

With the coming of the new year, it's the forecasting season once again. The air crackles with forecasts about who will do what to whom in Asia, Berlin, the Middle East. The alarms are clanging over 1965's foreseeable traffic deaths, crime, political crises and fierce new challenges.

We've never been much of a forecaster, but "Changing Times," the Kiplinger Magazine, comes up with the following predictions, which some prognosticators may have missed:

•••••
"About 7,233,000 children will stop outgrowing their shoes every couple of months.

About 194,100,127 Americans will not be hurt or killed in an auto accident.

Nearly 13,199,000 girls will outgrow the Beatles.

About 750,000,000 acres of forestland will not burn up.

About 44,503,000 couples will stay married.

•••••
About 55,503,000 citizens will file tax returns on which the arithmetic is absolutely correct.

About 11,000,000 teen-agers will not drop out of high school, and over 600,000 of those who go on to college in 1965 will stay there four years.

One out of every 4.3 golf balls hooked or sliced into a tree will bounce back onto the fairway.

Over 20 billion dollars' worth of auto loans will be paid off.

And all year long there will be only one Friday the thirteenth.

There you are. Help yourself. No charge."

•••••
The current weekly newsletter sent out by the Grain Sorghum Producers Association poses the question: "Do organized efforts of farmers pay?" The newsletter then proceeds to answer its own question.

At the close of 1964, it points out, compared with prices of a year previous, corn was 11 cents per bushel lower, hay was \$5.70 per ton lower, oats were nine cents per bushel lower, barley six cents per bushel lower, while grain sorghum was 11 cents per hundredweight higher.

On the 1964 production, the 11-cent increase meant \$30 million to the United States farmers, and \$12 million to Texas grain sorghum producers. In Texas, none of the crops listed except grain sorghum have specialized commodity organizations working in their interest toward expanded research, market development, government policy improvement, etc.

•••••
The newsletter pointed out that it was little wonder that in the Golden Spread of Texas, New Mexico and Oklahoma where grain sorghum is the largest single crop, the headlines were reading: "Bank Deposits Hit Record; Building Permits Reach Peak," and so forth.

•••••
We'd hazard the opinion that the above description pretty well fits Friona.

This is another illustration of how farmers, working together through an association, can achieve their aims, sell their product, and achieve a better price for their goods.

ALL SMILES . . . Superintendent of Schools Alton Farr (right) and Meryl Masie, secretary of the Friona school board, enjoy a cup of coffee following the school board meeting Monday night, at which Farr was extended a new three-year contract as Superintendent of Schools at Friona.

ALTON FARR

Superintendent Given Three-Year Contract

Superintendent of Schools Alton Farr was extended a new three-year contract by the Friona Board of Trustees at the regular meeting Monday night.

Farr is completing the second year of a two-year contract currently. The contract extension was the highlight of an otherwise

routine school board meeting Monday.

School tax assessor-collector Porter Roberts reported that a total of \$115,872.59 in taxes were collected in December, along with \$7.64 in delinquent taxes.

Total tax collection to date on the 1964 roll stand at \$238,842.57, which is 65 per cent of the \$365,467.25 roll. As of December of 1963, the percentage of taxes collected was 65.2. This year's total exceeds last year's, since a general raise was instigated for the 1964 roll.

In other business, Farr reported to the board on the activity, cafeteria, and transportation funds, as well as the general budget.

Firemen Elect Slate

Officers for 1965 were elected at the regular meeting of the Friona Volunteer Fire Department January 7.

Ralph Shirley was re-elected chief. Glenn Reeve, Jr. remains as assistant chief, and Ray White as secretary-treasurer.

Other officers are Tommy Jones, captain number one; J. P. Sims, captain number two; C. O. Houser, lieutenant number one; Ruben Taylor, lieutenant number two; Howard Love, whistle blower and Ronald Smiley and Walter Cunningham, public relations.

BOTH UNBEATEN

Chiefs, Squaws Grab District Cage Lead

Not one, but two Friona High School teams are in a tie for first place in the District 3-AA basketball race after two games. Both the Chiefs and Squaws scored wins over Floydada teams here Tuesday, to boast identical 2-0 district records after two games.

The Chiefs scored the most impressive win of the two Tuesday games, coasting to a 66-52 win over the Whirlwinds, who were the thorn in Friona's side in the district football race. Earlier, the Squaws had taken a 42-34 win in a game which wasn't as close as the final score indicated.

Dale Milner paced the Chiefs to their thirteenth win of the season against just three losses with 22 points. Outside of

early leads of 2-0 and 6-5, the Whirlwinds never were ahead in the game, and shortly after the second half began, it was practically all over but the shouting for Friona.

Three long setshots by Danny Murphree got the Chiefs off and running in the first quarter. Murphree's baskets erased the last Floydada lead and sent Friona ahead at 7-6 and 9-6 with three minutes left in the first quarter.

Milner became deadly on the lay-in shot in the second period, and Friona pulled from a narrow 19-18 lead with 4:05 left in the half to a commanding 33-21 lead at halftime, with Milner scoring 12 of Friona's 18 points in the quarter. The Chiefs scored the first

two baskets of the second half to increase their margin to 16 points, 37-12, and although sharp-shooting Keith Teague cashed in on several long jump shots, it was a losing battle for Floydada.

Friona had a 15-point margin, 46-13, after three quarters, and early in the final quarter got a 20-point lead at 56-36. About

(Continued on page 2)

Teams Go To Lockney

Friona's two district-leading basketball teams will travel to Lockney Friday for their third District 3-AA game. Both FHS outfits are 2-0 in league warfare, while Lockney has yet to win.

Next Tuesday, Olton teams come here for district games, and the following Friday the teams will host Dimmitt in games which will close the first-round of action.

Following Tuesday's wins over Floydada, the Chiefs are 13-3 for the season and are making a strong bid for a district basketball championship. According to Rhea Williams, the interscholastic League sports director, Friona has never won a boys district title in basketball.

However, things have changed at FHS in the last couple of years, and the Chiefs are off to a fine start, beating two strong teams in their first district games.

The Squaws, at 15-3 for the year, are still protecting a two-year, 16-game winning streak involving district games. They likewise have beaten two contenders in the opening district games.

MEASURING TIME . . . Shown measuring one of the many observation wells in the High Plains Water District are (left to right) Sam Gammon, David Cunningham, Don Reddell and Bernie Walker. Gammon and Walker are with the Texas Water Commission. Cunningham and Reddell are employed by the water district.

ORDINANCE DEBATED

Annexation Discussion Fills Council Meeting

The Friona City Council discussed at length the possibility of annexing new property to the city, and once again the city's ordinance 357 (Subdivision regulations for the City of Friona) came up for discussion. Three property owners who have property outside the city limits but who would like to be annexed were present. They were Mack Batnum, Nelson Welch and Bill Sheehan. Welch and Sheehan each have property which they plan to develop. Batnum has property which he plans to build on for private enterprises.

It was again brought before the council that the existing ordinance is perhaps too stringent in requiring a developer to pay all costs of development. One of the developers suggested the adoption of a new ordinance similar to that of a neighboring city, Hereford.

The Hereford ordinance provides that the developer pays 80 per cent of the cost, with the city paying the remaining 20 per cent. Then the developer is repaid his 80 per cent over a five-year period, providing he develops the property as much as 75 per cent complete.

Developers and some members of the council feel that the present ordinance is a hindrance to growth for the city. After much discussion, it was decided that copies of Hereford's ordinance would be distributed to the mayor and councilmen prior to the next meeting time, so that appropriate action might be taken.

Batnum was interested in annexation mainly so as to know what course to take as to a water supply. The council agreed that the city could supply him with water at the regular "outside" rates, if he secures an easement from J. G. McFarland, whose property would have to be crossed.

In other business, the council re-appointed Dr. Lee Cranfill as City Health Officer for the calendar year 1965. City Manager A. L. (Jake) Outland was authorized to check the voltage and repair the motor on city well number three if such repairs were deemed necessary. The council confirmed the employment of Stanley Vinson as police department night dispatcher. Vinson began working in that capacity on December 11. He formerly had a similar position at Hereford.

Outland was authorized to contact the city engineer with instructions to proceed with contract negotiations for the sealcoating of approximately 40 blocks of city streets early in 1965, in line with the city's sealcoating program of the past few years.

Also approved was the purchase of a coin operated load water dispensing unit to provide 24-hour service for the pur-

chase of load water.

The council heard a request from the First Baptist Church regarding right of way easements along Fifth Street, but ac-

ording to city records, the State Highway Department has all right of way along the "loop," since it was widened a few years ago.

Following their regular session, the council was shown a film, entitled "Tomorrow's Government Today," a documentary on city government.

\$51,523 IN 1964

Postal Receipts Soar; City Delivery Nearer

Postal receipts at the United States post office in Friona for 1964 showed a 17.6 per cent increase over the calendar year

of 1963, according to figures released this week by Wright Williams, postmaster. Receipts for the calendar

year 1964 totaled \$51,523.78, compared to \$43,821.31 the previous year, a net increase of \$7,702.47, or 17.6 per cent.

ON SUPPLEMENTAL LABOR

Group Urges Farmers Make Needs Known

The Board of Directors of the Western Texas Farm Labor Association, which has headquarters in Muleshoe, has issued a statement urging farmers to contact their local employment office and list their labor needs, in order to prove a need for supplemental labor in the area.

"Considering the economical factor involved, we cannot comply with the criteria set out by the Secretary of Labor, demanding \$1.15 per hour, plus all benefits. This association will be placing orders for the usual amount of workers as were

needed in the past. We will request single male, list the job requirements, at a rate of pay that we can live with, at this time 70 cents per hour," the statement said.

"We urge all users of farm labor to do the same," the statement concluded.

A part-time office is being maintained in Friona by the Texas Employment Office, for the listing of farm labor needs. The office is currently open on Wednesdays, from 9 a.m. until 4 p.m.

Approximately 25 members of the Western Texas Farm Labor Association attended a meeting of farmers from across the South Plains in Lubbock January 7. Henry LeBlanc, chief of farm placement, Texas Employment Commission, was the main speaker.

LeBlanc pointed out that the \$1.15 per hour applied only to persons wishing to secure foreign workers. A farmer or his association may secure any domestic labor at any rate that is agreeable between the two parties. LeBlanc pointed out, The \$1.15 was not intended as a "minimum" wage for Agriculture, he said.

Upon returning to Muleshoe, the association's board of directors met and adopted the statement voiced above.

Charles Hough of Friona is a member of the board of directors.

The last six months of the calendar year showed a nice increase. Total receipts for that period were \$32,106.97, a \$6,470.48 increase over the \$25,636.49 of the previous year. The final quarter helped ring up the new record. Postal receipts for the final three months of the year totaled \$14,203.48 in 1964, compared to \$10,668.72 in 1963. This was an increase of \$3,534.76, or an even 33 per cent.

The first class rating is one requirement for city mail delivery, which is high on the "want list" of many city residents. Williams announces that he is to conduct a survey in the near future, assisted by City Manager A. L. Outland.

The survey will seek to see if houses are numbered and, if there are sidewalks or paved driveways to the houses, two requirements for city delivery.

Postmaster Williams says under the new formula, it will probably be another year at least before this requirement can be met.

The first class rating is one requirement for city mail delivery, which is high on the "want list" of many city residents. Williams announces that he is to conduct a survey in the near future, assisted by City Manager A. L. Outland.

Credit Union Meets Tonight

The annual meeting of the Friona Federal Credit Union will be held Thursday, January 14 at the school cafeteria.

The meeting will begin at 7:30 p. m. A program has been arranged. Refreshments will be served and door prizes will be awarded.

Snowfall Here Is 1-1/2 Inches

Snowfall in Friona last Friday night amounted to one and one-half inches, which accounted for only .04 inches of moisture when melted down, according to the City of Friona.

Although the cold front of last weekend caused Friona's mild weather to go colder, a check of records for the previous year showed that at this time the temperature hit one and three degrees below zero on two consecutive nights.

Lowest reading thus far for the winter has been a five degree (above zero) recording on December 18.

Deadline Today For Sale Items

Today is the deadline for turning in listings for the annual Hub Community Sale, which will be held Thursday, January 21. Listings should be phoned to Fleming & Son Ginby noon today in order to be listed on the sale bill which will be printed in the next few days.

The annual sale will begin at 10 a. m. January 21. Any farm machinery or tools may be brought for sale. In the event some items are received too late to be listed, the owner may go ahead and bring them to the sale.

The Hub Home Demonstration Club will serve lunch on the day of the sale.

SPEAKS HERE . . . Dr. Lena Edwards of Hereford (left) is shown with Mrs. G. L. Cranfill at a meeting of the Progressive Study Club Tuesday. Dr. Edwards spoke to the group. (See story on an inside page.)

C. F. Buske Rites Held In Abernathy

Funeral services were held Monday in Abernathy for C. F. Buske, 88, a High Plains pioneer and relative of several Friona people.

Buske died last Saturday when a fire swept his trailer home on the outskirts of Abernathy in the early morning hours.

Born in Central Texas, Buske moved to Abernathy in 1916, and lived there all his life. He was actively engaged in the cattle and farming business until he retired in the late 1940s.

Survivors include sons W. F. Buske, G. B. Buske and J. B. Buske, all of Friona; J. F. Buske of Abernathy and C. R. Buske of Amarillo. Daughters surviving are Mrs. Mack Nichols of Happy, Mrs. J. P. Young of Mancos, Colo.; Mrs. Millard Webb of Medford, Ore. and Mrs. Ode Nichols of

Klamath Falls, Ore. Also surviving are the widow, Florence Buske, as well as a brother, August Buske of Stamford, and four sisters, Mrs. Mary Anderson of Stamford, Mrs. Lizzie McLamore, Miss Ollie Buske and Mrs. Inez Young, all of Stamford.

Twenty-two grandchildren and 24 great-grandchildren survive. Services were conducted at the First Baptist Church of Abernathy, with Rev. Boyce Evans and Rev. Bill Burton officiating.

Buske was remembered as a hardy Plains pioneer who stayed in West Texas despite drought and "Dust Bowl" days. He was known for his knowledge of the Bible and quoting of scriptures. It was said that he always carried a Bible with him wherever he went.

JACK RUNNELS

Runnels Completes IH Instructional Course

Jack Runnels of Farmer County Implement Co., Friona, has just completed a factory training school of three days at Amarillo. This was held at International Harvester Company and was conducted under the direct supervision of Mr. Dan E. Dunscomb, IH District Service Supervisor.

The course of instruction covered the subjects of hydraulics and diesel engine service, plus shop management.

The purpose of the school was to provide specialized education on farm tractor service so that tractor owners can secure the most efficient operation of their tractors.

Runnels became acquainted with new servicing techniques on the new International Harvester tractors and took refresher training for service work on previous models. He also worked with new shop equipment so that he could quickly and efficiently diagnose engine troubles.

This training is a part of the annual program which is presented by International Harvester Company so that its field representatives, and dealers service men can maintain their education at a high level and provide the very best in tractor service to their customers.

Lead District--

(Continued from page 1)

midway of the quarter, with the Chiefs ahead 60-40. Coach James Anglin emptied his bench, and Floydada was able to trim the lead somewhat.

Although the Squaws weren't able to roll up a lot of points, they never were in very serious trouble in their game. The only time the team trailed was at 2-0 early in the game. Friona's girls, with Teto Jennings hitting eight points, took a 12-7 lead after one quarter.

Sheryl Long helped keep the Squaws out front in the second quarter, after Floydada had pulled to within two at 13-11. Two straight set shots by Miss Long pushed the lead to 17-11, and by halftime it had reached 10 points, 26-16.

The Squaws' lead fluctuated between eight and 10 points in the third quarter. Janet Rushing's two goals in the last part of that quarter gave Friona a 35-23 lead.

Longest lead for the Frionians was 14 points, at 37-23 and 39-25. Floydada was able to outscore the Squaws, 11-7 in the final quarter to trim the margin to eight points.

Jennings had her second straight good game. She scored five field goals and seven of seven free throws, to lead scoring with 17 points.

Dufur To Seek Area Office

Bill Dufur of Friona will be a candidate for a state director of the Texas Junior Chamber of Commerce when the organization holds its Area I convention in Amarillo January 23-24.

Four state directors and an area vice president are to be elected. At the present time, Dufur is area chairman of the Jaycees' Americanism and Governmental Affairs committee. This is his first attempt at an elected office outside a local group.

While a member of the Hereford Jaycees, Dufur served on the executive committee two years and worked on allclassified Junior Chamber of Commerce projects.

Local Group To Hold Friday Chili Supper

The Young Homemakers Club will sponsor a Chili Supper next Friday night before the basketball game with Dimmitt. The supper will be held in the School Cafeteria and tickets for adults will be \$1.00 and 50¢ for children under 12 years-old. Tickets may be obtained from any member of the club or may be purchased at the door.

Plans for the Supper were made Tuesday at the business meeting of the Club which followed a style show presented by the homemaking classes. Mothers of the homemaking pupils were guests at the style show. The girls modeled dresses, suits and coats that they had made. Donna Fulkus was moderator for the style show and Darla Howell provided piano music during the show.

At the meeting, Mrs. Eugene Bandy delivered the devotional, Mrs. W. D. Buske presided over the meeting.

Hostesses were the club officers, Mmes. W. D. Buske, Leon Massey, Danny Smith, and Larry Fairchild. Cokes and spudnut centers were served to 21 members and three guests.

Among those present were Mmes. Richard Adkins, Harold Balls, Eugene Bandy, Rex

Blackburn, Burl Broyles, Jerry Brown, W. D. Buske, Jim Roy Clements, Larry Fairchild, Teddy Fangman and Thomas Gibson.

Others present were Mmes. O'Neil Greeson, Burk Hand, Joel Landrum, Jimmy Mabry, Leon Massey, Kenneth McLellan, Larry Moyer, Don Reeve, Danny Smith, Clyde Woodard and Veldon Carroll.

School Menu

JANUARY 18-22, 1965
Monday -- corn dogs, potatoes, green Limas, vegetable salad, Date cake, hot rolls and butter, milk.

Tuesday -- hamburgers, baked beans, cookies, chocolate milk.

Wednesday -- fried chicken, potatoes, English peas, Jello salad, chocolate cake, hot rolls and butter, milk.

Thursday -- soup and chili, brownies, milk.

Friday -- baked ham, candied sweet potatoes, green beans, vegetable salad, apple cobbler, hot rolls and butter, milk.

AMMO NOTES

By Bill Bennett, Agronomist

Fertilization of sugar beet land is just around the corner. From observations of this past year's crop and experiences with the crop, certain trends are developing in regard to sugar beet fertilization. Rates used this past year seemed to be about right. The 100% N rate should continue to be used where beets follow summer-till land. If the land has a history of low nitrogen

use on the previous wheat crop or if beets should follow maize, rate of nitrogen should be higher. Some observations indicate that phosphorus rates may need to be 125 to 150% P2O5 per acre as compared to 100% P2O5. This would be true in fields which have not had any phosphate used in the past. In regard to source or grade of fertilizer to use, observa-

Classroom Teachers To Award Scholarship

Sometime within the near future the Friona Classroom Teachers Association will award the Irma Stark Scholarship for the 1965-66 College term to some Friona student.

It is to be understood that anyone from Friona who is planning to start work on a teaching certificate or is at present working on such is eligible for the fund if he meets the general requirements.

Interested persons should contact some member of the scholarship committee as soon as possible.

Members of the committee are: Mrs. Martha Bates, Mrs. Carmaleet Truitt, Mr. Baker Duggins, and Mr. Benny Pryor. The general requirements for

a recipient of the scholarship and the conditions under which it will be awarded are:

He must be sure of his choice of teaching as a vocation.

He must have scholastic standing which would enable him to do acceptable college work and must have and maintain high moral standards.

He must be in obvious need of the scholarship.

He must understand that the actual money will be put on deposit for him with the college of his choice and that it must be used for actual college needs—tuition, books, etc.

Tugsten has the highest melting point of all metals.

Starks Awarded USAF Medal

Airman First Class Bernard E. Starks, son of Mr. and Mrs. Harry E. Starks of 127 W. Maple St., Milton, Pa., has been awarded the U. S. Air Force Air Medal for meritorious achievement during aerial flight in support of the fight against communist aggression in Viet Nam.

Airman Starks, an aircraft loadmaster, is on duty with a unit of the Pacific Air Forces, the command that provides airpower for defense of the U. S. and its allies in the Pacific and Far East areas. The airman flies with Vietnamese Air Force crews to assist and advise them on combat tactics against the Viet Cong.

The airman attended Milton High School. His wife, Venita, is the daughter of Mr. and Mrs. Thomas Gibson of Friona.

At Home In Farmer County

By CRICKET B. TAYLOR
County HD Agent

Home Demonstration Clubs in the County are organized for the purpose of studying and learning about Homemaking problems that will help them do a good job of managing their home and family.

Programs are planned to meet their needs whether it is Nutrition, Family Living, Home Management, Clothing or other home problems.

There is a great deal of interest in Family Living which includes many and varied subjects in human relations.

This month a program on "Practicing Democracy in the

Home", is being given in all Home Demonstration Clubs. All the Clubs in the county welcome you to their meetings, if you are interested. Just tell one of the members you are interested and they will see that you attend.

Set Goals For Each Stage In Life

Making decisions are easier if goals are set for each stage of life. Each homemaker must decide which things come first at each stage in her life. Setting priorities may help keep one from taking on too many projects.

First- List the things your family wants most from you. Analyze the list, and with the help of family members, decide how many of them are really important to you and the happiness and welfare of the entire family.

-Let the family help establish the goals.

-Keep in mind the various stages of your life.

You can only train and enjoy your children when they are small and at home. Programs that help you do a better job of training them might be worth the time spent at this stage.

Another value of planning with the entire family, you are teaching them to make decisions and organize their lives, which can result in harmonious family living.

Frustration, loss of time and energy comes from lack of planning and decision making.

Young homemaker groups might be interested in having programs on family living. If they would like programs on this subject they may contact the County Home Demonstration Agent's office in the Courthouse at Farwell.

Ammo Notes--

(Continued from page 2)

tions have been that ammonia has been a very satisfactory source of nitrogen. Indications on phosphate show that ammonium phosphates, such as 11-37-0 or 18-46-0, will give better results than the same amount of actual phosphate from the calcium phosphates, such as 0-20-0 or 0-46-0. This is particularly true on fields which have had little or no phosphate in the past. Some relatively high yields were grown with 600 to 700 lb 0-20-0 per acre, but in nearly every case, these fields has been phosphated for several years in a row. However, the ammonium phosphates have generally been superior.

Source of fertilizer is closely related to method of application in that the calcium phosphates are generally broadcast, whereas, the ammonium phosphates, particularly liquids, are generally banded. Banding in the bed or in the sides of the bed has proven to be better in most cases than an equivalent quantity of phosphate as a broadcast application.

F. Joseph Jesko Arrived Sunday

Mr. and Mrs. Pete Jesko announce the arrival of their first born, a son, Sunday night Jan. 10 at 11:08 p. m. in Clovis Memorial Hospital.

The little boy, who was 22 inches long and weighed 9 lb. 10 oz. at birth has been named Frank Joseph.

Paternal grandparents are Mr. and Mrs. Joe Jesko of Friona and maternal grandparents are Mr. and Mrs. Frank Musil, Stamford.

Mrs. Jesko, is the former Etta Musil, Home Demonstration agent in Farmer county for a number of years.

Chevelle Malibu Super Sport Coupe

(discover the difference)

Find out what 350 hp feels like

in America's favorite intermediate size car

Next time you're feeling low, come on in and plunk yourself down in the bucket seat of a Chevelle Malibu Super Sport. Flick the ignition—bring that special-order 350-hp power plant to life. Then go find a road and try not to smile.

We think it's the greatest pep pill since weekends—and that goes for the other Chevelle V8's too. The 195-hp. And the 250- and 300-hp jobs we can order for you.

And of course if power doesn't sell you right off, maybe Chevelle's short turning radius and overall handling ease will. Or its Full Coil suspension ride. Or its all-vinyl, carpeted interior. Or maybe it's just plain old Chevelle value.

CAROL'S CORNER

by Carol Ellis

Here's great news for poor spellers! A new book has been published in England called "The Awful Spellers Dictionary." This may help solve a problem which has plagued poor spellers for ages. The problem being that you must know how to spell a word correctly before you can look it up.

Most of us tend to spell words just as they sound. So the person who thinks the word "centurion" is spelled with an "s" or the word "phenomenal" with an "f" can look it up first the wrong way. Next to it will be the correct spelling.

When this long-over due volume hits the book stands there'll be no excuses for us poor spellers. However, probably it won't do much toward helping me spell your names correctly.

A group of local club women will travel to Lubbock Saturday to attend the Caprock District Reporting Workshop.

Mrs. Guy Latta, Mrs. H.K. Kendrick, Mrs. Dan Ethridge and Mrs. J.T. Gee will represent Modern Study Club. Mrs. Bob Reithmayer and Mrs. Baker Duggins will represent Progressive Study Club.

Our neighbors to the south, Mr. and Mrs. Bill Stewart, returned this week from their trip to Hawaii. They visited in the

home of their daughter and family, Col. and Mrs. John R. Chandler, Melanie, John, Gary and Larry. They spent Christmas and New Year on the island and also celebrated their wedding anniversary there on Jan. 7th. Then they stayed over an extra couple of days in order to see the Hula Bowl Game Saturday.

Mrs. Stewart was especially thrilled with the abundance of beautiful flowers that were growing wild in Hawaii. They brought back several leis of orchids and other exotic flowers. Mrs. Stewart mentioned that you could buy 100 orchids for \$1.00 and make your own lei if you wished.

Some of the highlights of their trip, were the Mormon Temple, Polynesian Cultural Center, which is an outdoor theater, where they saw groups of natives in costume performing the native dances, and their visit in a Japanese home. The Stewarts were quite impressed with the generosity of the native people.

"It's the most informal place you ever saw," Mrs. Stewart commented. "People wear sports clothes and mu-mus all the time."

Other neighbors to the south, Mr. and Mrs. Bill Sheehan, were in Austin early this week. Bill was attending a

(Continued on page 6)

FRIONA VISITOR . . . A visitor in Friona last week was Lewis Larrimore Walker, a noted dancer-painter, shown with a couple of his paintings. Walker visited in the home of the A. J. Hellman family.

Dance Instructor Looks Over Friona

Lewis Larrimore Walker, famed dancer-artist, was in Friona last weekend, looking over the possibilities of starting dance classes here and in surrounding towns. While in Friona he visited at the home of Mr. and Mrs. A. J. Hellman.

Mrs. Hellman was associated with Larrimore when he had the Larrimore Dance Studio in Lubbock some years ago. She plans to assist him again if he makes the decision to begin dance classes in the Friona area.

The youthful 55-year-old has traveled extensively during the last few years. He owns a unique "motor home" which goes with him everywhere. He has danced over 1600 miles on a cross-country dance from the Atlantic to Pacific and plans to complete this unusual feat someday.

Larrimore is especially proud of the fact that on his 54th birthday he danced 54 miles on highway 54.

The popular dance-instructor has recently developed a combination of music, art and dance which he calls "dance paintings." These paintings attempt to give visual representation of the evolution of the dance. Larrimore dances on a canvass and interprets in paint the music to which he is dancing.

He has been featured on such television programs as To Tell The Truth, Steve Allen and Monitor. Larrimore is once again establishing a studio in Lubbock. He teaches every kind of dancing from tap to ballroom and is interested in the instruction of social graces for teenagers.

Gloria Pearson and Larry Drake Are Married in Canyon Ceremony

Gloria Pearson became the bride of Larry Drake Sunday afternoon, Jan. 10, in the Assembly of God Church in Canyon. The bride is the daughter of Mr. and Mrs. B. L. Pearson of Canyon and the bridegroom is the son of Mr. and Mrs. Earl Drake of Friona.

Rev. A. J. Pettit officiated at the double ring ceremony. The bride was presented in marriage by her father. She chose a formal gown of Peau De Sole embroidered with sprays of seed pearls. The gown featured a rounded neckline, tapered sleeves and a chapel train.

Her veil of illusion, bordered with lace was attached to a pearl tiara and she carried a white Bible given her by her maternal grandmother, Mrs.

Janice Townsend, cousin of the bride, was maid of honor and wore a floor-length gown of yellow brocade.

Bridesmaids were Kathy Townsend, cousin of the bride, and Peggy Drake, cousin of the bridegroom. They wore identical, floor-length gowns of gold brocade. All the bridal attendants carried long-stemmed yellow roses.

Flower girls were Tamra Townsend and Jana Jones, cousins of the bride. They wore dresses styled after those of the bridesmaids.

Candlelighters were Bobby Drake, brother of the bridegroom, and Susan Hensley, Muleshoe, cousin of the bride.

Owen Drake served as his brother's best man, Dennis Pearson, brother of the bride and Ted Reece, cousin of the bridegroom, were groomsmen. Ushers were Tommy Sanders, Carol Bennett, Edwin Taylor and Larry Hartman. David Townsend, cousin of the bride was ringbearer.

Mrs. Royce Grant, organist, presented traditional wedding music and accompanied her husband as he sang "I Love You Truly," and "O Promise Me."

A reception following the ceremony was held in the A. J. Pettit home. Guests were registered by Rachel Wall. Sylvia Wall and Kathy Strohmeyer presided at the serving table.

Following a wedding trip to New Orleans, La., the couple will be at home at 1503 9th

Mrs. Larry Drake

Ave. in Canyon where the bride is a senior at Canyon High School.

The groom is a student at West Texas State University, majoring in business and agriculture. He is a graduate of Friona High School.

Out-of-town guests for the wedding included the bride's maternal grandparents, Mr. and Mrs. Mat Dudley and paternal grandmother, Mrs. John Ben-

son, Mrs. Harvey Totten, Mr. J. D. Duncan and children, Mr. and Mrs. James Roy Jones, and Jana, Mr. and Mrs. Elmo Owens and Albert, all of Muleshoe. Others present were D. C. Hensley, Carlsbad, N. M.; the groom's paternal grandmother, Mrs. A. O. Drake, Friona; maternal grandmother, Mrs. A. C. Winchester, and Mr. and Mrs. W. H. Hartman, Ellen and Larry, all of Houston.

Chapter Honors Grand Officer

The local chapter of the Eastern Star honored their Deputy Grand Mason, Mrs. Lavern Long of Silverton, with a salad supper in the Masonic Hall Monday night.

Hostesses for the evening were Mrs. Joe Buchanan and Mrs. Ralph Roden. They served 23 members and two guests, Mrs. Long and Mrs. Annell Davis, also of Silverton.

The Hall was decorated with pink floral centerpieces on each table. The decorating committee consisted of Mrs. Billy Sides, Mrs. Charles Russell and Mrs. Bebe Buchanan.

The chapter was presided over by Mrs. Lillian McLellan, Worthy Matron, and Claude Miller, Worthy Patron.

The Deputy Grand Mason brought instructions to the chapter from the Worthy Grand Matron, Mrs. Amy Goebel of Waco, and the Worthy Grand Patron, James H. Goettee of Houston.

Tirolean dairy farmers use plastic pipe lines to carry milk from Alpine meadows to processing plants in the valley.

Scouts Work On Songster Badge

Girl Scout troop 268 held their regular meeting Monday at the American Legion Hall.

Members of the troop presented skits, which counted toward their "songster" badge. Some of the skits presented were "When Mary Was a Brownie," "Mary Had a Little Lamb," and "Blue on Blue Broken Heart."

The girls also studied a specially-prepared chart which showed them what "songsters" sing on special occasions.

NEW OFFICERS for Friona's Oddfellows and Rebekahs are, left to right, C. B. Eddens, vice grand; Mrs. Charlie Wise, vice grand; Mrs. Raymond Adams, noble grand and Charlie Wise, noble grand. The officers were installed at a meeting last Saturday.

Oddfellows-Rebekahs Install New Officers

Friona Oddfellows and Rebekah Lodges held joint installation of new officers last Saturday night at the Oddfellows Hall.

Following a salad supper the new officers were installed by the District Deputy Grand Marshall, Bud Reed; and District Deputy Grand Master, Sam Williams. They were assisted by brothers Jay Sanders, Joe Moyer, Henry White and Roscoe Parr. District Deputy, Juanita Reed, was assisted by the Dimmitt installing team, Nell Coplin, Gail Nelson, Polly Bell, Mayme Birdwell and Connie Ivey.

The hall was decorated with blue and white flowers and evergreen boughs. Around 60 people were present for the event with 12 visitors on hand.

New Rebekah officers are Nola Adams, Noble Grand; Wilma Wise, Vice Grand; Loretta Brookfield, Recording Secretary; Addie Moyer, Financial Secretary; Pat Fallwell, Treasurer; Juanita Reed, Warden; George Louis LaFavers, Conductor; Geneva Williams, Chaplain; Cordelia Eddins, Mustician; Joyce Wilkins, Color Bearer; Inez Sherley, Right Supporter to Noble Grand; Katie Parr, Left Supporter to Noble Grand; Jewel Wells, Inside Guardian; Mavis Burnam, Outside Guardian; Lilly Taylor, Right Supporter to Vice Grand; and Kate Smith, Left Supporter to Vice Grand.

New Oddfellows officers are, Charlie Wise, Noble Grand; C. B. Eddens, Vice Grand; Jay Sanders, Recording Secretary; Roscoe Parr, Financial Secretary; Sam Williams, Treasurer; Bud Reed, Warden; G. H. Brock, Conductor; Waymon Wilkins, Right Supporter to

Patterson, Outside Guardian; Pete Mace, Right Scene Supporter; Hop Lewis, Left Scene Supporter; Joe Collier, Right Supporter to Vice Grand; and Bill Schwab, Left Supporter to Vice Grand.

News from LAZBUDDIE

BY MRS. C. A. WATSON

Mr. and Mrs. George Haskins visited their son and family the J. B. Haskins family in Levelland over the weekend. On Monday, George went to Littlefield to bring their son, George Jr., to his parents' home where he will recuperate after having surgery in a Littlefield hospital.

Mr. and Mrs. E. A. Parham and Terry returned recently from a trip to near Merkel where they visited his parents, the W. M. Parhams. The highlights of these trips to the Jones County area for Terry are the trapping and hunting experiences.

Word was received here Monday that Calvin Clark of this area remains about the same in a Wichita Falls hospital. Mr. Clark is suffering from a malignant condition.

Mr. and Mrs. George Treider, Friona spent Sunday with his mother Laura Treider and other relatives in the Lazbuddie community.

(Continued on page 6)

Karl Benders Wed 25 Years

Mr. and Mrs. Karl Bender celebrated their 25th wedding anniversary Sunday with several members of the family and close friends present.

Weekend guests in the home were Mr. and Mrs. Violo Wels and family of Amarillo; Mr. and Mrs. Duwain Werner of College Place, Washington; Mr. and Mrs. Viddian Wels and son of Perryton; Mrs. Viola Stevens and daughters of Amarillo; and Mrs. Vivian Cozart and family of Cisco.

Others who visited in the home on Sunday were Mr. and Mrs. Alex Meier of Darrouzett; Mr. and Mrs. Herbert Bechold and son of Booker; Mr. and Mrs. Herman Meier of Darrouzett; Mrs. Hannah Ehrlich of Shattuck; Mr. and Mrs. Tom Griffith and Barbara and Mr. and Mrs. Gene Ezell all of Bovina and Fabian Renner of Perryton.

Local people who attended the anniversary celebration were Clyde Renner, Mr. and Mrs. Donnie Renner and daughter and Miss Katherine Brand.

Visiting in the home of Mr. and Mrs. Bill Stephens recently were Mrs. H. C. Morrow, Carrie and Judy of Lubbock; Mr. and Mrs. Bob Harper and family of Amarillo; Mr. and Mrs. Bill Harper and family of Alamogordo, N.M.; and Mr. and Mrs. Bert Harper of Anton.

Local Club Women Hear Talk By Famous Doctor

Dr. Lena Edwards, noted humanitarian and winner of the Presidential Medal of Freedom, spoke to members and guests of Progressive Study Club at the regular meeting in the Club House Tuesday evening.

The 64-year-old Hereford doctor spoke on "The Three Phases of Eve," listing the stages of a woman's life as adolescence, parenthood and aging.

Dr. Edwards also told the group a little about her work in starting a maternity hospital at the Mexican Labor Camp in Hereford.

"I believe that medical care should be available to every person at a price which they can afford," Dr. Edwards stated as her philosophy. "Most of the poor people want to pay their own way and most will turn out good if they are given a few breaks in life," she added. She stated that she believes strongly in preventative medicine and she has tried to educate the people at the labor camp in this idea.

Dr. Edwards was recently the recipient of the Citizen of the Year Award in Hereford. She is the mother of six chil-

dren, all of whom are engaged in some type of humanitarian endeavor.

Twenty-one members and 10 guests were present to hear Dr. Edwards' talk.

At the business meeting the resignation of Mrs. Bill Beene was accepted. Mrs. George Frye will fill the vacant membership.

The devotional was given by Mrs. John White and a talk on "First Aid In The Home" was given by Mrs. Travis Harrell.

Mrs. Lee Cranfill gave a short talk on medicare and then

she introduced the guest speaker for the evening.

Mrs. Newman Jarrell, jr. and Mrs. Robbie Osborn were hostesses. They served finger sandwiches, spiced cake, coffee and tea. The serving table was centered with a blue and white floral arrangement featuring a nurse's cap.

Guests were Meses, Jim Johnston, Dave Allen, Ben McDonald, Jimmy Mabry, Rene Sneed, Deon Awtrey, Frank Spring, Dan Ethridge, Mrs. Jim Orrell of San Francisco, Calif. and the new member, Mrs. George Frye.

HD Club Meets In Barnett Home

The Black Home Demonstration Club met Thursday with Mrs. Fern Barnett.

Mrs. Cricket B. Taylor, County Home Demonstration Agent, gave a program on family relationships. Each member answered roll call with a personal goal for 1965.

Mrs. Travis Stone gave the counsel report. The club made plans to serve lunch at the Wingham Farm Sale on Jan.

20. The next meeting of the group will be at the home of Mrs. Ellis Tatum, Jan. 14.

The club welcomed one new member, Mrs. H. H. Elmore. Among those present were Meses, Pete Braxton, Clyde Hays, Helen Fangman, Bertha Fay Lookingbill, Johnny Mars, Ralph Price, Dick Rocky, Edna Sneed, Travis Stone, Mildred Welch, Ellis Tatum and Fern Barnett.

Castro County Twins Celebrate 75 Years

Mr. and Mrs. O. J. Beene were hosts Sunday to a birthday celebration in their home honoring Mrs. Beene's father Edwin "Goose" Ramey and her uncle, Edgar Ramey, both of Dimmitt. The Castro County twins will be 75 years-old on Jan. 14. Beene was also included in the celebration as his birthday falls on Jan. 13. The Ramey twins have only missed spending one of their 75 birthdays together, when they were separated by World War I in 1918.

Edwin and Edgar Ramey were recently the subject of a lengthy feature story in the Amarillo Citizen and in the Castro County News. The article took the form of character sketches of the two

West Texas pioneers, telling about Edwin's hobby of raising wild geese and Edgar's interest in public service.

Eighteen people were on hand at the Beene home for the celebration. They were Mr. and Mrs. Robert Ramey, Edgar and Edwin from Amarillo, Mr. and Mrs. J. B. Nolan of Sumnerfield, Mr. and Mrs. Edgar Ramey and Mr. and Mrs. Edwin Ramey of Dimmitt, Dr. and Mrs. William Beene, Brad and Sandy, and the hosts and their sons, Jay and Ramey.

Sure.

You might find another car as new as the Delta 88.

But not this year.

This is Oldsmobile's Delta 88. It's unique. Unique because it's new. New clear through. Styling is new. So new, not a line nor a highlight was borrowed from last year. Power plant is new. Super Rocket V-8 is the biggest in Olds history: 425-cubic-inches big, up to 370-horse strong. Transmission is new, too. Turbo Hydra-Matic, available on any Delta 88, provides up to 40% more torque from a standing start, superlative performance at all speeds. New styling. New engine. New transmission. This year, only Delta 88 lets you have all three, all new. Other cars have a lot of catching up to do.

CORNER---

(From page 4) meeting of the Texas State Law Enforcement Foundation. This is a group of businessmen and civic leaders from across the state who are interested in law enforcement.

A few of the projects sponsored by this group are Justice of Peace seminars twice a year, police schools for small towns unable to train their own force, picking an outstanding district attorney, judge and sheriff each year and the "crimemobile," a type of law enforcement exhibit on wheels, that is displayed at schools around the state.

But the main project of the Foundation is to back up the Attorney General's Youth Conference which meets once a year. Doug Dodd was Friona's representative to the Youth Conference last year. As a direct result of his attending the conference, the Friona Lion's Club is now working with school counselor, Baker Duggins, to cut down on school drop-outs in Friona.

Another outstanding local youth will be picked to attend the conference this year. It is the job of each teenager who attends this conference to attempt to inspire other local teenagers toward lawfulness, cut down on juvenile delinquency and teen-age crime.

(We're so glad we have such interesting neighbors.)

Miss Sharon Britt of Chillicothe will replace Mrs. D.L. Carmichael as a first grade teacher in the Friona School Monday. Miss Britt graduated from West Texas State last semester and completed her practice teaching in the Amarillo schools.

Mrs. Carmichael was just filling in until a permanent replacement could be found.

Mr. and Mrs. Doug Stevenson had an unusual guest in their home last week. Mrs. Leora Coffey, Stevenson's aunt who makes her home in Beaumont, Calif., stopped for a short visit in the Stevenson home and while there she entertained a group of friends with films of her recent safari in Africa.

Mrs. Coffey is a big game hunter and has just returned to the States after hunting wild game in Africa. She had to cut short her African trip because

of the native uprisings there. She is now on her way to Alaska where she plans to make a film about her hunting of the Alaskan caribu, moose, and deer. The film will be entitled "Granny Get Your Gun" and is being produced by Roy Rogers. The show will be on television some time in March or April.

The 59-year-old game hunter is an authority on Alaskan wild life and has written a book on the subject.

Among those on had to view her safari films were her sister and niece from Hereford, Mrs. Herbert Duncan and Mrs. Paul Jones. Also Mrs. Garland Freeman, Mrs. Ann Mace, Judy Mace, Mr. and Mrs. O.J. Beene, Mr. and Mrs. Jack Carrothers, and Mrs. O. Stevenson.

Strong-Koelzer Vows Exchanged In Dalhart

St. Anthony's Catholic Church Dalhart, was the setting recently for the wedding of Karen Strong, daughter of Mr. and Mrs. Arthur Strong, and Gerald Koelzer, son of Mr. and Mrs. Ben Koelzer of Friona.

Officiating at the ceremony was Father Louis Koelzer, brother of the bridegroom, who came from Atonement Seminary, Washington D.C. for the event.

A program of nuptial organ music was presented by Mrs. Margie Zimlich prior to the ceremony. Rossini's Wedding marches were played for the processional and recessional. Judy Koelzer, sister of the bridegroom, was maid of honor and Marilyn Bishop and Linda Boulware were bridesmaids. Two young cousins of the bride were the flower girls. They were Pamela Smith and Dee Dee Bishop. All the attendants wore blue lace and chiffon frocks.

The bride was escorted to the altar by her father. Her bridal gown was of Chantilly lace and tulle over taffeta. The floor length skirt had a front panel of lace ruffles. She carried a bouquet of white butterfly roses, centered with a white orchid on a white nuptial prayer book.

David Koelzer served his brother as best man and another brother, James Koelzer, and the brother of the bride, Deard Strong, were groomsmen. Bobby Brown and Kit Pettigrew were ushers.

A reception followed in the parish hall with Judy Koelzer registering the guests.

The new Mr. and Mrs. Koelzer are at home on their farm 20 miles west of Dalhart.

Loy Dale Clark, Rickie and Theresa Seaton have entered five barrows in the 4-H Junior livestock show at Ft. Worth which will be held from Jan. 29 through Feb. 7.

Congratulations to Richard Engelking for having the nearest correct answers in a football contest sponsored by an area paper. The games were played New Year's Day.

Elder and Mrs. S. B. Gowens and Jimmie, Lubbock visited Saturday in the home of her sister and family the Charlie Watson's.

Larry Treider was in Lubbock Monday for possible signing for music engagements there in the near future.

The Lazbuddie "B" boys team won consolation trophy in the Bovina Tourney last week. The "B" team girls were eliminated in the 2nd game by Bovina. The Girls "A" team also won a consolation trophy in the Anton tourney after losing to Three Way in the opener. They defeated Sudan "B" team and Southland "A" team. The Boys "A" team won third place in the Anton tourney. They defeated Three Way boys in the finals after being defeated by Anton in an earlier game at the tourney.

Birthday greetings to: Davey Engelking, Julie Durate, Loy Rigney, Evelyn K. Darling, Nancey Bush, Timmie Smith, Larry Parker and Roger Martin.

HD Council Holds First Meeting

The county Home Demonstration Club council held its first meeting of the year January 4 at the Courthouse in Farwell. Fifteen members and one visitor were present. Six clubs were represented: Farwell, Lazbuddie, Midway, Northside, Oklahoma Lane and Rhea. Each committee read its recommendations for work during the year.

At the next meeting February 1, each club is to bring a delegate's name for the district meeting in April. Also, the group will make suggestions for the THDA Chairman for 1966. A district training meeting will be held at the First Baptist Church in Amarillo January 29.

Cricket B. Taylor, county Home Demonstration Agent, is to meet with each club in the county on their first meeting of the year.

Mr. and Mrs. Glenn Reeve, Sr. visited in Arlington a few days last week with their son Max, who is a student at General Motors Institute. Max, a 1963 graduate of Friona High School, is currently employed by the "BPO" plant (Buick-Pontiac-Oldsmobile) in Arlington for a six-week period. Following this tenure, he will return to Flint, Michigan, the GM headquarters.

Come meet the car men with the new business and old-fashioned ideas.

I'm James A. Hale, general manager of Dishman-Hale Chrysler-Plymouth, Inc. new Chrysler-Plymouth dealer at 324 East First Street in Hereford.

JAMES A. HALE

This is our first week in business, and we'd like to get off on the right foot with you. So, let me put in writing the way we intend to do business.

Pledge: We're going to play it straight down the line. Fair and honest deals on beautiful new and used cars—plus fast, efficient and courteous service.

When it comes to pleasing people, nobody beats us. And we'll prove just that to you six days a week. We close on Sunday.

DIDN'T STOP HER... Despite the attempts by the Abernathy guard to shatter her poise, Friona's Teto Jennings (left) connects on a jump shot in last Friday's game at Abernathy. Teto had her best game of the year, hitting 11 of 14 field goal shots and nine of 11 free shots.

BOTH IMPRESSIVE

**Teams Rise To Occasion
With Wins At Abernathy**

"They rose to the occasion." That short sentence pretty well sums up what happened at Abernathy last Friday night when the Friona High School Chiefs and Squaws opened their district basketball race against a pair of good Abernathy teams. However, there was much more to it than that. For the Squaws, there was the story of how the team clicked together like it hadn't before this year, almost running a seasoned Abernathy team off the court. The Chiefs' game was a story of just plain "guts" and never quitting despite the odds.

The Squaws set the tempo. After a close first quarter that saw the lead see-saw in the early stages, Abernathy pulled into a five-point lead at the first quarter's end, 18-13. However, the Squaws didn't plan on staying behind.

Teto Jennings made a layup, Cindy Ingram a set shot and Miss Jennings sank two free throws to shoot the Squaws back ahead, 19-18 before Abernathy could score in the second quarter. However, the Antelopes

came back, and the lead again see-sawed, until with 26 seconds left in the half Friona opened up a five point lead at 35-30. Abernathy scored a basket in the last six seconds to trim that to 35-32.

Although the Squaws had proven their superiority, the game was far from over. The hometown Antelope girls roared from behind to lead 36-35 before the Squaws scored in the third quarter. Linda Davis connected on a jump shot with 6:29 to play in the third quarter, giving Friona the lead for keeps, although the game was still far from over.

The Squaws lost Jennings with 1:03 left in the third quarter, holding a 45-41 lead. But if Abernathy thought this was a break in their favor, they were surprised. Reserve Janet Rushing came in to score five baskets in less than six minutes of playing time, and Cindy Ingram began to hit from outside, and the Squaws started to pull away. Miss Rushing tipped in a missed free shot with :05 left on the clock to give Friona a

49-42 third quarter lead. Miss Rushing and Miss Ingram each hit baskets to open the final quarter, pushing the Squaws' lead to 53-42, and with Miss Davis getting into the act, the lead was surprising 66-50 with only 1:57 left in the game.

Reserves then took over, and Abernathy was able to score 10 points before the clock ran out, to make the final score closer than it could have been.

The Chiefs-Antelope game was a battle from start to finish.

Friona had the lead almost throughout the game, but holding Abernathy at bay was sort of like having a coiled rattlesnake cornered -- you knew he was going to strike; you just didn't know when.

And in the end, Abernathy "struck," taking what appeared to be an insurmountable lead of 63-58 into the last minute and six seconds of play. However, the Chiefs refused to be "snakebit," and rebounded for surely one of the greatest come-from-behind wins in the history of Chiefs basketball.

The fourth quarter tells the story, so we'll start there. Friona had led by as much as seven points, and took a five-point lead, 48-43, into the final period.

However, the ball-hawking, pressing Antelopes stole the ball several times and made the Chiefs commit passing mistakes at the beginning of the final eight minutes, to pull even, 49-49, with 6:19 to play. Friona went ahead, 51-49, but Abernathy tied it again at 51-51, and went out front, 53-51 with 4:05 left -- their first lead since the opening basket.

Friona tied the count at 53-51 and 55-51 after Antelope scores, but in a two-minute span Abernathy racked up six points to take a commanding 61-55 lead with just 1:37 to play. The Antelope lead was still five, 63-58, with 1:06 left, and even

the most staunch Friona supporter would have thought catching up with the seasoned Antelopes was an impossibility with just that much time left.

Fortunately, the Chiefs didn't think so. Dale Milner scored a basket with a minute left to cut the score to 63-60. Then the Chiefs turned the tables on Abernathy by stealing a pass and Ray Braxton laid in a goal to slice the Antelope lead to 63-62 as the clock became a factor.

With 25 seconds left to play, Friona grabbed a rebound, and big Gene Weatherly was fouled. After a time out, Gene calmly sank both all-important shots, to move Friona ahead 64-63, to finish the amazing comeback.

Abernathy, which had trouble hitting all night, missed a shot in the last 15 seconds, and Ray Braxton rebounded. Ray was fouled by the desperate Antelopes, and after time was called, his free throw with :04 showing on the clock missed. Abernathy rebounded, but was unable to work upcourt for a good shot.

Both Friona teams had good shooting marks. The Squaws hit 50 per cent of their field goals, and the Chiefs 52.8 per cent. Helping the Chiefs win were 26 of 38 free shots, compared to only 13 of 27 by the Antelopes.

Jennings had her best night of the year for the Squaws, making 31 points, 29 of them in the first half. She had a fabulous 78 per cent shooting average from the field, 11 of 14 shots, and 82 per cent at the line, nine of 11 tries.

ANOTHER REPORT...

"I have a rented farm with very light soil which has not responded to my applications of phosphate in the past. This year I used Western Ammonia's liquid 8-18-0-3 plus Ammonia, both pre-plant and sidedress and obtained very favorable results. Well, the test convinced me. Next year I plan to use this product on all my farms."
R. V. BILLS, Castro County Farmer

...A REPORT OF SATISFACTION

An important by-product of any company is the man who openly admits when he's satisfied with the service. You will find that Western Ammonia has the know how, equipment and products to give the best satisfaction there is in a fertility program. Also Western is now offering the new high analysis liquid ammonium phosphate and new 11-20-0-11S in place of lower analysis 7-21-0. You'll find Western has complete facilities for all your dry fertilizer needs.

**New
 Construction
 This Year
 Over
 \$24,000,000!**

That's right! Reddy Kilowatt will invest \$24,607,000.00 this year, in the service area of Southwestern Public Service Company, as evidence of the faith we all share in a growing land that 100 years ago promised less but has delivered more than perhaps any other area in our nation. We'll be completing another large steam electric generating unit, adding new transmission and distribution lines with one view in mind -- to give you better service at the lowest possible cost. You'll have, at the touch of your finger, all the power you'll need for a powerful area.

Picture shows an example of modern construction methods. The aerial, truck-mounted bucket lift is being used by two linemen in a safe and efficient manner to construct a new 230,000 volt transmission line.

Red Barn Products For Greater Farm Profit

On The Farm In Parmer County

By JOE VAN ZANDT
County Agent

We are in the process of computing our Parmer County totals on crop production for 1964 and the value of these crops produced to give us a value of our Agricultural economy to Parmer County for 1964.

We have sent questionnaires to the elevators and gins in the county as well as to the sugar beet company and the vegetable packing sheds in Bovina and Friona. You can help us out if your produced crops in 1964 and did not market them through one of the above firms. If you would please notify the County Agent's office of the kind, amount and approximate value of these crops we would appreciate it.

We are interested in having a fairly accurate picture of the value of our county total crop production. Since we are one of the top producing counties in the state, every little bit more we get soon adds up. We are particularly interested in hearing about certified seed and vegetables grown that weren't processed through county firms.

SUGAR BEETS
The ASCS office in Farwell now has applications that everyone wanting to grow Sugar Beets in 1965 must complete by January 29. Prentice Mills said that all 1964 beet growers as well as anyone else wanting to grow beets in 1965 must complete one of these applications.

HEREFORD STOCK SHOW
A total of eight Parmer County 4-H members are exhibiting some of their 4-H livestock projects in the Hereford Junior Livestock Show this week.

There will be six members showing barrows starting at 4:00 p.m. Thursday. These members are Pamela Hawkins, Loy Dale Clark, Billy and Larry Eubanks and Theresa and Rickie Seaton.

On Friday at 7:00 p.m., Gary Phipps and John Hoover will be showing their Hereford steers. Then on Saturday at 1:00 p.m. the auction sale of the top animals in the show will take place.

CHEMICAL WOOD CONTROL
We have scheduled Dr. Allen Wise to present a program on Chemical Weed Control. The date is March 18, so mark your calendar, and he will cover weed control on the major crops grown in Parmer County. This will be the best opportunity I know of to get the latest, reliable information on chemical weed control from an expert.

"Weed Control in the Changing South" is the theme for the annual conference scheduled for Dallas Hotel Adolphus, Jan. 19-21. More than 150 papers will be presented during the conference covering a wide range of weed control subjects. Delegates from at least 14 states will attend.
