

VALUABLE PRIZES OFFERED

First Christmas Gift Drawing Set Saturday

The first of a series of three "Customer Appreciation" drawings will be held Saturday at 2:30 p.m. at the City Park. Three big winners will emerge from Saturday's drawings, in which some 40 Friona merchants are participating.

It will be necessary for participants to be present at the drawing in order to win. Tickets are not numbered. Prizes will be awarded on the basis of names written on tickets.

Participating merchants are giving the "appreciation" tickets at the rate of one ticket for every \$1 in purchases or paid on account. Tickets may be de-

posited with any of the merchants giving tickets.

Each of the three drawings will be separate and apart from each other. All tickets will be discarded following Saturday's drawing, so that only tickets deposited during the following week will count toward the following week's drawing.

The second drawing will be at 2:30 p.m. Saturday, December 18, and the third will be on Friday, December 24 at 2:30. Approximately \$1,250 in merchandise will be awarded during the three drawings. Prizes have been divided up so that there will be nine win-

ners in all. Each will receive prizes valued in the neighborhood of \$140 total.

Individual prizes will make up the prize "packages," valued at up to \$50.

Some of the top prizes include a \$50 dress from Anita's; a \$50 storm door from Nunn Lumber Co.; a \$40 stainless steel set (three of them) from Allen's Jewelry; A \$40 sport coat and dress from Hurst's Dept. Store.

Also, merchants are giving gift certificates, worth all the way from \$3 up to \$25. Some are redeemable in groceries, others are redeemable at any Friona store. Friona State Bank is giving \$5 gift certificates to each of the nine winners.

Merchants who are participating by contributing gifts and/or issuing "customer appreciation" tickets include:

Johnson's Grocery; Houser's Grocery, Duncan's Blacksmith; Porter and Sons; Western Auto; Hurst's; Allen's Jewelry; Ben Franklin Store; Anita's; Party's Beauty Shop and Nunn Lumber Co.

Also Jones Motor & Supply; Reed's Cleaners; Reeve Chevrolet; Rockwell Bros. Lumber; Moore's Super Market; Crow's Slaughter House; Earl's Cafe, Welch Auto, White's Super Market, Cummings Farm Store.

Also Don's Drive-In; Taylor Barber Shop; Foster's; White Auto Store; Douglas Land; Piggly Wiggly; Graphic Arts; Herring Implement; Friona State Bank and Friona Star.

Also Tip Top Service Station; Adams Drilling, Farmer County Implement Co.; Grady Dodd Texaco; Deaton's "66" Station; Smith Conoco; Mobil Oil; Murphree Texaco and Chandler Tire Co.

Most of you probably read last week about the Denton Record - Chronicle assigning its own representative to report the war in Viet Nam.

The Record-Chronicle is not only the first newspaper in the state to send a reporter to the Vietnamese conflict, but Riley Cross, its publisher, believes that his newspaper is the smallest in the nation to have its own correspondent there.

Cross, in a letter to the Star this week, emphasized that if people with friends or relatives in Viet Nam would send their names to him at Denton, he would forward them to the paper's correspondent, who would contact them if possible.

Dalton Wood, writing in the Sudan Beacon-News, speaks for many of us in saying he wonders what kind of person can enjoy being despised by everybody, speaking of Cassius Clay, the controversial world's heavyweight boxing champion.

Wood points out that Clay's bragging for the past several years has just about turned everyone's stomach, but that it probably pays off at the box office, where people pay hoping to see Clay get beat.

"Wrestlers for years have used the trick of creating an image of a terrible villain so the public will turn out to see them get whipped. But I can't imagine anyone paying to see a wrestling match, even if it was a tag match between LBJ and Martin Luther King vs Gov. Wallace and Robert Shelton," Wood concludes.

All fall, we have seen several carloads of new automobiles heading Westward.

We expected that they were being shipped out there to sell. However, after seeing the new car commercials, we've about decided that they were being shipped to Arizona where TV films were made of the cars being driven over the wide, open spaces.

Speaking of TV commercials, this year's trend seems to be for a know-it-all neighbor to saunter over next door, tell Mrs. Jones that her wash looks fair, but that it is a shame it isn't white.

This might work pretty well on Bold commercials, but in real life, we're afraid it might make for some strained relationships between neighbors.

There are always strange twists to accidents. Take last Saturday's airliner collision, for instance.

First, there was the college student aboard who had "hitched" a ride as part of his fraternity initiation.

It will probably be quite a while before he becomes a stow-away on an airplane again.

Then there was this little sideline, which we saw in a small corner of our daily paper; One of the survivors was so satisfied to be close to her ultimate destination that she forgot to let the airline know she survived.

Miss Aletha Styers was on the early list of those "unaccounted for" by Eastern Air Lines after the constellation made a crash landing on Hunt Mountain.

Miss Styers walked through the craft, slid down the emergency chute out of the plane, walked to the edge of a field to a pay telephone and called her friends in Richfield, seven miles away and announced, "I'm here, someone pick me up."

The crash saved Miss Styers, an economist, an estimated two hours of driving time.

A man is a tree, judged only by his bark.

Traffic jams cause fewer accidents than pickled drivers.

Have you heard of the "ego test" which is recommended "for people who think they are indispensable?"

It goes like this:
Fill a bucket full of water.
Put your finger in the water.
Remove your finger.
Now observe the hole that is left.

Sometimes you just can't win. There was the case of a man who cured his halitosis only to discover that people just naturally didn't like him anyway.

SQUAWS PLAY EARLY

Teams Enter Tourney At Springlake Today

Friona Chieftains and Squaws, who brought home a pair of trophies from the West Texas State University tournament last weekend, enter their second tournament beginning today at Springlake.

The Squaws help kick off the tournament this morning, facing Nazareth's girls in a game starting at 10:30 a.m. The

Chiefs have drawn Littlefield as a first-round opponent, and that game will start at 3 p.m.

There are just seven teams in the girls' division of the tournament. If the Squaws get past Nazareth, they will meet Frionians of District 4-AA in their second-round game. Frionians draw a first-round bye. Should the Squaws lose, they would find themselves in the consolation finals.

The Chiefs will play the winner or loser of the Springlake-Frionians match, depending on how they come out against Littlefield.

There are nine teams in the boys' division. Teams in the upper bracket are Muleshoe, Nazareth, Whiteface and Boys Ranch.

Teams in the upper bracket in the girls' division are Springlake, Muleshoe, Whiteface and Happy.

Next Monday the teams go to Muleshoe and on Tuesday they tangle with Nazareth there, before entering the Tullia tournament.

Council Okays 2,000 Feet Of Water Line

The Friona City Council authorized Mayor J.C. Claborn and City Manager A.L. Outland to purchase in the neighborhood of \$4,500 worth of materials for construction of approximately 2000 feet of water line connecting two separate lines at a point in the western part of town.

By connecting the lines, more water and pressure should be available to residents in the western part of town.

In other business, the council approved Ordinance Number 383, regulating speed of traffic in and through the city on state and federal highways.

The ordinance will cause speed descending rate signs to be moved farther west on Highway 60 than they are at present, giving more emphasis to the new Friona High School location, which has caused more traffic along the western portion of Highway 60.

Allan Waldrop, representing General Telephone Co., presented a proposal to the council whereby business telephone systems with dual line, push-buttons and / or inter-com attachments will be consolidated into a "group plan" so as to facilitate identification for both customer and the company's billing process.

The council approved the proposal, but tabled a request to raise rates on extension telephones 25 cents per phone per month.

Discussion was presented concerning possible purchase of a Dempsey Dumpster trash collection system for the city from Canyon. Since that city is in the process of changing to a larger system and has not made its deal, Canyon has not officially made Friona a price on its old "dumper" equipment.

The need for a replacement remote control unit for the police department was pointed out by the city manager and chief of police. Council passed a motion to purchase a new transistorized unit at a cost of \$169.

Reason for the expenditure for the new water line connecting with Western Addition is the rapid rate in which the addition is building up. A total of eight residences are either completed or under construction.

In his monthly "summary of activities," City Manager A.L. Outland reported that collection of tax payments continued to come in favorably during the month of November.

There were six purchase orders and 115 work orders processed. Seven building permits were issued, for construction total estimated to be worth \$56,650.

Included in the building total were three permits for new residences estimated to be worth \$53,950, one move-in valued at \$2,000 two alterations at \$600 and one storage house at \$100.

Water department records showed that a total of 11,649,500 gallons of water pumped during the month, an average

Prizes Offered For Decorations

The Friona Star is sponsoring a Christmas lighting contest in Friona, and will award prizes to the top three winners.

Homeowners need not call, unless they live on the outskirts and/or just want to make sure their home is included.

Prizes of \$15, \$10 and \$5 will be awarded the top three displays. Homes will be judged the weekend of December 18-19.

GINNERS ARE BUSY . . . Typical of the gins in the Friona area at present is this shot taken at Chester G.'s showing the suction operator. Ginn were bracing themselves for the onslaught of one of the top cotton crops in the area's history.

WEATHER HOLDING

Area Cotton Harvest Gains Momentum

The cotton harvest in the Friona area, slow-starting due to one of the latest killing freezes in the history of the area, was gaining momentum this week, with the harvest nearing the peak stage for the year.

Most ginnings in the area thought the peak would come by the end of the week, if not the first of next week, if weather holds out as nice as it has been.

"Today is the first day we've had anything resembling a rush period," said Earl Chester of Chester Gin on Tuesday.

Steve Hargus, of Friona Farmers Co-op Gin summed week before the cotton harvest really hit its peak for the year.

Early indications are that the 1965 cotton crop may not be in the "bumper" class, as has first been thought, although it should still be one of the country's top cotton years ever.

"I don't think we'll have any trouble reaching the 60,000 bales which have been predicted for the county by Plains Cotton Growers, but we'll probably fall short of the 80,000 we had in 1962," said Chester.

"There isn't much two-bale cotton, like we thought there might be. It's going to make between a bale and a quarter and a bale and a half per acre," said Jack Tomlin, manager of

the Friona Country Club Gin. Ginnings were hesitant to estimate the percentage of the 1965 crop which had been harvested. As one of them put it; "It's kinda hard to tell, when one farmer has finished and another hasn't even started yet."

However, it would appear that the crop is somewhere between one-third and one-half harvested.

The first good killing freeze didn't come to the Friona area until Nov. 29th, which is later than the latest killing freeze on record at the Amarillo Weather bureau by about 10 days.

Therefore, many cotton fields are not yet ready for the stripper, still needing a few days for leaves to dry out and bolls to open up.

Pets Should Be Tagged, Penned

The City of Friona is receiving an unusually high number of calls regarding stray dogs, it announced this week, and is issuing a warning to pet owners to keep their pets up.

A city employee is going to make rounds with a patrolman in the city, and whenever he sees a possible stray, the dog will be "shot" with a tranquilizer, and then impounded. It will then cost the owner a \$2 claiming fee as well as a \$2 license fee if the dog is re-claimed, which must be done within three days, it is urged.

Bank Pays SCS National Dues

Gary Brown, agriculture representative of the Friona State Bank, presented Steve Messenger, business manager of the Farmer County Soil and Water Conservation District, with a check in the amount of \$75 recently.

The check will go to pay the 1966 dues to the National Association of Soil and Water Conservation Districts.

"Friona State Bank has long recognized that soil and water conservation is a must, if the community is to continue to prosper and grow. For this reason, it has paid the national dues for the local district for a number of years," Messenger said.

BUILDING SELLS . . . Principals in the sale of the old Friona State Bank Building are shown in front of the building, as the sale of the building was completed from the Friona Masonic Lodge to Calvary Baptist Church. Shown left to right are Rev. Jake Armstrong, Dale Westbrook, chairman of the church's mission committee and Kenneth Watkins, Master Mason. The building is to be used for a Colored Baptist Mission.

STATE-BOUND . . . Two skills teams from Friona High School were to leave at noon today from Huntsville and the state FFA leadership contest finals. The teams won area honors last week at Plainview. In the back are Benny Pryor, Bob Carrothers, Mike Wooley, Mike Jarecki, and David McVey. Kneeling are Gary Shirley, Scott Wooley, Danny Carthel and James Schlenker. It's the fifth straight year for two skills teams from FHS to make the state finals.

Friona Speaks

QUESTION: HOW CAN WE KEEP CHRISTMAS FROM BEING TOO COMMERCIAL?

Mrs. James Anglin: We can do this by trying to increase our faith in God through prayer.

Ralph Smith: We should give more thought to the real meaning of Christmas. Rather than putting so much emphasis on partying, we should remember those around us who are in need.

Loyde Brewer: The exchange of gifts is an enjoyable custom, but perhaps we should put more of the spirit of Christ into our Christmas customs. We ought to have more concern for the needy people and poor children who will be without toys and gifts at Christmas.

Mrs. Dan Ethridge: Each person should strive to put more of the spirit of Christ into their giving.

Gib Boatman: This commercialization has been brought on with the prosperity of our country. As long as our country continues to prosper, we will, no doubt, have the problem. On my level, I just need to spend within my range at Christmas.

Rev. Jake Armstrong: We should emphasize what Christmas really means, which is the birthday of our Lord and Savior. Christmas should be observed as Holy Day and not a pagan holiday. We should always spell out the word Christmas and not use the abbreviation X. It's not really Christmas unless we pause to give thanks to God for sending us the Christ child. I think to keep Christ in Christmas is the best way to keep Christmas from being too commercial.

Current Comments From . . .

WELLINGTON . . .
A lot of beef cattle experts think the magnificent Santa Gertrudis is the only recognized breed that originated in the United States; but that is not true any longer. The Texas Longhorn Breeders Association of America has reached the goal where these historic cattle are now eligible for the same registration status as other recognized breeds.

This is as it should be for the Longhorn is the oldest native breed of cattle in North America. It is a descendant of a puny type of cattle brought to the North American continent by the Spaniards. Before that there were no cattle as we know them in the Americas.

In case you are interested there are about 2,500 registered Texas Longhorns in the United States today with most of them being in Texas and Oklahoma.

Desklin Wells In THE WELLINGTON LEADER

DUNCANVILLE . . .
While investigating the high cost of meat prices I was discovered that all those barbecues given at the LBJ ranch for so many foreign diplomats had caused a big shortage in good beef cattle, which was given for the extreme rise in prices.

THE SOUTHWEST DALLAS COUNTY SUBURBAN

KERMIT . . .
New strains on the nation's supply of skilled manpower are foreseen as mobilization progresses to meet needs of the Vietnamese war. Even before draft calls were doubled and military procurement stepped up, the United States was experiencing a shortage of skilled workers.

THE KERMIT DAILY SUN

LUBBOCK . . .
PEOPLE USUALLY see their childhood days though a rosy mist, says a humorist, but he wonders how many actually would like to live through that period again.

Not many perhaps, if they could recall all the imagined heartaches, worries and disappointments they endured when they were children. These things seemed very important to them then, but mean little now. Almost any period of life looks rosy to

The petroleum requirements of U.S. armed forces in Viet Nam have increased by 300 per cent since March, 1965, Oil Facts reports. Yet, says the commander of the Defense Fuel Supply Center, the forces are filling all their petroleum needs through commercial facilities. No action has been hampered by shortages. Illustrating the important of oil products to military operations, one aircraft carrier of the Forrestal class, operating with its planes, consumes more than 200,000 gallons of fuel a day. A B-52 making a bombing run from Guam to Viet Nam uses 2,500 gallons of jet fuel per hour.

us if it is viewed either in retrospect or anticipation. That is why the past and the future always seem more alluring than the present. This bears out the poet's observation that "distant lends enchantment to the view."

THE LUBBOCK-AVANLANCHE JOURNAL

DALLAS . . .
The matter of professional ethics which precludes newspaper advertising is being reviewed more closely by press associations across the nation including our organization in Texas. Certain professions have their own code of ethics, mandatory to those members in good standing, which prohibits or severely restricts any individual advertising.

What vexes the newspaper profession is the apparent double standard which enables the professional man to accept news or pictures about his activities but which prevents the purchase of paid space about the same subject.

We think that is becoming absolutely vital to our business to ascertain whether some of these professional ethics aren't in reality mass subterfuges to circumvent responsibility to the newspaper and the community.

THE OAK CLIFF TRIBUNE

HEREFORD . . .
Texas will enter full cooperation in carrying out Mrs. Johnson's pet program of highway beautification, according to recent releases. The program will be conducted through the highway department, which will receive some \$6 million from federal coffers in carrying out the improvements.

Prime target will, as stated, be junk yards and large bill boards which block the view. Basically, the Texas approach will pretty well center around plantings along the roadways, fences and other means of covering up the so-called eye-sores.

Needless to say, the task will be gigantic. Whether it will be worth the cost is another question, the answer to which depends a lot upon whether we put some of our "unemployed" to work, or whether we hire others and still retain these folks on our public dole.

More people buy Chevrolets? Yes!

Than any other make car? Yes!

Any other? Yes!

There must be reasons. Sure!

Name ten. OK:

1. All these comforts are available: steering wheels that tilt or flip and telescope; AM/FM Multiplex Stereo radio, first ever offered in cars; and Strato-bucket seats (to give you just a sampling).
2. Comforton automatic heating and cooling you can order—just dial the temperature and turn it on; Comforton automatically keeps you comfortable no matter what the weather outside.
3. More engine choices—the widest horsepower range available: the 425-hp Turbo-Jet V8 in Chevrolet and Corvette to a 90-hp Four in Chevy II.
4. Body by Fisher—Craftsmanship by the world's best known coachmakers with everything from luxurious interiors to the long luster Magic-Mirror acrylic lacquer finish.
5. Self-cleaning rocker panels flush out salt and other corrosives with rainwater, dry themselves with outside air—another way Chevrolet takes extra care so you needn't bother.
6. A hushed and gentled ride with body mounts designed to isolate vibration better and shock absorbers matched to body style—coupe, sedan, convertible, wagon.
7. America's only rear-engined car, Corvair, with more weight over the driving wheels where you need it and less on the steering wheels where you don't.
8. America's only true sports car, Corvette, with fully independent suspension, four-wheel disc brakes and engines you can order up to 427 cubic inches.
9. Higher resale value—Chevrolets traditionally are worth more at trade-in time because more people want Chevrolets... new or used.
10. All these safety features standard now: seat belts, front and rear; padded dash and sun visors; outside mirror (set it always before passing); shatter-resistant inside mirror; 2-speed electric windshield wipers for better visibility in a downpour; windshield washers; back-up lights.

BY LIONS

Edelmon Presented For District Office

W.L. (Preach) Edelmon was presented by the Friona Lions Club as a candidate for District Governor of Texas Lions' District 2-T1 at the Lions' mid-winter conference in Amarillo the past weekend.

Edelmon, who was the charter president of the Friona Club in 1940-41 and instrumental in helping to start the local club, was the only candidate to announce for the position at the mid-winter meeting.

The Friona candidate has served as membership chairman on the district level in the past, and has also been president of the Friona Chamber of Commerce. He was the Friona Lions' Club's delegate to the Lions International convention in Miami in 1963.

Those attending the conference from Friona included Mr. and Mrs. Edelmon, Mr. and

W. L. EDELMON

Mrs. J.C. Claborn, Mr. and Mrs. Wes Long and Sheryl, Mr. and Mrs. A.L. Outland, and Mr. and Mrs. Steve Messenger.

City Council

(Continued from Page 1)

of 388,316 gallons per day. This is comparable to the month of October. Absolutely no rainfall was recorded during the month.

Only two new water meters were installed to bring the total number of active services at the end of November to 1,016.

Ten days were utilized in checking the water gate valves in the city's water distribution system. One malfunction was found. A major street cut and repair may be necessary sometime in the future.

The sewer department reported that a new manhole was constructed in the vicinity of the new elementary school building so as to service a line from that building. Two new sewer taps were added, to bring that total to 951 as of the end of November.

Three fire calls were reported during the month. One was north of Benger Air Park, no appreciable damage; and two inside the city limits, one at a residence and another to an automobile, for a total estimated loss of \$150.

Fifty-three arrests were made by the Police Department during November. Thirty-two were for traffic violations, five for car thefts, four for drunkenness and traffic arrests, three runaways, two for driving while intoxicated, and one each for assault, illegal alien and felony theft.

There were 21 man nights of jail occupancy.

Two days assistance were given to the high school in painting of parking stripes on their parking lot November 16 and 17.

The city dump was serviced by the Lewellen Brothers with their heavy equipment, November 17, as part of the school debris clean-up contract.

ALL - REGIONAL . . . These Friona High School students qualified for all-regional band honors at Texas Tech last Saturday. Left to right are David Smith, trombone; Mac Hancock, trumpet; Susie Carmichael, flute and David Reeve, trombone.

FHA Announces Change

Announcement was made today by Mr. L.G. Cappleman, State Director, Farmers Home Administration, Temple, of a reorganization of field offices of the agency of Texas.

The consolidation of 21 Area offices into 14 new District offices geographically located over the State will enable this Agency to accelerate services to eligible rural families.

New loan approval and appraisal authorities delegated to District and County Supervisors will expedite the servicing of applications and processing of

loans.

The new position of District Supervisor will enable the State Director to maintain closer communication with field personnel, Farmer County will now be under the supervision of District Supervisor L.O. Connor, with headquarters located in Amarillo.

Information regarding all loan programs of the Farmers Home Administration may be obtained by contacting Mr. Billy R. Boling, County Supervisor for Farmer County, P.O. Box 196, Farwell, Texas 79325.

Band Students To Tryouts

Region I All-Region Band tryouts were held Saturday, December 4, at Texas Tech. The following Friona High School band members auditioned:

Susie Carmichael, Jim Bob Jones, Mac Hancock, Billy Burton, Randy Ellis, David Smith, David Reeve, Joe Murphree.

"I can swim rivers, and I can climb mountains, but, I can't swallow pills at drinking fountains!"

Final Rites Conducted For Mrs. J.F. Miller

Funeral services for Mrs. J. F. Miller, resident of Friona and the surrounding area for the past thirty-seven years, were conducted from Sixth Street Church of Christ at 3 p.m. Saturday.

C.J. Horton officiated. He was assisted by Rev. Bill Burton.

Mrs. Miller, 80, died at Parmer County Community Hospital Thursday evening following an extended illness. She was a member of Sixth Street Church of Christ and Friona Woman's Club.

MRS. J. F. MILLER

Daisy Iona Sims was born November 16, 1885 in Adeli, Jack County, Texas. She was married at the home of her parents, the late Mr. and Mrs. W.P. Sims, near Bradley, Indian Territory, December 8, 1904, to Joe F. Miller.

Two sons, Ralph, and Roy V. Sr., and two daughters, Cleola and Inez, were born to the couple. The Miller family moved to Friona from Norman Okla., in 1928.

Mrs. Miller's husband and three of her children, Ralph, Cleola Kirk Burkett and Inez Welch, preceded her in death.

Survivors, in addition to one son, Roy V. Sr., include 14 grandchildren and 27 great-grandchildren.

Palbearers were Charles Kirk, D.E. Renner, John Taylor, Dale Glass, Sam Meers, Ross Miller, Clyde Tims and Jimmy Taylor.

Honorary pallbearers were David Carson, John Blackburn, Hardy May, Newman Jarrell

Sr., Claude Osborn and F.W. Barnett. Burial was in Friona cemetery under direction of Claborn Funeral Home.

Baptist Rally

The Youth Rally of the Llanos Altos Association will meet at the First Baptist Church, Enochs, on Monday, Dec. 13.

The speaker for the evening will be from the Baptist Student Union at Texas Tech. The music will be provided by the Bellaires, a handbell choir from the First Baptist Church in Lubbock. This group is composed of twelve high school students, under the direction of Mrs. Gerald Harris.

All young people who wish to attend this meeting should meet at the Calvary Baptist Church at 6:00 p.m., on Dec. 13.

make it a LASTING CHRISTMAS!

This year give ELECTRIC gifts... the gifts that keep on giving. For Mom, there's an electric fry pan, coffeemaker or a gleaming new electric range. Dad would enjoy a new electric shaver or power tools for his workshop. And for the entire family, a new radio, stereo or color television would make perfect gifts. See your favorite electric appliance dealer and this year give better... electrically!

ELECTRIC CHRISTMAS GIFTS ALWAYS FIT!!

Chiefs Are Second In WT Tournament

The Friona Chieftains came out to close to winning the West Texas State University Invitational basketball Tournament for the second time in a row last weekend, while their counterparts, the Squaws, took third place, or the consolation championship.

Actually both teams slipped a notch from the previous year, when the Chiefs won the title and the Squaws were second.

The Squaws met old rival Tulla in the first round, and after suffering a one-point loss in overtime, was relegated to the consolation bracket.

Meanwhile, the Chiefs came within an eye-lash of winning the meet for the second straight year. It was at this same tournament last year that the Chiefs won their first tournament title in six years, and started what proved to be a highly successful season.

Teams Swamp Hart In Tilts

Both the Friona Chieftains and Squaws scored run-away wins over teams from Hart here Tuesday.

The Squaws took a 60-26 win, as Janet Rushing scored 23 points. With reserves seeing most of the action, Friona had a 49-14 lead after three quarters and coasted from there.

The boys' game was more of the same. Bob Sims, who wasn't a starter, was high-pointer for the boys with 14 points.

Friona also won the boys' B-game, 41-27, as Eddie Wood tossed in 16 points.

Basketball Teams Sweep Pair From Muleshoe Here

Jayn Massie, 14 points.

Friona	4	0	3	4 -- 11
Walcott	3	2	11	1 -- 17

Jayn Massie, six points.

The Friona Squaws, who had seen the end of a winning streak over one of their neighboring schools a week earlier, added to another one in their game against Muleshoe here last Thursday.

The Squaws downed the Mullettes, 72-65, to chalk up their 18th consecutive win over their neighbors to the south. It has been 11 years since the Squaws have lost to a Muleshoe team.

In the varsity boys game, the Chiefs sparked in their second outing of the year, topping the Mules, 60-55. Friona dropped the boys B-game, 28-25.

The Squaws weren't pressed in winning their second game of the season, Coach Mel Williams was able to alternate between his first and second teams, and the Mullettes trimmed an 18-point third quarter lead to its final margin of seven points.

The Friona girls had a 10-point lead after a quarter, 24-14, and with reserves playing the entire second quarter, led at halftime, 40-33.

The starters went to work in the third quarter, and Cindy Ingram rang the bell three straight times following stolen passes to push Friona to a 68-50 third-quarter lead.

Muleshoe's Mullettes took advantage of Friona's coldness

during the final quarter to trim the margin. The Squaws, who had averaged 23 points in each of the first three quarters, could manage just four in the final one, but that was enough for the win.

The Chieftain - Mule battle was tight from start to finish. The score rocked back and forth during the first quarter, with Friona having a 10-8 lead at its conclusion.

Friona's longest lead was early in the second quarter at 22-15, but it didn't last long. Muleshoe rallied and trailed by three at halftime, 25-22.

The third quarter was again close, at Muleshoe forged ahead briefly. Bobby Jordan's jump shot near the close of the quarter stretched what had been a two point lead to four, 40-36.

Muleshoe took advantage of a Friona cold spell to fashion a four-point lead midway of the final quarter, and then started into a delay game. The Chiefs countered with baskets by Jordan and Ray Braxton to regain the lead for keeps.

In fact, two straight jump shots while the Mules were losing the ball on bad passes jumped Friona back into a seven-point lead at 55-48 with 1:50 left to play.

TAKE TROPHY . . . The eighth grade boys basketball team, which won the consolation championship of the Muleshoe tournament last week, are shown here. In front are (l to r) Joe Bill Jones, Ted Procter, Richard Dickson and Donnie Carthel. Second row - Butch Watkins, Isidore Cordova, Jeff Price, Danny Kendrick, Joe Ed Boggress and Bobby Thomas. Back row - Gary Crump, Wayne Schueler, Randy Mabry, Jerry Shelton, Mitch Terry and Coach Truitt Read.

On The Farm In Parmer County Bovina Man Elected Chairman, SCS Board

By JOE VANZANDT
County Agent

Many wheat fields over the county have some yellowing showing up in them now. For the most part this yellowing is caused by Leaf Rust. Leaf Rust is caused by fungi and rust spores are carried by wind movement. If you look closely at some of this wheat you will notice small, round, orange-yellow pustules on the leaf surface.

A heavy leaf rust infection, such as some fields have now, can cause extensive damage to the leaf foliage. When plants thus weakened from loss of foliage, they are less resistant to extreme cold or dry weather. The spread of rust should slow down when we start having freezing temperatures. Some wheat fields are getting pretty dry and probably should be watered. By watering wheat with rust, it will enable the plant to make new growth and possibly become a stronger plant. The weather conditions later will be the determining factor in whether the watering will increase the rust. However, if wheat gets too dry and weak from rust, winter killing is liable to take place.

CHRISTMAS SPECIAL

You can add something special, colored flames to your fireplace, for more Christmas cheer provided you start now. The "sparkling joy logs" which can add the color are easy to make.

To make the "logs," roll newspapers or absorbent paper into "logs" about 16 inches long. Don't use too many newspapers in a "log" because they swell when soaked in the chemical solution. We suggest that the "logs" be tied loosely with heavy twine.

To make the chemical solution which gives the color, dissolve four pounds of bluestone blue vitriol or sulphate of copper and three pounds of rock salt in one gallon of water.

Then soak the logs for three or four weeks in the solution, turning them end over end frequently. Let them dry thoroughly before trying to burn them. We suggest burning only one

"long" at a time in an open fireplace. It will burn for several hours and give off rainbow colors.

And a final suggestion, these "logs" make unusual Christmas gifts for family or friends.

PHEASANT HUNTING

We hope all of you Pheasant hunters got your limit of 2 cocks Wednesday on the opening day of the season. Don't forget about the Long Tail Feather Contest being sponsored in Bovina, Farwell and Friona, by local merchants and the Parmer County Game Management Association. Contest Headquarters in Bovina is Parmer County Farm Supply, in Farwell, the Farwell Hardware is headquarters and the Hurst Department Store is in Friona. Take you tail feathers by one of these places and try to claim the \$25.00 first prize award.

We hope more people get pheasant hunting in their blood and try to protect and provide for these game birds year-round. We only need about 1 cock for every 8 hens so many of our cocks can be harvested and the general pheasant population will be better off.

FIGHT TUBERCULOSIS and Other Respiratory Diseases

Leon Grissom of Bovina was elected chairman of the Parmer County Soil and Water Conservation District's board of directors at a recent board meeting.

Dick Rocky of Friona was elected vice chairman, and Jack McCracken of Bovina was re-elected secretary. A.L. Black and John Littlefield are the other members of the board of supervisors.

In assuming the office of chairman of the board of supervisors, Grissom stated that the Parmer County Soil and Water Conservation District had accomplished a great deal of conservation practices in the past, but that our work locally had just begun because of the needed land treatment inside the Running Water Draw Watershed that must be completed before construction of the proposed dams can begin.

Grissom also stressed the need to inform all farmers of the vast amount of conservation

of our natural resources (soils, water and plants) that is needed if America is to hold its place in the world.

Rocky, in assuming his office, stated that he would like to encourage every land owner and farm operator who is not a member of the Parmer County Soil and Water Conservation District to make a point to meet the supervisor of his own zone, or someone on the local SCS staff, who is helping the district carry out its program. "They should find out how the district can be of aid to the individual in carrying out his own conservation plan," Rocky said.

Black, who is also first vice president of the Texas Association of Soil and Water Conservation districts, stated that water is fast becoming our most precious resource and the need to make better and more efficient use of our available irrigation water has never been a more pressing problem.

Engagements Revealed

JIMMIE MILLIE HOLDEN

JOYCE M. RODGERS

Mrs. Bessie Wilkerson announces the engagement of her foster daughter, Miss Jimmie Millie Holden, to Tom Sloan Jr., son of Mrs. Eddie Pouey of Truth or Consequences, New Mexico. The couple will exchange wedding vows at the First Baptist Church of Bovina, December 19. All friends of the couple are invited to the ceremony. No invitations are being sent locally.

WEDDING PLANS ANNOUNCED. . . Mrs. E.L. Hibdon is announcing the engagement and approaching marriage of her daughter, Joyce Rodgers, to Randy Dickson, son of Mr. and Mrs. Weldon Dickson. Wedding vows between the couple will be exchanged Friday, December 17.

FHS Graduates Named To Wayland Honor List

Two graduates of Friona high school were among only 23 students at Wayland Baptist College who were named to the Dean's Honor Roll at mid-semester, according to Robert G. Collmer, academic dean. Among the nine seniors on the list was Thomas Jay Sanders, 1962 Friona High School graduate, son of Mr. and Mrs. John D. Sanders of Seymour, former Friona residents. Sanders had a 3.75 grade average on the 4.0 system.

One of six freshmen students on the list was Dennis Howell, 1965 graduate of FHS, Dennis is the son of Mr. and Mrs. Charles Howell of Route 3, Friona. Howell's grade average was 3.71.

Only students with averages between 3.50 and 4.0 for the first nine-week semester were considered for the list.

Sunday Visitors

Visitors in the home of Mr. and Mrs. Walter Cunningham Cathy and Christy, Sunday, were Mr. and Mrs. Ray Reed, Levelland, Mrs. P.B. Sewell, Hereford, Dick Burchwood and Mr. and Mrs. Buck Cunningham, Amarillo and Mrs. Dale Cunningham, Friona.

Phone us your local news at 2211.

Son Born To T.E. Parsons

Mr. and Mrs. T.E. Parson III became parents of a baby boy at 2:20 a.m. Saturday, December 4. He was named James Alvin and weighed 7 lbs. 12 ozs.

James has a brother, Tommy, 2. His grandparents are Mr. and Mrs. Thomas Parson Jr., Friona, and Mrs. J.F. Lafferty, San Saba.

Great-grandparents are Mr. and Mrs. Ellis Wilson, Fort Worth, and Mr. and Mrs. Thomas Parson Sr., Blanket.

SELLS COW

Elvin O. Johnston, Friona, recently sold 34 registered Angus cows to Stanley and Gerry Rogers, Artesia, New Mexico.

Annual Family Circles Meets In Cass Home

Fifty-nine persons were in Friona during the weekend for the annual Christmas party of the family of Mr. and Mrs. E.C. Chitwood. They were guests in

The Happy Homemaker

At this time of year most homemakers are interested in trying new recipes for cakes, cookies, pies and other desserts. During the past few weeks I have used a cookie recipe and a cake recipe for the first time and enjoyed the results so much I want to share them with our readers.

The first one is for a different kind of fruit cake. One of the principal ingredients is carrots and many of these vegetables are being produced locally.

CARROT FRUITCAKE
Sift together
3 cups sifted regular flour
2 teaspoons double acting baking powder
2 teaspoons baking soda
2 teaspoons cinnamon
1 teaspoon salt

Set aside and combine 1 1/2 cups salad oil and two cups sugar. Mix well. Add four eggs, one at a time, beat well after each addition until light and fluffy.

Gradually add sifted dry ingredients, mixing until smooth, after each addition.

Then add 3 cups finely grated carrots, 1 cup chopped dried apricots, 1 cup chopped pitted dates, 1 cup raisins and 1 1/2 cups coarsely chopped nuts.

Mix well. Spoon into a greased 10 inch tube pan or loaf pan with approximate capacity and bake at 350 degrees until cake springs back when lightly touched with fingers. (Watch in next week's paper for cookie recipe.)

the home of Mr. and Mrs. Chitwood, Mrs. Lucy Jones and Mr. and Mrs. Wayne Mills, Susan and Mike.

Highlight of the weekend was a dinner followed by a group singing and visiting at Federated Club House.

Others present were Mr. and Mrs. E.R. Chitwood and Mr. and Mrs. Foster Barnes and Lynette, Amarillo; Mr. and Mrs. E.D. Chitwood Sr., Mr. and Mrs. Dee Chitwood, Mr. and Mrs. J.B. Young, Mr. and Mrs. Frank Snyder and Mr. and Mrs. Jerry Hutton, Muleshoe.

Also Richard Chitwood of Texas A&M College Station; Shea Taylor, El Paso; Travis Raun, El Campo and Pam Watson, Houston.

Also Mrs. Kenneth Young, Danny, Greg and Jeannie, Tucumcari; Bill Chitwood, Charley, Texas; Mr. and Mrs. L.D. Chitwood and Connie, Dallas; Mr. and Mrs. A.E. Chitwood, Al Lewis and Gail, Brownwood; and Mr. and Mrs. Charlie Snyder, Gene, Randy, Bryan and Della and Sharon Walker, Friona.

Also Mr. and Mrs. Robert Trout, Lynn, Glenda, Carroll, and Darrell, Perryton; Mr. and Mrs. Ronnie Green, Larry and Barry, Brownfield, and Mr. and Mrs. Jake Bogart, Brad and Schell, Wichita Falls.

The Mekka Circle of Women's Society of Christian Service of Friona Methodist Church met Wednesday morning in the home of Mrs. Kenyth Cass.

The meeting was opened with the reading of a poem, "A Bridge Builder" by Mrs. Russell O'Brian. Mrs. Cass directed the concluding session of the study of the Book of Acts.

Mrs. O'Brian, Mrs. Earl Hawkins, and Mrs. Dorothy Hough presented a playlet introducing the letters of the apostle, Paul.

Others attending were Mrs. Esther Haws, Mrs. U.S. Akens, Mrs. Dick Rocky, Mrs. Emma Elmore and Mrs. C.S. Bainum, Mrs. Elmore and Mrs. Bainum were guests.

First Son For Former Frionans

Bradley is the name Mr. and Mrs. Max Cruse chose for the baby boy born to them November 19 at Pierre, South Dakota. They are former Friona residents.

Other children of the couple are Teryl, 10 and Cathy, 6. Grandparents are Mr. and Mrs. Ned Cruse, Pierre, who also formerly lived here, and Mrs. Grace Patterson, Friona.

business in the billions

WITH RURAL ELECTRICITY

Hundreds of thousands of refrigerators, freezers, water-pumps, milking machines, separators, feed grinders, washers, televisions, radios and other electrical appliances are sold in rural America each year.

With electricity, today's rural family lives more comfortably, produces more efficiently, and its needs have created a billion-dollar annual market.

Normal growth generates the need for more and more electric power, which is our duty and privilege to provide in the rural areas of this community.

Of Interest To THE WOMEN

Mitty Mann Weds David L. McGuire

MR. AND MRS. DAVID L. MCGUIRE

In a double ring ceremony at First Methodist Church, Bovina, at 5 p.m. Saturday, Nov. 20, Mitty Bel Mann, daughter of Mr. and Mrs. Dan Mann, and David Lee McGuire exchanged wedding vows. Parents of the groom are Mr. and Mrs. D.C. McGuire.

Rev. J.B. Fowler, pastor of the church, was the officiant. Attendants were Pamela Garland and Herbie Looper.

The bride, escorted to the altar and presented in marriage by her father, wore a white wool crocheted dress. She carried an orchid corsage atop a white Bible. For something old she wore her mother's class ring. Her only jewelry was a pearl pendant, a gift from the groom. She borrowed a blue garter from Mrs. Claude Dyer.

The bride's chosen colors, blue and white, were carried out in decorations in Fellowship Hall for the reception which followed the ceremony. Guests were registered by Mrs. William Gromowsky, Bovina. Punch was served by Kathy Pemberton, Friona, and Marilyn Martin, Muleshoe. Mrs. Claude Dyer served cake.

Traditional wedding music was presented by Mrs. John Wilson.

Mr. and Mrs. McGuire, both former students of Friona schools, are at home here.

Kirby Adams Vows Exchanged

Judy Marie Kirby, daughter of Mr. and Mrs. L.L. Kirby, Friona, and Junior Adams, whose parents are Mr. and Mrs. John Adams, Littlefield, exchanged wedding vows in Lubbock recently. Rev. Durrill Davidson read the double ring ceremony.

The bride, who was presented in marriage by Jimmy Stewart, wore a white organza dress de-

signed with a fitted bodice and lace overskirt. She carried a bouquet of white carnations atop a white Bible.

Attendants were Melba Rose, sister of the bride, and Quincy Adams, brother of the groom.

A reception in the home of Mr. and Mrs. J.D. Adams, Lubbock, followed the ceremony.

Mr. and Mrs. Adams are at home in Littlefield.

Program Leader Presents Review

A review of Bruce Barton's "The Man Nobody Knows," highlighted the program of the Maggie Hamlin Circle of Women's Society of Christian Service of Friona Methodist Church in the home of Mrs. M.B. Buchanan Wednesday morning.

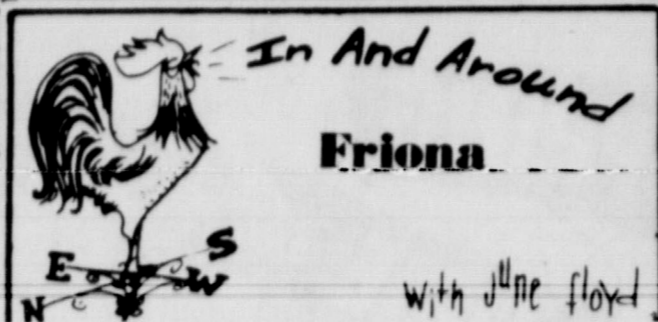

Mrs. Ernest Anthony, program leader, presented the review. The prayer calendar was read by Mrs. Arthur Drake. During the social hour refreshments were served to Mrs. Dell Dodge, Byers, Colo.; who was a special guest, and the following members; Mesdames Drake, Anthony, Jerry London, Mack Balmun, A.L. Outland, A.S. Grubbs, W.M. Massie, Garland Freeman and Richard London.

Past Matrons Meet Friday

Mrs. R.B. McKee was hostess at the Friday afternoon meeting of Kinsley Past Matrons Club in the home of Mrs. Pearl Kinsley.

The devotional was presented by Mrs. Bert Chitwood. Seven members were present.

Refreshments of pie and coffee were served.

Many sports fans have had several opportunities to see the new gym and until now neither the Squaws nor Chieftains have lost a game on the new court.

Those of us who began playing basketball on an outdoor court which had been marked off with a walking garden plow then made by white by an application of whitewash were all comparing this modern basketball court with "old style" courts.

At that time games were played only on Friday afternoons and many times fathers of the players spent a good deal of time raking the humps out of the dirt with garden rakes earlier in the day.

Spectators were for the most part students of the two schools who stood on the side of the court away from the wind. Anyone who played then could not possible have envisioned gyms such as our new one.

Seems as if the Roy V. Miller Sr. family will have to devise some method to distinguish which Roy is being addressed when they are all together.

The father and oldest son have been called "Roy" and "Roy V." When a baby daughter was born to Clyde and Linda Tims on her grandfather's birthday a few years ago, no other name would have been suitable for her.

Since her parents chose "Evelyn" for her middle name, her identity could be preserved by using the middle name. Now, Janice, youngest daughter of Roy and Eva, is married to a man named Roy.

Since he is a junior too, perhaps they can just refer to him that way. In any event, it's going to be confusing.

Christmas decorations are showing up in almost every home, store and office in town and many of them are outstanding. If you haven't seen the south window of BI Wize Drug, be sure to walk by and look at it. It is one of the most attractive displays I've seen anywhere.

Randy Boeckman, young son of the Joe Boeckmans, has apparently been properly trained on loyalty to his home town. Recently he was in the wedding of a relative in Oklahoma City. The wedding story appeared in the Daily Oklahoma the following day.

His grandmother, Mrs. Pat Fallwell, read the story and when the Boeckmans returned home said, "Randy, did you know you got your name in the Oklahoma City paper yesterday?"

"Aw!" said Randy. "That's nothing. Friona, Texas got it in the paper, too!"

The following item has appeared in several area publications, but I feel sure anyone who can remember when bread came from the bakery unsliced will enjoy reading it.

"How do I know my youth has been spent? Because my "get up and go" has got up and went; But in spite of all that, I am able to grin.

When I think where my "get up and go" has been,

Old age is golden, I have heard it said, But sometimes I wonder, as I go to bed.

My eyes on the table until I wake up

My ears in a drawer, my teeth in a cup.

Ere sleep dims my eyes, I'll say to myself,

Is there something else I should lay on the shelf?

But I am happy to say as I close the door,

My friends are the same as in days of yore.

When I was young my slippers were red,

And I could kick my heels right over my head;

When I grew older my slippers were blue,

But I could dance the whole night through;

Now I am old, my slippers are black,

I walk to the corner and puff all the way back.

The reason I know my youth has been spent,

Is my "get up and go" has got up and went.

But really, I don't mind, when I think with a grin,

Of all the places my "get up and go" has been.

Since I've retired from life's competition,

I busy myself with complete repetition.

I get up each morning and dust off my wits,

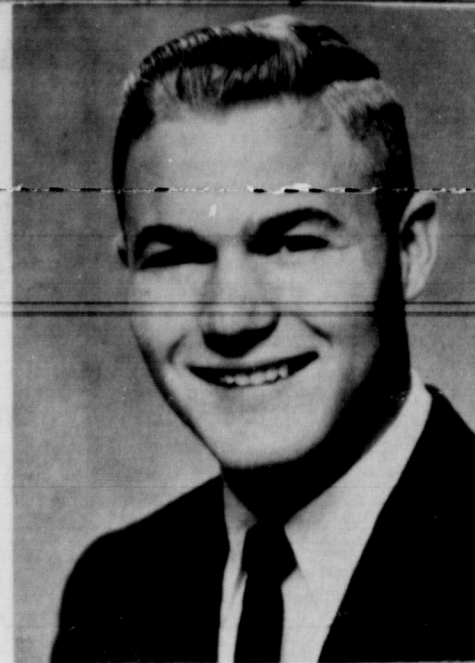

I pick up my paper and read the obits,

If my name is missing, I know I'm not dead,

So I eat a good breakfast, and go back to bed.

FRIEDA FLOYD

COURTNEY OWEN

TROUP 1379 ANNOUNCES HONOR THESPIANS . . . Announcement of the selection of Frieda Floyd and Courtney Owen as honor Thespians for the 1965-66 school year was made at the Thursday afternoon meeting of the Troupe. Miss Floyd, a senior, is the daughter of Mr. and Mrs. Glenn Floyd and has been active in the organization the past four years. She has played roles in "An Old Kentucky Garden," "Smilin' Through," "Happy Valley," and this year's production of "Our Town," in which she played the part of Mrs. Gibbs. She also played the part of Malinda Steele in last year's Interscholastic League one act play contest.

Owen, who transferred to Friona High School from Edna High School during his junior year, was active in dramatics there. Since enrolling here he has played the part of Wilbur in "It's Great To Be Crazy," last year's junior class play and was Stage Manager in "Our Town." He is also a senior and is the son of Mr. and Mrs. Joe Owen.

Maybe You've Seen The Adolphus— But Have You Seen It Lately?

Hospitality and gracious service do not change, but physical comforts do. Here at The Adolphus we have blended the best of the old with the best of the new, with unique and pleasing results.

Today The Adolphus offers you the most modern hotel possible to produce with furnishings and other equipment selected from the best of the new — fast, self-service elevators, direct-dial telephones and television, to mention a few.

But the conventional requirements for hotel comfort, such as large rooms, have not been overlooked. For example, nowhere else we know of can you find rooms such as our "Texas Size" rooms — 300 square feet of comfortable living space with "his" and "her" baths, two closets, and lots of attractive space left over for entertaining.

All this, plus free indoor in-and-out parking in our garage, makes The Adolphus the best place to stay next time you're coming to Dallas.

Christmas Crossing Club Program Theme

A gift exchange followed presentation of a program entitled "Christmas Crossing" at the Thursday evening meeting of New Horizons Junior Study Club at Federated Club House.

Basis of the program was a quotation "You give but little when you give of your possessions. It is when you give of yourself that you truly give." The devotional was presented by Mrs. Bill Raybon.

"Old World Christmas Customs" was the title of Mrs. Jimmy Maynard's presentation.

"New World Christmas Decorations" was presented by Mrs. Jim Roy Clements and Mrs. Jerry Brown.

Mrs. Jerry Hinkle directed the group in singing, "Silver Bells," "White Christmas," and "Silent Night, Holy Night."

Refreshments of party sandwiches, date bars and Christmas punch were served by the hostesses, Mrs. Conny Dodson, Mrs. Joe Reeve and Mrs. Don Spring.

Guests present were Mrs. Joe McLellan and Mrs. M.C. Osborn.

Patrons Get Survey Cards

Rural mail carriers from the Friona Post Office have left some livestock survey cards along their route.

"Information reported on these cards is used to set the yearly inventory of livestock and poultry on Texas farms," Postmaster Wright Williams said.

Rural carriers distribute the cards at random in boxes along their routes.

"This means that not every box will get a card," Williams said.

"For this reason, it's important for everyone who gets a card to return it filled out so that USDA can get a true sample of the State's livestock holdings."

Carriers assisting with the survey are:

N.E. Wood, Route 1; Dale Hart, Route 2; and Lewis Gore, Route 3.

Facts and figures secured in this survey are the basis for Texas and National pig crop report and inventories of livestock and poultry on farms as of the first of the year. Stockmen and many others use this information in making business decisions.

Survey results will be widely distributed through Texas Crop and Livestock Reporting Service releases, newspapers, farm magazines, radio, and television.

Star Invites Santa Letters

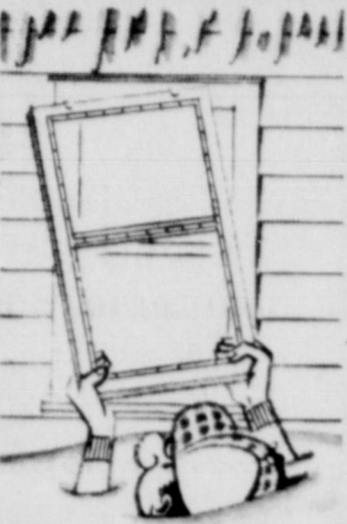

The Star received its first letter to Santa Claus this week, and would like to remind all children who would like to write to the old gentleman in care of the Friona Star.

The letters will then be forwarded to the North Pole, and a copy of letters to Santa will appear in the Star's Christmas issue.

Writing the first letter this year were Julie and Rod Owen.
