LET US say something about sports, eating, and sleeping. That is, in Sudan just now, the order in which they rank in importance I believe.

Sports: This 1967 Sudan Hornet team is really a champion, and proved it again Saturday night in winning the Bi-district game over Crosbyton.

Now lets look toward victory in this regional game against Clarendon to be played at Buffalo Stadium in Canyon Friday night, 7:30, remembering that they, too, are a bi-district winning team.

EATING: A quote from a column by one Neil Morgan, who toils for the San Diego daily newspaper.

"Tackle Ernie Ladd (6-9, 309 pounds) checked in at Sharp Hospital with a knee injury after the game, and it took three trays to get his breakfast to him. A stumped dietitian reports that this is what he ate: four jumbo hot cakes, eight sausage patties, ten eggs over easy, two bowls of cereal, and a quart of orange juice."

This guy, obviously has to be a good player in order to make enough to eat on.

SLEEPING: Changing Times, a magazine you can't buy on the news stands, gives these tips for good sleeping: Avoid stimulants such as coffee and tea after noon; don't go to bed with a stomach either too full or too empty; avoid stimulating conversation, television programs and books late in the evening; don't go to bed angry; get some exercise every day, but don't do vigorous calisthenics at bedtime; arrange sleeping conditions according to habits and feelings - a good mattress, a pillow of the right size, a warm, but not hot room, try to cut down on mental vigilance by purposefully leaving the day just past behind and refusing to plan for the morrow. "The idea is this: Don't care - especially don't care whether or not you go right to sleep."

These things are easier for Changing Times to say than for me to do.

SERVICE MEN'S FAMILIES MAY USE RECORDER

The Lamb County Chapter - American Red Cross, has a recorder to be used by Lamb County families of servicemen who are serving in Vietnam. The use of the machine is free - and the only requirements are the cost of the tape (which is less than \$1.00) - and it is necessary to do the recording in the Red Cross Office located in the basement of the Courthouse, Littlefield according to Mrs. Ruth M. Wade, exec. secretary.

Bob Masten, McComb, Miss. is here this week visiting his father who is ill.

Thanksgiving Service Set

A Union Thanksgiving service is set for tonight (Wednesday) at the First Methodist Church, with Rev. Robert Brown, pastor, bringing the message. Rev. Willie Hazel, pastor of the First Baptist Church, will also participate in the service.

A combined Choir from the two churches will sing under the direction of Mrs. Bob Drake.

Everyone is invited to attend this community-wide service.

CLAYTON ASKS FOR END OF DST

Representative Bill Clayton of Springlake asked Governor Connally, in a letter this week, to include a Bill to exempt Texas from Daylight-Saving Time in the upcoming special session of the legislature.

Clayton stated that the people of Texas having tried D. S. T. for one year and disapprove of the advanced time. A Belton poll shows a general disapproval all across the State and several polls taken in this Area indicates a great majority of the people here do not like Daylight-Saving Time.

Rep. Clayton stated that after having an expression from the people in the District by polls and by personal contact that he would support any action to exempt Texas from the Time Change.

Mr. and Mrs. Charles F. Heffington are parents of a son, Charles Bradley, eight lbs. and one oz., born Monday, Nov. 20, at University Hospital in Lubbock. Mrs. Heffington is the former Miss Faye Scott. Maternal grandparents are Mr. and Mrs. R. E. Scott. Paternal grandmother is Mrs. Margaret Heffington, Littlefield.

199,999,827 Parents Of Statistic Don't Even Care

According to the Avalanche-Journal, Mr. and Mrs. Heffington couldn't care less about current facts and figures concerning the population explosion. But their son number 199,999,827 (on the official basis of one birth every 14 1/2 seconds).

Mrs. Heffington said "we are so thrilled and happy about our new son, we don't care what his number may be. My husband is so excited the only number he probably understands is 'cloud nine'."

SUDAN DOWNS CROSBYTON, 21-6

GO, HORNETS, GO--Shown above is Hornet QB Ronnie Hill (10), carrying the ball around end for yards gained against the Crosbyton Chiefs as his blockers take out the opposition.

The Sudan Hornets will be going to Canyon Friday where they will play the Clarendon Bronchos in Buffalo Stadium at WTU in the regional playoff game. Kickoff time is 7:30 p. m.

The Bi-district Champion Hornets defeated the Crosbyton Chiefs Saturday, 21-6, to win the coveted bi-district title and trophy. Clarendon beat Gruver, 14-6, Saturday at Borger to win their bi-district crown.

It was the Hornets all the way Friday night at Lowery Field, but the first quarter was strictly a defensive battle. The Hornet defense allowed the Chiefs only one touchdown in the entire game, and otherwise never allowed them to get close to the Hornet end of the field. The offensive unit led by quarterback Ronnie Hill, who was top yard gainer this week with 96 yards, did a tremendous job and kept the lead all the way after their first TD late in the second quarter.

In the first quarter Fullback Larry Hanna received a knee injury and was out of action for the rest of the game. Freshman FB David Weaver did a fine job filling this position.

For the score near the end of the first half, after the Hornet defense had stopped the Chiefs time after time forcing them to give

up the ball on fourth down, Hill passed to HB Jerry Bellar for 27 yards to the Chiefs 33. As play continued and with only 45 seconds left on the clock, Hill passed to End Steve Martin who took the ball on in for the score from the two yard line. Bellar added the point after. The Chiefs then put the ball in the air, trying to get a score fast before the half ended, but Van Seymore knocked the ball down which ended up in the hands of Billy Ford. When the half ended, the score was Sudan over Crosbyton, 7-0.

Early in the second quarter, Sudan's fired-up defense forced the Chiefs to give up the ball on fourth down at the 15, and the Hornets drove 85 yards in 19 plays. With less than two minutes left in the quarter, Hill carried the ball in for the TD, Bellar kicked the point, and Sudan was leading, 14-0.

In the fourth frame, the Chiefs moved the ball 65 yards for a TD, when Fullback Robert Barrett carried over from the two yard line. Their try for two extra points failed, and the score was Sudan leading, 14-6. The Hornets took the ball on the 25, and with less than six minutes left, Hill led the Hornets on a march downfield for 75 yards in 12 plays, running out the clock, and on a keeper play took the ball into the end zone from the 11. The Hornet defense again stopped the Chiefs short of a first down, and Sudan took over the ball until time ran out, with the Hornets defeating Crosbyton, 21-6, to win the Bi-district title.

BOOSTER CLUB MEETING HELD

The Sudan Booster Club met Monday evening in the high school cafeteria, with president Frank Lane presiding.

All Sudan Booster members urge you to go to the game in Canyon Friday night and continue to back the Hornets to win!

On the new member list is Mr. and Mrs. Noble Dudgeon.

Bill Nix won the scoreboard this week.

BTU CONVENTION SET IN SAN ANTONIO

The first statewide family Thanksgiving service emphasizing worship will highlight the Training Union Convention, to be held Nov. 23-24 in San Antonio, according to Gerlad Dunlap, convention president.

"This is the first time this has been done," said Dunlap, who serves as minister of education at South Main Baptist Church, Houston. "We've always had conferences and general sessions, but this time we're emphasizing the worship aspect."

The Training Union Convention, sponsored by the Baptist General Convention of Texas, will be held in San Antonio's First Baptist Church. Sessions open Thursday morning at 10:45, Nov. 23, and close Friday evening, Nov. 24, at 8:20.

This year's theme is "God's Word for This Age... Foundation for Church Training."

Training Union is the training arm of Baptist churches to develop potential leadership.

Preaching the Thanksgiving service will be the Rev. Woodson Armes, pastor of First Baptist Church in El Paso. Utilizing the "God's Word of This Age" theme, he will speak on "Foundation for Thanksgiving." Following the morning service, a family dinner will be served at the church.

SALAD LUNCHEON HELD THURSDAY

Mrs. Ralph May was hostess for a bridge salad luncheon Thursday when the Thanksgiving theme was used for party decorations. The serving table featured a cornucopia and autumn flowers, and Thanksgiving appointments were also used.

For dessert Pumpkin Pie with whipped cream was served.

Those attending included a guest Mrs. Burnice May, and members Mrs. Audrey West, Mrs. Gavin Hayes, Mrs. Billy Chester, Mrs. Dick West, Mrs. R. E. Scott, Mrs. Wayne Doty, Mrs. Edward Fisher.

HIGHWAY PATROL GIVES RURAL ACCIDENT REPORT

The Texas Highway Patrol investigated five accidents on rural highways in Lamb County during the month of October, according to Sergeant Thurman Keffer, Highway Patrol Supervisor of the area.

These crashes resulted in no persons killed, two persons injured and an estimated property damage of \$4,450.00.

The rural accident summary for this county during the first ten months of 1967 shows a total of 82 accidents resulting in five persons killed, 21 persons injured, and an estimated property damage of \$85,860.00.

The last two days of October have proved that winter is here. Your vehicle needs winterizing. Get the jump on bad weather by having your vehicle safety inspected by an authorized garage to help assure safe mechanical performance in the months ahead. Then check to see that antifreeze has been installed in your radiator; also, snow tires or tire chains and ice scrapers are handy for "Today's inspection is tomorrow's protection."

The Sergeant suggested ways to "winterize your driving" during icy and slippery conditions. (1) Slow down and leave more space between cars.

(2) Keep windows clear--naph on lights to help others. (3) Drive extra slow on turns.

FUNERAL SERVICES HELD FOR NOAH M. LITTLE

Noah Marvin Little, 82, a retired mail carrier, died Wednesday afternoon in Medical Arts Hospital-Clinic, Littlefield.

He was born March 1, 1885, in Kingston, Ark. He had lived in Lamb County since 1927 and in Littlefield since 1945.

Services were conducted Friday morning in First Baptist Church with Rev. R. E. Hall, pastor, officiating.

Burial was in Littlefield Memorial Park, directed by Hammons Funeral Home.

Surviving are four daughters, Mrs. C. L. Jackson and Mrs. Hazel Cole, both of Littlefield, Miss Vesta Little of Midland and Mrs. Travis Bumick of Olton; two sisters, Mrs. Ed Trollinger of Childress and Mrs. Elizabeth Husband of California; four grandchildren and 11 great-grandchildren.

WE DARE YOU--End Shawn Potter (80), as he prepares to get his man (45) and keep the way clear for the oncoming Hornet ball carrier.

USDA News Release Number 2611-67, issued Nov. 9 from Washington, advised the cotton world that "Carrying charges will be added each month to the minimum sales price for middling 1-inch cotton, beginning in January and continuing through July, 1968, at the rate of 15 points per pound."

According to USDA the action of the current crop in the open market without undue competition from Government stocks, and also to permit CCC's resale prices to reflect the "normal upward movement of cotton prices relating to the cost of carrying cotton after harvest."

Officials of Plains Cotton Growers, Inc. are commending the Department for these stated objectives, but have pointed out that the Nov. 9 action will not accomplish them for all cottons alike.

In a letter to Horace Godfrey, Administrator of USDA's Agricultural Stabilization and Conservation Service, PGC Executive Vice President Donald Johnson said "Adding the 15 points per month carrying charges to the middling-inch base price will have no effect at all on the resale price of many cottons in the shorter staples for several months after January."

He referred to the fact that Amendment 7 to Announcement No-C-31, under which almost all of the Government's upland cotton is sold, pegs the minimum resale price of this cotton at 120 points above the loan rate, regardless of the middling-inch resale price.

Amendment 7 was adopted by the Department at the insistence of PGC and others in September as a means to prevent undue market competition from CCC cotton stapling less than an inch. It insured at least 120 points of "headroom" between CCC's minimum resale price and the loan rate

available to producers. So far it has served its purpose well as virtually all 1967-crop cotton has entered the channels of trade at prices well above loan levels.

But, unless corrective action is forthcoming from the Department, the failure to add carrying charges to this headroom will erode it away, beginning in January, at the rate of 15 points per pound per month.

"It was our understanding in September that carrying charges would be in addition to the 120-point spread between loan prices and CCC resale prices," Johnson said, "but the Department now seems to feel this is not necessary."

And with the strong market price situation now on the scene it does not in fact appear that the addition of carrying charges to either short or long staple cotton in CCC stocks will be necessary to "assist the movement of cur-crop into the open market...."

"It is our hope that this market strength prevails right on to the end of the marketing year on August 1, 1968 and beyond. If it does we will suffer no ill effects from CCC sales, whether or not carrying charges are taken into account," Johnson said.

Cotton producers on the Plains are in a far better mood than has been seen in many years at this stage of the harvest season.

Excepting those unfortunate farmers who were blighted by drought or hail, most have at least an average crop, yieldwise, and prices are exceeding most people's fondest hopes. Such remarks as "It sure is nice to make a little money out of a cotton crop" are being heard over and over.

Last year and for several years past High Plains cotton moved in a buyer's market, with farmers hard pressed to get anything more for their crop than was offered by Commodity Credit Corporation's

loan schedule. This year it's been a seller's market from the beginning. According to Norman Sloan, Market News Director with the Lubbock Cotton Clearing Office, prices have advanced an average of from three to four cents a pound in this area since the harvest first got underway a month ago.

But, like everyone else, Sloan declines to predict what prices will do from here on the harvest season progresses.

Generally, Sloan reports that high grade short staple cotton, with acceptable micronaire, is selling at around \$3.25 per bale over the loan. High grade, good micronaire cotton stapling 1-3/32 inches and longer is bringing up to \$75.00 per bale above loan values.

Continuing with "general" prices, Sloan reports 31/32 cotton at 500 points over the loan, 1 inch cotton at 600 points over, 1-1/32 at 700 points over, 1-1/16 at 800 to 850 points above the loan and 1-3/32 and longer cotton at from 1300 to 1500 points above loan rates.

A little over 200,000 bales had been received by the three class-

ing offices at Lubbock, Brownfield and Lamesa through Nov. 16, but the pace is rapidly picking up. With continued good weather, the peak of the harvest season should be reached by about Nov. 27, officials say.

Black Bottom Pie Outstanding

One of the most elegant desserts you can serve is Black Bottom Pie which consists of a chocolate-flavored bottom layer, topped with a rum-flavored custard layer. The distinctive results are worth extra effort, as it's delicate flavor and texture are sure to reap compliments as you serve it on your special occasions.

Black Bottom Pie

- | | |
|-------------------------------|--|
| 1 baked 9-inch pastry shell | 1/4 cup light rum or orange juice |
| 1 envelope unflavored gelatin | 1/2 cup light corn syrup |
| 1/4 cup cold water | 1/2 ounces unsweetened chocolate, melted |
| 1 cup sugar | 1 teaspoon vanilla |
| 3 tablespoons corn starch | 4 egg whites |
| 1/2 teaspoon salt | 1/4 teaspoon cream of tartar |
| 2 cups milk | |
| 4 egg yolks, slightly beaten | |

Sprinkle gelatin over cold water; let soften. Combine 1/2 cup sugar, corn starch and salt in double boiler top. Gradually add milk, stirring until smooth. Cook over boiling water, stirring constantly, until thickened. Cover; cook 10 minutes, stirring occasionally. Meanwhile, prepare pastry. Stir a little hot mixture over boiling water. Cook 2 minutes, stirring occasionally. Remove from boiling water. Measure 1/4 cup mixture into large bowl. Blend in softened gelatin, stirring until gelatin is completely dissolved. Mix in rum. Stir corn syrup into remaining custard, then blend in chocolate and vanilla. Pour chocolate custard into pastry shell. Beat egg whites with cream of tartar until soft peaks form when beater is raised. Gradually add remaining 1/2 cup sugar, beating until stiff peaks form. Fold into rum custard. Pour on top of chocolate custard in pastry shell. Chill.

TIPS TO FISHERMEN

EXPLORE WATER DEPTH—Don't be foolhardy when wading out on rocks at night. Use the butt of your rod to feel your way ahead to detect deep water. But be sure to remove the reel beforehand. Never wade barefooted. In hot weather wear sneakers with felt or rubber soles. These will protect your feet from cuts caused by barnacles, oysters, mussels, or other horny shellfish.

SUDAN BEACON NEWS
WEDNESDAY NOVEMBER 22, 1967

**Homecoming
Termed Success**

The 15th annual homecoming of Sudan ex-students and teachers was held November 11 in the Sudan School Cafeteria, starting off with a reception for all exes. The local Future Teachers of America Chapter hosted the reception and served refreshments.

Invocation by W. E. Hancock, superintendent of school preceded the meal.

Dinner was served at 7:30 by the local Band Parents Club, and the tables were decorated with colors of red, blue, and white, with miniature flags marking the individual places.

Entertainment for the night was presented by Mrs. Wiley Mudgett, who played the piano during the meal, and a group of high school girls entertained after the meal. They were Doma Gaston, Kathy Minyard, Janet Ritchie, Debbie Nix, and accompanist Judy West.

Classes honored were the classes of 1925, 1926, and 1946. Mrs. Clifford Jinkins, class of 1926, was chosen as the "coming-home queen" for this year.

Ada (Wilkinson) Greer was recognized as coming the greatest distance, as she recently returned to the states from Nigeria.

The business meeting followed with Buddy Joe Wiseman, president of the exes, presiding. After much discussion, it was decided to continue to have homecoming every year.

New officers were elected for the following years, as follows: Jerry Ray, president; Robert DeLoach, vice-president; and Kay Wiseman, secretary.

The meeting was concluded with the benediction given by Buddy Joe Wiseman.

"HE IS
THE LIGHT"

Scripture: St. Matthew 5:14-16; Revelations 21:22-25.

"Darkness" is a word that I dislike very much, but one that has been brought to my attention recently. Once I heard a man say that there were no original words; that if we were waiting to speak until we had something original to say, we just wouldn't speak, because everything had been said before. Be that as it may, it gave me a strange feeling of looking back into darkness, wanting something to say, original or otherwise, that would cause my fellow man to come and see Jesus.

Jesus said, "Ye are the Light of the world", but did you ever see a light put under a bushel basket and it bring any light into a dark place? Then, you can take even a candle and put it high up on a candle holder, and it will shed light all around.

One reason I dislike darkness, I see so many today in such terrible darkness that causes their minds and souls to be a closed door to the true and eternal light that is Jesus. The book of Revelations tells us there will be no night in Heaven; no need for the sun or the moon, for Jesus is the Light there. Now, all of us know that it takes light to see anything - in a totally dark place, we can see nothing - so if Jesus is what He said He was, "the Light", aren't we in darkness then until

we have Jesus?

However, remember that you can be in a well-lighted room, and if you close your eyes, you are in the dark. Jesus is the light here on earth, and we, as born-again children of God, are the reflectors, where we are, of that light, to shine in dark places. It gives me joy to use over and over again words that Jesus said, for I know that He is Truth, and that He uttered no idle words. I only want today a word to say or write that may cause even one to stop and look at Jesus. Look at Him, seek Him, find out about Him.

As truly as Moses lifted up the brazen serpent in the deep, dark wilderness and said to the people that only one thing would save them after they had been bitten by the live serpent, and that was: To look at the brazen serpent Moses had lifted up. Then they would live, otherwise they would die. Just as truly as it was foolish for some of those people to say "I won't look, for I do not believe it will save me" (nevertheless, it was true, because all who looked as Moses directed were saved), it is worse than foolish today for men to refuse to take time to stop and look at Jesus, for He said:

"And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up."

He also said that all of us have sinned and come short of the glory of God, so all of us then have been "bitten", and need a Savior. Jesus is the One who loved you enough to die that you might live, and he is the only One who can save you and me.

Try Jesus. He knows you and loves you just like you are, and He came to earth for one purpose - to seek and to save us who were lost.

FIDELIS S.S. CLASS HOLDS MONTHLY MEETING

The Fidelis Class of the First Baptist Church met in regular monthly session Tuesday at the home of the teacher, Miss Ruby Mince.

The class was called to order by the vice-president Mrs. Irene Robinson. Scripture reading was the 100th Psalm, followed by testimonies of class members and guests setting forth the many blessings of the past year, giving praise unto Him who is the giver of all gifts. Mrs. Harper then led the class in a prayer of Thanksgiving and dedication and sought a blessing upon the lovely Thanksgiving meal which followed.

Guests were: members of the Mary-Martha Class, Mrs. J. M. Shuttlesworth, Mrs. J. D. Chester, Mrs. A. Stuart, and Mrs. E. C. Ford.

Class members present were: Mrs. Pearl Hill, Mrs. Lewis Harper, Mrs. Laura Martin, Mrs. Homer McLaury, Mrs. Edna Bellamy, Mrs. Ola Baccus, Mrs. Evelyn J. Doty, Mrs. Sally Crow, Mrs. R. E. Lowery, Mrs. Irene Robinson, and Miss Ruby Mince.

Service members were: Mrs. Grace Patterson, Mrs. Fred Meeks, and Mrs. Nita Buth.

On Dec. 11 our Christmas meeting will be at the home of Mrs. Lewis Harper. All members are urged to be present at this meeting.

A JOHNNY HARTFORD SCHOOL SAFETY TIP

Riding the School Bus—Be at your bus stop on time. Stand back off the road. No pushing and shoving or scrambling for seats. Sit down quietly and stay that way while the bus is moving. Do what the driver tells you. Be courteous to him and other passengers. Your bus isn't a trash can. Keep it clean. Watch for traffic when you get off. (This safety panel one of a series for JUNIOR FIRE MARSHAL has been prepared as a public service of The Hartford Insurance Group.)

DID YOU KNOW THAT:
Growing trees to a height of 17 feet in six months is no Texas tall tale. Texas Forest Service researchers have obtained this growth from cottonwood cuttings selected for outstanding growth characteristics. The trees are located in the Brazos River bottomland in Robertson County, on land owned by Texas A&M University. The planting is part of the tree improvement research program of the Service, aimed at producing the maximum yield of wood per acre for the production of paper.

Foil Helps the Housewife

AS LATE AS THE EARLY 1940'S COOKING A TURKEY WAS A MONUMENTAL TASK. A LARGE ROASTING PAN WAS ESSENTIAL AND REGULAR BASTING A NECESSITY.

WHEN WAXED PAPER WAS THE ONLY KITCHEN WRAP AVAILABLE, SAVING LEFT-OVERS AND FREEZING ITEMS WAS USUALLY A PROBLEM.

BUT 20 YEARS AGO, KEYHOLDS METALS COMPANY USHERED IN A NEW ERA IN COOKING BY MARKETING THE FIRST HOUSEHOLD ALUMINUM FOIL. TODAY "KEYHOLDS WRAP" IS WIDELY USED FOR COOKING, FREEZING, STORING LEFT-OVERS, LINING BROILER PANS... IT IS SO VERSATILE IT HAS BECOME A STAPLE HOUSEHOLD ITEM, FREEING THE HOUSEWIFE FROM MANY TIME-CONSUMING KITCHEN CHORES.

Decorating Tips For a Lovelier Home

BY LIZ GOVAK

Be of good cheer... don't despair... could be described as cardinal rules in decorating your home. The reason is that you can do wonders with the furnishings you already have. There are very few persons who can start out fresh with just bare walls and floor space.

And today, manufacturers offer the novice decorator many aids in planning her interiors.

It is important to remember that the four walls are the largest, most dominate feature in the room. It's up to you to make them represent you, your family, your way of life.

Wallcoverings are the exciting new way to personalize your home. Never before in history has there been such a varied selection of wallcoverings for you to choose from. Never before in history have wallcoverings been so maintenance free... so easy to hang... so easy to remove if redecorating is needed.

For wallcoverings have been improved radically by modern technology. There are thick, velvety flocks which not only impart unusual richness to walls but help reduce the sound level. There are wild pop art designs for those with psychedelic tastes. There are perky stripes, checks, paisleys and medallions for those who enjoy scale and harmony in their surroundings. There are simulated animal skins—zebra, leopard and tiger—to give the den or family room the exotic flavor of an African safari. There are brilliant foils, flocked foils, metallics and embossed patterns of depth and luxury capable of evoking the most intimate moods.

A practical, colorful booklet has been prepared by the United Wallpaper Company to introduce consumers to the wonderful new world of wallcoverings. It is called "Wall-

coverings, the Secret of Distinctive Homes," and contains 24 pages of helpful material, including full color illustrations, directions for hanging and a chart for determining how to purchase wallcoverings. There are decorating suggestions and examples for improving every room in the house. The booklet may be obtained by sending 25-cents in coin to: The United Wallpaper Company, Box 5777-D, St. Paul, Minnesota 55177.

Win Plaudits With Football Dinner

Regardless of the home team's score, the after-game dinner will find a hungry horde of football fans ready for action. And, the hostess with such guests is likely to find their number doubled with some extra invitations given along the way. However, Fonda has solved the problem of serving a hearty menu to gridiron fans and an easy answer to the dishes problem. Fonda has introduced a new disposable line of NFL "Half-Time" plates, bowls and cups, each graced with a picture of an action football player, which adds a decorative football-season look to any gridiron party. The sporty new line is available at supermarkets everywhere.

The after-game dinner starts with a surprise in hot pumpkin soup, easily prepared in advance in enough abundance to allow a second helping to the connoisseurs. Main dish comes in the form of a Football Loaf, a delicious meat loaf accompanied by shoestring potatoes and crisp green salad. To top off this winning refreshment, there's a crustless apple pie, and each Fonda dish holds steady throughout the repast. Once the guests have finished, the evidence of this gridiron dinner service can be whisked away without any scrubbing or dish-washing aides.

FOOTBALL LOAF

- 1 package dehydrated onion soup mix
- 3 eggs slightly beaten
- 1 cup sour cream
- 1 tablespoon parsley flakes
- 2 cup commercial bread crumbs
- 3/4 pounds ground round steak
- Several pieces cooked spaghetti

Combine onion soup mix, eggs, sour cream and parsley. Stir in bread crumbs. Mix thoroughly the meat and bread crumb mixture. Form into the shape of a football. Cover closely with foil to hold the shape and bake at 375° for 1 1/2 hours. Remove the foil and continue to cook for 20 minutes. Press pieces of spaghetti on top of loaf to resemble lacing. Place on warm platter and surround with shoestring potatoes. Serves 6.

TIPS FOR OUTDOORSMEN

PIPE CLEANER HOLDS SINKER
Cut a strip of pipe cleaner and insert it in the groove of a pinch-on sinker. Then the sinker won't slip up and down the line.

NEW USE FOR OLD BRUSH
Take an old shaving brush, fill it with oil and store it in an airtight plastic bag. After a day of hunting, just brush your gun with the bristles. Stops rust! Oil stays in bristles indefinitely.

MUFFIN PAN FOR ICE CUBES
Going on a picnic or camping trip and need ice? Make some jumbo sized ice cubes by filling your wife's muffin pans with water and place in freezer. Big cubes last much longer.

FOIL AS LIGHT REFLECTOR
Attach a large square of aluminum foil to the tent behind your lantern. Reflects light and makes the lantern much more efficient.

KEEP HOOKS IN BAND-AID BOX
A Band-Aid box makes a handy pocket container for carrying along extra hooks, sinkers and small lures on a fishing trip.

ODOR PROOF ICE BOX
Place your cleaned fish in a sealed bag before tossing them into your ice chest. Keeps the ice clean and the chest free of odor.

BAITING-UP FOR CATFISH
Want to liven up your catfish fishing? Get the local slaughter house to save you the innards of a steer or maybe a hog. Put the entrails in a burlap bag, weigh it with rocks and lower it into a likely spot. Catfish will rally from yards around.
