by Bill Ellis

Housewives in some parts of the nation have started boycotting food stores in an attempt to get food prices lowered. While such drastic measures have not been taken, nor are expected in Friona, yet some housewives, spurred no doubt by the reports of the activities of their counterparts in the east, have been heard to voice complaints of rising grocery costs.

The president of the state's largest farm organization has said that any housewife who might be contemplating a boycott of food stores, should, instead, thank their lucky stars they live in a country where food takes less than one-fifth of the average family's income.

C.H. DeVaney, head of the Texas Farm Bureau, points out that while American housewives spend less than 19 per cent of the family's income for food, her British counterpart spends some 29 per cent, and the Russian housewife spends over 50 per cent for a vastly inferior food selection.

He reminded the nation's housewives that the government-inflated economy and not the farmer is the cause of the rising food prices.

It won't come as news to Friona area farmers that farm prices for the first half of 1966 were one per cent below the 1947-49 average. This is despite an overall consumer price index increase of some 35 per cent over that period. "Thus, farmers' prices have had a stabilizing effect on food prices and the cost of living", DeVaney says.

The state farm leader says that higher marketing costs account for the major part of the increase in food expenditures.

The housewife is spending more at the grocery store today because she is getting a great deal more than she did ten years ago.

She is buying new things in new packages. She is not yet a spendthrift. She is buying time and convenience. She is getting better things for her family. She is, in fact, buying the time of servants who formerly worked in her home.

The new grocery bag contains pre-cooked foods in disposable containers. Are they expensive? Not if the homemaker's time is figured at minimum wages.

On the new grocery list are improved soaps and detergents, disposable towels and napkins, wrapping materials for preserving left-overs, and growing variety of ready-mixed foods -- all time-savers or waste-stoppers.

The new shopper brings home a host of spray cans containing everything from cake frosting to floor polish. She is no longer satisfied with flour or a simple loaf of white bread. She buys frozen rolls or the exotic breads of any land. Hundreds of miles from the nearest salt water, she selects from a complete variety of seafoods.

The new grocery shopper may browse over counters of tropical fruits and vegetables while brushing snow from her collar. She buys fresh orange juice in Canada and apple cider in Florida.

Perhaps her meals do not taste like mother's. They probably taste a lot better. They are more nourishing and better balanced.

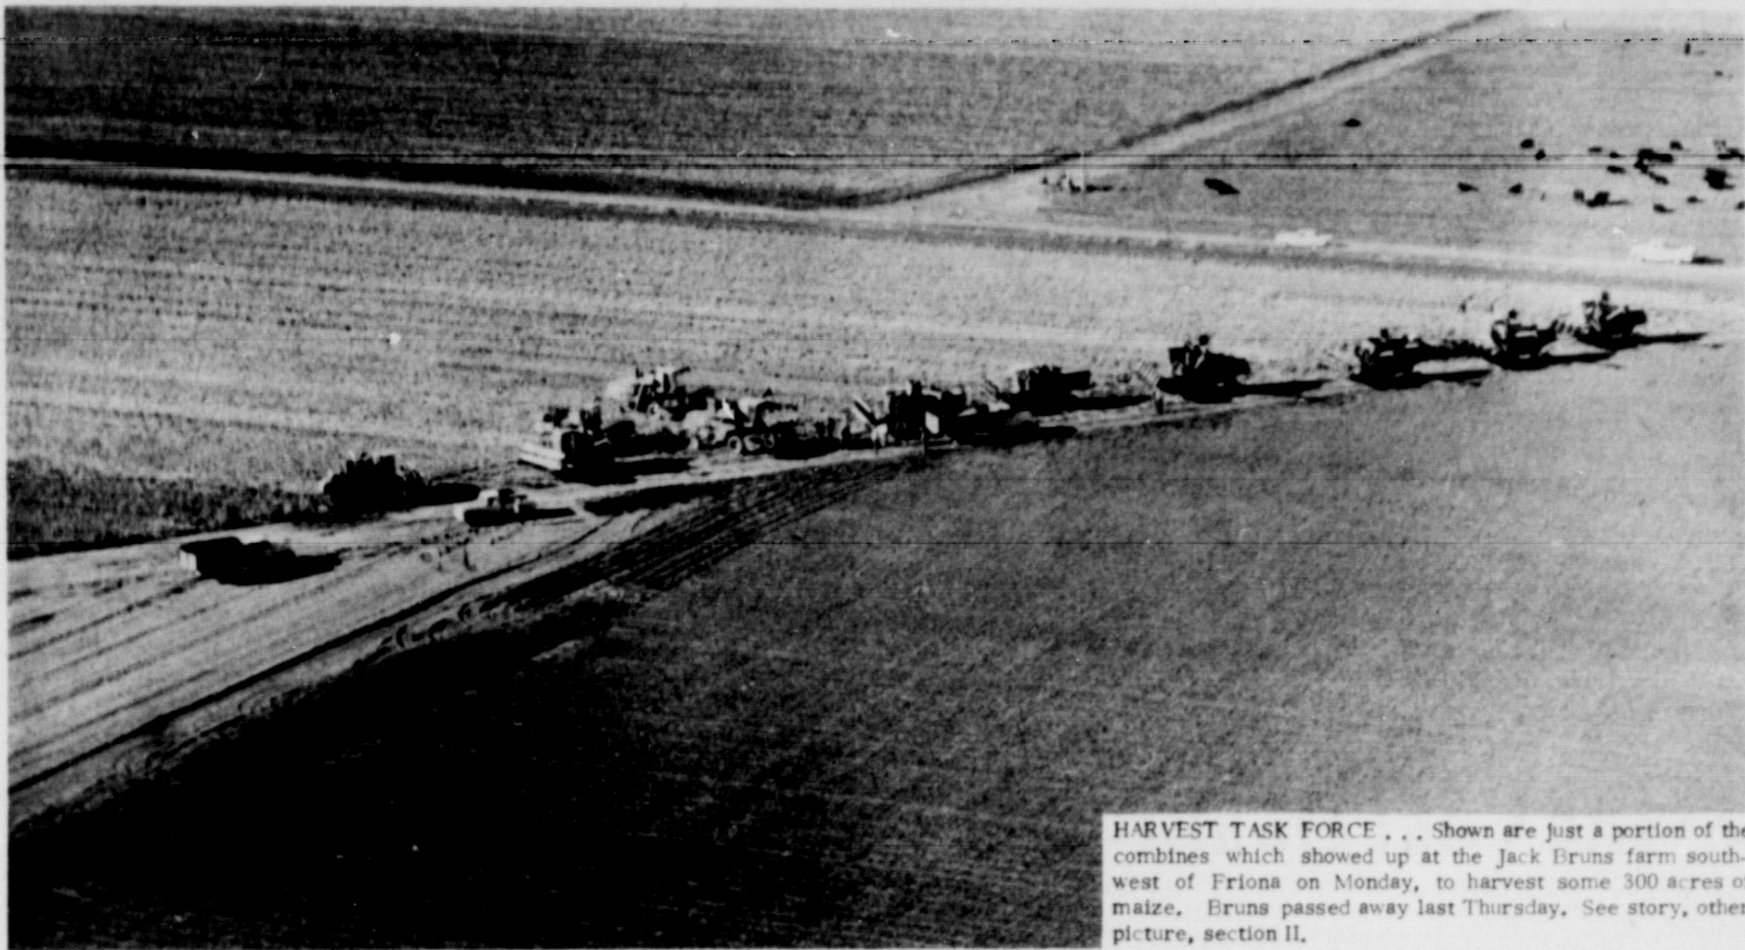

The new housewife is not a slave to advertising. She buys only one out of twenty new products advertised. The advertising is effective when it convinces her that a new product can help make a richer life for her family -- and perhaps give her leisure time which her husband enjoys already.

Add all this to the fact that today's super markets carry everything from socks and underwear to hardware (pots and pans) can openers, toys, garden hose, records, drug items, magazines, etc., and one wonders if the price of groceries is really high.

The shopper also pays for "free" trading stamps, and other shopping "bonuses."

They may be made to seem as extras, but the smart shopper should realize they pay for these "free bonuses" as well as their groceries.

Still think your groceries are high?

HARVEST TASK FORCE . . . Shown are just a portion of the combines which showed up at the Jack Bruns farm southwest of Friona on Monday, to harvest some 300 acres of maize. Bruns passed away last Thursday. See story, other picture, section II.

SPIRITS GOOD

Chieftains 'Optimistic' About Friday's Game

It's hard to see how a team licking its wounds from a 35-6 beating could show a lot of optimism, but that's the way Coach Don Light described Friona High School Chieftains' attitude as the team prepared for its battle against Hale Center Friday night.

"I don't know how to explain it, but the kids bounced back from their bad showing at Dimmitt in real good spirits. They're up for the game Friday, with the feeling they're not out of the running yet," Coach Light said.

And the Chieftain coach proceeded to make a believer out of this reporter as to how it was still "Anybody's race" in District 3-AA.

Actually, Hale Center, Friona's rival, is about the only one of the eight district teams which has been eliminated for all practical purposes. The Owls have a 1-3 district record. Friona, after its loss to Dimmitt, is 2-2.

It's ironic that Hale Center should be out of the race this early. In pre-season ratings, the Owls were picked as the team to beat in one of the polls. Coach Light stated that the

Chiefs had a real good workout on Monday. Tuesday's workout started off sluggish, but finished up good, he said.

"We have a little more contact work this week," the Friona coach explained. The Chiefs had gone light on contact work after having so many injuries. "That might have hurt us in our last two games," Coach Light ventured.

Friday's lineup will be basically the same as started last week. Jackie Claborn will start once again at guard. Mike Smith has regained his starting tackle slot, since Ronnie Stevick injured an ankle last week.

The Chiefs will be out to gain a measure of revenge against the team which humiliated them, 33-6 in a game at Hale Center last year. This game was the last in a series of losses before the '65 Chiefs rallied to win all their district games. The Owls were played as a non-conference game in 1965.

Hale Center is basically a ball-control team, Coach Light said. They have a big (190 pound) fullback, and two better-than-average halfbacks, which will give the Friona defense a

good test.

"You know, we didn't play bad defense for a team which got collared 35-6," Coach Light said in regard to the Dimmitt game. "We stopped them pretty good at the beginning of the game, until they finally wore

us down."

If the team is able to rebound and "pull itself up by its bootstraps," it will be quite a showing. Beginning at 7:30 Friday night, fans will have an opportunity to see if they can.

CENSUS FIGURES

Number Of Farms Is Decreasing In County

A total of 783 farms was counted in Parmer County during the 1964 Census of Agriculture, the U.S. Department of Commerce's Bureau of the Census reports.

In the last previous Census of Agriculture (1959), the total counted in the county was 863 farms. This is 80 or about one-tenth less than the current figure.

The 1964 total is published in a preliminary report on the county just issued. The re-

port also shows that average farm size in the county was 674.8 acres and that the average value of the county's farms (land and buildings) in 1964 was \$236,663.

Other important county statistics in the report are:

1. Value of all farm products sold by farms in the county in 1964: \$38,482,906; in 1959, \$28,714,107.
2. Value of all crops sold by county farms in 1964: \$29,905,283; in 1959, \$23,915,871.
3. Value of all livestock and livestock products sold by county farms in 1964, \$8,577,570; in 1959, \$4,798,236.

Information obtained for the first time in an agricultural census included the amount of income received by the county's farmers (\$53) from recreational services as well as data on the use of pest control chemicals in the county in 1964.

A Census of Agriculture is taken every 5 years in years ending in "4" and "9" to gather information on the nation's agricultural resources and production. The data are needed to make decisions affecting many segments of the U.S. Economy. The 1964 farm census was the 18th in a series that began in 1840.

The preliminary report for the county contains more than 500 facts about agriculture in the county. Among additional facts it contains are the number of farms by size, type, and economic class; the number of farm operators by method of tenure, age, color, off-farm work, and number of schools years completed; land in farms by use and by land-use practices; data on equipment and facilities; farm expenditures; number of hired workers; and number of farm reporting poultry and livestock production and those reporting crop production by acres and quantities as well as sales.

Committees Named For United Fund

Steve Messenger, chairman of the Friona area United Fund Drive for 1966, this week announced committee chairman who will hold places of vital responsibility to the 1966 drive.

A.L. Black is advance gifts chairman; O.J. Beene is rural areas chairman; Charles Allen is business committee chairman.

Each chairman is selecting workers for their committee, and are in the process of planning their part of the drive.

"Everyone appears enthusiastic, and it appears we'll have no trouble reaching our goal for 1966," Messenger says.

The kickoff date for the 1966 drive is Tuesday, November 8.

Contest Winner Picks 14 Games

A Friona youngster entering the contest for only the second time all season won first prize of \$5 in the seventh week of the Friona Star football contest the past week.

Mike Taylor, son of Mr. and Mrs. Ralph Taylor, was the only one of 180 contestants who got as many as 14 of the 16 contest games correct. His two misses were two of the most common games: Olton - Memphis and Dallas - Cleveland.

Tying for second place was Kenneth Watkins and another youngster - Jimmy Hamilton. They were two of the nine contestants who correctly named 13 games, and each missed the tie-breaker score by exactly 16 points. Watkins and Hamilton each was awarded \$2.50 prize money. It was the second time this year that Watkins was involved in a tie. He tied for first place two weeks ago.

Danny Murphree, Wayland College student, pulled into a three-point lead in the contest for one of the grand prizes which will be offered at the close of the 12-week contest. Murphree scored a 12 point, for a season

total of 85 points. Second-place contestant has a score of 82. The other seven contestants getting 13 games correct were

Mike Buchanan, Donny Carthel, Eugene Ellis, John Hoover, Danny Kendrick, Joy Morton and LaVon Reeve.

Chamber Announces Youngster Contest

A Halloween coloring contest sponsored by the Friona Chamber of Commerce and local business firms, appears this week on page 1 of section 2.

Children from pre-school age up to 12 years of age are urged to enter the contest. Prizes will be awarded by the Chamber of Commerce to winners according to three age groups.

The entrants will be grouped pre-school to six years of age for group one; seven, eight and nine years of age for group two and 10-11-12 years olds for the third group.

There are ten separate pic-

tures to be colored. Children may pick out any of the pictures he wishes to color, or may color any number of the pictures.

Entries should be brought by the Friona Star, or Bi-Wize Drug, or the Chamber of Commerce office (713 Main) by 5 p.m. on Friday. Children may send their entries by mom, pop or older brother or sister when they bring their weekly football contest entry to either the Star or Bi-Wize Drug.

If they cannot be brought to one of the three locations, they may be mailed to the Friona Star, postmarked by Friday.

Effective Representation Cited As Major Issue

"Effective representative" is the major issue in the 18th Congressional District's race this fall, stated Democratic candidate Dee Miller during a stop in Friona Monday morning.

Miller, who is opposing Republican Bob Price for the seat vacated by Walter Rogers, stated he thought it would be important for the representative from this area to be able to align themselves with people such as George Mahon, Democratic representative from the

19th District. "We can't let negative attitudes sway our thinking. We need to elect someone who will be a part of the long-term growth this country has experienced," Miller said, speaking to a group at the Friona State Bank's community room. Democrats aren't strictly "yes" men for the president, Miller stated. "We have some people in congress who will stand up against the Federal programs they don't like," he said.

"CROP" DRIVE . . . Friona FFA chapter members will canvass the city Halloween night on behalf of the Christian Rural Overseas Program (CROP). FFA officers are shown with advisor Benny Pryor. They are (back) James Sides and Bill Weatherly. In front are Tommy Jarecki, Bob Riethmayer and Joe Murphree.

CAMPAIGNS HERE . . . Dee Miller, center, stopped in Friona Monday morning to campaign in behalf of his U.S. Congress race. Miller is shown visiting with Nelson Welch, county Democratic chairman, and Frank A. Spring, Miller's campaign chairman for Parmer County.

CARD OF THANKS

We would like to express our thanks to the people of Friona for their kindnesses during Doris's recent stay in the hospital. The flowers, cards, food, words of encouragement and help with the farm work meant more to us than we can ever repay.

Mr. and Mrs. V.M. Ferguson and Doris

LEGAL NOTICES

NOTICE TO BIDDERS

Notice is hereby given that Parmer County will accept bids for the construction of a bridge across Running Water Draw to be located approximately four and one-half miles northeast of the Lazbuddie Community Center, with the following specifications: 50 feet long, 24 feet wide, with seven feet of water clearance under the bridge with the underside to be floored also with 14 feet of wing walls at each end, to be built of steel reinforced concrete. More complete specifications may be obtained from Raymond Treider, Jr., commissioner, Box 26, Lazbuddie.

Bids will be received at the office of the County Judge in the Court House until 5 p.m., November 16, 1966. Dates this the 27th day of October, 1966. Parmer County reserves the right to reject any or all bids. (Signed)

Loyde A. Brewer
County Judge 5-2tc

LEGAL NOTICES

NOTICE TO BIDDERS

Sealed Proposals addressed to the Honorable Mayor and City Council of Friona, Texas, will be received at the office of Arley L. Outland, City Manager, until 1:30 p.m., November 7, 1966, for furnishing all necessary superintendence, labor, materials, tools, and equipment for constructing one (1) water well for the City of Friona, Texas and furnishing and installing a turbine type deep well pump, complete, with vertical hollow shaft motor and electric control equipment. Any bid received after the time and date stated above will be returned unopened.

Each proposal must be accompanied by a Certified Check, Cashier's Check or Proposal Bond, acceptable to the Owner, in an amount equal to at least five per cent (5%) of the total amount of the bid submitted, made payable without condition to the City of Friona, Texas, as a guarantee that the bidder, if awarded the contract will promptly execute such contract and bonds in the forms provided. Bids without the required bid security will not be considered.

The Successful Bidder must furnish performance and payment bonds on the forms provided in the amount of 100% of the total contract price from a Surety Company holding a per-

mit from the State of Texas to act as Surety, or other Surety or Sureties acceptable to the Owner.

Proposals must be submitted on the form provided and, in case of ambiguity or lack of clearness in stating the prices, in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bids. The Owner reserves the right to reject any or all bids, to waive any formalities, and to accept the bid which seems most advantageous to the interest of the Owner.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions.

Attention is called to the provisions of the Acts of the Legislature of the State of Texas concerning the wage scale and payment of prevailing wage established by the Owner. The scale of prevailing minimum wages is set forth in the specifications.

Information for bidders, proposals forms and specifications are on file in the office of Arley L. Outland, City Manager, Friona, Texas, and Parkhill, Smith & Cooper, Inc., Consulting Engineers, 201 Avenue R, Lubbock, Texas. Copies of such documents may be secured from either the City Manager or Parkhill, Smith & Cooper, Inc. OWNER

UNIQUE COFFEE BREAK IDEA

Here's a new idea for what to serve at an afternoon or evening coffee break—creamy smooth homemade fudge. And this fudge is unique, too; it's flavored with surprising Instant Sanka Coffee. One secret of making fudge is to cook the syrup to the correct consistency or temperature—this is where a thermometer is especially handy. Also remember to allow the fudge mixture to cool without stirring so that no large, grainy crystals will form during the final beating.

- COFFEE FUDGE**
- 3 cups sugar
 - 1/2 teaspoon salt
 - 1/2 cup light cream
 - 2 tablespoons light corn syrup
 - 1 cup milk
 - 2 tablespoons instant decaffeinated coffee
 - 3 tablespoons butter
 - 1 teaspoon vanilla

Combine sugar, salt, cream, corn syrup, and milk in saucepan. Bring to a boil, stirring constantly. Continue boiling, without stirring, until a small amount of mixture forms a soft ball in cold water (or to a temperature of 234°). Add coffee, stirring just to blend. Continue boiling, without stirring, until mixture again forms a soft ball in cold water (or again to 234°). Remove from heat. Add butter and vanilla but do not stir. Cool to lukewarm (110°); then beat until mixture begins to thicken and loses its gloss. Spread in a lightly greased 8-inch square pan. When cold, cut into pieces. Makes 1 1/2 pounds or 36 pieces.

Interest in our annual Cotton Bowl Football Contest continues to be very good. One of the interesting aspects of a football contest such as this is grading the entries each week. Of course, this is a time consuming project, but trends you see in the guessing and interest of contestants makes the time spent grading and tabulating enjoyable.

Two of the most amusing incidents happened recently in the same week. One regular contestant got carried away with signing her name and the state in which she lives on the top line. Since then we have been calling her "Mrs. Texas." She laughingly explained the error this way, "You see I've always had a secret desire to become Mrs. Texas, so decided this would be the only way I would ever be so addressed."

The same week another regular contestant forgot to sign his name to the entry blank. He knew this was a particularly bad week for him, so didn't complain when his overall total was very low. Not being able to recognize the printing, we were unable to give anyone credit for the games guessed right. Listing the names for the overall total in the usual manner, we thought, "The person to whom this entry belongs will surely call in to tell us we have erred in his total games." Two weeks passed and no one had called, so Editor Bill Ellis took the entry blanks and checked the complete file to find someone who printed his entry each week.

In doing so he found one contestant who had missed this particular week, so called him and asked if he had turned in a blank for each week. Later our mystery has been solved and if anyone is curious about how one contestant's score gained so many points in one week, he will have the answer.

The Star staff members usually decide on Monday that we will fill in an entry blank to see if we can do as well as the average contestant, but perhaps

we really enjoy being able to say, "If I were eligible to enter the contest I could accidentally guess more games right than some of the other contestants pick correctly." Just in case we ever get around to filling in blanks to test our skill, I will let the readers know the outcome.

The old saying, "you see what you look for," was brought forcibly to my attention as I drove along Prospect Avenue from the highway to Sixth Street Monday morning. On the west side of the Jay Claborn residence I noticed the night.

Then a little bit farther I saw several huge chunks of ice... possibly 18" or 20" thick in front of E Roy Wilson's home. I haven't reached a logical conclusion about those blocks of ice yet, but they looked man made. Just next door the red geraniums were blooming profusely in the window boxes in front of the home of Mr. and Mrs. Ed Boggess. There were also a lot of beautiful geraniums blooming in front of the L.R. Dilger residence.

Of course trees up and down the street were beautiful in their fall colors and shrubs were green. Whether you wanted to see huge chunks of ice or bright red geraniums in full bloom, all you had to do was drive a few blocks on Prospect and look.

For the past several years our attention has been drawn many many times to retirement ranches, retirement homes and other homes for our elder citizens. It seems that our way of life almost dictates that a person retire when he reaches a certain age whether he wants to or not.

Since medical science has given us wonder drugs, vitamin pills and other valuable aids to longer lives, it seems that almost none of us think of spending our additional time contributing something to future generations or even providing for ourselves as long as we are

FFA Boys To Canvass For Crop

The Friona Chapter of the FFA will once again conduct their annual "Trick or Treat Campaign" for CROP. This will occur on Monday night, October 31, and will be between the hours of 6:00 p.m. and 9:00 p.m.

CROP is the Christian Rural Overseas Program, which makes it possible for us to send grain and seeds overseas so that much hunger may be alleviated. Here are some examples of what your gift to CROP can do: \$1.00 will provide a glass of milk a day for 3 children for a month. \$5.00 will provide rice to feed one child a meal a day for a year. This same amount will provide 10 pounds of canned meat, or 50 pounds of toasted soya protein for emergency feeding programs.

The motto for this year's campaign is: "The many faces of hunger can be changed through your gifts to CROP." Be sure and watch for the FFA boys next Monday night. Mr. David McVey and Mr. Benjie Pryor are their advisors.

When we say "I used to be able to do this or that or the other, but just can't do it any more," we more aptly mean, "I used to be able to accomplish the things I wanted to but am no longer willing to spend the time and effort to do so."

School Lunch Menu

Monday: creole spaghetti, blackeyed peas, buttered beets, tossed salad, apricot cobbler, hot rolls and butter and milk.

Tuesday: hamburger patties, mashed potatoes, english peas, carrot sticks, banana pudding, hot rolls and butter, milk.

Wednesday: bar-b-que on Bun, french fries, fruit jello, relish, milk.

Thursday, steamed wieners, pinto beans, potato salad, onions peach cobbler, corn bread, butter, chocolate milk.

Friday: baked ham, mashed potatoes, green beans, cole slaw chocolate milk, hot rolls and butter, milk.

Church Group Will Aid UNICEF:

WILL MARCH . . . The Junior high MYF will make a house-to-house drive Sunday afternoon in behalf of UNICEF. The group is (left to right) Jimmy Hamilton, Janice Milner, Kathy McLean, Melissa Pruett and Rusty Lindeman.

Commissioners Okay Precinct 4 Bridge

The Farmer County Commissioner's Court, in their regular meeting Monday, authorized County Judge Loyde Brewer to advertise for bids for a bridge across Running Water Draw near Lazbuddie.

Text of the advertisement can be found inside this issue of the Star.

As provided by law, the commissioners set the pay for election officials at \$12.50 per person per ten-hour day, plus \$1.25 per hour overtime.

The election judge will receive \$5 for delivering the returns to the Court House following the election. This compares to the old rate of \$1 per hour, plus \$2 for delivering the returns.

Election judges were appointed for the upcoming general election. They include: Friona, O. J. Beene; Black, Mrs. Glen Roberson, Lakeview, Otho Whitefield; Rhea, Melvin Sachs; Lazbuddie, J. D. Carpenter and Bovina, Jay Sherrill.

Absentee voting is now underway through the county clerk's office.

Carlton Gets Army Promotion

Jerry D. Carlton, 19, son of Mr. and Mrs. A. L. Carlton Sr., Friona, received an early promotion to Army pay grade private E-2 on completion of basic combat training at Ft. Bliss, Oct. 7.

He was awarded the promotion two months earlier than is customary because of his accuracy in firing the M-14 rifle, high score on the physical combat proficiency test and his military bearing and leadership abilities.

The early promotion program is an Army policy providing incentive for outstanding trainees.

FASHION MODELS . . . These three local ladies modeled in a "Jeuniqué fashion show" at the Friona Women's Club House Tuesday afternoon. Models for the style show were Melva Rule, Glenda Mings and Cherry Mings.

Junior Club Adds Three Members

Three new members, Mrs. Ronnie George, Mrs. Travis Clements and Mrs. Jack Roubinek, were accepted for membership in New Horizons Junior Study Club at the Thursday-evening meeting at Federated Club House. A special welcome was given the new members by members of the club during the social hour.

The inspirational thought was presented by Mrs. Conny Dodson. The program was presented by Mrs. Gerald Floyd, whose topic was "Dollar Sense Begins at Home," and Mrs.

Jackie Hight presented, "A Balanced Budget." Hidden talent was presented by Mrs. Joe McLellan, Mrs. Charles Myers and Mrs. Don Spring. Roll call was answered with a money saving suggestion. Halloween decorations were used in the meeting room and refreshments of pumpkin cake with whipped cream and hot chocolate were served by the hostesses, Mrs. Joe Reeve and Mrs. Glenn E. Reeve Jr. Guests present were Mrs. Ray Dean Fleming and Mrs. Gary Brown.

Girl Scout Notes

Troop 24 met at Federated Club House Monday afternoon and began work on the prints badge. Stencils were cut for Christmas cards.

Each Scout selected a pen pal and is beginning work on the pen pal badge. Plans are being made for each girl to exhibit her letter when requirements for the badge are completed.

The seventeen girls present were Tracy Barber, Becky Broyles, Barbara Bass, Teresa Bingham, Karen Clausen, Sharon Sue Smith, Debbie Horton, Juanita Leal, Pauletta Hughes, Holly Stevenson, Susan Martin and Lisa Rando.

Also Carol Reeve, Holly Welch, Tami Parvin, Julie McDermitt and Patricia Phipps. The leaders, Mrs. Ralph Wil-

son and Mrs. Fay Reeve, were also present.

Troop 211 had an overnight campout at the Spohn Ranch Friday evening. Fourteen girls were present. Supper and breakfast were cooked on an old fashioned range.

The supper menu was Frito pies with onions and cheese, grape Koolade and pudding. Before bedtime there was a game session and popcorn was popped and eaten.

Jeanie Bandy was chosen Miss Pajama Queen following a pajama party which ended at midnight. The breakfast menu was cinnamon rolls, grape juice and jelly.

A vote of thanks was extended to Mrs. Ralph Wilson and Mrs. W.M. Massie for permission to go to the Spohn Ranch.

Becky Broyles

Party Hostess

Becky Broyles was hostess at a Halloween party from 4:30 to 6:30 p.m. Saturday. Festivities began with a skating session at Friona Roller Rink.

Then guests went to the home of Mr. and Mrs. G.E. Reed for refreshments of cold drinks, pumpkin cakes and cookies. Mrs. Beryl Broyles and Mrs. Eugene Bandy assisted the hostess.

Others present included Sharon Smith, William Bailey, Carolyn Murphree, Jayson Grimsley, Scott Nelson, Kurt Taylor, Holly Welch, Rex Manchee, Barbara Bass, Cindy Barnett, Tami Parvin, Teresa Bingham, Debbie Horton, Julie McDermitt, Michael Martin, Bill Carrothers, Carol Reeve and Johnny Bandy.

Party Honors

Trip Horton

Mrs. Hollis Horton honored her son, Trip, with a skating party at Friona Roller Rink Wednesday afternoon.

Guests were Mickey Harrelson, Curtis Gable, Brent Hall, Blayne Baxter, Dan Dean, Ricky London, Mark Shackelford, Tom Barber, Kyle Shelton and Teddy King.

Eddy Willmons

Adopt Baby Boy

Mr. and Mrs. Eddy Willmon are parents of an adopted son. He was born September 30 and weighed 6 lbs. 5 1/2 ozs. His name is William Albert.

Grandparents are Mr. and Mrs. Albert Cohea and Mr. and Mrs. Jack Willmon of Pecan Gap, Texas.

Lee Cohea, Mr. and Mrs. Jeff Southerland and Mrs. Jane Willmon, all of Pecan Gap are great-grandparents.

Johnson-Southward Vows Read

Mrs. Billie Johnson and Melvin Southward exchanged wedding vows at 7:30 p.m. Saturday, October 8, in the prayer room of Friona Methodist Church. The double ring ceremony was read by Rev. Clifford Trotter.

The bride wore a three piece green wool suit with a mink collar and black accessories. Her corsage was of white orchids.

Attendants were Mr. and Mrs. Woodrow Welty, Friona, and

Mr. and Mrs. L. J. Jones, Hereford.

Parents of the couple are Mr. and Mrs. J.R. Southward and Mrs. Joe Clark and the late Joe Clark.

Following a wedding trip to several points of interest in Colorado Mr. and Mrs. Southward are at home southeast of town where he farms. Mrs. Southward has been employed at Farmer County Community Hospital for the past several years.

Library Program Given At Study Club Meeting

"Our Library, Past, Present and Future," was the title of a program presented by Mrs. V. J. Zeman and Mrs. W.M. Stewart at the Tuesday evening meeting of Modern Study Club at Federated Club House. They were assisted by Mrs. Sloan H. Osborn, president when the library project was started, Mrs. J.G. McFarland, first library committee chairman, and Mrs. H.K. Kendrick.

Mrs. Ernest Osborn, president, called the meeting to order. Reports from the community service committee concerning letters written to Mrs. George Crain, of the state high-

way department, about the road-side park and the need for an improved highway to Muleshoe.

Chairman of the clubhouse committee reported repair to the outside of the building. Club members voted to serve the kick-off breakfast for the United Fund volunteer workers Tuesday, November 8.

The devotional was presented by Mrs. Sloan H. Osborn. Her topic was "Woman and Her Community."

Refreshments were served to Mrs. Frank A. Spring and Mrs. Paul Spring to nineteen members and one guest, Mrs. Don Spring.

College Seniors Visit Parents

Lois Moyer and Patsy Hough senior students at Hardin-Simmons University, Abilene, were weekend visitors in the homes of their parents, Mr. and Mrs. O.B. Moyer and Mr. and Mrs. Spencer Hough, and other relatives and friends.

These two 1964 graduates of Friona High School are elementary education majors. Miss Moyer's minor is music and Miss Hough's is art. Present plans are for completion of degree requirements at the end of the second session of summer school in August.

Other Hardin-Simmons students accompanying the two students home for the weekend

were Bennie Galloway, Floydada, Betty Smith, Roscoe, Jamie Rowan, Dallas and Love Decker, San Antonio.

Future Nurses

Assist With Tests

Four members of Future Nurses Club who worked at the hospital during the past summer assisted Mrs. Marie Carroll, school nurse, in giving tuberculosis tests to first grade students and other students who are attending local schools for the first time Friday, October 14.

Those who assisted Mrs. Carroll were Debbie Hays, Patti Ragsdale, Carla Rogers and Becky Turner.

Mrs. Schueler Hosts Club

The Monday evening meeting of Rhea Home Demonstration Club was held Monday evening in the parish hall with Mrs. Herbert Schueler as hostess. Mrs. Cordie Potts, president, directed the business session and gave the council delegate's report.

Roll call was answered with each member relating a cute incident some child had done or said. The program "Personal Development," was presented by Mrs. Cricket Taylor, Farmer County Home Demonstration agent, Farwell.

Plans were made for decorating for the countywide luncheon. Members of this club will be responsible for decorations on tables and in the Oddfellows Hall, where the luncheon will be held. A committee composed of Mrs. Cordie Potts, Mrs. Floyd Schueler and Mrs. Walter Schueler was appointed to supervise the decorating.

Mrs. Walter Schueler presented a report on a recent meeting she attended which was sponsored by the Amarillo Chamber of Commerce.

Date was set for the annual family Christmas party. It will be held Saturday, December 12 in the home of Mr. and Mrs. Cordie Potts.

The November 14 meeting will be held in the parish hall with Mrs. Elmer Deyke as hostess.

Special guests were Mrs. Cricket Taylor, Farwell, Roy Zieschang, Rhea, and Mrs. Dwan Ridley, Clovis.

Members present were Mesdames Herbert Schueler, Floyd Schueler, Jim Parson, Norman Taylor, Herman Schueler, Luther England, Floyd Schlenker, Walter Schueler, Cordie Potts and Elmo Dean.

PRICE IS RIGHT FOR U.S. CONGRESS

BOB PRICE... the family man

Bob Price is a man whose interests are centered around his family. It's his desire to help create a better America for his children that led Bob Price into seeking the office of Representative to Congress. Bob and his wife Marty, along with their children, Janice, Carl and Grant, are a family we can be proud to send to Washington.

BOB PRICE... wants to stop inflation

Food, clothing and house payments must be paid out of take home pay after taxes. Inflation makes this more and more difficult for every family in the Panhandle. As a man operating his own business, Bob Price knows the effect of inflation on earnings.

BOB PRICE

a man known for his vital interest in water

Bob Price's family started ranching in the Panhandle in 1907. Following in his father's footsteps as a businessman and rancher, Bob Price knows that we must use greater water conservation to raise food and to attract new industry to the Panhandle. City and County alike are concerned with this problem. Bob Price has the knowledge and experience to plan ahead for our future water needs.

BOB PRICE... knows about war... he's been there

As a jet pilot, Bob Price experienced first hand the effects of war on the young men of today. This knowledge acts as a guideline to decision in regards to foreign policy. Experience is a valuable teacher.

BOB PRICE... keeps in touch

Over the past 2 years, Bob Price has talked to citizens of every county in this district. He has learned the problems facing us today and has the experience to work toward their solutions. Bob Price owes no debt to any single group and can give all of your representation in our nation's capital.

VOTE FOR BOB PRICE FOR U.S. HOUSE OF REPRESENTATIVES

* Yes, you can vote for BOB PRICE regardless of your choice of other candidates. A split vote ticket is a legal ballot and will be counted.

PRICE IS RIGHT FOR U.S. CONGRESS

LIKE "OLD TIMES"

Dimmitt Borrows Page From Past, Wins 35-6

It had been four years since the Dimmitt Bobcats had claimed a win over their old rivals from Friona, but when they finally got back in the win column, it was just like "old times" for the Bobcats.

Dimmitt, aided by numerous mistakes by Friona, roared to a 35-6 win in the District 3-AA

contest at Dimmitt last Friday, snapping a personal three-year losing streak to Friona and claiming their first win over a Don Light - coached Friona team.

Prior to Friona's 20-0 win at Dimmitt in 1963, the Bobcats had won over Friona 14 straight games stretching over a 19-year period. The average score of those games was something like 36-6, about equal to last Friday's score.

The Chiefs fumbled the ball 10 times, and lost it seven times. In addition, they had two passes intercepted, for a total of nine "turnovers." The weather couldn't be blamed for the fumbles, as it was a near ideal night for playing. A quick-hitting Dimmitt line which slammed Friona ball-carriers throughout the game caused the majority of the miscues, and led to the overpowering margin.

Friona's defense held the Bobcats the first three times they had given the ball over to Dimmitt on fumbles, but it couldn't go on holding all night -- and that's how long the fumbling went on. The game was barely two minutes old when Friona lost its first fumble. The Chiefs had taken the opening kickoff out to the 20, and Tony Perea had given Friona a first down at the 35. Two plays later, Johnny Barker attempted to pitch out to Bobby Jordan, and the ball squirted free, recovered by Dimmitt at the Chieftain 25.

Two Dimmitt running plays gained nothing, however, and two passes failed to click, and Friona took over.

The Chiefs got in one play, plus a Dimmitt penalty, before misfortune struck again. This time a Johnny Barker-Eddie Barker handoff went awry, and Dimmitt had the ball at the Chiefs' 43.

The Bobcats picked up two first downs before the Chieftain defense dug into hold the "Cats on downs at their 18.

The third time Friona had the ball, the Chiefs made it through to fourth down without fumbling, and Ted Renner's 53-yard punt set Dimmitt farther back than they had been that far in the game -- their own 30.

Dimmitt picked up a first down, and then got off a booming punt of their own, which put Friona on its own 10-yard line. If the field position wasn't bad enough, the Chiefs fumbled the ball over to the Bobcats on the first play, and Dimmitt had a first-and-goal situation at the Friona nine.

The Chieftains line bowed up, however, and four plays later Friona took over on its one. The team picked up a first down out to the 12, before -- you guessed it -- losing the ball again on a fumble. It was the 14th running try for the night, with four going as lost fumbles.

This one was too much to overcome, giving Dimmitt possession at the six. The Bobcats, getting tired of seeing scoring chances go by the wayside, gave the ball to their big sophomore halfback, David Land, and he crashed into the end zone for the game's first score. Ronnie Kenmore kicked lead with a minute gone in the second quarter.

The Chiefs checked their

fumbles the rest of the first half, and played Dimmitt on even terms, getting at one point to the Bobcat 39, the farthest they made it on a drive before punting on a fourth down from the 40.

The Bobcats took the second half kickoff, and spurred by Land's 53-yard scamper on their third play from scrimmage, drove for their second score. It was the only Dimmitt touchdown that did not follow a Friona fumble or pass interception. Quarterback John Hays, got the score on a fourth down play from the eight.

Friona had apparently stopped another Dimmitt drive for a few minutes later when Perea made a nice interception of a Dimmitt pass at Friona's five yard line and ran it out to the 30. However, on the first play from scrimmage, a fumble gave the ball back to Dimmitt, which scored on the fourth play thereafter.

B-Team, Frosh Take Losses

The Friona High School "B" team lost a squeaker to Tucumcari last Thursday at Tucumcari, 6-0. Friona's bid for victory was hurt in the last period when a penalty erased a touchdown.

The same night the freshman team lost to Olton, 14-12.

The "P" team plays Stanton Jr. High on Saturday, there at 7 p.m. today, preceded by a freshman game between the two schools.

BOBCAT ON THE PROWL... Tommy Stafford (20), Dimmitt halfback, is shown making a gain for the Bobcats against Friona. Larry Graves (15) moves toward the ball-carrier, but

John Hays (11) and David Land (33) try to block him out of the play. In the left background are Chieftain defenders Joe Moett and Bill Weatherly. (Star Photo by Randall Schwab)

Squaws To Participate

The Friona High School Squaws have once again been invited to be a participating team in the annual Hutchinson Flying Queens basketball clinic November 12.

One of the largest of its type in the country, the clinic, held at Plainview High School Gymnasium, is largely devoted to the teaching of fundamentals and basic basketball skills to high school teams, states Queen coach Harley Redin.

Friona will play Springlake, one of the outstanding teams on

the High Plains, in the 7 p.m. game as part of the clinic program November 12. Other games pit Tullia vs Spearman, 4 p.m.; Floydada vs Quitaque, 5:30 and Dimmitt vs Roosevelt, 8:30 p.m.

The Tullia-Spearman game is probably the highlight of the session. Both won state championships each other some bang-up games in non-district action.

The Squaws have participated in the annual clinic for the past several years. This year's is the Ninth Annual.

EARL CHESTER, OWNER

Memo To GRAIN GROWERS.

TIDE'S Fall Plow-Down Program Will Make You Money!

Tide's Fall plow-down program is designed to make you money:

1. Fall plow-down spreads your work load . . . reduces time, labor and equipment requirements at planting time.
2. Fall plow-down insures against uncertain Spring weather . . . gives you two opportunities to apply a complete fertilizer program. (Fall and Spring)
3. Fall plow-down aids in decomposing stalks and builds up soil nutrients.

Basic suppliers say demand for Spring fertilizer will exceed the supply of raw materials and hopper cars. As soon as possible after harvest, shred your stalks and apply Tide's Prescription-Blend fertilizer and start your Fall plow-down program.

PRESCRIPTION MIX FERTILIZER

Tide takes soil samples from your land, free of charge to determine exactly what your soil needs. Then your fertilizer is mixed from high analysis raw materials to fit your exact requirements. Because it is made "on order", your fertilizer is fresh, dry, and free-flowing.

ECONOMICAL

With "prescription-mix", you buy only the nitrogen, phosphate, and potash your soil tests show you need. Storage is no problem, as Tide's TiltBox, holding 14,000 pounds, provides air-tight delivery and storage at the end of the row.

TIDE SERVICES

Tide grower services and products are planned to save time and labor . . . help take the guess-work out of farming. Agricultural Consultants, free soil tests, and Tide's custom designed, weather proof, delivery and storage equipment, cut your production costs.

TRY TIDE . . . you'll be glad you did.

FAVORITES FALL

District 3-AA Race Like "Little SWC"

District 3-AA is rapidly becoming the "Little Southwest Conference" for schoolboy football in this area.

After four weeks, there are no undefeated teams left -- only two teams are "out" of the race, and it's still any of six teams who may emerge as champion.

Surprising Olton pulled its second straight shocker by handing Memphis its first league loss, 20-14 last week. That left Memphis tied with Abernathy and Floydada for the top spot.

Friona missed a chance to tie for the lead by bowing to Dimmitt, 35-6. The Chiefs still must play two of the top three teams (Memphis and Abernathy)

but will have to rely on someone else to stop Floydada.

Other scores last week were Abernathy 16, Lockney and Floydada 28, Hale Center 7.

In District 4-AA, the Denver City Mustangs lost their first district game in eight seasons, 14-0 to Post, which took over the district lead in that district. Denver City is now 2-3-2 for the year.

Standings

Team	W	L	T	Pts.	Opp.
Abernathy	4	1	0	127	80
Memphis	3	2	0	115	80
Friona	4	2	0	41	108
Dimmitt	3	3	1	101	76
Floydada	3	4	0	47	101
Hale Center	3	4	0	196	83
Olton	3	4	0	79	127
Lockney	2	3	0	88	116

BROTHER ACT . . . Friona's brother combination, Eddie Barker (left) and Johnny Barker, are shown executing a gain on the play against Dimmitt. Dimmitt defenders are (left to right) Mike Bruegel (70), Donald Johnson, (64), Rodney Hutto and John Hays (11). Dimmitt won, 35-6.

Mr. and Mrs. Charlie Weigand of Temple, Mr. and Mrs. Elwyn Hartman and Brenda Blackburn were Sunday guests in the home of Mr. and Mrs. Jack Clark and Janice. The Weigands are the uncle and aunt of Mrs. Clark.

FOR 1967

GSPA Asks Increase In Grain Loan Rate

"An increase in the price support loan rate of 25¢ per hundred in the 1967 feed grain program is the surest way to assure farmers that their income will be maintained and strengthened", Elbert Harp, President of the Grain Sorghum Producers Association told Orville Freeman, Secretary of Agriculture, in a letter this week. Harp pointed out that this action would provide the grain producer with a stronger credit base as well as protect him from declining markets at harvest time as USDA seeks to bring many of the diverted acres back into production. Freeman had earlier indicated that the 1967 feed grain programs when announced will be administered in such a manner as to attract from 15 to 18 million of the 30 million acres now diverted from corn and grain sorghum back into production. Harp went on to indicate that he along with other officers and staff of GSPA in recent months have served on various committees and councils charged with the responsibility of assisting with the development of

new feed grain program laws. During these close liaison sessions as well as through all regular association administrative activities that GSPA has worked for 4 basic principles: (1) That increased producer income be the number one objective of the 1967 feed grain program. (2) That the loan rate be increased from the current \$1.52 national average to \$1.77. (3) That the combination of the diversion payments and the direct price support payments be retained at their current levels. (4) That payments to be made on the total acres on which the farmer produces rather than just one-half of the acres as in this year's program. The Abernathy farmer and GSPA head in talking with farmers points out that these 4 principles may not necessarily be incorporated into any new program which may be announced in a matter of days, but that he feels it important that farmers as members of the Association know the principles for which their association has been working in their interest.

Bufs Host Memphis St.

West Texas State appears to get stronger each week -- but so does its opposition.

This week its to be the Bufs seeking their first win over a Memphis State team which Coach Billy (Spook) Murphy, says would have to be ranked among the best in his nine years at the helm.

That constitutes bad news for the Bufs. This will be the fourth meeting between the two clubs and the Bufs haven't yet found the formula to whip the boys from Tennessee. However Coach Joe Kerbel has one of his best contingents since the 1962 Sun Bowl team, meaning another rib-buster Saturday night at Buffalo Bowl.

Each team will enter the game with only one loss to mar their records. Memphis State fell to ever powerful Mississippi in the first game of the season, 0-13, and have come on to down South Carolina, 16-7, Southern Mississippi, 6-0, the Quantico Marines, 6-0, and pass-minded Tulsa last week in a big upset, 6-0.

West Texas has fallen only to Texas Western, 3-9, and has beaten Arlington, 38-6, University of Pacific, 49-7, Arizona State, 21-20, Richmond, 41-7, and New Mexico State, 17-14.

Game time is 7:30 p.m.

Airman Scheel Has Part In SAC Combat Trials

Airman First Class Walter L. Scheel, whose wife Karyl is the daughter of J.B. Williams of Friona, is providing vital maintenance support for the Strategic Air Command's (SAC) 15th Combat Competition which tests electronically the same deadly skills SAC combat crews are using to fight Communist aggression in Southeast Asia.

The week-long trials, which began Oct. 2 at Fairchild AFB, Wash., feature the 37 top B-52 Strato Fortress and B-58 Hustler bomber crews of the command.

Airman Scheel is a bombing navigation systems mechanic with the 461st Bombardment Wing at Amarillo AFB, Tex.

The coveted honor of being chosen to support their unit's entry in the "world series of

WALTER L. SCHEEL

"bombing" is awarded to maintenance personnel on the basis of technical skill, proficiency and consistent performance.

Jobey Claborn Gets Job With Squibb Firm

Jobey Claborn, Canyon, will begin a three week preparatory course at The Squibb Company in Kansas City next week. He has been accepted for employment as a pharmaceutical salesman for that firm.

Claborn, who is a 1961 graduate of Friona High School and a 1966 graduate of Southwestern State College, Weatherford, Ok-

lahoma with a major in biology, is the son of Mr. and Mrs. J.C. Claborn.

His wife, the former Janet Buckley, also a graduate of Friona High School, plans to remain in Canyon until he finishes his training course. She is employed by an insurance firm in Amarillo.

Plant Residue Is Conservation Aid

Plant residue left in cultivated fields is of a major importance in farming. Plowing these residues into the soil during the part of the year when wind and water erosion is at a peak pay in many ways.

Residues left on the land after harvest conserves moisture. Rain water goes down, not to the lakes. The intake of ir-

rigation water is higher on land where residues were left. The recent rains show what crop residues can do. Where wheat straw was burned, instead of plowed into soil, the rain water went to the nearest lake instead of going down making that deep soil moisture for next years crop.

Soil losses by any type erosion is much less when crop residues are properly used. Residues prevent soil from blowing in the early spring. Rains cannot wash our top soil to the nearest lake when residues are left on the ground.

Plant residues may be left undisturbed, shredded, mowed or knocked down with a stalk cutter. However, on loose residues, they need to be tanded in. Fertilizers may be put on at time of plowing residues, this will give better utilization of both.

Honor Rolls Given For FHS, Jr. Hi

Ten students of Friona High School achieved grades of all A's during the first six weeks grade period which ended October 7. They were Brenda Blackburn, Susie Carmichael, Becky Coffey, Mac Hancock, Lowery Harper, Norman Mohr, Joel Osborn, David Smith, Larry Truitt, Susan Vestal.

Those making only one B were Kathy Bandy, Janice Clark, Jerry Coker, Isidore Cordova, Brownie Cole, Darla Howell, Danny Kendrick, Rhonda Lawrence, Belinda Mabry, Tommy Mars, Karene Milner, David McFarland, Dale Neel, Karla Patterson, Darla Perkins, David Reeve, Kathy Renner, Wayne Schueler, Kara Beth Sides, Mary Smith, Bobby Thomas, Connie Whaley, Shirley White, Terri Lynn Wilson, Mike Wooley.

Those making all A's with two B's were Ann Ayers, Alsie Bevers, Lou Cochran, Crista Evans, Shirley Johnson, Martha Martin, Janet Mingus, Rhonda Ragsdale, Kay Riehmayer, Gary Shirley, Pam Turner.

Those making A's with 3 B's

were Johnny Barker, Kandy Farr, Paula Fortenberry, Leslie Jarecki, Bobby Jordan, Vickie Knight, Vernetta McNeely, Susan Neill, Mike Pavalus, Jane Rushing.

Those with A's and 4 B's are Carolyn Brown, Bob Carrothers, Linda Carson, Carlene Greeson, David Harper, Pamela Hawkins, Mike Smith.

Kyla Billingsley had B's with 1 A.

Junior High Honor Roll

Fifty junior high students made the honor roll for the first six weeks. Names on the roll and grades received are as follows:

Eighth Grade
All A's: Larry Johnston, Debra Mears, Dale Schueler, Debra Wylly.

One B and rest A's: Janetta Cole, Sandy Reznik, Susie Spring.

Two B's and rest A's: Mike Buchanan, Glenda Deaton, John Hoover, Donnie Lewellen, Esther Smith.

Seventh Grade
All A's: Denise Frazier, Cynthia Gable, Annrea Hurst, Sally Kendrick, Alesia Ragsdale, Carleen Schlenker.

One B and rest A's: Dave Buske, Joni Cannon, Kathleen McLean, Carolyn Martin, Jill Riehmayer, Larry Sanders, Sheila Struve.

Two B's and rest A's: Bill Bailey, Randy Dorrell, Kathy Horton, Tony Keith, Kathy King, Janice Milner.

Sixth Grade
All A's: Julie McDermitt, Carol Reeve, Betty Sachs.

One B and rest A's: Carolyn Murphree, John Rule.

Two B's and rest A's: Deborah Kritzman, Kim Parr, David White.

Fifth Grade
All A's: Carolyn Gore, Annette Reznik.

One B and rest A's: Beverly Bailey, Beth Cranfill, Ricky Harper, LaGayla Self.

Two B's and rest A's: Jeanie Bandy, Mary Beth Bennett, Trip Horton, Bobby Lewellen, Kyle Shelton.

Missionary To Speak At Assembly Of God Church

Guest speaker this coming Wednesday, November 2, at the First Assembly of God Church, Friona will be the Rev. Glenn D. Stafford of Amarillo, Texas. For the past nine years Mr. Stafford and his family have served his denomination in the South East Asian nation of Burma.

Rev. and Mrs. Stafford went to Rangoon, the capital city of Burma in July 1957 and began pioneer work for their church in that city of about one million people. Today a congregation of about 250 have their own church, national pastor and are self-governing and self-supporting in all phases of their church life.

During seven years of his term, Mr. Stafford served as the General Superintendent of the Assemblies of God of Burma, the national church organization which has 175 churches and 13,000 members. Last March by government order, all Protestant missionaries in Burma were asked to leave the country by the end of May.

Burma is governed by a group of Army officers calling themselves the Revolutionary Council and after abrogating the constitution and jailing most of the members of the parliamentary government that had ruled Burma since 1948 when they gained their independence from the

British until 1962, they announced a new program called "The Burma Road To Socialism." Almost all phases of the national economy and culture has now come under the heavy hand of dictatorship following doctrinaire socialism.

The Staffords returned to the United States in May this year and will be returning to the Far East during the summer of 1967. Since Burma has been closed to foreign missionaries, they have been asked by their mission board to go to the nation of Malaysia and work in the North Borneo states of Sarawak and Sabah.

The Staffords are missionaries under appointment by the Foreign Missions Department of the Assemblies of God, Incorporated, with international headquarters in Springfield, Missouri. The Assemblies of God operate mission programs in 75 foreign countries with a staff of 920 missionaries.

The public is invited to hear this veteran missionary tell of his experiences in Burma and make a report on the Christian work there and how the current political situation is affecting the Christian churches of that nation. Color 35mm slides will also be shown according to the pastor, Rev. Ott Robertson.

CAREFREE—Here's an all-cotton fashion that wins unanimous approval from daughter and mother alike. Its Carnaby styling is in high favor with the young set—and its no-iron durable press qualities make it mother's favorite, too. By Cinema Modes of California.

DASHING—The three-quarter length coat makes fashionable coverage for the busy young suburbanite or the college coed. In sturdy cotton corduroy, it's double-breasted and has a wide shawl collar that turns up into a hood. By Weatherbee.

HOW SAFETY GLASS PROTECTS YOU

jagged edges which can cause serious and sometimes fatal injury. The best defense against glass hazards in the home is the use of safety glass in doors and shower and tub enclosures.

There are three types of safety glass currently available:

(1) Tempered glass (used for the side and back windows on your car). It is stronger than regular glass, and if broken will fragment into small pieces resembling rock salt.

(2) Laminated glass (this is used for your car windshield) which consists of two or more sheets of glass held together by a center of plastic material. The glass can crack and break, but the pieces will adhere to the plastic.

(3) Wired glass which consists of a single sheet of glass with a layer of meshed wire completely imbedded in the glass. If broken, the pieces will adhere to the wire and not scatter.

The Federal Housing Administration has recognized the problem and requires safety glass in all sliding glass doors, shower stalls and tub enclosures where their home financing is used.

WITH YOUR PRESENT HEATING SYSTEM?

TELL US ABOUT IT AND YOU MAY WIN A TRIP FOR TWO TO MEXICO CITY!!!

Visit beautiful Mexico City... travel by air... three nights and two days at a famous Mexico City hotel... plus \$100 for your expenses... that's the prize for some lucky entrant and his or her spouse.

HERE'S ALL YOU DO...

Simply check the appropriate blocks in the official entry form below, then take or mail your entry to any Reddy Kilowatt Recommended Electric Heating Dealer or Public Service office. A drawing will be held shortly after October 31, 1966 and the winner will be notified regarding travel arrangements.

ELIGIBILITY

Southwestern Public Service Company customers, who own their own homes and are 21 or married, are invited to enter—one entry per person.

Entries must be received not later than 5 P.M., October 31, 1966.

OFFICIAL ENTRY

HOW DOES YOUR HEATING SYSTEM RATE?

Check its overall performance and efficiency with this easy quiz

Does your present heating system fail to provide enough heat in severe weather? YES NO

Is it a problem to keep certain rooms as warm as others?

Are certain rooms in your home drafty?

Are you uncomfortable near windows and outside walls in cold weather?

Are your floors cold during the winter?

Could your home use more insulation in walls, ceilings or floors?

Is there a blast of hot air when heat first comes on?

Do you ever hear a roar or rumble in the system?

Do you have just one thermostat for the entire house?

Do you frequently readjust the thermostat for more comfort?

Do members of your family disagree on the proper thermostat setting?

Is your heating system noisy?

Is the air in your house too dry?

Do you consider your present heating system clean? safe? modern?

Game Scores

Following are results of games included on last week's contest page:

Abernathy 16, Lockney 0
Olton 20, Memphis 14
Floydada 28, Hale Center 14
Post 14, Denver City 0
Lazbuddie 29, Nazareth 7
Hereford 26, Canyon 14
Springlake 37, Bovina 20
Kress 19, Farswell 12
Texas A&M 17, Baylor 13
SMU 24, Texas Tech 7
Texas 14, Rice 6
Arkansas 41, Wichita 0
Auburn 7, TCU 6
Michigan St. 41, Purdue 20
West Texas St. 17, New Mexico St. 14
Cleveland 30, Dallas 21
(Dimmitt 35, Friona 6)

Contest Rules

1. Pick the winners of the 16 games listed in the advertisements on this page. Write the winners in the blanks provided on the official contest blank.
2. Pick the score of the tie-breaker game. This score will be used to break weekly as well as grand prize winners.
3. Bring your entry blank by the Friona Star or Bi-Wize Drug by 5 p.m. on Friday. Entries must be post-marked on Friday to be eligible, if mailed.
4. The leading contestant at the close of 12 weeks will receive two free tickets to the Cotton Bowl Football game, along with \$40 expense money and reservations at the Adolphus Hotel for two nights. Second place winner will receive two tickets to the Sun Bowl game and \$25 expense money. Third place winner gets two season tickets to the Friona Chief games next fall.
5. Only one entry per person.
6. Contestants must be 12 years of age or older.
7. Everyone eligible to enter (sponsors included) except employees of the Friona Star and their families.
8. Weekly prizes of \$5, \$3 and \$2 will be awarded to first, second and third place winners.

NEIGHBORS HELP . . . Friends and neighbors of Jack Bruns of the Lazbuddie area gathered on Monday to harvest Jack's maize following his death last Thursday. Shown in this Star

serial photo are ten combines going at one time, making short work of the harvest. The men combined about 300 acres in one day's time. Some 35 men, 20 combines and 40 trucks were used during the day.

Tailwater Records Show Good Average Return

The High Plains Underground Water Conservation District No. 1 has recently compiled detailed records on five tail water installations within the Water District. These records were compiled from data gathered during the past four years. The five systems showed that an average of 87.93 acre feet of irrigation tail water was recovered per system during this time. Installations with three years study reveal an average recovery of 90.71 acre feet per system. In three of the systems studied, records were compiled on the amount of water that was pumped from the Ogallala formation through the irrigation

These facts prove that a return system can be of great value to farmers and landowners. Now is the time to make conservation plans for your particular situation. Why not explore the possibility of a tailwater return system on your farm? wells. The average recovery per system was 83.52 acre feet of water. The average recovery per contributing well was 35.79 acre feet per year and the average per cent of the total water recovered in comparison to the water pumped from the formation was 22.40% per well contributing to the system.

Contrary to what most people believe, Frankenstein was not a monster! Mr. Frankenstein, in Mary Shelley's story, created a monster—unnamed. "A Frankenstein" is therefore not a mechanical man without a soul, but a person who starts something he can't stop.

Neighbors Harvest Bruns' Maize Crop

A score of combines, about 40 trucks and almost as many men gathered at the Jack Bruns place on Monday to help cut maize. Bruns died last Thursday after a lengthy illness. Some 35 friends and neighbors turned out to get the maize cut, and by nightfall had harvested a little over 1.5 million pounds of milo on 300 acres. Those working and/or furnishing machinery included L. M. Hardage, Andy Fuqua, Gene Smith, Leon Smith, Leon Smith Jr., Lee Mason, Wayne Hardage, Jack Smith, Wayne Clark, Bill Brown, Dud Winders. Also John Littlefield, Luther Hall, Kenneth Hall, Richard Engelking, C. A. Watson, Ted Treider, Max Steinbock, J. C. Redwine, Neil Bradshaw, Robert Ivy, D. E. Ivy, J. R. Harris, Bob Blackwell. Also Don Littlefield, Muleshoe Elevator, Marvin Mimms,

J. J. McDonald, Don McDonald, Paul Scott, Troy Sharrock, Macy Fuqua, Don Bruns, Jerry Tandy, Fred Burch, Durwood Ivy and Eugene Redwine. To forestall an accumulation of lint in plumbing and the resulting expensive repairs, an effective lint filter on the end of the washing machine hose can be fashioned very simply from aluminum screening. A few cents spent at a hardware store now for the rust-proof aluminum screening is the insurance against sizeable plumbing bills later. Aluminum screening also maintains its clean, bright appearance for the life of the frame with no more than a twice yearly washing, according to the Insect Wire Screening Bureau, New York.

On The Farm In Parmer County

HELLO FOLKS My wife and I would like to take this opportunity to say hello to all of the people in Parmer County. It is our aim to meet all of you in the near future. It is a real privilege to be your County Agent and I am looking forward to serving you in this capacity. This past Thursday I had the opportunity of meeting A. L. Hartzog. Mr. Hartzog was kind enough to take all Thursday afternoon and show me around the Bovina and Rhea community. I also had the opportunity of meeting several people in these communities. Agency Personnel, and County Program Building Committee members are invited to attend a short course in Muleshoe November 1 at 7 p.m. and November 3 at 6:30 p.m. The meeting place is the Fellowship Hall, First Methodist Church 507 2nd st. Basic information on soil fertility and fertilizers will be presented. A \$5 charge for registration

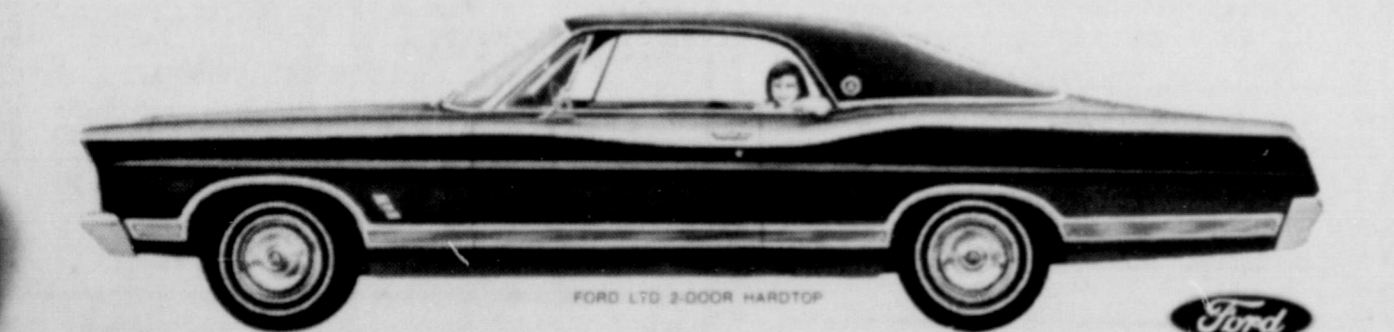

Spring Helped Stage Agricultural Conference

Frank A. Spring, president, Friona State Bank, Friona, Texas, has returned from Fort Worth, Texas, where he helped stage a conference on agricultural economic problems that was attended by over 140 participants. Mr. Spring is a member of The Independent Bankers Association of America, which sponsored the conference for bankers in agricultural communities. In addition to his role as one includes cost of the dinner on the last meeting night, copy of presentations made and a certificate of completion. of the conference planners, Mr. Spring also participated in a meeting of the IBAA Agriculture - Rural America Committee. Participants in the conference heard nine authorities speak on the general theme of the conference, "What's Ahead for Banking in the Agricultural Community?" The Independent Bankers Association of America is an organization of more than 6,400 banks in 40 states, the vast majority of which are in the smaller agricultural communities. The association has a vital interest in the problems of farmers

STATEMENT OF OWNERSHIP, MANAGEMENT AND CIRCULATION. Includes fields for Date of filing, Title of publication, Frequency of issue, Location of office, Publisher, Editor, and a table for Circulation data.

We have a dog, a cat, a rabbit and a '67 Ford. My father always buys Fords because they never give him any trouble. Our new Ford has doors that lock by themselves... a light that tells us if we need gas... a stereo tape player... and one thing my father doesn't know about. (A frog I'm keeping in the glove compartment.)

The strongest, quietest, best built Fords in history offer you a lot of great new features. Like Ford's exciting new SelectShift Cruise-O-Matic transmission. It shifts automatically... or lets you shift manually for climbing steep hills, downshifting, or just for fun. You can also choose a Convenience Control Panel that will automatically lock doors, warn you if a door is ajar, or fuel is low. Stereo tape player. Comfort-Stream Ventilation that exhausts stale air with the windows closed. And, every solid, substantial '67 Ford is equipped with Ford Motor Company Lifeguard-Design Safety Features. You're ahead in a Ford FORD MUSTANG • FALCON • FAIRLANE • FORD THUNDERBIRD

COME IN TO YOUR FORD DEALER'S NOW! ENTER THE "WIN A '67 FORD" CONTEST! HURRY! CONTEST ENDS OCTOBER 30!"

H and H FURNITURE AND THE BIG RED BARN

WEST HIWAY 60
HEREFORD, TEXAS

BEGINNING THIS THURSDAY MORNING At 10A.M. Until 8 At Night

By permission of Mr. and Mrs. James O. Hall - with their full consent and absolute authority to carry out their instructions to sell out everything throughout the H&H FURNITURE and the BIG RED BARN . . . so as to close both stores and quit business forever . . .

ANOTHER PRICE SLASH

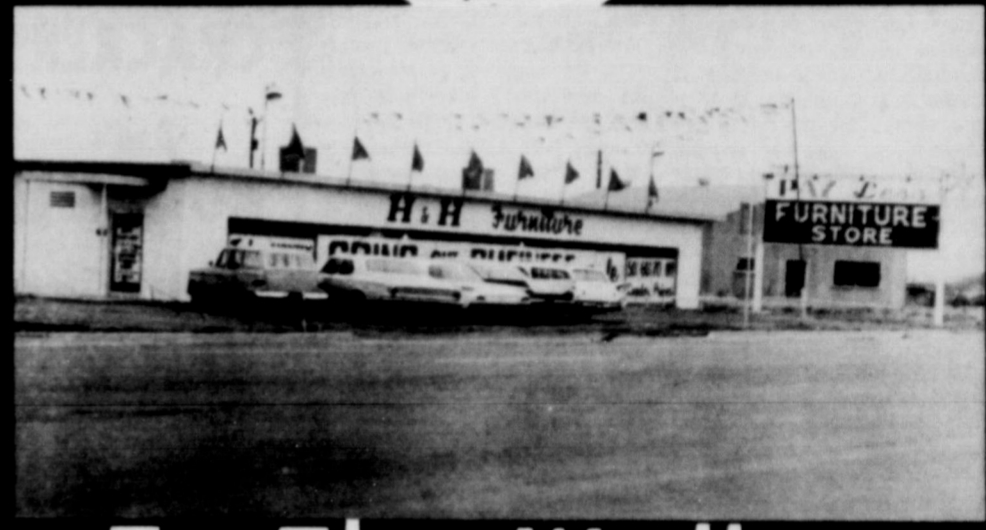

To sell out all furniture bedding and appliances and empty both stores to the bare walls and vacate the two buildings . . . within the next few days . . . all prices are now cut without regard to cost or losses . . . a time worn phrase but in this instance a TRUER ONE WAS NEVER MADE . . . Yes, we are taking additional price slashes to move the balance of our merchandise and to move it fast. COME and GET IT

Here is Your Furniture Buying Chance Of a Lifetime.
Every original price ticket remains on each piece of merchandise showing our regular retail or factory suggested retail price . . . Now, for the quitting business sale we have added a large yellow tag with the new lower discount going out of business sale price. This shows you at a glance your actual honest truthful savings . . . upwards to 50%, 60%, 70% and in some instances even more off all our regular prices.

4-H ACTIVITIES

Bovina 4-H'ers have plans for a lot of fun on Saturday, October 29th when they will have their Halloween party. The party will be held in the Wayne Magness barn-- with spooks and witches galore, Game Committees, decoration committees and about everyone in that club has been working to make this a big event.

4-H COUNTY COUNCIL -- will also meet on the 29th at 10:00 a.m. in the Bovina Bank. This is the last meeting of the present Council members as the new Council will be made up of next year's membership. On the agenda will be plans for Achievement Night Banquet and election of officers.

Mrs. Earl Hise, 4-H Organizational leader, project leader, and 2nd grade teacher at Bovina School seems to have time always for the things she wants to do. She has started work with 4-H girls in the Child Care project already. Of course this is in addition to her job as a homemaker, mother and all the many things that this involves.

Employed homemakers -- those with many outside interests are seldom bored with household tasks -- they don't have time.

4-H Adult Leader Symposium -- to be held in Hereford on November 17th for the four County Area, Castro, Randall,

Deaf Smith and Parmer. The idea is to make more efficient use of time and give better training to 4-H Project Leaders -- and the meeting on the 17th is a most important one. Leaders and parents who may be considering being a leader will need to put this date on their calendar. Contact me here at the office for more information.

Find ways to do boring jobs faster so you can get to more interesting jobs-- take a hard look at the way you work. What changes can you make?

Big Doings are in store-- for two outstanding 4-h'ers here in Parmer County, November 12th the Gold Star 4-H girl and boys from Parmer County will be honored, at a banquet in Amarillo. After this they will be honored at the Parmer County 4-H Achievement Night also. Their names are still a big secret though.

Keep things within easy reach -- kitchen utensils stored at points of first use -- duplicate cleaning material kept in bath -- ironing equipment close to where you iron -- omit some steps in the job as draining dishes rather than drying.

Compete with yourself -- time yourself on a job. Try to beat your record. Alternate jobs-- iron awhile -- mend a while.

**Agent Warns Of Danger
With Pesticide Sprays**

No home pesticide spraying or dusting job is safely completed until you are sure the pesticide container is disposed of, says Cricket B. Taylor, Parmer County Home Demonstration Agent.

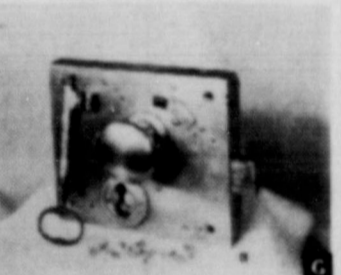

No pesticide container is ever completely empty, reminds Mrs. Taylor, so handle them with the same care you use when they were full.

When pesticide containers are "empty", the container has done its important job of holding the product until you used it. After this job is over, the pesticide container will sit where you put it and create problems for you until you safely dispose of it. Such "empties" should be kept in locked storage if you cannot conveniently take care of them as they become useless. The containers should NEVER be used again for any reason.

Pesticide materials, such as dusts or liquids, are often left over after the application season is past and you wish to dispose of the left-overs. The best way to do so is to dig a pit, at least 18 inches deep, in an isolated area -- away from children, pets, and garden areas -- and carefully pour in the unwanted pesticides. Be very careful to avoid splashing. Wear rubber gloves and any other protective clothing called

for on the label. Fill the hole in with 12 to 18 inches of soil, then dispose of the container.

Mrs. Taylor will feature correct disposal methods in future articles. She particularly wants to point out today that aerosol "bug-bombs" require special handling. Pressurized containers should never be burned or punctured, because they will explode, causing droplets of pesticide and bits of sharp metal to travel great distances. Aerosol cans should be wrapped in several layers of newspapers and placed in to the garbage can. If you do not have garbage service, they should be wrapped and buried in an isolated area, or taken to a nearby supervised sanitary land-fill dump.

This lock is just one of many types from ancient times to the present on display in the world-famous Yale Lock Collection, which tours U.S. museums.
