WOODWORK BY DALTON

RUBY OSBORN, who succeeded Margaret Turner, who really succeeded by getting out of the newspaper business (and into marriage) wrote about Heloise in her column in Lubbock Avalanche-Journal Tuesday.

Do you know who Heloise is? Well, she isn't one of the characters on "As the World Turns" (my nooney spies inform me that Jeff is still dead). Heloise is the author of a column of household hints which appears in the Avalanche Journal. "Hints from Heloise" it is called. I didn't know until Ruby wrote it in her own column as society editor that Heloise is in real life Mrs. Marshall Cruse of Washington, D.C., for whatever that's worth. Anyway, Heloise was in Austin at a recent event, and she made a big hit with the women of the press.

I know someone she isn't so popular with, however. A Sudan woman recently read one of Heloise's Hints on the quick way to clean out an oven and she tried it on her built-in, using ammonia and towels or something like that, as I recall. Anyway, the thing blew up, and the family spent a good deal of money getting oven parts replaced.

Heloise apparently reprints hints sent in by readers, and that one may have been sent in by some association of appliance dealers who will go to any lengths to sell something new. I took a look at some of Tuesday's hints in Heloise's column. Here's one:

"Dear Heloise: I keep my homemade cookies nice and fresh by putting a slice of fresh bread in the cookie jar with them. I change the bread about every other day."

This may keep the cookies soft, but it sure makes for tough sandwiches.

I READ the other day where Dr. Paul Dudley White, the well-known heart specialist, concurred with the opinion that nervous tension did not necessarily contribute to heart attacks. And he said physical fatigue was a good cure for tension (work so hard you're too tired to worry).

This is going to make it tough on a lot of guys if their wives find it out. Now they may have to do some of those jobs around the house they've been getting out of because they come in all nervous and upset over details of their job.

Homemakers Elect Officers

Mrs. Don Ham was elected president of the Sudan Young Homemakers Assn. as the group met Monday night at the Home Economics Cottage to complete their organization.

Nineteen members were present at this second meeting of the group and other officers elected included:

First vice president, Mrs. Willie Williams; second vice president, Mrs. James Withrow; secretary, Mrs. Wayne Smart; treasurer, Mrs. Jacky Van Nott. Don Ham gave the program. Next meeting will be at 7:30 p. m. March 4.

LOTS OF WORK - Larry Hanna, shown here with his father, Billy Hanna, and Cubmaster Skinny Gage, right, has earned an unusual number of awards in Cub Scouting. The photo was made at the annual Cub Scout banquet in Sudan Tuesday. At the speakers table in background, the man nearest the camera is C. A. Buzzitta, scout executive from Littlefield, who spoke at the banquet.

Blue-Gold Banquet Held

About 100 persons attended the annual Blue and Gold Banquet for Cub Scouts in Sudan School cafeteria Tuesday night, with Scout Executive C. A. Buzzitta of Littlefield delivering the main address.

Highlight of the program was the presentation of various Cub Scout awards to members by Cubmaster Skinny Gage.

Gage recognized Supt. and Mrs. W. E. Hancock and scout official Bob Drake and Mrs. Drake at the head table along with Mr. and Mrs. Buzzitta.

Members of the Sudan Jaycees, sponsoring organization of Cub Scouts, were present as guests, along with parents of Cub Scouts.

WSCS CONTINUES MISSION STUDY

"Persons of Special Need" was the study topic at the meeting Monday morning of the WSCS of the First Methodist Church.

Mrs. Jay House led the study and Mrs. Frank Weir gave the closing prayer.

Presiding at the business meeting was Mrs. E. C. Minyard, president.

Present were Mesdames House, Weir, Minyard, A. Pinkerton, Weldon Shaffer, W. V. Terry, C. M. Furneaux, J. S. Smith, W. C. Masten, Matt Nix, Jr., Bruce Newman and Trey Gaston.

WEATHER FLUCTUATES IN PAST WEEK

Temperatures were up in the 70's in Sudan over the last weekend, with Monday and Tuesday turning out as pleasant days following high winds and blowing dust a few days earlier.

Hornettes Win Round Robin

By LINDA WILLIAMS

The Sudan Hornettes side wiped the visiting Wolverines 57-53 in a close game Friday night, giving Sudan a 7-0 district mark and clinching the round robin play for the Hornettes.

Sudan led in the first quarter 13-9, but trailed at intermission 23-26. Even by the third period the Hornettes had not regained their lead, and Springlake was ahead 39-36. In the fourth quarter Glenna Gatewood, Sudan's streak of lightning, stole the ball repeatedly and scored, helping Sudan come out on top 57-53.

July Stern, with 19 points, led the Hornettes scoring. Glenna Gatewood had 15, and Constance

Mudgett made 13.

Carolyn Gregory with 23 and Beth Dent with 20 topped Springlake's scoring.

The Sudan boys were dropped by the Springlake Wolverines 59-29 in the last round of district play before the tournament, which will be at Hale Center

Springlake led at the end of the first period 19-4, and continued to lead throughout the game. Sudan outscored the visitors in one period, the third.

Mike Mudgett leaped 8 for high, and Durwood White, Tommy Thomson and Mike Smith each had 5.

Top scoring for Springlake was done by Thomas Gregory, 16, and Dale Dent, 13.

Vote Called On School Tax Raise

A proposal to authorize the Sudan Independent School District trustees to raise the present maintenance tax rate of \$1.25 to some figure not to exceed \$1.50 per \$100 valuation will be put before the voters of the district at an election Saturday, Feb. 16.

In a called meeting Monday night, the Sudan School board set the election date following receipt of a petition signed by 21 taxpayers within the district who requested that the election be called.

School board president Wayne Whiteaker said the petitioners and the board members feel that the board should be empowered to raise the tax rate in order to pay off a \$32,000 deficit in school finances. This deficit is largely a result of a payment of \$20,000 last year to retire a bond issue dating back to 1922, it was stated.

"We feel that if the people in the district will approve this issue coming up Feb. 16 we can pay off the entire \$32,000 within the next three years," said Whiteaker. "If they don't approve it, the school will be carrying a big deficit indefinitely." School board members indicated that if the maintenance tax proposal passes, they will ask for an increase of about 10 cents.

Whiteaker and Supt. W. E. Hancock explained the situation thusly:

At present the school district

levies a tax of \$1.50, with \$1.25 used for maintenance and 25 cents put into the interest and sinking fund. Under the proposal, the school board could levy a tax up to \$1.50 for maintenance alone, which, with the 25 cents for bonds added in, would

boost the total tax to a maximum of \$1.75. However, if the school increased the maintenance amount by only 10 cents per \$100 valuation, this would mean \$1.35 for maintenance and with the 25 cents added in, a total tax levy of \$1.60 which

the taxpayers would face, instead of the present total \$1.50.

In other words, if the board raised the maintenance tax by 10 cents, a person with property valued at \$5,000 for tax purposes would pay \$5 more per year in school taxes. A person with property valued at \$1,000 would pay \$1 more each year.

Approval of the issue before the voters Feb. 16 would mean that the Sudan school district would operate its finances under the provisions of Senate Bill 116, passed in 1955, which stipulates that a school district may levy a tax for maintenance purposes up to \$1.50 per \$100 valuation, and may add an additional amount up to a maximum of 50 cents per \$100 valuation for interest and sinking fund. School districts which do not qualify under this bill (as Sudan does not until voters decide otherwise) may levy a maximum total amount of \$1.50 and must take their interest and sinking fund out of that amount.

Supt. Hancock said practically all West Texas school districts already have voted and are operating under the provisions of Senate Bill 116. Nearby districts operating under Senate Bill 116 include Bula, Morton, Olton, Sundown, Amherst, Muleshoe and Springlake, it was reported. An exception is Littlefield, which is expected to vote on the issue soon, with a problem of expansion coming up.

A comparison of the tax rates last year in these districts, with the amounts for interest and sinking funds included in the total rate, was given as follows:

DIST.	RATE	EVAL.*
Amherst	1.70	4.0
Bula	1.67	2.5
Littlefield	1.40	18.2
Morton	1.80	10.9
Muleshoe	1.80	23.0
Springlake	1.50	10.0
Sudan	1.50	14.0
Sundown	1.50	23.0

* In Millions of dollars

Supt. Hancock gave a summary of school finances for the last three years as follows: In the school year ending in August, 1960, the school wound up with a deficit of \$36,067.60, according to the audit. In the following year, the deficit was cut to \$23,422.40. In the last year, that deficit was cut to \$14,777.20, but the school had to pay off the \$20,000 bond issue voted in 1922, throwing the deficit back to \$34,777.20. The aforementioned \$32,000 did not take into consideration \$2,700 yet to be paid on bus purchases. Working against the school was the fact that the legislature voted increases in teacher salaries and put the primary burden of payment of the increase on the local district. In this district, with total increase in salaries of approximately \$25,000 per year, the Sudan school district pays about \$20,000 with the state paying the balance. (Actually, with an adjustment made in bonuses, Sudan teachers received increases of \$460 per year instead of the \$810 voted by the legislature, which left the local district paying out about \$10,000 more per year than it had previously been paying.)

Public Meeting On School Tax Issue Set Monday

A public meeting of interested taxpayers and school board members has been called for 7:30 p. m. next Monday at the Sudan School cafeteria, at which time the board members will attempt to answer any questions anyone has regarding the proposed election and increase in tax rates.

Board President Wayne Whiteaker said any person who is interested, is strongly

urged to attend the meeting.

"We will attempt to clarify any points which appear confusing to anyone, and to answer any questions in opposition to the proposal. We sincerely hope that any persons who feel they will be against this plan will come up to the school and state his or her objections. And if anyone is mixed up about the whole issue, we'll do our best to explain it."

Livestock Show Set Saturday

Sudan Young Farmers this week were busy getting ready for the first livestock show to be presented at the new Sudan livestock show barn, a project show for Amherst and Sudan FFA chapters.

A total of 60 animals has been entered in the show, Don Ham reported Tuesday. Included are four entries in sheep division, 37 in swine and 19 beef.

Judging will begin at 1 p. m. Saturday in the show, open to exhibitors who are members of

the 4-H, FFA or FFD in the Sudan or Amherst school districts.

Trophies will be awarded to champions in beef, swine and sheep divisions, with ribbons to be awarded through four places.

Trophies also will be presented to those showing the grand champion of each class, and a sportsmanship trophy will be presented.

Jerry Ray, president of Young Farmers, said he hopes for good weather and for a good turnout of spectators who should be interested in the projects of the students.

MRS. CATE HOSTESS TO DORCAS CLASS

Mrs. Tommy Cate was hostess for the January social of the Dorcas Sunday School Class of the First Baptist Church when a salad supper was served.

Present for the occasion were Mesdames Dexter Baker, Lee Roy Fisher, W. H. Mudgett, B. A. Beauchamp Jr., Floyd Seymour, George Ritchie and Willie C. Hazel.

Mrs. R. E. Scott was in Muleshoe Wednesday afternoon to attend bridge party at the home of Mrs. Harlan Davis.

Audra Jane Meeks Becomes Bride of Mack Edward Campbell

MRS. MACK EDWARD CAMPBELL

Exchanging wedding vows Saturday night before an archway entwined with greenery and flowers flanked by branched candelabra and baskets of white chrysanthemums and pom-pom mums, were Miss Audra Jane Meeks and Mack Edward Campbell.

Mr. and Mrs. L. F. Meeks of Sudan, and Mr. and Mrs. L. M. Campbell, of Littlefield, are parents of the couple.

Rev. Wayne O. Perry of Ropesville officiated for the double ring services in the Sudan First Baptist Church.

Escorted to the altar by her father, the bride wore a floor-length gown of bridal satin fashioned with a rounded neckline chapel train, and long tapered sleeves. Chantilly lace applique highlighted the side panels, neckline and chapel train. Her fingertip veil of silk illusion was attached to a headpiece of artificial rosebuds and leaves enhanced with organza petals.

She carried a bridal bouquet of gardenias and stephanotis atop a white Bible. The Bible was a gift from college friends.

Mrs. Melvin Campbell of Sudan, sister-in-law of the groom, was matron of honor. Miss Madeline Barnes of Lubbock, Mrs. Charles Heffington, Spade, and Mrs. Gaylon Burns, Littlefield, were bridesmaids.

Charles Heffington, Spade, was best man. Groomsmen were Jimmy Houk, Lubbock; Jimmy Owen, Gaylon Burns, Jessy Ward and Floyce Pierce, all of Littlefield.

David Campbell, Littlefield, brother of the groom, and Eugene Oldham, Dimmitt, cousin of the groom, were candlelighters. Dale Ward and David Campbell, Littlefield, served as ushers.

Miss Judy Johnson of Hardin Simmons University sang wedding selections, "Walk Hand in

Hand", "I Love Thee" and "The Wedding Prayer". She was accompanied at the organ by Mrs. W. E. Hancock.

For her daughter's wedding Mrs. Meeks chose a three piece blue suit with matching accessories. The groom's mother wore a pink rough-textured suit with matching accessories.

Registering the wedding guests was Mrs. Jimmy Owen, Littlefield.

A reception was held in the church parlor and the bride's table, laid with an all-over embroidered linen cloth, was centered with a white and silver floral arrangement. The three tiered wedding cake was decorated with white and silver roses.

Mrs. Dale Ward and Mrs. Floyce Pierce, both of Littlefield, presided at the serving table.

For her wedding trip to Corpus Christi and other points, the bride chose a winter white wool three-piece suit with lined accessories.

Mrs. Campbell is a graduate of Sudan High School and attended Hardin-Simmons University in Abilene. Campbell attended Littlefield High School.

The couple will reside north of Littlefield where the groom is engaged in farming.

Bridal Party Is Honored

Miss Jane Meeks, bride-elect of Mack Campbell of Littlefield, was hostess for a luncheon Saturday honoring her bridal attendants and other guests when the event was held in the home of her parents, Mr. and Mrs. L. F. Meeks.

Assisting her with the hospitalities were her mother, Mrs. Meeks, and her sister, Mrs. James P. Arnold Jr. of Port Worth.

A bride centered the luncheon table and miniature bridesmaids served as place cards. The table was covered with a white organza lace trimmed cloth. Guests included Mesdames

Melvin Campbell, Charles Heffington of Spade, Gaylon Burns of Littlefield, and Miss Judy Johnson of Abilene, Miss Madeline Barnes of Lubbock, Miss Martha Perry of Mehall, Miss Betty Haddleton of Abilene, Miss Madeline Turner, and Mrs. Jimmy Owen of Littlefield.

A rehearsal dinner honoring members of the Meeks-Campbell wedding party and other guests was held Friday evening in the church parlor of the First Baptist Church. Hosts for the event were the parents of the honor couple, Mr. and Mrs. L. F. Meeks of Sudan and Mr. and Mrs. L. M. Campbell of Littlefield.

Scripture: Romans 5:19; 6:20-23; St. Matthew 23:39-43; I Corinthians 2:9-14.

How can we tell — how can we "get through" all this to you, to get you to hear? For my urgent, burning desire is to share with all other human beings that there is a Way to live forever!

I want to tell you (and will you really try to hear?) how to find not only a way to live forever, but how to find a Savior who is able to give you joy, peace and eternal love now... to have in this world where there is so much turmoil and suffering. This world, whose without a Savior, man has at most only a few years of life on earth — to

live mostly clean at best — with nothing to look forward to after these few years but death and the unknown, unknown except as revealed through knowledge of God's Word.

Often I meet those who are so proud of their knowledge, their learning, and yet they know almost nothing about the most important message ever given to man, the Bible.

The Bible is God's Word and is the record that testifies of Jesus Christ given to all men. Yet it is a Spiritual Word from a Spiritual Father given to His children and interpreted only to them by His Holy Ghost. But, any man or woman that can read may read the Bible and understand the words that Jesus came to seek and to save that which was lost.

Anyone who hears can understand enough of this above given Scripture to begin to pray "Lord, have mercy on me, a sinner." Then, once we are saved (and eternal life is ours the moment we recognize Jesus as Lord and ourselves as a sinner who is lost from God without a Savior. Remember God always keeps His word, His promises), the knowledge we have acquired of this

world and of the Scriptures are revealed to us in the light of spiritual understanding. Then we can put this knowledge to use for God and good, rather than for ourselves and evil. A Christian says humbly: I do

not understand all that is in God's Word, for "now I see through a glass darkly, but then face to face". But daily as I seek my Father, His power, His guidance, His forgiveness, His courage and patience to see the grace that He says is sufficient for me and available to me at all times. What I cannot understand of His Word, I accept by faith for I know my loving Father. And to my great delight and joy, He reveals more and more of the "meanings" that are in His Word, through the Holy Spirit.

"But as it is written, eye hath not seen, nor ear heard, neither have entered into the heart of

man, the things which God hath prepared for them that love Him."

Do you know Jesus? He is the way, the only way, for you to have eternal life. Will you hear and seek Him now?

TO MARRY — Mrs. Lois Blair of Sudan is announcing the approaching marriage of her daughter, Judy Ann, above, to Henry Reid, son of Mrs. Thersie Reid of Baileyboro. Vows will be exchanged at Circle Back at 7:30 p. m. Tuesday, Feb. 12. The couple will live at Baileyboro, where Reid, a graduate of Maleshoe High School, farms.

REPORT FROM AUSTIN

By REP. BILL CLAYTON
According to reports from per-
sons who have seen our State
Government function for many
years, the present session of the
State Legislature has begun work
and accomplished more in the
first weeks than at any previous
sessions. By the end of last
week there had been two hun-
dred and sixty bills introduced
in the Senate. All of the Com-
mittees have organized, and
have begun regular meetings.
The Appropriation Committee,
of which I am a member, has
had meetings daily for two
weeks, and we have heard the
budget requests that were pre-
sented by all of the State sup-
ported colleges and universities
and the requests from the Judi-
cial Branch. This Committee
will continue the daily meetings
until all budget requests from
the various State agencies have
been heard. At the end of these
hearings the Committee will
present a bill to the House of
Representatives, and this bill
will be the recommendations of
our Committee for the financial
operations of the State for the
next bi-ennium.
I have introduced House Bill

15, which is a part of Governor
John Connally's legislative pro-
gram, and if passed will outlaw
future common law marriages in
Texas. I am co-sponsoring House
Bill 50, which is of particular
interest to our section of Texas,
and legislation which I think is
needed in all of the State. This
bill, if passed, would provide
for the raising of the speed lim-
it on such roads as it is appropri-
ate, not to exceed seventy miles
per hour.

Legislation will be considered
that will give some relief to the
license fee charged for any-
drous ammonia tanks, and of
course this is of primary inter-
est to many people in our area.
You may be assured that I am
mindful of this problem.

As the session of the legislature
progresses and issues, in which
many of you are interested,
come up for consideration I hope
that you will let me hear from
you, the people of the district I
represent. It is important to me
to know your thinking about the
various issues.
