

AT MONTHLY MEETING

Council Okays Second Water Main To Western

Friona now has a high school Teen Club complete with membership board, ping pong tables and a combo "The Tyrants," which is quite as good if not better than the long haired fellows featured on television and records.

We firmly believe that the majority of our High School youngsters are going to make fine citizens in the near future. This new club will give them the opportunity to show how well they can govern themselves and how well they can conduct themselves.

We want them to have this opportunity and we certainly hope they succeed in keeping their club clean and free from ugliness.

If they are successful, who knows, it may someday lead the way to a city-sponsored youth center with many varied facilities and activities.

If the young people of our town have some place to meet for recreation and fellowship, they are much less likely to end up racing down the highways to the dives and dumps of other cities, or parked on dark country roads.

In the next few weeks and months, the eyes of Friona are going to be focused on the building recently occupied by Friona Plumbing and Heating.

If even one unfortunate incident occurs because of this new organization of teenagers, then the club will go steadily downhill and will eventually disband altogether.

It is up to the board to keep their club clean. We understand they have started off to a good start by not allowing membership to high school dropouts.

This latter point should serve as a deterrent to youngsters from dropping out of school. And this is admittedly one of the biggest problems we face in schools today.

It has been said many times that the main thing "wrong" with Friona was the fact that it had so little entertainment facilities for the youngsters.

Thus, the youngsters are taking the job upon themselves to remedy the situation. If they succeed in their undertaking, then we adults will owe them a personal thank-you.

It is said that the crime rate in the United States is increasing six times as fast as our population growth. One fourth of all persons booked for crimes in 1965 were reputedly under the legal age of 18.

However, we feel that nationally statistics do not necessarily reflect the picture of Friona's youth. We believe that most of our young people are fine, dependable youngsters, who will make upstanding citizens.

In the long run, it is not the riff-raff which governs the masses, but the conscientious lot, who study to make good marks in school. Thus, it is good that these youngsters are given a chance to govern their peers in the Teen Club.

The citizens of tomorrow are not necessarily the ones who are making headlines for doing something unlawful.

At least a couple of businessmen in Friona share our belief that most of our teen-agers are fine, courteous individuals.

One local businessman has suggested that local merchants contribute to a fund which will honor some Friona youngster who is chosen as the most courteous. This could be used to further their education.

"You always hear about young people as being juvenile delinquents. However, we have a bunch of kids in Friona who are really top notch. And I believe we should recognize these good kids and give them some publicity, since so many times the ones who get into trouble get adverse publicity," the businessman said.

We agreed with the suggestion, and have had at least one merchant pledge support to such a fund. Anyone else caring to may contact us, and we shall try to get the drive started.

It's all right for a person to have nothing to say so long as it doesn't take him 20 to 30 minutes to say it.

Extending a second water main to Western Addition was approved at the monthly meeting of the Friona City Council Monday night. The council noting that the appropriate easements had been obtained, and that a price had been secured from Western Industrial Supply Company, Amarillo, it was agreed to proceed with the project.

In other business, the adoption of Ordinance 385, annexing some 3.85 acres to Western Addition was withheld pending processing of an easement for a water main which crosses the property. The original plat and annexation request had been granted, but it was agreed that action should be withheld pending the processing of the easement.

The council, hearing a request from the Library Committee of Friona Public Library approved payment of \$500 to the Library fund to provide a salary for a part-time summer employee.

The committee presented the council with facts showing the growth of the embryonic municipal library. Pointing out that all labor thus far has been donated the committee felt that a part time employee was necessary to insure future growth.

Information was discussed relating to the proposed purchase of a Dempster Trash Removal system from the City of Canyon. It was pointed out that there had been a turnover in the city manager's office at Canyon, and that little progress had been made in obtaining the new equipment.

A resolution was passed ordering the annual city election for Tuesday April 5. The mayor's position and two aldermen are up for re-election.

A motion was passed appointing Dr. John L. Humphrey as city health officer for the coming two years.

It was brought up that Robert Hopewell, former patrolman felt that he was due financial compensation for some

time that he doubled as patrolman when the former Chief of Police resigned. After much discussion, a motion was passed that Hopewell furnish the council with verbal or written information as to the number of hours that he feels he is due for compensation.

The council approved another motion, authorizing the mayor and city manager to advertise and solicit bids for the sale and removal of a residential building located at 106 East Eight St. This house, the former residence of John D. Sanders and family, was purchased by the city last fall for future city hall building expansion.

In his monthly summary of activities, City Manager A.L. (Jake) Outland, reported that a total of \$81,010.58 in city taxes were collected as of midnight, January 31. This amounted to 95.2 per cent of the taxes, compared to 96.0 per cent on the same date a year ago.

Five building permits were issued, for construction with estimated value of \$50,000. This included a new residence valued at \$27,000 and a building for Friona Masonic Lodge at \$13,700. The January total building compared favorably with the figure of \$52,500 for January of 1965.

Water department records showed that 8,919,000 gallons of water were pumped during January, an average of 287,710

gallons per day and the lowest consumption figure for the winter season.

A total of .34 inches of moisture was recorded, as a result of eight inches of snow which fell during the January 19-22 period. The moisture amount was the very same as was recorded for January of 1965. One new water service was made to bring the total to 1022 active services as of the end of January.

Sewer department records showed that approximately 4,779,240 gallons of sewage were pumped during January, about average for the period.

The semi-annual sewage sampling was made and shipped to the State Health Department laboratories in Austin. Reports received indicate that the sewer plant is doing an excellent job of disposing of the city's wastes.

Two new service taps were made to make a total of 956 in active use.

Fire department records showed four alarms during the month, all outside the city limits. Greatest loss was at Black Grain Co., estimated at \$5,000. Another was a trailer house east of Hub, valued at around \$1,500.

Police department records showed a total of 30 arrests made during the month, 13 for traffic violations; six for drunk-

New Directors Named By Parmer Gas Users

Over 100 members attended the annual meeting of the Parmer County Irrigation Gas Users Association last Thursday night at the Hub Community Center.

Four new directors were elected at the meeting, plus a vice president and a fifth director to complete an unfinished term.

Named as new vice president of the organization was D.L. Carmichael, replacing Gilbert Kaltwasser, whose term was expiring.

Carmichael had been a director from commissioner's Precinct 1, having a year left on his term in that capacity. Bill Carthel was elected by voters residing in his precinct to fill out the unexpired portion of Carmichael's term.

Ellis Tatum was re-elected to a director's post in Precinct 1, as was Marion Carson in Precinct 2. The terms of these two directors had expired. R.D. Dale was elected by voters from Precinct 3 to a director's position, replacing W.T. Magness and JeDon Gallman was named a director from Precinct 4, replacing Freeman Davis.

Holdover directors are Melvin Sachs, Vernon Symcox and Jim Roy Daniel. President of the organization, Bruce Parr, and secretary, Carl Schlenker, each have a year left on their

terms. Parr, who is also a director for Plains Irrigation Gas Users Association, gave a rundown on the activities of that organization during the past year.

W.L. (Preach) Edelman, who is president of a group of farmers in the Black Community who banded together to form the Plains Farmers Cooperative, reported on the progress of that group, which began last summer to purchase gas from Transwestern Gas Company.

It was reported that negotiations were also underway with another gas company with lines across the area, Great Plains Gas, which might also become a competitive gas supplier.

"We would like to remind all members who were not at the meeting that annual dues of \$2 per well are now due. We have collected for around 250 wells, but usually have around 1,000 wells represented in the county," said Schlenker.

Among those present for the meeting was Bill Millen of Muleshoe, president of the Plains Irrigation Gas Users Association.

Parmer County Irrigation Gas Users Association was organized in 1961 in the interests of securing gas for irrigation purposes at the most reasonable rate possible.

County Clerk's Race Becomes Contested

A contested county political race developed shortly before deadline for filing, when Mrs. Joyce Haseloff announced as a candidate for County Clerk, against Bonnie Warren, who is running for re-election.

In her authorized statement to the Friona Star, Mrs. Haseloff said: "I earnestly solicit your vote and influence in the May 7 Primary for the office of County Clerk."

"I feel that I am well qualified for this office, as I have worked several years with the public, in accounting and other capacities."

"I am 34 years of age and have lived in Parmer County 10 years.

"My three school-age daughters and I now have a home in Farwell. Before the death of my husband, Arthur Haseloff, in 1964, we farmed in the Oklahoma Lane community.

Mrs. Joyce Haseloff

"If elected, I pledge to discharge the duties of this office in a courteous, prompt and efficient manner. I further promise to co-operate with elected officials, and work harmoniously with all the people of Parmer County, including the personnel at the Court House.

"I am a graduate at Muleshoe High School, and attended business college in Plainview as well as Odessa Junior College.

"Any consideration you can give me will be sincerely appreciated."

Mrs. Joyce Haseloff

School Orders Board Election

The Friona Independent School Board of Trustees have ordered the annual trustee election for Saturday, April 2.

Two positions on the board of trustees are expiring: the term of D.C. Herring and W.M. Massie. Neither has indicated whether or not he will seek re-election.

Deadline to file for a place on the ballot is March 2. Positions and affidavit forms are available in the Superintendent's office.

Holdover trustees are Cordie Potts, Ralph Shelton, Dr. Paul Spring, Mrs. V.J. Zeman, and Louis Welch.

READYING FOR SHOW . . . Mike Wooley, Friona FFA member, is shown grooming his Hereford steer, which he will enter in the annual Parmer County Junior Livestock show February 18-19 in Friona. The 875-pound animal will be entered in the lightweight division of the steer show. It placed fifth in the show at Hereford recently.

Friona Youths Take The Lead In Aiding Recreation Facilities

Up until the last couple of weeks, if there were more than three cars parked in downtown Friona after 8 p.m. it was a rare occurrence.

Now, it is commonplace to see Main Street lined with cars, almost every night and especially on weekends, because the young people of Friona have created for themselves a Teen Center.

And the kids seem determined to make this center a place where they can go for recreation and fun, without having to leave Friona.

The Teen Center is located at 509 Main, in the building formerly occupied by Friona Plumbing and Heating. Doug Milloy, owner of the building, acts as adult supervisor.

The organization was established and is run by a committee of high school students, consisting of four seniors, three juniors and a sophomore.

Seniors on the committee are Larry Johnson, Bobby Sims, Dwight Whitaker, and Linda Outland. Juniors are Tim Rhodes, Kathy Jones and Judy Shirley. Randy Milloy is the sophomore.

"We would appreciate the help of any parent or adult who would like to assist with the formation, sponsoring or support of the teen center," says Mr. Milloy.

Currently the center has two coin-operated pool tables, two ping-pong tables, a pinball machine, a juke box, a television, and a snack bar with tables and chairs.

In two weeks, the club has enlisted 182 members, who pay monthly dues. The youngsters

Third Candidate Files For Local JP Position

A third candidate announced for the office of Justice of the Peace in Friona this week, prior to the deadline filing, which was midnight Monday.

J.W. Roberts tossed his hat in the ring, to make for a three-way race in the Democratic Primary May 7. Already announced were Walter Loveless (re-election) and Mrs. Ben McDonald.

Roberts, a resident of the Friona area for the past 16 years, filed his intentions with County Democratic Chairman Nelson Welch.

His authorization statement to the Friona Star is as follows:

"I hereby take this means of announcing my candidacy for Justice of the Peace, Precinct 2, Place 1.

"I have served four years as city marshal and three years as Parmer County Deputy Sheriff, and feel that this experience

J. W. ROBERTS

qualifies me for the position. "If elected I will perform the duties of my office fairly and impartially. I will appreciate your support."

DEPOSIT FOR DIMES . . . Mrs. Dale Williams and Mrs. Billy Nazworth are shown making out a deposit to the March of Dimes in the amount of \$197.08, which was collected last Friday in the "Mother's March." The two ladies are officers in the Friona Jayceettes organization, which sponsors the March.

TEEN CLUB . . . At the new Friona Teen Center, even the girls get in on the act of playing "pool". Here are five teen-agers who were enjoying themselves at the club this week. Left to right are Diana Wilson, Pam Hartwick, Becky Elliott, Larry Johnson and Bing Bingham.

AN EDITORIAL

Shoplifting Said Becoming A Threat To Youth's Morals

It has come to our attention that there has been a lot of petty thievery going on in Friona lately, and much of this is being done by the children of our community.

Merchants report that they no longer have to watch only the transients who enter the stores with the idea of getting something for nothing. Now clerks must keep an eye on youngsters of all ages from local "good" homes. This starts at around ages three and runs through to the early twenties.

The stealing first starts when a child of three or four years picks up an article in a store and the mother does not insist that the article be replaced or paid for. The next step is making off with something just see if he or she can get away with it.

They go on from there to "swiping" articles as initiation to join certain "exclusive" groups. The next step leads either to the home for juvenile delinquents or to jail depending on the age of the culprit.

It is a shame that honesty is no longer being taught in the home as a virtue. The following article originally appeared in the Chicago Sun-Times and was reprinted in the Olton Enterprise. Though it deals mostly with cheating it is applicable to any other form of dishonesty and it shows how dishonesty is becoming a way of life in the average American home.

"CAN'T STAND KIDS WHO CHEAT"

When Johnny was six years old, he was with his father when they were caught speeding. His father handed the officer a five dollar bill with his driver's license. "It's O.K. Son", his father said as he drove off. "Everybody dies it."

When he was eight, he was permitted to a family council, presided over by Uncle George on the surest means to shave points off the income tax return. "It's O.K. Kid,"

his Uncle said. "Everybody does it."

When he was nine, his mother took him to his first theater production. The box office man couldn't find any seats until his mother discovered an extra two dollars in her purse. "It's O.K., Son," she said. "Everybody does it."

When he was twelve, he broke his glasses on the way to school. His Aunt Francis persuaded the insurance company that they had been stolen and they collected \$27. "It's O.K., Kid," she said. "Everybody does it."

When he was 15, he made right guard on the high school football team. His coach showed him how to block and at the same time grab the opposing end by the shirt so the official couldn't see it. "It's O.K., Kid," the coach said. "Everybody does it."

When he was 16, he took his first summer job at the big market. His assignment was to put the over-ripe tomatoes in the bottom of the boxes and the good ones on top where they would show. "It's alright Kid," the manager said. "Everybody does it."

When he was 18, Johnny and a neighbor applied for a college scholarship. Johnny was a marginal student. His neighbor was in the upper 3 per cent but he wasn't a right guard. Johnny got the scholarship. "It's O.K.," they told him. "Everybody does it."

When he was 19, he was approached by an upper classman who offered the test answers for three dollars. "It's O.K. Kid," Johnny said. "Everybody does it."

Johnny was caught and sent home in disgrace. "How could you do this to your mother and me?" his father said. "You never learned anything like this at home." His aunt and uncle were also shocked. If there's one thing the adult world can't stand, it's a kid who cheats.

DIMMITT

I read in the newspapers yesterday that some smart-alec doctor or doctors, had made a pill that rejuvenates the brain cells and causes people, or animals, to remember things they had forgotten. I don't think they will sell. When you have put in days, weeks and maybe months trying to forget things that are painful to remember, it seems senseless to take a pill and have to start in trying to forget all over again. Now if they could make a pill that would make you remember things that you want to remember, it surely would be handy.

The average age of the world's great civilizations has been 200 years. These nations progressed through this sequence:

- From Bondage to Spiritual Faith
- From Faith to Great Courage
- From Great Courage to Liberty
- From Liberty to Abundance
- From Abundance to Selfishness
- From Selfishness to Complacency
- From Complacency to Apathy
- From Apathy to Dependency
- From Dependency back again into Bondage.

Carl Studer's account of "The First Rodeo in Texas" was published in the Southwestern Historical Quarterly in January 1945 (Vol. XLVIII, No. 3) and documents Canadian's case for its claim to the first rodeo contests actually staged as a planned public show. It happened on two days in the summer of 1888 . . . and was primarily arranged to settle a question of superiority at roping between Ellison Carroll and Albert Phillips, tho there were numerous other ropers. Carroll won and held the title of World's Champion Roper for many years.

We read another story in the newspapers about two brothers in Wisconsin. One was valedictorian of his class. He graduated to Viet Nam where he now earns \$78 a month and gets shot at. The other brother was a high school dropout, a delinquent who beat up his mother and his teacher. He now is working on a grasscutting Neighborhood Youth Corps project. His salary is \$200 a month. There's something topsy turvy about a country which handles its citizens like this.

New survey proves why most people prefer to insure their cars through independent agents

You want help when you have an accident. You will get it from an independent insurance agent, reveals an impartial, nationally recognized research organization. Survey results show:

9 out of 10 independent agents help with claims. A far lower percentage of other agents do.

This research proved that The Big Difference in insurance is the continuing personal attention of an independent agent. When you insure, look for this seal. Only an independent agent can display it.

ELECTRICITY POWERS PROGRESS!

This is National Electrical Week, marking the 119th anniversary of the birth of Thomas Alva Edison. It was Edison's invention of the first practical incandescent lamp that gave birth to an industry that now employs more than three million men and women, or 1 out of every 20 American workers. Almost every industry owes its progress to the power produced by electricity for, truly, electricity powers progress.

Anyone wishing to contribute may mail their contribution to the Teen Center, Box 1133, Friona.

Milloy explained that the club rents the building from him, and the Saturday night dances are basically their responsibility.

The committee has established a set of rules to govern the Teen Center. The rules are as follows:

1. Membership is 50 cents per month, payable two months at a time.
2. Any members who have been removed from membership for disobeying rules have privileges revoked 30 days.
3. No drinking allowed!!
4. Drop-outs: don't drop in.
5. All teen-agers of Farmer County are invited to become members.
6. Watch yourself and your language because others do.
7. Damage done to club property is paid for within 48 hours.
8. No credit is extended to anyone.

9. Hours: weekdays: 3-9:45 p.m.; Fridays: 3-11:45 p.m.; Saturdays: 9 a.m. - 11:45 p.m.; Sundays: 1-5 p.m., 7:45 - 9:45 p.m.

10. Club closes at 7 p.m. on six weeks test and semester test dates.

11. No smoking on the dance floor.

12. All members will sign in on night of dances. Once you enter you cannot leave and doors close at 9 p.m.

13. Out of town students and guests, \$1.25 fee.

14. Dance must be chaperoned.

15. No horseplay on the dance floor and rough-housing in other areas.

16. The committee gives Doug Milloy the power to veto or change these rules if necessary.

17. Junior high students are allowed in east half of building only. They may not attend the dances which are held on the west side.

The ideal hostess is one who can smile when a guest breaks her favorite chair.

The season to be jolly is over when the bills come piling in.

Friona High School basketball teams scored a pair of wins each over Floyd County teams during the week.

Last Friday the Squaws rose to one of their most impressive heights of the season by topping the previously unbeaten (in district) Floydada girls, 38-27, and on Tuesday scored a very easy win at Lockney, 52-16.

The Chieftains, meanwhile, disposed of Floydada, 71-39, and had to rally to top the Longhorns at Lockney, 67-59.

Cindy Ingram led the Squaws in their game at Lockney with 24 points as everyone got to play. Janet Rushing's 20 points led the point-making in the Floydada game.

Floydada's girls toppled Olton on Tuesday to clinch at least a tie for the district title. They would have to lose their two remaining games, both of which are played at home, and the Squaws win theirs, before Friona would have a shot at tying the standings.

Second Son Born To C.H. Veazeys

Mr. and Mrs. C.H. Veazy became parents of a baby boy at Farmer County Community Hospital at 5:30 p.m. Saturday, February 5. He weighed 7 lbs. 6 ozs. and was named Charles Thomas.

He is the second son for the couple. Other children are Pam, Phillip and Myra. Grandparents are Mr. and Mrs. Noah T. Young and Mrs. R.H. Talley.

Games Re-Set

The make-up games against Lockney will be played Saturday afternoon beginning at 1:30 p.m. in the local gym.

Friona High School teams close out their 1965-66 schedule by hosting Olton tomorrow night and Dimmitt on Tuesday night.

Youth Choir Performs

Saturday evening 42 members of youth choir of First Baptist Church sang for the annual associational youth choir festival at First Baptist Church in Amarillo.

Ten other choirs were entered including those from Hereford and Canyon. Friona's choir was third largest in number.

Numbers presented by the choir included "Ask Ye What Great Thing I Know," and "Raise Up, O Men of God." A pianist and a trumpet trio accompanied the choir.

Twenty other persons accompanied the group making the local delegation number of 62 for the second largest in attendance.

Mr. and Mrs. Phil S. Phipps chose for the baby boy born to them at Neblitt Hospital, Canyon, at 11:26 a.m. Monday, January 17.

He is the first child for the couple and weighed 6 lbs. 8 ozs. The parents are both graduates of Friona High School and lived north of Friona before moving northwest of Hereford.

Grandparents are Mr. and Mrs. L.L. Deaton, Black; J.S. Phipps, Aurora, Colorado; and Mrs. Kenneth Hampton, Summit, Illinois.

Mr. and Mrs. W.S. Wells, Portales, New Mexico and Mr. and Mrs. Charlie Phipps, Muleshoe, are great-grandparents.

There were five minor accidents investigated, and one major accident resulting in injuries and hospitalization of four persons. Two accounts of vandalism and one shoplifting incident were investigated.

Street Department records showed that two days were used in removing the Christmas street decorations. Ditching and installation of the school crossing signs on 11th street (Highway 60) was completed January 11, providing two blinking caution lights to slow traffic from both directions.

Chevrolet Impala Sport Sedan with Body by Fisher

JET-SMOOTHER THE CHEVROLET WAY

We added new bushings and softened body-to-frame mounts to smooth Chevrolet's ride. We put in soft-acting shock absorbers and soft-working coil springs at every wheel. By soft, though, we don't mean mushy. Chevrolet's Way makes for a smooth, solid ride. Very steady on curves. A bump jumps from the Wide-Stance wheels to the supple springs and shocks—and pffft! It all but disappears.

Soft contoured new Strato-bucket front seats come standard in Super Sports for relaxing comfort on every trip.

The powerfully smooth new Turbo-Jet V8 is available in all '66 Caprice, Impala SS, Impala, Bel Air and Biscayne models.

Eight features now standard for your added safety—including seat belts front and back (always buckle up!) and an outside rear-view mirror (always check in back before passing).

All kinds of cars, all in one place... at your Chevrolet dealer's: Chevrolet • Chevelle • Chevy II • Corvair • Corvette

On The Farm In Parmer County

By JOE VANZANDT
County Agent

Have you been thinking about ordering some trees or shrubs for windbreaks? February 11 is the deadline for getting those orders into the Texas Forest Service. Seventeen different species are available for windbreak plantings. Order blanks are available at the County Agent's office. The price is \$1.50 per hundred plus the 2% sales tax.

BEEF CATTLE MEETING
There will be a meeting for beef cattle producers on February 16 at 7:30 p.m. in the First State Bank of Bovina community room. Dixon Hubbard, area livestock specialist, will discuss recent developments in several areas of beef cattle production. This is the third of a series of meetings this winter planned to help area farmers and cattlemen keep informed of new developments.

TOP DRESS WHEAT
Now is the time to top dress your wheat with nitrogen if you didn't apply all of your nitrogen fertilizer before you planted. As a general guide about 100 pounds of nitrogen is recommended for an ungrazed wheat crop. For wheat that is being grazed usually 125 to 130 pounds of nitrogen is necessary to produce a good crop.

If your wheat didn't receive this much nitrogen before you planted, then you should top dress with enough nitrogen to add up to either 100 or 130 pounds of total nitrogen applied. Nitrogen applied in excess can cause excessive growth and lodging in the spring.

Top dress applications of nitrogen should be applied before the wheat plants start to grow and tiller. Nitrogen applied after tillering will probably not increase yields any.

FRUIT TREE RECOMMENDATIONS
We receive several requests for fruit tree variety recommendations and thought this information would be of interest to others. If you are interested in getting some fruit trees this year, we suggest you order or buy them soon. For best results try to complete plantings of bare-root trees by around March 1.

The following varieties of fruits and nuts are recommended for Parmer County: Apple, Golden Delicious, Red Delicious and Holland; Pears: Orient, Garber and Keiffer; Cherries: Montmorency; Plums: Bruce Methley and Ozark Premier; Cherry-plum: Sapa and Hiawatha; Peaches: Dixired, Red Haven, Ranger, Redglobe, Jefferson and Frank; Pecans: Wichita, Mohawk and Perque.

COUNTY JUNIOR STOCK SHOW

The Parmer County Junior Livestock Show will be held February 17-19 at the Friona bus barn and is sponsored annually by the Friona Lions Club.

Lambs and barrows must arrive Thursday, February 17 between 2 and 6 p.m. They will be weighed and sifted upon arrival.

Steers must arrive and be weighed in before 8 a.m. Saturday, February 19. Steers can arrive after 4 p.m. Friday.

The pigs will be shown at 9 a.m. Friday, February 18. The lambs will show at about 1 p.m. Friday. The steers show at 9 a.m. Saturday morning.

The pig and lamb judge is Lanny Tucker, Vocational Agriculture Teacher from Hart. The steer judge will be Kenneth Holloway, Oldham County Agent.

There will be 60 pigs, 30 lambs and 70 per cent of the steers entered that will be sold in the auction sale on Saturday, February 19 at 1 p.m.

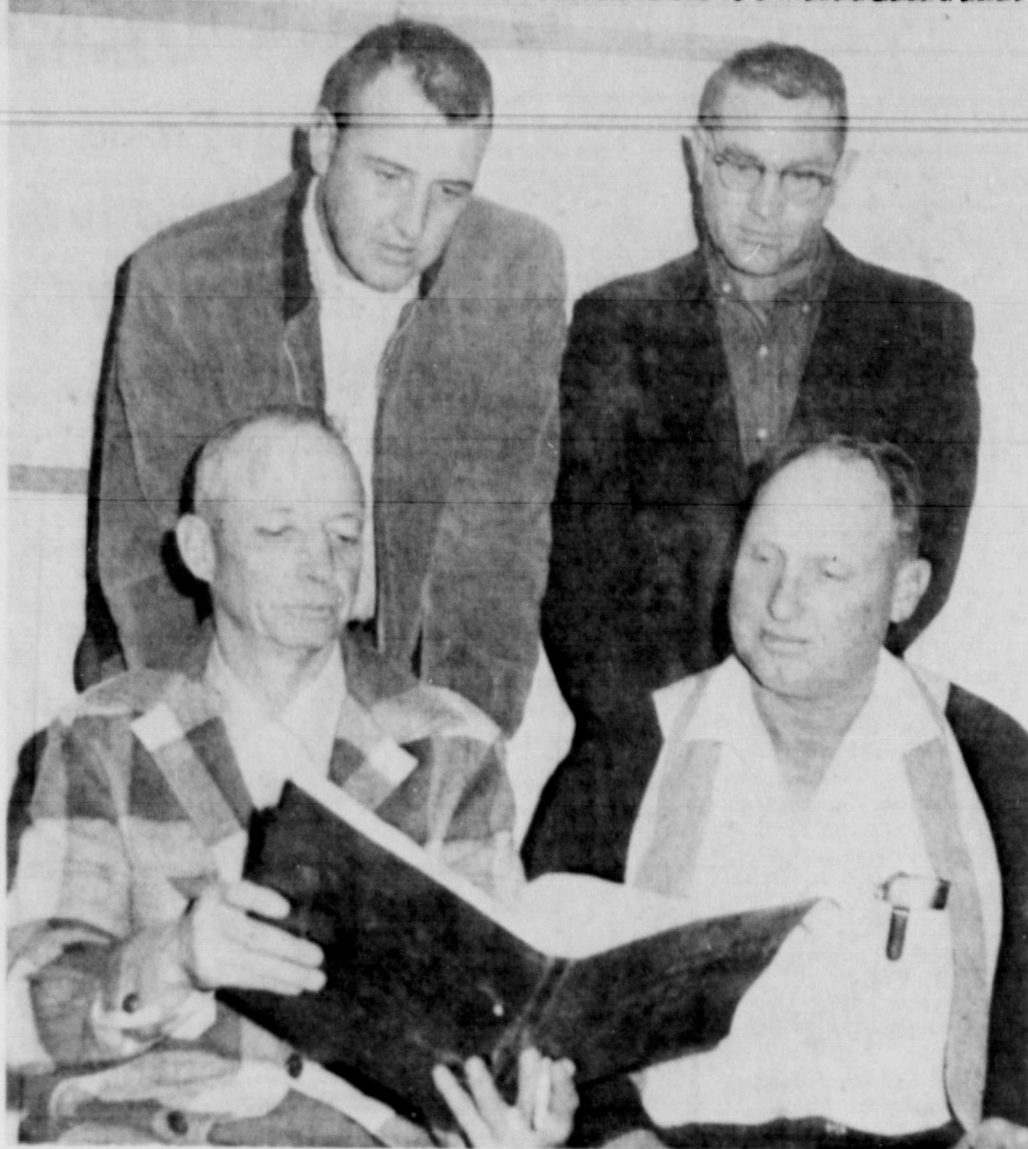

Mothers' March

Nets \$197.08

A total of \$197.08 was raised by the Friona Jayceettes in their annual Mothers' March for the March of Dimes last Friday night.

The Mother's March kicked off the local March of Dimes drive. Other activities are scheduled at Friona High School

and grade school children are being given the customary coin envelopes which they will be asked to return with contributions.

NEW DIRECTORS . . . Shown are the new vice president and directors of the Parmer County Gas Users Association, elected at a meeting at Hub last Thursday. Seated are D.L. Carmichael, the organization's new vice president and R.D. Dale, director from Precinct 3. Standing are Jeldon Gallman, new director for Precinct 4, and Bill Carthel, elected director to replace Carmichael in Precinct 1.

Alertness Pays Off For Farmer

The quick-action in reporting a broken rail and thereby preventing a possible derailment has earned an alert Dexter farmer a \$100 reward.

W.D. (Billie) Gray, 44, of Route 1, Dexter, today received a check for \$100 from W.E. Brack of Clovis, superintendent of Santa Fe Railway's New Mexico division.

Last Dec. 12, Gray, who raises cotton and hay on his 260 acres, stopped at a crossing at Greenfield, N.M., to await the passage of a fast freight train.

"I noticed the train was making an awful racket and the rails were jumping up and down

and lots of dirt was flying," Gray said. "So after the train had passed, I got out of my pick-up and took a look at the track. I found about a foot-long section of rail missing from the track."

Gray said he tried to report the defect to the Santa Fe agent at Dexter. When he learned he was temporarily away from his station, Gray then hurried to tell Agent Ernest S. Bowen at Hagerman about it. Bowen immediately contacted the chief dispatcher at Clovis, who arranged to protect the site and called out a section crew to make repairs.

"A large volume of traffic moves over this line day and night," Brack said, "and undoubtedly Mr. Gray's prompt action prevented a serious derailment."

Gray was born at Artesia, New Mexico, and his wife, Glyn are the parents of two children. They are John, 17, a senior at Dexter high school, and Donald, 12, a sixth grader at Dexter junior high.

The world wasn't in such a scrambled state of affairs until the eggheads entered the government service.

At Home In Parmer County

By CRICKET B. TAYLOR
County HD Agent

4-H COUNTY FOOD SHOW DATE has been set for March 26th. The details on place and date has not been worked out yet, but this gives 4-H leaders and members a goal to work toward.

A visit with Mrs. T. A. Mills of Bovina the other day indicated an enthusiastic group is working in Food project. She has five girls in her group that are looking forward to the food show. Enthusiasm is contagious. If a leader puts a lot into her job as a group leader and is enthusiastic then her girls will be enthusiastic also.

Mrs. Sonny Spurlin, Bovina, is also working with a group of first year girls in food group. We are still in need of a leader for home improvement project work in Bovina.

JANUARY "WHITE SALE" GUIDE LINES FOR BUYING SHEETS AND PILLOW CASES -- Many homemakers wait until the "white sale" to build up their bed linen supply. These sales feature decorative sheets and pillowcases as well as the traditional white. Here are the answers to some questions you may have about quality:

Muslin sheets are made of thicker yarns, have lower thread count, are coarser and heavier than percales, also less expensive.

Percales are finer and smoother because yarns are combed as well as carded. For muslin, the cotton is carded only.

What is meant by thread count? It's the total of lengthwise and crosswise threads in a square inch of fabric after it's bleached and finished. By themselves thread count num-

bers do not indicate quality, they merely tell you what kind of sheet you are getting. Common thread counts are: Medium weight, muslin - 130 to 134; heavy weight muslin, 143 to 148; utility percale, 186 to 190; and luxury percale more than 200.

Which type wears best - There is little difference in wear ability of three groups -- heavy weight muslin, utility and luxury percale. In terms of cost the heavy weight muslin are strongest and heaviest and give the best wear in terms of cost, followed closely by percales. Sheets with about the same number of lengthwise and crosswise threads wear better than those with unbalanced weave. Hold sheets to light to see if weave is balanced and even and threads free of knots. Look for firmly woven selvages.

Seconds and irregulars are often good buys if they are full size and have only small flaws that are not in center

The girl who looks like a dream usually has a good many wide-awake suiters.

Cattle Raisers Slate Meeting

A meeting for beef cattle producers will be held February 16 at 7:30 p.m. in the First State Bank of Bovina's Community Room.

Dr. Dixon Hubbard, area Livestock Specialist with Agricultural Extension Service will be the main speaker. He will discuss control of cattle diseases, insects, and reproduction troubles. Also information on feeds, rations and improved pastures will be covered. Hubbard will discuss Animal Husbandry practices Yesterday-Today and The Future.

This is the third of a series of meetings planned by the Parmer County Building Committee and your County Agent, Joe Vanzandt, Jack McCracken, Chairman of the Livestock Committee states that this meeting and program was planned to help answer some of the problems cattlemen today need information on.

Labor Office To Re-Open

The Texas Employment Commission will open an office in Friona each Friday at the old Friona School tax office on Main Street.

Orville Galley will be in the office each Friday morning from 10 a.m. to 12 noon.

Local Sheepman To Exhibit Columbias

Otho Whitefield of Friona will exhibit 12 Columbia Sheep at the San Antonio Livestock Exposition.

The 1966 San Antonio Show offers a record-breaking \$222,509 in combined premiums, prizes, and purses for the Feb. 11-20 Stock Show and Rodeo.

Entertainment features at this year's Exposition includes a variety of attractions at all performances of the Harry Knight produced RCA Rodeo of Champions. Starred at each rodeo performance will be the popular Rex Allen assisted by Connie Smith, the Cinderella girl of country music, the fabulous Zoppe Family of bareback acrobats and Arthur Allen's world renowned Sheep Dogs.

Other attractions of the show include the multitude of exhibits being presented, including 40 different breeds of livestock; an International Wool and Mohair Show; a glittering carnival midway; military exhibits; a Western Art Exhibit; Quar-

ter and Appaloosa Horse Shows; auction sales; a Women's Division with canned foods and baked goods; an enlarged FFA Children's Barnyard, a one and a half million dollar farm-ranch machinery show and many other activities and events.

Rodeo tickets, including front gate admission may be ordered by mail from Harry Freeman, 1015 Tower Life Building, San Antonio, at \$4.00, \$3.00 and \$2.00.

Tickets may also be purchased at Kallison's Main Store, 124 South Flores, at the ticket office in the lobby of the Gunter Hotel, and after February 6 at the Joe Freeman coliseum box office.

High Cost of Fires

NEW YORK - The dollar value of property damaged or destroyed by fire in the United States rose from \$78 million in 1875 to almost \$1.37 billion in 1964, reports the Insurance Information Institute.

Postal Service Resumed In Some Cut-Back Areas

President Johnson has directed Postmaster General Lawrence F. O'Brien to take steps to increase window service where needed in some 15,000 post offices, and to resume six-day-a-week parcel post delivery in 6,091 cities.

"A good, stable, dependable postal system is vital to the well being of the nation's economy," President Johnson said, in granting the Postmaster General authority to seek service improvement funds from Congress. "I want you to explore all the techniques available to modernize our postal service and make certain they are being used to provide the American people with the best postal system in the world at the lowest possible cost to the taxpayer." The Postmaster General said that the service improvements will be made as soon as Congress provides the funds -- hopefully within the next few months.

Authority to make the postal service improvements was contained in a letter to Postmaster General, replying to a proposal by Mr. O'Brien that such action be taken.

Under the Postmaster General's proposal, six-day parcel post delivery would be restored in 6,091 cities where delivery routes served by foot carriers are now receiving parcel post delivery only five days a week. One delivery day is skipped each week in these cities, though on routes served by mounted carriers six-day parcel post delivery has been maintained. Post Office window service on Saturdays--and, in cases, Sundays would be authorized on as needed basis in nearly 15,000 post offices. Late-window-hour service would also be resumed on week nights, where needed.

Postmasters would be authorized to resume selling money orders on Saturdays as part of the window service restoration in cities where money order sales have been curtailed. Postmaster General O'Brien said that the service improvements would be a meaningful step in the President's program to upgrade the quality of Federal services.

Post Office window hours and parcel post delivery service were cut back by the Post Office Department as an economy measure in May 1964.

MR. AND MRS. CARROL REDWINE

Of Interest To THE WOMEN

Miss Butts Weds Carrol Redwine

Miss Jeanette Ellen Butts became the bride of Carrol Gene Redwine in a double ring ceremony at First Baptist Church in Quanah on Saturday, January 22.

Parents of the bride are Mr. and Mrs. M. T. Butts, Quanah. The groom's parents are Mr. and Mrs. J. C. Redwine of Bovina.

Dr. W. E. Norman, pastor, read the ceremony.

Given in marriage by her father, Miss Butts wore a bridal gown of French satin with an all-lace bodice and empire waistline and pointed lace sleeves. The floor length gown was complemented in the back with a tiny satin bow and chapel length train. Her bouffant veil fell from a satin headpiece, trimmed in seed pearls.

The bride carried a white Bible topped with pink carnations and burgundy roses.

For her traditional something blue the bride chose a blue garter. Something new was the strand of pearls she wore which was a gift from the groom. She also wore a penny in her shoe, minted in the year of her birth.

Vows were pledged before an arch of greenery, flanked on either side by candelabra and greenery with white satin bows.

Miss Paulette Bounds of Monahans served as maid of honor.

Miss Madeline Butts of Lubbock and Miss Marilyn Galloway of Kansas were bridesmaids.

Lisa Redwine of Muleshoe, cousin of the groom, was the flower girl. They all wore dresses of pink brocade trimmed with burgundy ribbon.

Their head pieces were of velvet burgundy and pink net. The bridesmaids carried long stemmed burgundy roses. The flower girl carried a basket of pink carnations and burgundy roses.

Best man was Harrol Redwine, twin brother of the bridegroom.

Serving as groomsmen were Melven Butts of Quanah, brother of the bride, and Clyde Redwine of Friona, brother of the groom.

Eddie McCurry of Littlefield, cousin of the groom, was the ring bearer.

Ushers were Terry Darling of Friona, Floyd Hamby of Vernon, brother-in-law of the bride, and Hubert Butts of Lubbock, uncle of the bride.

Lee Schafer of Monahans and Terry Darling of Friona were candle lighters.

Miss Janis Foster of Quanah played traditional wedding music and accompanied Miss Vicky Preston of Quanah as she sang, "O Perfect Love," "I Would Be True" and "The Wedding Prayer."

The bride's mother wore a pink suit with burgundy trim and a corsage of tiny pink and burgundy rosebuds.

Mother of the groom wore a beige lace dress and brown accessories with a corsage of tiny pink and burgundy rosebuds.

At the reception following, the bride's table was laid with a white lace cloth. In the center of the table was the all-white three-tiered cake. Pink punch was served from a crystal bowl. White napkins bearing the names Carrol and Jeanette were used. Also, rice packets were on a silver tray.

Serving at the bride's table were Oleta Hamby of Vernon, sister of the bride, Dollie Daughtry of Quanah and Janet Roberts of Quanah.

The groom's table was covered with a beige crocheted cloth, handmade by the groom's grandmother, Mrs. John Counts of Tucumcari, N.M. Chocolate cake and coffee were served from the groom's table by Terry Darling and Harrol Redwine.

For their traveling ensemble, the bride chose a suit of burgundy nylon and mohair with black accessories.

The bride is a 1964 graduate of Quanah High School. The groom is a 1963 graduate of Lazbuddie High School.

The couple will make their

Class Meets In Humphrey Home

Nine members of the freshman Sunday School class of Friona Methodist Church met in the home of Dr. and Mrs. J.L. Humphrey Tuesday after school for a planning session.

Several paintings with finger paints and crazy water were made and are being used to decorate the classroom walls.

Grilled cheese sandwiches, potato chips and cold drinks were served by Mrs. Humphrey, teacher of the class.

Those present were Linda Smith, Linda McVey, Bonnie Hannold, Carol Stokes, Joel Osborn, Philip Bandy, Jody Fallwell, Roger Fields, and Troy Bass.

Ellises Honored On 50th Anniversary

Mr. and Mrs. Willie Ellis, Muleshoe, celebrated their 50th wedding anniversary Sunday afternoon with a reception and open house in their home.

Hosts for the event were the couple's five children and two grandsons; Mr. and Mrs. Dick Ellis, Muleshoe; Mr. and Mrs. K.E. Ellis, Lubbock; Mr. and Mrs. Otto Colvin, Mt. View, Okla.; Mr. and Mrs. Jim Brink, Shawnee, Okla.; Mr. and Mrs. L.P. Lynskey, Millbrae, Calif.; Mr. and Mrs. Bill Ellis, Friona; Mr. and Mrs. Darrell Ellis, Lubbock.

Date Set For Youth Banquet

"A Hawaiian Cruise" is the chosen theme for the First Baptist Church youth banquet to be held at 7:30 p.m. Saturday in the Junior High Cafeteria.

All planning and decorating for the banquet has been done by members of the youth council of the church. Entertainment will include musical numbers from "South Pacific" and several unannounced numbers.

Men of the church will serve. Johnny Grant Mars is president of the youth council.

Travelogue Presented

City Manager A.L. Outland presented a travelogue of Saudi Arabia in color at the Wednesday evening meeting of Friona Woman's Club at Federated Club House.

The meeting began with a family covered dish dinner. Hostesses were Mrs. C.A. Turner, Mrs. T.A. Sherley and Mrs. T.E. Wood.

Mr. and Mrs. Herbert Day and daughters and Mrs. Anna Mae Thomas presented musical and vocal numbers which were followed by group singing directed by Day.

Others present were Mrs. H. C. Kendrick, T.A. Sherley, Mr. and Mrs. Joe Owen, Mr. and Mrs. Joe Moyer, Mr. and Mrs. Clyde Hays, Mr. and Mrs. G. E. Reed and Mr. and Mrs. U. S. Akens.

Meeting Changed

Announcement was made early this week of the change in the meeting date of the Farmer County Hospital Auxiliary. Regular meetings are held on the second Thursday of each month.

This month's meeting will be held February 24.

DOLL FACTORY . . . The home of Mr. and Mrs. T.J. Presley in the Black Community became a temporary factory for rag dolls of every nationality. This homemaker began her doll making project in November for the benefit for girls at Girlstown. Pictured here are some of those which have been finished but not delivered. In addition to making bodies, hair and faces, Mrs. Presley has made a complete change for each doll and knitted or crocheted shoes for a number of them. Mrs. Presley is a member of the Black Study Club and has long been active in affairs of her community.

Seniors Set Date For Alas Babylon

Presentation date for Alas, Babylon, a three act drama, will be Friday and Saturday, February 18 and 19 in the High School Auditorium. Theme of the play is an atomic attack on the United States. Mrs. Pat Owen and Mal Manchee, class sponsors, are directing the play. Bob Sims is student director. Cast of characters is as follows: Randy Bragg, Bing Bingham; Mrs. Henry, Willie Grace Grubbs; Mark Bragg, Ray Braxton; Helen, Madalyn Binger; Peyton, Carolyn Hamilton; Ben, Howard Rhodes, Lib McGovern, Darlene Wilson. Dan Gunn, Tommy Sherley, Sam Hazzard, Dwight Whitaker, Florence Wecheck, Frieda Floyd; Alice Cooksey, Mary Short, Rita Lance, Pat Taylor; Pete, Gary Shackelford; Nancy, Myrtle Latham, Jean, Sandra Schilling; Arlie, Janet Bishop. Mrs. Quisenberry, Linda Outland; General Hawker, Phillip Johnson; Ace Atkins, Larry Johnson; Paul Hart, Joe Mabry; Mr. Quisenberry, Randy Stubbs; Jim Hickey, Jay Beene; Betty Sunberry, Gay Wylie; Mr. Pitman, Eldon Long; Miss Baines, Janet Rushing. Mrs. Satterly, Judy Phipps, Man'with Geiger Counter, Gene Weatherly; Happy Hedriz, Dwight Whitaker, Mrs. Brown, Linda Outland.

Hearing Bonnie Wilson's voice on the telephone early Tuesday morning was a pleasant surprise. He is manager of Piggly Wiggly and plans to move Joan and the children down from Hereford as soon as it is feasible.

The many friends of the Wilson's will be glad to have them added to the list of "former Friona residents . . . now back with us." Ray and Pauline Castleberry have been here several months now. They moved to East Texas from a farm northeast of town a few years ago and are now living on Woodland Street. It is good to have them back, too.

Residents of Western Addition have been busy these past few weeks. At the present time this addition has eight houses and soon all of them will be occupied.

Von and Nancy Edelman and their children are moving from Dallas to their new home on Austin Street. They will be living next door to the Charles Rauhs. At the present time these two families are the only ones on this street.

Mrs. Fay Reeve, David and Carol will soon be moving into their new home. It is directly south of the Grimsley residence on Eleventh Street. Since the streets have been named, I know what street we live on. It will be somewhat difficult to determine where Eleventh Street ends and Farm to Market Road 1731 begins, but those of us who live a mile or more out can just say, "We live on the West end of West Eleventh."

Others living on West Eleventh are Mr. and Mrs. T.E. Lovett and Mr. and Mrs. J.O. Latham and family. The Lovetts live next door to the Grimsleys, who are currently landscaping their grounds, and the Lathams are just west of Baylor Street.

At last we are going to have some streets in alphabetical order. The streets out there are named, Austin, Baylor and Crockett.

Other new homes in the addition belong to Mr. and Mrs. Winston Wilson and family and Richard and Glenda Adkins and children.

Again Tuesday evening basketball fans will be able to eat supper in the high school cafeteria and at the same time support a worthy project. Members of Friona Young Homemakers will be serving pancakes from 5 p.m.

Then following the boy's game they will serve pie and coffee.

Ross and Ruth Terry are making plans to join other Texans in Wilcox, Arizona. It would be interesting to know the percentage of former Farmer Countians who are transplanted residents of Wilcox.

Mr. and Mrs. W.O. Brown, formerly of Hayward, California, have purchased the Terry Home on Summit Street. Since Matt, Betty, Steve and Gloria moved here a few years ago, many of us have adopted the W.O. Browns as Frionans and have loaned them to Hayward from time to time.

At least two station wagons of residents of Indiana didn't get through Texas without seeing some "real live cowboys." Right after noon Friday Jim Roy Clements and Mike Ellis left Earl's Cafe dressed in Levis, boots, chaps and cowboy hats to walk across the highway to a parked pickup. At the time I was stopped for school children to cross the highway and noticed a station wagon with out of state license plates which was slowing down near Smiley's Courts.

Apparently two families with several small children in each were travelling together. The driver of the first wagon pulled over and parked then the second wagon parked right behind it. Occupants of each vehicle quickly unloaded and stood and watched until the two "Texas Cowboys" got into the pickup and drove off.

Had the Indiana station wagons followed these two men they could have witnessed a bona fide round-up. Ten cowboys spent most of that day rounding up cattle and loading them into trucks.

Roy Rogers nor Gene Autrey ever had a more attentive audience for a few minutes and I'm sure the local cowboys were unaware that they were being watched from two sides of Highway 60.

Every Frionan who is interested in first aid is invited by Mrs. Earl Drake, president of Friona Home Demonstration Club, to attend a meeting in the Community Room of Friona State Bank at 2 p.m. Friday.

Max Comer of the Texas Highway Department in Amarillo will present a first aid program including a demonstration of mouth to mouth resuscitation.

"Seventy-two per cent of American husbands share home dishwasher duties," reports a researcher who should have kept his mouth shut.

Club Announces Contest Winners

One phase of the Friona Woman's Club project on community improvement for this year was a poster contest entitled, "Don't be a litterbug."

Bob Wied, art teacher in the school, directed the contest and participants were students in the third, fourth and sixth grades. Two hundred twenty-eight posters were entered in the contest. From this number 30 were chosen which best emphasized the importance of proper disposal of litter.

Awards were presented to the first three in each grade and seven students in each grade were listed on list for honorable mention.

Clay Bandy, Krystal Kay Agee and Jeanine Jarboe were first, second and third place winners in the third grade. Those on the honorable mention list were

David Hutson, Robert Ward, Sandra Kay Fulks, Johnnie Esquivel, Pam Wilcox, Noelia Chapa and Connie Lindeman.

Fourth grade winners were Janice Bandy, first; Beth Cranfill, second; Gail Graham, third. Those cited for honorable mention were Jeanie Bandy, Mary Beth Bennett, Brent Hall, Susan Jarecki, Cecelia Lewis, Ricky Harper and Arthur Castenada.

First, second and third places in the sixth grade category were awarded to Diana Esquivel, Gary Duke and Vickie Ulen, Darla Kelly, Oberlin DeLeon, Rickey Pierce, Mary Martin, Barbara Allmon and Manuel Velasco received honorable mention.

Physician Discusses Hazards Of Smoking

Dr. Robert Alexander was guest speaker at the Thursday evening meeting of New Horizons Junior Study Club at Federated Club House. His topic was "Hazards of Cigarette Smoking." He presented some of the practical aspects as they are related to lung cancer, chronic bronchitis, emphysema, mouth cancer and ulcers.

His lecture was preceded by showing of a film "Project Hope." This film was made on the first voyage of Steamship Hope into Indonesia.

Mrs. Tom Carroll, school nurse, and Monte Welch, Patti Ragsdale and Diana Wilson, members of Future Nurses Club were special guests.

Other guests included Dr. and Mrs. Robert Alexander, Mrs. J.T. Gee, Mrs. Roy V. Miller Sr., Mrs. Hardy May, Mrs. M.C. Osborn, Mrs. Dale Cunningham, and Mrs. Glenn E. Reeve Sr.

Mrs. Jerry Brown was recipient of the attendance award. Hostesses were Mrs. Conny Dodson and Mrs. Glenn E. Reeve Sr.

Times do change. For instance, thrift once was a family word and now it's practically obsolete, even in the bank advertisements.

Pancake Supper To Be Tues.

Members of Friona Young Homemakers will be sponsoring a pancake supper at the high school cafeteria Tuesday, February 15. Serving will begin at five p.m. and will continue until seven.

Tickets may be purchased from any Future Homemakers of America member or at the door. Adult tickets will be \$1 and children's under 12 will be served for 50¢.

Pie and coffee will also be served after the basketball game.

Proceeds from the sale will be used to purchase a carpet for the living room of the home-making department of Friona High School.

Outland To Give Electrical Talk

H.L. Outland, manager of Southwestern Public Service Company, will present the program tonight at Friona Lions Club, in keeping with National Electric Week.

Outland is showing a film entitled "Reaching for the Stars." The film describes research in controlling thermonuclear reactions supported by the Foundation at the General Atomic Division of General Dynamics Corporation in San Diego. The film also gives a background review of energy uses and power generation and the reasons for the appeal of nuclear fusion as a long-range energy source.

Outland is also to show the film at Friona High School this week.
