FORTIETH YEAR

SUDAN, LAMB COUNTY, TEXAS

THURSDAY, OCTOBER 8, 1964

NUMBER 32

## WOODWORK

BY DALTON

HOUSTON CHRONICLE reporter Oscar Griffin recently wrote a series of articles on the theme, "Our College Crisis," and the first of these pointed out that education is one thing that isn't big in Texas. Griffin said this:

- Texas ranks sixth among the states in population, but in education it stands
- 30th in the number of bachelor's and first professional degrees awarded
- 37th in the amount of state money spent on higher education
- 21st in the number of doctoral degrees awarded
- 31st in the average number of school years completed by persons 25 years old or older
- 29th in the percentage of households earning \$10,000 a year or more
- 30th in percentage increase in per capita personal income

I always thought all colleges were bursting at the seams, but this guy's article says that a few are eager to get more students because their enrollment has shown little increase. He doesn't name these.

One thing it doesn't take a writer to tell any of us is that small towns like our own have more students than ever in colleges right now. And if you've visited Texas Tech's campus lately, you also know that there are more students than red ants out there, and every one of them must have two cars.

WELL, I'm now batting .698 for the season, after getting 9 of 12 right last week. I came closest to the Texas-Army score picking Texas 17-7. For the season, my score is 30-13.

This week: Springlake 24, Amherst 13; Anton 20, Meadow 14; Friona 20, Hale Center 14; Farwell 19, Frenship 7; Petersburg 16, Spur 0; Plains 27, Sundown 13; Texas 24, Oklahoma 14; Texas Tech 20, TCU 18; Arkansas 14, Baylor 7; Denver City 29, Muleshoe 14, Yankees 4, Cardinals 1.

Mr. and Mrs. Truman Parrish were in Lawton, Okla. Thursday to attend the funeral of her cousin, Dr. Ernest Winters, who was killed in an automobile accident last Tuesday. Internment was at Wellington. While in Wellington Mr. and Mrs. Parrish visited Rev. and Mrs. Ellis Todd, former Sudan residents.

Mrs. Quinton McCaghen underwent surgery last week in a Lubbock hospital.

Mrs. M. E. Blake is in Wimbora to be with her son, Jack, who was injured recently in an automobile accident.

Saturday. Mr. and Mrs. J. W. Olds have a new granddaughter, born last Thursday to Mr. and Mrs. Pat Christal of Amarillo. The Christals' two sons, Mike and Joel, spent the weekend in the Olds home.

Mrs. R. E. Scott was hostess Thursday afternoon for a Bridge club meeting when the following members were present, Mesdames Audrey West, Arthur Nelson, Richard Powell, Bill Palmer, Glenn Chester, Billy Chester, Gerald Chisholm.

A bridge and canasta luncheon was held last Tuesday at the Crescent House Restaurant in Littlefield when hostess for the event were Mrs. Cleo Whitmire, Mrs. Burnice May, Mrs. H. H. Olds, Mrs. J. B. Bottoms. Mrs. Clovis Bridwell won high in Bridge and Mrs. Simon Hay, high in Canasta. Approximately thirty women attended the event.

Lots of fumbles, interceptions, and some exciting plays were the keynote of last Friday's football warfare which saw the Sudan Hornets bow reluctantly but definitely to the big and rough Friona Chieftains here.

Primarily on the running of Fullback Doug Dodd and a couple of unlikely pass receptions, the visitors walloped the Hornets 34-7, but not until they had put the Hornets' chief offensive threat, QB Mike Smith, out of action, and slowed his replacement, Corley Baker, so much that Baker remained hospitalized this week.

Smith suffered a concussion and was hospitalized until Sunday, when he was brought home. He is expected to be able to play again, but may not get into action against Springlake Oct. 16, which is Sudan's next game. Fortunately for the Hornets, they have an open date this week. Baker's status is even more doubtful, as he suffered first a kidney injury and then a leg injury, with the latter keeping him

in the hospital. In spite of the top heavy score, the Hornet's defense, led by Guard Rommie Brown and linebackers Tommy King and Kenzel May, did a good job of containing the Chieftains most of the time. But the long gainers hurt them. Dodd ran 76, 42 and 13 yards for touchdowns, and Friona scored on passes of 12 and 27.

Dodd opened the ball in the first period with his 72-yarder and kicked the first of four extra points he made. But Sudan came right back with Smith hitting Baker on an 18-yard scoring play, and HB Mike Bellar kicked the point. Dodd countered with a 42-yard waltz, and that was all the scoring in the first half. Smith never came out after the half. But he still led all Sudan gainers with 41 yards in 9 carries, and completed 5 of 15 passes for 77 yards.

With Baker at the helm, the Sudan team came out in the third quarter to drive to the Fri-

ona 11, but missed a first down by inches, and the ball went over. At that time it still was 14-7, but Friona quickly moved to another Dodd-blasted touchdown, and from there on, it was a matter of the Hornets holding for awhile, then bowing to the long play, with one TD set up with the recovery of a Sudan fumble on the Hornet 12. On this one, QB Jim Snead passed to End Jesse Shirley for the score.

With 30 seconds left, Friona QB Lonnie Ellis passed 27 yards into the end zone to end Hugh Latham, who caught the ball twice for a score. Defensively, Friona tackle Gene Weatherly, a 220-pound giant, stood out. There were 10 fumbles (four by Sudan) and four intercepted passes in the wild contest. Recovering fumbles for Sudan were King, Brown, May, Frank Cantu, and a pass was intercepted by Bellar.

Randy Scott, son of Mr. and Mrs. R. E. Scott, was ill and confined to his home the first of the week.

Dyanne Curry was home from Tech to spend the weekend with her parents, Mr. and Mrs. Bill Curry.

## Mahons To Visit Tuesday; Demos Open Office Here

Cong. and Mrs. George Mahon will visit in Sudan and in Littlefield next Tuesday, when any of his constituents are invited to visit with the couple. The Mahons will be at the home of Mr. and Mrs. R. D. Nix from

11:15 a. m. to 12:30 p. m. for a reception and coffee, and Sudan residents are invited to participate. Lamb County Young Democrats will be host for a reception and coffee honoring Cong. and Mrs. Mahon from 2 to 4 p. m. Tuesday, and everyone is invited. The event will be at the Littlefield Community Center. Democratic Headquarters officially opened Tuesday in Sudan at the former office of Dean Reed Estate, and will remain open until the Nov. 3 election. Local Democrats are invited to come by and pick up materials such as automobile stickers, etc.

## Dogs' Day Thursday

Inoculation of all dogs and pets in the Sudan area against rabies is the goal of a campaign sponsored by the Zeta Delta chapter of ESA, which is setting next Thursday, Oct. 15, as the day to get the job done.

From 1 to 5 p. m. that day, Dr. Jerry Gleason of Muleshoe will be in Sudan at the Fire Hall, to inoculate pets at a fee of \$2.50 each.

"For the safety of everyone in the community, and especially the children, we are urging every dog owner to take advantage of this opportunity," said Mrs. Jeane Bartley, president of the chapter.

The Zeta Delta Chapter of the Epsilon Sigma Alpha Sorority met Thursday evening in the home of Mrs. Edward Fisher when Mrs. Jay Miller gave a book review.

During the business meeting, with Mrs. Gene Bartley presiding, plans were made for a game party, the selling of bags of pecans, and a Halloween party for money making projects. Lemon cheesecake, coffee and tea were served those present including Mrs. Miller, Mrs. Bartley, Sandra Humphreys, Donna Testerman, Dianne Palmer, Carol Bellar, Betty Van Ness, Ann Carson, Pattie DeLoach, Paula Ballard, Gina Masten.

The MYF Shining Light Sub-District meeting will be held at Lazbuddie Methodist Church Sunday afternoon.

## Kids' Photos To Be Made

As is customary in this newspaper's plan of keeping a record of the growth of the community, the paper once again will publish free of charge pictures of all youngsters in the area who have their photographs made at a specified time.

Winston B. Lucas of Irving, a well-known photographer of children, and who has been here several times in the past to take such pictures, will be on hand to take them again. Only pictures taken by Lucas will be included in the series to be published.

Lucas will be in the office of the Sudan Beacon-News from 9:30 a. m. to 1 p. m. Tuesday, Oct. 20.

There is no charge to parents, and no strings attached, as parents are not obligated to purchase pictures after they are made. They may do so if they choose, when they select the pose of their youngsters to be used in the paper. But the matter of buying pictures is entirely up to the parents.

Mrs. J. R. Dean has been confined to the hospital in Amherst.

Mrs. A. A. Burdette was ill the first of the week.

Mrs. Lena Rollins was confined last week to the hospital in Amherst.

## SUDAN JUNIOR HIGH WINS FROM AMHERST

Sudan seventh and eighth grade teams each won over Amherst teams in games played at Sudan last week.

The Sudan seventh graders of Coach Jimmy Alsup defeated the seventh graders of Coach Willis Hedges 24-0 as Billy Gore ran 40 and 7 yards for touchdowns and Harvey Rudd ran 33 yards to score, following a long run by Larry Hanna.

The eighth graders won 30-12, with Monte Roberts running 15 and 40 yards for touchdowns, Green Underwood racing 25 and Jerry Bellar, a seventh grader, going 60 yards to score. Royce McAdams at quarterback kept Amherst in the game with scoring runs of 55 and 5 yards for touchdowns.

JUNIOR HIGH ACTION—Billy Gore, Sudan seventh grader, is being tackled on this play against Amherst last Thursday. On the ground in front of Gore is Larry Hanna (20), and other Sudan players here include Allan Black (51), Steve Smith (72) and Ernest Paul Coge (63). (Staff Photo)

**DO YOU HEAR VOICES?**

Voices—Voices—Voices! All day long and on into the night. children, wives, husbands, radio, TV, students, teachers, parents, preachers, doctors, lawyers, merchants, chiefs,—Voices!

One said, "we are a crusader or we are a corpse". (But we must have a cause before we crusade — or we'll be like the football player who ran over the goal line but failed to have the football.)

One said, "Jesus Christ is the Son of God. The One whom God sent to die for us that we could be redeemed from sin and Satan, and our death penalty for sin be paid for by Jesus. Then, man through accepting Jesus can live forevermore eternally with God, the Father. Not because man is good, but because Christ is good we are saved from sin."

One said, "Eat, drink and be merry... I will build greater barns and store all my fruits and my goods, and I will say to my soul, Soul, take thine ease... and God said unto him: Thou fool, this night thy soul shall be required of thee; then whose shall these

things be, which thou hast provided."

Jesus said: "For God sent not His Son into the world to condemn the world; but that the world through Him might be saved. He that believeth on Him is not condemned; but he that believeth not is condemned already, because he hath not believed in the Name of the only begotten Son of God."

Jesus' voice said, "For God so loved the world..." (Bible, Book of St. John, Chapter 3, verses 16-18.)

Do we hear so many voices that we never really hear any of them? Let's stop now, pay attention and listen to God—and be amazed that He has offered to us what each one of us most need and want: forgiveness, Love and Life that will never end!

Listen! Do you hear a Voice?

A good politician is one that can step on your toes without mousing up the shine; get into your pocketbook without a gun, and make you think he is the original Santa Claus.

**Vows Are Read**

The Trinity Methodist Church in Plainview was the scene for the wedding of Jan Wallace and Gerald White, Saturday evening at 7:30. The bride is a former resident of Sudan and is the daughter of Mrs. Betty Karlstad and Orval Wallace.

Performing the double ring rites was Rev. Lyndall Fletcher. Rev. Fletcher also sang wedding selections, accompanied at the organ by his daughter, Ann Fletcher.

Given in marriage by her father, the bride wore a white satin gown. She carried white carnations atop a white Bible.

Miss Nancy Williams, Sudan, was maid of honor. Bridesmaids were Ginger Wallace and Beverly Chisholm.

Candlelighters were Carol Chisholm and Margie Wallace with Pattie Chisholm acting as flower girl.

Best man was Charles White, brother of the groom. Groomsmen included Bob White and Glenn Pendergrass.

At the ensuing reception Mrs. Orval Wallace and Marca White, sister of the groom performed the hospitalities. Blue and white were used for table decorations.

Following their wedding trip the couple are now at home in Plainview where he is employed with the Cloverlake Company.

Mrs. White attended Sudan Schools and is continuing her high school education in Plainview. Her husband is a graduate of Muleshoe and attended West Texas State University.

conducted in Argentina and Uruguay, and the missionaries also will visit Panama, Brazil, Chile, and Peru.

The project is sponsored by the Methodist boards of missions and evangelism.

In Argentina and Uruguay the missionaries will participate in discussions on Christian doctrine and basic Methodist beliefs, train pastors and laymen in personal and evangelistic visitation, and preach in evangelistic services in churches.

Half of the time in Argentina and Uruguay, he said, will be spent in urban areas and half in small towns and rural sections of the interior.

All the U. S. participants are ministers except two, one of whom is Joe T. Salem of Sudan.

There's ever walking side by side,  
To be accepted or denied,  
A right or wrong that fills each day,  
That never fails to come our way.  
A task that we're to live, to do,  
Is making choice between the two;  
We find it's one continuous fight,  
To always stand for what is right.

## Jaycees Rip Teachers

The Sudan Jaycees, with some new young blood in its membership, evened up the football series with the Sudan faculty at 1-1 Tuesday, as the Jaycees romped to a 45-12 victory.

Joe (Bonehead) Bellar passed for a whole bunch of touchdowns, including two to Bobby (Cowboy) Newman, and Curley (Crankcase) Allen scored a couple for the Jaycees. Also scoring for the Jaycees were Jitter John Humphrey and Ronnie (Bull) Gatewood, and possibly someone whose number the sportswriters couldn't catch.

Jimmy (Ironhead) Alsup scored both TD's for the losers, one on a long runback of a kickoff, which was kicked from the Jaycees 25 after Referee Adnan

(Thin Skin) Martin assessed a penalty for Gatewood smarting off at the officials.

Jaycee President Phillip Gordon expressed appreciation to the faculty and officials for their participation and to those who attended the game, proceeds of which will be used in Jaycees local projects.

A shotgun given away by the Jaycees was given to H. M. Black of Sudan.

Mr. and Mrs. J. B. Bottoms were Amarillo visitors Thursday.

Mr. and Mrs. Bob Drake were in Lubbock Saturday when they visited J. R. Dean and Sara Wood, who are confined to hospitals there.

## BETTER THAN AN ALARM CLOCK

Those who hate to get up in the morning may find the early waking hour less unpleasant if a tasty nutritious breakfast tray is waiting for them.

For an appealing but easy-to-make and nourishing breakfast, the home economists at Carnation Company suggest a bowl of crisp spiced cereal topped with fruit and served with liquefied Coffee-mate, the dry instant non-dairy coffee creamer.

Developed as a creamer for hot beverages, Coffee-mate dissolves instantly and completely with just a flick of the spoon. And since Coffee-mate stays fresh without refrigeration, it can be packed in a sportsman's kit for hunting and fishing or slipped into a desk drawer for coffee break.

### SPICY CEREAL WITH BANANAS (Makes 4 servings)

2 cups hot water  
1 cup dry instant non-dairy coffee creamer  
4 cups corn flakes  
1/2 teaspoon cinnamon  
1/4 teaspoon nutmeg  
4 medium bananas, sliced

Combine hot water and non-dairy coffee creamer; stir until well blended. Chill. Combine corn flakes, cinnamon and nutmeg; toss lightly. Turn corn flake mixture into 4 cereal bowls. Top with bananas; serve cereal and bananas with chilled non-dairy coffee creamer.

## Year's most talked-about new cars

'65 Chevrolet Impala Sport Sedan

## '65 Chevrolet Impala

It's '65's biggest, most beautiful change. There's striking new styling. New length, width and lowness. A roomier new Body by Fisher housing an interior that's a knockout. And a more serene Jet-smooth ride with a new Full Coil suspension system. Fact is, if you overlook just one thing you can easily convince yourself you're onto a big expensive car here. And that thing is its Chevrolet price.

New Corvair Corsa Sport Coupe

## '65 Corvair Corsa

There's never been anything like it from either side of the Atlantic. There's new thin-line hardtop styling for all closed models. More length and width, more entrance and shoulder room in all models. And a higher powered range of engines—with up to 180 hp available in the top-of-the-line Corsas. How sporty can a car get? Your dealer's got the Corvair that'll show you.
