Allene Woodward Announces Candidacy

I, Allene Woodward am announcing my candidacy for the office of District Clerk of Lamb County. My 12 years of general office experience, involving intricate record keeping, qualifies me to perform the duties of this office adequately. I am presently employed as manager of the Littlefield Credit Bureau and I was previously employed by Lamb County as secretary to the County Judge and the Commissioner's Court. I am a former employee of the Lamb County ASCS Office and the Central Compress and Warehouse Company of Sudan. I was employed in Lubbock with the West Texas Warehouse Company, the Union Compress and Warehouse Company, General Office, and the South Plains Electric Co., Inc.

I have been a resident of Lamb County 20 years living in Sudan, Amherst, and Littlefield respectively. I am the widow of Horace Woodward who first moved to Amherst in 1929 and later became a landowner and gin manager for 14 years. I have a son, Gary Woodward, who is a junior in Littlefield High School.

In a sense my roots are deeply imbedded in the early history of Lamb County. I recall as a young girl journeying with my parents from Childress, where I graduated from high school, to visit my brothers: Van Rogers and the late Bug Rogers, who came to Sudan in 1930 and helped pioneer this area. In 1935 I moved to Circle Back and attended school there, later returning to Childress.

I am an active member of First Baptist Church where I support the youth program, serve on the Parent Council and am a member of the Single Adult S.S. Class. Also, I am a member of the Order of the Eastern Star and the AARP.

It has been 12 years since you have had a choice for District Clerk. Now is the time for a change in our county government and I am eager to be your county servant.

I earnestly solicit your vote and help in any way as I strive to educate Gary and support myself. If you elect me, I pledge to fulfill and uphold the duties of the District Clerk with honesty and integrity and in a manner that will be pleasing to the citizens of Lamb County.

Sheats Addresses Farmers

Morris Sheats, candidate for the congressional seat being vacated by George Mahon, was instrumental in bringing together West Texas farmers and several urban congressmen in the nation's capitol Friday morning.

Sheats called the meeting to give the farmer an opportunity to explain his situation to congressmen who are unfamiliar with the agriculture industry.

Sheats opened the meeting by stating, "We are facing an agriculture problem in our nation today." He went on to say, "The farmer is asking to have the cost of production met and a reasonable profit in the market place."

During his statement Sheats quoted William Jennings Bryan, "Burn down your cities and leave our farms, and your cities will spring up again as if by magic, but destroy our farms and the grass will grow in the streets of every city in the country."

Sheats concluded his remarks by saying, "We know that with everyone's cooperation, and with God's help we can find a solution."

The Bible Says

"The greatest of these is love!" 1 Corinthians 13:13 Without a doubt, love is the greatest. Without it I am nothing. We have been talking about love for the past several weeks. I hope this has helped all of us have a better understanding of the word we so often use rather loosely. The kind of love that needs to be shown by a wife to her husband or a husband to his wife is the unselfish love that does not seek something for itself, but only wants the other persons good. Have you tried this? Have you tried giving yourself totally to the one you love? Now remember we give even when our mate does not.

When I am unloveable is when I need love the most, right? A good marriage is one in which two people have learned to enjoy meeting each others basic needs. Here are some of these needs:

1. Love in good measure, and we need to give it.
2. We need to feel a sense of worth and belonging.
3. We need recognition for what we achieve.
4. We need to know that the pleasure which our senses and bodies can bring is permissible and good.
5. We need to feel accepted and understood.
6. We need to feel worthwhile and worthy of being uniquely the self we are.

Each of us need these things daily. Remember, your mate needs them from you! If each of us will forget what we want from our mates and begin concentrating on what we can give our mate, guess what!!! Each of us will begin to receive what we wanted all the time. It is true! All you have to do to find out is to try.
