AN EDITORIAL in the Lubbock newspaper suggests that grapes may be the next possibility for a major cash crop in the South Plains region. We can hardly wait, because this sounds like a real good deal to those of us who have tested cotton and sunflowers.

The A-J story indicates that about 50 varieties have possibilities for this area, and suggests that if we do raise grapes in this region, we should settle on just a few varieties so we'd have a more orderly and attractive market.

That's fine with me, too, and I don't know any more about grapes than I do about cotton, but I would like to suggest to all you would-be grape farmers that you raise these kind without seeds in them. Seeds are messy, even if the seedy grapes taste just as good as those without seeds. When you're eating grapes with seeds, you have to spit them out somewhere, like on the table, into your hand, on the carpet or wherever. And this not only is undignified, it gives you a reputation for being uncouth.

So I'd vote for a seedless grape. I don't have any idea where you'd get a seed so you can plant a seedless grape, though. Sounds like a real tough problem.

An unfortunate, but probably profitable, by-product of grapes is wine-making. Along the Rhine River in Germany, those who make the Slatonite's tour in March will see grape-fields (or orchards, or vineyards, or whatever they're called) on the sides of the mountain, with the workers having to harvest these things in a practically vertical level, which must be tough. And most of those towns along the Rhine make wine.

Back in the 50s, there was a song which I believe was first sung by a wine-maker to his grapes: "You Ferment For Me."

THE PHILOSOPHER on Panhandle says if you help a man who's in trouble, he'll never forget you. Especially the next time he's in trouble.

Thanksgiving

... A time to pause and give thanks for this great land carved from a wilderness by our forefathers. A land intrusted to us to guard and care for ... A land that has provided us with our growth and strength. Let us give thanks now for this land and at the same time pray for guidance in protecting it so that future generations may also enjoy its abundance twofold.

SHELLEY HARGROVE

Shellye Hargrove Named District FFA Sweetheart

Shellye Hargrove, Sudan FFA Sweetheart, was elected Sweetheart of the Littlefield District Thursday night, Nov. 20, at the District Banquet in Muleshoe.

Shellye won the District FFA Sweetheart crown over a field of 13 entries. Other schools in the Littlefield District represented in the contest were Amherst, Anton, Bovina, Farwell, Friona, Lazbuddie, Littlefield, Morton, Muleshoe, Springlake-Earth, Thremsay, Whit-

HORNETS CLIPPED, 34-28

WELL PLAYED GAME--Above is pictured an action scene in Friday night's game when the Hornets lost to Groom in a well played game that could have gone either way with both teams taking turns in leading in the scoring.

Sudan and Groom met at Hereford Friday night in a battle for BI-District of Class B schools. Going into the contest, the AP had ranked Sudan No. 8, and Groom No. 4 in the state. Groom scored the first two touchdowns early in the game but had to come from behind twice in the second half for the win of 34-28, on a chilly night.

Groom won the toss and elected to receive. Jerry Williams kicked to the Tigers four yard line, and they were able to return it to their 16. The Tigers were unable to make a first down and punted to the Hornet's 49 yard line. The Hornets were then unable to move the ball and Craig Pickett punted

to the Tigers five yard line. A return moved the ball to the Tigers 24 yard line. On the first play, Tiger HB Thomas Reed broke clear and went the 76 yards for the touchdown. The kick for the extra point was no good, and with 8:13 left in the first quarter, the Tigers had a 6-0 lead.

The Hornets were able to return the kick to their 36 yard line. Facing two and three from the 43, the Hornets committed a fumble and the Tigers recovered on the Hornets 42 yard line.

The Tigers then moved for the TD in six plays. The big play was a reverse which moved the ball from the 32 to the one. On the next play, Tiger Chris Brit-

ton scored for Groom. The Tigers then made good on a two point running play and with 5:41 left, led the Hornets 14-0.

The Hornets then showed that they had come to play. Returning the ball to their 29 yard line on the kickoff, Hornet HB Joel Williams then broke a sweep around the right side for 71 yards and the score. Kyle Martin then kicked the point after, and with 5:25 left in the first quarter, the Hornets had narrowed the lead to 14-7.

Following the kickoff the Tigers were unable to move, and punted to the Hornet 17 yard line. The Hornets then committed their second fumble of the game and the Tigers recovered on the Hornets 15. The Tigers then moved the necessary yardage in three plays with big FB Chris Britten scoring from four yards out. A running attempt for two points failed, but with 1:28 left in the quarter, the Tigers had a 20-7 lead.

The Tigers were unable to move following the Hornet kick, and punted to the Hornet eight yard line. Sudan moved for a first down at the Tigers 21 yard line, and then Joel Williams broke another sweep. This time he went 79 yards for the TD. On the extra point play,

Fire Dept. Report

Evone Oliver and Carole Faver conducted a Cardiac Pulmonary Resuscitation (CPR) class for approximately 25 firemen from the Sudan Fire Department on Monday night, Nov. 17.

The leaders discussed CPR and its importance, then showed a film "The Pulse of Life", before giving the CPR demonstration with "Resusi-Ann".

The group learned how to rescue single-handed and how to give CPR when there are two persons in the rescue operation.

CPR is sponsored by the Lamb County chapter of the American Heart Association.

No fires reported this week.

OOPS! WE GOOFED! OUR APOLOGIES

Martha Markham also assisted with the decorating at the school cafeteria for the recent homecoming banquet. Due to an oversight, her name was omitted in the printing of the article following the event. Sorry, Martha!

Susan Cardwell visited recently in Lubbock over the weekend with her grandmother, Mr. and Mrs. J. Hoytt Fisher.

Glenda Cardwell visited recently with her grandparents, Mr. and Mrs. Hal Cardwell.

"I'd rather explain higher gas bills than why you don't have gas."

Your natural gas bill is higher. And, you have every right to know why.

One reason is lower temperatures brought on by winter.

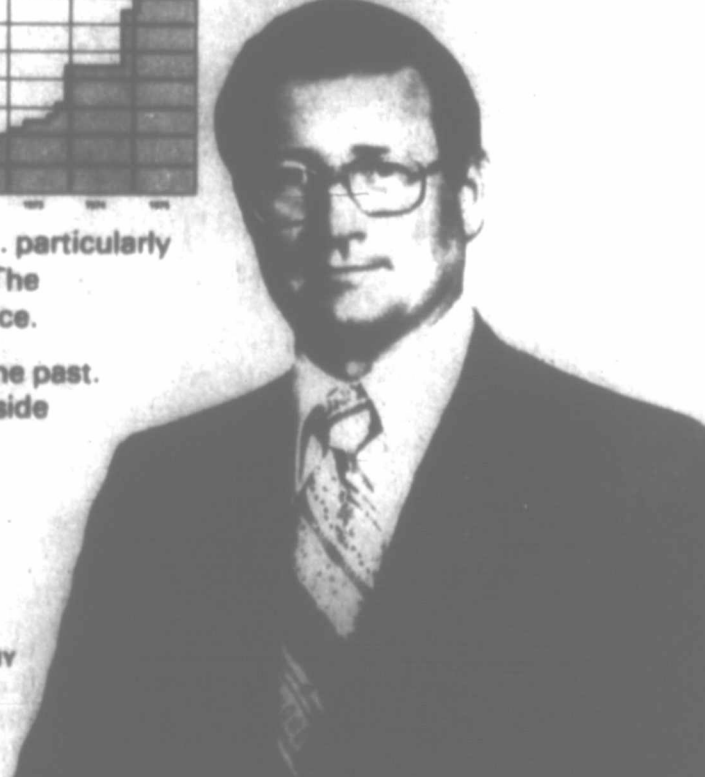

The main reason, however, is simply that you are paying more for natural gas. Because we are paying more. This chart shows how much:

This increase hurts both you and Pioneer. It adds to your bill and to our cost... a cost for which Pioneer is not entirely compensated. It is passed through without mark-up or additional charges.

Why does gas cost more? Competition... particularly from petrochemical and other industries. The competition for gas has never been so fierce.

We will have to pay more for gas than in the past. But by working together, and without outside interference, you'll have the gas you need today and in the future.

Stork Market Report

Mr. and Mrs. Bruce Pierce of Littlefield are parents of a daughter, Heather Marie, born Thursday, November 20, at the South Plains Hospital, Amherst. She weighed seven pounds.

Grandparents are Mr. and Mrs. Tom Conley of Lamesa and Mr. and Mrs. Leonard Pierce of Sudan.

FOOTBALL

Groom Lineman Mike Britten, crashed thru and roughed holder Craig Pickett, forcing him to leave the game. Jerry Williams then kicked the extra point, and with 9:26 left in the second quarter, the Hornets had trimmed the lead to 20-14. For the remainder of the second quarter, neither team was able to move the ball and the half ended with the Tigers out front 20-14.

The Hornet Band braved the cold to treat viewers to a fine half-time show with their usual fine performance in what turned out to be their last marching show of the year. They have showed true spirit throughout the football season in boosting the football team, as have the cheerleaders, pep squad, and fans.

At the start of the second half, the Tigers could not move following the kickoff, and punted to the Hornet 32 yard line. The Hornets then moved to the Tiger 34 yard line but there failed to make a fourth and three, and turned the ball over to the Tigers. The Tigers were again unable to move the ball and this time punted to the Hornet 33 yard line. From that point, QB Craig Pickett hit Brian May with a pass that moved the ball to the Tiger's 31. From that point the Hornets moved in for the score in seven plays with Joel Williams in for the TD behind good blocking from Terry Swart, Lonnie Williams, James Graves, Mark Lane, Kyle Martin, and Danny Williams. Kyle Martin then kicked the extra point, and with 2:17 left in the third quarter, the Hornets had the lead 21-20.

The Tigers, not to be denied, moved for a touchdown following the kickoff. The drive covered 67 yards in seven plays. The big play was a 39 yard run by Chris Britten for the TD. The Tigers again tried for two points, but again the Hornets met the challenge and stopped them. The Tigers had gotten the lead back with 0:17 left in the third quarter, 26-21.

The Hornets quickly got the lead back as Kyle Martin took the kickoff on the 10 yard line and returned the ball 82 yards for the TD which also made fans forget how cold it was. Martin then kicked the extra point. And with 0:04 left in the third quarter, the Hornets again had the lead, 28-26.

The Tigers then drove for the winning

TD following the kickoff. They drove from their 27 in 17 plays for the TD. QB Binbo Bivins got the final yard and Chris Britten got the two point conversion. The Tigers again had the lead, 34-28, with 6:37 to play.

Following the kickoff, the Hornets fumbled the ball at their 27 and the Tigers recovered. The Tigers were unable to move for the first down, and the Hornets took over at their 21 yard line. The Hornets moved for a first down and then HB Kyle Martin hit Joel Williams with a pass that carried to the Tigers 30. From that point, however, the Hornets were unable to move for the winning score and turned the ball over to the Tigers on downs. The Tigers ran out the clock to end the game.

HOW'S The Electric Company DOING?

Let's ask J. T. Durb, store superintendent...

"Customers are with us every night that you probably don't even realize that. But we have thousands of customers here every night... and they're necessary to bring electricity to you. Ten years ago, one of these customers cost \$240, but today an electrical customer is \$240."

That's a pretty good reason... a reason that's why we're working you every day. Don't let electricity be a high price... because it's cheap when you need it.

Basketball

Coach Mike O'Rear has reported that the high school boys began workouts on Monday of this week with 25 boys out for basketball. They have two seniors, seven juniors and three sophomores on what will probably be the varsity squad.

O'Rear stated that their first game will be December 2nd at Pep, and on December 4, 5 and 6 they will be in the Anton Tournament. The JV boys will be in the Amherst JV Tournament on the same dates.

Although both girls' teams played Pep here Tuesday night, the scores were not available for this edition due to early deadlines.

Then on December 9, all high school teams will host the teams from Springlake-Earth.

Hornet Band News

Band Director Bob Bryant of the Sudan Schools band program has announced that they are working on a stage band which will be known as the SHS Jazz Band; the Gymdandies which will play march, Dixie, rock & roll and other types of music at the half times and between basketball games, now that the marching season is over.

Bryant also stated that plans are being made for a mid-winter concert and hopes to present it prior to Christmas holidays.
