RANKIN, UPTON COUNTY, TEXAS

THURSDAY, SEPTEMBER 10, 1964

Local Sponsors Noted Society Show Sept. 16

Men's Club will sponsor variety revue at the auditorium on Wednesday, September 16. Admission is now on sale by the club at \$1.25 for adults and 60¢ for children. Time is to be determined.

Variety Revue is internationally famous and includes music, beauty, and in-joke. This show has been in operation over a quarter century. It has performed at Times Square, in New York City, in Atlantic City, in Los Angeles and in many other spots. Ziti himself is bawling with his comedy which include such as the Houdini \$15,000 mystery, the silver floats in the air, and of live pigeons from the heads of the

est in many of his lovely ladies and the action of Bob Fisher. Men's Club will use the show in community programs. urged the public to promise a first-rate

Estimated at \$22,000 Sustained --

The Rakes Two Buildings Rankin Monday Night

undetermined origin of the Home Appliance Company night. Destruction of and its stock was extensive damage was caused by the Masonic lodge which housed the estimated damages has been set at \$18,000 with \$13,000 of that by the Home Appliance. It is estimated that the fire probably started in an apartment in the Home Appliance store. The fire spotted smoke from the building and the alarm. Volunteer firemen used their efforts to control the blaze which had a

healthy headway on them. Joining in the efforts was a pumping unit from Western Company and one truck from the McCamey fire department.

For a while, it appeared that the Masonic Building would go up in the blaze and spread to other adjoining stores. Cunningham's Barber Shop, north of the lodge hall, was emptied of its equipment and fixtures. However, with the concerted efforts of all the equipment on hand, plus assistance from numerous spectators, the blaze was halted in the upper floor of the lodge hall and no damage was sustained by the adjoining property.

Both Jimmy James, owner of Home Appliance, and the Masonic

Badgers Seeking Three in a Row Over RHS

Red Devils Host McCamey In Friday Night Football

With kickoff time slated at 8:00 p.m., nothing short of a standing-room only crowd is expected at Red Devil Stadium Friday night when Rankin plays McCamey. It will be the first home game of the year for the Red Devils and they are expected to be ready to impress the home folk. Both the Badgers of McCamey and the Red Devils lost their opening tilts last Friday — Rankin going down to the Coahoma Bulldogs

by a score of 24-13 and McCamey finding the Ozona Lions too tough to handle; taking a 20-0 loss.

Rankin moved the ball well against the heavier Bulldogs in Coahoma and led in the scoring until the 4th quarter when two break-away runs put the Coahoma crew out in front. Rankin muffed several scoring chances with the old bug-a-boo, the fumble and had one pass picked off on the Bulldog goal line.

McCamey, meanwhile, failed to show much scoring punch as they faced the rockhard Lion defense in a game played in Ozona. It wasn't until the 4th quarter that the Badgers managed a 1st down.

Friday will mark the third meeting of the current series between the Badgers and the Red Devils with McCamey currently holding a perfect record. They won in 1962 before a homecoming gathering, 28-12 and shelled the Rankin crew 42-20 last year. It will undoubtedly be their aim on Friday night to keep their win record over the Red Devils intact.

However, in neither of the two previous tilts has the game been as one-sided as the score would indicate. The Red Devils have played well against the 2AA school and local fans are rather optimistic that this may be the time to move into the win column. Both teams are reported to be in good physical condition for the encounter and a wide open game is expected.

Despite the performances of the two clubs last week which would tend to indicate that the Red Devils have a somewhat stronger offense than the Badgers, it is expected that most sportwriters will place the Rankin crew in the underdog slot.

The Badger roster is heavily spotted with junior and senior players and will field a starting line-up that will have a slight weight advantage over the Red Devils in the line. Roster for the Badgers follows:

- | | | |
|-----------------|--------|-----|
| 11 James Moody | QB 143 | Jr. |
| 10 R. Gryder | QB 140 | Jr. |
| 13 R. Smith | QB 116 | Jr. |

Will Hear TNA President --

Castle Gap Coin Club Slates Tuesday Meet

Castle Gap Coin Club will hold its regular monthly meeting and coin auction Tuesday, September 15, at the courthouse in Rankin. Time will be at 7:30 p.m. and door prizes will be awarded to members present.

The club, formed only 5 weeks ago, has over 50 members from

San Angelo, Odessa, Iraan, Big Lake, McCamey and Rankin. Membership is open to both men and women and to children of all ages. Programs concerning coin collecting are presented with the president of the Texas Numismatic Association scheduled to speak to the Tuesday gathering.

Holding their first auction, the club plans to make this a regular feature of their meetings. One need not be a member in order to attend meetings and bid in auctions but must hold membership in order to be eligible for door prizes and to sell in the auctions.

Theatre to Close During Home Games

R. C. Quick, operator of the Ford Theatre in Rankin, announced this week that he will close the picture show on Friday nights when Rankin is playing a home football game. Nights on which the Red Devil team is out of town, the show will be opened.

"We want to see the home games and the only way to do it is to close up," Quick said.

Now See Here . . .

If it's true that the meek are going to inherit the earth, one can't help wondering what devilment they have been up to all this time to deserve such punishment.

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

FLOWERS—

That fire that could have been a mighty big thing the other night, brought out something that has been evident for a long time in Rankin but which has had little attention.

Rankin Volunteer firemen were on the job and doing their best to bring the blaze under control. But it looked to me like they might be losing ground. And then a pumper unit from Western Company arrived and pitched in with what was possibly the winning lick. Their assistance almost definitely saved the Masonic Hall from total loss.

And it's that assistance that should be commended. On more than one occasion and under a variety of circumstances, we have all seen equipment from Western and Halliburton pitch in and lend a hand. As far as I know, they receive nothing for this service—and ask nothing.

I know that we all appreciate the spirit of cooperation shown by these firms in emergencies and they are to be commended for a fine display of unselfish commun-

The Rankin (Tex.) News—
Thursday, Sept. 10, 1964

ity spirit.

Assets such as these cannot be bought by any town and we are fortunate to have them.

BULL-LONEY—

The race is on. Starting with Labor Day, the American public will now be subjected to one of the greatest political bombardments in history. At stake is control of the Federal pocketbook—and it's a dandy.

Much propaganda will be cast upon the waters by both sides—perhaps enough to confuse most of us into believing that black is white, etc. Still—and it could all be said in a few short words—the issue is one—liberalism vs. conservatism—free and easy vs. belt tightening and money control. On that basis, it ought not be too hard for each of us to decide for himself which he personally prefers. We all want it easy—the only question is do we want to pay for it—and pay we

ency has much to do with the overall policies of the government. He may be the one who gets the credit or the blame but with the present vastness of government, it

that the individual holds the Presid-

UP

OR YOUR BENEFIT?

and down the unit price of electricity has dropped in the past years. Today in homes served by WTU, the cost per KWH is 17% less than it was in 1953. While the cost of living continues to rise... the cost of electricity continues to fall.

WTU has gone the amount of electricity the customer pays for. WTU has grown in the past years and will continue to grow... staying ahead of its customer's needs.

In every direction have gone power lines to supply electricity for all. Customers all through West Texas are enjoying the benefits from the most modern and efficient power plants.

ELECTRICITY DOES IN ONE DAY
what it would take 228 hours to do by hand in the average American home.

would be almost impossible for one man to work out all policies.

However, since we quite often cast our votes for the man we like—the way he looks on TV, the fact that he's from our state, the fact that he has a nice family, the fact that he sounds like uncle John, the fact that he has a lot of money, the fact that he voted yes or no on some question dear to our hearts—all these things win a lot of votes and it is for this reason that we must now be under fire from both sides until November 2. A lot of charges are going to be hurled—each will be denied by the one so charged and he, in turn, will toss off a few charges of his own.

How much simpler it would be if the emotional aspects were omitted and the hard, cold facts laid out for each to judge according to his own feelings.

But such is not so. Pass the ear plugs and head ache pills, dearie.

A REPORT—

For those who have been looking forward to fishing at the new lake—Amsted—at Del Rio, the word that I picked up down there is don't get your line out just yet. It seems that first one thing and then another has caused delays in the work and that it will be some time yet before actual construction on the dam itself will be started. Evidently several business ventures in the border city were a little hasty in their expectations as to just how soon the fishing, boating and water traffic would arrive in their city.

Right now it looks like still four years away—which it was when first planned about four years ago.

Something about a little red tape here and there.

THE BUG BIT—

In this country, a tree is a tree and there's dang few of them anywhere. In Rankin for the past three years, the Elm

bug has given our trees a bad time.

Some of the local bugology boys say that by spraying the trees at this time, good headway can be made toward control next year. If we all sprayed, we'd likely put the wipe-out to the bugs.

CARD OF THANKS

SINCE I CAN'T remember each of you personally who helped in moving out my equipment during the fire last Monday night, I would like to take this means of expressing my thanks and appreciation. Had the fire

The Rankin (Tex.) News— Thursday, Sept. 10, 1964

extended to my shop, your assistance would have saved me from a considerable loss.
Ed Cunningham,
Cunningham Barber Shop

I WANT TO THANK all of those who had a hand in fighting the fire at my store the other night. It was one of the best jobs I have ever seen and if it had not been for all those who helped far more loss would have resulted. Your efforts to save my store are most appreciated.

Rankin Study Club To Open Season in Saturday Meeting

Rankin Study Club will hold its first meeting of the current season at 10:00 a.m., Saturday, September 12 in the Rankin Park Building. It will be a President's Coffee with Mesdames Herbert Hurn and Jack Smith as hostesses.

The program is to be opened with the question: "What will we be doing this year?" Answer is to be given by Mrs. Jack Smith, club president for 1964-1965.

Mrs. Hurn will give a briefing on the Study Course of the year and the club collect will be read by Mrs. Clint Shaw.

Other officers include Mrs. Hurn first vice-president, Mrs. R. H. Bearden, second vice-president, and Mrs. Bill J. Hood, third vice-president.

"4TH AND 10"

ON YOUR OWN TWO

* Being a Column Dedicated to the Proposition that only a Nut would try to predict Football Scores in Advance.

HO BOY—

It finally happened. The roof fell in. Only two right out of six picks last week and that's a heck of a lot worse shelling than the Red Devils took.

In fact, according to my ace scouts who saw the game—I was in Del Rio getting another lesson in the fine arts of winning golf matches—the Red Devils gave a mighty good account of them-

selves and lost the game mainly because they were outgunned and finally worn down. I don't think they have to make any excuses for dropping that one. The Bulldogs evidently have an extra good team this year and the loss by the Red Devils was perhaps still a better showing than that made by Big Lake or Sonora. For the Ozona-McCamey game in which the Lions thoroughly put the stop on the Badgers, it yet remains to be seen whether or not Ozona is that good or the Badgers are as weak as reported.

Friday night will be a mighty good time to tell.

To throw in a little on the golf, Rankin did have one team of Charlie Hale and Shorty Titsworth, playing in Brownwood, to reach the finals in consolation

where they settled for runners-up. Others in Brownwood were Leo Tieman, Dunn Lowery and Kenneth Love. P. V. Brown and I represented Rankin in Del Rio. Actually, I lost my match on a technicality—he caught me cheating.

But this is a football column so on with the game.

This week's picks ought to be a little easier — they can't get much worse.

RANKIN over McCamey. I'd stick with the Red Devils on this one for loyalty—and safety—reasons even if I didn't actually believe that they will win. McCamey can't be as good as Coahoma although they are going to pull out the stops to beat Rankin. In the first place the Badgers won't want two losses in a row to a smaller school and in the second, they would frown on Rankin beating them any time. But from looking at last week's performances by the two clubs, it has to be the Red Devils 18-12.

Sonora is open. They played a top notch ball club last week in Mason and that loss still doesn't mean that they are not tough.

ALPINE whacks Sanderson. It may well be that the Bucks have that district championship club on the way this year. Alpine wins 32-6.

OZONA takes out Bronte. Some of the coaches believe that Ozona is the dark horse of the district and their win over McCamey may so indicate. At any rate, Bronte

should give them little trouble. Score: 28-0, Ozona.

ROBERT LEE over Menard. I know nothing at all about the Menard Yellowjackets but Robert Lee has a pretty fair ball club—no depth—and since the game is in Robert Lee, they get the nod 14-12.

JUNCTION tops Rocksprings. Junction is rated next to last in district and the Rocksprings thing is a sort of grudge battle between the two teams but I doubt that the Rocksprings can pull it off. Junction, 14-6.

IRAAN opens with a win over Grandfalls-Royalty. To pick a team to win its opener with a win-loss record such as that posted by the Braves over the last few years, takes nerve but if you recall their performance in the last game of the season against Rankin last year, you will remember that they had the markings of a pretty fair ball club. I hope this is their year. Iraan, 20, Grandfalls 6.

ELDORADO downs Eden. One cannot help feeling a little sorry for the Eagles after they had to face Crane for openers but they should get back on the road this week since they will be at home and as we all know, Eldorado is mighty hard to beat in Eldorado. 12-8.

BIG LAKE over Stanton It's not saying too much to avow that the Reagan Owls were playing on their press clippings last week and figured Alpine would fold up. If they do have a ball club, they are going to have to beat Stanton Friday night so they get the nod, 20-8.

It should be a good night for District 8-A.

Rubber Stamps For Every Need--Made in Rankin

In Texas ...

after a swim, beer is a natural

On a hot summer day, a dip in a cool stream can be wonderfully refreshing. Equally refreshing when you're relaxing afterward with friends is a hearty glass of beer. There's hardly another beverage around that suits what you do for fun as much as beer. Camping, hiking, or just lounging on a lawn chair—beer brings each just the right touch of extra good living.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

In Texas... beer goes with fun, with relaxation

How to liven up potato salad

Just mix it with Kraft Sandwich Spread! Special perky relishes in a creamy, zesty dressing. Great on head lettuce, too. And it comes in a handy new wide-mouth jar!

KRAFT Sandwich Spread

Sessions of the workshop will be 10:00 a.m. to 12:00 noon, and 2:00 p.m. to 5:00 p.m. The morning sessions will be on how to do and the afternoon, on your doing the method under your agent's supervision.

There will be no fee for the workshop. Each woman attending will bring her own piece of furniture, her own tools and wear working clothes.

Tools for the first day will be old rags, newspapers, stiff brushes, old paint brush, putty scraper and gloves to work in. Paint and varnish removers will be shared by every one.

Two women may work on the same piece of furniture if desired.

Everyone is invited to attend provided they have a piece of wood furniture to refinish or finish.

Refinishing is a delightful "hobby" that many women as well as men enjoy. Real pleasure may be derived from finding beauty in the grain and color of wood hidden under layers of paint and varnish.

Developing a mellow, satin-finish can be a source of great satisfaction.

FREEZING TOMATOES—

Mrs. Florence Wilde gave the Farm and Ranch Home Demonstration Club this method:

Wash small tomatoes thoroughly and freeze in a tray. Each frozen apart from others.

Take the tomatoes out, let cold water run over them. The skins pop and are easily removed.

Pack the tomatoes in moisture and vapor-proof package.

Frozen tomatoes are excellent for use in cooking dishes that require canned or cooked tomatoes such as soups, stews, meat loaf, etc.

If space in your freezer permits, try Mrs. Wilde's recipe.

Water Test Helps In Irrigation Work

BY W. M. (DUB) DAY
County Agent, Upton County

It's poor business to guess at the quality of your irrigation water. Rather than be in doubt as to possible harmful effects of the water on future soil productivity, Jim Valentine, area Extension soil chemist, suggests you have the water evaluated by a chemical analysis. The ideal time to collect samples is during the highest period of water use.

This need is particularly acute with new wells and in instances where wells are deeper than average for the area. Valentine says it is known that common salt

The Rankin (Tex.) News—Thursday, Sept. 10, 1964

in high concentrations may exist below the red bed formation. If wells extend into this strata, there is a greater possibility of dangerous salt levels in the water.

Soils vary widely in their ability to tolerate salt without being harmed—and some crops are more tolerant than others. Clays, where the water intake rate is already slow, can be made even less porous by a water high in sodium. Obtaining stands can become a problem on lighter soils due to sodium accumulation that "seals" or crusts the surface.

Water samples may be submitted to the Soil Testing Laboratory at Texas A and M University. Samples must be accompanied by the complete information Sheet D-617, available at the local county agricultural agent's office. The present fee is \$5 per sample.

Don't Starve

YOUR CHILD

Rich Mrs. Fairchild loved to entertain lavishly. She set a lovely table for her own family, too.

Imagine her surprise when the doctor said her children suffered from malnutrition. They were undernourished! She was starving them. Of all the nerve! Her children ate all they wanted, even between meals. She wrote the doctor a nasty letter and quit him.

But it was still true. The children were getting food, but not the right kinds of food. Many children are starving that way. Even more children are starved emotionally, by not getting enough love from their parents.

But worst of all is the spiritual starvation! Few children have enough of God's Word in their homes and schools to feed their spiritual needs.

We have a plan that will help guard your children against spiritual starvation. Bring them to our church. Start this Sunday!
