"TEXAS' LAST FRONTIER"

MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, APRIL 22, 1948.

NUMBER 8.

COMPLETED FOR COUNTY STOCK SHOW SLATED MAY 1

Plans for the County Fat Stock Show at Morton May 1 at a meeting of the April committee appointed. The show will be held at the court house April 29-30. The committee is headed by Roy Hickman, chairman. Other members are: Roy Allsup, Fred Crow, Fred Farmer, Fred Crow and Fred Farmer. Roy Hickman will be in charge of the show. The committee is headed by Roy Hickman, chairman. Other members are: Roy Allsup, Fred Crow, Fred Farmer, Fred Crow and Fred Farmer.

Clean Up Plans To Be Made At Tuesday Meeting

Notices were sent out this week by various civic and social organization heads to respective members urging them to attend a meeting Tuesday, April 27, 2:30 p. m. at the high school auditorium, for the purpose of formulating a city wide clean-up campaign.

Dr. W. S. Dove, city health officer, will be on hand to explain the dangers involved in allowing the present unsanitary conditions to continue. He will also present an economical plan whereby the city can be rid of flies and other disease bearing insects.

Housewives and mothers are especially invited to attend this meeting at the high school auditorium, Tuesday afternoon, 2:30.

DR. and MRS. LOUIS N. PO-DESTA visited in Lubbock last Friday afternoon.

June 4 Announced As Date For 4-H Club Dress Revue At Sat. Meeting

The date of the Cochran county 4-H Club Dress Revue was set for June 4 at a meeting of 4-H club girls and sponsors Saturday, April 17.

This will be the second Revue to be held in Cochran county as a county wide project. The first Revue was held in 1947 with 52 4-H club girls participating. Awards were given to 12 of the 52 and honorable mention to 4 more girls. The cash awards were furnished by Cochran county business men and the pins by the Simpli-city Pattern Company.

The girls will be divided into age and experience groups. Those girls who have never made a dress will enter the apron class. The other girls will be grouped into three groups. The girls from 9-11 years of age forming the first group, those 11-13 forming

April Court Jury To Be Impanelled Monday Morning

Judge Dan Blair will impanel the jury for the April term of District Court at 10:00 o'clock Monday morning, April 26, in the court house of Morton.

One specific case, involving the burglary of the Igo car Christmas week by three Abilene men, will be heard and possibly the April 4 murder of a local negro.

The jury list includes C. B. Newton, Truman Doss, L. B. Childs, H. S. Hawkins, Earl J. Outlaw, L. E. Lindsey, Troy Hansen, Roy Hill, Roy Hickman, C. E. Buchanan, L. F. Hargrove, J. M. Lane, J. T. Porter, W. D. Ford, O. F. Barnett, James Masten, W. A. Johnson, Gayle Bishop, W. G. Heflin, J. S. Pierce, E. C. Hanna, Roy James, T. L. McAllister, J. B. Passmore, Jr., H. G. Long, O. R. Darland and Lloyd Allsup all of Morton.

W. H. Baskins, Maley Walker, P. L. Timms, H. J. Knox, Vane Martin and Hubert Taylor will be called from Whiteface. M. B. King, W. B. Dunn and Syd Coffman of Bledsoe, are also included on the list.

ANNUAL FIESTA SPONSORED BY AUXILIARY SCHEDULED APRIL 29

Two Flight Club Members Receive CAA Solo Licenses

Two members of the Morton Flight Club have already received solo licenses from CAA and four others have applications in the mails awaiting approval.

The Club owns a Piper PA 11 and all members, excepting W. C. Wright, have flown. The plane is being used 30 to 35 hours weekly. After 100 hours a licensed Aircraft and Engine mechanic will give it a check-up. After about 500 hours the motor will require an overhaul job.

Members with license are permitted cross country hops but week-end trips will not be permitted until all members have their solo licenses. This restriction is necessary to assure members an opportunity to fly who have spare time only on week-ends.

The Piper distributor in Lubbock will demonstrate a four place craft at the local airport in the near future. Earl Crum, licensed instructor for the club, said this plane, which sells for less than \$4,000, is about \$2,500 cheaper than any other standard plane of corresponding size. The demonstration will be for the benefit of prospective buyers who desire an aircraft with sufficient capacity for a family.

Honolulu Oil Co. Adds Check To Red Cross Fund

Honolulu Oil Company sent in a check for \$25.00 last week for the Cochran County Red Cross fund, according to Cal Ray, Red Cross fund chairman.

With other funds having been contributed since the last report Cochran county's quota is well over the top, Ray said.

Get your ticket now for the FIESTA to be held at Veterans Hall, 8 p. m. Thursday, April 29.

SANITARY MEASURES DISCUSSED AT CITY COMMISSION MEETING

Newly elected members of the Morton City Commission were sworn in, and the new council organized for the ensuing year at a meeting of both the old and new members Monday afternoon.

Mayor T. L. McAllister, Commissioners L. W. Ray and L. F. Hargrove held their first official meeting Monday night at the City Hall. Others present for the meeting were W. K. Whitman, city clerk, Dr. Wendell S. Dove, city health officer, Mrs. Carl England and Bill Harris of the Morton Tribune.

In starting on the new year's work, Mayor McAllister admonished the commissioners to not act hastily upon any matter which might come before them.

"It is my sincere hope that each of us will fully inform himself upon questions which may arise before attempting to reach a decision," said Mayor McAllister. "This will enable us to work in harmony and accomplish much more for the city, as we carry out our oaths of office to always act in the best interests of the community and its citizens."

The first order of regular business was to consider the recommendations of Dr. W. S. Dove, city health officer, regarding improvement of sanitary conditions in the city. Dr. Dove made a written as well as oral report following a thorough investigation of sewage disposal, improper collection and disposal of garbage, and the presence of livestock within the city limits.

In dealing with unsanitary condition in Morton, Dr. Dove said, "The worst problem in an area such as ours has to do with the so-called 'disease of filth'. This means the diseases that are transmitted by insects and made possible by general conditions of filth and poor sanitation," he pointed out.

Committee Appointed To Formulate Plans For Annual C. of C. Banquet

W. W. Williamson, chairman, J. W. McDermott and Raymond Ross were appointed at the Chamber of Commerce meeting held last week to arrange for the annual Chamber of Commerce banquet scheduled to be held sometime within the near future.

Other data brought to the attention of the group was ways and means of improving the local picture show. R. C. Strickland, Earl Crum, Alvin Wolfenberger, C. B. Markham and Bud Nairn constitute the committee appointed to investigate this matter.

"The situation regarding such possibilities of the transmission of disease here is deplorable. Last summer I saw as many flies in the City of Morton as I used to see in the worst areas of filth and poverty in Europe and Africa during the war. Yet the physical factors in Morton and Cochran County are such that the entire area could be made a flyless country. The city itself is isolated and separated by wide windswept areas from any other group habitation. The flies and insects of Morton breed in Morton."

Due to the fact that it is utterly impossible at this time to procure the necessary materials for extension of city sewer lines, Dr. Dove recommended the following measures:

Control of fly breeding by the immediate institution of spraying outhouses with DDT; that all garbage be placed in tightly covered containers, using two containers preferably, one for wet garbage and one for dry. Remove all livestock from within the city limits and clean up premises to remove any fly breeding possibilities.

Dr. Dove told the commissioners it was his opinion that Morton could be completely rid of flies if the proper methods were used.

All members of the commission were agreeable to the suggestions and assured Dr. Dove that they felt the citizens of Morton would individually and collectively assist in making the town more sanitary.

It was announced at the meeting that the DDT fogging equipment from Lubbock would again be secured for spraying the city.

Church groups, civic and social organizations will be contacted and asked to help in the city wide clean-up.

IN BARNHART

Mrs. Gayle Bishop and children spent the week-end in Barnhart, Texas. They attended the annual reunion held there Sunday.

High School Class Entertain Seniors With Lavish Jim Brady Party

Drinks On The House Attract Crowd At Junior-Senior Reception

Shop Quartet, Jim Grantham, Burl Deavers, Charles Farmer, Bill Ed and Gene Williamson, Pianist, Performed At Reception

Junior Class of Morton High School entertained the graduating class with a lavish "Jim Brady" party at Veterans Hall on Friday evening, April 16.

Guests were greeted and presented programs by Misses Wanda Hancock and Marvie Ann Fincher dressed in costumes reminiscent of the gay nineties. Diamond Jim Winder, tavern proprietor, escorted the guests to their tables.

Gene Williamson, representing a typical tavern piano player entertained throughout the evening with miscellaneous selections.

Miss Joyce Rountree, as Lily Belle, gave the welcome address. Miss Wanda Yarbrough, as Daisy Belle, presented a short historical sketch.

A barber shop quartet composed of Charles Farmer, Bill Ed McDaniel, Burl Deavers and Jim Grantham sang several numbers concluding with the popular "Sweet Adeline."

Misses Estellene Weed, Jametie Jeter, Sidney Glenn, Marvie Ann Fincher, Melba Chandler, Wilma Jo Trice, Joyce Rountree and Doris Wages gave a Flora Dora skit with Miss Wages in the vocal solo part.

Refreshments were served by Sophomore students from the home economics class and were: Misses Geraldine Gandy, Imogene Jeter, Sue Smith, Bonnie Sullivan, Doris Mc Masters, Mona Zuber, Betty Monroe, Joyce Seane, Nelda Briscoe, Dorothy Taylor, Beth Winder and Glenda Evans.

Class Prophecy from a Gypsy fortune teller was read by Bill Ed McDaniel. "Goodbyes" were given by Marvie A. Fincher. The Grand Finale was presented by the Flora Dora girls and Barber Shop quartet singing "Say Au Revoir, but Not Goodbye" and "Sweet Genevieve."

Mrs. W. W. Smith is sponsor of the current Senior Class. Mrs. Reva Farmer and Mr. O. L. Tilger are sponsors of the Junior class.

FIESTA at Veterans Hall, THURSDAY NIGHT, April 29.

Doris Wages, Vocal Soloist, With Flora Dora Girls

Group Scene of Junior-Senior Reception At Veterans Hall, Friday, April 16

Band Concert Postponed To Be Held April 29th

The Morton School Band concert postponed last Thursday night because of illness of Prof. Harry LeMaire, will be presented on Thursday night, April 29, it was announced this week.

Scheduled to start at eight o'clock at the school auditorium the program for the concert will be published in next week's issue of the Tribune.

The public is cordially invited to attend this concert.

Record Guessing Contest Gets Off To Good Start

Six records had been given away free only three days after the "guessing game" started at Morton Electrical Supply last week-end.

Those receiving records of their choice for correctly naming the title and artist were George Graham, Beverly Blackley, J. T. Holloman, Robert Wallace, HESSIE B. Spotts and Wendell S. Dove, Jr.

The contest will go on indefinitely and the Morrison's, Fred and Wilma, invite new and old customers of the record shop to come in at anytime Monday through Saturday and listen to their fine selection of records.

Merit System Council Will Hold Open Competitive Examinations May 15th

The Merit System Council, which serves as a "clearing house" for positions in the Texas Employment Commission and the State Department of Public Welfare, will hold open competitive examinations on May 15, 1948, for a number of positions now open in both agencies, according to Chas. S. Gardiner, Director of the Merit System Council.

Positions to be filled by these agencies consist of Field Worker, Child Welfare Worker, and Senior Child Welfare Worker, Stenographers, Clerk-Typist, Clerks, Receptionist, Junior Tabulating Equipment Operator, and Key Punch Operator. Qualifications for these positions vary from high school graduation to college work and experience requirements.

Gardiner pointed out that application to take an examination must be made on an official application blank, which may be obtained by writing the Merit

System Council, 808 Tribune Building, Austin, Texas, or from the Employment Commission and Department of Public Welfare local offices located throughout the state. "The closing date for submission of applications is April 24, 1948, and applications postmarked after midnight on the closing date will not be considered," he added.

Gardiner also stated that these examinations present to people the opportunity for permanent employment with the Texas Employment Commission and the State Department of Public Welfare.

PLAYED POLO IN SAN ANGELO

John Mather and Stanley Taylor played polo in San Angelo last Sunday. They will return to San Angelo for games this Friday and Sunday.

Chevrolet To Pace Indianapolis 500-Mile Auto Race

A Chevrolet will pace the Indianapolis 500-mile auto race on Monday, May 31.

It will be driven by Wilbur Shaw, a three-time winner of the classic who is now president of the Indianapolis Motor Speedway.

This will be Chevrolet's first official appearance on the track and the choice was influenced by the company's top-ranking position in the industry.

In making the announcement, T. H. Keating, general sales manager of Chevrolet, also disclosed two added first place race awards. The winner will be given the race car, a dove grey Chevrolet cabriolet, and an especially designed, 40-inch high Chevrolet trophy.

Keating said that the car which leads the field of 33 drivers across the starting line will be strictly stock.

BOYCE HOUSE 'Gives You Texas'

Somebody has said that knowledge is a wonderful thing. Why, if it wasn't for knowledge, we wouldn't know a thing!

Similarly—folks are great; we couldn't get along without 'em.

Recently your columnist was to speak at the annual dinner of the Chamber of Commerce in Falfurrias and had journeyed by bus as far as San Antonio when I ran into Bill Furey, Hillsboro publisher, in the Gunter lobby and he was on his way to Edinburg and so I caught a ride to Falfurrias.

Coming back, I'd gotten as far as Austin by bus, stopped over for a few hours, ran into Carl Bruner, a friend from Cowntown. He and his son, Paul, veteran and graduate student at the University of Texas, insisted—they didn't have to insist very strong—that I ride back to Fort Worth with them.

Folks are great. I don't see how a fellow could get along without 'em.

Something should be done about people that are late to shows and programs. And Alfred Lunt, the famous actor, does. Several years ago, I was attending a Shakespearean play and the first act had been going on for 10 minutes when a couple entered. Of course, their seats were right in the middle of a row so everybody in that row had to stand to let them get by.

Lunt was speaking. He stopped, waited til the late arrivals were seated and then said, "So nice of you to come."

MRS. LEONARD MILLER VISITING IN MORTON

Mrs. Leonard Miller arrived here last Wednesday afternoon from Hanford, California for a visit with Mrs. Jesse Paulk and other friends.

Mrs. Miller formerly lived in Cochran county.

BIRTH ANNOUNCEMENT

Mr. and Mrs. J. D. Anderson of Rural Route 1 announce the birth of a son weighing 9 lbs. and 8½ ounces, last Saturday in West Texas Hospital, Lubbock.

Latvian Refugee Couple To Attend Wayland College

A family who escaped the Russian Iron Curtain will attend Wayland College this summer.

Two Latvian refugees, George Lambert, who escaped Russian-occupied Latvia in a fishing boat, and his wife, who fled with other destitute countrymen, are presently in the United States. They are participating in Baptist meetings in various Texas churches.

Dr. J. W. Bill Marshall, Wayland College president, met the couple at the Baptist World Alliance in Copenhagen, Denmark, last summer, where Lambert directed a choir of Latvian refugees. According to Dr. Marshall, both Mr. and Mrs. Lambert are excellent singers.

A Lubbock physician, who asked that his name be withheld, has given \$750 to defray tuition and other expenses for Rev. Lambert during his first year of residence at the college.

The Lamberts have a son, Andris, who will arrive in the United States in April, and will also attend Wayland. The family has applied for citizenship in this country.

George Lambert petitioned the U. S. Attorney General for entrance to Wayland, and the Department of Immigration and Naturalization granted the college approval as acceptable for monoglot immigrant students.

A modern Army is an educated Army.

Veterans of Foreign Wars

Howard Martin Post No. 5074

Meets 2nd and 4th Thurs. night at Veteran's Hall

LIVESTOCK LIFE LINES

Foals should be weaned when they are about six months old. Thin, undernourished animals are the preferred victims of shipping fever.

Calves are especially subject to attacks of scours when they are 6 to 15 days old.

Baby pigs subjected to sudden changes in environments temperature frequently become chilled and develop dyspepsia.

If mud and dirt are allowed to accumulate on the udder of the sow, nursing pigs are apt to develop a severe type of intestinal disorder leading to death.

A combination of clipping and the use of a germicidal solution for dipping the udder of dairy cows helps to lower the bacteria count of milk.

Joint-ill frequently results from infection of the navel stump of the lamb at birth or from insatiable procedures incident to castration, docking, shearing, or ear-marking.

Poultry growers should suspect the presence of Newcastle disease in their flocks when chicks or poulters show respiratory troubles associated with or followed by nervous or paralytic symptoms.

It has been estimated that livestock producers would lose about a half billion dollars a year if foot and mouth disease became established in the United States.

Nominations For Humane Act Award Invited

The public has been invited to make nominations of boys and girls for the 1948 National Humane Act Award of the American Veterinary Medical Association.

The award will be presented to a boy or girl, not over 18 years old, in recognition of an outstanding act of kindness to animals, Dr. W. A. Young of Chicago, chairman of the award committee, announced.

"This could be a rescue," he explained, "but might also be some specific work in behalf of animals—an animal project, a study project, or some written work."

Winner of the award, who will receive a \$100 government bond and an award certificate, will be honored at the national veterinary convention in San Francisco, August 16-19.

Nominations must be submitted May 1 to the Humane Act Award Committee, American Veterinary Medical Association, 600 S. Michigan Ave., Chicago 5, Ill.

KEEP COOL WITH A SEA-BREEZ

Car Cooler

● New ● Efficient ● Economical

Installs on any car or truck in less than 2 minutes. Streamlined for vision as well as comfort. Cools like a "sea breeze" by evaporation and washed filtered air. Controlled inner cylinder is insulated with aspen wood for freshness and cleaning efficiency. Louvre shield adjustable to direct incoming cool air as desired by passengers

Tested cooling efficiency of the Sea-Breez has made it an increasingly popular cooler among truckmen as well as car owners who drive in hot uncomfortable weather. Try SEA-BREEZ and ride with sea breeze comfort.

Annegrams

—by ann england—

Remember when we have anything so much as the Junior Class of Morsh School gave for the last Friday eve.

Two particularly fortunate seated at the same table and Mrs. W. W. Smith. We were practically all of the at we should have.

invitation read "formal" knew they meant wear and a long dress. We were like until we remembered black skirt that had been during the war years for dishes that were stored. I was wearing a new blouse with and other shiny stuff on that kept us from feeling too. We wore gardenias in.

Wages, who did the vocal work in the Flora Dora skit, especially nice voice. We intrigued with Jim Grant and his antics; incidentally has a very nice voice

and did the barber shop solo part quite effectively.

Two pretty little blonde girls that are so much alike we get them mixed up are Estellene Weed and Joyce Roundtree.

Two of the schools younger teachers, Miss Marie Baldwin and Miss Minnie Mildred Monroe are charming girls. Miss Baldwin was wearing an orchid evening dress, that seemed to give her golden skin a glow. MMM was wearing a very becoming black skirt with figured top and a corsage of white carnations.

Mrs. J. B. Passmore, jr., was there with her good looking husband. She was wearing a yellow taffeta with white carnations in her hair. Her sister, Reva Waddell, sitting at the same table, wore a lovely black formal with shoulder corsage of red and white.

Mr. and Mrs. Carl Ray and Mr. and Mrs. C. M. Cravy were seated

Annegrams presents

Jan Hawthorne, three year old daughter of Mr. and Mrs. J. D. Hawthorne, celebrated her birthday with a party last Friday afternoon.

at a table for four. Carl and Charley are members of the school board. Bernice and Alva both had up-swept hairdos that were very becoming. That was all we could see of them from where we sat.

Of course our press camera was on the job and we hope to get cuts made in time for this week's issue of the Tribune.

Bill, our pride and joy, and his pretty little wife, Mickey, are all adithier over the new home they are building. Even tho they move from our guest house they will still be neighbors since their house is directly behind the Herbert Hillmans.

Not long ago we received a request from an insurance company in New York. Their answer reprinted below will explain in part some good a newspaper can do.

The Tribune—Morton, Texas—Gentlemen:

We received a letter this morning from Mr. R. E. Stroup of Lubbock, Texas, who identified him-

Gardens Of Latin America Discussed At Garden Club Meeting April 13th.

The Cochran County Garden Club met Tuesday evening, April 13, with Mrs. Hessie B. Spotts as hostess.

A refreshment plate was served to eighteen members and two guests: Mrs. John L. McGee and Mrs. Joe Gipson.

The program scheduled was in observance of Pan American Day and included "Mexican Flower Arrangement and Table Setting" by Mrs. Lew Ray, and "Flowers and Gardens of Mexico" by Miss Lanora Jackson.

Mrs. Ray was unable to be present and her program will be in-

cluded at the next meeting, Tuesday, April 27, with Mrs. Willard Cox as hostess.

Miss Jackson interestingly discussed the garden of the Latin American countries, pointing out that although the people were friendly and hospitable they hedge themselves about with vines, trees and flowers almost to the exclusion of a passing breeze and the most humble home is made gay and beautiful with bright colored flowers.

Many of our own favorite flowers such as the dahlia, tuberose, sunflower, daylily, canna and marigold are native plants of Latin America, said Miss Jackson.

Miss Jackson described the famous floating gardens at Xochimilco, which were made by the Aztec Indians in the thirteenth century and are still cultivated by their descendants. Many of the gardens are anchored to the bottom of the river by the roots of trees and shrubs grown on the floating gardens. Countless visitors from every country in the world glide in skiffs over the canals to view these gardens, which, because of the even climate the year around, produce the bulk of flowers and vegetables used in Mexico and several other countries.

Mr. Stroup informs us that Mr. Ruark died in Oklahoma several years ago and that surviving him are three daughters. We are sure that this information will lead to settlement of the policy.

Mr. Stroup tells us that he learned of our search through the newspapers. I wanted, therefore, to thank you for your kindness and consideration in aiding us in this search. It was indeed a fine public service.

With the best of good wishes, I remain

Cordially yours,
H. J. Schenck
Assistant Manager.

Mrs. Elma Seaney, mother of three children, one in college, one a high school student and a young son in the lower grades, not only keeps her household going but holds down a job as receptionist at the hospital. She is an immaculate dresser and we understand she makes her own clothes. Honestly we don't see how some women manage to do so much.

Have you met Mrs. R. D. Ormand? She is a very pretty blonde. She and her husband and two attractive children recently moved here from Fr. Worth. They live in Mrs. N. J. Russell's home. However they would like to have an unfurnished house since they have their own furniture.

Looks as if the England's will be able to eat again. While in Snyder this week-end we raided Mrs. Curry's cellar for several jars of home canned vegetables, fruits, etc. Surely home Momme Curry feels like canning again this summer, otherwise we may go hungry.

The Tom Mather's have moved into town. They sold their ranch home and bought one of the Cortie Coffman places here. John Mather is home from the University of Miami. He is a tall good looking chap and his dad is mighty proud of the fine game of polo John plays.

It is almost criminal the things flash cameras do to people. Our friend Betty Hodges at Littlefield is such an attractive person with pretty blue eyes and a really lovely complexion—not only that but she has brains and is a very smart dresser. We did B an injustice by using the picture last week but couldn't resist on account of it sort of flatters us.

Even a plain woman is made feel beautiful by attention from the opposite sex.

Bob Ramp Named To South Plains Cotton Committee

Bob Ramp, Cochran county farmer, was named on the committee of the South Plains division of the Cotton Production committee of the State-Wide Cotton Committee of Texas at the meeting held April 10 in Lubbock.

W. O. Fortenberry, prominent farmer and ginnee of Lubbock county, was named chairman of the sub-committee and the organization has a total of twenty-five members, twenty of that number being men from all parts of the 13 county district.

The counties of Cochran, Hockley, Bailey, Lamb, Lubbock, Crosby, Terry, Lynn, Gains, Dawson, Floyd, Garza and Hale produce more cotton than any state except the remainder of Texas, Arkansas and Mississippi. The purpose of the Lubbock meeting was to formulate plans that would be of value to cotton farmers of the area, especially as to the marketing of their product.

Since migrant labor must be depended upon to a large extent for harvesting the crop the farmer has to plan his program well to keep production costs down enough to show a margin of profit.

The short staple variety of cotton grown in this area finds a more ready market abroad than at home. The American housewife demands a finer weave of fabric than women of foreign countries, especially Europe. The standard in those countries has been a coarse weave and is accepted because it is the best available. Our surplus was exhausted during the war years, therefore local farmers can expect a ready foreign market for the short staple variety for the next few years, perhaps with a declining price as a surplus is being created.

Homemakers Club Receives Lesson In Tailoring

The Homemakers Club met in the home of Mrs. Melvin Chandler, Wednesday, April 14.

Mrs. D. A. Ramsey, president called the meeting to order. A thank you card and letter was received from Mrs. O. D. Ches-shir for the bouquet sent to her baby in the hospital. After the business meeting, Miss Manley gave some demonstrations on tailoring. "It's the little things we do and the finishing touches that give a garment a well tailored look," she said. She showed how a "sleeve-board" and a "tailors-ham" help out in sewing. Refreshments of ice cream and cake were served to Miss Mabel Ann Manley; Members, Mrs. Francis Cunningham, Mrs. Woodrow Cunningham, Mrs. Cecil Masten, Mrs. W. C. Millsap, Mrs. D. A. Ramsey, Mrs. E. C. Nieman, Mrs. Ralph DeBord, Mrs. Johnnie Brooks, one new member, Mrs. Buford Webb, one visitor, Mrs. Bewley and the hostess.

VISITED IN LEVELLAND

Mrs. Bill Garrett, her parents, Mr. and Mrs. N. H. Lovelace and Dixie Dean Lovelace were visitors in Levelland last Saturday.

Goodland Ladies Surprised With Breakfast April 14

Mrs. Cass Stegall of the Goodland community entertained ladies of the Bible Study Club with a surprise "come as you are" breakfast at her home Wednesday morning, April 14.

Ladies arriving deshabille upon penalty of fine if they took time to comb their hair or otherwise improve their appearance were greeted by Mrs. Stegall.

Pictures were made and a delightful breakfast of coffee, bacon and eggs, toast and jelly served to Mesdames Deon Awtry, Pete Tarleton, Hugh Dupler, L. D. Sanderson, sr., Buck Creamer, Tommy Galt, Earl Humphrey, John Hamlin, Oneta Sedgwick, Leon Reeves and Clifford Myers.

Scouts To See Movie Tornado Town Monday

Boy Scouts will be shown recent movie releases "Tornado Town" and "Danger is Your Companion" at their regular meeting Monday night, April 26 at Veterans Hall.

These pictures furnished by the American National Red Cross will be shown by Carl England. England will also show some colored sound movies from his personal film library.

"Tornado Town" shows activities of the Red Cross during the disaster last year in the Panhandle region of Texas and Oklahoma. "Danger is Your Companion" is a new Red Cross film release on First Aid and Accident Prevention.

Scouts and their friends are cordially invited to attend this meeting.

CROSS FAMILY ARRIVED MON. TO MAKE HOME IN MORTON

Mr. and Mrs. Robert C. Cross arrived in Morton Monday from Pecos, Texas.

Mr. Cross is the new supervisor for Farmer's Home Administration.

Mr. C. P. Emmett who formerly held that position and Mrs. Emmett have moved to Lamesa, Texas.

CONTRACT'S NOTICE OF FARM-TO-MARKET ROAD CONSTRUCTION

Sealed proposals for construction of approximately forty-two and half miles of grading, drainage structures, flexible base, and double asphalt surface treatment, a portion of which is in each of precincts 1, 2, 3, and 4 in Cochran County, will be received at the office of the County Judge, Morton, Texas until 10:00 o'clock A. M., May 6, 1948, and then publicly opened and read. Plans and specifications are available at the office of Glenn Thompson, County Judge, Morton, Texas and at the office of Lubbock Engineering Company, 1721-Broadway, Lubbock, Texas.

The Commissioners' Court reserves the right to reject any and all bids.

Signed: Glenn Thompson, County Judge, 8/9 Cochran County, Texas

RECORD GUESSING CONTEST

Friday's Record was "Leave Some"—Charlie Spivak. There was no correct guess on this number.

Saturday—"Cain's Stomp"—Luke Willis guessing correctly the title and artist and receiving a gift record free: George Graham, Beverly Blackley, J. T. Holloman.

Monday—"Tabu"—Artie Shaw with Robert Wallace, Wendell Dove jr., and Mrs. HESSIE B. Spotts receiving free records for correctly naming the artist and number.

Tribune, Morton, Cochran County, Texas, Thursday, April 22, 1948

Cochran County Was Center Of Oil Activity On Plains For Past Week

Cochran county was the center of the week's oil activity on the South Plains.

Ralph Lowe No. 1 Wright, nine miles southwest of Whiteface had reached near the 5,000 ft. mark and was swabbing to test. Testing had been done between 4,862-4,950 feet and failed to develop any oil or water. Drilling was continued to 4,900, where the soft zone, and its oil yielding ability, will be determined in a few days.

Cities Service Oil Company No. 1-C F. O. Masten, 10 miles southeast of Bledsoe had spudded and was coring below 500 feet. This venture is to drill more than

5,000 feet and test in the Slaughter field production section.

Anderson-Pritchard Oil Corporation No. 1 Ford Hawkins has passed the 4,660 feet mark and drilling ahead in lime.

The Atlantic Refining Company No. 1-B F. O. Masten, located 16 miles southwest of Morton and in the corner of the county, has reached bottom of 5,080 feet in lime and was installing a pump to test and try to complete as an oil well. Medium to light production is expected.

Plan now to attend the FIESTA Thursday night, April 23.

SIX POUND DAUGHTER

TO MR. AND MRS. BILLY

Mr. and Mrs. Bill Masten announce the birth of a daughter in a Lamesa on Tuesday morning, April 14. Mr. Minnix is associated with the Greene Supply Co. Grandparents are Mr. J. W. Greene and Mr. Paul Minnix of Lamesa.

LOOKING AHEAD By George S. Benson, President, Harding College, Searcy, Ark.

REIGN OF THE BUREAUS
 "Bureaucracy" is a mottled over but not outmoded term. Its popularity may have faded lately because politicians seem to use the term less and less. I fear that all too many folks have assumed that government by bureaucracy is here to stay, that no matter what brand of national administration you have, the emphasis will still be on Washington. Yet, to welcome an increasing reign of bureaucrats is to invite totalitarianism.
 The battle against political encroachments upon the lives of our people still can be won. When the facts are carried straight to the bar of public opinion, I believe informed Americans will repudiate this reign of bureaucrats. For a generation, the scope of government's power has extended outward from the federal center. People are tired of abuses that come in the wake of bureaucracy.

Halt the March
 Despite having to pay no rent and no taxes, federal corporations are estimated by one source as having used up \$5,500,000,000 more than they earned in the year ending last June. Moreover, they have a free rein on costs. Losses added to well-hidden costs are estimated to make up a full third of the annual federal budget. All this cost is a huge burden on the productivity of our citizens. Such wastefulness has no place in this people's republic!

Beyond the Law
 Do you realize that some 1,200 federal bureaus now exist to dominate, control, and restrain every manner of human activity? Back of these bureaus eleven government agencies function as corporations and 44 actually exist as corporations. The majority of these have little constitutional justification. Compliance with constitutional law is not important to these bureaus and agencies. Neither is the spirit of individual enterprise, which is so much a part of American tradition.

These agencies feel they are beyond the law and the spirit of the constitution. While competing with the private enterprise of citizens, these federal corporations indulge in wasteful, extravagant, and corrupt practices. A screen of bureaucratic confusion, with the help of grabbed records and false accounting methods, hides them from full public view. These methods resemble those of the monarchies of old!
No Rent, No Taxes
 Federal corporations that compete with the enterprises of private citizens have rare advantages. They pay no rent, and decline to refer to this in their bookkeeping. They are simply "operating government property." They pay no taxes, like the corporations with which they compete. They are "the government," and their purpose is to consume taxes. Tax money is grist for their mills.

Social Security Official To Visit Morton April 29

Elliott W. Adams, Social Security Administration Representative, will be in Morton at the Post Office at 11:00 A. M. on April 29, for the purpose of answering any questions you may have on social security; discussing possible benefits and taking claims from persons who seem to be entitled to benefits; and taking applications for social security account number cards.
 Have you lost or misplaced your social security card? Your nearest social security office will help to get a duplicate. It is not necessary to get your duplicate from the office that issued the original card. Be sure to ask for a duplicate—never for a new card.

Local Women Attend District Garden Club Meet Held In Odessa

Spring convention of district Garden Clubs which was held in Odessa Friday and Saturday was attended by the following: James Elizabeth Greer, Roy Gast, Albert Morrow, Nelson and Tom Arnn. Four of the 27 clubs affiliated with the district were represented at the meeting. Mrs. A. Blanton presided in the absence of Mrs. Lyle Blanton, district counselor. Mrs. T. H. Gallo of Childress was elected district garden chairman and Mrs. B. C. Elliott was elected district church garden chairman. Awards were presented as follows: Phillips Better Homes and Gardens club won a blue ribbon for its flower show scrapbook; Hereford Garden club won a blue ribbon for its club scrapbook; Odessa and Phillips won blue ribbons for their yearbooks. The District 1 fall board meeting will be held in Tucumcari, N. M., and the spring convention for 1949 will be held in Hereford.

Mrs. Autry Been, the former Peggy Hill, was married in a candle lit ceremony at First Baptist Church, April 10. Mr. and Mrs. Been have returned to their home in San Antonio, after a wedding trip to New Mexico.

Quarterback Club To Stage Meeting Monday, April 26

A meeting will be held Monday night, April 26, at 8:00 o'clock in the study hall of the high school for the purpose of organizing a Quarterback Club, according to Gayle Bishop, business man and backer of the local school sports activities.

The purpose of the club is to bring public spirit into the school's basketball and football games and publicize games and tournaments.

One specific way in which the club will aid sports is to furnish transportation for rural boys who ride the bus and wish to remain in the afternoon for practice. Members of the Quarterback Club will make arrangements for these boys to have a ride home. All persons interested in promoting interest in school sports are urged to be present at the meeting.

Jan Hawthorne Honored With Birthday Party

Jan Hawthorne celebrated her third birthday April 16 with a party in the back yard of her home. Games were played by the children then refreshments of punch, individual cakes, decorated with a birthday candle, and ice cream cones were served by Mrs. Hawthorne assisted by Mrs. C. E. Alexander of Enochs and Mrs. Courtney Sanders.

Many lovely gifts were received from the guests. Favors of tweet-tweet birds were presented by Gary Essary, Charleen and Bobby Alexander, Jane Sanders, Betty Lou Ledbetter, Cathy Huggins, Michael Todd, Willard Cox, Jr., Jamie and Raymond Davis, Judy, Lauretta and Carol McCuiston, Bill Ed Rice, Tommy Weaver, Monte Lee Bowman, Sandra Matthews, Ray and Dan Cravy, Carl, Jr. and Jauldine Alexander, Anna Jo, Carol and Teralin Watson and Sharon and Max Hawthorne.

The mothers present were: Mrs. Wendell Watson, Mrs. Truett McCuiston, Mrs. Willard Cox, Mrs. David Todd, Mrs. C. M. Cravy, Mrs. Courtney Sanders, Mrs. Clarence Bowman, Mrs. Cliff Davis, Mrs. Andrew Essary and Mrs. C. E. Alexander.

TO OKLAHOMA CITY

Mrs. Dona Doughty and daughter, Virginia Lee, left here Monday for Oklahoma City. Virginia is one of the attendants to the Lions Club Rodeo Queen and as such will be lavishly entertained while the rodeo is in progress.

Home Economics Open House To Be Held At Tech

Preparation for the twelfth annual home economics public open house on the Texas Technological College campus are in final stages of completion. Gladys Dawson, general chairman, announces.

Students and faculty in the home economics division are joint hostesses to the open house which is the single complete display of work and achievements in the division.

Visitors will be guided through the departments of the main buildings by students who also will explain the exhibits. The hours are 2 p. m. until 9 p. m. Friday, April 23, and 9 a. m. to 5 p. m., Saturday, April 24.

Under a new pre-selection school plan, high school graduates choose their technical school before enrollment.

THE SOON COMING OF CHRIST

Since we have studied about the Prophecy and the Promise of the Soon Coming of Christ, let us now think in terms of the Purpose of his coming. The purpose of his coming is of great interest to the Christian and should be a warning to the unsaved. Bear in mind that the Lord is coming in the air and at that time there is going to be a shout of the voice of the archangel. There is going to be a great thing happen, one that will cause the greatest confusion among those that are left that has even been known. The Lord himself will come and claim His own.

The dead in Christ will rise first and then the living saints will be changed. This statement is found in 1 Thess. 4: 16-17. At the time that the dead in Christ shall rise, the dead out of Christ will remain in the grave. It is great indeed to have the assurance that you will not have to remain in the grave or even remain on the earth. At this time that great disturbance will take

place. Men will be running here and there, trying to hide in the caves and mountains and will be crying for the rocks and mountains to fall on them and hide them from the face of the Lord. That is going to be a horrible scene and surely there is no one that will want to be a character in that scene. Friend, you have the opportunity to avoid being in that great tragedy by accepting Christ as your savior.

Let us notice another thing that will take place at that time. When the dead in Christ come forth from the grave, they are going to be changed. At that time they will be in possession of incorruption. No longer will corruption have charge of their bodies and no longer will the grave be victorious over the body. They will be able to say then, "O death where is thy sting and O grave where is thy victory." That is not all. Immortality will be given to the children of God that remain. Friend that could mean you and I, for we are not the victim of death yet. At that great moment, the dead in Christ and the living saints will be reunited. That is going to be a great time, a time that many of us today are longing for. Then to all will have the privilege of meeting the Father together. Yes we will be caught up together to meet the Lord in the air and so shall we ever be with the Lord. Now this does not mean that the children of God will always be in the air, neither does it mean that the Lord is going to stay in the air. There is one thing certain, Christian people will always have the privilege of being with the Lord. The question has been asked, "Where is Heaven?" Let us rest assured of this one thing, that wherever the Lord is that will be Heaven to those that are with Him.

ALBUMS EXCHANGED

Last year, members of the American Junior Red Cross exchanged correspondence albums with school children of 34 nations.

Nirvana is the highest religious state to be reached in Buddhism.

American Legion Auxiliary Meeting Held Thursday

Regular bi-monthly meeting of the American Legion Auxiliary was held at Veterans Hall on Thursday night, April 15.

Mrs. Jim Gast, Auxiliary president, was in charge of the meeting.

Committee reports on the Pan-American Fiesta to be held here April 29 were made and tickets to the Fiesta distributed to members.

Mrs. E. D. Lytle, sergeant at arms, presented Albert Morrow, who spoke to the group on recent expenditures for rehabilitation. The organization voted to aid the V. F. W. in meeting these obligations.

Mrs. Louis N. Podesta was accepted as a transfer member from Houston, Texas.

Refreshments of cake and coffee were served to the following members: Mrs. Jim Gast, Mrs. John L. McGee, Mrs. Albert Morrow, Mrs. Carl England, Mrs. E. D. Lytle, Mrs. C. B. Markham, Mrs. Hattie B. Spotts, Mrs. Jaunita McBee and Mrs. Louis Podesta.

AGR Division At San Antonio To Be Discontinued

The American Graves Registration Division of the San Antonio General Distribution Depot at that city will be discontinued effective May 15. Lt. Col. S. H. Partridge, chief of the division announced today.

After that date remains of Texas war dead, returned to Texas for permanent burial, will be distributed from the Fort Worth Quartermaster Depot. Remains destined for sections of Louisiana that have been served by the San Antonio office will be handled at the Quartermaster Depot at Memphis, Tennessee.

After May 15, all communications relative to the war dead repatriation program should be addressed to the American Graves Registration Division, Fort Worth Quartermaster Depot, Fort Worth, Texas. Col. Partridge said.

FISHING TRIP

Mr. and Mrs. Herbert Hillman left last Thursday for a fishing trip to Possum Kingdom Dam.

DISASTER ASSISTANCE

In the past 7 years, the American Red Cross has given disaster assistance to 21 nations in 27 major disasters.

In England, automobile drivers keep to the left instead of the right.

"Relentless" To Show At Local Theatre Apr. 28-29

"Relentless," Columbia's Technicolor drama of defiant love and deadly encounter in the High Sierras, which will show Wednesday and Thursday, April 28 and 29 at the Wallace Theatre, is as electrifying as a pistol shot. Starring Robert Young and Marguerite Chapman, the film builds relentlessly to a powerful climax. Sandwiched in between are enough furious action, gunplay and sudden death to satisfy the most exacting outdoor film devotee.

Winston Miller's screenplay concerns Young, as a wandering cowboy who ambles into town one fine day free as the breeze only to soon find himself suspected of three killings and ensnared in the grip of a great love for a beautiful girl in blue jeans. The grim game of pursuit with the sheriff's posse chasing Young, and Young chasing Barton MacLane, a killer who has pinned the three murders on the cowboy, keeps the film spinning along at a breakneck pace.

As the murderous game of hide and seek plays out its last moments, the action descends from the mountains to the sunbaked desert. There, the cowboy overtakes his quarry, who is shot in the back by another desperado. Before more of the same can be dished out to Young, the resourceful Miss Chapman arrives with sheriff Willard Parker to put the quietus on the badmen.

As the cowboy Young delivers a refreshing performance handling his role with appropriate naturalness, Miss Chapman as the adventuresome beauty is equally good. Akim Tamiroff and Mike Mazurki are pluguglies, Western style, while Robert Barrat and Clem Bevans, in addition to Parker and MacLane round out the supporting cast.

George Sherman directed for producer Eugene B. Rodney.

FOR VETERANS

During the past fiscal year, 723,000 insurance, disability, and death claims were filed for veterans or their beneficiaries through Red Cross chapters.

A well sodded terrace outlet is to a terrace what a well constructed foundation is to a building.

Methods of Testing Cotton Fibers Have Been Speeded Up

Methods of testing cotton fibers for strength, staple length and uniformity, fineness and maturity, have been speeded up by the Cotton Research Committee of Texas in its fiber laboratories at Texas Technological College from a rate of from five to seven samples a day to more than 800 monthly, according to Mark E. Wood, research associate.

Among the far-reaching effects of the speedup, accomplished principally through more efficient clerical methods, are that the cotton trade may move to apply scientific testing more to its merchandising procedures, Wood predicted. Mills and industry in general currently do little or no fiber testing work because it is considered too slow and tedious, he explained.

Most of the testing work done at the college now is for the benefit of agricultural experiment stations and other cotton breeders who need information on various cotton breeds they are producing. Because of the faster methods developed at the college, information on fibers is now available to breeders in time for the planting season following the year the samples were produced, whereas in the past this information was often not available for as long as two or three years, Wood stated.

ROY SMITH made a business trip to Amarillo last Friday.

Sidelights From Washington

By George Mahon

Most West Texans will approve the action of the House of Representatives last week with respect to two important subjects, public roads and the U. E. Air Force.

The House approved a new three year public roads program to succeed the program which is now being completed. Under the new law a total of \$1 1/2 billion dollars will be expended by the Federal government over a three year period. The money will be spent in cooperation with the state for various phases of public road construction, including farm to market roads.

The bill approved by the House for the Air Force provides funds for a total of 2900 modern military aircraft. An additional 1500 planes are provided for the Navy. The number of additional planes for the Air Force is far in excess of the number originally requested by the President. This increase was provided in view of the unsettled world conditions and refusal of Russia to cooperate in our efforts to promote peace. I spoke in favor of the program for the expansion and modernization of the Air Force and served as a Member of the Committee which wrote the legislation and presented it to the House for action.

The passage of this legislation for an expanded and improved Air Force is one of the most significant and important steps taken by Congress since V-J Day. Undoubtedly the American people favor such a program. We had some difficulty in the House in securing passage of an important amendment but on final passage of the bill the House was almost unanimous, passing the measure with only three dissenting votes.

Our Modern Army An Educated Army

In recognition of this precept, the Army has taken certain steps to see that her soldiers have every chance for a formal education.

Backbone of the Army's specialized training program is the system of major technical schools operated by the Army itself.

MORE HOME NURSES

Approximately twice as many persons completed Red Cross home nursing courses in the 2-year period immediately following World War II as in the 2-year period preceding it.

Housefly Named As Enemy To Nation's Health

AUSTIN—The ordinary housefly is an enemy to health, and is one of the agents most commonly responsible for the spread of disease throughout the nation, according to Dr. Geo. W. Cox, State Health Officer. Typhoid fever, dysentery, and many other intestinal diseases can often be traced to the common housefly as the carrier of infection.

Speaking in this connection, Dr. Cox advised: "Be sure that your windows and doors are tightly screened so that stray flies will not endanger the health of your family. Keep flies away from food, drink, and utensils used in preparation of food. Make sure, if you live in rural districts, that outside privy vaults are tightly covered so as not to permit the entrance of flies. Infections from this source can be picked up by flies and spread to human beings through contact with food, drink, and utensils. Keep all garbage covered until collected or buried. Eliminate all breeding places for flies and you will be helping your community in its work of controlling communicable diseases and preventing unnecessary illness."

Dr. Cox said that the State Health Department would furnish upon request a pamphlet outlining safe and practical methods recommended for use in fly control.

CLAIMS SERVICE

Red Cross Claims Service representatives in VA offices during the past fiscal year worked on 1,095,832 cases involving veterans and their dependents or beneficiaries.

Someone is killed in a motor vehicle accident every 15 minutes in this country.

NOTICE TO BIDDERS

The Commissioners' Court of Cochran County, Texas will receive competitive bids until 10 o'clock A. M. April 28, 1948 at the Court House in Morton, Texas for the purchase of following described road machinery: One Tandem Drive, Diesel Powered Power Control, Motor Grader, approximately 76 H. P. with starter, fully enclosed cab, 13.00-24 tires, 12 foot moldboard, and two 2 foot extension, at which time and place the Court will proceed to let a contract if any bid is accepted. The Court reserves the right to reject any and all bids.

Glenn W. Thompson, County Judge, Cochran County, Texas. 6/7/8
