Serving the Interests of Rankin and Upton County

NUMBER 38

RANKIN, UPTON COUNTY, TEXAS

THURSDAY, SEPTEMBER 29, 1966

Digging In

AND EQUIPMENT were busy this week at hospital as construction gets into high gear on plants and renovations. Rains during the early part of the week had put the construction slightly behind but good weather now prevails.

Timing of Call --

Deposits Slip Year Ago Figure

My call date from Reserve Board, the condition of First National Bank reflected at the end of September 20, 1965. The Federal Reserve for 1965 came an almost a month late when a good money from Rankin Upton County had been on the State. On the current call over some period stood at \$4,503, slightly from the mark of \$4,987,093 -

28. Total deposits last year were at \$4,414,812.47 as compared with \$3,895,333.85 currently. Total capital accounts were up from a year ago—\$540,415.72 as to \$527,224.95. Surplus had also been increased from \$150,090 to \$175,000 in the past year. Undivided profits stand currently at \$215,415.72. In commenting on the decline in deposits, bank president Dunn Lowery pointed to the three difference in the call this year and last in relation to the depositing of tax money and said that had this year's call come on even the 1st of October an increase would have been registered.

SEPTEMBER 14 TO BE THE BIG DAY --

Homecoming Plans Taking Shape

Homecoming plans were in Rankin this year have been combinations were mailed on out-of-town executives. has been chosen as the annual affair of activities have been—mostly along the previous homecoming of course will be a game which this year what many be-

lieve are the two best teams in the district—Rankin and Sonora. In last week's Harris Ratings, Sonora was ranked No. 1 in the state while Rankin was 6th. One or two changes have already been confirmed for this year's event. Among them will be the switch from a Mexican dinner served by the Seniors, to a Western Barbecue dinner. Another change that is being considered will be the re-location of the

SANDERSON TO BE VICTIM --

Red Devils Open District in Friday Home Stand

Well aware that there is no such thing as a guaranteed win, Rankin football fans were, nevertheless, feeling reasonably confident that Friday night's encounter between the unbeaten Rankin Red Devils and the often trounced Sanderson Eagles was in the bag. Principal speculation was on the question of how many points Rankin would score and whether or not they could maintain their string of almost unscoring on games. In their first outing of the season, the Marfa Shorthorns tallied for 8 points against the Devils but since that time, they have not had a serious threat against their goal line.

In their play last Friday night against Big Lake in which the 1966 Red Devil team drowned another foe that had long win records going over Rankin, the local team probably set a record in their first two scoring efforts.

Rankin kicked off to Big Lake to open the game and 38 seconds later was teeing up the ball to kick off again after putting 7 points on the score board. This was followed in a little over three minutes by another 7 points for a total of 14 and over eleven minutes still left in the first quarter.

The Owls, however, refused to be humbled and continued to carry the fight to the Red Devils for the remainder of the game. Rankin worked out an improved pass defense and was never in serious trouble while going on to take a 23-0 win that highlighted a well executed field goal effort.

This gave the Red Devils three wins in a row over Class AA op-

KICKOFF AT 7:30

Fans are reminded of the time change for the kick-off—up from 8:00 to 7:30 p.m. All games for the remainder of the season will be at the 7:30 time.

ponents to go with a scrimmage win against Class AA Stanton and one over old foe, Wink, the only team in their class with which the Rankin crew has had contact thus far.

Sanderson and Rankin are old rivals on the football field. The current series has remained unbroken since 1952. Some of the more recent scores are:

	Rankin	Sanderson
1956	32	6
1957—Rankin won.	Score not available.	
1958	22	14
1959	32	28
1960	34	52
1961	20	6
1962	27	13
1963	27	8
1964	40	6
1965	56	0

As will be noted, during the last ten years, Sanderson has defeated the Red Devils only once—the 1960 affair. Last year, Rankin put their highest number of points on the board.

Jr. High, B Teams to Play in Iraan on Thursday, Sept. 29

One more time: Thursday—that's this Thursday, Sept. 29, the Junior High and "B" teams are slated to go to Iraan for a round of football. Last week's report on this affair was somewhat confusing due to the fact that a writer in the sports department of the News was confused—as per normal.

Gametime is 5:30 for the juniors and 7:00 for the "B" squad.

Last Thursday night, the Red Devil "B" team put on a rather surprising exhibition as they held the Class AAA Fort Stockton freshmen to a 20-0 margin. Rankin moved the ball well against their larger opponent and contained the Stockton thrusts most of the time. However, the speedy Panthers were able to outrace Rankin on the few occasions they did shake a man loose.

Rankin Junior High won one and tied one in their only encounter thus far—an double header event here with Sanderson two weeks ago.

Aerial Spraying is Unknown Quantity

Rankin's aerial bombardment last Thursday morning with a mosquito-killing spray went off without a hitch as the pilot crisscrossed the town and the adjoining area for about 45 minutes, laying down a fine, clear mist. Cost of the operation was shared by the city and county with the city paying two-thirds of the \$600-plus figure for spraying a total of 640 acres.

An exact measurement of results has not been possible, however, and there is a good deal of debate about the merits of the spraying. As a side benefit it appears that flies are not quite as bad and some elm leaf beetles were also apparently killed.

There are no plans at this time to repeat the spraying operation.

School Pictures to be "Shot" on October 5

Individual school pictures will be taken Wednesday, October 5, it was announced this week by Rankin Schools.

Preschool pictures will be made beginning at 3:40 p.m. on that day.

The school has asked that all who wish to have preschool pictures made, enter the stage of the high school auditorium by the west door to the stage rather than entering through the main entrance to the building.

Baptist Schedule Missionary Speakers

First Baptist Church in Rankin has announced a schedule of missionary speakers in observance of Baptist Mission Emphasis Week, October 6-9. All interested area residents are invited to attend and hear these people speak.

First speaker will be Mrs. J. M. Lunsford. She and her husband, Dr. Lunsford, are retired missionaries to Brazil, now living in Rankin. (Continued to Page 6)

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

DON'T PANIC—

Almost hourly, on a twenty-four hour basis, we are told that the Federal government is going broke and that we are spending ourselves into oblivion. Sometimes all this talk gets so bad that one runs out of finger nails and has to start on elbows.

This current year, the Federal government will go about 3 billion dollars over their income. Now if a figure like 3 billion doesn't make your users act up, rest assured that you are either not normal or you are not paying attention. Three billion anything is a lot of sodapop.

But, at the same time, this 3 billion represents something like a 3 percent overexpenditure.

For the years 1963, 1964, and 1965, Upton County took in an average of around \$724,000.00 and on an average, spent \$36,736 per year more than they received—or about 5 per cent. Good ole conservative City of San Angelo is going to spend about 4 percent more than they take in this year.

Now certainly no one is going to

The Rankin (Tex.) News—
Thursday, Sept. 29, 1966

accuse Upton County or San Angelo of being in the process of going broke. Neither can they be tagged as big spenders with liberal leanings. Yet, we are all generally of the opinion that the Federal government throws money around like it was going out of style.

When we see and hear figures up in the millions and billions of dollars—impressed on our minds by this or that politician or special interest group who for one reason or another wants to make the "ins" look bad, it is easy to become a little frightened and to get the feeling that disaster is bound to be approaching whenever such large sums are being flung about. Yet, when we trim it down to 3 percent—a figure most of us are a lot more familiar with than we are with millions and billions—it's not nearly so scary.

It would be better if we didn't spend more than we take in in (Continued to Next Page)

be delighted.
lines sound like

part two on last week's political
thesis, that's about what it a-
mounts to. However, it being an
election year, we'll be subjected
to many tales as November draws
near. Most of them will be the
truth—as far as they go for can-
didates and political parties very
seldom use the outright lie. They
are prone, however—especially in
the case of figures—to toss them
around quite freely without both-
ering to worry about all the ef-
fects.

If you recall when Kennedy
was elected, he and his backers

spewed forth a vast amount of
propaganda about how bad off
this nation had become. What
he was actually saying was that
it was bad off as far as the De-
mocrats were concerned because
they were not in control. By the
time the election was over, every-
one was so scared we went into
one of our "recessions" and did
not recover for some eighteen
months.

Let's hope it won't get that bad
this time.

AMEN—

Somewhere I read: "I don't
know where we got newspapers
and I don't think God does
either. He failed to mention any-
thing about them in the Bible."

RACKEM 'EM UP—

In Rankin we have an area
known as Elizabeth Street. There
is upper Elizabeth Street and
there is lower Elizabeth street.
Mostly, wheels live on lower Eli-
zabeth while we on upper Eliza-

beth are specialists. We speci-
alize in kids, cars and dogs but
not necessarily in that order.

In one two-block area near
the hospital, kids are in the front
yards, kids are in the back, kids
are in the street, and once in a
while, when they're very small,
they are found in the houses.

At night when the cars and
assorted other pieces of motovated
equipment nestle down at their
respective roosts, the entire area
looks like a parking lot with a
drunk attendant.

Then there are the dogs. These
creatures come in all sizes—those
so small their fleas have to walk
along behind them and those
that are big enough to kick a
horse down. Now strangers who
trespass into this area are sub-
jected to all sorts of indignities.
Kids make them stop for foot-
ball games if they are riding, or
they are forced to dodge for their
lives from the cars, bicycles and
the dogs if they are afoot.

It is an actual fact that there
are people right here in Rankin
who will not use that street if

they can get to where they're go-
ing by any other route.

But strangers should not feel
abused. It is one of the odd things
about that particular neighbor-
hood—and the dogs—that a dog
will know you well enough to
come two blocks into your yard
and use your prize rose bush for
a high water marker but if you—
a native—walk as much as fifty
feet out of the bounds of that
yard, the same dog will be right
there to put the ole bow wow on
you.

But it's a fine neighborhood.
People live there. And kids and
dogs and cars. I sometimes think
some of those cars don't really
belong to anyone. They're just
strays that have no other place
to park.

Carroll-Hill Vows Planned October 15

Mr. and Mrs. W. W. Carroll of
Rankin announce the engagement
and approaching marriage of
their daughter, Lavhyllis, to Mr.
Rex Hill of Rankin.

Mr. Hill is the son of Mr. and
Mrs. J. M. Hill of Rising Star.
Wedding date for the couple
has been set for Saturday, Oc-
tober 15.

DISTRICT—

Friday night the Rankin Red
Devils will put their almost un-
marked record on the line going
into district play against the
visiting Sanderson Eagles. Using
the two team's records as a
measuring stick, Rankin ought to
play the game with one hand
tied behind their back—and still
win. Sanderson, however, may
not feel that way about it for
in years past they have given
the Red Devils some bad nights.

But Friday night won't be one
of them.

In last week's outings the Red
Devils looked like the world
champs for three minutes and
then went flat. It's no slur at
the team to say this but the
fact of the matter is, Rankin has
yet to perform up to capacity.
It could well be that the com-
petition has not made it inter-
esting and that's unusual too
for it's a little hard to imagine
three AA teams in a row not
being able to extend the Devils.
But I, for one, believe that has
been the case.

One bright point to show up
in the Big Lake game, aside from
the fact that we won—was the
pass defense of Rankin. True,
the Owls didn't have the best
passer in the country nor the

best receivers but the Rankin
crew did do an improved job on
their defense in this department.

They're a peculiar team. One
minute they look like a million
and the next it's all trangled up.
One big star shines for them—
or has so far—they can make the
big play when it is needed. And
how are you gonna knock an 84-
8, three-game winning streak.
You can't. It doesn't make a darn
how they accomplished it.

Incidentally, for our far-away
readers, Rankin was rated sixth
in Class A on the Harris rating
last week, behind 5th place O-
zona. Ozona was skunked—Ran-
kin won theirs 23-0. As this was
written on Tuesday, there likely
will be some changes in the poll
before Thursday. Incidentally, the
Ft. Worth Star Telegram ratings
don't even list Rankin. What do
you think of that, Red Devils?

Hallowe'en Carnival Set at Sorority Meet for October 29th

Omicron Tau of Beta Sigma Phi met September 26 in the home of Mrs. Cody Bell. Eighteen members repeated the opening ritual. Roll Call was answered with "a definition of politeness."

Ways and means chairman, Mrs. Tommy Owens, discussed

THEY'RE NEW IN RISD

TESSIE M. LACY
(picture not available)

Tessie M. Lacy is another teacher who is not new to Rankin Schools, having taught here a few years ago. However, this will be her first regular turn at the 4th Grade in Elementary.

Born at Coosa, Georgia, Mrs. Lacy attended public schools at Winters, Texas and college at Abilene Christian and McMurry.

The Lacys have three children, Carole, Jerry and Susie and are members of the Church of Christ. They came to Rankin from Goldsmith.

In her school days, Mrs. Lacy participated in tennis and volleyball and lists football as her favorite spectator sport. She enjoys sewing for her family as a hobby and pastime.

GOOD NEIGHBOR REVIEW OF McCamey

OIL SERVICE COMPANY

This well-known distributor is deserving of more than passing notice in this Good Neighbor Review of McCamey. They are located on the Crane Highway in McCamey, phone OL 2-3031.

They cater to retail dealers for the surrounding areas. You will find that to please you is the dominating factor and purpose of their organization. They are recognized headquarters for those well-known Phillips Products, tires, tubes and batteries. Be sure to patronize the service stations

plans for the Hallowe'en Carnival to be held October 29. Several new booth ideas were presented. Tickets were distributed to members for the Remington 30-06 deer rifle to be given away October 14. Proceeds will go to the annual scholarship fund.

Members voted Mrs. Wilber Chesser to represent the chapter as Valentine Sweetheart this year.

Mrs. Wayne Mitchell and Mrs. J. C. Surber presented a film program on "Table Manners and Manners." Members answered a series of questions on proper table place settings.

A cake decorated with the "Phi" was served by the hostess, Mrs. Joe Fowler won the door prize.

R. L. Bell was taken to Big Lake hospital Monday night suffering from what was believed to be a slight heart attack.

The Rankin (Tex.) Thursday, Sept. 2

Rankin visitors on end included Mr. Ford Wilson and Lee and Mr. Hugh and children. They attended the Lake game and ven of the E. M. Sullivan

S & S ELECTRIC COMPANY

The S & S Electric Co. is located on the Crane Highway in McCamey, phone OL 2-3698—mailing address: Box 471, McCamey. They offer day and night service for industrial and commercial wiring—sales—service & repairs on electric motors. Estimates are free.

This firm of electrical contractors specialize in residential, industrial and commercial wiring.

There are many jobs throughout this area that are tributes to their ability as electrical contractors.

In addition to their electrical contracting, they are also experts in the field of electrical motor repairing and armature re-winding service. When you have electrical motor repair work to be done, you can rest assured

that it will receive the attention of qualified personnel and the best service when taken to this firm, owned and operated by Mickie and Tommy Stephens who appreciate your patronage and show it by always giving prompt service.

Nothing in the way of an electrical motor is too small for them and there are none too

large for their experience is with great pleasure call your special progressive firm and you make this your cal motor work. Be your convenience the roustabout crew and experience and know the job well!

Diamond Gas Co.

Through the services of Diamond Gas Co., located on the Crane Highway in McCamey, suburban life in this section has been made much more comfortable. With their service, there is no home that cannot enjoy a modern system of cooking and heating. The installation of this gas is simple and can be installed without bother or dirt.

With this gas service, there need be no more inconveniences with wicks, filling of tanks, the cleaning of burners or removing ashes for this will put an end to these drudgeries. With butane or propane, you merely turn on the gas, light it and you immediately have a flame so intensely hot with perfect combustion and absolutely free from soot or smoke.

It affords us a distinctive pleasure in making this Good Neighbor Review of McCamey to recommend Diamond Gas Co. and refer their butane service to all our readers. Phone OL 2-8732.

The Gillette Pipe & Supply Co., Inc. is located on the Fort Stockton Hwy. in McCamey, phone OL 2-8681 for any information. They feature pipe for all purposes including irrigation, oil and water well, casing, fittings, pipe threading and oil well equipment. They buy and sell used and new pipe.

This prominent pipe company is doing everything in their power to satisfy their many customers with pipe at reasonable prices. They carry a stock of used pipe as well as new for your convenience and economy.

GILLETT PIPE & SUPPLY CO., INC

Mr. E. C. (Button) Gillette, the owner of this firm, is appreciative of your patronage and wishes to extend his thanks and to ask that you allow him to serve you in all your future needs in pipe and all other merchandise and services for which he is well-known.

In this Good Neighbor Review of McCamey, we want to draw the attention of the Gillette Pipe & Supply Co., Inc. They have built a reputation for square deals and they have many customers throughout the area. Be sure to see them for your needs.

C. W. BROWN MOTOR COMPANY

"Your Chevrolet, Buick, Oldsmobile & Chevrolet Truck Dealer"

The all-new 1967 Chevrolets, Buicks and Oldsmobiles are now on display at C. W. Brown Motor Co., located on the Rankin Highway in McCamey, phone OL 2-3231. Also on display is the Chevrolet truck. There is a size and type for your particular need.

It is a recognized fact that General Motors offers the highest values in economy, safety, beauty and all-round performance in their products. Another factor to consider when purchasing a car or truck is your financing plan. The G.M.A.C. financing plan is

offered at C. W. Brown Motor Co. They maintain a service and parts department for all makes of cars. You will find skilled and experienced men in charge who do everything possible to satisfy their customers and all work is fully guaranteed.

The management of C. W. Brown Motor Co. is courteous and accommodating and will be pleased to show you the many advantages of owning a Chevrolet, Buick or Oldsmobile. We are pleased to compliment C. W. Brown and his associates on the efficiency of their service by soon for a demonstration ride and drive one of the several Motors cars and trucks.

If you would like to make a car deal of a lifetime, this is the best opportunity ever have to do so. All you must go in order to see the new cars and trucks that are on display by and figure with Tom or Bill King.

MCCAMEY PIPE & SUPPLY CO

The McCamey Pipe & Supply Co. is located in McCamey at 311 Monroe, phone OL 2-3297—write Drawer "A", McCamey.

This firm established by the present owner, William Wolfe, in 1927, has been serving this area ever since that time with a complete selection of pipe and supplies for oil field, irrigation and all other pipe uses and purposes.

The management through untiring efforts to secure for their customers the best that can be had in the way of pipe and supplies, has built up the concern to the present leadership they enjoy among the business firms of this area.

Sound business management is one of the main basis in the operation of any successful business. Intelligent merchandising, combining best quality at a fair price is another. McCamey Pipe

& Supply Co. has considered essential factors and supplies for all purposes. In this Good Neighbor Review of McCamey, we wish to offer an opportunity to recommend this firm to our readers. Pleasant business relations suggest that you let McCamey Pipe & Supply Co. supply all your pipe and supplies.

is torn between had as a child, and now expected of

takes his place in the It is often a period malnutrition causes

such as anemia, sight sane, and emotional These problems of-

led to teen suicides, leading cause of the this in this country.

The Rankin (Tex.) News— Thursday, Sept. 29, 1966

It is too easy for parents to pass off irritable, moody behavior or complaints about ill health as a stage or "just a period he's going through." Maybe it is, but a friendly competent family physician is one of the people every teenager should know well. He is often an emotional outlet as he plays his role of teen confidant.

Frequent physical check-ups can assure both the young person and the parents that all is well. It may also point up the cause of emotional or psychological problems. Good health is vital to a happy, successful adjustment to any stage of life. It could be all important to your youngster.

Among visitors in Rankin over the week-end were Mr. and Mrs. Larry Simpson of Austin and Mr. and Mrs. Jerry Pollock and son of Odessa. Mrs. Pollock is the former Pam Simpson.

"Careful" is Word to Bird Shooters

Each year, thousands of telephone conversations are interrupted by hunters who are negligent when shooting near tele-

phone wires and cables, according to Don Williams, local South western Bell Telephone Company manager.

It only takes one careless shot to knock out vital local and long distance service for an entire area, he said, noting that many

important calls may be missed while the telephone service is out.

Williams asked area hunters to follow the rules of safe gunmanship while hunting and to remember that there is no open season on telephone wires.

Western Electric Motors

Western Electric Motors offer a complete motor repairing, rebuilding and rewinding service on electric motors of all kinds, electric pumps, welding machines, light plant generators, magnetos, etc. They carry in stock motor controls, sheaves, and V-belts. This firm has vast experience in electrical motor repair work and are fully qualified to give their customers the very best of service. They are in a position to properly service your electrical motor, regardless of what the problem may be.

Western Electric Motors have many new and used motors in many sizes. In this Review of San Angelo, we highly recommend this firm for anything in an electric motor, motor repairing of any nature, supplies, etc. They are located at 2621 N. Randolph in San Angelo, phone 655-5162. (adv.)
