

# All Set For Livestock Show Saturday

## ANNUAL EVENT EXPECTED TO DRAW THOUSANDS FROM AREA

This Saturday, May 18, will again see the annual stock show in full progress, sponsored and managed by the local Chamber of Commerce, an organization that has done a whale of a job the past few years, not only in the encouragement of breeding and feeding better beef and pork, but in many other ways. They have stood like a stone wall behind the efforts of the 4-H and FFA Clubs, as well as the county agent and the county schools, in the promotion of more and better cattle and swine.

Of course the boys' and girls' clubs enjoy feeding and tending their calves and pigs, even though no one but dad and mother or a few neighbors know of their effort. But all young people like to publicly show their handiwork; their hours of care, perhaps midnight visits to the pens, when an animal becomes ill. But such shows must be sponsored. While the prizes do not amount to a fortune, they are sufficient to induce the boys and girls to bring their yearlings, calves or pigs to town and show them. Yes, it's some trouble, but no pleasure is without its trouble.

So the C.C. members band together as one, induce the merchants and business and professional men to help, and all hands, including the fine bunch of exhibitors, really go to town. We hope Saturday, is a lovely day so that exhibitions can be made under normal conditions, and that we will have many visitors in our city.

Judging of livestock starts at 1:30 p. m. All entries must be in by 11 a. m.

With local interest in the 10th annual stock show of this trade territory mounting, officials have taken every precaution to have details arranged so that the exhibition will be in full swing

## Sanitation Urged In Morton Area

Mayor H. P. Arnold, after a conference with Dr. Travis Ferguson, city and county health officer, and upon the advice of Dr. Ferguson issued this statement to citizens of Morton:

"Every means of sanitary precaution must be taken in the disposal of waste, garbage, sewage and body excreta because of the recent break of a mysterious disease in several towns and cities in Texas."

Mayor Arnold also asks that all garbage be placed in a covered container and left in an easily accessible place so that it may be picked up by the garbage man.

It is a well known fact that many disease germs are carried and transmitted by flies and mosquitoes, including the dread poliomyelitis (infantile paralysis) Typhoid, Malaria and other types of devastating diseases.

Dr. Ferguson asked, "that all cess pools be completely and tightly covered, that DDT be used to spray all areas where there is standing water, out door toilets and any other breeding place of insects, to prevent further breeding and multiplying of the germ carrying insects."

The City commissioners have issued repeated warnings that livestock must be moved from within the city limits and those that warrants will be issued if these animals are not moved.

A state of emergency has been declared in several Texas cities in the past week in a drastic measure to fight the rapid spread of a disease similar in nature to that of polio but with the exception of a more sudden onset and much higher mortality rate.

Travel into Corpus Christi, San Antonio and other Texas towns has been restricted in a hope to prevent the further spread of the disease.

Other towns reporting deaths are Borger, Teague, Kleberg, and Amarillo. Wednesday this rare malady was diagnosed as Poliomyelitis and Encephalitis (sleeping sickness). Either one or the other may cause death or at least have a very crippling effect on the sufferer of the disease.

Poliomyelitis is a highly contagious disease, characterized by sudden onset due to an infection of the gray matter of the spinal cord. The affected gray matter is composed mainly of nerves that transmit impulses to muscles that soon after the onset show atrophy of the involved muscles an often permanent demyelination ensues.

Encephalitis is an acute inflammation of the brain causing blindness, apathy, muscular weakness and paralysis. However little is known about this disease, which is usually fatal after a prolonged course.

from the moment of opening. Stock show committeemen pointed out to Tribune representatives that interest in the well-wear of all animals and the show in general had been so great this year by the population of this area that an attendance record would likely exceed that which had been hoped for.

Committeemen further stated, "We are convinced that Cochran county people are so pleased with the show's prospects, and appreciative of their boys' and girls' enthusiasm and work that support will not be wanting in any direction you can turn."

Not one detail of the show has been over looked to mar the event. All prize money is ready, ribbons on hand, judges selected and arrangements made for the auction of the entries in Lubbock Tuesday afternoon.

A sales committee composed of H. S. Hawkins, Mac Hancock, A. T. Taylor and Alton Ainsworth, were in Lubbock Tuesday completing details for the auction.

**4-H CLUBS**  
Undertaking as projects any beneficial activity related to the farm, such as crops and gardens, cattle, poultry and hog raising, interest of the youths is created and sustained, both in the 4-H program and in the occupation most if not all of them will take up in later years—agriculture.

With the four-leaf clover as its emblem and nation-wide in scope, 4-H Clubs in Texas are under the sponsorship of the Texas A. and M. College Extension Service. There are over 800 adult workers in Texas. Interests of the club members is further sustained by such firms as Santa Fe, General Motors, Anderson-Clayton, International Harvester and many others too numerous to mention, offering many liberal awards in various contests.

Over the entire nation, 4-H Club boys sold 4,154 head of beef cattle, 3,798 sheep, 820 dairy cattle, 11,168 hogs, 79,113 chickens and 286,000 dozen eggs for a total of \$1,303,945.99.

## Leon Ransom To Judge Stock For Show Saturday

Leon Ransom, owner and operator of the Levelland Purina Feed Store will judge the livestock entries in the stock show to be held in Morton, Saturday, May 18.

Mr. Ransom is a member of the International Livestock Judging team, representing Texas A. and M. College.

Previous to entering business for himself, Ransom served as a county agent for eleven years.

Skinner Butler and W. E. Jennings were fishing near Hot Springs, New Mexico, last week and caught 100 pounds of fish. One catfish weighed 32 pounds and another around 25 pounds.

## Mrs. Andrew Essary Gave Review On Home Demonstration Work In Texas

Mrs. Andrew Essary gave a review of Home Demonstration work in Texas, Friday night, May 10, to one hundred and twenty-five Home Demonstration and five Home members and their families. Mrs. Essary's subject was "From Horse and Buggy to Airplane." She gave a short review of the work in Texas then brought her discussion from the State to Cochran county. She stated that she had seen home demonstration field enlarge from cooking and canning to take in every phase of home making and community life. Her discussion was a part of the county wide program held in the High School gymnasium in observation of National Home Demonstration and Family Life Week observed May 5-12.

The program was in charge of the County Home Demonstration Council and presided over by Mrs. Vernon Blackley, Council Chairman.

Ella Katherine Keith gave a discussion of her six years as a 4-H Club member. She told how 4-H work had helped her become a more useful family member.

## Announces

**Hop Halsey of Lubbock, shown above, has announced his candidacy for 19th district congressional representative. Halsey, a veteran of World War II, was twice elected to the Texas legislature. Complete statement as released by the Lubbock man this week appears on another page of today's Tribune.**

## Massey-Harris Dealers Entertained By Talk On Food Crisis At Conference

By Lois H. Vestal, Levelland  
Massey-Harris dealers including Louis Smith of Morton, radio men and newspaper editors heard Fred Knight of Dallas, branch manager of the southwestern office, speak on the food crisis in Europe at a meeting held in the Chimayo room of the Hilton Hotel in Lubbock Friday morning.

Mr. Knight, pointed out, and showed figures where the people of the United States eat 3,300 calories per day, while it only takes 2,650 calories "to keep us alive and healthy." To Europe's 1,500 calories. Source is based on government figures compiled by the Massey-Harris Company.

The purpose of the called meeting was to map out plans to make the food program cheaper. The United States has 152,000,000 acres in row crops, with 120,000,000 acres of that amount in combine crops, which is all food, the speaker outlined.

In the six years the company has manufactured 8,000 7-foot, 12-foot and 14-foot self-propelled and a large number of tractor-drawn combines in the United States.

Mr. Knight's company has factories in England, Australia and one in Germany before the war and other foreign countries.

The Dallas branch manager, in speaking to groups from the

maize-wheat belt, said that Texas had 14,000,000 acres in row crops with 5,000,000 in wheat, 5,000,000 in maize, 900,000 in rice, 170,000 in flax, 1,250,000 in oats, and 4,000,000 acres in corn.

The meeting was climaxed with a luncheon in the Aztec room in the Hilton Hotel.

Mr. Smith was accompanied to Lubbock by his wife and Lois H. Vestal of Levelland. Also in attendance were R. B. McAllister, manager of KICA, Clovis; Rex Webster, KFYO, and A. J. Strickland, Editor of the Terry County Herald, Brownfield.

## Large Attendance At VFW Kangaroo Court Thursday

On Thursday night, May 9th, the Veterans of Foreign Wars, held a special term of the District Court of said order, before R. C. Strickland, who was special Judge for the term of court.

Comrade Earl Cadenhead was tried by indictment found by the clerk of said court, Gayle Bishop, who is commander of the local V.F.W. Post, on the charge of moving a large house from the premises of Mr. Culppepper, without his consent. The prosecution was conducted by attorneys Loyd Kennedy and M. C. Ledbetter, and the defense was conducted by attorneys Frank Southard, and Robert Porter, and was assisted by Ike Harris, a local barber, who gave the witness a close shave before the evening was over.

All laws pertaining to the case were taken from the local newspaper and the catalogues of the mail order houses, there was considerable amount of verbal barrage between the attorneys, as all the legal talent of Cochran county was employed in the case.

After about two hours of the best entertainment furnished by the VFW, and the local bar, the jury in the case composed of Elmo Smith, J. L. Winder, Joe Cook, J. W. McDermitt, Clyde Weeks and Jack Nelson, returned a verdict of not guilty for the fact that Mr. Culppepper never owned a house in Morton. However it developed that three of the defense witnesses were in the jury, and the attorneys for the defense thought that the witnesses could do more good on the jury than they could at witnesses.

After the verdict of the jury, the Veterans of Foreign Wars served dough-nuts and coffee to all guests of the evening at the City Cafe and Bakers Coffee Shop which was enjoyed by all.

Other outstanding 4-H'ers introduced to the group were: George Keith, Charles Farmer, and Lois Wilson who was awarded the Gold Star pin for outstanding 4-H Club work done in 1945.

Mrs. G. W. Freeland gave a review of the rules and regulation for the Maggie W. Barry, Home Demonstration Scholarship. The scholarship is awarded each year to the outstanding 4-H Club girl in the state. Ella Katherine Keith will be a contestant for the Scholarship this fall.

Three 4-H Club girls present for the meeting were second generation 4-H Club girls. Polly Ann and Linda Dunning were introduced with their mother a former 4-H'er and Carolyn Moore and her mother were introduced.

In observation of the week of food and clothing for relief to the Philippine Islands has been collected by the home demonstration club women in the county. Anybody interested in making a donation should see one of the four Home Demonstration Club presidents in the county.

## Morton Schools Close Successful Year

### Thirty-One Students Graduate From Morton High School This Year

#### Senior Trip To Raton, N. M.

Monday morning, May 20, the graduating class of Morton High School will start on their class trip. This year the class elected to make Raton, New Mexico, their destination.

They will travel by school bus on the four day trip.

Raton is a picturesque town situated in the northwestern corner of New Mexico and is on the highways from Texas, Oklahoma and New Mexico to Colorado. Raton's elevation is 6,400 feet above sea level. The famous mountain pass dividing New Mexico and Colorado begins as one leaves Raton and the highest point on this pass is about 8,000 feet.

Between Capulin and Raton and off the main highway to the northeast is located the Capulin Mountain National Monument and an extinct volcano of geologically recent formation.

Raton is 261 miles from Amarillo, Texas.

Following the Baccalaureate sermon preached by Evangelist Paul Foutz, Morton Church of Christ, on Sunday evening, May 12 in High School Auditorium, the Morton schools began their closing week.

Commencement exercises were held in the school auditorium Tuesday evening with the following 31 students receiving their diplomas: Arlene Bennett, Sue Cochran, June Jones, June Woods, Willie Rae Zuber, Joyce Goodman, Betty Harrison, Helen Crow, Hallie Brown, Wanda Tolliver, Dorothy Tarver, Billy Watts, Burl McCasland, Laura Lee McCasland, Royce Fred, Presley Tharp, S. M. Monroe, Harver Hammonds, Clyde Hodge, Joe Ray Grimsley, Peggy Key, Carol Evans, Joyce Brisco, Marjorie Bertman, Mary Frances Chandler, Jamie Lynch, Glenna Igo, Nelda Nations, J. T. Holloman, Christene Nesbitt and Emma Lou Elliott.

Helen Crow was Salutarian and Betty Jo Harrison, Valedictorian, for the graduating class.

Professor T. C. Root of Texas Technological College delivered the address.

Diplomas and awards were presented by Superintendent Carl Maeon and Principal Jim Middleton.

## Seniors Entertained With Party Friday

The Senior Class of 1945-46 was entertained Friday evening, May 10, at 8:00 p. m. with a skating party given by the class mothers, Mmes. Roy Tarver, H. E. Tolliver, and Boyd Willis.

After the skating party the class retired to Mrs. Roy Tarver's house for refreshments. The class colors, red and white were carried out in the decorations. The guest were seated in the candle-lighted living room where they sang songs and enjoyed several piano numbers.

Refreshments consisting of a beautiful white cake with "Seniors 45-46" in red icing, punch, and chicken salad sandwiches, were served from a lace covered table to approximately thirty guests and the senior sponsors, Mrs. Bob Waddell, Jim Middleton, and Mrs. Reba Farmer.

**BOY LOOSE FOOT**  
The five year old son of Mr. and Mrs. F. C. Woods lost a foot last Saturday when the member became entangled in some farm machinery.

Mr. and Mrs. James St. Clair and family are in Dallas this week.

## V.F.W. Auxiliary Installation And Initiation Held Friday Night, May 10

The Church of the Nazarene held the spotlight Friday night, May 10, for a special called meeting of the V.F.W. Auxiliary.

Officers of the Lubbock V.F.W. Auxiliary had charge of the impressive ceremony of installation and initiation of local officers, Morton V.F.W. Post 5074.

Before the meeting the Lubbock ladies were guests of the local V.F.W. Auxiliary at the barbecue given by the V.F.W.

The Lubbock Auxiliary gave a beautiful and interesting review of the duties of officers and members of the Veterans of Foreign Wars Auxiliary.

A district meeting will be held

**U. S. ALEXANDER RECEIVES DISCHARGE FROM NAVY**  
U. S. Alexander arrived home last week after receiving his Naval discharge in San Pedro, Calif. U. S. spent several months in occupational duty at Sasebo, Khushu Island, Japan. Enroute home, he stopped in Bakersfield, Calif., to visit his sister, Mrs. Donald (Pete) Barnard and Joyce Alexander.

## Soil Conservationist Visits Former Dust Bowl Thursday, May 9th

### Tech Professor Addresses Seniors

T. C. Root received college training at Meridian college, Baylor University, Harvard University and the University of Colorado. Holds a master of business administration degree from Harvard.

Has been a member of the Tech faculty since 1932.

During the war, he attended officers candidate school at Miami Beach, Fla., and graduated first in his class at the Intelligence School, Harrisburg, Pa. Went overseas to England in December, 1943, where he was promoted to captain and was assigned to XIX Tactical Air Command as counter intelligence officer. He was with Gen. Patton's army through France, Luxembourg and Germany.

Is now head of the department of accounting and finance at Tech.

Recently appointed Assistant to the President of Texas Tech. He is in the author of several treatises on taxes and related matters.

Professor Root has been in much demand as a speaker because of his knowledge of the subject and the fact that he is an entertaining speaker.

His engagements include high school commencement exercises, Chamber of Commerce and retail merchants association meetings and banquets, service club dinners, and professional organizations.

He is an active member of the Southwestern Social Science Association and past president of the Texas Association of University Instructors in Accounting.

## Rain Received Wednesday

Rain and hail fell in Morton and surrounding territory last Wednesday, May 8. The rain started around 6 p. m. with a good pelt of hail for about half an hour.

The soil conservation office reported 52 of an inch for Morton while the area south of town received up to five inches. The rain in general was in spots and practically the whole of Cochran county reported some moisture.

Misses: Dorothy Tarver, Peggy Key, and Wanda Tolliver were Lubbock visitors Sunday.

## VFW Barbecue Drew Large Crowd Friday

The barbecue put on by the V.F.W. and American Legion drew a large crowd, although there was a cold wind that made eating in the open a little disagreeable. Two beevess were barbecued by Clyde Weeks and F. F. Roberts. Famous West Texas "son of a gun" stew was prepared under the able direction of Loyd Kennedy. D. E. Benham had charge of the coffee making. L. M. Baldwin and A. A. Glaser sliced the meat and helped in the serving.

The committee report a sale of approximately 500 tickets. These funds were earmarked for the fund for Legion building, construction of same was started Tuesday, May 14, on the five lots owned by the Legion.

**Boy Scouts Made Citizens Toe The Line Saturday**  
Local Boy Scouts are learning traffic rules and regulations and put in to practice their knowledge last Saturday by directing traffic and imposing fines on those found breaking the traffic rules.

Scouts report an amount of \$34.83 collected in fines and asked the Tribune to express their appreciation to the public for their fine cooperation in this venture. Mr. Zeke Sanders is the Scout Master for local troop.

A group of men who are vitally interested in the development of this section of the country, made an all-day trip last Thursday, May 9, to inspect the former dust bowl area in and around Dalhart, Texas.

Mr. Dick Perrin, District Soil Conservationist, W. W. Smith and Glenn Thompson of Cochran county, Jay Barrett and McDonald of Terry county, all district supervisors of the tri-county conservation district, accompanied by Mac W. Hancock, sheriff of Cochran county, J. R. Ward and C. G. Shaw, the latter two commissioners, made the trip.

These men were shown areas that four or five years ago were considered worthless due to soil erosion. This land had been abandoned after the dry years of 1934-35. In some places the sand dunes were as much as 28 feet high, extending a half mile, but now have a heavy turf of grass covering them that is easily driven over by cars.

In this former abandoned dust bowl area there are around 77,000 acres that were purchased and leased by the government. Practically all of this land has been reseeded to several different varieties of grass including the Gramma, Buffalo, Crested wheat, Western wheat and Weeping Lovegrass.

All of these men were much impressed by the numbers of fine, fat, Whiteface cattle grazing in four to eight inch grass on land that at one time had been considered worthless.

## Cochran County 4-H'ers Learn Landscaping

Cochran County Four-H Club members are learning that landscaping their home grounds makes the property more valuable. Exceptional landscaping achievements of these rural youths are also rewarded in the National 4-H Home Grounds Beautification program, according to Mabel Manley, Home Demonstration agent.

Participants learn how to correctly plant and care for grasses, flowers, shrubs and trees. They are encouraged to keep their lawn mowed, weeds cut and shrubbery trimmed.

Also to remove unsightly objects from their yard, repair rickety fences and improve driveways. Their training serves to develop a happy relationship through working with other members of the family in beautifying their homestead.

Merit awards donated by Mrs. Charles R. Walgreen, Chicago horticultural enthusiast, comprise silver medals to county winners and a gold watch to the state champion. All-expense trips to the National 4-H Club Congress are awarded to eight selected state winners.

The State Extension Service will provide information and suggestions to 4-H Club members for carrying on this activity and for helping them in reaching its objectives.

## Boy Scouts Made Citizens Toe The Line Saturday

Local Boy Scouts are learning traffic rules and regulations and put in to practice their knowledge last Saturday by directing traffic and imposing fines on those found breaking the traffic rules.

Scouts report an amount of \$34.83 collected in fines and asked the Tribune to express their appreciation to the public for their fine cooperation in this venture. Mr. Zeke Sanders is the Scout Master for local troop.

## SWING OF FARM MARKETS IN SOUTHWEST

Prices were down for cotton, cattle and some vegetables last week, but other farm products brought steady to stronger prices at most southwest markets, according to USDA's Production and Marketing Administration.

Cotton prices declined early last week, then strengthened and declined again. Spot market activity fell off due to scarcity of offerings and expected delay in deliveries to domestic mills because of the coal strike. Demand for most cotton was good.

Southwest egg and poultry markets held steady last week. Egg receipts were falling off and dealers thought the peak of the spring production had been reached. Current receipts were quoted 31 to 32 cents a dozen, Dallas; 31 to 31½ cents, Fort Worth; 31½ to 32 cents, Denver; and 32 to 34 cents, New Orleans. Both heavy hens and fryers were short of demand last week. Heavy hens continued to bring 23 to 25 cents a pound, Dallas, 23 to 24 cents, Fort Worth; 22 to 25 cents, Denver; and 29 to 29½ cents, New Orleans.

Demand and prices for South Texas vegetables improved during the past week. Shortage of boxcars caused lighter movement Friday. Bushel sacks of white corn, six to eight dozen ears per sack, brought mostly \$1.35 to \$1.50 and Bantam corn \$1.25 to \$1.50 per half bushel sack of five to six dozen ears. Onion harvesting was coming to a close in the Corpus Christi area but the Coastal Bend promised a bumper crop. Latest prices for onions stood around \$1.50 to \$1.60 per 50-pound sack for fair quality, medium to large size yellow Bermudas. Tomatoes realized \$2.75 to \$3.25 per lug box, six by six and larger sizes. Louisiana sweet potatoes held steady at ceiling.

Light hog receipts were in broad demand at ceiling prices at most markets last week. Also, sheep and lambs were in broad demand at steady to higher prices. Heavier than usual receipts cleared quickly. Common and medium spring lambs brought \$10 to \$12 per hundred

## An Esquire City Slicker Tells Why the City's Slicker

The "estatic hymns sung to the country and the small town as the place to bring up kids" have been going on too long. That may be the respectable point of view—"but me, I'll take the city," declares J. Andrew White in his June Esquire article, "I'll Take The City."

Tired of hearing the city take a lambasting without fighting back, White penned his piece to throw the book at the country fanatics. Citing chapter and verse from his own childhood on the streets of New York, he claims that "my catalog of twenty kids right off our block in New York produced several who could rate as smash successes and not a single one for whom I have to apologize."

Among the cases the Esquire article cites to prove that the city's great world is not as black as it's cracked up to be is that of a boy younger and smaller than the rest of the gang. He had horrible blond curls and couldn't handle a grounder or a pop fly, but he owned a regulation big league bat... so, of course, he was on the "team." He was a sissy kid who wanted to be an actor, a Little Lord Fauntleroy who proved his mettle when he got dumped into the middle of a gang battle and took it without the slightest whimper. He was "in." At present, he's very much "in" with the public, for his name is Clifton Webb.

Two good friends in the neighborhood were Milton and "Toothwash." Together they went into the advertising business, and later each opened his own agency. Milton became Charles M. Storm and "Toothwash" emerged as Ruthrauff of Ruthrauff and Ryan.

Among the girls the Esquire author recalls is Grace Hegger, who had the distinction of being the first in the neighborhood to

buy a car, and she was the first to buy a radio. She was the first to buy a vacuum cleaner, and she was the first to buy a washing machine. She was the first to buy a refrigerator, and she was the first to buy a car. She was the first to buy a radio, and she was the first to buy a vacuum cleaner. She was the first to buy a washing machine, and she was the first to buy a refrigerator. She was the first to buy a car.

Light cattle receipts moved slowly and prices were down 25 to 50 cents a hundred at most southwest markets last week. Houston sold medium steers and yearlings at \$13 to \$14.50 per hundred pounds and medium cows at \$10 to \$11.50. San Antonio moved medium and good shorted steers at \$15.50 to \$16, choice yearlings up to \$17, and common and medium cows at \$9 to \$12. At Fort Worth medium steers and yearlings brought \$13.50 to \$14.50 and common and medium cows \$8.75 to \$11. At Oklahoma City medium and good light steers and yearlings realized \$13.65 to \$15.50 and good cows upward to \$13.50. Medium and good slaughter steers and yearlings brought \$14 to \$16, and common and medium cows \$9.50 to \$11.50 at Wichita. Denver quoted medium to good stocker and feeder steers \$13 to \$15.50 and good stock cows \$10.50 to \$11.

Grain and feedstuff supplies became tighter near the end of last week because of the higher ceiling prices effective May 13. Also, peanuts and rice were in short supply with very little movement reported.

Tribune, Morton, Cochran County Texas, Thursday, May 16, 1946

## Midway Home Demonstration Club Met May 9

Mrs. B. H. Tucker was hostess to the Midway Home Demonstration Club Thursday, May 9. Pressure Cookers were checked and corrected by Miss Manley and Miss Norfleet. Miss Manley gave a talk on why foods spoil when canned. Mrs. Burl Rush was elected recreation chairman.

Those present were Mmes. R. E. Gardener, Burl Rush, L. B. Kelso, J. D. Thomas, L. M. Baldwin, the hostess, and Misses Manley and Norfleet. Our next meeting will be in the home of Mrs. R. E. Gardener, May 23.

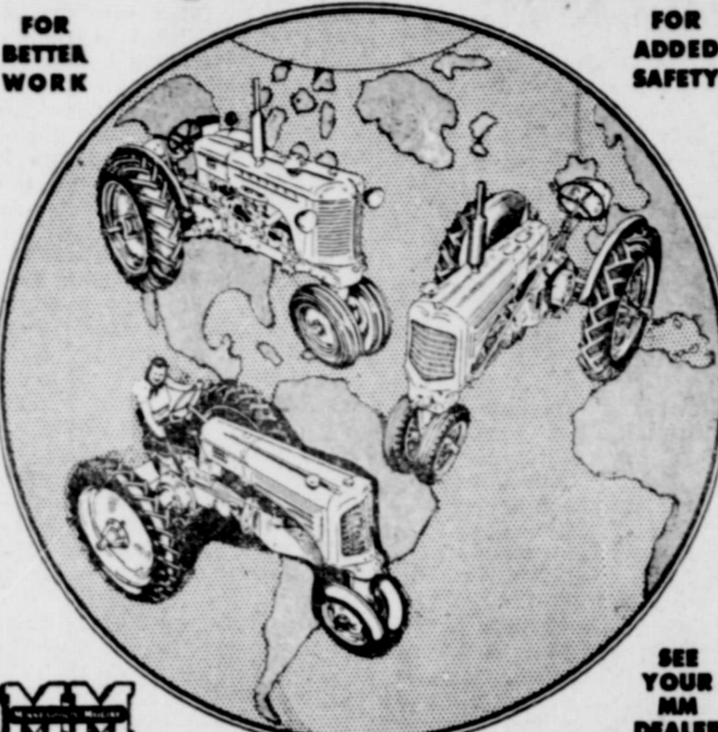

## Angley & Young Real Estate Oil Leases & Royalties Rentals S. E. Corner of Square

The first Poppy Day of peace, Saturday, May 25, will see more than 25,000,000 Americans wearing memorial poppies in honor of the dead of both world wars, Mrs. James E. Mecum, of Kansas City, Missouri, Chairman of the American Legion Auxiliary's National Poppy Committee, has estimated.

## Look VISIONLINED

FOR BETTER WORK

FOR ADDED SAFETY

SEE YOUR MM DEALER

MM Tractors are visionlined for safe, easy and comfortable operation on any farm power job the year around. Visionlining assures better work because the operator can always see what he is doing, and the seat is comfortably low to the rear of the drive wheels for additional safety at all times. "Visionlining" of tractors was introduced by Minneapolis-Moline many years ago and is basically an exclusive MM feature which does much to ease the normal strain on any tractor operator and, thus assures better work and perhaps even more work under many conditions. STAMINA... the ability to "take it" for long periods of tough going... doesn't come as an accessory to tractors or farm machinery. You can't buy it as an EXTRA. It's either designed and built into every part of the machine or it isn't there at all. MM products are famous for stamina—year after year, owners report records of long, low-cost efficient service and the fact that MM products stay MODERN.

## Sidelights From Washington

By George Mahon

Our Subcommittee on Appropriations for Government-owned Corporations is now in the third week of hearings. It will be late in May before our bill will be ready for submission to the House for action.

We have concluded hearings on the seven corporations which operate in the interest of agricultural. The Commodity Credit Corporation is perhaps the most powerful Government Corporation which deals with agriculture. The CCC operates the price support and loan programs for cotton and grain and numerous other agricultural crops. Congress has guaranteed a support price, or loan, of 92½ percent of parity on cotton for a two-year period following the year in which the official end of the war is declared. A support price of 90 percent of parity is similarly provided for other basic crops.

Loans and purchases through the years by the CCC on cotton, wheat, corn, peanuts, eggs, and other farm products run into the billions of dollars, but the CCC has sustained relatively few losses on crop loans and purchases. On cotton the CCC has made a net profit of \$147,000,000. Cotton farmers will rejoice over the fact that practically all Government-owned cotton will have been disposed of prior to August 1st. This is particularly gratifying when it is recalled that at one time the CCC had on hand over 11,000,000 bales of surplus cotton.

Governor I. W. Duggan of the Farm Credit Administration has appeared in support of the four Government Corporations under his supervision, all having a direct hearing on the year to year operations of millions of American farms.

Governor Duggan expressed alarm over the sky-rocketing of farm land prices. However, in contrast to the rise in farm real estate during World War I and World War II, he pointed out the encouraging fact that while the mortgage debt of farmers rose sharply during World War I, the mortgage debt of farmers went down during World War II. The mortgage debt of farmers is now

## Mrs. Paul Kiker Honored With Bridal Shower

Mrs. Paul Kiker, recent bride, was honored with a miscellaneous shower at an informal tea, Thursday afternoon from three to six, in the home of Mrs. Virgil Riley.

Mrs. Riley was assisted in hostess duties by Meses. Paul Arnold and Maurice Lewallen. 150 guests called during the tea hours.

5½ billion dollars, the lowest since 1916.

The remarkable war record of the farmers of America was made in spite of manpower and machinery shortages and often in the face of inadequate prices.

According to Governor Duggan, the total assets—real estate and otherwise—of farmers have increased from 53 billion dollars in 1940 to 90 billion dollars in 1946. He said that American farmers are now indebted for all purposes only to the extent of 10 percent of their assets. It is estimated that in cash, Government bonds and bank deposits the farmers of the Nation have a total of 15 billion dollars.

Of course, what we need in West Texas right now is not agricultural statistics but a good rain. Quite often these days Members of Congress from agricultural areas can be seen standing in front of a weather map which hurls just outside the House of Representatives and which records weather conditions throughout the Nation as of one-thirty o'clock each morning, Washington time. The red arrow, indicating fair weather and no rain, is too often apparent over West Texas.

By order of the President, American flags are flying at half mast for thirty days on public buildings in the United States and on our embassies, legations and consulates in foreign countries out of respect to the memory of the late Chief Justice Harlan F. Stone.

Mrs. D. R. Holliday and son were brought home from Payne-Shotwell hospital in Littlefield Sunday by L. W. Barrett in a Singleton Funeral Home ambulance.

Miss Lela Appling from Claude, Texas, was a week-end guest in the L. M. Baldwin home.

## Veterans' Questions & Answers

**Q. How is a loan, guaranteed by the Veterans Administration made?**

**A. The veteran selects the property upon which he desires the loan, negotiates the deal with the owner until a fixed price and terms are agreed upon. He then consults a bank or other lending institution that will in turn seek guaranty by the Veterans Administration of the loan.**

**Q. May a veteran secure a loan guaranty in order to purchase property with a nonveteran?**

**A. Yes. The guaranty in this case would apply only to the interest of the veteran in the loan, and may not exceed 50 percent of his interest. Under no circumstances could it cover any part of the interest of the nonveteran.**

**Q. Is a veteran eligible for education or training who was discharged with other than an honorable discharge?**

**A. The law provides that the veteran shall have been released from active service under any conditions other than dishonorable. Only a dishonorable discharge bars him from such benefits.**

**Q. If a dependent or relative receives a government check after a veteran's death, should he cash it?**

**A. No. He will have to refund it and may be prosecuted. Send it back to the issuing authority with a request for information as to how it may be properly reissued.**

**Q. May widows or children of deceased veterans secure a guaranty or loan from the Veterans Administration?**

**A. No. This privilege is limited to veterans themselves, but a loan guaranteed for a veteran may continue after his death.**

**Q. May a veteran discharged from the service by reason of the dependency of his mother be entered in a course of education?**

**A. Yes. If the veteran is otherwise entitled, the fact that he was discharged for this reason would not matter.**

## Sulphur Mixture Effective Against Cotton Fleas

College Station—Recent experiments with a DDT-sulphur mixture indicate effectiveness against adult cotton flea hoppers for control of heavy infestations, according to J. C. Gaines, entomologist of the Texas Agricultural Experiment Station. Sulphur alone is not quite as effective, it was said, but will give economical control of light to medium infestations.

DDT has proven toxic to adult hoppers as well as immature forms, but it also reduces the

## "V" Gardens To Help Relieve World Famine

Four-H Club boys and girls throughout the nation are setting an example for all America. They are keeping on with their Victory gardens, which totaled a million acres during the war. It is in response to President Truman's recent message emphasizing the importance of increasing America's total food supply to help relieve famine abroad.

The club member's action is stimulating rural youth to participate in the 1946 National 4-H Victory Garden award program. The awards are offered by Allis-Chalmers for outstanding records of achievement. They promise gold-filled medals of honor to the four top ranking entrants in each participating county, and \$9,600 worth of U. S. Savings Bonds to be shared by state and national winners. Sectional winners will also receive an educational trip to the 25th Anniversary National 4-H Club Congress in Chicago next December.

Participants learn how to care for and manage a well-planned garden, carry out a program of garden insect and disease control, and market surplus produce in an economical, approved manner. Planning gardens for a long season is encouraged so that nutritious vegetables and fruits can be produced for use throughout the year.

The State Extension Service will provide information and suggestions for carrying on this program and for helping 4-H Club members in attaining its objectives.

population of beneficial insects, thus causing aphids to become damaging. Caution should be exercised in applying DDT early in the season, Gaines points out.

When both hoppers and weevils are causing injury to cotton at the same time, DDT should not be used, but a calcium arsenate-sulphur mixture is effective against both of these pests.

The first application of sulphur should be applied when from 15 to 25 hoppers are found on 100 cotton terminals, but if the infestation increases rapidly, a 5 percent DDT-sulphur mixture should be used to stop the damage as quickly as possible, Gaines says.

New shipment office supplies just received at the Tribune.

More than 100,000 women will distribute American Legion Auxiliary memorial poppies on the streets of America on Poppy Day, Saturday, May 25. Mrs. James E. Mecum, of Kansas City, Missouri, the Auxiliary's National Poppy Chairman, has announced. All will serve as unpaid volunteers.

There is about as much logic in reducing the size of a loaf of bread to save food, as there would be in reducing the size of a watch to save time.

## Maybe you aren't this big a nut about cars

Maybe you're able to resist taking your engine apart—as long as it runs well. That's generally enough for most anybody—no matter how curious he is to see Conoco N<sup>th</sup> motor oil in the act of OIL-PLATING the engine's insides.

OIL-PLATED engines aren't forever having the top opened up to see about carbon—nor having the bottom opened up to see about sludge. Carbon and sludge are the camp-followers of wear. But OIL-PLATING is in the best position to oppose wear—because it is fastened and held direct to inner sur-

faces. This is accomplished by the magnet-like action of an added material in Conoco N<sup>th</sup> oil—patented.

OIL-PLATING is an addition—a durable protection—to the engine's fine inner finish. Ask new car owners and you'll find them widely adopting OIL-PLATING. This time, with this new car, they want to start out right. . . . And should an older car logically have anything less than the safeguard of OIL-PLATING! Then get Conoco N<sup>th</sup> motor oil—at Your Mileage Merchant's Conoco station—now. Continental Oil Company

CONOCO N<sup>th</sup> MOTOR OIL

## FROM EVERY ANGLE

WITHOUT THESE BASIC FEATURES NO MACHINE QUALIFIES AS AN ALL-PURPOSE FARM TRACTOR

A SHORT TURNING RADIUS is vital for row-crop farming. Farmalls turn in 7 to 9 feet. Tricycle design, and individual wheel brakes that enable tractor to pivot on either rear wheel, are indispensable features.

FARMALLS HAVE AMPLE clearance for cultivating a large variety of crops. Rear wheel treads can be set to accommodate practically any row spacings. On every job the operator has a clear view of the work he is doing.

## FARMALLS ARE FIRST

ANY MAN WHO BUYS A TRACTOR buys it for one big reason: *the work the tractor will do.* The quality of work, the volume, and the variety are the real measures of tractor value. Couple these factors with original cost, plus upkeep and operation, and you have the whole story.

That's the way most farmers figure it out when they make this important investment. *The answer has turned out to be a Farmall tractor more times than all other makes combined.*

That doesn't happen by chance. It happens because these famous red tractors are designed and built

to do more work, better work, and a bigger variety of work per dollar of cost than anything else on wheels.

At the right are a few basic reasons behind Farmall tractor performance. We will be glad to demonstrate how Farmalls, with their complete line of related tools and machines, make up the most efficient system of power farming in existence.

Those are the big things to remember when you plan the purchase of farm power equipment. Word from the factory tells us that with all possible manufacturing speed, THE FARMALLS ARE COMING!

THERE IS NO SUBSTITUTE for the Farmall's versatility. It is built to operate with the greatest variety of quick-attachable implements ever known. The hydraulic "Lift-All" provides easy implement control.

FARMALL'S POWERFUL engine gives you record-breaking fuel economy. Correct gear ratios transfer maximum engine power to the drawbar. This is the secret of Farmall's low fuel consumption. A variable-speed governor controls all operating speeds. Oil and air cleaners and dirt seals insure long wear. The power take-off and belt pulley complete the Farmall's unbeatable utility as an all-purpose farm power unit.

THE TOP TRACTORS FOR ALL FARMS

# Food Crisis Faces Nation; Famine Fighters Pledged to Help Save Grain.

"The world faces a food crisis far worse than anything experienced during the war, and it is important that farmers not only plant every acre possible, but also that they prevent waste and harvest every bushel." Smith Bros., the Massey-Harris dealer, stated today at the launching of the "Famine Fighting" program in Morton and Cochran county.

"One of the greatest sources of waste is the tramping down of grain in the opening of fields", Smith Bros. says. The loss to the nation's food supply from this single practice alone averages 20 bushels of wheat for every 40-acre field. In the aggregate this is enough to feed 42,000,000 for 100 days. That grain can be saved.

Because the self-propelled combine prevents this waste, Mr. Smith is pledging the operators of self-propelled combines in this vicinity to give extra attention to the opening up of fields. He states that if the 8,000 self-propelled combines of all makes in the United States were to go into the 1946 harvest specializing in open-

ing up fields and letting the conventional combines cut out the centers, a very large contribution of grain can be made to the stricken world. On the basis of just 50 extra hours of work, or five days during the entire harvest season, this plan would yield 28,000,000 bushels of grain worth \$30,000,000.

This Famine Fighting plan is a nation-wide movement. The Smith Bros. store is cooperating with it in this vicinity. He has the names of all the self-propelled operators who have pledged themselves to cooperate with this humanitarian work and will be glad to give you all details. Farmers are urged to contact self-propelled combine owners at once and arrange to have their fields opened.

The saving of grain on the opening cut is only one way in which the farmer could save grain. There is also the matter of tight wagon boxes, proper handling of bundles, timely harvesting. The important thing is that not a single bushel of grain be wasted. And it won't be. The Smith Bros. say, "The farmers of this community did a fine job during the war in increasing food production in the face of shortages of labor and equipment. They can be counted upon to do an equally outstanding job in serving grain, especially when he realizes that the single bushel of grain which we in our abundance think of as a small thing, is bread for 150 people for an entire day."

"If you have a friend worth loving, Love him, Yes, and let him know that you love him, ere life's evening Tinge his brow with sunset glow. Why should good words ne'er be said Of a friend—till he is dead."

The above was sent to us by Mr. M. B. Smith, postmaster of Farmersville, Texas, and long time friend of the spouse, and reading our initial column. We have not had the pleasure of meeting Mr. Smith but we do sincerely appreciate his interest in us and his kindness in writing to say so. Along with Mr. Smith we have had other compliments. We do appreciate your comments, good and bad, especially the good.

It started raining last Wednesday evening as the Tribune came off the press. The staff could hardly fold the papers we were so interested in watching the rain.

Thursday evening we were among the lucky ones to be invited by the Book Lovers Club for an informal dinner. This party was held in the ranch home of the Charley Craveys and it is not only a beautiful place but the best ever for party giving purposes. We tried to divide our time between consuming huge quantities of fried chicken, hot rolls and many other things, including home made ice cream, and admiration for Mrs. Cravey's spacious, well decorated home. We were amused by Mrs. Molly Gowdy's immediate alarm when she discovered "the press" as she calls us was sitting near while she indulged in a confidential conversation with a friend. However we were interested in the charming, white haired, Mrs. Jackson and her tales of early Morton to pay any attention to anything else. Mrs. Gowdy has helped us with names and initials on numerous occasions, and actually we feel she was not seriously disturbed.

# Cooking School Concluded

The cooking school conducted by Misses Mabel Manley and Mary Hope Norfleet came to a conclusion Friday eve, May 10th, with five finishing the course. Four who finished the course and cooked a meal were: Mrs. M. L. Abbe, J. B. Passmore, Bob Waddell and J. C. Reynolds. Mrs. Camilia Lytle finished the course with exception of cooking a meal. There were 10 enrollees at the beginning of the class.

and 2 trucks, 1 pushing and 1 pulling to get us out.

Friday evening we ate our share of the barbecue put on by the V.F.W. and American Legion. The food was wonderful and the fellows who put it on, as well as those responsible for the preparation should certainly be congratulated. The public address system recently purchased by the Chamber of Commerce was used to broadcast a program of music while the hundreds of guests enjoyed their barbecue.

After spending most of our spare time and all of our money working on our home for the past two weeks we have at last moved in. We found that the cleaning required a little soap and water and lots of elbow grease. I guess it would be nicer if we had some furniture.

Mr. and Mrs. Louis Smith invited us to attend the Massey-Harris district luncheon in Lubbock with them last Friday but we couldn't make it, on account of helping with the stock show edition. We certainly regretted having to refuse the Smiths. However our friend, Lois Vestal, editor of Sun-News in Levelland went in our place and according to Vestal it was a very nice affair.

Lots of new folks moving to Morton. Some will be permanent but others, such as the telephone linemen will only be here temporarily or until they complete the work of installing new lines and telephones. This installation of telephones is very welcome as there are only 88 listed in the directory and with Morton's phenomenal growth in past 2 or 3 years, direct telephone communication is important.

F. B. Ramby tells us the contractors are still waiting on brick and other scarce building materials to complete the structure that will be the pharmacy's new home.

Orchids to James St. Clair for reserving enough Nylons, out of his limited supply, for the senior girls; and to Mr. Ben Dyer for the special matinee at the Wallace Theatre, Wednesday, in honor of all seniors, their Mothers and friends.

We especially thank Mr. Frank Southard for writing the story about the V.F.W.'s Kangaroo court.

A lot of Morton people were in Clovis last Sunday for the CAAF air show. The crowd present was estimated at 70,000.

Glenn Thompson is another of our air-minded citizens. He has around 40 hours flying time to his credit and a new physical examination form, signifying he is physically and mentally o. k., to fly solo. We knew that but the Civil Aeronautics Authority demand written proof.

The Stock Show coming up this Saturday is looking good. Every one around here is interested in the Future Farmers of America and 4-H Club boys and girls, and the splendid work they are doing.

Mrs. W. W. Williamson has Columbine blooming in her yard that is simply beautiful. The Columbine is the Colorado State flower. We have often admired it, growing wild in cool crannies high in the Rocky Mountains.

Just in case we might get "puffed up" over a few compliments, one of our critics took us down a notch when he said, "You are neither a newspaper woman, nor reasonable facsimile of same." Oh, well, we do try and that is more than some folks do.

# Carrie A. Mullinax Celebrated 5th Birthday Wed.

Mrs. Arlin Mullinax entertained with a delightful party in honor of her daughter, Carrie Ann's, fifth birthday, Wednesday, May 8, in the home of her mother Mrs. R. C. Strickland.

Games were enjoyed by the youthful guests and refreshments of candle lighted birthday cake and ice cream served to the following: Patsy Ann Walden, Barbara Ramby, Therese Doss, Jimmie and Barbara Folger, Mary Lee and Vivian Ledbetter, Tony Stringer, Rae Ann Ross, Katherine Huggins, Norton Willis, Terry Hans and the honoree, Carrie Ann Mullinax. Mmes. Charles Hans, Johnnie Walden, L. E. Huggins, Lawrence Folger and the two hostess Mmes. R. C. Strickland and Arlin Mullinax.

# Whiteface Elects School Teachers

At a recent meeting of the Whiteface School Board the following teachers were re-employed for next year:

Mrs. Ad Eddins, Angie Neal, Mrs. D. T. Richardson, Mrs. Roger Harvey, Mrs. Herbert Lindsey, Mrs. Wayne Beebe, Russell F. Webb, L. S. Salsar, Herbert Lindsey, Mrs. Vern C. Beebe, and Roger Harvey.

Other positions are being held in obeysance for consideration at a later date.

Ben L. Graham was re-elected superintendent at an earlier meeting of the board.

# To The People Of Cochran County:

I take this opportunity to announce my candidacy for the office of County and District Clerk of Cochran County, Texas; and in doing so will give some of my experiences that I believe qualifies me for the office.

I am 29 years of age, I married in 1935, and very shortly thereafter went to work for Standard Abstract Company, in Morton. After several years on that job, I worked part time for Mr. J. B. Knox, the present County and District Clerk, where I gained valuable experience and familiarity with the county records. When the rationing office opened in Morton I was made Chief Clerk, and worked at such job for 1 year, after which I resigned and went back to work for Standard Abstract Company in Morton. From this job I was inducted into the Army where I did 24 months, in clerical position about the various Army Posts in the United States.

My father and mother moved with our family from Aspermont, Stonewall County, to Morton in the year 1929 where the family has resided since.

My wife and myself have two girls of school age, one nine years of age and the other 6 years of age. My father, S. L. Pierce, owner of Standard Abstract Company of Morton, has reared me to work; and if elected to the office which I seek, I promise the people of the County the courteous, efficient, and constant service which they have had in the past, and which they have a right to expect in the future.

To the people of the county who do not know me, I will refer you to your neighbors, and to my past business associates as to my character and business qualifications. I hope to see each and everyone of you personally before the first primary election, July 27th.

Thanking you in advance for your close consideration of my candidacy for the office which I seek, I am,

Sincerely,  
T. W. (Joe) Pierce.

## Eleven Years of Home Demonstration Progress In Cochran County

Cochran county had her first Home Demonstration Club organized eleven years ago. Miss Martha Rice came to the new country as the County's first Home Demonstration Agent. Many of the county's families lived in adobe huts and dugouts. The town of Morton prides itself in the fact that it had one General Merchandise store that sold piece goods.

Miss Rice left the county in the fall of 1935 and was followed by Miss Jaunita Hockett. During the time Miss Hockett was agent the county launched forward on a program of foundation pattern making. The women of the various clubs would stand for hours at a time having patterns of muslin sewed on them to fit perfectly. These were the years of Short Courses at A. and M. College. Mrs. Luther Hargrove was chairman of the council and made the trip to Short Course to represent her Club and Council.

Near the end of 1936 Miss Hockett became Mrs. Buttler. In those days if a home demonstration agent wanted to quit her work the thing to do was marry one of the town's gallants. Miss Geneva Meador was the county's next home demonstration agent. The women under her direction made cheese of all varieties, they tested cream and learned how to care for milk and milk utensils. The whole family was brought into the program by the inauguration of the whole-family demonstration. In this program the farm family worked together to build a better farm home by working under the direction of the county Home Demonstration Agent.

All Jerseys and Shorthorns shown for prizes must be pure bred (not necessarily registered). Farmers who plan to show cattle in either of these breeds are requested to make an entry at the County Agents office by May 16.

## NAVAL RECRUITING RESERVE

New Orleans—The Organized Naval Reserve is now setting up its recruiting program. Captain Arthur A. Ageton, USN, Director of Naval Reserve for the Eighth Naval District, announced.

While Navy recruiting activities now in operation will be of some assistance in reserve manpower procurement, most men will be enlisted through agencies directed by local battalion and division officers appointed by the Commandant, Eighth Naval District, Captain Ageton said.

Until the termination of selective service or a change in present legislation, only ex-navy men may, before induction, participate in weekly drills of the Organized units on a volunteer, non-member basis. Maintenance of large ships, patrol craft, and other vessels for use in training—Organized reservists will require a number of "shipkeepers" for routine upkeep during idle periods. Captain Ageton stated that men for these duties will be drawn from the ranks of Fleet Reservists until July 1, 1946, and after that date from members of Reserve

## MAPLE NEWS

(This article arrived to late for May 9 issue of the Tribune). James Edwin Davis is home with a discharge from the Navy. We are glad to have him back. For the past week, a revival meeting has been going on at the Assembly of God Church. The meeting will continue through this week and maybe longer. Rev. Aileen Bowman of Bebee, Ark., is doing the preaching. Miss Bell, Pastor, invites everyone to come out and be with them. Miss Rozelle Sowder of near Maple has announced her engagement to Mr. Luther Edwards. We wish them many happy returns. Miss Doris Kelly who is a student in Wayland College spent Sunday with her folks. Mr. and Mrs. P. L. Fort of near Maple had as their guests Sunday, Mr. and Mrs. H. W. Garvin and son and daughter, Mr. and Mrs. O. E. Lee and family, Buddy Kennington, Billy Jo Webb, Peggy and Shirley Roberts and Robin Gray. Mrs. Carol Sides of Whiteface is visiting her parents, Mr. and Mrs. P. L. Fort for a few days. Anna Jewell and Jonella Garvin were guests of Miss Wyvonna Tyson Sunday. Misses Mary Tyson, Maxine Tyson and Virginia Roberts visited Freda Wurtons Sunday. Pfc. and Mrs. Roy Fleming have gone to Arkansas where Roy will be stationed. Sue Roberts and Mrs. G. R. Fort are both on the sick list this week.

## State Health Officers Warns Against Mumps

AUSTIN—With a total of 5,906 cases of mumps having been reported in Texas in the first seventeen weeks of this year, Dr. Geo. W. Cox, State Health Officer, has issued a statement stressing the fact that the contagion factor exists before symptoms appear, and urging strict isolation of all patients, in order to control the spread of this disease.

Mumps is transmitted by direct contact with an infected person and with articles freshly soiled by the secretions of discharges from the mouth or nose of persons having the disease. It takes from 12 to 26 days for mumps to manifest itself after the infection takes place. The disease can be easily transmitted, but one attack usually establishes immunity although second attacks sometimes occur.

The most easily recognizable characteristic symptom of mumps is a painful swelling of the salivary glands. Sometimes there is an involvement of other portions

### \$100,000 MORE YEARLY

"Approximately 250 members of Youth One-Variety Cotton Community who plant about 2,200 acres in cotton annually had a 1938-45 average value per acre of lint and seed of \$90.75, compared with the state average of \$45.78. Premiums for better staple and extra yield amounted to \$820,500 in eight years, or over \$100,000 annually."—From Georgia Extension Service Report.

of the body causing disturbances in the digestive, nervous, circulatory, and genito-urinary systems. The disease is usually accompanied by a temperature rise which more often than not is mild.

"The patient suffering with this disease should be isolated from other members of the family immediately upon the suspicion that mumps exists, and the family physician should be called promptly," Dr. Cox advises. "In the meantime, complete rest in bed is indicated. The doctor's orders should be followed strictly. Violating his instructions can lead to serious injury, which may permanently affect the individual's health."

"Tribune WANT ADS get results"

### FARM FACTS WORTH KNOWING

Q. May turkeys be raised to maturity on wire or slat-floored porches?

A. Yes. Porches constructed of both slats and wire are very serviceable. About six square feet of floor space should be provided per bird.

### Q. Is domestic rabbit meat increasing in favor with the American public?

A. Yes. During the war, production of domestic rabbits increased from 400 to 500 percent. The demand for rabbit meat continues to be so great that many butchers now sell it dressed, cut-up and ready for cooking. Numerous farmers have found domestic rabbit production a profitable side-line.

### Q. Why should dairy calves be kept off pasture until they are four to six months of age?

A. This practice is recommended for the prevention of parasite infection, and to keep young calves from eating so much soft, watery grass that they can not eat the proper amount of growing ration for satisfactory growth.

### Q. Is self-feeding of bred sows and gilts advised?

A. No. Self-feeding results in excessive consumption of feed, even when bulky rations are used. Long-term experiments at the Research Farm of the Ralston Purina Company indicate that hand-feeding makes it possible to control both condition and feed consumption of sows and gilts, resulting in stronger, healthier litters, and lower feed costs.

### Q. What feeding and management methods for lambs have aided in the control of death losses caused by "over-eating" disease?

A. In Colorado experiments, the addition of sulphur to the grain mixture for fattening lambs has greatly reduced death losses from over-eating. The sulphur was added to the grain mixture at the rate of two pounds for each 100 pounds of grain for lambs on both self-feeding and hand-feeding. Under each system, the rate of death losses was greatly reduced, and the profit per head was increased by as much as 85c per head because of the lowered death loss.

Send your questions about any phase of farm management to FARM FACTS, 833 South Eighth Street, St. Louis 2, Missouri. Questions will be answered without charge, either by mail or in this column, as a service of this newspaper.

## Methodist District Conference Held In Slaton With Large Attendance

Rev. and Mrs. Arthur Kendall, Mr. and Mrs. L. F. Hargrove, Mr. and Mrs. N. H. Steed, W. L. Blaylock and Hume Russell attended the Lubbock District Methodist Conference in Slaton, Tuesday, May 7.

Unanimous reports of increases in church memberships, attendance and church school enrollments among churches in the 44 charges, marked the conference of the Lubbock district of the Methodist church held Tuesday, May 7, with an estimated 400 delegates in attendance.

Memberships in the district have increased by 1,688 since the conference last fall, it was reported. Of this number, 598 were received in the church on professions of faith, the others by certificates. Churches have already raised \$16,485, or 80 percent, of the world service offering for this year. None of the charges are behind on pastors' salaries.

The morning session was confined to progress reports and a general discussion of church activities. Dr. L. N. Lipscomb of Lubbock, Methodist district superintendent, presided, and 43 of the 44 pastors were present, one being absent due to illness.

Dr. Glenn Flinn of Dallas, chairman of the Texas Methodist Student movement, was the principal speaker, presenting a sermon at 11:30 a. m. Lunch, a barbecued beef, was served by the Slaton church, host to the conference.

Progress of the McMurry college, Abilene, endowment campaign was reported by Dr. Harold G. Cook, president of the institution.

Laymen of the district, headed by A. N. Gamble of Lubbock, pledged continued support of the church program. Reports were heard on women's work, young people's activities, children's work, and other lay activities.

### HANG UP THEIR SACKS

"The cotton-harvesting machine is here, and old picking hands can think about hanging up their sacks forever."—Malcolm Orchard in "Farm and Ranch."

### SURE TO MAKE MONEY

"If the farmer will follow Extension Service counsel, plant his best land to cotton and put in enough acres, he is certain to make money."—San Antonio "Evening News".

## Army Offers Special Ratings

Good jobs for former military occupational specialists (mos).

### Matched Roping At Levelland Sunday, May 19

LEVELLAND—Jiggs Burk of Comanche, Okla., who was originally scheduled to meet Troy Hart of Lovington, N. M., May 12, will be matched here Sunday afternoon, May 19, at 2:00 o'clock at the Levelland Rodeo arena in a twelve-calf event.

Defeated Burk in a match-roping event here on March 24, but since Whatley is now in Washington, and may not be back in time for the show, there may be a substitution, said W. J. Robertson, Association.

Brahma bull riding will be an added attraction at the Sunday afternoon show.

### Goodland News

Mrs. Shelby Battles made a business trip to Lubbock, Monday.

Mrs. Earl Akins recent surgical patient in Levelland Hospital is back at home.

Mr. and Mrs. Sam Beard made business trip to Levelland last week.

Farmers around Lehman are very happy since the rain.

Shelby Battles, who is working in Portales, N. M., visited his family Friday evening.

Elmer Whitehorn made a business trip to Bula Saturday.

Mrs. Dave Wellborn was hostess to the Bible Study Club, May 13. The 11th and 12th chapters of Romans were studied and discussed. Delicious refreshments of ice cream and bananas were served to the following guests: Lesdames Creamer, Reeves, Stegall, Galt, Tucker, Sanderson, Myers, Wilkenson, Gant, and the guest Mrs. Wellborn. The next meeting will be May 27th with Mrs. Reeves.

Mr. and Mrs. Tommy Galt and family visited her parents in Russia last week.

Mr. and Mrs. Clent Everett and family attended the air show in Davis, Sunday.

Mrs. Ben Crites of Morton, Phinnie Vanderburg of Paris and Claude Schulz of San Bernardino, Calif., visited in the home of Mr. and Mrs. Leon Reeves Sunday.

Mr. and Mrs. L. D. Sanderson visited his mother and other relatives of Tucumcari, N. M., over the week-end.

Mr. and Mrs. B. H. Creamer visited their children of Paducah over the week-end.

Mr. and Mrs. Donald Tucker and family visited their parents and other relatives of near Meador, over the week-end.

Mr. and Mrs. Louis Ponder of Whitharral visited her parents Mr. and Mrs. J. A. Johnson of Goodland Mother's Day. Mr. and Mrs. Paul Carmichael also visited in the Johnson home Sunday.

Vernon Baker, with the cooperation of the Ladies Bible Study Club will entertain Mrs. Milams orphanage of Lubbock the last day of school, May 31, at Three o'clock with a basket lunch.

### Jeter-Smith Vows Read In Ceremony At Portales, N. M.

Miss Eva E. Jeter, daughter of Mr. and Mrs. Winston W. Jeter of Morton, Texas, became the bride of Mr. A. J. Smith, son of Mrs. E. H. Smith of Portales, N. M., in a lovely ceremony held in the church of Christ by Rev. Roy Tidwell. The couple were married Sunday evening, May 5th in Portales.

The bride wore a white suit with navy blue accessories and white gardenia corsage. She was born and reared in Brownfield, Texas, and moved to Morton with her parents in January of this year. She attended and graduated from the Brownfield High School in 1945. She then attended Draughtons Business College in Lubbock and after completion of a bookkeeping course has been employed as bookkeeper for the Smith Bros. Implement Co.

The groom was born and reared in Portales, N. M., and was graduated from the Portales High School. He then attended Woodbury Business College in Los Angeles before entering the Army Service. Having recently been discharged from the Army Air Corps after four years service, he has been connected with his brother operating Smith Bros. Implement Co. For the time Mr. and Mrs. Smith will make their home in Morton.

### Book Lover's Club Met In Cravey Home Thursday

Thursday evening, May 9, the members of the Book Lover's Club entertained friends with an informal basket supper at the ranch home of Mrs. Charley Cravey.

Guests were seated upon arrival in the spacious living room of the Cravey home, where they enjoyed an informal talk fest and get-together.

Supper was served buffet style, and the guests were invited to take their plates to the summer house where they were served hot coffee and second helpings of the delicious supper.

Guests enjoying the hospitality were: Mmes. F. F. Roberts, J. B. Knox, J. M. Jackson, Carl Englund, Charles Taylor, W. W. Williamson, Roy Hickman, Elizabeth Greer, James St. Clair, J. W. McDermitt, J. C. Reynolds, Tom Arnn Jr., and P. B. Ramby, Misses: Mary Noftice, Rose Marie Roberts and Norman.

Members present: Mmes. C. M. Cravey, J. A. Gowdy, M. C. Ledbetter, A. H. Essary, Hume Russell, Wendall Watson, Reba Farmer, Elvin Willis, J. B. Nicewarner, J. B. Passmore, W. W. Smith, Bob Waddell, J. C. Burns, Jess Burns and Joe Gipson. Misses Ruth Crouch, Lanora Jackson, Ruth Brumfield and Mabel Ann Manley.

### Lion's Club To Elect Officers

At the regular meeting of the Lions Club, Thursday evening a good meal was enjoyed by a large attendance—larger than in recent weeks.

Committee to nominate officers for the coming year was appointed, consisting of Loyd Kennedy, chairman, P. B. Ramby, John Knox, R. C. Strickland, was appointed and ordered to return its nominations at the Mal 23 regular meeting. The committee's nominations, of course, does not preclude nominations from the floor on that date. Consequently a lively election campaign for the several offices in the club may be anticipated for that meeting.

John Knox and Loyd Kennedy had charge of the program this week, which consisted of Lion Kennedy's reading of an inspirational little book entitled "That Something", the short true story of a mendicant master of arts who, by sheer brass and industry started packing boxes in the basement of a large corporation headquarters and wound up as head of the concern by the use of "That Something".

A large attendance is expected this next week and the week of annual election of officers.

### Entertains With Party Friday

Wanda Hancock entertained classmates of Morton High School in her home with a weiner roast and party, Friday night, May 10. Guests for this delightful party were:

Ray Dean Hudson, Leroy Jeter, R. H. Baker, Maudetha Corder, Merle Monroe, R. D. Baker, Elsie Ray, Clydie Hudson, Jack Sherley, Virginia Doughty, Bobby Foutz, Bobby Rhine, Louie Bruce Kelso, Betty Monroe, Burl Bruce, Janie Graham, Margaret Ann Weeks, Jo Ann Lackey, Bill Ed McDaniel, Carroll Miblett, Buster Stephens, Joyce Roundtree, Jeanne Cochran, Sottie Hammonds, Doris Wages, Jug Hill, Jimmy Winder, Barbara Foutz, Jimmy Willis, J. T. Holloman and Dodie Kennedy, Mrs. H. Corder and children.

Miss Hancock was assisted in entertaining by her parents, Mr. and Mrs. Hazel Hancock.

## Halsey Enters Race For Congressman In 19th District, Makes Statement

Hop Halsey authorizes the Tribune to announce his candidacy for Congress as a representative from the 19th District of Texas.

The 19th Congressional district is composed of the following counties: Andrews, Bailey, Borden, Cochran, Crobey, Dawson, Dickens, Floyd, Gaines, Garza, Hale, Haskell, Hockley, Howard, Kent, King, Lamb, Lubbock, Lynn, Martin, Mitchell, Scurry, Stonewall, Terry and Yoakum counties. The district had a population of 275,339 people in the 1940 census.

Halsey, is a son of Mark Halsey, prominent Lubbock druggist. Hop Halsey was born in Bell County at Salado. He came to Lubbock with his father 20 years ago. He is 31 years of age, a graduate of Lubbock High School and an ex-student of Texas Technological College. He is now associated with his father in the operation of the Mark Halsey Drug Stores in Lubbock.

Served in Texas Legislature

Hop Halsey served two terms in the Texas Legislature and during those two terms was a member of the Higher Education sub-committee and the Appropriations committee of the Texas House of Representatives.

While a member of the Legislature, he passed a bill through the House to re-district the state of Texas; this bill died in the Senate. This was the first time in 30 years that a bill of this kind had passed the house.

Halsey was elected to his first term in the Texas House over one opponent by a vote of four to one and ran for his second term un-

opposed, that being the first time that a man had sought a second term in the House from the 119th district without having opposition.

**Volunteered in Marines**

At the end of his second term as Representative of the 119th district, Halsey volunteered in the Marines, and served 27 months as an enlisted man. Fourteen months overseas, seeing action in the Gilberts, Marshalls and Mariannas Islands.

Hop Halsey has always been active in civic affairs that have been beneficial to West Texas. He believes that there should be less bureaucracy control of affairs of the people and that the government should serve the people, and no form of government is good that demands the people to serve it. In other words, he says, he believes in government of the people, by the people, for the people and not a government of bureaucrats, by bureaucrats and for the bureaucrats.

**Not Machine Candidate**

Halsey declares that he is not a candidate of any clique, clan, or political machine, but as a West Texas citizen, he is asking for the vote and support of all of the people in the coming Democratic July election. Hop Halsey started very early in life with the ambition that you could render no finer service than to serve the people.

"Send a new man to Washington: elect Hop Halsey Congressman from the 19th District of Texas" is the slogan of his campaign.

Halsey is married and has a small son and daughter. He owns his own home and resides at 3308 Twenty-first street in Lubbock.

### STATE HEALTH OFFICER ASKS FOR ELIMINATION OF HEALTH HAZARDS

AUSTIN—State Health Officer George W. Cox made a radio appeal to Texas today to eliminate its health hazards which are costing money and lives.

The address was broadcast from Austin by WOAI in San Antonio, where a so-called "mystery malady" is reported to have claimed four of five victims in Texas and resulted in the closing of schools. Corpus Christi and other towns have also imposed quarantines.

"I want to advise you that failure to eliminate health hazards costs money and life. To eliminate health hazards will also cost money—but it will save life", Dr. Cox broadcast.

The health officer warned against panic and hysteria over the reported condition.

### Can Control Disease

Dr. Cox has repeatedly stated that the San Antonio disease is either poliomyelitis or encephalitis and that there is no mystery about it.

He said the disease is most often spread by human "carriers" and insects and less often by actual contact with the disease.

"Therefore it follows that sewage should be disposed of in such a manner that it will not contaminate any water supply through cesspool seepage, broken mains or overflowing," the health officer stated.

"Furthermore, sewage should be disposed of in such a manner as will prevent flies, mosquitoes, roaches and other insects from having access to it and carrying the virus to food," he said.

### Training Conference For R. E. A. Foremen

College Station—A training conference for R.E.A. foremen will be held by the Texas A. and M. College Industrial Extension Service at Waco, May 27-29, it was announced today by E. L. Williams, IES director.

Foremen from R.E.A. cooperatives who have not previously attended one of the training programs held this year are especially urged to attend the course, since it is the last of its type which will be held before next September.

The water well drilled by E. J. Doran on his farm east of town is reported a fine one.

## CONGRATULATIONS ...

F.F.A. and 4-H Clubs of Cochran County. Your service to this community is of the finest; your present training will make you the ranchers and farmers of tomorrow.

### Community Building Is Broad Topic

Community building is a broad topic, and the ideal place to live is an elastic picture; usually a picture of hatched lines drawn by a lot of people. It takes a lot of people's ideas to construct a desirable town in which to live. It takes most of those people in a town moving forward.

During the war years an excuse, weak though it may have been at times, has appeared on the surface for purchasing things from distant places. It isn't new, but the excuse grew out of the argument, sometimes real but more often imaginary, that the local merchant didn't have a particular item. The mail order house had such an item listed in its catalog. The real fact is, in Morton, our merchants have been honest in his advertising; have told you plainly that he didn't have this or that, or he didn't advertise the things he didn't have and had difficulty, or experienced failure, in getting. Then, if you will check up, it can be found that hundreds of items advertised in the big catalogs were seldom available to

you. Bait deluxe! They couldn't fill the orders just now, but hoped to have same soon. Your local merchant was hoping the same thing—and frankly, our Morton merchants did get those things about as soon as the mail order house.

### JORDANS VISITING HERE FROM SAN FRANCISCO

Mr. and Mrs. Charles W. Jordan Jr. and two small sons of San Francisco, California, have been visiting his parents, Mr. and Mrs. C. W. Jordan.

Charles recently received his discharge from the navy, having served for sometime in the Marshall Islands. He is employed with U. S. Immigration service in San Francisco and will report back to his civilian job on May 20.

Sunday the Jordans, senior and junior, and their families were in Tulsa visiting Mr. Jordan Sr.'s Mother and other relatives.

Mrs. S. W. Hawthorne, who recently returned from Los Angeles, Calif., is spending several weeks in the home of her son, J. D. Hawthorne. Mrs. Hawthorne has been ill for several days since arriving here.

## Cotton School To Be Held At A. & M. College

College Station—The 37th annual Summer Cotton School at the Texas A. and M. College will start May 27 and continue for six weeks. Advance registration indicates 50 men and two women will attend. Of this number, 11 will be from Mexico, two from Egypt and one from India.

The Summer Cotton School is conducted to prepare men and women to enter the business of cotton, to train cotton growers to market their cotton intelligently and profitably, to assist cotton buyers to become more familiar with low-grade and off-colored

cotton, and to judge staple, according to Dr. Luther G. Jones, acting head of the department of agronomy.

Some of the special lecturers who will address the school are A. L. Ward of Dallas, director, Educational Service, National Cottonseed Products Association; John L. McCullom of Dallas, Cotton and Fiber Division, U.S.D.A.; Dr. Ide P. Trotter, director of the Texas A. and M. College Extension Service; Dean of Agriculture Chas. N. Sheppardson; and various members of the staffs of the department of Agronomy, the Extension Service and the Agricultural Experiment Station of Texas A. and M. College.

The wife said she dreamed the other night that we gave her \$100. So, we said inasmuch as she had been a good wife, we'd let her keep it.

## People Could Be Protected From Disabling Illness

Austin—If every case of suspected communicable disease could be promptly visited either by the family physician or the local health officer, thousands of susceptible persons would be protected from disabling illnesses, according to the State Health Officer.

To quote Dr. Geo. W. Cox, "The old fashioned theory that it is a good thing for children to have a number of the catching diseases and get them over with, has long since been known to be a serious and sometime fatal error. The longer a child can keep from having these diseases, the better it is for him. Every child should be completely protected by vaccination or inoculation against these diseases where an immunity can be produced."

Prompt diagnosis, isolation, good medical and nursing care give the patient the best chance for a satisfactory recovery without the serious complications that sometimes accompany even the mild forms of communicable diseases. Dr. Cox emphasized that obeying the public health laws regarding isolation and quarantine of communicable diseases protects not only the patient, but helps prevent others from contracting the illness.

"The State Health Department," Dr. Cox said, "is doing everything in its power to protect the health of the people of Texas. It is the duty of every man and woman to do his share to maintain a high level of health and help prevent the spread of communicable diseases."

## I Give You Texas

By Boyce House

Here's one of my grandmother's favorite poems—like so many worthwhile poems, the author is unknown. The title is "Do It Now":

If you've got a job to do,  
 Do it now!  
 If it's one you wish were  
 through,  
 Do it now!  
 If you're sure the job's your  
 own,  
 Don't hem and haw and groan,  
 Do it now!  
 Don't put off a bit of work,  
 Do it now!  
 It doesn't pay to shirk,  
 Do it now!  
 If you want to fill a place  
 And be useful to the race,  
 Do it now!  
 Don't linger by the way,  
 Do it now!  
 You'll lose if you delay,  
 Do it now!  
 If the other fellows wait  
 Or postpone until it's late,  
 You hit up a faster gait—  
 Do it now!

Here's an item of Southwestern history:  
 Six men were hanged at one time in Fort Smith, Ark., by one

**CITATION BY PUBLICATION**  
 THE STATE OF TEXAS  
 To: Hilliard Anderson Greeting: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock a. m. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 3rd day of June, A. D., 1946, at or before 10 o'clock A. M., before the Honorable District Court of Cochran County, at the Court House in Morton, Cochran County, Texas.

Said plaintiff's petition was filed on the 23rd day of April, 1946. The file number of said suit being number 673. The names of the parties in said suit are: Tommie Anderson as Plaintiff, and Hilliard Anderson as Defendant.

The nature of said suit being substantially as follows, to-wit: Action for Divorce from the bonds of matrimony existing between the parties; the grounds being cruelty under the statute; Plaintiff alleges no children born of the marriage, no property belonging to the parties and prays for general relief.

Issued this 23rd day of April, 1946. Given under my hand and seal of said Court, at office in Morton, Cochran County, Texas, this the 23rd day of April, A. D., 1946.

J. B. Knox, Clerk  
 (Seal) District Court,  
 Cochran County, Texas  
 April 25, May 2, 9, 16

springing of the trap door. All were convicted murderers and were condemned by the famous hanging judge, Judge Parker who presided over Federal Court, which had jurisdiction over Indian Territory, then the hideout of hundreds of criminals.

One of the six was found guilty of the murder of a 19 year old boy—and a pair of boots led to conviction and execution. The father of the slain youth testified that his son and the defendant had left Texas together for Indian Territory and that sometime before the departure, he gave his son a pair of boots. At the same

time, the father bought himself a pair exactly like those he gave to the boy. The heel on the son's left boot came off and he put it back on with three horseshoe nails.

The defendant was wearing in the courtroom a pair of boots just like those that the slain man's father had on. The left boot was removed from the prisoner's foot and in the heel were three horseshoe nails.

And so the pair of boots sent the man to the gallows.

**Hobbs-Howell Wedding Read Frankston**

A simple single ring ceremony on April 27, Miss Helen Hobbs Frankston, became the bride of Clifford Howell of Frankston, Texas. The ceremony was officiated by Rev. Lamar S. Clark, pastor of the local Methodist church of Frankston, in the presence of Rev. Clark.

The bride is the daughter of Mrs. L. E. Hobbs of Frankston at the time of her marriage. She is working for Justice as a law firm at Athens.

The groom is the son of Mr. A. W. Howell of Frankston and has just returned from years of service in the United States Navy.

The couple will make their home at Frankston.

During memorial poppies to their fallen comrades given to veterans the encouragement of again earning money helps occupy empty days in hospitals, and speeds veterans' recovery. The poppies will be distributed on the streets by the members of the American Legion on Poppy Day, Saturday, May 25.

**Ministers of all Faiths Urged to Make Special Appeals for Food Collection**

New York—Ministers of all faiths have been urged to make special appeals for the Emergency Food Collection now underway in thousands of communities throughout the nation, it was announced today by Secretary of Commerce Henry A. Wallace, national chairman of the campaign to relieve hunger and starvation in famine-stricken lands. The collection of cash to buy food economically in large quantities and of gifts of food canned in tin is on behalf of UNRRA, of which F. H. LaGuardia is Director General.

Protestant, Catholic and Jewish leaders giving their whole-hearted support to the collection as members of the national committee include Bishop G. Bromley Oxnam, president of the Federal Council of Churches of Christ in America, and Bishop of the New York area of the Methodist Church; Harper Sibley, of Rochester, chairman of the Church Committee on Overseas Relief and Reconstruction; the Rt. Rev. Henry St. George Tucker, of New York, Presiding Bishop of the Protestant Episcopal Church; Rev. M. E. Dodd, of Shreveport, La., former president of the Southern Baptist Convention; the Rev. Roy Ewing Vale, of Indianapolis, Immediate Past Moderator of the Presbyterian Church, U. S. A.; Francis J. Cardinal Spellman, of New York; Samuel A. Cardinal Stritch, of Chicago; Rabbi Herbert S. Goldstein, of New York, president of the Synagogue Council of America; and Bishop J. A. Gregg, of Kansas

City, Presiding Bishop of the African Methodist Episcopal Church.

Mr. Wallace has explained that cash contributions are preferred so that food may be bought in quantity lots at a lower price, and also so as to save sorting, packing and shipping costs. Gifts of food canned in tin are also sought, especially from contributors who have such food on hand.

Mrs. Franklin D. Roosevelt and ex-Gov. Herbert H. Lehman, former Director General of UNRRA, are honorary chairmen.

Others, among the 64 leaders in American life serving on the national committee of the Emergency Food Collection are Mrs. Harry S. Truman, Clinton P. Anderson, Secretary of Agriculture; Dr. John M. Studebaker, Commissioner of the U. S. Office of Education; Charles Bolte, chairman of the American Veterans Committee; Mrs. LaFell Dickinson, president of the General Federation of Women's Clubs; Albert S. Goss, Master of the National Grange; Mrs. William A. Hastings, president of the National Congress of Parents and Teachers; Edward A. O'Neal, president of the American Farm Bureau Federation; James G. Patton, president of the National Farmers Union; Joseph M. Stack, Commander-in-Chief of Veterans of Foreign Wars of the United States, and John Stelle, National Commander of the American Legion.

**NOTICE OF TIME AND PLACE OF HEARING IN CONDEMNATION PROCEEDING**

STATE OF TEXAS VS. No. 112 Dorothy Grey, a feme sole and Lillian Grey, a feme sole.

IN THE COUNTY COURT OF COCHRAN COUNTY, TEXAS, MAY TERM, A. D. 1946.

On this the 8th day of May, A. D. 1946, S. L. Pierce, Joe Gipson and Earl Cadenhead, Special Commissioners, appointed by the Court to assess damages of Dorothy Grey and Lillian Grey by reason of the construction, reconstruction, and opening of Farm to Market Highway No. 596 upon across, and through certain real estate described, in Plaintiff's petition, reference to which is here made, to which real estate the fee simple title is in the said Dorothy Grey and Lillian Grey, the land being described as a part of the N. W. 1/4 of Section No. 35 in League No. 141, of the Hansford County School Land in Cochran County, Texas, as is more fully set out in said petition of the State of Texas, acting by and through the Commissioner's Court of Cochran County, Texas VS. Dorothy Grey, a feme sole and Lillian Grey a feme sole, filed with the Honorable County Judge of Cochran County, Texas, on the 7th day of May, A. D. 1946, said Commissioners having been sworn to assess said damages fairly and impartially, and in accordance with law, do hereby appoint as the time and place of hearing said parties on the matter, at the office of the County Judge of Cochran County, Texas, at Morton, Texas, in said County, on the 15th day of June, A. D. 1946; a copy of this order shall be served upon Dorothy Grey and Lillian Grey in some manner as the law directs, and service thereof shall be notice to said Defendants to appear at said time and place at ten o'clock A. M. at the Court House for the purpose of offering any evidence they may desire as to the amount

of damages to be assessed against the State of Texas, and to be paid to the said Dorothy Grey and Lillian Grey for the right-of-way and strip of land described in said Plaintiff's original petition filed with the County Judge of Cochran County, Texas.

WITNESS OUR HANDS this the 8th day of May, A. D. 1946.

Joe Gipson  
Earl Cadenhead  
S. L. Pierce  
Special Commissioners.  
May 16, 23, 30—June 6.

**NOTICE OF BOARD OF EQUALIZATION MEETING**

In obedience to an order of the Board of Equalization, regularly convened and sitting, notice is hereby given that said Board of Equalization will be in session at its regular meeting place in the Courthouse in the town of Morton, Cochran County, Texas, at 10 o'clock A. M., beginning on Monday the 27th day of May, 1946, and from day to day thereafter, for the purpose of determining, fixing and equalizing the value of any and all taxable property situated in Cochran County, Texas, until such values have finally been determined, for taxable purposes for the year

1946, and any and all persons interested or having business with said Board are hereby notified to be present.

J. B. Knox, County Clerk,  
Cochran County, Texas,  
Cochran County, Morton, Texas,  
13th day of May, 1946.

Poppy Day contributions of the 25,000,000 Americans expected to wear memorial poppies in honor of the war dead Saturday, May 25, will help support the vast welfare and rehabilitation work of the American Legion and Auxiliary for disabled veterans of both world wars, their families and the families of the dead. The funds will be expended largely in the communities where they are raised.

## Charles Hans Announces Opening Of Feed And Seed Store For Monday

Mr. and Mrs. Charles Hans are announcing the opening of Morton's newest feed and seed store. It is located north of the square about one half block, between the Coffee Shop on the south and Baker's Grocery and Market to the north. They plan to carry a complete line of dairy feed and poultry as well as a general line of feed and seed.

Mrs. Hans will be in active charge of the supply store, assisted by her brother, Bill McAlister.

Mr. Hans is employed by Swift and Company of Lubbock as fieldman, having been transferred to this territory from Yoakum, Texas.

Mrs. Hans is the former Tommie McAlister, daughter of Mr. and Mrs. Tom McAlister. She taught in the local school while Charles was in the service. The Hans have one child, a son, Terry, aged three and one half years.

Mr. Hans was released from the Army Air Corps recently with the rank of First Lieutenant. He had served four and one half years with the 15th Air Force, as a pilot of a B-17, Hans was in Italy for ten months and a prisoner of the Germans for eight months serving in three prison camps, Sagan, Nurnberg and Moosburg. He was liberated April 29, 1945. Charles received the following awards: Air Medal with one Oak Leaf Cluster, Purple Heart, European Theatre of Operations Ribbon with three battle stars.

Mr. and Mrs. Hans and Bill invite the public to come in for a visit and to place their orders for feed and seed supplies early. The store has been cleaned, painted and some remodeling done.

Mr. and Mrs. Roy Tarver Jr. and son, visited in the home of Mr. and Mrs. Roy Tarver Sr., Sunday.

### Well Known Man Felt Like Swollen Balloon; Full Of Stomach Gas

Recently, a well known man stated that he used to feel like a swollen balloon after every meal. He would bloat full of gas and spit up acidulous liquids for hours after eating. Was terribly constipated. This man is one of the hundreds in this vicinity who now praise INNER-AID. He states he was amazed at the results when he took this medicine. Now he eats what he wants without gas or bloating, and bowels are regular for the first time in years. He feels like a new man.

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Cochran County.

## Welcome Home

Seaman 1/C U. S. Alexander was discharged at San Pedro, California on April 26, 1946. He has served in the Navy since December 15, 1944. He wears the Asiatic Pacific Area Medal, the American Area Medal and the Victory Medal.

Warrent Officer William H. Scoggin was discharged at Camp Chaffee, Ark., on April 28, 1946. He has served in the Army since May 19, 1942. He wears the Bronze Star Medal, Good Conduct Medal, the EAME Theatre Ribbon and the Rome Arno Campaign Service Star.

Corporal Billy Bickett, Jr., was discharged at Fort Sam Houston, Texas, on May 3, 1946. He has served in the Army since June 22, 1943. He served in Rhineland, and Central Europe. He wears the Good Conduct Medal, 2 overseas Service Bars, the Army of Occupation Ribbon, the American Theatre Campaign Ribbon, and the EAME Campaign Ribbon with 2 Bronze Stars.

Technician 4th Grade Tommie P. Crawford was discharged at Fort Lewis, Washington, on March 9, 1946. He has served in the Army since December 16, 1944. He served in Luzon and he wears the Philippine Liberation Medal with one Bronze Star, the Asiatic Pacific Medal, Good Conduct Medal and the Victory Medal.

Staff Sergeant Horace A. Stamford was discharged at Fort Sam Houston, Texas on January 18, 1946. He has served in the Army since September 8, 1942. He served in Normandy, Northern France, Ardennes, Rhineland and Central Europe.

Technician 4th Grade Joe B. Gipson was discharged at Camp Atterbury, Indiana on May 10, 1946. He has served in the Army since January 7, 1944. He served in Rhineland, and Central Europe. He wears the EAME Theatre Ribbon with 2 Bronze Stars, the Army of Occupation Medal, the American Theatre Ribbon, Good Conduct Medal and the Victory Medal.

Sergeant Ruel Wilborn Kelly was discharged at San Diego, California on May 9, 1946. He has served in the Marine Corps since August 31, 1943. He served in the Pacific Area and he wears the Good Conduct Medal.

Mrs. Carl Alexander returned home Sunday in Singleton ambulance from Plains Hospital in Lubbock where she had been confined following recent surgery.

Mrs. O. E. Stevenson was guest reader for the Amherst Study Club breakfast, held last Saturday morning in Amherst.

## To The People Of Cochran County:

I take this opportunity in announcing for the office of County Treasurer of Cochran County, and in doing so would like to give an outline of my past, that I thing you as a citizen should know in selecting a man for this office.

I along with my wife moved to Morton, from Elgin, Comanche County, Oklahoma, in 1936, and have made this my home since, and at that time I opened up what was known as the "Farmers Produce". I owned and operated this business until the Army called me in January, 1943. I served some 8 months in the States, and some twenty-five months, in Europe, and was discharged in November, 1945.

For the benefit of the people that have moved to Cochran County, in the last few years, and whom I am a stranger to, may I suggest that you ask your neighbor about my character and as a citizen of Cochran county.

If the citizens of Cochran county sees fit to elect me to this office, I will do every thing that is in my power to give you the service, that you as a citizen is entitled to.

I hope to see each and every one personally before July 27th. Thanking you one and all for any consideration, you might give me in the coming primary election.

—H. F. (Shorty) Ellis.

## American Legion Planning Booklet

Morton American Legion members are planning a booklet in memory of World War II dead and honoring all veterans. The names will be taken from the Honor Roll on the Court house square. Anyone who wishes to have a name added may see Albert Morrow, Zeke Sanders or call the Tribune office.

### MRS. ALBERT MORROW IN LEVELLAND HOSPITAL

Mrs. Albert Morrow entered Levelled hospital Tuesday evening for possible surgery Wednesday. As the Tribune goes to press we have not heard in regards to Mrs. Morrow's condition.

Mrs. H. E. Tolliver and daughter, Wanda, were Lubbock visitors Monday afternoon.

Mmes: Dona Daughy, Virginia Moore and Jordan were in Lubbock last Wednesday for the all day session held by Eastern Star.

Mrs. Lillie Nebhut, 86, who lives here with a son, has returned from a visit in Levelled with her granddaughter, Mrs. E. Cook. Mrs. Nebhut is planning to leave next week for an extended visit in Pauls Valley and Oklahoma City, Oklahoma.

Mr. and Mrs. Buck Briley have as their guests, their daughter, Mrs. Mink and little daughter of Abilene.

## Quality PRINTING

• With the lifting of most wartime restrictions governing the grades and weights of printing papers—we can again give you quality printing on the papers you have been waiting for...printing that will give you and your firm preferred attention.

Quality paper is essential to good printing. The best design in the world will not do the job if printed on a cheap, poor quality paper.

Let us show you samples today of the finest quality printing papers on the market for your complete set of matching business stationery.
