

FOR DAY HOP BEING DRAWN COUNTY-WIDE ACTIVITY

First time in a number of years special festivities are being held in Upton County for Day week-end. In

a combination effort between the towns of McCamey and Rankin, a picnic dinner-on-the-ground affair will be staged September 2

at the Santa Fe Park in McCamey.

A number of activities are on the drawing boards that will tie

in with the occasion such as a Miss Rankin, a Miss McCamey and a Miss Upton County contest, talent contest, horse races and roping contests—the latter two to be staged at the McCamey rodeo arena.

A wide-ranging publicity promotion is being planned under the direction of the McCamey Chamber of Commerce in con-

nection with several Rankin civic groups. Further details are to be published as the main day approaches. Anyone wishing to get entry blanks for either the bathing beauty revue or the talent contest may secure same in McCamey at the Chamber of Commerce office or in Rankin from Mrs. Punk McFadden at Rankin Drug, located on Main Street.

Serving the Interests of Rankin and Upton County

XXXI—NUMBER 31

RANKIN (79778), UPTON COUNTY, TEXAS

THURSDAY, AUGUST 10, 1967

DRIVERS LICENSE MEN TO IN RANKIN FRIDAY

H. E. "Gene" Eckols, Texas Highway Dept. will be in Rankin Friday to give drivers licenses to all prospective operators of motor vehicles living in Rankin. Due to the heavy traffic his services, the last time he was in Rankin for a license test was swamped and a number of people did not get to the examinations. With the heavy rush for drivers licenses, it is believed the situation and that all applicants will be able to cope with the writing test—or both—can be handled.

Examinations will be given in the Commissioners Courtroom on the West end of the building.

FIRST RANKIN TENNIS TOURNAMENT TERMED BIG SUCCESS BY BACKERS

With some seventy-four entries paid in an assortment of contests, sponsors of Rankin's first tennis tournament have termed the venture a success. Preliminary matches have been completed and finals are scheduled for Thursday and Friday nights.

Entries were received from Eldorado, Iraan, Crane, Big Lake and Rankin.

Going into the finals in the Junior Division, Diane Day of Rankin will test Sue Dolan of Big Lake in girls' singles while Miss Doland will team with Kay Ivey of Big Lake to try Miss Day and Sharron Helms of Rankin in girls' doubles. Jerry Box of

Rankin Enjoying Growth

Those who have occasion to take note of such matters such as the City Hall, West Texas Utilities and the Telephone Company, have always arranged their

Crane has already won the boys' singles for the Juniors in boys' doubles, Bill Dolan and Jimmy McGee of Big Lake will play fellow Big Laker Steve Bird and Roy Neill.

In the senior division, Debbie Day and Chris Edmiston of Eldorado have a go in the girls' singles. Miss Day, the strongest contender from Rankin, will also play in the women's singles—against Miss Edmiston and the two will team in the women's doubles. In mixed doubles, Miss Day and Joe Clark of Rankin are opposed by Brian Edmiston of Rankin and Chris Edmiston of Eldorado—a brother-sister team. Debbie and Diane Day will be the Rankin representatives in the

(Continued to center sect.)

work in anticipation of a rush toward the end of August as new residents move into an area prior to the opening of school. Rankin has been no exception to "the August shuffle"; however, according to City Hall, the movers have not waited this year but have kept up a more or less steady pace of moving into town. Over the past several months, more than twenty new connections have been made to city gas, water and sewer lines and still more hook-ups are anticipated. Primary reason for this larger than usual increase is the fourteen homes moved to Rankin from the Union Texas Petroleum camp.

Most of these houses are already ready on their new locations in Rankin and the owners are doing a considerable amount of remodeling with the result that they apparently are going to have some of the more attractive homes in Rankin.

As one observer who has seen Rankin grow over the years has put it, "We're very fortunate to get these people and their homes

in Rankin. They look like they have come to stay and they are making a real nice addition to the residential section."

Although the newcomers are located in almost all parts of Rankin, a majority of them are situated across from the Halliburton Camp and take up some two full blocks.

BUSINESS CHANGES

On the business front, several changes have also been noted in recent week with Bill Priddy purchasing Claude Sheffield's interest in the Texaco Service station and Larry Smith taking over from Eddie Yocham at the Shell Station. Sheffield has indicated that he will give some attention to his Western Motel and other business interests he owns. Yocham said that he was going to take off a few weeks before deciding on his next undertaking.

Another new business to open soon in Rankin will be an auto parts house. Glen Long from Wink has rented the building (Continued to Back Page)

Unit About Shot— CALLING FOR BIDS PRIOR TO LEASE OF NEW TRASH TRUCK

in Rankin this week for bids on the purchase of a new trash truck for Rankin. Specifications for the new truck and loader, the one currently in use, works—with the hydraulic system to have a hydraulic truck currently in use purchased second hand in 1959 from the City of Rankin. It has been a sometimes way of operation with breakdowns.

the new truck and loader, Mayor J. B. Pettit, Jr. said that the present unit was about all used up—that it was costing the City too much money to keep it repaired and running.

"The day he bought it and drove it over here from Pecos, we burned out the inserts and had to have the motor overhauled and it's been a constant expense ever since," he said.

In other matters, the City Council is expected to get their heads together shortly on the selection of a replacement to the Housing Authority of the City of Rankin. Their selection will fill the vacancy created by Dell Cooledge who resigned recently in order to qualify for a seat on the Board of Directors of the Rankin County Hospital District.

GLENN E. CORNWELL and his family will be moving to Rankin shortly. Mr. Cornwell was recently employed by Rankin Schools as a school counselor. He will be joined on the staff by his wife who has been employed as a secretary in the elementary and junior high schools. At the end of the week, Supt. Pete Bateman was hopefully looking forward to completing his teaching staff before the opening of school on August 28.

To Start Next Monday— BAND DIRECTOR SCHEDULES TWO WEEKS WORK FOR RANKIN GROUPS

Members of the junior high and high school bands will be involved in summer band rehearsal in two one-week sessions beginning Monday, August 14, according to Mr. Wells Teague, Band Director for Rankin Schools.

Teague said that the Rankin Junior High band, made up of about 75 seventh and eighth graders, will meet mornings from 8:00 to 11:30, the week of August 14-18.

The High School band will meet morning from 8:00 to 11:30 the week of August 21-25.

The bands will work on both marching and concert playing the director has indicated. A school bus will run both ways for those living out of town.

Teague, who has just returned from the Texas Bandmaster's meeting in San Antonio, informed his students in a letter this week that he was bringing back some new music—several arrangements having been requested by the students themselves. The new music is for both concert and marching.

In his letter the band director also told of tentative plans for a popular music concert as one of the regular fall activities with either the high school or junior high band.

The Rankin Red Devil Band, long a strong point in school activities on the local scene, are popular performers at all Rankin football games.

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

HOWSSAT—

Whatsat you say? Rankin has a pack of Indian Giving Dog Nappers at work?

Horrows! Them's the worst kind. "Quick, Henry, The Flit." (And if you're old enough to remember that one, you have no business with long hair and a plunking guitar.)

But, be that as it may. The Scoop has it on good authority that three of our leading citizens have been caught with the goods. Well, not exactly with the goods. . . . it's more like they didn't have the goods.

According to the account that was given in confidence behind locked doors, Bill Miller, Roscoe Snell and the County Judge decided to take matters into their own hands and find good homes for three "stray" dogs that had been rooming at Miller's house. They found the homes for the poochs and at about that same time, they also found that the dogs were not strays at all but highly regarded members of a local household.

The Rankin (Tex.) News— Thursday, August 10, 1967

So what happened? Well, you know the law—folks are just not permitted to go around giving away other people's pets so Miller, Snell and the County Judge made another trip—and picked up the dogs.

Tut, tut, gentlemen. You are permitted to take other peoples' worldly possessions only when we are having a riot and I don't recall that we've had one in Rankin lately so keep your cotton-picking pinchers off the pedegreed poodies. Hear now?

SO SOON—

Ready or not football season is almost upon us. It seems like only a month or so ago that we were debating the possibility of the Red Devils upsetting Sonora. Now it's here again with workouts to start Monday.

Ole Fourth and 10 had a pretty good year last season forecasting wins for the Red Devils but

Rankin isn't going
push over. In fact, we
out some surprises for
but overall, we won't
ing as last year.
same time, there's a
chance that some of
petition won't be as

tough either—particularly the Sonora team. Just shooting from the hip, I'd go so far as to say they will not win the district this time. Right now, Ozona gets the nod from this corner. Rankin ought to finish pretty well up in the standings and the most improved team may well be the Sanderson Eagles.

Anywho—now would be a good time for fans to get out in the back yard and do a little getting in shape practice themselves. Practice such choice lines as "Get 'em, Red Devils", "We

want a touchdown", and "Ref, you're blind as a bat."

Then there's always that old standby: "Wait till next year."

WORKERS—

Those who read the "Salutes" each week by Crites Funeral Home that run in the News will note that he has called attention to the custodians at Rankin Schools. I would join him in a tip of the cap to this group of men.

If you don't think they put in some pretty good licks while school is out each summer, you ought to go up there and look around sometime. There's many a foot of floor space in those buildings and each inch of it is gone over with cleaner, wax and elbow grease—to mention only one aspect of the maintenance

that goes on all the time at the schools.

I'd say they earn their money and get little enough recognition for their efforts.

IT'S DIFFERENT—

This week Rankinites can do a little spectating of a sport that's a bit different. We are in

the process of hosting a tennis tournament—for the first time.

Sponsors of the play say that entries have been received from a very wide range and some good players are no doubt on hand.

For a change of pace, why not drop by the tennis courts at the high school and give a look. You probably will enjoy the action.

PUBLIC NOTICE
Proposed CONSTITUTIONAL AMENDMENT
NUMBER THREE ON THE BALLOT

HOUSE JOINT RESOLUTION No. 17 proposing an amendment to Section 49-b, Article III of the Constitution of Texas, so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than

par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and

interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, and who, upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas, or who has resided in Texas at least five (5) years prior to the date of filing his or her application. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds hereafter issued and sold by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a 'series of bonds' being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the re-

tirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

"AGAINST the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

KILCHRIST-CORNELIUS WEDDING READ IN RANCH HOME OF BRIDE

MRS. SAMUEL B. CORNELIUS
nee Lynda Kilchrist

Miss Lynda K. Kilchrist, daughter of Mr. and Mrs. Preston Patton of McCamey, became the bride of Samuel B. Cornelius of Spokane, Washington, in the home of the bride's parents at the Patton Ranch on July 29 at

4:00 p.m., with the Rev. Bobby Phillips, pastor of the East Side Baptist Church of McCamey, officiating. The bridegroom is the son of Mr. and Mrs. H. Y. Cornelius of Spearman, Texas. The bride, given in marriage by

her father, wore an antique white silk suit with yellow accessories and a matching lace hat trimmed with yellow and carried a Bible topped with yellow daisies.

Attendants were Mrs. Pat Kelton of Post, matron of honor, and David Gallaway of Lubbock, best man. Mrs. Kelton is the aunt of the bride. Tina Patton, sister of the bride, was flower girl.

Following the wedding, the couple left on a wedding trip to El Paso enroute to Spokane, Washington, to make their new home.

The groom, a 1966 graduate of Texas Tech, Lubbock, is a 2nd Lieutenant in the Air Force and is stationed at Spokane.

Reds Put Up Fight Before Bowling in Angelo Tournament

Rankin's Reds, representing the local Hi-Junior Teenage Division in the San Angelo Tournament last week end gave a strong account of themselves but were unable to overcome a Big Spring entry that eventually won the tournament. Rankin gave the winners their hardest games and some anxious moments before going down by a total of two runs in two encounters with the Big Spring nine.

Action opened Thursday at 6:30. Rankin took a 1-0 lead in the third inning only to see the Big Springers tie it up with a squeeze play in the fourth. Again, in the 6th inning, Rankin took the lead only to have the Big Spring nine surge ahead for a final score of 3-2. Rankin had 2 runs on four hits while the opposition rapped the ball for six safties and three runs. Bearden was the Rankin pitcher with Kidd the catcher.

On Friday Rankin downed the Midland Mavericks with Ronnie Willis of Crane on the mound and Ronnie Gurley of Crane as his battery mate. The ball game was tied 0-0 for three and a half innings before Rankin pushed across one run in the bottom of the 4th and another in the bottom of the 6th.

In the third match, again against Big Spring and played on Saturday, the Howard County boys jumped out in front with three runs in the 4th inning. The Reds came back with 2 runs in the 6th and one in the 7th to tie it up at the end of regulation play. In overtime, Rankin advanced men to second and third but failed to score while Big Spring had one run cross the plate on a passed ball to take the deciding game 4-3. Rankin had eight hits while the winners tallied 5. Sharing the pitching duties for Rankin were Thurman Nolan and Ronnie Willis of Crane and Billy Bearden of Rankin. Catching duties were by Gurley of Crane and John Kidd of Rankin.

With this tournament, baseball schedules were completed for all three Rankin teams.

Rankin fans who attended the games said that the San Angelo hosts had many fine compliments for the Rankin Red team, both for their ability and sportsmanlike conduct. Angelo hosts even had good words for Rankin fans, describing them as "good sports."

First Savings & Loan Association

The purpose of this Review is to bring to the attention of the readers the business and professional men who serve our area. Review would be in without prominent men. First Savings & Loan and the part they played in making this area a progressive place in which

to live. Whether you go in to open a savings account or to obtain a loan, they can and will help you. First Savings & Loan Association in Fort Stockton has shown a rapid growth over the last few years. Their assets have grown over a quarter million dollars in the last 6 months and their total assets are now over 5 million dollars. It is easy to save with an account at the First Savings & Loan Association. It is so much easier once you get started and it is something you can so easily postpone. Saving is a good form of security for old age, for a college education for your children, for that home of your dreams, just to mention a few. So stop

in this very week and start your savings account. They have several plans here including Saving By Mail, A Payday Saving Plan, check with the folks here on the plan best suited for you. And Remember, your accounts are insured to \$15,000.00 by the Federal Savings & Loan Insurance Corporation. They are located at 612 N. Main in Fort Stockton, phone 336-2207.

AL'S CHICKEN SHACK

"C. A. Franklin—Owner"

Mr. C. A. Franklin has many years experience in the operation of fine restaurants and is therefore qualified to see that all of their customers are served the very best at all times. You will find all of the employees here to be courteous and attentive and your service will be unexcelled. Whether it is Chicken, Steak, Seafood, etc. be sure to stop in at Al's Chicken House on your next trip to Fort Stockton.

CULLIGAN WATER CONDITIONING CO.

Culligan Water Conditioning Company is located at 400 Railroad Avenue in Fort Stockton, phone 336.3682. They are your authorized sales and service for the Authentic Culligan Water Softener Systems. These may be obtained either for residential, commercial or industrial needs. They are also your dealer and distributors for the "Davis Mountain Water".

If you do not now have a water softener service or if you are in need of a new one, we would suggest you contact this firm in Fort Stockton first. Bob and Nila Luce, the owners of Culligan Water Conditioning Co., welcome your inquiries about the many services that they render to the people of this section. They would like to express at this time their appreciation for your past patronage and ask that they be allowed to continue to serve you.

Good Neighbor Review of Odessa

Kirk's School Of Beauty

Kirk's School of Beauty is located at 414 W. 10th in Odessa phone FE 2.0394. Here they provide a way to dignified employment for women, young women and men of the Permian Basin. This is one of the newest and most modern Beauty Colleges in this section. Here you receive in-

struction on all phases of beauty culture under the supervision of expert instructors. Kirk's School of Beauty is under the capable direction of Ailene Rushing, director, and Jesse D. Kirk, co-director, who have many years experience in this specialized profession.

Kirk's School of Beauty will be glad to give you full details on how you can start your Beauty Culture Course. They are members of Texas and National School Owners Associations. They offer an easy payment plan to fit your individual budget.

At Kirk's School of Beauty you

may also have your beauty needs administered to you by students under the supervision of expert instructors. Drop in for a shampoo and set and talk with them about enrolling in their school. Their graduates are employed in some of the finest beauty shops in Texas and adjoining states.

Dixie Electric Company

This firm of highly skilled electrical technicians specializes in Oilfield electrical construction and maintenance. Lease water flood and automation and carry a complete stock of Pole Line equipment and a complete line of Westinghouse equipment. Dixie Electric Company has been serving this section since 1951.

and over that period of time have fulfilled many contracts for construction companies, industrial firms, contractors, etc. Their many satisfied customers know that when they contract with Dixie Electric Co. they will get the work done when promised and it will be according to specifications.

They have the very best in workmanship and materials, so you will be wise to consult them before letting your electrical contract. They have modern radio controlled trucks. If you will call them at FE 2.5372 or FE 7-0214 in Odessa they will be glad to give you estimates or other assistance that you may need.

Or if you are in town, stop in at their establishment at 218 Williams.

Mr. H. C. Tucker and the folks at Dixie Electric Company would like to express their appreciation for your past patronage and ask that they be allowed to continue to serve you.

Odessa Paint & Fabric Supply, Inc.

Odessa Paint & Fabric Supply, Inc. is located at 207 East 8th, phone FE 2.4692. Here may be found everything under one roof for the seamstress, whether professional or home seamstress. The smart American woman saves up to two-thirds on her and her families clothing by making her own clothes. Another factor to con-

sider is the individuality you enjoy. No one else will have a garment just like yours. The folks here know the fabric business from A to Z. They merchandise with you in mind, bringing to this area all that is new in fabrics by the yard.

Odessa Paint & Supply, Inc. carry Simplicity Patterns, Complete Trimmings, Upholstery and

Drapery Fabrics. Odessa Paint and Fabric Supply, Inc. are your Dealers in this area for the MARY CARTER PAINTS. They carry one of the largest selections of paints, varnishes, paint sundries, etc. We all know that Mary Carter Paints have a fine reputation for the fine paint products that they have been furnishing to the people of Ameri-

ca for many years. And don't forget—"This is where you buy 2 and Save."

We, in this Review, would like to suggest for the finest in Paints, Varnishes, Etc., and for anything in Fabrics, be sure to stop at Odessa Paint & Fabric Supply, Inc. You are always welcome and they appreciate your patronage.

Construction Fabricators, Incorporated

Construction Fabricators, Inc. is located at Bronch and Williams in Odessa, phone FE 2-1411. This well known firm offers the people of the Permian Basin a most complete line of steel products including structural steel of all kinds, reinforced

ing steel, bar joists, steel buildings, building specialists and a complete fabrication and erection service. They also have a steel warehouse at this address.

With the great amount of oil field construction, and other construction throughout this sec-

tion which requires the use of steel and the many other services they perform, it is very essential that we have such a firm as Construction Fabricators, Inc. that we can depend upon to get the work done.

When you place your contract with this firm, they see that all

the plans are drawn up correctly, and that the erection and other work is according to your specifications. We, in this Review of Odessa, are pleased to have the Construction Fabricators, Inc. represented and to recommend them and their services to all our readers.

The Texcrete Company of Odessa

Texcrete Company of Odessa is a Division of Texas Industries, Inc. and is located at 550 Industrial Avenue (2 blocks East of 500 Block Grandview) phone FE 2-0467. They furnish contractors, construction companies, municipalities, counties and state agencies with a complete line of products including Haydite Block, Holiday Hill Stone, Canon Brick, Masonry Cement, Exposed Aggregate Panels, Highway Girders, Prestressed Structural Members, etc. Their products meet the specifications of architects and builders throughout this part of the state, and are in great demand by all in the trade who

have used them.

Texcrete Company of Odessa has installed the latest in modern equipment. They will gladly furnish you with ideas and give you cost estimates upon the materials needed in your plans. We are pleased to compliment Texcrete of Odessa on the progressive policy they have followed in the company management of stepping up business ahead of the times, thus earning a reputation for being go-getters. For any of the above mentioned services or products, be sure to contact Texcrete Company of Odessa FIRST.

Leek Fire & Safety Equipment, Inc.

Leek Fire & Safety Equipment, Inc., located at 2007 Kermit Hwy. in Odessa—phone FE 2-4961—is your authorized sales and service for the FYR-FYTER FIRE EXTINGUISHERS. 4.H HORSE SHOW—

4.H Club members, some 240 from every section of Texas, and

their horses will get the spotlight in Odessa from August 10-12. The occasion is the annual State 4.H Horse Show.

The show is to be held in the Ector County Coliseum and is sponsored by the Odessa Chamber of Commerce and is a project of the Texas 4-H Youth Development Foundation.

Registration will begin at noon on August 10. Judging of halter classes will get underway Friday morning to be followed by performance elimination classes. The class finals will be judged Saturday evening.

The top awards of the show will go to the champion and reserve champion 4.H horsemen and are based upon the total

CARD OF THANKS

I'D LIKE TO thank everyone who helped out with the Go, Team baseball club this season. It was a lot of work but it was a lot of fun, too. All help was appreciated.

L. Z. Titsworth, Coach, Rankin Go Team

number of points earned by the winners in all events. First, second and third place awards will go to the three high Extension districts and to the three high scoring counties of the state.

In addition, sportsmanship awards will go to a boy and girl selected by the show contestants.

Competition in the state event is limited to the top 20 contestants from each of the 12 Extension Service districts in Texas and each, therefore, has won honors in county and district shows.

Mosquitoes are a problem in many parts of the state and affect most everyone one way or another. They are a nuisance both to man and animal and some species transmit diseases such as malaria and yellow fever to men, encephalitis to man and horses and heartworms to dogs.

Mosquitoes breed from spring through to the fall months. Eggs are laid on water or in places that later become flooded, depending upon the species.

Home owners should take every precaution to prevent mosquito breeding on their premises by eliminating standing water.

Common problem areas include dripping outdoor faucets and leaky pipes, puddles resulting by evaporative cooler drainage and tin cans or other containers which may trap and hold even small quantities of water.

Proper use of insecticides around the home can be a big aid in mosquito control.

Good water management practices in irrigated sections of the state will also aid in controlling mosquitoes. Shallow, stagnant, standing water with debris or floating vegetation makes an extremely favorable area for mosquito breeding.

Persons interested in additional information on mosquito control should contact by office for a copy of L-625.

HINTS for the HOME MAKER

By Mrs. Louie S. Jeffers, County Home Demo.

WINNER IN DISTRICT DRESS REVUE

Sheryl Eggemeyer, 13 year old daughter of Mr. and Mrs. F. G. Eggemeyer of the Midkiff community placed in the top blue ribbon class at the District 6 4.H Dress Revue. The revue was in Fort Stockton on August 1.

Mrs. Gene Braden, Sheryl's clothing leader, accompanied her to the review. A member of the Midkiff 4.H Club, Miss Eggemeyer has had a clothing project for two years.

She placed first in the Upton County Dress Revue in July to be eligible to go to District.

She made a collarless A-line, short bell sleeved shift. She selected 100 percent cotton broadcloth, blue flowered print that is machine washable, crease resistant with little or no ironing. Covered buttons were used as trim with each button repeating the blue print in her dress.

She scored 24 points on her record with records counting for 25 points. The girl and her costume are scored on bases of 100 points.

SUCKER ADVERTISING—

If you've been buying the "extra big pound" or the "giant sized quart," you may have been falling for a clever advertising gimmick.

Since July 1, however, no adjectives which mislead the con-

sumer may be used. The Fair Packaging and Labeling Act, passed by Congress in 1962, is ready to be enforced.

Here are some of the provisions of the new law which says "one pound cans," must also say "one pound."

The number of items in a package must be prominently displayed to read and stated in terms.

When a package serves four, its label must show the weight of each serving. This information, to the Food and Drug Administration, will enable it to determine if she bought for her family.

"Bargain price" will be regulated to make a manufacturer's products sell off only if he is offering a price lower than the retail price. In other words, many "cents off" tags.

Some of the new regulations showing up in our labels as you shop.

a runner-up slot in the McCamey Father-Son tournament last week end. Others from Rankin who entered included Charlie and B. W. Hale.

Participating states were South Dakota, North Dakota, Montana, Wyoming and Nebraska.

WE SALUTE

The Custodian Staff

Every so often we like to take a moment of your time to remind readers that it takes a lot of work by some dedicated people each summer to get Rankin classrooms ready for the opening of school each fall. The custodians work year-around and contribute much to the welfare of the children. We salute them.

CRITES FUNERAL HOME

COLLECT CALLS ACCEPTED

McCamey—652-8601

Crane—JO 4-3543

Golfers are again reminded to turn in their names to Mr. Collins for the ABC tournament to be played on the local links on August 27. Play is to get underway at 1:00 p.m. and will be followed by an ice cream supper at the club for members and invited guests.

Two teams tried out the ABC play one day last week and for six holes, the team of Nicholson, Day and Hutchens was three under par while the team of Brown, Hale, and Poteet turned the last six two under. From all appearances, there's considerable sport to be had in the somewhat radical type of play in which all three golfers play the best shot between them for a low ball score.

Several new golfers are in the process of learning the game. It would be a good time for beginners who have been thinking about starting to get the feel of the sticks. Finding someone to "give lessons" is no problem.

Hardeman to Chair State Committee

HORSEY B. HARDEMAN
... committee head

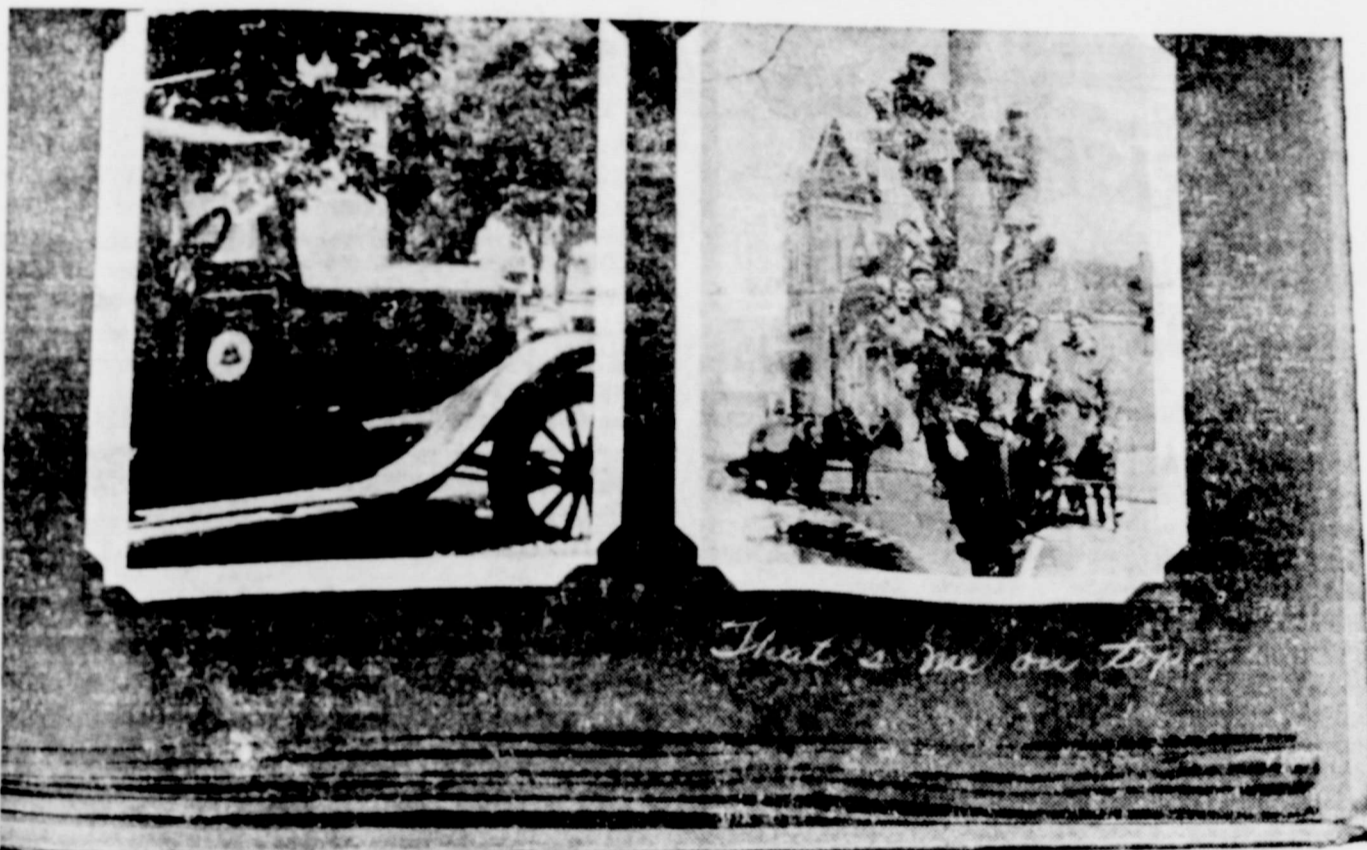

AUSTIN—Lt. Governor Preston Smith today named Senator Dorsey B. Hardeman to head the important Senate General Investigating Committee. Hardeman is State Senator of the 25th Senatorial District which includes all of Upton County in addition to twenty other counties in West Texas. He has been a member of the Senate since 1947 and is currently chairman of the Senate's powerful State Affairs Committee and is vice chairman of the equally important Finance Committee. He is a member of 10 other Senate standing committees.

The five-member General Investigating Committee is charged with the duty of inquiring into affairs and activities of governmental departments and investigating law violations. The committee is to report to the 61st Legislature when it convenes in 1969.

Delbert Bullard has worked with Southwestern Bell for 39 years

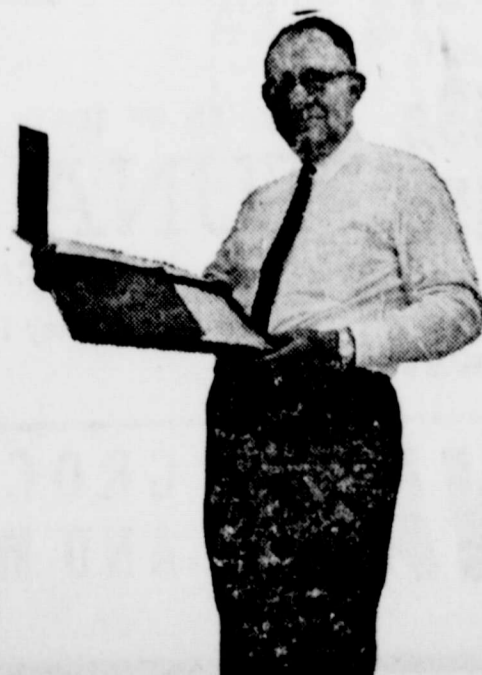

He's seen a lot of changes in telephone service

"They've definitely been for the better," says Mr. Bullard, chief deskman at Longview, Texas. "It hasn't been too many years ago that we were out setting poles with ropes and mules. Then we'd get one of those wet, heavy snows and we'd have to set them all over again. Now our equipment is as good as you'll find anywhere. And snowstorms don't bother buried cable and microwave towers.

"Customers get better service now—it's more reliable and costs less, too. When I started work, it was difficult to even recognize a voice on a Long Distance call. Now it's like talking across the room."

"What about the changes coming in the next 39 years?" "I'm not sure," Mr. Bullard says. "We've got Picturephone and the laser coming in a few years. Where do you go from there? I guess the sky's the limit."

Whatever comes along will come because of people like, Mr. Bullard. He and 26,000 other Southwestern Bell people in Texas have one thing in common. They're working to make your telephone service better than ever.
