

PROGRAM IS SUNDAY

The day Rankin re- use to make their indicating polio thru Oral Serum. Time is until 5:30 p.m. at Park Building.

the oral vaccine not only prevents polio but makes the person taking it immune as a carrier of the disease. This immunization is the big feature of Sabin Oral Serum and one that the Salk shots are not able to provide. Therefore, all

persons over 3 months of age are being asked to take the Sabin Serum on Sunday—regardless of whether they have had shots or not.

A form that is used for minor children was carried in the News last week and should be filled out and taken to the park building. Forms will also be available at the Park Building and it has al-

so been pointed out that the failure of a person to have a form should not keep him from going to the Park Building for the dose.

A donation of 25-cents per person is being asked for to help defray the costs of the program, but here again, it has been noted that ones inability to pay the 25-cent donation should not keep him from participating.

Medical authorities believe that if every person 3-month-old and over in the United States would take the Sabin Oral Serum, polio would be stamped out entirely. Medical authorities also see no danger in taking the drug since they have given it all necessary tests to assure its safety in every respect.

LEGION BARBECUE SET FOR VETERANS' DAY

The McCamey Post of American Legion has announced that a Veterans' Day Barbecue will be held at the post Sunday, November 11th.

Time is 5:00 p.m.

It was a fine day Tuesday for holding an election and 1596 Upton County voters went to the polls and did a king-size bit of vote splitting as they gave Republicans Cox, for governor, and Ed Foreman, for congressman, the nods but failed to support any of the other Republican candidates.

Foreman was the big vote getter for the Republican column in the county as he totaled 804 to 694 for J. T. Rutherford. Actually, the governor's race was almost even with Cox polling 681 and Connally marking up 648.

All Returns Unofficial

Of the races in which Democrats were opposed actively by Republicans, Gene Hendryx of Alpine, running as a Democrat for State Representative, was Upton County's choice for the most popular candidate when he polled a total of 1042 votes to his Republican opponent's 428. Hendryx had ran out in front in the contested elections during the primary.

One local race created more interest than had been expected as Margarete Carter polled 565 votes as Republican candidate for county and district clerk to 951 for Nancy K. Daugherty, incumbent Democrat.

A late write-in against Allen Moore for county judge fizzled as Moore polled 1120 votes to 264 for C. E. Forester, the write-in candidate.

In McCamey, Joe Hendrickson outran his Republican opponent

4-H Club Turkey Shoot Is Week-End Attraction

They'll be ready when you are.

That's at the 4-H Club Turkey Shoot Saturday and Sunday, November 10 and 11 Shooting will be held all day Saturday and from 1:00 p.m. until dark Sunday.

Anyone may enter and it will not be necessary for one to stay around any longer than it takes him to shoot unless he wishes to do so since the club will notify all winners.

And there will be something for everyone—from the expert to the beginner, for boys and girls and for the ladies, too. There is always the popular shotgun target shoot which is—in truth—a matter of luck and one shoot in which anyone who can pull the trigger can win a turkey—it's not even too important to aim. Then, there will be the skeet shoot which is sport for shooters and onlookers alike. Several classes will be held in this division—those for the expert—or those who believe them-

selves to be expert—matches for those who have never won a turkey in skeet, and matches for junior shooters—as well as any special contests that might be worked up.

Other matches will involve the 22-rifle and the pistol shoot with junior division in these also.

The 4-H Club concession stand will be open, serving hot coffee, cold drinks, sandwiches, cake and pie. Visitors and onlookers will be welcome.

A few simple rules govern the shoot—that no binoculars are allowed on the range to check targets, that everyone stay behind the firing line wire until all targets are completely shot, and that all who bring firearms onto the site, practice the safety rules that apply to proper gun handling.

"We want everybody to come out and enjoy themselves but we do request that they follow the few above stated rules," said Dub Day, county agent.

Rankin Schools Now Full Accreditation

Executive Committee Southern Association of Secondary Schools Rankin Independent District for full program—through high school— at a meeting Monday 29 in Austin.

making improvements and conducting a self-evaluation program, which culminated last Spring with a visit by an outside evaluating team, headed by Bascom Hayes of The University of Texas.

The Rankin school system also is fully accredited by the Texas Education Agency. W. R. Goodson, director of the agency's accreditation division, also serves as state executive committee chairman for the Southern Association. Tommy Thompson, Kermit school superintendent, is area representative on the association's state executive committee.

"Such membership (in the Southern Association) is a mark of a community that wants wide recognition for a good school program," Welch said.

C. Welsh, Rankin superintendent, noted more years had been spent

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

WE MADE IT—

Every since last spring when the Rankin Schools passed the inspection for accreditation into the Southern Association of Colleges and Secondary Schools, it has been more or less a sure thing that we would be given full membership in the organization. But now it's official. The final acts have been carried out and Rankin Schools stand recognized as being a notch or two above the vast majority of schools in Texas and particularly in West Texas in their program.

We of the district should be most proud of this fact.

The teachers, the administration, the school board and the students—all who had a part in bringing this about—should be commended. It's a fine mark of honor.

And this recognition means a lot more than it did in years past. There was a time when all a school had to do to become a member of the Southern Association of Colleges and Secondary Schools was to pay up their dues. Not any more.

Many of us know personally of the long hours of work—covering almost two years—that went into the qualifying for this program. It's something which each of us who are a part of Rankin Independent School District can point with justifiable pride and ought to work to maintain.

It is something a lot of schools wish they had and in the future, you will see more and more of them trying to obtain. It is a thing well worth having and now we have it.

THE TURKEY SHOOT—

Saturday and Sunday will be a mighty fine time for all of us to cop onto a turkey for that Thanksgiving dinner at the annual 4-H Club Turkey Shoot.

You don't have to be a Dead-Eye-Dick to win either. Such noted nimrods as Box McDonald, Jay Lane, A. E. Ivy, Doc Gossett, and even your truly have won at

The Rankin (Tex.) News—
Thursday, Nov. 8, 1962

past shoots so you can see that the competition is not too tough—in some divisions, that is. There is, however, usually a group of more advanced students of the shot and shell category such as Marcus Price, Burce McGill, Dub Day, Walton Harral and many others who are among the best in skeet shooting but they are all in a class by themselves and do not usually compete against the less skillful shooters. Then, there are the ladies and as the above mention "crack shots" will testify, some good ones have turned out at previous club turkey shoots. Among the best exhibition that I personally have ever seen put on by a woman was several years ago when Mrs. Bill Priddy, then Miss Peggy Owens and a student in Rankin High School, weighing all of 98 pounds, took the measure of such skilled gunners as Walton Harral and Bruce McGill. She made a believer out of those boys.

So, come on out—it's lot of fun and it's exciting to watch even if you don't bust a cap.

THE END—

Last Tuesday brought to an end the political drag for at least the next twelve months. Like Christmas, a lot of folk are beginning to wonder if we're not overdoing the campaign bit. The big question now is whether any of the candidates who won will be physically fit enough to take office what with about seven months of hard, fast campaigning.

We usually make light of our British friends but they limit their political campaigns to something like six weeks and who can say that's such a bad idea.

But, after looking over the amount of advertising run in almost all newspapers the last two weeks before the election, I now believe that I will have some support from my fellow editors in plugging for a two party state.

STUFF—

I guess by now you have all heard about the politician who won his race for office . . . it seems that they had to put the poor fellow away. After he took over, he started trying to fulfill all his campaign promises.

If there were more self-starters, the boss wouldn't have to be a prank.

Student Body Names Ten As Favorites

from "The Devil's Mirror"

Donnell Lancaster and Roger Scott, seniors, lead the favorite list for the 1962-63 school year. They were chosen by the student body as Miss and Mr. RHS.

The four classes also elected their favorites last week.

Gay Scott and Robert Browning were named by the seniors. Gay is a member of the FHA and Browning is a member of the Red Devil football team.

The juniors named Jo Lynn Steele and Larry Braden as their favorites. Jo Lynn is a twirler and a member of the annual staff while Braden is a member of the Science Club and the football squad.

Businessmen Told Of New Requirement On Business Names

Nancy K. Daugherty, county and district clerk for Upton County, has pointed out that an amendment to Article 5924 of the Texas Constitution, passed by the 57th Legislature on June 16, 1961,

requires all who transact business in Texas under an assumed name to file a new certificate with the county clerk on or before December 31, 1962.

The clerk pointed out that all certificates to transact business in Texas under an assumed name on

The sophomore class named Sue Dishman and Gary Houchins as class favorites. Both were chosen as favorites last year. Sue is a class officer and Gary is a member of the football team.

Martha Love and Kellam Colquitt were named by the freshman class. Martha moved here this year from Eldorado and Colquitt has attended the Rankin School's since the fourth grade.
