FRIONA, PARMER COUNTY, TEXAS - FRIDAY, MARCH 3, 1944

Price: 5c Per Copy

## SONS In the Service

The Friona Star is now making regular trips to somewhere in India, or, at least we are mailing it to S-Sgt. Robert Bicknell who is somewhere in India, but it evidently has not reached him yet as is evidenced by the following letter.—U. J.

India, Feb. 11, 1944

Dear Mr. White:

As it has been some time since I wrote to you, I will write you a few lines tonight. How is everything in Friona, these days? Do you still hear from the boys in the service? Now, for one more question, do you know of any Friona boys, stationed in India? If you do please send me his address or their addresses. They may be close to where I am stationed. One never can tell. Mother wrote and told me she is trying to get the Star sent to me. Since I have been overseas I have really missed the Star. If there is any way I can get the paper, please let me know, because I want it. I enjoyed reading all the paper but I enjoyed "Sons in Service" column best. It's getting late now, Mr. White, so I will close until later.

Your friend,

S-Sgt. Robert Bicknell, Jr. I do not know of any of the Friona boys who are in India now, Robert, but one of Mr. Green's sons was there somewhere, sometime ago. If any of our readers know of our boys who are in India, will they kindly send their address to Sgt. Bicknell.—U. J.

It is through the kindness of Mrs. H. C. Fallwell, to whom it was written, that we are permitted to use this letter in this column. The letter is from Donald Livings, who grew to manhood here at Friona and is well known to many of our people. He is a son of Mr. and Mrs. G. L. Livings, who were pioneer settlers of the Friona community. Donald is now a S-Sgt. in Uncle Sam's Army and is stationed somewhere in England.—Uncle John.

2-17-44, England.

Dear Mrs. Fallwell:

In respect for the wonderful times I used to have with your son, Buck, and at your home, I have felt many times like writing to you, but have as you know, failed to do so; but with that in mind, I wish that I could enclose all the things I would like to say in this letter, but, of course, cannot. But may some of those good days return to all of us soon, and in so doing let us all be reunited. Do you still live in the same residence as when I was there? I can remember it so plainly, as we used to run in and out like mad men—do you remember? If you happen to have Clyde Crow's address, I would love to drop him and Buck both a line. Anyway, give them my best regards, as well as the many people around Friona, that I hold very dear in my list of friends. Write if you can. Best regards to all.

From Don.

Sgt. Louie Longmeyer, who has been here spending a two weeks furlough with Friona

friends and relatives, left for his new station somewhere in the south, Tuesday.

Cpl. S. V. Chitwood, son of Mr. and Mrs. Bert Chitwood, is spending a furlough with his parents and meeting his Friona friends.

Pvt. Charles Lewis Jones, son of Mr. and Mrs. Raymond Jones, is here this week on furlough. He is stationed somewhere in Louisiana.

Pvt. J. R. Nazworth, who is stationed with Uncle Sam's forces at Fort Bragg, N. C., is spending this week here with his wife and baby.

Pvt. Billy Turner, son of Mr. and Mrs. Charley Turner, received his medical discharge from the service and arrived at home Sunday.

## Bass Season Moved Up to April 1st

The bass and crappie season will open April 1 instead of May 1 in Deaf Smith and 17 other Panhandle counties according to an announcement yesterday by the State Game Department, which explained that the change was being made to allow the department to study fishing conditions and re-stocking requirements in this area.

The earlier opening season date will apply at Lakes Buffalo, McClellan Fryer, Tule, Dalhart and Marvin, the announcement stated.

During the month of April fishermen will be allowed to keep all bass and crappie below the legal limit in size in order to test out the theory of some sportsmen that this practice will eventually result in better fishing stock in lakes and streams. The season on bass and crappie is closed throughout the month of March, but sunfish and cats may be taken this month.

The earlier opening season will be effective in Dallam, Sherman, Ochiltree, Lipscomb, Hartley, Moore, Hutchinson, Roberts, Hemphill, Oldham, Potter, Gray, Wheeler, Randall, Armstrong, Castro and Deaf Smith counties.

## Tax Deadline Date Approaches

W. A. Thomas, Collector of Internal revenue, reminded taxpayers of the Second District of Texas today that 1943 income tax returns must be filed not later than March 15.

With March 15 so close at hand, Collector Thomas said it was important that every taxpayer understand his legal obligation to complete his return on time.

"This is a time for frankness," Collector Thomas added. "Much has been said about the difficulty of tax forms, about the complexity of tax laws, and so forth. As I understand it, every branch of the government is committed to future simplification of taxes.

"But, no taxpayer can afford to misunderstand this. Whatever changes are eventually enacted into law, they will not and cannot alter the 1943 forms which 50,000,000 of us taxpayers must file by March 15.

"I take the liberty of giving this advice for a very simple

## 'See? I Told You Yanks Couldn't Fight!'

## LOCALS

### Visiting Relatives Here

Mrs. Bertha Harry, a former resident of Friona, but now of Casper Wyoming, arrived here Monday afternoon and will remain until the end of this week visiting her sister, Mrs. Grace Hart and other relatives. Mrs. Harry was on her way home from Hawthorne, Calif., where she had spent the winter with her daughter, Mrs. Jimmie Sullivan, and family. Her youngest son, Sgt. Merle Harry, is with the Armed Forces, somewhere in England.

Born to Rev. and Mrs. H. H. Rles, of Rhea community, at Clovis, Jan. 19, a son, David Martin, Weight 8 pounds.

Born to Mr. and Mrs. E. S. White, Feb. 22, at Hereford, a son, Richard Allen, Weight 8 pounds.

Miss Alice Wylie, of Clovis, spent the week end here with her folks.

Mrs. J. T. Gee and Mr. and Mrs. Frank Spring visited in Lubbock over the week end.

Sgt. Wilbur Meade is spending his furlough visiting his parents, Mr. and Mrs. D. H. Meade, and other relatives.

Mrs. Herbert Silvertooth of Tacoma, Washington, is here visiting her husband's parents, Mr. and Mrs. J. R. Silvertooth, this week.

Bert Shackelford and John Lynn were business visitors at Muleshoe, Tuesday afternoon.

Mr. and Mrs. Clarence Baxter and daughter went to their ranch in New Mexico Sunday afternoon.

Ben Galloway was called to Gien Cove, Sunday.

Mr. and Mrs. Louis Baxter had as their dinner guests, Sunday, Mr. and Mrs. Roy Baxter, Mr. and Mrs. George Marshall and daughter, Mr. and Mrs. Oscar Baxter and daughters, Mrs. Jewel Marshall and son, Mr. and Mrs. J. W. Baxter and Mr. and Mrs. Ben Clark and son.

reason. The law requires penalties to be added to the tax of those who fail to do so. Neither I nor the Bureau of Internal Revenue wants to assess such penalties. We hope the patriotic good sense of our citizens will make such action unnecessary.

Collector Thomas added that his office is providing as much assistance to taxpayers as it can, but it is physically impossible for his office to make out the return of every taxpayer, and therefore citizens should collect their figures and tackle the blanks line by line.

"Following the tax forms on a line-by-line basis," he said. "The average taxpayer can fill out his own return."

Don't criticize the wife for saying she went shopping, when she didn't buy anything, 'cause it's very likely you have been fishing more than once and did not catch anything.

## Mary Jo Anderson Bride of John Costello of Spur

A pretty but quiet wedding ceremony was held in the Costello ranch home near Spur, Sunday, Feb. 27, by which Miss Mary Jo Anderson, of this city became the bride of John Costello, with only the members of the immediate families of the bride and groom, present.

The bride is the daughter of Mr. and Mrs. Jack Anderson of Friona and has spent practically her entire life here. She graduated with honors from the Friona High School, and was employed in the Friona State Bank for some time before her graduation, and continued in that position for a year or more after she completed her high school work. During the past two terms she has been a student at Texas Tech, at Lubbock, where she has won distinction as a student. It was there that she met the young man who is now her husband. She is possessed of a winning disposition, and is loved and esteemed by all who know her, and is one of Friona's most popular and talented young ladies.

The groom is a member of one of the leading families of the Spur community. Mr. and Mrs. Costello will continue their studies until completing their college course.

Mrs. J. A. Blackwell and Mrs. Shackelford were shopping in Amarillo Monday.

Miss Marilyn Martin, of near Black, spent Saturday night with Wynell Baxter.

Mr. and Mrs. Charley Baxter and children called in the Louis Baxter home, Sunday afternoon.

## Lions Club Elects Officers

After an apparent lapse in the interest of the work, members of the local Lion's Club met one day last week, and renewed their interest and elected officers for the ensuing year.

The officers elected were: O. F. Lange, president; J. R. Roden, secretary-treasurer; C. C. Maurer, lion tamer; and Dr. E. B. Knolhoff, tail-twister. Three vice-presidents will be chosen later. The local members were assisted in this work by Claude Griffith of Panhandle, District Governor of Lions.

About 25 men, which includes all the old members, have expressed their intentions of renewing the work of the local club and carrying it on effectively.

## No New FSA Loans To Be Made in 1944

No additional new loans can be made to farmers by the Farm Security Administration this fiscal year because funds for such purposes have been exhausted, W. B. LeVeque, FSA Supervisor in Parmer County, announced here today.

Congressional limitation of FSA funds for 1943-1944 greatly restricted the number of initial loans which could be made, Mr. LeVeque said. In accordance with national FSA policy, supplemental loan needs of farmers already cooperating with the FSA program must be taken care of first.

Supplemental loans are being made only where the County Supervisor is convinced that such additional funds will enable the FSA family to greatly increase its food production program.

Mr. LeVeque said that he had been asked by Mr. Ray Davis, Amarillo, director of the region comprising New Mexico, the Oklahoma panhandle and the western portion of Texas, to assist in so far as is possible all new applicants in securing necessary financing from other sources.

Was Guest Speaker, Bovina C. C. Rev. Paxton Smith, pastor of the local Congregational Church was guest speaker at a meeting of the Bovina Chamber of Commerce, Monday night.

Rev. Smith was given a very cordial and hearty welcome and speaks very complementarily of the Bovina business people.

## Card of Thanks

I wish to express my appreciation to all of the Friona people for their kindness during the illness of my son, Charles Allyn. Mrs. Lena Zachary.

## CONGREGATIONAL CHRISTIAN CHURCH

"The Devine Convoy," will be the subject of the pastor for the second Sunday in Lent, March 5 at 12 o'clock.

## LUTHERAN SERVICES

Immanuel Ev. Lutheran Churches of Rhea, is observing the Lenten Season with special services on Wednesday nights, at 9:30 o'clock. The theme of the services this year is—"Women of the Passion History."

The public is cordially invited to attend these services, as well as those held on Sunday afternoons at 4:00 o'clock. Herbert H. Rles, pastor.

## Health Clinic To Open Here Monday

The Health Clinic, sponsored by the Parent-Teachers Association, will begin Monday morning, March 6.

The doctor will work at the school in the morning only. Parents are asked to make every effort to have your children in school.

## Attention! War Dads

The Parker-Benger Chapter No. 20, War Dads, will meet in regular session Tuesday evening, March 7, at 8:30. All members are urged to be present. Bring another war Dad with you. If you are not a member, we would like for you to be one. J. D. Hamlin, Secy.

## Junior Play Set For March 6th; Promises Enjoyment

### Baptist Revivalist

Rev. H. E. East, pastor of the Baptist Church at Tullia, who will be the revival speaker at the meeting which starts Sunday at the Friona Baptist Church.

## Rev. H. E. East To Conduct Baptist Revival

A two weeks series of revival services will begin at the First Baptist Church of Friona, the coming Sunday, and continue through Sunday, March 15.

Rev. W. E. East, pastor of the First Baptist Church of Tullia, will do the preaching. Rev. East comes to Friona highly recommended as a thorough Bible student and as a speaker and well qualified for evangelistic work. The public is most cordially invited to attend all these services.

## Legion Sponsor of Record Drive

The Friona post, American Legion Post 206, is sponsoring another phonograph record drive, and any one having old phonograph records (any condition just so they are disc type) bring them in to the Friona Post Office, and we of the Post will appreciate it very much. We will send them on to be reproduced, so the boys in the Armed Forces will have them for their entertainment. Thank you.

Just another word from the Friona Post to any of you buddies that have been mustered out of the Armed Service. If you haven't made application for your "mustering-out" pay, we have the regular forms for that purpose and we will be glad to help you in any way we can to get them filled out properly and mailed to the correct place, as we have all the information.

The hilarious comedy in three acts, "Don't Darken My Door," is to be presented by the Juniors at last. Due to bad weather and various other conditions, the Juniors have had to postpone their play several times, but now they are going to give it Monday night, March 6, at the grade school building.

Bill Buchanan, who plays the part of a bachelor, has a very romantic niece played by Dorothy Cummings. Tom Garrick, Dorothy's persistent suitor, is portrayed by Jack Tedford. Other characters in the play who will make the audience roar with laughter, are Shirley Maurer, Emmett Saxton, Marianne Haney, Cleola Hurst and Patsy Robason. Cleola and Patsy play the parts of two maiden ladies, Susie and Louisa Featherstone. Shirley is a maid of all work and Emmett is her devoted swain. Marianne Haney is a writer of romances.

Miss Garmon, speech teacher of the junior class, have worked patiently and diligently as directors to make the play a grand success.

Come to the play and enjoy yourself. You'll die laughing and say you've seen nothing that surpasses it. The curtain rises promptly at 8:30. The admission prices are 15, 25 and 35 cents.

## A Correction

In last week's issue of the Star it was stated that Coast Guardsman Chas. E. McLean had been promoted to and given the title of "Captain of the Port," all of which was in error, but was given through a misunderstanding, and should have read that he receives his mail "in care of Captain of the Port." Mr. McLean is now storekeeper for the Port at Morehead City, N. C.

Another correction is the fact that in the Regal Theatre advertisement last week, the Sunday and Monday show was printed as "The Human Tragedy," when it should have read "The Human Comedy."

We are sorry to make these errors in the Star, but when they have been made we are glad to correct them to any extent we can. The local manager of the Star is prone to "error" as the sparks fly upward, and when the errors occur, just charge them to his account.

And if any of you boys feel like it we would like to have you become members of our post. The membership is only \$3.00 per year.

Folster Rector, Adjutant and Service Officer

Perhaps the modern girl does not blush like the maiden of old because she isn't told the same stories.

## Sourpuss

"Double Champion Inverness Dark Beau" is the impressive cognomen sported by this smoke male Persian cat, judged Champion and Best Cat in the Los Angeles cat show. DCIBB is 4 1/2 and undefeated. Alice and Judith Phillips of Inverness, Calif. (get it?) own him.

## Westway

By MRS. MERLIN KAUL

Elvin Wilson and Miss Barbara Robertson surprised their many friends Sunday when they announced their marriage which occurred Sunday morning. Mr. and Mrs. Junior Hampton of Hereford witnessed the single ring ceremony. Mrs. Wilson, was very becoming in a white embroidered wool suit with harmonizing accessories. She is the daughter of Mr. and Mrs. George Robertson of Wyche. She is a popular student in the Senior class at Canyon and plans to complete her school work.

Elvin is the son of Mr. and Mrs. Grady Wilson. He expects to enter military service soon and until then will assist his father at the farm.

A dinner at the Grady Wilson home Sunday complimented Kenneth Rudd, who is "on call" for service in the Air Corps, and Mr. and Mrs. Elvin Wilson, newly-weds. Because of the rain, many were not able to attend. A delicious dinner was served buffet style to Mr. and Mrs. Elvin Wilson, Mr. and Mrs. Paul Rudd, Kenneth, Harold and Homer, J. B. Little, Mr. and Mrs. Earl Little and Junior, Mr. and Mrs. M. S. Roe and boys, Mr. and Mrs. Hughes Millard, Sheila and Kent, Mr. and Mrs. Merlin Kaul and boys, Mr. and Mrs. Bud Hopson, Jerry and Vickie, and H. D. Blythe of Hereford, Mrs. M. F. Johnson, Mr. and Mrs. Grady Wilson, Donald, Larry and Norma Sue.

Everyone was mighty glad to have the good rain which fell Sunday. Rain fell most of the day and as the ground was so dry on top, little of the moisture ran off. About one-half inch of moisture is the estimate. Much land around here was blowing Thursday and Friday and a lot of wheat was blown out.

Miss Marjorie Morrison accompanied Mr. and Mrs. Edwin Morrison and children to Stephenville last Wednesday where they visited Mrs. Morrison's family. They returned home the last of the week.

Mrs. Clarence Morrison and Mrs. Merlin Kaul observed their birthday anniversaries Friday with a dinner at the home of Mrs. Morrison. Those present besides the honor guests were Mrs. Joe Landers, Mrs. R. M. Gunn, Mrs. Al Werner, Merlin Kaul, Clarence Morrison, Walter Lynn Kaul, Ross Joe Landers, Ralph and Mary Lynn Morrison. The ladies spent the afternoon sewing.

Mr. and Mrs. Clarence Morrison, Marjorie and Mary Lynn attended a dinner Wednesday at the home of Mr. and Mrs. J. W. Morrison at Hereford. The occasion honored the 50th wedding anniversary of Mr. and Mrs. Morrison. Mrs. Clarence Morrison baked the wedding cake which centered the table.

Several from Here attended the funeral of Mrs. D. P. Vaughn at the Church of Christ in Hereford Monday afternoon. We extend sincere sympathy to the family of Mrs. Vaughn in their bereavement.

H. D. Blythe got stuck on the road leading to the Kelly Gray home Sunday and was unable to make the milk route.

Mr. and Mrs. Bud Hopson and children of Hereford were guests in the Grady Wilson home Saturday night.

Mr. and Mrs. Hughes Millard and Mr. and Mrs. Manuel Hawks attended a dance at the Glen Rutter home Saturday night honoring Leland Rutter who leaves soon for military service.

Mrs. Roy Landers of Plainview, Mrs. Ralph Johnson of Friona, and A-C Ralph Johnson of Wichita Falls were week end guests in the Joe Landers and R. M. Gunn homes.

Mrs. Claude Calson is ill this week. Herman Gray has returned home from the hospital and

## Political Announcements

Farmer County, Texas

The Star is authorized to announce and to carry in this column, the names of the following citizens as candidates for the office appearing immediately above the names:

**For County Judge:**  
LEE THOMPSON  
(re-election)

**For Sheriff, Assessor-Collector:**  
EARL BOOTH  
(re-election)

**For County & District Clerk:**  
D. K. ROBERTS  
(re-election)

**For County Attorney:**  
A. D. SMITH  
(re-election)

**For County Treasurer:**  
ROY B. EZELL  
(re-election)

## Strictly Fresh

PRESIDENT ROOSEVELT doesn't have to worry about his tenure in the White House. In a pinch he can claim squatter's rights.

The Jap Domei news agency told its readers, "It can be said that the German army is in control of the war situation." Yes, it can be said.

Attorney General Francis Biddle says that a Falangist is no better than a Nazi or Fascist, and not fit to be a United States citizen. Franco-ly speaking, those are harsh words.

The food problem in Germany is becoming straitened, it seems. The Nazis say their fronts are being shortened.

Senator Overton of Louisiana proposes changing the name castor oil to "Elixir of Life" to lessen dosing resistance. But as Shakespeare most certainly would have said, castor oil by any other name would taste as nasty.

is improving. Hughes Millard underwent a minor operation Monday. The condition of Mrs. Jim Bookout remains about the same. Mrs. Payne is caring for Martha Ann and Janie Bookout during the day. Mrs. Charley Burk is improving from a recent illness.

Mr. and Mrs. Carl Schroeder and boys were business visitors in Amarillo and Canyon Saturday.

Mr. and Mrs. Chris Clark and family moved last week to the O. G. Hill place recently vacated by the Fred Burns family. Mr. Clark is a brother of Mrs. Moody Stephan.

Mr. and Mrs. O'Farrell have moved from the farm of Mrs. Clara McLean to Vernon Wilson's farm in Arkansas.

The Home Demonstration Club met last Wednesday with Mrs. Paul Rudd with Mrs. Elmer Combs as co-hostess. Visitors present were Mrs. Roger Brumley, Mrs. Muri Parker, Mrs. Carl Schroeder and Mrs. Hubert Pruet. The next meeting will be held at the home of Mrs. Claude Calson with Mrs. Joe Landers assisting.

Mrs. M. O. Slack of Canyon was a guest Tuesday of Mrs. Carl Schroeder. Mr. Slack attended the Filbin sale.

There was no school here Monday as the buses were unable to run.

Mrs. Joe Landers has discontinued cooking at the school cafeteria and Miss Robertson is cooking now.

Mr. and Mrs. Loran Pellam have moved to the David place where the E. J. Parsons family lived. The Parsons moved to Amarillo.

## ARMY MEDICAL CORPS BEST PREPARED TO HANDLE MATERNITY CASES ADMINISTRATION FOR WIVES OF MILITARY PERSONNEL

By S. DEANE WASSON  
Texas Capital News Service  
(Copyright 1944)

An increased birth rate is an adjunct of war. Mother Nature wisely plans it that way. But how shall America go about solving the problems of the "GI" mother and infant? Any program of obstetric and pediatric care for families of military personnel can best be administered by Army and

Navy Medical Corps officers rather than through the political machinery of the federal Labor Department's Children's Bureau.

That is the consensus judgment of those most directly affected by the "Emergency Maternity and Infant Care" set up. The conclusion is based on facts revealed in a month's investigation of the "GI" baby situation in the San Antonio area, one of the largest centers of military establishments in these United States. The inquiry was made by Texas Capital News Service as a part of the nation-wide survey of the New York News.

As Ruth Reynolds summarized it in her article in The News for Feb. 13th: "The only completely satisfied clients are the infants who arrive willy-nilly." At least they were the only ones contacted in this area who did not register a protest against the present set-up.

No one complains against the idea of maternity care for his wife and infant being included as a justifiable part of a soldier's compensation. The lamentation is against the manner of its application and administration as a regimented charity where self respect must be laid on the line in exchange for governmental succor.

For obvious reasons the War Department will not permit officers or enlisted men to be quoted in criticism of a government function—they court martialled the late Gen. Billy Mitchell for such an act. But by gleaming and summarizing statements made by the many interviewed we can obtain a pretty fair picture of the collective attitude of the military personnel toward this subject.

### Oxious Charity

The intended beneficiaries, enlisted men of the four lowest pay grades and their wives, find the set-up repugnant on two counts. As uninitiated to their ranks oxiously imitates an inferiority. For an American soldier, fresh from civilian life, accepts the fact of superiority of commissioned and non-commissioned officers in military matters—but in personal affairs he resents any such implication. They want no oxious charity thrust upon them.

Their other objection is the requirement that they sign over to a non-military unit, not primarily concerned in the welfare of soldiers, complete jurisdiction, since the Children's Bureau, "assumes

full financial responsibility for the payment for all medical care or hospitalization given under the terms of the authorization."

Since it is a long established privilege that the soldier receive as a part of his compensation the medical care of his dependents, why should he be required "to sign a paper" to have such service supplied by a civilian doctor in a civilian hospital? If the wife will just use a little common sense she will be cared for at an Army hospital by Army doctors, the only cost being a nominal day fee to take care of nursing and incidental expenses. In the first article prepared for the New York News, Brig. Gen. Geo. C. Beach, commanding general at Brooke General Hospital, is quoted:

"The really smart wives are those who come periodically to the hospital for a check-up, or at first signs of not feeling well. . . . These ladies get on the register without difficulty since there is plenty of time to be ready for them. But those who are in the sixth, seventh or eighth month of their pregnancy will find us dated up."

Political Sedative  
In the same interview Gen. Beach said:  
"When we can't take them we refer them to the Red Cross and in turn they are placed in another hospital, Army or civilian, and maternity fund set-up. Sometimes we have a hard time convincing them they are not charity patients when cared for under that plan. But now we can show them that whereas their baby is delivered at Brooke or any civilian hospital, and registered at Brooke, the attending physician, the costs are covered out of that fund. We get the daily subsistence allowance and the balance goes to the Surgeon General to be disbursed for the pay of the civilian doctors and other hospital expenses."

It appears that as a political sedative the Labor Department gives the money for such medical care and hospitalization direct to the Surgeon General where delivery is to be in an Army hospital, with no strings attached as to its disbursement, but if the patient is sent to a civilian hospital to be cared for by a civilian doctor the Children's Bureau insists upon full control.

GI MOTHER and babe in OB Section of Brooke General Hospital — U.S. Signal Corps Photo.

"Since the post hospitals get only the daily subsistence allowance, the set-up brings on another problem. As they cannot use the services of Army nurses on maternity cases, civilian nurses must be employed for this work. Other expenses involved include baby food, laundry, clinical help and special medicines."

The Army hospitals have been making a nominal day rate charge to help cover such items. Under the federal maternity fund set-up they cannot accept any remuneration from the patient's family. Extension with the charges heretofore applied they called upon the post exchanges, officers' clubs, and other sources to meet the deficit. Under the new set-up they must ask for more contributions.

They Don't Like It  
Naturally the interviews with commanding officers and Army doctors at the several station hospitals showed that they don't like it. They cannot reduce the arrangement, but none of them are encouraging it, except at Brooke where it was suggested to those who could not get on their register.

While civilian physicians and surgeons as individuals are loathe to go along or be criticized, they recognize the federal maternity fund set-up as just another step toward substitution of "expedited medicine" for "expedited financing."

The United Medical Association of 1944, in line with action of the American Medical Association, refused efforts to have their doctors join the set-up, leaving every member free as an individual to exercise the right of private enterprise, to choose his professional service as and where he may so desire. Action of the medical profession in this country holds that to the promise that all relations between physician and patient are strictly a personal matter, regarding fees from that source funds are obtained to take care of the remuneration.

## Putting "Slacker" Bottles in "Uniform"

Many Texas housewives, like the movie actresses, collect empty milk, carbonated beverage and beer bottles from their neighbors and return them at least once a week to the point of purchase.

## THEY ARE WORTH THEIR COST

## Summerfield

MRS. GUY WALSER

Our community received  
about one and one-half inches of  
rain during the week end. The  
farmers were glad to see the  
rain as some of the wheat fields  
were blowing. The farmers hope  
the rain will make the wheat  
come out and grow out of dan-  
ger of the wind and dirt. There  
were lots of wheat fields badly  
damaged by Friday's wind and  
farmers worked Friday and Sat-  
urday streaking their fields.

There were not very many  
present at Sunday School Sun-  
day due to the rain, but lets have  
a good crowd next Sunday.

Fred Neff is visiting his  
mother in California.

Mrs. L. B. Lockingbill and Mr.  
and Mrs. Mack Noland were  
business visitors in Canyon  
Monday.

Mrs. Ray Johnson, Mrs. B. E.  
Roberson, Mrs. Ross Royce and  
Misses Billie Ray Johnson and  
Leita Fae Royce were business  
visitors in Amarillo Saturday.

Perry Roberts is visiting to  
business interests in Crosbyton.

J. A. Black of Amarillo and  
Charlie Black of Tulia visited in  
the Lee Curry home Friday.

W. M. U. met at the church  
last Wednesday. Mrs. Ky Law-  
rence had charge of the Bible  
Study. Those present were Mes-  
dames Jim Clark, C. R. Walser,  
O. B. Sumner, Ky Lawrence and  
L. L. Cannon. Mrs. W. H. Walser  
had charge of the Sunbeams.

Herman Neff and Joe Evans  
made a business trip to points in  
New Mexico last week.

Pvt. Bill Turner has returned  
from Wichita Falls where he  
received a medical discharge  
from the army.

Mrs. Lynn Powellson is in the  
hospital in Amarillo where she  
week.

George Storey, Miss Lorena  
Storey and Bobbie Storey made  
a business trip to Amarillo Sat-  
urday for Mrs. Everett Storey  
who returned from Fla., where  
she has been with her husband.

Chaplain and Mrs. S. L. Tid-  
well of Clovis visited friends  
here recently. Mr. Tidwell is a  
former pastor of the Summer-  
field Baptist Church.

Mrs. Frank Huckert and Robert  
Charles came home from the  
Hereford Hospital Sunday. Mrs.  
Joe Huckert is staying in the  
Frank Huckert home until Mrs.  
Huckert is able to be up again.

Several from this community  
attended the Talent Hour in  
Hereford Friday night. Jean  
Palmer, Charline Lee, Wayne  
Walser and the rest of the fourth  
grade at Hereford took part  
on the program.

Mrs. W. A. Davis of Clarendon  
is visiting her daughter, Mrs. Lee  
Curry and family.

Mrs. Claudie Brown and chil-  
dren of Bovina spent the week  
end with Mrs. Britt Clark, Mrs.  
George Storey, Mrs. John Hicks  
and William Roberson.

Mr. and Mrs. Roy Coker re-  
ceived word from the War De-  
partment last week that their  
son Sgt. Wesley Coker had been  
missing in action in the Italy  
field, since Jan. 27. Our com-  
munity extends our sympathy to  
the family.

Mrs. Fulkerson and children  
from Roswell, N. M. and Mr. and

## His 3rd U. S. War

Sergt. Eugene Mann, 67, Special  
Service Branch librarian at  
Camp Santa Anita, Calif., is be-  
lieved to be the only man in the  
Army to enlist as a private in  
the last three wars. In the  
Spanish-American War he rose  
to corporal, in World War I,  
second lieutenant. He's a busi-  
ness man; his wife operates the  
five corporations he heads.

Mr. E. J. Dunson of Pampa vis-  
ited in the Robert Boyd home  
over the week end.

Mr. and Mrs. Lowery Walker  
and family Mr. and Mrs. George  
DeLozier, Mr. and Mrs. L. K.  
Counselman, Mr. and Mrs. Jack  
S'reun, and Mr. and Mrs. Stek-  
ley attended a commissioners  
party Friday night in Dimmitt.

## "Empties" Spell V

Texas girls, like Norma Gilchrist,  
are patriotic when it comes to  
empties. All milk, carbonated  
beverage and beer bottles should  
be returned to the point of pur-  
chase at least once a week.

**1944 WAR FUND**

This year, with service flags in windows of nearly every home, Red  
Cross will mean so much more to Americans. As depicted in this repro-  
duction of a 1944 Red Cross War Fund poster, many windows also will  
display the symbol of participation in the cause of Mercy and Humanity  
—the Red Cross.

## Prisoner Orders Red Cross Gift

Wayne Bagwell of Claude is  
a prisoner of the Germans.

Last week his brother-in-law  
Jack Morris, superintendent of  
schools at Claude, received a  
letter from him, delayed as all  
prisoner-of-war letters are. It  
concluded:

"Please do this for me. Draw  
\$25 from my account at the  
bank and give to the American  
Red Cross."—Amarillo News,  
Feb. 29.

## Friona Host to Invitation Cage Tournament on March 3rd and 4th

For the first time in four years, Friona is holding an invitation basketball tournament next Friday and Saturday, March 3rd and 4th. It was previously planned to have only a girls' tournament, but it may be possible to have the boys teams of this county present, to determine the county championship. Among the girls' teams invited are: Dumas, Dimmitt, Springlake, Lazbuddy, Oklahoma Lane, Bovina, Stratford, and Muleshoe.

### Friona Plays Host

The student council is taking charge of housing facilities for the visiting teams. It is hoped that all the teams who wish to stay overnight Friday night will have places to stay. All persons who wish to keep players in their homes, get in touch with a member of the student council. The hosts and hostesses will be expected to furnish breakfast for the players.

### Trophies Presented

A trophy will be presented to the winning team, and to the runner-up team. There is to be a trophy given to the consolation winner also. An all-tournament team is to be selected and each player selected will receive a gold basketball.

### Kendrick to Referee

One of the best referees in the Panhandle, Kenneth Kendrick of Borger, will call the games of the tournament.

We know that the people of Friona will show the utmost hospitality and make the visiting teams welcome. We want to make their visit to Friona an event which will linger pleasantly in their minds for years to come.

The brackets have not been made as yet, so it is not known who will play first. The admission prices are scheduled as follows:

- Adults (Regular) ..... 35c (per session)
- High School (Regular) ..... 25c (per session)
- Grade School (Regular) ..... 15c (per session)
- High School (Season ticket) \$1.10 (all games)
- Grade School (Season ticket) 55c (all games)

### Speech Class Has Stage

A stage has been built in the high school band room as a practice stage for the speech class. The stage will help in getting the students familiar with stage department and delivery. It is to be completed by the speech class students themselves, including the making of the cyclorama, curtains, props, etc. At this time the speech class is working with stage make-up. They plan to give a play in the future. Start watching for the date of this play!

Soft soap was used for cleaning by early Americans, same as it is now.

### Attendance Picks Up From Pre-Holiday Period

The average attendance for high school for the four six weeks period was 89 per cent. This is better than the period preceding the holidays, but should be higher. The Seniors maintained the highest attendance with 92.8 per cent, the freshmen next with 90; eighth grade 88, juniors 87; and Sophomores 85. Tardies were too many, 27 in number with the sophomores having the most.

The enrollment of high school is 108 and the 8th grade is 34, making a total of 142 who work in the high school building. The total enrollment for the year has been 161. Several have withdrawn to go to school other places while some have dropped out of school.

### GRADE SCHOOL NEWS

The pupils of the Third Grade bought \$26.60 worth of Defense Stamps this week. D. O. Robinson and Dean Lewellen bought a bond each.

The Grade School Band will go to Canyon, Friday March 3, to a Band Clinic. They entertained Bovina school students on an assembly program at Bovina on Wednesday, February 22. The band students were accompanied on the trip by the band director, Miss McCall and Grade School Principal, Mrs. Warden.

This week grade school bulletin boards are covered with a fine display of the art works of Patsy Cobb, Lupita Martinez, Peggy Shirley and Tila Rue Day, who had drawn United States maps. Christine Hurst, Kenneth Balmun, Doris Taylor and Janelle Dukes have pictures of cacti on exhibition.

"Health" was the subject of the grade school chapel this week and was in charge of the Third Grade. They gave a play, sang some songs, and said readings, all of which pertained to health. The Rhythm Band helped out the program with musical numbers.

### Friona Red Cross Box Draws Thanks From English Day Nursery

Christmas, the Friona Junior Red Cross packed several Christmas boxes to be sent to needy children. One of our boxes was sent to The Day Nursery in Bristol, England. We have received a reply from them thanking us for the box. This is the reply verbatim:

Dear Girls and Boys of Friona, Schools:

We have just received your lovely parcel which you so kindly sent us through The Junior American Red Cross.

The children will love all their presents and thank you very much indeed for them. We will find every present useful and are grateful for your kind thought.

Our children here are all very happy with us during the day. We have babies of six weeks old and our oldest child is five years. Their mothers are out all day doing work to help us win the war and most of their fathers are in the Navy, Army or Air Force. Two of our children have fathers who are prisoners-of-war.

### Cage Teams Play At Lazbuddy

February 22, the Friona Squaws defeated the Lazbuddy girls 13-6 on the Lazbuddy court. Chiles played particularly well at guard and Massey was high point girl with nine points in her favor.

The Chief's B-string not being as lucky as the Squaws, were defeated 24-22. The Friona team was composed of physical education classes and the B squad basket ball team. Although this is some of the boy's first year, all showed up well. Norwood, the only season man playing, held the team together both on offense and defense and scored a total of 14 points. Lacwell and Welch were outstanding as forwards.

### Squaws Place First in Dist.; Go To State

The Friona Squaws won first place in the District 19 Basketball Tournament held at Hedley, Feb. 18 and 19. They were presented with a trophy by the Lions Club of Hedley. The trophy was presented to the Friona Student body by Coach Norman after he had given a brief summary of the tournament.

The Squaws first game was scheduled with Kelton. Kelton's team didn't show up so the game was forfeited. The next game was with Samnorwood. Friona won a victory with 16 to 7. This put them in the semifinals.

The semifinals game was played with Shamrock. This game was mostly played by the Squaws and the score was 27 to 2. Shamrocks only two points were free throws. With this victory the Squaws went to the finals.

Quail, Friona's opponent in the finals, was a very good team having only been beaten once in two years and was a strong team at the State Tournaments. The forwards have been averaging 40 to 50 points a game. Neeley, Quail's best forward, has scored over 400 points this season. The least scoring forward has made over 150 points. Saturday night at the finals, Quail trotted out on the court, very confident. They and their little girl mascot did a stunt warm up for the audience. Friona was not so confident, but they were determined at least to give Quail a good game. Their hopes were immediately changed to winning when Massey scored the first two points of the game. Every player on the team was playing excellent basket ball and they were exceptionally cool headed.

At the first quarter Friona was leading by a score of 7-4. Quail still didn't seem bothered as they usually roll up most of their points the last half. At the half the score was 13-6, with Friona still in the lead. Both teams went to their dressing rooms and after a short time, Quail came out with lots of spirit and confidence. With a half-minute left before the last half started, Friona comes walking in very calm and determined. The crowd was ready for the best half of the game. In the third quarter Quail started working for their gain on Friona, but Friona's guards held the forwards so that the score at the end of the quarter was 19 to 10. In the last quarter, Quail was really in there fighting, but the Squaws were still cool headed and they carried the game to 21-14.

Coach Norman played Massey, Mildred Taylor and Cobb as forwards; and McFarland, Todd, and Chiles as guards throughout the entire game. McFarland did an outstanding job of guarding, holding Neeley to 8 points instead of their usual 30. Massey was high scorer with 10 points. The Squaws are going to the State Tournament the 9, 10 and

11th of March. Every member of the team is determined to play her best with cooperation and a cool head.

We thank you once again for your lovely gifts and perhaps some day some of you will be able to come to England and see us. I know we would love to come and visit you.

With very best wishes to you all from the children and nurses. Yours sincerely,  
Matron.

### A Between-Seasons

This junior miss wears a between-seasons creation of spun flannel with hand-applied flowers and self-ruffles on the Peter Pan collar and cuffs.

### Chiefs Second In Dist. Cage Meet at Dumas

With one thing in mind—to get in the finals—the Friona Chiefs journeyed to Dumas Thursday afternoon. Although they were defeated by the Dimmitt Bobcats in the finals, they earned the right to enter in the regional tournament at Plainview this week, Feb. 24 and 25. After playing two hard games already Saturday, the Friona five met the Dimmitt Bobcats in the finals to determine the district 1-A champions and were defeated 32-22. The tournament was double elimination.

The Canyon Eagles were the first opponents for the Chiefs in the tournament. The two teams played the first game of the tournament on Friday morning at ten o'clock, and the Chiefs came out on top, 40-36, after playing a three minute overtime period. The score never varied much during the first half and at the end of the first half, the score stood 20-20. Following the half, the Eagles took the lead. With only five minutes to play, the Eagles were leading 34-26. Two minutes before the game was over the Chiefs were still six points behind 36-30. They got together and staged a rally to bag three field goals in the final two minutes. At the end of the regular game, the score was 36-36. The teams were given a one minute rest and had to play three minutes longer. In the extra period, Friona scored two field goals and held their opponents scoreless. Reid led the scoring in this game by looping in eighteen points.

Their next game was scheduled for 2:30 Friday afternoon with Tulla but their team failed to show up so the game was forfeited to Friona.

This put the Chiefs in the semi-finals with Dimmitt Friday night. The Chiefs suffered their first defeat of the tourney by Dimmitt that night. The winner of this game advanced directly to the finals. Dimmitt took the lead in this game and kept it throughout the entire game. The final score was 40-26. Friona had to drop back and play Dalhart Saturday morning.

The game with Dalhart proved to be the most exciting of the tournament as an overtime period was played. The Chiefs took a big lead right off the start and at the end of the first quarter the score was 14-4 with Dalhart trailing. The Wolves began picking up in the second quarter and at the half the score was 17-16, in favor of Friona. Right after the half, the Chiefs staged a little rally and scored six points within a minute but Dal-

hart soon pulled up to even the score. Beginning with the last quarter, the score never varied more than two points. One team would be ahead momentarily and then the other. When the game time was up the score stood 30-30.

In the overtime period Dalhart scored four points in the first two minutes. With a minute and two seconds to go the Chiefs were still four points behind, 34-30. Norwood and Roden each received a free shot. Both made them and with about ten seconds to play, Reid was fouled in an attempt to shoot. He received two free shots of which he made the first and missed the last. With Friona still one point behind and about five seconds left to play, Norwood took the ball off the backboard and passed to Trieder. Trieder took a left-handed shot from nearly the quarter line and the ball hit the backboard and dropped through the hoop thus putting Friona ahead 35-34. Dalhart did not have time to score again.

**THE LAW OF NATURE** is to do the best it can UNAIDED. But we all know from experience that it can do much more with proper assistance. Proper TILLING, proper Planting and the **Right Kind of Seed**, added to what Nature has Already done for us this season, followed by proper Harvesting and **PROPER MARKETING**, should assure abundant returns for our labor. We are always at your Service.

**SANTA FE GRAIN COMPANY**

The aeronautics club has been doing some very interesting work the past week. Each member has decided to build a model air plane as an entry fee. As each member completes a plane he studies it and then makes a talk on it. In this speech he points out all the characteristics of his plane and what each part is used for and where that type of plane is being used most today.

They had charge of the chapel program and it proved to be very interesting. Dean Baxter was the master of ceremonies. Interesting talks were given by Billy Don Wigley on the modern fighting planes of today, James Smith on the growth of the air plane, Bruce Coleman on the new jet-propelled plane, and David Smith gave a talk on the parts of the model air plane. Other members gave talks on their model air planes and where they are used.

Winning this game gave Friona the right to play Canyon and determine who should play Dimmitt in the finals.

Playing a hard game in the morning, did not seem to bother the Chiefs as they took the fresh Eagles without much trouble at two o'clock Saturday afternoon. Friona took a lead right at the beginning and kept it all the way through. Canyon never tied the score during the game. The final score was 37-30.

With two games behind them that day, they did not have much hopes of beating Dimmitt in the finals because Dimmitt had not played any during the day. Had the Chiefs been fresh, they probably would have beaten the Bobcats, as they held a good lead during the first half. Their energy began to be sapped in the last half and Dimmitt racked up a large margin. Friona was ahead at the beginning of the second quarter 10-3. At the half the score was 14-13 in favor of Dimmitt. The last half Dimmitt continued to gain and the final score was 32-22.

For being the runnerup team of the tournament, Friona received a large, beautiful trophy, which was presented to the student body Monday afternoon.

Besides receiving a big trophy, the team members of Dimmitt received a silver basketball.

A player showing the best sportsmanship was picked by the referees and it turned out to be one of Friona's boys, Wayne B. Stark. He was given a silver basketball. The all-district team was picked; each player was given a gold basketball. They were Cook of Dimmitt, Gordon of Canyon, Thompson of Dumas, Curtis of Dimmitt and Trieder of Friona.

The two referees who officiated the games at the tourney were Gib Jackson of Borger and Kendrick teacher at Phillips. Both of these men are top-notch referees and Mr. Kendrick will call the games in the tournament to be held here on March 3-4.

Mr. Norman's pet nick-names for the two Jeans are—"the pair of levis, and the double

barrel Jeans." My, my, what next?

Is Jean Crawford going out for track? Well then why in the world did she trample over Loris Jean when Bob Roden knocked on the Chemistry door?

"It started all over again"—I don't know when or where but Dale and Carolyn are the newest inseparable twosomes.

I see Charles Wels is back in school again. He really looks swell. Maybe those 5 nurses did something for him—he now has a dreamy, romantic look in his eyes.

All of the senior girls have been running around the building asking the boys for dates! (It's a leap year party this time.)

He who sleeps like a log often sleeps like a log with a saw going through it.

### Aeronautics Club Gives Chapel Program

The aeronautics club has been doing some very interesting work the past week. Each member has decided to build a model air plane as an entry fee. As each member completes a plane he studies it and then makes a talk on it. In this speech he points out all the characteristics of his plane and what each part is used for and where that type of plane is being used most today.

They had charge of the chapel program and it proved to be very interesting. Dean Baxter was the master of ceremonies.
