## Revival Services Open Today at First Baptist

Services open Sunday at First Baptist Church and through July 14, according to L. Shannon, pastor. Services will begin at 8 p.m. each day while the revival services are scheduled to 8:30 p.m.

Rev. Sublett, from Stamford, is to be the evangelist for the revival. Bro. Shannon, Rev. Sublett is a well known evangelist and that he has a rather unusual way of holding the attention of the congregation.

The singing for the revival will be by Charles Elmore, a student in Hardin University in Abilene. He is expected to be a good soloist.

Rev. Sublett says that the church is looking forward to a large number of visitors for the revival services. He has been made to feel at home.

Rev. Sublett wants everyone to attend these services—services at First Baptist Church. He said, "Make your plans to attend, along with your family. You will be glad that we will be most happy to have you."

## One-Day Closing Scheduled July 4th

Prospects are for a quiet 4th of July in Rankin. No special events have been scheduled in observance of the National Holiday.

A majority of the stores and business offices will be closed for the day. Most plan only the one-day shut-down.

Hurst Barbecue has announced that they will be open for business on the 4th.

## Scouters at Work

UP on their canoeing skill in Saba River are (L to R) Rex Sheppard, Yocham and David Welsch of Scout Troop 56, Rankin. Canoeing is one of the many activities avail-

able to the youngsters during their camping session last week at the Sol Mayer Scout Camp 18 miles west of Menard (see related story on page 5)

## Will Honor Colonels John & William Upton --

# Confederate Marker to be Erected at Courthouse

Plans are underway for the erection of a Confederate Memorial Information Marker for Colonel John C. Upton and Colonel William F. Upton in Rankin. Mr. John Ben Sheppard of Odessa,

president of the Texas State Historical Survey Committee, announced today.

The marker will be placed on the courthouse lawn. Judge Allen Moore of Rankin and Miss N.

Ethie Eagleton of McCamey have been assisting the TSHSC with the marker placement from this county.

"History is of prime interest to tourists," said Mr. Sheppard. "We must also not forget that through this marker program our school children can learn more about the history of the area and of the State."

John C. Upton was born in Tennessee and came to Texas in 1859. He raised a company at the outbreak of the Civil War which became a part of the 5th Texas Infantry. Hood's famed Texas Brigade. His company fought in the campaigns in and around Virginia, and after being promoted to Lt. Colonel, John Upton led a charge upon the enemy rear guard at the Battle of Second Manasses the day before his death there.

William F. Upton, also born in Tennessee, came to Texas in 1853. When the Civil War broke out, he enlisted in the Texas State Troops which protected the Texas Frontier. During his service, he helped to guard 2000 miles of frontier and coastline which was open to Union and Indian attack. William F. Upton served in the State Legislature in 1866 and 1876-1882.

The Texas State Historical Survey Committee, State agency for historical preservation, is in charge of research and inscriptions for the markers.

The State Building Commission is responsible for their erection. The marker to be erected on the courthouse lawn on the south east corner, is of Texas pink granite, stands five feet high, and has the Texas star and wreath incised at the top.

The marker is part of a three-year program to commemorate the Civil War in Texas in stone. The TSHSC is endeavoring to place markers at important Civil War locations in Texas, for dis-

## Swimming Lessons Cancelled for 4th

Notice has been given that the swimming lessons, given under the direction of Mrs. Rosemary Mathews, will not be held at the Rankin Swimming Pool on July 4th. The pool itself, however, is to be open to the public.

## Who Has the Numbers?

All three MDA Jackpot Winners are still out.

Readers had numbers to go last week in the new MDA contest and a rather brisk "sale" of newspapers were registered by The News but as of last Tuesday, only two people had claimed a store prize and the entire \$35.00 in the three jack pot prizes was untouched. Winner at Boggs Gro. was Mrs. H. Wheeler while Ed Helmers captured a store prize at Wallace Lumber Company.

Some readers were reported to be undecided on how to determine or find the jack pot number.

The answer: they appear in any one of the nine ads that carried numbers. For example, the \$5.00 jack pot winning number will be found in Wallace Lumber Company's ad—despite the fact that they have already had a store winner. The other two winning numbers for the jack pots are in other ads.

Indications are that some have not yet checked all firms to see if they won or not. They should do so for, although no definite date for withdrawing the numbers was set, a merchant may decide at any time to discontinue displaying his number.

## FIRST WORM CASE REPORTED

Upton County's first screwworm case for the year was reported today, according to Dub Day, county agent.

"As of today I have been notified by the State Sanitary Commission that the first case of screwworms was reported this week on the R. S. Windham ranch 9 miles east of Crane but in Upton County," Day stated.

"Please remember that in order for the screwworm program to be a success, everyone must keep a close observation on their livestock," the agent stressed.

"Now, since the first case has been reported, it is even more important that the procedure of checking and spraying must be followed out to the letter," advises Day.

The County Agent has urged all ranches joining the R. S. Windham ranch especially, to carry out spraying operations.

With only isolated cases reported, the worm eradication program is considered to be working to the benefit of stockmen.

## MARKERS AND SUCH—

From time to time, we read in newspapers about historical markers being erected in this or that place. Several have been posted in or near Rankin. A program is underway—expected to take three years—to mark graves of Civil War veterans in Texas and to erect other markers related to the Civil War as it affected Texas. A story on one phase of this program appears elsewhere in this issue of The News.

All of these are worthwhile and contribute to the preservation of historical facts related to Texas and Upton County. They are of considerable interest to those of us who have lived here any length of time. And they are supposed to be of interest to tourists.

Perhaps they are. But hardly a month goes by during the summer when folk are traveling about the country that The News does not have a visitor or two who has some questions about the country and its history and almost without exception the query come up: What about the Indians?

Maybe it's because of television

The Rankin (Tex.) News—  
Thursday, July 4, 1963

or the tales of the Wild West but the people who stop in who are from any distance to the east seem to always be interested in Indians.

And what about the Indians? It might be a little hard to get any detailed facts about their life in Upton County but from a few tales that I have picked up here and there, there was at one time, plenty of Indians in this immediate area. I'm told that a large campsite is located at the foot of one of the mountains between here and McCamey and that there is an Indian burial ground south of Rankin.

If we're really interested in attracting the attention of a few tourists, I'll betcha the Indians would outdraw all the other historical sites combined. If an arrangement could be worked out to open one or both of these sites to the public, it could well be worthwhile—even if we had to "salt" the area with a few arrow heads.

**CHECK YOUR NUMBER—**

For some reason, winners in  
the MDA Lucky Number pro-  
gram are as hard to find as a  
man who voted for Kennedy. Yet,  
I assure you that such numbers  
were distributed. Someone has a  
number worth \$20.00 to say no-  
thing of the ones for \$10 and for  
\$5.00. If you haven't checked your  
number yet, do so. The winners  
are still out someplace.

Jackpot numbers were drawn  
from all the numbers combined.  
A winner might be found in any  
ad that carried a number. There  
were nine of these ads. Any one

may have the jackpot winning

**JULY 4TH—**

The old timers tell us that we  
do not celebrate Independence  
day with as much enthusiasm as  
they did in days gone by and  
that may well be. Times and  
way of doing things—even cele-  
brating July 4th—change but I  
doubt that the patriotism of the  
modern day American is any less  
ardent than it was in yester-  
year for despite it all, this ole  
USA is still a heck of a pretty  
good place to be and most of us  
realize it.

**Special Range Day  
Set For July 9th**

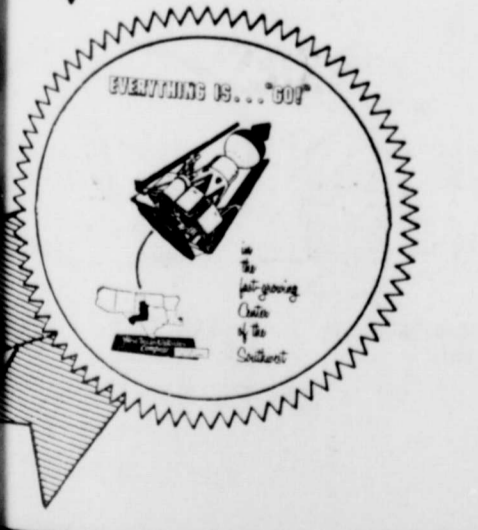

A special range field day has  
been scheduled for July 9 at the  
Sonora Experiment Station, Co-  
county Agent Dub Day announced  
today. The event is sponsored  
jointly by the Texas Section, A-  
merican Society of Range Man-  
agement, and the Texas Agricul-  
tural Experiment Station.

Following registration at 9:00 a  
m., and a welcome address by  
Dr. W. T. Hardy, station super-  
intendent, visitors will hear a  
discussion on "Plant Reaction to

Various Intensities of Use", by  
Dr. C. L. Leinweber, head of the  
A&M College Department of  
Range and Forestry. The morn-  
ing program will be concluded  
with a discussion on "Under-  
ground Water and its Relation-  
ship to Varying Plant Cover on  
Watersheds," by Walter G. Knis-  
el, USDA agricultural engineer, of  
Riesel.

After a "dutch treat" barbecue  
lunch, Dr. Walter W. Thames,  
A&M plant pathologist, will talk  
on "Nematodes in Relation to  
Plant Health and Grazing Use."

The experiment station is lo-

# LETTERS To The Editor

ED.: The following is a copy of a letter sent by U.S. Congressman Ed Foreman, to Miss Kay Rankin, daughter of Mr. and Mrs. Billy Rankin.

excellent letter and comments. Sincerely yours,  
ED FOREMAN, M. C.  
16th District of Texas

Dear Kay:

Much thanks for responding to my questionnaire and for your very nice and informative letter expressing your views on these questions.

Kay, while you are only 15, the views which you expressed would do credit to an citizen much older than you are. Your letter reflects the excellent qualities of instruction you have received in school and also a firm foundation in the principles of our American heritage which you have received from your parents.

The views which you clearly stated are, I assure you, in close accord with my own.

If the young people of our generation would join you in your firm belief in our American way of life in eliminating government domination and developing self-reliance in the individual, the future of our nation would be secure.

Again, much thanks for returning my questionnaire and for your

DAY AFTER DAY I couldn't help but notice our Rankin ambulance that is parked in the back of Dan Daugherty's Service Station. I even went over to see if the red lights were left on but it was only the sun shining on them. In buying some insurance some time ago, one question was: How far are you from a fire plug or fire station- Answer: Corner of my yard, fire plug; one block, fire station. Next question: How far are you from ambulance service? Answer: Just across the street. But I didn't give it much thought as to just when I would be a passenger in it. It's not a '63 model but it's an old saying: "a person gets smarter and wiser as time goes by." Maybe that's true with out ambulance. Don't worry about the model because it's ready to serve you and the men who operate it are always ready to help you. WE SAY thanks to the Firemen, Friends and Sheriff's Department for their help during my illness. They are just as eager to help you.

## Party Honors Higays On Wedding Anniversary

Daughters and sons-in-laws of Mr. and Mrs. E. C. Higday honored their parents on their 50th Wedding Anniversary with a party recently at the Rankin Park Building. A serving table was covered with gold net over taffeta and centered with an arrangement of gold mums. Table appointments were of gold and white.

Events of the wedding day were depicted in a table display and included a bride of 1913, displayed under an archway of greenery. A song, "Golden Wedding Anniversary", was composed and dedicated to the couple by Leonard Scott, a son-in-law.

Serving in the house party were Mrs. Lucille Mangino of Phoenix, Arizona; Mrs. Flo Wood of Fresno, California, sisters of the couple; Mrs. M. T. Maxwell of Modesta, California; Mrs. R. T. Bundy, Rogers, Arkansas; and

Mrs. H. R. Burns of Ft. Worth.

MARRIED JUNE 22, 1913

Mr. and Mrs. Higday, who moved to Upton County in 1927, were married June 22, 1913 in Buena Vista, Texas. After the wedding, the couple rode in a mall hack some 30 miles to Owega, Texas and then boarded the train to Fort Stockton where Mr. Higday was employed as a bookkeeper by Rooney Merchandise Company. During their stay in Fort Stockton, he was also a teller in the First National Bank.
