THOSE of us in the I-Told-You-So Dept. are busy saying just that in regard to the activities of the Red Chinese delegation to the United Nations since they were admitted to that somewhat questionable group.

The first speech by the Reds was an attack on the United States, which helped get them into the U. N. And subsequent speeches aren't too likely to be any different.

It might be much more feasible to put the U. N. in Red China instead of vice versa.

EARL WILSON, a syndicated columnist who frequently is a little too dirty to suit my tastes, did come up with a good one the other day, quoting Marty Ingels as warning us to be wary of China in the U. N. "Any country with a population of 800 million that says its favorite indoor sport is ping pong will lie about other things, too."

I DON'T KNOW who Marty Ingels is, but probably most of my readers do. He more than likely is one of the so-called standup comics who make the Johnny Carson show and other talk shows so easy to skip.

There are those who accuse me of being out of touch with things because I'm not familiar with the various television performers, some of whom are quite well known to everyone else.

The other day some people I know were talking about some singers or some kind of poets or performers or whatever they are and were astounded that I'd never even heard of them. The names (which I had to go back to them to obtain) are Rod McKuen and Bobby Sherman.

There are several new television shows I've never seen nor do I have any particular desire to see them. About the only thing I ever watch on teevee are Oral Roberts and the Dallas Cowboys. The former is good all the time and the latter is good sometimes.

Mr. and Mrs. Charles Johnson of Hobbs, N. M. are the parents of a son born November 7, 1971 at the Lee County General Hospital in Hobbs. The infant weighed seven pounds and four ounces.

Grandparents are Mr. and Mrs. Harvey Grigsby, Jr. and Mrs. and Mrs. B. J. Johnson of Hobbs, N. M.

Mrs. Johnson is the former De'On Grigsby.

Mr. and Mrs. B. A. Narramore of Dallas are parents of a girl, Stacy D'Ann, born Thursday, November 18, at 4:07 a. m., and weighing six pounds and seven ounces.

Maternal grandparents are Mr. and Mrs. H. Patterson; and paternal grandparents are Mr. and

THANKSGIVING DAY TO BE OBSERVED - The 350th Thanksgiving Day will be observed throughout the United States Thursday, Nov. 25, as citizens sit down to the traditional turkey dinners. The original feast was held in 1621 by the Pilgrims to express their gratitude to God for the bountiful harvest which they had just gathered. The Pilgrims invited the friendly Indians to share their food and give thanks. History shows that they also participated in friendly competitive sporting games. Today we still have the bountiful food but sometimes we are prone to forget the reason behind the feast and visitation. After the meal, we put the dishes in the dishwasher and fall into the most comfortable chair to watch the football games in "living color".

Some 200 persons attended the annual Community Thanksgiving Church service held Sunday night at the First Baptist Church with fellowship held in the fellowship hall following the service. Residents who will travel to visit relatives during the holidays are urged to use caution on the highways.

Field Readied For Six-Man Football

The Hornet Stadium lights will be shining brightly Thursday night as six-man football is introduced to many of the spectators in the fashion of a bi-district tilt between the Bula Bulldogs and the Highland Hornets. Action will begin at 7:30 p. m. School officials reported that the playing field has been readied for the conflict with the goal posts moved in 10 yards, making the field 80 yards in length. The side lines have also been narrowed to make the field only 40 yards wide.

Differing points in rules include that there must be a clear exchange of the football between the quarterback and the

running backs. It also takes 15 yards to make a first down although you get the same four attempts.

Bula and Highland are both undefeated in play this season although Highland has more than

twice as many players on the roster as Bula. Highland sports 24 members while Bula's roster names 11 players. Highland's six starters are all seniors while Bula has only two seniors on the roster.

All residents are invited to attend the game for some enjoyable football viewing.

Some 80 persons attended.

There's something in
our daily acts
That's telling folks
a lot of facts,
They judge the life
that we display
From what we daily
do and say.
One thing about the
walks of men,
They leave their tracks
where they have been;
The place we're going
in and out,
Leave tracks that tell
what we're about.
