picture show and the free drawings, all sponsored by Rankin Merchants' Development Association, have been set for Saturday, Sept. 29.

The full length movie, with the cartoons, will get underway at 3:00 p.m. at the Ford Theatre and will be over in time for the drawing at 4:30 p.m. in front of the

theatre. "The Bashful Elephant" is the title of the show.

Everyone has been invited to attend at no charge. To win prizes at the drawing, one must be pre-

sent when his name is drawn.

Another nice selection of awards are expected to be made at the drawing with several jack-pot prizes being offered. Among them will be a jack-pot prize for a girl and one for a boy. To win, they must be of any age but unmarried. Last month, similar prizes went to a housewife and a husband.

A number of local merchants and business houses have boxes at which one may register as often as he is in the place of business. It is not necessary to make any purchase in order to enter

the drawings.

Another special prize in the jack-pot drawing this Saturday will be two free tickets to the Homecoming football game on the 12th of October.

Among the participating firms are Johnsons, Cashway, Boggs, Highway Gro., Warren Gro., and Ice, First State Bank, Hyde Texaco, Wheeler Mobil, Rankin Drug, West Texas Utilities (furnishing the free football tickets, Red Bluff and Wallace Lumber Companies Speed's Cafe, H. Wheeler Co., the News, and others.

L. (Buck) KENT  
... seeks state office

(Buck) Kent, Monahans man and civic leader, has announced his candidacy for state representative from the newly-created 72nd District, comprising Pecos, Crane, Upton, and Upton counties. Kent is running as a Republican. He is an avowed conservative. Regarding his candidacy, he made the following statement: "I have long believed in the conservative principle of government and believe the state legislature offers me an opportunity to put these principles into practice. I earnestly solicit the support of voters who wish to see national government restore conservative principles ap-

bought the Texon Gun Club and it will be moved to Rankin within two weeks. This has been of much interest in the past and the club only wants to get it started.

There will be a meeting at 7:30 p.m., October 7 in the courthouse to set the club up. Officers will be elected and a board of directors will be elected to run the club.

The new trap house and stations will be set up in regulation style. In the near future a re-loader will be bought for all members of the club to use. This could be another project that would be of value to the town, so if you are interested or not, come out to the meeting.

The Annual 4-H Turkey Shoot will be held November 10th and 11th. We hope to have the club going a month before the annual shoot.

The club will be open to both men and women.

plied on the state level."

Kent has a long record of outstanding civic service, not only in Ward County but throughout the State of Texas. He has served as president of Monahans Chamber of Commerce, Lions Club, Country Club, and Community Chest.

In addition, he is director of American Petroleum Refiners Association and Texas Community Chest, and has served as director of Permian Basin Oil Show. Presently he is serving as a member of Monahans-Wickett Independent School Board and is an elder in the Presbyterian Church. Kent is also on the board of directors of Monahans' First National Bank.

The candidate is president of Kent Oil Company and is an officer or director in other related oil businesses.

Fifty years old and married, Kent is the father of four children. He received official sanction regarding his candidacy by winning the GOP Primary May 5.

## Close Game Indicated in Non-Conference Tilt --

# Red Devils Host Alpine In Friday Night Football

Friday night, the Rankin Red Devils will host the Alpine Bucks at 8:00 p.m. in Red Devil Stadium. The Red Devils will be on the march for their second win of the season—now having a 1-won, 2-lost standing—while the visitors will be seeking their first win of the year.

Rankin took their second loss in a row last week in Crane by a 41-0 marker in a game in which they were definitely outclassed. However, the Red Devils kept on plugging and got off some good runs while stopping the Golden Cranes a number of times.

Alpine, a team that has few wins over the past years, fell to Van Horn last week. The Van Horn team also defeated the Red Devils in a pre-season scrimmage by a 3-0 mark. In scrimmages, the scoring is calculated in the number of touchdowns a team scores.

Further indications of the possible closeness that could develop in Friday night's game is the season scoring record of the Bucks and the Red Devils.

Alpine has scored 28 points in three games while their opponents have rolled up 103 points.

Rankin—in three games—scored 36 points while giving up 63 to their opponents—41 of these to the much heavier Golden Cranes

The Red Devils will be a little stronger this week with the possible return to the line-up of one or two players who have seen limited duty or have been out

## JUNIOR HIGH, "B" TEAMS PLAY BIG LAKE THURSDAY

Thursday afternoon, beginning at 5:00 p.m., the Rankin Junior High will host the Big Lake Juniors in what promises to be an exciting game.

This will be followed at 7:00 p.m. by a "B" game between Rankin and Big Lake.

The public is invited to attend at no charge. Concession stands will be open.

all together the past week-end. No serious injuries resulted from the Crane encounter and the fans are expressing the feeling that the time look right for the Red Devils to get back into the win column.

## Cheers, Cheers . . . It Can Still Rain

Rainfall from 1½ to near 2" fell in Rankin proper last Tuesday afternoon for the largest amount at one time since June 1 of 1961.

Areas north west of Rankin were said to have received little or no moisture from the "scattered showers" conditions that prevailed over much of the Permian Basin Tuesday and Wednesday.

# Harlan Hotel Sold; Declared "Off-Limits"

Norman Elrod, local real estate agent, said this week that the sale of the Harlan Hotel has been completed and that the new owners have taken over. The hotel was partially destroyed by fire some time ago and since that time has been vacant.

Elrod said he did not know the

definite plans of the new owners but that one of them was to put an end to vandalism that has been carried on at the hotel since it was vacated. Elrod said that the property has been put "off-limits" to the public and that anyone caught trespassing would be prosecuted.

## FOOTBALL—

I want to say right here and now that I'm mighty proud of the people who support the Rankin Red Devils. It's a pleasure to be a part of such a group—as I will explain a little later.

Friday night's game was not a great surprise. Crane was supposed to win and they did. Seventeen good little men can hardly be expected to handle thirty-eight good big men but one thing is sure—they tried and that is good enough.

To get back to the fan business, our group stayed until the half-time activities were over in Crane then dashed over to McCamey to scout two of our upcoming opponents in action—arriving just at the kick-off for the second half. At that point was a close ball game at 6-8.

It was reasonably crowded but we did find seats in one of the stands and right there and then began a lesson in the difference in football fans. I will not go into details as to particulars but I say again that I learned a lesson in sportsmanship by the fans. It makes one wonder why the difference but believe me, there is a difference.

Rankin has long been proud of the conduct of its students when they are away from home and now I'm sure the students can well be proud of the fans.

Fans, you are a credit to your community, your school and yourself.

For this week's forecasting with Sanderson still throwing me, it looks like:

**RANKIN** over Alpine—The Alpine Bucks are fast improving and will be no pushover for the still undermanned Red Devils but a squad that can go against Crane as well as we did last week is going to be hard to beat on their home grounds.

**McCAMEY** over Iraan. McCamey almost had the Owls there for awhile last Friday. They should have little trouble with Iraan.

**SONORA** over Big Lake. The team that can keep it up on

The Rankin (Tex.) News—  
Thursday, Sept. 27, 1962

Franklin can beat the Owls. Sonora ought to have the depth to do it.

**ROCKSPRINGS** downs Ozona. This is a long shot but considering the way Rocksprings played Eldorado, they should pull it off.

**ELDORADO** over Menard. The Eldorado Eagles, also, can be held but not likely by Menard.

Sanderson, thank goodness, has an open date. I've yet to pick them right.

## SUDDEN THOUGHT—

It's often lamented that the dollar doesn't go as far as it did in yesteryear. Could that be because a lot of us are now willing to go as far after it as we once were?

## THE DRAWINGS—

Next Saturday the merchants and business people of Rankin will hold another free drawing and give away some prizes to the winners. This has been going on now for the past several months.

In addition to prizes, the group has paid out money for free picture shows from time to time and one will be held this Saturday.

Now this entire program is being carried on by the MDA with the idea of trying to create a little interest in activities in Rankin businesswise—which includes good will. Now most any merchant can tell how much if any a drawing is helping his business in the cash box but when it comes to the goodwill part, the calculating gets a little harder. Naturally, a merchant does not expect a customer to come gushing into his place of business handing out hurrahs for his participation in the free drawings but on the other hand, he sometimes wonders if it's worth all the bother.

So if you do appreciate these drawings—even though you may not have won, why not—if you haven't already done so—tell a

**THURSDAY GAMES—**

Most of us take our football on Friday night or see a game on Saturday or Sunday but truth of the matter is, a lot of good football is played on Thursday night

as well.

This Thursday, starting at 5 p.m., one can see football until about nine o'clock by just going down to the field. The Juniors start at 5 and the "B" team at 7:00. Both put on good shows and play hard.

This year the junior high even has its own band—plus pep squad and there is a good bit of color at the game.

And it's free.

Why not go down and cheer for your team Thursday?

**COUNTY TREASURER RETURNS FROM STATE MEETING IN AUSTIN**

County Treasurer Elizabeth L. Rains returned this week from the Annual County Treasurers' Association meeting, held in Austin. Mrs. Rains has served as president of the association for the past year.

New officers elected include Mr. James Fuller of Longview, president; Helen Singleton of Edinburg, 1st vice-president; Avora Owens of Alpine, 2nd vice president; and Isla Eckert of San Angelo, 3rd vice-president.

**"Citizenship" Theme For Texas P-TA**

BY MRS. ROSS WHEELER  
Reporter

"Citizenship" is the theme for the year as set up by the Texas Congress of Parent-Teachers.

Citizens, from the youngest to the oldest, determine the kind of schools, parks, playgrounds, churches and other facilities they want—whether it be good or bad. Do you want the good or do you prefer the bad?

Remember this is membership month and it is important that you come, join and support your local P-TA. First meeting of the year will be held Thursday night at 7:30 in the elementary school cafeteria. A nursery will be provided. Come, you might be surprised and not just bored.

The Wilsons, managers of the Yates Hotel, are being transferred this week to the panhandle. A Mrs. Taylor replaces them in Rankin.

## Clothing Information Day Held Thursday

"Cavalcade of Cottons, 1962," a fashion revue of newest fabrics, finishes and patterns, was presented by Beta Sigma Phi girls on Thursday, September 20 at the Rankin Park Building.

The collection of versatile, all-

occasion cottons was obtained as a cooperative loan service from the National Cotton Council of Memphis, Tennessee and the Pattern Division of McCall Corporation, New York City.

The fashion show program was directed and introduction of models and description of apparel were presented by Mrs. Rosemary Mat-

hews, serving as commentator, with Mrs. Tommy Autrey at the piano. Accessories were provided by the models.

Appearing as models were: Mrs. Rosemary Mathews and son, Jimmy Joe; Mrs. "Nub" Foster, Mrs. Barbara Mabrey, Mrs. Christine Day and daughter, Denisa; little Joyce Autrey, Mrs. Betty Holder,

Mrs. Pauline Gossett, Mrs. Leslie McFadden, Mrs. E. M. Sullivan, Mrs. Dorothy Mow, and Mrs. Barbara Wheeler.

This was a part of the Clothing Information Day sponsored by the Program Building Committee on Clothing, an organization sponsored by the County Extension Office. Another feature of the

'63 CHEVROLET IMPALA SPORT SEDAN

## Tomorrow-GO JET-SMOOTH CHEVROLET for '63

If it didn't say Chevrolet on the flanks of the superb automobile you see here, you'd have a hard time proving it's a low-priced car. It offers luxurious styling, extremely comfortable, spacious and silent interiors . . . plus a lot of invisible ways to keep it looking and running like new when a lot

# IT'S EXCITING!

of others have started to sag and sigh: new flush and dry rocker panels under the doors to guard against rusting . . . self-adjusting brakes . . . Delcotron generator for longer battery life. If you ever wondered why Chevrolet leads its field, a drive in this '63 should answer all your questions.

**GO CHEVY II for '63-IT'S EXCITING!**

'63 CHEVY II NOVA SPORT COUPE

**GO CORVAIR for '63-IT'S EXCITING!**

'63 CORVAIR MONZA CONVERTIBLE

Hard as it may be to believe, this year's Chevy II is better, better than last year's and better than anything in its class. It combines all the new easy-care features of the big Chevrolet with its own wonderful attributes of parkable size, four- or six-cylinder fuel economy and interiors that'd do justice to cars with twice its price and half its charm.

Change it? Calm yourself, nobody's going to mess with a winner like this one! We did add self-adjusting brakes and a more fully aluminized muffler; interiors and outside trim are refined a bit, but the rest is pure Corvair with all the over-the-road goodness that implies. Oh yes, we changed the taillights so all those people you pass will know you're driving a '63.

We are telling the Nation's industrial leaders that...  
**EVERYTHING IS... "GO!"**

...in this West Texas area

Because the space age we live in is a fast moving period of business and industrial expansion, we are working hard to see that this area gets its share.

We advertise the area's industrial advantages in national publications, and send factual mailing pieces to selected lists of business leaders. The Wall Street Journal advertisement and the colorful area folder shown above are current examples of this material.

In addition, our Area Development Representatives make periodical trips to the North and East, for personal contacts with these business executives.

WTU is enthusiastically engaged in this continuing program because we are convinced the Center of the Southwest faces GROWTH UNLIMITED.

We are backing this belief with a multi-million dollar expansion program of our own to serve more people, more businesses, more industries.
