

How does it feel to have been "just a fan" after being a coach for 15 years and being right in the middle of all the action for so long?

We asked that question this week of Baker Duggins, who is completing his first full year as a non-coach since he has been in Friona, having retired from the coaching ranks last spring to devote full time to counseling in Friona school system.

"It's been a year of mixed emotions," the red-head commented.

Duggins stated that not being a coach while the games were being played didn't bother him so much as certain other stages during the school year.

"Before the basketball season I missed the 'getting ready' period. It seemed that I should be doing something with the season approaching," Duggins said.

Duggins re-affirmed that he had no regrets as to the choice he made, as he has been able to become more of a full-time counselor.

"And being a counselor for 1200 students is a full-time job, when you consider that many schools have a counselor for every 400 or so students," Duggins asserts.

"Naturally, I was apprehensive about giving up my girls basketball program after the many years I had put into it in Friona," Duggins said.

He added in the same breath that the job that present coach of the Squaws, Mel Williams had done this year helped to make him feel better about leaving the position.

Baker, like most people in Friona, thinks that Williams did a marvelous job in his first year as coach of the team. "He was definitely on the spot, and came through in flying colors," Duggins said.

The former coach of the Squaws stated that the past year has been an especially hard one because he had to make every effort not to become "involved" where the team was concerned.

"Next year it will be much easier, because I'll be that much farther removed from the team," he said.

He credited the senior members of the team with doing a fine job in "bridging the gap" between coaches and providing leadership for the rest of the girls.

"I told them last spring when I announced that I wouldn't be coaching that they must not come running to me if they had a difference of opinion with their new coach, whoever he might be," Duggins said. "He will be the coach, and you'll have to abide by his ways." Baker says he told the team.

Friona has surely proven that it has more beauties per capita than any other city in the state.

A story elsewhere on this page tells of the latest honor brought to Friona, by Sheryl Long as district Lions Club Queen.

Added to honors already won by Kay Burleson (Miss Lubbock) and Iva Ben Parr (runnerup, Miss Austin), we're getting quite a reputation for pretty girls (if we didn't already have it).

Look for a stormy session the rest of the way in the Texas Legislature. Lieutenant Governor Preston Smith has said he isn't "breaking" with Governor Connally over the governor's veto of the proposed medical school for Texas Tech.

However, since Smith is a Texas Tech grad, you can bet that the governor didn't gain much stature in Smith's eyes, nor with many of the senators and representatives from the West Texas area.

Thus, the governor is going to have a rocky road getting his "pet" bills passed the rest of the way, especially from the members of congress from the Lubbock area.

BEATS 40 GIRLS

Sheryl Long Is Crowned District Lions' Queen

Friona's Sheryl Long, representing the Friona Lions Club as club sweetheart, was named Queen of District 27-1 at the annual District Governor's banquet at Dalhart last Saturday.

Sheryl, a senior at Friona High School and former Matze West Texas - Panhandle area.

Queen, won the honor over 40 other club sweethearts in the West Texas - Panhandle area.

Runnerup was the Dalhart entry, Mary McEnroe.

Among her many other honors, Sheryl, the daughter of Mr. and Mrs. Wes Long, is a past Worthy Adviser of the local Rainbows, is a member of the FHA and National Honor Society at Friona High School and is a twirler in the band. She has been a member of the Friona Squaws basketball team throughout her high school career.

Eight members of the Friona Lions Club were among the 464 members of Lions International who attended the district convention. Attending from Friona were Bill Sheehan, Flake Barber, Jake Outland, Steve Messenger, Bill Lyles, Jim Johnston, W.L. (Prech) Edelman and Wes Long.

Edelman appeared on a forum which presented a special program for incoming officers. Hereford was selected as the host city for the 1966 district convention.

Officials of the local Lions' Club stated that it was their belief that it was the first time that Friona's entry had won the queen's contest, although they have had some good representatives through the years.

By winning the district queen's title, Sheryl is eligible to enter the contest for state queen at the state Lion's convention in June.

Sheryl Long

No Action On School Pavement

The Friona School Board postponed action on the proposed paving of streets adjacent to its property where the new high school complex is being construction at its regular meeting Monday night.

Board members felt more information was needed, particularly an estimate of the amount of on-site paving to be done by the school, before they could act on the proposed contract submitted by the City of Friona.

To begin the meeting, new members, Dr. Paul Spring and Louis Welch were sworn in as trustees.

Porter Roberts, school tax assessor-collector, reported that a total of \$1,951.67 in delinquent taxes was collected during March, leaving a total delinquent as of March 31 of \$11,934.41.

In other business, the board voted to purchase three buses for the beginning of the 1965-66 school term, instead of two as is customary.

Superintendent of Schools Alton Farr gave his monthly report on the school budget, as well as general, activity, transportation and cafeteria funds.

Farr also gave a report on the progress of the building program, as well as a summary of the proposed football stadium for the benefit of the two new board members.

Jaycees To Hold Annual Egg Hunt

The Friona Junior Chamber of Commerce will sponsor its annual Easter egg hunt Sunday at the Jaycee Rodeo Grounds, beginning at 2:30 p. m.

A total of 150 dozen eggs will be hidden, according to Leon Noack, chairman of the event. There will be three age groups, 1 through three years of age, four through six and seven through 10.

BREAKING GROUND. . . Five ladies of the First Baptist Church assisted in ground-breaking ceremonies for the church's new addition last Sunday. From the left are Mrs. Florence Buske, Mrs. Rosa Anderson, Mrs. J. B. McFarland, Mrs. George Baker, Mrs. J. H. Wise and the pastor, Rev. Bill Burton.

1964 SUMMARY

County's 'Cotton Count' Verified: 52,892 Bales

Parmer County's cotton production for 1964 was verified at 52,892 bales, according to figures released the past week by the Bureau of the Census.

Thus the bale count made 1964 the fifth-highest production year, according to number of bales, in the county's history, despite the fact that the growing season was unusually

dry, and crops were plagued at planting time by hail and hard rain.

FIRST BAPTIST

Construction Begins On Church Addition

The First Baptist Church of Friona began construction this week on a \$73,000 addition to its physical plant. The new addition will house the nursery and Sunday School classrooms for children through the age of six, plus two married young people and young adult departments.

By adding the new space, the married young people's department, currently meeting in an

annex across the street from the church, will be back under the "same roof" with the rest of the church, and gets the nursery and children's departments in the same general area as those for the parents of the children.

The new addition measures roughly 76 by 100 feet, although a total of 7873 square feet will be added.

Taylor Construction Company of Friona was low bidder of five contractors submitting bids. Architects were McMurry and Craig of Lubbock.

The addition will adjoin the present south wing of the church, and will be connected to that wing by corridors. The building will be of the same type of construction as the present church building.

A unique feature will be a covered driveway and entrance on the south side of the addition which will face Fifth Street. This will be for the mothers of small children to use and will be especially handy in bad weather.

Members of the building committee are John L. Ray, chairman; M. C. Osborn, Curtis Murphree, T. I. Burleson and C. W. Tannahill.

On the building finance committee are George Taylor, W. D. Buske, Raymond Cook, Leroy Johnson and Cordie Potts.

The building needs of the church was surveyed some time ago by a committee made up of Cook, Taylor, G. B. Buske,

(Continued on page 3)

STUCK TRUCK . . . The above truck, loaded with a back-hoe earth mover, found itself in this predicament last week on the Jim Black place near Black. The back-hoe was being used to dig out the channel to a lake pump on the place, and after the job was finished the truck was to be towed up the incline. However, the two-chain broke, and the truck rolled backward into the 10-foot pit.

HERE SATURDAY

Amarillo Newsman Will Speak At JC Banquet

Bob Izzard, news director of KGNC radio and television, will be the featured speaker at the Friona Junior Chamber of Commerce banquet and officer installation Saturday night.

The event, scheduled at the Friona High School cafeteria, will begin at 7:30 p. m. This is

the first time the Friona Jaycees have secured a speaker and installed their officers with a banquet-type program.

Tickets for the event are available from any member of the Junior Chamber of Commerce. The banquet was originally scheduled for March 21, but had to be re-scheduled. All tickets purchased for the original date will be honored, and tickets will be available at the door, Jaycee officials state.

Izzard, who along with his father Wes, editor of the Amarillo Globe - News has

probably the best-known "news" name in all of the Golden Spread, will speak on the topic "Youth and Community Development."

Junior Chamber of Commerce officers for 1965 who will be installed are Virgil Phipps, president; Don McMahon, first vice president; Monte Fowler, second vice president; Gerald Shavor, treasurer; Jerry Jones, secretary; Johnny Miller, inter-club director; Gerald Floyd, D. E. Renner, Dale Williams and Eune Martin, directors.

Bud Miller of Tulsa, state Junior Chamber of Commerce director, will serve as installing officer.

Council Meets

The Friona City Council will hold a special meeting Monday at 8 p. m., according to City Manager A. L. Outland.

Awards will be presented to outstanding members of the club, based on work done during the calendar year 1964.

REGIONAL-BOUND . . . Friona Chieftains who qualified for the regional track meet by placing first or second in last week's district meet are (top to bottom) Gene Weatherly, Dale Milner and Danny Murphree. The trio will compete in a warmup meet at Olton today. (See story on an inside page)

Current Comments From . . .

Wellington . . .

With spring temperatures ranging in the eighties the thoughts of the gardener turn to planting; but if you are too old or too crippled to do it yourself the season brings frustration as well as temptation. Vegetables you get out of your own garden are delicious and taste better because they are tenderer, fresher and have more health building vitamins; but do not delude yourself into thinking you are saving any money by raising vegetables in town. You can buy them much cheaper at the grocery store. The fallacy is equal to the hunter or the fisherman who tries to make his wife and his banker believe that he is saving money on the food bill.

Deskins Wells In THE WELLINGTON Leader

Canadian . . .

Rummaging through some family papers a few days ago, Stella Dake came across a real rarity . . . a one-cent postal card with a memorial stamp for President McKinley (1843-1901). You don't have to go quite all the way back to McKinley's time to remember when there were such things as "penny post cards" . . . but we've got a hunch that a one-cent rate for post cards would be about as hard to revive now as McKinley.

The one-cent postal card went out of style along with the two-cent stamp for first-class mail . . . and if you can remember either one you don't have to worry about the draft. We do remember that the two-cent stamp was red to match the post office deficit . . . and we note that while the color and the cost of the stamps have both changed, the color of the deficit hasn't.

Ben Ezzell In The Canadian Record

Slaton . . .

A salesman in the Slatonite office last week said on his calls that Brownfield people seem real optimistic about getting rain. They say with Lamesa's rainmaking machine and Levelland's prayer crusade for rain, they hardly see how they can lose.

WW

Over in Seminole, the jaycees claim their idea may be as effective as seeding the clouds — and not nearly so expensive. Last week they wore raincoats about town in a modern version of the old Indian rain dance.

In an effort to induce a downpour during the first two days of April, the jaycees were asking other citizens of the community to join them in wearing raincoats.

WW

One Slaton resident told me this week, he had a surefire thing. The days he waters his yard all day — it rains that night. Said it worked for him last Friday and Sunday. I encouraged him to keep watering!

Lavon Nieman In The Slaton Slatonite

Belton . . .

This column was not written until the last minute (and on a linotype rather than a typewriter) before press time. The reason for the lateness is that a religious group said the world was coming to an end last Tuesday, and I allowed them an extra day for a slight miscalculation. No use in doing any work unless it's absolutely necessary.

But the world is still here, which may be a mild disappointment to some people.

Every few months a group predicts the end of the world. Don't laugh at them, because just by the law of averages, they may someday be right. And then they would have the last laugh . . . and I do mean last.

James L. Russell In The Belton Journal

AN EDITORIAL

Telephone Tax Created As "Wartime Emergency"

We will reach the twentieth anniversary of the end of World War II this summer.

One of the unpleasant fringes of a wartime existence was the duty of supporting our national effort through virtually any device that would contribute to victory and peace. Among them was the imposition of taxes on virtually anything that would support taxation, even by over-stretching logic and reason. Our hope was that with the attainment of victory and peace, reason would return to our tax structure as well as to the rest of our economic and social existence.

But today, nearly twenty years later, we are still paying a ten per cent federal excise tax — a "luxury" tax, if you will — on a commodity as essential to our social and economic life as local and long distance telephone service.

Many stabs have been made since World War II toward removal of this illogical tax. The House Ways and Means Committee conducted hearings on the subject before Congress last autumn. Both President

Ralph T. Moore writes in the Oregon Voter: "The racial issue gets worse instead of better as Negroes, spurred on by the accumulation of past frustrations, disregard the advice of their more intelligent leaders and keep up a drum-fire of outright anarchy and mob action, destroying property, inflicting casualties on innocent people, and giving vent to a jungle-like viciousness intolerable to their own Negro leadership as well as to their white fellow Americans. Nothing could be more harmful to their cause of achieving equality . . ."

Johnson and Secretary of the Treasury Douglas Dillon have stated that excise taxes will be given a thorough review again in 1965.

The only shred of logic behind the imposition of an excise tax on telephone service was directed to the idea that the levy would tend to inhibit the use of the telephone lines that were then tied up to capacity with vital wartime traffic. Today, there is no longer any need to place such a restriction on telephone service.

There are four strong arguments now to repeal this tax:

(1) The tax is on customers, not telephone companies, and it falls most heavily on lower income groups who must pay it on an essential household service.

(2) Repeal would be a substantial stimulus to the economy, because elimination of the tax would produce immediately a ten per cent reduction in telephone bills. This in turn would stimulate additional use of communications facilities and services, producing in turn more communications construction — more employment — additional tax revenues to the government. Thus, the loss of the telephone excise tax as a source of federal revenue would be offset, at least partially, by new revenue from other sources.

(3) Telephone service is not a luxury and it no longer needs the inhibiting effect of a tax to keep people from using it.

(4) The war emergencies which brought on telephone excise taxes have not existed for nearly 20 years.

Your Congressman deserves to know your feelings about this unfair, burdensome and illogical tax. Your letter will help him to get it repealed. Write now.

FFA members from each of the county schools display the trophies won at the SCS District Land Judging meet held in Friona last week. Farwell was winner of the event with 510 points followed by Lazbuddie with 479; Bovina with 426 and Friona with 376, in that order. Highest possible score was 720. Left to right: Dennis Fallwell, Friona; Bovina boy (not identified); Danny Miller, Lazbuddie and Greg Martin, Farwell.

Sheehan Is Named Chairman

Attorney General Waggoner Carr has announced the appointment of Bill Sheehan of Friona to serve as official representative for Farmer County, for the 1965 attorney general's youth conference on crime.

This Third Annual Conference will attract over 1600 outstanding youth leaders from throughout Texas to study projects for implementing in Texas communities for the preven-

tion of delinquency. Many outstanding programs have already begun in Texas as a result of the first two conferences, including youth juries, programs for tutoring students to prevent drop-outs, and various other community service projects. Civic clubs, churches and other organizations or interested individuals will sponsor delegates, and individuals interested in participating should contact: P. O. Box 997.

The conference will be held in Austin August 20 through 22, 1965.

Frionans Attend Rites

Mrs. Ann Mace and daughter, Judy, and Mr. and Mrs. Joe E. Mace, all of Friona, attended funeral services for Mrs. Minnie F. Arnold of Holdenville, Oklahoma, there Monday of last week.

Mrs. Arnold, 90, a long time Holdenville resident, was the mother of Mrs. Ann Mace and grandmother of Joe and Judy. Other survivors include a daughter, Mrs. Charles Powell, Holdenville; two sons, Joe Arnold, San Diego, California.

Funeral services for Mrs. Arnold, who died at her home April 3, were conducted from the Church of Christ at 10:00 a.m. Monday.

The Frionans returned home late Monday.

**Mexican Church
 Holds Revival
 Starting Monday**

A revival meeting will be held at Friona's Mexican Baptist Mission beginning Monday, April 19 and running through Sunday, April 25.
 Rev. Frank Morales of Lockney will do the preaching. Amado Coronado of Friona will direct the music.
 Services will be conducted nightly at 8:30 on weekdays, and at 11 a.m. and 7 p.m. on Sunday.
 All Latin Americans in the Friona area are invited to attend, according to Rev. Joe Garcia, pastor. Farmers with Spanish hired hands are urged to allow them to quit in time for the weeknight services, which have been set back to 8:30 p.m.

**Williams Bags Another
 Ford Company Award**

Glen T. Williams, of Friona Motors was honored for the third consecutive year as one of the top Ford car and truck salesmen in the Ford Division's Phoenix Sales District at a banquet recently at El Paso. Williams was cited as the sixth leading salesman in the

entire district, which encompasses a good portion of West Texas, all of New Mexico and Arizona.
 Another Friona man, Boyd Pipes, who recently left the company, was due to receive an award as a member of the "300-500" club, but Pipes did not attend the banquet.

Construction...
 (Continued from page 1)

Mrs. Charles Allen, Mrs. M. C. Osborn, Mrs. C. W. Tannahill and Mrs. Dan Ethridge.
 The addition is slated to be completed by October 1, the beginning of the new church year, according to Rev. Bill Burton, pastor.

The year 1963 was the year that Williams came up with his best sales record according to Ford's "point system". He said "I didn't hardly match that in 1964, and wasn't expecting to do so well for the past year."
 However, in competition with all the other salesmen in the

district, Williams, came out pretty well.

In addition to receiving an engraved plaque commending him for his sales record, Williams received a silver tea service. This was added to other silver prizes Williams had won in the past three years. The previous year the Friona salesman was awarded a silver chip-n-dip set with service for eight, and had previously been awarded a three-foot candy server.

Williams is in competition with salesmen in cities such as Clovis, El Paso, Phoenix, and Albuquerque in the annual contest.

What Lutherans Teach ---

By Fred Beversdorf, Pastor ---

Fred Beversdorf, Pastor
 "If Christ be not raised, your faith is vain; ye are yet in your sins." 1 Cor. 15, 17.

Recent surveys among protestant ministers have indicated that many of them do not believe in a bodily resurrection of Christ Jesus. This is heart-rending, for such belief

can only lead to destruction. If Jesus Christ was not raised from the dead, He was a Liar. He said, "I have power to lay down my life, and I have power to take it up again." John 10, 18. He also said the resurrection would be the only real sign He would give the world. It was a sign comparable to Jonah, in which Jesus would be dead and in the earth for three days and three nights, and then as Jonah was thrown out of the fish, so Jesus would come out of the Tomb. Matt. 12, 39-40.

The Bible also indicates that the Father and the Spirit cooperated in His resurrection. The Father was satisfied with the work and death of His Son, and when He had paid the full penalty for our sins, He was raised from the dead. If He had not come out of the Tomb, we would have no Christianity. Our sins would be still upon us.

There's a simple way for you to find out if He rose from the dead or not. Just go by yourself and ask God in a simple prayer to show you whether or not this is true. If it is true, ask Him to come into your heart. Then you will really know.

Two men once set out to disprove the resurrection from the Bible itself. Before they finished, they were believers in it. So can you find out, but be honest and give it an honest try. Rom. 10, 9.

Come worship with us this Easter morn. If you want more information on the resurrection, write us or call on us.

GLEN AND PRIZES. . . Glen Williams is shown admiring the latest awards he received at the district Ford banquet recently at El Paso. Williams rated sixth in the entire district.

**Zing into spring!
 in a new Chevrolet**

If you've been sitting tight waiting for just your kind of car, with just your kind of power, at just your kind of price--wait no longer!

Chevrolet. It's a bigger, more beautiful car this year. Which is why that handsome silhouette could be mistaken for cars costing a thousand—even two thousand—dollars more.
Chevy II. No car so trim has a right to be so thrifty. But thrifty it is, with money-savers like brakes that adjust themselves and a long-lived exhaust system.
Chevelle. This one's got lively looks, spirited power, a softer ride—and remarkable room atop a highly maneuverable wheelbase. No wonder it's today's favorite mid-size car.
Corvair. Ask any '65 Corvair owner how it feels to drive a car with such easy steering, tenacious traction and responsive rear-engine power. And be ready to do lots of listening.

Of Interest To ★ THE WOMEN ★

Witten Pupils Present Recitals

Mrs. J. Lee Witten presented her piano and voice pupils in two recitals in her home-studio, 804 Woodland Avenue. Participants were dressed in costumes of countries from which their selections originated.

Mrs. Charles Allen, who assisted with the recitals, was dressed as a gypsy and played "Gypsy Rhapsody" by P. Sarasate as her opening number.

The first recital began at 5 p. m. Monday and the final session began at 2 p. m. Sunday. Fathers were special guests.

The country, costumes and pieces that the others represented were: Frances Louise Dodd, Greece; "Ballet of the Ancient Greeks"; Gluck; Carolyn Kay Murphree, Austria; "Emperor Waltz," Strauss; Carol Ann Reeve, India; "Song of India" from Legend of Saaks - Rimsky-Karsakov;

Tracy Barber, Spain, "A Spanish Fiesta"; Thompson and "Never On Sunday" arranged by Mrs. Witten; Loy Gene Armstrong, Germany, "Ode To

Joy," from the Ninth Symphony - Beethoven; Alesia Lynne Ragsdale, Norway, "Anitra's Dance from Peer

Faith Class Has Regular Social

Members of Faith Sunday School class of Calvary Baptist Church met for their regular social Monday evening in the home of Mrs. Jimmy Bynum. Mrs. Lee Campbell, Mrs. Trell Dorrell and Mrs. Mae Magness were hostesses.

The program was a skit presented by Mrs. Dorrell and a group of Intermediate girls, Darla Howell, Judy Edelson, Mary Margaret Sheehan, Linda Fallwell, Terri Lynn Wilson, Celia Faye Vestal, Brownie Cole and Sarah Fallwell.

Refreshments of cinnamon rolls and cold drinks were served by the hostesses.

Guests were Mrs. Max Self, Mrs. C. H. Veazey and Pam, Mrs. Melvin Edwards, Mrs. Ira Holt, Mrs. T. E. Parson, Mrs. Sonny Loveless, Mrs. Burl Jenkins and Mrs. Bill Buth.

Mr. and Mrs. Gee Visit In Houston

Mr. and Mrs. J. T. Gee attended the Spring Conference of TEPSA last week in Houston. In conjunction with the conference they visited in the Robert Frost and Lora Peck Elementary Schools of Houston.

They were guests at the NASA-MSC and were privileged to view the first public showing of films of the Gemini Space Flight. Astronaut Collins addressed the Texas educators on the Space Program.

A former Friona principal, Kenneth Fields, now of Fort Stockton, was elected first vice-president of the association for next year.

Approximately 1150 persons attended the conference.

While in Houston the Gees stayed at the Rice Hotel, which was the main conference site, and they visited with former residents, Mr. and Mrs. Charles McLean.

Party Honors Local Couple

Mr. and Mrs. Charley Doak were honored with a surprise party in their home at 4 p. m. Saturday afternoon. They were observing their sixth wedding anniversary.

Those attending were Mrs. Paul Hill, Mrs. Grady Dodd, Mr. and Mrs. Bob Rule, Mr. and Mrs. David Smith, and Mrs. Danny Balmum. Gifts and refreshments were provided by the guests.

Baptists Slate Music Program

The First Baptist Church will present a special program of music Sunday night at the regular worship hour, 7:30 p. m.

Rev. Bill Burton states that the public is invited to attend and hear the many special numbers.

Retiring Lodge Officer Honored Monday Evening

Highlight of the Monday evening meeting of Friona Rebekah Lodge was a program honoring Mrs. G. E. Reed, retiring district deputy president. Those participating were Mesdames Sam Williams, Roscoe Parr, T. A. Sherley, Joe Collier and Floyd Brookfield.

At the conclusion of the program a gift was presented to Mrs. Reed. Jackie Bishop, incoming district deputy president of Hereford was a special guest.

Bridge Party In Ragsdale Home

A bridge party in the home of Mrs. Mack Ragsdale began at 11:00 a. m. Thursday. A salad luncheon was served at noon by the hostess.

Special guests were Mrs. Alton Farr and Mrs. Newman Jarrell Jr. Members present were Mesdames Homer Linderman, Bill Beene, Tom Jarboe, Baker Duggins and Bill Lyles.

Decorations were in keeping with the Easter theme. High score honors were won by Mrs. Jarrell.

Families Meet In Wilkins Home

Mr. and Mrs. Floyd Wilkins were hosts at a get together of their families in their home Sunday at noon. Festivities began with a covered dish lunch.

Those present were Mr. and Mrs. Larry Crow, Lubbock, Mrs. Ethel Adams, Mr. and Mrs. Waymon Wilkins and children, Mr. and Mrs. Calvin Ulen and children, all of Friona, and Mr. and Mrs. Cecil Floyd of the Rhea Community.

Carol Owen In Honor Society

Carol Jo Owen, sophomore honor student at West Texas State University, Canyon, was recently initiated into Mary E. Hudspeth Honor Society.

Miss Owen, a graduate of Edna High School, is the daughter of Mr. and Mrs. Joe Owen of Friona, and is a speech major.

Visit Here

Mr. and Mrs. C. W. Shaffer of Greensburg, Pennsylvania, are guests in the home of Rev. and Mrs. Paul Mohr. The Shaffers are Mrs. Mohr's parents.

Mrs. Stewart Shows Flower Slides At Progressive Study Club

Mrs. Bill Stewart was guest speaker at the regular meeting of Progressive Study Club Tuesday evening at the Federated Club House. Mrs. Stewart spoke and showed slides of her recent trip to Hawaii, dealing

mostly with the exotic flowers of the islands.

Mrs. Ray Dean Fleming opened the program with a devotional on "A Smile."

John Bill McFarland entertained the members with a declamation entitled "The Creation."

Mrs. Stewart, who is a member of Modern Study Club, modeled a tea time mumu and a tutu, complete with island jewelry made of seeds and shells. Mr. and Mrs. Stewart visited their daughter and family in Honolulu last Summer and she told of the many unusual sites of the Oahu Island. The Stewarts had captured on slides the bright colors and the beauty of the many exotic oriental flowers that grow abundantly in Hawaii. She also showed some slides of the beaches, modern resort hotels, and the natives.

Mrs. Stewart expressed amazement over the extreme generosity and graciousness of the native people. She stated they went out of their way to be kind and friendly to tourists and all strangers.

At the business session, Mrs. John Fred White gave a report on the Caprock District Convention held in Friona last

month. Members were asked to write unsigned suggestions for improving the club. These will be discussed at the next meeting.

Hostesses, Mrs. Flake Barber and Mrs. Bill Sheehan, served fruit salad, cookies, tea and coffee to eighteen members and guests. Mrs. Stewart, Mrs. Richard Adkins and John Bill McFarland.

Third Son Born To Odell Vaughns

Mr. and Mrs. Odell Vaughn became parents of a baby boy at 1:20 a. m. Monday, April 5, at Parmer County Community Hospital. He was named Phillip Lee and weighed 6 lbs. 9 ozs. Phillip has two older brothers, Jimmy, 4, and David 2.

Grandparents are Mr. and Mrs. Elwood Vaughn, Friona, and Mr. and Mrs. W. M. Myres, Casper, Wyoming.

It's A Boy For Darell Thompsons

Mr. and Mrs. Darell Thompson became parents of a baby boy at 2:33 p. m. Friday, April 2, at Parmer County Community Hospital. He was named Terry Lynn and weighed 6 lbs. 7 ozs.

Terry Lynn was transferred to Northwest Texas Hospital about 8 hours after his birth and was a patient there until Sunday, April 11. Mrs. Thompson and Terry Lynn are both at home. He is the second son for the couple. The couple has an older son, Bobby, who will soon be three.

Grandparents are Mr. and Mrs. John S. Thompson, Friona, and Mr. and Mrs. Duane Darling, Lazbuddie. Great-grandmothers are Mrs. Leona Wolf, Friona, and Mrs. C. W. Thompson, Gage, Oklahoma.

LEES, MUU MUUS AND PINEAPPLES... were featured in decorations at Modern Study Club's Island Hoppin' Tuesday evening at Federated Club House. Mrs. Glenn E. Reeve Sr., Mrs. Fay Reeve, Mrs. Guy Latta and Mrs. Estelle Caffey are pictured, seated on brightly colored cushions, during the program.

Library Committee Concludes Reading Books For Shelves

Friona Public Library's circulation of books since June 1, 1964 is an estimated 2,520 volumes. The lopsided majority of readers is school age and their heaviest reading at the Public Library is in the summer.

To serve the summer rush more efficiently the sponsoring group, Modern Study Club, has spent 283 woman hours

cataloging the some 1200 books owned by the library. This work was done during January, February, and March under the leadership of Mrs. Ross Ayers, member of the library committee. Mrs. Bill Stewart, chairman of the library committee, asked Mrs. Ayers to study the Dewey decimal system of organizing a library. Then Mrs. Ayers scheduled library work days. Modern Study Club members who helped were Mesdames Bill Stewart, H.K. Kendrick, Dan Ethridge, J. T. Gee, Frank Spring, Glenn Reeve Sr., J.G. McFarland, Sloan Osborn, Charles Allen, George Taylor, and V.J. Zeman. Mrs. Lee Cranfill of the Progressive Study Club helped also.

Author and title cards were made for each book. These are filed in metal drawers in alphabetical order. Also shown is the classification which helps to locate the book.

Books are arranged on shelves in alphabetical order according to author's last names under 14 general groups or classifications. The grouping is easy for ages 2 to 8, junior for ages 9 to 13, youth for ages 14 to 18, fiction, general works, philosophy, religion, social sciences, language, pure science, applied science and technology, arts and recreation, literature, and history.

All are invited to use the Public Library which is in the Federated Club House, 304 E. 9th. The library is open from 9 to 11 a.m. each Saturday. During the summer the library will be open from 9 a.m. to 12 noon on Tuesday, Thursday, and Saturday of each week.

Study Club Program Features Island Hoppin'

Theme of the program of the Tuesday afternoon meeting of Modern Study Club was "Island Hoppin'" and travelogues to various islands were featured attractions.

Mrs. Fay Reeve presented a resume of a trip to the island of Cozumel, which is located near the island of Yucatan, south of New Orleans. A vacation on the island of Saba, one of the Dutch West Indies, was described by Mrs. Paul Spring.

A Hawaiian vacation provided information and colorful slides for a talk by Mrs. Bill Stewart. The invocation was given by Mrs. George Taylor.

Each person present wore a muu muu. Colorful pillows scattered about on the floor provided seating arrangements. Pineapples and baskets of flowers completed the setting. Refreshments of salad, kabobs, wafers, coffee and tea were served.

Mrs. Lee Witten was a guest. Hostesses were Mrs. Ernest Osborn and Mrs. Dave Thompson.

During the brief business session a report was given on the recent convention and Mrs. Kenneth Neill's resignation was accepted. About 24 members were present.

Youth Choir To Perform

The Youth Choir at Calvary Baptist Church will present the cantata, "Hallelujah, What a Saviour!" by John Peterson, next Sunday night at 7 p.m.

The cantata features a duet sung by Doris Ferguson, soprano, and Judy Edelman, alto.

Soprano soloist will be Darla Howell, alto soloist, Mary Margaret Sheehan, tenor soloists, Tommy Shirley, Walter Carlton, and Rickey Estep, and baritone soloist, Dennis Howell. Each member of the choir will have speaking parts as the choir re-enacts Holy Week. Mrs. Bill Sheehan will direct the production. Pastor Jake Armstrong wishes to emphasize that visitors will be welcome.

Club Council Assists Girls Town Project

The Farmer County Home Demonstration Council held its regular meeting April 5 at Farwell. Seventeen members were present, in addition to County Home Demonstration Agent Cricket Taylor.

Eight clubs were represented: Friona, Lazbuddie, Oklahoma Lane, Farwell, Black, Hub and Bovina. Opening exercise was given by Mrs. Earl Drake of the Friona club.

It was reported that Grilston, U. S. A. of Whiteface is needing sheets, towels and washcloths. All clubs are asked to assist these girls. The state HD convention was announced as September 21-23 in Austin.

Council members were asked to bring nominations for THDA chairman for the coming year to their next meeting. Members of each club should turn in program ideas for the 1966 yearbook.

A meeting for all members is scheduled for the Community Room of Friona State Bank at 2 p. m. April 14. The program will be "Line and Design", a fashion program.

Sixteenth century medicine relied heavily upon burning incense and swallowing strongly spiced medicines.

VFW Vets Set Convention

All World War I veterans and their wives are invited to attend the 18th District convention at the VFW Hall in Hereford Sunday, April 25.

In the meantime, veterans and their wives are invited to attend a supper and business meeting at the Hereford American Legion Hall Monday at 7 p.m.

The convention on April 25 will begin with registration at 8:30 a.m.

H.D. Club Women Study Alterations

The Lazbuddie Home Demonstration Club met in the home of Mrs. Roy Miller with nine members present and three visitors: Mrs. Cricket Taylor, Mrs. Jim Roy Daniel, and Mrs. Demp Foster. Mrs. Foster who had been past president of the club was presented with a silver engraved plate.

The program was given by Mrs. Taylor on "Alterations of Ready-made Dresses." Each club member wore a dress that did not fit well or was not comfortable and Mrs. Taylor showed how the alterations should be made. She also showed how the alterations could be made on a pattern for those who sew. The main point brought out in the lesson was that "the well fitted dress was the key to Smartness."

Sharon Reeve Tours With Indian Band

Sharon Reeve, student in McMurry College and a member of the college's Indian Band, was with the group Apr. 4-7 for a short tour that took them to San Antonio, Schulenberg, Floresville, and Poteet to perform in churches and schools and to present their unique program, "Let Us Worship Through Music".

Miss Reeve is the daughter of Mrs. Fay Reeve of Friona and a 1962 graduate of Friona High School. She is a member of the piccolo duet and also is piccolo soloist. In McMurry she is a member of Theta chi Lambda social club, Wah Wah-taysee service club, and is sophomore senator. Miss Reeve is a sophomore student and her major course of study is elementary education.

The tour was under the direction of Dr. Raymond T. Bynum, one of the best-known bandmasters in the Southwestern United States, who has led the Indian musicians since 1946.

UT Scholarship For R. Taylor

Robert Taylor, mathematics instructor at Friona High School, will attend summer school at the University of Texas on a National Science Foundation scholarship, rather than Howard Payne as previously announced.

Taylor, who is completing his first year as instructor in the local system, will study advanced mathematics.

GETTING UNDERWAY... Members of the Modern Study Club's library committee are shown busy cataloging the many books in the club's library, getting everything prepared for another big summer season. Left to right are Mrs. Bill Stewart, Mrs. H. K. Kendrick and Mrs. Dan Ethridge.

We do have some very good neighbors. At the present time we are borrowing a broom from our next door neighbors, Production Credit Association.

It seems that Editor Bill Ellis has already obligated himself to buy a broom from the Lions Club when the broom sale comes up, which isn't very far away. If it is too far away, he may have to buy two -- one for us and one for Wade and Thelma.

Osborn farm.

As most of our readers know, we've moved. We enjoy our new location, but haven't really located everything we need to work with yet. It seems that we spend too much time looking for things we used to know the exact location of.

Everywhere I've looked this week there has been evidence of projects of Future Homemakers of America. This is a fine organization and the Star staff joins fellow townspeople in congratulating Mrs. Dalton Caffey and Miss Beth Ashbery on the fine job they are doing in the homemaking department. Chieftains Qualify Three For Regional Track Meet

The Friona Chieftains qualified three men in five events for the regional track meet April 24 by placing first or second in their events at last Saturday's District 3-AA track and field meet.

Danny Murphree led the way by winning three events, the 100-yard dash, 220-yard dash and pole vault. However, Coach Bob Owen says that in order to conserve Murphree's efforts and give him a better chance to qualify for the state meet, he will hold him out of the pole vault event and let him concentrate on his specialties, the dashes.

Others who qualified for the regional meet were Gene Weatherly, who placed second in the shot put, and Dale Milner in the high jump, after tying for second with Boyce Paxton of Abernathy. Both had the same number of misses, but Milner

won the coin toss to decide who would go to regional.

Milner also tied with Joe Priest of Olton for second in the broad jump, but this time Priest won the coin flip.

Despite high wind, Murphree came up with his top performance in the 220-yard race, running a 21.7 in the finals. This is the best time for the event of anyone in class AA in the entire area. Danny has not lost this race all year.

In the 100-yard dash, where Murphree has been beaten only once this spring, he ran a 10-flat race to win.

As a team, the Chieftains placed fifth in the meet, besting only Dimmitt.

The eighth grade team placed second in their division, paced by first-place finishes by Joe Garcia and Johnny Barker. The ninth grade team was third, getting first-places from Ron-

nie Altman and the 880-yard relay team.

The seventh grade placed fourth. Their top placer was Isadore Cordova, who won the pole vault.

Lions' Broom Sale Coming

The Friona Lions Club will hold its annual broom sale on Monday, April 26.

On that day, the club will sell door to door such items ranging from brooms and mops to brushes, hot pads, rakes and other household items.

Jay Turner On Winning Team

New Mexico Military Institute rifle team captured 12 trophies at the National Junior Sectional held at Kirtland AFB, Albuquerque, New Mexico last week-end and won both individual and team awards.

The NMMI Rifle Team took the winner trophy by a score of 1509 and the High ROTC trophy with a score of 1483.

Winning team members included Cadet Jay M. Turner, son of Mr. and Mrs. Olan Turner, Friona, who is a junior student at NMMI.

Local Artists Win Ribbons In Contest

Three local women won ribbons on paintings they entered in the Convention Art Contest in conjunction with Tuesday's Caprock District Federated Convention at the Friona Methodist Church.

Mrs. Frank Spring, Modern Study Club member, took first place in the oil painting division with her cathedral picture. A landscape by Mrs. Newman Jarrell, Jr., Progressive Study Club member, took second place in the same division.

Mrs. Bill Ellis, also a member of Progressive Study Club, took first place in the water color division with her portrayal of the "Face of Youth."

Mrs. Mabel Reynolds of Farwell and member of the Farwell Study Club, won third place in oils with her "Adobe On The Desert" scene. Mrs. Evelyn Seagler, Morton, member of the Town and Country Study Club, took third place in the water-color division with her picture, "Liberty," which was done on a slab of sheetrock. There was no second place in the watercolor division.

Judges for the contest were Mrs. Charles Lenzau and Mrs. Blanche Lenderson, Muleshoe.

SEVENTH GRADE. . . The Friona seventh grade track squad is shown above. In the back, left to right are Coach John Morrow, Jeff Price, Isadore Cordova, Rickey Davis, Mitch Terry, Gary Crump and Coach Truett Read. The second row consists of Richard Dickson, Billy Procter, Randy Campbell, Roger

Dorrell, Donnie Carthel, Rickey Estep and Dean Agee. Kneeling are Butch Watkins, Bill Chitwood, Joe Bogges, David McFarland, Danny Kendrick and Cary Lyles. The team's managers are shown in front. They are Ricky West, Kenny Taylor and Freddy Bailey.

Friona's Placers In District Track

100-yard dash -- Murphree, first; Larry Johnson, fifth.

220-yard dash -- Murphree, first; Larry Johnson, fifth.

440-yard relay (Hugh Latham, Johnson, Joe Mabry, Don Hoover), fifth.

Mile relay (Latham, Jackie Stowers, Jesse Shirley, Murphree), fifth.

440-yard dash -- Stowers, fifth.

Broad jump -- Dale Milner, tie for second.

High jump -- Milner, tie for second.

Pole vault -- Murphree, first; Jimmy Grimsley, Eddie Barker, tie for fourth.

Shot put -- Gene Weatherly, second.

Mile run -- Bobby Jordan, fifth.

880-yard run -- Travis Graves, fifth.

High jump-- Jeff Price, second; David McFarland, Rickey Davis, tie for fourth.

Pole vault-- Isadore Cordova, first; Davis, second.

Discus -- Bill Chitwood, second.

Shot put -- Kenneth (Butch) Watkins, fourth.

Team points -- 1. Dimmitt, 38; 2. Abernathy, 35; 3. Floydada, 28; 4. Friona, 19; 5. Olton, 10; 6. Lockney, 5.

Local entrants did well for themselves in the fifth annual Friona Junior Rodeo held last weekend at the Jaycee Arena. Delbert Davis won the tie-down calf roping event, and placed second in ribbon roping. Jack Couch was second in bull riding and Jay Potts was third behind Davis in tie-down roping.

Potts was also third in the ribbon roping event. Floyd Noey was a winner in Saturday's calf scramble.

Show secretary Dale Williams termed the rodeo a big success. "It was the best one we've had, both from the performances and the number of entrants," Williams said. He added that the weather, although gusty in spots, was good for the entire rodeo, something that doesn't happen every year.

A total of 80 entrants took part in the fifth annual rodeo, sponsored by the Friona Junior Chamber of Commerce. Entries were received from as far away as Lovington, N.M. and Dumas. These cities had not been represented previously.

The Jaycees presented trophies to the first, second and third place winners in each event, as well as an "All-Around Cowboy" award. This year's winner of the latter trophy turned out to be a girl, Glenda Light of Amarillo, winner of the barrel racing, pole bending

Team Points - 1. Olton, 132; 2. Abernathy, 115; 3. Lockney, 86; 4. Floydada, 86; 5. Friona, 77; 6. Dimmitt, 3.

FRESHMEN

440-yard relay (Joe Moet, Eddie Wood, Randy Milloy, Ronnie Altman) -- second.

880-yard relay (Moet, Wood, Milloy, Altman) -- first.

100-yard dash -- Altman, fourth.

440-yard dash -- Larry Graves, fourth.

100-yard low hurdles -- Moet, third.

Broad jump -- Altman, first. Points: Abernathy, 58; Olton 38-1/3; Friona 17

and girls' goat tying events.

Bull riding -- 1. Danny Altman, Tulla; 2. Jack Couch, Friona; 3. Cotton Patton, Clovis, N.M.

Tie-down roping -- 1. Delbert Davis, Friona; 2. Curt Brummett, Clovis; 3. Jay Potts, Friona.

Barrel racing -- 1. Glenda Light, Amarillo; 2. Debra Whitehead, Morton; 3. Debra Stringer, Hereford.

Pole bending -- 1. Glenda Light; 2. Debra Stringer.

Calf goat tying -- 1. Glenda Light; 2. Barbara Ann Nash, Muleshoe.

Boys goat tying -- 1. Jimmy Brazile, Amarillo; 2. Kenneth Schulte, Nazareth; 3. Clyde Schulte, Nazareth.

Bareback bronc riding -- 1. Jerry Veach, Muleshoe; 2. Larry Golden, Aiken; 3. Tony Haberer, Earth.

Ribbon roping -- 1. Guy Horney, Fort Sumner, N.M.; 2. Delbert Davis, Friona; 3. Jay Potts, Friona.

Calf scramble (Friday) -- Bruce McCain; (Saturday) -- Floyd Noey, Friona.

The world is not so much advanced by the gigantic pushes of its mighty heroes as by the little pushes of the multitude of lesser folk.

Getting even with a person means putting yourself on his level.

EIGHTH GRADE

440-yard dash -- Sahara Gonzales, second; Joe Perez, fourth.

100-yard low hurdles -- Johnny Barker, third.

50-yard dash -- Mike Pavalus, fourth.

Broad jump -- Joe Garcia, first; Gonzales, third.

Discus -- Joe Perez, third.

High jump -- Dale Neal, tie for third.

Pole vault -- Johnny Barker, first; Tony Perea, tie for second.

440-yard relay -- (Perea, Gonzales, Perez, Pavalus) -- second.

880-yard relay -- Perea,

We do not get rid of our own faults by calling attention to the faults of others.

One way to make the world better is to improve yourself.

Keep your face toward the sunshine and the shadows will fall behind you.

When a man uses profanity to support an argument it indicates that either the man or the argument is weak -- probably both.

PARADE WINNERS. . . The three winners in the kiddie parade held April 3 are shown here. Left to right are Bruce Fite, John White and Dixie Wilkins.

TROPHY WINNER . . . Mike Wooley displays trophy he won in the Hereford Optimists club's speaking contest. Mike will compete against six other winners at Amarillo in a "district" contest.

New Breakthru Hybrid for the Great Plains

DEKALB F-65

NEW DeKalb F-65 Yield Breakthru variety is a short-stalked, full-season irrigation hybrid for the Southern Great Plains area. It is especially adapted to Texas High Plains irrigated conditions. Has bred-in smut tolerance -- is short-stalked and produces big heads of dark, red grain. It's a dandy. Order yours today!

COMMUNICATIONS Your Tool for Progress

Imagine a telephone becoming a teacher!

In a case we know of, an automobile dealer uses our SPEAKERPHONE as a valuable and effective teaching instrument to train his salesman. A salesman calls a customer and delivers a sales talk, with other salesmen listening to both voices via our SPEAKERPHONE. Afterward, sales talk and customer response are reviewed and discussed for the benefit of all. Here is still more evidence that in this modern age Communications can be your Tool for Progress. For full information about our many communications services, please call our Business Office.

GENERAL TELEPHONE

Spray new Caparol when planting your cotton to control weeds.

Spray new Caparol* in a band or broadcast when planting your cotton for effective, early-season control of most annual broadleaf weeds . . . like carelessness (pigweed), annual morning glory, cocklebur, lambsquarter and many other problem weeds.

You'll also get control of many grass-type weeds, such as crabgrass and goosegrass.

Early-season weed control with Caparol means you'll be able to eliminate that first, slow cultivation. So you won't be plowing out or covering up young cotton. All it takes is moisture to move Caparol into the soil.

You can also apply new Caparol after your cotton is up six inches or higher, or at layby. Just direct the spray to the base of the plants and apply to weeds no larger than two inches in height.

Whatever program you decide on, you'll have no soil residue carryover to harm next year's spring-seeded crops when you use Caparol.

Ask your local supplier or custom spray applicator for new Caparol.

Geigy Agricultural Chemicals, Division of Geigy Chemical Corporation, Ardsley, New York.

CAPAROL is a trademark of the Geigy Chemical Corporation for its brand of PROMETRYNE herbicide.

Geigy Caparol

CREATORS OF CHEMICALS FOR MODERN AGRICULTURE

The HAPPY HOMEMAKER

BY JUNE FLOYD

Many homemakers of today have ample supplies of multi-purpose utensils that are beautiful as well as practical. These utensils come in several patterns and are beautiful as

well as practical. They take up a minimum amount of storage space and many of them can go directly from the freezer to the oven or range top without danger of breaking.

Having saucepans that will double as serving dishes is a convenience all of us should enjoy, but for some of those of us who are older it is most difficult to change our way of doing things.

Our thanks this week go to all readers who expressed appreciation of the re-appearance of this column and earnestly solicit your cooperation in supplying recipes and hints to be used in it.

For a cherry cobbler that is really different and very tasty, try the following recipe:
CHERRY COBBLER

Filling...
1 one pound can pitted red sour cherries
1/2 cup brown sugar
1 cup sugar
1 1/2 tablespoons flour
1/2 teaspoon almond extract
1 teaspoon vanilla
1/4 teaspoon red food coloring
4 tablespoons oleomargarine

Add enough water to cherry juice to make 1 3/4 cups liquid
Put cherries in shallow baking pan; sprinkle with brown sugar. Mix the white sugar and flour together; add to the cherry juice. Add the flavorings and color to the juice mixture and pour over the cherries. Dot the oleo over the top of the cherries.

Crust...
1 1/4 cups flour
1/2 teaspoon salt
1/3 cup shortening
1/4 teaspoon almond extract
1/4 teaspoon butter flavoring
2 tablespoons water
2 tablespoons milk
2 tablespoons sugar
Sift flour, measure and resift with salt. Cut in shortening with two knives or pastry blender. Combine flavoring and water. Sprinkle over flour mixture and mix lightly until flour is moistened.

Gather dough together with fingers and press into ball. Flatten with hand and then roll out. Cut into 1" wide strips and place crisscross over cherries. Brush with milk and sprinkle with sugar. Bake at 425 degrees for 20 minutes, then reduce to 375 degrees and bake for about 30 minutes.

OLD FASHIONED DEVIL'S FOOD CAKE
3/4 cup boiling water
3 squares (3 ounces) unsweetened chocolate, grated
3/4 cup shortening

EIGHTH GRADERS. Friona's eighth grade track team, which placed second in their district meet, is shown above. The back row, left to right, is made up of Coach Tom Jarboe, Tony Perea, Delvin Brookfield, Sahara Gonzales, Dale Neel, Lowery Harper, Jody Fallwell and Coach Trutt Read. Second

row -- Troy Bass, Joe Garcia, Joe Rando, Mike Pavalus, Steve Buckley, Joe Perez, Danny Carthel. Front -- Roger Fields, Johnny Barker, Ramey Beene, Gary Rogers and Larry Martin.

On The Farm In Parmer County

By JOE VAN ZANDT
County Agent

COTTON PLANTING

The cold northern last Monday morning should serve to remind us that we can still have these cold spells. For cotton producers this means to not get in too big of a hurry to get those seeds in the ground.

This is especially true where seedling disease has been a problem before.

By following the practices listed below, cotton growers can decrease their seedling disease problem this spring:

1. Plant only high quality seed when soil temperatures are above 60 degrees F. for three days at planting depth. Low quality seed should not be planted until soil temperatures are above 68 degrees F.

2. Avoid using more than 30 pounds of seed per acre to further reduce seedling disease. We noticed some fields of Verticillium wilt last summer and these fields should have plants spaced uniformly 4 to 6 per foot of row. Seed should be treated with a recommended seed protectant.

3. Properly mix fungicide spray or dust in the covering soil at planting time. We are going to have some demonstrations with new fungicide materials this year so be on the look out for them.

SCREW WORM ERADICATION FUNDS

Joe Jones, treasurer of the County Screwworm Eradication Committee, reported that as of Monday he still needed \$230, from local livestock producers for the screwworm eradication fund drive.

Joe said he had received \$350, in donations from County producers during the two week fund drive being conducted over the State.

Jack McCracken, County Committee Chairman, points out that our part of the \$300,000, state fund drive is \$584. This is a mighty small investment for livestock producers when they consider what their returns have been and should continue to be.

Every farmer and rancher is being asked to contribute 10 cents per animal unit for this fund drive. An animal unit consists of 1 beef or dairy animal, 1 horse, or 5 sheep, goats or hogs.

Livestock producers can send their donations to Joe Jones, Security State Bank, Farwell, Texas.

DR. JAN BONSMMA

Several cattle producers missed part or all of the cattle clinic in Hereford last month where Dr. Jan Bosma presented a very interesting program and they wanted to know where he would appear on a similar program.

The only other public meeting that he will take part in will be in Wichita Falls, April 22 from 6:00 p.m. to 10:30 p.m.

BROWN WHEAT MITE

We continue to see some Brown Wheat mites in some wheat fields.

However, this is nothing to get alarmed about because chemical control of the mite has not been practical nor economical in past experiments.

Without any rain, an irrigation is a good, practical control for the mite. The mite is round, dark brown and about the size of this newsprint period. When magnified the front pair of legs can be seen to be about twice as long as the other three pair of legs.

4-H HORSE PROGRAM

Future plans and activities for the 4-H Horse program were discussed in an adult leader meeting last Thursday in Bovina.

Saturday afternoon on May 1 was set as a dry-run practice session in preparation for the County Show at Bovina Roping arena.

The County 4-H Horse Show was set for June 12 in the Bovina Roping Arena. For this year only contestants in the County Show do not have to meet all District and State Show rules. The exception is that members will be allowed to use borrowed horses for the County Show. However, winners representing the County in district competition must meet all the rules.

The leaders also discussed the awards of 4 free breeding service donated by Jess Walling, Bovina Quarter Horse breeder. These breeding services will go to outstanding members in the county 4-H Horse Program.

The Bovina, Farwell and Friona horse groups have meetings set for Saturday afternoon, April 17 in their regular meet-

County's Goal Set In Screwworm Fight

The Parmer County Screwworm Eradication Committee is laying plans for this county's participation in a concentrated drive to raise \$300,000 from the Texas livestock industry for the Screwworms Eradication Program.

"The goal for our county is \$584,000," according to Jack McCracken, who is chairman of the local committee. He pointed out this goal can be attained if every farmer and rancher will contribute on the basis of 10 cents per animal unit. An animal unit consists of one dairy or beef animal, or one horse, or five sheep, goats, or hogs.

The fund drive will begin Monday, March 29, and will be

concluded Monday, April 12. Donations can also be made to members of the screwworm eradication committee, who include: Jack McCracken, Bovina, and Joe Jones, Farwell, local committee treasurer.

Necessity for additional producer funds as announced earlier this month by the Southwest Animal Health Research Foundation which, along with the State of Texas and the U.S. Department of Agriculture, is conducting the eradication program.

The program needs approximately \$1.1 million to operate through April, May and June, McCracken explained. The Texas Legislature has already voted \$250,000 Congress is expected to appropriate \$550,000 for the three-month period. These government funds cannot be spent, however, unless producer money is also made available the county chairman stressed.

The screwworm fly has been eradicated from the Southwest, but a barrier of live, sterile flies must be maintained along the U.S. - Mexico border to prevent fertile flies from Mexico reinfesting the U.S. Approximately 100 million sterile flies will be needed each week during April, May, and June. If funds are not made available, the Southwest stands to lose the gains that have already been made.

Joe Van Zandt, county agricultural agent, said in the three years the program has been in existence, savings of more than \$168 million have been realized by producers. He said no screwworm infestations were detected in this county last year.

Congress is considering a USDA request for \$5 million which would make the program financed entirely by the Federal government beginning July 1.

To 11 cups of water) is needed for the test. Dump potatoes in the solution-if the potato floats, it has a low solid content and is best for boiling. If it sinks, it's a baker . . . its simple, we can use the sink or swim test to determine the use of each potato.

At Home In Parmer County

CAROLYN HERINGTON -- Top winner in District Favorite Food Contest in Canyon last Saturday. Carolyn won over some 16 participants in the Junior division of the Bread and Cereal group with her exhibit of Muffins. Carolyn is in her second year of 4-H work and is a member of the Farwell 4-H Club. Her leader was her mother, Mrs. L. C. Herington who worked with a group of seven girls in Food and Nutrition projects this year.

Other blue ribbon winners in the Junior Division were Niel Christian and Brad Jordan. They won with their Beef judging demonstration and Ernestine Templar won a blue ribbon in the Contest on Quarter Horse judging. The three were first year 4-H members. It is really an achievement when youngsters can give a demonstration and compete for honors and come out first place winners in a district representing 22 counties. Although these Junior boys and girls do not participate beyond the District the experience in competition and the educational value received from the experiences are valuable to boys and girls at this age.

A total of 18 members of 4-H Clubs in Parmer County were represented in the District Contests Saturday. It is hoped that leaders and parents can see the value of this phase of 4-H work and will give more help and encouragement to this phase of our program.

Leaders and parents working with those in the contests are to be recommended for their effort in the training of youth.

HOME IMPROVEMENT PROJECTS STARTED

Mrs. Roy Miller of Lazbuddie is the leader for a 4-H Home Improvement project in the Lazbuddie Community. She met with seven girls last week in her home, and they discussed the lesson guides and what each girl would like to do according to needs. In addition to those things in the planned outlines. Of course parents must be interested in helping girls carry out plans or else the results will be disappointing. Some of the benefits from this project can be a creative outlet, and inspire a desire for achievement and accomplishment.

Girls who are enrolled in the Home Improvement project were: Marilyn Fred, Ann Blackstone, Delayne Steinhock, Patcine and Maxine Broyles, Cathy Coker, and Charlotte Davis.

POTATOES OR BOILERS

Have you often wondered if your potatoes were the baking or boiling kind?

A good baked potato is one that is mealy and flaky and keeps its shape. Researches have given us some guide lines for separating the baker from the boilers. A container of salted water (about 1 cup salt

High individuals in the Land Judging event, sponsored by the SCS District in Friona last week were Robert Pruitt (176 points); James Haseloff (169 points); David Nelson and Timmy Foster (168 points each). Pruitt and Haseloff are from the Farwell FFA Chapter and Nelson and Foster are members of the Lazbuddie FFA Chapter. All of the boys received plaques.

Four 4-H Club Members Win Awards

Four Parmer County 4-H members won blue ribbon awards in District Elimination Contests in Canyon Saturday.

The junior beef cattle business demonstration team of Niel Christian and Brad Jordan received blue awards on their demonstration on "Controlling Grubs and Worms." Niel is the son of Mr. and Mrs. John Christian of Oklahoma Lane and

Brad is the son of Mr. and Mrs. Pike Jordan of Farwell.

In the junior favorite food show, Carolyn Herington won a blue ribbon for placing first in Bread and Cereal group of the food show. Carolyn is the daughter of Mr. and Mrs. L.C. Herington.

Ernestine Templar, daughter of Mr. and Mrs. Jack Templar of Lazbuddie 4-H Club, received

a blue ribbon for her skill in the Junior Quarter Horse judging contest.

Two groups received red ribbon awards. The Senior Safety team of Janis Billingsley and Kathryn Gober, Oklahoma Lane 4-Hers, won red ribbons on their "Insecticide Safety" demonstration.

The junior livestock judging team composed of Lazbuddie

HOSPITAL NOTES

Admissions April 6 thru 12: Joe Saucedo, Friona; Mary Guyer, Farwell; Anna Gonzales, Friona; Bob Spohn, Friona; Faye Smith, Friona; Roy Potts, Texico; Dora Norwood, Friona; H. H. Easley, Friona; Gertrude Potts, Farwell; Jerry Roach, Farwell; S. D. Wilson, Jr., Amarillo; Ruby Faye Richards, Amarillo; H. T. Bartlett, Friona; Ruth Terry, Friona; Cynle Allen, Friona; A. E. Crump, Bovina; Willard Gaskins, Friona; Wesley Barnes, Lazbuddie.

Dismissals: Mrs. Darell Thompson, Mrs. Odell Vaughn and Baby Boy, Susie Mariscal, Dorothy Vaughn, George Treider, Bob Spohn, A. T. Kersey, Ana Gonzales, Ella Wise, H. H. Easley, Faye Smith, Gertrude Potts, Joe Saucedo.

4-Hers won red ribbons for their efforts. Team members were: Billy Eubanks, Mark Ramage, Loy Dale Clark and Wesley Barnes.

Dale Blackstone, Lazbuddie 4-H member, won a white ribbon on his food and nutrition educational activity demonstration.

Other Parmer County 4-Hers who competed in the contests but did not place are as follows: junior electric demonstration team of Kevin Kaitwaser and Randy Gregory of Oklahoma Lane 4-H Club; senior Quarter Horse judging, Letha Templar of Lazbuddie 4-H.

Joyce White and Debra Meeks participated in the Junior Safety demonstration contest. Katie

Urges Care In Buying New Soil Additives

As expected in a rapidly changing agriculture, new products such as soil conditioners continue to appear on the market. Jim Valentine, Extension Area Soil Chemist, The Agricultural Extension Service, states some may have merit while others are of questionable value or may be entirely worthless. Benefits to be derived from their use may be stated in vague or misleading terms and statements may be based on mere opinion or pure fancy.

Valentine further states it is always hazardous to purchase a material that bears no guarantee as to its formulation. By not stating what is in the product the seller is in no way liable, and existing laws such as those governing fertilizers have no jurisdiction over the manufacturer or seller.

The primary soil conditioner for this area is organic matter and if your soil contains a modest one per cent organic matter this is equal to 20,000 lbs. per surface six inches. We have no known bacteria deficiency, and it is estimated that there are 400 to 500 lbs. of live bacteria in an acre furrow slice of soil. The population rises and falls depending on the amount of residue returned, moisture, and temperature.

Soil structure is the result of the soil's physical and chemical

4-H Winners--

(Continued from page 10)

and Ann Blackstone entered the Senior and Junior division respectfully in the fruit and vegetable groups of the favorite food show.

All of these Farmer County 4-H members did excellent jobs in their contest work this year. They were competing against county winners from 21 other counties in Extension District I.

properties and is influenced primarily by organic matter. Thru good residue management and by avoiding tillage when soil is wet, favorable structural conditions can usually be maintained.

Valentine concludes by saying its your money -- consider the products carefully before buying and do not expect non fertilizer materials to substitute for the plant food elements commonly obtained thru commercial fertilizers.

Scholarship Awaits State Road-E-O Champ

Safe driving by a Texas Teenage Student will be rewarded by a \$1,000.00 college scholarship when the winner of the annual Texas Teenage Safe Driving Road-E-O is declared in Fort Worth in May. H. C. Pittman, Executive Vice President of the Texas Automobile Dealers Association, and Jim Reese, President of the Texas Jaycees, announced today in Austin that TDA, state association of franchised new-car and truck dealers, will award the one thousand dollar scholarship this year.

Local member dealers of TADA throughout Texas will cooperate during the next few weeks with local Jaycee chapters in staging local Road-E-O contests to select boy and girl winners to be sent to Fort Worth on May 8 for the state finals. The state finalist will represent Texas in the National Road-E-O finals in Washington, D.C., in August.

"More than 5,000 Texas youngsters enter Road-E-O competition each year," said Pittman. "The Road-E-O provides the teenager with the opportunity to demonstrate his acquired skills in driving, while

News From LAZBUDDIE

BY MRS. C. A. WATSON

Roy Miller, Everett McBroom, Max Bush, Ralph Broyles and Harvey Blackstone are the Lazbuddie Adult leaders that will be working with the 4-H Field-Crop program in the future of this year. If you are between 9 and 19 you are asked to send a card to the Farmer County Agent, Farwell, Texas now. This 4-H program plan is a change from former crop contest. It is thought this type of program will better teach

members better points in crop production, also the value of fertilizer, insect control, proper water management, accurate record bookkeeping on crops and etc. Awards will be on separate contest for wheat, cotton, and grain sorghum of two or more acres in each entry.

Myrtle Steinbock returned home the last of the week from a three weeks tour by car. She went by way of Frederick, Oklahoma where she picked up her nephew, Jimmie D. Vaughn, who helped her drive. They visited in Enid and Shawnee, Oklahoma, spent St. Patrick's Day visiting in Dallas. They were in Houston and Galveston for a short vacation. They rode the Ferry boat to Port Bouldin.

Mr. and Mrs. Gary Dale and children visited relatives in Abernathy over the weekend.

Congratulations to Lazbuddie school on their places in the Interscholastic Meet at Happy Friday of last week. Names and places are as follows: Story telling: Nancy Blackstone - 4th, Number sense: Thresa Seaton - 2nd, Travor Ford - 4th, Larry Eubanks - 8th, Spelling: 5th and 6th grades - Johnce Seaton and Evelyn Darling placed 3rd; 7th, and 8th grades Nedda Foster and Vickie Broyles 2nd; (Declamation - Joe Fox 1st, Christi Ford 1st.) Debbie Engelking 4th; Declamation, 6th and 7th, Billy Eubanks 3rd, Debbie Burch 3rd, Declamation - 8th, Frank Hinkson Jr. - 4th, Declamation 9th, Dale Blackstone - 1st, Tamra Jennings - 4th; High School science, Linda Gleason - 4th, typing, Bobby Morris 4th; Ex-temporaneous Speaking, Bobby Jo Jones - 2nd, Billy Jones 3rd, persuasive speaking, Donna Precure - 2nd, Danny Miller - 3rd, High school declamation - Jill Mimms and Marsha Schuman second.

Mr. and Mrs. Fred Wilbanks will leave Wednesday p. m. for a visit during the Easter Holidays in points of Arkansas. They plan to pick up their son

Paul at S. W. college at Weatherford Oklahoma who will join them on their weekend vacation.

Fourteen members of the First Baptist Church of Lazbuddie attended a Bible study clinic at the Dimmitt Church Monday April 12. Going were: Mrs. Calvin Beach, Mrs. Ted Treider, Mrs. Clyde Redwine, Mrs. Raymond Houston, Mrs. Gene Smith, Mrs. Chuck Smith, Mrs. Orville Burnett, Mrs. Glen Scott, Mrs. Cruz Garsela, Mrs. Macy Fuquay, Mrs. J. T. Mayfield, Mrs. Sam Bradley, Mrs. Scotty Windham, and Mrs. J. C. Redwine.

Mr. and Mrs. Marcus Riley from Wichita Falls visited over the weekend with his brother and family the Elton Rileys.

Cheerleaders chosen Monday for the next school term were Marsha Schumann, Jenny Steinbock, Carolyn Morris, Terri Sue Mabry, Drummers chosen were Linda Ashford, Cynthia Walls and Sheryl Ramage.

Lazbuddie track boys won a district trophy at Hart Saturday April 10, with 188 points. Bovina was 2nd, Happy 3rd, and Hart 4th. The Lazbuddie tracksters got 6 first places, a number of 2nd and third places that helped win the victory.

Eva Dean Ivy is home this week from T.C.U. Ft. Worth to spend the Easter holidays with her folks the Shanks Ivys.

Mr. and Mrs. J. B. Jennings, Tamra and Hoppy are to spend the Easter holidays in Dekalb visiting their son and wife Mr. and Mrs. Darrell Jennings. The Jennings will also attend to business on their ranch while there.

The Lazbuddie school turns out Wednesday afternoon of this week and will resume classes Tuesday of next week.

One of the highlights of the student body and faculty members at school this week is the fact that the school's year books have arrived.

NEW PARTNERS. Weldon Stringer, third from the left, announced this week that he has sold his interest in Hub Grain Company to H. E. Wilson, with whom he's shown shaking hands. On the extreme left is Woody Fleming, who will also be partners with Wilson. At the right is Hub Grain manager O. L. McMurtrey.

Farmers To Be Guests At Free Supper

MOVING TO VERNON

Stringer Leaves As Hub Grain Partner

All area farmers are invited to attend a meeting featuring a free supper at Friona High School Cafeteria Tuesday, April 20, beginning at 7 p.m.

The meeting, sponsored by State Line Farm Service, will discuss Farm Builder and Bio-Chemical products. J. D. Rollins will be the speaker. Door prizes will be awarded.

Bill Stout, Wayne Stout and Robert Humphrey are representatives of the company in the Friona area.

Mr. and Mrs. Charlie Watson attended the funeral of his aunt, Mrs. C.C. Watson 86 in Hobbs Tuesday of last week. Mr. and Mrs. Delbert Watson, Bailey-bore and Mr. and Mrs. Leo Watson and Mr. and Mrs. Tom Watson, Muleshoe also attended the funeral.

Weldon Stringer, for eight years a part-owner of Hub Grain, Inc. announced this week that he has sold his interest in the company, and is moving to Vernon to assume a position as co-owner of a pair of elevators.

Stringer will become manager of elevators in Vernon and Oklahoma, formerly known as the Martin-Lane Company. H. E. Wilson of Electra becomes a partner with Stringer in his new operation, as well as with Woody Fleming in the Hub Grain Company. The Hub operation will retain the same personnel. O. L. (Mac) McMurtrey is manager, assisted by Dan Schumann.

Stringer was closing out his business locally and preparing to make the move during the Easter weekend.

"I'd like to personally thank all the fine people we have had for customers the past eight years, because I realize that

Large Crowd Attends Service

A total of 280 people attended the dedication services of Redeemer Lutheran Church. Every room was filled. Pastor Harold Kaestner of Lubbock brought the dedication message, "Let us Rise Up and Build." Pastor Beversdorf performed the acts of dedication and lead the liturgy.

ANOTHER REPORT...

"Last year I put western's liquid 7-21-0 to a test. I picked a field with lighter type soil and on one half I put down liquid 7-21-0 plus ammonia. On the other half, to compare, I put down only ammonia. Well, in the picture above you can see the results. On my left, in the field where I applied 200 lbs. of 7-21-0 plus ammonia, the difference in yield was approximately 900 to 1000 lbs. This year I'll put liquid phosphate on all my lighter soils and also on my better soil where necessary."
JACK CLARK, CASTRO COUNTY FARMER

...A REPORT OF SATISFACTION

An important by-product of any company is the man who openly admits when he's satisfied with the service. You will find that Western Ammonia has the know how, equipment and products to give the best satisfaction there is in a fertility program. Western is now offering the new high analysis liquid ammonium polyphosphate 11-37-0 and new 11-20-0-115 in place of lower analysis 7-21-0. You'll find that Western also has a complete line of dry fertilizers.

Public Service Outlines Improvements For Friona

Southwestern Public Service Company crews are making major improvements in the electric distribution system for Friona which are designed to keep the company's facilities ahead of the growth of the community as reflected by the increasing demands for electric power.

"The electric load here in Friona has grown at a rate of more than 9% a year for the last several years. 1965 looks like it will exceed this average growth rate and we want to get these improvements made in order to be able to keep our service at high standards under increased load conditions", Hank Outland, Friona manager for the electric company, said.

The improvements in Friona are built around a program which will convert portions of the electric distribution system in the city from 2400 volts to 23,000 volts. The result of this conversion is that those portions of the distribution system operating at the higher voltage will be able to carry 10 times as much power as was possible with the smaller system.

The first phase of this program is to add a neutral wire to the circuit running from the Friona rural substation, located south of the city, to the city substation on 4th Street. The addition of the neutral makes it possible for the line from the rural station to the city

to operate as a 23,000 volt source of power and to deliver 13,200 volts to the high voltage side of distribution transformers serving customer loads. It is then stepped down by the distribution transformers to the proper voltages for use in the businesses and homes that are served.

The rural station is served by a 115,000 volt transmission line which is part of the electric company's interconnected generation and transmission system.

A distribution circuit running east from the city substation, which feeds electric power to a number of Friona's industries, is also being converted to 23,000 volts to firm

up the power supply for these industrial customers and to assure the east area of power for future growth.

The distribution circuit in the Prospect-Summit alley is also being changed to the 23,000-volt capacity to keep service standards high at the Farmer County Hospital, the existing city schools and the area in north Friona between Cleveland White Ave.

The improvement is to be followed by another conversion to 23,000 volts in the Pierce-Columbia alley to maintain high service standards in the area north of 11th Street from Cleveland and the rural areas east of the city limits, East.

As a result of this construction program it is the center section of the city which will continue to be served by the 2400 volt system.

"A 2400 volt distribution system, when the distances involved are short, is just as effective as any other system. What this improvement program does is shorten the distances on this system and cuts down the load served by it and the service will be improved as a result of serving outlying areas with the converted facilities. We are, in effect, "hemming in" the 2400 volt system, with the result that the customers served by it will have excellent service," Outland said.

The substation capacity at the City substation and at the rural station is far in excess of present loads in Friona, and distributing the load among the two stations assures the community of adequate additional power for future growth.

In addition to the new volt-

age for the distribution system, new protective equipment has been installed on the Friona distribution system designed to insure service continuity.

The entire project is scheduled for completion in mid-summer and is being built by

an 8 man crew from Hereford district office of Southwestern Public Service Company, under the supervision of Bill Davis. It was designed by Jim Jones, field engineer from Amarillo. The improvement program here is part of a \$25,000,000 construction program planned for 1965 in the 45,000 square mile service area of the Southwestern Public Service Company.

HIGH LINE WORK. . . Work on a 23,000-volt line is being done in this photograph, taken at Third and Grand in Friona. Assisted by a two-man bucket crew, the SWPS work was carried out while the line was "hot".

In And Around--

(Continued from page 7)
Mrs. Caffey, a long time homemaking teacher, has been selected for honorary memberships in the area and state FHA organizations. She and Miss Asberry, a first year teacher, sponsor Friona's two FHA chapters and cooperate with the girls on their projects.

The following item was lifted from the current copy of West Texas Publisher. I like it very much and want to share the thoughts with our readers.

- 13 Things to Remember
1. The value of time.
2. The success of perseverance.
3. The pleasure of working.
4. The dignity of simplicity.
5. The worth of character.
6. The power of kindness.
7. The influence of example.
8. The obligation of duty.
9. The wisdom of economy.
10. The virtue of patience.
11. The improvement of talent.
12. The joy of originating.
13. The practice of prayer.

In last week's Star there was a report about the activities of Future Homemakers of America week. Several names were omitted and our apologies go to the following members of the organization: Lou Cochran, Madalyn Binger, Martha Martin, Linda Fallwell, Brownie Cole, Shirley White and Mary Margaret Sheehan. Miss Cochran was co-chairman of the clean up committee for the salad supper. Others on the committee were Miss Binger, Miss Martin, Miss Fallwell, Miss Cole, Miss White and Miss Sheehan. Miss Binger was also church chairman for the Immanuel Lutheran Church in the Rhea Community.

This isn't official, but late Tuesday evening I heard that the Junior High Band rated two in the contest at Amarillo. Mr. Willis Giddens and Mr. Edra Hudson, band directors, and all members of this fine organization are to be commended for their accomplishment.

I appreciate so very much the cooperation of persons reporting the news in their efforts to assist us in meeting our Tuesday noon deadline.

Our publisher and editor have established this deadline in order to be able to offer our readers, subscribers and advertisers better service and we hope to be able to maintain it.

No one ever lost an order because quality was too high or services was too good.

The darkest hour in any man's life is when he sits down to plan how to get money without earning it.

School Closes Friday, Monday

School will dismiss Friday and Monday for the annual Easter Holidays, Superintendent of Schools Alton Farr announced this week.

Happy Homemaker--

(Continued from page 9)

Add eggs one at a time, beating one minute after each addition. Blend in cooled chocolate mixture. Sift dry ingredients together and add alternately with milk and vanilla, which have been combined. Beat well after each addition. Mixture should be light and creamy. Four into greased and floured layer cake pans and bake in a moderate oven 350 degrees F. Makes three round 8 inch layers.

For something really different in the candy making department, try this divinity recipe.

STRAWBERRY DIVINITY
2 egg whites, room temperature
1 package strawberry flavored gelatin
3 cups sugar
3/4 cup white corn syrup
3/4 cup hot water
nuts or coconut, if desired
Beat egg whites until stiff; slowly add dry strawberry flavored gelatin and beat until it is dissolved. Combine sugar, corn syrup and hot water and boil to 252 degrees F by candy thermometer. Add syrup very slowly beating continuously. Be sure syrup is kept hot at all times. Continue beating by hand with a large spoon until candy becomes dull. Add nuts or coconut and drop on greased cookie sheet.

When cutting marshmallows, use scissors rather than a knife and dip the scissors often in a glass of cool water.

Mr. and Mrs. Jimmy Briggs of Lazbuddie visited in the home of his parents, Mr. and Mrs. W. C. Briggs at Adrian Sunday and brought their children, who had been visiting their grandparents, home with them.

Weekend guests in the home of Mr. and Mrs. Joe E. Mace were Mr. and Mrs. Mike Metz and children, Mary Jane and Matthew, of Stillwater, Oklahoma.

Andrew Jackson's first official act as president of the U. S. was to buy 20 spittoons for the White House at a price of \$12.50
