

MANY CATTLE . . . Cattle feeding in the Friona area is increasing by leaps and bounds, with existing feed lots adding to the number of cattle on feed, and other new feed lots in the

making. A survey by Southwestern Public Service Company the past week showed that there were some 32,000 cattle on feed in the immediate Friona area. In a 30-mile radius of

Friona, it has been estimated that there are over 150,000 cattle on feed. With a good supply of cattle, and a ready supply of feed in the form of grain sorghum, cattle feeding has

boomed in West Texas in recent years. The above pictures were taken at Friona Feed Yards, currently feeding 26,000 cattle, with a capacity of 27,000 head.

Four Men Announce For City Council Race

Four men had announced as candidates for the position of councilman on the Friona City Council as of presstime this week.

Three places on the five-man board are currently open. Deadline for filing is midnight Saturday, March 4. The election will be held Tuesday, April 4.

Those who have announced include Ed Hicks, the only incumbent who is running again, Wes Long, Marion Fite and James Procter.

Besides Hicks, the aldermen whose terms are expiring are Joe Talley and Glen Stevick. Aldermen elected last April, who have a year left to serve, are Dr. Lee Cranfill and Rene Snead.

Also with a year left on his term is mayor W.L. Edelman, who was elected along with Snead and Dr. Cranfill last year.

Last year's city race saw a near-record turnout of 345 voters, as six men ran for the two vacant council seats, and two men ran for the mayor's post.

AT SAN ANTONIO

Gen. Ayers To Direct Technical Exercise

Brig. General Ross Ayers, of Friona will be the exercise director of a Map Tactical Exercise to be held on February 24-26 in San Antonio.

The exercise, which is called Blue Flag Alpha, is being conducted the 75th Maneuver Area Command (USAR), Houston. The 36th Infantry Brigade (separate) which General Ayers commands will conduct a Field Training Exercise when the unit goes to 15 days annual field training at Fort Hood in June.

Blue Flag Alpha is being conducted this weekend to test the operations of his unit and to provide training for the staff and officers and enlisted men of the units participating.

Over 150 Army National Guardsmen from the 36th Infantry Brigade (Separate) will be in San Antonio for the two and one half day exercise. The Texas Brigade, under General Ayers command is only sixteen months old, being formed in November 1965. Since that time the units have come to full personnel manning, have increased their training time by 50% and are fully equipped, except for a few substitute items.

Units of the Brigade are located in the San Antonio, Waco, Austin and Corpus Christi areas. General Ayers headquarters is located in San Antonio.

LAST FRIDAY

Busbys Killed In Automobile Wreck

Joint funeral services for Mr. and Mrs. Pat Busby were conducted Tuesday at the First Baptist Church of Friona.

Mr. and Mrs. Busby were killed instantly in a head-on automobile collision last Friday night near Summerfield.

The Busbys were traveling west on U.S. Highway 60 when they encountered the car driven by Jimmy Vasques Flores, 23, of 223 Ave. C., Hereford.

Highway Patrolman Ronnie Rainey, who investigated the accident, said the car driven by Flores was apparently on the wrong side of the road, going east. It is thought that Flores pulled out to pass a truck. The accident occurred at about 11:10 p.m.

A car involving other Friona residents crashed into the wreck, although none in the third car were seriously hurt. Maurine Dunn was the driver of this car. With Mrs. Dunn were Mrs. Aubrey Rhodes, Mrs. J. Lee Witten and Mary Rando.

The Busbys had lived in Friona over 20 years. Pat, who was 57, operated a wrecking yard. Ruth, 52, had served as a clerk at the local variety store several years, and prior to that worked for F.L. Spring's "Country Store." She had been honored by the Friona Chamber of Commerce in 1963 as Friona's "Most Courteous Employee."

Survivors include a son, Donald Ray, who is currently in the U.S. Navy; a daughter, Mrs. Jim Huneycutt of Amarillo, and two grandsons.

Mrs. Busby is survived by a sister, Mrs. Lester Dean of Friona; and two brothers, J.B. Shirley of Hereford and Reardon Shirley of California.

Services were under the arrangement of Claborn Funeral Home. Burial was in Friona Cemetery. Rev. Bill Burton of the First Baptist Church preached the funeral service. The Busbys were members of the church.

Pallbearers were John Wright, John L. Ray, Roy Miller, Bill Smith, Marion Fite, Ralph Roden, Sam Williams, Tom Lewellen, Curtis Murphree, Clyde Hays, Bill McGlothlin and Charles Allen.

Pat Busby

Ruth Busby

"We've just finished reading Ruth Montgomery's book 'A Gift of Prophecy,' and it kinda leaves us wondering just what we believe when it comes to people who predict the future.

Before we read the book, we thought such people were just so much 'hokum.' Naturally, we had heard about Jean Dixon, and of the events she was supposed to have predicted, but we had continued to dismiss it was a grain of salt.

However, after wife Carol finished reading June Floyd's copy of the book, we were persuaded to read it. Having done so, we're sort of wishing we hadn't. 'Cause now we don't know just what we believe.

If Mrs. Montgomery's facts are dependable, then there must be more to Jean Dixon than just so much 'hokum.' Ruth Montgomery has a newspaper background, so we have to be careful in rebuking her book -- she's one of our 'own people.'

Mrs. Montgomery says that she herself, having been trained as a newspaperwoman, accustomed to dealing only in facts, was highly skeptical of Jean's alleged 'prophetic powers.'

However, after some 15 years of working with the famous searss and printing her New Year's predictions each year, Mrs. Montgomery has become a believer.

And, having read the book -- well, we're not sure; but one thing for sure, we'll definitely be more tolerant when the subject of Jean Dixon is brought up.

Here's a woman who is said to have predicted the assassination of President Kennedy four years before he was even elected president, and over seven years before it happened.

Jean Dixon had predicted the launching of the world's first satellite by Russia, and has predicted that the Soviets will be the first to land a man on the moon (and with our current delay in the program, this is becoming more of a possibility every day).

As early as 1944, Mrs. Dixon is said to have warned of the race riots for the years 1963 and 1964, becoming so violent that 'fighting would break out in the street.'

Jean Dixon has been friends with five Presidents, and her invitation to visit President Roosevelt brought some of the predictions which are the most outstanding to this reader.

Mrs. Dixon told FDR that China would go communist, an event he could not believe, and that our big worry would come from Africa instead of Russia.

Roosevelt was interested in knowing from her if the U.S. would be allies with Russia. She told him they would not be allies until later on, 'against Red China.'

She also was asked by the ailing leader early in 1945 how much time he had to live, and she was forced to predict less than six months, which turned out to be correct.

Jean has successfully pre-

(Continued on Page 5)

IT RAINED!

Sunday Shower Leaves .32 Inches!

Sunday night's unusual shower left .32 inches of rain in Friona, and while it may not have seemed like a big rain for some parts of the country, it was more than welcome in the Friona area.

Outlying farms reported as much as one-half inch of the gentle-falling moisture, which was the most measured at Friona's weather station since last November 9, when .40 inches were measured.

Added to the .04 inches measured by the city February 2 in the form of a light shower, February's moisture came to .36 inches, which is also the total for the year, since January rang out at 0.00 inches. The temperatures for the past week, as tabulated by the City of Friona, were as follows:

DATE	MAX.	MIN.
Feb. 23	50	23
Feb. 24	50	15
Feb. 25	45	15
Feb. 26	55	25
Feb. 27	62	36
Feb. 28	53	27
March 1	69	28

Father-Son FFA Banquet Friday

The Friona High School FFA chapter's annual Father-Son banquet is scheduled for Friday in the high school cafeteria, beginning at 7:30 p.m.

Barbecue for the affair is once again being furnished by Farmer County Implement Company. All fathers of FFA students are invited to attend.

Young Tours Naval Academy

Friona High School instructor Lionel Young returned recently from a three-day tour of the U.S. Naval Academy at Annapolis, Maryland.

Young joined a group of Panhandle area school officials who made the trip. They were flown to and from the academy by the Navy. Earlier this school year, counselor Baker Duggins attended a similar tour of the U.S. Military Academy at West Point.

Supply Pastor Is Named

J. Ivylo Bishop has been named "interim pastor" for the First Baptist Church while the church is seeking a pastor to replace Rev. Bill Burton. Bishop has previously supplied for the church, and did so in 1963 while Rev. Burton preached in Japan.

"The Restless Ones" Sets Five Showings

The motion picture which is considered the most successful yet produced by Evangelist Billy Graham, "The Restless Ones," is scheduled to be shown in Friona this weekend.

Five showings are scheduled two on Friday and three Saturday. Showtime will be 6:30 and 8:45 p.m. each day, as well as 3 p.m. Matinee Saturday afternoon.

The local committee in charge of the showing include David Campbell, church director; Otho Whitefield, civic club director; Raymond Cook, student groups director; Dale Westbrook, counseling arrangements; A.L. Outland, publicity director and Kenneth McDermitt, director of ticket distribution.

With the accent on youth, this feature-length film deals imaginatively and dramatically with the teen-age crisis. With a background setting provided by the 1963 Billy Graham Los Angeles Crusade, and artfully woven into the story pattern, "THE RESTLESS ONES" is a hard-hitting, bold approach to our social problems.

Here is a film which dares to be different, a story which will stir the heart and mind. Having seen "THE RESTLESS ONES," you will never be the same.

As one reviewer said, "Here is a picture that tells the world

READERS EVERYWHERE . . . Shown is a portion of the crowd at Friona Public Library's story hour last Thursday, at which 46 pre-school children took part. The children checked out 80 books. In the lower left hand corner of the picture is Zora Gaede, librarian, in charge of the story hour were Mrs. Jerry Brown, Mrs. James Pope and Mrs. Ronnie George.

Deadline Set For Rec Center Drive

Officials of the proposed bowling and recreation center for Friona have set a deadline of March 14 for raising of the money for putting in the new center, it was announced this week.

Since owners of the former Friona Lanes building need to have a definite commitment on the building, the deadline was set to enable them to know.

At the present, the drive has raised \$17,000 in sales of stock and commitments. The group says it needs \$40,000 in order to continue in operation.

The deadline date was set at a meeting of the drive officials Tuesday night.

AN EDITORIAL

Law Enforcement Needs Support

It's about time that we turn our attention to law enforcement.

Across the country policemen are quitting in disgust. Last year 53 policemen were murdered in line of duty and 6,836 were injured.

It is no rarity now for officers to be attacked by a mob while trying to arrest a suspect at the scene of a crime. There is growing police uncertainty, even timidity in going after criminals.

Even when a criminal is caught redhanded he has a good chance to walk away free while the policeman may be reprimanded for "police brutality."

In some cities police are admonished not to speak to a suspect in a "rough tone of voice."

To cap it off, policemen are underpaid. Houston Police Chief Herman Short says 75 percent of his men are "moonlighting" on extra jobs just to make ends meet.

The most discouraging aspect of the whole picture is the fact that society is not particularly in favor of law enforcement.

If society doesn't begin backing its law enforcement agencies, we may see anarchy or quasi-anarchy sooner than we think.

--Canyon News

Pause And Reflect

by Nelson Lewis

Remember the fellow who never had any worries? His wife spent all of his money and his neighbors tended to all his business. He supposedly led a life of ease and comfort, with no responsibilities. Is such an existence the fate of the American people? Is that what we really want?

Longfellow, in his poem PSALM OF LIFE says, "be not like dumb driven cattle, be a hero in the strife."

No doubt, most of us need direction in certain areas of our lives. We need laws and policemen to enforce them.

We hear a lot about our standard of living. Webster defines such a standard as "that which has the qualities of a model." To live up to an accepted standard does not mean to be governed by law concerning every move we make. The standard should not dictate what we are to

read, study, hear and see. We want our children educated, not brainwashed into thinking that the "Great White Father" is a year round Santa Claus who will dispense all that they will ever need. These young people must realize that the government can give to them only that which it has already taken away.

Our children and grandchildren have been referred to as "restless." Bear in mind that some of the older generation are a bit restless too, and worried, and concerned, and just plain scared.

We parents are devoted to our children and are willing, and, so far, able to defend them against all invaders. Churches, schools, and decent homes stand as a mighty dam holding back all the forces of evil that have beset every generation since time began.

Christianity and education

Washington Report
From Congressman
BOB PRICE 18TH DISTRICT, TEXAS
1323 LONGWORTH OFFICE BUILDING, WASHINGTON, D. C. • 205-3706

It was good to return to the district the weekend of February 24-26 and visit with many Panhandle residents. The meetings with our agricultural advisor committees in Memphis and Dimmitt were very helpful in giving me a better idea of the wishes and needs of farmers and ranchers in the southern half of the 18th district. I hope to get back soon to meet with other committees being set up to advise me on all phases of Panhandle business and professional life.

Members of the agriculture advisory committee in the southeastern portion of the district include: Lee Schriver, Turkey; J.J. McDaniel and Wayne Hutcherson, Memphis; J.C. Patman, Wellington; Kenneth Ellis, Kirkland; Loyd Mayes, Paducah; O.P. Stark and M.C. Jones, Quitaque; Clarence Zybach, Briscoe; and Henry Moore, Hedley.

In the southwestern quarter of the district I have asked the following men to serve: Doyce Turner and Clarence Mason, Muleshoe; Carl Bruegel and Charles Frye, Dimmitt; Denzil Pulliam and David Brumley, Hereford; Robert Meinecke, Olton; Harold Allison, Earth; Robert Jacobson, Adrian; Lynn Harwell, Vega; Bob Wilson, Bovina; Gilbert Kaltwasser, Farwell; Ben Tye, Kress; and Fowler McDaniel, Tulia.

I have found that much of a congressman's time here in Washington is spent trying to get the various departments in the executive branch to administer laws as Congress intended when they were passed. On February 20, I asked Secretary of Agriculture Freeman to slow down beef imports in order to raise the prices of American farmers and ranchers are getting for their cattle.

I have written Secretary of State Dean Rusk and ask that he reconsider his approval of the sale of government-subsidized vegetable oil to Communist Yugoslavia. I believe this to be illegal under terms of the last agricultural appropriations act which prohibits such sales to countries who are trading with North Viet Nam. The Yugoslav government says it is private citizens aiding the North Vietnamese, however, in a Communist country such as Yugoslavia they could not do so without government sanction.

Because our area is one of the largest oil producing areas of the nation I have vigorously protested Secretary of Interior Udall's threat to increase oil imports to drive gasoline prices down. I would like 24 cent gasoline just as well as anyone but not if it means the petroleum industry is forced to lay-off workers because they are los-

ing money.
As I have stated in the past, there is much discussion here in Washington at the present time about Federal government tax sharing with the states. It has been my position that

the Federal government should reduce taxes instead of collecting them and then sending them back to the states. In this regard, I will join with Senator "Jim" Tower in introducing a bill to create a 33-member Commission on State Revenue Assistance. If approved, this bill would urge the commission to determine the feasibility of the Federal government relinquishing certain taxes to the states. I will be discussing these plans more in subsequent reports to you. Until next week, best regards from your Congressman, Bob Price.

Spring Planting Time

PROTECT Those Valuable IMPLEMENTS

Yep, it's time to oil up those machines and get those crops planted . . .
And, if your farm machinery and implements suffer loss now, you'll really miss them just when they are needed for spring planting.

Insure Now!

Our "All Risks" farm and ranch machinery policy gives you plenty of on-or-off-the-farm protection, assuring you of cash to replace valuable farm implements and machinery—should loss occur.

dicted every presidential election except one: that one being the 1960 Kennedy-Nixon race. About that race, however, she warned Republican leaders to be on guard for voting box irregularities.

History shows that Kennedy won the 1960 election in one of the closest races in political history; also that some irregularities were charged in certain polling places; but that no recount was made.

Mrs. Dixon has "seen" the Republican party winning in 1968, and if the anti-Johnson administration attitude of the voters continues like it did in the 1966 elections, she may be right.

Jean Dixon correctly predicted Marilyn Monroe's suicide; the blackouts in New York Dag Hammarskjold's airplane death; the deaths of Nehru and Mahatma Gandhi. She has said that the year 1967 will be a perilous year for the United States, and that it may be a "decisive" year.

We could go on and on, but you may be contemplating reading the book, and there's nothing we hate worse than someone who ruins a book for us. Suffice it to say that for most people who claim to see into the future, we're still skeptical, but where Jean Dixon is concerned, we're forced to admit that she's an exceptional person.

DANNY CARMICHAEL

Paul Sneed To Lecture

Paul Sneed of Amarillo, an outstanding speaker and lecturer, will speak at Sixth Street Church of Christ at 8:00 p.m. Tuesday, March 7. His lecture will be designed to inform parents of some of the major problems of youth of today and to present some possible solutions to them.

Sneed, a native of Eastland, Texas, is a graduate of Idalou High School, received his bachelor's degree from Abilene Christian College and his master of education degree from the University of Houston. He was a classroom teacher and coach in Texas public school twelve years before becoming a preacher.

He has worked with the Galena Park Church of Christ, Lubbock, before becoming associated with Central Church of Christ, Amarillo.

He is the father of four children ranging in age from three to 19 years.

ENTERS JOB CORPS . . . Robert Munoz, right, is shown with John H. Thomas, Job Corp Opportunity Specialist with the Texas Employment Commission (left) and Friona school counselor B.E. Duggins, as Munoz is given pertinent information on the Job Corps. He entered the special occupational school project yesterday.

NEW LIONS . . . Two members were installed by Friona Lions Club at its meeting last Thursday. They are Leland Hutson (left) and Leonard Coffey (center). With the new Lions is J.C. Claborn, president of the local club.

Robert Munoz Enrolls In Job Corps

Robert Munoz, 17, a former student at Friona High School, has enrolled in the Job Corps program, and left March 1 for the Job Corps center at Clearfield, Utah.

Munoz, who has lived with his sisters, Mrs. Joe Ovalle and Mrs. Jessie Hernandez, while in Friona, plans to study mechanics. The course will take approximately nine months.

He is the second former Friona student to enter the Job Corps in the last year. Bene Rando enrolled last spring, and is currently undergoing training at San Marcos.

John H. Thomas, Job Corp Opportunity Specialist with the Texas Employment Commission, Amarillo, was in Friona last week to complete details of enrolling Munoz. Friona student counselor Baker Duggins worked with Thomas in getting Munoz into the special program.

The program is designed primarily for young people who are out of school, or for some reason or another will not graduate. It enables them to learn an occupation.

Munoz attended William Adam High School in Alice, prior to moving to Friona.

Completes Training

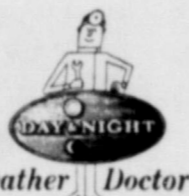

Marine Private First Class Daniel M. Carmichael, son of Mr. and Mrs. D.L. Carmichael of Friona, Tex., has completed four weeks of individual combat training at this Marine Corps Base.

During his more than 200 hours of training, he learned about weapons and combat techniques from combat veteran instructors. They taught him how

to conduct combat patrols, detect and remove mines and booby traps and use the standard Marine Corps infantry weapons.

He will now receive at least four weeks of specialist training before being assigned to his first permanent unit. Marines going to combat units will get detailed training in the particular combat skill they are designated for.

**On The Farm
In Parmer County**

RONNIE McNUTT
County Agent

The greenbug population has increased in many wheat fields according to farmers visited within the county.

Other names for the greenbug are lice and aphids.

The greenbug is approximately 1/16 inch in length, light to dark green in color, and round bodied.

Females give birth to living young. Most females begin reproduction in 6 to 30 days after birth and continue to produce two or three aphids a day for 20 to 30 days.

DAMAGE

Greenbugs develop in large numbers under certain conditions, and may cause serious losses. The greenbugs suck sap from small grain plants and infested fields may have small deadened areas during the winter.

Greenbugs cause more damage when small grain crops are suffering from deficient moisture in mild winters and cool springs. Reproduction is rapid between temperatures of 55 to 75 degrees.

HOW TO MAKE GREENBUG INFESTATION COUNTS

Make a minimum of five random counts each consisting of 1 linear foot of row, while walking diagonally across the field. Larger acreages mean more counts. On small plants, the

greenbugs can be counted on the plants. On larger plants pull the plants to one side and shake the greenbugs onto a piece of paper for counting. WHEN TO SPRAY

The need for applying insecticides depends on the number of greenbugs present, size and vigor of plants, temperature, time of year, moisture conditions, state of growth and presence or absence of parasites and predators. Irrigated crops can withstand larger populations without a marked loss in yield.

Results of experimental tests during the past 8 years indicate that insecticidal applications made on wheat in March and April are the most beneficial.

The following guidelines concerning a need for treatment were taken from the bulletin MP-339 "Texas Guide for Controlling Insects on Grain & Forage Crops":

Month Plant Height Greenbugs (inches) linear foot

February	3-6	100-300
March	4-8	200-400
April	6-16	300-800

Also recommendations for insecticides to use to control greenbugs are found in bulletin MP-339. The bulletin can be found at the County Agent's office in Farwell.

CHAMPIONS EVERY ONE . . . Scotty Windham, vocational agriculture instructor at Lazbuddie, is shown with the five barrows which took five of the six breed championships for Lazbuddie showmen at the Parmer County Junior Livestock Show February 17. Included are the show's grand champion, won for the 10th time in 11 years by a Lazbuddie entry, and the reserve champion.

High Plains Water District Report

The High Plains Water Conservation District has recently completed its annual measurement of water levels in the observation wells within the district.

Observation wells in Parmer County showed an average decline during 1966 of 3.53 feet. This ranked Parmer County third among the 13 counties of the district for the greatest decline during the year.

Biggest decline came in Potter County (4.49 feet), followed by Floyd County (4.40 feet), and then Parmer.

The average decline for the wells located within the thirteen counties of the Water District was 2.10 feet. This decline compares with the declines of 1964 of 2.49 feet; 1965, 3.99 feet; 1966, 3.51 feet. Also comparing this year's decline to five year average declines, 1959-1964 of 2.07 feet, 1960-1965 of 2.30 feet. There are many factors which could have caused the 1966 decline to be less than the average decline in the past few years.

In August of 1966, heavy rains were received generally throughout the Water District. These rains virtually cut off all pumping of irrigation wells on grain sorghum, cotton, and soybeans. Some wheat and vegetables were watered in the latter part of November and December in the Northern part of the district.

Government acreage programs allowing farmers to cut their cotton acreage 35% and slight reductions in the grain sorghum acreage probably saved pumping a great amount of water.

There is a possibility that some recharge occurred in the sandy land areas of Lamb, Bailey, Cochran, Hockley, Lubbock and Lynn Counties where the water table is less than 150 feet below the land surface.

The declines by Counties are as follows:

Armstrong	1.90 feet
Bailey	2.20 feet
Castro	2.68 feet
Cochran	1.68 feet
Deaf Smith	3.38 feet
Floyd	4.40 feet (2nd)
Hockley	rise of .22 feet
Lamb	0.68 feet
Lubbock	1.89 feet
Lynn	0.34 feet
Parmer	3.53 feet (3rd)
Potter	4.49 feet (1st)
Randall	3.03 feet

These declines are not to be used for tax depletion purposes. They are strictly County averages. Detailed decline maps will be prepared by the District for tax depletion use and will be ready for the public by February 15.

Because of new technological developments, tempered glass should break under severe duress — would "fail safe" by crumbling into small granular particles, rather than large jagged pieces that cause severe injury.

**Controlling Weeds
Vital To Cotton**

Researchers serving the High Plains recently prepared their 1967 recommendations for successful use of pre-plant herbicides in cotton.

The recommendations are based on tests, observations and county agents' comments from over the cotton production area, according to Dr. Allen Wiese, weed-control researcher at the Southwestern Great Plains Research Center, Bushland.

Pre-plant herbicides have acquired tremendous popularity recently although Wiese believes some farmers could save some money with hand applications of pre-emergence herbicides.

Farmers seem to prefer broadcast pre-plant applications because they can be made before the busy planting season and because they reduce late cultivations which increase moisture loss and prune cotton roots.

Pre-plant herbicide have given best results on the High Plains when applied to dry, flat soil prior to bedding for pre-irrigation, Wiese says.

Heavy crop residues should be thoroughly worked into the soil before application.

The herbicides must be incorporated into the soil two to four inches within a few hours after application, he said.

Wiese attributes the few cases of poor results with the pre-plant herbicides to faulty application, to listing deeper than incorporation and to failure to use follow-up weed control measures.

Faulty application comes from not calibrating the sprayer and from overlapping or skipping spots in the field.

"You can't use the tractor

tracks as a guide for your spray boom," Wiese says. "If you're applying the herbicide and disking in one operation, the spray boom should be the width of the area you cut with the disk. If you're just applying spray, I strongly urge the use of a new marker as a guide."

Elmer Hudspeth, ag-engineer at South Plains Research and Extension Center near Lubbock, works closely with Wiese on weed control studies.

Hudspeth uses a method of sprayer calibration that is one of the easiest to remember and accomplish.

First step is to record the number of seconds it takes your tractor to travel 100 feet at spraying speed.

Second, step is to collect spray from the nozzles it takes to cover 40-inches row spacing with any length boom because the amount of spray distributed over one 40-inch zone should be the same throughout the field, according to the ag-engineer.

Hudspeth says if gallonage is not suitable, small adjustments can be made by changing pressure. Larger adjustments in gallonage must be made by changing tips.

Several farmers have had poor results from pre-plant herbicides because they listed deeply and the furrow became weedy before planting.

Researchers also say that lister planters tend to throw the herbicide to the middles leaving row unprotected.

Wiese and Hudspeth are both strong advocates of on-the-bed planting where pre-plant and pre-emergence herbicides are used. If lister-planting is used, the furrows should be shallow to avoid throwing the herbicide away from the row and

into the middles. Some farmers have the mistaken notion they can forget about weeds in a herbicide treated field.

Weeds that get by the herbicide have to be controlled. Wiese says there is a possibility herbicides could reduce the population of weeds which were regarded as major problems in the past.

But he says uncontrolled weeds which have not yet been serious problems may now thrive because they do not have to compete with so many other weeds.

**Safety Education
Seen a School Job**

Fire prevention should be taught in every primary and intermediate school throughout the nation, J. Dewey Dorsett, president of the American Insurance Association said today.

"It is at the early ages that children learn the most quickly," he asserted. "If children between the ages of five and twelve are taught what fire is and how fire hazards can be avoided, it will benefit them all their lives."

"Schools have an obligation not only to protect children while they are receiving their education, but also to teach children to protect themselves."

"Fortunately, most schools recognize the need for teaching fire prevention, but fire safety education should not be a one-shot lecture."

"Fire prevention instruction should be given to students periodically. There should be refresher lessons on protection against fire at least as often as school fire drills are held."

**Lillie Transferred As
Holly District Mgr.**

The transfer of three District Agriculture Managers was announced today by Glen W. Yeager, agricultural vice president for Holly Sugar Corporation.

Effective March 1, E.M. Daniels, western agricultural manager, will be transferred to Colorado Springs as eastern agricultural manager; Dexter W. Lillie, manager, Hereford (Texas) District will be transferred to San Mateo, California as western agricultural manager, replacing Daniels, Percy M. Rosenow, northern agricultural manager, will be transferred to Hereford as agricultural manager of the Texas -- New Mexico area.

Lillie, 51, was born and brought up in Arwood, Kansas. He also attended schools in Boulder, Colorado and Salem and Portland, Oregon. He received the B.S. degree in animal husbandry from Colorado State University at Fort Collins in 1939. Lillie joined Holly as an agriculturist in Rifle, Colo-

rado in 1942. He was transferred as an agriculturist manager and transferred to Sidney, Montana. Lillie was transferred to Hereford, Texas in 1963 as manager of the Hereford District. As western agricultural manager, Lillie will supervise all of Holly's agricultural operations in northern and southern California.

Rosenow, 53, is a native of Billings, Montana and attended high school in Sidney, Montana. He graduated from Montana State University Bozeman, in 1936. Beginning with Holly as an agriculturist at Miles City in 1938, he was promoted to agricultural manager at Sheridan, Wyoming in 1947. In 1950 he was transferred to Hardin, Montana as agricultural manager. He was appointed northern agricultural manager in 1963.

Yeager said that these transfers reflected the Corporation's desire that its top employees have experience in all the Corporation's major beet growing areas.

Representatives H.R. Gross, a member of the House Post Office and Civil Service Committee, commented in a recent newsletter on the breakdown in mail service: "Despite steadily increasing postal rates and all kinds of gimmicks supposedly designed to improve service, there has been a breakdown in mail delivery service across the nation that is beyond belief . . . something is seriously wrong and yet there appears that little is being done to improve service . . . Instead of worrying so much about ZIP code and other gimmicks, what we badly need is a thorough investigation of the breakdown in mail service . . ."

'CATS PLAY TODAY

Howell Paces Dimmitt Into State Tourney

The Dimmitt Bobcats, paced by all-regional John Howell, breezed past two opponents at the regional basketball tournament last weekend in Lubbock to earn a trip to the state meet this week.

Dimmitt which coasted to the District 3-AA title with a 14-0 overall record, scored impressive wins at the tourney. The Bobcats raced past pre-tourney favorite, Coleman, 69-46, and then raked up Phillips in the finals, 54-41.

The Bobcats pushed their season record to 32-4, and have now won their last 23 straight ball games. It's the sixth trip to the state meet for the Bobcats, and they'll be after their second state title, having won in 1952.

However, the Bobcats downed a team with a better season record at the regional meet, when they eliminated Coleman, which brought a 28-1 slate to Lubbock. With Howell scoring 22 points, the 'Cats bolted to a 35-23 half-time lead and were never threatened.

Dimmitt will meet San Antonio Cole, the team with the best record of the four class AA entries, (30-1), at 4:35 p.m. today.

In the finals, Dimmitt never trailed, and the closest Phillips could come was 19-21 early in the second half. It was 27-19 Dimmitt, at halftime, and the Bobcats enjoyed at least a 10-point lead all during the second half.

FRESHMAN SQUAWS. . . The Friona High School Freshmen girls, who lost only one game the past season to Dimmitt's varsity B-team, including the championship of the Bovina "B" team tournament, are shown here. Top row, left to right are Janet Mingus, Andrea Wilkins, Becky Neill, Rhonda Garth, Melva Rule, Myra Sue Day, Randie Kelley, and Coach Mel Williams. Second row: Shirley Lynn Smith, Sherri Shelton, Susan Vestal, Gayetta Gable, Jane Rushing, Carla Patterson, and Denise Buske. Front row: Sherri Walker, Carlene Greeson, Rhonda Ragsdale, Kay Riethmayer and Sally Howard.

NINTH GRADE: . . . The Friona High School ninth grade boys are shown here. Back row: Isidore Cordova, Bill (Chief) Buchanan, Joe Ed Boggess, Kenneth Watkins, David McFarland, Raymond Hamilton, and Donnie Carthel. Front -- Jerry Shelton, Bobby Thomas, Joe Bill Jones, Ted Procter, Ricky Davis, and Randy Mabry. Bob Owen is coach of the team. The team won 6 and lost 8, winning consolation honors at Muleshoe.

EDGES FALLWELL

Cindy Ingram Leads Squaw Scoring Parade

Senior co-captain Cindy Ingram led the Friona High School Squaws in scoring with the highest point total and per-game scoring average of any team leader in the past five years, it was revealed this week by season statistics.

The figures showed that Miss Ingram topped the team in scoring with 742 points and a 23.9 per game average. She edged sophomore Hazel Fallwell, who scored 674 points and had a 21.7

points-per-game per average. Miss Ingram's total points are 19 more than Teto Jennings scored as a senior in 1964-65, when Miss Jennings scored 723 points through 36 games. The average is slightly above that of Janet Rushing in 1965-66, when Miss Rushing had a 23.1 scoring average.

It marked the first time for two forwards to score over 600 points in a single season at FHS since Teto Jennings and Char-

lotte Nettles did it for the state championship team of 1963-64.

The Ingram-Fallwell combo scored more points (1416) this season than did Jennings and Nettles, who tallied 1374 in 1964. However, the 1963-64 team had a third player, Linda Davis, who scored as many points (341) as the next four players did on the current team, behind the two leaders.

As a team the Squaws scored 1798 points the past season, an average of 56.2 per contest, and gave up 1388, or 43.3 points per game.

Miss Fallwell's point total is the most by a sophomore player since Miss Jennings scored 634 points in 1962-63. Hazel scored 40 points more than this, and had a three point scoring edge on the former Squaw star for her comparative season.

Miss Ingram's 742 points gave her a career total of 1413 points for three years of varsity play, a 15-point average overall.

FOR WAYLAND

Murphree Entered In Fort Worth Track Meet

Wayland College competition will be represented in 12 events of the Southwestern Park and Recreation track and field meet in Farrington Field in Fort Worth Friday and Saturday (March 3 and 4).

Coach Bill Hardage believes his charges will show best in hurdles, the 440 and two-mile. Ray Barela, Hagerman, N.M., and Gary Mitchell, Clovis, N.M., have been doing the two-mile in around 10:15. Lamont Batchelor, Wink, has shown up with promises in high hurdles. Danny Murphree, Friona, looks good in the 440 as has Roy Donaldson, Farwell.

Roy Donaldson, Brent Lamkin Roswell, N.M.; Bob Pardue, Plainview, and Murphree make up the mile-relay team. John Fowler, Houston; Roy Donaldson and Murphree, are Wayland's 440 team. Roy and Larry Donaldson are a promising

brother combination in the 100-yard dash tries.

Pardue and Lamkin team in the 880 and the Donaldson brothers and Jack Stookey, Leesburg, Ind., perform in the 220 run. High jumpers are Larry Bishop, Leesburg, Ind., and Jim Nelms, Seminole. Fowler will compete in the javelin throw.

Volleyball Tourney To Be Held Here

Ten men's and eight women's teams are entered in a volleyball tournament which will be played at the Friona Junior High School Gymnasium March 7, 9, 10 & 11. Matches will be played beginning about 7 p.m., nightly. Admission of 50 cents for adults and 25 cents for players will be charged.

Three men's teams and one woman's team are entered from Friona.

Floydada To Regional

The Floydada Whirlettes, winners of District 3-AA after a playoff with the Friona Squaws, downed Frenship in their bi-district game Tuesday at Plainview, 53-49, to advance to the regional tournament this weekend.

Floydada got balanced scoring by freshman Cindy Ward, who scored 26, and senior Sally McIntosh, with 19, to outlast the District 4-AA champs.

It was a close game, with Frenship leading after a quarter, 17-15. Floydada led at halftime, 29-27, but Frenship

still was two up, 41-39, after three quarters.

But the Whirlettes have been known for their rallying power, and after taking the lead two minutes deep in the final quarter, were never headed.

Floydada plays the winner of the Granbury-Mason contest at the Regional tournament Saturday. Defending state champion Spearman also won its way to the tourney, with a 54-50 overtime win over Wellington, a team playing in class AA for the first time this year.

Loafman Completes Instructor Course

First Lieutenant Donald L. Loafman, son of Mr. and Mrs. L.W. Loafman, of Rt. 1, Friona, Tex., has completed the Air University (AU) academic instructor course at Maxwell AFB, Ala.

Lieutenant Loafman was one of 147 U.S. personnel and 21

allied officers chosen for the intensive six-week, professional instructor training.

The course is conducted as part of the AU Academic Instructor and Allied Officer School, the teachers college of the Air Force. The school also coordinates, administers and

provides special educational services for allied officers assigned to AU.

A graduate of Friona High School, he earned his B.S. Degree in agronomy in 1963 from Texas Technological College.

His wife, Janice, is the daughter of Mrs. Jaunita Wright of Friona.

"THE EMPEROR'S NEW CLOTHES" . . . An Eastern New Mexico University Children's Theatre production, will be presented at 9:30 a.m. and 2:00 p.m. Tuesday, March 7 at Friona Junior High School auditorium. The play, which is about the emperor of China who cares for nothing but clothes is reported to warm the heart of adults as well as young people. There are fifteen members of the cast. Admission will be \$ for adults and 25¢ for children.

Auxiliary Benefits From Coupon Deal

The Parmer County Community Hospital Auxiliary, in conjunction with the American Safety Razor Company is announcing a plan to raise funds for the local hospital. The Auxiliary will place boxes in local stores and citizens are invited to leave their coupons as they buy their blades. Although the coupon-backed packages are not yet available locally, it is felt they soon will be. Additional information may be found on the bright blue and yellow packages.

Society

Burtens Honored With Fellowship

A church fellowship which began with the singing of songs followed by a testimony service at First Baptist Church Sunday evening was a courtesy for Rev. Bill Burton and his family. Rev. Burton and David Campbell sang a duet. They were accompanied by Mrs. Roy V. Miller Sr. at the piano. Mrs. Miller then accompanied Burton as he sang "One Day," and "Follow Me."

A reception in Fellowship Hall of the church followed. Host couples were deacons of the church and their wives. Coffee, punch and cookies were served from a table with a yellow cloth and centered with a floral arrangement.

Mrs. Roy V. Miller and Mrs. Paul Fortenberry presided at the punch bowl and coffee service.

Gifts were presented then displayed on a table.

Rev. and Mrs. Burton and their daughters, Pat and Debbie, moved to Lubbock Monday, Billy, who is a senior in Friona High School, will remain here until the close of school.

Class Meets In Hyde Home

The regular monthly business and social meeting of the Dorcas Sunday School class of First Baptist Church was held in the home of Mrs. Homer Hyde Thursday afternoon.

Mrs. John Allen led the opening prayer. A lesson from the life of Laban was presented by Mrs. Elmer Euler, Mrs. C. A. Turner then discussed the lives of Ruth and Hannah. The closing prayer was led by Mrs. Euler.

During the social hour refreshments were served by the hostess. Others present were Mrs. John Allen, Mrs. Elmer Euler, Mrs. Lura Bradley, Mrs. Clyde Scarborough and Mrs. C. A. Turner.

Betty Taylor Has Birthday Party

A slumber party in the home of Mr. and Mrs. Tommy Tatum in the Black community Friday night was a courtesy for Betty Taylor, who was observing her eighteenth birthday.

Mrs. Tatum was assisted by Gerry Lynn Sigman of Hereford.

Following presentation of gifts records were played, songs were sung and games were played.

Others present were Debbie Hays, Donna Shackelford, Judy Shirley, Becky Turner, Patti Ragsdale, Lydia Buske, Susan Neill, Cindy Ingram, Linda Fallwell, Kathy Jones and Pat Tannahill.

Miss Menges, E. Crump Wedding Plans Sold

Mr. and Mrs. Arment Menges of Reserve, N.M. announce the engagement and approaching marriage of their daughter, Peggy, to Pfc. Eddie Burl Crump, son of Mr. and Mrs. A. E. Crump of Bovina.

The couple will exchange marriage vows at 7 p.m. (MST) March 27 in the Presbyterian Church in Reserve, N.M.

The bride-elect is a senior in Reserve High School. The prospective bridegroom is a graduate of Bovina High School and National Electronics Institution Inc., in Denver, Colo.

He is currently serving in the U. S. Army stationed at Fort Polk, La. The bride-elect plans to attend school in Albuquerque, N.M. while Crump completes his service with the Army.

MISS PEGGY MENGES

Mrs. Keith Battey Feted With Shower

A lullaby shower in the home of Mrs. Jerry Zachary from 4 to 6 p.m. Monday was a courtesy for Mrs. Keith Battey.

The guest of honor was presented a corsage fashioned of baby socks in pastel colors. After the presentation of gifts refreshments were served by the hostess.

Those present and sending gifts included Mrs. Doris Knapp, Mrs. Pearl McLean, Mrs. Gene Wright, Mrs. James Cunningham, Mrs. Jack Nelson, Lola Goodwine, Mrs. Ray

Strickland, Mrs. Owen Drake, Mrs. Lloyd Battey, Mrs. Ernest Nowell, Jan Nowell, Mrs. Barney Floyd, Mrs. Cole and Mrs. Hestler.

Girl Scout Notes

Gloria Brown, Cindy Campbell, Deborah Clausen, Denise Cudd, Jonnye Cudd, Regina Duke, Susan Floyd, Jayn Massie, Amy Sue Renner, Sandy Reznik, Nancy Seales, Ann Spears, Susie Spring and Gay Welch were members of Girl Scout Troop 268, who were present for the Tuesday afternoon meeting in Fellowship Hall of Friona Methodist Church.

Refreshments of punch and ice cream sandwiches were served by Mrs. Louis Welch and Mrs. C. L. Vestal Jr., leaders.

Plans were made for the annual Father-Daughter Banquet, which will be held Monday, Mar. 13 and place cards and invitations were made. A bake sale is being planned and a report was made on an up-coming trip to Six Flags over Texas.

Hospital Notes

DISMISSALS: Ernest Mingus, Herman Roberson, Athlea Neel, Dorothy Grant, C. A. Myers, A. R. McCormick, Mike Gowens, Lois McCutchan, Jasper Hinds, Maria Rosslez Danny Kendrick, Mildred Odom, J. R. Knight, Cecilia Delgado, Susie Cunningham, Mattie London, Virginia Vellegas and Baby Boy.

FTA Members Attend State Convention

Eight members of the Ethel Bengler FTA Chapter of Friona High School attended the TFTA (Texas Future Teachers of America) Eighteenth Annual state convention in San Antonio, Texas, Feb. 25. The members - Larry Truitt, Connie Stone, Deloris Phipps, Debbie Baxter, Jo Ann Jennings, Vicki Vaughn, Diana Wilson, Jan Welch and their sponsors, Mrs. Frank Truitt and Mrs. Elvie Jennings, left for the convention Thursday at noon and arrived in San Antonio Friday morning and checked into the Gunter Hotel, where they stayed the week-end.

The Friona FTA scrapbook was entered Friday morning for display and that evening the

group attended two general sessions. Saturday morning the members attended different workshops and that evening the third general session was held. That night was the annual awards night where awards were presented for Mr. and Miss FTA, scrapbooks, yearbooks, TSTE and TFTA, ten top projects, and Awards of Honor.

When the group found time over the two convention days, they went on a Grey Line tour of important points in the city. Several members also shopped attended the convention dance, featuring Tim Lively and the Profits, and went to a movie.

Party Fetes Debbie Burton

A slumber party in the home of Mr. and Mrs. Ray Murphree Friday night was a courtesy for Debbie Burton, who is moving to Lubbock with her parents, Rev. and Mrs. Bill Burton this week.

Ginger, daughter of the Murphrees, was hostess. Guests assembled at the Murphree home about 4:30 p.m. After the

presentation of gifts, the group went to the Sna. Bar for supper. Then returned to the Murphree home.

Others present included Gloria Brown, Susan Floyd, Jayn Massie, Lana Renner, Esther Smith and Susie Spring.

Karen Osborn Renner Makes Honor Roll

A dean's honor roll listing 486 students has been announced for the fall semester at Eastern New Mexico University by Dr. Gail Shannon, dean of academic affairs.

Among the thirteen students with a Texas address making the list was Karen Osborn Renner, 1965 graduate of Friona High School.

Heading the list are 69 students with a 4.0 or straight "A" average. The top-ranking students include 133 seniors, 103 juniors, 112 sophomores, and 138 freshmen.

Weekend guests in the home of Mr. and Mrs. Robert Taylor and sons were Mr. and Mrs. W.M. Eddings and Mrs. Donald Eddings, Patsy and Keith, all of Odessa. W.M. Eddings is Mrs. Taylor's father and Mrs. Donald Eddings is her sister-in-law.

Students at Eastern are graded on a 4-point scale with an overall average of at least 3.25 necessary to be on the dean's list.

Honor students must also be enrolled for credit in 12 or more semester hours of study during the term.

Tea Party Honors Cindy Alexander

Mrs. Robert Alexander honored her daughter, Cindy, who was observing her fourth birthday with a tea party in the family home Tuesday morning. Guests dressed up, played games then were served lunch.

Guests were Shawn Osborn, Pam Spring and Dodie Humphrey.

Blue And Gold Banquet Highlights Organization

Highlight of the recent re-organization of a Cub Scout Pack in Friona was the Blue and Gold Banquet in Friona Elementary School cafeteria Thursday evening. Lee Witten, who has been serving as Cubmaster during initial arrangements, was master of ceremonies.

Mrs. Dale Williams, president of New Horizons Junior Study Club, which is the institutional sponsor, was reorganized as was Archie Hollis, Scoutmaster.

Banquet tables were decorated by the different dens. Table decorations were in blue and gold and each table was lettered with the den number. J.C. Beck, Cubmaster, assumed his duties and was duly installed. He then presented

Bobcat awards and one silver arrow point. Committeemen are Jimmy Norwood, Pearl Broyles, Beryl Fish and Baker Duggins.

Den mothers, their assistants and members of the dens are as follows:

Den I: Yvonne McManaman, Nita Carmack, Johnny Rando, Kieth Pryor, Phil Duggins, Don Spears, Ricky Carmack, Donnie White, Mike McManaman and Robin Renner, Gilbert Leal is the den chief.

Den II: Nancy Norwood, Lynn Gowens, Cora Snyder, Brian Witten, Cris Beck, David Gowens, Jim Boeckman, J. Cranfill, Gary Rector, Bobby Zetzsche, Bryan Snyder, Rusty Redfearn, and Luis Leal. The den chief is Earl Love.

AT HOME IN AMARILLO... Mr. and Mrs. Gary Don Smith are at home in Amarillo following their marriage in Raton, New Mexico Friday evening. Mrs. Smith is the former Judy England daughter of Mr. and Mrs. Granvill England, formerly of Friona. She is a graduate of Amarillo High School and Alyne Crabtree's School of Beauty Culture and is employed at Rubert's Beauty Salon. Her husband attends Amarillo College.

JUNE WEDDING PLANNED... Mr. and Mrs. O.B. Moyer have announced the engagement and approaching marriage of their daughter, Lois Ann, to Don Eitel, son of Mr. and Mrs. Sam Eitel, Odessa, Texas. Miss Moyer is a 1964 graduate of Friona High School and is a senior elementary education major at Hardin Simmons University, Abilene. Her fiancé, a graduate of Odessa High School, is also a senior at Hardin Simmons. The couple will be candidates for degrees at the end of the summer session in August. Wedding vows will be read at 7 o'clock Saturday, June 3, at First Baptist Church. Invitations are not being mailed locally, but friends of the couple are invited to attend.

LAZBIDDIE NEWS

By Mrs. C. A. Watson

Mr. and Mrs. Eugene Houston Lubbock, visited his parents, Mr. and Mrs. Raymond Houston Sunday.

Mr. and Mrs. Luther Ham returned Saturday from Petersburg where they visited his cousin, Mrs. Judd Wartes. Recent guests in the Ham home were Mr. and Mrs. Earl Scott from Midland.

Public school week will be observed in the Lazbiddie school Marcy 6 through March 9.

School will be dismissed Friday March 10 for teachers meeting in Amarillo.

Friona Students Make Good Showing

Friona High School students came home from the Floydada Speech and Debate Tournament with second place in the sweepstakes. The only high school garnering more points was Mulshoe.

Four debate teams and eight individuals competed in various divisions of the tournament. A debate team composed of Kathy Renner and Terri Sue Cummings won second. Other teams advancing to the semi-finals were Becky Coffey and Susie Carmichael; Jim Bob Jones and Mac Hancock; and David Reeve

and David Smith. Crista Evans, placed first in poetry reading. Shirley White placed first in informative interpretation and Kara Beth Sides placed second in the same competition. Belinda Mabry placed second in girls prose reading.

Other students participating were Donna Patterson, Bennie Hannold, Carla Patterson and Janice Clark.

The students were accompanied to Floydada by Mal Manchec, coach.

Calvin Martins "Follow The Sun"

Mr. and Mrs. Calvin Martins returned Wednesday after making a sixteen day "Follow The Sun" tour sponsored by the Capper's Farmer. The tour, which was made by over one hundred persons, originated at Kansas City.

The Martins joined the group at Friona then proceeded to

San Francisco. Other points on the tour included Los Angeles, San Diego and New Orleans. Enroute from Los Angeles to New Orleans, the group went by way of Phoenix, El Paso and Houston.

At each stop guided tours of places of interest were made.

PUBLIC NOTICE City of Friona

Ordinance #81, City of Friona, provides for levying of Dog Tag and Vaccination of pets within the city limits. The vaccination, taxing, registration and tagging of dogs for 1967 will be held at the fire station, Friona City Hall, between the hours of 3 p.m. and 5 p.m. on the 10th and 17th days of March, 1967. Dr. Gene Cope, licensed veterinarian, will be present to administer the vaccinations. Tax \$2.00, vaccinations \$2.00 for a total charge of \$4.00 per dog.

PHONE 763-9224

It had been so long since we had any rain until Sunday evening that we didn't waste one bit of it. Most of us went outside the smell the pleasant "Rainy" smell early in the evening. Then later had the pleasure of listening to the fall of rain on the roof. Even the small mud puddles Monday morning looked good.

Perhaps the greatest overall benefit was the knowledge that it can still rain. The three tenths of rainfall really looked like much more than that and we were all grateful for every tenth of it.

Jacquelyn Magness Hight has been devoting some time lately to compilation of records for a family tree. Following the death of the late "Uncle George" Magness, who was a brother of her paternal grandfather, Jacquelyn came into possession of some old papers, letters, etc., which had belonged to him.

One item of particular interest to Jacquelyn was a bill from a funeral home following the death of her grandfather, the late A.W. Magness of Vernon. Included on the statement were the following charges: casket, \$32; suit \$9.05; socks, 10¢ and collar, 10¢. Noticeably absent was any amount for sales tax.

Many of us today complain, and sometimes we have a legitimate gripe, about the taxes we have to pay for this, that and the other. There was a time when residents of the United States felt that car license plates were unfair charges for the privilege of operating a vehicle.

Judging from the number of license plates you see today, which have been special ordered, a lot of us have sufficient cash for not only what the law requires, but for the luxury of personal initials, first names,

ect, on the plates. I'm guessing there are not very many Parmer County residents who have the luxury of initials at no extra charge.

The only one I know of at the present is C.J. Horton, local Church of Christ preacher. He not only has personalized license plates, he has his post office box number included.

This arrangement might be real handy if he were out of town and forgot his mailing address, but just can you imagine a car tag large enough to have all the numbers we are required to have. Perhaps later generations will have access to "family number books." It is certainly necessary for us to keep a record of social security numbers, bank accounts numbers, zip code numbers of relatives and friends, insurance policy numbers and telephone numbers.

A number of amusing errors have been reported regarding use of zip codes. Recently a letter was received in the Star office with a Clovis postmark. It was addressed to Friona, New Mexico and had the Clovis zip code on it. I'm wondering how it ever managed to reach us.

It isn't hard to understand how zip code numbers are very beneficial for newspapers, magazines and other bulk mailing. However, it seems to me local post office employees will be required to spend a great deal of time dispensing zip code numbers for first class mail... especially letters addressed to some of our larger towns.

What we have done for ourselves alone, dies with us; what we have done for others and the world remains and is immortal.

The Library Corner
BY MRS. V.J. ZEMAN

New readers welcomed to the library last week by Mrs. John Gaede, librarian, are Mrs. James Price, Ruben Rivera, and Delia Snyder. There have been fifteen new readers during February.

One hundred and one books were checked out February 23 by 51 people. The story hour group took home 80 of these.

Mrs. Ross Ayers directed spring and fall work days. Helping were Mrs. Bill Stewart, Mrs. Glenn Reeve Sr., Mrs. Dick Rockey, Mrs. V.J. Zeman, Mrs. Sloan Osborn, Mrs. J.G. McFarland, Mrs. J.T. Gee. Also helping were Mrs. Dan Ethridge, Mrs. Charles Allen, Mrs. Ernest Osborn, Mrs. George Taylor and Mrs. H.K. Kendrick.

A group of appreciated volunteer workers are high school girls who serve as library aides during the summer months. The two girls who have helped each year, Ann Ayers, and Crista Evans, have earned our

thanks. Also to be thanked are these girls who helped last summer, Sharen Awrey, Lydia buske, Terri Sue Cummings, Martha Martin, Joan Brookfield, Karene Milner, Jo Ann Jennings, Linda Fallwell, Lou Cochran, and Brownie Cole.

Welch Goes To Formosa

Pfc. Bob Welch, son of Mr. and Mrs. Nelson Welch, left Seattle Saturday for Taiwan, Formosa, where he will be stationed with the United States Air Force.

Welch, who is attached to the army agency, received his basic training at Fort Leonard Wood, Missouri, and his advanced training at Fort Devens, Mass., where he has been since July.

He is a 1964 graduate of Friona High School and attended Lubbock Christian College and Texas Technological College before enlisting in the Air Force early last spring.

His parents met him for a weekend in Abilene recently. They were joined there by Cheryl Neill, a student at Eastern New Mexico University, Portales, Mikie Welch, who is a home economics teacher in a San Antonio school and Monte Welch, a student at Abilene Christian College.

Relative Of Frionans Gets New Position

C.O. Wood, son-in-law of Mr. and Mrs. O.T. Patterson, has been promoted to regional superintendent of agencies for Continental Assurance Company and has re-located in Atlanta Georgia.

Wood has been in the life insurance business since 1956, and joined Continental as general agent in 1961. In 1965, he was appointed assistant superintendent of agencies and was headquartered in Dallas.

He went to school in Ft. Worth and attended Texas Christian University. He is a member of the National Association of Life Underwriters and is currently completing work towards his designation as Chartered Life Underwriter, one of the highest professional achievements in the life insurance industry.

In his new capacity, Wood will be responsible for Agency af-

fairs in the company's South-east area.

Continental Assurance Company, with its Home Office in Chicago, is one of the only 11 companies licensed to do business in all 50 States, Canada, the District of Columbia, and Puerto Rico.

Fifteenth largest life insurance company in North America, with over \$1 billion in assets, the 55 year-old company recently passed the \$11 billion mark of life insurance in force.

Frionans Attend Rites

Mr. and Mrs. Roy V. Miller Sr., Mr. and Mrs. Sam Mears, Clint and Sarah, Mr. and Mrs. Ross Miller, Kent, Curt and Dana, all of Friona; Mr. and Mrs. Roy Norris of Los Alamos, New Mexico, and Mr. and Mrs. Clyde Tims of Texhoma were in Ninnekah Baptist Church, Saturday, February 11, for the funeral of Mrs. Xenia Eva Roysden, 74, of that city.

Mrs. Roysden, who was the mother of Mrs. Roy V. Miller Sr., died at 3:50 a.m. Thursday, February 9, in a rest home in Ninnekah, Oklahoma. She was the widow of a former pastor of the church.

She was born in Monticello, Ky., September 15, 1892. She had lived in Ninnekah more than 50 years.

CHEVY'S BONANZA SALE

Watch Dan Blocker, Michael Landon and Lorne Greene, stars of Chevrolet's "Bonanza", on NBC-TV next Sunday night.

Now! Never Before a Sale Like This—Don't Miss It!

Right now, and during March only, your Chevrolet dealer is offering tremendous savings on some of his most popular options and accessories on his most popular cars. How low the price? Just ask him! You get your pick of these V8's: an Impala Sport Coupe or 2-Door or 4-Door Bel Air Sedan. Hurry, here's what you get:

- Get this with every Bonanza car: A pushbutton AM radio you wouldn't want to be without. Front and rear bumper guards. Wraparound front fender lights are a touch of sheer elegance. Four handsome wheel covers for the dressy look you like. Five whitewall tires... a custom touch.
- Another way you can save now: During the sale only, you can add power steering and powerbrakes at a special package price. Get them both for easier driving.
- And that's not all—get this! Want Powerglide transmission? Order it with Chevrolet's big 275-hp Turbo-Fire V8 engine and you get them both at the low Bonanza price.
- Truck buyers save, too, during the sale! Fleetside pickups (Model CE10934) with special option and accessory packages are available at Bonanza Sale savings... WHILE THEY LAST. You get a 175-hp V8, a pushbutton radio, chrome hubcaps plus custom appearance and comfort items.

One Sale You Surely Don't Want to Miss! See Your Chevrolet Dealer Now!
