FORTY-EIGHT YEAR NUMBER 42

SUDAN, LAMB COUNTY, TEXAS

—by Dalton

"I think that I shall never see  
A billboard lovely as a tree.  
In fact, unless the billboards  
fall,  
I'll never see a tree at all."  
So wrote Ogden Nash once on  
the subject of billboards, and  
this was before Lady Bird ever got  
into the issue of highway beauti-  
fication. We agree with both  
Mr. Nash and Mrs. Johnson on  
the matter, and now the State of  
Texas is giving owners of adver-  
tising signs along major inter-  
state, U.S. and state-numbered  
highways until Dec. 31 to apply  
for permits required under the  
Texas Highway Beautification  
Act.

This means that signs must  
conform to certain rules about  
where they can be located and  
what they say. The act is de-  
signed to control all outdoor ad-  
vertising from big billboards to  
fence signs along the right-of-  
way line.

No sign can be erected within  
660 feet of an interstate or fed-  
eral-aid primary highway with-  
out a special \$25 outdoor ad-  
vertising license. An additional  
\$5 permit is also required for  
each sign.

Exempted are on-premise signs  
advertising activities on the  
land or offering the property for  
sale.

The highway department has  
begun removal of abandoned and  
illegal signs on controlled high-  
ways, which is a good deal, ex-  
cept that the few Burma-Shave  
signs still around probably will  
disappear too.

At one time there was a clam-  
or to get rid of all signs along  
freeways and toll roads, but tests  
showed that the signs do have a  
value—they keep the driver from  
going to sleep. It was discovered  
that a driver going at a steady  
speed along long, straight  
stretches of freeway tended to  
become hypnotized by the rib-  
bon of road ahead of him, and  
that the occasional billboard  
broke the spell, preventing auto  
accidents.

"I'll tell you what will really  
get your attention on a freeway.  
That's when you suddenly realize  
you just passed the place where  
you should have turned off and  
you look up and see a sign that  
says "Next Exit 12 Miles."

HIGH PRICE OF WOODWORK—  
the real thing, not this column—  
is being blamed by officials of  
the Lumbermen's Assn. of Texas  
on the federal government's  
policies and price control regu-  
lations.

This is a group representing  
more than 1,000 Texas retail  
lumber dealers, and one of them  
brought this report around to ask  
that we explain their view on  
why lumber prices keep going  
up.

"The demand for lumber and  
forest products caused by the  
record-breaking number of hous-

## 7th Grade BOYS WIN TROPHY

The local seventh grade bas-  
ketball teams participated in  
the Bula tournament last week-  
end with the boy's team bring-  
ing home the third place trophy,  
winning two games out of three.  
First place was won by Lubbock  
Christian Junior High, and the  
second place trophy went to  
Whiteface.

Coach Crane reported that the  
local team played outstanding  
basketball in the tournament, es-

pecially since most teams enter-  
ed were composed of junior high  
age members where the Sudan  
team was only seventh grade  
students.

In Thursday night's game, Su-  
dan won over Littlefield 24-22.  
Providence scored 2 points, Tam-  
plin 10, Simpson 4, and Ritchie 8.  
Ritchie made 3 long shots  
outside of the zone in the third  
quarter under a very tight de-  
fense. Barry Wiseman, Dennis  
Harvey, Rick Hill and T. Clen-  
non Williams also saw action.

In Friday night's game White-  
face overpowered the Hornets  
42-39. They led 16-0 in the first

quarter, and Sudan caught up by  
halftime and led most of the

## BASKETBALL RESULTS

The Hornets were sluggish on  
offense at Cotton Center Tues-  
day night as they fell to the Elks  
37-42, bringing their season rec-  
ord to 1-1.

Larry Baker was singled out for  
his outstanding defensive play  
while the two big men, Richard  
Tamplin and Roby Lynn domi-  
nated the boards. Tamplin  
hauled down 29 rebounds and  
Lynn 11 as Sudan led the Elks  
59-35 in the "battle" of the  
boards.

Offensively, the Hornets hit  
an anemic 28% from the field,  
compared to 31% for the Elks.  
Tamplin led the Hornets with 19,  
followed by Pat Hedges 6, Lynn  
5, Baker 3, Hanna 2, Noles 2.  
Keith Downs, Roger Swart, and  
Danny Williams also saw action  
in the tilt.

"The board play of Tamplin  
and Lynn was the highlight of  
the game for us," commented  
Coach Campbell, "and our de-  
fense did a fine job also.

The "HUSTLIN' HORNET" A-  
ward for the game went to Rich-  
ard Tamplin, a sophomore for-  
ward. "Richard's rebounding  
and scoring kept us in the ball-  
game. He also did a good job  
defensively by holding his oppo-  
nent to 7 points for the game."

On Friday night, the Hornets  
squared-off against Class AA  
powerhouse, Denver City, and  
came out on the short end of a  
66-41 verdict.

Tamplin and Hanna led the  
Hornet scorers with 13 and 12  
respectively, followed by Baker  
with 6, Noles 5, Williams 3,  
and Keith Downs 2.

Coach Campbell stated he was  
"very pleased with the Hornets"  
in the first three quarters and in  
particular, the performances of  
Freshman forward Danny Wil-  
liams and Junior guard Don  
Noles. "Baker and Pat Hedges  
also did a quality job for us on  
defense.

The "HUSTLIN' HORNET" A-  
ward was presented to Don Noles  
for the Denver City game. "Don  
came off the bench in the third  
quarter and sparked us to a 17-

## AREA GINS REPORT ON COTTON HARVEST

The cotton harvest is again  
underway, but with a new front  
approaching it may come to an-  
other halt.

As of this week, the amount of  
cotton harvested is as follows:  
Fairview Gin, few, but ginning  
each day; Ellison Gin, 145;  
Farmer's Co-op, 352; Raymond  
Gage Gin at Circle Back, 430;  
Claunch Gin at Bula, 1,200 and  
200 on yard; Gage Gin at Pep,  
754 and 100 on yard; Young  
Brothers, 900 and 197 on yard;  
Enochs Gin, 250; Farmer's Co-  
op Gin at Enochs, 1,253 and 200  
on yard; Beck Gin, 850 and 300  
on yard.

Mr. and Mrs. Jinks Dent left  
Monday for Houston where he  
was to undergo surgery Wednes-  
day at the M. D. Anderson Hos-  
pital.

MRS. A. STEWART HONORED—A "surprise" birthday celebration was held Friday, Dec. 1, at Louise's Flower Shop honoring Mrs. A. Stewart, who was 90 years of age on December 2nd. Mrs. Stewart and the late Mr. Stewart moved to Sudan January 1, 1925 where they farmed, were in grocery business, hardware and furniture, and undertaking at 308 Temple Street and floral business at 310 Temple. Following his death, Mrs. Stewart continued to operate the floral business. It was moved to Main Street in November of 1969 and is known as Louise's Flowers and Gifts.

Helping Mrs. Stewart celebrate this occasion were Mrs. Rhoda  
Minyard, Mrs. Dorothy Drake, Mrs. Gina Nichols, Mrs. Truman  
Lee Willingham, Mrs. Dolores Harper, Mrs. Corrine Lawson, Mrs.  
Wareena Roark, and her daughter, Mrs. Louise Gatewood, when  
birthday cake and coffee were served. (Staff Photo)

12 edge during that period. He  
also did a meritable job on de-  
fense.

The Hornets lost a "squeaker"  
to the Wildcats from Littlefield  
Monday night but displayed poise  
and determination in the losing  
effort.

The "nip-and-tuck" saw both  
squads swapping the lead  
throughout the game with neither  
team amassing more than a 3-  
point spread until the final 15  
seconds. A cold fourth quarter,  
for the Hornets proved once a-  
gain to be their downfall as the  
Wildcats outscored the locals  
15-9 in the final stanza. Sudan  
had held a 41-40 edge after three  
quarters and quickly stretched  
that lead to three points. How-  
ever, costly turnovers in the fi-  
nal two minutes proved fatal as  
the Hornets fell to a 1-3 record  
for the season.

Richard Tamplin hit 7 of 13  
field goals and 6 of 8 free throws  
for 20 points and in addition,  
pulled down 23 rebounds. Mark  
Hanna contributed 10 points,  
Larry Baker 8, Keith Downs 5,  
Roby Lynn 4, and Don Noles 2.  
Danny Williams and Pat Hedges  
played fine defensive games and  
Hedges contributed to the of-  
fensive ledger with 4 assists.

Coach Campbell stated, "We  
were very pleased with our per-  
formance against the Wildcats  
except for the score. Our boys  
played their best game of the  
year and showed a tremendous  
amount of hustle. Our "HUST-  
LIN' HORNET" Award went to  
senior guard, Larry Baker, for  
his outstanding performance.  
Larry is the best defensive guard I  
have coached and he is a tremen-  
dous asset to our squad." For  
the game, Larry had 3 assis-  
ts, 8 points, and 7 defensive  
steals.

The Hornets and Hornettes open  
play this weekend in the White-  
face Tournament with their first  
games against Bula Thursday at  
4:00 and 5:30 p.m.

Next Monday and Tuesday,  
the Hornets and Hornettes begin  
district play against Vega and  
Springlake respectively. There  
will be four games in Sudan be-  
ginning at 4:00 p.m. both days.

The junior varsity boys were  
defeated by Cotton Center also.  
Final score was 36-28 in the low-  
scoring game. Mitch Chester  
and Donnie Weaver each scored  
11 points for Sudan with Craig  
Harper 4, and Charles Freeman  
2. They lost Friday night to the  
Denver City Mustangs by a wal-  
loping score of 63-27. Jefferson  
scored 11 for the locals, Weaver  
scored 6, Freeman 8, and Ches-  
ter 2.

The junior varsity girls were  
defeated 51-10 by Littlefield  
when the ball would not go  
through the basket despite their  
efforts. They will participate  
in the Amherst tournament, as  
well as the junior varsity girls,  
Dec. 7-9. The bracket may be  
found elsewhere in this paper.
