WELCOME STILL STANDS— This photo, made some time ago, shows the first of four signs erected by the Lions Club on Highways leading into Rankin and a welcome to all travelers. The signs are still in place and the Welcome still stands. Pictured are Ed Guy Branch, former school superintendent, and Ed Wall, deceased, former high school principal.

Lions Club projects have been in a serious nature and a group of "ladies" prove in an old photo taken of the Rankin Club as they dressed up for a bit of fun for a special show.

Overall Financial Condition Is Improved --

Audit Reveals Declining Income For City Of Rankin

In a recently completed audit of operations of the City of Rankin, a partial report of which is carried in this week's News for the benefit of the public, it has been revealed that revenue derived from taxes and the various services rendered by the City has dropped from the previous year of 1958.

Total sale of gas for 1959 amounted to \$35,332.77 as compared with \$36,281.33. Expenses for that department were \$20,082.99 in 1959 as compared with \$18,133.23 in '58. Most of this added expense was due to the cost of gas to the City which was \$13,967.04 as compared with \$10,810.56 for the previous year.

Water and sewer revenue also indicated a sharp drop with \$38,315.81 received in the year just past and \$43,779.30 in 1958. Disbursements in this department were, however, considerable less in 1959 with a total of \$18,611.76 being paid out of the fund as compared with \$33,265.52 in 1958. Water purchased from the County in '59 amounted to \$3,673.65. In '58, it was \$4,710.39.

The audit further indicated the following: \$14,746.21 collected in taxes in 1959 fiscal year; \$4,813.70 paid out as the City's part of the paving program; \$1,245.00 paid out for the purchase of land which is the lots on which the City Hall is situated; \$48.35 for holding elections; \$263.75 for spray used on trash cans and dump areas in al-

leys plus other usual items of expense for operation.

METERS DOWN

A listing of meter connections for sewer, water and gas shows a sharp drop over the past year. Listings as

revealed in the audit are:

	'57	'58	'59
Gas	485	536	398
Water	489	498	368
Sewer	407	473	281

ASSETS CLIMB

According to the audit report, as compiled by the firm of Cherry, Eckert and Story, operations of the city of Rankin over the past year were a financial success despite the drop-off in business with a total gain of \$8,581.25 in Assets, Reserves and Surplus was up \$16,438.51

Total assets of the City now stand at \$502,502.77.

In a letter addressed to the Mayor and City Commissioners, Charles E. Story of the auditing firm said:

"We have examined the fund balances for the City of Rankin, Texas, as of March 31, 1959, the accompanying expense statements for the year ended and all related statements. . . . Our audit revealed nothing to indicate that the accompanying statements do not present fairly the financial position of the City of Rankin, Texas as of March 31, 1959, and the result of its operations for the year then ended in conformity with generally accepted accounting principals as applied on a basis consistent with that of the preceding year."

A complete file of the 32-page audit is on record at the City Hall for inspection by any interested parties according to Mayor A. E. Ivy.

EARLY ELECTIONS SCHEDULED IN '60

Upton County voters will hardly get their new poll tax receipts in their pockets in 1960 before they start voting. And a big year is in store at the ballot boxes.

Due to a change in election laws by the Legislature, voters in the Democratic Primary elections will cast their first ballots on May 7 (usually held the fourth Saturday in July) and the Run-Off Primary election (regularly the fourth Saturday in August) is set for June 4, 1960.

School and city election dates will remain the same—the first part of April—as will the general elections in November.

In Upton County, offices up for voting will be all Constables, the Sheriff, Tax Assessor-Collector, the County Treasurer and the County Attorney and Commissioners of Precincts Two and Four presently held by H. Wheeler and E. K. Bufford.

Also at stake will be the various state offices, the District Judges, the State Representative and Senator and Federal officials.

Rankin Meets Midkiff In All-Star Playoff Game

Rankin will try to win 'em all Thursday night, July 23 in the Little League All-Star game. V. E. Holt as manager, H. Vickers as assistant, will bid for a trip up the Little League All-Star pitch of the current playoffs is scheduled to be in Big Lake when the Rankin lads meet a batch of All-Stars.

Following this contest Rankin will play Midkiff with advancing against the first game. Losers will be played the following night at 8:00. Site for this tilt would be determined by who wins between McCamey and Big Lake. Should it be Reagan and Rankin, we have agreed to play in Big Lake; if it's McCamey, a coin will be tossed for here or there.

Should the Midkiff lads drop the Rankin Stars from play, they will make their own arrangements for the second match.

TO MEET AREA 4 WINNER

Winner of the two games in Area 3, composed of Rankin, Midkiff, Big Lake and McCamey, will meet the champion of Area 4 on their own field. Area four teams are from Fort Stockton, Pecos, Crane and Kermit.

Winner of this game will become the zone champion and will meet a zone champion from another part of West Texas in Big Lake on August 1.

TWO WEEKS LEFT

Locally, the Little League will have two more weeks of play remaining on their regular schedule. These will begin as soon as the All-Star Playoffs are over.

ALL STAR PLAYERS LISTED

Named to the Rankin All-Stars are the following players, their regular team and their batting averages:

VACATION—

My friends, it is my intentions that by the time you read this issue of The Rankin News, I will have long ago—with tongue flapping in the breeze, youngins fighting in the back seat and wife wondering if she turned off the stove—headed for the tall timber and our first week-long vacation in over six years.

So that you won't have to listen to a long-winded recap of the thing when we return on or about July 27—if the money lasts that long—I have carried on this page a picture story of the trip. You pay for the cuts and I'll run yours sometime.

A have no grudges against anyone this week and will even let the Texas Legislature rest since it is my intentions to get far beyond their reach for at least one week.

Instead, I would like very much to express my appreciation to the merchants for getting their advertisements in early and for those who turned in their news stories a week ahead of time.

Yep, sure wish you were here.

How'd we get the pictures in this issue of the paper? Shucks, we took the press with us. Might as well—we took everything else we owned.

TEXAS CHAMPIONS OF FREEDOM

Alonso Alvarez de Piñeda

First Explorer of the New Land of Liberty

Little is known about the bold Spanish adventurer, Alonso Alvarez de Piñeda, but his place in Texas history is unique. He is believed to have been the first white man on Texas soil, and he came not as a conquistador, but as an explorer and scout for the governor of Jamaica. Governor Francisco Garay wanted "living room," liberty — and no doubt loot, as well — for Jamaicans. Alvarez was commissioned in 1519, only 27 years after Columbus' discovery of America, to map the coast of the Gulf of Mexico from Florida to Yucatan. In August of 1519 he reached Vera Cruz and found Hernando Cortés there. Cortés attempted to capture the party, but they escaped to sail north again.

At the mouth of a river they called Rio de las Palmas a stop was made, and later a settlement was established. Many historians believe that the Rio de las Palmas was the Rio Grande,

and if so — Texas had one of the very earliest settlements in what is today the United States. Although Alvarez returned to Jamaica, and the colony at the river's mouth was abandoned, his expedition opened a new and exciting vista to freedom seekers — the land of promise that would one day be called Texas.

Today Texans still demand and get their right to choose the way they want to live. In this vigorous and freedom-minded homeland . . . "Beer Belongs" and this is why the United States Brewers Foundation works constantly, in conjunction with brewers, wholesalers and retailers, to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of Texans, the Foundation stresses close co-operation with the Armed Forces, law enforcement and governing officials in its continuing Self-Regulation program.

Flat in the Middle of Nowhere...

A weak tire usually chooses the most inconvenient time and place to go flat. But, with the help of your Phillips 66 Dealer, you can be pretty sure this won't happen to you.

Let him inspect your tires regularly and keep them inflated properly. If a tire becomes unsafe he can quickly provide a new Phillips 66 Action-Tread tubeless tire, made in such a way that it virtually eliminates the chance of an unexpected flat or blowout.

Phillips 66 Dealers carry a complete line of tires. Drive in and take your choice at the station where you see the Phillips 66 Shield.

Legal Notice

NOTICE TO BIDDERS

Sealed proposals addressed to the honorable Judge and Commissioner's Court of Upton County, Texas, will be received at the office of the County Judge at the County Court House until 2:00 P. M., August 3, 1959, for furnishing all necessary materials, machinery, equipment, superintendence, and labor for reshaping and surfacing with double penetration surface, certain streets in the city of McCamey and Rankin, Texas.

Bidders must submit cashier's or certified checks issued by a bank satisfactory to the county of Upton, payable without recourse to the order of Upton County in an amount not less than 5 per cent of the largest possible bid submitted as a guaranty that bidder will enter into the contract and execute bond and guaranty in the forms provided within ten (10) days after notice of award of contract to him. Bids without required check will not be considered.

The successful bidder must furnish performance bond in the amount of one hundred (100%) per cent of the total contract price from a surety company holding a permit from the state of Texas to act as surety, or other surety or sureties acceptable to the County of Upton.

All lump sum and unit prices must be stated in both script and figures on forms provided. The County of Upton reserves the right to reject any or all bids and to waive formalities. In case of ambiguity or lack of clearness in stating prices in the bids, the County of Upton reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (or "unbalanced") unit prices will authorize the County of Upton to reject any bid.

Bidders are expected to inspect the site of work and to inform themselves regarding all local conditions.

Attention is called to the fact that there must be paid on the project not less than the general prevailing rates of wages which have been established by the County of Upton.

Instructions to bidders, proposal forms, specifications and plans are on file at the office of the County Judge at the County Court House, and the office of Edwin S. Martin, Jr., engineer, 229 E. 27th Street, Odessa, Texas.

Copies may be secured from the County Judge or Edwin S. Martin, Jr., upon deposit of \$5.00, which deposit will be returned to the contractor upon submission of a bona fide bid on the work, with such plans and specifications, or upon returning the plans and specifications immediately after examination of same, and advising the Judge or engineer that bid will not be submitted; otherwise, the deposit shall be forfeited.

10 Years Ago—July 22, 1949—

Members of the Upton County Commission Court met last Saturday afternoon and called two e-

lections after four petitions carrying the signatures of 286 Upton County citizens were presented to them asking for an election to determine if a special 15c Road and

Bridge Fund tax be levied this year. At least 220 of the signers were poll tax holders and property owners. In addition to acting on this petition, the body also called an election to re-allocate funds of the county.

The election asking for the special 15c tax on \$100 valuation is being sought as the commissioners have found the present finances of the Road and Bridge Fund is inadequate to meet the demands of the people, especially with the oil development in the county during the past 18 months along with the added need for equipment to service

these roads.
