THIRTY-NINTH YEAR

SUDAN, LAMB COUNTY, TEXAS THURSDAY, SEPTEMBER 19, 1963

NUMBER 29

## WOODWORK BY DALTON

THIS WEEK, I think I'll just start out with some football stuff. Now, I already have been criticized twice this season for having too much about football in the paper, and I can't really say they don't have a valid point. But can I help it if somebody shouts anybody down on main street? Non-football stories which I would like to write would include these: city votes bond to build new swimming pool; all business buildings in Sudan occupied by going concerns; city storage area made into park; bowling alley follows doctor and pharmacist into Sudan; etc.

WELL, for this week most folks who are interested in football (you who aren't may as well quit now) are thinking about the Sudan-Amherst game Friday night. On the basis of the teams played to date, Sudan should be favored to win. But lots of factors are to be considered, and these could turn the result around.

In the first place, Amherst has the most incentive to win, since the Hornets have beaten the Bulldogs practically every time (the teams tied in Sudan two years ago) in recent years. Another factor is that Amherst appears to have a pretty strong defense this season, and Sudan's offense is slowed by loss of two or three boys who were being counted on heavily.

Too, if the Hornets take this game lightly, the Bulldogs could come through in fine style. Nevertheless, I still feel that Sudan will win it, about 28-13, although I always hate to pick a score on this one, since I know and like most of the boys on both teams.

Elsewhere, Sundown 29, Anton 6; Friona 14, Plains 7; Floydada 63, Ralls 6 (much to Neil Chastain's horror); Borger 14, Dumas 0; Seagraver 22, Farwell 14; Otton 20, Springlake 8; Littlefield 20, Seminole 14; Abernathy 12, Hale Center 8; West Texas State 26, Arlington State 7; Texas Tech 19, Washington State 16; North Texas State 28, Texas Western 16; Texas 27, Tulane 0; Peterburg 26, Kren 7.

LAST WEEK I missed on five out of 11 choices, but this week I promise to do better.

## Young Farmers Elect Messamore President

Sudan Young Farmers Monday night elected Alvin Messamore as president for the coming year, and also chose the following officers:

Calvin Wiseman Jr., vice president; Wayne Swart, secretary; Edward Fisher, treasurer; and Robert DeLoach, reporter. Don Ham is advisor.

Program for the coming year was discussed and committees set up.

Next regular meeting of the group will be Oct. 21, when a program on defoliation and parliamentary procedure will be presented. Any interested persons, farmers young or old, bus-

nessmen, and others are invited to attend.

It was reported that nine members of the Young Farmers were enrolled in an electrical short course taught by Ham last week. Electric motors and simple wiring of the home were studied.

Last Saturday at Plainview, the Area I convention of Young Farmers and also Young Homemakers convention were held.

Attending from Sudan were Mr. and Mrs. Marvin Bowling, Mr. and Mrs. Jerry Ray, Mr. and Mrs. S. A. Farmer, Mr. and Mrs. Don Mr. and Mrs. Pudd Wiseman, and Miss Jo Ann Henry.

## Guild Meets In Drake Home

The Wesleyan Service Guild met in the home of Dorothy Drake Tuesday night. The invocation was given by Frances Patten. Each member answered the roll call, "How to be Better Members". The devotional, "Giving, You Can't Afford Not To", was presented by Mary Bowman.

The Pledge Service was directed by Anita Wallace and Ruby Shannon of the Spiritual Life Committee. They were assisted by Luan Hay, Leada Wood and Dorothy Drake. Background music was played by Vera Nix.

A vocal solo, "We Give Thee But Thine Own" was by Leada Wood, accompanied at the piano by Mrs. Nix. Members signed pledge cards. A prayer was given by Anita Wallace, who also led the group in singing.

During the business session presided over by President Margaret Smith, an invitation to the District Guild meeting to be held at Cotton Center Sept. 22, was read. Sudan Guild is to be in charge of registration. Several members planned to attend.

The Guild voted to sell assorted napkins. Guild benediction was repeated in union by the group.

Others attending were Esther James, Willie Roman, Nell Gentry, Erlene Weir, Bertha Vereen, Mary Tollett and Eloise Curry.

Next meeting will be in the home of Vera Nix with Willie Roman as co-hostess on Oct. 1. W. S. C. S. members will be special guests.

## FHA PLANS BAKE SALE SEPT. 21

The FHA chapter met recently when plans were made for a bake sale to be held Sept. 21.

Officers of the chapter this year are president, Kathy Barnett; vice president, Kandy Miller; secretary, Kay Baker; treasurer, Rue Jean Hancock; publicity chairman, Paula Chiselman; points chairman, Minnie Sue Underwood; recreation chairman, Nancy Williams; historian, Sonja Foss; song leader, Linda Williamson; and pianist, Dyanne Curry.

## OFFICERS, CHERLEADERS CHOSEN IN JR. HIGH

School officers have been chosen for the eighth grade with Gary Garwood being named president; Vickie Masten, vice president; secretary, Kathy Milyard; treasurer, Bob Gilyard; reporter, Andrea Thomason and Ronnie Hill.

Also cheerleaders for the Junior High Pep Squad have been named and include Sharon Baker, Kathy Hayes, Sheryl Watts and Mickey Logan.

## G. A. CORONATION SET FOR SUNDAY NIGHT

G. A. coronation services will be held Sunday night, Sept. 22, at the First Baptist Church when the program will begin at 7:30. Mrs. Dexter Baker is G. A. counselor and Mrs. Willie Hazel will serve as the coronation officer.

Rev. James P. Arnold Jr. visited during the weekend with his parents, Mr. and Mrs. James P. Arnold Sr., and with the L. F. Meeks.

## First Sudan Bale Ginned

FIRST BALE - Calvin Baker, left, received \$50 premium from Calvin Jordan, president of the Sudan Chamber of Commerce and Agriculture, for bringing in Sudan's first bale of cotton in 1963. (Beacon-News Photo)

Sudan's first bale of cotton for 1963 was ginned this week at a time when much of the cotton in the area hasn't even bloomed.

Calvin Baker brought in the first bale for the Sudan area and it was ginned around 9 a. m. Monday at Watkins Gins. Baker gathered the bale from four acres on the west side of town last week and brought it to the gin Saturday.

The cotton was planted April 25 and was irrigated. It had received some hail, but remained one of the few early patches of cotton around here. Most farmers replanted twice or more.

The bale weighed 445 pounds, from 2020 pounds of seed cotton, and made 900 pounds of seed.

Baker received a \$50 check from the Sudan Chamber of Commerce and Agriculture for having the first bale here, and \$25 from Central Compress for bringing them the first bale. Watkins ginned the bale free, and paid Baker 50 cents a pound for the bale, and \$100 a ton on the seed.

The bale is on display in front of the First National Bank of Sudan.

By DALTON WOOD  
Like General Custer, the Sudan Hornets found just too many Indians to cope with at Friona last Friday, and the Chieftains handed the visitors their first loss of the young season, 28-14.

Friona, with a high-g geared backfield which rolled to 17 first downs and 319 yards rushing, outplayed the smaller Hornets in every way except passing and punting, and earned their second straight win after losing 27 games in a row.

It was no accident that the Chieftains won, for they showed a well-balanced, hard-hitting team, and Sudan gave a good account of itself in the game, despite the absence of Fullback Roy Roberts.

Roberts joined Robert Williamson on the list of players sidelined with serious knee injuries. It now appears that Williamson will not play at all this season, and Roberts likely will be out for two or three more weeks. The two sidelined are the biggest players on the varsity.

This week Sudan plays host to unbeaten Amherst, which last week stopped Wilson 13-6. Sudan will be favored, but it is sure to be a battle, as it is an annual tussle between the nearby towns. Chief threat for Amherst is Fullback Gary Pigg, and the Bulldogs have a veteran line.

Friona lost the ball five times in the game last Friday, and Sudan converted two of their mistakes into touchdowns.

It was a wild contest, especially in the first half, as Sudan also fumbled three times. Mike Smith of Sudan intercepted a pass in the first period, but an off-

penalty rubbed this out, and on the next play, the Chieftains' Tommy Baxter ran 54 yards across the goal, but a penalty across the line nullified this. Preceding the game Friday night between Sudan and Amherst will be a pancake supper in the Sudan school cafeteria.

Serving will be from 5 to 7:30 p. m., with adult plates \$1 and child's plates 50 cents. Sponsored by the Sudan Rotary Club, the supper will feature pancakes and bacon and syrup. All Sudan and Amherst fans are invited to take part.

Against Friona nullified this, Friona, however, completed the 71-yard drive as FB Everett Gee raced 35 yards to score, and then ran across for two points.

Sudan's Danny Allen recovered a fumble on the Friona 14 later in the quarter and, after a loss, QB Tommy Thomson passed 17 yards to Mike Smith, to the one-yard line. Sudan drew a 5-yard penalty, but FB Pat Brown went across in three cracks at the line. A pass was incomplete, and Friona led 8-6 at the end of the first.

Sudan struck again quickly as

Tackle Kenzel May recovered a fumble on the Friona 28. Three plays later, Thomson fired a pass to Ead Danny Masten, who caught the ball about the 5, and raced over for the TD. Thomson passed to Allen for 2 points, and Sudan led in the second quarter, 14-8.

The Hornets threatened again, with passes from Smith to Brown and Thomson to Allen figuring in a drive which carried to the 8 of Friona where a fumble stopped Sudan. This proved doubly disastrous, for on the next play, Friona HB Milton Hargus waltzed 92 yards for a touchdown - more than twice the total yardage Sudan made rushing in the entire game. Twice Hargus was overtaken, and twice he eluded the tacklers to go on his merry way. Doug Dodd kicked the point, and Friona led 15-14 at halftime.

On the second half kickoff, Sudan fumbled and Friona promptly drove 35 yards to score again, with Hargus getting the tally from 7 yards out. Dodd kicked again, and it was 22-14. Later in the third, Friona drove to the Hornet 15, but on fourth down, Masten threw the runner for loss to the 20 and Sudan held.

Sudan fumbled again, and Friona grabbed this one on the Hornet 30, scoring in four plays, as Dodd went across.

Penalties at key spots kept Sudan bottled up for the rest of the game.

Brown made 25 of Sudan's 44 yards rushing, on 14 carries, and also turned in a good game on defense. Thomson completed 4 of 11 passes for 63 yards, while Allen punted four times for a good average of 39.5.

Linebacker Dale Milner, Everett Gee and Guard Numan Lottman were tops on defense for Friona. For Sudan, few players got tackle, unassisted, but several of them were credited with being in on about the same number of tackles. Pat Brown and Tommy King were credited with being in on 11 stops each, 10 were marked up for Bill Beale, 9 each for Danny Masten, Gar Radd and Kenzel May, 5 each for Larry Morgan, Donny Foss, Danny Allen and Mark Baker.

In the district, Springlake and Kren remained unbeaten.

(See FOOTBALL, Page 5)

The Texas Highway Department has added two new methods to its continuing anti-litter campaign: a cartoon character printed on its Official Highway Travel Map and revised highway signs reminding drivers they can be fined from \$10 to \$200 for littering. The cartoon character, "The Litter Lungs," pleads with the public to "Help Stop Out Litter." The sign emphasizes that it is against the state law to litter. In 1962 the Highway Department had to spend \$1.1 million to pick up litter, an increase of about a hundred thousand dollars over 1961.

GOOD GAIN - Sudan end Danny Allen hauls in a pass for a good gain in last play in game against Friona. For the Chiefs, No. 15 is Jim Sweaf, 20 is Everett Gee, and 40 is Doug Dodd. (Staff Photo)

Scripture: St. Luke 15:7, 20-24; Romans 6:17, 22, 23; II Timothy 2:1-19.

"But God be thanked... but ye have obeyed from the heart..."

If I could just in writing the Hallelujah chorus that has been sung this week in heaven surely there would be enough joy to cause all the world to want to see Jesus! For God's Word tells us there is joy in heaven over one sinner that repenteth - and this week sinners have come in repentance to God and found new life in accepting Jesus as their Savior and Lord. So my heart, too, is filled with joy!

All anew (as it seems every time we claim God's promises) God has not only kept His word to His children, but He has given many times more than we knew to ask Him for! It is so true, Christians, that when the children of God pray they will hear from heaven, and God will pour out such a blessing that you cannot contain it! This world has no joy to offer that can compare to this!

Praise God, He in His love and mercy has never let me go, and when I have fallen, He has been there to help me up, to forgive me and restore me to the right and upward way again, ever going before me. When I have been tempted and was weak, He was strong with all-power and led me out from the thoughts of temptation to thoughts of Jesus, to serve Him and to serve others.

Even what seems a small service, just a little thing or something that would be foolish to the world - in doing anything for Jesus, the reward of His loving

presence is not for what you have done, but that you did it for Him. O, how He loves you and me! How He wants our love and friendship - and What a Friend we have in Jesus! Truly, He will never leave you nor forsake you; and He really does have the power to overcome any and all temptation.

New-born Christians, keep your faith in Jesus, and it will grow strong through exercise - use it in works for Jesus name's sake; pray, read God's Word, and worship with His other children, and here is something to remember:

When the way seems dark, and your prayers not answered (but God says He hears and answers every faint cry of His child!), God's way is not always easy for His little child (nor for the older

brother or sister) to understand. Then, what to do? This is it - just keep holding on to your faith a little longer! Believe His promise - ask Him, and He will answer. The answer may be delayed for awhile for the good of God's purpose for each and all of us, but the answer will come. It will test your faith and make it stronger, for if you hold on to God you will, as I have, find Him lovingly holding on to you. Once you come through each moment, one at a time, by your faith in Jesus, the joy and delight of His love and His faithfulness to keep His word, will be unspeakable in your heart, and you will find out in experience, saying with Paul (II Cor. 1:12) "... for I know whom I have believed, and am persuaded that He is able to keep that which I have committed unto Him against that day."

Joy, and humble gratitude are mine today. Humble - what a word, yet it cannot express my feeling just now toward my Savior and Lord Jesus in all His glory, His everlasting love, His faithfulness, His care for each one of us, His Almighty Power to save and uphold and keep us safe in Him forevermore.

Do you know my Jesus as Savior, Redeemer, and Lord? He is seeking you to follow Him, now.

**Accent On Inger — Stars as the Farmer's Daughter**  
Inger Stevens, one of the headiest Scandinavian imports to hit these shores since aquavit, admits she tried hard to become the all-American girl and succeeded only to be cast as Katy Holstrom, a Minnesota farmer's daughter of Swedish descent. She plays the role, complete with accent, on "The Farmer's Daughter," which premieres Friday, September 20, 9:30-10:00 p.m. (EDT), over the ABC-TV Net work.  
Listening to her in candid conversation one might conclude she was born in New York or possibly one of the New England states. Even her sense of humor is American. Few people who have seen her on passed shows, matching wits with some of the nation's top comics, realize that Inger lived in Sweden until she was 13.

"You'll never know how hard I worked to overcome my Swedish accent," she says. "My one dread was to be typecast in Scandinavian dialect roles. After all, how many Swedish maids do you see on TV? The future would not have been too bright."  
Inger was so successful that she has starred on Broadway in all-American roles and has never appeared in dialect roles in motion pictures.  
"My European background has come in handy in television, however," she points out. "I have played French, German, Hungarian and Bulgarian girls, all I am told, with a fair degree of authenticity."  
The producers of "The Farmer's Daughter" must feel fortunate that they have in Inger, an actress who has not only

**ATTENDANCE HIGH  
AT REVIVAL HERE**

Attendance at the Methodist Revival just ended in Sudan is believed to have set a record high for one-week meetings in recent years, it was reported.

Evening crowds were good, and the high attendance at the 7 a. m. service was 110, reported the pastor, Rev. Frank Welt. Top turnout at the children's meeting in the afternoon was 80, and 25 were counted one evening in the teenagers' meeting.

The evangelist, Rev. Ralph Johnson and Miss Roberta Hall, musician, from Jackson, Tenn., held the closing service Sunday night when six new members were received.

A 6 a. m. breakfast was served in the Fellowship Hall Saturday morning by the Fisherman's Club, with 60 present.

Rev. Johnson and Miss Hall will be in a revival meeting at Corsicana throughout next week, starting Sunday.

**EASTERN STAR MEETS**

The local Order of the Eastern Star Chapter met Monday evening in the Masonic Hall with Anna Lee Stern, Worthy Matron, and O. D. Martin, Worthy Patron presiding.

Sunshine reports were given by each member present, including Rosie Pinkerton, Dorothea Reese, Lora Blanchard, Bell Olds, Laura Martin, Betty Martin, Winona Dudgeon, Oleta Reese, Birdie Shuttleworth, Hazel Gaston, Thelma Akin, Virginia Rone, Celia Drviden, Ruth Newman, Sara Woods, Julia Kamp, Thelma Walker, and one visitor, Thelma Johnson of the Lockney chapter.

Lora Blanchard and Dorothea Reese were in charge of refreshments consisting of coffee and cookies.

**HOSPITAL REPORT**

Patients this week in South Plains Hospital at Amherst included:

From Sudan — Albert Allen, Mrs. Alton Hood, Joe Rivas jr., Mrs. Mary Rister, W. A. Kelley, Mrs. Ethel Crain, Baby Charles Muller, and Mrs. R. P. Baccus.

From Amherst — Billy Davis, Leroy Cowan, Reno Rochelle, Mrs. Ben Greener, Albert Burns, and Mrs. Richard Read.

From Littlefield — Mrs. Ismael Perez, Mrs. Mary Herring, Mrs. J. P. Hukill, William Smith, Mrs. Alvis Grove, and Jerry Kas Tucker.

From Muleshoe — Mrs. Valentine Gonzales and Baby Girl Gonzales.

From Centrahoma, Okla. — W. H. Gentry.

**BROWNIE SCOUTS  
TO MEET TUESDAYS**

Brownie Scout meetings will be each Tuesday at the Sudan Community Center, it was announced this week.

Mrs. Douglas Royal, leader, and Mrs. Dwayne West, assistant, urged all girls in the second and third grades to attend.

**BI-COUNTY PTA  
COUNCIL MEETS**

The Lamb-Bailey Bi-County council of PTA met last Thursday in Springlake School, with the following officers among those introduced:

Mrs. Ray Daniel of Muleshoe, president; Mrs. Charles Garrett of Sudan, vice president; Mrs. Jerry Ray of Sudan was named publicity chairman.

Next meeting will be Nov. 5, at Sudan.

Mrs. O. C. Hall was confined to Littlefield Hospital where she underwent major surgery last week.

**WTS TO PLAY ASC  
IN FOOTBALL OPENER**

Canyon, (Special) — Ambitious West Texas State University will open its 1963 football season this Saturday night at home against a fast improving team, Arlington State College.

These same two teams met at Canyon last year with the Buffs walking off with a 49-0 victory. However, don't look for this to happen on Saturday as Arlington State is ready for the Buffs and is sure to make this year's contest a much closer affair.

In 1962, the Rebels were loaded with walking wounded and came into Buffalo Bowl minus three or four starters. This season the downcasters have 18 lettermen, a crop of transfers and the number one member of last year's squad, quarterback Doug Wilson. Wilson averaged over 100 yards per game on total offense in '62. He gained 120 yards against the Buffs in a losing cause.

**JOAN CRAWFORD HAS AGREED** to be guest star in a Route 66 episode, to be shot in Maine, if (and it's a big if) she likes the script, which is now being written to her measure. . . . Having run out of doctors, lawyers, cowboys and private eyes, TV now apparently is ready to turn its cameras around. The three heroes of MGM's planned hour-long series "The Film Makers" will be a producer, a director and a writer. . . . That hour-long CBS special, "Elizabeth Taylor in London," has been set for Oct. 6

Official Memorandum

By

JOHN CONNALLY  
Governor of Texas

AUSTIN, TEXAS

GREETINGS:

Young Farmer programs are sponsored under the auspices of the vocational agriculture departments in the public schools and the Texas Education Agency.

Membership in the Young Farmer Association is made up of young men between the ages of 18 and 35, who are engaged in farming and ranching. These young men have organized on a local, area, and State basis to carry out educational activities which will help them keep abreast of the technological advancements in the field of agriculture and will enable them to develop greater skill and efficiency in management, production, and marketing.

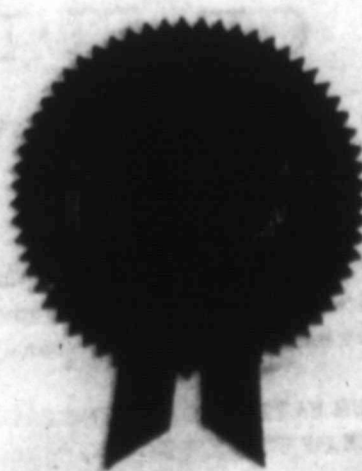

Young Farmers incorporate in their planned chapter programs civic and community service projects and leadership development activities which are designed to improve their communities, State, and Nation, and to promote the welfare of all citizens.

Through these efforts they are helping to strengthen the economy of our country and are promoting good citizenship. As the organization continues to grow it will play an increasingly important role in the life of rural America.

THEREFORE, I, as Governor of Texas, do hereby designate the first week of Autumn, September 22 - 28, 1963, as

YOUNG FARMER WEEK

in Texas, and urge all citizens to give recognition and encouragement to these young men.

In official recognition whereof, I hereby affix my signature this 19th day of August, 1963.

John Connally  
Governor of Texas

# Stay Off Field, Grid Fans Reminded

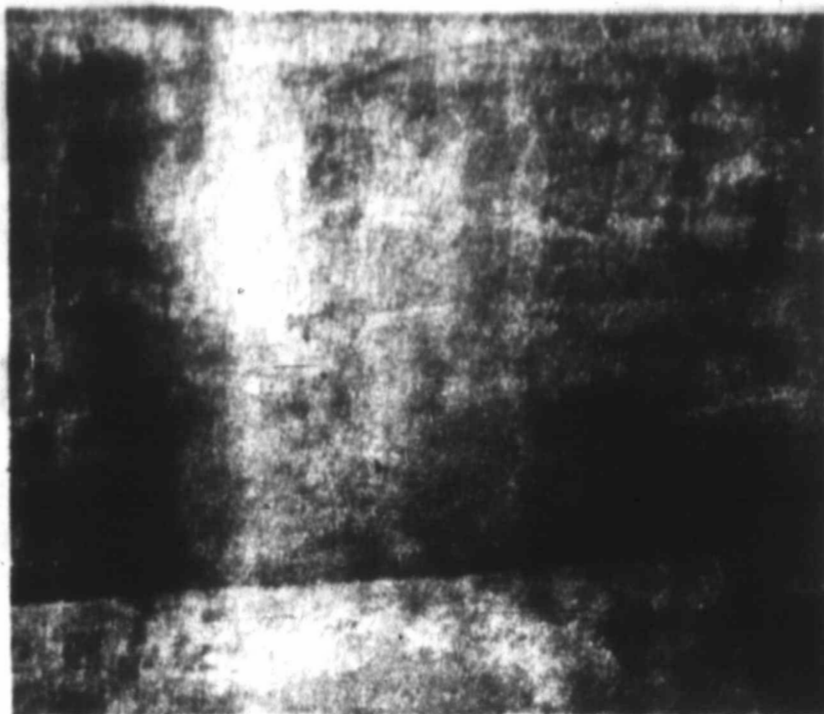

Sudan football fans this week were reminded of some school policies regarding fans at football games that may need some explanation. Some of these policies are set by the local school board and others by the Interscholastic League in Austin. So there will be no misunderstanding and so that the school will not get in

trouble with the State office the following information was given: Fans at games must stay off the playing field, the field space being the inside area surrounded by the cable in our stadium. Fans, including children, must be kept off the end zones of the field also. Failure to carry out either of these regulations will

be cause enough for the officials to forfeit the game to the visitors. These rules are set by the State, and game officials are pledged to see they are observed.

Admission charges, as set by our district and the local school board, are: \$1.00 for adults, and 50 cents for elementary, high school, and college students. Cars entering the field will be charged 50¢ per car. Many schools in our area charge \$1.25 and 75¢ for admission, but rather than raise those prices here it was decided to charge a car fee.

School officials requested that anyone who is not going to sit in his car at ball games park on the outside of the stadium since there are people who want to sit in their cars and cannot find parking space. Fans' cooperation in these matters will be appreciated.

## TECH TO OPEN GRID SEASON SATURDAY

LUBBOCK, (Special) — Texas Tech kicks off its 1963 football schedule against the powerful Washington State University Cougars in Jones Stadium at 7:30 p. m. Saturday.

Dave Mathieson, one of the nation's leading passers, is a senior quarterbacking the Cougars, who return 23 lettermen from last season's team.

By contrast, Coach J. T. King's Raiders have no returning lettermen at the vital field general spot. Jim Ellis, junior from Lubbock, logged 29 minutes before being felled in the season's second game last year, and missed all contact work in spring training while recovering from a knee operation. He'll share quarter-

### from The Bible

As the Father hath life in Himself, even so gave He to the Son also to have life in Himself.—(John 5:26)

We have but to acknowledge the fact in order to rejoice in the conviction that His life is within us, that it is constant and sufficient to fulfill our needs.

Each day we turn another page. While yours are adding to our age. We're making history every day. Through deeds and acts that we display. Each day we write a little more. Just adding to the day before. I wonder if it all will be, An interesting history.

## "Play-As-You-Go" Radio-Phonograph

This outdoor miss jumps aboard ship—and never misses a beat of her favorite tune. She's carrying her new "Swing-Along," a battery-powered radio-phonograph that plays in any position, even upside-down. Ideal anywhere, in any season—on picnics, at the beach, hunting, or just hiking along—the new instrument has just been introduced by Channel Master Corporation, Ellenville, New York.

Ruggedly constructed, the transistorized radio-phonograph weighs only six pounds, and can be carried like a briefcase without interrupting the play of the record. Both record-player and radio operate on four "D" Cell flashlight batteries. Channel Master's advanced design provides excellent sound quality, and gives the radio pin-point station selectivity.

Secret of the precision phonograph, which plays 45-rpm records, is an invisible tone arm that plays from underneath the record, even while the unit is in motion. Play is continuous since the arm is designed to stay with the record in any position. List-priced at \$79.95, the "Swing-Along" carries the famous Channel Master 90-day free repair warranty.

The nation's housewives used 2.7 billion pounds of synthetic detergent and more than a billion pounds of soap last year. Throw in the pounds and pounds of elbow grease necessarily present for any act of scrubbing and we have a nation so clean it almost squeaks. Things weren't always so easy, though, for the long suffering woman of the house. Just 10 years ago, for instance, only about half as much detergent and soap was consumed yearly in the U.S. It follows, naturally, that twice as much elbow grease was required to make the average kitchen as clean as the housewife demanded.

Happily, however, industry has developed a long line of items designed to help daily household chores disappear with minimum effort. One such item, a particularly unusual household hero, is the sponge. Long used in most homes as a replacement for the dish cloth, the sponge also proves a handy weapon in the never ending war against spillage, dirt on countertops, floors, walls, cars, outdoor furniture, etc.

It might interest you to know that not all sponges are the same. According to Simonsine Company, the world's largest producer of urethane sponges, ordinary sponges will quickly dry out and become hard and unusable.

On the other hand, company officials say, urethane foam sponges, such as the Simonsine Ivalon Sta-Soft sponges, are highly durable and will remain soft when dry.

New to the sponge field but well-known for furniture-cushioning and other applications, urethane offers higher abrasion resistance and will not swell or disintegrate with the use of cleaning fluids. It resists mildew, remains fresh of odor, and eliminates the growth of infectious germs and fungi.

It seems to me that the spirit of romantic evenings is created by velvet; and when B.A.K. cuts velvet with long shiny sleeves and a bit of satin at neck and waist — gentlemen, beware!

### FISHIN' TERMS

Fishermen, who seldom miss  
an opportunity to discuss their  
favorite pastime, have concocted  
a number of colorful terms to  
describe their prey, their equip-  
ment and each other.

Here are a few of the more  
picturesque expressions which  
the angling fans at Mercury out-  
boards fondly culled from some  
fishing glossaries and pass along  
for the benefit of newcomers to  
the sport:

**Double Blood** - A popular fish-  
erman's knot used for joining  
two pieces of leader or joining a  
leader to a line. This is one knot  
every angler should know. If  
you can tie a double blood, you  
are one of the boys.

**Horsing** - Trying to land a  
fish too rapidly, or with brute  
force instead of skill. This is one  
of the best methods of losing a  
trophy size fish yet devised by  
inept men.

**Jack Salmon** - Southern name  
for walleye pike.

**Jug** - A weighted lure designed  
to be fished with an up-and-  
down motion. This act is called  
"jugging."

**Lunker** - A big fish of any  
species. Before you use this  
term make sure that the fish  
referred to is really big. For in-  
stance, a lunker bass should be  
at least six pounds.

**Scull** - The act of paddling  
with one hand to move the boat  
along slowly. Almost a lost art,  
since the introduction of the  
slow-trotting Merc fishin' motors.

**Sidewinder** - A villain in most  
fishing circles - a man who casts  
with a wide sideward motion.  
Sidewinders knock hats off fish-  
ing companions, and are gener-  
ally considered a menace in a  
boat. Isn't he one?

**Spoon** - A metal lure widely  
used for trout, muskie, and pike.  
Humor has it that the first lure  
of this type was made by sawing  
off the head of a tablespoon and  
drilling holes in it for a line  
and hook.

"A Communist is a fellow  
who will gladly divide his  
hunger and thirst with you  
if you'll divide your pie and  
coffee with him." - Ernest L.  
Henes, Wellington (O.) En-  
terprise.

"I sincerely hope the men-  
tal health program is ex-  
tended into Washington  
where it is so sorely needed."  
- George B. Brown, Artec  
(N.M.) Independent-Review.

"A nickel goes a long way  
these days. You can carry  
one for weeks without find-  
ing anything it will buy."  
- John W. Moore, Plains (Tex.)  
Record.

### CARD OF THANKS

To all those friends who were  
so very kind and thoughtful to  
me and my family during the loss  
of our loved one, Viola May,  
in opening your homes to us, for  
the food, prayers, and all other  
wonderful gestures of love, we  
say thank you from the depths of  
our hearts. Your acts of love to-  
ward us have made our burden  
easier to bear.

God bless you.

### CITATION BY PUBLICATION THE STATE OF TEXAS

TO: EVA MAE TENNELL, De-  
fendant, Greeting:

YOU ARE COMMANDED to ap-  
pear before the Honorable Dis-  
trict Court of Lamb County at the  
Courtroom thereof, in Littlefield,  
Texas, by filing a written answer  
at or before 10 o'clock A.M. of  
the first Monday next after the  
expiration of forty-two days from  
the date of the issuance of this  
citation, same being the 7th day  
of October A. D. 1963, to Plain-  
tiff's Petition filed in said court,  
on the 22nd day of August A. D.  
1963, in this cause, numbered  
5411 on the docket of said court  
and styled M.B. TENNELL, Plain-  
tiff, vs. EVA MAE TENNELL,  
Defendant.

A brief statement of the nature  
of this suit is as follows, to-wit:

This is a suit for divorce, alleg-  
ing cruel treatment to such an ex-  
tent as to render plaintiff and de-  
fendant further living together as  
husband and wife wholly inap-  
portable, alleging that there is no  
community property, real or per-  
sonal, owned by plaintiff and de-  
fendant, and alleging that there  
were five (5) children born of the  
marriage of plaintiff and defen-  
dant, said children being Doris  
Jean Tennell, a girl, seventeen  
(17) years of age, Jackie Tennell,  
a boy, sixteen (16) years of age,  
Daniel Tennell, a boy, thirteen  
(13) years of age, M.B. Tennell,  
Jr., a boy, six (6) years of age,  
and Billy D. Tennell, a boy, two  
(2) years of age.

Praying for divorce and dis-  
solution of the marriage relation  
now existing as between plaintiff  
and defendant, and for general  
relief as is more fully shown by  
Plaintiff's Petition on file in this  
suit.

If this citation is not served with-  
in ninety days after the date of  
its issuance, it shall be returned  
unserved.

The officer executing this writ  
shall promptly serve the same ac-  
cording to requirements of law,  
and the mandates hereof, and  
make due return as the law di-  
rects.

Issued and given under my hand  
and the seal of said court at Little-  
field, Texas, this the 22nd day  
of August A. D. 1963.

Attest: Ernest L. Owens, Clerk,  
(Seal) District Court  
Lamb County, Texas.
