WOODWORK

BY DALTON

I READ SOMEWHERE the other day the following: "There's truth in the old saying, 'you can't teach an old dog new tricks.' Trainers find that dogs more than two years old rapidly lose their ability to learn."

This sometimes appears to be true of children too. Especially if you've ever tried to teach one to pick up his clothes off the floor or shut the front door every time he goes out.

That bit of information came from another newspaper filler sheet which also included such as the following:

The game of polo originated in Iran. (This happened many years ago, and it was only recently that Dr. Salk and Sabin were able to stamp it out.)

A century ago, Chief Sequoia invented an 85-character alphabet that helped his Cherokee tribesmen to learn writing more easily. (Of course, it took the kids the first three years of school to memorize the alphabet.)

Back-pack radios often can be heard for a mile and a half in the jungle. (Especially if operated by teen-agers.)

In 1851, Rev. Lorenzo Langstroth invented a better beehive and bee keepers beat a path to his door in Oxford, Ohio. He revolutionized beekeeping by devising a hive with removable frames for honeycombs. His basic design still is almost universally used. (And if you buy any other kind, you're liable to get stung.)

IN SYDNEY, Australia, officials plan to change one question on the forms for the next census from "Length of residence in Australia" to "Period of residence in Australia."

Reason: In the past, many people measured the outside dimensions of their houses to answer the question.

HERE'S SOMETHING even worse, passed along to me by Chester Golladay, whom almost none of you know. (It's not original; I remember reading it somewhere years ago):

Once there was a mean, ill-tempered baseball umpire who would go home at night after all the boos and pop bottles and beat his wife and kick his little boy around. One night, though, he went home in a rare good mood, feeling at peace with the world. He even asked his little son to sit upon his lap while he read stories to the boy.

The son refused.
Which goes to prove that the son never sits on the brutish umpire.

FRANCES WISEMAN TO RECEIVE DEGREE

Frances Wiseman, daughter of Mr. and Mrs. Charles Wiseman, is a candidate for the bachelor of science degree in education at Abilene Christian College.

Commencement exercises are scheduled for 8 p. m., August 26, in the College Church of Christ.

Miss Wiseman, a 1963 graduate of Sudan High School.

COUNTY FARMERS TO GET \$13,500,000

THIS COUNTRY IS ALL WET - It would be hard to find a dry spot of ground around here due to the longest rainy period of weather in recent years. Amounts of rainfall vary, but since the deluge Tuesday morning up to 9 inches have been measured in this area. That much of rainfall is rare for this time of year and is reported to be great for the crops.

Reports from the Lamb County ASCS office this week indicate that disbursements totalling \$13,500,000 will begin in the near future. Lamar Aten, manager of the Lamb County ASCS office, reported that the payments will be the remainder of governments programs for the current crop year.

The office has already paid out about \$2,300,000 in advances, that are to be subtracted from the total amount.

Aten said that the \$13,500,000 far exceeds the \$4,000,000 disbursed by the office last year, which was mainly in the form of grain payments. Cotton payments, however, are much higher at \$9,000,000 than the grain which is expected to be over \$4,000,000 this year.

Aten said that this amount is the highest ever paid out of the local office, but that with the new program and the grain program, the amount could exceed this in the future. The total will depend on the allotments for the future years. The cotton and grain payments are second only to Lubbock County where farmers will receive payments for about 30,000 more acres of cotton.

Aten said that the reason for the earlier date of payments was due to the removal of the requirement that 90 per cent of the farms be measured and surveyed before payment could be made. Now all that is needed is for a sufficient number of farms to be measured and the figures compiled by the area survey man.

Aten would not say just how

long it is expected to take to get all the checks in the mail, but said that the ASCS office would do everything possible to get them out soon.

At any rate the checks will be received weeks earlier than previously expected. As a large number of the checks are to be sent to lending institutions in the county, a number of officials were asked to express what they expected to be the outcome of the earlier mailing date.

They reported that since nothing like this has ever happened here before it would be hard to anticipate the outcome, but that it should put more money in circulation than ever before for this time of year, which should stabilize some of the economic factors of the county.

The cotton and feed grain payments will not be like harvesting a crop but should give the businesses the effect of an early fall.

Curry - Humphreys Vows Exchanged

Miss Dyanne Curry, daughter of Mr. and Mrs. Bill Curry of Sudan, became the bride of Randy Glynn Humphreys, son of Mr. and Mrs. John W. Humphreys of Sudan, at 8:00 p. m., August 19, in the First Methodist Church of Sudan. Rev. Frank Weir, of Lubbock, officiated at the double ring ceremony.

Presented in marriage by her father, the bride wore a formal gown of silk organza over taffeta. The empire bodice of imported re-embroidered Alencon lace featured a Florentine neckline and bell sleeves. The detachable chapel train was richly etched with imported re-

embroidered Alencon lace and lace appliques. She wore a lace mantilla supported by an open pill box featuring an overlay of illusion. For something old, the bride wore the wedding ring of her maternal grandmother. She carried a long, tapered bouquet of white French carnations topped with a white orchid.

Miss Jan Buenger of Fort Stockton served as Maid of Honor. Mrs. Jim Ward of Lubbock was bridesmatron. Bridesmaids were Miss Katy Roberson of Dallas, and Miss Brenda Drake of Sudan. Miss Traci Cowart of Sudan served as flower girl.

The attendants wore identical

formal gowns of yellow silk organza over taffeta with empire bodices and bell sleeves.

Ricky Humphreys of Sudan served his brother as best man. Groomsmen were Jim Ward of Lubbock, John A. Humphreys and Dale Masten of Sudan. Ushers were John Armistead of Fort Stockton and Gen. Bartley of Sudan. Candlelighters were Kevin Humphreys of Sudan, brother of the groom, and Mark Nicholson of Amherst, cousin of the groom.

Mrs. Jomeryl Harmon of Amherst served as organist and Miss Sue Hebel of Littlefield sang "True Love", "With This Ring", and "O Perfect Love".

Mrs. John Allen Humphreys of Sudan registered the guests. Assisting at the bride's table during the reception were Mrs. Jerry Bawcom of Lubbock, Mrs. Richard Purcell of Canyon, Mrs. Jerry Brantley of Lubbock and Mrs. Jacky Van Ness of Sudan. The table was laid with yellow net over taffeta cloth topped with a white floral arrangement with touches of yellow. The table featured silver and crystal appointments.

The groom's table was laid with a white linen cut-work cloth. The table featured yellow tapers from England, over 150 years old, belonging to Mrs. F. W. Watts. Mrs. Charles Hefington of Littlefield, Miss Sherry Tomes of Amherst, Mrs. Gene Bartley of Sudan, and Miss Kathy Campbell of Amherst presided at the table.

Also assisting at the reception were Mrs. Rex Faust of Littlefield, Mrs. L. M. Foster of Hobbs, N. M., Miss Cynthia Parrish, Miss Kathy Minyard, and Messdames Marvin Tollett, H. O. Carson, Claude Rosson, Bob Drake, F. M. Smith, Doyle Watkins, Bill Olds, Raymond Nix, Guy Walden, James Wallace, Donnie Cowart, T. P. Wingo, Sr., and Rodney Nichols. 93 Residents Join Sudan Booster Club

The Sudan Booster Club has launched their membership drive by soliciting 93 members in the first week.

Waymon Bellar, president, reported that more residents are needed to join if the organization succeeds in carrying out their projects in backing the athletic departmental activities of the Sudan school.

SCRIMMAGE GAME TO BE HELD TONIGHT

A pre-season scrimmage football game is scheduled for tonight, Thursday, between the Sudan Hornets and Idalou Wildcats. The game is to be played in Idalou and the B-team game begins at 6:30 p. m. followed by the varsity game.

Coach Cain reports, however, that if the rains continue, the games will be postponed until Friday night.

MISS KLEIN TO TEACH PIANO HERE

Miss Mildred Klein of Lubbock will teach piano two days a week in Sudan. In making this announcement, Miss Klein stated that she will be here Friday, August 26, from 9 a. m. until noon, to register students who would like to take private piano lessons this fall.

The registration will take place in the building across the street from the school, the former Baptist parsonage, and all parents whose children are interested in taking piano are asked to accompany them for the registration.

two piece suit of brown linen with lizard accessories.

The couple will reside at 2708 24th Street in Lubbock where both are students at Texas Tech. The bride, a 1964 graduate of Sudan High, is a junior Elementary Education major. She is a twirler for the Tech band and a member of Tau Beta Sigma, honorary sorority for band women. The groom is a 1962

Bellar says, "It is the responsibility of the parents and adults of the community to support the athletes and to set the manner of school spirit to be carried out by the students. In order to do this we need every man and woman interested in any type of school sports to join our organization."

The next booster club meeting will be at 8 p. m. on Monday, August 29, in the school cafeteria at which time officers will be elected and projects including the purchasing of blazers for athletes to wear will be discussed.

A watermelon feast will be held following the scrimmage game with Whiteface here on September 1. Tickets are now on sale for this event. Everyone is invited to attend.

Club membership dues are \$2.50 per person and \$5.00 for couples. Ask any member about joining.

TO: Dan W. George, Defendant, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Lamb County at the Courthouse thereof, in Littlefield, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 3rd day of October A. D. 1966, to Plaintiff's Petition filed in said court, on the 23rd day of May A. D. 1966, in this cause, numbered 5989 on the docket of said court and styled Ruby L. George, Plaintiff, vs. Dan W. George, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: This is a suit for divorce alleging cruel treatment, alleging that there were no children born of the marriage of plaintiff and defendant, and no children adopted by her, them or either of them, alleging that plaintiff and defendant accumulated a community estate which consists of personal property, only, and that plaintiff and defendant have equally divided their community estate and each have their portion of said community estate in their possession at this time, and alleging that there is numerous indebtedness owed by the community estate of plaintiff and defendant, and the defendant should be ordered to assume and pay off all of said community indebtedness, and the plaintiff should be exonerated from any and all liability as to such community indebtedness and should not be liable for any of said indebtedness in any way whatsoever, and alleging that plaintiff's name prior to her marriage to the defendant was Ruby L. Collier.

Praying for divorce, that defendant be ordered to assume and pay off all community debts owed by the community estate, and that plaintiff not be liable or responsible for any of said community debts, that plaintiff's name prior to her marriage to the defendant, which was Ruby L. Collier, be restored to her by judgment of this Honorable Court, and for further relief as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Littlefield, Texas, this the 15th day of August A. D. 1966.

Famed Tourist Attraction in Million-Dollar Addition

Sophia Loren, shown being greeted by owner-director Allen Parkinson (far right), is one of the many stars who have paid tribute to Movieland Wax Museum in Buena Park, California, long recognized as the stars' hall of fame. That major Southern California tourist attraction, a "must-see" on the list of visitors to the area, recently opened the Palace of Living Art, a beautiful million-dollar addition featuring perfect replicas of some of the world's greatest paintings.

These paintings, including "Blue Boy," "Pinkie," "American Gothic," and "Whistler's Mother," are also presented in three-dimensional exhibits with perfectly sculptured replicas of the great works that make the legendary scenes "come to life."

Sculpture includes over 40 pieces created especially by the Louvre Museum in Paris and some of Michelangelo's greatest works, including an 18-foot white marble replica of "David" and his magnificent "Pieta."

Although housed in a magnificent separate adjoining structure, the new concept in art presentation is included in the admission to Movieland, the world's largest wax museum, which presents over 100 stars in their most memorable scenes.

Allen Parkinson's great attraction, Movieland Wax Museum and Palace of Living Art, is located on Highway 39 in Buena Park, just two blocks away from Knott's Berry Farm and 15 minutes from Disneyland.

What to do while the line is busy

1 Take for granted that whoever is talking on the line will hang up soon.

2 Hope that no one left his receiver carelessly off the hook.

3 Think about how reliable a telephone connection is once you get it. And how Gen Tel is constantly at work to modernize and improve service.

4 Be patient. After all, you may have talked for 20 or 30 minutes once yourself. So decide not to call the telephone company to report an out-of-order phone.

5 Think again about trouble-free telephone service. Then, when you get a line, think of the other party, too.

IN WHOM DO YOU BELIEVE?

Scripture: Psalm 119:105; St. John 6:40; 9:25-38.

"Hear Ye The Master's Call" is a hymn that comes especially clear into my thoughts as I try to follow His call, for action must follow His call into service—if we have truly heard.

At the end of a Sunday, as I looked back at the joy and blessings that were mine from God and hoped He was pleased with His child, I suddenly became aware of a physical weariness, and I wondered if Jesus ever had an aching head and a physical tiredness at the end of a day. In this moment, I felt a closeness to Jesus, aware of our relationship, and I felt a hurting sympathy for His pain; for I remembered that He left

His home of riches and glory and came into this world to take on a physical body to suffer pain and humiliation and death for my sin, that I might have eternal life. How then shall I escape if I neglect so great a salvation?

Many today seek ways that will give them a chance to tell the message they have from God to the people. But so many turn away, ignoring, too indifferent, too uncaring to hear about Jesus who paid such a high price for the sins of all of us.

There is spiritual blindness afflicting Americans today that is far worse than physical blindness, as awful as that may be. The Bible is a light to guide us

along the way, but light shows nothing to one who is blind. Only one person can cure this blindness—Jesus. Only when our spiritual blindness is cured can we see the light of Truth.

A vast number of people can say the words "For God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life," and yet how many say them and realize that those words mean "me, too."

And the promise of everlasting life—God no more breaks that promise to give us everlasting life than He breaks His law of night following day. Our part, in order to have this eternal life (you can neither buy this gift nor steal it), is to accept the gift of Jesus. He is the way, the truth, and the life; He is light, but remember, everyone that doeth evil hates the light, lest his deeds should be seen.

Jesus suffered and died to make a way for you and me to live, and He promised to all who believe in Him to "raise us up at the last day."

Do you believe the word of Jesus? Have you tried His promises—His way? Have you heard His call and gone out to do His service as best you can understand it, and then had faith that He would guide you as He said He would if you were willing?

When you take Jesus, you have eternal life, and He is yours when you are His.

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWELVE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966. HOUSE JOINT RESOLUTION NO. 48 proposing an Amendment to Article IX of the Constitution of the State of Texas, providing the method and manner for dissolution of hospital districts created under Article IX of the Constitution.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 9, Article IX of the Constitution of the State of Texas be amended to read as follows: "Section 9. The Legislature may by law provide for the creation, establishment, maintenance and operation of hospital districts composed of one or more counties or all or any part of one or more counties with power to issue bonds for the purchase, construction, acquisition, repair or renovation of buildings and improvements and equipping same, for hospital purposes; providing for the transfer to the hospital district of the title to any land, buildings, improvements and equipment located wholly within the district which may be jointly or separately owned by any city, town or county, providing that any district so created shall assume full responsibility for providing medical and hospital care for its needy inhabitants and assume the outstanding indebtedness incurred by cities, towns and counties for hospital purposes prior to the creation of the district, if same are located wholly within its boundaries, and a pro rata portion of such indebtedness based upon the then last approved tax assessment rolls of the included cities, towns and counties if less than all

the territory thereof is included within the district boundaries; providing that after its creation no other municipality or political subdivision shall have the power to levy taxes or issue bonds or other obligations for hospital purposes or for providing medical care within the boundaries of the district; providing for the levy of annual taxes at a rate not to exceed seventy-five cents (75c) on the One Hundred Dollar valuation of all taxable property within such district for the purpose of meeting the requirements of the district's bonds, the indebtedness assumed by it and its maintenance and operating expenses, providing that such district shall not be created or such tax authorized unless approved by a majority of the qualified property taxpaying electors thereof voting at an election called for the purpose; and providing further that the support and maintenance of the district's hospital system shall never become a charge against or obligation of the State of Texas nor shall any direct appropriation be made by the Legislature for the construction, maintenance or improvement of any of the facilities of such district. Provided, however, that no district shall be created except by act of the Legislature and then only after thirty (30) days' public notice to the district affected, and in no event may the Legislature provide for a district to be created without the affirmative vote of a majority of the taxpaying voters in the district concerned. The Legislature may also provide for the dissolution of hospital districts provided that a process is afforded by statute for:

(1) determining the desire of a majority of the qualified voters within the district to dissolve it;

(2) disposing of or transferring the assets, if any, of the district; and

(3) satisfying the debts and bond obligations, if any, of the district, in such manner as to protect the interest of the citizens within the district, including their collective property rights in the assets and property of the district, provided, however, that any grant from federal funds, however dispensed, shall be considered an obligation to be repaid in satisfaction and provided that no election to dissolve shall be held more often than once each year. In such connection, the statute shall provide against disposal or transfer of the assets of the district except for due compensation unless such assets are transferred to another governmental agency, such as a county, embracing such district and using such transferred assets in such a way as to benefit citizens formerly within the district.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following: "FOR the constitutional amendment providing the method and manner for dissolution of hospital districts."

"AGAINST the constitutional amendment providing the method and manner for dissolution of hospital districts."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.
