Serving the Interests of Rankin and Upton County

RANKIN, UPTON COUNTY, TEXAS

THURSDAY, JANUARY 23, 1964

Thee New Hats Tossed Into The Ring --

Political Temperature Low; Poll Tax Payments Lagging

Shaw Enters Commissioner Race Precinct No. One

Shaw, longtime Upton rancher, announced this week that he had filed for Commissioner of Precinct One and make an active race for Precinct No. One. Shaw has lived in Upton County for 23 years during which time he has been active in ranching. His wife are well known in the county and in Rankin County. From 1945 to 1946, Shaw was a Commissioner of Precinct 1. Shaw stated that he was making a race without being obligated to anyone or to any group. If elected, he would make a full time job since he has now retired from ranching. "I will do my best I can for the good of the people of Upton County. I am familiar with the needs of Upton County and will make every effort to fill the job with fairness, honesty and service," he stated. Shaw further pointed out that he planned to contact the voters in person and to talk to them about the race. He invited them to consult with him on any matter they might have concerning him or the quest for of-

William H. Earney Seeks D.A. Seat in 83rd District Race

William H. Earney, a Marfa, Texas, attorney, has announced that he will be a Democratic candidate for District Attorney of the 83rd Judicial District of Texas, comprised of the counties of Jeff Davis, Presidio, Brewster, Pecos, Upton and Reagan.

Earney is forty-five years of age and was born in Temple, Texas.

He is a graduate of Abilene High School in Abilene and has a Bachelor of Business Administration degree and Bachelor of Laws degree from the University of Texas. He is a member of Phi Alpha Delta, honorary legal fraternity and a four-year Navy veteran of World War II.

He served two years as City Attorney of Marfa and is serving his eighth year as County Attorney of Presidio County. He has been associated with H. O. Metcalfe in his law practice for ten years, and is a Rotarian.

Married to Mary Katherine Metcalfe, a third-grade teacher at Blackwell Elementary school in Marfa, they have four children. The oldest son, Craig, is a freshman at the University of Texas while another son is a freshman in Marfa High School and the youngest son, a sixth grader at Merfa Elementary. They have one four-year-old daughter.

WILLIAM H. EARNEY

Two Top Teams Meet Friday in Basketball

When the two leading teams of District 8-A collide in Eldorado Friday night, the matter of the district favorite will be settled. On tap will be the Rankin-Eldorado encounter. Both teams are 2-0 in district standings, having the only unbeaten records of the young season. Eldorado knocked off Big Lake in their first encounter and downed Ozona next while Rankin has wins over Iraan and Sanderson.

For the rest of their January schedule, the Red Devils go to Ozona on Tuesday, January 28, and host Big Lake on January 31.

For the girls, it has been one win—over Iraan, a team that is not competing for district—and a loss to Sanderson. They, too are to play in Eldorado Friday night and will be meeting the defending champions and the team that appears at this time to be an almost sure repeater for the title.

Their final January game is set on the Ozona date. Big Lake has no girls' team.

LIONS PLAN TO SHINE 'EM UP ON SATURDAY

Members of the Rankin Lions Club were limbering up their shoe shine kits this week in preparation for lots of action Saturday. They will open for business at 8:00 a.m. between the Rankin Drug and the Post Office and plan to offer their services until 2 o'clock in the afternoon.

With little more than a week before the deadline for filing, action in the political races was at a very slow pace. Only three new candidates appeared on the local scene this past week, leaving a number of offices with no anno-

DeWayne Lindsey is Candidate for Prect. 1 Commissioner Post

DeWayne Lindsey authorized the News to announce this week that he will file with the County Democratic Chairman to have his name placed on the ballot in the May 2 Democratic Primary Election for Commissioner in Precinct 1, Upton County.

Lindsey, who ranches north of Rankin, is making his second bid for the office, having run in 1960 when he was defeated by a total of 38 votes by the present incumbent.

He has stated that he is making no promises in connection with his quest for the office other than to pledge his best efforts in carrying out the duties of commissioner if elected.

"I realize that Upton County is a mighty big business," Lindsey said. "When you handle about a million dollars a year, it's big business regardless of whether it is a county or a business firm or individual and I fully understand the importance of the job of County Commissioner. I feel that my successful operation of my ranching interests for the past nineteen years, plus my knowledge of machinery, will enable me to properly handle the job if elected. I will give all the time necessary to the position and will do my very best to serve the people of the precinct and of the county if they see fit to elect me," he stated.

Lindsey is a life-long resident of Upton County and graduated from Rankin High School. The family consists of his wife, Jeaney, and three sons.

"I plan to make a thoroughly active campaign for this office as I did the last time and want to see every voter. I will welcome your comments and questions in connection with this race and earnestly solicit your vote and support," he stated.

unced candidates. Among these are the two constable posts, the District Attorney in the 112th Judicial District, the State Representative in the 72nd District; the State Senator in the 25th Senatorial District and the U. S. Representative in the 16th Congressional District. John Menefee, the county attorney, said that he was definitely going to announce and would likely do so next week.

Deadline for candidate filing with county chairmen is February 3.

Still undetermined is what action may be taken by local Republicans but it has been said that some are planning to enter a few of the local races.

Poll tax payments in Upton County were following the state trend and lagging behind for a presidential election year. As of last Saturday, January 18, only 232 poll taxes had been paid in Rankin and 237 in McCamey for a county-wide total of 469. Upton County usually pays around 2,000 poll taxes on a presidential election year.

Tax Assessor-Collector H. E. "Gene" Eckols said this week that he felt that the people of Upton County would pay around their usual number before the deadline on January 31 but said that he expected a king-size last minute rush unless payments picked up over the next few days. He advised voters to pay before the last few days if they wanted to avoid delays and standing in line.

He also explained some of the new poll tax regulations as they apply to Upton County, one being that "overage" do not need exemption certificates and that for one to qualify as overage, he must have been 60-years-old before.

RHS Debate Teams Enter Midland Meet

Debate teams of Rankin High School will participate this week end in the annual speech tournament at Midland. Mr. Robert Farrer, RHS Speech teacher, is coaching this year's debate teams.

The Midland tournament is one of the best of its type in Texas and stiff competition comes from the various school classifications throughout the state.

Scout Pack Meet to be on Tuesday

Den 1 presenting the skit, regular monthly pack meeting of the Rankin Cub Scouts will be held Tuesday, January 28 p.m. at the Rankin Park. Den 3 will present the ceremony. Anyone interested in the Cub work in Rankin is invited to attend.

A COMING BUSINESS—By now most Rankinites become sufficiently accustomed to the bombing of Knobs on Knob Hill that they pay scant attention. Men prepared another batch of holes Monday for the big bangs.

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

PAY NOW—VOTE LATER—

Somewhere back over the years a peddler thought up the bright saying that "You can't tell the players without a program." And in Texas, you can't vote without a poll tax—despite all the efforts and bother we have been through over the past several years trying to repeal the tax.

As of this date, only one more state Legislature need ratify the proposed US Constitutional Amendment that would outlaw the poll tax in Federal voting and that approval could come any day now but that won't change the requirement for voting in Texas for every office from governor on down to dog catcher and if one can't vote in local elections, he's missing just about all the fun.

One, six-bits for a poll tax is not going to break anyone here—abouts so step right up and make yourself a voting citizen.

IT'S TOUGH ALL OVER—

If I didn't know that science with all its modern inventions is

The Rankin (Tex.) News—
Thursday, January 23, 1963

making life easier for all of us each day, I say that things get more complicated.

For instance, back when I was a kid, they always told us to be sure and drink plenty of milk and get lots of rest, to lay off such things as coffee and tea since they were not good for the nerves. Now this fellow who is supposed to be an authority on such things says that milk is not especially good for you since it may cause something or other in the bloodstream that can lead to heart trouble and that tea and coffee are much better for you. In fact, he won't permit his own children to drink anything but tea and coffee. And almost at the same time there comes another authority who says that most of us spend too much time in bed—that we ought to be up and around—making the old blood circulate.

Then, just last week comes the cigarette report that says smok-

ANOTHER DEAL—

Dear old Uncle Sam—bless his heart—every time he tries to do a good deed in this world, he gets a right smart kick in the shins for his troubles. Take the wheat deal with Russia. Already this has promise of being one of the biggest fiascos ever pulled off by Uncle. Here we get ready to put something in the pot for the Russians who are reportedly getting a little hungry, and what does Mr. K do but say that we are all wet in our Panama Canal troubles and that the people of Panama ought to kick us out. In fact, he almost the same as said that he was willing to send his boy, Castro, to help them do the job.

Meanwhile, back at the food bin, American taxpayers are getting ready to ante up something like \$25,000,000 to help the Reds pay for this wheat they are buy-

ing from us. Of course, as governmental expenditures go, \$25,000,000 is just a drop in the hat. Compare this with the well known deal Uncle made with a couple of his other friends recently.

A British firm sold us forty-seven radar predictors for \$2,145,739.60. They were declared surplus before they were delivered and the same firm bought them back from us for \$144,500. The British firm then sold them to Portugal for \$493,500. Portugal, through one of their foreign aid loopholes, got the money from Uncle to pay the British for 47 radar predictors—whatever they may be—for which we had already paid once and the end result was that the British firm was \$2,524,739.60 richer, the Portuguese had the 47 radar units and Uncle Sam—that me and you—had a little loss of \$2,524,739.60.

NOTE: April 15 is the deadline for filing your income tax. Pay up with a smile. They money all goes to a good cause.

**Study Club Hears
Artist Robert Hobbs**

Rankin Study Club met Thursday afternoon, January 16 at the Rankin Park Building with Mrs. Elizabeth Rains, president, presiding. Mrs. Floyd Fields led in the pledge to the flag and Mrs.

Zack Monroe led the club collect. With "Art" as the topic for the program, Mrs. Sam Holmes introduced the guest speaker, Mr. Bob Hobbs, teacher in the arts department at Odessa College. Mr. Hobbs formerly taught in West Texas State at Canyon and came to the meeting highly recommended by Mrs. Chapman, head of the Fine Arts Department at Odessa College.

He displayed his paintings and discussed the different kinds of work from a man's viewpoint. The display included pen and ink work, block prints, screening, oil paints and etchings.

A business session followed the program at which time Mrs. Rains appointed a fund raising committee composed of Mesdames E. C. Higday, Hamp Carter and Jack Smith.

Mrs. B. S. Ramsey and Miss Maggie Taylor were hostesses for the afternoon.

Next regular meeting of the club will be on Thursday, February 6 with the topic of study being "Science and Homelife" with Mrs. Shirley Little as the leader.

New WTU President Takes Over March 1

Executive changes in West Texas Utilities Company's management have recently been announced. Effective March 1, S. B. (Si) Phillips, Jr., will succeed Cal Young as President. Also, J. F. Longley was promoted to Executive Vice President.

Si Phillips, a Vice President of the company since 1960 and an employee since 1939, will succeed Cal Young as the chief executive of the company. Young, who reaches the mandatory retirement age of 65 on February 27, will be elevated to Chairman of the Board. Phillips was also elected to the Board of Directors.

Young, in commenting on Phillips' election as president said, "I feel he is bringing to this position the youth, vigor, and ability it needs. He is well qualified and will make a very able president."

Phillips was born in 1915 in

Lutherans Seeking Church Location; Plan Sunday Social

Rankin Lutheran Church has announced that there will be a series of Christ-centered and scripture-based sermons on station KAMY, sponsored by the Lutheran Church of Rankin every Sunday at 12:35. Also, beginning on January 27 at 8:15 a.m. the Lutherans will hold the morning devotionals on the radio station with several different Lutheran pastors participating. Among these will be Pastors Brutlag from Midland, Weinderhott from Big Spring, Rathgeber from Andrews, Rosche from San Angelo, and Pederson from Ft. Stockton. The public is encouraged to tune in these programs for inspiration and Bible study.

It has also been announced that the Lutheran Church of Rankin is looking for a building and lots for a permanent meeting place. All persons having such property for sale are asked to get in touch with Mr. Pete Linnemann after 5 p.m. or on Saturday or Sunday, January 26, the church will have a pot-luck get-acquainted dinner at the Rankin Park Building from 12 noon to 2 p.m.

"Our friends in and around Rankin, Iraan and McCamey are invited to eat and enjoy the fellowship regardless of church or faith," a spokesman for the group has stated.

WTU serves 166 towns and communities in an area extending from north of Shamrock to the Rio Grande in the Big Bend. Operating in 50 West Texas counties, the company provides electric power for more than 118,000 customers.

TERRARIUMS—

You don't have to be a scientist to be an indoor gardener. You don't have to have a green thumb to grow a small garden right on your coffee table.

Terrariums—gardens enclosed in glass—are fun to make and easy to care for.

Any glass container that transmits light may be used—a globe, fish tank or large snifter.

Also, almost any house plant is suitable, especially those that like high humidity. Plants most commonly used are African violet, maranta, begonia, coleus, croton, dracaena, ivy, peperomia, philodendron, pothos, and wandering Jew. But you can let your imagination be your guide and select any variety that will help make an interesting display.

For the actual construction, the U. S. Department of Agriculture gives the following step-by-step instructions in its booklet on "Selecting and Growing House Plants"

Place a 1-inch layer of gravel, pebbles, broken flower pots, or charcoal in the bottom of the container. Dig moss from the woods and line the sides of the terrarium below the intended soil level, placing the mossy side against the glass.

Prepare a soil mixture of equal parts of garden soil, sand, and peat moss—enough for a layer 1½ to 2 inches deep. Mound the soil on one side of the container to make a slope.

Use a long pair of tweezers—or sticks tied to tweezers—to put the plants in place. Try to avoid getting soil on the leaves. After the plants are in, clean the leaves

with a dry brush. Then spray the plants and soil lightly with water. Cover the container with a sheet of glass or piece of plastic film.

Place the terrarium in a location where it has bright light but never any direct sunlight. Turn terrarium occasionally so plants will be straight.

OUR POLICY

Each year at about this time, we like to tell you and ourselves the rules under which we operate our business. It is a simple statement, and it is:

- (1) The customer is our prime asset to our business.
- (2) We try to treat our customers as we ourselves would like to be treated.
- (3) A good cleaning at a fair price to a customer is our best advertisement.
- (4) We need all the customers we can get, and we want to keep all our customers we have.

Rankin Seniors Take Preference Tests
 Rankin High School Seniors took the Kuder Preference Monday. The test was administered by Sid Stevenson, Dean at San Angelo College. assisted by Bill Shafer, for the local schools. is organized in such as to help an individual his preferences in ten

broad occupational areas. These areas include interest in the outdoors, mechanical, computational, scientific, persuasive, artistic, literary, musical, social service and clerical. This test is only one of a series of tests which when properly used, can enable the student to get a much better picture of his interests, abilities, and aptitudes. These records are especially helpful in both college and vocational counseling, according to the Rankin School officials. Nobody ever pulled a rabbit out of a hat without carefully putting one there in the first place.

Benedum HD Club Has First Meeting

The Benedum Home Demonstration Club held their first meeting of the new year in the Sarah-Benedum Camp on January 9. Presiding officer was Eleanor Adkins. Meeting with the group was Mrs. Lou Jeffers, county home demonstration agent. Roll call was answered by the attending members with "A Bad Habit I would Like to Break in 1964." New year books were issued by Mrs. Jeffers. The HD Agent then gave an

interesting and informative lecture on parliamentary procedures as the first portion of her program. For the second part she discussed with the club the do's and don't of measuring oneself for a correct pattern size and plans for the upcoming clothing workshop in the club, to be held January 24.

Secretary Barbara Fuller read a "Thank You" letter from the past president, Mrs. Bob Holly. Refreshments were served by hostesses Lorlene Stacey and Virginia Rhodes to sixteen members and one visitor. "We cordially invite all homemakers in the Benedum Field area to attend and become members of our Benedum H. D. Club," the president has said. Next meeting will be held on January 23 at 2:00 p.m. in the Sarah-Benedum Camp.

Poll Tax Payments--
 (Continued from Page 1)

fore January 1, 1963 (It will be noted that the date is 1963—not 1964.) Another new regulation is that the poll tax shall be paid in the county in which the tax payer resides at the time of payment. He further pointed out that, although the amendment to the Federal Constitution abolishing the poll tax as a requirement for voting for federal offices may be adopted any day now, it would not apply to voting in local and Texas state elections. The poll tax will definitely be necessary for all who vote in any local or state election this year.

Enrollment Totals Show Slight Drop

With the beginning of the second semester of this school year, new enrollment figures have been announced by school officials. Rankin High School currently has 128 students, a loss of five at mid-term; the Junior High now has 177, a loss of two; while the Rankin Elementary shows an enrollment of 199, a gain of one. Total enrollment, grades 1-12, is 504. At this time last year, the total enrollment was 535. Mrs. Stella Hughes, designated by the school board to conduct the annual school census, has requested that anyone knowing of prospective next year first grade students who might have been overlooked in the census taking, please call her at MY 3-2445 during the school day or at MY 3-2337 after school hours.
