THE OTHER DAY I acquired a little card to wear which said, "Be Nice To Me ... I'm a Voluntary Blood Donor." It wasn't the first time I had given blood, so I was big and brave about it. But some of the donors were not so voluntary as the card they got indicated.

There was this one guy whose boss practically ordered him to go donate blood. And he tried to back out after he got there and saw the setup, but it was too late, since his boss was there with him.

Some of the questions they ask you before you donate are rather interesting. Naturally they are careful about transmitting some disease, such as hepatitis, but a couple of the other questions made me wonder. For example, the questionnaire asked if I'd had Bang's Disease. I don't think I ever have, but that must have been the trouble with all the neighborhood kids last Fourth of July.

And they asked me if my occupation was a hazardous one. Obviously they aren't familiar with the hazards of newspaper publishing.

Finally after all the questions and signing a paper that absolved them of any responsibility if I keeled over on the spot, the nurse stuck a little needle in my finger to get a sample of blood in a tiny tube. "It's going to take you awhile to get a pint like that," I said cleverly. She bravely resisted any impulse toward hysterical spasms of laughter, since she probably had heard that one

dozens of times. At last they were ready to take the blood, and I leaped on the table with alacrity. It is a temptation to say there barely was room for both of us. Anyway, alacrity was all gone by the time they finished, and I descended from the table cau-

Actually, it really didn't hurt, and it was for a good cause. The blood goes to feed a starving vampire colony on Guam. Seriously, it is for the use of any

needy persons. We learned some facts about blood, too, by standing around afterward and getting in the way of the nurses. The average person, we're told, has one and a half pints of blood in his system for each 25 pounds of weight. And the pint you give is replenished, quantity-wise, in only 24 hours, although it takes longer to rebuild the iron.

Or alcohol, or printer's ink, or ice water, or whatever else you may have in your blood.

# Children's **Pictures**

It is an undisputed fact that the responsibilities of tomorrow's world our nation and community will rest upon the shoulders of the children of today. Since this is true, the publisher of this newspaper would like to give you a good look at these future "World Builders."

The only way we can do this is by publishing pictures of them in a feature series. To assure the latest and best reproduction pictures they must all be of unlform size and quality.

An expert children's photographer with all the necessary equipment-for this specialized work will be here Wednesday, November 7. Pictures will be taken at the Sudan Beacon News Office from 2:00 p. m. to 6:00

NO CHARGE TO PARENTS There is no charge to the parents. There are absolutely no strings to this invitation. It is bonafide in every sense of the word. Parents do not have to be subscribers, nor even readers of this newspaper to take advantage of this feature. Neither are they obligated to purchase pictures after they are taken. Those who want some additional prints may obtain a limited number by arrangement with the studio representative when they select the pose they want printed in the paper. It is entirely up

THE MORE PICTURES THE BETTER This paper simply wants pic-

tures of all the youngsters and the more, the better. So the mothers and fathers of the community in which this paper circulates should remember the date Wednesday, November 7, bring their children to the photographer.

You will be mighty glad afterwards, if you did and very,

very sorry if you do not permit your children to participate in this event. The kiddies will have fun and both mother and dad and the youngsters too will be very proud to see their pictures in print later.

Appointments may be had by calling 227-3911, 227-6841, or 933-2467.

A "Spook Parade" for children aged two to 13 will be held Saturday, September 27.

All participants must be in full costume. The parade will begin at the Community Center at 6:00 p. m. with judges on hand to name costume winners in five different categories. They will include "most beautiful, ugliest, most original, best character portrayed (TV or storybook, etc. ), and best little one ages 2-5)". However, the winners' and runnerup prizes will be awarded at the Coronation of the Harvest Queen at the High School Auditorium where the parade will end.

The Spook Parade is being sponsored by members of the ESA in conjunction with the Halloween Harvest Festival and Carnival.

Saturday, October 27, has been set as the date for the coronation of Harvest Queen in conjunction with the Halloween Festival sponsored by ESA.

The coronation ceremonies will get underway at 6:30 p. m in the Sudan High School Audi-

Mrs. Debbie Baker, ESA Beauty

Queen, will crown the winner and present gifts to her and her escort.

Following the coronation, winners of the Spook Parade's five categories and runnersup will be presented awards.

A "Harvest Festival" sponsored by the ESA will be held in the local school cafeteria and school rooms Saturday, October 27. The event is scheduled to get underway at 7:00 p. m.

Classes from seventh grade through twelfth as well as organizations will be in charge of booths such as concessions, pie walk, cake walk, spook house, battle of bends, saloon, etc. Each class or organization will receive 90% of the proceeds and 10% will go to the sponsoring organization. The ESA plans to use their proceeds to purchase coats for needy children of the community, for Christmas for a needy family in Sudan, and other worthy causes.

# COTTON MARKET NEWS

Western cotton markets were slowly becoming more active, according to the Agricultural Marketing Service, USDA. Although he bulk of current ginnings was being delivered against previously made commitments, larger supplies of "free" cotton were becoming available. Demand for most qualities of current ginnings was good. Supplies were not adequate to fill demand. In most locations, growers offered early ginned uncommitted cotton freely. Buyers were active bidders on most lots offered. In Central Arizona, mixed lots of mostly grade 31 staples 34 and 35 brought around 82.00 to 83.00 cents per pound. Southeastern New Mexico growers sold a small volume of Acala cotton at 85. 00 cents per pound, basis grade 31 staple 37, 3.5 to 4.9 mike. Around Pecos, Texas a mall volume was sold at 80.00 cents per pound, basis grade 41 staple 34, 3.5 to 4.9. In Austin, Texas mixed lots of grades 41, 32 and 42, staples 31, 32 and 33 brought around 65.00 to 70.00 cents per pound. At Dallas, mixed lots of grades 51, 42 and 52, staples 31 and 32 brought around 59.00 to 62.00 cents per pound. Most early harvested lots in the Lubbock area brought 60.00 to 68.00 cents per pound. Below grade lots in the Austin area brought up to 40.00 cents per pound. Contracting of the 1974 crop continued at most locations. Harvesting activities were rapidly increasing in the San Joaquin Valley of California and in Arizona. Harvesting operations were slowed or stopped by rain over much of Central and South Texas. Some observers felt that it would be next week before harvesting could resume in some areas. Elsewhere in the Western Region, harvesting was in the early stages. # BEWARE OF SUBSTITUTING DRUG CONTAINERS

Have you ever wondered why a medicine comes in a particular type over-the-counter drug -in tablet, capsule, or liquid form-there's a reason for the way it's packaged. The container helps preserve the drug's strength. Change the container and you could render the medicine ineffective, unsafe-or

In Beware of Substituting Drug Containers!, the Food and Drug Administration (FDA) urges consumers to use only the original container of any drug. While little pill boxes are more attractive, they may not preserve the drug nearly as well as the original container did. oxygen and light, manufacturers are required by law to package those likely to deteriorate in ways that will preserve them a reasonable length of time. The FDA advises that if you absolutely must transfer a drug from the original container, be sure to ask your pharmacist or physician whether the new one is suitable. Then clearly label the new container so that you will know what the drug is and how often it should be taken.

Here are some other tips from the FDA fact sheet:

Never transfer a drug to a container that once held a different medicine. The drug could mix with traces of the previous contents, and cause an undesirable

Always keep the cap of the drug container tightly sealed. Follow carefully any storage instructions on the label. If you have any questions, ask your pharmacist.

If anything happens to the original prescription vial, or if the plastic top comes loose after several openings and closings, ask your pharmacist for another.

All of these tips apply equally to medicines in liquid, tablet, or capsule form. None should be transferred unnecessarily from the original container.

Beware of Substituting Drug Containers! (free) is one of more than 200 Federal publica tions listed in the fall edition of the Consumer Information Index. ## HOMEMAKING TIPS BY LYNN BOWERMAN

County Extension Agent Crib Toys of Suds-Spongeable Vinvl-Simple, Inexpensive Items To Sew At Home---

Inexpensive crib toys that stimulate baby's mental curiosity and matching accessory holders can be made from sudsspongeable vinyl. Cut seethrough vinyl into pairs of interesting shapes-circles, squares and triangles. Place household objects, such as macaroni, beans or buttons, between the two layers and stitch or lace securely together. Then tie together or hang individually around the crib for baby's a-

musement. Make a companion piece to fit over the end of the crib for storage as well as visual interest. Use a length of heavyduty vinyl in a solid color. For the side that will face the infant, choose pleasing pictures and glue in place making two or three rows. Cover with clear vinyl and stitch all around. Or, for a changing picture gallery, before baby is old enough to wiggle the pictures out, leave top edges open and change the pictures from time to time. For the outer side, fashion roomy pockets for storage of baby

clothes and diapering needs. Tie the finished piece to the crib with long shoelaces or ribbon attached with eyelets to the vinyl. Eyelets are available at notions counters and come with an attaching tool. To keep from

slipping, screw two cup hooks into back of crib and put another pair of eyelets in the vinyl to match the space between the cup hooks. Slip the accessory over the cup hooks and tie in

Baby's Bath-Since infants are born with an acute sense of touch, bath time should be highly pleasurable part of baby's day. Babies instinctively sense anxiety and hurriedness, so approach bath time with confidence and time to spare. Lots of hugs and talking interaction go a long way in increasing the pleasure. A bottle after a refreshing bath, while baby is relaxed and comfortable, is a positive reinforcer and the perfect ending to bath time.

A Completely Washable Storage Organizer-A completely washable storage organizer for toys, magazines or other paraphernalia that is also inexpensive can be made from round gallon-size ice cream cartons. Mrs. Margaret Smith will be giving a book review "In One Era Into Another", a new book by Sam Levenson, on Wednesday afternoon, Nov. 7 at 2 p. m.

in the library at Littlefield. The public is invited and urged to attend this review.

Approximately 140 exes and guests attended the 21st annual homecoming for ex-students and teachers at the cafetorium of Sudan Schools Saturday night, October 20, 1973.

Members of the Future Teachers Association hosted a reception at 6 p. m. when guests registered and were served spiced tea and appetizers. In charge of the registration were Mary Pearl Bellar, chairman; Martha Markham, Dorothy Jones and Peggy Baker.

Following the reception, Billy Chester, president of the Ex-Student Association, introduced James Withrow who led the invocation and Dexter Baker who gave the welcome.

The banquet meal wasprepared by Sudan Band Parents Organization. The menu included baked ham, green beans, candied yams, tossed salad, hot rolls, homemade pies, and

Tables were decorated in a fall theme with pumpkins, open cotton bolls, miniature bales of cotton, ears of corn and black and gold streamers on white cloths. Assisting with the decorating were Mary Hanna, Peggy Ray and Wanda Swart.

The bouquet of mums at the speaker's stand were provided by Central Compress, Sudan.

Following the meal, Lester Walker of Hugo, Okla. wasrecognized as the eldest ex-student present. The ex-student traveling the fartherest distance was

# & Jr. Hi Football

The Sudan J. V. Hornets ventured over to Bovina last Thursday and played a hard football game. Even though the score was Sudan 6, Bovina 20, it was still a hard fought game. If it had not been for the five fumbles lost by Sudan, the score may have been a lot different. The Sudan JV's have played some outstanding football so far this season even though their record is 0-5-1.

Ronnie Harrison scored for the Hornets on a five yard run and the point after failed. Bovina scored two times after fumble recoveries and once after a good drive. They scored one extra

Some of the outstanding players of the game for Sudan were Joey Huerta, Brad Pierce, Haldon Messamore, Clay Williams, Craig Pickett.

The young Hornets are looking for win number one this Thursday when they meet Vega here.

The seventh and eighth grade Hornets split with Boyina last Thursday afternoon with the seventh graders absorbing their

tion in Friday's game.

Guests for the meeting recognized were Hornets David Aills, Larry Bellar, Craig Harper and Jim Fields. Three cheerleaders were also guests.

Mrs. Frances Pickett was winner of the football contest on last week's scores.

third loss of the season by a score of 14-0. The eighth grade scored their third victory by a score of 12-0.

Bovina seventh grade scored in each of the first two quarters to take a 14-0 halftime score which they held throughout the remainder of the game. The coaches cited Bob Graves, Randy Scott, and Derwin Beauchamp as having an outstanding game.

The seventh grade team elected captains last week. They are Bob Graves, Mike Jones, and Joe Wood.

Probable starters for Sudan against Vega Thursday will be Center Joe Wood; Guards Derwin Beauchamp, Jimmy Williams; Tackles Randy Scott, Pete Edwards; Ends Jarrod Withrow and Ricky Moore; Quarterback Steve Warren; Running Backs Bob Graves, Mike Read, and Mike Jones.

The eighth grade picked up their third win of the year with an outstanding team effort. On the third play of the game, Edgar Tamplin hit Split End Mark Warren with a 56 yard TD pass to give Sudan a 6-0 lead which they held until halftime. Late in the third quarter, QB Darren Provence added an insurance TD on a one yard sneak to give the Hornets a 12-0 lead which they held on to for the remainder of the game.

The coaches stated that Lonnie Williams had his usual outstanding game and Joel Williams had his best game both offensively and defensively.

The Rev. Johnny Cartrite, pastor of First Baptist Church, Slaton, will deliver the deditoral address.

The Woman's Missionary Unions of the Lubbock Area and the Caprock-Plains Area will serve refreshments in the new dining hall from 2:00 until 4:00

The new facility valued at more than \$125,000 has been built by donations of materials and labor and finances. At the dedication time, it will be completed and debt-free.

The Woman's Missionary Unions of the two Areas furnished new hairs and tables, and Mrs. J. 1. McPhaul of Lubbock has given new stainless steel eat ag utensils. J. D. McPhaul, Associational Brotherhood Director of the Lubbock Area, led in the construction of the facility.

A new piano has been donated by the adult choirs of the churches. The public is invited to attend.

### HORNETS SMASH MUSTANGS---

for the second half as on their first possession they mounted an 87 yard drive on only seven plays which was capped by a 41 yard touchdown by Halfback Billy Shelby. The Mustangs fumbled on the points attempt but now led for the first time this year, 12-8.

The Hornets punting game came to the rescue as it has done so many times this year and Donnie Noles provided the toe as he "booted" the ball 61 yards to the Mustang nine where the Hornet defense held, forcing Bovina to punt. The result was a mere 18 yards which came to rest on the Bovina 35. Facing third and eight for a first down, Quarterback Mitch Chester made the key play of the drive as he drilled a strike to Tight End Roby Lynn for 16 yards. On a key third down play, once again Fullback Pat Hedges broke through the Mustangs front line and sprinted 12 yards to paydirt behind guard Terry Graves' block which put the Hornets back on top for good. Mark Hanna brought the Hornet total to 16 as he barrelled around left end for the extras behind another fine block by Tracy Bowling and Sudan now led 16-12 with 1:17 left in the third

Midway through the fourth stanza, Bovina drove to the Hornet eight yard line for a first down but on second and six, Craig Harper crashed into the backfield to jar the ball loose which was recovered by Linebacker Kyle Martin.

The Hornets were quick to give the ball back, however, as the Mustangs recovered a Sudan "bobble" on the 21 yard line and the momentum switched again. The first Mustang play from scrimmage was a carbon copy of the last, however, as Kyle Martin knocked the ball loose and Tackle Donnie Noles fell on it.

Sudandrove for two first downs with the key play being a 16 yard sweep by Mark Hanna but were forced to punt with less than two minutes to play. Donnie Noles laced another "beauty" to the five yard line and Bovina owned the ball with one minute to play and 95 yards to the goal line. Bovina attempted a pass but defensive End Roby Lynn was waiting for it as he trapped the passer in the end one and forced a fumble. Noseman Mart Davison was the "man of the hour" as he fell on the pigskin in the end zone for Sudan's final touchdown, bringing the final score to 22-12.

As usual, Sudan's running backs distributed the yardage evenly with Hedges gaining \$7 yards on 12 carries; Hanna 74

yards on 19 carries, and Donald Johnson 60 yards on 24 carries. Martin, freshman linebacker, led the team intackles with 12, followed by Craig Harper and Hedges with 11 each, and Terry Graves, Richard Tamplin, and Mart Davison with 9 each. Donnie Noles averaged 40.8 yards per kick on five attempts to give the Hornets a good boost.

Head Coach Jim Warren was well pleased with Linebackers Kyle Martin and Pat Hedges. "Kyle filled in for the injured Danny Williams and did a good job for us as did Hedges, the other linebacker. Hanna made some key runs for us at halfback."

Tom Essex, line coach, sing-? led out Terry Graves, Richard Tamplin, and Tommy Seymore on offense. "Tommy did a good job on probably the toughest middle linebacker he will face all year. Graves and Tamplin also made key blocks. Noseman Davison and defensive End Lynn also did a fine 10b of closing down Bovina's running

Receiver Coach Gary Campbell commented: "Tracy Bowling played a superb game at split end. He made at least three key blocks that helped turn the tide in our favor. Lynn also did a good job of blocking and caught two passes for us. "Our secondary, composed of Donald Johnson, Curtis Chester, Hanna, Graves, and Mitch Chester, all did a good job giving us run support and pass defense. Bovina completed only one of five passes for six yards against us. "

The Hornets will be looking for victory number six tomorrow night as they travel to Vega for their most important game of

The Longhorns are undefeated for the season with a 6-0 record and a 2-0 district ledger. A defeat for the Hornets would virtually eliminate them from title contention while a victory would throw District 3-A into a three-way tie among Hart, Vega, and Sudan.

"A powerful ground-gaining offense" is how Coach Al Scott classifies the Longhorns. "They

depend on their two halfbacks, John Fangman and Tim Hubbart to carry the bulk of their running game, while Fullback lim Davis is an excellent blocker on off-tackle power plays. " Arnold Galbraith, the quarterback at 155 pounds, is one of their eight starting seniors and is an excellent passer as well as being able to run the belly option from Vega's wishbone set.

The offensive line averages 182 as compared to Sudan's 165. They are composed of 228 pound senior Ralph Paschel and 207 pound sophomore Gerald Berry at tackles, 165 pound senior Kenny Fangman and 160 pound unior Brant Lookinbill at guards, 180 pound senior Roy Watley, and 170 pound senior Jason Cook at ends, and 165 pound senior Al Moore at center.

Defensively, Vega usés a 6-1 alignment which is very similar to Bovina's defense with Al Moore as their middle line-
