## WOODWORK

BY DALTON

CHEVROLET AND FORD have jumped into the war of the wheels, hoping, as John Cuniff of the Associated Press put it, to stem a market invasion by foreign car manufacturers.

Ford and Chevy are doing quite well, thank you, in the large car business, but Volkswagen and more recently Datsun and Toyota, are making some big scores in the small car field.

With Chevrolet's Vega and Ford's Pinto introduced last week, the two firms can expect to cut into the sales of the pesky imports, which have taken a 17 per cent slice of the U. S. new car market in latest reports. The Pinto and Vega, which I have seen, are quite nice little vehicles, and probably will do okay if the car makers will just let them alone.

Chevrolet says it will do just that, promising to leave the car basically the same in appearance for at least four years. This is taking a page from Volkswagen's book, and takes note of a strong selling point for the German import.

It's doubtful that the American carmakers will be able to resist changes in styling, however. For years, they have changed every car every year, often to look worse than it did the year before. Sometimes it was a vast improvement, but good or bad, it had to be changed, so last year's model would look like last year's model, and you'd want a new one.

Another thing is that the U. S. imports, already a few inches larger than the Beetle, will grow a few more inches every year. This is what happened to the late Falcon, which started out as a small car and wound up as large as your 1939 Lincoln (okay, I really don't know this to be fact, but I wouldn't doubt it). The motors of the American compacts got bigger, the cars got bigger, the economy got worse.

So what do you want? Good grammar or good mileage?

## AREA RECEIVES NEEDED RAIN

The skies remained cloudy over the Sudan-Amherst area at pre-time almost all the surrounding area received some degree of moisture Sunday or Monday.

Temperatures have been unpredictable with the nights becoming somewhat cooler.

Some rain reports include one-half inch in the Bula area, the first rain in many months; .4 reported northeast of Sudan, Amherst received one-half inch with Sudan getting only .2 within the city limits. Littlefield is reported to have received some 2 inches while neighboring Pep received up to six inches, according to reports late Tuesday.

The farmers stated that overall some moisture was needed for most of the late cotton, but would prefer some warm sunny days now to allow the continuation of the grain harvest and aid in opening of the cotton.

# HORNETS STING SUNDOWN, 46-6

HA, YOU MISSED ME - Hornet FB David Weaver (21) seems to be saying as he dodges a Sundown player in the game Friday night and went for pay dirt. Weaver scored three touchdowns to aid Sudan's win of 46-6 over the Roughnecks. The Hornets go to Amherst Friday night to play the Amherst Bulldogs. (Staff Photo)

The 1970 Sudan Hornets in their opening game downed the Sundown Roughnecks 46-6 in Hornet Stadium Friday night.

While the Hornet offensive team gained a total of 538 yards, the defense allowed the Roughnecks only 162 total yards. Hornet Quarterback Bo Lance had a good night, passing for 202 yards, completing 7 out of 10.

Midway the first quarter, FB Harry Jefferson scampered 66 yards for the first Hornet touchdown. Try for extra point by HB Roger Bellar was off to the left, and Sudan led 6-0.

The Hornets lost the ball on a fumble early in the second quarter, but the defense held, forcing the Roughnecks to punt on 4th down and long yardage. HB Gregory McNabb took the ball on a 40 yard run to the Roughneck 30, but two penalties stopped the Hornet drive on the Sundown 35 yard line. The Roughnecks still could not move the ball against the tough Hornet defense. Hornet FB Steve Edwards, who had seen no action in the game, came in and ran 19 yards for the TD, Bellar kicked the EP, to give the Hornets a 13-0 lead. Nearing the half, Hornet Tackle Gerald

Chisholm recovered a Roughneck fumble on their 12 yard line, and Bellar ran over from eight yards out; conversion attempt failed. As the first half ended, Sudan was again on the Sundown four yard line, as the second quarter ended, they led the Roughnecks, 19-0.

Sundown defense got tough on the first Hornet drive of the second frame, stopping them cold on a 4th down play on the Roughneck 7 yard line. Then QB Lance took to the air, hitting End. Randy Glover on a 33 yard pass to the Roughneck 13. Then Sundown intercepted a Hornet pass, stopping the drive. The Sudan defense pinned them down, forcing them to punt again, and Lance, still air-minded, passed to FB David Weaver for a 42-yard touchdown. Hornet Back Kim Ingram kicked the extra point.

In the last quarter, Hornet quarterback Lance passed again to Weaver, who ran the ball over, in a 45-yard play for another Sudan TD. Ingram converted, and the Hornets were in the lead, 33-0. Then the Roughnecks, on a 35-yard run by HB James Hays, got on the scoreboard. Their try for point failed, and the score was 33-6, Sudan. But the Hornets were really warmed up, and Jefferson

## PRE-GAME SUPPER TO BE HELD FRIDAY

A pre-game barbecue supper will be held Friday night in the Amherst School Cafeteria prior to the Sudan-Amherst tilt. Serving time will be from 5:30 p. m. until 7:30 p. m. Prices are \$1.50 for adults and 75¢ for children.

The supper is being sponsored by the Amherst senior class and everyone is invited to attend.

ran 33 yards for six more Sudan points, with no EP. At the Roughnecks started their drive, Lance recovered a Sundown fumble on the 40, and on the next play Weaver blasted 60 yards for another Hornet TD. Ingram kicked the extra point as time ran out, and the Hornets won over the Roughnecks, 46-6.

There were many new players in the Hornet Varsity line-up this season, and the fans got a look at some of them Friday night. Head Coach Bill Adams, and coaches Dwayne Gray, James Farmer, and David Ray, started the season off right with a Hornet Victory. The team spirit, and a desire to play together as a team, made for an interesting game, and a victory.

The Hornets travel to Amherst this Friday night, where they will play the Bulldogs on their home field. Let's Back the Hornets all the way.

It was uncertain at pre-time as to whether back Roger Bellar and Gregory McNabb, who were injured in the Sundown game, will see action Friday night against Amherst.

The B-team was out-bested Thursday by the Muleshoe junior team 26-6.

Muleshoe took an early lead and led 20-0 at the half.

The only score for Sudan came about when defensive linebacker Ernest Jefferson recovered a fumble in the end zone.

Coach James Farmer said the boys have been working hard this week and will be in good shape to take-on the Plains team here Thursday.

The eighth grade team, under the direction of Coach David Ray, will play at 6 p. m. to be followed by the B-team game.

## Historical Marker Ceremony Set

An official Texas Historical Marker for the Comanchero Trail will be dedicated on Saturday, Sept. 19, at 2:30 p. m. This marker, awarded through a special Legislative appropriation, and erected by the State Highway Department, recognizes the outstanding work of the Lamb County Historical Survey Committee of which committee R. E. Scott of Sudan is chairman. The marker is located about eight miles west of the city of Littlefield, on the Bula Highway (Route 54) where the Comancheros made one of their trails during their wanderings.

The master of ceremonies for

the dedication will be County Judge G. T. Sides. Rev. Glen Sorely of Littlefield will give the invocation and Guy Walden of Sudan will give the dedication address. The marker will be unveiled by Grady Trotter of the Highway Department and Rev. Leonard Tittle of Amherst will give the benediction.

The marking of historic sites and landmarks is part of the Texas State Historical Survey Committee's program of preservation activities. The name of the marker and its location will appear in the next edition of the Guide to Official Texas Historical Markers in order to

stimulate tourist travel in this area, to arouse interest on historical tours, and to acquaint the people of this locality with their unique heritage.

The inscription on the marker reads as follows:

"Comanchero Trail one of several routes used by traders dealing with Indians, primarily Comanches (hence name). Weapons, whiskey and trade goods were swapped for stolen Texas cattle, horses and captives.

Pursuit apparently began in the 1760's when Mexican hunters ventured out on "staked plains" (Indian Domain) to hunt Buffalo for New Mexico meat markets.

Early explorers Zebulon Pike (1807), Josiah Gregg (1830) and Capt. R. B. Marcy (1848) told of finding Comanchero campsites and wagon trails on the Plains. The Comancheros ceased to operate in the mid-1870's."

of new area officers. Attendance prizes of \$15.00 and \$10.00 will be given to the two chapters with the most members present. Door prizes will be given by Hereford merchants.

The Awards Banquet will be at 6:30 p. m. in the Hereford High School cafeteria. All Young Homemakers and Young Farmers and their husbands and wives and chapter advisors are invited.

## YH CONVENTION TO BE HELD

The Ninth Annual Young Homemakers Convention will convene in the Hereford High School Auditorium on Saturday, Sept. 19. This year's theme is "Shape up for the 70's."

Morning registration will begin at 9:30 with the House of Delegates meeting at 10:00. Each chapter is to send two voting delegates. Afternoon registration begins at 1:00 and the general session at 1:30. The program features Mrs. Liz Tankersley, television personality from Lubbock; the Young Homemaker Slide Story and the Installation

## Hammock Rites Held

Services for Mrs. Lillie Pearl Hammock, 83, were at 10 a. m. Monday in the First Baptist Church in Muleshoe with the Rev. Doug Dalbose, minister, officiating.

Burial was in Sudan Cemetery directed by Singleton Funeral Home.

Mrs. Hammock, a Muleshoe resident 10 years, died Thursday night after an apparent heart attack. She was visiting a son, Ross, in Desert Center, Calif.

A native of Indian Gap, she had been a Sudan resident since 1922 before moving to Muleshoe.

Other survivors include four other sons, John of Muleshoe, Truett of Hurst, Carl of Dallas, Ore., and Rex of Gales Ferry, Conn.; three daughters, Mrs. Lee Pool of Muleshoe, Mrs. R. C. Brandon of Henderson, and Mrs. J. W. Ray of Cleburne; a sister, Mrs. Anna Mae Hadspeth of Pittsburg, Calif.; a brother, Irvine Stephenson of Anson; 22 grandchildren and 18 great-grandchildren.

## Style Show Set Tuesday

The Sew-It-With-Cotton style show is scheduled for Tuesday, Sept. 22, at 8 p. m. in the Littlefield High School auditorium.

Of special interest will be the modeling of "Calvacade of Cotton '77" which is a 25 garment wardrobe loaned by the National Cotton Council. This wardrobe is sewn from 100% cotton, using the latest fall

patterns. This contest and show is sponsored by the Lamb-Bailey chapter of the Women's Cotton Promotion Association whose only goal is to encourage the use of more cotton products.

A number of local girls and Young Homemakers have entered and will participate in the contest, including the modeling of garments made from 100% cotton materials.

## SUDAN SCHOOL BOARD MEETS

The Board of Trustees of the Sudan school district met in regular monthly meeting Monday night with the president, Billy Chester, presiding.

The employment of Dale Read as high school principal and Mrs. Dale Read as librarian was officially approved by the board.

The budget for the 1970-71 school year was submitted and approved. Bids on gasoline, oil were accepted with the contract being awarded to Gulf Oil Company.

Pay for substitute teachers was approved on the daily basis. As of the 1970-71 substitute pay will be \$13.00 per day for teachers.

Also of interest, the board approved the purchase of new basketball suits for junior high girls.

## JOE FISHER NAMED CD - OP PRESIDENT

J. H. Carl, manager of Lamb County Electric Co-op, announced this week that Joe Fisher of Sudan was named president of the board of directors. Other board members include Ernest Geertz, Robert Dysart, T. C. Ivy, Buck Hodges, Jack Graves, Leonard Albus and newly elected representatives Alloom and J. R. Hodges.

Outgoing president of the board is T. C. Favos.

**CONVERT YOUR HOME TO COMFORT  
ELECTRIC HEATING NOW...AND WE'LL  
INSTALL STORM WINDOWS... FREE!**

Now is the time to bundle up your home for winter. Now is the time to install whole-house, comfort electric heating, because, right now, with every qualifying electric home heating installation, we'll install free a complete set of storm windows for the heated portion of your home. All you need do is call Southwestern Public Service Company. Our electric heating specialist will gladly and professionally determine the exact heating requirements for your home.

Modern electric comfort heating is already being enjoyed by over 4 million American families... almost 5,000 in our area alone. The reasons are many, but what most people like about clean electric heating is the comfort it gives. An even warmth from floor to ceiling creates a comfort unlike any other heating method. You owe it to yourself and your family to get the facts about electric heating... and now is the time to do it.

Storm windows have proven their value in keeping out cold, wintry winds, holding down inner heat loss and contributing to lower heating costs. The storm windows now offered free with qualifying home electric heating installations, are 2-track, aluminum windows with screen, and custom made to fit your own windows. Storm windows do an excellent job of combating dust storms, too.

**IS YOUR HOME ELIGIBLE?**

This offer is available to residential customers of Southwestern Public Service Company, living in existing single family homes and qualifying for the special residential electric heating rate. Should you already have storm windows or windows of such design or shape that they do not lend themselves to normal installations, do not despair—we have a special, most attractive plan for you, too.

## P, P, & K Contest Slated

Registration began August 28 for the 1970 Punt, Pass & Kick Competition in the showroom of Keith Glover Ford. In making the announcement, Glover, president of the dealership, said:

"We're looking forward to a big local PPEK competition in Sudan when local contests will be held at the football field on Saturday, Oct. 3.

We hope all the boys 8-13 years of age in this area will come in to register and take part."

Glover pointed out that PPEK throughout its six levels of competition, is free of any charge, and that a boy need only have a parent or his guardian accompany him to the showroom to register.

Competition here will have 1st, 2nd and 3rd place trophies for boys in each of the six age groups, or 18 trophies in all. Increasing each boy's chances of winning is the fact that he competes only against other boys in his own age group.

"Of course there is no body contact in PPEK. It's punting, passing and place kicking for distance and points, just as the name says. First place winners in each age group in our competition will go on to the zone competition to be held Oct. 10 at Lubbock. And from there, top winners go on up the ladder through district, area, division and national finals," Glover said.

This year, the national finals will be held in Los Angeles at the pro All-Star Game, Jan. 24.

Finalists get an all-expense paid trip to Los Angeles for themselves and their parents, plus a special tour of Disneyland, a Banquet of Champions celebration, and the chance to meet some of the top players and coaches in professional football. Naturally, we hope some of our Sudan PPEK winners will make it all the way to the finals.

The Ford Dealer further explained that each boy upon registering received a free PPEK Tips Book. In the 1970 edition, there are competition tips by NFL stars Dave Lee, Bill Nelsen and Fred Cox plus all-round suggestions from Coaches of the Year Hank Stram and Bud Grant. The Tips Book also includes complete PPEK rules and helpful conditioning exercises for contestants.

PPEK registration will close on September 26.

This is the 10th anniversary year for PPEK. From its inception the youth activity has been sponsored by the Ford Dealers of America and the National Football League. In that time more than 6,000,000 boys have taken part in PPEK, making it the largest and fastest growing activity of its kind in America.

## Booster Club Has 139 New Members

The Sudan Booster club met Monday night when a film of the Sudan-Sundown game was shown with narration by Coach Bill Adams. A scouting report was given by Coach David Ray on the Springlake-Amherst game. He reported that Amherst has a good strong team and if the breaks had gone the other way, Amherst could have de-

feated the Wolverines. Sudan will play Amherst, there, tomorrow night at 8 p. m.

Calvin Wiseman, president, presided during the business session when it was announced that some 139 members have purchased membership cards, with Son Qualls selling 113 of these.

Cards were marked for the football quiz and winners will be named at the meeting Monday night. You must be present at the meeting to win.

A demonstration of the exercise machine was presented by the coaches.

Frances Pickett announced that an accumulation of bumper stickers and Hornet patches will be sold this week with the bumper stickers going for 50 cents and patches selling for 25 cents each. You may purchase these by contacting Mrs. Pickett.

## ENROLLMENT SETS RECORD

South Plains College is experiencing a record enrollment this year when many colleges are leveling off and some even experiencing a decline.

At conclusion of registration Sept. 4, a total of 1,753 had been enrolled. This number compares with 1,647 last year.

Sudan has 16 students registered.

## Flower Talk

BY LOUISE

### SWEET BUNCH OF DAISIES

Daisy is a name given to many flowers. It means day's eye, because it seems like an eye (opening in morning, closing at night). The American daisy is actually a wild chrysanthemum.

Our American daisy has been improved by plant breeders and is the flower of the month of April. The large Shasta Daisy has four-inch blossoms and is one of our loveliest flowers. It was named by Luther Burbank who worked to develop it.

For floral arrangements with a special touch of the bright and colorful outdoors call us at XXX-XXXX. We will be happy to prepare them for you.

MRS. MICHAEL JAMES MCANDREWS

## Smith - McAndrew Vows Exchanged

Miss Rosemary Smith, granddaughter of Mrs. J. E. Smith of Amherst and Michael James McAndrew were married August 29 in the University Methodist Church Chapel at Austin with the Rev. William Holmes officiating. Rev. Holmes read the same ceremony used by her grandfather, the late Rev. Jesse B. Leverett, when he married

her parents, Mr. and Mrs. John L. Smith, in Sudan. The Smiths now live in Monroe, Louisiana. Parents of the groom are Mr. and Mrs. Arthur R. McAndrew of Manassas, Virginia.

The vows were exchanged before a kneeling bench entwined with ivy accented candelabras of white tapers and baskets of white mums, gladiolas, daisies.

The bride, given in marriage by her father, wore a formal-length gown of ivory slipper satin fashioned with a yoke of chantilly lace, peter pan collar and fitted waist. The fitted sleeves tapered over the hands and were closed with rows of tiny buttons. The gathered skirt featured an inset of chantilly lace in front and extended to a chapel length

THE SUDAN BEACON NEWS  
THURSDAY, SEPT. 17, 1970

BY STINGY  
(JOAN HARPER)

The Hornets have really been buzzing since the ballgame Friday night. Congratulations goes to the football team and to the students and fans for supporting the game with such spirit!

Several club meetings were held during the week. Mrs. Mary Tollett reports that the FTA held a watermelon party for new members in FTA last Thursday. Some 20 students were present. Brent Wiseman gave a report on the Planning Session he attended in Lubbock recently.

The FFA District meeting was held in the Sudan school auditorium Tuesday. The purpose of the meeting was to elect new officers for the coming year.

The new District officers are Pat Boone of Littlefield, president; Greg Little of Muleshoe, vice-president; Freddy Maxwell of Sudan, secretary; Edward Terry of Farwell, treasurer; Timmy Schooler of Whiteface, reporter; Dale Schuler of Friona, sent. Ex-president Jerry Scoggin presided over the meeting. Guest speaker was Area I presi-

dent, Kipp Burnett from Boys Ranch. It was reported that dues for 1970-71 year for Littlefield District is 25¢. Joan Harper called the first Student Council meeting to order Tuesday. This year's council sponsors the High School principal, Dale Read. The meeting was opened with a variety of talks by the council officers pertaining to school pride, citizenship, responsibility, and the advancement of the Student Council. Georgia Ray explained the council constitution to the council.

Those present included the class representatives, the council officers, and Dale Read. The Council decided to sponsor a Powder-Puff game. More information will be posted in the near future on this project. The Council also voted to launch an Ex-Officio member in the year's council. Before adjournment, Read spoke to the council on the importance of a student council in a high school. He asked that the Student Council realize what kind of job it is to be a leader and example. Friday's football game this week will be against the Amherst Pups at 8:00 p. m.

Two assemblies have been presented in the auditorium since school started. The first one was presented by Jerry Casey, a young man who has lived several years in jail for different offenses. Casey spoke against drugs and bad attitudes toward your country and your individual rights.

The second assembly was sponsored by the Southwestern Public Service. Herb Potter represented his company. He brought a film entitled, "A Second Effort" with Vince Lombardi. Potter stated after the film, that the second effort given by the student is the factor that directs the outcome of all that we undertake at school and out of school.

Serving the groom as best man was Tommy Garcia of Austin. Groomsmen were Gordon Jacobson and Jack Dryden of Fort Worth.

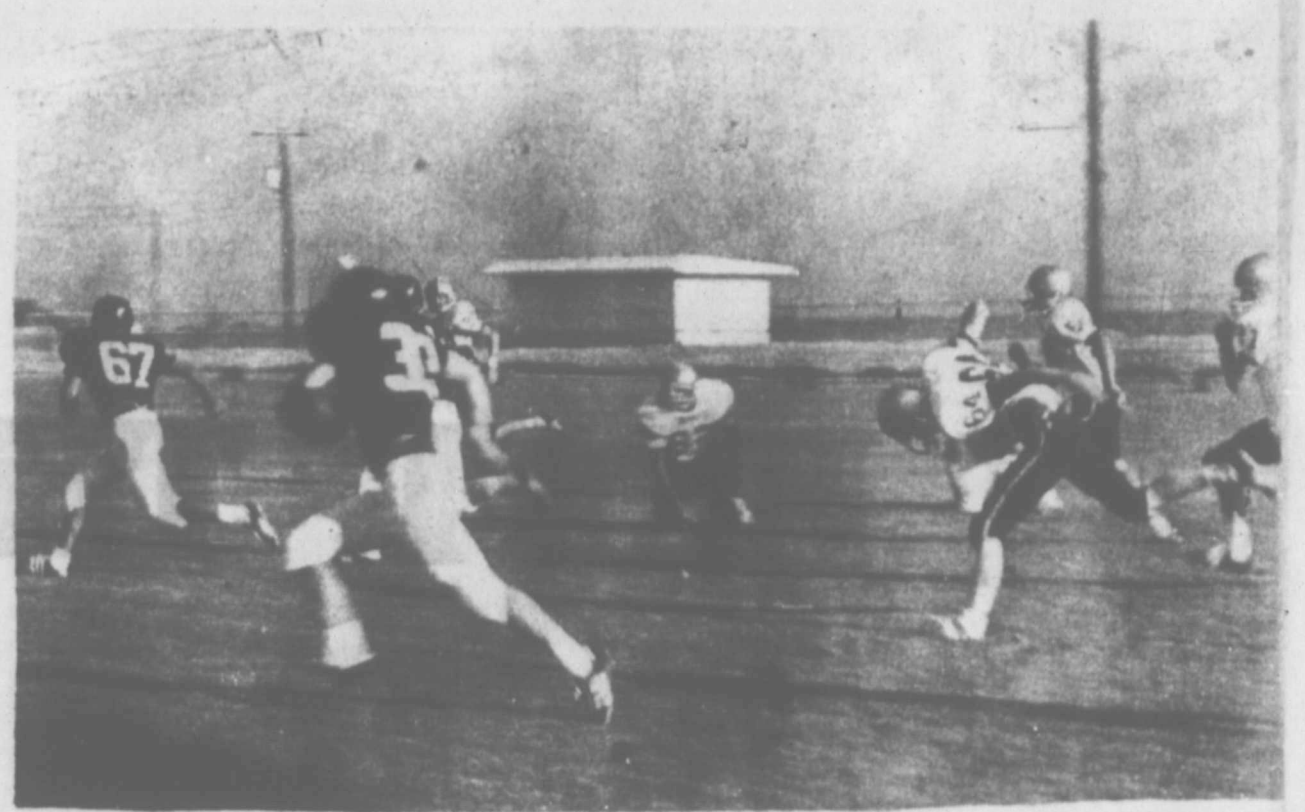

Ringbearer was Stanley Smith, brother of the bride. Traditional wedding music was provided by organist Bruce Faulcomer of Grand Prairie. Following the ceremony, a reception was held at the Gondola House. The bride's table was covered with yellow tulle over white linen and centered with a cascade of yellow mums, daisies and gladiolas highlighted by yellow tapers. Presiding at the table was Miss Linda Schrab, Miss Theresa Johnson and Miss Nancy Nugent, all of Midland.

For traveling, the bride chose a home linen dress with home accessories and a corsage of yellow roses.

Mrs. McAndrew is a graduate of Permian Basin High School in Odessa where she was an honor student. She is presently a sophomore Medical arts major at Texas University.

The groom is a graduate of Paschal High School of Fort Worth, attended Rutgers University and College of Seaborn in Paris, France. He is now a senior Economics student at Texas University.

The couple will reside in Austin and both will continue their studies at the university.

## Hardwood Hints

By Rhonda Racz  
Home Decor Director  
Hardwood Institute

This year's decorating focus is definitely on floors! Never before has so much excitement been generated from underfoot. Endless stretches of dull color carpeting are out...gleaming bare floors accented with colorful area rugs are definitely in! Bright sunbursts of pattern and texture against glistening wood add zip and elegance to the floor, which has, in times past, been the forgotten decorative dimension.

The new trend towards bare floors can't help but put wood into the limelight. Although everyone is aware of the beauty of hardwood parquet or plank flooring in traditional oak and maple, few people realize the potential for floors to be found in the more exotic species of hardwood. Have you ever considered using, for example, a floor of teak, pecan, cherry or walnut? There is nothing that can match the distinctive flavor these woods add to the total room decor. Not only do they provide unusual pattern interest, derived from the natural wood grain, but the rich colors of these woods left in their true shades add spark to virtually any color scheme.

A shimmering hardwood floor, which needs only to be waxed to a high shine every few months, becomes the perfect backdrop for area rugs in a wide variety of shapes and sizes. Aside from their decorative appeal, area rugs play the important role of space dividers in large rooms and small rooms alike. Since they are usually placed in areas which perform specific functions, they help to visually establish spatial traffic patterns. In a living room which must, for example, double up as a dining room, rugs placed under the dining group and the living room conversation grouping of tables, chairs, and a sofa help convey the impression of distinct areas of activity.

How do you choose an area rug? Simply select one from the wide variety available which picks up the colors you have used on your upholstery, walls and window treatments. The color combinations and number of styles are limitless, from the muted tones of the orientals to the flamboyant designs of the Danish rugs. And there's a shape or size of rug to fit into every room.

Any questions on wood? Write to Rhonda Racz, Hardwood Institute, Suite 1422, 351 Fifth Avenue, New York, N. Y. 10017.

Natural gas is the healthiest, most economical way to heat your home this winter. Gas is economical because it's the direct way to produce heat - you don't pay to convert heat to another energy source and then back to heat. And with gas you can afford to bring clean outside air into your home this winter instead of having to re-heat the same old stale air time after time.

So, if you're building or remodeling, be sure to specify gas heating. Gas is the "natural" fuel. It's like buying direct from the manufacturer. Call your heating contractor, plumber, or Pioneer Natural Gas.

## Dedication Set For Girlstown

"Lighting the Avenue of Opportunity" will be the theme of a ceremony Saturday, Sept. 19, at 2:30 p.m. at Girlstown, U. S. A. at Whiteface when 62 gaslights presented by Caprock District, Texas Federation of Women's Clubs, will be dedicated.

The Hon. R. B. McAllister of Lubbock, state representative and past Girlstown board member, will make the dedicatory speech, with Betty Fore, "Miss Girlstown of 1970", giving a response. Mrs. LeRoy Johnson, Morton, Caprock District president, will introduce the speaker, acknowledge telegrams and letters and welcome guests.

Mrs. Lane Decker of Floydada, past district president, will give the invocation. The pledge of allegiance will be led by Kim Piazza of Girlstown. Lloyd Thompson of Lubbock will sing "The Star Spangled Banner."

Climax of the program will be the symbolic lighting of the gaslights by Girlstown girls. Refreshments will be served. Pioneer Natural Gas Company installed the lights free as a courtesy to Girlstown and Caprock club women and will service and maintain the lights regularly free of charge.

The lights were bought by clubs and individual members at a discount price of \$22 per light and the donor's name is placed on each light.

Thirty-two gaslights line the quarter-mile long road from the highway to the Girlstown Campus and intersperse the Honey Locust trees planted by Caprock District members in 1968. Around the circle are 15 lights, gifts of past presidents and life members.

Past presidents who provided

lights are Mrs. W.P. Averitt, Lamesa; Mrs. J.W. Walker, Plainview; also state president, Mrs. H.F. Godeke, Lubbock; Mrs. A.T. Cocanougher, Lubbock; Mrs. A.E. Boyd, Plainview; Mrs. Bill W. Davi view, Mrs. Bill W. Davis, O'Donnell, who served as chairman of the Girlstown Project Committee; Mrs. Robert N. Tipps, Denver City; Mrs. Louis Cummings, Plainview; and Mrs. Decker. Life members donating lights are Mrs. A.L. Putnam, Plainview, also a state life member; Mrs. Tillman L. Jones, Post; Mrs. M. W. Lusa, Plains; Mrs. E.M. Terry, Sudan; and Mrs. W.K. Crawley, Lamesa. Three lights have been placed

### SHARON WILSON NAMED TO FACULTY COMMITTEE

Sharon Wilson, daughter of Mr. and Mrs. R.M. Wilson of Sudan has been named as a student alternate member of a faculty committee at Abilene Christian College.

Miss Wilson, a freshman music major, will serve as an alternate on the ACC Library Committee.

The 1970-71 school year marks the first time for students to be included on the college's committees. Garvin Beauchamp, vice president for student personnel services at the college, said, "The inclusion of students on the committees is being done to improve the two-way flow of communication between the administration and students, as well as the incorporation of student thoughts and ideas into the decision-making committees."

Miss Wilson graduated from Sudan High School in 1970 as valedictorian.

in front of each dorm and six around the semi-circle.

Pioneer Gas Company officials, members of the Press, guests from other districts and other dignitaries, club members, their families and friends are expected to be present for the dedication ceremony. Guests are asked to bring folding chairs for comfort.

Assisting Mrs. Davis on the projects committee is Mrs.

### Worker Protection

NEW YORK—Most American workers today are covered by workmen's compensation insurance, notes the Insurance Information Institute. Employers in 1968 paid \$2.875 billion in premiums for this protection, designed to provide for the cost of medical care and weekly payments to injured employees or to dependents of persons killed in work-connected accidents.

M. J. Malouf of Post. Another project of Caprock District has been the building of a Friendship Walk around the center circle, giving the girls a place to stroll and skate.
