Training Course Set For Local Business

LOWRY M. CARPENTER . . . instructor

Merchants of Rankin and their credit managers and employees, along with other professional credit people have arranged for a week of special training dealing with the techniques of present day credit and collection procedures.

This program is a 10-hour course sponsored by the Credit Bureau of Rankin with meetings scheduled each night Monday through Thursday, beginning February 2 at 7:30 in the Rankin Park Building.

"Retail Credit Procedures" is the title of the course and the daily conferences will be directed by Lowry M. Carpenter, Retail Credit Specialist, from the University of Texas. Mr. Carpenter has been engaged in the retail credit field for a number of years and has had considerable experience as a credit consultant.

CONCERNS LOCAL BUSINESS

Myrtle Brown, owner of the Credit Bureau of Rankin, has announced that a wide range of topics will be covered by the course and that it is designed to fit the needs of every type of business in Rankin.

Enrollment is open to any person employed in the retail, wholesale, or service occupations—a small registration fee being the total cost to the individual. Additional information may be had by contacting the Credit Bureau.

On Thursday night, January 29, Rankin mothers will march in a fund raising drive for polio.

With a county quota of \$4,000, much of which is yet to be raised, this year's drive is being sponsored by The Rankin Study Club and is open to all women of the area who are willing to lend a hand in the work.

A kick-off meeting is scheduled for 5:30 p.m. at the Rankin Park Building at which time workers are to receive their assignments. At approximately 6:00 p.m. plans call for the door-to-door drive of the residential section to get under way.

Signaling the start of the drive will be the sounding of police sirens throughout town. This is to notify those who wish to make a donation to have their money ready to be picked up by the workers.

"It will speed up the work a great deal if people will make out their checks when they hear the sirens," said W. O. Adams, local chairman of the March of Dimes Drive. "By doing this, it will not be necessary for the workers to wait and the

drive can be more thorough," he said.

Business houses will be solicited in a separate drive according to Adams.

TO FIGHT OTHER DISEASES

This year will mark the beginning of an expanded program for the March of Dimes Foundation in which they will enlarge their field of endeavor. New diseases to be included in the work, in addition to a continuation of the fight against polio and care of those now crippled by the disease—will include arthritis and child-birth defects.

WORKERS WILL BE NEEDED

"We are going to need all the help we can get," Adams has said. "Any mothers who have some time they can give to the drive are asked to be at the Park Building at 5:30 Thursday," he stated.

Thus far, the only contributions made to the drive which started in January, has been those collected by school children. The totals of these amounts were not available this week.

402 Qualify To Vote In Upton County As Deadline Approaches

As of Wednesday noon—with only three more days remaining before the deadline on January 31—402 residents of Upton County had paid their poll tax. This figure does not include an estimated 50 exemptions issued to people over 65 or those who are 21 and receiving their first vote.

With an estimated 2200 eligible citizens in the county who could qualify for voting by paying their poll taxes, it would appear that a record for non-payments may be set unless a last-minute rush develops. Tax Collector H. E. "Gene" Eckols has announced that both his offices in the county courthouse in Rankin and the sub-station in McCamey will remain open Saturday, January 31 for those who wish to pay on that date.

Poll Tax Deadline Is January 31st

LITTLE ADOLPH—

Every since the Rebels in Cuba came into the headlines with their overthrowing of the Batista dictatorship, a good many Rankinites have discussed the Rebel leader, Fidel Castro, over their coffee cups. Most have been of the opinion that they would wait and see before deciding whether or not they were going to like the bearded one.

Those of you who saw the television coverage last week of the big gathering in Havana should now have little trouble making up your minds. Instead of the mustache,

it was the beard. Instead of the Nazie uniford, it was a battle fatigue simillar to American uniforms. Instead of German, Castro spoke in the languauge of the Cubans.

It was the same shouting mob, the same arm waving, ranting and shouting by the speaker—even the same high pitched voice. There was the translator who put into English all of the ravings of Castro against the United States. With Hitler it was the Jews and everyone in general—but the jest of the thing was the same.

It was the same play, the same script—just different actors.

We do not believe that Castro is about to start anything as big and world-shattering as did Adolph Hitler but it will be interesting to see whether or not the world has learned anything about dictators and how to deal with them.

A grass fire is easy to put out when the match that starts it is first dropped. It can be stepped on, be smothered with dirt, water or just plain blown out. But once it spreads, it takes some doing to put out the fire. Such is also the case with little Adolphs.

THE MINORITY RULES—

Here in Upton County—as in about all the parts of the state and nation—we express regret that all the people of the world do not enjoy freedom and the right to go to the polls and decide for themselves just who they want to run their affairs for them. We say that it is a shame for a few to rule a country—that the right to decide belongs to everybody.

We say all this but we don't practice what we preach.

With only three more days left in which to pay our poll tax—\$1.75

for the right to vote—less than an average smoker spends for tobacco in a week—hardly 10 per cent of the eligible voters of Upton County have qualified themselves to have any say-so in voting which will take place in 1959.

By January 31, something like 25 or 30 per cent of the eligible citizens will likely have paid their poll taxes. These will be the minority that will choose the men or women who will have—or at least should have—a good deal to say about how our schools and city will be run over the next two or three years. And if there should be any other important voting take place, this same small group will be in charge of deciding what is best for the majority.

A good many folks feel that they do not get their money's worth in a poll tax unless they can vote in state or national races. Nothing could be further from the truth. Actually the local voter has very little to say about how a state or national race goes and even less in how an elected official will perform once he is in office. But not so in the case of school and city elections. Here is where the one vote can make the difference—where the influence of the voter is constantly upon the one elected to the office.

There is still time for you—if you don't have your poll tax—to secure your right to have a say about how things are run in your own back yard. Pay your poll taxes before January 31.

KID PICTURES—

We call attention to the picture-taking plan to be held at the Yates Hotel on Thursday, February 5. This is the same deal which has been carried out for the past several

years in which children who have their pictures made on that date will have them carried in this newspaper at a later date. It has proved to be popular with everyone in the past and we hope that a goodly number will see fit to have their youngsters pictures made this year.

There is no obligation to buy anything you don't want. There is no high pressure put on to get you to make any purchases. Just have the pictures made and if you want extra ones—buy them. If you don't, you are in no way obligated and the pictures will be run in the newspaper just the same.

Call Mrs. Sam Holmes for an appointment.

Automatic Increase Due Those Receiving Social Security Pay

The telephone in the social security office has been ringing far more frequently than usual these past few weeks. H. P. Thomas, District Manager, reported today. A good many calls are from people who are receiving monthly retirement, disability or survivors checks now and who are concerned about getting the increase that was authorized by Congress and the President recently.

All social security beneficiaries are reminded that the increase in monthly benefits will come to them automatically; they do not have to phone, write or visit the social security office to request or file any kind of application for the increase.

The checks for January of 1959, which will be mailed out on the first of February, will include the full increase the law provides, an average jump of about 7 per cent, he said. In dollars this means 65 year-old workers will receive from \$3.00 to \$7.50 more, depending upon the amount of their present benefit. When total family payments reach \$254.00, individual benefits other than that paid to the worker may show a lesser percentage increase, Mr. Thomas concluded.

67 Girl Scouts Listed In Rankin On Dec. 31

Girl Scouting is growing in the Permian Basin Girl Scout Council, according to figures released by Mrs. Olene Paxton, registrar. A tally of figures as of December 31, 1958 show a registration of 5,638. This official "year-end" count does not include the 50 troops with a membership of 586 who failed to meet their December deadline for registration. The January 15 count boosted the total to 6,219.

Registration figures for Rankin, as of December 31, was 67. District I currently shows the largest membership of any of the six districts in the council, with a total registration of 2,051 Girl Scouts.

With the increased activity concurrent with the building of a new lodge of the Girl Scout Camp at Mytre Peak, near Alpine, registration figures are expected to reach more than 6,500 by May 1.

Rankin And Big Lake Lodges Hold Joint Initiation Meeting

Rankin Rebekah Lodge No. 8 and Big Lake Lodge No. 318 met Thursday evening, January 22nd at the Rankin Odd Fellow Lodge Hall for a joint initiation of four new members: Mrs. Eddean Moses and Mrs. Barbara Weaver of Rankin and Mrs. Leona Jones and Mrs. Theta May Puckett of B'g Lake.

Mrs. Alice Bell served as Noble Grand for the initiation services. Twenty-six members of the Rankin Lodge, plus six visitors were on hand for the ceremonies.

Refreshments were served from a table which was decorated with a pink table cloth, with pink net overlay. The centerpiece was an arrangement of pink roses and white candles. Refreshments of sandwiches, cookies, pickles, olives, potato chips, green salad and coffee were served.

Mrs. Omar Warren left Sunday for a visit with her daughter Mrs. Charles Brown, in Monahans.

As a Notary Public, Charles Richard Yarborough, 94, of Chandler (son County) has put his seal on a great many official documents. The one he notarized Wednesday (December 31) held special significance. It was the State Oath of Office for his son, Ralph, who was just elected to the United States Senate from Texas. The oath was administered in a ceremony in which the senator was born in the Yarborough home at Chandler. Yarborough, once a Justice of the Peace at Chandler and a legislator there, counseled his son to "do a good job."
