ollow designers' choice silhouette for suits,

Rankin School Board has been featured as "Board of the Month" by the "Texas School Board Journal" a magazine published quarterly in Austin Texas. This is the first board in this area to be given such recognition and is rather unusual in that only boards from the larger schools ordinarily receive such recognition.

In a write-up and picture feature covering a full page of the magazine, the author says:

"Based on the belief that the citizens of their school community want a good school and will support action to achieve it, the Board of Education of Rankin Independent School District has set its sights on improved school programming.

They started with a clarification of the functions of the board, the administration and the professional staff in the provision of a strong school program. This involved a year of study in designing a complete booklet of board policies and administrative regulations for the school system.

Realizing that the excellence of the school program depends upon the excellence of the teaching staff and the services provided to the staff, the Rankin board has taken several significant steps. The Rankin board now pays its teachers \$1,000 above the state

P-TA Meeting To Be Thursday, Sept. 27

Parents and interested parties are reminded of the first meeting of the Rankin Parent-Teacher Association at the Elementary Auditorium next Thursday, September 27. Time will be at 7:30 p.m.

Supt. Kenneth Welsch will introduce the teaching staff, after which a general "get-acquainted" meeting will be held and teachers will answer any question parents might have regarding their children in school.

Refreshments will be served and a nursery will be in operation.

coats and dresses. A short, semi-fitted jacket is the shape that tops skirts as well as dresses.

Both fabrics and patterns are available in stores throughout the country.

Plans for the show are announced and will be commented (See Page with Johnson ad)

annual salary schedule; they provide teachers with workrooms and material centers, resource centers and audio-visual aids to assist them in their lesson preparation and presentations.

Physical facilities to house a well-rounded program of instruc-

tion have not been neglected . . .

In the spring of 1962, the long-range program of school improvement was evaluated by a visiting committee from the Southern Association of Colleges and Secondary Schools. The committee recommended twelve grade accredi-

tation for the Rankin schools.

The Rankin board realizes that school improvement is a continuous process and does not intend to rest on its laurels, rather the board plans to move ahead with more improvements for Rankin Independent School District."

RANKIN SCHOOL BOARD, seated Joe L. Simpson, secretary, A. B. McGill, president, W. O. Adams, vice-president, Ed Edgar, assistant secretary. Standing: Lloyd Har-

lan, J. D. Gossett and C. J. Shaffer. Adams has since been hired as school business manager and tax assessor-collector. His seat on the board is now vacant.

Red Devils To Test Crane In Non-Conference Tilt

Playing short-handed in Coahoma last Friday night, the Rankin Red Devils put up a stiff battle before dropping their second encounter of the season by a 22-6 marker. Rankin moved the ball well against the much heavier Bulldogs but muffed a couple of scoring opportunities. Most fans who saw the game were well pleased with the performance of the Red Devils and said that the Coahoma team was good competition.

This week, the Rankin crew will step out of their class and take on the Crane Golden Cranes at

Crane Stadium at 8:00 p.m. It will be the third encounter between the two in a practice game, Crane having won the previous matches with last year's contest being a well-played game on both sides.

The Red Devils will again be without the services of some of their largest linemen, the two Watts twins still being out of school, Robert Browning nursing a bum shoulder from the Coahoma game and a couple of players who dropped out of football this week.

The Cranes have been winless

thus far in the season, having lost to Plains and Monahans, and are expected to be in the mood for a win before the home folk. They are reported to be a speedy team and have the services of an outstanding passer.

Rankin fans are confident that the Red Devils will be out to add another win to their list and—as they have in the past—give the Cranes a run for their money.

On Thursday, September 20, the Rankin "B" team will go to Ozona for a game with the Lion's "B" squad at 5:30 p.m.

(Continued to Back Page)

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

FOOTBALL—

It would be real easy to make excuses for last week's football game in Coahoma but it might be just as well to say we got wopped and let it go at that. The Red Devils gave a good account of themselves and tried hard at that ought to be enough. It was the type of game that was much closer than the score indicated and with one or two changes, would have ended differently.

It wasn't all a bad week for Rankin football fans—although it must be admitted that there have been better ones. The junior high put on a mighty good show in defeating the McCamey Badgers and the "B" team worked hard against an uphill situation when they lost their opener to the Badger "B".

Fans who have not watched the Junior high crew in action ought to make it a point to see their next game. They put on quite a performance.

This week—for picking winners, I'd rather pass. Last week was bad enough but this time—in all fairness, it would be making light of the Red Devils to say they ought to beat Crane. I hope they do but they're not supposed to.

CRANE wins over Rankin and this could be as tough a one as the Red Devils will have to face this season. In the past the local lads have played mighty well against the more talented Golden Cranes—giving them all they wanted last year—and I'd say they will be out trying for an upset Friday night.

BIG LAKE wins over McCamey if they want to. They are, however, going to have to do better than they did with Marfa last week. Franklin—if he's still on the team by then—will be the difference.

ELDORADO wins again—this time over Eden. Eldorado begins to look rough or maybe that contest with Sonora last week was a grudge battle.

SANDERSON wins out over the San Felipe boys from Del Rio. The Sanderson Eagles continue to be the toughest team in district to forecast.

The Rankin (Tex) News—
Thursday, Sept. 20, 1962

Iraan and Ozona have open dates and it's my firm conviction that Wink can beat the Dallas Cowboys. In fact, I sometimes believe Rankin could do that.

TRUE, TRUE—

A week or so ago when many parts of Texas were getting too much rain, Rankin had a fair-sized sprinkle during which one of the local wits commented that: "It has been dry so long in Rankin that it's raining and the humidity is only 97 percent."

Sound exaggerated? Well, nobody laughed at his joke.

HOLD IT—

A fast spreading rumor developed last week to the effect that the county commissioners had all been fined on again for improper use of county equipment and that they were headed for another stay in jail. A good bit of excitement was created but before you choose sides and take up arms there is one thing you should know: the rumor was false.

At least, no one had filed any papers as of last Tuesday at the Clerk's office.

So a lot of blood pressure was brought to boil all for nothing.

But it does prove one thing—that there are people who think it's all right for the county to do a little work for individuals here and there; that there are those who think it's wrong and there are those who don't care much one way or another but who like to join in the excitement.

A BOND ISSUE?—

A report from last week's McCamey News stated that a delegation from the McCamey Hospital Board had met with the Commissioners' Court on Monday, September 10 and stated that the board had voted in favor of the court calling for a bond election.

tion for the purpose of voting bonds for the construction of a new hospital building in McCamey. There is no record in the minutes of the court to indicate what—if any—action was taken on this matter.

At the same time, the delegation informed the Court that the McCamey Hospital Board anticipated the expenditure of some \$1600 on the heating and air conditioning system in the present McCamey Hospital. Reports from

High School Classes Pick Office Holders

During the class organization meeting held last week, the high school classes elected their officers and student council representatives.

The seniors, sponsored by Miss Lady English and Mr. James Mabry, elected Jeanie Hughes, president; Pam Simpson, vice-president; Donnell Lancaster, secretary Ruth Brummett, treasurer; Gay Scott, reporter; Jeanie Smith and Robert Browning, student council representatives.

Mr. and Mrs. Raymond Roycroft, sponsors of the junior class,

those who have used the hospital in recent months indicate that the heating in winter is very poor and that summer air conditioning is almost non-existent.

Upton County is still paying on the original bonds voted some 12 years ago to build the hospitals now in use in Rankin and McCamey. Payments have a number of years to run still.

It is somewhat doubtful that the McCamey Board was actually serious in thinking that a new bond issue would be approved at this time by the voters.

announced the junior class selections as Lydia Kilchrist, president; James Sharp, vice-president Jo Lynn Steele, secretary; Sam Bean, treasurer; Janice Hale and Mike Poyner, student council representatives.

Gary Houchins was elected as sophomore class president to serve with Sandra Vineyard as vice-president and Sue Dishman as secretary-treasurer. Student Council representatives are Marsha Hargrove and Tom Gossett. The sophomores are sponsored by Mr. and Mrs. Vergil Dobbs.

The freshmen chose Jerry Lacy, president; Tommy Sheffield, vice-president; Kellam Colquitt, secretary; Gary Crabtree, treasurer; Donna Vineyard, reporter; Lonnie Short and Kathy Doodwin, student council representatives. Class sponsors are Mr. Melvin Wimberley and Mr. Don Leach.

An opportunist is one who meets the wolf at the door and appears the next day in a fur coat.

Better Meat Grading Offered By USDA

W. M. "DUB" DAY
County Agent, Upton County

Here's some information for consumers concerning an additional USDA grading system for beef, explained by Gwendolyn Clyatt, consumer marketing specialist for the Texas Agricultural Extension Service.

This new grading system is a yield grade and will indicate the value of the retail cuts of meat in a particular animal. The new system was offered to the meat trade on an optional basis as of July 1 this year.

Continuation of the system will depend on how much it is used and how well it is accepted.

After years of study, the USDA has found a system that can determine the cut "cutability" of the beef animal or the amount of carcass weight that will result as retail cuts. By measuring the size of the rib eye, the thickness of fat over the rib eye, the quantity of kidney pelvic and heart fat, and the carcass weight, the grader can tell how much of the animal will reach the retail meat counter.

"This will allow the trade to pay more for the meat-type animal, and this in turn will encourage the cattleman to breed

and feed the meat-type animals," Mrs. Clyatt explains.

There is little evidence of the grade at the retail meat counter, since the dressed carcass weight is stamped only four times for the benefit of retailers. But, you can be assured that the USDA and the meat industry are working toward putting the kind of beef you want on your table at the lowest possible cost, she adds.

The Rankin (Tex) News— Thursday, Sept. 20

"I see that the man who complains about my household budget reports his company lost two million dollars."

Tough new '63 Chevrolet Trucks are here!

...THE ONES THAT WHIPPED THE BAJA RUN...TOUGHEST UNDER THE SUN...
TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Round trip from Detroit to the end of the Baja Peninsula is over 8,000 miles.

Millions of years ago nature fashioned a proving ground for trucks that man can never duplicate. Today it is known as the Baja (bah' hab) California Peninsula, Mexico.

These pictures give you only a bare idea of the place. The road is fine for 140 miles below the U.S. border. Then the beating begins. Rocks and hard-baked ruts bang, jab and jerk the trucks from stem to stern. Loose sand makes them struggle and strain. Dust chokes them. Heat roasts them. Rivers drench them.

The Baja Run took this Chevrolet truck caravan 17 days to go the 1,066 miles.

All the trucks performed magnificently. Not one was forced to drop out because of mechanical difficulty.

Trucks that can take this kind of beating can take on your toughest truck jobs. Come in now and see tough quality-built '63 Chevrolet trucks with all their new improvements.

QUALITY TRUCKS COST LESS

Sometimes the caravan crept along for hours in low gear. It took 17 days to go 1,066 miles! This is the road near Loreto.

See the "New Reliables" now at your Chevrolet dealer's!

Legal Notice

NOTICE TO BIDDERS:

The Commissioners' Court of Upton County, Texas, will receive sealed bids until 10:00 A.M., Monday, October 8, 1962, bids will be publicly opened and read, at the Courthouse, Rankin, Texas, for the purchase of:

One only new 1962 or 1963 model, 1/2 ton pickup with v-8 motor and heater.

"Somehow it doesn't look just right!"

New power, durability in
1963 Chevrolet truck line

Two new, modern, more efficient six-cylinder engines lead a long list of improvements in the 1963 Chevrolet truck line. Other features include a new front axle and spring design in medium- and heavy-duty series for excellent ride and durability; generally heavier frames; easy-riding independent front wheel coil springing in light-duty models; narrower front sheet metal width for easier handling in close quarters on many models and improved body and sheet metal mounts for softer ride.

Does Change-of-Life Make You Feel Older Than You Are?

In doctor's tests, special medicine relieved those hot flashes, weakness, nervousness for woman after woman...then they could enjoy a happier middle-age!

Does change of life leave you so weak, irritable you feel older than you are? Suffocated by hot flashes, constantly tense?

In doctor's tests, using Lydia Pinkham's Compound, woman after woman got glorious relief. Hot flashes subsided. Nervousness

was calmed. Then they could go "smiling through" these trying years of change-of-life.

If change-of-life makes you feel older than you are, get Lydia E. Pinkham's Vegetable Compound. See how fast it helps you feel like your happy, active self again.

Merit Tests Offered To RHS Graduates

All 1964 graduates of Rankin High School who wish to enter the 1963-64 National Merit Scholarship competition should register now at the school office. Bill J. Hood, principal, announced today.

The National Merit Scholarship Qualifying Test will be given in the school at 9 a.m., Tuesday, March 5, 1963.

Students who will graduate in 1964 and enter college in the same calendar year are eligible for scholarship consideration in the 1963-64 program.

To receive consideration, the student must take the test when it is offered in his school. Participating students pay a \$1 fee on the day of the test. Any interested student who is unable to pay the fee should consult Mr. Hood.

Golf is a lot like taxes—you drive hard to get to the green and then wind up in the hole.

H. D. CHATTER by . . .

MYRNA HOLMAN
Home Demonstration Agent, Upton County

This is the day for the Clothing Information Program at the Rankin Park Building. We've seen the wardrobe for the style show and they are beautiful garments of lovely fabrics and colors. We understand that they fit the models to perfection, and we're looking forward to seeing them modelled in the lovely setting Mrs. Mathews has prepared for the show.

Mrs. Hart Johnson of Fort Stockton begins the program with a bit of pertinent information on buying wash and wear and how we may select wisely. Betty Ann Coker, West Texas Utilities, will demonstrate how to laundry the garments. There'll be coffee, door prize, and information on sewing wash and wear through an automatic slide set. We'll look for you.

BLUE RIBBON WINNERS—

In the recent district judging of 4-H records, Upton and Reagan County girls sent in 6 books. They came out with five blue awards and one red. Those winning blue awards were June Jenkins in Achievement; El Wanda Peddy, Clothing; Marsha Funderburg, Home Economics; Marsha Proffitt and Cheryle Little, Santa Fe Award; Mary Ann Stearns won red in clothing. We're real proud of all of these girls. In addition to the work represented by the records, the filling out of

Mrs. A. C. Copeland Hosts Omicron Tau

The Omicron Tau Chapter of Beta Sigma Phi met in the home of Mrs. A. C. Copeland September 11.

The business meeting was conducted with all committees reporting on the coming events of the year.

The chapter voted to sponsor the Polio Drive to be made in November.

Tickets were distributed to all members for a \$50 wardrobe to be given away October 12.

The program invitations and introductions were presented by Mrs. Dorothy Sullivan and Rosemary Mathews.

Refreshments of coffee, kokes and cookies were served to twenty members and guests.

The government should be glad that the American people have what it takes.

the record itself is quite a task. Congratulations girls.

THE WEEK AHEAD—

Monday, September 24, Rankin Tuesday, September 25, Big Lake Agents' Conference.

Wednesday, September 26, Tailoring Course, Wilde Home, Farm and Ranch area.

Here's
why
Martha
puts
laundry
in the
freezer

A woman's work, especially the ironing, is never done. Sometimes Martha just has to take time out for shopping or visiting during the day. But sprinkled clothes can't be left to sour or mildew! So Martha pops them into a plastic bag and into the freezer they go. When she gets back, they'll be ready for her to start ironing again. Isn't it amazing how many ways women have learned to use flameless electricity to make living better . . . and, it costs so little, you can use lots of it.

FREEZER TIP... Sprinkle your clothes and place in Freezer for about 10 minutes and they will be ready for ironing.
