

STAR Lites

by Bill Ellis

Those of you who saw (or tried to see) the Dimmitt-Friona basketball games here last Friday might be interested to know that the throng which crowded into the Friona gymnasium was in all probability the largest ever to witness a basketball contest (or contests) locally.

You'll also no doubt be heartened with the news that the new gymnasium which is to be ready for next season will be equipped to handle at least twice as many people as is the present gym, which was built in 1951.

"It was the largest home crowd since I've been here," said Superintendent of Schools Alton Farr. "We had at least 1,000 people in the gym," Farr stated, and backed up the claim with gate receipt figures.

Superintendent Farr said that gate receipts for the Dimmitt contests came to \$480. Taking the admission prices for adults and children and estimating that the crowd was composed one-half adults, the figure would be just below 1,000.

"However, in all probability, the percentage would be more correct figuring 60 per cent adults," Farr stated. He also pointed out that there were in the neighborhood of 70 coaches, players and managers from the two schools, which would not be included in the gate receipts.

The present gymnasium's capacity is listed to seat 600 people "comfortably." Mr. Farr figured that last Friday there were 800 people sitting down somehow or other, and another 200 or so standing.

The crowd was such that many people (including Farr, who gave his seat to a family guest) stood in the corridor between the gym and auditorium. Also, many people stood in the corners just inside the gym and lined the court wherever practical so as not to interrupt play.

The weather certainly wasn't conducive to a big crowd, and then there were some who arrived late, and seeing the turnout, decided against having to stand through two games, or the crowd might conceivably have been bigger.

Which brings us back to our other beginning point.

The new gymnasium for Friona High School will have space for 1200 permanent seats, and as we predicted here last week, they would've come in real handy the rest of this season. The 1200 figure for the new gym is based on an average of 18 inches per seat, the same average used in the 600-seat capacity statement for the present gym.

In addition, there will be more room between rows. "Where there are just 22 inches between the rows in the present gym, there will be 32 inches separating rows in the new gymnasium. This will allow fans to use stadium seats more easily," Superintendent Farr points out.

Besides the permanent seating, there will be floor space in the gym for 500 portable roll-away seats. The permanent seats will be built high enough that the bottom row's view will not be blocked by the addition of roll-away seats.

Farr also brought out that gate receipts for the Dimmitt-Friona games were more than any on record at FHS, including the Friona Squaws-Tulla play-off game back in 1960 here.

Fans who thought they were crowded here now face the prospect of going to Dimmitt for a game in their new gymnasium on February 9. Despite being practically a new gym, it is reported that the seating capacity is just between 400 and 500, less than Friona's present gym.

There may have been some raised eyebrows among certain taxpayers last spring when the bond issue was proposed, which included money for a new gymnasium. Some might have thought the present gym could have sufficed.

However, if these same people had arrived at the gym last Friday at about 7 p.m. and expected to get a seat, perhaps their minds were changed.

In fact, this sort of turnout lends practicality to the argument for having all the high school facilities centrally located at the new plant.

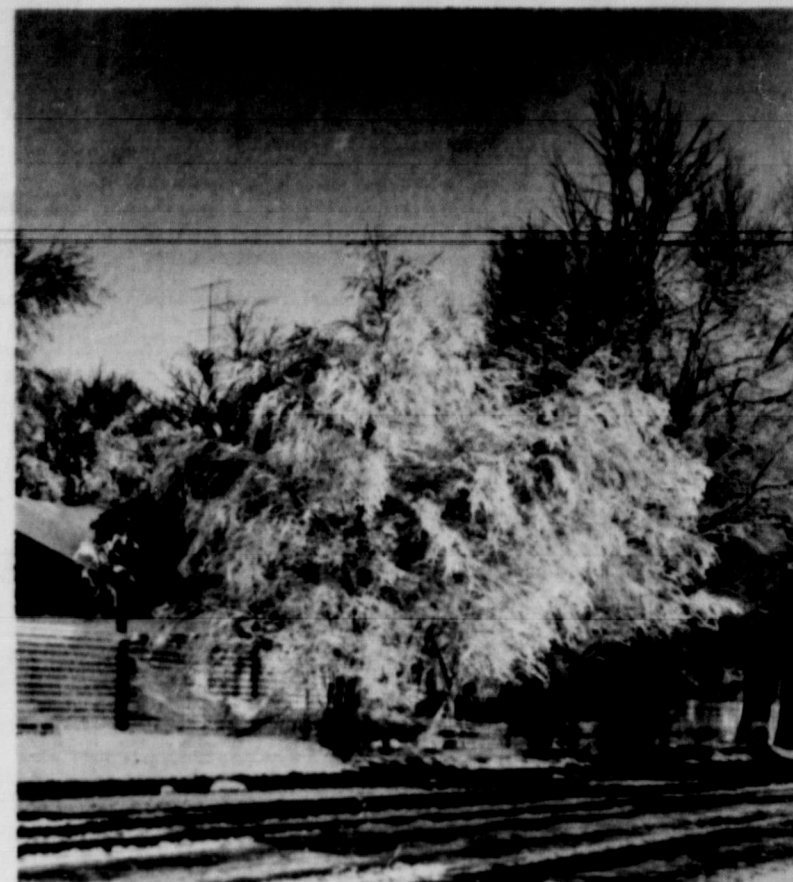

And the same situation exists in the football stadium proposition, we might hasten to point out.

WINTER WONDERLAND. . . Friona residents were treated to wintertime scenes this week for practically the first time this year. The snowman in the upper left picture gives proof that enough snow fell for youngsters to have a good time. In

the center picture, Elizabeth Drager extends a snowball while Friona High School's exchange student, Brenda Hawker asks "Do you eat it too?" The two engaged in a small snowball fight for Brenda's benefit. At the right is a portion of the trees

at the Kinsley place at Seventh and Ashland with tree limbs laden with frozen snow. The snow fell Monday night and by mid-day Tuesday a lot of it had melted.

G.S. LOOPER

City Man Uninjured As Freight Slams Pickup

G.S. Looper, about 60, escaped uninjured Tuesday morning when the pickup truck he was driving was struck by a west-bound freight train at the crossing on South Main Street in Friona.

Looper, an employee of Ken-

drick Oil Company, was headed south when he noticed the approaching train. Upon applying his brakes, they locked and the pickup skidded on the ice which had accumulated from the previous night's snow.

The vehicle skidded through

the wooden arm on the automatic warning system and into the path of the oncoming train, and almost cleared the track before being struck on the left rear and spun completely around by the impact. The train was travelling about 65

miles per hour.

The blow practically severed the bed of the pickup from the cab. Looper was still seated at the driver's position when the pickup came to rest facing north, almost in the drain-

(Continued on Page 2)

Tax Deadline Is January 31

Friona residents are reminded that January 31 is the deadline for paying both city and school district taxes without penalty.

Also, that is the deadline for paying poll taxes for voting in 1965 elections. Poll tax receipts are still required for local and statewide voting.

Three seats will expire on the City Council, whose election is March 6.

Another local election at which poll tax payment will be necessary to vote is the school board election. Two terms are expiring there.

BY JAYCEETTES

Mothers' March Set In Friona Tomorrow

The Friona Jayceettes will conduct their annual "Mothers' March" Friday night, collecting money for the March of Dimes.

The "March," which is a highlight of the local March of Dimes drive for the third straight year; will begin about 7:30 p.m. Local residents are requested to turn their porch lights on to indicated they plan to contribute.

"It is significant that these young mothers are helping with the March of Dimes Drive",

points out Bill Ellis, local drive chairman. "Because the March of Dimes is concentrating now on means of combating birth defects, something which is vital interest to everyone raising families."

The National Foundation, which is the organization behind the March of Dimes, sponsors programs on polio care and supports the Salk Institute for Biological Studies.

The Mothers' March is one of the big features of the local MOD drive. Other fund-

raising projects during the drive include a coffee day with proceeds going to the drive, and a student-council-sponsored program at Friona High School.

Grade school children are to be given coin envelopes in the next few days which they will be asked to fill and return. The March of Dimes is given credit for having played a major role in helping develop the vaccine which has reduced polio from the dread disease it once was.

11 RURAL DEATHS

County's Traffic Toll For 1964 Worst In Area

Parmer County led the entire 31-county High Plains area in traffic deaths in 1964, according to the yearly rural accident summary released by the Texas Department of Public Safety.

The county counted 11 traffic deaths on rural roads during the year, which was two more than the more urban counties of Potter and Randall, which had nine each.

The 11 traffic deaths compared to six the previous year, which ranked the county sixth among the 31 counties, all of which are north and east of Parmer County in District "5B" of the DPS.

Parmer County had over ten per cent of the rural fatalities in the 31-county area, since there were 105 traffic deaths in the district as a whole. There were a total of nine fatal accidents in the county, ranking it first along with Randall county, which had the same number.

Besides the fatalities, there were 67 persons injured in rural accidents, which ranked it in a tie for seventh place in the district, same as last year. However, in 1963 there were just 58 injuries recorded.

The county ranked tenth in

total accidents with 122, which actually was a drop of eight from 1963, when the county was sixth in that category.

Property damage resulting from the 122 accidents

amounted to a total of \$108,499, the seventh-highest total in the district. Property damage from 1963's accidents totalled \$78,905, which ranked the

(Continued on Page 2)

Friona Jaycee Gets State Director Post

Bill Dufur, member of the Friona Jaycees, was elected to a state director's post from Area 1 at the winter Area 1 Junior Chamber of Commerce Convention at Amarillo last weekend.

Other directors elected at the convention were Minor Pounds of Lubbock, Mike Sweet of Amarillo and Doyle Green of Borger. Elected as area vice president was Jerry Fowler of Hereford. Dufur was active in Jaycee work in Hereford prior to coming to Friona as owner-manager of Friona Machine and Supply (formerly Boyd's). This was the first time he sought an elective office in the Jaycee organization outside a local group.

Dufur lauded his local organization in aiding his election.

"They really backed me in my campaign," he said.

In addition to Dufur's honor, Friona was selected as the meeting site of the next Junior Chamber of Commerce regional work forum, date of which is to be set.

Other members of the local chapter who attended the convention were John C. Miller, vice president; Monte Fowler, Don McMahan and Gerald Shavor. They were accompanied by two members of the Jaycee-ettes, Mrs. Monte Fowler and Mrs. Bill Dufur, who served as hostesses in the Friona Hospitality room at the convention.

"We of the Friona Jaycees hope to be able to serve our community better in the future than ever before, and we ask for your full support," stated Fowler and Miller.

P.C. Implement Will Observe Birthday

Parmer County Implement Company will observe their first anniversary under new ownership on Monday, and invite all their friends and customers to attend an impromptu "birthday party" at the company all day Monday, February 1.

Coffee and Spudnuts will be served all day.

The local International Harvester - Oldsmobile dealership was purchased from J. C. McFarland last February 1 by a trio composed of Newman Jarrell, Jr., Andy Hurst, and Rene Sneed.

The officials invite everyone to avail themselves of the company's hospitality on Monday, and take the opportunity to inspect the new 1965 Oldsmobiles, as well as the I-H line of farm equipment.

District Lead On Line Friday

Friona High School's two district-leading basketball teams are entering the "stretch" stage of the season, with every game from here to the finish a vital one for their titles.

For instance, the teams go to Floydada tomorrow night to meet the dangerous Whirlwinds and Whirlettes, both of whom are anchored in third place behind themselves and Dimmitt.

Both teams will face a tough opponent, but it may well be that the Squaws will have the tougher time of it, judging by recent scores. Floydada, for example, trampled Abernathy 77-57 in a game last Friday.

Their next time out, Abernathy gave the Squaws fits before losing Tuesday, 59-55. Then on Tuesday, the Floydada girls slammed Olton, 83-53. So, the Squaws' defense will evidently

get a strong test. In their game here, Friona scored a 42-34 win over the Floydada girls.

The Chiefs' opponent has not been making such rumbling noises, but Coach James Anglin figures that his team will have to be at its best to beat the Whirlwinds on their home court. Foremost in the minds of both teams will be the remembrance that Friona's football hopes took a tumble at Floydada in the last grid game of the season, when the Whirlwinds eked out a 7-6 win. Both should be primed to gather revenge and score a round-ball victory.

Next Tuesday the teams will be host to Lockney in the last home game of the season, followed by games at Olton on Friday and at Dimmitt Tuesday, February 9.

Two-Inch Snowfall Is Year's Best Moisture

The year's best moisture for the Friona area came in the form of a swift-falling and moisture-laden two inch snowfall here Monday night.

The large flakes melted as they first began to fall, but within minutes had a good covering. The City of Friona had an official "water content" measurement of .29 inches from the snow, verifying the wetness of the flakes. That, added to a sprinkle measured at .03 between 7 and 8 a.m. that day brought the day's total to .31 inches.

The moisture was practically

the first of the year, although .04 inches of moisture was recorded on January 9 from a small snowfall. That brought the total for January to .35 inches.

Monday was a day filled with every kind of weather on the local front. The day started with the early-morning shower, but shortly thereafter the wind began, and by mid-morning a full-blown duster was in progress.

The gale-like winds, reaching probably 50 miles per hour at the peaks, continued all during the day until the snow-laden

cold front moved in about 6 p.m. All the snow fell between 6:30 and 8 p.m. Melting began early Tuesday, as the front left as hurriedly as it came, leaving sunny weather. The bulk of the snow was melted by Tuesday night.

Temperatures for the past week were:

Date	Max.	Min.
January 21	51	25
January 22	56	30
January 23	55	31
January 24	45	22
January 25	67	32
January 26	50	15
January 27	43	15

BI-SECTED. . . This is the pickup-truck driven by G. S. Looper which was struck by a freight train at the Main Street crossing in Friona Tuesday. Looper was unhurt, but the pickup was

almost bisected, as is shown. The truck came to rest just at the edge of the drainage bridge near the tracks.

Current Comments From . . .

TULIA . . .
NEEDED TODAY are employees who have learned the fine art of humility -- a God given virtue. Humility is not an attribute reserved for those who work on the lower rungs of the economic ladder. Humility is a virtue for the corporation president as well as the janitor. All of us serve, if we are worth our salt. And we must serve with humility -- pride--is one of the most despicable of all vices. It is the source of many troubles. It is listed in the Bible as one of the three sources of all evil.

Pride breaks up friendships. It makes enemies. It destroys happiness. It limits service. It drives away customers. It makes sharp tongues. It is a liability no employer can afford to tolerate in an employee.

H. M. Baggarly in the Tulia Herald

WELLINGTON . . .
Many of the towns around Austin are inhabited by people who are mainly of German descent and you can tell it by the looks of the farms and the towns. They still live on the farms. They have cattle in small or large numbers, beef cattle and dairy cattle; but they also have hogs, chickens, geese, and sheep. In the country around Altair we noted a pond or small lake near the neat house and big barn and around each of these waddled great white or gray geese. We found out the reason as we passed through, Altair, which advertises itself as The Goose Capital of the World.

Deskin Wells in the Wellington Leader

HEREFORD . . .
The Deaf Smith County Chamber of Commerce has advised homeowners to be wary of carpet companies attempting to sell them long-wearing "industrial" carpeting at bargain prices.

Bill Thompson, manager of the chamber, said carpet vendors engaged in this scheme deprecate the construction and wearability of regular home carpeting and claim that "industrial" or "Commercial" carpeting "wears like iron" under heavy traffic conditions.

SUGGEST CAUTION

According to the National Better Business Bureau, with which the local Chamber is affiliated through membership, several chambers of commerce have reported that carpet companies or itinerant vendors in their areas are trying to sell "industrial" carpeting to the public.

One salesman said he represented an industrial carpeting company that had sections of carpeting left over from a hotel job that it would make available to homeowners at bargain prices.

The NBBB advised consumers to deal only with carpet firms of known reliability.

Hereford Brand

DUNCANVILLE . . .
If you're an average American male, you eat your weight in meat each year.

That bit of news comes from the National Live Stock and Meat Board. The figure is 173 pounds per annum, and it's the highest in the world. Further, says the board, in return for all those succulent steaks, chops and roasts and other cuts making up the total, you pay only 5 per cent of your disposable income.

The livestock producers do a superb job in seeing to it that an abundance of meat animals go continually to market. Their production methods have changed vastly for the better, and advanced technology is as common in the ranch country as it is in the industrial areas. Then the packers take over and, in return for a profit so small as to be practically invisible, make sure that every far-flung section of the country will have the meats it wants when it wants them.

We're the best fed people on earth. And the meat industry deserves much of the credit.

Bill Sheehan's Mother Dies

Services for Mrs. L. H. Blankenship, 62, were held yesterday in Childress. Mrs. Blankenship was the mother of Friona's Bill Sheehan.

Mrs. Blankenship died Monday morning at her home in Childress. She had been a resident of that city since 1908. Mr. Blankenship died in 1963.

Other survivors include a son, Gerald Sheehan of San Antonio, and daughters Mrs. Martha Cunningham of Amarillo and Mrs. Kathleen Cox of Little River, 13 grandchildren and one great-grandchild.

Guinn Services

Funeral services were conducted in Hereford this week for Mrs. Mary Emma Guinn, 92, who died January 20 at her home in Los Angeles.

Mrs. Guinn was the mother of J. T. Guinn of Route 2, Friona. She was the widow of George H. Guinn, a Deaf Smith County cattleman, who died in 1941. She had lived in Deaf Smith County from 1901 to 1950.

Other survivors are a son, Lester Guinn of Los Angeles, and daughters Mrs. J. W. Sherman and Mrs. J. J. Dimmitt of Los Angeles and Mrs. Leland Chalmers of Huntington Beach, Calif.

Treflan Clinic Set Saturday

Cummings Farm Store of Friona is co-sponsoring a clinic Saturday with the Elanco Company, makers of Treflan, weed killer specifically designed for cotton land.

The meeting will begin at 1:30 p.m. at the Friona Woman's Clubhouse. Refreshments will be served.

Archie Martin of Rowland-Gordon Chemicals, Plainview, will conduct the meeting.

Sixteen Make Straight A On FHS Semester List

Sixteen students made up the "Straight A" honor roll for the first semester as announced this week by Raymond Cook, principal at Friona High School.

Those making the all-A's list included:

Susie Carmichael, Becky Coffey, Jerry Coker, Brownie Cole, Randy Ellis, Linda Fallwell, Dennis Howell, Bobby Jordan, John Bill McFarland, Martha Martin, Linda Outland, David Reeve, David Smith, Larry Truitt, Terri Lynn Wilson and Mike Wooley.

Making A's with one B were the following:

Sharen Awtrye, Ann Ayers, Madalyn Binger, Lou Cochran, Crista Evans, Darla Howell, Frieda Floyd, Ricky Hurst, Shirley Hutson, Jim Bob Jones, Nan Lillard, Belinda Mabry, Karene Milner, Karen Osborn, Mike Reznik, Sandra Schilling, Kara Beth Sides, Mary Smith, Robert Stewart, Shirley White.

Those with A's and two B's were:

Ruben DeLeon, Julia Dennis, Judy Edelman, Brian Evans, Dennis Fallwell, Randy Farr, Susan Neill, Glenda McClellan, Manuel Pacheco, Brenda Hawker, Shirley Phipps, Ann Pre-

wett, Courtney Owen, Tommy Sherley, Janet Stevick, Celia Vestal, Nancy Webb, Monte Welch, Lynn Wilson, Eddie Wood.

Making A's with three B's were:

Becky Bails, Sandy Beene, Carolyn Brown, Bob Carothers, Wade Coker, Sharon Dean, David Harper, Bill Hope-well, Patti Ragsdale, Mike Riethmayer, Rhonda Ruzicka, Darlene Wilson.

Four students made A's with four B's. They were Conrad Armstrong, Tim Herring, Jan Shirley and Mike Temple.

Lions' Program To Center On Eye Bank

A representative from the Hi-Plains Eye Bank, Inc. will present the program at the regular meeting of the Friona Lions Club tonight.

A film, "Boy With The Blind-fold," will be presented as part of the program.

Steve Messenger, president of the local Lions Club, explained that the Hi-Plains Eye Bank is a non-profit organization, financed by voluntary contributions.

The Hi-Plains Eye Bank was organized to secure and transport eyes which are donated for corneal transplants to make it possible for someone with an eye disorder to see. The eyes are removed from persons at the time of death.

The local Lions Club works with the Eye Bank in helping secure pledges from its members for the use of their eyes upon their death.

"Through the increase of medical knowledge, the improvement of the surgical techniques and the development of new instruments, it becomes increasingly possible to restore good vision in certain eye diseases through the transplant of the cornea," Messenger pointed out.

Doctors do not transplant the whole eye, but they can use several parts of the eye. The main use of the eye is to trans-

plant the cornea, which is the clear part of the eye just in front of the pupil.

Every eye can be used by doctors, according to the Eye Bank officials. Wearing glasses for any reason, or having cataracts, or glaucoma, or other eye diseases does not make an eye useless.

The Eye Bank does not pay for eyes received from donors. Neither does it charge for the eyes to the recipients.

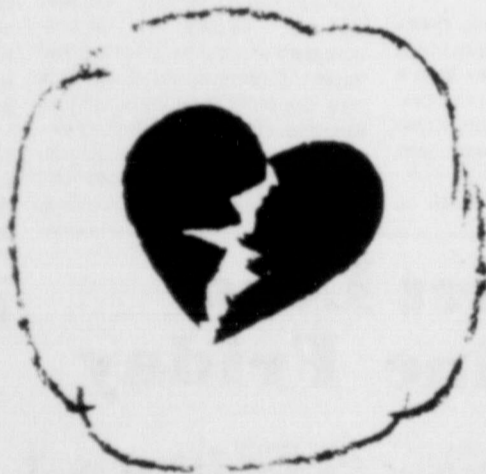

Besides their value for transplants, human eyes are badly needed to learn more about the diseases and the function of the eyes, and to develop new surgical techniques to help the living.

As far as it is known, there is no existing religion which prohibits the donation of the eyes. On the contrary, many of the religious leaders encourage this great humanitarian deed, Eye Bank representatives say.

Grand Jury

Parmer County grand jury convenes Friday at 9:30 at the courthouse in Farwell.

Serving on the jury for this term are Fred M. Burch, Jim E. Ware, Harold Carpenter, O. J. Beene, Charles Russell, T. L. Gleason, Jack Patterson,

Entering Students For 1965-66 Term Listed

A list of 98 youngsters who are to enter school next year was released by Superintendent of Schools Alton Farr this week. Farr requested that parents of children who are to enter school next year as first graders check the list to be sure their children are listed. Those who are not should contact either his or elementary school principal J.T. Gee.

The list is as follows:

Eddie J. Allen, Linda D. Anthony, Peggy A. Baca, Noemi Bautista, Christopher Beck, Diane Bennett, Michael Blackburn, Ricky Blake, Jose Blanco, Randal Boeckman, Edward Bralliff, Raul Bralliff, Terry Brown, Larry D.

Broyles, Selena A. Burnett, Diana R. Caballero, Edward Castillo, Maria Castillo, Johnny Chavers, Ricky Childers, Joan Clausen, Brenda C. Clayton, Amada Jr., Coronado, Milodi J. Dixon, Linda Duke, Belinda Dunn, Howard Estes, Irma Garcia, Olga Garcia, Hilberto Gomez, Linda Gonzales, Larry Gore, Sherri Grant, Bryan Grimes, Ruby D. Hale, Danny Hand, Cynthia Hankins, Teddy M. Harper, Ara Horn, Gloria Houston, Olivia Huffstickler, Wade C. Jameson, Kelvin King, Brenda Latham, Linda Lee, Jerry D. Martin, Keith L. Martin, Jimmy D. Maynard, Walter H. Mays, Darla G.

Junior High Lists Third Honor Roll

The honor roll for the third six weeks period was released this week by Tom Jarboe, junior high school principal.

Four fifth grade students made the all-A list: Sally Kendrick, Kathleen McLean, Ricky Pierce and Sheila Struve.

Three sixth graders likewise had all-A's. They were Dale Schueler, Susan Spring and Debra Wyly. There were two seventh grade students on the top list, Norman Mohr and Susan

Vestal. Four eighth graders made all A's: Janice Clark, Doris Ferguson, Darla Perkins and Vickie Renner.

On the A's with one Bc list were the following:

Fifth grade--Bill Bailey, Vicki Beck, Dave Buske, Denise Frazier, Carolyn Martin, Alesia Ragsdale, and Larry Sanders.

Sixth grade--Mike Buchanan, Mike Miles and Sandy Reznik.

Seventh grade--Michelle Curry, Gayetta Gable, Danny Kendrick, David McFarland, Becky Neill, Rhonda Ragsdale, Wayde Schueler, Jerry Shelton, Sherrie Shelton and Bobby Thomas.

Eighth grade--Kathy Bandy, Johnny Barker, Brenda Black-

burn and Patrl Cannon.

Twenty six made A's with two B's. They were:

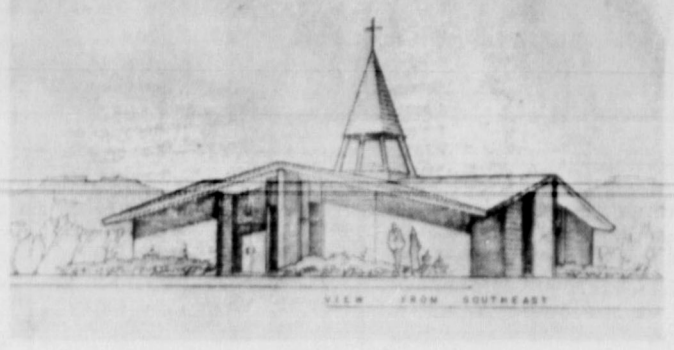

Fifth grade--Joni Cannon, Kathy King, Carleen Schlenker, David Sides and Jeanie Thompson.

Sixth grade--Dewayne Bauer, Deborah Clausen, Janetta Cole, Larry Johnston, Kathy Latham, Zane McVey, Mike Mills and Esther Smith.

Seventh grade--Belinda Clevinger, Isidore Cordova, Jenisu Fallwell, Kay Riethmayer and Jane Rushing.

Eighth grade--Steve Buckley, Danny Carthel, Sherry Gibson, Lowery Harper, Carolyn Hutson, Shirley Johnson, Joel Osborn and Angela Schilling.

What Lutherans Believe--

By Fred Beverdorf, Pastor

"By grace are ye saved." He sent Jesus Christ and thru Ephesians 2, 8. Him forgives us. That's all there is to grace. And we are saved by that grace. Christ is that grace to us.

"According to His mercy He saved us," Titus 3, 5.

Another illustration might help. A sentry of Napoleon's army was caught asleep on duty. He was sentenced to die. His mother walked many miles to plead for her son's life. She pleaded that mercy (or grace) be shown. Napoleon roared back, "What? He deserves no mercy." The mother replied, "That's right. Mercy would no longer be mercy if it were deserved."

Last week we spoke of the three main doctrines that underlie all the teachings of the Lutheran Church. The first of these is that man is saved by God's grace, and His grace alone. This is taught in contrast to man deserving to be saved by something he has done or does.

Man does not deserve to be saved. Because of the things he does, he deserves punishment. Perhaps this sounds harsh at first but it's true.

Why is it true? Because man sins. You sin, I sin. What's going to be done with them? Can you make atonement for them? You can do acts of penance. You can make restitution. You can say you are sorry. But you cannot make atonement.

Just look at a sin of a child against its parent for an example. The child will say it's sorry. It may be even punished. But finally the parent still simply has to forgive child. The parent forgives because it loves, not because of the other things which the child does. So it shows grace.

So it is with our Heavenly Father. He saw we were sinners, unable to save ourselves. So from within Him sprang the virtue and drive to extend mercy or grace to us, totally undeserving as we were.

That's what God showed to us in saving us - Mercy or Grace.

News From LAZBUDDIE

BY MRS. C. A. WATSON

Lazbuddie PTA met Monday evening in the school auditorium. The Meeting was opened with prayer by Howard Bridges, Brenda Tanner, soloist, was accompanied by Susie Tanner at the piano.

During the business meeting members voted to continue plans for construction of a tennis court. Members of PTA and FHA are cooperating in sponsoring a fund raising drive for this project.

Freeman Davis, Wayne Hardage, Gaither Vandver and Harley Ethridge are serving on the PTA committee to promote the project and to raise money for equipment for the court.

This organization plans to sponsor a volleyball tournament again this year. Proceeds from last year's tourney were contributed to the tennis court project.

Mrs. Ted Treider, Mrs. Kenneth Cox and Mrs. Raymond Treider Jr. were chosen to serve on the nominating committee. The second grade class, taught by Mrs. Bridges, won the prize for having most parents present.

Mr. and Mrs. Billy Hardage, students at Wayland Baptist College in Plainview, spent the mid-term vacation in the home of his parents, Mr. and Mrs.

We set out to build the most beautiful, best performing car in the low-price field

...and this is how it looks!

Sure it's good looking. But you'll never know what a honey the new F-85 really is until you buckle down behind the wheel. You'll go for its rollicking V-8 response (with up to 315 horses)! The serene smoothness of its full-coil ride. The solid quiet of its Body by Fisher. Actually, only one thing equals the pleasure of driving this budget-pleasing F-85: The pride of owning it!

Local Men Complete Tech Soils Course

Lester Dean and Harold Taylor, local fertilizer salesmen, recently received certificates of award for successful completion of a soils course "Subsoil Chemistry and Clay Mineralogy" co-sponsored by Texas Tech and Western Ammonia Corporation. Instruction for the course was provided by Dr. B. L. Allen, Associate Professor of Soils at Texas Tech; Dr. A. W. Young of Texas Tech and Dr. William Bennett, Agronomist for Western Ammonia Corporation. Attending the dinner, in addition to the Texas Tech staff participants, were the sales representatives, managers and company officials of Western Ammonia Corporation and their wives. The 12-week soils course is jointly approved and recognized by Texas Tech College Extension Division as equivalent to 3 semester hours in College Agronomy.

son, Darrel Buckley, Glenda Reeve.

Fourth Grade: Mack Walters, Bruce Bandy, Alan Zeman, John Lee Rule.

Lazbuddie News --

(Continued from page 3)
L.M. Hardage.

Ralph and Bobby Broyles returned Wednesday from Milburn, Okla., where they had been to visit their brother, J.C. Broyles, who had been in a car accident and his wife, who had been hospitalized following a fall in the clothing factory in Colgate, Okla.

Don Schumann visited in the home of his mother, Mrs. Beatrice Schumann at San Diego last week. He was accompanied home by his brother, Gene, also of San Diego.

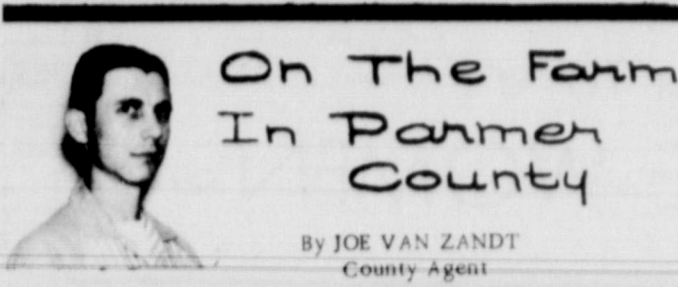

Mr. and Mrs. Jimmie Johnson and children moved to Muleshoe last week.

Mr. and Mrs. John Agee attended funeral services for John Larkin of Frederick, Okla., Monday. He was a cousin of Agee.

Sunday guests in the Dan Cargile home were Vernon Goodwin, Seagraves; Mr. and Mrs. Ross Goodwin, Denver City; the Preston Cargile family, Lariat; the Don McDonalds from Muleshoe and the Dwain Menefees from Friona.

Demp Foster attended the Smith-Douglas workshop in Oklahoma City last week. Feature of the meeting was a study of farm chemicals and soil testing.

Mrs. Earl Ellis, homemaking teacher and Charlotte Seaton,

On The Farm In Parmen County

By JOE VAN ZANDT
County Agent

On Thursday, January 28 starting at 8:30 p. m. in the Alcove Restaurant in Plainview, the West Texas Vegetable Growers Conference will be held.

Weed Control in vegetables will be theme for the meeting that lasts until about 5 p. m. All vegetable growers should attend this meeting as a very informative program is planned.

SUGAR BEET GROWERS

Everyone wanting to grow Sugar Beets in 1965 must complete application forms by January 29. These application forms are available in the ASCS office in Farwell.

All 1964 growers as well as anyone else wanting to grow beets in 1965 must complete one of these applications by January 29.

IRRIGATION WORKSHOP SCHEDULED

Mark this date on your calendar, Wednesday, February 17, 1:30 p. m. to 4:10 p. m., in Hub Community Center. At this time an irrigation and water conservation workshop will be held.

The program will consist of discussion on pending water legislation, water table decline and results of studies by the senior student at Lazbuddie High School, attended a workshop for FHA officers in Plainview Monday evening.

Mrs. Jo Ann Bray, home service advisor for Bailey County Electric Cooperative, of Muleshoe presented a demonstration on home lighting and home laundering for members of Lazbuddie FHA at the FHA cottage Wednesday.

FHA members honored their parents with a supper in the school cafeteria Monday evening. Decorations were in red and white and centerpieces were of red roses. Katie Blackstone introduced parents present.

Mr. and Mrs. Gene Smith visited with Mr. and Mrs. Joe Frank Paul at Spearman last week. The Pauls are former residents of Lazbuddie.

High Plains Underground Water District by Tom McFarland.

Other items on the program include discussion on methods, rates and timing of water applications by Dan Huckabee with Soil Conservation Service in Amarillo.

James Murphree, Extension Farm Management Specialist, will discuss economical management of water for highest net return per acre-inch of water.

There will be time for a question and answer session after each speaker part on the program. We believe this will be a very timely program of concern to everyone. We all need to learn more about making the best possible use of our water, which is the foundation of our economy. So mark this on your calendar for Wednesday afternoon, February 17, 1965.

DON'T GUESS - SOIL TEST

Several farmers have been getting soil tests run on soil samples from their fields lately. A total of 89 soil samples were analyzed for Parmen County farmers between January 4 and January 21. This is good but not good enough.

I really believe every farmer in Parmen County can make more net profit if he will have a soil sample from every field analyzed every two years. Soil testing is essential to increasing net profit just as applying fertilizer and irrigating is.

The longer we fertilize, the less we know about the fertility levels in our soils. I mean here, an economical fertility level.

From looking at the results of these soil test reports, we can see where phosphate residue is building up in some fields.

There's no "end" to the quality of our products. Our GOOD gasoline, our top-quality oil, our lubrication and car washing service are designed to please YOU and protect your car.

FHS Debate Team Entertains Study Club

The Friona High School Debate Team presented a debate on Nuclear Control, Tuesday night at the meeting of the Progressive Study Club in the Women's Club House.

Members of the team were introduced by their advisor, Mal Manchee. For the affirmative was Ann Prewett and Julia Den-

nis. For the negative was Gary Shackelford and Dwight Whitaker.

Foreign Exchange Student, Brenda Hawker of Australia, gave an informal talk about her homeland. She told of the difference in the school systems there and here, and of the differences in her government. During the question and answer session she told about her family, the cities, towns and farms of her country, and a little about the native Aborigines.

Refreshments of tea, coffee and cream puffs were served to 15 members and two guests. Hostesses for the evening were Mrs. Billy Jo Mercer and Mrs. Hollis Horton. Guests were Mrs. David Edgington and Mrs. Ronnie Wood.

Twelve Attend Regular Meeting

Twelve members of Women's Fellowship of Union Congregational Church attended the regular meeting in the home of Mrs. Carl Maurer Wednesday afternoon.

During the business session minutes of the previous meeting were read and approved.

Mrs. Paul Mohr presented a devotional entitled, "Discovering Our Mission." "Responding in Gratitude" was the title of the program presented by Mrs. Floyd Schlenker.

During the social hour refreshments were served by the hostesses, Mrs. Maurer and Mrs. R.B. McKee.

Jack, new at ushering, was doing fine until he asked one elderly lady, "Friend of the bride or groom?"

"Young man," she shot back, "I'm a friend of both."

Not to be stumped, Jack replied, "Well, ma'am, you're going to have to choose up sides, 'cause I don't have any seats for neutrals."

Of Interest To THE WOMEN

LLL Meets In Menefee Home

The LLL Class of the First Baptist Church met last Thursday evening at the home of Mrs. Dwan Menefee. Mrs. Phillip Weatherly was co-hostess.

Mrs. Charles Allen brought the devotional entitled "The Elect Lady" which was a continuation of the group's study of the Women of the Bible.

Mrs. Jim Dixon, class president led the business session. Roll call was answered with "Favorite Fattening Foods," and a recipe exchange followed the meeting.

Refreshments of apricot cake, tea and coffee were served to Mrs. Jimmy Maynard, Veldon Carroll, Jim Dixon, Richard Adkins, Dale Widner, Doyce Barnett, M.C. Osborn, Dale Hart, Charles Allen, Bill Ellis, Leon Coffey, the hostesses and one guest Mrs. Jerry Loflin, Stratford.

Installation Service Held For Rainbow Assembly

The Friona Rainbow Assembly No. 275 installed Karen Osborn as Worthy Advisor Saturday afternoon, Jan. 23. The open installation was held in the Masonic Hall.

Miss Osborn chose green and white as her colors. Faith as her theme, the red rose as her flower, Mathew 17:20 as her scripture and "I Believe," her chosen song, was sung by Sheryl Long. The installing officers were Mary Ann Roberts, installing officer; Sheryl Long, chaplain; Mylene Massie, recorder; Rita Collier, marshal and Doris Sides, musician.

Others installed at the service were Sharen Awtry, charity; Kara Beth Sides, hope; Becky Coffey, faith; Mary Ann Roberts, recorder; Rita Collier, treasurer; Becky Nell, chaplain; Pam Hartwick, love;

Pioneers Attend Family Reunion

Several old-time Friona area residents gathered for a family reunion at the home of Mrs. Bill Hopkins in Las Vegas, Nevada last week. From Friona Mrs. Ralph Wilson, Mrs. Mabelle Hartwell and Mrs. Helen Potts met their brother Chick Schlenker in Portales and continued the trip together.

Other members of the family who were present were Mrs. W. W. Burns of Des Moines, Iowa; Harold Schlenker of Placerville, Calif.; Mr. and Mrs. Oscar Schlenker and W. E. Schlenker all of Los Angeles, Calif.; and Mr. and Mrs. Carl Dorsey of Vista, Calif.

The group met for three days. It was the first time the family had been together in about two years. The pioneer Schlenker family came to the Friona area in 1906.

Study Club Presents Beauty Queen Parody

Modern Study Club members were entertained last Tuesday evening with a program entitled "Beauty Queens of Yesterday." Mrs. Dalton Coffey was narrator of the skit.

Eight club members donned costumes of days past and portrayed in pantomime some of the famous beauties of old.

Mrs. Wesley Foster portrayed Jezebel, Mrs. Glenn Reeve was Cleopatra, Mrs. Aubrey Rhodes played Helen of Troy, Mrs. Dan Ethridge was Lorelei, Mrs. Charles Allen was Ann Boleyn, Mrs. W.H. Ford played Grandmother Purdy, Mrs. Frank Spring was Scarlett O'Hara and Mrs. H.K. Kendrick was Mata Hari.

Mrs. J.L. Witten provided background music throughout the performance and she sang "Lorelei" at the entrance of Mrs. Ethridge's pantomime. "O You Beautiful Doll" was the

musical theme for the production.

"It takes a heap of living in a house to make a home," was the reading given by Mrs. Ford.

Bryan Witten sang "My Buddy," "The Big Brown Bear," and "The Holy City." He was accompanied by his mother.

Refreshments were served to 25 members and two guests. Hostesses for the evening were Mrs. Frank Spring and Mrs. V.J. Zeman.

Bridge Club Meets In Winders Home

Ten couples, members of the Lazbuddie Bridge Club, met in the home of Mr. and Mrs. Dub Winders Friday evening for a Mexican supper followed by a bridge session.

Those present were Mr. and Mrs. Wayne Moore, Mr. and Mrs. Gene Smith, Mr. and Mrs. Ted Trelder, Mr. and Mrs. Jimmy Briggs, Mr. and Mrs. Chuck Smith, Mr. and Mrs. Joe Moore, Mr. and Mrs. Scotty Windham, Mr. and Mrs. Arville Barnett, Mr. and Mrs. Andy Fuqua, and Mr. and Mrs. Larry Kirk.

The following prizes were given: Mrs. Chuck Smith, bingo prize; Arville Barnett, traveling prize; Mr. and Mrs. Jimmy Briggs, high and Mr. and Mrs. Andy Fuqua, low.

Hoover-Bogge's Nuptials Read In Hereford Church

MRS. RANZA B. BOGGE'S, JR.

Sandra Hoover and Ranza B. Bogge, Jr. exchanged marriage vows Friday evening, Jan. 22, in the First Presbyterian Church of Hereford, Rev. Russell Wingert officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Bill Nunn, Bogge is the son of Mrs. Jack Mosley and Ranza Bogge, Sr.

Janice Burks of Littlefield was maid of honor. She wore a full length gown of candy pink organza with a matching rosette headpiece, Gary Dean McGlothlin served as the best man and Jim Bob Jones and Don Hoover, brother of the bride, were ushers.

Carolyn Herring sang "Walk Hand In Hand," accompanied by Mrs. Dixie Sims of Hereford. The traditional wedding marches were played.

The bride was given in marriage by her father. She wore

a full-length silk tulle fitted sheath with a chapel train. The gown featured a sabrina neckline, long sleeves and a high-rise waistline crested with seed pearls. Her elbow-length veil of french silk illusion was attached to a crown of seed pearls and sequins.

She carried a bouquet of small white orchids centered with a large purple orchid.

A reception was held in Fellowship Hall following the ceremony. Tip Nunn and John

Hoover, brothers of the bride, registered the guests.

For going away, the bride wore a costume suit of brown herringbone tweed over a vanilla wool dress with a swaggar hat and palomino accessories.

Both the bride and groom are graduates of Friona High School. The new Mrs. Bogge attended Texas Tech and Colorado State University. They will make their home in Lubbock where he is now attending Texas Tech.

Rebekah Class Has Social Meet

The Rebekah Sunday School Class of the First Baptist Church met last Thursday afternoon at the home of Mrs. Bill Cogdill.

Mrs. Charlie Turner led the opening prayer, Bible study was from the book of Isaiah.

Refreshments were served to Mrs. Charlie Turner, Eva Roberson, C. W. Dixon, L. R. Dilger, Charlie Rauh, Annie Scott, G. L. Mingus, Beatrice Stevick, Reeta Agee, D. P. Mann, E. E. Taylor and Ethel Chitwood.

Sometime back in the early 30's C. F. Buske decided to donate his first bale of cotton to the textile mill at Texas Tech. Some history-minded soul at the college saved a few handfulls of the cotton and it finally became the property of Abernathy land-owner, J. P. Nystel. (The Buskes lived in Abernathy at that time.)

Nystel recently presented Mrs. Florence Buske with a corsage made of the cotton her husband had grown so many years ago. Mrs. John Connally

and Mrs. L. B. Johnson were also sent identical corsages made from the Buske cotton for inauguration of their husbands. The unusual corsages feature seeds, burrs and tiny bales.

Mrs. Buske says she doesn't know about the other women, but she plans to keep her corsage among her most treasured possessions.

(Note: Be watching for the C. F. Buske life story in the Lubbock Avalanche-Journal soon.)

KAREN OSBORN

Karen Osborn Wins Homemaking Award

Karen Sue Osborn, daughter of Mr. and Mrs. Ernest Osborn was presented the Betty Crocker Homemaking of Tomorrow Award last week. Karen won the award over 32 other girls in Friona by receiving the highest mark on a written homemaking exam.

Karen is now eligible for State and National honors, according to Mrs. Dalton Caffey, homemaking instructor, the highest ranking girl in the state will receive a \$1500 scholarship from the sponsoring company, General Mills. All 50 state winners and their advisors will tour Williamsburg, Va., Washington, D.C., and New York City for a week in the spring.

The Betty Crocker all American Homemaker of Tomorrow first place winner will receive a \$5,000 scholarship. The contest was initiated in 1954 by General Mills in order to emphasize to high school girls the importance of homemaking as a career, says Mrs. Caffey.

Karen is in her third year of homemaking and is president of the Dusk Chapter of FHA. She has received junior and chapter degrees and is now working on her state degree which is the highest honor an FHA girl can attain. She is a member of National Honor Society, Student-Faculty Congress, Rainbow Girls, Trebellatres and the band.

Ruth Circle Has Mexican Dinner

The Ruth Circle of First Methodist's WSCS met Wednesday night, Jan. 20 at Fellowship Hall where they were served a Mexican Dinner by Mrs. Phyllis Hernandez.

Mrs. Billy Jo Mercer gave the devotional taken from the book of Ecclesiastes. The book, "The Peacock Sheds Its Tail" was reviewed by Mrs. Russell O'Brian.

Club Members Vote Change

At the Monday afternoon meeting of Lazbuddie Home Demonstration club in the home of Mrs. Clayton Grief members voted to change club meeting time to 2 p.m. instead of 2:30 p.m. each second and fourth Monday.

Yearbooks were filled in and the constitution and by-laws were read.

Eight members and one guest, Mrs. Dennis Nelson, were present. Next meeting of the club will be in the home of Mrs. Glenn Lust.

Members and guests present were Mrs. O'Brian, Mercer, Hansen, Lindeman, George Jones, Russell McAnally, Hayden Cason, Pat Fallwell, Joe Fallwell, Lewis Gore, Ed Clark, Tom Shelton, Doug Stevenson, Floyd Rector, Keith Brock, W.E. Buchanan, Bill Buchanan, Warren Conner, Thomas Jones, David McVey, Baker Duggins, Earl Hawkins, Thomas Bandy, and Misses Jo Phillips, and Lois Norwood.

The Soviet minister of Agriculture reports that 3 million acres of cropland are abandoned each year in Russia. The main cause of this loss is wind and water erosion.

HERE'S HOW YOU WIPE AWAY WALL and CEILING CRACKS WITH KRACK-KOTE and TUFFGLASS FABRIC

WIPE ON-Apply lightly with a short bristle brush. Wipe on a tacky film with handy Tuff-Kote Applicator. Fast. Simple. No fumes. No mess. Anyone can cure cracks quickly with clean, easy-to-use Krack-Kote.

FOR SMOOTH PLASTER-Bridge cracks with Krack-Kote and Tuffglass Fabric. Just wipe 'em away! No plaster-chipping. No wire mesh needed. No re-plastering. With Krack-Kote, you'll forget where the crack used to be.

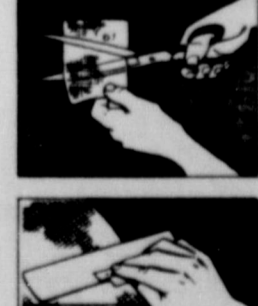

APPLY TUFFGLASS FABRIC-Smooth on it's thin, tough, super-strong, withstands the stresses and strains that cause failure of rigid crack fillers.

FOR TEXTURED PLASTER-Applied by the same easy method as on smooth plaster, pliable, permanent Krack-Kote and Tuffglass Fabric ends cracks on textured plaster. Stipple while drying-repair disappears when painted.

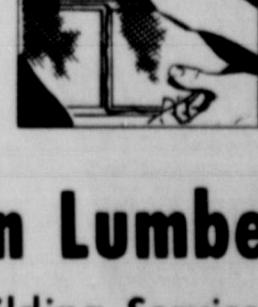

COAT-YOU'RE DONE! Fabric vanishes under second coat of Krack-Kote. Feathering the edges makes patch invisible after painting or wallpapering. No sanding-you're done! And it's permanent! Tuff-Kote-for outside use-is applied in this same easy 3-step method.

FOR DRYWALL (plasterboard, wallboard, plywood)-Cracks, joint separations, nailheads, dents, hammermarks, or un-belted butting edges-all disappear under a smooth, permanent seal made with Krack-Kote and Tuffglass Fabric. Strong and light, yet flexible. Cracks won't reappear. Invisible when painted or papered.

HANDY HOME KITS! Each kit contains 1-qt. can Tuff-Kote or Krack-Kote, Tuffglass Fabric, FREE Applicator.

FOR CONCRETE OR CONCRETE BLOCK-Lasting repair is easy when you use Krack-Kote and Tuffglass Fabric on cracks in concrete walls and walls of concrete block, including mortar joints.

(Continued from page 7)
that Tillman has traced her father's family back to the year 1,000 and has discovered that they are direct descendants of the ruling Stuarts of Scotland. The Mingus children are the 30th generation.
See, there are distinguished folks around old Friona!

The Carl Maurers were in Lubbock the first of the week to see the new machine show there.

Mr. J. H. Turner, Amarillo, was a dinner guest Friday in the home of Mr. and Mrs. J. H. Brand and Katherine.

Lewis Larrymore, the dance-instructor from Lubbock, is having free demonstration dance lessons this Saturday in the American Legion Hall. Lessons in tap, acrobat and ballet will start at 10:00 a. m. and continue all day. Consult the Larrymore ad in this paper for the time for your age group. At 6:30 p. m. Larrymore will give a lesson in ballroom and social graces for teens and pre-teens.

Mr. and Mrs. Jerry Loflin of Stratford were in Friona over the weekend visiting with the Weatherly family.

Mr. and Mrs. B. D. Fortner, Happy, Mrs. Rebecca Weis, Friona, were Saturday evening visitors in the home of Mr. and Mrs. Karl Bender.

Mr. and Mrs. Joe Osborn of Austin were through Friona Saturday on their way to a week of skiing around Taos, New Mexico.

Mr. and Mrs. Gary Brown and Mr. and Mrs. Flake Barber attended the Chamber of Commerce Banquet in Hereford last Wednesday evening. Brown is president and Barber is secretary of the local Chamber.

Around 30 people from the Friona area gathered at the Hub Community Center Saturday night for a going-away party honoring Mr. and Mrs. Paul Jesko. The Jeskos are moving to Mt. Pleasant where he will be going into the ranching business full time.

The family and friends of the Jeskos gathered, played 42 and canasta, and had refreshments of cake, pie and coffee. The honorees were presented with a vase and floral arrangement with matching ash trays for their new home. They were also given an Al Hirt record of "Cotton Candy."

Mr. and Mrs. Jim Reece and son, Russ, and twins, Shelly and Kelly, of Amarillo, visited last week in the homes of Mrs. A. O. Drake, Mr. and Mrs. Arthur Drake and Mr. and Mrs. Earl Drake. Reece is a grandson of the elder Mrs. Drake and a nephew to Arthur and Earl.

Also visiting the Drakes was Mrs. Drake's daughter, Frances Howard of Abernathy.

Mrs. Delton Lewellen presented a Beeline Fashion party in her home last Thursday afternoon. Her mother, Mrs. Harvey Shapley of Amarillo, was present. Also, Mrs. C. L. Berry, Beeline representative of Amarillo. Around 15 guests attended. Refreshments of punch and cookies were served.

Mrs. Travis Harrell is visiting this week in Floydada with her parents, Mr. and Mrs. Bob Rosson.

Mr. and Mrs. Sloan Osborn spent this week in Miami, Florida at a meeting of the REA.

Mr. and Mrs. Roy Clements had their son, Don, home from A & M over the weekend. Don brought a friend, Freemont McDermont, and the two returned to College Station Tuesday.

It's queer how folks will do nice things, then drip a little hint, as how it wouldn't hurt a bit to have it show up in print. Then that same fellow, while flying high, will cut some foolish caper, and go to any length to keep it from getting in the paper.

Good Turnout Attends Meeting Of Gas Users

A good crowd -- considering the weather -- attended the annual meeting of the Farmer County Irrigation Gas Users Association at the Hub Community Center Monday night.

Three officers and a like number of directors were re-elected to new terms of office. Bruce Parr was re-elected president of the organization, and Carl Schlenker was re-named secretary.

Over 60 members attended the meeting, and among the guests were John Aiken and Tom Robinson of Hereford, members of the Deaf Smith County Gas Users Association.

Jim Roy Daniel was elected to the board of directors from the Lazbuddie precinct. Other directors, D. L. Carmichael, Melvin Sachs and Vernon Symcox, were re-elected.

A motion was passed to name the group's vice president and secretary as additional directors on the Plains Irrigation Gas Users Association.

Frionans Attend Municipal Meet

Mayor J. C. Claborn, City Manager Jake Outland and Assistant City Attorney Warren Connor attended a meeting of the Texas Municipal Leagues, Municipal One, in Amarillo last Thursday evening.

The meeting, a quarterly one, was hosted by the city of Pampa. Former Pampa Mayor Fred Thompson gave the principal speech in connection with municipal growth and activities.

Friona Teams Survive Tough Abernathy Games

Two games which both Friona High School coaches James Anglin and Mel Williams agreed were good to have "behind them" were unrecalled at the local gymnasium Tuesday night. Abernathy furnished the opposition, and plenty of it in both games. In fact, the Abernathy girls almost furnished too much opposition before the Squaws pulled out a 59-55 win, their closest game in district play.

The Chiefs and Antelopes had a slugfest (literally) for three quarters before the Chiefs finally beat the Lopes at their own pressing game and opened up a good lead to win going away, 53-42.

Friona had a 10-point lead in the girls game, only to see Abernathy pull to within one point with a minute left in the game. It took some pressure free shots by Sheryl Long in the last 30 seconds to stave off the Antelopes.

Abernathy's girls, who were district champions in 2-AA last season with most of their players back and runners-up in the state AAU tournament in Duncanville recently, jumped into an early 4-1 lead over the de-

fending state champs. However, Teto Jennings made a hook shot and followed it with a lay-in after a steal for a 5-4 Friona lead, and seconds later Linda Davis stole a pass inbounds and Miss Long's set shot made it 7-4, Friona. The Squaws had scored six points in less than a minute.

After that the Squaws never trailed in the game, but that isn't to say they had the game wrapped up. Miss Davis scored two baskets to increase a 10-6 lead to 14-6, and the score after one quarter was 17-11.

The Squaws had trouble getting their scoring machine going in the second quarter, and after two and a half minutes the Antelopes had tied the count at 18-11.

Midway through the second quarter Coach Williams inserted Janet Rushing and Cindy Ingram into the lineup. These girls had responded well in the district opener at Abernathy, and they didn't let him down this time.

Miss Rushing hit two free throws to up the lead to 26-20, and Miss Ingram's jump shot increased it to seven points at 26-21. Score at halftime was

30-23, Friona, as Miss Davis scored a basket just prior to the buzzer.

Miss Jennings got Friona off and running with a three-point play in the third quarter, and then Miss Rushing scored six straight points to vault the Squaws into a 10-point lead at 42-32. It was still an eight point margin, 43-35, at the three-quarter mark.

Miss Rushing's jump shot got 10-point leads back for Friona twice, at 45-35 and 47-37, and Miss Ingram's two jump shots made it 54-45 with just over three minutes left. However, Abernathy's girls came on like gangbusters.

The margin was trimmed to seven points, then five, three and one in less than two minutes, as little Donna Webb of the visitors became deadly on an inside jump shot. With 1:12 to play, it was 56-55, Friona.

However, after Miss Jennings missed her first free throw of the night with 45 seconds left, Miss Long toed the line. Her shot with 32 seconds left made it 57-55, and two more with nine seconds remaining took the pressure off.

The Chiefs had trouble get-

AFTER BALL... Linda Davis, left, closes in on Dimmitt's Jane Clevinger in an attempt to steal the basketball. In the background is Friona's Teto Jennings. The Squaws toppled the Boggies, 48-32 in a game here last Friday.

FANS WERE TREATED

Friona-Dimmitt Games Gave Thrills-Aplenty

If you can't take exciting finishes, then maybe you'd better not watch the Friona High School Chieftains and Squaws play basketball this season.

However, for those fans who like exciting games, they certainly got their money's worth at the Dimmitt-Friona games here last Friday.

The Chiefs, once ahead by as much as 13 points, had to come from behind in the last two minutes of play for a 51-48 win, while the Squaws, holding a meager 18-17 lead at halftime, finally broke their game open to down the Boggies, 48-32.

The losses were the first in district play for the Dimmitt teams, giving both Friona teams undisputed possession of first place. Both local teams finished the first round of district play with 5-0 records.

Both teams had a certain amount of trouble before pulling out their wins.

The Squaws faced a precision defense from the Dimmitt girls, and missed their first several shots. Dimmitt took a 3-0 lead before the Squaws scored. Friona tied the score on free throws, but Dimmitt scored two quick field goals for a 7-3 lead with two minutes left in the first quarter.

Linda Davis scored Friona's first field goal of the game with 1:31 to play in the first quarter, to cut the Dimmitt lead to 7-5, but a three point play by Linda McColum gave Dimmitt 10-5 lead with :42 left on the clock. Davis canned another jump shot before the quarter ended, Dimmitt in front by 10-7.

The Squaws caught up at 11-11, and the lead changed hands five times before the half ended. Teto Jennings' long set shot with two minutes left in the half gave the Squaws a 16-15 lead, and the team wasn't to trail in the game again.

Friona built up a 27-20 lead late in the third quarter, but another three-point play by Miss McColum with 50 seconds left in the quarter cut Friona's

lead back 27-23. McColum's layup early in the final cut the lead to 27-25, but Friona was soon to start its "finishing kick." Miss Jennings' set shot upped it to 29-25, and another long shot a few minutes later made it a 10-point lead at 40-30.

With Dimmitt on the "ropes," the Squaws took advantage of every break, and had a 48-30 lead in the last minute of play.

The Bobcats jumped ahead of the Chiefs, 6-1 early in the game, and Friona played catch-up all the first quarter. The Chiefs did a catch up at 8-8 with 1:43 left in the quarter, on Danny Murphree's long set shot.

Dimmitt broke a 10-10 tie with a basket in the last 15 seconds of the first quarter, but Ray Braxton's lay-in at the buzzer tied the score at 12-12.

Larry Buckley hit a set shot from the side to give Friona its first lead at 14-12 to begin the second quarter, and the Chiefs remained ahead until late in the game. Friona kept at it until with 3:15 left in the half they had a 25-15 lead, as Dimmitt hit a cold streak, and Buckley paced Friona's "ownership" of the boards.

Dimmitt cut the margin to six points, 25-19, but it was upped to eight points, 29-21, at halftime.

In the third quarter, the Chiefs managed to build up a 13-point lead practically before Dimmitt scored. However, after holding a 37-24 lead with 4:50 left in the quarter, the Chiefs failed to score another point in the quarter, and their lead was cut to 37-33 at the period's end.

Dimmitt kept pecking away at the lead, and Friona missed

numerous chances to increase it by missing one-and-one free throw attempts. The Bobcats finally caught—and passed—the Chiefs with 2:05 left in the game, 48-47.

The last two minutes were very hectic. Travis Graves' free throw at 1:56 tied the score at 48-48. Dimmitt got the ball and stalled for a good shot, but a violation gave Friona possession with 45 seconds left to play.

Murphree was fouled with 35 seconds to go. He made his first shot but missed the second, and Dimmitt controlled the ball. The Bobcats missed a shot with 10 seconds left, and Buckley rebounded. However, Gene Weatherly was called for fouling, giving Dimmitt a one-and-one chance with five seconds left.

The shots bounced away, Buckley again grabbing the rebound. He was fouled, and his two free throws with two seconds left brought the final margin to 51-48.

SAVING MEANS MORE TO YOU WHEN IT IS WITH A CREDIT UNION

Life savings insurance

HERE'S HOW IT WORKS FOR YOU

- When you save money in the credit union, it earns life insurance for you.
- There are no applications or physical examinations and you do not pay one cent of individual premiums.
- You must be physically able to perform the usual duties of your livelihood when you deposit the money in your credit union.
- Every penny you save up to \$2,000 earns life insurance.
- You get a dollar of LIFE SAVINGS insurance for each dollar you save before age 55.*
- Your savings deposited between ages 55 and 70 earn life insurance too, in lesser amounts.
- As long as your savings remain in the credit union, your life insurance remains in force.
- If you die, your heirs get your savings plus all the insurance money your savings have earned. In some states you have the privilege of designating a beneficiary to receive your insurance money.

Phone 247-2280

FRIONA FEDERAL CREDIT UNION

ting started in their game. Nothing went right for a long time, and if Abernathy hadn't been a bit off also, they might have fallen far behind in a hurry. However, after trailing 4-0, Dale Milner finally broke the scoring ice for Friona with a three-point play with 4:38 on the clock, as Friona trailed, 4-3.

Friona played catch-up the rest of the quarter, although never really catching up. The best they could do was to trail by one point, and that was the spread at the buzzer, 9-10.

Abernathy made it 12-9 before the Chiefs rallied to tie the score for the first time at 12-12. Milner's jump shot gave the Chiefs a 14-13 lead and that seemed to turn the tide.

With Danny Murphree doing some dead-eye free throw shooting, the Chiefs built a six point lead at 22-16, only to have Abernathy tie it up at 22-22, but Larry Buckley's shot with 20 seconds left in the half sent the team to their break leading 24-22.

Shortly after the second half started, Coach Anglin turned the tables on the ball-hawking, pressing visitors by having his team put on a counter full-court press. It resulted in Friona getting the ball several times, and players being open for easy baskets.

Ray Braxton scored three of this nature, and Buckley's jumper gave Friona breathing room at 37-27, Abernathy cut it to eight at the quarter, 38-30.

Friona continued their "stealing" as the final quarter opened, and easy baskets netted a 15-point lead, 48-33, halfway

HALF-WAY MARK

**Jennings Is Leading
Scorer In District**

Fiona's Teto Jennings was the leading scorer in the girls' division of District 3-AA at the half-way mark, according to records tabulated by Bill Ellis of the Friona Star.

Miss Jennings averaged 28.2 points in her first five district games, compared to 25.6 points per game for Dimmitt's Linda McColum, who was in second place.

Floydada's sharpshooting Keith Teague was the leading scorer in the boys division with a 27.6 average. Teague scored 50 points in his first district game against Lockney.

Fiona had two players in the top ten scorers, Danny Murphree was averaging 12.8 points and Larry Buckley 12.4 points per game for the first five district games.

Player	School	Pts.	Avg.

LICENSE TAGS ON SALE--Hugh Moseley county tax assessor-collector displays the 1965 passenger car and commercial vehicle license tags which will go on sale, Monday, Feb. 1 at the county tax office, in the courthouse in Farwell. Deadline for the tags to be on vehicles in April 15. The new tags are white with black numbers, with passenger tags beginning with CGJ 450 and commercial license starting with IM 4175.

1. Eliminate the hoe bill and our dependence on the bracco.
2. Eliminate several plowings.
3. Prevent replanting for weed control.
4. Eliminate losing cotton crops in case of rains at planting.
5. Prevent soil packing by not having to get in to fight weeds when soil is too wet.
6. Prevent stunting cotton by dirting it too much in order to fight weeds.
7. Prevent clodding soil by too wet plowing.
8. Prevent loss of cotton caused by hoe hands.
9. Prevent loss of cotton by weeds using plant food and moisture.
10. Allow more shallow planting in warmer soil, thus quicker germination.

**PROMETRYNE
HERBICIDE**

PROMETRYNE 80 W HERBICIDE (80% Wettable Powder)
Prometryne 80 W herbicide is recommended for preemergence, directed early postemergence, and layby applications for control of most annual broadleaf and grassy weeds in cotton. Seedlings of many perennial weeds are also controlled.

Prometryne 80 W wettable powder is noncorrosive, nonflammable, and has low toxicity to humans and animals. It can be readily removed from spray equipment by thoroughly washing with water.

**PROPАЗINE
HERBICIDE**

PROPАЗINE 80W HERBICIDE (80% Wettable Powder)
Propazine 80W selective herbicide is recommended for the control of most annual broadleaf and grassy weeds in sorghum. Application as a band or broadcast treatment should be made at the time of planting or immediately after planting but before weeds and sorghum emerge.

Propazine 80W wettable powder is noncorrosive, nonflammable and has low toxicity to humans and animals. It can be readily removed from sprayers by washing thoroughly with water.

**ATRAZINE
HERBICIDES**

GEIGY ATRAZINE 80W (80% Wettable Powder)
Atrazine 80W is recommended for nonselective weed control along roadways, railroads, highways, guard-rails, driveways, walks, paths around buildings, on industrial sites and in similar noncrop areas. It controls most annual and many perennial broadleaf and grassy weeds. It is effective either as a preemergence on corn or postemergence on maize. When applied postemergence it should be applied within 4 to 8 weeks following weed emergence, preferably when the plants are young and actively growing.

Atrazine 80 W is noncorrosive, nonflammable, has low toxicity to humans and animals and low electrical conductivity. It is readily removed from spray equipment by washing thoroughly with water.

**SIMAZINE
HERBICIDES**

Coastal Bermuda grass is one of the most productive hay and pasture grasses adapted to a wide range of soil and climatic conditions of the South. The resistance of this vigorous hybrid grass to drought as well as its response to good management has stimulated farmers to increase acreage for hay, pasture and pelleting.
