In Summer Program

A group of boys pictured a part of the more than 100 boys currently registered in the summer recreation program at Rankin Schools. The boys are working out at the pole on Knobb Hill. The program is under the direction of Bill Beasley, assisted by Mitchell. All participants are at their own chosen expense and are divided into classes for Junior High and High School students. Activities planned are track meets. Last week-

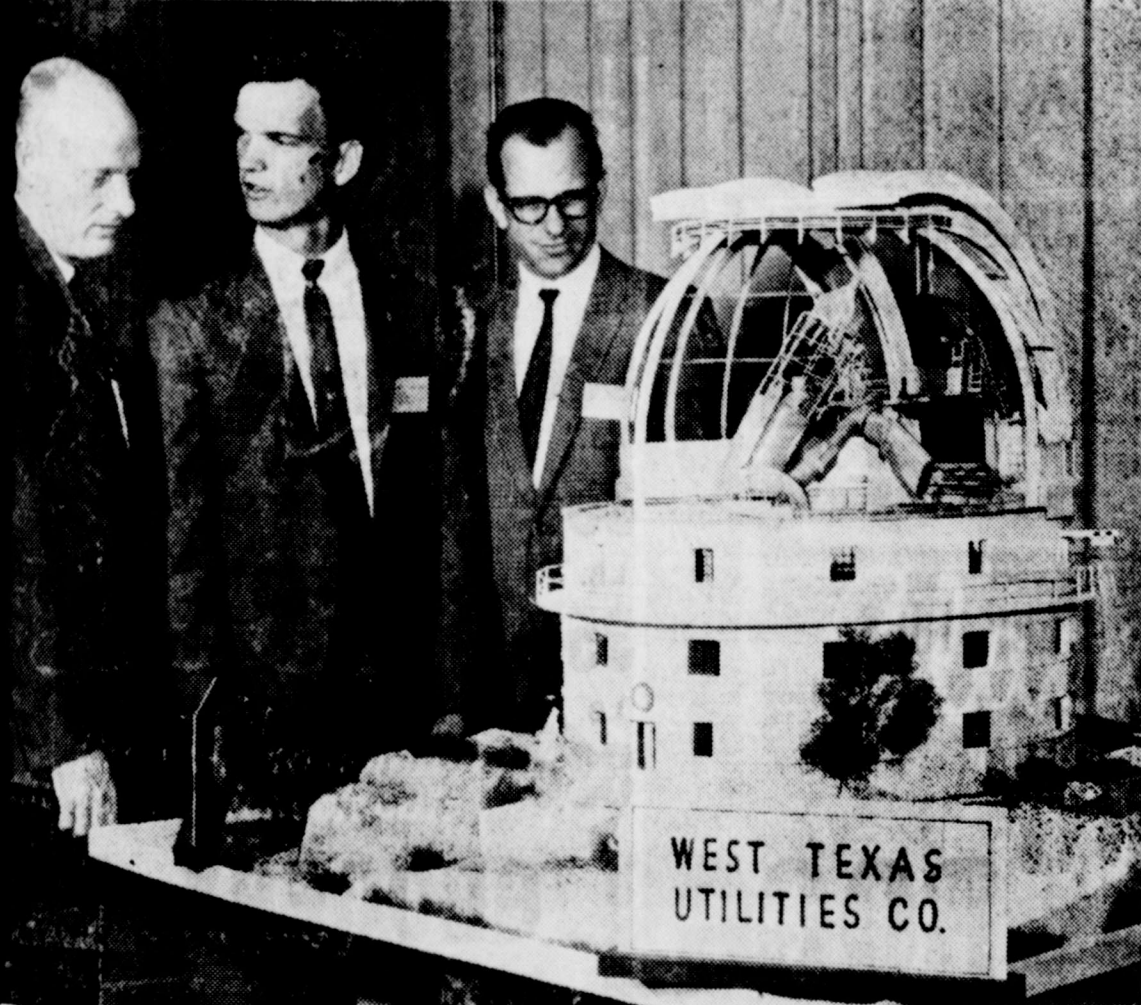

end, the Rankin group went to Andrews and were in the finals in a number of events when the meet was rained out.

"We've got a pretty good program going and the kids are enjoying themselves," said Beasley. "We'd like to see more taking part and want everyone to know that they are welcome to register," he concluded.

Up from 36% Figure Used Last Year --

School Sets Values at 40% to Meet Proposed Budget

Equalization Board notices to local property owners who had rendered their property to the school tax assessor were put in the mails last Friday. They reflected an increase in valuation on school tax property of some 4 percent—up from the 36 percent used last year.

The school tax office has emphasized that such notices do not constitute a notice of tax increase due to an increase in the market value of the property, but only because the school budget requires an assessment on the basis of 40 percent of market value rather than 36 percent which has been used for several years.

The increased figure was due primarily to the fact that the district lost substantial values in oils during the last year. In addition, the 1968-69 budget reflects the trend of rising costs in public education that has been established in Texas over the past number of years. This in-

crease works out at approximately 3 percent a year. In the case of the 1968-69 Rankin budget, it does not include any increases in base salary scales paid by the school.

The rate will be \$1.50 per \$100 value and along with the 40 percent valuation figure, is slightly changed from those adopted earlier. The final results constitute an agreement made with the representatives of major tax payers after a highly satisfactory meeting held on the evening of June 5.

"Barring unforeseen reductions in values, it appears that figures adopted will yield taxes sufficient to the needs of the school for a time longer than the immediate future," said Pete Bateman, superintendent of schools.

An example of how the new values will work, a property with a \$3600 value under the new system, will sustain only a \$3.45 increase in the total tax paid.

During the past month, the Rankin School system suffered a net loss of one teacher when the Board of Education, in its June meeting, accepted the resignation of two teachers and employed one. Resignations were read from Mr. Brian Edmiston, Junior High science instructor, and Miss Kay (Continued to Page 7)

Swim Class Open at Rankin Pool June 17

Registration will open at 10:00 a.m. Monday, June 17 for the summer swimming instruction classes at Rankin Pool. There is no charge for instruction which is under the direction of the Rankin Youth Council.

Instructors this year will be Misses Linda James and Betty Rankin. Classes are open to both boys and girls who will be eligible to attend school next September or who is already enrolled.

PARADE IS SATURDAY --

Vacation Bible School Opens Monday at Baptist Church

Vacation Bible School at the First Baptist Church has been scheduled for June 17 through 21. All area children between the ages of 3 to 12 have been invited to participate.

Preparation day will be Saturday, June 15. Registration is to be between 9 and 11:00 a.m. at the church. At 10:00 a.m., a parade is to be held.

Vacation Bible School will begin at 8:30 a.m., Monday and each day thereafter, and will dismiss at 11:00 a.m.

Mrs. Connie Behringer is to be the principal for the school and will be assisted by department

superintendents and other workers.

"As we have in the past, we again want to emphasize that our Vacation Bible School is for all children in this area," said Rev. R. L. Shannon, pastor.

"Their parents need not be members of our church—or of any church for that matter," he stated.

A nursery will be in operation throughout the school and refreshments will be served each day. At the end of the school, a "commencement" program will be held at the church on Friday night.

THE SHOOTING—

Bobby Kennedy is dead—assassinated.

I have been asked, "Now aren't you sorry for some of the things you said about Bobby?"

The answer is "No". While he lived, Bobby represented a political philosophy with which I can never agree—chiefly, that a Kennedy is born to hold high public office—and when our public officials reach a point where they are above criticism, then we have, certainly, lost the right to call ourselves a Democracy.

I regret that he was shot—that he is no longer able to speak out for those he lead. He represented the political thinking of a large segment of our people and they and their ideas need to be heard, if for no other reason than to be opposed by those of us who are more prone to conservatism.

I regret that Bobby died and I regret that 25,000 Americans have died in Viet Nam — that more die there each hour but I do not believe we ought to back off from the Communist. Neither do I believe we must all now

join ranks with the liberal elements in our politics simply because their leader has been shot.

Nor do I believe that those who say we are guilty as a nation are right. The first assassination occurred when Cain killed his own brother, Abel. And a dirty deed it must have been considering that he caught him out in the field and beat him to death with a club or stone since more sophisticated weapons had not been invented at that time.

Incidentally, shortly after that event, I expect that the elders of the tribes got together and passed a law requiring all peoples to register their clubs and handstones that weighed more than

... tell us that there will

be more of the same in the U. S.—that the trend has not yet run its course.

There is much talk of a sick society, of a lowering of moral standards, of a disrespect for law and order. Hogwash.

This society is no sicker than any other that has inhabited the earth. Killings—either in single instances or by wars, have always been with us and always will be. And as for moral degeneration, our very Puritan forefathers did not think it was much of a sin to shoot a few Indians and in later years, open season was declared on Red Coats.

As for respect for law and order, it is probably at an all-time high among the average citizen. And at an all-time low in enforcement among our public office holders. The laws are there—they only need enforcing.

In fact, had Robert Kennedy with his considerable influence among those most prone to make their own laws, spoken out a bit more forcefully against disorders, he might well have contrived a great deal toward peace in the nation. But for the sake of being on the winning side, he chose not to do so. In fact, his efforts to win favor among the Jewish voters may have led directly to his death at the hands of an Arab nationalist.

So what do we do—now that it is no longer safe for political office seekers to walk freely in the land?

Well, for one thing, let's try the dad-blamed gun control bit. It seems like a silly thing to me but we ought to do something and those of us who own guns in good faith—with no intention of drygulching somebody—ought to be able to live with the thing.

For another, and it makes a lot more sense, we can cut out this circus act that we call a political campaign. Why in the world is it necessary for candidates to go about the country putting on side shows in quest of votes? Perhaps, in days past, there was such a need but with present day newspapers, magazines, television and radio, every voter can inform himself—right down to the length of the toenails—of every candidate seeking an office.

The carnival bit simply is not necessary. After all, I have lived for 45 years without ever seeing a governor or president in person and I believe I'm no worse off from the fact.

The killing of John Kennedy in Dallas was needless. In the first place, he should not have been put into the position of

Fishing Looks Good form Start at New Amistad Reservoir

Del Rio—studies by fisheries biologists of the Texas Parks and Wildlife Department show that two lakes in southwest Texas, Devil's Lake and Walk, have at least 23 species of freshwater fish, with at least half of them interesting to anglers.

Both lakes will eventually be

being exposed to every loose nut in the town. In the second place, our government officials are not royalty—we do not owe them homage nor are they bound in any sense to present themselves to us to satisfy our curiosity.

It's time we added a little dignity to public office—especially that of President—and quit making a carnival out of the political races and side-show freaks out of the office holders.

With just a little restraint along these lines, we might be able to keep the next President or senator alive long enough to serve out his term.

flooded by the water of Amistad Reservoir which will sprawl over thousands of acres of Texas and Mexico.

Biologists are optimistic that fish now found in the Amistad area will supply anglers with an immediate catchable population of fish, and as new fry and fingerlings are stocked from the State fish hatcheries, the population will grow increasingly interesting.

Already in the waters are such common species as drum, crappie, large-mouth bass, white bass, channel and flathead catfish, and several types of sunfish. A wide variety of forage fish supply considerable food for game fish.

There is much local anticipation about fishing conditions and the number of anglers who will visit the huge reservoir now that the gates are closed.

Eight Teams in Play at Sunday Tourney

Eight teams jostled in the partnership tournament held last Sunday afternoon at Rankin Golf Club. Men played, using their handicaps, while the women teed the ball at the 150-yard markers and played the course as a par-three.

In the regular scorekeeping the team of J. B. Hutchens and Genevieve Titsworth posted 37-36 and 34-34 for a 141 total to lead the field. In at second was the Ray Boggs-Oma Lowery two

some at a 162 total, followed by E. M. Sullivan and Katie Hutchens at 163. Red Weatherbee and Edith James had 168 for fourth.

Following the regulation 18 holes, a blind-boggy drawing was held with some teams getting to subtract strokes from their score and others adding a few. The leaders were fortunate enough to draw a 10-stroke penalty but still finished ahead of the field with a 141.

Second went to Sullivan and Hutchens at 156 and third and fourth was shared by Boggs and Lowery and Weatherbee and James at 158.

Other entries were L. Z. Titsworth and Christine Day; Dunn etc.

To the Good People of Rankin:

First, I want to apologize to you people for the way we have operated our Texaco Station in Rankin. I say "our station" . . . well, I feel like the station belongs to you people. Without our good Friends and Customers of Rankin, it would be impossible for us to keep the station.

I want each of you to know how much we appreciate your business and friendship-- also, I would like for you to know that if at any time I can be of help to you, my phone number is 652-311. Call me.

I will operate the station with the help of some mighty good boys in Rankin and that makes it a lot easier for Mrs. Grigsby and myself to go along with Texaco, Inc. in keeping the station . . . which I feel is a little help to the City of Rankin.

Billy Wayne Hale will be Manager of the station and had it not been for Billy, I would have thought a long time before going into business. With Billy's help and the help from you people, I will be able to keep the station open and I'm sure Billy will be able to go back to college this fall.

If you need something that Billy does not have at the station, ask him to call us--or you call us collect. We will get it for you.

Thanks again for the favors and friendship we have enjoyed from you people, and particularly do we want to thank Sheriff Gene Echols for his close watch on our business in Rankin as well as McCamey.

Thanks a million,
You are our friends and we are yours

Mr. and Mrs. Joe Loftin are New Rankin OES Officers

Rankin Chapter No. 176, Order of the Eastern Star, held an open installation of officers last Friday, June 7, at 7:45 p.m. in the Masonic Hall. The Bible was presented at the altar by Richard Loftin and Bill Lindsey presented the square and compass.

The flags were advanced to the Worthy Matron's station by Chris Mathews and Daymond Lindsey.

The five emblems of the Eastern Star were presented to the various points by Sheryl Loftin, sword and veil; Sharon McAllister, sheath; Judy Loftin, crown and scepter; Tony Mothews, the broken column; and Nisa Hurst, the cup.

R. L. Bell, Worthy Patron, opened the meeting and the retiring officers entered. The Bible was opened and the audience participated in reciting the Lords Prayer, followed by the pledge to the flag.

Worthy Matron Ned Malone introduced the installing officer, Blanch West of Eldorado. Mrs.

West, in turn, introduced her assistants Palmer West, installing marshal; Mavis Shannon, installing chaplain; Nan Daugherty, installing organist; and Floral Shaw, installing secretary.

After the installation of the new officers was completed, Mrs. West presented the star-point officers with flower arrangements appropriate to their respective stations. The Bible was closed and the audience participated in the Mizpah benediction.

The new Worthy Matron and Worthy Patron, Ruth and Joe Loftin, gave greetings to the members and visitors. Ruth Loftin presented her installing officers with gifts of appreciation.

After the officers marched out, the flags were retired by Chris Mathews and Daymond Lindsey.

The chapter room was decorated with pink carnations. A social followed in the foyer, hosted by Martha Word, Rosemary Mathews and Ruth Loftin. Individual cakes, decorated with pink carnations, were served

with mints, nuts, coffee and punch. The punch was enticed with a frozen fruit cocktail ring in the center.

With the foyer decorated with assorted flowers, the table centerpiece was a silver cup, centered on a circular mirror surrounded by pink carnations and greenery. Flanking this was a blue and star emblem. Serving on the decorating committee were Doree McAllister and Janey Lindsey.

Negro Groups to Sing in McCamey

Two groups of Negro spiritual singers, numbering thirteen voices, are to perform Friday, June 14 in the McCamey Park Building under the sponsorship of McCamey Negro Baptist Church and the McCamey Baptist Spanish Mission.

Billed as "The True Light Spiritual Singers", the groups are from Midland. Admission will be 75-cents for adults, 50-cents for students and children under 12 will be admitted free.

A percentage of the proceeds are to go to the above named churches.

CHEESE TIPS—

In selecting cheese, flavor may be the deciding factor. But consider the way you plan to use it.

Successful cheese cookery depends on brief heating at a low temperature. High temperatures and too-long cooking will make cheese tough and stringy and cause the fat to separate out. Some of the flavor is lost, too.

Cut the cheese in small pieces so it will blend more readily with other ingredients and melt more quickly.

One-half pound of cheese will yield about 2 cups of shredded cheese.

Soft, well-aged Cheddar melts and blends with other ingredients more readily than less ripened cheese, and less of it is needed because of its pronounced flavor.

Process cheese with a milder flavor also melts and blends readily.

Melt cheese in a top of a double boiler over simmering water or add it to a hot mixture. When making cheese sauce, stir in the shredded cheese after the white sauce is completely cooked and heat only enough to melt the cheese.

When making a cheese omelet, add the shredded cheese after the omelet is cooked just before folding.

Casserole dishes containing cheese should be baked at low to moderate temperatures. To prevent cheese toppings from toughening or hardening during baking, cover them with crumbs or add the cheese just a few minutes before removing the food from the oven.

Keep It Beautiful

If America hired people for the job, it would take the largest sort of army to keep our country free of litter.

But there's no need to hire anyone. It's a job we can do for ourselves. All of us. Every family that spreads a picnic lunch. Every boatman who cruises the lakes and waterways. Every motorist who uses our roads and highways.

It is the pleasure of the U. S. Brewers Association each year to give its fullest support to the Keep America Beautiful Campaign. Remember: Every Litter Bit Hurts. This is our land. Let's treat it right.

Two from RHS at Nuclear Symposium for Past Four Days

Twenty-two students and teachers from the area served by West Texas Utilities Company attended the Eighth Annual Nuclear Science Symposium at the University of Texas in Austin. The conference began Tuesday, June 4 and ended Friday, June 7.

The Symposium was jointly sponsored by the Texas Atomic Energy Research Foundation and the University of Texas. West Texas Utilities is one of the sponsoring companies for TAERF.

Some 500 selected high school science students and teachers who attended the session enjoyed the rare opportunity of hearing lectures by some of the nation's outstanding nuclear scientists.

Owens-Burns Vows Exchanged Saturday

The marriage of Mrs. Lurline Owens of Rankin and Bill Burns of Prattville, Alabama was solemnized at 10 a.m., Saturday, June 8 in the home of the bride's parents, Mr. and Mrs. R. L. Bell. Rev. R. L. Shannon, pastor of the First Baptist Church, officiated.

Large baskets of white gladiolus and pink carnations formed the background for the ceremony. The bride wore a pink silk coat dress in street length style with lace sleeves and matching pink accessories.

Nancy Mins of Midland, niece of the bride, was the soloist. Playing traditional selections was Mrs. Bob Bell of Snyder, sister-in-law of the bride.

A reception was held immediately following the ceremony. The bride's table was covered with a white net over pink sa-

tin cloth and was centered with pink carnations and white gladiolus.

Serving in the house party were Mrs. Bill Priddy of Houston, Mrs. Bobby McCallister of Brownfield and Janis Owens of Rankin, all daughters of the bride.

The couple will make their home in Prattville.

Cards Gain in Lead for Little League Championship Race

Results in Little League saw the Cardinals take a one and a half game lead over their closest rivals, the Yankees, with only five regular games remaining. Make-up games will be played only if necessary to determine the winner of the League.

Last Thursday, the Cards put down the Yanks 9-0 while the Dodgers were getting past the Giants 7-1. On Monday night, it was the Yankees 9 and 5 for the Giants while the Dodgers lost to the Cards by a 7-1 mark.

Thursday, the Giants and the Yankees have a go and the Cardinals and Dodgers are back at it. Next Monday, the Dodgers go against the Yanks and the Cardinals try the Giants.
