## Stiff Competition Expected in Jal Meet --

# Rankin Going for Fifth Track Title

Still working at reduced strength—to the point of using some of their freshmen—the Rankin Red Devils still made a shambles of the Division I portion of the West Texas Relays, held last week-end in Odessa. It was their fourth win in as many starts; none, however, by quite as lopsided a margin.

points, set several new records and had as their closet competition, O'Donnell with 65 points. Borden County posted 59; Wink, 58; Lubbock Cooper, 54; and Tatum, N. M., 38.

Rankin took 1st in the 120-yard high hurdles, the 440 relay, the mile relay, the 880 run, the 100-yard dash, the 220, and the dis-

## J. B. Pettit, Jr. has Statement to

J. B. Pettit, Jr., currently serving as Mayor of Rankin and who is seeking re-election, this week gave the following release to the News:

"Due to numerous requests for a statement to the press from my friends and supporters for the office of Mayor, it seems necessary for me to make a brief statement.

"I am offering my services as Mayor as I have done in the past. If the majority of voters see fit to re-elect me to office, I will appreciate it very much and will continue to serve, as I have in the past.

"If you do not see fit to return me to office there will be no ill or hard feelings toward anyone as I am enjoying the pleasures of this world so much and thanking Him for permitting me to live in it today."

## Mary Pierce Plans to Retire April 1

Mrs. Mary Pierce, long-time resident of Rankin and operator of the Troy Laundry Sub-Station in Rankin for the past ten years, has announced that she will retire and close her operations as of April 1. She is no longer accepting items for cleaning and requests that everyone having clothing at her place, pick it up no later than April 1.

"I appreciate very much the patronage of my customers over the years," Mrs. Pierce stated, "however, due to my health, I have decided to retire."

"Your further cooperation in picking up your cleaning, thus enabling me to close by April 1, will help me a lot," she said.

Thus far, the Troy Laundry has not found anyone to replace Mrs. Pierce as their local agent.

## Tom Craddick asks for Re-Election as State Representative

Midland Republican State Representative Tom Craddick filed today for re-election to the Texas House of Representatives. Through legislative redistricting during the last session the 68th district now consists of the four counties: Glasscock, Midland, Reagan and Upton Counties. Craddick has been elected twice to represent the 70th district which consisted of just Midland County.

Craddick stated that money and taxes would be the main issues in the next legislature. He feels that unless we hold the line on state spending this next year the state will be faced with a Personal and Corporate Income Tax. He said that he has opposed a Personal and Corporate Income Tax in the past and will continue to do so in the next session if re-elected.

Craddick, a member of a reform group known as the "Dirty Thirty" during the last session,

### Statement on Race

Phillip West, candidate for Mayor of Rankin in the upcoming City elections, this week issued the following statement:

"Employed by Union Texas Petroleum, my family and I have lived in Rankin for the past five years. I have served one one-year term as Alderman on the Rankin City Council and one two-year term.

"My family consists of my wife and two daughters. I am a member of the Rankin First Baptist Church, the Masonic Lodge and the Odd Fellow Lodge.

"I may or may not be the man for the job of Mayor, but this I do promise: to try as hard as I can to make a good Mayor and to represent all the people of the city. Your support will be most appreciated."

## THIS WEEK

In their effort to make it five wins in a row, the Red Devils are to be in Jal, New Mexico Saturday. In this affair, they will be in competition with schools that would be rated as AA in Texas.

Strongest competition may be from the host Jal Panthers. Although Rankin and Jal have not met thus far in the season, Jal was bested last week in Alpine by Ozona, a team Rankin edged in their opener in Fort Stockton.

RHS Girls Track Team will be in Wink, also on Saturday.

## THE BIG RED—

For the third week in a row the Red Devils have won big — by over 100 points—in area track meets. Last Saturday in Odessa, they made a shambles of the affair — even to the point that some fans thought a misprint had been made in the first reports of their win. You just don't score 204 points in a track meet. The Red Devils did, and did it short-handed as they have on other occasions.

So ole Rankin has got lucky and turned up with an exceptional batch of track men, you say. Not necessarily. True, the number one ingredient in any team has to be the people on the team and the present crop of Red Devil trackmen are about as good as they come in such things at attitude, effort and desire. In talent, I'd say they are good but not exceptional.

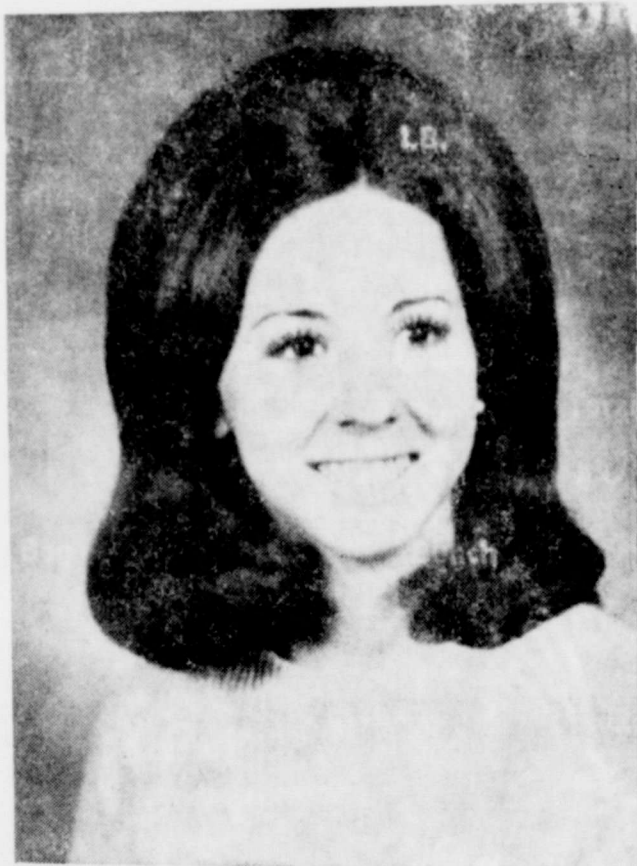

The Rankin (Tex.) News — Thursday, March 23, 1972

So why four big wins in a row? Well, for one thing—as mentioned above—is the boys involved. Perhaps equally as important when taken together are several other items. Rankin has had, for several years now, a good track program that starts down in junior

take this one, too; but not by any 100 point margin. This one is going to be a real toughie and may be decided not on how many Rankin can put in first or second but by points they pick up with their depth. It will be a most interesting track meet for Rankin and their supporters.

**DEADLINES AND STUFF—**

Although the powers that be have all but done away with deadlines on such things as voter registration, they have not removed in the least certain others, notably those related to tax payments. One of these, auto registration, comes April 1 and it is a good bet that you will not be forgiven if you're caught driving around with '71 tags after that date.

Better get yours right away for it gets pretty crowded the last day or two at the tag counter.

Still another important date to remember is next Tuesday. That is the last day you can vote an absentee ballot in the school, city or hospital election. If you are planning an Easter jaunt, it behoves you to vote absentee for with school out on Thursday, a

lot of us will be scattering and will not be on hand election day, Saturday, April 1.

Remember, if you don't vote, you give up your right to bitch about the way things are run after the election.

And then there's one other good ole deadline— April 15. Actually, since the 15th is a Saturday, followed— naturally — by a Sunday, you have until the 17th. I think. Now you may or may not know what is significant about December 25, but, Buddy, you'd better know about April 15. That's the day you come bearing gifts and no five and dime items are acceptable. You gotta give 'till it hurts.

That's providing, of course, you don't have an income of over \$50 thou a year, in which case your chances of having to pay any tax at all are said to be pretty good. The meek may well inherit the earth, but before they do, a lot of us Peons are going to have to pay for it.

**WANT AD—**

Wanted: a new official weather forecaster for The Rankin News. Previous holder of this job was last seen headed for Alpine and repeating a promise to himself to never forecast rain again for the 15th and 16th of March.

**NATURALLY—**

One kid from Texas got all the day to the national spelling bee finals and then lost the prize. He couldn't spell "small".

**SHOOK UP—**

If you want to talk to a batch of folk who are little shook, try almost any local stockman on the question of the new predatory animal control laws — particularly the bit on coyotes. Under the

new regulations, about all that can be done to a coyote is to capture him—gently, read him his rights, spank his britches for killing sheep, and let him go.

"There won't be any sheep in Upton County within five years if the new laws are enforced," said one man closely connected with the sheep business.

"I'm going to quit ranching and

go into the business of bootlegging strychnine," said another.

And so it goes. It seems at this point that the nature lovers—and who doesn't love nature, within reason, have won the day and the return of the coyote packs that not only play havoc with sheep but just about every type of infant livestock, domestic and wild-life, are on the return.

Distribution to Start on April 1 --

## "Fallout" Kits for Upton Residents

County Judge Allen Moore, Mayor B. A. Epley of McCamey and J. B. Pettit, Jr, Mayor of Rankin, announced jointly today that Upton County residents will soon be able to obtain copies of a Community Shelter Plan advising them what to do in case a nuclear attack on the United States should ever occur. They stated that public information packets containing the information developed in the Upton County Community Shelter Plan have been received by the County Judge's office and may be obtained by going to the City Hall at either McCamey or Rankin. There is no charge for the packets.

Distribution of the packets will begin April 1, 1972, at each of the above locations. Because of the importance of this material, they expressed the hope that every

family would take advantage of this opportunity to secure a copy of the plan.

"The information developed in this plan could save the lives of thousands of persons in the event of an attack. This information has been the result of careful analysis and professional planning. I hope the people of Upton County will read the information carefully and retain it for future reference," Judge Moore said.

The primary danger to residents of Upton County resulting from a nuclear attack on this country would be from radioactive particles settling over the country after having been carried by high altitude wind currents. These radioactive particles emit radiation which can penetrate the average building and cause serious illness or death to the occupants. A nor-

mal home would offer little or no protection from this type of radiation unless the residents knew how to increase the protection offered by that structure. Because this type of radiation decays or weakens with time, it is possible for persons who are protected from the early intense radiation to survive with little or no ill effects. The goal of this Community Shelter Plan is to assure that everyone in Upton County would have this type of protection if an attack ever occurred.

The latest survey conducted by the Army Corps of Engineers at the request of local officials revealed that the only buildings suitable for use as public fallout shelters in the country are the County Courthouse and the Rankin Junior High School in Rankin. Residents of Rankin can be sheltered in these two facilities. All

other persons in Upton County can be sheltered in the Midland Savings Building in Midland.

Judge Moore explained that although fallout shelter can often be included in the design of new buildings at little or no extra cost, unless and until such future shelter space becomes available, many county residents will have to take shelter in Midland or seek the best protection they can find in their own homes.

Judge Moore, Mayor Epley and Mayor Pettit, joined by other city and county officials, urge all citizens to obtain a copy of this handbook and to read and save it so that they will be prepared if a nuclear disaster should ever occur.

Detailed suggestions for improving the protection offered at home will be included in the official publication, "In Time of Emergency," a citizen's handbook on nuclear attack and natural disasters. This handbook is a major item included in the packet to be distributed. The other item included in the public information packet is a plan showing the lo-

## Rankinite is Delegate to International Meet

Roy Dirickson will be one of the six members of the Legion Ritual Staff to represent the State of Texas in the International Ritual Competition at Kentspoint, Tennessee on March 24. The team represents the Odessa Loyal Order of Moose Lodge.

The state competition, held in February, was a victory of large proportions for the Odessa team. Dirickson won one of the three first place individual awards taken by Odessa.

Main duty of the Ritual Staff is to install new members and help them become aware of the goals, aims and responsibilities of the Order. The group will leave Odessa, Wednesday, driving to the Tennessee city. They will return Sunday.

A second round of state competition in which the Ritual Staff is to compete will be held in April in San Antonio. Winners there will go to Florida later in the year for another International affair.

## Court Lets Two Bids in Monday Meeting

Meeting in a short special session last Monday, March 20, the Upton Commissioners Court voted to accept two bids.

On motion by Commissioner Fletcher, seconded by Commissioner LaQuey, the bid of the Carl Sewell Motor Company in the amount of \$2,414.17 was accepted for the purchase of a new 1972 half ton pick up. The bid included a trade-in.

On a motion by Commissioner Wheeler, seconded by Commissioner Workman, the Court voted to accept the bid of Hubbard Olds, Cadillac Company in the amount of \$3,128, including a trade-in, for the purchase of a 1972 Olds Delta Town Sedan for the Sheriff's office.

The court then recessed until 10 a.m., March 27.

ness to come before the committee was the drawing for places on the upcoming May 6 Primary Election ballot. First to be drawn was the Commissioner's Race in Precinct 1, with the following order resulting:

H Wheeler  
Bob Whisman  
Shank Bloxom  
C. G. Taylor  
Hazel Yocham  
Doc Adams

The next drawing was for Commissioner in Precinct 3. With only two running, B. A. Epley was drawn for the top spot, followed by the incumbent, Kenneth LaQuey.

S. O. Langford was drawn at the top position in the two-man race for Sheriff, Tax Assessor-Collector, Pete Bearden is the other candidate in the race.

For District Attorney, 83rd Judicial District, Aubrey Edwards is to head the ballot in Upton County with Alex R. Gonzalez, to follow. Charles Prock was drawn to the poll position in the D. A. race in the 112th District, followed by the incumbent, Dixon Mahon. In district races, each county draws their own order, thus it is possible for the order in these two races to change from county to county.

Among the matters that followed the ballot drawings was the designation of time and places for the Precinct conventions and the County convention. All Precinct conventions are to be held at 7:30 p.m., Saturday, May 6 — date of the election. The County convention will follow one week later, to be held at 2:30 p.m. in the District Courtroom, Upton County

## School Board has Routine Session

In their regular meeting, held Tuesday, March 14, the Rankin School Board attended mostly to routine matters, meeting with Mr. Jack Brown, representative of E. K. Dunbar Co., on matters relating to the sale of school bonds.

Contracts were extended to all present teaching personnel with two exceptions.

The Board agreed to meet at a later date to work out final plans on renovations proposed to school facilities. Among these is the air conditioning of buildings with two methods currently being considered, one being installation of individual room units, the other calling for large master units to be installed on the roof.

Further consideration is also being given on how best to establish additional practice areas, primarily for football. Again, two possible plans are said to be under study. One would be to build a new field with the site under consideration being on school owned property near the high school. An alternate would be to enlarge the regular field located south of Highway 67.

Courthouse, May 13.

Precinct convention sites will be: No. 1, Commissioners Court room; No. 2, Rankin Park Building; No. 3, McCamey Park Building; and No. 4, McCamey Elementary School Auditorium.

Election judges and their assistants appointed by the Committee include Mrs. Sam Holmes, Precinct 1, Mrs. Boyd Cox, assistant; Precinct 2, Mrs. Ross Wheeler, judge, Mrs. Hamp Carter, assistant; Precinct 3, F. W. Payne, judge, Mrs. Dee Locklin, assistant; Precinct 4, Geneva Sumrall, judge, and Lloyd McKinney, assistant.

Each judge will select the clerks needed for holding the election.

The absentee canvassing board is to be composed of Mrs. Clint Shaw, R. L. Bell, Royce Burnett and Frank Mathews.

The Rankin (Te Thursday, March

The Committee release the ballot Tuesday, April 20. will be on the big races, in addition county races. Also a "straw vote" bus. Absentee officially open on day, thus the first be voted prior to line on absentee May 2.

Candidates present included H. Wheeler, Shank Bearden, S. O. Langford, Menefee, running County Attorney.
