SWEET 'N' SOUR

By A. Dill

Autumn begins (officially) this week. If cool nights and warm days, sunshine and rain are an indication that the leaf colors will be good when they change, then we should have some fabulous hill sides and roadways in a few weeks for you couldn't ask for a better behaved September than the one we are having.

Early autumn yards are a joy to see. The greens are as intense as springtime and the foliage as lush as June in the jungle. Howard and Bonnie Farmer have a lovely yard — perfectly kept and landscaped with an artistic touch.

Another lovely yard that always looks its "Sunday Best" is Mrs. R. A. Webster's place — it is one of the most attractive in town.

Football with Wylie last week was a whoopin' success — The Baird High Bears ran up a sizeable score and although it didn't count toward the conference victory it did generate confidence with a team new to Class A standing can very well use. From the spectator viewpoint they claim that scores should be a little less one-sided if there's to be excitement in the grandstand — as for us, we like those lead-pipe cinches (when they're in our favor) and we'd be the last to register a complaint if the entire season followed last week's pattern — Yea! Bears!

That fella' running around town with one wing in a cast is "Butch" Smith who broke an arm in Junior football, but its on the mend now and one bright day that rough Bear Cub will be right back makin' touchdowns for the pint sized red and white gang.

Speaking of yards — Kate and "Mac" McCleary have a lovely one this month — and they are people who love their home and the well-kept gardens and lawn prove it.

Charlene and Billy Cummings (Baby Ricky too) are happy residents of their very own new home — completed just this week. The Baird residence is on East second street and a home the youngsters can well be proud of.

Mr. and Mrs. Lee Ivey had a special and very welcome guest this week — Mrs. Ivey's sister, Mrs. J. W. Williams was here from Marlin, Texas.

Because we are always interested in weather predictions a very cooperative Star reader who prefers not to sign a name to this (who can blame him for not wanting to prophesy West Texas Weather? — However, we can give an initial — J. S.) The old saying, our reader says, maintains stoutly that the season's first frost will follow on the heels of the first norther by some sixty days. With that as a measuring rod you may count Sept. 9th and wind up roughly in the neighborhood of Nov. 9th. It will be interesting to see how this pans out.

September birthdays are coming in — Nita Ruth and Henry Todd celebrated theirs on Sept. 2nd while son David Todd will have his on the 20th.

Sharon Kay Smedley will be a teenager, September 27th, thirteen years old that day.

Happy birthday to a special friend — September is birthday time for Web Bruton — the old cow poke is recuperating from a "busted leg" and had to "pitch camp at the hospital" but he's tougher'n whet leather and this isn't dampening his spirits one bit — send this old timer a birthday card and wish him a happy time.

A special lot of congratulations to Elizabeth and Franklyn Alexander — their home here in Baird, the John Collier house — has been designated as one of the Medallion buildings in Texas which means that its historical background and importance is of value to this state's heritage. Dr. John Collier, as we know, was one of Texas foremost pioneer educators, and a circuit riding Presbyterian minister as well and it is fitting indeed that his home be honored.

Callahan Declared A Modified Area

The Texas Animal Health Commission announces the Certification of Callahan County as a Modified Certified Brucellosis Area.

In a few days, Callahan County will receive the Certificate.

This Commission wishes to express its appreciation to the people of Callahan County for the splendid cooperation extended to its representatives while work was being conducted in Callahan County; and request the further cooperation of the citizens of the area to maintain the brucellosis status of the County.

Baird Grade School Cubs Down Wylie

The Baird Cubs, the grade and junior high school football team, downed Wylie here Tuesday night 22-0, the same score the Bears downed the Wylie Bulldogs Friday night.

Touchdowns were made by Rickie Joy, Tommy Bearden and Manuel Martinez. Marvin Parker led in yards gained rushing with 140.

The Pup "B" team won their game 8-6 with Johnny Strange scoring the Baird TD.

The Cubs play Jim Ned here at 6:30 p.m. Tuesday, September 25.

Robert Barnhill Joins Bank Staff

Bob Norrell, president of the First National Bank, and Howard Farmer, vice president of the bank, announced this week that effective September 17 Robert Martin Barnhill had joined the staff of the bank.

Barnhill, a graduate of Baird High School, is the son of L. G. Barnhill of Baird and the grandson of the late Martin Barnhill who was a long time insurance agent and a director of the First State Bank of Baird. He has completed his military service, having served in USAE-UR Tuslog Detachment 56 in Turkey.

Seniors Elect Officers for Year

Ann Barton and Janet Ross were named co-editors of the Baird High School annual, The Headlight, for the 1962-63 school year. The two senior students will direct the staff in the year book publication.

Lee Abernathy and Tencel Scott will serve as business managers and Tommy Higgins is sports editor. Don Franke is staff photographer. Linda Dill and David Sutphen will handle the art work as art editors, while Glenda Wilson is snapshot editor. Mrs. Archie Nichols is faculty advisor.

Dear Facts staff members are as follows: co-editors, Jud Gilliland and Robert Martin; art editor, David Sutphen; and staff members Janet Ross, Judy Tollett, Ann Smith and Fred Foy. Miss Amelia Smith is faculty advisor.

DEDICATION SUNDAY — The public has been invited to attend dedication services and open house Sunday at Ebenezer Baptist Mission, it was reported by Rev. Leonard Gallegos, pastor. At the open house, visitors will go through the building and will inspect the recreational facilities and fellowship room which was added recently. The new addition to the building will be dedicated to Christian use at the ceremonies. Time for the meeting has been set for 2:30 p.m.

Mrs. Bill Hatchett Dies Suddenly

Mrs. Bill Hatchett, prominent Baird area ranch woman, died unexpectedly at her ranch home at 8 a.m. Saturday. Mrs. Hatchett had been ill for a short while, but her illness was not thought to be serious.

Final rites were held at 2:30 p.m. Monday at Wylie Chapel in Baird with Rev. Bob Eklund, pastor of the First Baptist Church in Baird, officiating. Burial was in Ross Cemetery here.

She was born Lula Long in Weatherford on February 2, 1900. Her family was one of the first to settle west of Fort Worth and her grandfather was one of the first Baptist preachers west of the Trinity River. The minister and his family had many interesting experiences with the Indians. She attended Weatherford public schools and was graduated from Weatherford School. She attended Weatherford College and for a while was a public school teacher. She taught school in Callahan County after moving here in the early 1920s. Her first teaching job was at Archer City. In Callahan County, she taught at Hillside School.

She attended Weatherford public schools and was graduated from Weatherford High School. She attended Weatherford College and for a while was a public school teacher. She taught school in Callahan County after moving here in the early 1920s. She was married to Bill Hatchett, prominent Baird area rancher, on May 26, 1921, in Callahan County, and the couple had made their home in the county all their married life.

Mrs. Hatchett was a member of the Baird First Baptist Church. She was active in civic, church and school affairs of Baird and Callahan County.

She is survived by her husband of Baird, two sons, Billy G. and Jimmy Roy, both of Baird; a brother, Lee Long of Fort Worth, and five grandchildren, Janece Tucker and Byron, Jim, Billy Charles and Trina Hatchett.

Pallbearers were Lee Ivey, Fred Cutbirth, Howard Farmer, Claxton Jones, Buster George, Irvin Corn, C. B. Snyder and Raymond Tyson.

Petition Being Circulated Calling For Election For Sale of Alcoholic Beverages in Baird

A petition calling for an election to legalize the sale of all alcoholic beverages in the City of Baird was issued Tuesday by Mrs. Charles Robinson, Callahan County Clerk, after an application for local option election petition was filed in her office bearing the signatures of more than the required number of applicants.

By law, Mrs. Robinson was required to prepare and issue the petition which calls for a local option election. The backers of the sale of alcoholic beverages

in the community are required to secure the names of at least 25 per cent of the qualified voters of the community to the petitions before the election can be called.

Signers of the application for the petition were Ernest Bransford, C. D. Strange, Mrs. C. D. Strange, Joe Tollett, Archie Nobles, Everett J. Barron, Preston Ault, Mrs. Everett J. Barron, Earl Blakely, Mrs. Earl Blakely, Frank Mendez, Alvis Dill, Mrs. Alvis Dill and C. K. Meadows. In order for the county clerk

to issue the petition there had to be 10 signatures on the application. There were seventeen signatures on the request, but Clerk Mrs. Robinson disqualified three because of various reasons. Backers of the proposition have 30 days in which to secure at least 147 names of qualified voters to the petition. If and when the required names are secured, the backers may present the petition to the County Court. By law the court must call an election within 30 days. The petition calls for the sale

of all types of alcoholic beverages, which includes whiskey, beer, wine, etc. The petition does not specify "of Premises consumption," so the election, if there is one, will call for sale and consumption of any type of alcoholic beverages at any location where a permit is issued by the proper authorities. It was expected that opponents to the sale of alcohol would organize and wage an extensive campaign for the defeat of this issue.

Bears Win Over Bulldogs, 22-0; To Host Roscoe Plowboys Friday

The Baird Bears are hosts this week to the classy Plowboys from Roscoe High School. The game is scheduled for 8 p.m. Friday night at the Bear's Den.

In the Friday contest the Bears will be trying to keep their victory string going. They will go into the contest Friday night with a slight weight advantage over the Plowboys who lost their opener to Clyde on September 7 on a sodden field. Coach Vernon Townsend said that fans could look forward to a good game as his Bears will try to stay in the undefeated class.

Friday night the Bears were hot and cold in winning over Wylie at the Baird stadium by a 22-0 score. The Bears wasted little time in putting across a tally and coasted in for the win. The first score came three minutes deep in the first quarter when Cotton Barnes, Bear quarterback, went over from the 3. The scoring drive was set up when Ed Ault, Bear tackle, pounced on a fumble at the Wylie 35. Fullback Tommy Higgins carried over for two points following the TD.

Baird's second score came early in the second quarter. They took possession on their own 42 on a punt and four plays later were across the double stripe. A 30 yard scamper by Barnes and a 20 yard pass from Barnes to End Johnny Higgins set the ball on the Wylie eight. Barnes skirted end for the second of his three touchdowns for the evening. An end around play with Johnny Higgins carrying failed to fool Wylie and the point after failed.

Wylie held the Bears in check during the third quarter. In the fourth period, Barnes put across the final six pointer. The touchdown came four minutes deep in the fourth when the classy Baird quarterback went over from the six. The score climaxed an 80 yard drive which was highlighted by a 39 yard pass play from Barnes to End Jud Gilliland. Tommy Higgins carried over for two points after the touchdown.

The Bears had a touchdown called back on a penalty in the third quarter. Cotton Barnes bounded the Wylie left end and went 36 yards for the score, but a penalty nullified the counter. The Baird team was knocking at the door again as the game ended. When the final whistle sounded, the Bears were on the Wylie one.

Defensively the Bears looked good. They held the Wylie team to five first downs and 57 yards rushing. Standouts in the line were Ends Higgins and Gilliland, Tackles Ault and Tally Windham, Guards, Tommy Vines and Ervin Bates. Regular Guard Danny Ross was held out of the game because of injuries received in the Santa Anna game, and an illness which followed. He was suited out and will be ready Friday night. Center Robert Martin handled his 125 pounds like a 200 pounder.

Coach Vernon Townsend used a single wing attack in the game. He used the wider formation to protect Quarterback Barnes who played the game with an infected hand. Backs Barnes, Higgins, Tencel Scott and Eddie Childers handled plays well. Downfield blocking on the part of Johnny Higgins was one of the high

points of the game. The following statistics reveal how the Bears dominated play in the contest:

BAIRD	WYLIE

Quarterback Club To Sponsor Program

The Baird Quarterback Club has announced plans for a musical jamboree on October 11 in a fund raising attempt for the benefit of Baird school athletics.

Pop Whitaker and his Young-uns will be the feature entertainers on the program which will also present other local talent. Additional information will be released prior to the time for the affair.

Jackson Named To Dist. Committee

Randall C. Jackson of Baird was named State Democratic Executive Committeeman of the 22nd District without opposition at the State Democratic Convention held Tuesday in El Paso. Mrs. Macon Body of Henrietta was named District Committeewoman from the district.

Reports from the convention were that it was harmonious in every respect, and that all nominees of the party were approved and certified.

Committeeman Jackson was appointed by the Governor to serve as chairman of the important committee on canvassing and party nominees. The committee was charged with the certification of nominees. Among their duties was the certification of nominees to replace some who had died since the primary election. Generally the committee followed the recommendations of the county committees.

ENROLL IN COLLEGE

Edwina Reese, daughter of Mr. and Mrs. E. L. Reese, went to Denton Sunday and entered N.T.S.U. for the fall semester as a freshman. Also entering was a freshman. Also entering was Bob Strange, son of Mr. and Mrs. C. D. Strange, freshman, and Larry and Jerry Corn, sons of Mr. and Mrs. Lowell Corn.

An Editorial

The members of city council of Baird are to be commended for their foresightedness in working toward better water and sanitation facilities for the community which has selected them to head their government. They have worked diligently and thoughtfully in preparing plans for the improvement of the existing conditions, and the community should show their confidence in the leaders by going to the polls Saturday and approving overwhelmingly the issuance of revenue bonds by the elected officials.

It is of vital importance to the community and if it is vital to the community, it is vital to each one living in it. For a number of years the present facilities have barely received the approval of the Texas State Health Department, and there is no assurance that the approval shall continue. The present sewer treatment facilities were built some 30 years ago to take care of slightly over 200 patrons. These facilities, worn out after the 30 years of use, now take care of more than 500 residences, more than twice the capacity even when the plant was new.

The election Saturday calls for the voting of \$123,000 in new revenue bonds. There are now outstanding \$77,000 in revenue bonds voted by the people for various improvements in the past. Total in revenue bonds owed by the water and sewer departments following the election will be \$200,000. The new sewer treatment plant will cost \$121,500. A grant by the State of Texas and the Federal Government will pay \$36,375 of the treatment plant cost, leaving \$85,125 for improvement of the existing water facilities and the installation of additional fire hydrants, which will tend to lower insurance rates for property owners of Baird.

The bonds are of the revenue type which do not require tax monies for their retirement. The revenue from sanitation fees are to be marked for that purpose. The revenue is collateral for the bonds.

A look at the woes of a neighboring city to the west of Baird, brought about by overtaxed treatment facilities should convince every resident of Baird that adequate sewer treatment plans is a must.

If Baird is to enjoy future population growth, Baird must prepare for it. The town can not grow with inadequate water or sewer facilities. Let us all vote for the future of the community by voting in favor of the issuance of the revenue bonds Saturday, but whatever your feelings in the matter are, vote.

Polio Project Set for Sept. 30

Sunday, September 30, has been set as the date for the polio immunization project for Baird and other Callahan County towns, it was announced Wednesday.

The program was originally scheduled for September 16, but it was called off when other area towns decided to postpone their immunization because of adverse publicity originating in Canada. The project will follow the plans to the original schedule. Complete arrangements will be in next weeks paper.

Rites Held Monday For Mrs. Cohron

Mrs. Ruth Cohron, 73, of Fort Worth, died at 5 p.m. Saturday in the John Peter Smith Hospital in Fort Worth following an illness of five days. She was a former resident of the Baird community.

She was born Aug. 24, 1889, in Limestone County. She had lived in Fort Worth for the past 12 years.

Funeral services were held at 4:30 p.m. Monday in the Wylie Funeral Home Chapel in Baird with the Rev. J. C. Trawick, Jr., pastor of the Friendship Baptist Church in Amarillo, officiating. Burial was in Ross Cemetery.

Mrs. Cohron was a member of the Roadside Chapel Baptist Church in Fort Worth.

Survivors include her husband, A. B. Cohron of Fort Worth; one daughter, Mrs. Vera Faye Terry of Fort Worth; one son, Roy Morgan of Galena Park; two sisters, Mrs. Ernest Huffman and Mrs. Jennie Grest of Fort Worth and seven grandchildren.

the rain.

Jess and Daisy Burnam of Ida-
lou and uncle Lige and aunt
Annie May Burnam, Lucille Kel-
ley of Cisco spent Tuesday with
Mark and Ollie Burnam.

Bill and Retha Brown of Ablene
spent the past week end
with the Mark Burnams. They
also went to the football game in
Cross Plains where Putnam and
Mozelle played. Putnam won 44
to 0, was glad we won, but I al-
ways feel sorry for the team
who loses, our boys played real
football.

I visited with the Mobley girls
some last week, Wednesday
morning. Mabel Carrico came
home with me and spent the
day, we went over to Moran on
Wednesday to the Luncheon,
really enjoyed it. Went to a
Stanley Party at Johnny May
Ramseys in the afternoon, then
Thursday afternoon after school,
Mabel and I went to Abilene
with Roma McIntyre; we had
supper in Abilene.
We were very sorry to hear of
the death of Mr. Asa O'Dell last
Friday, our deepest sympathy to
his wife and other relatives.

We learned Sunday night of
the passing of Dr. Will Anderson
in Scranton. We have known Dr.
and Mrs. Anderson since I was a
little girl, Mrs. Anderson is the
former Miss Mary Ray of Scranton,
seems like so many of our
friends are passing on. Our
deepest sympathy to all the
family.

Mabel Carrico visited awhile
Wednesday afternoon, he is do-
ing pretty well.

I had Sunday dinner with
Burette and Johnny May Ram-
sey, Johnny May and I went over
to Moran a little while Satur-
day morning, glad to see Elsie
Rogers is able to be back in the
flower shop after about a week
in the hospital in Cisco after be-
ing bitten by a dog, she is doing
pretty well.

Mr. and Mrs. Roland Nichols
visited Friday night with Bu-
rette and Johnny May Ramsey,
I didn't ask, but I bet you they
played forty-two, I don't know
who won.

Burette and Johnny May Ram-
sey visited with the Leonard
Alyvs Saturday night, they al-
ways have such a good time
playing forty-two.

Think the Weldon Isenhowers
and McIntyres had a forty-two
game last week too, don't know
who won there either will soon
know for their year will soon be
up. That is how they play the
winner has to be winner for a
whole year. Guess I better get
this in the mail so be good and
will see you. Hi, Mr. and Mrs.
Clarence Boatwright, wherever
you are, hope you are back home
by now, don't forget to come
back to Putnam when you are
down this way.

Tecumseh Topics
By Mrs. Lillian Crawford

A cool front arrived this
Monday morning at 1 a.m.
bringing 1 inch of rainfall. Just
about what was needed for
breaking land and sowing grain.
Its just about hay time here,
when the weather clears up and
a hay baller is available.

Otho Harris and son, Mr. and
Mrs. James Mullen and family,
Mr. and Mrs. Hulon Crawford
and Dana of Abilene were vis-
itors at the L. V. Harris place
Sunday. Rev. Aubrey McAuley
and wife and Lucien Pierce were
also late afternoon visitors.

Guess you have been hearing
something about L. V. Harris
having troubles here lately caus-
ed by pains in his spine or in
the region where surgery was
done several years in the past.
One consolation Van has is that
he can still move in a hurry, as
he tells about the experience he
had late Sunday afternoon as
he was walking by the combine
in the edge of the field, sudden-
ly a huge rattle snake gave the
warning to come no closer. Van
obeyed orders, and he says he
didn't even know then he had a
sore back. Just how many rat-
tlers that snake had we will
never know, but there were 9
and looked like at least 5 were
missing, and I must say it was
the largest rattlesnake I had
ever seen. Did you neighbors
hear Van calling Florence to
bring the gun?

Had a nice letter from Mrs.
Clara (Taylor) Brame, Fort
Worth, and money to pay for
one years subscription to The
Baird Star.
She was raised in this coun-
try and wants to keep up with
things happening here, there
and all around. We hope you
will enjoy reading from cover to
cover.

Rowden Round-Up
By Mrs. B. Crow
Mr. and Mrs. H. C. Allsup and
family from Junction attended
church at the Baptist church
Sunday morning, Mrs. Allsup
formerly lived at Rowden.
Mr. and Mrs. Fred Schotte of
Midland and Mr. and Mrs. Au-
brey Gary and children visited
Mr. and Mrs. Weldon Gary over
the week end.

Mr. and Mrs. Johnnie Adair,
Bobby and Gina of Cross Plains
visited his parents, Mr. and Mrs.
John Adair Sunday.
The ladies from this commu-
nity attended the quilting Thurs-
day at the home of Mrs. Marian
Eager of Cottonwood, a nice day
was reported.
Visitors in the B. Crow home
over the week end were Mr. and
Mrs. Herbert Bone and Mr. and
Mrs. Dale Gibbs, Gary and Roger
of Abilene, Mr. and Mrs. Don-
ald Stephens, Debra and Step-
hanie of Snyder and Frank
Crow of Baird.

Mrs. Lella Gibbs, Mrs. Voncille
Gibbs and Judy, Ivon Odum and
Rev. and Mrs. W. E. Nowell had
Sunday dinner with Mr. and Mrs.
Walter Rose of Cross Plains.
Mrs. J. D. Cauthen visited
Mrs. Warren Price one day the
past week.

Oplin Observations
By Daphne Floyd

Another inch of rain fell in
the Oplin vicinity Sunday after-
noon and later in the night.
Mr. and Mrs. M. C. Miller vis-
ited Sunday afternoon in the
home of their daughter and
family, Mr. and Mrs. Pete Down-
ing and children of Potosi.

Let me warn you that rattles-
nakes are really crawling. I
have killed a small one in a
flower bed and I arrived a little
too late to witness the shooting
of a huge rattlesnake Monday
afternoon by Mrs. M. C. Miller.
That wasn't the first gun Mrs.
Miller had shot but since she is
a woman in her sixties and has-
n't been well the past week, she
confessed it left her a little
shaky.

Mr. Straley and Freida had
her cousin and family, Mr. and
Mrs. Skeezix Atwood and daugh-
ter, Beverly of Lawn, another
cousin, Mrs. Clemmie Taylor of
Midland and her son, Billy
Taylor of Dallas visiting them
Sunday afternoon.

Speaking of Freida Straley,
most of you know that Freida is
convalescing from a recent
breast surgery which was mal-
ignant. This makes the second
appearance of malignancy for
Freida in the past ten years.
Talk about courage, Freida has
it for she is already more than
half through the radiotherapy
treatments which were to follow
the surgery. Freida requested of
me, that in my column, I thank
her many friends for all the
kind, thoughtful things they are
doing. One friend has lauded
her gowns for her, one friend is
thoughtful enough to go and fix
her hair each morning, friends
stop by and do a few chores for
her or bring in a covered dish —
but do we friends want to be
thanked? No, we all love Freida
and pray for a complete recov-
ery.

Mr. and Mrs. J. B. Pierce may
not be able to tell you how many
days until Christmas but I bet
they can tell you how many days
it has been since they learned
that their son, Darrell, was sail-
ing on the 14th for the good old

been overseas the past three
years and is eligible for a dis-

Tough new '63 Chevrolet Trucks are here!

...THE ONES THAT WHIPPED THE BAJA RUN...TOUGHEST UNDER THE SUN...
TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Sometimes the caravan crept along for hours in low gear. It
took 17 days to go 1,066 miles! This is the road near Loreto.

Millions of years ago nature
found a proving ground
for trucks that man can never
duplicate. Today it is known as
the Baja (bah' hah) California
Peninsula, Mexico.

These pictures give you only a
bare idea of the place. The road
is fine for 140 miles below the
U.S. border. Then the beating
begins. Rocks and hard-baked
ruts beat, jab and jerk the trucks
from stern to stern. Loose sand
makes them struggle and strain.
Dust makes them. Heat roasts
them. Rivers drench them.

The Baja Run took this Chev-
rolet truck caravan 17 days to go
the 1,066 miles.

All the trucks performed magnif-
icently. Not one was forced to
drop out because of mechanical
difficulty.

Trucks that can take this kind of
beating can take on your tough-
est truck jobs. Come in now and
see tough quality-built '63 Chev-
rolet trucks with all their new im-
provements.

QUALITY TRUCKS COST LESS

NEWS ITEMS FROM PUTNAM

FIRST AND SECOND GRADE
The children who went to the West Texas Fair were Tana Price, Buddy Waddell, Kenneth and Larry Chapman, Lafonda Knott and Tim Ferguson. Tim Ferguson went with his father to get their sheep they had at the fair.

Larry and Kenneth Chapman had their grandmother McKimley as guest the week end.

Those attending the ball game at Cross Plains were, Tana Price, Buddy Waddell, Jimmy Jones and Tim Ferguson. We

were happy that Putnam won the game.

Jerry Foster was happy to tell our class that they have a new telephone.

Buddy Waddell had a battle with a wasp last Thursday. His jaw really "grew" but happy to report he soon got to looking like Buddy again.

Buddy spent part of the week end with Ella Mae Evans. She had the misfortune of getting her foot hurt. We hope she soon gets well again.

Buddy spent Sunday with his cousin, B. P. Stevenson.

Linda and Brenda Nettles visited Kiddyland Saturday.

SCHOOL WITHOUT A FOOTBALL FIELD
Have you ever thought what a school would do if it did not have a home football field for entertaining visiting football teams?

That is the problem that confronts Putnam High School and its football team. Each year the Putnam School Administration

must impose upon neighboring towns for the use of their fields.

This year the Cross Plains School System invited the Putnam Panthers to open their football season against the Mozelle "B" team at Buffalo Stadium.

The Putnam High School Football team, Pep Squad, Faculty, and Putnam citizens want to publicly express their gratitude and appreciation to Mr. Jack Scott for publicizing the game in the Cross Plains Review, to Mr. Paul Whitton for making all arrangements about the field, dressing rooms and concession stand, to Mr. Coppinger and to Mr. Gunn for their assistance. Odom's Cafe was very gracious in serving the Putnamites after the game.

The total gate taken in at the game was \$145.75; after taking out Mozelle's part and for the officials, the net gate receipts for Putnam was \$84.75 (the largest gate taken in quite a few years).

PUTNAM MAULS MOZELLE
The Putnam Panthers defeated the Mozelle Mustangs Saturday night in a non-district six-man football game 44 to 0. The

game was played at the Cross Plains Stadium in Cross Plains. There was a fairly large crowd out to cheer the teams on.

Marvin Henry led the Panther scoring with three touchdowns, Ricky Isenhower, Conrad Buchanan and J. D. Hock added six points apiece for the Panthers. J. D. Hock also kicked 3 conversions for 6 points while Ricky Isenhower booted one.

Putnam's next scheduled game is on Sept. 21, when they will play St. Joseph's Academy from Abilene. The game will be played in McMurry Stadium and will start at 8 p.m. We would like to see a large number of fans out. It should really be a good game.

Feed Grain Programs Showing Results

Farmers' participation in the feed grain "diversion" programs of the past two seasons is having definite results, Tommie Harris, Chairman, Agricultural Stabilization and Conservation County Committee said August 1, 1962.

Following a steady increase during most of the preceding decade, the 1962-63 marketing season will mark the second year of declining supplies of feed grains, based on current estimates. The total feed grain supply now is estimated at 211 million tons, or about 7 per cent less than in 1961-62.

The chairman points out that the smaller supply in prospect, in the words of the Department of Agriculture's latest report on the feed situation, "is the result of smaller carryover stocks and a further reduction in the acreage of feed grains" — both objectives of the feed grain diversion programs.

The carryover of feed grains into 1962-63 now is expected to total about 73 million tons, 12 million less than a year earlier. Farmers planted about 5 million acres less feed grains this year than last, bringing total feed grain acreage down to the lowest level in more than 60 years.

With yields per acre for 1962 expected to about equal the 1961 record, a feed grain crop of 137 million tons is in prospect, 3 million tons less than in 1961 and a little below the 1956-60 average. The 1962 crop is expected again to fall short of total requirements, resulting in a further reduction in carryover stocks at the close of the 1962-63 marketing year.

Total disappearance of feed grains in 1961-62 is estimated at 153 million tons, 7 million tons over 1960-61 and a new record high. Domestic disappearance is slightly higher than last year, and exports have increased sharply to more than 16 million tons, 30 per cent larger than in 1960-61. Based on present feed production prospects, continuation of disappearance near this high rate would result in a stock reduction in 1962-63 at least equal to the 12 million tons expected for 1961-62.

Neophytes Honor President at Dinner

The Neophyte Club began its Club year with a dinner honoring their President, Mrs. Stanley Harris, Thursday evening at the Ramada Inn. The invocation was given by Mrs. Eugene Black. Mrs. Jon Hardwick welcomed the members back and pointed out a few of the accomplishments of previous years.

Mrs. Harris outlined, in her response, plans for the club year which include Fire Theme Contest, Community Christmas Tree, Care of Baby Clothes at Callahan County Hospital and the Annual Spring Fashion Show.

The 1962-63 yearbook dedication was revealed by Mrs. Elton Ables. Mrs. Ray Black was chosen because of her outstanding service to the Neophytes and other community and state organizations.

Mrs. Stanley Harris was presented as the Outstanding Club member of 1961-62 by Mrs. Bill Skinner.

The course of study for the year "Stepping Stones To A Better World" was emphasized by a center piece of glittering stone walks to a Gold and Silver Globe. Favors and place cards were tiny yearbooks.

The dinner was hosted by the yearbook committee consisting of Mrs. Elton Ables, Chairman, Mrs. Jon Hardwick, Mrs. Stanley Harris, Mrs. Jimmy Cauthen and Mrs. Bill Skinner.

Bryan Lee Reese Wins at Fair

A young Baird rabbit grower took two first place ribbons in the open division at the West Texas Fair in Abilene last week.

Bryan Lee Reese, a sixth grade student at Baird elementary school, won first place ribbons in both the Pre-junior buck and pre-junior doe competition. In addition, he took a second in fur animals and a third, fourth and fifth place ribbons.

Baird Garden Club Begins Year's Work

The Baird Garden Club began the 1962-63 year on Sept. 4, with a business meeting in the home of Mrs. Randall C. Jackson retiring president.

Mrs. W. Clyde White is the new president and other officers are: Mrs. Hubert Ross, First vice president; Mrs. I. E. Warren, second vice president; Mrs. Ben Ross, secretary; Mrs. Frank Cunningham, treasurer; and Mrs. John C. Alexander, reporter.

The club, organized in 1936, has for its chief project the beautification of the Baird Cemetery, with the building of an ornamental fence as the present aim.

The 31 members of the club also sponsor a yard-of-the-month plaque, an annual Christmas lighting contest, park beautification and city wide clean-up campaign.

Subject of study this year is "Better Gardening." Members of the yearbook committee are Mmes. Lee Ivey, Frank Cunningham, and E. H. Leache.

On Oct. 2, a workshop and luncheon will be held with Mrs. R. L. Clinton of Putnam, nationally accredited show judge as guest speaker. This workshop is a preparation for the Flower Show, "A Touch of Autumn" to be held early in Nov. with Mrs. I. E. Warren as chairman.

On Jan. 3, the club will study landscaping design with Lowell Easley, manager of Wolfe's Nursery at Abilene as guest speaker.

The topic of conservation will be the study on March 5, when D. C. Cox, Soil Conservationist of Baird, will be the speaker.

May 7, is the date set for the club to make a pilgrimage to six outstanding gardens in Baird. Preceding the pilgrimage members will be guests at a Garden Breakfast and will hold a plant and seed exchange with Mrs. C. Z. Alexander as chairman.

Mrs. D. C. Cox gave the invocation. Delicious refreshments were served to twenty-two members.

The Ladies Bible Class of the Clyde Church of Christ met Wednesday, Sept. 19th for their first meeting of the fall, with 52 present for this meeting.

NOTICE....

There is being circulated in our Community a Petition asking for an election for the purpose of legalizing the Sale of All Types of Alcoholic Beverages in the City of Baird. We sincerely believe legalizing the sale of intoxicants to be detrimental to our Community and we shall use all means at our command to defeat the issue if it comes to a vote. We urge you not to sign the Petition when it is brought to you. REMEMBER, the Petitions must be filed with the County Clerk. Names of those signing the Petitions will be available for Publication, and we promise you that they will be.
