Where Does Your Money Go?

STUDYING THE BIBLE

WITH CHARLES E. WHITT CHURCH OF CHRIST CRANE, TEXAS

BOX 252 PHONE 82

In Luke 14:33 Jesus said to His disciples: "So likewise, whosoever he be of you that forsaketh not all that he hath, he cannot be my disciple." Sometimes it is necessary for us to give up many things in order to follow Christ. If money, friends, position or parents come be-tween us and God, then we should be willing and eager to give them up in order to have eternal life. Moses was brought up as the son of Pharoh's daughter and was mighty in words and deeds. When he was come to years he was forced to make a decision. Moses was in line for the throne of Egypt and could have enjoyed a high social and political position, wealth and the sinful pleasures of this life. Moses refused to be called the son of Pharoh's daughter, gave up his former way of living and chose to cast his lot and suffer affliction with the people of God. The Apostle Paul was educated in Jerusalem at the feet of the brilliant lawyer Gamalial was some and acceptance. lawyer Gamaliel, was very zealous and conscientious hath, he cannot be my disciple." Sometimes it is necown equals. When Paul accepted Christ, he was called upon to make many sacrifices. He had to give up his many influential Louish friends. many influential Jewish friends and probably his parents and other relatives. He forgot his fine education and the money and position that could have been his and took upon himself the form of a lowly servant of Jesus. In his later matters and that he had of Jesus. In his later writings he stated that he had suffered the loss of all things for the cause of Christ (Philippians 3:8). At one time the disciples of Jesus reminded Him that they had left all to follow Him. He answered: Verily I say unto you, there is no man that hath left house, or brethren, or sisters, or father, or mother, or wife, or children, or lands for my sake. or mother, or wife, or children, or lands, for my sake, and the gospel's but he shall receive an hundredfold now in this time, houses, and brethren, and sisters, and mothers, and children, and lands, with persecutions; and in the world to come eternal life." (Mark 10:29-30). This hundredfold blessing would be of a spiritual nature since a disciple is not promised earthly gain in this life. Moses was seen with Christ and Elijah on the mount of transfiguration. At the end of Paul's life, he looked forward to the crown of life which awaited those who endured unto the end. Do you think the sacrifices they made were worth eternal life? Would you be willing to make such sacrifices?

REMEMBER THE SALE 4-HFATLAMBS AT RANKIN BALL PARK

Tuesday Evening, March 2, 1:30 o'Clock

This sale is held each year immediately after judging the 4-H fed animals. Merchants and ranchers bid on the lambs individually or pool their funds and buy on a partner ship basis. The sale is held to encourage the 4-H youth in their work and to assure them that the community is behind them. If buyers desire, the lambs will be transported to the San Angelo market free of charge, or they can be retained by the purchaser. If you cannot be on hand for the sale, leave your purchase order with one of the local merchants who will be there. Let's show the other West Texas counties we can put on a 4-H show and sale that will be equal or top their own.

Weekly Swing Of The Southwest Markets

Cotton, grains and livestock partly recovered recent losses last week.

Cotton trading increased very sharply at SW markets, and prices advanced around \$3.50 a bale. Dallas closed Friday at 32c per pound.

Grains made a sharp comeback from sharp declines of recent weeks. More active demand brought out materially increased marketings as the situation became more stable. Sorghums gained around 16c a hundred for the week, as corn advanced 19c to 23c a bushel, barley 16c, oats 5 1-2c and wheat 8 1-2c.

Rice markets maintained a firm tone but trading moved slowly Improved demand absorbed increased offerings of hay at unchanged to lower prices. Altho most feed stuffs showed net declines for the week, some strength developed toward *the close. Peanuts sold at support prices, and shelled goods found little demand.

Hogs recovered mostly 50c to \$1 or more of recent losses during the week's trade, though off weights and sows suffered further losses at Wichita. San Antonio paid a top of \$23 for the week

When flood, fire or tornado ravages the land, the Red Cross stands ready to stem the tide, soothe the scars and succor the pangs of suffering. Now Ready Your Dollars-to help the Red Cross help humanity wherever and whenever it is needed.

The Red Cross

You remember the Wartime Blood program of the Red Cross. Many still live today only because of it. Now Ready Your Dollars to help a new Red Cross National Blood program so that ultimately ALL who need blood may have it and its derivitives freely.

Veterans successfully face many critical problems thanks to Red Cross Aid; the misery of the ailing soothed, and accident emergencies are met because the Red Cross prepared the way. So now Ready Your Dollars to help the Red Cross, comfort, sustain, and restore.
