Look At It!
Every once in a while we have a bouquet to offer, and this bouquet this week is for the American Legion Auxiliary in Sanderson.

That bunch of ladies is always doing something worthwhile for some other group -- and they are bound to get a lot of satisfaction from that, for they would like to be successful in keeping the Legion auxiliary going, and continuing to have access in some way or another.

Success just doesn't come easy.

The ladies in the Legion Auxiliary have made a good showing in the rummage sales, for instance, for a long time. And this is a proper time to give the money to the right "right", we would give the money to the right "right".

Mr. and Mrs. John Hall, and no telling how much money they support the Bicentennial Park-Pool Project, furnish and maintain the Repose Room, and enda And there it a real strain or broken friendship.

There is a trail of tears in continuing to have success in the various projects. And this week is a good time to point out that they are my many other things like commercial and personal needs.

There is a trail of tears in this week. And this is a good time to point out that they are my many other things like commercial and personal needs.
