

Herrado Sentenced To Life Imprisonment

Monica Herrado was sentenced to imprisonment for life by the jury after a deliberation of four hours and 29 minutes at 3:31 a. m. Saturday morning, on the charge of murder of Gene Robinson, who was killed north of McCamey, Aug. 11.

The charge was read to the jury by Judge Alan R. Fraser at the approach of midnight Friday, and the jury recessed to the jury room at 11:02 p. m. Friday night.

A half filled courtroom of mixed Mexicans, Negroes and whites were in the courtroom when the trial passed into the hands of the jury, but only a handful were on hand when jury foreman Frank Boyd rose and read the verdict of the jury to the court. Judge Fraser then passed the sentence on Herrado.

It was not known late this week when Herrado would be carried to State prison officials officials for internment.

R. T. Roach Enters Nav. Reserve Training At Rice Institute

HOUSTON, Texas. — Richard Terry Roach, son of Mr. and Mrs. Terry G. Roach of Box 938, McCamey, Texas, commenced his second year of training in the Naval Reserve Officers' Training Corps at The Rice Institute, on Monday, September 20, 1948. Roach was one of the 18 men selected for participation as a Contract student in the NROTC program at The Rice Institute last year. He successfully completed his first year of Naval Science courses and this year will be a sophomore in the program.

As a contract student Roach is required to take 24 semesters of Naval Science and in addition one summer training course of approximately three weeks duration. While attending Rice he remains in civilian status and is responsible to the Navy to complete the prescribed course, and to accept a commission in the U. S. Naval or Marine Corps Reserve when graduated.

At Rice Institute he is Mechanical Engineering.

ATTEND "FRIENDSHIP" NITE

Mmes. Randolph Moore, Jap Edwards, Tom Mitchell, Maude Frazer, Paul Crandell and Miss Maggie Taylor represented Rankin Chapter Order of the Eastern Star at the Crane Chapter's "Friendship Night" meeting on Monday.

Rankin School Faculty Honored With Dinner At Poage Home Thurs.

Mr. and Mrs. Walton Poage entertained the Rankin school faculty, their families and a few other guests at dinner Thursday night. The dinner was served on the lawn of the Poage home, after which the guests enjoyed a sociable evening.

Those attending the dinner party were Supt. Hamilton Still, Mrs. Still, Virginia, Don and David Still; Miss Mittie Jackson, Mr. and Mrs. Henry Shiller, Mrs. Leola Hurn, Bill and Herbie Hurn, Mr. and Mrs. Travis Dickson, Miss Mae Garner, Mrs. C. L. Nettleship, Peggy and Larry Nettleship, Mr. and Mrs. A. E. Ivy and son, Jim, Miss Cleona Quillett, Coach and Mrs. G. C. Fitzgerald, Susan and Jamie Fitzgerald, Mr. and Mrs. K. H. Schmidt, Mr. and Mrs. Reynolds and sons, Mrs. Elsie Runyan, Mr. and Mrs. W. A. Hudson, Mr. and Mrs. J. D. Christy, Mrs. W. T. Elrod, the host, hostess and Genevieve and Buddy Poage.

Mrs. Walton Harral Hostess To W. S. C. S. At Thursday Meeting

The W. S. C. S. of the Methodist Church met last Thursday in the home of Mrs. Walton Harral for a social meeting. A sociable afternoon was enjoyed and the hostess served refreshments to the group.

On Monday the society met in the home of Mrs. Clint Shaw, at which time their new study, "49 Plus," was started. Mrs. R. O. White is leading the study, which deals with Alaska and Hawaii. Mrs. Shaw served a refreshment plate to the members. A continuance of the study will be held in the home of Mrs. Hamp Carter on Thursday afternoon.

Brownings Injured Monday In Accident

The car belonging to Mr. and Mrs. C. B. Browning, who reside at the Harlan Hotel in Rankin, overturned about seven miles east of Rankin Monday. Mr. and Mrs. Browning, who were in the car, were both injured and are at the hotel and the car was damaged considerably.

B. & P. W. Club Host To District President; Plane Made For Midland Convention Oct. 23-24

Iva Noyes of Midland, District No. 8 Director of Business and Professional Women's Clubs, met with the Rankin club at their business-luncheon meeting on Thursday at noon in the interest of the Conference for this district to be held in Midland Oct. 23 and 24.

The local club's colors of yellow and white were carried out in the table decorations in the private dining room of the City Cafe. Arrangements of yellow and white mums centered the U-shaped tables at which 22 were served.

President Lelia Workman presided and was presented a corsage of yellow chrysanthemums by the club members in honor of her birthday, which was Thursday. The group sang "Happy Birthday" to their president.

Guests were presented and two new members, Irene Nettleship and Mrs. Shiller, were voted into the club, both being members of the Rankin school faculty. Announcement was made of the book review to be given under the club's auspices by Mrs. Dr. W. B. Rountree of San Angelo

FISHIN' IN THE SHADE — A pole, a string, a hook, a worm and a small boy are sufficient to catch the large catfish in the expanse of dammed up water at Boys' Co-op Ranch of West Texas near Tankersly. The ranch will be a home for parentless, neglected or dependent boys from 32 counties of West Texas. Funds drive to open the ranch is being carried on under the leadership of Edwin S. Mayer of Sonora and M. D. Bryant and C. C. McBurnett of San Angelo. Picture above is posed by members of the Optimist Sunday school class of San Angelo.

Boy's Co-op Ranch Gets Big Boost Over Week-end With \$5,000 Donation By M. D. Bryant

Benedum Opener Rates 456 Barrels Daily On Retest

Slick-Urschel and Plymouth No. 1 D. L. Alford, Ellenburger discovery in the Benedum field in eastern Upton County that now has three pays, rated 456 barrels of oil on a recent retest filed with the Railroad Commission Thursday.

The rating was based on a flow of 303.97 barrels of 58.6 gravity oil plus nine per cent water in 16 hours through a quarter inch tubing choke. Gas-oil ratio was 4.020-1. Flowing pressures were 2,800 pounds on the tubing, 2,650 pounds on the casing. Production is through casing perforations at 11,885-985, at 11,945-960 and at 11,975-985 feet.

No. 1 Alford currently has a daily allowable of 233 barrels, which was cut back from 500 barrels daily owing to high gas-oil ratio.

Outposts in Upton County, Plymouth No. 1-47 Gordon was drilling early Thursday at 7,340 feet in lime and shale, Plymouth No. 1-48 Elliott at 7,154 in lime and shale, Slick-Urschel No. 1 Dixon at 6,513 in lime and Slick-Urschel No. 1 Elliott at 3,936 feet in lime.

Slick-Urschel No. 1-B Gordon continued fishing, bottomed at 5,454 feet in lime and shale.

Mr. and Mrs. H. Still and family spent Friday night and Saturday in San Angelo and attended the San Angelo-Arlington Heights football game at Bobcat Stadium.

Drive Started October 13 By Civic Groups For The Purchase of Portable Iron Lung

The Volunteer Fire Department and interested civic organizations are sponsoring a movement to secure a Portable Iron Lung for McCamey and community.

The drive for this started Oct. 13, and residents of McCamey and nearby community are asked to be generous in this instance and go "all out" in support of this project.

Every civic organization, as well as every individual in the community, is requested to support this worthwhile project. The Portable Lung will be kept at the Fire Station for use 24 hours out of every day.

The Portable Iron Lung proved its effectiveness during World War II when it was used by the Army Air Forces to transport stricken men back to the States. According to the local firemen, this Portable Lung is especially suited to fill the requirements of McCamey and surrounding community. Not only does it work with the efficiency of the "boiler" type lung found in most large metropolitan hospitals, but the Millikin lung comes compactly packed in two leather cases weighing but 85 pounds complete, and there fore can be taken to the scene of the emergency, thus providing "on the spot" care of patients suffering with respiratory ailments such as polio, suffocation, post-operative pneumonia, etc. The Millikin Lung is especially effective in cases of drowning, electrocution and car-

The funds drive to establish West Texas Boy's Co-op Ranch gained steam-roller proportions Wednesday when M. D. Bryant, San Angelo oil man and rancher, made a personal pledge of \$5,000 to the cause.

Boys' Ranch will be established on a 965-acre tract of land near Tankersly in Tom Green county. The location is downstream from Foster Park on Spring Creek. An option is held on the property. It is now owned by Sam Kistler, real estate operator, who bought it from C. C. McBurnett, San Angelo financier, about 20 years ago.

Bryant's pledge Wednesday focused attention on the Big Gift Drive in the 32-county area from the Alpine-Fort Davis sector to Brownwood were being organized.

The goal \$250,000, the amount needed to buy the property, build dormitories and other improvements and for neglected and dependent boys from eight to 15 years of age.

Intense activity was reported from Big Spring where a big gifts drive for that district will soon be launched. Cards are being sent there for distribution by the Big Gifts Committee.

R. L. Tollett, Big Spring District Big Gifts Chairman, and Lewis Price, District Publicity Chairman, are to go to cities in Sterling, Coke and Howard Counties within the next week for organization of the drive there.

At Brownwood, a big gifts chairman is to be appointed soon. Community publicity chairman for the junction, Fort Stockton, and the Pecos district are to be named soon.

bon monoxide poisoning, and is used on new-born babies when respiratory difficulties are encountered. The lung comes equipped with a 110 volt motor and a 6 volt motor, the latter to be used when only current from an ordinary car battery is available. It can also be hand operated when neither house current or battery can be used. It is also to be noted that by use of the battery operation critical polio patients, etc., can be transported from this community to a metropolitan polio hospital, thus having the advantages of an iron lung even before reaching the hospital.

I. L. Edwards, McCamey Lions Club, and chairman of the Iron Lung fund drive, also explained that the Millikin Portable Lung carries a worthwhile and rather unique guarantee from the manufacturer. Not only is it guaranteed for two years of continuous operation, but in the event of an emergency or epidemic, the manufacturers will ship up to five Lungs into McCamey free of charge. We are of the opinion that this should provide a good safeguard in the event of a polio epidemic or something equally disastrous. In a community the size of McCamey this Portable Lung should normally be called into service innumerable times a year. It is the opinion of the Lions Club, Volunteer Fire Department, and this paper, that if

WILDCAT SLATED SOUTH OF RANKIN

Rev. R. L. Herring Resigns Position Of First Baptist Church

The resignation of Rev. R. L. Herring was accepted by the First Baptist Church of Rankin on Sunday. Rev. Herring, who has pastored the local church since January, 1945, has not as yet announced his future plans.

P.-T.A. Begin Plans For Hallowe'en Carnival To Be Held At High School On October 29th

Fidelis Class Given Dinner-Party Tuesday At Edwards Home

Mrs. Jap Edwards, teacher of the Fidelis Class of the First Baptist Church, entertained the class at a dinner-party on Tuesday night at her home. The dinner was served at foursome tables.

In the business session which followed dinner, Mrs. C. G. Taylor was elected president of the class for the ensuing year and Mrs. H. Wheeler secretary and treasurer.

Gifts exchanged revealed the class "Pollyannas" for the past three months and afforded much pleasure and amusement.

Rankin Visitors

Mr. and Mrs. Harry Swafford, Jr., and baby son, Donald, of Flatonia, Texas, visited Mr. and Mrs. Harry Swafford, Sr., Mrs. Sallie Swafford and the Walton Harral family at the Harral Ranch in Pecos County over the weekend.

Community Building Permit Granted

Joe B. Thorpe Contracting Co. from San Angelo was awarded the contract to build the community building here in Rankin by members of the Upton County Commissioners' Court last Monday when the company submitted

the low bid of \$88,513 of the seven bidding agencies.

Other companies submitting bids were Evans & Taylor of San Angelo, \$92,410; Warner Construction Co. of San Angelo, \$94,852; J. P. Stubblefield of Pecos,

\$96,577; Templeton & Cannon of San Angelo, \$112,700; Bruce and Lemons of Brownwood, \$122,903; and J. W. Bateson of San Antonio, \$142,814.

Also it was learned this week that lots 13 through 18 in block 57, south of the Harlan Hotel,

had been purchased by the court as the site for the structure.

The contract carried a ten day limit, and the members of the court cast an optimistic view that actual construction would be underway before the end of 30 days.

Mrs. Doc Adams visited her father, Harley Bayless, and Mrs. Bayless in San Angelo this past weekend.

Mr. and Mrs. David Workman, Mrs. Tom Workman and Mary Ann spent Tuesday in San Angelo.

Mr. J. H. Riggs was in town on business the last of the week, having returned from his home in Oklahoma City. Riggs is making Midland his headquarters at present.

Mrs. C. S. Entler of Gulf Pipe Line Camp received word of the serious illness of her father in Liberty, and the family were en route there early Monday morning.

Mr. C. H. Hallmark, former Rankin resident, was here from Trent the last of the week for a few days.

Mr. and Mrs. Walton Harral and children spent the past weekend at their ranch in Pecos County near Fort Stockton.

Dr. J. C. Bredehoft was called to Woodward, Okla., Thursday by the death of his sister. Funeral services were to be held in Woodward on Saturday afternoon.

Mr. and Mrs. W. A. Hudson left Friday morning to spend the weekend in San Antonio.

Mr. and Mrs. Val Winston, Mr. and Mrs. E. L. Campbell and Mr. and Mrs. James T. Lodge went in to Dallas Friday to attend the Texas-Oklahoma game on Saturday.

Mrs. E. L. Laughlin and son of Dean have been guests this week at the G. C. Fitzgerald home.

Tommy Hall, Roy Lee Bell and Ralph Daugherty, Jr., all students at Schreiner Institute, Kerrville, spent the weekend at their homes in Rankin.

Mr. and Mrs. William Florry left for their home in Reading, Pa. Monday morning after a several weeks visit with Mrs. J. O. Barfield.

Mrs. D. S. Anderson and Mrs. Dick Walcher spent Wednesday in San Angelo.

Mr. and Mrs. Robert H. Johnson, Jr., and small son, Bobby, are visiting Mr. Johnson's parents, Mr. and Mrs. R. H. Johnson. Johnson is an editor of the Dallas Bureau of The Associated Press and Mrs. Johnson is a copy editor on The Dallas Morning News.

Tom Workman and County Agent Day flew to College Station this weekend to attend the A&M-TCU football game.

Upton Oil Discovery Hearing Set October 21

AUSTIN, Oct. 6.—The Railroad Commission has announced the following schedule of hearings:

Oct. 21—Application of Fred Turner, Jr., for a new field discovery to apply in connection with completion of No. 1 Rosa Hill Barnett, section 4, block 7, G.C.&S.F. survey, Benedum area Upton County. He also asked the hearing for the purpose of receiving any evidence available regarding the maximum efficient rate of production. The well was completed in the Pennsylvania.

NEAR 1000 X-RAYED IN UPTON BY MOBILE UNIT

Some 967 Upton County citizens availed themselves of the opportunity of being x-rayed last Wednesday, Thursday and Friday at McCamey when the Texas Tuberculosis Assn. brought its mobile unit to McCamey for two full days of service to the people of this county, according to Chairman Bill Van Atta, who was in charge of the arrangements.

The unit, brought here under the sponsorship of the McCamey Lions Club, was the first such unit to this county by the organ-

ization. The sponsors expressed great satisfaction in the turn-out, considering the fact that so many people were unable to avail themselves of the opportunity because of the required jury duty in Rankin during the meeting of the District Court, and the short-handness of the businesses of help because of the missing personnel.

Students of Rankin High School were processed by the group in charge of the unit Thursday afternoon, when they all reported in mass. Thursday morning, stu-

dents of McCamey High School reported in mass for their x-ray.

Chairman Van Atta wishes to express his thanks to the P.T.A., the Grand Theatre, The McCamey News, all the women's clubs, and the county agencies, along with the many individuals who cooperated in assisting with the publicizing and the arrangement making of the unit for its visit to McCamey and Upton County, and for the other courtesies extended while the drive was underway.

Wilshire Upton Well Flows 22 Bbls. Hourly

Wilshire Oil Co. No. 1 McElroy Ranch Co., week old discovery producer from the Wolfcamp, basal Permian, lime in Western Upton county, filled a 600 barrel storage tank in a 27 1-2 hour flow and early Thursday had been shut in again. More storage will be erected.

The 27 1-2 hour flow, averaging 21.82 barrels hourly, was through a 21-64 inch tubing choke and casing perforations at 7,882-7,980 feet. The oil was cut five-tenths of one per cent by acid water. There was no formation water. Flowing pressures were 975 lbs. on the casing, 1,000 pounds on the tubing.

No. 1 McElroy had been shut in for about four days preceding the latest test. It originally was swabbed in after treatment with 1,000 gallons of acid, flowed 210 barrels of oil to storage in six hours and was shut in at 7 o'clock Thursday evening, Sept. 30. The well failed in the Ellenburger in drilling to 13,977 feet and plugged back to 9,780.

Location is the C NE SW 147-E-CCSD&RGNG, 4 1-2 miles east of the McElroy field, where production is from the Grayburg at slightly below 2,800 feet.

Magnolia No. 1-A, NW Upton wildcat, C NW NW 31-40-48-T&P, recovered 900 feet of water blanket on a two-hour drillstem test of the Devonian from 11,126-168 feet. There was no oil, gas or formation water. Top of the Devonian was reported unofficially 11,120 feet, 8,230 feet below sea level.

Drilling ahead was scheduled, being projected to 13,000 feet if necessary to explore the Ellenburger.

Upton Group Attends Home Demonstration Meet At Temple

Among the delegates who left McCamey Wednesday to attend the State Convention of Home Demonstration Clubs in Temple, were Mrs. J. R. O'Callaghan, Mrs. Fred Gibson and the Upton County Demonstration Agent, Miss Myrna Holman.

Mrs. Gibson has recently been elected vice president of District 6, Home Demonstration Clubs, and will be installed at this convention.

The three ladies will return Saturday.

Odessa Junior Service League Plans Dance Jubilee October 20

A Square Dance Jubilee, sponsored by the Junior Service League of Odessa, will be held from 8 to 12 p. m., Wednesday, Oct. 20, at the Ector County Auditorium in Odessa.

Herb Greggerson, well known square dance teacher from El Paso, will call the squares and teach that evening.

All square dance teams in West Texas are invited to attend the jubilee and prizes will be awarded the best team. There will be dancing for those who want to come who are not in a square dance team. Bud Graham and his orchestra will play for the dance.

AUSTIN, Texas.—Texas shipments of livestock gained 29 per cent from July to August, the University of Texas Bureau of Business Research reported.

Livestock shipments, totaling 7,764 carloads, advanced 14 per cent from August, 1947.

Shipments of calves jumped 89 per cent from July to August; sheep, 74 per cent; and cattle, 17 per cent. On the other hand, movement of hogs fell 7 per cent under July.

In comparison with August, 1947, movements of sheep gained 22 per cent; cattle, 19 per cent; and hogs, 12 per cent. For the only decline, shipments of calves dropped 10 per cent.

Q. What is the name of this cut of meat?
A. This is a beef arm pot-roast.
Q. Where does the cut come from, and how is it identified?
A. The arm pot-roast is cut from the chuck section of beef. It is identified by the small round arm bone which is located in the center of one end of the roast. The arm bone pot-roast also contains two or three rib ends. Another identifying mark is a small round muscle near the arm bone.
Q. How should this cut be prepared?
A. The arm pot-roast is cooked by braising, in other words by the use of a small amount of moisture and slow heat. When cooked by this method it is tender and flavorful, and comparable to the finest roast. Brown the pot-roast first in a small amount of fat in a heavy utensil such as a Dutch oven or a large frying-pan with a cover. When browned, add liquid—water, tomato juice or other vegetable liquid; cover tightly and cook over low heat until tender, usually about 3 to 4 hours. If desired, vegetables may be cooked with the pot-roast, adding them during the last few minutes of the cooking time just long enough for them to become tender by the time the meat is done!

Weekly Swing Of Southwest Markets

Livestock and poultry dropped to lower levels during the past week, but most other SW farm products sold steady to strong, according to the U. S. Dept. of Agriculture's Production and Marketing Administration.

Butcher hogs and sows fell \$2.50 to \$3.75 at Texas markets last week and around \$1 or more at other terminals. Stocker pigs dropped as much as \$5 at some places. Greatly lowered offerings in Monday's trade regained 50c to \$1 of last week's drop. Top hogs reached \$24.50 to \$25 in Texas and \$25.50 to \$26.75 elsewhere.

Cattle and calves sold sharply lower last week as receipts at major terminals increased. Sharply reduced marketings Monday found Texas markets fully steady to strong, but some classes still showed weakness at other terminals. Cows and calves figured prominently in receipts. Good calves reached \$24 at San Antonio and Houston. Killing calves sold mainly from \$23 down at Oklahoma City and Kansas City. Good and choice grades brought \$20 to \$24.50 at Fort Worth and \$20 to \$22 at Wichita.

Sheep markets of the SW showed considerable easiness last week as receipts continued heavy. This week's opening markets ruled mostly steady to strong. Best ewes sold Monday up to \$8.75 at Kansas City and Wichita. Medium ewes brought \$7.75 at Denver, and good ewes sold up to \$9.50 at Fort Worth.

Fall Wool brought mostly 40 to 45 cents per grease pound in Texas.

Southwest poultrymen received a little better price for eggs during the past week. Fresh eggs found especially good demand, partly because cooler weather improved quality of current receipts. Hens held firm at most southwest markets, with receipts unseasonally light. However, hens sold slightly lower in Denver and in the Central West. Spring chickens also weak and turkeys showed general easiness.

Fruit and vegetable markets showed a better tone for the week. Terminal markets paid higher prices for many products, although a few tended downward. Improved demand and stronger markets prevailed at Colorado shipping points and citrus fruits began to move from Texas loading stations. Good demand strengthened the sweet potato

THE RANKIN NEWS

Crippled Children Aid Told By Dr. G. W. Cox

AUSTIN, Texas.—in an effort to familiarize every person in Texas with the services offered by the Crippled Children's Division of the State Health Dept., Dr. Geo. W. Cox, State Health Officer, has released the following statement:

Every crippled child in Texas, under 21 years of age, and of normal mentality whose parents are unable to pay for needed care, is entitled to assistance from this Division.

Crippling conditions which may be treated are infantile paralysis, osteomyelitis, club feet, hare lip and cleft palate, burns, curvature of the spine, arthritis, bow legs, rickets, tuberculosis of the bone, flat feet, congenitally dislocated hip, Muscular dystrophy, supernumerary fingers and toes, wry neck, elephantiasis, spina bifida, brachial palsy, Potts' Disease, congenital anomalies, spondylolisthesis, amputation, webbed fingers, epiphysitis and sarcoma.

Assistance may be obtained by applying to the Crippled Children's Division, Texas State Department of Health, Austin, or by placing an application thru an established city or county health unit.

Full information about local groups and organizations thruout the state who are anxious to assist crippled children to establish their eligibility and receive proper care, may be had by writing for a pamphlet, "Handbook On Agencies." Address Crippled Children's Division, State Department of Health, Austin 2, Texas.

New Homes May Be Cheaper In Near Future

AUSTIN, Texas. — That new house you are planning to build may be cheaper because of research by University of Texas civil engineers.

Working under a \$15,000 U. S. Commerce Department Research grant, J. N. Thompson and W. D. Ramey of the Materials Testing Laboratory have worked out a design for floors and roofs, using tile that is cheaper than either wood or concrete.

"Joistile," as the particular type tile is termed, is one of the most revolutionary developments in the structural tile field, Thompson believes.

The tile is not the colorful type used in bathrooms and kitchens, but is heavy yellow and red tile in sectional blocks that fit together like pieces of a jigsaw puzzle. The contractor pre-fabricates a beam by laying tile blocks in a row and pouring concrete mortar in the center, containing reinforcing steel.

market in Southern Louisiana. Monday's weakness erased some of last week's grain advances, but all except barley still showed net gains. Yellow corn retained a rise of 7 to 8 cents a bushel for the week, and milo 6 cents per hundred pounds. Other changes did not exceed two cents a bushel. No. 2 yellow corn closed at \$1.75 to \$1.80 at Texas common points.

Moderate demand for both rough rice and milled rice held prices about steady last week. Feed markets showed general weakness under pressure of increased seasonal movement of new crop feed grains. Improved demand strengthened hay markets. Demand for shelled peanuts continued slow, while farmers stock sold at support prices.

Pert, 101-pound Pat Varner and pretty, 110-pound Elaine Higgins, both of Chicago, demonstrate the ease with which a 53,600-pound freight car equipped with frictionless roller bearings can be moved. The car, part of The Timken Roller Bearing Company's exhibit at the Chicago Railroad Fair, can be started with only 120 pounds of pressure, a reduction of 88 per cent in starting power, as compared to freight cars equipped with old style friction-type bearings.

Already standard on many railway locomotives and passenger cars, Timken roller bearings can now be used to replace friction bearings on most existing freight cars.

'World Oil' Criticize Gov't Ownership Of Texas Tidelands

"How any Texan can be willing for the U. S. Government to take over the rights to the oil beneath the shallow waters of the state, off shore, is more than we can understand, because the giving up of such rights means that they are actually taken from the school children of the State," Ray I. Dudley, publisher of the internationally circulated magazine, "World Oil," said today. Dudley is a Texan and has been in the oil publishing business for more than thirty years.

Continuing, he said: "Here is what is involved and it is the only thing involved: Since Texas became a state by annexation, the mineral rights under the state lands have belonged to the State and any royalty income from them has gone to the public

school fund. Bonus money, with the state still getting the royalty, also has gone to the public school funds. Millions upon millions already have gone into this fund from oil. It is estimated that off shore oil will mean \$45 million a year to the school fund.

"Since Texas became a state, it has always been considered, because of the terms of the treaty of annexation, that oil under the offshore waters also belonged to the state and oil companies have made their leases with the state. The only question arising has been how far out do the rights of the state go. In the early days the distance of a cannon shot was considered the proper distance. And now-a-days a cannon can shoot as far out as the oil companies can drill.

"It makes no difference to an oil company whether it takes its lease from the U. S. Government or the State of Texas, because the U. S. Government will not try to produce the oil itself, but will

SHEFFIELD

Mrs. Alice Lewis had as her guests Sunday, her son and daughter-in-law, Mr. and Mrs. Jack Lewis and children of McCamey, and her son-in-law and daughter, Mr. and Mrs. Ervin Schuster of Bakersfield.

Mr. and Mrs. H. L. Sandel and daughter, Mrs. Wayne Mills, and grandson, Rick, went to Huntsville this week to visit friends and relatives.

Mr. and Mrs. J. C. Elliott have as their guests this week, Mrs. Elliott's father and mother, Mr. and Mrs. Chas. Jones of Santa Anna.

Mr. and Mrs. Chas. Hale, accompanied by their son-in-law and daughter, Mr. and Mrs. John Hargrave, and Mrs. Hale's sister, Mrs. H. M. Holmes, went to San Antonio this week where they purchased a new jeep.

do as it has been doing with U. S. Public lands in Wyoming, Montana, New Mexico and other states—lease the land to oil companies to develop the oil. There is no question about that.

"The only difference would be who gets the royalty, the school children of Texas or the U. S. Government.

"Even the Congress itself recognized the rights of the States when it passed a bill saying that the oil rights under waters off the shores of states belonged to the states themselves, but President Truman vetoed the bill. It probably was a natural thing for him to want his federal government to have the money, particularly when his native state, Missouri, has no tidelands adjoining it."

Hey! It's Not Christmas Yet!

Rushing the season by six weeks, SMU co-ed Mary Campbell has Easter on her mind. Her feathered spring bonnet, tied with ribbons under the chin, will be among the advance spring styles to be shown at the American Fashion Association meeting in Dallas Nov. 8 to 12. Nearly 5000 visitors from throughout the country will attend the exhibit to see a forecast of what American women will be wearing next spring and summer.

A. FOREST HOPE

A Forrest Hope, Marfa, will head the big gifts effort in Presidio County in the Boys' Co-op Ranch of West Texas funds campaign. The home is being established at Tankersly, for homeless, neglected or dependent boys from West Texas counties from Marfa to Brownwood. Two hundred and fifty thousand dollars is the goal for the entire region.

RAYMOND L. TOLLETT

Raymond L. Tollett, president of the Cosden Pet. Corp., Big Spring, will head the big gifts drive for Dist. 5 in the Boys' Co-op Ranch of West Texas funds campaign. The district, one of 32 in the 32-county funds effort, embraces Howard, Sterling and Coke counties with Big Spring as its headquarters. Target for the capital funds effort is \$250,000.

Humble To Air S. W. Contests This Week

Another full afternoon and evening of S. W. Conference football broadcasts will be brought to fans this Saturday by Humble Oil and Refining Co.

At 1:50 p. m. broadcast of the Texas-Arkansas game will come to listeners from Austin with Charlie Jordan and Fred Kincaid as co-announcers. Stations carrying the game will be KTRH, Houston; KABC, San Antonio; KRLL, Dallas; KEYS, Corpus Christi; KRGV, Weslaco; KTBC, Austin; and KGNC, Amarillo.

Ves Box and Jerry Doggett will be announcers for the Texas A&M-TCU broadcast, which starts in College Station, at 2:20 p. m. WFAA-820, Dallas; WOAI, San Antonio; KPRC, Houston; KRIS, Corpus Christi; KVAL, Brownsville; KURV, Edinburg; and WTAW, College Station, will carry the broadcast.

First night broadcast, the Baylor-Texas Tech game, at Waco, will be aired at 8 p. m. with Bill Michaels and Eddie Barker announcing. It will be heard on KFJZ, Fort Worth; WACO, Waco; KNOX, Austin; KMAC, San Antonio; KTHH, Houston; KRJO, McAllen, and KFYO, Lubbock.

Humble's broadcast of the Rice-SMU game from Rice Stadium starts at 8:05 p. m. Kern Tips and Alec Chesser will handle announcing jobs and stations KXYZ, Houston; WRR, Dallas; KRRV, Sherman; KGVV, Greenville; KPLT, Paris; KCMC, Texarkana; KFRO, Longview; KTRF, Lufkin; KRBC, Abilene; KGKL, San Angelo; KBST, Big Spring; KCRS, Midland; KWTX, Waco; KRIS, Corpus Christi; KVAL, Brownsville; KURV, Edinburg; KFDD, Wichita Falls; KABC, San Antonio, and KFDM, Beaumont, will carry the game.

Ozona's New Football Stadium Dedication Program

Ozona's new \$35,000 football stadium will be officially named and dedicated on Saturday night, October 23. Dedication program will begin at 7 p. m. and will be followed by a conference football game between Ozona Lions and Junction Eagles.

The program will consist of music and marching by the bands of other schools in the football district. At least five bands will participate in the musical program.

Congressman Ken Rogan is to be the main speaker. There will be a "Football Queen" coronation ceremony at half time of the game.

The newly organized Student Council of Ozona High will give the field a name that night.

ORDINARY?

Alexander McColl, age 14, entered Harvard this fall. At the age of 8 when many children find comic books tough reading, he had read a 20-volume set of encyclopaedia. He likes to relax with Latin essays. There have been other cases of dazzling childhood intelligence but they seem to burn themselves out and usually end up in ordinary jobs.

"Greatest Story Ever Told" Script Session

Discussing script on the radio program, "The Greatest Story Ever Told," are Henry Denker (left), director and writer of the program, and Fulton Ursler, its originator. The program dramatizing the teachings of Christ, is broadcast every Sunday at 6:30 p. m., EST, over the ABC network.

Start Planning Now To Send Packages To Military Friends And Relatives Overseas

Arrangements have been made by the P. O. Dept. in cooperation with the departments of the National Military Establishment for the acceptance of Christmas parcels for members of our armed forces serving outside of the continental United States.

While requests for parcels from members of our armed forces are not required, many persons in this country will undoubtedly wish to send special Christmas parcels to their loved ones overseas, and these instructions are, therefore, issued with the view of assuring their delivery on time and in good condition. Patrons should endorse each such gift parcel, "Christmas Parcel," and special effort will be made to effect delivery of all Christmas parcels mailed during the period stated below in time for Christmas.

The term "armed forces overseas" includes the personnel of our armed forces and authorized United States civilians employed overseas, who receive their mail through an A. P. O. or fleet post office in care of the postmaster at New York, N. Y., or San Francisco, Calif., or an A. P. O. in care of the postmaster at Miami, Fla., New Orleans, La., or Seattle, Wash.

Time of mailing: Christmas parcels for overseas personnel should be mailed during the period beginning Oct. 15, 1948, and ending Nov. 15, 1948, the earlier the better. Parcels destined for delivery in Japan, Korea, and the islands in the Pacific should be mailed as early as possible during the period stated, preferably not later than Nov. 1, in view of the distances involved.

Christmas cards for army and air force personnel overseas may be mailed at any time but patrons should mail such cards prior to Nov. 15, 1948, if they are to have a reasonable expectation of delivery prior to Christmas. The Dept. of the Army advises that greeting cards for personnel overseas must be sent in sealed envelopes and prepaid at the first class rate.

Size and weight: Christmas parcels for armed forces overseas shall not exceed 70 pounds in weight or 100 inches in length and girth combined. The various services have pointed out that members of the armed forces are amply provided with food and clothing and the public is urged not to include such matter in gift parcels. The public can ascertain what articles their relatives and friends overseas can secure by correspondence with such person and should limit their gifts to articles not readily obtainable by the recipient.

Sul Ross Homecoming Set For October 23rd

ALPINE, Texas, Oct. 12. — Homecoming for the ex-students and friends of Sul Ross State Teachers College will be held on Saturday, Oct. 23, this year. Invitations have been mailed to all ex-students whose addresses are available and it is hoped that all others will take news and radio releases as an invitation, stated Dr. R. M. Hawkins, president of the College.

The visiting ex-students will see the Lobos play the University of Corpus Christi at 8 p. m. in a game which promises plenty of excitement. To date the Lobos are one of the two undefeated teams in the S. W.

Registration of Exes will begin at 8 o'clock on Saturday, Oct. 23, in the hallway of the Library Building and will continue until 2 o'clock. All ex-students who hold active membership in the Association may purchase tickets to the football game for 60c, provided they are purchased between the above-named hours.

The principal speaker of the day will be Paul Prichard, vice-president of the Ex-Students Association, who is a principal in the El Paso School system. He received his Bachelor of Science degree from Sul Ross in 1937, and his Master of Arts degree in 1939.

The morning assembly will begin at 10:30 a. m. with President Hawkins presiding. Entertainment will be furnished by students of music under the direction of Mr. Glenn F. Davis, head of the department. Before Prichard's address, greetings will be given by Dr. H. W. Morelock, president Emeritus, and by Gordon Griggs, president of the ex-students, who is high school principal at El-dorado.

Griggs will preside over a business meeting of the ex-students at 11:30 a. m. at which time officers will be elected and business transacted. Campus visiting, club meetings, and an open house at Lawrence Hall at 5 o'clock will make up the afternoon program.

Chaperon your cigarette. Don't let it go out alone!

Drive Started—

(Continued From Page One)

it saves even ONE life over a period of a year, or even in ten years, it is well worth a thousand times the amount of money which the Lions Club is endeavoring to raise in this short drive. The satisfaction of having a piece of life-saving equipment such as this available right here in McCamey is most certainly something to consider, and we cannot afford to fail in this Community Iron Lung drive. The Portable Iron Lung will cost approximately \$1,300 delivered, and if we know this community of McCamey, we will reach that goal long before November 1st rolls around.

Our Volunteer Fire Department donates its time the year round. Let's join forces with the McCamey Lions Club right now and avoid any chance of falling short of our goal, thus making available this needed life-saving equipment to your Fire Department.

State Fire Insurance Commissioner Marvin Hall says the annual loss of life by fire ranks third among causes of accidental death, being led only by motor vehicle accidents and falls. Hall says that every year in the U. S. fire kills about 11,000 people, more than half of them women and children.

Fire losses this year are already climbing higher than last year when fire set the highest destructive record in the history of Texas, says Marvin Hall, State Fire Insurance Commissioner. Thru August of this year Texas losses totaled \$14,777,790. During the same period last year they reached \$14,287,000. Ten years ago, fire losses totaled only \$8,813,945.00.

A C C Lists Resident Students; Iranites Are Included

ABILENE—With 1680 resident college students registered for the fall semester, Abilene Christian college's enrollment has reached a new record high.

There also are 336 enrolled in the School of Correspondence Service, and 263 in the Demonstration school, making a grand total enrollment of 2279.

Among the resident college students are the following from Iran: John Homer Black, son of Mr. and Mrs. S. C. Black; and Roberta Nunn, daughter of Mr. and Mrs. Henry B. Nunn.

Ninety per cent of our fires could be prevented.

SUPER CHEVROLET SERVICE

From where I sit... by Joe Marsh

How to Celebrate Your Wedding Anniversary

The "Dutch" Millers celebrated their Tin Wedding Anniversary Saturday. Everything had to be tin. Folks even ate off tin plates, and drank coffee out of tin cups.

When it was time to drink a toast to the "bride and groom," out came the final touch: ice cold beer in cans. And come the Millers' 15th anniversary (Glass) I expect we'll be toasting them with sparkling beer in bottles!

And I couldn't help thinking that there was a lesson for married folks in the way Dutch and his missus have got along together—in their policy of live-and-let-live, with never a criticism of each other's differences in taste.

From where I sit, it's due to two things: Temperance—as that moderate preference for beer suggests, and Tolerance—for their own differences of opinion—and for the tastes of others, whether applied to beer, to politics, or how to celebrate an anniversary.

Joe Marsh

Deadline Set on All News

Because we are rushed for time as it is, the staff is asking your corporation in getting the news in on time. It must be typed and ready for printing each Wednesday so we, the staff, ask the grade school to hand their news in at nine to ten on Tuesday and all High School news to be in at Tuesday noon.

Thank you. The Staff

SECOND GRADE REPORTS

The second grade reports that its enrollment has dropped from 23 to 17 with two re-entries which make it 19 now. Everyone is making very good progress and the honor roll will be posted at the end of every six weeks.

Anyone having a birthday on a school day is the privileged character for that day. Those who have had birthdays since school started are: Elaine Payne, Lee Louise Ferguson, Beverly Bennett, Wayne Price and J. W. Williamson.

FOURTH GRADE REPORTS

We have a new pupil this week. Her name is Ruby Marshall. We are glad to have her. The fourth grade was sorry to lose Jimmy Bryson.

We will take six weeks test this week. We all hope to make good grades on them.

Six Weeks Exams Completed Thursday

The students of R. H. S. went through their first six weeks tests fine. The music, civics, English IV general science, chemistry, and world history tests were given Wednesday while the general math, English III, English II, English I, algebra I, typing, and bookkeeping tests were given Thursday. Good grades were the average.

Pep Squad At Merizon During Devil Game

The Pep Squad accompanied the football boys to Mertzion Friday afternoon. Because only 4 cars were going and some of the boys rode in cars, only 13 girls went. However, they did a lot of yelling and enjoyed the games.

The girls that came in Frank Smith's car and Marvin Bell's had to leave early. Unfortunately two of the leaders, Ruth Elliott and Jean Shaw, were among these. It looked as if Joveta was going to have to lead alone, but Billy Zachary volunteered to help.

JUNIORS GIVE DANCE LAST FRIDAY NIGHT

Saturday night, October 9, 1948, the juniors of RHS gave a High School dance. Mr. Fitzgerald and Ruth Elliott had charge of the concession stand.

Mr. and Mrs. Fitzgerald showed all the students that they too could still dance. Boy, can they jitterbug!!

We, the juniors of RHS, wish to express our thanks and appreciation to Mrs. Fitzgerald and Mrs. Schmidt for their kind assistance at our small but enjoyable dance Saturday night.

WHAT IF??

Marlene and Wanda cut their hair?

All the kids started going to BTU every Sunday night?

Charles Blue was silly?

Emma Lou wrote to a soldier named Charles?

Joy Word wasn't so boy crazy?

Marlene had a boy friend?

Jimmy could dance a little?

Harry Gene could pass a football?

Ted got a new car?

Wilma's last name was Pan?

Joveta and Don fussed?

Louie and Wilma didn't?

Zackary was bashful?

Marlene didn't like Red?

The juniors beat the "B" string in football?

The girls acted silly in gym class?

Wilma didn't have blue eyes?

Superintendent Still Speaks At Katherine Secret PTA Meeting

The regular meeting of the Katherine Secret PTA was held at 3 p. m. on Tuesday, October 12, in the School Auditorium. Following the business session an interesting program was presented with program chairman, Mrs. Jack Walcher, as leader. The First Grade singing was so good that we hope to hear them often. Priscilla Walcher favored the group with two readings. Piano Duets were played by Mrs. Virginia Ivy and Mrs. Irene Nettleship.

In keeping with our topic—"A Pattern for Building Sound Character and Moral Values"—Mr. Still talked on Character Education. "Character, which seems to result from the inter-action of these elements; imitation, inspiration, repetition, perception, and recognition," says Mr. Still, "is the quality of a person's life which comes from the values he holds and the strength with which he holds them".

The meeting adjourned and refreshments consisting of coffee and cookies were served in the dining room. Mrs. Curtis Warren, Mrs. Lloyd Yocham and Mrs. F. G. Williamson were hostesses.

KATHERINE SECREST P. T. A. EXECUTIVE MEETING HELD

The Katherine Secrest P. T. A. Executive Meeting was held at 2:00 P. M. Tuesday, October 12 with President Mrs. Pat Yocham presiding. The regular routine of business was conducted. A called meeting set for Thursday 7:00 P. M. to plan for a Hallowe'en Carnival. The date for the carnival is set for October 29.

Devils Romped On By Hornets By 61-0 Count

The Mertzion Hornets beat Rankin to the tune of 61 to 0. The "Devils" couldn't get going. The team looks good in practice but they can't do any good in a game.

Turner was the sparkplug for the Hornets. Still and Zackery turned in good games for Rankin.

The Devils are the pick of next week's game by a small majority. They are to venture to Garden City for an afternoon game there next Friday. Mertzion defeated the Garden Citizens the week before by a score of 60-0, only one point over the Devils' defeat, so this should be an even-matched game.

THE FIRST GRADE (Section A)

The first grade received valuable reading aids last Monday. These aids are Flash cards to be used with the Pre-Primer and Primer Readers; and "Our Big Book" which used to start Beginners to read.

We lost another pupil, Sam Bryson.

THE FIRST GRADE (Section B)

The first grade boys and girls are enjoying "The Big Book". Also their big pencils. Johnny Barfield is a fortnight visitor in our room. He is a very good pupil and the class would like to keep him, but Johnny says he will have to go back to Lamesa.

SIXTH GRADE NEWS

The sixth grade likes Mr. Dixon on their arithmetic teacher very much.

We are very sorry that one of our pupils, Julius Ferguson, is sick in bed.

The sixth grade is planning to KEEP OFF THE GRASS signs on the lawn.

WATCHES 'on' PARADE....

IN THE 16th CENTURY GENTLEMEN OF FASHION HAD WATCH CARRIERS.

From the Jewelry Industry Council.

Clock-watches, forerunners of the modern watch, were fashionable in the 16th Century but too large and heavy to be worn on the person. The modern watch is light enough for the slimmest wrist, is far more accurate than its ancestor and every bit as ornamental and fashionable.

Rankin Faculty And Families Feted With Outdoor Supper By Walton Poages

The Rankin faculty and their families were entertained at the home of Mr. and Mrs. Walton Poage Thursday, Oct. 7. Every member of the faculty was present and almost all the members of their families, and there were also other guests present, including Mr. and Mrs. Hudson and Mr. and Mrs. Christy.

Supper was served out on the spacious lawn of the Poage home, where there was a grill, tables and chairs. All present went home declaring that the food was delicious and that the Poages were wonderful entertainers.

The members of the faculty said that they could do a much better job of teaching if they were so well fed more often.

Rankin Teachers 100 Per Cent In Texas Teachers Association

Rankin is proud to say that to begin the year the whole faculty joined immediately at the beginning of school. This is out of the ordinary as it is usually way in the year when all if they ever do all join to get in. The Texas Teachers Association is an honored organization.

Matches have heads but no brains. When you use their heads, use your brains.

Two New Pupils Have Entered Third Grade

The third grade has two new pupils. They are Jerry Fortenberry and Margie Lowery.

We have selected for room mothers, Mrs. Alvin Bushong and Mrs. N. I. Hurst.

Sophomores Picnic Over The Weekend

The Sophomores had a picnic last Saturday afternoon. We went South about ten miles and went mountain climbing. The girls beat the boys in the game of baseball. Those present were: Earl Brown, Joy Ward, Walter McSpaden, Jean Shaw, Melvin McEwen, Mona Sue Branch, Marvin McEwen, Emma Lou Cleveland, Louis Ward, Wilma Payne, Marlene Holmes, Charles Blue, Dillard Delaney, Wanda Burleson, Andy Lyle, Barbara McSpaden, Jimmy Lee, Bill Hurn.

A guest from Iraan, Jack Reynolds.

Others attending were: Mrs. Schmidt and Mrs. McSpaden.

Yochams Head School Favorite Races

Juniors Tramp Hornets In Friday's Game By 18-6 Margin

The junior boys won an overwhelming victory over the Mertzion Hornets in the game Friday at Mertzion by a score of 18 to 6. Bruce McCain ran a 70 yard touchdown in the first quarter and he scored again in the second with Norman Yocham scoring in third after a terrific gain by little Jimmy Yocham. Two passes in succession were completed of McCann to J. Pocham in the third quarter.

The Hornets scored in the last few minutes of play with a 30 five yard run. This is the first win of the season by any team.

THE DEVIL'S PITCH-FORK

Will James and Joy be a steady from now on?

Tempie hasn't said much about Billy lately. Do you mean that you are over your crush?

Boogie finally got that date he has been trying to get for a long time, didn't he, Jean?

Barbara seems to have a powerful swing. How about that, Zack?

Virginia, who is your latest flame?

Ruthie and Bob are a sure match.

Emma Lou and Travis were to start going steady—Boy!!!!

Fifth Grade To Give Hallowe'en Program

This is Glen reporting to you from the fifth grade. We are making a Hallowe'en calendar and a Hallowe'en Gremlin. We are ready for our six weeks test. The goblins and ghosts will be out on the 23rd in the auditorium. We are practicing now. We have made resolution to stay off the grass and to stay off the bicycle rack.

See you next week.

Faculty Meeting Held Monday Afternoon

Monday afternoon at three o'clock a meeting of the teachers was held.

At this meeting the teachers decided to begin assembly programs the twenty-first of this month. Mrs. Hurn, the sixth grade teacher, will present the first one.

Plans for fire drills and the teaching of fire prevention were discussed.

A committee was appointed to make plans for observing National Education Week in November. The members of this committee are Mrs. Schmidt, Mrs. Ivy and Miss Garner.

No further business was discussed at this meeting.

Wednesdays morning there was held in high school an election for the favorites of each class for the annual publication. Joveta and Ted Yocham seem to have proved to the favorites of the school by far. The senior favorites were Theo Blue and Martha Schlagal, the junior favorites were Don Still and Joveta Yocham, the sophomores selected Melvina McEwen and Marlene Holmes, the freshman favorites were Dee Ann Gamblin and Mona Sue Branch.

The most beautiful girl as selected by the boys was Joveta Yocham. Most handsome boy as selected by the girls was Ted Yocham. Again as selected by the entire school.

Joveta was chosen as football sweetheart. These pictures were taken for the annual Friday morning.

Students Attend Court During Murder Trial

Last week the High School students of R. H. S. had the opportunity of attending court. The case on hand was the Manico Herrado murder trial with Crumpton prosecuting and Priest defending. The majority of the students were quite interested in the case and enjoyed their visit in the court.

They went several times last week and feel they really learned something of law and court procedure. The students were accompanied by teachers each time except when free to go (after school hours) Many stayed and listened. They missed a few classes but were benefited in the long run. They are looking forward to the Rodriguez trial in March.

The students were accompanied by teachers each time except when free to go (after school hours) Many stayed and listened. They missed a few classes but were benefited in the long run. They are looking forward to the Rodriguez trial in March.

They went several times last week and feel they really learned something of law and court procedure. The students were accompanied by teachers each time except when free to go (after school hours) Many stayed and listened. They missed a few classes but were benefited in the long run. They are looking forward to the Rodriguez trial in March.

GRAND McCAMEY TEXAS

MORE BIG HITS ARE ON THE WAY

- "TAP ROOTS" — a spectacle unsurpassed since "Gone With The Wind"
- "TAP ROOTS" — gives you Van Heflin and Susan Hayward in the Year's Greatest love team.
- "TAP ROOTS" — has battle scenes you'll never forget.
- "TAP ROOTS" — was made from James Street's sensational best-seller novel and magazine serial.
- "TAP ROOTS" — is like a torch touched to gunpowder.
- "TAP ROOTS" — the raging fury of America's most dangerous days.
- "TAP ROOTS" — a love that was bred in the flames of it all.
- "TAP ROOTS" — proud of the name that was known to every rip and rake on the river.
- "TAP ROOTS" — a must for every ADULT movie-goer.
- "TAP ROOTS" — showing Sunday and Monday, 2 days Only.

(Children positively will not be admitted unless accompanied by their parents)
