

STAR Lites

Kenneth Neill, Friona farmer-businessman, points out that a story in the current Reader's Digest is very real to him. He can readily back up the story as authentic, because he was around when it happened.

It was during World War II, and happened during one of the nightly air strikes by the U. S. Air Force against Japan. The hero of the story was Staff Sgt. Henry Erwin.

This particular night the bomb malfunctioned. It exploded in Erwin's face and blinded him. Phosphorus burns with a furious intensity. The bomb fell to the floor of the plane and began eating its way through the deck toward a full load of bombs in the racks below.

Without taking time to think, Erwin picked up the white-hot bomb, and began groping his way toward the cockpit. Along the way he had to stop to unlatch a door, and by the time he reached the cockpit he was a "walking torch."

Smoke had filled the plane, and the captain, not knowing what was happening, opened his window to clear the air. Sgt. Erwin came alongside him in the smoke, said "Pardon me, sir," and tossed the bomb out the window.

He collapsed at that point, and a fire extinguisher was used to put out the fire which had engulfed his clothes, hair and flesh.

Sgt. Erwin was rushed to a field hospital at Iwo Jima. When his unguent pads were removed, exposing his flesh to the air, it began to burn again, due to the phosphorus it had exhaled.

Erwin's comrades spent the rest of the night writing up a recommendation for the Congressional Medal of Honor. His Colonel carried it to Air Force headquarters the next morning, where Gen. Curtis LeMay signed it.

Neill recalls that the recommendation cleared Washington in record time. "They were afraid Erwin was going to die at any time and they wanted to present the medal while he was still living."

There was no medal available on Guam, where he was based, however there was one in Honolulu, in a locked display case in a general's office. A special plane was sent for the medal, and when the key to the case could not be found, the glass was smashed, and Gen. LeMay flew to Iwo to personally present the medal.

Neill has lost all account of the young lieutenant, expecting, as most did, that he died.

However, he was surprised that the Reader's Digest story stated that Erwin was back in Alabama, was happily married, and had regained the use of his hands and partial vision in one eye.

"It was quite an experience reading of something which happened so close to home," Neill said. He was a member of the squadron in a trailing airplane.

We're regretful that for the second week in a row we're having to announce on these pages the removal of another fine citizen from Friona.

Jimmy Smith of the Soil Conservation Service is moving to Rotan. We've enjoyed our association with Jimmy in such things as the Running Water Draw Watershed project.

Jimmy is one of those SCS men who can use a camera, and has often contributed good usable pictures to the Star. We hate to see him go. Besides losing a good neighbor, it's like losing a "spare cameraman."

Mayor J. C. Claborn, left, and Superintendent of Schools Alton Farr inspected the new water meter which was installed at the school property last week. The meter was number 1,000 to be installed by the city.

MILESTONE REACHED

The 1,000th Water Meter Is Installed In Friona

Last week when the City of Friona installed a new water meter for the football field under construction at the new high school facilities, a milestone was reached as far as the city was concerned.

IS MOVING

Smith Steps Down As Head Of SCS Office

Jimmy D. Smith, who has been Work Unit Conservationist for Friona's Soil Conservation Service office for the past three years, is leaving Friona to accept a similar position at Rotan, he announced this week.

Smith, who as head of the local SCS office has been instrumental in work toward the Running Water Draw Watershed project, will leave Friona this weekend.

Both Smith and his wife have been active in community and church work since coming to Friona. He has served as a director for the Lions Club, and she has been an active member of Progressive Study Club. They attended Sixth Street Church of Christ.

No replacement for Smith as WUC for the local office has been named.

JIMMY D. SMITH

mark. It was quite a milestone for the city, another sure sign of growth.

The city already has over 1,000 telephones, as was announced last year. Southwestern Public Service Company shows 1186 electrical meters serving Friona, and Pioneer Natural Gas Company has 990 meters.

So, with the average number of "utilities" above the 1,000 mark, it's a pretty sure bet that Friona's population is still edging upward — perhaps around 3,500.

Last October the Friona City Council officially estimated the city's population at 3,149, using the total of 969 water meters then in use, and a conservative 3.25 persons per water meter.

The number of water meters in use has climbed steadily in the last few years. On October 1 of 1960, the number of meters stood at 796. On that date in 1961, it had climbed to 829, an increase of 33. By 1962, a total of 865 meters were in use, an increase of 36 over the previous year. Then in 1963 it stood at 912, a gain of 47 over the previous October.

The 969 meters in service last October was a gain of 57 over the 912 of October of 1963. Today's figure has climbed 31 since October, and 204 since October of 1960.

Changing the guard at Friona Lions Club last week saw Steve Messenger, left, pass the president's gavel to A. L. (Jake) Outland, right, the incoming president. In the center is Lion Ray Cowser of Hereford, who installed the club's new officers.

THIS WEEKEND

Frionans Invited To Take Part In "Mule" Celebration

Residents and organizations of the Friona area are being invited to participate in the parade and talent show scheduled during the Mule Memorial celebration in Muleshoe July 2-5.

Hundreds of dollars in cash prizes and trophies will be awarded in the two-event parts of the festival marking the unveiling of a statue of a mule in downtown Muleshoe.

The Muleshoe Chamber of Commerce is seeking riding clubs, floats, novelties, decorated cars and trailers, marching units, antique cars and farm implements, animal-drawn vehicles, individual riders and "mules, mules, mules" for the big parade Saturday, July 3 at 2:30 p.m.

The talent contest, held each year in connection with an Independence Day picnic and fireworks display will be held on Monday, July 5, at the high school stadium. Cash prizes in both adult and juvenile divisions will be \$100, \$65, \$40, \$20, \$15 and \$10, totalling \$500.

Because of the growing number of entries, two seasons have been scheduled: preliminary eliminations at the high school auditorium at 2:30 p.m. and finals at 7:30 p.m. on the stage in the stadium.

A total of 7,000 persons throughout this part of the country attended last year's contest. Each year, Friona has sent talent to this competition. A local group composed of Jobey Claborn, Reggie Hays, Bobby Daniel and Donald Busby won the first contest in 1962.

Early entries this year include the "Tyrants," a local combo made up of Johnny Claborn, Terry Fite, Eddie Wood and Eldon Long. Entries in both parade and talent contests can be made by contacting the Muleshoe Chamber of Commerce, Phone 2480, Muleshoe.

Participation is also invited in the Trail Ride to the Old Muleshoe Ranch, the fly-in breakfast Saturday, the "old fashioned style show" on Saturday, the antique car parade and contest Sunday afternoon and the junior rodeo Sunday.

On one of her last days in Friona, Brenda Hawker, right, visited Plains Publishers to see the Friona Star come off the press. Showing Brenda how the Star is printed is Mrs. Mack Ragsdale, bookkeeper at the Star. Brenda left for the return trip to Australia last Saturday.

MORE BLOCKS POSSIBLE

Pavement Contract Given For 21 Blocks In Friona

The Friona City Council passed an ordinance calling for the paving of 15 city blocks in newly-annexed areas, primarily in Welch Acres and Western Addition.

Added to the six blocks which had already been approved by the Friona Independent School district for paving adjacent to the new high school complex, the action brings to 21 the number of blocks to be paved this summer, and more may be added.

The last big paving job in the city was in the latter part of 1963 and early part of 1964, when 13 blocks were paved in Staley Addition Number 3 and the Drake Addition. The 21

blocks to be paved will make a total of 34 new blocks of paving within the past two years in Friona.

Two blocks which had tentatively been included in the program were not approved, since they involve property owners residing outside the city limits. The blocks in question are the two blocks of 15th Street at the northern city limits, from Cleveland Avenue west to Highway 214.

The council, working with the city engineer and contractor on the paving job, left the door open for paving this two-block stretch if arrangements can be made with property owners along both sides of the street.

Property owners residing on the north side of 15th Street on the two blocks (outside the city limits at present) are John Fred White, Dalton Caffey and Calvary Baptist Church. Since this property falls outside the city limits, the city government is not privileged to order the street paved unless the property owners indicate their wishes to have it paved or petition to come within the city limits.

A similar situation also exists in the portion to be paved around the school property. A 72-foot street will be paved in front of the new high school from Grand to Etta Avenue (four blocks). Two blocks will be paved northward, 52 feet wide, from Seventh to Ninth Street.

School and city officials have indicated that they would like to pave Etta Avenue on northward to intersect with U. S. Highway 60, if all property owners would participate. Also, the possibility of paving the four blocks of Ninth Street between Etta and Grand Avenues, which would completely encircle the new school plant in paving, has been brought up, again contingent with the wishes of property owners north of the school property.

A detailed list of the paving which has been approved for the project is as follows:

13th Street, from Virginia Avenue to Maple Avenue; 14th Street, from Pierce Avenue to Walnut Avenue; Columbus Avenue, from 14th Street to 16th Street; Jackson Avenue, from 14th Street to 16th Street.

Also 10th Street, from Austin Avenue to intersection with east line of lot 23, Block 1, Western Addition; Baylor Avenue, 10th Street to the north city limits; and Austin Avenue, from the southern property line of 10th Street north to the city limits.

City officials indicated that any block which would sign up for paving may be included in the project; also property owners with "leave-out" sections in the street bordering their property could have the segment paved while the pavers were in town.

The contractor, L. A. Purtell, will carry individuals for one-fourth down, and eight per cent simple interest on the balance. Purtell has his own investment company, Municipal Investment Corporation of Lubbock.

Retailers To Meet Today

The Friona Association of Retail Merchants will meet today at 1 p.m. at Friona Lanes. The group will discuss the possibility of having a "Flying Saucer Day" promotion in Friona.

Also on the agenda will be the selection of a new president of the group to replace Pete Mace, who is leaving Friona.

Caution Urged With Fireworks

Mayor J. C. Claborn this week cautioned all users of fireworks to be extremely cautious with them.

While there is no present city ordinance against fireworks within the city limits, they are a definite fire hazard, and also could bring on a disturbance complaint if not handled properly.

See the editorial on page 2 of this week's issue of the Star.

NEW OFFICERS

Outland Is Installed As Lions Club Prexy

A. L. (Jake) Outland was installed as "Boss Lion" at the Friona Lions Club's installation of officers last Thursday night.

Outland, who had previously served the club as Secretary for two years and director another year, was elevated to the top spot in the club after the would-be successor announced his resignation and the next-in-line declined to accept.

Bill Sheehan, who was in line to be president of the club, is moving to Dallas, and had regrettably submitted his resignation to the club the previous week. J. C. Claborn, as second vice president, was next in line, but declined to accept due to professional obligations.

Claborn holds the office of president of Panhandle Funeral Directors Association; and has been appointed a director to the Texas Funeral Directors and Embalmers Association.

Other officers installed were Gary Brown, second vice president; Ross Ayers, third vice president; Jim Johnston, secretary; Dale Smith, treasurer; Porter Roberts, Lion Tamer; and Hollis Horton, tail twister.

New directors are Alton Farr and Bill Lyles. Holdover directors are W. L. Edalmon and M. C. Osborn.

Outland and Brown are leaving this week for Los Angeles, where they will attend the Lions International Convention.

Stores Plan Monday Closing

By and large, most Friona stores will close Monday, July 5, in observation of the Independence Day holiday. Friona State Bank and the U. S. Post Office will both be closed.

Since the first Monday of July falls on the day being taken for a holiday, Dollar Day for July will be held the following Monday, July 12.

AN EDITORIAL

Fireworks Don't Belong In A Modern City (Friona)

The City of Friona, although it is approaching a population of 3,500 persons, and is a city in every sense of the word, is still "country-fied" in one manner.

The city does not have an ordinance against the sale or use of fireworks within the city limits.

It is to be hoped that the council will in the near future see fit to pass such an ordinance. It has declined to do so as yet.

Senator Criss Cole, chairman of the Texas Society for the Prevention of Blindness, stated "It took nearly 500 deaths in 1903 to make Americans realize the need for fireworks controls."

Let us hope we do not have to experience a tragedy of some sort in Friona before the city leaders see the wisdom in having an ordinance against them.

Blindness is just one possibility that can come from fireworks, but it is a good case in point. Seven of 24 national victims in 1964 were boys between 10 and 12 years of age. Five were girls, and one of them a four-year old whose right eye was seriously injured by a firecracker thrown by her father.

We would urge that parents check closely on their youngsters showing an interest in fireworks during the coming weekend. Take the family to a public display where they can enjoy fireworks in safety.

The Danger Is So Real!

LAZBUDDIE NEWS
By Mrs. C. A. Watson

Klity Black, bride elect of Je Don Gallman was feted with a bridal shower Wednesday evening of last week in the Lazbuddie Methodist Fellowship Hall. Hostess were Mrs. Fred Burch, Mrs. J. D. Carpenter, Mrs. R. B. Seaton, Mrs. John L. Seaton, Mrs. Jimmie Seaton Sr., Mrs. Frank Hinkson, Mrs. Charlie Glover, Mrs. Marlon Green and Mrs. Dennis Nelson. The hall and tables were decorated with the honoree's chosen colors of yellow and white. Assorted cookies and punch were served by Barbara Lust. Leatrice Gallman registered the guests. The hostess gift was a card table and chairs.

A trailer house occupied by Mr. and Mrs. R. L. Smith was struck by lightning on Thurs-

day evening of last week. The living room and kitchen were severely damaged. The trailer house was owned by J. D. Carpenter and was on the Carpenter farm near Lazbuddie.

Batesy Hollie from Truscott Texas spent Sunday with his niece and family the Glen Ivys.

Word was received in the Lazbuddie area Friday of last week that James Carpenter, stationed at Ft. Hood was awarded an honor certificate for safe driving.

Mr. and Mrs. Richard Hawkins visited during the weekend with her sister and family the Darral Jennings of Texarkana.

Mr. and Mrs. James Robinson, Sherry and Vickie attended the dog races at El Paso Thursday of last week.

Kathy Skytila of Hereford visited her sister Mrs. David Simms and Mr. Simms the past week. They carried Kathy home Sunday. Kathy is the daughter of Mr. and Mrs. Norbert Skytila, Hereford.

Mrs. Kenneth Precure and children left Monday for Shreveport Monday on the train from Muleshoe where they will visit her sister and family the W. A. McWilliams family.

Mr. and Mrs. J. D. Carpenter had as guest over the weekend Mr. and Mrs. C. H. Carpenter and grandson Daring Howard, Houston, Texas. The J. D. Carpenters accompanied by the C. H. Carpenters and grandson Daring "D" spend the 4th of July holidays at Estes Park and Denver, Colorado. Mrs. Shirley Howard and James Carpenter, Ft. Hood will fly from Houston

(Continued on page 3)

Muleshoe Celebration Schedule

The Muleshoe Chamber of Commerce has issued a special invitation to residents of the Friona area to attend as many events as possible in the city's Fourth of July "Mule-O-Rama."

Included in the four-day celebration will be the dedication of the city's "mule memorial," a giant fireworks display, and a talent contest.

'One Club' Meet Is Set Sunday

A "one club" tournament will be held Sunday at Friona Country Club, for club members. Tee-off will be between 1 p.m. and 1:30. Members will choose a club and play with it throughout the tournament, using it for every shot.

FRIDAY, JULY 2
10 a.m. - 4 p.m. -- Hospitality "Coffee Stop." At all five highway entrances to city.

2 p.m. -- Trail Ride to old Muleshoe Ranch.
4 p.m. -- Dedication of Texas State Historical Marker on Old Muleshoe Ranch Cookhouse.
5 p.m. - 9 p.m. -- Hospitality Center & Pioneer Registration Muleshoe State Bank.

SATURDAY, JULY 3
7:30 a.m. -- "Fly-In Breakfast" at Muleshoe Airport.
8 a.m. -- Pioneer Registration & Reception, First Methodist Church.

10 a.m. -- Ladies Old-Fashioned Style Show
11 a.m. -- Muleshoe Area Pioneer Association annual business meeting, First Methodist Church.
12 NOON -- Dedication of the Mule Memorial, address by Waggoner Carr, Attorney General.
2:30 p.m. -- Grand Parade
7 p.m. - 9 p.m. -- Buffalo and beef barbecue at Football Stadium.
9 p.m. -- Special program and historical pageant in the stadium.

SUNDAY, JULY 4

Safe at home is Don Fortenberry of J. D.'s Gas Service. Don cleared the bases with a triple and then came home on a wild pitch. J.C.'s beat Star-Hurst, 12-2 Monday to remain undefeated. The Star-Hurst catcher attempting to tag Fortenberry is Brian Hall.

LITTLE LEAGUE REPORT

Parmer County Implement Scores First Victory

Parmer County Implement Company scored its first win of the season in the Pony League during the past week, and at the same time, handed Bovina Jaycees their first loss.

The action came last Tuesday as the local nine won, 11-9. It was the only Pony League action of the week, as rain cancelled other games.

Eddie Barker was the winning pitcher for the Parmer County Implement, and picked up two hits to aid his own cause. Brian Jameson led the 12-hit attack with three-for-three and also scored three times.

Both teams scored twice in the first inning, and each picked up two more runs in the third. But after Bovina Jaycees scored once in the fourth, the Frionans sent 11 men to the plate.

Herring Implement Company, which did not play during the week due to a postponement, is the league-leader with four wins and no defeats.

J. D.'s Gas Service continues to roll along undefeated in the Intermediate League. The "Cassers" fell behind Star-Hurst, 2-1 in the second inning in a game Monday night, but roared back for 11 runs in the next three innings for a 12-2 win.

With a slim 4-2 lead in the third inning, Don Fortenberry capped a seven-run rally with a bases-loaded triple, and then scored on a wild pitch.

Friona State Bank took a firm grip on second place with a pair of wins during the week. The Bankers dropped McCaslin Lumber last Saturday in a makeup game, 7-3, as Ricky Jennings allowed just one hit. Then on Monday, Friona State Bank topped Reeve Chevrolet 23-3, as Oberlin DeLeon likewise pitched a one-hitter.

Parmer County Pump Company's B-J Bees won a pair of games to continue unbeaten in the Pee-Wee League. The Bees topped Ethridge-Spring, 3-2 in one of the season's top games last Thursday. Randall Snyder didn't allow a hit for the winners, and Butch Casey gave up just two for Ethridge-Spring.

Then on Monday, Parmer County Pump downed Bainum Butane to avoid a tie for first place, 9-4, as Snyder again picked up the win.

Used Items Needed Soon

Announcement was made early this week that the Young Homemakers have planned to take a collection of used items, no longer needed by residents of Friona, to Hale Center for distribution to tornado victims.

Used clothing, odd dishes, kitchen utensils or any item need around a home will be accepted by members of the club. A box will be in the high school building so would be donors may leave items.

The group plans to take the articles to Hale Center Friday, July 9.

The next regular meeting of the group will be at 4 p. m. today. Guest speaker will be Dr. Loyd Shackelford.

MEET THE CHALLENGE!

SERVE WITH PRIDE IN THE NATIONAL GUARD

AUSTIN -- Two of the three redistricting plans passed by the last Legislature soon will come under courtroom attacks. In a legislative redistricting case in Houston, motions will be filed asking that the new plan for dividing Texas into 150 districts for the House of Representatives be declared unconstitutional.

State Republican Chairman Peter O'Donnell Jr. has announced that the Harris County plaintiffs in the Congressional redistricting case, headed by George Bush, will drop out of active roles in the case because that county was treated fairly in the redistricting plan.

But the Republicans plan to bring in new plaintiffs from Dallas, Bexar, Tarrant, Midland, Ector, Jefferson, Orange and Brazoria Counties to try to convince the three-judge federal court in Houston that the new law violates several apportionment principles.

On legislative redistricting, state Reps. Jake Johnson of San Antonio and Robert C. Eckhardt of Houston, who joined in the suit which led to present reapportionment procedures being declared unconstitutional, will ask the court to say that the new plan violates the U. S. Constitution, too.

Main attack is expected to be purely on the question of whether county-wide districts with more than one legislator serve to discriminate against minority racial and political groups.

No attack is expected on the plan passed to divide the Texas Senate into 31 new districts.

ALTO RATES TO GO UP -- A State Insurance Board public hearing confirmed the earlier warning that auto insurance rates will go up an average of some 13.4 per cent on August 1.

Actually, new rates for property damage, liability and collision lines carried by most motorists will be increased more than 20 per cent in most areas.

A rising toll from traffic accidents is blamed for the hike.

Insured drivers paid \$404,000,000 in premiums last year against \$198,000,000 settled by companies on claims. Another \$16,000,000 in pay-outs is pending. Board decides premiums should go up when more than 65 cents of the premium dollar goes to pay claims and adjustment costs.

BUILDING, SALES DOWN -- Texas building and retail sales dropped off in May, according to UT's Bureau of Business Research.

Sales fell off about one per cent from the April level, in contrast to a normal seasonal gain of about three per cent. The January-May total is four per cent above the same period for 1964 but has not kept pace with the nationwide increase. Trade is expected to improve with repeal of federal excise taxes.

Building authorizations decreased 13 per cent last month to the second-lowest level in the last 12 months.

COURTS SPEAK -- State Supreme Court affirmed Court of

The 1965 Campus Revue at Six Flags Over Texas is a musical spectacular entitled "Thank You, Mr. President!" which has already been acclaimed a hit by visitors to the famed tourist attraction located midway between Dallas and Fort Worth.

A talented cast of 25 collegians from Texas, Oklahoma, Louisiana and Kansas, present 'the new play with old music,' written and fully-staged show three times nightly until Labor Day in the \$13,000,000 Park's unique air-conditioned Amphitheatre.

The Campus Revue production, the highlight of the summer season at Six Flags the past four years, has been attended by nearly 1,000,000 theatre-goers.

"Thank You, Mr. President!" is an added summer attraction with no additional cost to the guest.

SIX FLAGS SUMMER MUSICAL ACCLAIMED HIT -- The Six Flags Over Texas 1965 Campus Revue musical spectacular entitled "Thank You, Mr. President!" has already received a roaring series of salutes from newspaper critics and theatre-goers attending the popular summer musical show.

"Thank You, Mr. President!" is the fourth in an annual series of summer musical Campus Revue spectaculars that were inaugurated in 1962 at the famed tourist attraction located midway between Dallas and Fort Worth. This year's cast of 25 collegians from Texas, Oklahoma, Louisiana and Kansas stage the show three times nightly seven days a week in the Park's unique air-conditioned Amphitheatre. Performances of

through Labor Day. Reviewing the show for the Dallas Morning News, columnist Fairfax Nisbet reported "all 25 (cast members) loaded with that marvelous quality, youth, plus good looks and talent. . . and performing like seasoned veterans." Tony Slaughter in the Fort Worth Star-Telegram: "fast moving hit, with the cast receiving a standing ovation and seven curtain calls." George Hawkes in the Arlington Journal: "the 50-minute production brims over with a variety of talent."

The show, as are all the Six Flags, is free for visitors, being included in the one-admission price paid upon entering the 115-acre Park.

As in prior years, the master showman of the Southwest, Charles Meeker, Jr., wrote, produced and directed the show in association with David Blackburn and Stanley McIlvaine.

"Thank You, Mr. President!" is centered around a mythical Texas school named Gilchrist University where a show is being prepared by the senior class in honor of its most illustrious alumnus, the President of the United States.

The cast was selected from a group of more than 1,200 collegians who auditioned for parts earlier this Spring when Six Flags talent scouts toured college campuses in the Southwest and Midwestern states.

The entertaining Campus Revue productions have been witnessed by nearly 1,000,000 theatre-goers during the past three years.

Highlights and Sidelights From Your State Capital

Civil Appeals finding that the two-year-old law which placed bonded liquor exporters along the Mexico border under state regulation in unconstitutional.

In two separate opinions -- from Harris and Matagorda counties -- court held that holders of hurricane insurance policies which specifically excluded water damage coverage could not collect for flood water damages to their homes from the Sept. 11, 1961, Hurricane Carla.

AG SPEAKS -- Atty. Gen. Waggoner said he held that San Marcos Consolidated Independent School District cannot use Martindale District tax assessments for 1965, though the districts have consolidated. All property throughout the district must be assessed at an equal and uniform rate, Carr concluded.

In other opinions, the attorney general ruled: Banking Commissioner J. M. Falkner may not approve a credit union as a depository for other credit unions;

Dallas County Junior College may contract with the county tax assessor-collector to assess and collect its ad valorem taxes; and

In time of national emergency, the governor has authority to direct implementation of the emergency resources management plan, to order state agencies to assume their responsibilities and to create a "state executive reserve."

APPOINTMENTS -- Gov. John Connally has named (Dist. Atty. Edwin F. Berliner of El Paso to the new 171st District Court, which goes into operation on September 1. He appointed W. Barton Bolling, El Paso lawyer, to succeed Berliner as district attorney.

Connally appointed Garrett Morris, Fort Worth attorney and insurance executive, to Texas Public Safety Commission to succeed Jake Jacobsen, Austin attorney who recently

joined President Johnson's staff. Morris is a native of Nocona.

Commission establishes plans and policies for Department of Public Safety, state law enforcement agency.

UT LANDS LEASED -- University of Texas leased 47,014 acres of land for \$10,106,000 at the 50th public auction of oil and gas leases.

Active bids were drawn on 159 of 167 tracts offered. All leases were made for five-year terms and a one-sixth royalty on mineral production. Highest and second highest bids -- \$260,000 and \$225,000 -- were on 320 acre tracts in Ward County.

Receipts from auction will swell the Permanent University Fund to over \$442,000, Land Commissioner Jerry Sadler said.

JULY 4 TOLL WARNING ISSUED -- Homer Garrison, Department of Public Safety Director, estimates that thirty-one persons will die in Texas traffic accidents during the three-day July 4 holiday.

DPS plans maximum enforcement with additional personnel from other uniformed services to augment the regular Highway Patrol.

"Operation Motorcade," a DPS-directed coordinated effort among state agencies to reduce traffic accidents, will focus public attention on added dangers of holiday travel.

GOVERNOR'S VETOES -- Just before the veto deadline Governor Connally vetoed the bill which would have allowed banks, savings and loans associations and others to charge up to 17 3/4 per cent interest on certain types of loans.

"No evidence was presented to the Legislature to justify these specific rates, either on the basis of reasonableness or need," the Governor said in his veto message. He said he also was concerned about a provision

of the bill which would have let lenders require borrowers to purchase or provide insurance as security for a loan. That provision, he noted, would not have limited in any way "the number or types of insurance coverages which (could have been) required."

Connally vetoed a total of 40 bills passed by the 59th Legislature. Among them were:

Insecticide bill which would have affected both commercial insecticide applicators and farmers and ranchers;

Bill which would have authorized the expansion of the Upper Colorado River Authority to include Coleman, Concho, Irion, McCulloch, Menard, Runnels and Sterling Counties; and

Bills creating Northeast Texas State College at Texarkana and Permian State College at Odessa.

SHORT SNORTS -- A proposed pulp and paper mill (Owens-Illinois Inc.) received a permit from Texas Water Pollution Control Board to discharge a maximum of 48,000,000 gallons of treated industrial waste daily into the Sabine River five miles north of Orange. . . . Governor Connally is recruiting membership for two vital new education groups -- the 18-member Coordinating Board, Texas Colleges and Universities and the 15-member Governor's Committee on Public School Education. . . . Six more Neighborhood Youth Corps job projects have been approved in Paducah, Rusk, Mercedes, Port Isabel, Hebbronville and Goliad. . . . 1966 license plates for an estimated 6,000,000 vehicles already are in production at Huntsville state prison shops in 33 different types of plates plus new "prestige" tags. . . . Secretary of State Crawford Martin has granted a charter to Texas Oil Producers Marketing Association, Inc., a non-profit corporation to purchase and resell crude oil, believed to be first of its kind in industry. . . .

The three major tree species in the pineywoods are loblolly pine, shortleaf pine and longleaf pine, the Texas Forest Service reports.

Maybe You've Seen The Adolphus— But Have You Seen It Lately?
Hospitality and gracious service do not change, but physical comforts do. Here at The Adolphus we have blended the best of the old with the best of the new, with unique and pleasing results.
Today The Adolphus offers you the most modern hotel possible to produce with furnishings and other equipment selected from the best of the new -- fast, self-service elevators, direct-dial telephones and television, to mention a few.
But the conventional requirements for hotel comfort, such as large rooms, have not been overlooked. For example, nowhere else we know of can you find rooms such as our "Texas Size" rooms -- 300 square feet of comfortable living space with "his" and "her" baths, two closets, and lots of attractive space left over for entertaining.
All this, plus free indoor in-and-out parking in our garage, makes The Adolphus the best place to stay next time you're coming to Dallas.

During the first week of the summer-long production visitors from many states of the union and Germany, England, Pakistan, South Africa, Puerto Rico, Australia, France, Mexico, Brazil and Canada attended the performance.

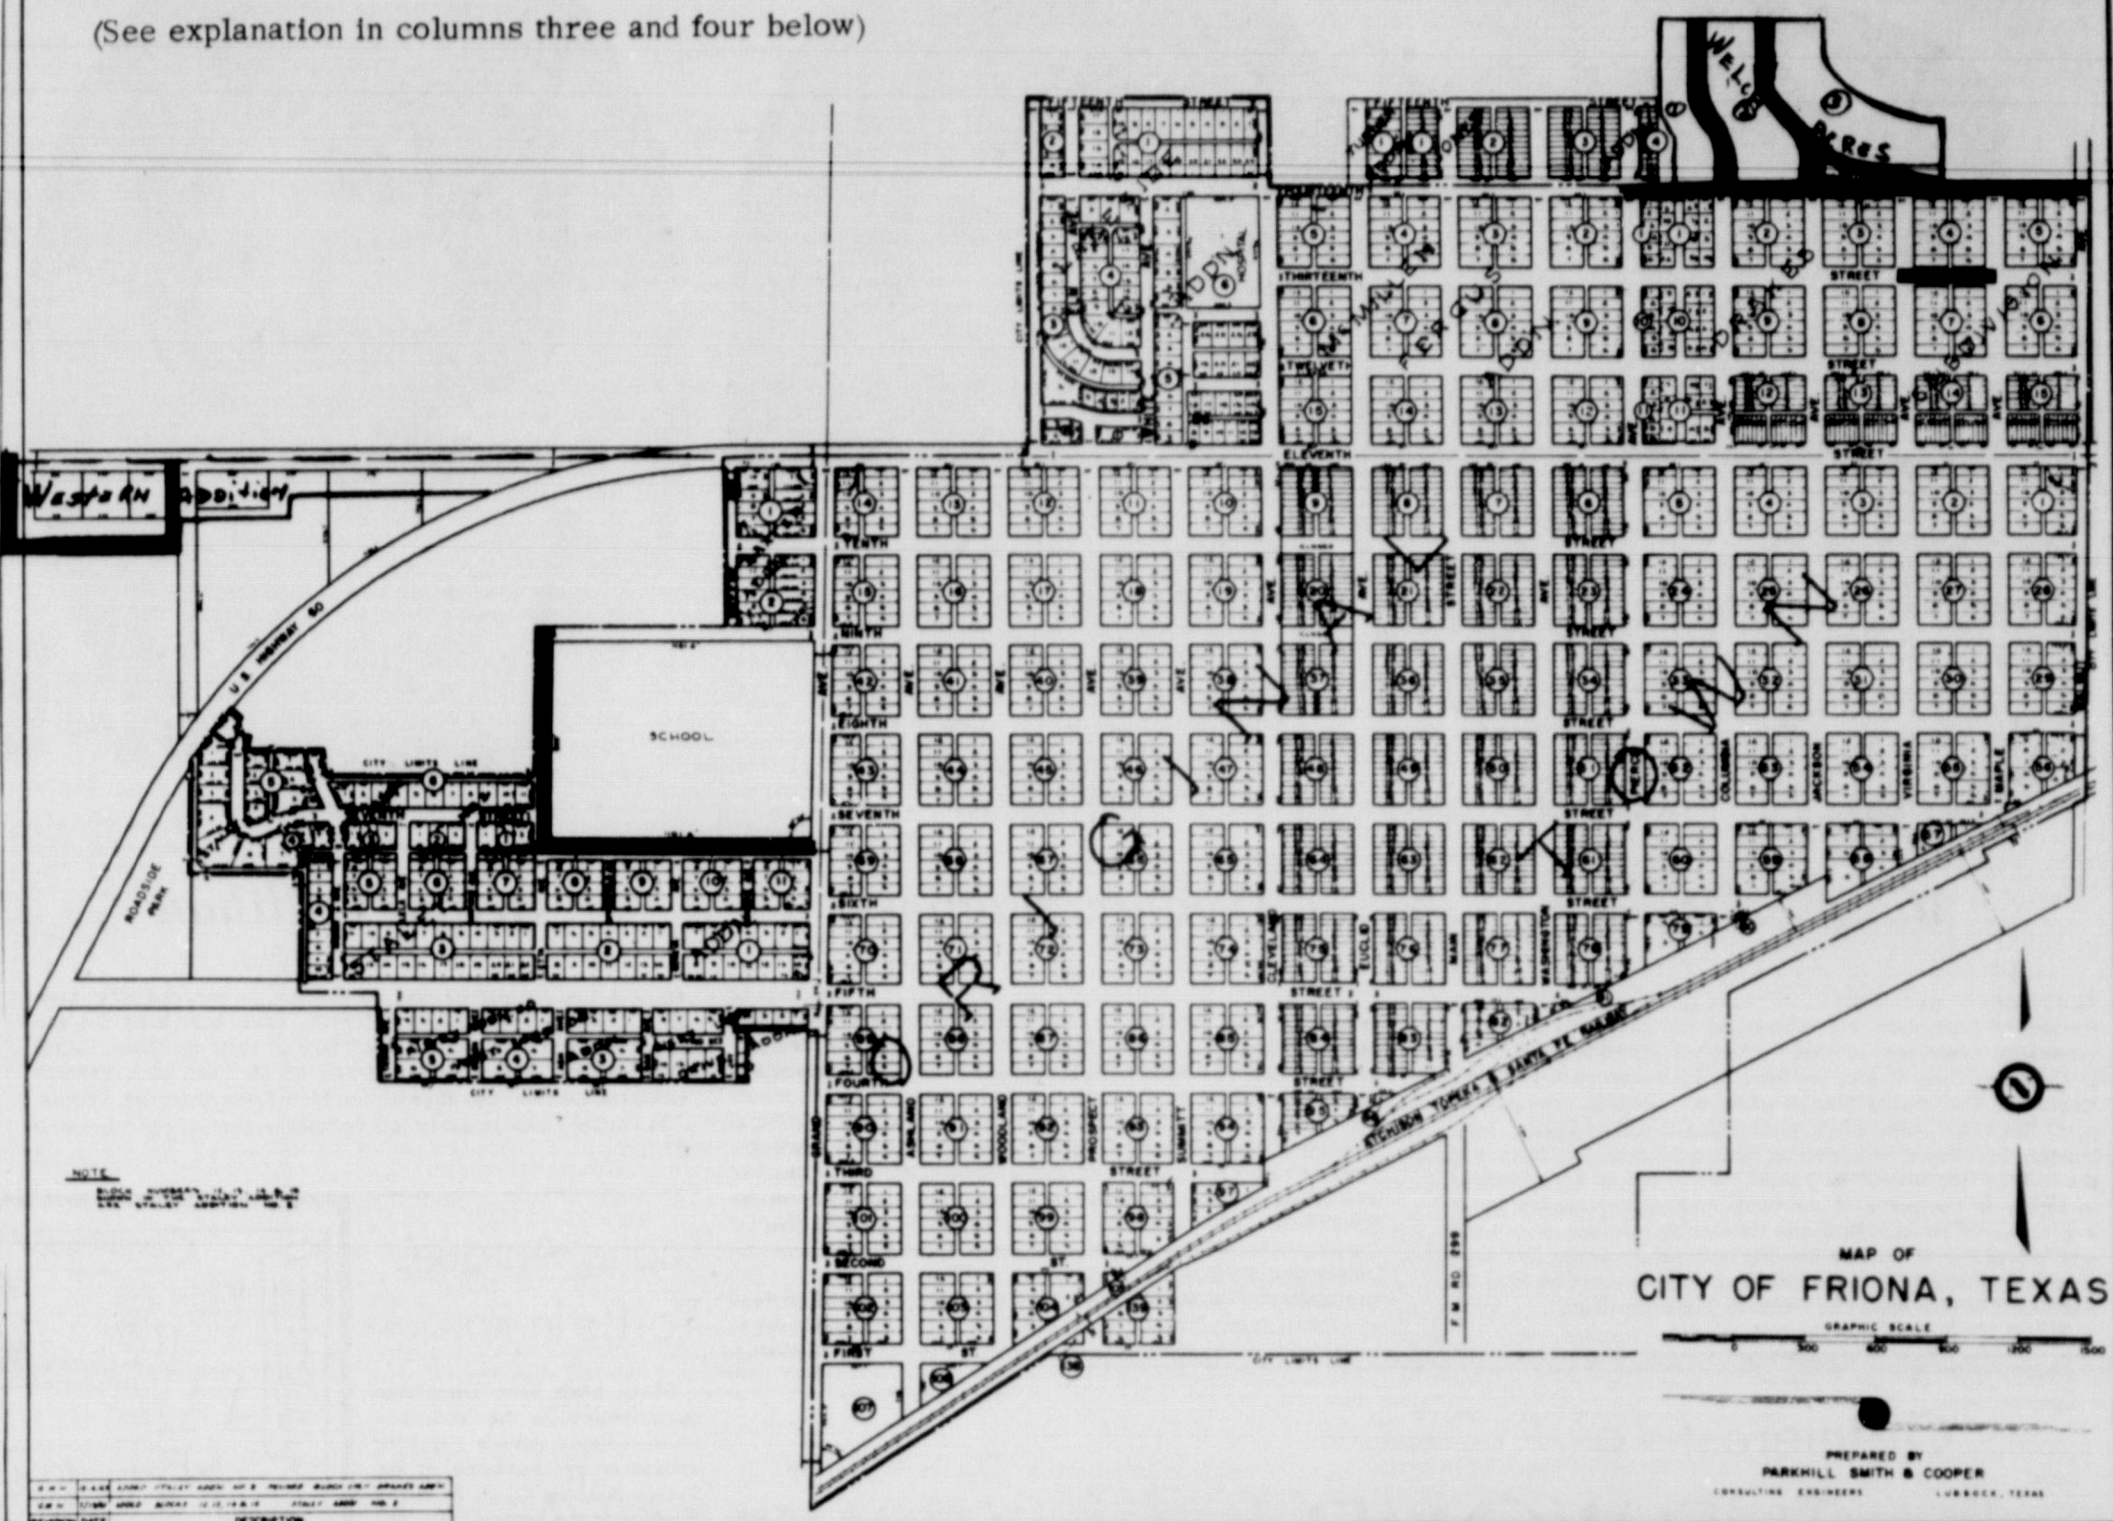

Some of their comments were: "We have never seen anything like this"; "What a Fabulous Setting"; "A Polished Cast"; "Excellent Musical Arrangements and Voices"; "The Sound And Acoustics Are Great". "Finale Lighting Effects On The Cliff Are Worth The Trip."

Weather permitting "Thundering Sounds Of The West" will play every night except Tuesdays through September 6, at 8:00 p.m. in the Pioneer Amphitheatre in the Palo Duro Canyon State Park.

Admission price is \$1.00 for adults, 50¢ for children. Write Box 268, Canyon, Texas for information.

Map Showing New Additions And Paving Project

(See explanation in columns three and four below)

The above map of the City of Friona shows the two recent additions to the city in heavy ink, as well as streets which are to be paved in the upcoming paving program. The streets which are blacked out are the ones which will be paved. Additional paving is being sought while the paving contractors are in Friona, and may be added to the program.

Lazbuddle News--

(Continued from page 2)

to Denver to meet the Carpenters for a family reunion. James Carpenter will return with his parents to Lazbuddle for a week's visit with friends and relatives before returning to Ft. Hood.

Mr. and Mrs. Bob Templeton have visiting them this week her nephews, Johnny and Kenneth Spencer from Houston.

Visiting the Paul Templetons the first of last week were her parents, Mr. and Mrs. H. W. King, El Paso.

Visiting the Charlie Watson family Sunday were Mr. and Mrs. Howard Watson, Muleshoe and Mr. and Mrs. Preston Cargile and children, Lariat.

Visiting the Paul Zahns Sunday were Mr. and Mrs. John Zahn and children from Lubbock.

Mrs. E. A. Parham, accompanied by her nephew and family from Springlake attended the Mayfield Reunion at Cobb Park, Abilene Sunday. They report about 100 relatives attended.

Mr. and Mrs. Ruel Clark, Sanderson announce the engagement of their daughter, Elizabeth to Donnie Smith, son of Mrs. Dave Aylesworth of Lubbock. The bride elect is a graduate of Sanderson High School, Donnie graduated from Lazbuddle High School, and is a student at Texas Tech. Wedding vows will be exchanged at the First Christian Church in Lubbock Wednesday August 28.

Mrs. Earl Ellis, Lazbuddle FHA advisor and 14 girls attended the annual Texas Tech training camp at Lubbock June 15 and 16. Attending were Jan Mason, Jill Mimms, Cheryl Ramage, Marsha Addudell, Marquita Seaton, Marsha Schumann, Linda Ashford, Joy Williams, Sherry Robinson, Tamra Jennings Johnny Ivy, Charlotte Seaton, Linda Ashford and Johnnie Beth Ivy.

Also W.C. Osborn, Sally Wilkerson, Wanda Price, Karen Osborn, Lois Norwood, Audrey Kelley, Chloé Ann Ford, Monique Osborn, Randle Kelley and Merylene Massie.

Mr. and Mrs. Joe Proctor and daughter, Cindy, of Bartlesville, Okla. have been visiting in the home of Mr. and Mrs. Dave Allen and Timmy. The Proctors spent several days vacationing in Las Vegas and Cindy remained to visit in the Allen home.

Bridge Party In
Humphrey Home

Mrs. J.L. Humphrey was hostess at a bridge luncheon in her home Thursday afternoon. She served peas and rice provencale, iced tea, hot rolls and strawberry parfait pie.

Guests were Mrs. W.M. Beene, Wesley Foster, Baker Duggins, Tom Jarboe, Bill Lyles, Jimmy Smith and Mack Ragsdale.

Mrs. Osborn
Conducts Hour

The story hour for pre-schoolers will be conducted this week by Mrs. M.C. Osborn. This part of the library's summer reading program is being held weekly on Thursday's from 10 to 1 a.m. at the Federated Clubhouse. Members of Progressive Study Clubs are handling the details of the storyhour this summer.

Twenty-three youngsters enjoyed the story-telling of Mrs. Tom Jarboe last week. This is almost double the number of children who attended the first session four weeks ago. The story sessions include poetry, nursery rhymes, songs, stories and a short period of outdoor activity and games. All children of pre-school age are invited to attend, weekly.

Friona Antiques
To Be In Parade

Plans have been completed participation in the Muleshoe Mule-o-Rama parade Saturday afternoon by members of the Friona Antique Club. A called meeting in the home of Mr. and Mrs. Dick Habbings Tuesday evening was attended by eleven members.

A wagon and several cars owned by members of the club will be in the parade, which will begin at 2:30 p.m.

Refreshments of fresh apple cake topped with whipped cream, sandwiches and punch were served by the host couple. Those present were Mr. and Mrs. O.C. Jones, Mr. and Mrs. Howard Ford, George Looper, Mr. and Mrs. Bill Filppin and Mr. and Mrs. Raymond Adams, all of Friona, and Mr. and Mrs. W.H. Hardage, Farwell.

Next meeting of the club will be in the Hardage home July 19.

Proposed CONSTITUTIONAL AMENDMENT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON SEPTEMBER 7, 1965.

SENATE JOINT RESOLUTION NO. 44 proposing an Amendment to Sections 2 and 25 of Article III of the Constitution of the State of Texas so as to provide for an increase in the membership of the State Senate from 31 to 39 members; to fix the membership in the House of Representatives at 150 members; to require apportionment of the Senate according to population; and to delete the limitation that no single county is entitled to more than one Senator.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 2 and 25 of Article III of the Constitution of the State of Texas be amended to read respectively as follows:

"Section 2. The Senate shall consist of 39 members. The House of Representatives shall consist of 150 members.

"Section 25. The state shall be divided into Senatorial Districts of contiguous territory according to population, as nearly as possible.

"Should the Legislature enact any enabling legislation in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall be-

come effective upon its adoption."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the 7th day of September, 1965, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment increasing the membership of the State Senate from 31 to 39 members, retaining the present membership of the House of Representatives, requiring apportionment of the Senate according to population, and deleting the limitation that no single county is entitled to more than one Senator."

"AGAINST the Constitutional Amendment increasing the membership of the State Senate from 31 to 39 members, retaining the present membership of the House of Representatives, requiring apportionment of the Senate according to population, and deleting the limitation that no single county is entitled to more than one Senator."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

Guests In Reed Home

Weekend visitors in the home of Mr. and Mrs. G. E. Reed were Mr. and Mrs. Ralph Reed and children of Tatum, Mr. and Mrs. Gene Watson and children, Pampa, and Mr. and Mrs. Eugene Bandy and children, Friona.

Last week Mr. and Mrs. Eldon Jones and Mr. and Mrs. W. O. Reed of Lenox, Iowa, visited in the Reed home.

Brenda and Beverly Redwine of Lubbock are visiting in the home of Mr. and Mrs. R. E. Snead and Mr. and Mrs. J. B. Snead.

Showers Courtesies For Mrs. Jackie N. Lee

Mrs. Jackie Lee, who was Donna Fuiks before her recent marriage has been honored with two showers.

A lingerie shower in the home of Mr. and Mrs. Ernest Osborn June 18. Hostesses were Karen Osborn, Sheryl Long, Lynn Wilson, Julia Dennis and Merylene Massie.

The bride's chosen colors mint green and white, were carried out in decorations and refreshments. A bride and groom surrounded by wedding bells centered the floral centerpiece.

Refreshments of party sandwiches, punch, mints and nuts were served.

About fourteen attended or sent gifts.

Hostesses for a bridal shower in the home of Mrs. James McLean were Mesdames Tom Shelton, Sam Jones, H.C. Wells, Herschel Johnson, Buck Fallwell, Jerry London, Vernon Roberts, Tom Pruett and Wesley Cunningham.

The serving table, which was covered with mint green net over white satin, was centered with a floral arrangement. Refreshments of lime float and cookies were served by the hostesses.

Those attending and sending gifts were Mesdames Joe Reeve, Glenn E. Reeve Sr., Carroll Bennett, Charles Frye, Donald Shelton, Carl Lee, Oliver Rieken, David Edington, Estis Bass, Dorothy Hough, Glenn E. Reeve Jr., Bobby Fuiks, Glendon Jones, Russell O'Brian, R.E. Snead, Howard Mayfield, Ernest Osborn, Paul Daniel, Ralph McBroom and Francis Gable.

Also Mesdames Raymond Miller, G.E. Tannahill, Leonard Coffey, Kenyth Cass, Ralph Shelton, Arthur Drake, D.E. Renner, Lloyd Prewett, W.M. Massie, Glen Stevick, Truett Johnson, Jack Clark, W.M. Beene, Marion Fite, Foster Rector, Milburn Bennett, Deon Awrey and Joe Boeckman.

Also Mesdames W.R. Underdown, O.J. Beene, Ora Cole, Elroy Wilson, J.V. Fuiks, J.L. Witten, Albert Chesher, C.W. Tannahill, E.H. Bradshaw, Paul Hall, John Wright, Andy Hurst, Agnes Fuiks, Earl Drake, John

Benger, Arthur Stokes, H.L. Outland, Ralph Shirley, Ralph Smith, Glen Williams and W.H. Long.

Also Mesdames Joe Johnson, Henry Lewis, Ralph Taylor, Weldon Dickson, Eric Rushing, J.B. Douglas, W.V. Elmore, Leo Bails, Gerald Loftis, W.L. Edelman, F.L. Fairchild, Allen Stewart, Dale Williams, Claude Osborn, G.E. Reed, Ancel Renner, Frank Truitt and Billy Joe Mercer.

Also Mesdames Fred Dennis, Sloan Osborn, Sam Williams, Dalton Coffey, Robert Zetzsche, A.W. Anthony, Sr., James Chandler, Billy Dean Baxter, Richard London, Don Reeve, Mae Magness, Ray Dean Fleming, Bill Nunn, Bill Stephens and Joe McLellan.

Also Mesdames Emerit Rose, Glen Herring, Dale Cunningham, Jack Moseley, John Burrow, Roy V. Miller, Sr., U.S. Akens, C.W. Wright, Donald Loanman, Don Powell, Floyd Brookfield, David Hill, Jay Claiborn, Joe Moyer, Bill McGlothlin, J.B. Taylor, N.E. Wood, D.G. McLellan and Russell McAnally.

Also Beth Ashberry, Bette Bass, Karen Osborn, Janet Rushing, Janell Daniel, Glenda McLellan, Jonelle Wood, Kay McBroom, Kay Coffey, Ann Prewett, Kay Johnson, Prescilla Pruett, Shirley Phipps, Brenda Hawker, Becky Coffey, Linda Davis, Merylene Massie, Janice Clark and Linda Outland. Also Sandra Beene, Virginia Fuiks, Diana Taylor, Linda Rector, Myrna Bennett, Terri Lynn Wilson, Sylvia Stokes, Jan Shirley, Mary Smith, Joy Morton, Sheryl Long, Jeanne Taylor, Julia Dennis, Lyndia Chandler, Debbie Baxter and Gail McGlothlin.

Golden Wedding Anniversary Observed By Pioneer Couple

Family festivities for the Golden Wedding Anniversary of Mr. and Mrs. C. W. Dixon, Sunday, June 20, began with dinner in the home of Mr. and Mrs. Ray Landrum. Members of the immediate family and a few long time friends were present.

The reception in the family home, which was hosted by Mr. and Mrs. Landrum, Mr. and Mrs. Buck Dixon and Mr. and Mrs. Jim Dixon, began at 2 p. m. Guests were welcomed by a felt banner on the front door bearing the couple's names and wedding date. Room decorations featured a display of family pictures dating from about 1906 to the present time.

The welcome banner, picture display, table decorations and other decorations were designed by Mrs. Ben Konis Jr., New York City, granddaughter of the couple.

A golden cloth decorated with white felt daisies with yellow centers covered the serving table. An artificial floral arrangement in a white milk glass pitcher completed table decorations.

Silver and milk glass appointments were used to serve the tiered cake and punch.

Clarence Dixon and Mary McLean were married at Dimmitt June 22, 1915 and moved to the Rhea community soon after their marriage.

Emmett Dixon, Hereford; Elmer Dixon, Dimmitt; Harvey Dixon, Texon; Ollie Dixon, Canyon; Mrs. Wes Anthony, Dimmitt; Mrs. Reed Williams,

MR. AND MRS. C. W. DIXON

Hereford; and Mrs. Etta Brashears, Dimmitt, were guests present who attended the wedding fifty years ago.

Other out-of-town guests included Mrs. Ollie Dixon and Mr. and Mrs. G. B. Dixon, Canyon; Mr. and Mrs. T. J. Coston, Annette, Terry and Debbie, McAllister, New Mexico; Bub Ramey, Amarillo; Mr. and Mrs. R. C. Vinyard, Mr. and Mrs. J. B. Jennings, Lora Mae McFarland, Mr. and Mrs. Leonard Haws and Mr. and Mrs. Charlie Baxter, Clovis.

Also Mr. and Mrs. Henry

Whitley and Mr. and Mrs. John Aldridge, Farwell; and Mr. and Mrs. J. M. Crabb, Dumas.

Also Reed Williams, Mrs. Emmett Dixon, Mr. and Mrs. B. Y. Crostwait, Mrs. A. O. Thompson and Mr. and Mrs. A. J. Schroeter, Hereford; Mr. and Mrs. Fred Kuntz and family, Mrs. Elmer Dixon, Wes Anthony and Janie Boothe, Dimmitt.

Also Lois Hastings, Larry Keith Hastings, Edgar Ramey, Mr. and Mrs. Edwin Ramey and Mrs. Weldon Bradley and Molly, Dimmitt, and Mr. and Mrs. Edgar Carney, Channing.

Youth Rally Ends Teen June Program

Highlight of the recent Teen Time at Calvary Baptist Church was a youth rally at Longview Baptist Church Thursday evening.

Fifty-nine young people and seven sponsors attended the rally.

Those making the trip took sack lunches and ate on the way.

At the youth rally they saw a Billy Graham film, "Sign of the Boomerang."

Sponsors were Mr. and Mrs. Dale Westbrook, Jake Armstrong, Mrs. V.M. Ferguson, Mrs. Charles Howell, Mrs. C.L. Vestal and Leo Reed. Diane Westbrook and Burk Vestal also accompanied the group.

Those attending were Glenn Goggans, Judy Jordan, Conrad Armstrong, Glenda Latham, Steve Armstrong, Milton Carlton, Marva Hale, Ronnie Altman, Karen Armstrong, Hazel Fallwell, Bernie Hannold, Doris Ferguson, Carolyn Brown, Carolyn Hutson, Barbara Latham and Connie Stone.

Also Shirley Stokes, Linda Fallwell, Darla Howell, Bobby Jordan, Ray Lynn Murphree, Martha Martin, Mike Garth, Ricky Estep, Charles Bishop, Margie Stewart, Bobby Sims, Janet Bishop, Helen Stowers, Judy Edelman, Celia Faye Vestal, Lenore Jackson, Linda Stone and Linda E step.

Also Carrie Arnett, Kyla Billingsley, Shirley White, Brownie Cole, Terri Lynn Wilson, Alan Ross, Tommy Sherry, Bobby Harper, Freddy Williams, Duane Reed, Jerald Reed, Andrea Wilkins, Amelia Sims, Melva Rule, Sarah Fallwell, Sylvia Stokes, Fred Ferguson, Shirley Hutson, Crista Evans, Dennis Howell, Jerry Carlton, Risa Howell, Susan Neill and Susan Vestal.

Sunday morning the group was recognized during the regular church worship service. They sat in a group and sang, "I Am Satisfied With Jesus," as special music for the service. A total of 65 young persons were enrolled.

4H Club Girls To Enter Revue

One group of 4-H girls enrolled in Clothing Unit I are meeting with their leaders Mrs. C. M. Phipps and Mrs. G. A. Collier each Wednesday afternoon in the home of Mrs. Phipps.

The girls have completed their sewing boxes, using the sewing machine, and hemmed cup towels.

Mrs. Collier gave the girls a demonstration on good grooming. Mrs. Phipps gave the lesson on buying and caring for socks.

The leaders and mothers accompanied the girls downtown to Hurst's Department store, where the leaders discussed with the girls different kinds of material to use in making their skirts. The girls have each selected skirt material and have started sewing. They will have them completed for the dress revue to be held in Friona July 13.

Girls enrolled in this class are: Jan Jameson, Lynnis Widmiller, Carol Morgan, Karene Hart, Carla Sue Mann, Lupe Hernandez and Rebecca Hernandez.

I never met a man I didn't like. —Will Rogers

Brenda Hawker Guest Speaker

At the final meeting of this year of Rhea Home Demonstration Club in the home of Mrs. Walter Schueler Monday evening, June 14 guest speaker was Brenda Hawker, foreign exchange student from Australia. Other guests were Mrs. Florian Jarecki and Debbie, Shirley Phipps, Sandy Patterson, Mrs. Raymond Schueler, Mrs. Roy Zieschang and Mrs. Tom Paine.

A money raising project was discussed and plans were made for club members to sell vanilla and pepper. Anyone desiring to purchase either project are asked to call Mrs. Herbert Schueler, Mrs. Floyd Schlenker

or Mrs. Bill Brandt.

Club members present include Mesdames Elmer DeLoyke, Walter Schueler, Herman Schueler, Shirley Smith, Chris Drager, Jack Patterson, Jim Dixon, Cordie Potts, Floyd Schueler, Norman Taylor and Leland Gustin.

Next meeting of the club will be the second Monday in September.

Mrs. Delvin Langford and children, Paul and Less, of Shawnee, Oklahoma, have been visiting her mother, Mrs. Tommie Parker, and other relatives and friends. They returned home early this week.

Typical scene in the Friona area as wheat and ground dried out this week was the above, as men and machines moved on the area's wheat crop in an effort to make short work of it.

Grain men thought the crop could be virtually harvested by the week's end if weather remained good.

Safety Important For Boats, Water Sports

With summer and warm weather, comes the onrush of weekend boaters, loading boats on trailers and heading for the nearest lake for a weekend of water sports.

Most people go boating for relaxation and fun. But safety is just as important in boating and water sports as it is around the farm or home, points out County Agent Joe VanZandt.

One small mistake in a boat can mean disaster. Learning and heeding boating safety precautions means more fun for you, and can prevent your weekend from being a disaster.

The following boating safety rules, if followed, says VanZandt, can remove many of the hazards from water sports.

1. Never overload a boat with passengers. It has a rated capacity and that should be the limit.
2. Always have an extra paddle in the boat in case one is broken or lost.
3. Before leaving shore, ask

an informed person about hazards in the lake or stream, such as location of swift water, whirlpools or hidden obstructions.

4. Wear shoes and clothing that can be removed easily in case the boat sinks or capsizes.

5. Have a life preserver for each passenger in the boat.

6. If a motor is to be used, make certain that it is the proper size or horsepower for your particular boat.

7. Be as cautious when steering a boat as when steering a car. Learn and observe the rules of the water such as speed limits, yielding right of way and forbidden zones.

8. Never stand in a small boat.

9. Wear clothing that will protect you from sunburn. Sunlight is intensified by reflection off the water.

10. Never go boating when winds are high or severe weather warnings out.

ly interested in this feature of the convention program since he is a family man himself and the father of two children.

"Since Bible reading isn't the easiest program to stimulate among youths of the day, it is encouraging to see hundreds of youths sitting quietly and listening attentively to Bible instruction," said Lowery. "The results are favorable since children are impressionable and it leads to more successful training in the home."

Lowery explained he has instituted a personal program of his own with the family to tighten the family arrangement. "It involves doing things together

such as Bible discussion at the breakfast table, personal study during the day and attendance at congregational meetings three nights a week. That way, Bible emphasis cannot become lost in the many things we do together throughout the week."

Lowery felt that if more families could see the impact that large Christian conventions have for their youth as well as themselves, most family situations would not mushroom into bigger problems and disrupt the family circle.

When the day of Pentecost was fully come, they were all with one accord in one place. (acts 2:1)

FBI Director J. Edgar Hoover says: "A national police force is a tool of tyranny. I abhor the implications of the term, and I refuse to let the FBI be forced into practices which smack of police state actions, regardless of the circumstances. . . . Some individuals, in their efforts to secure the fundamental guarantees of the Constitution for all citizens, have criticized this Bureau for not exceeding its authority and for not assuming responsibilities belonging to local and State police. The FBI fully appreciates the grave responsibility inherent in the investigation of alleged violations of Federal civil rights statutes. As I have stated many times, we are meeting these obligations without apology. Our role, however, is that of an investigator — not an accuser, prosecutor, jury, or judge."

On The Farm In Parmer County

By JOE VANZANDT
County Agent

PRAIRIE DOG CONTROL

This wet weather hasn't helped wheat harvest any but the rain has created good prairie dog killing conditions with poisonous gases.

Recent rains have provided us with good soil moisture now and this serves to make the ground tighter and less porous so that poison gases will not be readily absorbed by the soil. Wet soil should give deeper and better penetration of the poison gases in prairie dog burrows.

Also, the recent rains should make it easier to find the burrows that dogs are actively working.

We have two control methods to recommend. One is the use of carbon disulphide (high life) and the other is a gas cartridge.

The gas cartridges are available thru the County Agent's office and the cost is 10 cents per cartridge. The carbon disulphide is a little more economical but is harder and more dangerous to handle.

As a dog town is killed out, we suggest you blade down all of the dog mounds. This will enable grass to start back quicker and you won't be leaving a welcome sign out for new dogs to reinfest your old town. Prairie dogs do travel and have been known to infest areas several miles from their home.

For more information on controlling prairie dogs contact your County Agent.

SORGHUM IRRIGATION

Generally speaking over the county, we have a real good sorghum crop started this year. The rains have helped it along and has lightened our irrigation load some already.

Much sorghum is approaching a peak water use period, the boot stage. Grain Sorghum requires about .33 inches of water daily during boot and bloom. This will vary depending on weather conditions but is a good average.

Sorghum gets most of its water from the top 3 feet of soil. Soils in Parmer County can store from 1 to 2 inches of water per foot of depth. The available water storage capacity depends on soil texture

as sandy soils store less moisture per foot of depth.

Best yields are made when useful soil moisture is maintained from 50 to 75 per cent of capacity. The feel or appearance of our light sandy soils in this moisture range is soil tends to ball under pressure but seldom will hold together. On our medium soils, it should form a ball, somewhat plastic, will sometimes slick slightly with pressure.

We listed these guides for estimating soil moisture because our rains have varied over the county and sorghum on one farm may use up the moisture before it does on another place you are farming.

We will point out a few other water facts to refresh your memory on these water use. The minimum continuous flow of water necessary to provide for a .33 inch per day consumptive use rate is 6.2 gallons per minute per acre. Losses in conveyance and application should be added to these values. One acre inch of water is 27,152 gallons. During peak use 1 acre of sorghum would use this much water in 3 days. A well producing 900 gallons per minute will apply 2 acre inches to 1 acre in 1 hour if no water is lost in getting it on a crop.

WHEAT STRIBBLE MANAGEMENT
Wheat yields have been running real good this year. Many fields also have produced abundant amounts of straw.

Farmers should look on this straw as an asset rather than a liability. You paid for producing it and it contains elements that future crops can utilize if it is properly managed.

A 60 bushel crop probably produced about 5 1/2 tons of straw. This 5 1/2 tons of straw contains about 74 pounds of nitrogen, 19 pounds of phosphorus and 129 pounds of potash.

When straw is returned to the land, these elements will contribute to the nutritional requirements of future crops.

If straw is burned off you lose these elements as well as the residue. Crop residues maintain and help improve soil structure. This is reflected in

Jehovah's Witnesses To Hold Lubbock Meeting

The Muleshoe Congregation of Jehovah's Witnesses will be represented in Lubbock, Texas July 22-25 when the group con-

County 4-H Members Can Claim Up To 100 Medals

Up to 100 medals of honor could be claimed this year by Farmer County 4-H Club members, according to Joe VanZandt and Cricket B. Taylor, County Extension Agents.

These medals are made available through the National 4-H Service Committee, Chicago, Ill., and the sponsors of national and regional 4-H award programs.

Winning a county medal is often the first step toward a state award, reminds VanZandt, which in most cases is a trip to the National 4-H Congress.

Medals are expected to be

awarded in some 15 projects. Among them are: beef, clothing, foods & nutrition, field crops and garden.

Presentations will be made in November during the County 4-H Achievement Banquet.

Last year 32 Farmer County 4-H'ers won medals, VanZandt said.

In addition to providing medals, the National 4-H Service Committee annually arranges for 1,300 Congress trips, 265 scholarships and fellowships, and 14,300 miscellaneous awards.

Record books, by which medal winners will be determined, are

Local Church To Hold Meeting

The Friona Assembly of God church will begin a two-week evangelistic meeting Sunday, July 4.

Services will be held each night beginning at 8 p.m., states the pastor, Rev. Ott Robertson. Rev. Vance Jumper of Hickory Ridge, Ark. will be the evangelist.

Sunday services are at 11 a.m. and 8 p.m. The public is invited, states Rev. Robertson.

Susan Byerley of Perryton is a houseguest in the home of Mr. and Mrs. Marlon B. Fite and sons, Terry and Bruce, due in the County Extension office by July 15.

PICNIC TIME FOR 4-H

Friona 4-H Club has set their picnic and cookout party for July 21st at 7:00 p. m.

Farwell and Oklahoma Lane are in the process of planning their picnics, according to their Club presidents, Meredith Anderson and Cheryl Kaltwasser.

Not only 4-H members are having picnics but a lot of other people too, are having picnics and swim parties. A lot of youngsters and many adults don't have any fun or business in the water according to statistics, every other person in the United States can't swim.

Not only are a lot of people missing out on a lot of fun, many are taking unnecessary chances in regard to simple water safety principles.

Nearly all towns, including ours in Parmer County are staging "learn-to-swim programs" for people of all ages.

If you or members of your family can't swim, why not take advantage of these learning opportunities that are available and enroll in swimming classes. Learn to have fun and enjoy the water but have a thorough knowledge about water safety principles.

The National Safety Council emphasizes that swimming accidents are continuing to take their toll in lives. These recent floods and turbulent weather have pointed out need for more water safety and swimming principles.

FOOD SAFETY

Family get together, reunions and almost any occasion these days call for food.

Hot weather and food calls for extreme care of food. Poultry and meat products are very easily contaminated - sometimes only enough to cause an upset stomach but it can be much more serious. Another bad offender is potato salad, and cream pies. Left without refrigeration for only a few hours can be very dangerous. The "drippings" or broth from meat and poultry should be refrigerated immediately after cooking (and this goes for any

products containing the drippings.) Sandwiches made of tuna or meat are bad offenders too. Packed for a long journey or picnic they can be made safe by making them in advance and freezing them for the trip. Using a good freezer wrap or foil can keep them fresh, yet safe to eat hours after taking them from the freezer.

FREEZING COMBINATION MAIN DISHES -- Is the name of a bulletin that is new in our office. These recipes are for large quantities to serving 16 to 25. For picnic, company, and just to save time for doing other things, these can be frozen and reheated for serving. Generally it's better to reheat these frozen cooked main dishes without thawing but sometime they may need to be partially thawed to transfer to other containers. Saving time and energy by making better use of freezer space is practicing good management.

Come by the Extension office on 2nd floor of the Courthouse for your copy, or call 481-3619 and ask that a copy be mailed.

WATCH FOR NEXT WEEK

My guest editor for this column next week will be Mrs. Franklin Bauer, of Rhea Community. Mrs. Bauer has served as a 4-H leader for several years.

Even poodles visit Friona's library -- Tip Nunn and John Hoover and their poodle friend add their books to the boxful which has been returned to librarian Judy Phipps. During 13 library days in June, a total of 1216 books were checked out. There are 714 readers, of which 145 are new this summer. There are 133 taking part in the summer reading club, and 62 in the story hour.

BY ATTORNEY GENERAL

Annual Youth Conference Delegates Are Announced

Three Parmer County youth have been designated by Attorney General Waggoner Carr as delegates to the third annual Attorney General's Youth Conference on Crime, August 20-22 in Austin.

The Conference will attract over 1600 outstanding youth to study projects for the prevention of juvenile delinquency in Texas communities. Many programs have already begun as a result of the first two conferences, including youth juries, programs for tutoring students to prevent dropouts and various other community service projects.

Parmer County delegates are Oran Dean Bingham, son of O. D. Bingham of Friona, was selected most sophisticated member of his class in 1964. He attended the Students Faculty Congress from Friona High School. The Friona Lions Club is sponsoring him to the Conference.

Richard Carson, son of Marlon Carson of Bovina, was president of the sophomore class at Bovina High School. His other school activities include FF A, Student Council, National Honor Society, The Bo-

vins Lions Club is his sponsor. Jimmy Ray Mace, son of W. A. Mace of Farwell, was football manager at Farwell High School. He was class reporter and a member of the band. The Farwell Chamber of Commerce is his sponsor.

Civic clubs, churches, other organizations and interested individuals sponsor delegates to the Conference.

Delegates are selected on the basis of community citizenship and leadership.

The Conference consists of general assembly meetings and three seminars concerning church and youth, local youth conferences, and job opportunities for youth.

Conner Is Appointed To Youth Conference Job

Attorney General Waggoner Carr has announced the appointment of Warren Conner of Friona to serve as official representative for Parmer County, for the 1965 Attorney General's Youth Conference on Crime.

This Third Annual Conference will attract more than 1600 outstanding youth leaders from throughout Texas to study projects for the prevention of delinquency that can be implemented in Texas communities.

Many outstanding programs have already begun in Texas as

a result of the first two conferences, including youth juries, programs for tutoring students to prevent drop-outs, and various other community service projects. Civic clubs, churches and other organizations or interested individuals will sponsor delegates, and individuals interested in participating should contact Conner at Box 997.

The conference will be held in Austin August 20-22. Conner is replacing Bill Sheehan as county representative.

Hearts and Hunting

Tell your doctor your hunting plans before you go. Let him know the altitude and kind of country. Follow his advice on rest and work.

A SERVICE OF YOUR HEART ASSOCIATION

Today's Lesson WHY "TRUE" A TIRE?

Most tires, when new, are usually truly circular. . . but research and experience shows that during the first 300 to 500 miles of service a large percentage of them expand, become elliptical or "egg-shaped," and the carcass takes on a permanent "out-of-round" set or shape.

Such a tire causes vibrations and no amount of balancing will cure it. Low spots wear down faster than the high ones, so that the condition steadily grows worse.

The Amermac Tire Truer provides the solution - all tires should be tested after 300 to 500 miles of use, and an "out-of-round" tire can quickly and easily be corrected. (A wheel carrying an absolutely true tire can still be out of balance, of course, due to other factors such as rim, hub, or drum defects, but a minimum of weights can usually correct this situation.)

Cars ride more comfortably. . . tires last longer. . . when they are trued properly!

F. H. Hadley Family Has Annual Reunion

F. H. Hadley, who will be 96 this fall, was guest of honor at the annual family reunion at Hub Community Center Father's Day. The meeting began with a basket dinner at noon.

Others present were Mr. and Mrs. Raymond Hadley, Children; Mr. and Mrs. L. D. Cannon, Muleshoe; Winston Hadley, Amarillo; Mr. and Mrs. A. E. Cannon, Lynn Ray and Ronnie, Lubbock; Mr. and Mrs.

Windle Sikes and Ralph Bovina; and Shasta and Sheri Hadley, Channing.

Also Mr. and Mrs. Gib Trigg, Mr. and Mrs. A. H. Hadley, Mrs. Mary Dickie and Debbie, Mr. and Mrs. Don Timms, Larry and Ricky, Carl Hadley, Mr. and Mrs. Albert Cannon, Patti Glenn, Lawny and Mr. and Mrs. Leo Bails and Kenny all of Friona.

Friday Evening Dance Honors Brenda Hawker

Mr. and Mrs. Mack Ragdale and Mrs. Deon Awtry, Dr. and Mrs. J. L. Humphrey, and Mr. and Mrs. Marlon Fite were hosts at a farewell dance honoring Brenda Hawker, who has begun her journey to her home in Australia after being a member of the E. G. Phipps family almost a year, at the American Legion Hall Friday evening.

Music was by the Tyrants, a band whose members are Terry Fite, Eldon Long, Eddie Wood and Johnny Claborn.

Refreshments were served by the host couples. About one hundred persons attended.

Mrs. Louis Ponthieu was recently awarded a teaching assistantship at the University of Arkansas. She will begin work on her doctorate and teach freshman English there this fall.

Mrs. Ponthieu, the former Judy Smith, is a daughter of Mr. and Mrs. Ralph Smith. She is a 1960 graduate of Friona High School and received her bachelor of arts degree at North Texas State University, Denton, in 1963. She also received her master's degree from the same university one year later.

Her husband will complete his course work on his doctorate at the University of Arkansas at the end of the summer session in August.

Mr. and Mrs. Wesley Foster, Dr. and Mrs. J. L. Humphrey and daughter, Dodie Lynn, H. V. Rocky and Brenda Humphrey of Albuquerque, a summer guest in the Humphrey home and niece of Dr. Humphrey, are vacationing at Tres Ritas.

possession. Members of the Young Homemakers plan to cooperate with their sister chapter in Hale Center on a project designed to supply some of these families with necessities.

This is a very worthwhile project and anyone who has articles of clothing or household items no longer being used is invited to contribute them to this very worthwhile cause.

For more information readers may contact Mrs. W. D. Buske, president of the organization.

I've heard of "golf widows" and know there must be a few around, but until last week I had been a long time since I had heard a woman say she was a "harvest widow." It seems that several farmers who have been kept out of their fields by recent rains lose track of time when they get a combine started in a field.

Several local farmers have been running combines most of the night when the humidity isn't too high. By the end of this week most of the wheat will be in the barns or elevators.

Predictions are that the overall yield will be less this year than last, but most of us know you can never tell until the figures are all in.

If the best things are not possible for you, make the best of those things which are possible.

By the end of the week there will probably be no evidence that the "Old Red Brick" building was ever on the school campus. Workmen are busy clearing away doors, windows, lumber, brick, mortar and debris that is bound to accumulate when a building is torn down.

The new high school building is rapidly nearing completion and by the time school starts in September, students should be thinking about keeping the building nice for those who follow after them.

Some of the nicest students any where attend Friona High School and acts of vandalism have been few. Parents, teachers and others interested in youth of today are proud of this fact and want to encourage our students to keep it that way.

Muleshoe, our neighboring city to the south, is getting ready for its celebration centering around the unveiling of the mule. Think his name is "Old Pete."

Perhaps there just wasn't a better name for a mule than "Pete." This being the rule, the name probably is most typical of the source of farm power which has practically vanished from the American way of life.

In my personal acquaintance with mules, I've known two mules named "Pete" real well.

Anyone who will have you believe mules are all just alike and have no personality just hasn't known the mules I knew when I was growing up on a cotton farm in Western Oklahoma.

Even though we had two mules named "Pete" on our farm, the ones I really became best acquainted with were named "Jake" and "Pat". I haven't seen them in 35 years, yet I feel sure I'd recognize either one of them if he walked across the road in front of me.

I'm sure that having these two in front of me as I rode a one row sledge-go-devil or a one row cultivator taught me a number of things which have been helpful to me in later years in spite of the fact that I became real aggravated with them at the time.

Regardless of whether the mule was large, small, red, black, brown, high strung or a plodder, he had a great deal to contribute to making the America we know today what it is and it gives me a great deal of pleasure to see Muleshoe recognizing him. Do hope they have included some muleshoe pitching contests in their plans for the weekend.

The recent tornado at Hale Center left many families in the lower income brackets with few or no clothing or household
