Fe Grain Company, says "I have known Preach for about 40 years and there is nobody with whom I have had a more pleasant relationship. He is tops in every way."

He and his wife Zola have three children. They are Dr. Lee Cranfill and Mrs. John Fred (Sue) White of Friona and Mrs. Jimmy Patton of Canyon. They also have four grandchildren.

The Johnstons have three children. They are Larry, 11; Dorothy, nine and Bryan, five.

OVER UMBARGER

Friona Nine Scores 5-4 Win In League Opener

Friona's Irrigation Belt League team borrowed some players from Eastern New Mexico University Sunday, and a couple of the "recruits" played key roles in the local team's 5-4 win over Umbarger in the league opener.

In the end, however, hometown star S. D. Baize scored the winning run for Friona. Baize, who missed the season at Sul Ross State due to a broken foot bone, had socked a double earlier in the game as a pinch-hitter, batting in a run and scoring a tally.

Pitcher Jackie Jennings accounted for all of Umbarger's runs, with a pair of two-run home runs. He had two of the visiting team's three hits.

A Portales collegian, "Army" Salinas, started on the mound for Friona. He was touched for Jennings' first blast in the third, giving Umbarger a 2-0 lead.

Friona picked up its first run in the fourth on singles by Jackie Clark and Kenneth Herring, another ENMU recruit. Then in the sixth, Herring walked, and Baize, batting for Ted Renner, knocked Herring in with his double to tie the score. Baize's hit was followed by a homer by another Portales player, Doug Martin, to give Friona a 4-2

lead.

Umbarger tied the count at 4-4 in their half of the eighth on a walk and Jennings' second homer.

In the home half of the inning, Baize walked, and Doug Dodd hit a grounder to the second baseman. The Umbarger fielder threw the ball away, and Baize came all the way home with the winning run.

Darrell Read, who pitched the final six innings, picked up the win. The ex-Bovina High School star struck out seven and walked only one.

Friona goes to Silverton for a game on Sunday, then will be at home the following week.

Murphree Is Second In State Track Meet

Friona's Danny Murphree placed second in his event, the 220-yard dash at the state track and field finals Saturday at Austin.

Murphree ran a 22.4 race in the finals. He was second to Tommy Green of Sinton, who won both the 220 and 100-

yard dashes in the class AA finals.

The showing by the Friona speedster is the best in track for Friona High School for the past several years, being eclipsed only by the 1953 FHS mile relay team, which captured the first-place trophy.

Coach Bob Owens was among those leading the cheers for Murphree's showing. "We thought he did a tremendous job," Owen said.

The Friona Coach pointed out that Murphree had a good start—about as good as he has had all year, but the Sinton flash, a colored boy who is only a sophomore, had a flying start and stayed about a step ahead the entire race.

As it was, both runners broke the former state record for the 220-yard dash. The record was 22.6. Green's winning time was 22.2 and Murphree ran a 22.4.

Species of cotton are found native in all continents except Europe.

Cookbooks first appeared in Greece in the fourth century B. C.

Baskets were originated for collecting and storing grain.

Grade School Pupils Tour Library

One hundred thirty seven students visited the Friona Public Library May 5th. The four 4th grade teachers, Mrs. Frances Hamilton, Mrs. Lois Miller, Mrs. Jane Bandy, and Alton Peak guided the library trip. Tom Bandy's fifth grade class came the same day. There are 28 in this room.

The location and variety of youth books available for this group was shown by Mrs. Ross Ayers. She also showed and explained the author and title card filing system.

The students were invited to participate in the Summer Reading Program by Mrs. Bill Stewart. She explained that each school age reader who reads as many as 12 books during the summer will earn a reading certificate. Teachers will be notified in the fall of those who do receive these certificates.

Mrs. Stewart told that beginning Tuesday, June 1st, the library will be open from 9 a.m. to 12 noon each Tuesday, Thursday, and Saturday. That two books per reader can be checked out for 1 week and can be rechecked if necessary.

Each student was invited to read by Mrs. V. I. Zeman even if he did not want to work toward a certificate. The library is for everyone of every age and is in the Federated Club House north of the Methodist Church.

Bond Sales For Quarter Hit \$28,067

Savings Bond sales for the first three months of 1965 in Parmer county totaled \$28,067. Of this amount \$2,786 were purchased during March according to a report released by Frank A. Spring, chairman of the Parmer County Savings Bonds Committee.

Sales in Texas for the first quarter of 1965 amounted to \$39,286,192, which represents 26% of the state goal of \$152.8 million. The county figure represents 28 per cent of the 1965 goal.
