After Whacking Bronte 30-0 in Opener --

Red Devils To Coahoma For Friday Night Cotnest

It was joy in Mudville last Fri-
day night as the Rankin Red
Devils surprised a lot of folks and
rolled over the Bronte Longhorns
to the tune of 30-0 in their sea-
son opener. Bronte had been the
king pin in their district for the
past several years and were well
considered. For the first half of
the first quarter, it was all in
favor of the Longhorns who took
the ball on the kickoff and made
like they owned the thing until
deep in Rankin territory where a

determined stand by the Devil de-
fense shook the ball loose and
Rankin recovered. Except for the
scoring which started in the sec-
ond quarter, that was the old ball
game as far as Bronte was con-
cerned.

It was from that point on that
the Red Devil offense had the
fans holding on and looking a bit
slack-jawed as they passed and
ran the ball like veterans. Billed
as a cellar contender in the dis-
trict and picked by some to lose

every game, the Red Devils were
a big surprise on offense. How-
ever, it did not take a trained
eye to see that the local lads have
a bit to learn yet on defense and
they can be expected to work on
this department as time goes by.

TO COAHOMA

Friday night, the RHS crew will
take to the road for a trip to play
the Coahoma Bulldogs, a team
that very often lives up to its
name and can be very rugged in-
deed. Coahoma won their open-
er also, when they whacked an
old rival, Hermleigh, 22-0 in the
mud. The Bulldogs have a very
large line and a light backfield

THURSDAY "B" AND JUNIOR GAME HERE

Both the "B" team and the
Junior High team will see com-
petitive action for the first time
here Thursday afternoon, Septem-
ber 13 when they host the Mc-
Camey "B" and Junior High.

Game time is 5:00 p.m. for the
Juniors and 7:00 p.m. for the "B"
team.

There is no charge for admis-
sion to these games and fans are
invited to attend and cheer on the
action.

and will be on the home field.

In past encounters, the Red
Devils have not had too much
trouble with Coahoma but there
is some grounds for speculation
at this time that it may be a very
close game Friday night.

One of the big dents in the Red
Devil line-up could be the loss
of the two Watts twins, the start-
ing center and the starting guard.
The boys have been out of prac-
tice all week due to the illness of
their father.

Jr. High Picks Cheer Leaders; Twirlers

Rankin Junior High School has
selected cheer leaders and twirl-
ers for the year.

Cheerleaders selected were for
the 8th Grade: Janis Gordon and
Paula Kirkpatrick; 7th Grade:
Debbie Medley and Mickey Hughes
and for the 6th Grade: Debbie
Day and Jane Skinner.

Twirlers are Judy Anderson and
Toni Shaffer. Drum Majors are
Janis Owens and Jan Welys.

Dog Poisoners Strike; Children In Danger

Dog owners and parents with
small children are warned to be
on the lookout for poisoned food
that is being thrown in yards in
Rankin. A number of dogs have
died in the last few days from
the poison which is of the quick
acting variety.

Danger to very small children
who play in yards is believed to
be extensive since the poison is
usually put into small pieces of
meat such as vienna sausage, etc.

Should a child come in contact
with the poison, he should be im-
mediately rushed to the hospital.

P-TA Plans Meeting; Membership Drive

BY MRS. ROSS WHEELER
Reporter

Although September is the 9th
month of our calendar year, it
might very well be called the 1st
month of the year for some things.

It is the first month of the
school year—the month for the
first P. T. A. meeting—first po-
sitions for many teachers—first
time for new officers to preside—
the first class in new buildings—
the first membership enrollment—
the first school adventure for the
first grader. And the first WEL-
COME for the teachers of the
Rankin Schools.

The get-together program will be
held in the Elementary Auditor-
ium Thursday, September 27 at
7:30 p.m.

For a better understanding of
your child—his school—his growth
and his problems—come and at-
tend this meeting. Mrs. Robert

Holden, program chairman, is in
charge of the meeting where par-
ents will be given an opportunity
to meet their children's teachers
and become better acquainted dur-
ing the "buzz" sessions which are
to be held immediately following
the introduction of the teacher
personnel.

Guy White, membership chair-
man, says there will be a mem-
bership committee stationed at the
post office Wednesday and Thurs-
day from 10 a.m. to 1 p.m., Sep-
tember 12 and 13. Membership
dues are 50c per member.

Meetings will be held each 4th
Thursday at 7:30 p.m. A nursery
will be provided at each meeting.
The theme for the year is: "Homes
Creat Community Strength". Pro-
gram topics will be announced for
each month at a later date.

Officers for the year are: L. E.
McElrath, president; Mrs. Zollie

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

FOOTBALL—

Untried, undefeated and unscorred-on—well—that won't last but it sounds mighty good while it stands.

The Red Devils last week surprised a lot of fans—and I believe themselves—when they found the range against Bronte and made it look easy. They also put a quick end to the forecasters who were saying they wouldn't win a game.

Bronte, admittedly, was a little easier than most had expected but they did have a couple of good lads and may have been just what the Red Devils needed to instill a little confidence in an otherwise scrappy little ball club.

This week it's going to be a little different. The competition will be tougher and there will be less gunners available to Rankin with the loss of the two Watts boys. However, two players seldom make a team and—although they will be missed—I forecast that the Red Devils will come up with a combination that can turn the trick.

In handing out flowers, a bouquet must go to Mr. Mabry and the band for their better-than-average first night performance. As more than one fan was overheard to say: "Thank goodness they got rid of 'Anchors Away.'" A real snappy looking group, I say.

If there was any disappointment at the game, it was perhaps the fence riders. That group was in terrible shape. Only a handful managed to hang on the fence throughout the game and toward the last, even they were not doing much good toward yelling at the officials. Of course, there is not too much to yell about in a game your team wins 30-0.

But think what a poor showing they would have made had the shoe been on the other foot. Some practice is needed in this department.

Last weeks "picking the winners" was no howling success but on the other hand did have a few bright spots. Sonderson surprised me but not much and McCamey gave me a split in the last few

seconds of the game.

This week it looks like:

RANKIN wins over Coahoma—sure, we lost a couple of players but we still haven't lost a game.

BIG LAKE downs Marfa. Not much competition here and Big Lake may be as good as their press clippings but I doubt it.

VAN HORN runs all over the Iraan Braves. The Eagles have what it takes.

OZONA racks up Bronte but not as easily as did the Red Devils.

SONORA shells Eldorado who had their hands full with a not-too-good Rocksprings last week.

ALPINE puts the down on Sanderson. I've always had trouble trying to guess on Sanderson and this could be no exception.

Wink beats Texas or whoever they're playing.

THE POISONERS—

Each year, I write up a story and editorial on dog poisoners—and each year we have the same old thing over again.

There is some basis for a stock rancher putting out poison on his own property but there is no excuse whatever for someone to sneak out and poison somebody else's dog in his own yard. That's not only cruddy treatment of the dog, it's a gross disregard for the other fellows property.

Now I get about as fed up with dogs as the next fellow at times but when I can no longer stand one, I'll shoot him and be done with it.

Aside from the cowardly way of poisoning, there is the very real danger that a small child will become the victim. A piece of meat or bread in a yard is most interesting to a toddler and the fact that it might be poisoned would not count once he got the stuff in his mouth.

Then, too, have you ever seen a 6-year-old watch his dog die?

but I just can't see party labels meaning much in Upton County. In the past we have voted for all county candidates, listed as Democrats, and—in some cases—given a Republican the majority in a state or national race. The party label won't stick locally for we are—and I think rightly so—very lenient with our county political office seekers about their views on the national party ticket. It doesn't make much if any difference whether they support the New Frontier or are backers of Berry Goldwater—they can still

There are presently three vital considerations before the sheep and wool producers of Texas and other states.

They are the question of the incentive price level of shorn wool, the question of changing the official marketing year, and the referendum on the promotional agreement with ASPC.

The support price for wool is to be set by the Secretary of Agriculture according to the 1954 National Wool Marketing Act. This is to be done after consultation with representatives of the wool producers and therefore comments

from producers was needed by September 8.

The incentive price has been 6-cents per pound during each of the eight years of the Wool Payment Program with Texas producers receiving a total of 10.2 million dollars in payments for the 1960 marketing year.

Also under consideration is the question of changing the market-

ing year from the present April 1 through March 31 to a calendar year basis. Views on these two items should be sent to Livestock, Rairy and Poultry Division, Agriculture Stabilization and Conservation Service, U. S. Department of Agriculture, Washington 25, D. C.

The third item to be considered is the referendum on the lamb

and wool agreement with the American Sheep Producers Council. The question is whether deductions from the incentive payments should continue. The deductions at the rate of 1 cent per pound of shorn wool and 5 cents per hundred weight of lamb would go to continue the Council's promotional activities in behalf of lamb and wool. We were rather shocked last week to have someone ask us if they might attend the Clothing Information Day on Thursday, September 20 at the Rankin Park Building.

Everybody's invited—that's the reason we've been trying to publicize it. So come on and bring your friends—begins at 2:30 p.m.

The wardrobe is here and it looks interesting. Models are busy trying garments, and the whole show is shaping up. In addition to the style show there's a demonstration on laundering wash and wear, and a door prize. Coffee will be served before the program and the automatic slides will be in operation, so come a bit early and be with us.

We expect to learn about Wash and Wear and we think you will also—as well as enjoying it.

TAILORING—

The Farm and Ranch women of Reagan County plan a tailoring workshop for this fall. They met this week for a pre-tailoring meeting and are planning to go right ahead with the workshop as soon as supplies can be obtained. Anyone desiring to take part in this workshop may contact the agent or Mrs. Florence Wilde, president of the group. We shall be making all wool suits and coats—custom

Girls' 4-H clubs are getting a start on their new year's work this month. Any girl from nine years old and up is eligible to belong. If you are interested come to a meeting, or call us to put your name on the roll.

We need adult leaders—people who will work with any number of girls from three or four on up in special subject matter fields. Lessons are all carefully outlined and all materials available, so no leader will have to wonder what to do with the group each meeting. It's a most satisfying activity—how about volunteering?
