## THE MONEY DOOR—

Travis Bley and Mrs. Bley and Dunn Lowery—a sort of silent partner—opened their new business in Rankin this week—the B & L Money Mart, Inc.

Now I don't know for sure what sort of business is transacted at a Money Mart but the name does have a refreshing ring. It does seem that one of their line will involve the lending of money and I guess Mr. Bley is a pretty sharp observer for I doubt that anywhere outside of an LBJ poverty pocket could one find more folk who need to borrow a little money than right here in Rankin. I also suspect that we shall—alas—find that The Money Mart operates on the old fashioned idea that one must repay borrowed money. What I had hoped for was a firm with something like the federal method of operations where all that is necessary is to raise the debt ceiling a few more billion.

Anyway, if you haven't yet met the Bleys, you should do so. They are mighty nice folk and we extend them a warm welcome.

## THE VANASHING INDIAN—

Wink, Texas, like the once proud Indian, seems to be vanishing from the American scene—at least the pride in Wink—despite a million or so in Federal money poured into the town. I have been a faithful reader of the Wink Bulletin—their more up-to-date version of the Rankin News—for some eleven years now and I no longer note the strong feeling of pride that once was a hallmark of a Winkite. It may still be there but somehow I get the feeling that most of the folk from that area had just as soon not make too much fuss about the fact. They still give big support to their football team but to Wink itself—not much.

And it may get to be more so. In this month's issue of the Readers Digest—that radical right publication as I saw it described somewhere—there is a review of an article on Wink, Texas. As far as I know the facts, the article in no way tries to put the blame on anyone. It only points to the facts, which, in turn, point out that the huge urban renewal project as carried out in Wink

The Rankin (Tex.) News—  
Thursday, October 1, 1964

has been a complete flop. Many of the people it was supposed to help moved out once they sold their property to the government. A decrease has been registered in population, water meter connections, etc. and three oil field firms have moved out. Only a very few families have moved into the new homes that were built and no new businesses have put in.

In the face of all this the Washington operators say that the program in Wink, Texas is right on schedule and plans are being made to spend more money.

One wonders in what direction that schedule is running?

## THE REPORT—

After 10 months the Warren Commission has issued a report that must be a mile and a half long and twenty pounds heavy—that tries to fix the blame for the death of John F. Kennedy on the FBI, the Dallas Police, the SPC, the FHA, the PWA, the XERA and a few dozen other assorted sets of initials when the whole truth of the matter was stated by John F. Kennedy himself only a few hours before his death when he said that anyone who wanted to do so could kill the president by getting in a tall building with a high-power rifle.

The same is still true and will be true even if Congress passes themselves a law saying it's not true. When you come right down to it, anyone who ever goes outside a guarded room can be killed if the assassin is willing to lay down his own life to do so.

Truth of the matter is—being president of the United States is not what it's cracked up to be.

And in that respect, you have to hand it to Lyndon and Barry. They're running like they thought the job had a built-in guarantee of its holder living to be an even hundred. I don't guess it would be too hard to find out exactly but the number of U.S. presidents who have died in office must be well along towards the 50 percent mark.

By gollie, when you look at it that way, you don't know whether to vote for the fellow of your choice or for the opponent.

# Stovey Shows Oil, Gas Business in Upton

million a year ingredi- prosperity of Upton the production of oil Texas Mid-Continent Association says in its of economic fact- from petroleum op- published U. S. Bur- figures as a base, on has projected what activity mean in this 1962 Upton County was more than 11.8 million crude oil and 42 bill-

ion cubic feet of natural gas. The oil was valued at \$35.3 million; the natural gas at \$5.1 million.

Upton County ranks 27th in the state as total value of oil and gas production.

It is estimated that royalty payments to Upton County landowners who are fortunate enough to have producing wells on their property create a "crop" worth about \$5 million annually. These and other farmers and ranchers who have leased acreage for exploration receive additional rental

and bonus payments, but sufficient current data is not available for measuring the amount.

Oil and gas operators invested an estimated \$1 million in Upton County last year in the search for new fields and in development of zones where production has been found. The Oil and Gas Journal reports that 127 wells were drilled in the county in 1963, resulting in 105 oil wells, 6 gas wells, and 16 dry holes.

Drilling operations included 16 wildcat wells in which operators hunted oil in new territory or at new depths. About \$1.5 million of the drilling expenditures was lost to dry holes, the Association estimated. Approximately \$380,000 was spent to conduct seismic explorations mapping underground formations which might contain oil.

Petroleum industry payrolls contribute about \$2.8 million a year

## Final Test Underway Of Screwworm Fight

BY W. M. (DUB) DAY  
County Agent, Upton County

Heavy rains over many parts of the state have brought long-sought relief to drouth-stricken pastures and empty stock tanks and have brightened future crop pros-

pects for many farmers and ranchers. The state government's financial interest in Upton County operations is measured by the \$2 million a year which the operators and royalty owners provide the state government in production taxes. These payments are in addition to those paid to local units of government and schools as property taxes. Oil and gas property taxes are reflected in local support of many Texas school districts. For example, 93.3 percent of the local taxes for the McCamey School District comes from oil and gas operations; 71.4 per cent at Rankin.

Among the county's industrial operations is the processing of oil and gas. Some 7 natural gasoline plants are operated to recover butane, propane, natural gasoline and other liquids from natural gas. They have a capacity of 182 million cubic feet a day.

The next 4-5 weeks should tell the tale as to whether livestock producers will have to doctor more "wormies" this year or not. As a precaution, stockmen should keep a close check on their animals and treat cuts, scratches and other wounds, so that if screwworm flies do manage to slip past the barrier zone, their livestock will be protected.

The Rankin (Tex.) News—  
Thursday, October 1, 1964

pects for many farmers and ranchers.

Screwworm flies may also be welcoming the moisture. Confined to the areas along water courses and around stock tanks during most of the summer, the insects generally take off cross-country during the fall season when every chuck hole and creek contains water. This brings about the annual fall increase in the screwworm infestations that eradication officials have warned about.

No cases have been reported in Texas for more than seven weeks now so officials feel that no screw worms exist in the state to start a buildup. However, rains have also been prevalent in northern Mexico, and migration of insects from that country into the U. S. presents a danger. No buildup of infestations has been observed in the Mexican states adjoining the Texas border, although Chihuahua and eastern Sonora, below Arizona, have experienced considerable problems with screwworms.

The next 4-5 weeks should tell the tale as to whether livestock producers will have to doctor more "wormies" this year or not. As a precaution, stockmen should keep a close check on their animals and treat cuts, scratches and other wounds, so that if screwworm flies do manage to slip past the barrier zone, their livestock will be protected.

### A BLOOD RELIGION?

More than one person has turned his back on the Christian religion because, as they say, "it is a religion of blood."

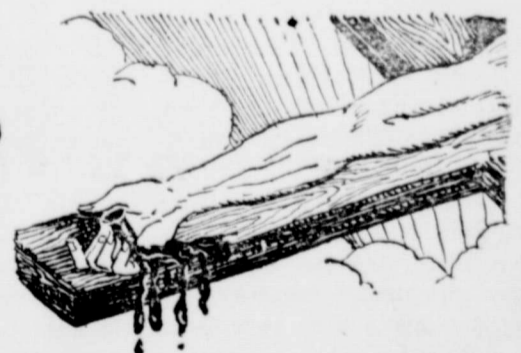

The need be no blinking the fact: Christianity IS a religion of blood. From the first pages of the Bible to the last, the forgiveness of sins is inseparably interwoven with the shedding of blood — the blood of sacrificial animals in the Old Testament, the blood of Christ in the New.

John writes, "The blood of Jesus Christ, His Son, cleanseth us from all sin." Peter says, "Ye were redeemed by the precious blood of Christ." Paul writes, "In Him we have redemption through His blood." And Christ Himself asserts, "This is My blood which is shed for the remission of sins."

It will do no good for the Church to preach a diluted Gospel of morality and goodness; the Gospel which Christ preached was one of personal salvation through faith in His redeeming blood.

## PARKVIEW MANOR

Parkview Manor is located at 3203 Sage in Midland, phone MU 3-5403. Here they offer complete facilities for all persons over 16 years requiring nursing care and the attention of a professional who is dedicated to his profession. Parkview Manor has 100 beds at the disposal of the residents of this area. They are all on one floor (in a fire-proof building that is constructed of masonry and steel), ramps for their wheel chair patients, a beautiful patio, a beauty and barber shop, and a walk is provided to the

Parkview Hospital which is just next door, making it convenient for doctors who will be available at all times.

Heating, ventilating, and sanitary arrangements are most complete. All rooms are outside rooms, cheerfully decorated and have that home atmosphere which has a good psychological effect on the patients and guests. All methods are approved by supervising authorities. The food is prepared by a graduate dietician giving the guests well balanced meals, nour-

ishing and appetizing for rebuilding their health and strength so necessary for the inactive person.

There are registered nurses and an adequate personnel who are most understanding and sympathetic and make their guests feel that what they do for their comfort is never too much trouble. In this Review of Midland, we take pleasure in presenting Parkview Manor. You are invited to inspect their facilities at any time, or direct your inquiries to Norma John, Manager.

## BILL ROGERS FORD

With modern garage and sales rooms at 223 E. Wall in Midland, Bill Rogers Ford is your authorized sales and service on Ford, Falcon, Galaxie, Mustang, Thunderbird and Ford Trucks in this area, phone MU 3-1831. Once again the Ford Motor Co. has proven their superior knowledge of the automobile industry by giving the people what they want

and that they have been looking for since the beginning of the automobile industry. The new 1965 Fords are examples of the smoother and faster performance and at prices within the reach of all.

These new cars are the result of spending of vast amounts of money and a consistent refusal to accept any test as final. The

new 1965 Ford is indeed a wonderful car for the price. When you purchase a car from Bill Rogers Ford it does not mean that the transaction is closed, for they realize that pleasing a customer means success for them. They have at the disposal of the public one of the most modern garages to be found anywhere—it is the home of "Good Service"

## DAVIS FURNITURE COMPANY

The Davis Furniture Company is located at 119 Main in Big Lake, phone 844-2663. They carry a complete line of furniture, appliances, rugs, hardware, guns and ammunition, china, etc. Their store is modern and up to date, and their furniture ranges from a small end table to a complete suit for any room.

When we buy furniture, we are

buying something that is a permanent fixture for our home, therefore, great care should be given to its selection so we can be sure of getting something that will stand long, hard wear. They receive new shipments frequently and you will find it a pleasure to look over their stock. Regardless of whether your needs are

large or small, you will receive the same courteous and personal attention when you are in this store.

You are invited to drop in when you are in Big Lake and look over their merchandise. If you are not in town and are in need of an item, just telephone them for any information—REMEMBER—their phone number is 884-2663.

## BEWICK TRUCKING CO.

Bewick Trucking Company is located on Highway 67, West, in Big Lake, phone 883-2531, if no answer, 884-2493. They are equipped with all the latest and best equipment for all classes of oil field hauling; brine, oil and water transport service; tank truck hauling, water, mud, crude oil, frac oil, salt water. General hauling in winch trucks, tandem and single axle floats and pole trailers, well killing, rental test tanks and rental frac tanks. They are fully insured and they give 24-hour service.

Anyone needing any of the services listed above can do better than to call Bewick Trucking Company in Big Lake. They have had years of experience in this line of work and do not save where the inexperienced would waste both time and money.

We know of no one else in the area equipped or better prepared to turn out work of this kind of this grade. Be sure to call them at one of the phone numbers listed in the first paragraph of this article.

## CHEATHAM'S GROCERY

Serving our area with the finest in meats, fruits and vegetables, Cheatham's Grocery is located at 611-2nd in Big Lake, phone 844-2644. "Buy It At Cheatham's" is a fitting slogan for all people who want to keep their food bills down. In this day and age, the modern grocery store is more than just a grocery store, it is

a 20th Century service station where thousands of articles of every description can be found for the household.

Due to their large volume of buying and efficient management this store is able to provide you with a large selection of meats, fruits vegetables and groceries at lower prices. Their stock is complete at all times with good sup-

plies that every homemaker asks for or needs.

Cheatham's Grocery also carries housewares, Dry Goods, Drugs Phonograph Records, Film, and Fishing and Hunting Licenses & Tackle. In this Review of Big Lake we highly recommend this modern grocery to all our readers for the best in groceries and meats.

## MARTIN'S DEPARTMENT STORE

It would be a mistake indeed to shop in Big Lake without visiting Martin's Department Store located at 211 Depot, phone 884-2113. This store is a "must" on your list. Customers enjoy a feeling of satisfaction when shopping here, knowing they are getting true values at prices within the reach of all. Quality is high and the personnel at Martin's Department Store takes pride in serving you with courtesy.

The buyers at Martin's Department Store have selected the stock with care and rare judg-

ment, with the idea in mind of giving the shopper the greatest values and still keep you in fashion. The stock here is selected from many nationally known manufacturers.

In this day and age people of all ages want to be neatly and fashionably attired. The ladies of this area are always satisfied with purchases made at Martin's Department Store. It is quite proper that we list Martin's Department Store as one of the leading exponents of values in Big Lake.

## TURNER BROS. OIL CO.

Turner Brothers Oil Company is located at 206 Georgia in Big Lake, phone 884-2116. Here they feature the well known SHELL PRODUCTS. They maintain trucks that cover a large area—making deliveries upon order. Shell gasoline gives more power, more pep and more mileage than you have ever received before. It makes no difference if it is for the auto, truck or tractor, you will find this to be the most economical fuel you can use.

Turner Brothers Oil Company also features Shell automotive and Industrial oils and lubricants — General tires for farm and ranch use and auto tires. They give farm and ranch deliveries for your convenience.

The management of this firm has always been interested in the growth and development of this area and they believe in giving a "Square Deal" in every transaction, regardless of the size of the order.

In making this Good Neighbor Review of Big Lake, we take pleasure in recommending Turner Brothers Oil Co. and Shell Products to all our readers.

## SOUTHWEST BUTANE COMPANY

The Southwest Butane Co. is located at 1007 2nd in Big Lake, phone 884-2185, if no answer—dial 884-2328. They are distributors in this area for Butane and Propane Gas, gas systems, skid tanks, electrical appliances, Maytag Washers and Dryers, Gibson Refrigerators and Freezers and offer a complete service on all.

Through their straight forward and above board policies, the Southwest Butane Co. has established an enviable reputation in these parts, and the people in

general have come to know this firm as one of the best in the area.

The Southwest Butane Co. brings thousands of dollars into this section each year. If they were not so entirely satisfactory in every way, Southwest Butane Co. has always been a center for this section and in this Review they are to be mentioned upon the admirable manner of serving the public.

## GLASSCOCK CHEVROLET COMPANY

The Glasscock Chevrolet Co. is located at 300 Depot in Big Lake and is your authorized sales and service for Chevrolet and Oldsmobile in this area. The name of these cars as a performer does not need their impressive records to support their reputation, but depend upon what is even more spectacular—a solid backing of support from thousands of Chevrolet and Oldsmobile owners who have proven these cars to themselves with millions of carefree miles.

Chevrolet Trucks are also outstanding in the truck field, and they have proven their record for economy and durability. These trucks are manufactured in a size and type for every need. Be-

sides their sales of the cars and trucks, Glasscock Chevrolet Co. operates a service department that is excellent in respects. This department is staffed by factory trained mechanics who are capable to care for your car or truck and put it in working order.

Glasscock Chevrolet Co. has this time a fine selection of cars and trucks from which to choose—so why not stop your next trip to Big Lake and see these new 1965 cars or trucks are in the market for a used car. Let them show you their selection. If you can't come to see them at 844-2151 for information.

## FOOD MART

Drop in at the Food Mart located at 601 2nd in Big Lake if you are interested in real savings. You will find their shelves are stocked with a complete variety of vegetables, fruits, cereals as well as all those staple groceries and the finest in fresh meats. To assure you of top quality merchandise, the Food Mart handles only the better known brands of food products.

It is a pleasure to shop at the Food Mart because all of the food has been placed in logical order and is in sections dependent on the type. Great care is

taken to see that all goods are available on the market today. Their prices are reasonable in order that you may keep your food costs within your budget. For extra savings for their customers, the Food Mart gives S & H Green Stamps.

One of the outstanding features at the Food Mart is the friendly and courteous service that is always yours when you trade here. For your convenience, they are open 7:30 a.m. to 7:30 p.m. Monday thru Friday. On Saturdays—they are open from 7:30 a.m. to 8:00 p.m.

of the Midkiff Bap- had their brotherhood Monday night. Barbecu- was prepared by Ray Bar- served to 28 along with from Big Lake. Guest was Brother Bill Hayes for the night was From God."

Stephenson asked me to everyone of the installa- for the W.M.U. this

Thursday, October 1. Guest speaker will be Brother Harlan Willis, a missionary from Thailand.

Hear that Bill and Bernice Johnson are back from vacation. Must be nice to have a vacation during cooler weather.

The Midkiff Lions Club had their spaghetti supper Tuesday night at the El Paso recreation hall. The food was delicious and I think everyone was there.

An all day bridge party and salad luncheon was enjoyed last Thursday at the home of Maydelle Jackson. Those attending were: Lettie Frymire; Fannie Brummett, Esther Dwinelle, Louise Chestnut, Pat Barrett, Sue Winters, and Minnie Frank. Out of town guests were: Patty Rossen from Midkiff, Marsha Thornton from Sprayberry, Doris and Joanne Cannon from Odessa.

LOOK ALIKES: Patty Rossen and Faye Copeland.

QUESTION: Did Sis Messimer finish that big red sucker before the game was over last Friday?

Glad to hear Imogene Kniffens' surgery was successful and hope she will be home soon.

Would someone please tell me—Do cherry trees usually bloom in September? I have one in my back yard blooming like crazy. This is the first time it's ever bloomed and doggoned if I don't think it's kinda mixed up.

That's all—See you next week.

## Hospital Auxiliary Picks New Officers

EDITH JAMES, Reporter

The Rankin Hospital Auxiliary met in the home of Mrs. Tom Workman, September 22. New officers were elected as follows: Mrs. Hiram Bain, President; Mrs. Tom Workman, Vice-President; Mrs. W. O. Adams, Secretary and treasurer; and Mrs. J. T. James, Reporter.

Four new members joined: Mrs. Joe Simpson, Mrs. Vacie Grimm, Mrs. Lela Zell Putman and Mrs. L. M. Whiteley.

Mr. Leon Feuge, hospital administrator, and Mrs. E. W. Payne, the RN at Rankin hospital, gave the Auxiliary some ideas as to their duties and also how much help the Auxiliary has been in the past. Also, Mr. Feuge reminded the Auxiliary that Memorials were given and certainly appreciated as the money goes to a very good use.

New members are invited to join. Mrs. Bain, president, will be glad to help any person interested in joining.

Refreshments were served by the hostess, Mrs. Workman.

## Social Club Formed; Meets Each Tuesday

A social club for the purpose of learning ballroom dancing and social graces for Junior High and High School students had its organizational meeting at the Youth Center in Rankin Park Building, September 29.

Regular meetings will be held at the Center each Tuesday at 7:45 p.m. Mrs. Lewis Smith can provide added information for interested parties.

## "4TH AND 10"

ON YOUR OWN TWO

\* Being a Column Dedicated to the Proposition that only a Nut would try to predict Football Scores in Advance.

### FOOTBALL ?

To begin with, I may as well get the comments over with on last weeks game. When does the basketball season open?

Let's try this week:

**SONORA 20-Rankin 12** Although I have yet to be proven incorrect in contending that Sonora has the upper hand in district, Ozona looks more and more like the big gun. Picking Sonora over the Red Devils has little to do with their performance last week. For some reason they just didn't play much ball in the first half and by that time it was a little late to start. Sonora has too many Bronchos for us but I hope I'm wrong.

**BIG LAKE 28-Sanderson 6.** It could well be that Big Lake can have a lot to say about the district title but they still look open

**OZONA 25-Junction 0.** The Ozona team has given up only 6 points thus far in the season, so they have to be figured tough.

**ELDORADO 28-Menard 0.** The Eagle figure to get on the Yellow-jackets like ugly on an ape after they were held to a goose egg by Ozona last week. And it will be played in Eldorado. Anywhere else the home field is figured at 6 points for the host team. In Eldorado that six points is more like 12 or 13.

## The Rankin (Tex.) News— Thursday, October 1, 1964

**IRRAWAN 18- McCamey 6.** The Braves are still on the warpath and the Badgers have about four top hand laid up. No one has manhandled Iraan this year and it's sorta doubtful that they will.

### Last Week's Results—

Big Lake 33-Rankin 6

Ozona 12- Eldorado 0

Sonora 18- Iraan 14.

Sanderson 12- Menard 6.

4th and 10's average for the year: 15 correct, 6 wrong, and 1 tied. You figure out the percentages. I'm not that smart.

## JESSE'S CHICKEN SHACK

Jesse's Chicken Shack is one of the most popular eating places in this area. They are located at 87 W. 2nd in Big Lake—ph. 884-2256 for reservations for one of their beautiful private dining rooms the next time you are having a party of any kind. They cater to lodges, schools and all

other organizations.

Jesse Clement invites you to drop in the next time you are in Big Lake (Or you can make a special trip just to have a delicious meal, as it is just a short drive.) They are open 5:30 a.m. to midnight, 7 days a week.

There is something about

Jesse's Chicken Shack that sets it apart from other eating places, it is the delicious food for one thing, and the other is the general dining atmosphere. Their place is beautifully decorated in Early American and so comfortable, as well as attractive.

Their food is temptingly delicious, prepared in a most careful manner in a spotless, sanitary kitchen. You will find a delicious meal with all the different salads and vegetables, as well as your favorite cut of steak. Go by for a meal soon!

## FARM & RANCH SUPPLY

Located at 500 Railroad in Big Lake, the Farm & Ranch Supply is your home of PURENA PRODUCTS and PAYMASTER FEED, and they carry a full stock of Vaccines, Insecticides, Garden & Lawn supplies, Seed, Hay, Grain, Fertilizers and a complete Grinding and Mixing service.

To get the desired results from feeding, you must first be sure you are feeding the right thing. At Ranch & Supply you will find men who are well qualified to advise you on the proper feeds

you should use. It is not necessary to give as much feed to your stock if you are using feed that is high in vitamin and mineral content. It is not the amount that is given that counts—instead it is the nutritive values of the feed you are using.

The farmers, ranchers and the stockmen of this area can do no better than to consult this firm first, for all their needs in feeds and other products mentioned above. Remember they are located at 500 Railroad in Big Lake or phone 844-2308.
