

Texas Tech Student Wins Invitational Golf Title

Jerry Hinciar of Shamrock, a member of the golf team at Texas Tech, won the fourth annual Friona Invitational Golf tournament last weekend at Friona Country Club.

Hinciar won the tournament over 75 other golfers. It was the largest field ever for a Friona invitational, topping last year's 64 entrants. And host pro Wayne Wash stated that it probably was the most talented field as well.

"We had an excellent field, especially in the championship

flight," said Wash, who was very pleased with the tournament.

Local golfers were able to win just two consolation prizes. These were T. A. Sherley in the third flight and Ted Renner in the fourth flight. Joe Owen, Friona's only entry in the 16-man championship flight, made it to the finals, but couldn't stay with the hot-shooting college youngster.

Hinciar made it to the finals with wins over Gary Middleton

of Morton and Fluff Myers of Muleshoe. Owen bested two Amarillo golfers, H. B. Nuckolls in the first round (2-up) and Monty Roach in the second (5-4) to reach the finals.

Johnny Ethridge of Dismitt won consolation honors in the championship flight, and posted a new course record for nine holes (30) in the process. The man he beat for consolation, Bill St. Clair of Muleshoe, had held the old record of 31.

Other winners were Roy Hartman of Hereford in the first flight, Bill Davis of Throckmorton in the second flight, Gracy Capps of Clovis in the third and Joel McCarty of McLean in the fourth.

Davis added zest to the tournament by firing a hole-in-one during the first day's proceedings, only the second in the local course's history. Local golfer Glen Mingus recently got the first one.

Sherley lost his opening round contest to Jake Outland to drop into consolation play in the third flight. He rebounded to post wins over John R. Cook, Hollis Horton and R. L. DeBusk of Morton to claim the consolation prize. Capps, the champion of this division, beat Kenneth Neill, H. J. Charles of Bovina and Cotton Renner enroute to the finals.

Ted Renner lost to Joel McCarty of McLean, the eventual champion, in his first match in the fourth flight. He then took wins over Danny Kendrick, Ray Gene Braxton and Ralph Shirley for the title.

Other local golfers posting first-round wins included Marty Martinez, Truitt Johnson, Otis Spears (Bovina) John Renner, W. L. Edelman, Pudge Kendrick, Mel Williams, Jobey Claborn, O. F. Lange, Gary Renner and Floyd Brookfield.

Those with second-round wins were Owen, Vernon Scott of Farwell (consolation); Dwight Whitaker (cons.), Edelman, Jay Claborn (cons.), Ray Fleming (cons.) and Hollis Horton (cons.).

Third-round winners were Fleming over Claborn in second flight consolation bracket, Sherley over Horton in third flight consolation and Ralph Shirley over Sam Scroggins of Lubbock in fourth flight consolation.

AFTER 15 YEARS

Bill Sheehan Leaves Local Law Practice

Bill Sheehan, who has practiced law in Friona ever since he graduated from law school 15 years ago, this week announced that he is leaving his practice in Friona and will move to Dumas.

Sheehan will join an old friend and associate, Frank D. McCown in Dumas and will be a partner in a firm known as McCown & Sheehan, Attorneys. He will begin work in Dumas July 6.

No new member of the local law firm has been named as yet to replace Sheehan. Warren Conner, who has been a partner with Sheehan the past year and a half, will remain with the local firm.

A native of Childress, Sheehan received his LL.B. degree from Baylor University in 1950, and came to Friona shortly thereafter. He and his wife, the former Mary Louise Mayers, have been very active in church, club and community activities.

Sheehan served as county attorney, 1955-57; and District Attorney for the 154th District (Parmer, Lamb and Bailey counties) 1957-59. He has for several years served as City Attorney for the City of Friona.

Some of the community activities with which Sheehan has been connected include the Boy Scouts, county March of Dimes drive as chairman, secretary - treasurer of the Parmer County Fair and Dairy Association.

BILL SHEEHAN

An active member of the Calvary Baptist Church, Sheehan has, among other things, served as chairman of the church's finance committee and has been a Sunday School teacher.

He has been a member of the local American Legion as well as the Lions Club, in which he held several offices, and was due to be installed as the club's "Boss Lion" (president) in a club installation this week.

Sheehan attained the rank of sergeant in the U. S. Army, 1946-47. He was first lieutenant and legal officer at Ft. Bliss, 1952-54, and is a captain in the reserves.

A member of the Parmer County chapter of the American Bar Association, Sheehan served as president of that organization.

Besides serving as district attorney, Sheehan acted as county campaign chairman in Price Daniel's race for governor, and has served as delegate to the State Democratic Convention.

The Sheehans have four children; Mary Margaret, Kathleen, John and Jack. In addition a niece, Sandra Daves, makes her home with the Sheehans.

Sanders Named To Honor List

Thomas Jay Sanders, son of Mr. and Mrs. John D. Sanders, Friona, has been named to the Dean's Honor Roll at Wayland Baptist College, for outstanding scholastic attainment during the spring semester.

Sanders, a junior mathematics major, had an average of 3.64 of a possible 4.00 for the semester's work. His minor is physics.

Wayne Wash, right, Friona Country Club pro, is shown congratulating Shamrock's Jerry Hinciar on winning the fourth annual Friona Invitational golf tournament. On the far left is Jimmy Stewart of Lubbock, who placed second.

This plays lake in southern Parmer County was turned into a resort-type lake the past Sunday by these water ski enthusiasts. With up to 10 inches of moisture measured in places in the county in recent weeks, it's getting to where you don't have to go far in order to go to "the lake," as most of the county's wet-weather lakes have filled up. Boats were even seen this week on "Reeve Lake," adjacent to the northwest city limits of Friona.

FRIONA, TEXAS THURSDAY, JUNE 24, 1965 TEN CENTS

THE STAR

VOLUME 43 NUMBER 39 12 PAGES

Last week we were a few of the 12,500 people who go through Six Flags Over Texas every day. As expected, since we had a four-year-old along, we spent a good bit of our time loving the baby animals in the petting zoo. We never cease to be amazed at baby pigs who stand around letting people scratch their backs. They sure weren't that docile down on the farm.

We think Six Flags is one of the finest attractions in Texas and well worth the money to make the trip. Practically all the employees are high school and college students who depend on Six Flags for summer employment. And, we might add, they do a mighty fine job of entertaining the customers and keeping the place spotlessly clean.

There have been a few new attractions added since our last trip but the Spanish sawmill seems to remain as the top attraction and has the longest waiting lines. Guess people just like to get wet!

At the Texas Press Association Convention in Dallas, your home-town paper brought a third in appearance and third in editorials. We hope to get back in the first place bracket at next year's contest, but meanwhile we're proud to be ranked among the top three in our state in at least two divisions.

The National Editorial Association, which usually holds its annual conventions somewhere back East, met jointly with the TPA in Dallas last week. Surprisingly, I met up with a lady journalist from the San Mateo Daily. We'd worked together on the paper five years ago when I lived in California. Certainly never expected to see anyone I knew in NEA.

Due to the combination NEA and TPA convention, we met people from just about every state in the U. S. and found out that most of them have a rather stereotyped idea of Texas. All we talked to said "Why, this doesn't look like the Texas we all know."

Of course the area in and around Dallas is not typical of the entire state, anymore than is the wide-open space of the Caprock. Guess they would have really been surprised if they'd seen the industrial areas on the Gulf Coast or the piney woods of East Texas. One abundant lady from Georgia asked, "Where ah all the 'all' wells?" Said she wasn't leaving Texas until she got to see at least one well.

Here's a column note we clipped from the Avalanche Journal especially for all our friends at the Friona State Bank:

IF YOUR friendly bank teller has a nervous smile these days, it might be because he fears he can be replaced by a machine says a technical magazine.

(Continued on Page 2)

WITH WEATHER

Wheat Farmers Playing 'Beat The Clock' Game

Friona area wheat farmers, with an eye skyward, began the 1965 wheat harvest during the past week, being again slowed in some sections by showers.

The unharvested wheat was threatened on Monday by a wicked-looking cloud which moved in at about 7:30. At 8 p. m. a heavy rain accompanied by light hail began falling in Friona.

Fortunately, the hail was both light and localized in nature. A total of .52 inches of rain was measured in Friona, although the rain cut a relatively narrow swath through the area, and many farms received little or no moisture from the system. The harvest, already delayed

somewhat by wet weather, had finally gotten started toward the last of the week in the Friona area.

Earl Jameson and W. M. Masste brought in the first loads of wheat in Friona last Wednesday and Thursday. Jameson who had a small one-acre patch at his place just north of the Friona city limits, brought a 2,000-pound load to Continental Grain Company last Wednesday morning to claim "first wheat" honors.

Jameson's wheat tested 60 pounds to the bushel, 16 per cent moisture, and made 33 bushels. "It would've been better except for hail and damage by birds," said Jameson, who irrigates the small plot with tailwater from a neighboring farm. He received a premium for having the first load.

Masste brought the first load of wheat to Friona Wheat Growers on Thursday.

Monday night's shower caused most wheat farmers another delay, although those to the north and south of the "shower line" began bringing wheat in again Tuesday afternoon.

Another threatening cloud looked like a possible "repeat performance" on Tuesday, but it passed over, and farmers breathed a sigh of relief.

Meanwhile, cotton and maize are making good progress, thanks to recent rains, and sugar beets are off to another good start.

Some farmers in the southern part of the county have been forced to plant over in recent weeks, but most have their crops up and started again.

No yield pattern has been developed for the wheat, although irrigated wheat is expected to do better than it has in the past few years, in spite of slight hail damage in spots, and another dry winter.

Temperatures

Date	Max.	Min.
June 16	86	67
June 17	84	66
June 18	85	58
June 19	86	62
June 20	88	60
June 21	88	57
June 22	85	58

Moisture: .52 inches June 21. Total 4.67 for June; 9.11 for year.

Earl Jameson, left, may not have had the largest wheat acreage in the Friona area, but he got to the elevator first. Jameson, who brought the fruits of his one-acre patch to Continental Grain Company last Wednesday, is being congratulated by Continental manager Jim Johnston.

Adults Needed For Camp Trip

Pete Hollis, scoutmaster of Friona Boy Scout Troop 56, this week sent out an SOS to Friona men who can help the troop by accompanying the boys to Camp Don Harrington for one or more nights July 4-10.

This will be the annual camping trip for the boys, and Hollis needs adult help for the outing. Those who can go are urged to contact either Hollis or Porter Roberts or Steve Messenger.

Hale Center's debt of gratitude can never be repaid. This was the conclusion of the Chamber of Commerce and Agriculture Board as they surveyed the list of those who came to our aid following the June 2 tornado disaster.

To the extent possible a register was maintained of the hundreds of cities, communities, business concerns, organizations and individuals that gave so much and worked so hard during those horrible days of havoc and ruin. By their many contributions of sharing what they possessed, giving of their time and ability and rendering their many services, our burdens and sorrow and suffering was made much lighter.

The Chamber of Commerce speaks for Hale Center in expressing to all our friends and neighbors, wherever they may live, our most sincere and deep appreciation and thanks. In spite of the tragic and sorrowful results it is extremely rewarding and gratifying to know that the concern of our fellowman is the spirit by which we live.

Although the list of those who helped us is numbered in the hundreds, it is by no means complete. We regret our inability to say a personal "thank you" to each community, organization, business and individual. But may we, by this method, let you know how we the people of Hale Center appreciate all that has been done.

May we also express our regrets that hundreds of you came in person, only to be turned back at points of entrance to the city. We sincerely hope you will understand the necessity for these precautions.

Through the efficient and untiring efforts of the Department of Public Safety, the State Highway Department, County and Local Commissioners, County and Local Law Enforcement Agencies and Military Organizations from throughout the area, looting and other depredations within our town was held to a very minimum. For this we are deeply indebted to those organizations.

Signed By The Board of Directors and Manager, Hale Center Chamber of Commerce and Agriculture Board; Bill Freeman, President; Gerald Lee, Vice President; Walter Struve, Treasurer; H. L. (Lee) Dent, Jr., Manager; and Directors - Johnny Feagan, Kit McDaniel, Jr., Tom Rambo, H. M. Bell, W. B. West, Kenneth Hodges, Gordon Russell and Leroy Wilkinson.

Dear Editor:
I wish to take this opportunity to say one final "Thank You" to the residents of Friona. I am deeply indebted to you, for without your support the whole exchange student program could not exist, and this wonderful experience would not have been mine.

Dear Ole' Friona High has bestowed so much thoughtfulness and many kindnesses upon me. I'm sure I could not have

Funeral Services Held June 15 For Brannon

Funeral services for E.B. Brannon, 78, a resident of the Friona area since 1929, were conducted from Sixth Street Church of Christ at 3 p.m. Tuesday, June 15, with C.J. Horton officiating. He was assisted by Frank Duckworth, Muleshoe, Brannon, who moved to Parmer County from Sasakwa, Okla., died at Parmer County Hospital at 8:45 p.m. Sunday. He was born March 7, 1887 to Frank Brannon, a farmer, and Caroline Brannon, and attended the public schools in Sasakwa before Oklahoma became a state. He was married to Pearly Gertrude Lee at Holdenville, Okla., in November 1914.

Children born to the couple were Dorothy May, Refford Ray, Earnest Arthur, Dimple LeVada, Elthie Morene and Dan Junior. The family lived on a farm in the Hub community and he was actively engaged in farming until his retirement in 1945.

The following story appeared in Pioneers of Oklahoma, published in 1927:

"Trained in the rigorous school of construction (railroad) and in the unending labor demanded of a farmer, E.B. Brannon of Sasakwa found himself one of fortune's favorites when oil was discovered in paying quantities surrounding his lands.

Speculators and investors met their match in keenness of business intellect when dealing with him. Yet all found him to be a man of absolute fairness

had a finer bunch of classmates than the '65 seniors and I wish them every happiness. I am grateful to the local American Field Service chapter for its interest and guiding hand. I really have enjoyed the number of opportunities which I have had to talk to the clubs about my beloved Australia.

So many people have been so very kind in welcoming me into their homes and touring around that I find it is very difficult to express my appreciation. If, by chance, I've overlooked sending a thank you note at any time during my stay, please accept these words as my very grateful and personal thanks for this whole wonderful year.

Sincerely yours,
Brenda Hawker
P.S. Come to see me some time.

E.B. BRANNON

still administers with skill and justice. He is a member of the Church of Christ."

Survivors include his wife, Pearl, three daughters, Mrs. Wess Smith, Bovina, Mrs. L.R. Hand, Friona, and Mrs. Johnny Hand, Friona; three sons, Refford and Arthur Brannon, both of Odessa, and Dan Junior Brannon, San Diego, Calif.

Burial was in Friona Cemetery under direction of Claiborn Funeral Home.

Baptists To Have Lay Preacher Here Sunday

Raymond King, Lubbock businessman, will preach both services Sunday at the First Baptist Church, in the absence of the pastor, Rev. Bill Burton.

The pastor and his family left Friona this week to attend the

Star Lites . . .

(Continued from Page 1)

An automatic bank teller has been perfected that accepts for deposit coins, checks and bills, but rejects counterfeit, and gives a receipt.

It all sounds very efficient and modern, but we doubt that the banking public will welcome the automatic teller just yet. The machine can't smile at the customer in that friendly sort of way which makes him feel that this is a good bank to do business with, and what is more important, it can't cash checks!

Sherri Tannahill Gets Office At Girls State

Sherri Genelle Tannahill of Friona, a citizen of the American Legion Auxiliary Bluebonnet Girls State, now in progress in Austin, at the Texas School for the Blind, was elected "County School Superintendent of Declare County," in the convention's mock election. She is the daughter of Mr. and Mrs. C.W. Tannahill and was sponsored to Girls State by the local American Legion Auxiliary Unit #206.

Girls State was organized as a national Americanism activity in 1937 by the American Legion Auxiliary. Non-partisan and non-political, the purpose of the Girls State Program is to provide citizenship training for girls of high school age, to afford them an opportunity to live together as a self-governing group and to inform them of the duties, privileges, rights and responsibilities which they will assume when they become adults. They learn the problems of government by performing the same duties as real office holders in the every day world. Citizens are selected at local levels principally on a basis of character and leadership from students who have just completed their junior year in high school each year.

The 1965 Session of the American Legion Auxiliary Bluebonnet Girls State has grown from an experimental conference of 94 girls, held at Baylor University in 1941, to

become the largest single extracurricular educational program for high school girls in Texas. This year, 400 girls are in attendance, plus two from Mexico City, making a total of 6,800 girls in Texas who have participated in this top-level citizenship program.

Associate Justice Meade Griffin of the Texas Supreme Court will administer the oath of office to the various elected state officials of Bluebonnet Girls State Monday, June 21, in the Rotunda of the State Capitol.

Climaxing the session will be the selection of two outstanding Citizens of 1965 who will be sent to Girls Nation in Washington, D.C. by the American Legion Auxiliary, where the two young representatives will continue their study in responsibilities of the Republic.

TAKE ACTION AGAINST

IN THE WOODS

Each year, malicious woods burners destroy millions of dollars worth of jobs and raw materials. They burn thousands of acres in scenic beauty, recreational facilities, and wildlife areas. How can you fight these malicious acts? Encourage greater appreciation of our woodlands, and help build stronger public opinion against arsonists. Report any evidence of arson in the woods to your local authorities, and support strong law enforcement.

Friona Teacher Takes Part In Summer 'Lab'

The Roaring Fork Valley at Aspen, Colo., is a field laboratory this summer for a Friona High School teacher and 31 other biology teachers who are rediscovering for themselves the excitement of studying and carrying out research in the forests and streams of the area.

Claude H. Spears, 604 Grand, Friona, of Friona High School is one of 32 teachers from 15 states taking part in the fourth annual Summer Institute in Field Biology, sponsored by Colorado College of Colorado Springs in cooperation with the Aspen Institute for Humanistic Studies.

Spears and the other teachers will spend eight weeks doing field research under the direction of some of the nation's

leading scientists. The institute is sponsored by a grant from the National Science Foundation.

Dr. James H. Enderson, assistant professor of biology at Colorado College said the "why" and "how" aspects of field biology take precedence over the more common "what" approach.

Colorado College runs two other summer science institutes under National Science Foundation sponsorship on its campus at Colorado Springs, Colo. One is for 70 high school science and mathematics teachers, the other is for high ability high school juniors.

Most species of sharks bear living young, called pups.

'COMON OUT' — Play time calls for cool and comfortable cottons. Dan River's peach and white striped Hoya cloth is teamed with coordinating solid peach for this trim outfit. Made from McCall's Pattern 6663, it's included in the "Cavalcade of Cottons" loan wardrobe offered by the National Cotton Council, P. O. Box 12285, Memphis, Tennessee.

Parmer Students Enroll For LCC's Summer Term

Sharon Dean, of Friona and Johnny Mabry, of Lazbuddie, have enrolled in the first session of summer school at Lubbock Christian College, Lubbock.

Miss Dean is a May graduate of Friona High School and will be a freshman at LCC. She is the daughter of Mr. and Mrs. Lester Dean, Friona. Mabry is a May graduate of Lazbuddie High School and is the son of Mr. and Mrs. James D. Mabry of Lazbuddie community.

This semester's enrollment at LCC has broken all previous enrollment records. Last year at this time 143 students enrolled in comparison to the 190 this year. LCC is a liberal arts junior college in its eighth year. It opened in 1957.

The young school has received full accreditation from the Southern Association of Colleges, one year ahead of schedule.

The students represent 96 towns in eight states and eight foreign countries.

"Even though they haven't a leg to stand on rumors have a way of getting around."

Distemper is commonly considered a form of influenza.

City Manager Jake Outland is shown presenting service certificates to two employees of the city with a total of 25 years of service to the city. In the center is Arch M. (Pete) Hollis, an employee of the sewer department, who has been with the city 15 years and P. C. Aragon, right, street department, received a 10-year certificate.

M MOORE'S SUPER MARKET M

New Caparol controls weeds in cotton at layby without residue problems in crops planted next spring.

You can spray new Caparol* at layby for control of most annual broadleaf weeds and grasses, without fear of a soil residue carryover to harm crops planted in the spring of 1966. Just apply Caparol after your cotton is up six inches or more and before weeds are two inches high.

Spraying Caparol at layby will give you control until your cotton is up high enough to shade out any weeds that may germinate late in the summer. You can even apply Caparol where other herbicides have already been used and you find weeds breaking through.

Caparol is easy to handle and apply. Just direct the spray at the base of the cotton plants. You'll get quick knockdown of the young weeds and grasses. Then the action of Caparol continues to control

weeds and grasses through the roots as they germinate for the next several weeks.

With Caparol on the job, you won't have weeds to compete for moisture and plant food. And you won't have rank weeds to foul up harvesting . . . to stain and downgrade lint.

So plan now to use Caparol at layby. It's available through your local supplier.

CAPAROL is a trademark of the Geigy Chemical Corporation for its brand of PROMETRYNE herbicide.

Geigy Agricultural Chemicals, Division of Geigy Chemical Corporation, Saw Mill River Road, Ardsley, New York.

CARD OF THANKS

Sunday, June 13, 1965, following sunset, suddenly the hand of our Saviour beckoned our precious one to a land where the sun never shines for He is the light.
This should have been a time of rejoicing. Inadequacies which are a dominant factor in the lives of mankind have caused our heads to bow in sorrow and our hearts to fill with grief.
The final tribute accorded him by friends, far and near, has made his departure easier to bear.
If our beloved E. B. could speak, his word would be an humble expression of thanks, Webster's dictionary has no definition of this six letter word to aptly express the appreciation he would feel in his heart for friends who administered to our comfort and every need with marked efficiency.
Will you accept our humble words of appreciation for telegrams, telephone calls, friends who prepared our meals morning, noon and evening and contributions to his memorial fund.
We are also grateful to the men who kept a lonely vigil at his bier throughout the nights and the floral offerings and words of comfort.
May peace go with you, our friends.
E. B. Brannon family 39-1tc

County Old Age Benefits Total \$35,569 Per Month

Monthly old-age, survivors, and disability insurance benefits in Parmer County now total \$35,569, Hal Geldon, District Manager of social security in Amarillo, said today on releasing his annual county benefit data report.
The new monthly figure represents an increase of \$3485 per month over the corresponding period last year.
"This increase can be attributed to the changes in the law in recent years, as well as to the growth of our aged population," Geldon said. "This money stimulates county business; most of it is spent for food, clothing, and shelter."
"There is no longer any doubt, Social Security benefits are helping to stabilize the income and spending power of many residents in Parmer County."
Monthly benefits first became payable in January 1940, and they have continued without interruption for years, accompanied by a steady growth in the number of beneficiaries. Geldon noted that as of January 1, 1965, some 589 Parmer County residents were collecting about \$426,820 annually from social security, an increase of \$41,820, annually over the same date last year.
As of January 1965, in the nation at large, more than 19 million beneficiaries were receiving payments at the rate of over \$1.3 billion per month. The average monthly old-age retirement benefit in January was \$77.57 for all States, while in the State of Texas the average was \$69.43, Geldon said.
The following table shows the number and amount of each type of monthly benefit paid in Parmer County, as of December 31, 1964:

Beneficiary Group	Number of Beneficiaries	Total of Payments
Retired Worker	269	\$20,280.00
Wife or Husband	129	4,897.00
Widow or Widower	48	2,831.00
Mothers, Children, & Parents	121	5,494.00
Disabled workers and dependents	23	2,065.00

Seven administrative districts, each headed by a district forester, are responsible for the activities of the Texas Forest Service. District headquarters are located at Linden, Henderson, Lufkin, Woodville, Kirksville, Comstock, and College Station. The general public can receive assistance on their forest management problems by contacting the district forester at any one of these locations.

Statistics maintained by the Texas Forest Service show that there are 926 primary and secondary wood-using plants in the state.

Visit From LBJ High Point For FHS Youth

A surprise visit from President Lyndon B. Johnson on the White House lawn highlighted a tour to Washington, D. C., for Tommy Sherley of Friona and Maura McAndrews of Hereford, June 9.
Winners of an oratorical contest sponsored by Deaf Smith County Electric Cooperative, Tommy and Maura gathered in the Rose Garden of the Executive Mansion with more than 700 rural youth from all over the nation.
"We are part of the volunteer generation," the President told the youth group referring to 90,000 men and women of the peace Corps serving in 46 countries. "We have no war except the war on war," he said.
The audience with the President climaxed three days of sightseeing, meetings and educational activities for Maura and Tommy who returned home Monday, June 14, laden with souvenirs and mementos of the ten day Government in Action Youth Tour to Washington.
Among their souvenirs is a set of slides which they will be happy to present before any group upon request.
On the return bus trip the Texas youths toured Norris Dam in Tennessee where they learned of the development of the Tennessee Valley Authority. This stop included a cable car ride to the top of Lookout Mountain near Chattanooga.
A party honoring the 63 tour winners from Texas was held in Shreveport, Louisiana, on the eve of arrival back in Dallas, their departure point, on June 14.

Mrs. Charles Gray of Albia, Iowa, a former resident of Friona, spent the weekend visiting her mother, Mrs. A. A. Crow and other relatives and friends.

Signup Is Set Friday For Final Swim Lessons

Friday, June 25 will be the final opportunity for signing up for swimming classes in Friona for the summer.

Baker Duggins, instructor, announces that enrollment will be held at 9 a. m. Friday at the Friona Dive-Inn pool.

Duggins announced that Kathy Jones and Susan Neill had completed their senior lifesaving course, Rusty Lindeman, Hutch Watkins, John Hoover, Rex Talley, Jan Shirley and Leslie Jarecki completed the junior lifesaving course.

Besides co-captains Texas Tech's 1934 basketball team, Polk Robison, now Tech athletic director, also was player-coach of the tennis team.

Certificates will be mailed to those who met Red Cross requirements for certification. Besides the two lifesaving courses, Duggins offers beginning and advanced beginning and intermediate swimming lessons. Charge if \$15 for 15 lessons.

Frionans Attend Final Services

Word was received in Friona early this week of the death of Mrs. S. J. Bennett of Elkhart, Texas. She was the mother of Mrs. W. F. Buske.

Mr. and Mrs. W. F. Buske and Mrs. W. D. Buske attended funeral services for Mrs. Bennett Tuesday afternoon.

Results Listed In First Annual 4-H Horse Show

The first Parmer County 4-H Horse Show was held Wednesday, June 16 in the Bovina Roping Arena. There were 38 horses entered by 30 contestants in the show.

The judge for the show was Herb Howell of Bovina.

The show climaxed 6 months work by the 4-H members and horse leaders in this program. There were 16 members who earned points in the show and they are eligible to attend the District 4-H Horse Show to be held in Dumas on July 10.

The District show is held to determine the members who are eligible to go to the State 4-H Horse Show. The State Show will be held in the State Fair Park Coliseum, Dallas, on August 12 and 13.

Members eligible to attend District and the points they won are: Letha Templar, 1 point; Loy Dale Clark, 3 points; Royce Sisk, 3 points; Darlene Denney, 3 points; Dexter Garner, 3 points; Milton Walling, 3 points; Kenny Carter, 1/2 point; Loy Christian, 1/2 point; Brad Jordan, 1/2 point; Mike Buchanan, 1/2 point; Dennis Fallwell, 1 point; Joe Fallwell, 1/2 point; Danny Carthel, 1 point; Rusty Lindeman, 2 points; and Joe Mark Malloy, 1 point.

The show results follow:
Class 1, Registered Quarter Horse Mares, 4 years of age and over - first, Loy Christian with Cheyenne Beal; second, Letha Templar with Donna's Bando; third, Dennis Fallwell with Miss Quin Ann.
Class 2, Registered Quarter Horse Mares, under 4-first,

Dennis Fallwell and Miss Hub, second, Randy Kirkpatrick with Lily Ford; third, Nancy Hutto with Maybe Sixteen; fourth, Randy Barrett with Bartender's Luck; fifth, Deborah Hawkins with Miss Gray Van.
Class 2A, Registered Thoroughbred Mares - first, Joe Fallwell with E. E.'s Pride; second, Dennis Fallwell with Sudden Panic, Class 3, Grade Mares under 14-1 hands - first, Danny Carthel with Ginger; second, Bruce McCuan with Grey Sigh; third, Al Kerby, Jr. with Dolly; fourth, Linda McVey with Babe.

Class 4, Grade Mares, 14-1 hands and over - first, Kenny Carter with Miss Kitty; second, Wesley Harris with Betsy.
Class 5, Registered Geldings 4 and over - first, Brad Jordan with Bar Bid; second, Milton Walling with Pruner; third, Derek Garner with Joe Nelson.
Class 6, Registered Geldings under 4 years - first, Dexter Garner with Bud's Hunk; second, Ernestine Templar with Brave Dave; third, Dennis Fallwell with Quin's Jo, Class 7, Grade Geldings under 14-1 hands - first, Joe Mark Malloy with Skeeter; second, Loy Dale Clark with Billy Buck; third, Milton Lee Walling with Pepsi; fourth, Manuel Quintana with Rusty; fifth, Howard Denney with Tex; sixth, Royce Sisk with Duke, seventh, Mike Buchanan with Jughead.

Class 8, Grade Geldings 14-1 hands and over - first, Rusty Lindeman with Shorry; second, Milton Walling with Dunit; third, Dexter Garner with Whistle Bitches; fourth, Brad Jordan with Baldy; fifth, Raymond Quintana with Brownie; sixth, Loy Christian with Frosty; seventh, Galen Carson with Brownie; eighth, Darlene Denney with Ginger; ninth, Christie Trimble with Smoky, Class 9, Showmanship Class - first, Milton Walling; second, Dennis Fallwell; third, Randy Barrett; fourth, Loy Dale Clark; fifth, Dexter Garner; sixth, Joe Fallwell; seventh, Christie Trimble; eighth, Kenny Carter; ninth, Danny Carthel.

JAY M. TURNER
Jay M. Turner Receives Medal

Fifty-four cadets received sixty-two awards at the annual ROTC Day Awards ceremony held at 2:30 p.m. Friday, May 28, 1965 on the New Mexico Military Institute North Parade Grounds.

Cadet Jay M. Turner, son of Mr. and Mrs. Olen Turner, Route 1, Friona, received the Fuller Medal for the most improved team member.

Hearts and Hunting

These two high point winners are eligible to use a free stud breeding service that was donated to County 4-H Horse Program by Jess Walling of Bovina. These members have until January 1, 1966 to decide if they wish to use this stud service. If they don't, then the award will be passed down to the next members in line.

Lubbock -- In Texas Tech's season opener of both 1963 and 1964, halfback Donny Anderson scored touchdowns bringing the Red Raiders from behind.

As a sophomore, Anderson returned a De Mathieson pass 43 yards for the touchdown that gave Tech a 12-7 lead over Washington State. The Raiders last fall were trailing Mississippi State 7-6 when Anderson completed a 68-yard scoring pass play from quarterback Tom Wilson again sending the Raiders ahead 12-7. Tech went on to win both games.

Texas Tech plays seven home games this fall, the first time that many have been scheduled for Lubbock since 1938, when Tech went to the Cotton Bowl, Jones Stadium will be the site for games with Kansas, Texas A&M, Texas Christian, Oklahoma State, Rice, New Mexico State, and Baylor.

Huckleberry trees grow near Matagorda Bay in Texas.

Miss Donna Fulko Becomes Bride Of Jackie Nelson Lee

MRS. JACKIE NELSON LEE

Miss Donna June Fulko became the bride of Jackie Nelson Lee Friday evening, June 18, in a double ring ceremony performed by Rev. Russell McNally in the Friona Methodist Church.

Parents of the couple are Mrs. Neal Fulko, Friona, and the late Neal Fulko and Mr. and Mrs. Carl Lee of Summerfield.

The altar of the church was decorated with candelabra and baskets of white pom poms and feathered chrysanthemums arranged around a white and gold kneeling bench.

Traditional wedding music was presented by Miss Karen Sue Osborn, organist, who also accompanied Miss Sheryl Long as she sang, "Whither Thou Goest" and "The Wedding Prayer."

Miss Virginia Fulko, Friona, sister of the bride, was maid of honor. Bridesmaids were Mrs. Glenn Reeve Jr., Friona, sister of the bride and Mrs. Donald Shelton, Dimmitt, sister of the groom.

Bridal attendants wore street length dresses of mint green cotton satin designed identical to the bride's gown with matching green shoes. Their bows were made of matching material with a circlet veil of mint green tulle. A long stemmed red rose was carried by each attendant.

Janna Reeve, niece of the bride, was the flower girl. Ring bearer was Matt Howell, Dimmitt, nephew of the groom. Candelighters were Glenda Reeve, Friona, niece of the bride, and Dennis Sargent, Hereford, nephew of the groom.

Best man was Wayne Lee, Tulia, brother of the groom. Groomsmen were Jackie Clark and S. D. Baize Jr., Friona, cousins of the groom. Ushers were Johnny Tannahill and Jimmy Rose, both of Friona.

The bride, given in marriage by her brother, Bobby Fulko, Friona, chose a formal wedding gown of off-white brocade with a scooped neckline and long pointed sleeves. A cummerbund, caught with a large bow in the back, enhanced the bodice, which buttoned down the back and the bell skirt extended into a chapel train.

Her bouffant finger tip veil of silk illusion was attached to a crown of seed pearls and she carried a cascade of white roses atop a white Bible.

For something old, on her right hand she wore a 75 year old gold wedding band which belonged to her great aunt. Her bridal gown was new. She borrowed a white Bible from Marylene Massie of Friona and for something blue she wore the traditional blue garter. She also wore a sixpence in her shoe.

Following the wedding ceremony, a reception was held in Fellowship Hall of the church. The bride's chosen colors, mint green and white, were carried out in the decorations.

Refreshments were served by Mrs. Bobby Fulko, Friona, sister-in-law of the bride, and Mrs. Wayne Lee, Tulia, sister-in-law of the groom.

Mrs. Lee is a 1965 graduate of Friona High School and her husband is a 1963 graduate of Hereford High School.

Following a brief wedding trip to points of interest in New Mexico, Mr. and Mrs. Lee are at home at 1312 Euclid Street, Friona. He is employed by Friona Consumers, Inc.

Checking out the 800th book since the Friona Public Library has been open for the summer is Alexis Ragdale. Checking the book for her is Madalyn Binger, who is working at the library during the summer.

Kitty Black Honored With Bridal Shower

Miss Kitty Daylene Black, who will become the bride of DeJon Gallman of the Lazbuddie Community Saturday, July 10, was guest of honor at a bridal shower in the home of Mrs. G. B. Buske from 3 to 5 p.m. Monday.

The serving table, which was covered with white net over white satin, was centered with an arrangement of yellow fuji mums and agapanthus interspersed with silver wedding bells lettered with the names of the bridal couple and the wedding date.

Miniature mums in the same shade of yellow and arrangements of large fuji mums at focal points completed the decorations. Lemon float and individual cake squares were served.

Hostesses were Mesdames Buske, Paul Fortenberry, Noyle Wood, Jack Shirley, Paul Daniel, Jack Tomlin, Wes Long, T.L. Burleson, Ralph Smith, R. E. Snead, Bill Stephens, John Renner, Kenneth Neill, Mae Magness, Ralph Roeden, C.W. Tannahill and Ralph Taylor.

Those attending and sending gifts were Mesdames G. H. Brock, Lloyd Prewett, George Taylor, Bert Chitwood, E.S. Euler, T.E. Lovett, Clyde Hays, T.E. Wood, A.W. Wood, Harold Taylor, C.W. Dixon, L.R. Dillinger, W.D. Buske, Herschel Johnson, Dean Bingham and John Bingham.

Also Mesdames J.B. Taylor, D.H. Carson, Steve Struve, Jim Roy Clements, Dave M. Thompson, Spencer Hough, Jackie Hight, Bert Shackelford, Charles Allen, Dan Ethridge, O.F. Lange, Roy V. Miller Sr., Jimmy Maynard, John Hand, B. McClain, H.E. Lindley, Dean Awrey, Andy Hurst Jr., Olan Turner, Leroy Johnson, Connie Kay, J.T. Gee and Dalton Caffey.

Cleatus Rhodes, Wesley Hardesty, and J.B. Snead. Also Mesdames Nelson Weich, Hop Lewis, M.C. Osborn, Claude Osborn, Sloan Osborn, A.S. Grubbs, Calvin G.B. Buske from 3 to 5 p.m. Monday.

(Continued on page 9)

Young Homemakers Make Plans For Convention

Area I Young Homemakers will convene on the campus of Wayland Baptist College June 28 for a three day program of activities and classes.

Plans for Mrs. Jimmy Mahry, president elect of the Friona chapter, to attend the convention were made at the Thursday afternoon meeting in the home economics department of Friona High School.

Mrs. W.D. Buske, president, had charge of the meeting. Roll call was answered with a favorite flower. Reports were given by chairmen of the finance and projects committee.

The program on arrangements of flowers was presented by Mrs. Darell Thompson. The fundamentals of making several different arrangements were demonstrated and some finished arrangements were on display. The proper methods of preparing permanent flowers and fresh flowers were explained.

Guests were Mrs. Wesley Cunningham and Mrs. Ronald D. Clark.

Mrs. Lloyd Chester and Mrs. Troy Sharrock were accepted as new members.

Others present included Mrs. David Edgington, Beth Ashberry, Mrs. Richard Adkins, Mrs. Harold Ballis, Mrs. Eugene Bandy, Mrs. Rex Blackburn, Mrs. Jerry Brown, Mrs. Bearledean Broyles, Mrs. Larry Fairchild and Mrs. Teddy Fangman.

Also Mrs. Lewis Gore, Mrs. Thomas Gibson, Mrs. O'Neil Green, Mrs. Joel Landrum, Mrs. Jimmy Mahry, Mrs. Leon Massey, Mrs. Keith Brock, Mrs. Larry Moyer, Mrs. Bill Raybon, Mrs. Don Reeve, Mrs. D.E. Renner, Mrs. Darell Thompson, Mrs. V.R. Wilcox, Mrs. Dale Williams and Mrs. Calvin Dozier.

Refreshments of lime punch and fruit cocktail cake were served by Mesdames Lewis Gore, D.E. Renner and Keith Brock, hostesses.

Hospital Notes

June 15 - 21, 1965

ADMISSIONS: Rosa Anderson, Friona; Debbie Erdman, Friona; Belen Valdez, Friona; Kay Heel, Friona; Joyce Dyer, Bovina; Jacob Everett, Lazbuddie; Susie Garcia, Friona; Patsy Lance, Bovina; Juanita Bruce, Muleshoe; Robert Williams, Bovina.

DISMISSALS: Dimple Hand, Leo Ruzicka, Sr., Joyce Hasseloff, Minnie Mones, Rosa Anderson, Leona Tohm, Luella Maurer, Anna Belle Gonzales and baby girl, Verna Fay Davis, Nola Ivy, Belen Valdez and baby girl, Debbie Erdman, Joyce Dyer and Iona Harris.

Church Officers Are Guests Of Pastor

Deacons and their wives of the First Baptist Church were guests in the home of the pastor, Mr. and Mrs. Bill Burton, last Friday evening.

Following a business session, the group enjoyed ice cream and cake. Present were Mr. and Mrs. Raymond Cook, Kenneth Neill, Mr. and Mrs. G. B. Buske, Paul Fortenberry, Wesley Hardesty and Jana Sue, George Taylor, Clyde Hays, John L. Ray, J. B. Snead, C.W. Dixon, Curtis Murphree and the hosts.

Mrs. Foster Rector, a surgical patient at Northwest Texas Hospital at Amarillo, is making satisfactory progress and expects to be dismissed from the hospital later this week.

Church Group Meets Friday

The Friday afternoon meeting of Interdenominational Churchwomen of Friona will begin at 2:30 p.m. at Friona Methodist Church. Mrs. Roy V. Miller Sr. of First Baptist Church will be guest speaker.

A member of Union Congregational Church, Mrs. Floyd Schlenker, will present the devotional. All women of the area are invited to attend the meeting by Mrs. R. E. McKee.

Local FHA Students Attend Tech Workshop

Twenty members of Friona's FHA chapters attended a two day workshop on the Tech campus at Lubbock Tuesday and Wednesday of last week.

They were accompanied by Mrs. Dalton Caffey and Beth Ashberry, sponsors. Mrs. D. L. Carmichael, Mrs. Jake Outland and Mrs. Bill McClothlin also accompanied the group.

Chapter members attending were Sharen Awrey, Brownie Cole, Lou Cochran, Frieda Floyd, Susie Carmichael, Linda Fallwell, Darlene Wilson, Darla Howell, Cindy Ingram, Kara Beth Skiles and Gay Wily. Also Terri Lynn Wilson, Linda Outland, Carolyn Hamilton, Janet Rushing, Judy Phipps, Gail McClothlin, Glenda Mungus, Karene Milner and Pat Tannahill.

Linda Fallwell participated in a youth leadership demonstration conducted by Robert T. (Sonny) Davis. Sharen Awrey assisted Jerry Dan Helton of Cooper High School in Abilene, state second vice president presenting a report on degree work. The group returned to Friona Wednesday.

Kim Buske, a student at Texas Tech in Lubbock, visited his parents, Mr. and Mrs. G. B. Buske during the weekend.

ELECTRIC POWER

wherever it is needed!

Motivated only by the needs of the consumer, cooperative electric systems are proud of their efficiency and ingenuity. Recently a co-op hired a helicopter to do a five-week job in two days.

Providing scattered consumer-members with electric power often requires extra effort, but we know from first-hand experience that bringing electricity to a new area benefits the entire community.

Teentime Ends Friday Evening

Teentime, the youth rally being held in conjunction with Vacation Bible School at Calvary Baptist Church, will continue through Friday evening of this week.

Fifty-four young people of the community are enrolled and others are invited by Mr. and Mrs. Dale Westbrook, sponsors, to attend the final sessions.

Meetings begin at 7:30 p.m. each day and a Bible lesson is presented by Rev. Jake Armstrong, pastor of the church. Thursday evening the group will attend a rally at Longview Baptist Church then on Friday the guest speaker will be Gil Lamb of KMLL, Muleshoe.

MRS. ROSS MILLER

Mrs Miller Heads Study Club

Mrs. Ross Miller was elected first president of the newly formed New Horizons Junior Study Club at the Thursday afternoon meeting at Federated Club House.

Mrs. Pat Ferguson was appointed federation council delegate. Mrs. Baker Duggins, Mrs. M. C. Osborn and Mrs. Ray Dean Fleming, members of Progressive Study Club, assisted with the meeting.

4-H Girls Study In Bauer Home

One of the groups of 4-H girls enrolled in "Clothing Unit 1" are meeting with their leaders Tuesdays and Fridays in all-day sessions in the home of Mrs. Franklin Bauer.

Pink Panthers Win Contest

During the recent Bible School at Calvary Baptist Church an attendance contest was directed by Mrs. Bill Sheehan. Six teams were in competition. Winners of the contest were the Pink Panthers, whose team members were Randy Dorrell, Danny Parson, Larry Fallwell, James Sims, Milton Carlton, Reginald McNeely, Claude McMurtrey, Roy E. Mills III, Roger McNeely and Gene Snyder.

Salad Supper Highlights First Conference Meeting

The Woman's Society of Christian Service of Friona Methodist Church met in Fellowship Hall of the church Wednesday evening for a salad supper.

Kitty Black--

(Continued from page 8)

Also Mesdames Henry Lewis, Wright Williams, Phillip Weatherly, W.M. Masie, Leslie Caroland, H.P. Caroland, L.C. Caroland, Don Shipley, Loraine Gallman, Loyde Brewer, W.R. Mabry, John L. Ray, Ray White, James McLean, John Burrow, Bill Baxter, M.A. Snider Jr., B.C. Vernon, H.D. Mayfield, Jobey Claborn and John Bengler.

Also Mesdames Harold Lillard, Eugene Boggess, A.D. Stowers, Hoyt Smith, Curtis Murphree, Wesley Foster, Paul Hall, Hardy May, David Smith, Leon Hart, C.S. Crow, M.M. Elder, C.L. Vestal, H.L. Outland, Milburn Bennett, Rudolph Renner Jr., Denny Bennett, M.L. Martinez, Jake Lamb and Tom Pruitt.

Also Mesdames D.L. Carmichael, Bill Turner, Dorothy Hough, Robert Ivy, Arthur Drake, George Jones, Loyd Shackelford, Steve Messenger, B.E. Sanders, Ray Landrum, J. B. Douglas Jr., Estis Bass, F.W. Barnett, L.R. White, Bill Beene, Robert Zetzsche, Pat Busby, Hop Lewis Jr., Sam Mears, Clyde Tims and Charles Sanders.

Also Mesdames W.F. Buske, Bill Burton, Stanley Bengie, Glen Williams, Lee Cranfill, Ed Hicks, Gilbert Wenner, Lucy Jones, O.L. Rankin, Harry Hamilton, Earl Drake, Bill Sheehan, Ralph Price, Billy Dean Baxter, James Proctor, John D. Sanders, Gordon Massey, Jack Moseley and Paul Spring.

Also Mesdames M.B. Buchanan, Gib Boatman, Claude Edelman, Ernest Tannahill, Dan Laceywell, Florence Buske, J.B. Buske, Joe Douglas, Mike Ellis, O.J. Beene, Tom Lewellen, H.A. Hyde, Carrie Shirley, D.C. Her-ring and Hattie Sneed.

Also H.V. Rockey, Pat Tannahill, Kay Johnson, Janell Daniel, Sheryl Long, Sherri Tannahill, Pamela Sue Roden, Leatrice Gallman, Judy Shirley, Monte Welch, Jana Sue Robertson, Ann Prewett, Paula Fort-enberry and Jonelle Wood.

Also Mesdames Claude Blackburn, Clyde Weatherly, Jerry Loflin, Floyd Dutton, Bill Wooley, Roy Clements, Joe Talley, Bruce Parr, D.C. McWhorter, G. Cranfill, John Fred White, Allen Stewart, Herbert Day, H.K. Kendrick, Buck Fallwell, Mack Balmum, Frank Trullitt, Woody Fleming and Charles Allen.

Also Mesdames Kenyth Cass, J.T. Guinn, Bill Stewart, Mabel Jones, Rudolph Renner Sr., S.T. Thornton, Raymond Euler, C.S. Balmum, Clarence Monroe, Earl Chester, Leon Massey, Jim Johnston, Eric Rushing and Lloyd Mingus.

Members of the finance committee served as hostesses. Covered wagon ages, roaring twenty ages and jet ages were used as themes of the meeting. Tables depicting the different themes were decorated by circle chairmen.

Mrs. Russell McAnally directed the opening prayer. Love Through The Ages was the program theme. Mrs. Guy Latta was program director. Janet Rushing, Linda Outland and Gail McClothlin presented songs based on the program theme.

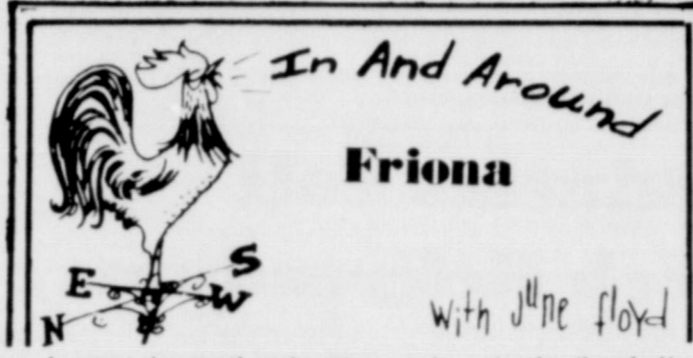

Stories carrying out the theme were told by Mrs. H.R. Cocanougher, Mrs. Tom Shelton, Mrs. Russel O'Brian, Mrs. Jerry London and Mrs. Bob Owen. The closing prayer was directed by Mrs. J.H. Boyle. Special guests were Linda Outland, Janet Rushing, Gail McClothlin, Kay Johnson, Mrs.

Herschel Johnson, Mrs. Jerry Loflin and Diana Cornelius. New members present were Mrs. Norman Nossaman and Mrs. Warren Conner.

Others attending were Mesdames J.K. Anthony, Bill Baxter, H.R. Cocanougher, Eugene Ellis, Clyde Fields, J.E. Grimes, Russell McAnally, Floyd Rector, James Schaffer, Ralph Shelton, E.S. White, U.S. Akens and Kenyth Cass.

Also Mesdames Mack Balmum, I.T. Graves, Dorothy Hough, O.C. Jones, Guy Latta, Russel O'Brian, Dick Rockey, C.W. Weatherly, Ernest Anthony, M.B. Buchanan, Arthur Drake, A.S. Grubbs and Andy Hurst.

Also Mesdames Jerry London, A.L. Outland, Fay Reeve, J.H. Boyle, Howard Ford, George Jones, H.C. Kendrick, Jake Lamb, Joe Moyer, Robbie Osborn, Bob Owen, Billy Ray-bum, Danny Smith, Charlie Balmum, Tom Bandy, Bill Buchanan, Lewis Gore, W.J. Mercer, Jack Nelson, Tommie Parker and Tom Shelton.

It seems that weatherwise we always follow the old adage that says, "One extreme follows another."

The same farmers who were looking at clouds a few weeks hoping some rain would fall are looking at them now thinking, "Surely do hope it doesn't rain any more before I get my wheat cut or my cotton plowed."

A lot of wheat has been harvested between showers and yields have been good. If the sun shines consistently for the next week or ten days, wheat harvest will be over.

Growing crops look good in spite of some hail damage, insects and other growth deterrents. The countryside looks very pretty and nothing gives vegetation a cleaner look than a shower of rain.

A recent report from the Gene Awtreys of Ulysses, Kansas, sounded quite exciting. Bear Creek, which is ordinarily dry, runs near the Awtreys home, overflowed during recent heavy rains in that section of the state.

When the water backed up within 2 1/2 miles of their home, Gene, Gladys and the children joined forces and sand-bagged the windows of the cellar as an extra precaution. The water soon began to recede and the sandbags were not needed, but having them in place

gave the entire family a feeling of security as long as the water level was rising.

In a few years members of the V.M. Ferguson family can plan one big anniversary party for the whole family. Of course, they may have to have another one or two during the year for members whose anniversary isn't July 14.

I don't know exactly how this one anniversary thing came about, but think it is quite interesting. In 1934, V.M. Ferguson and Elizabeth Massey chose the fourteenth day of July for their wedding day. Twenty three years later their oldest son, Kenneth, and Geraldine Phipps decided to be married on the same day.

Recently the engagement and approaching marriage of the Ferguson's youngest son, Fred, and Shirley Hutson was announced. If you haven't guessed the date they chose or don't know already, it was July 14.

This will have its advantages. In the first place, any family members who know the date of the wedding anniversary of the parents, will have no trouble remembering the others. Then, instead of having three celebrations during the year, they can plan one big one and then forget anniversaries for a year.

The family includes two

Delta Xi Members Attend Meeting

Hazel Merritt of Dimmitt and Mrs. Gladys Legg and Mrs. Leta Kaul, both of Hereford, attended the 36th annual convention of the Delta Kappa Gamma Society at the Shamrock-Hilton Hotel, Houston, June 10-13.

Miss Merritt is the president of Delta Xi chapter and Mrs. Legg and Mrs. Kaul are members.

At the Birthday Luncheon, Mrs. Doris Hibbert, Sherman, presented the recipients of the State Achievement Awards. Mrs. Evie Froehner, a former Friona resident, received the Edna Graham Scholarship at West Texas State University.

LLL Meets In Osborn Home

The LLL Sunday School Class of First Baptist Church met at the home of Mrs. M.C. Osborn last Thursday evening.

Mrs. Charles Allen led the group in a devotional from Proverbs entitled, "The Virtuous Woman." This was the sixth in a series of studies of Women of the Bible.

Those present answered roll call with "Children's Chatter." The hostesses served cherry pie and punch to the following: Mmes. Doyce Barnett, Charles Allen, Dee Clark, Dale Hart, Jimmy Maynard, Clarence Monroe, Lionel Young, Don Powell, Jim Dixon and James Anglin.

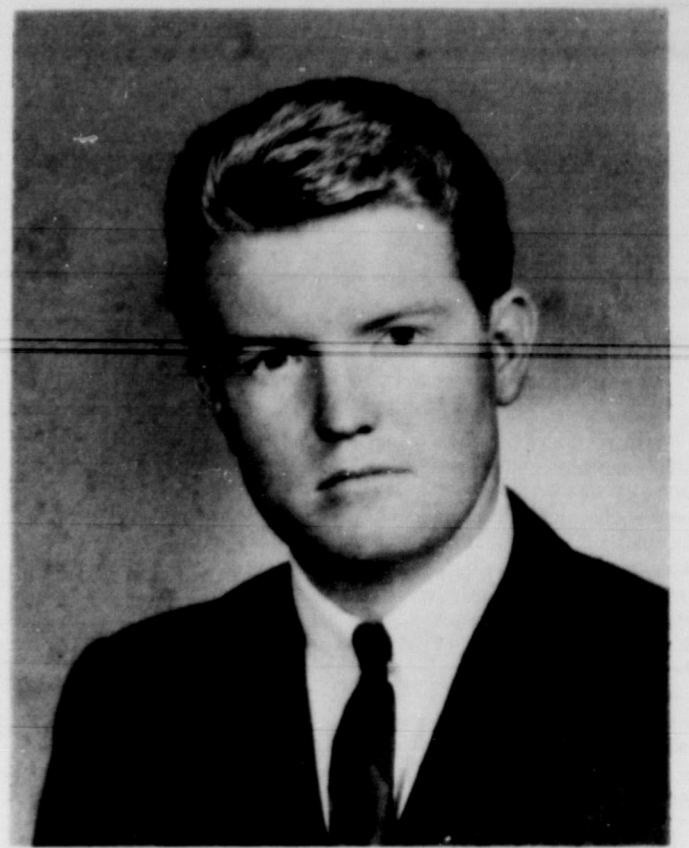

By the time most of you are reading this, Brenda Hawker, a native of Australia, who has made her home with the E.G. Phipps family, will be making final plans to return home.

Many Frionans have enjoyed Brenda's friendship and will be missing her when she is gone. All the first hand information many of us will ever have will be what we have learned from her during her stay here.

She was in the Star office early this week and left a thank you letter which is being carried on the editorial page. Members of the staff join Brenda's other friends in wishing for her a safe return to her home and family.

The new home of the Bill Sheehan's on the Rhea road in Western Acres, is beginning to look real interesting and I was looking forward to seeing Mary out there so I could stop and take a better look.

After hearing the report that Bill, Mary and the children are

JERRY RANKIN

Jerry Rankin Receives Teaching Assistantship

Jerry Rankin, son of Mr. and Mrs. O. L. Rankin, Route 3, Friona, has recently been awarded an assistantship at the University of Houston. He will teach political science while working on his master's degree.

Rankin, a 1961 graduate of Friona High School, will complete requirements for a bachelor of science degree with a major in political science July 10 and will receive the degree in August. He has a minor in Spanish.

He and his wife, the former Ann Baxter, and four month old daughter, Julie Ann, plan to

spend several weeks here before moving to Houston where he will assume his duties at the beginning of the fall semester.

Kitchen Shower Fetes Betty Drake

A kitchen shower in the home of Mrs. Danny Smith Saturday afternoon was a courtesy for Betty Drake, bride-elect of Floyd Reeve. Co-hostesses were Jimette McLean and Mrs. Dale Smith.

Those attending and sending gifts were Mesdames U. S. Akens, Arthur M. Drake, Jerry Loflin, James McLean, Jerry Brown, Lee Jesko, Joe Reeve, Fay Reeve, Bill Raybon, Robert Osborn and Charles Schaller.

Also Karen O'Brian, Pamela Sue Roden, Patsy Bender and Peggy Drake. Mrs. Kenneth Houlette and Mrs. Wilbur Dean Moore and children, Jeff and Jana, of Douglas were weekend visitors in the home of Mrs. Rosa Anderson.

Beenes Host Family Dinner

Mr. and Mrs. O. J. Beene and sons, Jay and Ramey, were hosts at a family dinner in their home Sunday.

Guests were Mr. and Mrs. Edwin Ramey, Mr. and Mrs. Edgar Ramey and Mrs. Eta Brashears, Dimmitt; Mr. and Mrs. Robert Ramey and sons, Amarillo, and Dr. and Mrs. W. M. Beene, Sandy and Brad of Friona.

CHRIST IS "THE" WAY NOT "A" WAY. To: A Personal Peace, a contented mind, Successful Living. This Sunday's Messages: 11:00 A. M. "Real Worship" Pastor Preaching. 8:00 P. M. "The Holy Spirit" Pastor. Midweek Services Wednesday 8:00 P. M. 9:45 A. M. 7:00 P. M. Sunday School Training Union. Supervised Nursery -- Ample Parking. Calvary Baptist Church. Cleveland Ave. Jake Armstrong, Pastor.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT. PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON SEPTEMBER 7, 1965. SENATE JOINT RESOLUTION NO. 44 proposing an Amendment to Sections 2 and 25 of Article III of the Constitution of the State of Texas so as to provide for an increase in the membership of the State Senate from 31 to 39 members; to fix the membership in the House of Representatives at 150 members; to require apportionment of the Senate according to population; and to delete the limitation that no single county is entitled to more than one Senator. BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Sections 2 and 25 of Article III of the Constitution of the State of Texas be amended to read respectively as follows: "Section 2. The Senate shall consist of 39 members. The House of Representatives shall consist of 150 members. "Section 25. The state shall be divided into Senatorial Districts of contiguous territory according to population, as nearly as possible. "Should the Legislature enact any enabling legislation in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature. "This Amendment shall be-

For complete privacy and genuine rustic beauty specify CEDAR-RUSTIC. MACHINE-TRIMMED EDGE FOR TIGHT PARALLEL FIT. RUSTIC SURFACE ON BOTH FACE AND BACK. GENUINE WESTERN RED CEDAR. Cedar-Rustic Western Red Cedar fencing blends well with today's modern home exteriors plus giving complete privacy and protection. The low initial cost, simple construction method, and minimum maintenance qualities are just a few of the many wonderful features of this Western Red Cedar Fencing. Because of the precision-cut lengths and uniform machine-cut edge, Cedar-Rustic is ideal for the "do-it-yourselfer". Each panel of approximately 25' in width goes up fast. No trimming is necessary. If you prefer, Cedar-Rustic may be installed professionally... savings in labor is passed directly on to you by the fencing contractor. When galvanized or aluminum nails are used, Cedar-Rustic will weather to a delightful natural color without showing nail stains. This is in contrast with other wood fencing which turns dark with age. Cedar-Rustic never needs paint, stain, or sealer of any kind. Imagine... A Permanent Fence With No Upkeep! CARL McCASLIN LUMBER INC. Complete Building Service. 1000 Main 247-2727

On The Farm In Parmer County

By JOE VANZANDT
County Agent

CHEMICAL WEED CONTROL
I suspect there has been more talk, questions asked and only partially answered about weed control chemicals this year than ever before. I would also guess that Parmer County is one of the largest users of weed herbicides this year. There are a lot of things we are all learning about these chemicals due to such widespread use. The chemical residue in our soils and how this affects future crops is the main area that we don't know a lot about yet.

PRECAUTIONS ON 2,4-D
Herbicides can be useful tools for controlling weeds if they are properly applied. Improper application can cause crop damage and lawsuits from neighbors. The use of 2,4-D can usually stir some quick comments, either pro or con, depending on your past experience with it.

Several farmers are about ready to start using 2,4-D to control weeds in their grain sorghum. Extreme care should be used when spraying with 2,4-D. Follow directions on the label exactly.

Use only amine salt or low volatile formulations as they are less likely to vaporize and drift. Spray only when wind is less than 10 miles per hour. 2,4-D formulations may be used at 1/2 pound per acre to control broadleaf weeds once sorghum is 6 inches tall but before flowering. Hybrids containing Wheatland parentage should not be treated with 2,4-D because serious yield reduction and lodging may occur. Best and most profitable results will be obtained if weeds are treated before they are 6 inches tall.

In Parmer County, farmers must obtain an application permit from the field representative of the State Department of Agriculture, Gene Cupp, 1924-34th Street, Lubbock, Texas, for applying any herbicide on plots of 10 acres or more. On smaller plots, the operator must notify the same office of his intent to spray before making application.

The State Herbicide regulations outline that when the wind is 7 to 10 miles per hour and when 1 pound of 2,4-D is applied, the distance to susceptible crops must be 4 miles, downwind, and 250 feet, upwind. If 1/2 pound is used then these distances could be reduced one-half.

Farmers should watch the wind and quit when it gets close to 10 miles per hour. 2,4-D is very toxic to cotton and other broadleaf plants so follow all precautions.

SORGHUM PRE-EMERGENCE HERBICIDES

Are you having dead spots or slow growing spots of sorghum show up in some fields? Like I said earlier we are all learning a lot about weed chemicals this year. We want to profit by mistakes we make so they won't happen again.

Across the sandy south portion of the county we have heard of a few cases where we suspect pre-emergence herbicides caused some damage. Most farmers used recommended rates but something has happened on a few places. We suspect it was a combination of too sandy a soil for the amount of rainfall we received. A combination of too much of these two elements seems to be a

cause. However, the County Agent would like to visit with every farmer that has suspected herbicide damage. We want to know what circumstances surround every situation so we can better advise you farmers next year. If you have some dead, dying, yellow or slow growing sorghum spots in your field please notify the County Agent, Farwell, Texas, 481-3619.

COTTON HERBICIDES

After cotton reaches six inches in height and if soils are moist and grass is in an active stage of growth, Karmax, plus a surfactant, gives good control. Another chemical, Caparol and surfactant can also be applied post-emergence when cotton is 6 inches high.

Some confusion still exists on the use of DSMA and surfactants as a post-emergence spray for grass control in cotton. There are two forms of the arsenicals. One is disodium methanearsonate and the other is monosodium methanearsonate.

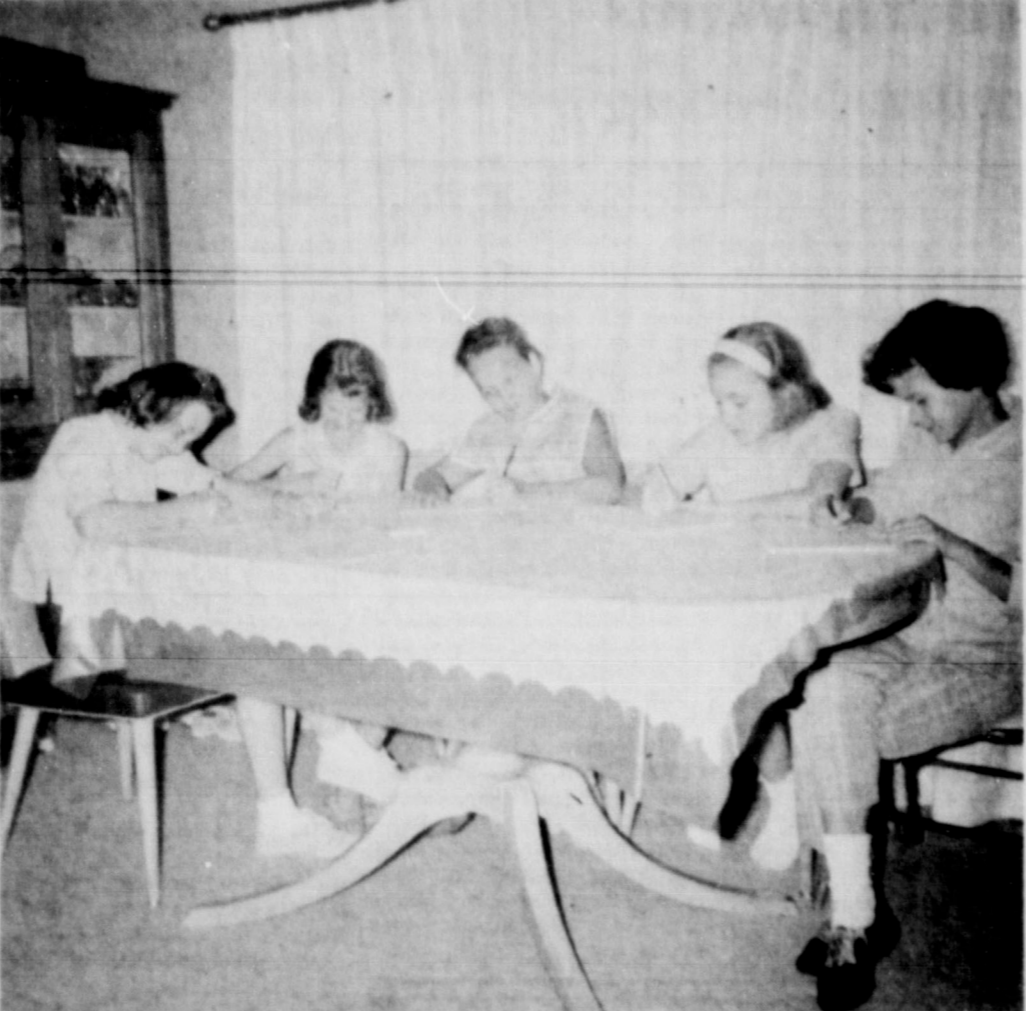

The disodium is a wettable powder and the monosodium is a liquid. Most of the research done with DSMA has been with the disodium form and is fully recommended for use on cotton after it has reached a height of three inches or more. The monosodium is more toxic than the disodium. It is probably a little more effective on weed control but a little "hotter" on cotton. Monosodium has caused some leaf burning and plant stunting on young cotton but it seems to recover and make a normal yield. Both the disodium and the monosodium forms have been cleared for use on cotton, both materials are cleared for two applications.

The first application should be made after the plants measure three inches in height. The last application should be made before the first blooms drop. These materials work better during high temperatures, above 85 degrees F., and dry weather. Follow directions and precautions on label as these are arsenic compounds.

BINDWEED CONTROL

Recent rains have helped furnish bindweeds with needed moisture for good growth. Bindweeds are a costly weed to everyone. They reduce crop production and one patch of bindweed can infest neighboring areas.

Field Bindweed is most susceptible, therefore most readily controlled by the following herbicides: Fenac (2, 3, 6-Trichlorophenylacetic acid) at 20 pounds per acre; Tritac (2, 3, 6-Trichlorobenzoyloxypropanol) at 20 pounds per acre;

Participating in a 4-H clothing course this summer are these girls: (left to right) Vicki Schueler, Rhonda Bauer, Pamela Jarecki, Carleen Schlenker and Patsy McVey.

Cotton Producers Call For Research Referendum

Leading High Plains cotton producers called today for a referendum in which growers could voice their preference on research and promotion assessments and uniform collection procedures.

A resolution supporting enactment of legislation to provide for the referendum was passed at a meeting attended by members of the High Plains Founders Committee of the Cotton Producers Institute and other cotton industry leaders.

Roy Davis, Institute trustee,

and Roy Forkner, chairman of its steering committee, both of Lubbock, noted that the action "has come after months of careful study by the Institute trustees and appropriate committees of the National Cotton Council. It supports a recommendation made by the trustees and concurred in by the Council's Board of Directors."

The resolution stated the referendum is needed in order to "more rapidly offset the heavy research and promotion odds under which cotton presently is competing with synthetics." It would also remove the "inequity between growers where some processors are uniformly collecting Institute funds and where others are unable to uniformly collect, thereby creating an unfair competitive situation between processors."

The discussion emphasized all the essential provisions of the present Institute program would be maintained.

Producers would be represented by trustees, who would have the authority to divide funds between research and promotion and to select individual projects. The Council would continue to service the Institute program under the authority of the trustees.

Emphasis was given to the urgency of an all-out effort by farm organizations and processors to secure increased revenue from the 1965 crop and to

LAZBUDDIE NEWS

By Mrs. C. A. Watson

Kitty Black, daughter of Mr. and Mrs. A.L. Black of Friona and JeDon Gallman son of Mrs. Lorene Gallman and the late exchange wedding vows at the First Baptist Church in Friona July 10.

A fire broke out in the Jimmy Seaton wheat field late Sunday evening. A 1962 pickup, owned by Jimmie Dale Seaton and a combine were damaged.

Mrs. Harold Hutcheon from Frederick was here during last week visiting her brother and family the T.D. Vaughns, her mother, Mrs. Annie Vaughn and two sisters, Mrs. R.C. Treider and Myrtle Steinbock. She also visited her brother-in-law R.C. Treider in Green Memorial Hospital and Clinic in Muleshoe.

Lillace Kaiser, Santa Barbara, California came in Sunday to be at the bedside of her father, Mr. Treider. His condition remains about the same.

Fathers Day guests in the L.R. Hall home were Mr. and Mrs. Troy Sharrock and Terry from Hub, Mr. and Mrs. Gary Dale and children, Muleshoe, and Mr. and Mrs. Kenneth Hall and children from Lazbuddie.

Visiting the Duane Darlings Fathers Day was their daughter and family the Darrel Thompsons from Friona.

Noia Ivy, hurt in a collision at the Hub cross roads, Mon-

day of last week is able to be up now at her home. Mrs. Ivy was dismissed Thursday of last week. She received severe bruises and cuts in the accident.

Chunky Ivy and his family from Odessa visited with his mother at the hospital and were here again Monday of this week for a visit.

Those attending the recent Church camp at Blue Haven, Los Vegas were Debbie Burch, Delayne Steinbock, Clay Mimms, Evelyn Darling, and Christie Ivy. Carrying the group to the camp were Mrs. Fred Burch and Mrs. Mimms. Going after the children were Mr. and Mrs. D.B. Ivy and Mr. and Mrs. Max Steinbock.

Max Steinbock was admitted to the Methodist Hospital last week for medical treatment.

Captain and Mrs. Thomas Hodges from Atlas, Oklahoma are visiting this week with the Raymond McGehee family.

Funeral services were held Wednesday June 16 of last week

in the Rix Chapel for B.F. McGehee, 86, of Lubbock, the father of John and Raymond of Lazbuddie. Minister Cline Drake of the Church of Christ of Gorden, Texas officiated at the funeral. Burial was in the Rest Haven cemetery at Lubbock. Many friends from the Lazbuddie area attended the services for Mr. McGehee.

Mr. and Mrs. Leon Smith Sr. and niece Jan Sigman, daughter of Mr. and Mrs. Carol Sigman of San Antonio visited in Canyon Sunday with Mrs. Smith's mother, Oma Sigman. Jan Sigman will spend most of the summer with the Smith family.

Lana Wagon, daughter of Mr. and Mrs. June Wagon, Muleshoe is spending this week with her grandparents, Mr. and Mrs. J.B. Wright.

Texas Tech during the past year set attendance records in both football (226,100 in six home games, an average of 37,684) and basketball (104,690 in 12 home contests, an average of 8,724).

SEWING TIME

It's Clothing workshop time in the County for 4-H groups. A total of 16 groups are working under the leadership of trained adult leaders. Two Junior leaders, Janis Billingsley and Kathryn Gobe, are working as Junior 4-H leaders with 1st and 2nd year girls of Oklahoma Lane Club. They are doing their project work under the guidance of Mrs. Edmund Kitten, Mrs. Wendell Garner of Bovina, leader, reported her group of first-year girls finished except for completing records.

These groups of girls are learning by doing. Participating in groups, learning to cooperate with others has its place in the development of this age group. The same type of construction is being given each girl, but each girl does her own work. The County Dress Revue has been set for July 13th at the Friona School Auditorium. A period will be given on modeling, from 1:30 to 2:30 p. m. for girls appearing in the Dress Revue.

HOUSE FOR COMFORT

Much money is spent on homes to give beauty, and physical comfort such as central air conditioners and heating and other conveniences, but it is amazing how little thought is given to light conditioning at home. Visual comfort has been sadly neglected. It has been said by those who have studied and done research on light and its effect upon the eyes, that too often its not glasses that are needed, it's a good lamp. A good lamp, properly placed, gives the right amount of non-glaring light. The right light for the right job is very important.

Poor light for study can be the reason for little Johnnie bringing home poor grades. Glaring inadequate light causes eye strain and fatigue. Poor posture is a common cause of inadequate poor lighting. The beauty of furnishing and color (which is important in decorating) can be destroyed or at least robbed of their beauty from poor light. Most homes have kept pace with modern electrical living in their kitchens and laundries but their lighting has not been improved since the Model T was bright and new. Fixtures were usually decorative ornaments and bare bulbs glared in the eyes and there are many homes who still have this kind of lighting around. Today's fixtures and lamps are both decorative and functional and planned to serve changing activities in the home.

What is good light for desk work? First there are three types of lamps that may be used to conserve precious eyesight when using eyes for study and desk work. One type is: * A table lamp (straight or swing arm type).

* Wall lamps (2) spaced 30" apart, or * Custom made-built in type. Lamp shades should be opaque or fairly dense but not in color. Bottom of shades 15" from top of desk and placed 12" back from edge on left side of desk. A 150 watt bulb is needed to supply the right amount of light.

If children are expected to do their best in school work, providing a good study center should be of first importance in furnishing a home for comfort. Recipes easy to follow are given for every seeing task in the home plus decorative lighting, and yard lighting. These are worked out by scientist in research.

To see your home in a new light check with the Extension Office for help and information. The office is in the Courthouse at Farwell-second floor or call 481-3619 for information.

Choices Face Farmers In Disposition Of 1965 Wheat

Protein content - test weight and next year's wheat program can affect price of current crop of wheat.

Any of the above mentioned items can influence the price the grower may receive for this year's crop of wheat. If a producer places his wheat under CCC loan he will receive a premium for high protein content wheat and will receive a premium for heavy (test weight in excess of 62 lbs. per bushel) wheat.

In the event congress should pass new wheat legislation within the next couple of months that indicated a higher price for the 1966 crop of wheat than offered for 1965 crop, this could very well cause an increase in the market price for this year's wheat crop. These are things that the grower should consider when deciding whether to sell his wheat now, hold it in storage or hold it under CCC loan.

Below is a chart from which a grower may compute the amount of loan available for the quality of wheat he may have on hand. It is suggested that he figure the loan rate, find out what the current market is and estimate what he thinks the market might rise up to between now and next April. Then, do as he pleases in disposing of his wheat on hand.

First wheat at Friona Wheat Growers was delivered by W. M. Massie last Thursday. Shown in the background testing the wheat is Billy Raybon. Right behind Massie with the second load was Ernest Osborn.

Lakes Valuable For Irrigation Recharge

The Plains of Texas has over 37,000 playa (buffalo) lakes which collect approximately 1.4 to 2.5 million feet of run-off water annually. Over 90 percent of all this water could evaporate if left in the lake.

During a time when rain is falling and the lakes are full, this "waste" water can be economically and effectively stored and put to use at the time when it is needed.

The High Plains Research Foundation at Halfway, Texas, has pioneered in what is known as "artificial recharge". This practice is putting the lake water back underground either through gravity flow or by pumping.

James Valliant, Water Engineer for the Foundation, states: "We have recharged the equivalent of 28 percent of the total amount of irrigation water used at the Foundation for the past six years into the underground formation. This modified well can also be used as a lake pump if it is needed. Several farmers are able to farm land previously unusable due to the lake."

With over 52,000 irrigation wells on the Plains of Texas pumping an estimated 5 million acre-feet of water each year, the rapid depletion of the underground water supply could be cut, and the life of our water could be extended by putting what has been a waste back underground through artificial recharge.

In the Underground strata found on the Plains, there is very little lateral (side) movement of recharge water. During the hot dry summer when more water is needed, the recharge water will still be in the area of influence of the

multiple-purpose well for irrigation.

Valliant states he does not know of any properly installed and properly maintained multiple-purpose well that has been clogged or filled.

The average rainfall for the Plains of Texas is 20 inches per year. With this little rain, it will take 10 years to put one inch of water back underground by natural means. It takes 20 inches to put 1/10 of an inch into the underground formation.

The Foundation has developed successful methods of installation and maintenance of multiple-purpose wells and now a program is underway to develop a better method of clearing water for artificial recharge. The Foundation is testing grasses that can be planted in the bottom of the lakes to serve as a filter and also for grazing of cattle.

Rainfall is not the only water that can be used in a recharge program. Many farmers are using their tailwater to recharge. This program can also take care of the neighbor who lets his tailwater run across a farmer's field.

Several farmers have planned, with the Foundation's help, a tailwater return system to bring all of their own tailwater back to where the multiple-purpose well is located thus not wasting any of the water.

In most cases where a farmer has put in a multiple-purpose well, the lake bottom was modified for drainage. In this method, much of the land that had been in the lake bottom can be used to grow crops.

Young Farmer Chapter Elects New Officers

Friona's Young Farmers chapter elected new officers at their meeting last Thursday for the fiscal year beginning July 1.

Elected president of the organization was Gerald Floyd, Vice president is Jimmy Mabry, Secretary is Dwain Menefee,

treasurer is Larry Fairchild and reporter is Ira Holt.

Only changes from the original officers were in the president's position, where Jarrell Wright was original officer, and reporter, where Warren Conner had been in charge.

A program was presented by Deaf Smith County Rural Electric Cooperative on artificial respiration.

Two of Texas Tech's back-field candidates for this fall are the sons of former Southwest Conference gridgers -- junior safety David Baugh, son of Texas Christian's Sam Baugh, and sophomore quarterback-safety John Scovell, son of Texas A&M's Field Scovell.

Maybe You've Seen The Adolphus— But Have You Seen It Lately?

Hospitality and gracious service do not change, but physical comforts do. Here at The Adolphus we have blended the best of the old with the best of the new, with unique and pleasing results.

Today The Adolphus offers you the most modern hotel possible to produce with furnishings and other equipment selected from the best of the new — fast, self-service elevators, direct-dial telephones and television, to mention a few.

But the conventional requirements for hotel comfort, such as large rooms, have not been overlooked. For example, nowhere else we know of can you find rooms such as our "Texas Size" rooms — 300 square feet of comfortable living space with "his" and "her" baths, two closets, and lots of attractive space left over for entertaining.

All this, plus free indoor in-and-out parking in our garage, makes The Adolphus the best place to stay next time you're coming to Dallas.

Highlights and Sidelights From Your State Capital

AUSTIN -- A total of 33 interim study committees were created during the recent legislative session.

Meetings of these committees will bring most of the legislators back to Austin during the next 18 months.

Studies will cover a wide area, ranging from state and local tax policy to such subjects as livestock auctions and restorations of Santa Anna's battle flag.

All but three of the legislators who are appointed to the interim panels will be eligible to draw travel expenses to and from meetings. In addition, some study panels are furnished staff funds.

Some committees will delve into: election laws, juvenile crime, rights of news media in reporting on persons charged with crime, liquor laws, the nursing profession, problems of farmers and ranchers, feasibility of a Pleasure Island State Park, public education, facilities for the criminal insane, and need for modernizing state fair facilities.

GOVERNOR VETOES SPENDING -- Gov. John Connally red pencilled \$2,600,000 of what he termed non-essential items in the \$3,600,000 state budget for 1966-67.

Connally said he felt the Legislature in general appropriated wisely, but he line-item vetoed: \$1,100,000 for one of three new buildings at Angelo State College, San Angelo;

\$300,000 from a total of \$800,000 for a museum at Washington State Park;

\$200,000 for state aid to airport construction;

\$200,000 for further improvements at Dam B State Park near Jasper;

\$275,000 for boll weevil eradication;

\$126,000 for salaries in the new Department of Mental Health and Retardation;

\$138,000 for water system improvements at Rusk State Hospital;

\$12,000 a year for a new special director in the Parks and Wildlife Department;

\$5,000 for stream flow measurement in Upper Red River

Flood Control and Irrigation District; \$30,000 for John E. Connor Museum at Texas College of Arts and Industries, Kingsville;

\$39,200 for doctoral-level instruction at East Texas State University, Commerce; and

\$110,000 for forestry research at Stephen F. Austin State College, Nacogdoches.

Connally also vetoed a bill which would have made the lieutenant governor a member of the powerful State Building Commission in place of the State Board of Control chairman.

COURTS SPEAK -- Third Court of Civil Appeals now has ruled that the Guadalupe-Blanco River Authority is entitled to 50,000 acre feet of water a year from Canyon Dam Reservoir near New Braunfels.

In a new opinion, court remained convinced that the City of San Antonio should get no water from the reservoir. Decision upheld 1957 order of

Texas Water Commission and 1964 ruling of 98th district court. Principal change in Third Courts finding was that G-BRA has authority to distribute water for use for cities downstream.

Court of Criminal Appeals, overruling a Kleberg County district court, held Paul Eric Kreuger, 17-year-old Californian, is entitled to \$15,000 bail on each of three charges of triple slayings.

REDISTRICTING URGED -- Governor Connally has reluctantly signed new district court bills for Lubbock, Dallas, El Paso, Harris and Tarrant Counties, he said the next Legislature should address itself to the matter of judicial redistricting.

"While there is merit for new courts in these specific counties," Connally concluded, "when the state is taken as a whole, there are sufficient judges to carry the existing workload."

Herring Implement Takes Two Wins In Pony Action

Herring Implement Company scored a pair of wins in Pony League action the past week, topping Friona Motors, 10-7 last Tuesday, and then beating Shirley Grain of Bovina, 19-4 in a makeup game Friday.

Randy Balze scattered seven hits for Herring in the win over Friona Motors. In the win over Shirley Grain, Balze, Rickey Hurst and Joe Perez all had two hits each to lead the hit parade.

Hub Grain split a pair of games. Jimmy Grimsley had three hits as Hub downed Shirley Grain, 14-3. However, Bovina Jaycees edged Hub, 3-2 even though losing pitcher Johnny Barker gave up only two hits and struck out 11 Bovina batters.

In the Intermediate League,

J. D.'s Gas Service kept rolling along with Paul Samaniego's home run sparking a four-run third inning which led to the team's 6-3 win over Carl McCaslin Lumber Company.

Scoring duels highlighted the Pee Wee League contests. Batnum Butane edged Ethridge-Spring Agency, 11-10 in one contest, and Country Club Gin topped Batnum Butane, 10-9 in the other.
