

Vern's Views

Here we go on another year. Seems kind of unfair for us to be trying to look cheerfully ahead into a new year after a week's vacation that naturally leaves one in a slight slump.

We noticed many things during our travels around the state last week that were interesting. Perhaps the most controversial topic we viewed first-hand was the Lubbock liquor situation.

Weekend before last, we drove down the Slaton highway out of Lubbock and noticed two package stores.

Last weekend, we drove back through Lubbock and noticed four such establishments on the Slaton Highway.

But even if the number of stores continues to increase at the rate of 100 per cent per week, gross unemployment will still result from the voters' decision to allow legal sales in the one precinct of Lubbock county.

If liquor stores line the roads in all areas of the precinct, hundreds of bootleggers in Slaton will still be out of a vocation, and thousands from the "Hub City" will be faced with a similar situation.

If those bootleggers weren't completely opposed to work, they could surely find a job at some of the new package stores. From the apparent volume of business the stores were doing, we decided plenty of jobs could be obtained there helping carry the merchandise from counter to car, or even from storage room to counter.

They finished the Friona basketball tournament last weekend.

Remember it was begun earlier in December and had to be postponed because of the snow and ice. They had good weather for the windup, and the Friona Squaws and Farwell Steers were winners in girls and boys brackets respectively.

This weekend, the Friona teams will compete in the Dimmitt tournament, which will be their final action before district play begins.

The Dimmitt Bobcats won the Caprock Basketball Tournament held in Lubbock during the holidays, and this should make them strong district favorites.

Junior Coffey, the big boy who has been a star performer on the football field throughout his high school days, is also quite a basketball player. But Dimmitt has a better balanced cage squad than their football team was, and Coffey won't have to carry so much of the load.

Buddy Squyres, co-winner with Waymon Wilkins in the Star's Cotton Bowl contest, didn't get to see the Arkansas-Duke game after all.

The Squyres family has moved to Oklahoma where Buddy will be employed by the government in a helium plant. The move made it impossible for Buddy to use the ticket he won in the contest so he gave it to Wilkins, who had won the other one.

PUBLIC INVITED--

Legion Zone Meeting Slated Here Monday

American Legion Post 206 of Friona will be host to Zone 1 of the Legion Monday night in a meeting open to the public in the school auditorium.

A film about Communism will be featured along with Amarillo men who were members of the "Freedom Riders," a group that rode Pony Express fashion across the United States.

Mrs. Nona Moore, Zone 1 Commander of Amarillo Pleasant Valley Post 372 will command the program and meeting. Mrs. Moore served in the Waves during World War II. She is past commander of the Pleasant Valley Post.

Mrs. Moore is bringing the film that will be featured. It is titled "Operation Abolition" and deals with the youth demonstrations in San Francisco, Calif., during hearings of the House Un-American Activity Committee in May of last year.

Two songs will be sung as part of the program by the High School Choir. A short

County Men Killed In Plane Crash

Funeral Services Wednesday

Post-holiday tragedy struck this community Monday morning when word was received of the plane crash deaths of three Bovina men and a fourth who formerly worked in this area.

Dead are: D. C. Looney, 31, popular Bovina farmer and a resident of the community all his life; Don Tabor, 28, a graduate of Bovina High and former Texas Highway Patrolman who had been in life insurance business in Dimmitt for past six months; Scott Berggren, 26, graduate of Bovina High who now lived in Clovis; and Charles Burke, 25, of Seymour, who had worked as a highway patrolman in this area with Tabor until a few months ago.

The plane crash occurred some three miles southwest of Fort Sumner, N.M., late Wednesday afternoon. The wreckage was found about mid-morning Monday by a Civil Air Patrol pilot of Clovis who was searching for the craft which was reported missing Saturday night.

The men were returning home from a hunting trip to a ranch operated by Scott Levins, formerly of Bovina, near Hatch, N.M.

They left here Tuesday morning and weren't expected home until Saturday. Bad weather caused them to cut their hunting trip short and they started home Wednesday. When they failed to return by Saturday, relatives became concerned and reported the plane, a four-place Piper Tri-Pacer, missing.

All the men were apparently killed instantly in the crash. The wreckage was near two highways leading from Fort Sumner and a railroad. However, passersby had failed to notice it until it was discovered Monday.

Freezing weather was credited with causing the accident as the plane evidently became "iced up" and plunged to the ground.

Combined funeral services for Tabor, Looney, and Berggren were conducted at Bovina School Auditorium Wednesday at 3 p.m.

Officiating were Rev. John Ferguson, pastor of First Baptist Church in Bovina; Rev. Davis Edens, pastor of Bovina Methodist Church; and Rev. M.A. Smith, pastor of Dimmitt Baptist Church.

Burial was in Bovina Cemetery with Masonic graveside rites for Looney and Tabor.

Don Tabor was born at Dodson in Collingsworth County, June 9, 1932.

He was resident of Dimmitt for past two years. Prior to that time he served as a state highway patrolman in Dalhart for five years.

He was a Marine Corps veteran of the Korean War and a Bovina High School graduate.

Survivors include his wife, Elizabeth Ann; two sons, Michael Don, 7, and James Lee, 5; one daughter, Melinda Ann, 4; his parents, Mr. and Mrs. Emmett Tabor of Bovina; and one brother, John, of Richardson.

State highway patrolmen served as pallbearers.

D.C. Looney was born in Clovis October 10, 1929. A graduate of school here, he attended New Mexico Military Institute.

Survivors are his wife, Mary; two sons, Craton, 11, and R.D., 8; his parents, Mr. and Mrs. Reagan Looney; one brother, Howard; one sister, June Gay McMeans; and a grandmother, Mrs. H.A. Nichols of Amarillo.

Pallbearers were Pat Kunselman, J.W. Wright, Billy Don Read, Scott Levins, Vernon Ward, and Charles Corn.

Alfred Scott Berggren was born in Parmer County, May 28, 1934. He was reared in Bovina area and was a graduate of Bovina High School. For past seven years he had lived in Clovis. At time of his death he was employed as a mechanic at Meadors-Stewart Co. there.

Survivors include his wife, Fey, and two daughters, Becky Lynn and Tammy Ann, of the home; his parents, Mr. and Mrs. Leroy Berggren of Texico; one sister, Mrs. John Tabor of Dimmitt; two brothers, Dale of Olton and Davey of the home; and a grandfather, Alfred Berggren of Bovina.

Pallbearers were Max Meadors, Hal Stone, Clarence Charlton, W.D. Chadwick, Joe Moore, and Jimmy Ware.

Serving as honorary pallbearers were Doc Stewart, Luther Widner, Jack Wolton, Speedy Hammick, Raymond Magness, Jack Calkins, and Dr. V. Scott Johnson.

Funeral services for Burke will be conducted at Seymour, Claborn Funeral Home, Friona, and Steed's Funeral Home, Clovis, were in charge of arrangements.

Tabor and Burke were brothers-in-law.

The plane was owned by Tabor and Burke.

A search for the missing plane began Monday. A false report that the men had refueled the plane in Roswell Wednesday threw searchers off course Sunday. However, it was determined that the men were last seen in Socorro Wednesday afternoon. This information sent searchers to the correct area Monday.

Fort Sumner is directly on route from Socorro to Clovis airport where the men were expected to land.

Hub Sale Set For Jan. 19

Hub's Fifth Annual Community Sale has been scheduled for Jan. 19 at the community center.

A large list of consignments is expected for the annual event, which has had good attendance during its four previous sessions.

Items will be accepted for sale on sale day. Further information may be obtained by calling the following Hub firms, Fleming & Son Gin, West Hub Gin, and Hub Grain Co.

Sale listings will be recorded by any of these three firms.

Happy Trio
Coach Baker Duggins, center; and captains Tommy Lewellen and Eleanor Dodson were all smiles after the Squaws were awarded the first place trophy for defeating Claude in the finals.

POSTPONED BY SNOW--

Squaws Win Crown In Local Tournament

The Friona Squaws grabbed the championship in their own tournament last weekend.

The tournament, which was postponed after the first round had been completed because of snow and bad weather, was

termed a success by school officials, and Squaw Coach Baker Duggins probably thought it was even more successful after the Squaws whipped Claude to take the crown.

Farwell won first place in the boys bracket, beating Springlake in the finals. Bovina Mustangs took third place and Lazbuddie took the consolation bracket.

Dimmitt's girls finished third behind Friona and Claude, while the Bovina Fillies were nabbing the consolation trophy.

The Squaws had their hands full in the championship game. The stubborn Claude team refused to accept defeat, and came back from an 11-point deficit at halftime to pull within two points of a victory when the game ended.

Final score was 45-43.

The Squaws had whipped Adrian in the first round on Dec. 8, before the remainder of the tournament was postponed.

The Chiefs were knocked out of the tournament by Lazbuddie Friday.

Both boys and girls teams

FRIONA, TEXAS THURSDAY, JANUARY 5, 1961

THE FRIONA STAR

12 PAGES VOLUME 38, NUMBER 14 SECTION 1

Diphtheria Threatens; Protection Is Urged

Diphtheria cases reported as early as Dimmitt were being viewed with concern by school and health officials in the county this week.

The disease hit Plainview in epidemic proportions the week before Christmas, and communities throughout the area have kept an uneasy check on the situation.

Dimmitt has reported only "one or two isolated cases," but prospects of the disease spreading into Parmer County are not considered remote.

Dr. Paul Spring, county health officer, said diphtheria shots have not been declared mandatory for school children, but that such measures will become mandatory if any cases are reported here.

"We strongly advise that all children have either a shot or booster shot," Dr. Spring said. "Adults should either take the shot or have a Schick test to determine if a shot is needed."

Schools in the county were closed for about 10 days for the Christmas--New Year's

Holiday. Reports circulated in Friona that immunization against diphtheria would be necessary before students could be readmitted to classes following the holidays. These reports were not true, but preventive measures are strongly advised.

Forgery, Burglary Bring Two Arrests

Friona police officers made two arrests during the holidays that apparently solved a series of check forgeries here and a house burglary in Clovis.

Dick Sandell, 19, was arrested and held on a request make by Clovis authorities in connection with a break-in in that city. Arresting officers recovered old coins and a .38 pistol believed to have been taken in the burglary.

Sandell said he had lived here about three months.

Jesse Roscoe Barnes, 40 who gave his hometown as Clarksville, Mo., was arrested and charged with a number of check forgeries. Officers said complaints were made by several Friona merchants, alleging that Barnes had used imaginary names on checks he had cashed here. He was turned over to county authorities and charged with check forgery.

Barnes had also been living in Friona about three months. Aside from these arrests, police activities during the holiday week were routine.

Mr. and Mrs. Earl Drake and boys were in Houston during the holidays visiting with Mrs. Drake's parents, Mr. and Mrs. A. C. Winchester.

Mr. and Mrs. Ronny Ferguson and family were guests of Mr. and Mrs. E. F. Ferguson of Shawnee, Okla., Christmas.

Owner Reveals Move

Foster's Dry Goods, a Friona business establishment for the last 15 years, will change locations according to an announcement made this week by Wesley Foster, store owner.

The firm will move north from its present location on Main Street into the building formerly occupied by Ware's Department store.

The building is owned by Joe and Charles Osborn, Ware's lease on the building expired only a few cents.

The council also voted to pay

School Begins Census

Taking the school census has begun in Friona Independent School district.

Superintendent Alton Farr's office is headquarters for the procedure and all children born after Sept. 1, 1943 and before Sept. 1, 1950 should be included in the count.

Anyone knowing of a six-year-old youngster who might be missed in the census is asked to contact the superintendent.

Data explaining the census and how to fill out the census forms was distributed to school children this week.

OF CITY COUNCIL--

Amendment Approved

City Council voted an amendment to a water ordinance that will increase water rates paid by persons outside the city limits by 50 per cent.

This step was taken as partial compensation for the fact that such users have the same city services and fire protection as city residents but do not pay any taxes. The council's opinion was that allowing such property owners such privileges was unfair to taxpayers living within the city limits.

The ordinance also abolishes the installation fee for large meters, usually required by commercial buildings. It does not call for an increase in these rates to commercial users but specifies that rates now being charged be continued.

Larger meters carry higher regular rate.

Water meter deposits for residential property were made mandatory by passage of the amendment. Persons who own their homes will be required to pay a \$5 deposit to receive water service. Persons who rent residences will pay a \$10 deposit.

The deposits were required in the amendment because of past experiences by the city, when some persons who have rented their homes have moved away owing the city for about one and one-half months water service.

While the number of such incidents is relatively small, nevertheless, the loss is sizeable and city officials hope a higher deposit for persons who rent will discourage such incidents in the future. The deposits will be returned in full when the final bill is paid, or returned in part if part of the final bill is left unpaid.

The city will also discontinue paying interests on the deposits. Computing and posting the amount of interest per deposit had become a demanding job, and the amount of interest paid for each deposit was only a few cents.

The council also voted to pay off the final indebtedness against the city's newer fire truck.

If the balance is paid now in one large payment from the general fund, a significant savings in interest payments will be realized by the city. Funds from the Water and Sewer Maintenance Fund are earmarked for paying off the fire truck and will later be moved from the water and sewer fund into the general fund.

Aldermen voted to look further into buying a "Backhoe loader," a machine that can be used for various jobs from ditching to grave digging.

The council will ask various implement dealers for a demonstration of their machine, and then will call for bids. Cost of the machine is approximately \$7,000.

Mrs. Nona Moore

number of persons not connected with the American Legion will attend this program in addition to members," said J.P. Sims, who is commander of the local post.

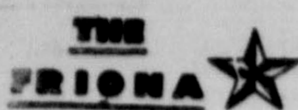

"We sincerely hope that a large

Revival Ends Here Sunday

A revival, in progress since last Sunday, will be concluded at First Baptist Church this Sunday night.

The Rev. W.G. Burton, pastor of the church, is conducting the series. Jack S. Christie of Brownfield is in charge of music.

Rev. Burton joined the church as pastor in early October.

Massey Family Visit In Oklahoma

Elaine Massey, Tommy, Eddie and Marcella spent the Christmas holidays visiting in Oklahoma. They were guests in the home of Elaine's brother, Mr. and

Mrs. Arthur Manderscheid at Hydro, Okla. While there they visited with a niece and family, Mr. and Mrs. Bob McClosky of Terra Bella, Calif.; Mr. and Mrs. Dean Manderscheid of Tulsa and an aunt and family, Mr. and Mrs. Tom Pierce of Chester, Okla.

Before returning to Friona they visited in the home of a cousin Mr. and Mrs. Charles Reed and family at Canton, Okla.

Christmas Guests In Collier Home

Christmas holiday guests in the home of Mr. and Mrs. Preach Collier and their children Darrell and Rita were Mr. and Mrs. J. R. Cook, Sharon, and James Wendell of Amarillo; Mr. and Mrs. Troy Kemp, Sandra and Greg of Lubbock; Mr. and Mrs. Ed Cook, Amarillo; Mr. and Mrs. Pug Collier and Brenda and Mr. and Mrs. E. E. Sparkman and Eldon of Friona.

Geneva Floyd Selects Campus Social Club

Geneva Floyd, daughter of Mr. and Mrs. Glenn Floyd, has selected Christliche Damen as her social club at Lubbock Christian College.

Christliche Damen, a German phrase meaning "Christian Women," was organized in 1956 to promote unity among the students and to promote a Christian atmosphere on the campus.

Miss Floyd was a member of the F.H.A., F.T.A., Theatrics, Band, Student Council, Annual and paper staff. She was elected Miss Personality of Friona High school. She graduated from F.H.S. in 1960.

Each student at LCC receives at least one bid to one of the social clubs on the campus.

Miss Magness Is Shower Honoree

Sue Baxter was hostess to a Gadget Shower honoring Jacquelyn Magness at her home Monday morning, Jan. 2.

Coffee cake and hot chocolate were served to the guests.

Those attending and sending gifts were Lawana Houlette, Gwen Green, Janet Snead, Geneva Floyd, Ann Baxter and Mrs. Bill Baxter.

Clyde Fields Awarded Citation

An official State Health Department citation was awarded this week to Ira Clyde Fields Friona city water superintendent for the past eight years, for proficiency in water plant management.

Under the State Health Department's operator certification program, operators are carefully examined on their technical ability and on their knowledge of their work's influence on community health. Each must pass a stiff written test to qualify for certification.

"The recipients of these certificates are a credit to their profession and to their communities," sponsors of the certification program said.

Mr. and Mrs. Aaron Kellin of Darrouzett, Texas spent the weekend in the home of Mr. and Mrs. David Bender and Patricia.

Wright, Mr. and Mrs. Forrest Osborn, Mr. and Mrs. Ronny Ferguson, Mr. and Mrs. Glenn Floyd, Frieda Jackson, Mr. and Mrs. Wilbert Varner, Elaine Massey, Rita Prichard, Mr. and Mrs. Clyde Sherrill and Mr. and Mrs. W. H. Graham.

Mrs. Morris Has Christmas Guests

Visiting in the home of Mrs. G. W. Morris during the holidays were her children Mr. and Mrs. J. D. Dodson, Mr. and Mrs. Ollie Owen of Amarillo; Mr. and Mrs. David Bender of Friona and her grandchildren Mr. and Mrs. Ray Myers of Elk City, Oklahoma; Jack and Brenda Dodson of Amarillo and Patricia Bender.

Maxine LaFavers accompanied Johnny Sparks of Clovis to Enid, Oklahoma last week. They were guests of Johnny's parents.

A Presidential Blunder

President-elect Kennedy almost has his cabinet appointments completed, and he will have a much more balanced cabinet to work with than most observers predicted.

When the Democratic nominee was declared victor in the election, many feared his liberal views would cause his cabinet to be so leftist that there would be no difference of opinion in the executive department.

Naturally Kennedy's appointments reflect his liberal views, but he hasn't lined up a group of rubber stamps to work in his cabinet.

One serious mistake the new president has made was the appointment of his brother Robert to the post of Attorney General. The president's brother is qualified for the post, but he wasn't the only man in Kennedy's party that could have been chosen, and it makes enemies of the new administration worry about the stuffing of our government with persons of the same family, which obviously will have ideas that are as identical as a carbon copy.

Robert Kennedy could have aided the Kennedy Administration without being a mem-

ber of the president's cabinet. Milton Eisenhower helped the outgoing president during the latter's first term in office, but he was not given a position of power in the government.

Also, John Kennedy's appointment of his brother adds to a growing opinion of the new president, that holds the young man as one who completely ignores tradition and refuses to follow accepted administrative patterns of the past.

The president who will take office this month has already established precedents that will make him important in American history of later generations.

He will probably be tied in with an unruly surge by forces in America that are coming to the front to lead in areas of music and art as well as government.

But Americans and free people everywhere will be hoping that the flamboyant new president is a settled individual, capable of leading the world's most advanced country through these treacherous times.

Only time will prove whether he is such an individual.

Letters To The Editor

Dear Mr. Stewart,

We of the Modern Study Club wish to thank you and the Friona Star for your wonderful help on Project Christmas Card. Your generous publicity and the complimentary page for our Christmas Card helped to make our project a real success. The final amount contributed for this living Christmas card was \$1400.25.

Without your help and the many generous friends of the Hospital such club projects could not succeed. This money has been turned over to the Hospital to be used for equipment.

Sincerely,
Mrs. Frank A. Spring,
Chm.

Ex-Students, Gather For Annual Event

The Friona Ex-Student Reunion was held in Friona Cafeteria Monday night, Dec. 26. The graduation class of 1939 was host, assisted by classes of 1919-1929-1949 and 1959. The tables were decorated with red poinsettias combined with greenery. The centerpiece was white mums gilded with gold. A gold 1939 topped the center.

The menu consisted of baked ham, potato salad, beans, cranberry sauce, hot rolls, fried pies and coffee. Approximately 100 people were present.

Mr. C. L. Vestal was master of ceremonies for the 1939 class. The Friona school song was sung by the group. Opening prayer was given by Forrest Osborn.

The class history of 1919 was read by Mrs. Howard Ford in the absence of Mrs. Bill Flippin.

Class history of 1929 was

given by Granville McFarland, 1939 by Mrs. Clyde Sherrieb, 1949 by Mrs. Lloyd Rector and 1959 by Dale Smith.

Recognition of other classes included ex-students from California, Washington, Colorado and New Mexico, Mr. and Mrs. J. T. Gee were recognized as the only teachers there, and for their years of service in the Friona Schools. Later they were presented the centerpiece from the 1939 class.

The business session followed with Truett Johnson presiding. Mrs. Sam Williams will be the new president; Mrs. C. L. Vestal, vice president and Loyde Brewer, secretary and treasurer. Plans were made for the reunion next year with the 1940 class as host, assisted by 1920, 1930, 1950, and 1960. The date will continue to be Dec. 26. J. T. Gee gave the benediction.

The remainder of the evening was spent in visiting.

4. Insert your will or a copy of it. If your will is kept elsewhere, include a note telling where it may be found.
 5. During the year, put into the file your income tax withholding statements and receipts for expenditures which may be deductible. Then keep a copy of each year's tax return in the file.
 6. Make a list of all the stocks and bonds you own and where they are.
 7. List all the places you have lived and worked and the names of persons there who know you. Include the schools you have attended and the dates you left or were graduated.
 8. If you may have benefits coming from a profit-sharing plan where you work, make a note of that, too.
 9. If you're in doubt about whether an item should be included, put it in.
- This takes time initially, but it will save you both time and worry in the long run.

With Christmas and New Year's holidays now history, being back at work, having school back in session and getting settled down to life as it will be during 1961 is rather relaxing.

Of course, it is always nice to visit with relatives and friends in your home or theirs, but having affairs back to normal is good, too. Upon chatting with Roy and Eva Miller in the drug store early this week, we learned that guests in their home during the holidays included all ten of their grandchildren.

The children belong in five families and are all three years old or younger, so when they're together it looks somewhat like a nursery school. Five of them are boys and five are girls.

Sounds like every day last week at the ski run at Red River should have been Friona Day. Doubt that there's any other event that attracted so many Frionans. Think about eighty were registered from Friona and Parmer County.

Dr. Loyd Shackelford seems to be the only one who went from here who was injured. After hearing his version of how he happened to come home with a knot on his head, it is apparent that a person doesn't have to be on skis to be injured on a ski run.

Let's all cooperate with Mr. Farr and members of his staff in doing a good job enumerating school age children in this area during the next few weeks.

Funeral Conducted Here For Marvin Whaley, 81

Funeral services for Marvin Whaley, 81, pioneer settler in Curry County and later a long-time resident of Friona, were conducted here Thursday in Congregational Church.

The Rev. Hudson B. Phillips, pastor, was in charge with Paul Smith assisting.

Mr. Whaley died Tuesday at the Morehead Nursing Home in Dallas, where he had resided several years, after receiving injuries in a fall, from which he never fully recovered. Mr. Whaley was born April 21, 1879, at Carlisle, Ky. In 1907 he moved to Eastern New Mexico, homesteading land at Hollene. It was here that he met and married Bula Sabell Watson, whose father also was homesteading and whose mother was teaching school at Hollene.

In order for their sons, Watson and Thomas L., to be able to attend school Mr. and Mrs. Whaley moved to Friona in 1920.

Surviving besides his wife and sons are two granddaughters, Connie and Louise; two sisters, Mrs. Fred Clyde of Los Angeles, Calif., and Mrs. Nancy Prather, New York City; and many nieces and nephews.

Burial was in Friona Cemetery under direction of Claiborn Funeral Home.

Pallbearers were Clayton Taylor, Ralph Smith, Elroy Wilson, Nelson Welch, Raymond Euler and Granville McFarland. Honorary bearers were R.G. Wiley, Lloyd Shulk, Ed Boggs, T.J. Crawford, Bert Shackelford, Preach Cranfill and Roy Slagle.

A Londoner spoke up saying, "In England we play a game called Rugby, in which there is a lot of shin kicking."

"Well," said the American, "We play it over here, too, but we call it bridge."

Dinner-Bridge In Kendrick Home

The home of Mr. and Mrs. H. K. Kendrick was the scene of a New Year's Eve dinner and bridge party Saturday evening, Dec. 31.

Those present were Mr. and Mrs. Louis Welch, Mr. and Mrs. Hollis Horton, Mr. and Mrs. Newman Jarrell Jr., Mr. and Mrs. Bill Sheehan and Mr. and Mrs. David Carson.

Patent: "Since we have known each other for a long time, Doctor, I do not intend to insult you by paying my bill, but I have left you a handsome legacy in my will."

Doctor: "That's fine. By the way let me have that prescription I just gave you. I want to make a slight change in it."

The editor of a poultry journal received the following inquiry from a woman reader: "How long should a hen remain on the eggs?"

The editor replied: "Three weeks for chickens and four weeks for ducks."

A little later, the editor received a second letter: "Thank you for your kind advice," it read, "The hen remained on the eggs three weeks, and there were no chickens hatched. As I didn't care for ducks, I took her off the nest and sold the eggs."

in and around FRIONA WITH JUNE

Perhaps most people have already made a lot of New Year's Resolutions and broken some of them. If your family is one that hasn't made a practice of keeping records, it would be well for you to add one more to your list.

Then, if you break every other one on the list before the year is out, keep this one: Keep Accurate Records!

Following is an article that was prepared under the supervision of the State Bar of Texas and distributed as a public service by the lawyers of Texas. "Back in pioneer times our forefathers found they could keep track of the family history pretty well with a few notations on the hyleaf of the family Bible. But life's not quite that simple any more. Great-grandpa wasn't covered by social security or workmen's compensation.

He didn't have a bank account or safe deposit box, a car and a dozen home appliances being bought on time payment, or half a dozen insurance policies. We have taxes great-grandpa never heard of and wouldn't have believed if he had.

And had you asked him for a certificate to prove his birth, he'd have thought you'd taken leave of his senses.

The point of this is that the average American today has a good many important papers to keep track of. There are birth certificates, receipts, copies of tax returns, sales contracts and a host of other papers. With a little tidy record-keeping, you can make life easier for yourself and your family when you are gone.

So, why not make a New Year's Resolution to follow these suggestions:

1. Get a heavily bound notebook folder or file folder as a central collection point for all the records of your affairs.
2. Put your especially important papers in your safe deposit box, but make a list of those papers and a brief summary of their contents to put in your home file.
3. Get for your files copies of birth certificates for all members of the family and add them to the file. Add your marriage license or at least a statement as to when and where you were married and by whom.

STRENGTH FOR THESE DAYS
from The Bible

I will arise and go to my father, and will say unto him, Father, I have sinned against heaven, and before thee, and am no more worthy to be called thy son. --Luke (15:18-19)

Thus spoke the prodigal son, and when he returned home his father welcomed him with rejoicing and forgiveness. Jesus promised in this parable that the Heavenly Father will give the same glad reception to all who, having strayed into sin, turn with contrite hearts and ask His forgiveness.

CARD OF THANKS
We wish to express our heartfelt appreciation to all who were so kind and thoughtful to us when our loved one passed away. For the food, visits, prayers, flowers and cards, we thank you. Especially do we thank Paul Smith, Hudson Phillips, Judy Smith and Cayson Jones and all the others who participated in the song service, May God bless you all.

Mr. and Mrs. Bud Reed, Mr. and Mrs. Ralph Reed and daughter and Mr. and Mrs. Eugene Bandy and boys spent Christmas with Mr. and Mrs. Gene Watson and family at Pampa.

Is He Planning Matrimony ?

The Parmer County Sheriff's Department this week is looking for a burglar who has been following a definite pattern while twice breaking into a farm home near Hub.

It all started November 21 when someone entered the home of Ralph Robinson and made off with a wedding ring, a woman's watch, cuff links and several other small items.

The burglary was not reported to Sheriff Chas. Lovelace until November 28, and an investigation at that time revealed few clues. The break-in occurred while the Robinsons were away from home.

Again over the New Year weekend, while the Robinsons were away visiting relatives for a few days, their home was entered for the second time.

Missing when the Robinsons returned Sunday night were two forks, two knives and two spoons from a set of silverware, two cups, two drinking glasses, two saucers, four plates, a skillet and radio.

The burglary was immediately reported to the sheriff, who this week was checking out several clues. "I've never seen anything like it," Lovelace says of the unusual break-in.

Considering what the items were that have been stolen both times, the sheriff says "apparently it's someone who's planning on getting married."

In other activity for the sheriff's department over the holidays, Fortunato Martinez, 18, was arrested at Friona and charged with attempted forgery.

Fosters--

Jan. 1. The firm had vacated the building in late November. "We are making the move because we feel it will give us a little better location, with a wider building," Foster said.

He said no decision had been reached on what establishment will occupy his present building.

Martinez allegedly tried three times at various Friona businesses to cash an \$18 check on which he had forged the signature of B. W. Turner.

The young man was arrested Friday by Sheriff Lovelace and is now in custody at the Parmer County jail. Bond for Martinez has been set at \$500 and he has been bound over to the grand jury.

A couple of minor break-ins which occurred over the holidays are also being investigated by the sheriff's department.

Last Thursday night, someone entered a barn on the Hilton Moore farm near Bovina and made off with some gas and oil.

The Friona school house was broken into last Wednesday night. A soft drink machine was tampered with and a small amount of money was taken from the coin box. Entrance was gained through an unlocked window.

Also reported to the sheriff's

department was an accidental gunshot wound to Danny Kruse, 17-year-old son of Mr. and Mrs. M. D. Kruse, who lives near Bovina. The youth was

target practicing with a pistol Monday afternoon when he accidentally shot himself in the leg. He was treated for the injury at the Parmer County Community Hospital in Friona.

Squaws Win--

will journey to Dimmitt this weekend for their final tournament of the year. Next Tuesday night, Friona meets Dalhart here to launch district play, which will be finished Feb. 10.

Mr. and Mrs. Bill Schwab and boys spent Christmas week in Shattuck, Okla., and Higgins, Texas.

Mr. and Mrs. George W. Jones and Kathy were in Dallas and Garland, Texas during the Christmas holidays.

Drawing Won By Baxter

Who says people that win things are always individuals who have no use for them?

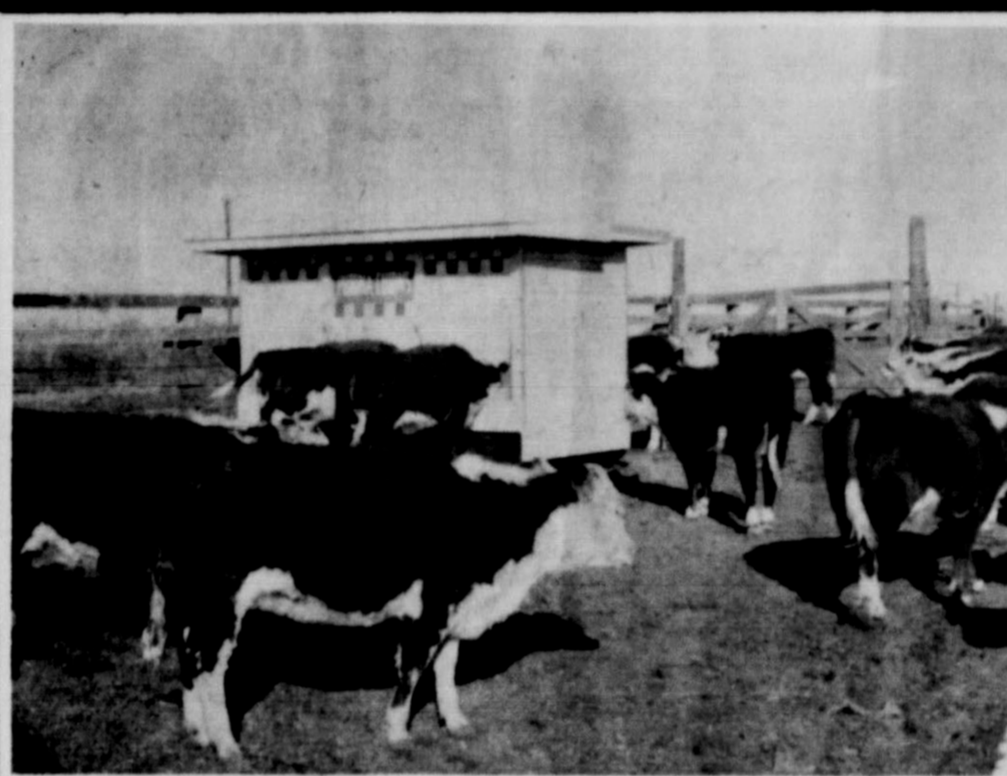

The drawing held Christmas Eve that awarded a pony, saddle and bridle to the lucky ticket holder is definitely an exception to that rule.

Billy Dean Baxter, who lives six miles south of Friona, was declared winner of the pony and equipment. The Baxters have three children, all under 13.

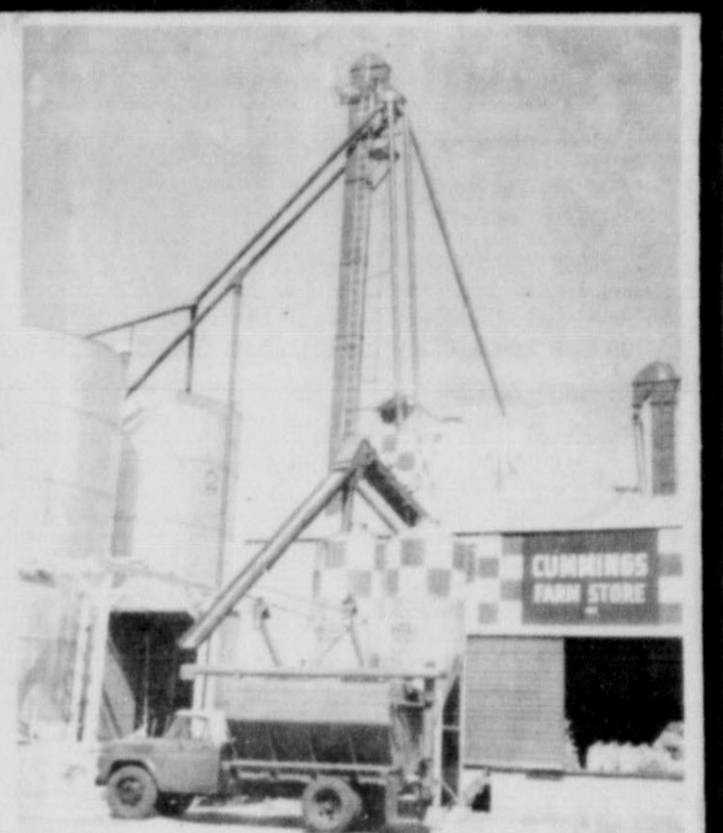

The drawing was sponsored by Friona Jaycees as a fund raising project. A spokesman for the organization termed the project "successful."

Visitors in the Bill Schwab home over the New Year's holidays were Dent Linderman, Perryton; Mr. and Mrs. John Renner and Jerry of Canyon Mr. and Mrs. Charles Rector and family, Clyde and Donnie Renner of Friona.

Mr. and Mrs. Ed Boggess were in Woodward, Okla., Christmas visiting with Mrs. Boggess' sister.

ADMINISTERING OATH OF OFFICE to county officials who were elected in the recent primary and general elections is Parmer County Judge Loyde Brewer. The elected officials were sworn in at a ceremony Monday morning at the courthouse. Taking the oath are, from left to right, Hurschell Harding, attorney; Guy Cox, commissioner of Precinct 3; Thomas Lewellen, commissioner of Precinct 1; and Chas. Lovelace, sheriff.

New Commissioners Take Oath Of Office

Two newly-elected members of the Parmer County Commissioners Court, and three re-elected county officials took their oaths of office at the Parmer County Courthouse in Farwell Monday morning.

Sworn in for the first time were Thomas Lewellen, commissioner of Precinct 1 (Friona), and Guy Cox, commissioner of Precinct 3 (Farwell).

The two new officials were present for the first traditional New Year's Day meeting of the Commissioners Court, as were the two commissioners they are replacing, E. G. Phipps of Friona and J. H. McDonald of Farwell.

It was a short meeting which included payment of bills and

the approval of bonds for all the newly elected county officials.

Also taking the oath of office for new four-year terms were Chas. Lovelace, county sheriff; Lee Thompson, assessor-collector; and Hurschell Harding, county attorney. All three were re-elected in the recent general election.

Spending the Christmas holidays in Athens with the C. B. Hanson family were Mr. and Mrs. A. H. Hadley and Mary, Mr. and Mrs. James Pope and boys, Mr. and Mrs. Windle Sikes and son and Mr. and Mrs. Leo Bails and family. Mrs. Hanson is the former Margaret Hadley.

FM 1412--

I add a few drops of olive oil to the water when I wash out my doeskin or chamois gloves. Then after they dry, they're soft and pliant.

SPORTS AFIELD

The oldest type of boat construction is the lapstrake (clinker-built). A craft of this type dating back to about 400 A. D. was excavated near Denmark.

The penguin can't fly, but he can jump about five to eight feet out of the water and on to an ice floe.

Giving a dog a pill can be very frustrating for the inexperienced owner. Best way is to clamp upper lips over jaw, force mouth open, pop in pill.

In the event of any serious accident, examine your dog's gums at short intervals. If they are white as if bleached he may be suffering from internal hemorrhage. If so, the body should be bound tightly with straps till you get the dog to a doctor.

Commission Approves Improvement Of Road

Improvements to Farm Road 1412 in eastern Parmer County has been approved for completion in 1961 by the Texas Highway Commission.

The road will be paved from the Deaf Smith county line to U. S. Highway 60 at Friona. The plan will include 12.2 miles of highway and will cost \$10,700.

Work will be under supervision of H. Bruce Bryan, district maintenance engineer for the Texas Highway Department.

This work is part of two statewide "highway housekeeping" programs revealed by the Texas Highway Department. Totaling 40 million dollars, the programs are keyed to safety features and proper upkeep of the State's highway systems.

The two safety and betterment programs will be evenly divided financially throughout the state with 20 million dollars to be spent on the U. S. and State Highway systems and 20 million earmarked for the farm to market road system.

The 1,075 items involved in the two programs, covering a total of 224 counties, will all be done during the next calendar year. A total of 2,799 miles

of U. S. and State Highways and 3,686 miles of Farm-to-Market Roads are included in the work list. Highways are due for improvements such as surface widening, bridge widening and replacement, base

strengthening, and paving of shoulders. District Engineer O. L. Crain said a total of 434.4 Miles in this highway district will be involved, at a total cost of \$1,994,000.

Of Interest To THE WOMEN

THURSDAY, OCTOBER 6, 1960

Methodist Widows Honored With Luncheon

Widows, that are members of the Methodist Church, were guests of honor at the general meeting of the WSCS recently. A covered dish luncheon was served at 1 p. m.

Modern Study Club Has Meeting

The Modern Study Club held their regular meeting at the club house Monday evening, Jan. 3.

The program topic was "Literature." Mrs. J. T. Gee gave the introduction of the club years 1942-44 in the absence of Mrs. Frank Spring.

"Best Sellers vs Best Books" was presented by Mrs. H. K. Kendrick, and "People Who Influence Our Reading" was given by Mrs. Ross Ayers.

Hostesses Mrs. J. G. McFarland and Mrs. Mack Batnum served refreshments to Mesdames O. J. Beene, V. J. Zeman, Loyde Brewer, Wesley Foster, Paul Hall, J. T. Gee, Howard Ford, Dan Ethridge, George Jones, Otho Whitefield, Claude Miller, Wright Williams, Hadley Reeve, Bill Stewart, Deon Awtry, Sloan Osborn and one guest, Mrs. Clayton Taylor.

scarf was presented to each one. Only seven of the 28 special guests were able to attend the luncheon because of the severe weather. Luncheons were carried to the shut-ins that were on the guest list.

Following the luncheon, Mrs. Dick Rocky, president, introduced an interesting skit and reading. Mrs. Dorothy Hough and Mrs. Bill Baxter took part in the pantomime and Mrs. Kenyth Cass gave the reading. Mrs. Ernest Anthony, Mrs. Jean K. Anthony and Mrs. Russel O'Brian sang carols. Mrs. Jean Anthony read a beautiful and unusual Christmas story.

The honored guests presented the WSCS with a cash love offering as a gift.

Birthday Party Honors Burt Osborn

Burt Osborn was honored on his 5th birthday with a party in the home of his grandparents, Mr. and Mrs. Sloan Osborn, Saturday morning, Dec. 24.

Refreshments were a snowman birthday cake and ice cream.

Those present were Jack and John Sheehan, Bill and Shelly Osborn, Mrs. George Taylor, Suzanne and Lisa, Mrs. M. C. Osborn and Paige Ann and Mrs. J. B. McFarland.

Ginsburgs Fete Methodist Choir

Mr. and Mrs. Robert Ginsburg were hosts to the choir of the Methodist Church in their home at 1210 White Ave., Wednesday evening, Dec. 21.

Special guests included Lt. Don Lewis, Rev. and Mrs. Wallace Kirby and the husbands and wives of the choir members.

After the choir rehearsed the music for the Christmas morning service, Lt. Lewis sang several songs, Lewis directed the group in the singing of carols. The remainder of the evening was spent playing games.

Those present were Rev. and Mrs. Kirby, Lt. Lewis, Mr. and Mrs. A. W. Anthony Sr., Mr. and Mrs. Kenyth Cass, Mr. and Mrs. Wright Williams, Mr. and Mrs. Russel O'Brian, Mr. and Mrs. Ernest Anthony, Mr. and Mrs. W. H. Ford, Mr. and Mrs. Arthur M. Drake, Mr. and Mrs. Henry Lewis, Mr. and Mrs. W. M. Stewart, Mr. and Mrs. Flake Barber, Mr. and Mrs. O. L. Rankin, Mr. and Mrs. Jean K. Anthony, Forrest Osborn, Miss Lois Norwood, and Mrs. Mack Batnum, Mrs. R. W. Ginsburg, Mrs. Fay Reeve and Mrs. Dorothy Hough.

Guests in the home of Mr. and Mrs. Sloan Osborn Christmas were Mr. and Mrs. Charles Osborn, Bert, Bill and Shelly from Houston; Mr. and Mrs. Joe Osborn and William of Austin and Sally Osborn from the University at Austin.

MRS. KIRBY WILLIAMS

Hand-Williams United In Double Ring Ceremony

Jonnie Hand, daughter of Mr. and Mrs. Johnny Hand, and Kirby Williams, son of Mr. and Mrs. Owen E. Williams of Anton were united in an impressive double ring ceremony Tuesday, Dec. 27, at 5:30 p. m. in the Friona Methodist Church.

Joe Barnett of Levelland read the wedding vows for the couple. Mrs. Roy Miller, organist, accompanied Mrs. Don Reeve who sang "The Wedding Prayer" and David Shackelford, singing "The Lord's Prayer." Before joining the groom at the altar the bride sang "Whither Thou Goest."

Escorted and given in marriage by her father, the bride wore a formal gown of silk satin. The bodice was fashioned with a soft drape neckline and long tapered sleeves above a bouffant skirt with a back bustle formed of satin folds. She wore a full length circular veil made of imported French silk illusion edged with imported Chantilly lace. She carried a bouquet of orchids and rosebuds atop a white Bible.

Wesslie Hand was her sister's maid of honor. The bridesmaids were Nathalie Britton, Capitan, New Mexico; Levada Hand, Mary Ann Boggess and Robbie Boggess.

The flower girl was Holly Welch. Candles were lighted by Suzy Williams, cousin of the groom, and Floye Smith, cousin of the bride.

The bride's attendants wore identical dresses of blue velvet trimmed with white fur and white fur bandeaus. Their corsages were white mums.

Don Poston of Plainview was

best man, and serving as groomsmen were Larry Cox, Littlefield; Bobby Bumpass, Lubbock; Jim Ravanelli, Albuquerque and Frank Foster, Sudan. Usher were Clark Cowdry, Post; Charles Corley Nimmo, Clinton, Okla.; Kirk Williams, Anton, and Kenton Williams, Lubbock.

Miss Grace North and Mrs. W. F. Moore were honorary bridesmaids and honorary groomsmen were Dave McVey, Friona, Mac Harrington, Morris Alexander and Duron Bishop all of Anton.

A reception held in the Fellowship Hall of the church followed the ceremony. Carolyn Hunt of Loop registered the guests and Jo Martin, Clovis, and Charlotte Hestand, Dimmitt, presided at the serving table.

For the wedding trip to San Antonio, Dallas, Austin and Fort Worth the bride wore a blue wool suit trimmed with white fur. Her accessories were blue.

The bride is a graduate of Friona High School and is a sophomore at LCC in Lubbock. The bridegroom graduated from Anton High School and will continue attending school at Texas Tech where he is a junior. The couple will be at home at 1707 39th St., Lubbock.

Rebekah Lodge 308 Has Progress Dinner

The Friona Rebekah Lodge 308 was host to 37 members and their families at a progress dinner Thursday, Dec. 29.

After meeting at the Lodge Hall the group went to the home of Mr. and Mrs. G. E. Reed, Hostesses Juanita Reed and Geneva Williams served mints and lime sherbert punch.

A salad course was served at the home of Mr. and Mrs. E. S. White, Fern White, Wanda Jones, Maxine Price and Pat Fallwell were the hostesses. Addie Moyer, Audrey Graham, Lauretta Brookfield, Mary Durstine, Nola Adams and Joyce Wilkins served a Mexican dish and tostadas to the guests at the home of Mr. and Mrs. Joe Moyer.

In the T. A. Sherley home wassail punch, German chocolate cake, plum pudding, white cake and mints were served from a table decorated with a beautiful Christmas centerpiece. Hostesses were Inez Sherley, Phyllis Sanders and Imogene Cearley.

Inez Sherley, retiring Noble Grand, presented gifts to the retiring officers.

Bill Wooleys Host New Year's Eve Party

Relatives and friends met in the home of Mr. and Mrs. Bill Wooley Saturday, Dec. 31 for a New Year's Eve party.

The evening was spent playing games and singing. Refreshments of dips, pie, spiced tea and coffee were served to the guests.

Attending were Mr. and Mrs. Glenn Floyd, Susan, Freida and Geneva; Lawana Houlette; Dr. and Mrs. Loyd Shackelford; Mayor and Mrs. Raymond Fleming; Mr. and Mrs. Leonard Nettles, Danny and Charlotte; Mr. and Mrs. Nelson Welch; Mr. and Mrs. Sheb Wooley and Christie of Hollywood, Calif., and Mr. and Mrs. Skeet Wooley, Billy and Ricky from Clovis.

Mrs. Roy Lee Jones, Mike and Janet of Lovington visited in the home of Mrs. J. B. McFarland last week.

JOIN OUR DINNERWARE CLUB

In The Courts

The following cases were heard in Justice of Peace Thelma Jones' court during the week ending Jan. 3:

Vernon Earl Martin, operating vehicle with defective brakes, and expired drivers license, guilty.

Joe B. Tipton, failure to grant right right of way at intersection, guilty.

Phyllis Alfred Smith, no drivers license, guilty.

Gerald Wayne Daniel, speeding, guilty.

Arnold Eugene Fangman, failure to stop at stop sign, guilty.

Richard Glen Herring, drivers license violation, guilty.

The following cases were heard by Judge Thelma Jones in Corporation Court during the week ending Jan. 3:

Malcom Bryant, speeding, guilty.

Alvert Orvil Greeson, racing, guilty.

Bill Donald Taylor, racing, guilty.

John Ray Shackelford, drunk in public place, guilty.

G. L. Hough, no drivers license, not guilty.

Teams Win One Of 3

Friona cagers won one and lost two Tuesday night at Muleshoe.

The Chiefs fell to the Mules by a 56-44 count, but the Squaws won their game 46-44.

Billy Don Thomas scored 13 points for the Chiefs, Gary King scored 17 for the winners.

Forwards Tommy Lewellen and Pamela Roden fed the ball with accuracy to Su-Zann Harper, who responded with a 30 point effort that took honors

Seniors in Friona High School, who are planning to enter college next autumn, are registering now for American College Testing program exams, says Raymond Cook, principal of the school.

They want to make sure that their registration blanks are received in plenty of time for the closing date of registration, Saturday, February 4.

The three-hour tests, to be given Saturday, February 25,

in 48 states and the District of Columbia, are required or recommended for admission to more than 500 colleges and universities in 23 states.

These 23 states, which have ACT-affiliated college testing programs, are Alabama, Alaska, Arkansas, California, Colorado, Idaho, Illinois, Iowa, Kansas, Kentucky, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, North Dakota, Ohio, Oklahoma, South Dakota, Tennessee, Texas and Wisconsin.

Participating colleges use ACT results for student guidance and admissions and for awarding scholarship aid to applicants, as well as for placing freshmen in classes or programs suited to their abilities.

The ACT test has four parts that yield five scores—a composite score indicating overall college potential, and four separate scores indicating levels of general capability in English, mathematics, social studies and the natural sciences.

ACT scores and manuals explaining how results may be interpreted are furnished colleges indicated by students and are sent to the student's high school for his and the school's use in guidance.

Further information about ACT tests, taken by more than 125,000 high school seniors last year, may be obtained in the principal's office.

Graveside rites for Angela Spring, infant daughter of Dr. and Mrs. Paul Spring who was born Sunday, Dec. 25, and died Monday, Dec. 26, were conducted by Rev. Wallace Kirby, pastor of the Friona Methodist Church at 3 p.m. Tuesday, Dec. 27.

Survivors, besides the parents, include a sister, Susan, and a brother, Johnny, both of the home and two grandmothers, Mrs. F.L. Spring of Friona and Mrs. Rose Pleszewski of Dunkirk, New York.

Burial was in the Friona Cemetery under direction of Claborn Funeral Home.

Angela Spring — Bowling Buried Tuesday

Bowling Tourney Finished

First Annual Holidays Handicap Bowling Tournament at Friona Lanes came to a climax Tuesday night after a whopping 372 individuals had entered.

Ed and Gary Hicks, managers of the establishment, said the tournament was successful beyond their expectations and that several matches of its kind will probably be conducted in the future.

Melborn Jones of Farwell, made a sweep in men's action, taking first place in men's singles and teaming with Gil-

bert Kaltwasser to take the doubles championship.

The winning doubles team rolled up a score of 2610 and Jones 1322 was tops in singles.

Second in men's doubles went to Leon Massey and Ray Fleming of Friona, who tallied a score of 2544.

Top prize of \$100 was given in each division with one prize per 10 entries awarded to other high finishers.

Dewey Duncan is convalescing at home, recovering from spinal surgery, occurring on December 13, at Northwest Texas Hospital in Amarillo. This was the second operation Mr. Duncan has undergone in less than a year. The operations were to repair damages received in an accident while working on a farm on Dec. 7, 1959.

THE HIGH PLAINS FARM AND HOME

Few Farm Changes Expected In 1961

As Farmer County farmers begin making preparations for the new year, 1961, few changes are anticipated in the farm program which has governed operations during the past several years.

The wheat allotment for county farmers is about the same as it was in 1960, the cotton acreage has been increased by 11 per cent, and the number of acres to be devoted to vegetables and other minor cash crops will probably vary only slightly from last year.

That is the way the farm picture appears at the moment, as a new Democratic administration prepares to take over the reigns of the government in Washington—an administration that most likely will attempt to bring about some sweeping changes in the farm program.

Even though some changes in the farm program are inevitable in the near future, there is only a remote possibility that governmental action will have any major effect on agriculture this year.

Congress did convene in Washington this week and it could spring some surprises on the farmer, even though it does seem unlikely.

One of these surprises could be legislation on sugar beets, a crop that has been the topic of much discussion in this area during the past several months.

Ever since the U.S. government severed relations with Cuba, the country which

has been supplying this nation with much of its sugar, a concentrated effort has been under way to open the door for production of beets in this area.

Chances are considered good that there will be some sugar beet acreage allotments for the county, but whether or not any action will come about in time for this year remains to be seen. If the growing of sugar beets in Farmer County is to be started this year, action on the present Sugar Act will have to be forthcoming from congress at an early date.

Like last year, wheat in the area is off to a good start because of the moisture base provided by recent rains and snows.

The wheat crop in '60 was a good one, in spite of some hail damage, and farmers are naturally hopeful that this year's crop will also be a good one. Right now, there is optimism about the wheat and prospects could hardly be brighter.

Grain sorghum will once again figure heavily in the plans of county farmers and prospects are about the same as in the past. The price of this feed grain has gone about as low as it possibly can and farmers have proven that they can continue to produce high yields year after year.

There was widespread hail damage to grain sorghum this past year, but even so, production hit another all time high in excess of 22 million bushels.

One change that could possibly come about in the production of this major cash crop could be a support price. If this were done, it would naturally

FAKM & RANCH LOANS
Long Term -- Low Interest
Ethridge-Spring
Agency, Friona
Phone 8811

result in acreage restrictions with the result being a big change in the farming program for this area.

However, any action such as this would have to come from congress and it is considered highly unlikely for this year.

The past two years have been poor ones for cotton, largely due to lengthy spells of cold, wet weather, and 1961 can hardly be worse. It should be much better.

Cotton acreage in the county has been increased from 42,500 acres to almost 48,000 acres. A more agreeable growing season than what farmers have had the past two years could make this one of the best cotton crops in some time.

Vegetables are always a gamble, but they will once again figure heavily into the plans of some area farmers.

Everything considered, 1960 was a little better year for vegetable men than some of the previous ones, even though it wasn't a "really big" one. There may be a few more acres planted into vegetables this year than last, but acreage is not expected to be increased greatly.

There are many factors which can make for either a "hit" or a "miss" in vegetable farming and that's why it's impossible to estimate just what one can expect from such crops as potatoes, cantaloupes, carrots and onions.

It has been several years since vegetable men had a really outstanding year, and that's why some farmers think this just might be the year to "hit."

Cattle feeding is a practice that has been increasing during the past couple of years and this trend is expected to continue in spite of the fact that cattle prices appear to be on the downgrade.

Due to the surplus of grain sorghum and the low market price, more farmers will start feeding the grain and marketing it in this manner.

Everything considered, the year 1961 at the moment is shaping up as another average year, with the possibility of some improvements over the past two.

Unless the weather is unusually cooperative, or congress comes up with some sudden changes in the overall farm program, the year 1961 will probably vary only slightly from what farmers have become accustomed to.

All nations report more women working, each year. Looks like the menfolks are going back to the method used by the American Indians.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Local Soil Conservation Service personnel attended a Civil Defense radiological monitoring training session at Pampa on December 13-14th and 15-16th. Bob Crozier attended the December 13 and 14th session and Jay Sanders and Bill Liston attended the December 15 and 16th session. Two sessions were held so that the work unit offices could be kept open.

The Friona work unit is one of 9 Panhandle units that received this training. This training was given so that local SCS employees could monitor fallout in case of an atomic attack or a peacetime atomic accident. Other nearby Soil Conservation Service monitoring locations are Spearman, Wellington, Follett, Pampa, Dumas, Dimmitt, Hereford, Claude and Silverton.

Radiological monitoring instruments are to be delivered to the local work units within the next few months. These will consist of a low range survey meter, the Geiger counter, to monitor food, water, personnel, vehicles and utilities. A medium range survey meter and a high range survey meter to monitor fallout which will also be delivered. Radiological fallout can only be detected with instruments as it cannot be seen, felt, heard, smelled or tasted.

Some of the subjects studied at the training session were nuclear weapons, nuclear physics, fallout and fallout plotting, personnel protection, decontamination, and instrument operation. Practice exercises using the Geiger counter and medium range survey meter were participated in to familiarize everyone with the use of the instruments. A source of radioactive Cobalt-60 was used in these exercises.

Another practical demonstration using radioactive phosphorus was given to show how food can be decontaminated.

Be Sure To Cast Your Vote
High Plains Underground Water Conservation District No. 1.

Water Election To Be Tuesday

A district director and one county committeeman will be elected next Tuesday, January 10, to serve with the High Plains Underground Water Conservation District.

John Gammon of Friona is the only candidate for the post of district director, and the five candidates for county committeeman-at-large are Wayne Garth, Friona; Walter Kalt-

water, Farwell, Raymond Schueler, Friona, Gene Smith, Muleshoe; and A. B. Wilkinson, Friona.

Residents of Commissioner's Precinct No. 4 will vote for either D. B. Ivy, Friona; or Joe B. Jennings, Muleshoe.

Polling places in the county are the Wilson and Brock Real Estate Office, Bovina; County Courthouse, Farwell; City Hall, Friona; and the School House in Lazbuddie.

Fruits and vegetables can be decontaminated by washing and peeling. Canned and packaged foods can be washed to remove the contamination then opened and eaten. Fallout, although dangerous, especially if eaten, can be removed as dust can be removed. Things will not become radioactive from the fallout. Induced radiation, when an object itself becomes radioactive, only occurs in the immediate blast area.

The Friona work unit is one of 3000 Federal fixed monitoring stations set up throughout the nation. In case of an atomic attack or peacetime atomic accident monitored information is to be forwarded to the Regional Civil Defense office at Denton, Texas. The regional and National Civil Defense centers will use this information to plot fallout patterns and to make a national damage assessment study. The Regional Civil Defense office can then recommend local evacuations, if practical, to uncontaminated or less contaminated areas. With the monitored information, the length of time necessary to stay in fallout shelters until radioactivity has decayed to a safe level can also be predicted.

Other Federal agencies besides the Soil Conservation Service that have local monitoring stations such as this are the Federal Aviation Agency, the Weather Bureau, The Air Weather Service, Department of Interior, and the Forest Service.

BY LARRY FLOWERS
Reporter

We met December 20 to elect officers for 1961. President elected was Doyle Johnson; vice-president, Mike Robertson; secretary, Larry Gregory; reporter, Larry Flowers; pledge leader, Mike Camp, and Michael Watkins is council delegate.

Mr. Joe W. Jones talked to us about what we could give method demonstrations on. Doyle Johnson and Michael Watkins are going to give a demonstration on Soil Conservation at our next meeting.

We have planned on Saturday January 21, to have a call-tour. Our meetings will be the third Tuesday of each month. We planned our next 3 meetings and the Tour.

Plains Bucks Population Trend

As the year 1960 comes to its end, population trends in Texas confirmed by the Federal decennial census have now been given some study and evaluation.

What the findings in general add up to are that the thinly populated, open-country areas of the State are becoming even more thinly populated while more people are flocking to counties which already are thickly populated.

Over-all, in round numbers, the total Texas population increased from 7,700,000 in 1950 to 9,500,000 in 1960, a rate of growth amounting to 23 per cent against the national increase of 17 per cent. Only two states outstripped the 1,800,000 gain in Texas: California, which had an increase of about 5,000,000, and Florida, which grew by slightly more than 2,000,000.

But despite the over-all gain in Texas, 144 out of the State's 254 counties showed losses in population. This was an approximate follow-up of trends established in the decade from 1940 to 1950, with the losses in total population confined largely to counties which have no sizeable towns or cities and which offer little in the way of industry.

However, there were some exceptions to the movement away from rural counties. Some of these counties, mainly in West Texas and in the Panhandle, showed steady gains in population.

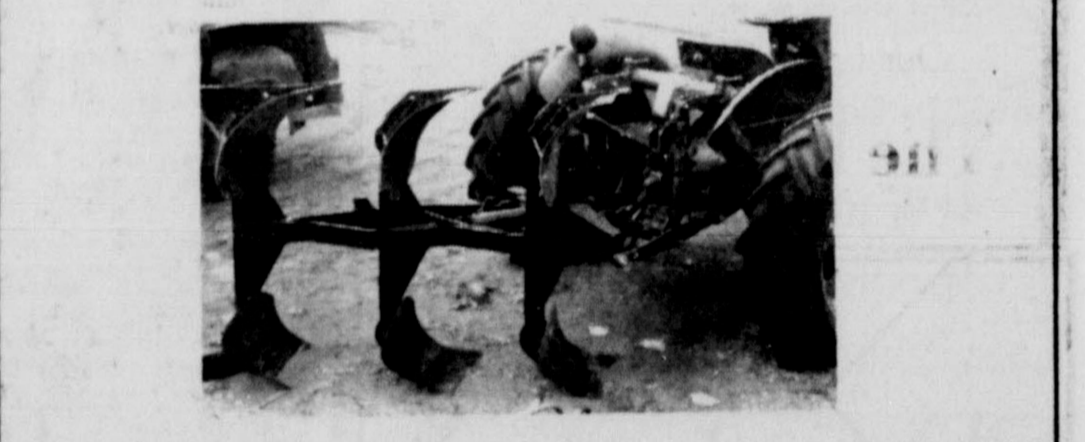

Everything in this life seems to even up. The fellow with less hair to comb has more face to wash.

The HAPPY HOMEMAKER

BY JUNE FLOYD

Homemakers, like everyone else, usually start the New Year off with a number of resolutions. Most of us give a lot of thought to the things we plan to do better in the New Year and are sincere in resolving to make an improvement over the previous year.

It isn't too late to make New Year's resolutions yet. If you neglected to make yours on the first of the year, start making a list now and then do your resolving on any of the following New Year's days: Chinese, February 18; Persian, March 21; Siamese, April 1; Mohammedan, April 26; Alexandrine, August 29.

Since most of us are prone to break most of our resolutions, perhaps we should make a list then make use of every New Year's Day.

During the year we print a lot of recipes in this column and appreciate the favorable comments of our readers. This week, the featured recipe will be a little bit different. Hope each of our readers enjoys it.

RECIPE FOR A HAPPY NEW YEAR

Take twelve fine full months -- see that they are thoroughly free from old memories of bitterness, rancor, hate and jealousy. Cleanse them completely from every clinging spite; pick off all specks of pettiness and littleness. In short, see that these months are freed from all the

removed from the clay when it was baked. Try stirring three or four tablespoons of plant food in each gallon of water. You will be amazed at the amount of water and plant food the pots will soak up. This will prevent the pots from absorbing chemicals that plants need from the soil.

Put a few pieces of charcoal in the bottom of each pot if it is going to be used for a plant that requires a great deal of water. The charcoal will keep the soil sweet and will retain water.

If you received hyacinth, tulip or narcissus bulbs for Christmas or have them in your yard and wish to force them for Easter blooms, you should begin now. Unless their growth is very slow, force them at fifty degrees--never above sixty.

Even crocuses can be forced for indoor bloom. However, they should be potted in the fall and stored at about forty degrees until early January and forced at not over sixty degrees. They will bloom in February.

Self-improvement is something none of us should ever stop working at. Since it is against the laws of nature for anything to remain "as is," we are constantly changing and whether a person is going forward or backward is largely an individual matter.

Even crocuses can be forced for indoor bloom. However, they should be potted in the fall and stored at about forty degrees until early January and forced at not over sixty degrees. They will bloom in February.

Self-improvement is something none of us should ever stop working at. Since it is against the laws of nature for anything to remain "as is," we are constantly changing and whether a person is going forward or backward is largely an individual matter.

A little item reflecting on this subject was printed in the January Cheer. We are re-printing it for your consideration and enjoyment:

ANY MAN CAN SPOIL HIMSELF

He can allow himself to grow so sensitive that he lives in constant pain. He can nurse his grudges until they are an intolerable burden. He can think himself insulted until he is apt to be. He can believe the world is against him until it is. He can imagine troubles until they become real. He can hold so many under suspicion that no one believes him.

He can look so askance at his friends until they are no longer friends. He can think himself so important that no one else does. He can have such a good opinion of himself that no one else enjoys his presence. He can become so wrapped up in himself that he becomes very small.

Table 1. The effect of planting date on yield, moisture, shelling, and lodging percentage of early and late maturing corn hybrids at the High Plains Research Foundation in 1960.

Date	Variety	Yield/A 1/	Moisture % at harvest	Shelling %	Lodging %
April 21	KT 6	134.2 bu.	20	79	2.0
	Texas 30	172.9 bu.	32	76	4.3
May 5	KT 6	148.0 bu.	20	77	5.7
	Texas 30	169.7 bu.	35	75	9.1
May 20	KT 6	132.1 bu.	27	70	8.5
	Texas 30	124.1 bu.	48	69	23.0

1/ Yields reported in bushels per acre of shelled corn based on 56 pounds per bushel and converted to 14 % moisture.

L. S. D. for varieties at .05 level = 16.7 bushels per acre.

L. S. D. for dates at .05 level = 17.5 bushels per acre.

Table 3. Average Lodging percent, yield, moisture content at harvest, and gross value as affected by type of hybrid and planting date.

Date	Hybrid	Average Lodging	Average Yield	Average Moisture	Average Value 1/
April 21	KT 6	5.4 %	138.1 bu.	22.4 %	\$137.41
	Texas 30	12.1 %	155.6 bu.	38.3 %	124.88
May 5	KT 6	3.2 %	153.6 bu.	26.1 %	150.76
	Texas 30	7.4 %	158.9 bu.	27.4 %	147.26
May 20	KT 6	15.8 %	128.1 bu.	37.6 %	95.42
	Texas 30	15.8 %	128.1 bu.	37.6 %	95.42

1/ Value of shelled corn @ \$2.00 cwt. minus loss due to lodging and cost of drying.

HD Agent's Gossip

BY MISS ETTIE MUSIL

Happy New Year to each of you! Have you made any New Year's resolutions? If so, how many have you broken already? Shame on you! We do wish you each a most successful new year of true happiness. This depends upon you, what you consider happiness. It is making others happy, which in return makes you happy?

Just in case you were surprised with a beautiful poinsettia or other Christmas pot plant, I'm sure you want to keep it looking beautiful for a long, long time.

So many receivers of pot plants become discouraged because their pretty plant gifts begin to shed leaves and die within a few days or weeks. Here are some pointers so your gifts will look lovely longer.

One important must is to avoid drowning or water-logging plants by watering too often. Yes, I know you are trying to take care of the plants, but you can be too careful. Follow directions for watering given with each plant.

Another must is good drainage. If the pot is still wrapped in colorful metal foil, it may be necessary to cut a small hole in the bottom of the foil cover. This will provide the drainage for the plant. At times the soil becomes packed. In this case the root system of the plant does not get the needed air for growth. From time to time you may stir up the top one-inch of the soil with a stick or old fork to aerate the soil. This is like cultivating the fields.

Just the other day the girls in the Courthouse were asking me what caused leaves on ivy and other plants to drop off. Sometimes smoke or gas in the room causes these leaves to shed prematurely. Remember that indoor atmosphere dries plants quickly. House plants do like fresh air just as we do, so do open a window on warmer days.

Most plants such as the cyclamen, African violets, primroses, Jerusalem cherry, ornamental pepper, and poinsettias like cool temperatures. They like morning light, high humidity, and the soil to become dry, but not dried out, before watering. Most plants do

best if they are kept in a room that is kept around 65 to 68 degrees.

Your beautiful poinsettia will stay attractive for most of January if kept at temperatures around 65 degrees. Then let them dry down gradually and plant outdoors when the temperatures are warmer.

Indoors or outdoors they need full sunshine and all the light possible. Inside, poinsettias should be protected from sudden temperature changes. If the plants are grown in pots, they should be watered regularly from March to January or the leaves may fall off. Changing from one position to another and changing to different light exposures sometimes causes leaves to fall.

If all the leaves fall off a poinsettia it does not mean that it is dead. I have seen many plants bud out to replace the fallen leaves.

We have just received a new order of bulletins of all subjects that we would like to share with you. Included in this order are these free bulletins, "The Poinsettia" which shows you how to care for the plant, how to make cuttings, how to care for them as cut flowers, and many other aids in growing the plant.

Now is the time to plant roses according to a bulletin "Roses For Texas." This bulletin includes help in selecting the proper location for the roses, when to prune, how to plant, how and when to water,

mulching, and insect and disease control.

Two other publications for beautifying your homestead could be helpful by reading "Gladolus for Texas Gardens" and "Chrysanthemums for Texas Gardens."

Just call me, write me, or come by and see the new stock of helpful free bulletins. I'm still waiting to meet you. Do come by when you are in Farwell.

Texas' population now includes more than half a million persons over 65 years of age. This, according to Reagan Brown, extension rural sociologist, represents about 7 per cent of the total population or about 1 out of 11. The ratio, he adds, is higher in rural areas.

The January 1961 plentiful foods list just released by the U. S. Department of Agriculture features broiler-fryers, cranberries, onions, cabbage and canned ripe olives. The USDA releases each month during the year a list of foods found to be in plentiful supply and urge consumers to take advantage of these foods when shopping.

The Texas Farm and Ranch Safety Council offers this suggestion for a New Year's Resolution--"I will strive at all times to protect my family from accidents by setting a good example of safe living and by teaching all members of my family the principles of safety and see that accident hazards in the home and on the farm or ranch are removed or corrected."

Two Ways To Set Fertilizer Amount

There are two ways to decide how much fertilizer to put on the land, Bill Bennett of the Extension Service reminds. One way is to guess -- the other is to take a soil sample. The soil sample will tell you how much and what kind of fertilizer to add for top yields next fall.

Every field is not the same -- even on your own farm. You may have fields that produce high yields, others that produce low yields. The big job is to get them all producing as much as possible with the fewest dollars spent.

Time To Prepare SS Tax Returns

This is the time for local farmers to prepare their social security tax return for reporting their employees for 1960, Hal Geldon, Manager of the Amarillo Social Security Office, said today.

He added, "Farm wages are reported on a yearly basis. The report covering employees who worked in 1960 must be filed with the Director of Internal Revenue during January 1961."

The report must be filed for any employee who was paid \$150 or more in cash wages during the year; or any individual who worked on 20 or more days in 1960 for cash wages figured on a time basis (for instance, by the hour, day, week, etc.) regardless of the total earnings for the year. It is important that the employee's correct social security number be shown on the report, Geldon said.

There was a sharp increase in the number and quality of reports filed by area farmers last year, Geldon advised that correct and complete reporting helps guarantee that the employee receives full social security credit for the work he has done.

Your neighbor may have had good results with a certain kind of fertilizer, but you may not get the same results. Your land is likely to be different and the same treatment on your land may waste money for you. Bennett points out that it takes good sampling to get good results. He recommends that you visit your local county agent who will be glad to show you just how to do the job right. He also has copies of the forms which must accompany the sample.

Special Milk Program Ups Consumption

College Station, Dec.--For the sixth straight year, the U. S. Department of Agriculture reports an increase in the amount of milk being consumed by children through the operation of the Special Milk Program.

According to USDA's Agricultural Marketing Service, in the fiscal year which ended June 30, 1960, nearly 2.4 billion half-pints of milk were moved into use by the program. In addition to milk served with lunches under the National School Lunch Program, this 2.4 billion total represents an increase of about 200 million half-pints over the preceding year. Preliminary reports indicate that the amount of milk used by the program will be even greater this year.

The Special Milk Program encourages children to drink more milk by making it possible for schools and institutions to serve it more frequently and at reduced prices, or to inaugurate a milk service. During 1960 the number of participating schools, settlement houses, summer camps, and other child-care institutions climbed to an all-time high of over 83,000.

The Special Milk Program has been steadily growing since its inauguration in September 1954.

Railroad Pays \$35,000 Taxes In Parmer Co.

Texas railroads paid \$35,130 in taxes in Parmer county during 1959, according to the Texas Railroad Association. That amount was the county's share of the nearly \$10,000,000 the railroads paid throughout the state. In addition, of course, was the large total in taxes the railroads' approximately 40,000 Texas employees contributed on their own property. The vast majority of railroad workers, many of whom live in Parmer county, own their own homes. The largest railroad contribution in Parmer county was for the support of education. The school tax for 1959 totaled \$22,843. City and village taxes amounted to \$1,283, while the share of the county government's operating expenses paid for by the railroads totaled \$5,508. The road and bridge fund gained \$5,085 from the railroads in 1959. All other taxes brought the total for the county to \$35,130.

Peggy Holcomb was a guest in the home of Mr. and Mrs. Jerry White of Midland last week. Peggy returned to Friona Sunday accompanied by Mr. and Mrs. White. They spent Sunday and Monday in the home of Mrs. White's mother, Ella Faye Holcomb. Mr. and Mrs. Fred Kinsley of New Port, Calif., visited in the home of their aunt, Mrs. Pearl Kinsley, for several days last week. Mr. and Mrs. Karl Bender were in Cisco during the holidays visiting with Mr. and Mrs. Vernon Cozart and family. They were also guests of Mr. and Mrs. Vernon Weis of Cleburn and Miss Vivian Weis of Perryton.
